CURRICULUM GOALS

The curriculum for each subject area shall be vertically aligned between each grade level. The progression of skills shall be logical and predictable from grade level to grade level. At the upper most grade levels, the objectives shall be closely related to those skills that have been identified as necessary to be able to graduate from high school.

INITIAL DEVELOPMENT

Under the leadership and direction of the curriculum team, a unified curriculum shall be developed for the school system in each subject area for grades K-12 and presented to the board for adoption.^{1,2} **The curriculum shall include those subjects and topics required by state and federal laws and regulations.² It shall foster respect and appreciation of the cultural diversity found in our country and an awareness of the rights, duties, and responsibilities of each individual as a member of a pluralistic society.** Teachers in each school shall participate in the system-wide development of the curriculum in their appropriate subject areas. Assignments for curriculum development in the elementary grades will be made by the principal.

COORDINATION

The curriculum will be revised and updated regularly through inservice programs and curriculum planning sessions with changes subject to approval by the board.

A copy of the curriculum will be made available electronically in each school. Teachers shall have access to a personal copy of the portion which pertains to their area of teaching. New teachers shall be given an appropriate copy and briefed on its content in relation to the total curriculum.

SPECIAL COURSES

Experimentation with newer concepts of curriculum design, scheduling, and instructional techniques is encouraged but must have prior approval of the principal. **An experimental program or** special course requires the approval of the director of schools, the board, the Commissioner of Education, and the State Board of Education.^{2,1}

A special course approved by the Department of Education shall be recommended to the State Board for either:

1. One (1) year approval
2. Three (3) year continuous approval
3. Six (6) year continuous approval

After the duration of the State Board of Education's approval, the local school system must resubmit a special course application to the Department of Education to continue offering the course.

IMPLEMENTATION

The primary responsibility for ensuring the effective operation of the curricular programs and activities shall be delegated to the director of schools.

The school principals shall be responsible for administering the established instructional programs at their respective schools.

PROFESSIONAL DEVELOPMENT AND CURRICULUM

Each teacher shall develop thorough knowledge of the specific curriculum that they are responsible for teaching. Staff development opportunities shall be made available to all new teachers in the system to accomplish this objective. Experienced teachers shall attend curriculum awareness sessions offered either by the system or at the building level to acquire this knowledge.

Curriculum delivery is the responsibility of the classroom teacher and shall be performed in such a way that students have the opportunity to master the goals and objectives of the written curriculum.

To assist with curriculum delivery, staff development opportunities shall be made available in areas including, but not limited to:

1. Construction, validation, and interpretation of assessment results;
2. Analysis of student performance results;
3. Evaluating the effectiveness of the classroom instructional program; and
4. Instructional strategies that enhance student performance.

10 ~~director of schools or designee shall develop a procedure for staff to submit additional programs for~~
11 ~~approval.~~

12 The chief information officer or designee is tasked with overseeing the implementation of AI

16 Employees shall not place personally identifiable information, financial information, intellectual
17 property, or other confidential information into an AI system.

18 The director of schools or designee shall incorporate training programs on AI into professional

25 STAFF USE

26 Staff may use AI in the completion of their own work. This may include, but not be limited to, drafting

2. Employees shall take all reasonable precautions to ensure the security of private student data when utilizing AI programs;
 3. Outputs from AI programs shall be verified by reliable sources and reviewed prior to use in order to reduce the risk of errors and inaccuracies; and

 5. ~~Outputs shall not be incorporated into proprietary content or works.~~

STUDENT USE

In compliance with state law regarding digital literacy and internet safety, the district shall integrate age-appropriate instruction on how to access, utilize, and critically evaluate various artificial intelligence tools. ACADEMIC INTEGRITY

Students shall be taught how to appropriately acknowledge and cite their use of generative AI in academic works. The classroom teacher shall define clear boundaries where AI acts as a supplementary learning aid versus instances where its uncredited output constitutes academic dishonesty.

Students shall be instructed on responsible use standards including but not limited to the following:

1. Effective use of generative AI;
2. When it is appropriate to use AI in assignments;
3. How to determine whether AI responses are accurate;

This policy outlines the promotion and retention guidelines for students in grades kindergarten through eight (K-8).

