Summer 2026 Capital Projects Update - June

LHS Auditorium Stage Floor Replacement Project

The stage floor has been removed. We are presently sourcing new stage lighting electrical boxes for under the floor. The new floor will be installed when the electric is completed.

LHS Library Carpet Replacement Project

The new library carpet has been installed. The mover has been contacted to put the library book stacks back in place.

LHS Univent Replacement Project

The univent equipment shipment has been delayed until July 2nd. Demo of the existing equipment in classrooms 248, 250 and 251 will not begin until we have the units on site. If shipping is not delayed again the project can be completed before the start of school.

LHS Cooling Tower Pump Replacement Project

Demo of the existing equipment is scheduled to start on July 13th and be completed by July 24th. The dual temperature pump replacement will be completed after we turn over to heating in mid to late October.

LHS Main Gym Penthouse HVAC Equipment Replacement Project

The demolition of the existing units has been completed. The new electrical panel has been installed. The new equipment is scheduled to arrive the week of June 22nd. The equipment will be crane lifted up to the gym penthouse on June 29th and assembly will begin. The project is on schedule to be completed by July 31st

LHS Graphic Lab HVAC Project

The new rooftop HVAC shipment has been delayed until August 11. In preparation for the unit the installation of structural support, electrical, duct work, gas line and new roof curb work will begin on July 6 and be completed by July 31st. The new unit will be installed and completed the week of September 7th. Demolition of the old units is scheduled for October 9, 10 and 12th.

LHS Roadway/Parking Lot Sealcoating and Striping Project

The project will be scheduled around the summer school schedule.

LHS Server Room Flooring Replacement Project

The flooring has been ordered and will be installed when it arrives.

Dymond Offsite Parking Lot Asphalt Replacement Project

The asphalt surface was removed on Monday 6/15 and areas for gravel base replacement were identified and replaced. Fortunately the areas for replacement were less than expected. Final grading and the asphalt binder installation were completed on Tuesday. Finish layer and striping will be completed as weather permits.

LHS Stadium Track Surface Replacement Project

Removal of the existing track surface is underway. The existing surface has been difficult to remove. Some areas of the existing track asphalt base will need to be replaced. Upon completion of removal, the areas for replacement will be identified and quoted.

VHHS Roadway/Parking Lot Sealcoating and Striping Project

The sealcoating and striping of the VHHS Athletic Complex is scheduled for Friday 6/19 and Saturday 6/20. The school campus is scheduled to start on Friday 6/26.

VHHS Pool Dehumidification Air Handler Replacement Project

Phase I started on May 26th with mobilization and draining of the pool. Demolition of the duct sock started on May 28th. Masonry openings for the new duct work distribution system is completed. Preparation for installation of the new air barrier system is ongoing. Structural engineering is being finalized for relocation of the new roof condenser unit. Once completed, the new roof curb can be installed this summer in order to avoid any winter condition delays. Work scheduled for Phase I is on schedule to be completed and the pool operational before school starts on August 10th. We are presently working on finalizing the Phase II schedule. The contractors are looking for ways to possibly shorten the work timeline.

Re: FY27 Tentative Budget

Executive Summary

The district's FY27 tentative budget is balanced with an operating surplus of \$2.9 million, which is close to the February 2026 projections of a \$2.6 million surplus. Realizing the structural changes to health insurance and a 1.5 FTE net decrease in staffing contributed to the increased surplus. This budget reinforces the district's strong financial position and supports its continued fiscal stability

Introduction

This report presents a summary of the FY27 tentative budget and the assumptions used to develop them. This is the culmination of the staffing, department budget, and capital planning processes that have occurred this spring.

These numbers are much more accurate than financial projections. Each staff member and their associated costs are budgeted along with each line item in each department.

The summary reports include comparisons to the FY26 budget. As FY26 is not yet complete, the FY26 actuals are not a meaningful measure at this time. The reports will be primarily looking at our Operating Funds, which will exclude Fund 30 (Debt Service) and Fund 60 (Capital Projects). The district is debt-free and capital projects will be discussed in its own section.

There will likely be changes to the final version of the budget as many of these calculations were done in May. There will be an update on those changes. There will be small differences between our summary reports and the numbers in the state budget form due to rounding.

Overall Revenue and Expenditure Summary

The FY27 tentative budget is balanced with revenues at \$115,408,600, expenditures at \$112,506,207.62, and an operating surplus of \$2,902,392.38. The total budget has an additional \$2 million in the Capital Projects fund for a total surplus of \$902,392.38.

Revenues are budgeted to increase 3.67%, which is primarily driven by the 2.9% CPI and new property growth in the district as well as increased recognition of the higher interest income.

Expenditures are budgeted to increase 2.48%, which is driven by the increased transportation costs, capital investments, and salaries.

Revenues - Local

Local revenues represent approximately 95% of district revenues. In total, these are increasing 3.67% from the prior year, which is primarily driven by property taxes and interest income.

Property taxes represent 89% of total revenues, which is the most significant source of revenue for the district. Property taxes are expected to increase 3.47%. CPI, or the rate of inflation, is the primary driver of the property tax increase. The applicable CPI for FY27 is the 2.9% CPI, which comes from the 2025 Property Tax Levy approved by the Board in November 2025. In addition, there is about \$26.6 million in new property EAV (taxable values from new construction or home renovations) which adds approximately \$700k in property tax revenues. Our collection rate is estimated at 99.75%, which is our 3-year average. The collection rate is the percentage of our approved taxes that we will actually receive due to the reality that not all property taxes are collected.

Corporate Personal Property Replacement Taxes (CPPRT) is projected to remain flat at \$1.3 million. CPPRT is a replacement tax from a personal property tax that was eliminated in the late 1970's. It is a state tax taken from the income from corporations. The last several years has shown significant volatility. The data appears to show that CPPRT may be leveling out. The Illinois Department of Revenue will release an estimate of CPPRT in August.

Tuition, which is represented by summer school fees and summer camp fees, is increasing 9% due to increased summer school and summer camp fees. We have been in a multi-year phase in for updating summer school fees with this summer being the final phase:

- Summer 2024 - \$200 for initial credit/\$100 for repeat & replace/\$0 for credit recovery.
- Summer 2025 - \$300 for initial credit/\$150 for repeat & replace/\$0 for credit recovery.
- Summer 2026 - \$400 for initial credit/\$200 for repeat & replace/\$0 for credit recovery.
- Fee waiver students would pay nothing in any scenario.

Transportation fees are only for summer school; we do not charge transportation fees for regular school-year transportation. Summer school transportation fees did increase from \$50 to \$100 this year. We will likely update this figure for the final budget.

Interest Income, similar to CPPRT, has been volatile the last several years:

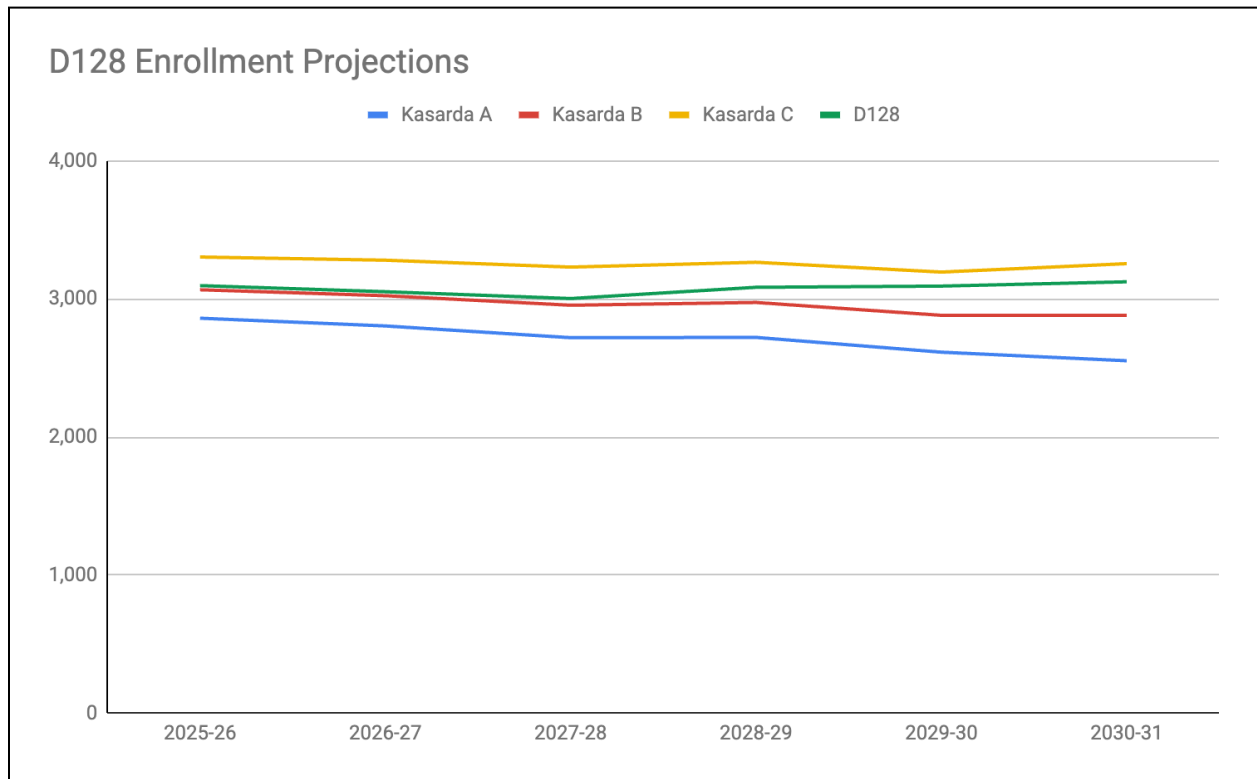

This is largely due to the fluctuations in the Fed Rates:

It is difficult to predict where fed rates will be. The budget is set to \$2.7 million, which is an increase from the \$2 million budgeted in FY26 but a decrease in the projected FY26 receipts by approximately \$200k.

District fees and textbooks have been combined into District activities for a few years. Collectively, they are relatively flat due to the small enrollment decrease offset by

additional students taking AP tests. Here is a link to the [enrollment projections report](#) from February 2026.

Other local revenues, which includes rentals, donations, impact fees, services to other districts, refunds of prior year expenses, TIF surplus, Drivers Ed fees, simming fees, cell tower revenue, Quest rental, and other miscellaneous revenues are budgeted for a 4.78% increase primarily due to an error in the FY26 budget that did not budget for the revenue for services to other districts (which is the shared services with Mundelein 120. We employ the teacher and they reimburse us the portion they use).

Revenues - State

State revenues represent approximately 4% of district revenues. In total, state revenues are projected to remain flat, with a small 0.2% decrease, driven by decreasing transportation reimbursement offset by a CTE state grant.

Evidence-Based Funding (EBF) is the main way that the state funds schools. The funding includes a base minimum amount (the amount received in the prior year) plus tier funding. This is a formula that provides additional funding to schools based on the

ability of the district to general local taxes. As the district has high property values, D128 is in Tier 4, the lowest tier. We expect little-to-no additional funding.

Special Education Private Facility Reimbursement is for a portion of costs for students placed in private facilities (outside of D128 buildings). FY27 revenues are projected to decrease slightly based on trends. The state's budget is not keeping up with costs and there are more schools in the pool allowed to submit. In other words, the pot is the same size, but there are more hands.

CTEI is the state's way of funding Career & Technical Education (CTE). This is similar to the Perkins grant, a federal source of revenue for CTE. Historically we have been at \$28,000, with but have been trending in the low \$40's for the last few years. The state changed their CTEI formula and it appears we will be back closer to \$28k. Ben Rodriguez was able to secure a 3-year \$100k per year grant for building out an education pathway. Therefore, the budget has been increased \$84,000, or 183%.

Drivers Ed is increasing to \$90,000 from \$60,000. The state increased the allocation to Drivers Ed from \$10,000,000 to \$14,000,000 due to increased revenues from citations.

Transportation is projected to decrease \$100,000, or 6.78%. This is due to lower-than expected reimbursement and a continued proration from the state. The state did allocate additional funding towards transportation, but we do not yet know the final impact.

Other state sources include a \$50,000 matching state maintenance project grant and a state library grant of \$2,500. The library grant was not budgeted in FY26 and is now included for FY27.

Revenues - Federal

Federal sources represent 1% of district revenue. Overall, they are projected to decrease 7.63% due to medicaid funding.

Title I funding appears to be decreasing back to pre-FY24 levels and is budgeted for a 19% decrease.

Title IV, IDEA, and Perkins are held flat.

Other Federal Revenues, which includes Title II, Title III, e-Rate and medicaid, is budgeted to decrease 32%. This is primarily due to the unknown funding of medicaid.

There has been significant volatility in medicaid funding over the last few years. This will be reviewed for the final budget and may be adjusted up.

Expenditures - Positions

Salaries and benefits represent 70% of the district’s budget. This is driven by the number of people employed and what the compensation is.

Below is the total FTE by category based on the approved staffing plans. There was one small change of a 0.1 FTE that was an error on the earlier reports that brought the total FTE down from 530.49 to 530.39. Each position is budgeted individually based on the actual people filling the positions and assumptions for vacancies. We also budget for a contingency for lane changes that will not be known until the fall as well as an additional 1.0 FTE teacher contingency.

Category	FY24 Positions	FY25 Positions	FY26 Positions	FY27 Positions	FY27 Change
Admin	44.40	44.80	44.80	43.80	(1.00)

Updated position control reports are linked below:

- [Position Control - FY27 Positions](#)
- [Position Control - FY27 Changes from Prior Year](#)

Expenditures - Salaries

Salaries represent 57% of the district budget and are projected to increase 0.96% over FY26. This is due to the overall 1.5 FTE decrease and retiree replacements offset by raises for returning staff.

Base salaries overall are projected to increase 1.49% due to the FTE changes, retiree replacements, and raises.

Overall administrator salaries are decreasing 0.55% due to the 1.0 FTE reduction in administration. 10-month administrators are relatively flat due to retiree replacements offsetting the raises for returning 10-month admin. 12-month administrators are projected to decrease 1.11% due to the 1.0 FTE decrease in 12-month administrators. As a reminder, raises for 10-month administrators (Department Chairs, Team Leaders/Deans, and Student Activity Directors) range from 3%-5% depending on salary schedule placement, longevity, or retirement track. 12-month administrator raises range between 2%-5% based on market data relative to each position. The average raise is 3.91%.

Teacher salaries are projected to increase 1.55% due to a 1.0 FTE decrease, raises, and retiree replacements. Raises will range from 3-5% with an average of 4.56%.

