Hello,

After much consideration I have decided to terminate my TARB service effective immediately. It has been a pleasure getting to know the fine people that are part of TARB. I will fondly remember my time with the team.

Thanks, Nick

Item 5D: Discussion and Possible Action on Appraisal Review Board Chairperson's Report

Presenter Meg Brooks, ARB Chairperson

Background Information

ARB Chair Meg Brooks will brief the Board of Directors on activities of the ARB.

Staff Recommendation & Motion Language

There are no staff recommendations for this item.

No board action is needed for this item.

TO: Travis Central Appraisal District Board of Directors

FROM: Meg Brooks, Chair, Travis Appraisal Review Board

DATE: April 9, 2026 meeting

Below is a brief summary of what we have been working on since January.

Correction Hearings – Working closely with TCAD, we had two days of corrections and clean-up from 2025 hearings on February 18 and 19. We will only need to have one day of hearings on April 22nd. I am talking to TCAD of having one more day in May just to make sure we have most of the correction hearings done before the regular protest season starts.

Members – Two returning members have resigned in the last week but we have managed to keep all the newly appointed members through their training. Our membership today is 100. A little tight but workable.

Training – The Comptroller's online training is out and it is very substantial this year. I am trying to get a transcript to use because the information is so detailed and relevant. We have asked our members to complete the online training by May 1. We will also be holding mock hearings with the new members on May 13, 14 and 15. We will have chair training for our new and returning panel chairs on April 14 and 15.

Scripts, Hearing Procedures, By-Laws – We have been reworking our hearing scripts to be sure that they comply with the Model Hearing Procedures and that they assist in efficiently conducting a hearing and giving the property owners sufficient information. We will be using the Agreement to Focus Hearing form again this year which saves time in the hearings. We will vote on our local Hearing Procedures and by-laws at our April 24th quorum meeting, as well as voting on the decisions from the April 22 hearings.

Scheduling Directive – I have met with representatives of the largest tax consultants and agents to find out what they thought went well and what did not last year. We are close to a final draft of the Scheduling Directive and I will be working on the Letter to Tax Consultants to send out soon.

We look forward to a productive hearing season.

2026 INFORMAL MEETINGS

Informal meetings with Travis County property owners began on April 6, 2026. TCAD plans on continuing its Taxpayer Experience Survey to monitor the protest experience.

Property owners will receive a survey if they meet the following criteria:

- Have filed a protest
- Have had an informal meeting with a TCAD appraiser
- Have accepted a settlement offer as a result of their informal meeting

The survey will include questions regarding how satisfied the property owner is with their experience, how easy it was to schedule an informal meeting, the courtesy and knowledge of the appraiser they worked with, and if the experience resulted in them learning more about their property and its market value. Survey results will be reported to staff directors for daily review. Results will also be reported to the Board of Directors during regular meetings.

Property owners who proceed to a formal hearing with the Appraisal Review Board will be encouraged to complete the survey from the Office of the Comptroller.