All promotion and retention decisions shall be made on a case-by-case basis and comply with state and federal law. All decisions shall be made in consultation with a student's IEP and/or 504 team, if applicable.¹

Students who have difficulty in achieving the requirements for promotion may be considered for retention. Schools shall identify these students by February 1st. Factors used to identify students for retention shall include:²

1. Ability to perform at the current grade level;
2. Results of local assessments, screening, or monitoring tools;
3. State assessments, as applicable;
4. Home Literacy Reports;³
5. Overall academic achievement of the student;
6. Likelihood of success with more difficult material if promoted to the next grade;
7. Attendance record; and
8. The student's maturity.

Students may be identified for retention after the February 1st deadline if the delay in identifying a student is due to:⁴

1. Date of enrollment;
2. Additional information acquired after results of local assessment, screening, or monitoring are released.

VOLUNTARY RETENTION⁵

A parent/guardian of a student enrolled in kindergarten through second grade may choose to retain their student in the current grade level if:

1. The student has a documented academic or behavioral delay; and

2. The parent/guardian believes that retention may benefit the student.⁵

This information shall be submitted in writing within thirty (30) days of the end of the school year. The school principal shall send written notice to the parent/guardian confirming whether the student is eligible for retention under state law.

PROMOTION PLANS⁶

When a student is identified for retention, the student's parent(s)/guardian(s) shall be notified within fifteen (15) calendar days, and an individualized promotion plan shall be developed to help the student avoid retention. The plan shall be developed in coordination with the student's teachers, IEP or 504 team, if applicable, and may also include input from the student's parent(s)/guardian(s), school counselor, or other appropriate school personnel.

Promotion plans shall incorporate evidence-based strategies, including expectations and measurements that will verify whether a student has made sufficient progress to be promoted to the next grade level, and be tailored to the student's learning needs. Promotion plans for students in third and fourth grade will include additional requirements for promoting students in these grades. A copy of the plan will be provided to the student's parent(s)/guardian(s), and the school shall offer the opportunity for a parent-teacher conference to discuss the plan. If a student is not making progress on the promotion plan, then the strategies shall be modified. Parent(s)/guardian(s) shall be provided with any changes to the promotion plan.

A student who demonstrates sufficient academic progress according to their promotion plan shall be promoted to the next grade level unless retention is required per additional requirements for students in third and fourth grade.⁷

If a student has not demonstrated sufficient academic progress according to their promotion plan by the end of the school year, the student shall be eligible to enroll in a summer reading or learning program, if available. Parent(s)/guardian(s) shall be notified of a decision for retention at least ten (10) calendar days prior to the start of the next school year if the student was enrolled in a summer program. However, if the student wasn't enrolled in a summer program, the parent(s)/guardian(s) shall be notified of a decision for retention at least thirty (30) calendar days prior to the start of the next school year.⁸

RETENTION⁷

A student may be retained when such retention is in the best interests of the student or when retention is required per additional requirements for students in third and fourth grade.

Decision of Retention – General⁹

If a student is retained, the director of schools or designee shall develop an individualized academic remediation plan within thirty (30) calendar days after the beginning of the next school year. A copy of the plan shall be provided to the student's parent(s)/guardian(s) within ten (10) calendar days of its development. Any student retained in any of the grades K-3 must be assigned a tutor to provide the

student with tutoring services for the entirety of the upcoming school year based on tutoring requirements based upon the department of education. In addition, the plan may also include the following strategies:

1. Adjustment to the current instructional strategies or materials;
2. Additional instructional time;
3. Modification to the student's classroom assignment to ensure the student receives instruction from a teacher with a level of overall effectiveness of above expectations (level 4) or significantly above expectations (level 5); or
4. Attendance or truancy interventions.

A student shall not be retained more than once in any grade. The progress of students who are retained shall be closely monitored and reported to parent(s)/guardian(s) at least three (3) times during the school year in which the student is retained. The director of schools shall develop procedures to ensure appropriate recordkeeping of students who are retained.

Decision of Retention – Third Grade¹⁰

Third grade students shall not be promoted to the next grade unless they are determined to be proficient (i.e., receive a performance level rating of “on track” or “mastered”) in English language arts (ELA) based on the student's most recent TCAP test.