ESP salaries are increasing 2.19% due to a 0.5 FTE increase, raises, and retiree replacements. Raises are 3% for ESP, 4.2% for SPS, and 5% for those on the retirement track. In addition, there are two additional paid days this year for 10-month ESP due to the calendar and holiday schedules.

Other notes for salaries are included in the summary reports.

Expenditures - Benefits

Overall benefits are projected to remain flat. This is due to the insurance structure changes implemented by moving to the 4-tier system and having the PPO 750 be the base plan the district pays for. There will be additional benefits such as HSA, HRA, and FSA that will be added for the final budget version.

Other notes for benefits are included in the summary reports.

Expenditures - Purchased Services, Supplies, Capital, Other, and Equipment

Notes for the remaining objects are included in the summary reports.

Overall, there is an additional \$150,000 fee with SEDOL, increased athletic training costs, the Facility Condition Assessment (FCA), athletic transportation, and increased capital investment that are the largest factors influencing increased spending.

Comparison to FY27 Financial Projections

[Five-year financial projections](#) were presented in February. The projected revenues were \$115,361,717 and projected expenditures were \$112,805,278 with a projected surplus of \$2,556,439.

Below is the comparison on revenues:

	Projections	Budget	% of Projections
Local	\$109,628,317	\$ 109,603,100	99.98%
State	\$4,192,400	\$ 4,291,500	102.36%
Federal	\$1,541,000	\$ 1,514,000	98.25%
Total Revenues	\$115,361,717	\$ 115,408,600	100.04%

The final budgeted amounts are extremely close to the projections.

Below is the comparison on expenditures:

	Projections	Budget	% of Projections
Salaries	\$65,794,892	\$ 64,656,627	98.27%
Benefits	\$14,446,862	\$ 14,169,891	98.08%
Purch. Serv.	\$14,046,569	\$ 14,655,928	104.34%
Supplies	\$5,637,272	\$ 5,684,496	100.84%
Capital Outlay	\$5,851,104	\$ 6,251,307	106.84%
Other	\$6,121,427	\$ 6,268,882	102.41%
Non-Cap Equipment	\$907,152	\$ 819,077	90.29%
Total Expenditures	\$112,805,278	\$ 112,506,208	99.73%

Expenditures were also very close, with the budget being \$299,070 less than projections. However, an important point to note is that the projections assumed flat staffing. The budget provides for a decrease in staffing of 1.5 FTE. In the May staffing report, it was noted that the changes in FTE would expect to reduce the projections by approximately \$425,000. Therefore, the updated projections would have been \$112,380,278, which means the budget is really 100.11% of projections.

The projections for revenues and expenditures were extremely close, reinforcing the reliability and accuracy of the projections.

Balanced budget; no Deficit Reduction Plan is required.

A deficit reduction plan is required if the local board of education adopts (or amends) the 2026-2027 school district budget in which the operating funds listed above result in direct revenues (line 9, BudgetSum 2-4) being less than direct expenditures (line 19, BudgetSum 2-4) by an amount equal to or greater than one-third (1/3) of the ending fund balance (line 81, BudgetSum 2-4).

Note: The balance is determined using only the four funds listed above. That is, if the estimated ending fund balance is less than three times the deficit spending, the district must adopt and file with ISBE a deficit reduction plan to balance the shortfall within three years.

Per School Code (105 ILCS 5/17-1) - If the Deficit AFR Summary Information tab from the 2025-2026 Annual Financial Report (AFR) reflects a deficit as defined above, then the school district shall adopt and submit a deficit reduction plan (found here on page 22-26) to ISBE within 30 days after acceptance of the AFR.

The deficit reduction plan, if required, is developed using ISBE guidelines and format.

Part I: Achieving Student Growth and Making Progress Toward State Education Goals

The questions below allow you to indicate the strategic priorities and strategies that will drive your efforts to achieve student growth and make progress toward state education goals. These may involve investing in any combination of an Organizational Unit's core resources: time, money, people, and programs.

Color Key	Text or dollar figure entered by user
	Response selected from dropdown list
	Value is provided based on district selection.

Collaboration Opportunity - Organizational Units may find that Part I is most easily and effectively completed if led by program leaders in consultation with finance leaders.

1) What are the Organizational Unit's strategic goals for student success for the 2026-27 school year? What measures will be used to evaluate progress? (No more than 2000 characters, including spaces.)

Health & Wellness: D1289 will increase access to social and emotional learning (SEL) support and services to improve mental health and wellbeing for all students. Equity & Inclusion: D128 will ensure equitable opportunities and outcomes for all student populations. Explore Multiple Paths: All D128 students will explore various career, college, military and trade pathways and graduate informed, prepared, and empowered to pursue the future career of their choosing.

	Top Strategy 1	Top Strategy 2	Top Strategy 3
2) Select the top three strategies that the Organizational Unit will employ to achieve student growth and make progress toward state education goals. (Select three different responses from the dropdown list.)	Increase number and/or quality of professional development opportunities	Maintain or expand college and career readiness options (e.g., CTE programming, AP/IB programming, dual credit/dual enrollment programming)	Improve programs, curriculum, and/or learning tools
If "Other" was selected in question 2, please describe. (No more than 1000 characters, including spaces.)			

Part II: Planned Use of Evidence-Based Funding

The questions below provide an opportunity to document the stakeholders with whom you consulted and the data you analyzed as you determined your strategic allocations of FY 2027 EBF dollars. Key statistics related to EBF distributions are provided for your reference. Form 50-36/50-39 is typically released before current-year appropriations are known. Therefore, the figures provided are for the prior fiscal year.

Collaboration Opportunity - Organizational Units may find that questions in this section are most easily and effectively completed if led by finance leaders in consultation with program leaders.

Evidence-Based Funding Organizational Unit Results (FY 2026)	Final Resources / Adequacy Target = Percent of Adequacy	Average Student Enrollment	3,261.65	Adequacy Target	\$51,188,047

Cost Factor Table

The table below presents the regionally adjusted amount embedded in the Organizational Unit's FY 2026 Adequacy Target for each of the 34 cost factors in the Evidence-Based Funding model (Column F). Column G is required for all Organizational Units that receive at least \$5,000 in Tier Funding, while column H is optional. Organizational Units may choose to provide additional narrative context in Columns I-M to elaborate on the figures included in the table. ISBE has produced guidance for populating the cost factor table. The guidance includes a definition for each cost factor, along with suggestions for using Employee Information System position codes and common expenditure accounts to support a determination of expenditures. This guidance is available at <https://www.isbe.net/ebfspendingplan>.

Column G: If the Organizational Unit will receive at least \$5,000 in FY 2027 Tier Funding (as entered in Q2.1/cell G31), column G is required. Please indicate the Organizational Unit's planned expenditures in FY 2027 from Tier Funds only. Organizational Units are not expected to place a value in each cell. Rather, the table allows for the communication of priority investments with new state resources for the current fiscal year. During years in which there is no new Tier Funding, column G will not be required. During years in which Tier Funding is available, the amount of new Tier Funding entered in Q2.1/cell G31 above must equal the sum in cell G90 below. If some or all Tier Funding is invested outside of the cost factors, enter a dollar amount in cell G89 and provide additional context in the space for a narrative beginning in row 93.

5) Column H: Optionally, Organizational Units may populate column H with total planned expenditures in FY 2027 for each cost factor from all revenue sources (e.g., not just from EBF). By comparing the figures in column F to the figures entered in column H, the Organizational Unit may engage local stakeholders in productive dialogue about resource allocation decisions.

*The subtotal for Per Student Investments is a calculated figure that adjusts salary portions of Central Office and Maintenance & Operations to account for regional salary differences. As a result, the sum of each individual cost factor will not equal the subtotal.
 **The total is the Final Adequacy Target (adjusted for Regionalization Factor) calculated in the Full FY2026 EBF Calculation file. Due to differences in rounding, this figure may vary slightly from the sum of the subtotals in this table.

If some or all Tier Funding was invested outside of the cost factors, please describe. (No more than 1000 characters, including spaces.)

Part III: Support for Special Student Groups

EBF statute sets aside specific allocations to be spent for special education, English learners, and low-income students. Per statute these designated funds must be spent on programs and services benefiting these specific student groups. Funds for English learners and low-income students must be spent in addition to, and not in lieu of, funding that supports general programs of instruction for all students. Funds attributable to special education must be used for the provision of special education facilities and services as outlined in ILCS 14-1.08. Current-year EBF amounts attributable to each of the special student groups must be reported in Question 1 below (cells G100-G102). If the Organizational Unit received at least \$5,000 for any of the student groups, a response to Questions 2 through 4 below is required. For amounts less than \$5,000, a response is optional for those questions. All other EBF funds may be spent in any manner deemed appropriate by the school district.

Collaboration Opportunity - Organizational Units may find that questions in this section are most easily and effectively completed through collaboration between program leaders affiliated with each student group and finance leaders.

Plan Assurances

Please complete the assurances below related to Article 14C of the Illinois School Code, which contains provisions for EL services, parent participation, and the use of EBF dollars provided for English learners. It is the joint responsibility of home and serving entities to ensure compliance related to the use of state funding provided for English learners. Organizational Units should maintain supporting documentation (e.g., sign-in sheets, meeting agendas) to affirm the veracity of the below assurances. Responses in this section are only required if an Organizational Unit receives any amount of EBF dollars attributable to English learners.

Collaboration Opportunity - Organizational Units may find that the plan assurances are most easily and effectively completed if led by program leaders.

- 1) "I hereby affirm that at least 60% of the school district's state funds attributable to English learners will be used for instructional costs of programs and services for English learners (function 1000), in accordance with Article 14C of the Illinois School Code. The remaining balance of state funds attributable to English learners will also be used to serve English learners."

ESTIMATED LIMITATION OF ADMINISTRATIVE COSTS (School Districts Only)

(For Local Use Only)

This is an estimated Limitation of Administrative Costs Worksheet only and will not be accepted for Official Submission of the Limitation of Administrative Costs Worksheet.

The worksheet is intended for use during the budgeting process to estimate the district's percent increase of FY2027 budgeted expenditures over actual FY2026 expenditures. Budget information is copied to this page. Insert the prior year estimated actual expenditures to compute the estimated percentage increase (decrease).

The official Limitation of Administrative Costs Worksheet is attached to the end of the Annual Financial Report (ISBE Form 50-35) and must be submitted in conjunction with that report.

An official Limitation of Administrative Costs Worksheet can also be found on the ISBE website at: [Limitation of Administrative Costs](#)

Invoice mailed to
Superintendent's office

Dear Superintendent:

A statement is enclosed containing information regarding your district's Fiscal Year (FY) 2027 membership of the Illinois Association of School Boards (IASB). We thank you for your continued support.

Your district's dues for FY 2027 can be found on the enclosed invoice. Member dues are based upon three variables: Base Charge + (Weighted Factor x Final Resources). The Base Charge and the Weighted Factor are linked to student enrollment (not ADA) and expenditures. Please know that in the future, your district will not experience more than a 4% annual increase in dues regardless of the calculated amount.

The Association's Areas of Focus and Board of Directors Results Indicators continue to guide the work of IASB staff. We will continue to seek new and innovative ways to accomplish our mission of developing the competencies and confidence of Illinois school board members through timely and meaningful programming and support.

IASB is developing a member-driven strategic plan that incorporates member feedback from member surveys and focus groups. This new strategic plan will guide the Association's work as of FY 2027. I believe this plan will better align with members' needs.

This year, IASB held an Advocacy Day bringing our collective voice to Springfield to advocate on your behalf with our State legislators. IASB launched an Advocacy Ambassador Program, which connects board members and legislators to advocate on behalf of public education. IASB staff sends legislative updates to keep members informed about current issues and ensure platforms for a strong collective voice on common interests and concerns.

Subscriptions to PRESS Plus continue to grow, and I am proud that IASB staff continue to provide timely responses to member districts. This premier service helps ensure that your board policies are up to date and are in compliance with both State and federal laws and regulations.

The Association will offer the Equity Immersion at the 2026 Joint Annual Conference as a Friday Focus Workshop.

IASB continues to collaborate closely with the Illinois Association of School Administrators (IASA), Illinois Principal Association (IPA), and Illinois Association of Business Officials (Illinois ASBO). Through this partnership, the “Power of 4” adds value to your membership that cannot be duplicated by any other organization. This collaboration brings stronger lobbying, a premier Joint Annual Conference, other support and learning opportunities, and much more.

The Association continues to offer a range of sponsored programs which allow districts to save valuable resources, including:

- Illinois School District Liquid Asset Fund Plus (ISDLAF+) for investment opportunities for Illinois districts,
- Illinois School District Agency for property casualty pool (ISDA),
- Illinois Energy Consortium (IEC) powered by Future Green for electric, gas group purchasing and solar power opportunities,
- BoardBook, web-based software application for document management,
- Illinois Schools Employee Benefit Consortium, health insurance pool, and
- SuperEval, an evaluation program for leadership in school districts.

Please know that we are committed to continuous improvement and service to our members. We value your membership and investment in IASB.

If you have any questions regarding your dues amount, please contact your IASB Outreach & Training Director or the IASB Office of Business Services department.

Thank you again for your support.

Sincerely,

Kimberly A. Small
Executive Director
Illinois Association of School Boards

(b) A successor in interest of Licensee by merger, operation of law or valid assignment, purchase or otherwise of substantially the entire business of the Licensee shall succeed to all of the rights of Licensee and assume all of the obligations and duties of the Licensee under this Agreement provided that said successor gives prompt written notice to Licensor and accepts in writing all of the obligations and duties of the Licensee under this Agreement.

(c) Licensor's consent to any assignment or other transfer by Licensee shall not be deemed to be a consent by Licensor to any further assignment or transfer.

(d) Licensee shall not without Licensor's prior written consent, sub-license the Licensed Space or any part thereof, or permit the use or occupancy of all or any part of the Licensed Space by anyone other than Licensee.

(e) Licensor has no right to grant to any third party the right to use the Licensed Space during the Use Date(s) as provided in this Agreement unless this Agreement is terminated.

31. DEFAULT

If the Licensee fails to perform in accordance with or fails to comply with any of the terms and conditions contained in this Agreement, the Licensor shall have all the remedies

provided for by law, and in addition, may:

(1) Terminate this Agreement by giving written notice of termination to the Licensee. Upon the mailing of written notice of termination, this Agreement shall terminate and all rights and privileges granted or extended by this Agreement shall be deemed revoked. If this Agreement is terminated pursuant to this Subsection, then Licensee shall continue to be liable to Licensor for all reimbursable costs incurred pursuant to Section 5 of this Agreement by Licensor and shall also be liable for the fees specified in Sections 3 and 6 of this Agreement subject to a set off in the amount of any license fees which Licensor might receive from others for use of the Licensed Space on the Use Date(s). In addition, all deposits made by Licensee shall be retained by Licensor.