Students who are not proficient in ELA may still be promoted if the following conditions are met:

1. A student in third grade receiving a performance level rating of “approaching” on the ELA portion of the student's most recent TCAP test may be promoted if:
 - a. The student is an English language learner and has received less than two (2) full years of ELA instruction;
 - b. The student was previously retained in grades K-3;
 - c. The student is retested before the next school year and scores proficient in ELA;
 - d. The student attends a learning loss bridge camp before the next school year, maintains a ninety percent (90%) attendance rate*, and demonstrates adequate growth on the post-test at the end of the camp; ~~or~~
 - e. The student receives tutoring for the entirety of the next school year in accordance with state law; ~~or~~
 - f. Beginning with the 2023-2024 school year, the student demonstrates proficiency in ELA standards by scoring within the fiftieth percentile on the most recently administered state-provided benchmark assessment and the district provides tutoring services to the student during the entire fourth grade school year and notifies the student's parent/guardian, in writing, of the benefits of enrolling the student in summer programming; ~~or~~
 - g. The student was administered a state-mandated assessment pursuant to TCA 49-1-616(d) as a third-grade student and the student demonstrates proficiency in ELA based

on the student scoring within the fiftieth percentile on the most recently administered universal reading screener approved by the State Board of Education or the Tennessee universal reading screener.¹¹

2. A student in third grade receiving a performance level rating of “below” on the ELA portion of the student’s most recent TCAP test may be promoted if:
 - a. The student is an English language learner and has received less than two (2) full years of ELA instruction;
 - b. The student was previously retained in grades K-3;
 - c. The student is retested before the next school year and scores proficient in ELA; or
 - d. The student attends a learning loss bridge camp before the next school year, maintains a ninety percent (90%) attendance rate*, and receives tutoring for the entirety of the next school year in accordance with state law.

Students who participate in learning loss bridge camp and do not maintain a ninety percent (90%) attendance rate may be offered the opportunity to make-up the missed time to meet the attendance requirement to be promoted.

Decision of Retention – Fourth Grade¹⁰

Students in the following categories may be promoted to fifth grade if they demonstrate adequate growth on the fourth-grade ELA portion of the TCAP test:

1. A student who was promoted to fourth grade due to receiving tutoring for the entirety of the fourth-grade school year; and
2. A student who was promoted to fourth grade due to attending a learning loss bridge camp while maintaining a ninety percent (90%) attendance rate and receiving tutoring for the entirety of the fourth grade school year.

If a student that was promoted to fourth grade under one of the provisions above does not demonstrate adequate growth on the fourth-grade ELA portion of the TCAP test, then the following shall occur:

1. The student’s principal shall convene a conference consisting of the following parties: the student’s parent(s)/legal guardian, the student’s ELA teacher, and the student’s principal.
2. The conference shall review the student’s fourth grade ELA performance to determine if the student should be promoted to fifth grade.
3. At the conclusion of the conference, a majority of the parties shall agree to one of the following:
 - a. The student will be promoted to fifth grade and be assigned a tutor for the entirety of the student’s fifth-grade year; or
 - b. The student will be retained in fourth grade. A student shall not be retained more than once in fourth grade.

*Decision of Retention – Students with Disabilities*¹²

Retention and promotion decisions shall be made on a case-by-case basis and in consultation with the student's IEP and/or 504 team to determine whether the student's performance on the ELA portion of TCAP was due to the student's disability. The school district shall not retain a student with a disability or a suspected disability that impacts their ability to read.

APPEALS^{8,13}

For students where retention is not required per the additional requirements for students in third and fourth grade, the parent(s)/guardian(s) shall be notified about the decision to retain the student and provided with information on the right to appeal the decision. Appeals shall be made to a committee appointed by the principal prior to May 15. The student and their parent(s)/guardian(s) shall be provided written or actual notice of the appeal hearing and shall be given the opportunity to address the committee. The committee shall conduct a hearing prior to May 30 to determine if the student will be promoted and issue such decision within five (5) business days. Upon notification of the committee decision, the principal shall send written notification to the director of schools or designee and the parent(s)/guardian(s). The notification shall advise parent(s)/guardian(s) of their right to appeal such action the director of schools or designee.