AND

(2) Deny Licensee and Licensee's officers, agents, employees and independent contractors hired by the Licensee admission to the Rosemont Theatre and the use and occupancy of the Licensed Space and remove from the Rosemont Theatre any personal property of the Licensee or Licensee's officers, agents, employees or independent contractors hired by the Licensee at Licensee's expense or place such property in a public warehouse or other place of safe keeping at Licensee's risk and expense.

32. LEGAL EXPENSES

Licensee shall pay Licensor all costs, expenses and attorneys' fees incurred by Licensor in enforcing the covenants and conditions of this Agreement.

33. BANKRUPTCY

In the event that Licensee is adjudged a bankrupt, makes an assignment for the benefit of creditors, commits any other affirmative act of insolvency, files a petition or has filed against it a petition that is not discharged within ten (10) days for reorganization, arrangement, debt moratorium or other relief for debtors under any bankruptcy, insolvency act, code or law or in the event a custodian, receiver or trustee shall be appointed for the business or property of Licensee, this Agreement shall not be considered an asset of the Licensee or Licensee's estate and Licensor may immediately terminate this Agreement upon notice to the Licensee and exercise any and all rights and remedies provided in Section 31.

34. GOVERNING LAW

This Agreement shall in all respects, including validity, interpretation and effect be governed by the laws of the State of Illinois.

35. NON-WAIVER

The failure of Licensee or Licensor to insist on the other party's strict compliance with the terms and conditions contained in this Agreement shall not constitute a waiver of

Licensor's and Licensee's right to insist that the other party in the future strictly comply with any and all of the terms and conditions contained in this Agreement and to enforce such compliance by any appropriate remedy.

36. NOTICES

(a) Unless otherwise provided herein to the contrary, all notices, required or permitted under this Agreement shall be made in writing.

**ARTICLE I
SERVICES RENDERED**

Customer grants to Contractor the exclusive right to collect and dispose of all of Customer's Waste Materials (as defined below) and agrees to make payments to Contractor as described herein, and Contractor agrees to furnish the services and equipment specified above, all in accordance with the terms of this Agreement.

**ARTICLE II
TERM**

THE INITIAL TERM (THE "INITIAL TERM") OF THIS AGREEMENT IS 60 MONTHS FROM THE EFFECTIVE SERVICE DATE SET FORTH ON THE FIRST PAGE OF THIS AGREEMENT, WHICH IS THE DATE CONTRACTOR'S EQUIPMENT IS DELIVERED TO CUSTOMER'S LOCATION OR SERVICE UNDER THIS AGREEMENT COMMENCES, WHICHEVER IS EARLIER. THIS AGREEMENT SHALL AUTOMATICALLY RENEW FOR SUCCESSIVE 1 MONTHS TERMS (EACH A "RENEWAL TERM" AND TOGETHER WITH THE INITIAL TERM, THE "TERM") THEREAFTER UNLESS EITHER PARTY GIVES WRITTEN NOTICE OF TERMINATION BY U.S. CERTIFIED OR REGISTERED MAIL, POSTAGE PRE-PAID AND RETURN RECEIPT REQUESTED, TO THE OTHER PARTY AT LEAST NINETY (90) DAYS, BUT NOT MORE THAN ONE HUNDRED TWENTY (120) DAYS, PRIOR TO THE EXPIRATION OF THE INITIAL TERM OR ANY RENEWAL TERM. ANY SUCH NOTICE SHALL BE SENT TO THE OTHER PARTY'S ADDRESS SET FORTH ON THE FIRST PAGE OF THIS AGREEMENT, OR ANY CHANGE OF ADDRESS COMMUNICATED IN WRITING BY THE OTHER PARTY DURING THE TERM OF THE AGREEMENT. A RENEWAL TERM SHALL BECOME EFFECTIVE (THEREBY EXTENDING THE THEN-CURRENT TERM) UPON EITHER PARTY'S FAILURE TO GIVE NOTICE OF TERMINATION WITHIN THE TIME PERIOD SET FORTH ABOVE. NOTWITHSTANDING THE FOREGOING, CUSTOMER AGREES THAT IT SHALL NOT PROVIDE ANY SUCH NOTICE OF TERMINATION IF CONTRACTOR MEETS COMPETITIVE OFFERS MADE BY THIRD PARTIES IN WRITING FOR SIMILAR SERVICES AFTER CONTRACTOR'S REVIEW THEREOF PURSUANT TO ARTICLE XIII BELOW.

**ARTICLE III
WASTE MATERIALS**

The waste materials to be collected and disposed of by Contractor pursuant to this Agreement consist of all solid waste (including recyclable materials) generated or collected by Customer at the locations specified on the first page of this Agreement (the "Waste Materials"); provided, however, that the term Waste Materials specifically excludes and Customer agrees not to deposit in Contractor's equipment or place for collection by Contractor any radioactive, volatile, corrosive, highly flammable, explosive, biomedical, infectious, biohazardous, toxic or hazardous material as defined by applicable federal, state or local laws or regulations, or any material that Contractor determines causes or could cause damage to Contractor's trucks or equipment or create a risk of injury ("Excluded Waste"). Customer agrees to comply with any description of and/or procedures with respect to removal of contaminants or preparation of recyclable materials as reasonably provided by Contractor. In the event that any recyclable materials furnished to Contractor by Customer are, due to presence of contaminants, rejected by a recycling facility or otherwise are determined by Contractor not to be resalable or to have a reduced resale value, Contractor may, in addition to its other remedies, require Customer to pay Contractor, as liquidated damages and not as a penalty, the charges incurred by Contractor (plus overhead and profit) for hauling, processing and/or disposal of such materials and for the reduction in resale value of such materials. Contractor shall deliver properly prepared recyclable materials furnished to Contractor by Customer to a recycling facility owned and/or operated by Contractor or an affiliate of Contractor or a third party that Contractor understands will recycle the materials ("Third Party Facility"); provided, however, that Contractor shall not be responsible for and has not made any representation to Customer regarding the ultimate recycling of such recyclable materials by a Third Party Facility.

**ARTICLE IV
TITLE**

Contractor shall acquire title to the Waste Materials when they are loaded into Contractor's truck. Title to and liability for any Excluded Waste shall remain with Customer. Customer expressly agrees to defend, indemnify and hold harmless Contractor from and against any and all damages, penalties, fines, liabilities and costs (including reasonable attorneys' fees) resulting from or arising out of the deposit of Excluded Waste in Contractor's trucks, containers or other equipment.

**ARTICLE V
PAYMENTS**

Customer agrees to pay Contractor on a monthly basis for the services and/or equipment furnished by Contractor in accordance with the rates, charges and fees provided for herein ("Charges"). Contractor, in its sole and absolute discretion, may agree to participate in a vendor compliance management or billing system of Customer's choosing, provided that Customer pays or refunds Contractor for all fees associated with Contractor's use of such system. For certainty, if Contractor is found to be out of compliance under any such system, such noncompliance shall not constitute a breach by Contractor of this Agreement, which shall remain valid, enforceable and binding on the parties hereto. Payments shall be made by Customer to Contractor within the period of time set forth on the first page of this Agreement. Contractor may impose and Customer agrees to pay a late fee as determined by Contractor for all past due payments, and interest on all past due payments at the rate of one and one-half percent (1½%) per month, provided that no such late fee or interest charge shall exceed the maximum rate allowed therefor by applicable law. Any dispute or claim against Contractor concerning any amount invoiced by Contractor must be asserted by Customer in writing to Contractor at the address set forth on the first page of this Agreement not later than one hundred eighty (180) days following the event or circumstance giving rise to the underlying dispute or claim; the failure to abide by such time requirement shall constitute a release and waiver by Customer of any rights in respect of, and shall constitute a bar on, any claims or requests for relief by Customer on the basis of such dispute or claim. Customer will pay Contractor a standard recycling services and equipment charge set forth herein (irrespective of changing commodity values). Customer shall continue to provide, and Contractor shall continue to collect, recyclable materials from Customer in accordance with the terms of this Agreement for the Term hereof notwithstanding changing commodity values.

**ARTICLE VI
RATE ADJUSTMENTS**

Customer agrees that the Charges shall be increased from time to time to adjust for increases in the Consumer Price Index. Because disposal, fuel, materials and operations costs constitute a significant portion of the cost of Contractor's services provided hereunder, Customer agrees that Contractor may increase the Charges to account for any increase in such costs or any increases in transportation costs due to changes in location of the disposal facility. Customer agrees that Contractor may also increase the Charges to account for increases in the average weight per container yard of Customer's Waste Materials, increases in Contractor's costs due to changes in local, state or federal rules, ordinances or regulations applicable to Contractor's operations or the services provided hereunder, increases in taxes, fees or other governmental charges assessed against or passed through to Contractor (other than income or real property taxes), and changes in the values associated with recyclable materials. Contractor may increase Charges for reasons other than those set forth above with the consent of Customer. Such consent may be evidenced orally, in writing or by the practices and actions of the parties. In the event Contractor adjusts the Charges as provided in this Article, the parties agree that this Agreement as so adjusted will continue in full force and effect. Customer acknowledges and agrees that adjustments to the Charges might not be directly associated with increased costs of servicing Customer's specific account; rather, adjustments to the Charges might be based upon overall costs and expenses incurred by Contractor on a regional or national basis.

**ARTICLE VII
SERVICE CHANGES AND AMENDMENTS**

Changes to the type, size and amount of equipment, the type or frequency of service, and corresponding adjustments to the rates, may be made by agreement of the parties, evidenced orally, in writing or by the practices and actions of the parties, without affecting the validity of this Agreement and this Agreement shall be deemed amended accordingly. This Agreement shall continue in effect for the Term provided herein and shall not be affected by any changes in Customer's service address if any new service address is located within Contractor's service area. Should Customer change its service address to a location outside Contractor's service area, Customer may cancel the Agreement upon thirty (30) days' written notice to Contractor. Any other amendment to this Agreement not otherwise expressly provided for herein shall be made in writing and signed by both parties.

**ARTICLE VIII
RESPONSIBILITY FOR EQUIPMENT**

Any equipment furnished hereunder by Contractor shall remain the property of Contractor; however, Customer acknowledges that it has care, custody and control of the equipment while at Customer's location and accepts responsibility for all loss or damage to the equipment (except for normal wear and tear or for loss or damage resulting from Contractor's handling of the equipment) and for its contents. Customer shall not overload (by weight or volume), move, alter or install any devices on the equipment, and shall not manually or mechanically compact any materials inside the equipment, except inside compactor receiver boxes specially designed for such purpose, and shall not allow any third party to take any such actions. Customer shall pay additional charges each time that a container is overloaded (by weight or volume). Customer shall use the equipment only for its proper and intended purpose. Customer agrees to indemnify, defend and hold harmless Contractor, its employees and agents against all claims, damages, suits, penalties, fines, liabilities and costs (including reasonable attorneys' fees) for injury or death to persons or loss or damage to property arising out of Customer's use, operation or possession of the equipment. Customer agrees to provide unobstructed access to the equipment on the scheduled collection day. If the equipment is inaccessible so that the regularly scheduled pick-up cannot be made, Contractor will promptly notify Customer and afford Customer a reasonable opportunity to provide the required access; however, Contractor reserves the right to charge an additional fee for such inaccessibility and/or delay or any additional collection service required by Customer's failure to provide such access. The word "equipment" as used in this Agreement shall mean all containers used for the storage of Waste Materials, and any other on-site devices provided by Contractor.

**ARTICLE IX
DAMAGE TO PAVEMENT**

Customer warrants that Customer's pavement, curbing or other driving surface or any right of way reasonably necessary for Contractor to provide the services described herein are sufficient to bear the weight of all of Contractor's equipment and vehicles reasonably required to perform such services. Contractor will not be responsible for damage to any such pavement, curbing, driving surface or right of way, and Customer agrees to assume all liabilities for any such damage, which results from the weight of Contractor's vehicles providing service at Customer's location.

**ARTICLE X
EARLY TERMINATION; LIQUIDATED DAMAGES**

In the event Customer requests termination of this Agreement prior to the expiration of its Term other than as a result of an uncured breach by Contractor or if Contractor terminates this Agreement for Customer's breach (including nonpayment) (any such instance is referred to herein as an "Early Termination"), then, in addition to such other damages as may be sustained by Contractor, Customer agrees to pay to Contractor all past due sums plus, as liquidated damages, a sum calculated as follows: (a) if the remaining Term under this Agreement is six (6) or more months, the average of Customer's most recent six (6) monthly charges multiplied by six (6); or (b) if the remaining Term under this Agreement is less than six (6) months, the average of Customer's most recent six (6) monthly charges multiplied by the number of months remaining in the Term; or (c) if the Term has not yet run for six (6) months, then (a) and (b) shall not apply and the liquidated damages shall be the monthly Charges specified in this Agreement multiplied by six (6). Notwithstanding the foregoing, if Customer suspended Contractor's collection services or reduced the frequency of Contractor's collection services by 50% or greater during the most recent six (6) month period, then Contractor may calculate liquidated damages using the average of Customer's six (6) monthly charges prior to the suspension or reduction in services, instead of Customer's most recent six (6) monthly charges. Customer expressly acknowledges that in the event of an Early Termination of this Agreement, the anticipated loss to Contractor in such event is estimated to be the amount set forth in the foregoing liquidated damages provision and such estimated value is reasonable and is not imposed as a penalty. The parties stipulate and agree that the liquidated damages set forth in this Article will compensate Contractor for the loss of revenue attributable to the Early Termination of this Agreement, but the payment of these liquidated damages shall not in any way limit Contractor's rights and remedies relating to a breach of any other provision(s) of this Agreement. If Contractor purchased or leased equipment specifically for Customer's use (e.g., compactor, etc.), then, upon an Early Termination, the Customer shall owe Contractor separate damages relating to Contractor's purchase or lease of such equipment, in addition to the liquidated damages described herein.

Customer acknowledges and agrees that any request for termination of this Agreement prior to expiration of the Term requires an unscheduled collection of Contractor's equipment, which may take up to thirty (30) days to complete after Contractor receives from Customer: (a) a written request to terminate this Agreement; and (b) full payment of all liquidated damages and past due amounts owed by Customer to Contractor. Customer agrees that it shall not move or allow any third party to move Contractor's equipment during the thirty (30) day period and any time prior thereto, within which Contractor has the sole and exclusive right to service and remove its equipment from Customer's service location, and hereby grants Contractor an irrevocable right and license to allow its equipment to remain on Customer's service location for such thirty (30) day period and all times prior thereto. This Article shall survive the termination or expiration of this Agreement.

**ARTICLE XI
BREACH, SUSPENSION AND TERMINATION FOR CAUSE**

If during the Term of this Agreement either party shall be in breach of any provision of this Agreement, the other party may suspend its performance hereunder until such breach has been cured or terminate this Agreement; provided, however, that no termination of this Agreement shall be effective until the complaining party has given written notice of such breach to the breaching party and the breaching party has failed to cure such breach within ten (10) days after its receipt of such notice. Upon any such failure to cure, the complaining party may terminate this Agreement by giving the breaching party written notice of such termination, which shall become effective upon receipt of such notice.

**ARTICLE XII
ASSIGNMENT**

Without the prior written consent of Contractor, which may be withheld in Contractor's sole and absolute discretion, Customer shall not take any one or more of the following actions: (a) assign or transfer this Agreement or any of its rights, or delegate any of its duties or obligations under this Agreement, whether voluntarily, by merger or operation of law, or otherwise; (b) appoint any third party agent (including without limitation any management company or broker) to exercise any rights, responsibilities, or take any action under this Agreement; or (c) request a change in Customer's billing address to any third party. Any violation of this Article by Customer shall constitute a breach of this Agreement for which Contractor may, in its sole and absolute discretion, seek damages and/or specific performance, including injunctive relief, without the requirement of establishing irreparable injury.

**ARTICLE XIII
OPPORTUNITY TO PROVIDE ADDITIONAL SERVICES; RIGHT OF FIRST REFUSAL**

Contractor values the opportunity to meet all of Customer's Waste Materials collection, disposal and recycling needs. Customer will provide Contractor the opportunity to meet those needs and to provide, on a competitive basis, any additional Waste Materials collection, disposal and recycling services during the Term of this Agreement. Customer also grants Contractor a right of first refusal to match any offer Customer receives (or makes) related to the provision of services to Customer similar to those covered hereunder upon expiration or termination of this Agreement for any reason, and Customer shall give Contractor prompt written notice of any such offer and a reasonable opportunity (but in any event at least five (5) business days from receipt of such notice) to match any such offer. In the event that Contractor matches such an offer, the parties hereto shall thereafter be bound by the terms of such offer. If Customer fails to comply with these right of first refusal provisions in any instance, then Customer shall pay to Contractor all resulting damages incurred by Contractor, including, without limitation, lost profits.

**ARTICLE XIV
EXCUSED PERFORMANCE**

Except for the payment of amounts owed hereunder, neither party hereto shall be liable for its failure to perform or delay in its performance hereunder due to contingencies beyond its reasonable control including, but not limited to, strikes, riots, compliance with laws or governmental orders, inability to access a container, fires, inclement weather and acts of God, and such failure shall not constitute a breach under this Agreement. For the avoidance of doubt, however, a law or government order, ordinance or award establishing an exclusive franchise or similar right for a service provider in Contractor's service area shall not excuse Customer's performance hereunder.

**ARTICLE XV
BINDING EFFECT**

This Agreement is a legally binding contract on the part of Contractor and Customer and their respective heirs, successors and permitted assigns, in accordance with the terms and conditions set out herein.

**ARTICLE XVI
ATTORNEYS' FEES**

In the event Customer fails to pay Contractor all amounts which become due under this Agreement (including any liquidated damages, late fees and interest assessed thereon), or fails to perform its obligations hereunder, and Contractor refers such matter to an attorney, Customer agrees to pay, in addition to all past due sums, any and all costs incurred by Contractor as a result of such action, including, to the extent permitted by law, reasonable attorneys' fees.

**ARTICLE XVII
ENTIRE AGREEMENT; GOVERNING LAW; SEVERABILITY; SURVIVAL**

This Agreement represents the entire understanding and agreement between the parties hereto concerning the matters described herein and supersedes any and all prior or contemporaneous agreements, whether written or oral, that may exist between the parties regarding the same. This Agreement shall be governed by the laws of the State in which Customer's service locations listed on the first page of this Agreement are situated, without regard to conflicts of law provisions, except that the agreement to arbitrate in Article XVIII shall be governed by the Federal Arbitration Act (9 U.S.C. sections 1 et seq.). If any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, and the invalid, illegal, or unenforceable provision shall be modified only to the extent necessary to make it enforceable. All agreements, representations, warranties and acknowledgments of Customer shall survive any termination or expiration of this Agreement, including, without limitation, those set forth in Articles III, IV, V, VIII, IX, X, XII, XIII, XVI and XVIII.

**ARTICLE XVIII
BINDING ARBITRATION AND CLASS ACTION WAIVER**

Except for Excluded Claims (as defined below), any disputes, controversies or claims arising out of or relating to this Agreement or any prior agreement between the parties hereto, the breach of such agreement(s), or any amounts paid or invoiced between the parties, shall be resolved by mandatory binding arbitration between only the parties to this Agreement before a single arbitrator administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules (collectively "Rules"), and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. Customer understands and agrees that the American Arbitration Association charges fees for arbitration, and Customer will be responsible for its share of those fees in the event of an arbitration proceeding relating to this Agreement. Customer understands and agrees that these fees may, in some circumstances, exceed the amount of recovery available to Customer under this Agreement. The following claims are not subject to mandatory binding arbitration (collectively, "Excluded Claims"): (A) either party's claims against the other in connection with bodily injury, real property damage or Excluded Waste; (B) Contractor's claims against Customer to collect, under this Agreement or any prior agreements between the parties: (i) past due Charges; (ii) liquidated damages; or (iii) other amounts owed as a result of terminating an agreement prior to its expiration; (C) Contractor's pursuit of any claims or relief relating to the provisions in Articles VIII and/or X or any similar provisions in any prior agreements between the parties, and any injunctive relief sought in relation thereto; and (D) any claims or relief sought in relation to Article XII or any similar provision in any prior agreements between the parties. This agreement to arbitrate is governed by the Federal Arbitration Act.

THE PARTIES HERETO AGREE THAT ANY AND ALL DISPUTES, CONTROVERSIES OR CLAIMS OF ANY NATURE, WHETHER IN ARBITRATION OR OTHERWISE AND WHETHER RELATING TO THIS AGREEMENT OR OTHERWISE, MUST BE BROUGHT IN A PARTY'S INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, CONSOLIDATED, COLLECTIVE OR REPRESENTATIVE PROCEEDING. ACCORDINGLY, EACH PARTY HEREBY WAIVES ANY AND ALL RIGHTS TO BRING ANY CLAIM OR ACTION AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, CONSOLIDATED, COLLECTIVE OR REPRESENTATIVE PROCEEDING RELATING TO ANY DISPUTES, CONTROVERSIES OR CLAIMS BETWEEN THE PARTIES.

Notwithstanding anything to the contrary herein or in the Rules, any interpretation or adjudication related to this Article shall be done by a court, not an arbitrator.

**ARTICLE XIX
CUSTOMER MASTER SERVICE AGREEMENTS**

If Customer and Contractor or any of their respective parent companies or affiliates enter into a Master Service Agreement concerning the Waste Materials, and in the event of a conflict between the Master Service Agreement and this Agreement, the terms of this Agreement shall control, except to the extent the Master Service Agreement specifically references a provision of this Agreement, which reference shall include any applicable Article or Section reference, and the parties specifically express their intent in the Master Service Agreement to amend such provision.

**ARTICLE III
WASTE MATERIALS**

The waste materials to be collected and disposed of by Contractor pursuant to this Agreement consist of all solid waste (including recyclable materials) generated or collected by Customer at the locations specified on the first page of this Agreement (the "Waste Materials"); provided, however, that the term Waste Materials specifically excludes and Customer agrees not to deposit in Contractor's equipment or place for collection by Contractor any radioactive, volatile, corrosive, highly flammable, explosive, biomedical, infectious, biohazardous, toxic or hazardous material as defined by applicable federal, state or local laws or regulations, or any material that Contractor determines causes or could cause damage to Contractor's trucks or equipment or create a risk of injury ("Excluded Waste"). Customer agrees to comply with any description of and/or procedures with respect to removal of contaminants or preparation of recyclable materials as reasonably provided by Contractor. In the event that any recyclable materials furnished to Contractor by Customer are, due to presence of contaminants, rejected by a recycling facility or otherwise are determined by Contractor not to be resalable or to have a reduced resale value, Contractor may, in addition to its other remedies, require Customer to pay Contractor, as liquidated damages and not as a penalty, the charges incurred by Contractor (plus overhead and profit) for hauling, processing and/or disposal of such materials and for the reduction in resale value of such materials. Contractor shall deliver properly prepared recyclable materials furnished to Contractor by Customer to a recycling facility owned and/or operated by Contractor or an affiliate of Contractor or a third party that Contractor understands will recycle the materials ("Third Party Facility"); provided, however, that Contractor shall not be responsible for and has not made any representation to Customer regarding the ultimate recycling of such recyclable materials by a Third Party Facility.

**ARTICLE IV
TITLE**

Contractor shall acquire title to the Waste Materials when they are loaded into Contractor's truck. Title to and liability for any Excluded Waste shall remain with Customer. Customer expressly agrees to defend, indemnify and hold harmless Contractor from and against any and all damages, penalties, fines, liabilities and costs (including reasonable attorneys' fees) resulting from or arising out of the deposit of Excluded Waste in Contractor's trucks, containers or other equipment.

**ARTICLE V
PAYMENTS**

Customer agrees to pay Contractor on a monthly basis for the services and/or equipment furnished by Contractor in accordance with the rates, charges and fees provided for herein ("Charges"). Contractor, in its sole and absolute discretion, may agree to participate in a vendor compliance management or billing system of Customer's choosing, provided that Customer pays or refunds Contractor for all fees associated with Contractor's use of such system. For certainty, if Contractor is found to be out of compliance under any such system, such noncompliance shall not constitute a breach by Contractor of this Agreement, which shall remain valid, enforceable and binding on the parties hereto. Payments shall be made by Customer to Contractor within the period of time set forth on the first page of this Agreement. Contractor may impose and Customer agrees to pay a late fee as determined by Contractor for all past due payments, and interest on all past due payments at the rate of one and one-half percent (1½%) per month, provided that no such late fee or interest charge shall exceed the maximum rate allowed therefor by applicable law. Any dispute or claim against Contractor concerning any amount invoiced by Contractor must be asserted by Customer in writing to Contractor at the address set forth on the first page of this Agreement not later than one hundred eighty (180) days following the event or circumstance giving rise to the underlying dispute or claim; the failure to abide by such time requirement shall constitute a release and waiver by Customer of any rights in respect of, and shall constitute a bar on, any claims or requests for relief by Customer on the basis of such dispute or claim. Customer will pay Contractor a standard recycling services and equipment charge set forth herein (irrespective of changing commodity values). Customer shall continue to provide, and Contractor shall continue to collect, recyclable materials from Customer in accordance with the terms of this Agreement for the Term hereof notwithstanding changing commodity values.

**ARTICLE VI
RATE ADJUSTMENTS**

Customer agrees that the Charges shall be increased from time to time to adjust for increases in the Consumer Price Index. Because disposal, fuel, materials and operations costs constitute a significant portion of the cost of Contractor's services provided hereunder, Customer agrees that Contractor may increase the Charges to account for any increase in such costs or any increases in transportation costs due to changes in location of the disposal facility. Customer agrees that Contractor may also increase the Charges to account for increases in the average weight per container yard of Customer's Waste Materials, increases in Contractor's costs due to changes in local, state or federal rules, ordinances or regulations applicable to Contractor's operations or the services provided hereunder, increases in taxes, fees or other governmental charges assessed against or passed through to Contractor (other than income or real property taxes), and changes in the values associated with recyclable materials. Contractor may increase Charges for reasons other than those set forth above with the consent of Customer. Such consent may be evidenced orally, in writing or by the practices and actions of the parties. In the event Contractor adjusts the Charges as provided in this Article, the parties agree that this Agreement as so adjusted will continue in full force and effect. Customer acknowledges and agrees that adjustments to the Charges might not be directly associated with increased costs of servicing Customer's specific account; rather, adjustments to the Charges might be based upon overall costs and expenses incurred by Contractor on a regional or national basis.

**ARTICLE VII
SERVICE CHANGES AND AMENDMENTS**

Changes to the type, size and amount of equipment, the type or frequency of service, and corresponding adjustments to the rates, may be made by agreement of the parties, evidenced orally, in writing or by the practices and actions of the parties, without affecting the validity of this Agreement and this Agreement shall be deemed amended accordingly. This Agreement shall continue in effect for the Term provided herein and shall not be affected by any changes in Customer's service address if any new service address is located within Contractor's service area. Should Customer change its service address to a location outside Contractor's service area, Customer may cancel the Agreement upon thirty (30) days' written notice to Contractor. Any other amendment to this Agreement not otherwise expressly provided for herein shall be made in writing and signed by both parties.

**ARTICLE VIII
RESPONSIBILITY FOR EQUIPMENT**

Any equipment furnished hereunder by Contractor shall remain the property of Contractor; however, Customer acknowledges that it has care, custody and control of the equipment while at Customer's location and accepts responsibility for all loss or damage to the equipment (except for normal wear and tear or for loss or damage resulting from Contractor's handling of the equipment) and for its contents. Customer shall not overload (by weight or volume), move, alter or install any devices on the equipment, and shall not manually or mechanically compact any materials inside the equipment, except inside compactor receiver boxes specially designed for such purpose, and shall not allow any third party to take any such actions. Customer shall pay additional charges each time that a container is overloaded (by weight or volume). Customer shall use the equipment only for its proper and intended purpose. Customer agrees to indemnify, defend and hold harmless Contractor, its employees and agents against all claims, damages, suits, penalties, fines, liabilities and costs (including reasonable attorneys' fees) for injury or death to persons or loss or damage to property arising out of Customer's use, operation or possession of the equipment. Customer agrees to provide unobstructed access to the equipment on the scheduled collection day. If the equipment is inaccessible so that the regularly scheduled pick-up cannot be made, Contractor will promptly notify Customer and afford Customer a reasonable opportunity to provide the required access; however, Contractor reserves the right to charge an additional fee for such inaccessibility and/or delay or any additional collection service required by Customer's failure to provide such access. The word "equipment" as used in this Agreement shall mean all containers used for the storage of Waste Materials, and any other on-site devices provided by Contractor.

**ARTICLE IX
DAMAGE TO PAVEMENT**

Customer warrants that Customer's pavement, curbing or other driving surface or any right of way reasonably necessary for Contractor to provide the services described herein are sufficient to bear the weight of all of Contractor's equipment and vehicles reasonably required to perform such services. Contractor will not be responsible for damage to any such pavement, curbing, driving surface or right of way, and Customer agrees to assume all liabilities for any such damage, which results from the weight of Contractor's vehicles providing service at Customer's location.