The appeal to the director of schools or designee shall be heard no later than ten (10) business days after the request for appeal is received. A decision shall be issued within five (5) business days. The action of the director of schools or designee shall be final.

For students where retention is required per the additional requirements for students in third and fourth grade, parent(s)/guardian(s) may appeal this decision directly to the Department of Education only in accordance with state law.⁷

Certified personnel must make a written contract with the board at a fixed salary per month before entering upon their duties.²

Contracts for certified personnel shall provide the following:³

1. A minimum of one hundred and eighty (180) working days;
2. A minimum of five (5) days for in-service education;
3. Ten (10) vacation days; and
4. Five (5) days as designated by the board (teachers shall use one (1) day for parent-teacher conferences).

1 **SUSPENSION PENDING AN INVESTIGATION¹**

2 The director of schools may suspend a teacher at any time that may seem necessary, pending
3 investigation or final disposition of a case before the board or an appeal. If the matter under investigation
4 is not the subject of an ongoing criminal investigation or a department of children's services
5 investigation, and if no charges for dismissal have been made, a suspension pending investigation shall
6 not exceed ninety (90) days in duration. Under no circumstances shall the director of schools suspend a
7 teacher with pay. If vindicated or reinstated, the teacher shall be paid full salary for the period of
8 suspension.

9 **SUSPENSION OF THREE DAYS OR LESS^{2,3}**

10 **A** The director of schools may suspend a teacher for incompetence, inefficiency, neglect of duty,
11 unprofessional conduct, and insubordination. Before a teacher is suspended, the teacher shall be: (1)
12 provided with written notice, including the reasons for the suspension along with an explanation of the
13 evidence and copies of any documents relied upon by the director of schools in reaching a decision to
14 suspend; (2) given an opportunity to respond to the director at a conference, if requested within five (5)
15 days; and (3) given a written decision of the suspension within ten (10) days. Both parties may be
16 represented by counsel at the conference, which shall be recorded.

17 Under no circumstances shall a director of schools suspend a tenured teacher with pay. If reinstated, the
18 tenured teacher shall be paid full salary for the period of suspension, unless suspension without pay is
19 deemed to be an appropriate penalty.

20 **DISMISSAL OR SUSPENSIONS GREATER THAN THREE DAYS⁴**

21 When a tenured teacher is charged with offenses which may justify dismissal or a suspension greater
22 than three days, the charges shall be made in writing, specifically stating the offenses that are charged
23 and shall be signed by the party or parties making the charges.

24 If, in the opinion of the board, the charges are of such nature as to warrant the dismissal or a suspension
25 greater than three days of the teacher, the director of schools shall give the teacher a written notice of
26 this decision, a copy of the charges against the teacher, and a copy of a form provided by the
27 Commissioner of Education advising the teacher of their legal duties, rights, and recourse.

28 A tenured teacher who has been given notice of charges against them may within thirty (30) days after
29 receipt of notice give written notice to the director of schools of the request for a hearing.

30 The director of schools shall, within five (5) days after receipt of request, assign an impartial hearing
31 officer.

The hearing officer shall notify the parties, or their attorney, of the officer's assignment and direct the parties or the attorneys for the parties, or both, to appear before the hearing officer for simplification of issues and the scheduling of the hearing. That hearing shall be set no later than thirty (30) days following receipt of the initial request for a hearing. In the discretion of the hearing officer, all or part of any prehearing conference may be conducted by telephone if each participant has an opportunity to participate, be heard, and to address proof and evidentiary concerns. The hearing officer is empowered to issue appropriate orders and to regulate the conduct of the proceedings.

Either party may appeal to the board of education an adverse ruling by giving written notice of appeal within ten (10) working days of the hearing officer's delivery of the hearing officer's written findings and conclusions. The director of schools shall prepare a copy of the proceedings, including all transcripts and evidence, documentary or otherwise, and transmit the same to the board within twenty (20) days of the receipt of the notice of appeal.

The board shall hear the appeal on the record, and no new evidence may be submitted by either party. The appealing party may appear before the board to argue why the adverse ruling should be overturned. In no event should such argument last more than fifteen (15) minutes, unless the board should vote to extend additional time. At the conclusion of the hearing, any member of the board may vote to sustain the decision of the hearing officer, send the record back for additional evidence, revise the penalty, or reverse the decision. The board shall render its decision within ten (10) working days after the conclusion of the hearing. In the event that the decision of the board is appealed to the chancery court, the board shall transmit the entire record prepared by the director and reviewed by the board to the chancery court for its review.