**ARTICLE X
EARLY TERMINATION; LIQUIDATED DAMAGES**

In the event Customer requests termination of this Agreement prior to the expiration of its Term other than as a result of an uncured breach by Contractor or if Contractor terminates this Agreement for Customer's breach (including nonpayment) (any such instance is referred to herein as an "Early Termination"), then, in addition to such other damages as may be sustained by Contractor, Customer agrees to pay to Contractor all past due sums plus, as liquidated damages, a sum calculated as follows: (a) if the remaining Term under this Agreement is six (6) or more months, the average of Customer's most recent six (6) monthly charges multiplied by six (6); or (b) if the remaining Term under this Agreement is less than six (6) months, the average of Customer's most recent six (6) monthly charges multiplied by the number of months remaining in the Term; or (c) if the Term has not yet run for six (6) months, then (a) and (b) shall not apply and the liquidated damages shall be the monthly Charges specified in this Agreement multiplied by six (6). Notwithstanding the foregoing, if Customer suspended Contractor's collection services or reduced the frequency of Contractor's collection services by 50% or greater during the most recent six (6) month period, then Contractor may calculate liquidated damages using the average of Customer's six (6) monthly charges prior to the suspension or reduction in services, instead of Customer's most recent six (6) monthly charges. Customer expressly acknowledges that in the event of an Early Termination of this Agreement, the anticipated loss to Contractor in such event is estimated to be the amount set forth in the foregoing liquidated damages provision and such estimated value is reasonable and is not imposed as a penalty. The parties stipulate and agree that the liquidated damages set forth in this Article will compensate Contractor for the loss of revenue attributable to the Early Termination of this Agreement, but the payment of these liquidated damages shall not in any way limit Contractor's rights and remedies relating to a breach of any other provision(s) of this Agreement. If Contractor purchased or leased equipment specifically for Customer's use (e.g., compactor, etc.), then, upon an Early Termination, the Customer shall owe Contractor separate damages relating to Contractor's purchase or lease of such equipment, in addition to the liquidated damages described herein.

Customer acknowledges and agrees that any request for termination of this Agreement prior to expiration of the Term requires an unscheduled collection of Contractor's equipment, which may take up to thirty (30) days to complete after Contractor receives from Customer: (a) a written request to terminate this Agreement; and (b) full payment of all liquidated damages and past due amounts owed by Customer to Contractor. Customer agrees that it shall not move or allow any third party to move Contractor's equipment during the thirty (30) day period and any time prior thereto, within which Contractor has the sole and exclusive right to service and remove its equipment from Customer's service location, and hereby grants Contractor an irrevocable right and license to allow its equipment to remain on Customer's service location for such thirty (30) day period and all times prior thereto. This Article shall survive the termination or expiration of this Agreement.

**ARTICLE XI
BREACH, SUSPENSION AND TERMINATION FOR CAUSE**

If during the Term of this Agreement either party shall be in breach of any provision of this Agreement, the other party may suspend its performance hereunder until such breach has been cured or terminate this Agreement; provided, however, that no termination of this Agreement shall be effective until the complaining party has given written notice of such breach to the breaching party and the breaching party has failed to cure such breach within ten (10) days after its receipt of such notice. Upon any such failure to cure, the complaining party may terminate this Agreement by giving the breaching party written notice of such termination, which shall become effective upon receipt of such notice.

**ARTICLE XII
ASSIGNMENT**

Without the prior written consent of Contractor, which may be withheld in Contractor's sole and absolute discretion, Customer shall not take any one or more of the following actions: (a) assign or transfer this Agreement or any of its rights, or delegate any of its duties or obligations under this Agreement, whether voluntarily, by merger or operation of law, or otherwise; (b) appoint any third party agent (including without limitation any management company or broker) to exercise any rights, responsibilities, or take any action under this Agreement; or (c) request a change in Customer's billing address to any third party. Any violation of this Article by Customer shall constitute a breach of this Agreement for which Contractor may, in its sole and absolute discretion, seek damages and/or specific performance, including injunctive relief, without the requirement of establishing irreparable injury.

**ARTICLE XIII
OPPORTUNITY TO PROVIDE ADDITIONAL SERVICES; RIGHT OF FIRST REFUSAL**

Contractor values the opportunity to meet all of Customer's Waste Materials collection, disposal and recycling needs. Customer will provide Contractor the opportunity to meet those needs and to provide, on a competitive basis, any additional Waste Materials collection, disposal and recycling services during the Term of this Agreement. Customer also grants Contractor a right of first refusal to match any offer Customer receives (or makes) related to the provision of services to Customer similar to those covered hereunder upon expiration or termination of this Agreement for any reason, and Customer shall give Contractor prompt written notice of any such offer and a reasonable opportunity (but in any event at least five (5) business days from receipt of such notice) to match any such offer. In the event that Contractor matches such an offer, the parties hereto shall thereafter be bound by the terms of such offer. If Customer fails to comply with these right of first refusal provisions in any instance, then Customer shall pay to Contractor all resulting damages incurred by Contractor, including, without limitation, lost profits.

**ARTICLE XIV
EXCUSED PERFORMANCE**

Except for the payment of amounts owed hereunder, neither party hereto shall be liable for its failure to perform or delay in its performance hereunder due to contingencies beyond its reasonable control including, but not limited to, strikes, riots, compliance with laws or governmental orders, inability to access a container, fires, inclement weather and acts of God, and such failure shall not constitute a breach under this Agreement. For the avoidance of doubt, however, a law or government order, ordinance or award establishing an exclusive franchise or similar right for a service provider in Contractor's service area shall not excuse Customer's performance hereunder.

**ARTICLE XV
BINDING EFFECT**

This Agreement is a legally binding contract on the part of Contractor and Customer and their respective heirs, successors and permitted assigns, in accordance with the terms and conditions set out herein.

**ARTICLE XVI
ATTORNEYS' FEES**

In the event Customer fails to pay Contractor all amounts which become due under this Agreement (including any liquidated damages, late fees and interest assessed thereon), or fails to perform its obligations hereunder, and Contractor refers such matter to an attorney, Customer agrees to pay, in addition to all past due sums, any and all costs incurred by Contractor as a result of such action, including, to the extent permitted by law, reasonable attorneys' fees.

**ARTICLE XVII
ENTIRE AGREEMENT; GOVERNING LAW; SEVERABILITY; SURVIVAL**

This Agreement represents the entire understanding and agreement between the parties hereto concerning the matters described herein and supersedes any and all prior or contemporaneous agreements, whether written or oral, that may exist between the parties regarding the same. This Agreement shall be governed by the laws of the State in which Customer's service locations listed on the first page of this Agreement are situated, without regard to conflicts of law provisions, except that the agreement to arbitrate in Article XVIII shall be governed by the Federal Arbitration Act (9 U.S.C. sections 1 et seq.). If any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, and the invalid, illegal, or unenforceable provision shall be modified only to the extent necessary to make it enforceable. All agreements, representations, warranties and acknowledgments of Customer shall survive any termination or expiration of this Agreement, including, without limitation, those set forth in Articles III, IV, V, VIII, IX, X, XII, XIII, XVI and XVIII.

**ARTICLE XVIII
BINDING ARBITRATION AND CLASS ACTION WAIVER**

Except for Excluded Claims (as defined below), any disputes, controversies or claims arising out of or relating to this Agreement or any prior agreement between the parties hereto, the breach of such agreement(s), or any amounts paid or invoiced between the parties, shall be resolved by mandatory binding arbitration between only the parties to this Agreement before a single arbitrator administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules (collectively "Rules"), and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. Customer understands and agrees that the American Arbitration Association charges fees for arbitration, and Customer will be responsible for its share of those fees in the event of an arbitration proceeding relating to this Agreement. Customer understands and agrees that these fees may, in some circumstances, exceed the amount of recovery available to Customer under this Agreement. The following claims are not subject to mandatory binding arbitration (collectively, "Excluded Claims"): (A) either party's claims against the other in connection with bodily injury, real property damage or Excluded Waste; (B) Contractor's claims against Customer to collect, under this Agreement or any prior agreements between the parties: (i) past due Charges; (ii) liquidated damages; or (iii) other amounts owed as a result of terminating an agreement prior to its expiration; (C) Contractor's pursuit of any claims or relief relating to the provisions in Articles VIII and/or X or any similar provisions in any prior agreements between the parties, and any injunctive relief sought in relation thereto; and (D) any claims or relief sought in relation to Article XII or any similar provision in any prior agreements between the parties. This agreement to arbitrate is governed by the Federal Arbitration Act.

THE PARTIES HERETO AGREE THAT ANY AND ALL DISPUTES, CONTROVERSIES OR CLAIMS OF ANY NATURE, WHETHER IN ARBITRATION OR OTHERWISE AND WHETHER RELATING TO THIS AGREEMENT OR OTHERWISE, MUST BE BROUGHT IN A PARTY'S INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, CONSOLIDATED, COLLECTIVE OR REPRESENTATIVE PROCEEDING. ACCORDINGLY, EACH PARTY HEREBY WAIVES ANY AND ALL RIGHTS TO BRING ANY CLAIM OR ACTION AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, CONSOLIDATED, COLLECTIVE OR REPRESENTATIVE PROCEEDING RELATING TO ANY DISPUTES, CONTROVERSIES OR CLAIMS BETWEEN THE PARTIES.

Notwithstanding anything to the contrary herein or in the Rules, any interpretation or adjudication related to this Article shall be done by a court, not an arbitrator.

**ARTICLE XIX
CUSTOMER MASTER SERVICE AGREEMENTS**

If Customer and Contractor or any of their respective parent companies or affiliates enter into a Master Service Agreement concerning the Waste Materials, and in the event of a conflict between the Master Service Agreement and this Agreement, the terms of this Agreement shall control, except to the extent the Master Service Agreement specifically references a provision of this Agreement, which reference shall include any applicable Article or Section reference, and the parties specifically express their intent in the Master Service Agreement to amend such provision.

TERM**

THE INITIAL TERM (THE "INITIAL TERM") OF THIS AGREEMENT IS 60 MONTHS FROM THE EFFECTIVE SERVICE DATE SET FORTH ON THE FIRST PAGE OF THIS AGREEMENT, WHICH IS THE DATE CONTRACTOR'S EQUIPMENT IS DELIVERED TO CUSTOMER'S LOCATION OR SERVICE UNDER THIS AGREEMENT COMMENCES, WHICHEVER IS EARLIER. THIS AGREEMENT SHALL AUTOMATICALLY RENEW FOR SUCCESSIVE 1 MONTHS TERMS (EACH A "RENEWAL TERM" AND TOGETHER WITH THE INITIAL TERM, THE "TERM") THEREAFTER UNLESS EITHER PARTY GIVES WRITTEN NOTICE OF TERMINATION BY U.S. CERTIFIED OR REGISTERED MAIL, POSTAGE PRE-PAID AND RETURN RECEIPT REQUESTED, TO THE OTHER PARTY AT LEAST NINETY (90) DAYS, BUT NOT MORE THAN ONE HUNDRED TWENTY (120) DAYS, PRIOR TO THE EXPIRATION OF THE INITIAL TERM OR ANY RENEWAL TERM. ANY SUCH NOTICE SHALL BE SENT TO THE OTHER PARTY'S ADDRESS SET FORTH ON THE FIRST PAGE OF THIS AGREEMENT, OR ANY CHANGE OF ADDRESS COMMUNICATED IN WRITING BY THE OTHER PARTY DURING THE TERM OF THE AGREEMENT. A RENEWAL TERM SHALL BECOME EFFECTIVE (THEREBY EXTENDING THE THEN-CURRENT TERM) UPON EITHER PARTY'S FAILURE TO GIVE NOTICE OF TERMINATION WITHIN THE TIME PERIOD SET FORTH ABOVE. NOTWITHSTANDING THE FOREGOING, CUSTOMER AGREES THAT IT SHALL NOT PROVIDE ANY SUCH NOTICE OF TERMINATION IF CONTRACTOR MEETS COMPETITIVE OFFERS MADE BY THIRD PARTIES IN WRITING FOR SIMILAR SERVICES AFTER CONTRACTOR'S REVIEW THEREOF PURSUANT TO ARTICLE XIII BELOW.

**ARTICLE III
WASTE MATERIALS**

The waste materials to be collected and disposed of by Contractor pursuant to this Agreement consist of all solid waste (including recyclable materials) generated or collected by Customer at the locations specified on the first page of this Agreement (the "Waste Materials"); provided, however, that the term Waste Materials specifically excludes and Customer agrees not to deposit in Contractor's equipment or place for collection by Contractor any radioactive, volatile, corrosive, highly flammable, explosive, biomedical, infectious, biohazardous, toxic or hazardous material as defined by applicable federal, state or local laws or regulations, or any material that Contractor determines causes or could cause damage to Contractor's trucks or equipment or create a risk of injury ("Excluded Waste"). **ARTICLE X
EARLY TERMINATION; LIQUIDATED DAMAGES**

In the event Customer requests termination of this Agreement prior to the expiration of its Term other than as a result of an uncured breach by Contractor or if Contractor terminates this Agreement for Customer's breach (including nonpayment) (any such instance is referred to herein as an "Early Termination"), then, in addition to such other damages as may be sustained by Contractor, Customer agrees to pay to Contractor all past due sums plus, as liquidated damages, a sum calculated as follows: (a) if the remaining Term under this Agreement is six (6) or more months, the average of Customer's most recent six (6) monthly charges multiplied by six (6); or (b) if the remaining Term under this Agreement is less than six (6) months, the average of Customer's most recent six (6) monthly charges multiplied by the number of months remaining in the Term; or (c) if the Term has not yet run for six (6) months, then (a) and (b) shall not apply and the liquidated damages shall be the monthly Charges specified in this Agreement multiplied by six (6). Customer agrees that it shall not move or allow any third party to move Contractor's equipment during the thirty (30) day period and any time prior thereto, within which Contractor has the sole and exclusive right to service and remove its equipment from Customer's service location, and hereby grants Contractor an irrevocable right and license to allow its equipment to remain on Customer's service location for such thirty (30) day period and all times prior thereto. This Article shall survive the termination or expiration of this Agreement.

**ARTICLE XI
BREACH, SUSPENSION AND TERMINATION FOR CAUSE**

If during the Term of this Agreement either party shall be in breach of any provision of this Agreement, the other party may suspend its performance hereunder until such breach has been cured or terminate this Agreement; provided, however, that no termination of this Agreement shall be effective until the complaining party has given written notice of such breach to the breaching party and the breaching party has failed to cure such breach within ten (10) days after its receipt of such notice. Upon any such failure to cure, the complaining party may terminate this Agreement by giving the breaching party written notice of such termination, which shall become effective upon receipt of such notice.

**ARTICLE XII
ASSIGNMENT**

Without the prior written consent of Contractor, which may be withheld in Contractor's sole and absolute discretion, Customer shall not take any one or more of the following actions: (a) assign or transfer this Agreement or any of its rights, or delegate any of its duties or obligations under this Agreement, whether voluntarily, by merger or operation of law, or otherwise; (b) appoint any third party agent (including without limitation any management company or broker) to exercise any rights, responsibilities, or take any action under this Agreement; or (c) request a change in Customer's billing address to any third party. Any violation of this Article by Customer shall constitute a breach of this Agreement for which Contractor may, in its sole and absolute discretion, seek damages and/or specific performance, including injunctive relief, without the requirement of establishing irreparable injury.

**ARTICLE XIII
OPPORTUNITY TO PROVIDE ADDITIONAL SERVICES; RIGHT OF FIRST REFUSAL**

Contractor values the opportunity to meet all of Customer's Waste Materials collection, disposal and recycling needs. Customer will provide Contractor the opportunity to meet those needs and to provide, on a competitive basis, any additional Waste Materials collection, disposal and recycling services during the Term of this Agreement. Customer also grants Contractor a right of first refusal to match any offer Customer receives (or makes) related to the provision of services to Customer similar to those covered hereunder upon expiration or termination of this Agreement for any reason, and Customer shall give Contractor prompt written notice of any such offer and a reasonable opportunity (but in any event at least five (5) business days from receipt of such notice) to match any such offer. In the event that Contractor matches such an offer, the parties hereto shall thereafter be bound by the terms of such offer. If Customer fails to comply with these right of first refusal provisions in any instance, then Customer shall pay to Contractor all resulting damages incurred by Contractor, including, without limitation, lost profits.

**ARTICLE XIV
EXCUSED PERFORMANCE**

Except for the payment of amounts owed hereunder, neither party hereto shall be liable for its failure to perform or delay in its performance hereunder due to contingencies beyond its reasonable control including, but not limited to, strikes, riots, compliance with laws or governmental orders, inability to access a container, fires, inclement weather and acts of God, and such failure shall not constitute a breach under this Agreement. For the avoidance of doubt, however, a law or government order, ordinance or award establishing an exclusive franchise or similar right for a service provider in Contractor's service area shall not excuse Customer's performance hereunder.

**ARTICLE XV
BINDING EFFECT**

This Agreement is a legally binding contract on the part of Contractor and Customer and their respective heirs, successors and permitted assigns, in accordance with the terms and conditions set out herein.

**ARTICLE XVI
ATTORNEYS' FEES**

In the event Customer fails to pay Contractor all amounts which become due under this Agreement (including any liquidated damages, late fees and interest assessed thereon), or fails to perform its obligations hereunder, and Contractor refers such matter to an attorney, Customer agrees to pay, in addition to all past due sums, any and all costs incurred by Contractor as a result of such action, including, to the extent permitted by law, reasonable attorneys' fees.

**ARTICLE XVII
ENTIRE AGREEMENT; GOVERNING LAW; SEVERABILITY; SURVIVAL**

This Agreement represents the entire understanding and agreement between the parties hereto concerning the matters described herein and supersedes any and all prior or contemporaneous agreements, whether written or oral, that may exist between the parties regarding the same. This Agreement shall be governed by the laws of the State in which Customer's service locations listed on the first page of this Agreement are situated, without regard to conflicts of law provisions, except that the agreement to arbitrate in Article XVIII shall be governed by the Federal Arbitration Act (9 U.S.C. sections 1 et seq.). If any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, and the invalid, illegal, or unenforceable provision shall be modified only to the extent necessary to make it enforceable. All agreements, representations, warranties and acknowledgments of Customer shall survive any termination or expiration of this Agreement, including, without limitation, those set forth in Articles III, IV, V, VIII, IX, X, XII, XIII, XVI and XVIII.

**ARTICLE XVIII
BINDING ARBITRATION AND CLASS ACTION WAIVER**

Except for Excluded Claims (as defined below), any disputes, controversies or claims arising out of or relating to this Agreement or any prior agreement between the parties hereto, the breach of such agreement(s), or any amounts paid or invoiced between the parties, shall be resolved by mandatory binding arbitration between only the parties to this Agreement before a single arbitrator administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules (collectively "Rules"), and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. Customer understands and agrees that the American Arbitration Association charges fees for arbitration, and Customer will be responsible for its share of those fees in the event of an arbitration proceeding relating to this Agreement. Customer understands and agrees that these fees may, in some circumstances, exceed the amount of recovery available to Customer under this Agreement. The following claims are not subject to mandatory binding arbitration (collectively, "Excluded Claims"): (A) either party's claims against the other in connection with bodily injury, real property damage or Excluded Waste; (B) Contractor's claims against Customer to collect, under this Agreement or any prior agreements between the parties: (i) past due Charges; (ii) liquidated damages; or (iii) other amounts owed as a result of terminating an agreement prior to its expiration; (C) Contractor's pursuit of any claims or relief relating to the provisions in Articles VIII and/or X or any similar provisions in any prior agreements between the parties, and any injunctive relief sought in relation thereto; and (D) any claims or relief sought in relation to Article XII or any similar provision in any prior agreements between the parties. This agreement to arbitrate is governed by the Federal Arbitration Act.

THE PARTIES HERETO AGREE THAT ANY AND ALL DISPUTES, CONTROVERSIES OR CLAIMS OF ANY NATURE, WHETHER IN ARBITRATION OR OTHERWISE AND WHETHER RELATING TO THIS AGREEMENT OR OTHERWISE, MUST BE BROUGHT IN A PARTY'S INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, CONSOLIDATED, COLLECTIVE OR REPRESENTATIVE PROCEEDING. ACCORDINGLY, EACH PARTY HEREBY WAIVES ANY AND ALL RIGHTS TO BRING ANY CLAIM OR ACTION AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, CONSOLIDATED, COLLECTIVE OR REPRESENTATIVE PROCEEDING RELATING TO ANY DISPUTES, CONTROVERSIES OR CLAIMS BETWEEN THE PARTIES.

Notwithstanding anything to the contrary herein or in the Rules, any interpretation or adjudication related to this Article shall be done by a court, not an arbitrator.

**ARTICLE XIX
CUSTOMER MASTER SERVICE AGREEMENTS**

If Customer and Contractor or any of their respective parent companies or affiliates enter into a Master Service Agreement concerning the Waste Materials, and in the event of a conflict between the Master Service Agreement and this Agreement, the terms of this Agreement shall control, except to the extent the Master Service Agreement specifically references a provision of this Agreement, which reference shall include any applicable Article or Section reference, and the parties specifically express their intent in the Master Service Agreement to amend such provision.

**ARTICLE I
SERVICES RENDERED**

Customer grants to Contractor the exclusive right to collect and dispose of all of Customer's Waste Materials (as defined below) and agrees to make payments to Contractor as described herein, and Contractor agrees to furnish the services and equipment specified above, all in accordance with the terms of this Agreement.

**ARTICLE II
TERM**

THE INITIAL TERM (THE "INITIAL TERM") OF THIS AGREEMENT IS 60 MONTHS FROM THE EFFECTIVE SERVICE DATE SET FORTH ON THE FIRST PAGE OF THIS AGREEMENT, WHICH IS THE DATE CONTRACTOR'S EQUIPMENT IS DELIVERED TO CUSTOMER'S LOCATION OR SERVICE UNDER THIS AGREEMENT COMMENCES, WHICHEVER IS EARLIER. THIS AGREEMENT SHALL AUTOMATICALLY RENEW FOR SUCCESSIVE 1 MONTHS TERMS (EACH A "RENEWAL TERM" AND TOGETHER WITH THE INITIAL TERM, THE "TERM") THEREAFTER UNLESS EITHER PARTY GIVES WRITTEN NOTICE OF TERMINATION BY U.S. CERTIFIED OR REGISTERED MAIL, POSTAGE PRE-PAID AND RETURN RECEIPT REQUESTED, TO THE OTHER PARTY AT LEAST NINETY (90) DAYS, BUT NOT MORE THAN ONE HUNDRED TWENTY (120) DAYS, PRIOR TO THE EXPIRATION OF THE INITIAL TERM OR ANY RENEWAL TERM. ANY SUCH NOTICE SHALL BE SENT TO THE OTHER PARTY'S ADDRESS SET FORTH ON THE FIRST PAGE OF THIS AGREEMENT, OR ANY CHANGE OF ADDRESS COMMUNICATED IN WRITING BY THE OTHER PARTY DURING THE TERM OF THE AGREEMENT. A RENEWAL TERM SHALL BECOME EFFECTIVE (THEREBY EXTENDING THE THEN-CURRENT TERM) UPON EITHER PARTY'S FAILURE TO GIVE NOTICE OF TERMINATION WITHIN THE TIME PERIOD SET FORTH ABOVE. NOTWITHSTANDING THE FOREGOING, CUSTOMER AGREES THAT IT SHALL NOT PROVIDE ANY SUCH NOTICE OF TERMINATION IF CONTRACTOR MEETS COMPETITIVE OFFERS MADE BY THIRD PARTIES IN WRITING FOR SIMILAR SERVICES AFTER CONTRACTOR'S REVIEW THEREOF PURSUANT TO ARTICLE XIII BELOW.

**ARTICLE III
WASTE MATERIALS**

The waste materials to be collected and disposed of by Contractor pursuant to this Agreement consist of all solid waste (including recyclable materials) generated or collected by Customer at the locations specified on the first page of this Agreement (the "Waste Materials"); provided, however, that the term Waste Materials specifically excludes and Customer agrees not to deposit in Contractor's equipment or place for collection by Contractor any radioactive, volatile, corrosive, highly flammable, explosive, biomedical, infectious, biohazardous, toxic or hazardous material as defined by applicable federal, state or local laws or regulations, or any material that Contractor determines causes or could cause damage to Contractor's trucks or equipment or create a risk of injury ("Excluded Waste"). Customer agrees to comply with any description of and/or procedures with respect to removal of contaminants or preparation of recyclable materials as reasonably provided by Contractor. In the event that any recyclable materials furnished to Contractor by Customer are, due to presence of contaminants, rejected by a recycling facility or otherwise are determined by Contractor not to be resalable or to have a reduced resale value, Contractor may, in addition to its other remedies, require Customer to pay Contractor, as liquidated damages and not as a penalty, the charges incurred by Contractor (plus overhead and profit) for hauling, processing and/or disposal of such materials and for the reduction in resale value of such materials. Contractor shall deliver properly prepared recyclable materials furnished to Contractor by Customer to a recycling facility owned and/or operated by Contractor or an affiliate of Contractor or a third party that Contractor understands will recycle the materials ("Third Party Facility"); provided, however, that Contractor shall not be responsible for and has not made any representation to Customer regarding the ultimate recycling of such recyclable materials by a Third Party Facility.

**ARTICLE IV
TITLE**

Contractor shall acquire title to the Waste Materials when they are loaded into Contractor's truck. Title to and liability for any Excluded Waste shall remain with Customer. Customer expressly agrees to defend, indemnify and hold harmless Contractor from and against any and all damages, penalties, fines, liabilities and costs (including reasonable attorneys' fees) resulting from or arising out of the deposit of Excluded Waste in Contractor's trucks, containers or other equipment.

**ARTICLE V
PAYMENTS**

Customer agrees to pay Contractor on a monthly basis for the services and/or equipment furnished by Contractor in accordance with the rates, charges and fees provided for herein ("Charges"). Contractor, in its sole and absolute discretion, may agree to participate in a vendor compliance management or billing system of Customer's choosing, provided that Customer pays or refunds Contractor for all fees associated with Contractor's use of such system. For certainty, if Contractor is found to be out of compliance under any such system, such noncompliance shall not constitute a breach by Contractor of this Agreement, which shall remain valid, enforceable and binding on the parties hereto. Payments shall be made by Customer to Contractor within the period of time set forth on the first page of this Agreement. Contractor may impose and Customer agrees to pay a late fee as determined by Contractor for all past due payments, and interest on all past due payments at the rate of one and one-half percent (1½%) per month, provided that no such late fee or interest charge shall exceed the maximum rate allowed therefor by applicable law. Any dispute or claim against Contractor concerning any amount invoiced by Contractor must be asserted by Customer in writing to Contractor at the address set forth on the first page of this Agreement not later than one hundred eighty (180) days following the event or circumstance giving rise to the underlying dispute or claim; the failure to abide by such time requirement shall constitute a release and waiver by Customer of any rights in respect of, and shall constitute a bar on, any claims or requests for relief by Customer on the basis of such dispute or claim. Customer will pay Contractor a standard recycling services and equipment charge set forth herein (irrespective of changing commodity values). Customer shall continue to provide, and Contractor shall continue to collect, recyclable materials from Customer in accordance with the terms of this Agreement for the Term hereof notwithstanding changing commodity values.

**ARTICLE VI
RATE ADJUSTMENTS**

Customer agrees that the Charges shall be increased from time to time to adjust for increases in the Consumer Price Index. Because disposal, fuel, materials and operations costs constitute a significant portion of the cost of Contractor's services provided hereunder, Customer agrees that Contractor may increase the Charges to account for any increase in such costs or any increases in transportation costs due to changes in location of the disposal facility. Customer agrees that Contractor may also increase the Charges to account for increases in the average weight per container yard of Customer's Waste Materials, increases in Contractor's costs due to changes in local, state or federal rules, ordinances or regulations applicable to Contractor's operations or the services provided hereunder, increases in taxes, fees or other governmental charges assessed against or passed through to Contractor (other than income or real property taxes), and changes in the values associated with recyclable materials. Contractor may increase Charges for reasons other than those set forth above with the consent of Customer. Such consent may be evidenced orally, in writing or by the practices and actions of the parties. In the event Contractor adjusts the Charges as provided in this Article, the parties agree that this Agreement as so adjusted will continue in full force and effect. Customer acknowledges and agrees that adjustments to the Charges might not be directly associated with increased costs of servicing Customer's specific account; rather, adjustments to the Charges might be based upon overall costs and expenses incurred by Contractor on a regional or national basis.

**ARTICLE VII
SERVICE CHANGES AND AMENDMENTS**

Changes to the type, size and amount of equipment, the type or frequency of service, and corresponding adjustments to the rates, may be made by agreement of the parties, evidenced orally, in writing or by the practices and actions of the parties, without affecting the validity of this Agreement and this Agreement shall be deemed amended accordingly. This Agreement shall continue in effect for the Term provided herein and shall not be affected by any changes in Customer's service address if any new service address is located within Contractor's service area. Should Customer change its service address to a location outside Contractor's service area, Customer may cancel the Agreement upon thirty (30) days' written notice to Contractor. Any other amendment to this Agreement not otherwise expressly provided for herein shall be made in writing and signed by both parties.

**ARTICLE VIII
RESPONSIBILITY FOR EQUIPMENT**

Any equipment furnished hereunder by Contractor shall remain the property of Contractor; however, Customer acknowledges that it has care, custody and control of the equipment while at Customer's location and accepts responsibility for all loss or damage to the equipment (except for normal wear and tear or for loss or damage resulting from Contractor's handling of the equipment) and for its contents. Customer shall not overload (by weight or volume), move, alter or install any devices on the equipment, and shall not manually or mechanically compact any materials inside the equipment, except inside compactor receiver boxes specially designed for such purpose, and shall not allow any third party to take any such actions. Customer shall pay additional charges each time that a container is overloaded (by weight or volume). Customer shall use the equipment only for its proper and intended purpose. Customer agrees to indemnify, defend and hold harmless Contractor, its employees and agents against all claims, damages, suits, penalties, fines, liabilities and costs (including reasonable attorneys' fees) for injury or death to persons or loss or damage to property arising out of Customer's use, operation or possession of the equipment. Customer agrees to provide unobstructed access to the equipment on the scheduled collection day. If the equipment is inaccessible so that the regularly scheduled pick-up cannot be made, Contractor will promptly notify Customer and afford Customer a reasonable opportunity to provide the required access; however, Contractor reserves the right to charge an additional fee for such inaccessibility and/or delay or any additional collection service required by Customer's failure to provide such access. The word "equipment" as used in this Agreement shall mean all containers used for the storage of Waste Materials, and any other on-site devices provided by Contractor.

**ARTICLE IX
DAMAGE TO PAVEMENT**

Customer warrants that Customer's pavement, curbing or other driving surface or any right of way reasonably necessary for Contractor to provide the services described herein are sufficient to bear the weight of all of Contractor's equipment and vehicles reasonably required to perform such services. Contractor will not be responsible for damage to any such pavement, curbing, driving surface or right of way, and Customer agrees to assume all liabilities for any such damage, which results from the weight of Contractor's vehicles providing service at Customer's location.

**ARTICLE X
EARLY TERMINATION; LIQUIDATED DAMAGES**

In the event Customer requests termination of this Agreement prior to the expiration of its Term other than as a result of an uncured breach by Contractor or if Contractor terminates this Agreement for Customer's breach (including nonpayment) (any such instance is referred to herein as an "Early Termination"), then, in addition to such other damages as may be sustained by Contractor, Customer agrees to pay to Contractor all past due sums plus, as liquidated damages, a sum calculated as follows: (a) if the remaining Term under this Agreement is six (6) or more months, the average of Customer's most recent six (6) monthly charges multiplied by six (6); or (b) if the remaining Term under this Agreement is less than six (6) months, the average of Customer's most recent six (6) monthly charges multiplied by the number of months remaining in the Term; or (c) if the Term has not yet run for six (6) months, then (a) and (b) shall not apply and the liquidated damages shall be the monthly Charges specified in this Agreement multiplied by six (6). Notwithstanding the foregoing, if Customer suspended Contractor's collection services or reduced the frequency of Contractor's collection services by 50% or greater during the most recent six (6) month period, then Contractor may calculate liquidated damages using the average of Customer's six (6) monthly charges prior to the suspension or reduction in services, instead of Customer's most recent six (6) monthly charges. Customer expressly acknowledges that in the event of an Early Termination of this Agreement, the anticipated loss to Contractor in such event is estimated to be the amount set forth in the foregoing liquidated damages provision and such estimated value is reasonable and is not imposed as a penalty. The parties stipulate and agree that the liquidated damages set forth in this Article will compensate Contractor for the loss of revenue attributable to the Early Termination of this Agreement, but the payment of these liquidated damages shall not in any way limit Contractor's rights and remedies relating to a breach of any other provision(s) of this Agreement. If Contractor purchased or leased equipment specifically for Customer's use (e.g., compactor, etc.), then, upon an Early Termination, the Customer shall owe Contractor separate damages relating to Contractor's purchase or lease of such equipment, in addition to the liquidated damages described herein.

Customer acknowledges and agrees that any request for termination of this Agreement prior to expiration of the Term requires an unscheduled collection of Contractor's equipment, which may take up to thirty (30) days to complete after Contractor receives from Customer: (a) a written request to terminate this Agreement; and (b) full payment of all liquidated damages and past due amounts owed by Customer to Contractor. Customer agrees that it shall not move or allow any third party to move Contractor's equipment during the thirty (30) day period and any time prior thereto, within which Contractor has the sole and exclusive right to service and remove its equipment from Customer's service location, and hereby grants Contractor an irrevocable right and license to allow its equipment to remain on Customer's service location for such thirty (30) day period and all times prior thereto. This Article shall survive the termination or expiration of this Agreement.

**ARTICLE XI
BREACH, SUSPENSION AND TERMINATION FOR CAUSE**

If during the Term of this Agreement either party shall be in breach of any provision of this Agreement, the other party may suspend its performance hereunder until such breach has been cured or terminate this Agreement; provided, however, that no termination of this Agreement shall be effective until the complaining party has given written notice of such breach to the breaching party and the breaching party has failed to cure such breach within ten (10) days after its receipt of such notice. Upon any such failure to cure, the complaining party may terminate this Agreement by giving the breaching party written notice of such termination, which shall become effective upon receipt of such notice.

**ARTICLE XII
ASSIGNMENT**

Without the prior written consent of Contractor, which may be withheld in Contractor's sole and absolute discretion, Customer shall not take any one or more of the following actions: (a) assign or transfer this Agreement or any of its rights, or delegate any of its duties or obligations under this Agreement, whether voluntarily, by merger or operation of law, or otherwise; (b) appoint any third party agent (including without limitation any management company or broker) to exercise any rights, responsibilities, or take any action under this Agreement; or (c) request a change in Customer's billing address to any third party. Any violation of this Article by Customer shall constitute a breach of this Agreement for which Contractor may, in its sole and absolute discretion, seek damages and/or specific performance, including injunctive relief, without the requirement of establishing irreparable injury.

**ARTICLE XIII
OPPORTUNITY TO PROVIDE ADDITIONAL SERVICES; RIGHT OF FIRST REFUSAL**

Contractor values the opportunity to meet all of Customer's Waste Materials collection, disposal and recycling needs. Customer will provide Contractor the opportunity to meet those needs and to provide, on a competitive basis, any additional Waste Materials collection, disposal and recycling services during the Term of this Agreement. Customer also grants Contractor a right of first refusal to match any offer Customer receives (or makes) related to the provision of services to Customer similar to those covered hereunder upon expiration or termination of this Agreement for any reason, and Customer shall give Contractor prompt written notice of any such offer and a reasonable opportunity (but in any event at least five (5) business days from receipt of such notice) to match any such offer. In the event that Contractor matches such an offer, the parties hereto shall thereafter be bound by the terms of such offer. If Customer fails to comply with these right of first refusal provisions in any instance, then Customer shall pay to Contractor all resulting damages incurred by Contractor, including, without limitation, lost profits.

**ARTICLE XIV
EXCUSED PERFORMANCE**

Except for the payment of amounts owed hereunder, neither party hereto shall be liable for its failure to perform or delay in its performance hereunder due to contingencies beyond its reasonable control including, but not limited to, strikes, riots, compliance with laws or governmental orders, inability to access a container, fires, inclement weather and acts of God, and such failure shall not constitute a breach under this Agreement. For the avoidance of doubt, however, a law or government order, ordinance or award establishing an exclusive franchise or similar right for a service provider in Contractor's service area shall not excuse Customer's performance hereunder.

**ARTICLE XV
BINDING EFFECT**

This Agreement is a legally binding contract on the part of Contractor and Customer and their respective heirs, successors and permitted assigns, in accordance with the terms and conditions set out herein.

**ARTICLE XVI
ATTORNEYS' FEES**

In the event Customer fails to pay Contractor all amounts which become due under this Agreement (including any liquidated damages, late fees and interest assessed thereon), or fails to perform its obligations hereunder, and Contractor refers such matter to an attorney, Customer agrees to pay, in addition to all past due sums, any and all costs incurred by Contractor as a result of such action, including, to the extent permitted by law, reasonable attorneys' fees.

**ARTICLE XVII
ENTIRE AGREEMENT; GOVERNING LAW; SEVERABILITY; SURVIVAL**

This Agreement represents the entire understanding and agreement between the parties hereto concerning the matters described herein and supersedes any and all prior or contemporaneous agreements, whether written or oral, that may exist between the parties regarding the same. This Agreement shall be governed by the laws of the State in which Customer's service locations listed on the first page of this Agreement are situated, without regard to conflicts of law provisions, except that the agreement to arbitrate in Article XVIII shall be governed by the Federal Arbitration Act (9 U.S.C. sections 1 et seq.). If any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, and the invalid, illegal, or unenforceable provision shall be modified only to the extent necessary to make it enforceable. All agreements, representations, warranties and acknowledgments of Customer shall survive any termination or expiration of this Agreement, including, without limitation, those set forth in Articles III, IV, V, VIII, IX, X, XII, XIII, XVI and XVIII.

**ARTICLE XVIII
BINDING ARBITRATION AND CLASS ACTION WAIVER**

Except for Excluded Claims (as defined below), any disputes, controversies or claims arising out of or relating to this Agreement or any prior agreement between the parties hereto, the breach of such agreement(s), or any amounts paid or invoiced between the parties, shall be resolved by mandatory binding arbitration between only the parties to this Agreement before a single arbitrator administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules (collectively "Rules"), and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. Customer understands and agrees that the American Arbitration Association charges fees for arbitration, and Customer will be responsible for its share of those fees in the event of an arbitration proceeding relating to this Agreement. Customer understands and agrees that these fees may, in some circumstances, exceed the amount of recovery available to Customer under this Agreement. The following claims are not subject to mandatory binding arbitration (collectively, "Excluded Claims"): (A) either party's claims against the other in connection with bodily injury, real property damage or Excluded Waste; (B) Contractor's claims against Customer to collect, under this Agreement or any prior agreements between the parties: (i) past due Charges; (ii) liquidated damages; or (iii) other amounts owed as a result of terminating an agreement prior to its expiration; (C) Contractor's pursuit of any claims or relief relating to the provisions in Articles VIII and/or X or any similar provisions in any prior agreements between the parties, and any injunctive relief sought in relation thereto; and (D) any claims or relief sought in relation to Article XII or any similar provision in any prior agreements between the parties. This agreement to arbitrate is governed by the Federal Arbitration Act.

THE PARTIES HERETO AGREE THAT ANY AND ALL DISPUTES, CONTROVERSIES OR CLAIMS OF ANY NATURE, WHETHER IN ARBITRATION OR OTHERWISE AND WHETHER RELATING TO THIS AGREEMENT OR OTHERWISE, MUST BE BROUGHT IN A PARTY'S INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, CONSOLIDATED, COLLECTIVE OR REPRESENTATIVE PROCEEDING. ACCORDINGLY, EACH PARTY HEREBY WAIVES ANY AND ALL RIGHTS TO BRING ANY CLAIM OR ACTION AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, CONSOLIDATED, COLLECTIVE OR REPRESENTATIVE PROCEEDING RELATING TO ANY DISPUTES, CONTROVERSIES OR CLAIMS BETWEEN THE PARTIES.

Notwithstanding anything to the contrary herein or in the Rules, any interpretation or adjudication related to this Article shall be done by a court, not an arbitrator.

**ARTICLE XIX
CUSTOMER MASTER SERVICE AGREEMENTS**

If Customer and Contractor or any of their respective parent companies or affiliates enter into a Master Service Agreement concerning the Waste Materials, and in the event of a conflict between the Master Service Agreement and this Agreement, the terms of this Agreement shall control, except to the extent the Master Service Agreement specifically references a provision of this Agreement, which reference shall include any applicable Article or Section reference, and the parties specifically express their intent in the Master Service Agreement to amend such provision.

**ARTICLE III
WASTE MATERIALS**

The waste materials to be collected and disposed of by Contractor pursuant to this Agreement consist of all solid waste (including recyclable materials) generated or collected by Customer at the locations specified on the first page of this Agreement (the "Waste Materials"); provided, however, that the term Waste Materials specifically excludes and Customer agrees not to deposit in Contractor's equipment or place for collection by Contractor any radioactive, volatile, corrosive, highly flammable, explosive, biomedical, infectious, biohazardous, toxic or hazardous material as defined by applicable federal, state or local laws or regulations, or any material that Contractor determines causes or could cause damage to Contractor's trucks or equipment or create a risk of injury ("Excluded Waste"). Customer agrees to comply with any description of and/or procedures with respect to removal of contaminants or preparation of recyclable materials as reasonably provided by Contractor. In the event that any recyclable materials furnished to Contractor by Customer are, due to presence of contaminants, rejected by a recycling facility or otherwise are determined by Contractor not to be resalable or to have a reduced resale value, Contractor may, in addition to its other remedies, require Customer to pay Contractor, as liquidated damages and not as a penalty, the charges incurred by Contractor (plus overhead and profit) for hauling, processing and/or disposal of such materials and for the reduction in resale value of such materials. Contractor shall deliver properly prepared recyclable materials furnished to Contractor by Customer to a recycling facility owned and/or operated by Contractor or an affiliate of Contractor or a third party that Contractor understands will recycle the materials ("Third Party Facility"); provided, however, that Contractor shall not be responsible for and has not made any representation to Customer regarding the ultimate recycling of such recyclable materials by a Third Party Facility.

**ARTICLE IV
TITLE**

Contractor shall acquire title to the Waste Materials when they are loaded into Contractor's truck. Title to and liability for any Excluded Waste shall remain with Customer. Customer expressly agrees to defend, indemnify and hold harmless Contractor from and against any and all damages, penalties, fines, liabilities and costs (including reasonable attorneys' fees) resulting from or arising out of the deposit of Excluded Waste in Contractor's trucks, containers or other equipment.

**ARTICLE V
PAYMENTS**

Customer agrees to pay Contractor on a monthly basis for the services and/or equipment furnished by Contractor in accordance with the rates, charges and fees provided for herein ("Charges"). Contractor, in its sole and absolute discretion, may agree to participate in a vendor compliance management or billing system of Customer's choosing, provided that Customer pays or refunds Contractor for all fees associated with Contractor's use of such system. For certainty, if Contractor is found to be out of compliance under any such system, such noncompliance shall not constitute a breach by Contractor of this Agreement, which shall remain valid, enforceable and binding on the parties hereto. Payments shall be made by Customer to Contractor within the period of time set forth on the first page of this Agreement. Contractor may impose and Customer agrees to pay a late fee as determined by Contractor for all past due payments, and interest on all past due payments at the rate of one and one-half percent (1½%) per month, provided that no such late fee or interest charge shall exceed the maximum rate allowed therefor by applicable law. Any dispute or claim against Contractor concerning any amount invoiced by Contractor must be asserted by Customer in writing to Contractor at the address set forth on the first page of this Agreement not later than one hundred eighty (180) days following the event or circumstance giving rise to the underlying dispute or claim; the failure to abide by such time requirement shall constitute a release and waiver by Customer of any rights in respect of, and shall constitute a bar on, any claims or requests for relief by Customer on the basis of such dispute or claim. Customer will pay Contractor a standard recycling services and equipment charge set forth herein (irrespective of changing commodity values). Customer shall continue to provide, and Contractor shall continue to collect, recyclable materials from Customer in accordance with the terms of this Agreement for the Term hereof notwithstanding changing commodity values.

**ARTICLE VI
RATE ADJUSTMENTS**

Customer agrees that the Charges shall be increased from time to time to adjust for increases in the Consumer Price Index. Because disposal, fuel, materials and operations costs constitute a significant portion of the cost of Contractor's services provided hereunder, Customer agrees that Contractor may increase the Charges to account for any increase in such costs or any increases in transportation costs due to changes in location of the disposal facility. Customer agrees that Contractor may also increase the Charges to account for increases in the average weight per container yard of Customer's Waste Materials, increases in Contractor's costs due to changes in local, state or federal rules, ordinances or regulations applicable to Contractor's operations or the services provided hereunder, increases in taxes, fees or other governmental charges assessed against or passed through to Contractor (other than income or real property taxes), and changes in the values associated with recyclable materials. Contractor may increase Charges for reasons other than those set forth above with the consent of Customer. Such consent may be evidenced orally, in writing or by the practices and actions of the parties. In the event Contractor adjusts the Charges as provided in this Article, the parties agree that this Agreement as so adjusted will continue in full force and effect. Customer acknowledges and agrees that adjustments to the Charges might not be directly associated with increased costs of servicing Customer's specific account; rather, adjustments to the Charges might be based upon overall costs and expenses incurred by Contractor on a regional or national basis.

**ARTICLE VII
SERVICE CHANGES AND AMENDMENTS**

Changes to the type, size and amount of equipment, the type or frequency of service, and corresponding adjustments to the rates, may be made by agreement of the parties, evidenced orally, in writing or by the practices and actions of the parties, without affecting the validity of this Agreement and this Agreement shall be deemed amended accordingly. This Agreement shall continue in effect for the Term provided herein and shall not be affected by any changes in Customer's service address if any new service address is located within Contractor's service area. Should Customer change its service address to a location outside Contractor's service area, Customer may cancel the Agreement upon thirty (30) days' written notice to Contractor. Any other amendment to this Agreement not otherwise expressly provided for herein shall be made in writing and signed by both parties.

**ARTICLE VIII
RESPONSIBILITY FOR EQUIPMENT**

Any equipment furnished hereunder by Contractor shall remain the property of Contractor; however, Customer acknowledges that it has care, custody and control of the equipment while at Customer's location and accepts responsibility for all loss or damage to the equipment (except for normal wear and tear or for loss or damage resulting from Contractor's handling of the equipment) and for its contents. Customer shall not overload (by weight or volume), move, alter or install any devices on the equipment, and shall not manually or mechanically compact any materials inside the equipment, except inside compactor receiver boxes specially designed for such purpose, and shall not allow any third party to take any such actions. Customer shall pay additional charges each time that a container is overloaded (by weight or volume). Customer shall use the equipment only for its proper and intended purpose. Customer agrees to indemnify, defend and hold harmless Contractor, its employees and agents against all claims, damages, suits, penalties, fines, liabilities and costs (including reasonable attorneys' fees) for injury or death to persons or loss or damage to property arising out of Customer's use, operation or possession of the equipment. Customer agrees to provide unobstructed access to the equipment on the scheduled collection day. If the equipment is inaccessible so that the regularly scheduled pick-up cannot be made, Contractor will promptly notify Customer and afford Customer a reasonable opportunity to provide the required access; however, Contractor reserves the right to charge an additional fee for such inaccessibility and/or delay or any additional collection service required by Customer's failure to provide such access. The word "equipment" as used in this Agreement shall mean all containers used for the storage of Waste Materials, and any other on-site devices provided by Contractor.

**ARTICLE IX
DAMAGE TO PAVEMENT**

Customer warrants that Customer's pavement, curbing or other driving surface or any right of way reasonably necessary for Contractor to provide the services described herein are sufficient to bear the weight of all of Contractor's equipment and vehicles reasonably required to perform such services. Contractor will not be responsible for damage to any such pavement, curbing, driving surface or right of way, and Customer agrees to assume all liabilities for any such damage, which results from the weight of Contractor's vehicles providing service at Customer's location.

**ARTICLE X
EARLY TERMINATION; LIQUIDATED DAMAGES**

In the event Customer requests termination of this Agreement prior to the expiration of its Term other than as a result of an uncured breach by Contractor or if Contractor terminates this Agreement for Customer's breach (including nonpayment) (any such instance is referred to herein as an "Early Termination"), then, in addition to such other damages as may be sustained by Contractor, Customer agrees to pay to Contractor all past due sums plus, as liquidated damages, a sum calculated as follows: (a) if the remaining Term under this Agreement is six (6) or more months, the average of Customer's most recent six (6) monthly charges multiplied by six (6); or (b) if the remaining Term under this Agreement is less than six (6) months, the average of Customer's most recent six (6) monthly charges multiplied by the number of months remaining in the Term; or (c) if the Term has not yet run for six (6) months, then (a) and (b) shall not apply and the liquidated damages shall be the monthly Charges specified in this Agreement multiplied by six (6). Notwithstanding the foregoing, if Customer suspended Contractor's collection services or reduced the frequency of Contractor's collection services by 50% or greater during the most recent six (6) month period, then Contractor may calculate liquidated damages using the average of Customer's six (6) monthly charges prior to the suspension or reduction in services, instead of Customer's most recent six (6) monthly charges. Customer expressly acknowledges that in the event of an Early Termination of this Agreement, the anticipated loss to Contractor in such event is estimated to be the amount set forth in the foregoing liquidated damages provision and such estimated value is reasonable and is not imposed as a penalty. The parties stipulate and agree that the liquidated damages set forth in this Article will compensate Contractor for the loss of revenue attributable to the Early Termination of this Agreement, but the payment of these liquidated damages shall not in any way limit Contractor's rights and remedies relating to a breach of any other provision(s) of this Agreement. If Contractor purchased or leased equipment specifically for Customer's use (e.g., compactor, etc.), then, upon an Early Termination, the Customer shall owe Contractor separate damages relating to Contractor's purchase or lease of such equipment, in addition to the liquidated damages described herein.

Customer acknowledges and agrees that any request for termination of this Agreement prior to expiration of the Term requires an unscheduled collection of Contractor's equipment, which may take up to thirty (30) days to complete after Contractor receives from Customer: (a) a written request to terminate this Agreement; and (b) full payment of all liquidated damages and past due amounts owed by Customer to Contractor. Customer agrees that it shall not move or allow any third party to move Contractor's equipment during the thirty (30) day period and any time prior thereto, within which Contractor has the sole and exclusive right to service and remove its equipment from Customer's service location, and hereby grants Contractor an irrevocable right and license to allow its equipment to remain on Customer's service location for such thirty (30) day period and all times prior thereto. This Article shall survive the termination or expiration of this Agreement.

**ARTICLE XI
BREACH, SUSPENSION AND TERMINATION FOR CAUSE**

If during the Term of this Agreement either party shall be in breach of any provision of this Agreement, the other party may suspend its performance hereunder until such breach has been cured or terminate this Agreement; provided, however, that no termination of this Agreement shall be effective until the complaining party has given written notice of such breach to the breaching party and the breaching party has failed to cure such breach within ten (10) days after its receipt of such notice. Upon any such failure to cure, the complaining party may terminate this Agreement by giving the breaching party written notice of such termination, which shall become effective upon receipt of such notice.

**ARTICLE XII
ASSIGNMENT**

Without the prior written consent of Contractor, which may be withheld in Contractor's sole and absolute discretion, Customer shall not take any one or more of the following actions: (a) assign or transfer this Agreement or any of its rights, or delegate any of its duties or obligations under this Agreement, whether voluntarily, by merger or operation of law, or otherwise; (b) appoint any third party agent (including without limitation any management company or broker) to exercise any rights, responsibilities, or take any action under this Agreement; or (c) request a change in Customer's billing address to any third party. Any violation of this Article by Customer shall constitute a breach of this Agreement for which Contractor may, in its sole and absolute discretion, seek damages and/or specific performance, including injunctive relief, without the requirement of establishing irreparable injury.

**ARTICLE XIII
OPPORTUNITY TO PROVIDE ADDITIONAL SERVICES; RIGHT OF FIRST REFUSAL**

Contractor values the opportunity to meet all of Customer's Waste Materials collection, disposal and recycling needs. Customer will provide Contractor the opportunity to meet those needs and to provide, on a competitive basis, any additional Waste Materials collection, disposal and recycling services during the Term of this Agreement. Customer also grants Contractor a right of first refusal to match any offer Customer receives (or makes) related to the provision of services to Customer similar to those covered hereunder upon expiration or termination of this Agreement for any reason, and Customer shall give Contractor prompt written notice of any such offer and a reasonable opportunity (but in any event at least five (5) business days from receipt of such notice) to match any such offer. In the event that Contractor matches such an offer, the parties hereto shall thereafter be bound by the terms of such offer. If Customer fails to comply with these right of first refusal provisions in any instance, then Customer shall pay to Contractor all resulting damages incurred by Contractor, including, without limitation, lost profits.

**ARTICLE XIV
EXCUSED PERFORMANCE**

Except for the payment of amounts owed hereunder, neither party hereto shall be liable for its failure to perform or delay in its performance hereunder due to contingencies beyond its reasonable control including, but not limited to, strikes, riots, compliance with laws or governmental orders, inability to access a container, fires, inclement weather and acts of God, and such failure shall not constitute a breach under this Agreement. For the avoidance of doubt, however, a law or government order, ordinance or award establishing an exclusive franchise or similar right for a service provider in Contractor's service area shall not excuse Customer's performance hereunder.

**ARTICLE XV
BINDING EFFECT**

This Agreement is a legally binding contract on the part of Contractor and Customer and their respective heirs, successors and permitted assigns, in accordance with the terms and conditions set out herein.

**ARTICLE XVI
ATTORNEYS' FEES**

In the event Customer fails to pay Contractor all amounts which become due under this Agreement (including any liquidated damages, late fees and interest assessed thereon), or fails to perform its obligations hereunder, and Contractor refers such matter to an attorney, Customer agrees to pay, in addition to all past due sums, any and all costs incurred by Contractor as a result of such action, including, to the extent permitted by law, reasonable attorneys' fees.

**ARTICLE XVII
ENTIRE AGREEMENT; GOVERNING LAW; SEVERABILITY; SURVIVAL**

This Agreement represents the entire understanding and agreement between the parties hereto concerning the matters described herein and supersedes any and all prior or contemporaneous agreements, whether written or oral, that may exist between the parties regarding the same. This Agreement shall be governed by the laws of the State in which Customer's service locations listed on the first page of this Agreement are situated, without regard to conflicts of law provisions, except that the agreement to arbitrate in Article XVIII shall be governed by the Federal Arbitration Act (9 U.S.C. sections 1 et seq.). If any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, and the invalid, illegal, or unenforceable provision shall be modified only to the extent necessary to make it enforceable. All agreements, representations, warranties and acknowledgments of Customer shall survive any termination or expiration of this Agreement, including, without limitation, those set forth in Articles III, IV, V, VIII, IX, X, XII, XIII, XVI and XVIII.

**ARTICLE XVIII
BINDING ARBITRATION AND CLASS ACTION WAIVER**

Except for Excluded Claims (as defined below), any disputes, controversies or claims arising out of or relating to this Agreement or any prior agreement between the parties hereto, the breach of such agreement(s), or any amounts paid or invoiced between the parties, shall be resolved by mandatory binding arbitration between only the parties to this Agreement before a single arbitrator administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules (collectively "Rules"), and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. Customer understands and agrees that the American Arbitration Association charges fees for arbitration, and Customer will be responsible for its share of those fees in the event of an arbitration proceeding relating to this Agreement. Customer understands and agrees that these fees may, in some circumstances, exceed the amount of recovery available to Customer under this Agreement. The following claims are not subject to mandatory binding arbitration (collectively, "Excluded Claims"): (A) either party's claims against the other in connection with bodily injury, real property damage or Excluded Waste; (B) Contractor's claims against Customer to collect, under this Agreement or any prior agreements between the parties: (i) past due Charges; (ii) liquidated damages; or (iii) other amounts owed as a result of terminating an agreement prior to its expiration; (C) Contractor's pursuit of any claims or relief relating to the provisions in Articles VIII and/or X or any similar provisions in any prior agreements between the parties, and any injunctive relief sought in relation thereto; and (D) any claims or relief sought in relation to Article XII or any similar provision in any prior agreements between the parties. This agreement to arbitrate is governed by the Federal Arbitration Act.

THE PARTIES HERETO AGREE THAT ANY AND ALL DISPUTES, CONTROVERSIES OR CLAIMS OF ANY NATURE, WHETHER IN ARBITRATION OR OTHERWISE AND WHETHER RELATING TO THIS AGREEMENT OR OTHERWISE, MUST BE BROUGHT IN A PARTY'S INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, CONSOLIDATED, COLLECTIVE OR REPRESENTATIVE PROCEEDING. ACCORDINGLY, EACH PARTY HEREBY WAIVES ANY AND ALL RIGHTS TO BRING ANY CLAIM OR ACTION AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, CONSOLIDATED, COLLECTIVE OR REPRESENTATIVE PROCEEDING RELATING TO ANY DISPUTES, CONTROVERSIES OR CLAIMS BETWEEN THE PARTIES.

Notwithstanding anything to the contrary herein or in the Rules, any interpretation or adjudication related to this Article shall be done by a court, not an arbitrator.

**ARTICLE XIX
CUSTOMER MASTER SERVICE AGREEMENTS**

If Customer and Contractor or any of their respective parent companies or affiliates enter into a Master Service Agreement concerning the Waste Materials, and in the event of a conflict between the Master Service Agreement and this Agreement, the terms of this Agreement shall control, except to the extent the Master Service Agreement specifically references a provision of this Agreement, which reference shall include any applicable Article or Section reference, and the parties specifically express their intent in the Master Service Agreement to amend such provision.