RESIGNATION

A teacher shall give the director of schools notice of resignation at least thirty (30) days before the effective date of the resignation. A teacher who fails to give such notice, in the absence of justifiable extenuating circumstances, shall forfeit all tenure status. The board may waive the thirty (30) days' notice requirement and permit a teacher to resign in good standing.⁵

The conditions under which it is permissible to break a contract with the board are as follows:⁶

1. The incapacity on the part of the teacher to perform the contract as evidenced by the certified statement of a physician approved by the board; and
2. The release by the board of the teacher from the contract which the teacher has entered into with the board.

Any teacher on leave shall notify the director of schools in writing at least thirty (30) days prior to the date of return if the teacher does not intend to return to the position from which leave has been taken. Failure to render such notice may be considered a breach of contract.⁷

Upon a breach of contract, the board, upon a motion recorded in its minutes, may file a complaint with the State Board of Education and request the suspension of a teacher's license. After the State Board of Education has provided the teacher an opportunity for defense during a hearing, the State Board of Education may suspend the license for no less than thirty (30) and no more than three hundred sixty five (365) days.⁸

1 RETIREMENT

2 Retirement is a termination of services under conditions that will allow the employee to draw benefits
3 from retirement plans and/or social security benefits. Employees eligible for retirement benefits may
4 elect to retire at any age according to the provisions of the retirement system.

5 Central office personnel may assist employees in applying for retirement benefits; however, it shall be
6 the responsibility of the retiring employee to file for benefits.

The director of schools shall also have the right to appeal any adverse ruling by the hearing officer in the same manner as the non-tenured teacher.

The board shall hear the appeal. No new evidence shall be introduced. The non-tenured teacher may appear in person or be represented by counsel and argue why the decision should be modified or reversed. The board shall take one of the following actions:

1. sustain the decision;
2. send the record back if additional evidence is necessary; or
3. revise the penalty or reverse the decision.

Before any decision to dismiss is made, a majority of the membership of the board shall concur in sustaining the charges. The board shall render a decision on the appeal within ten (10) working days after the conclusion of the hearing.

Within twenty (20) days after receipt of notice of the decision of the board, either party may appeal to the chancery court in the county where the school system is located. The board shall provide the entire record of the hearing to the court.

NONRENEWAL

Non-tenured teachers are subject to the same rules and regulations and are entitled to the privileges of employment enjoyed by tenured teachers except that they have no claim upon continuing employment or tenure protections.

The principal is responsible for discussing deficiencies as part of the evaluation process with the non-tenured teacher and providing assistance for overcoming these deficiencies.

The director of schools is under no obligation to re-employ non-tenured teachers at the end of their contract period. If the director of schools determines not to renew the contract of a non-tenured teacher,¹ the following action shall be taken:

1. The board shall be notified; and
2. Written notice of non-renewal shall be sent to the teacher by certified, overnight carrier, or by email within five (5) business days following the last instructional day for the school year.³ If the reason for nonrenewal is due only to a loss of funding for the position, then the notice shall include a statement listing it as the cause for nonrenewal.⁴

1 RESIGNATION

Appropriate Use

~~Visitors and unsupervised students are prohibited from operating drones on district property. District personnel or other users approved by the director of schools or designee are authorized to use aerial drones.~~

Written permission from the director of schools or designee must be obtained by any individual wishing to operate a drone on or over school system property or with the intent to surveil school system property.

1 CREATION OF POSITION

2 All staff positions shall be approved through the budget process in accordance with an organizational
3 plan submitted by the director of schools to the Board of Education.¹

4 The director of schools may revise the organizational plan as long as budgetary amounts are not exceeded
5 and board policy is not violated. In the event of reorganization, the director of schools shall adhere to all
6 applicable reduction in force guidelines and shall inform, in a timely manner, the board of the change
7 and include the change in the director's report at the next board meeting. If changes in personnel create
8 additional encumbrances on a future budget, prior approval of the board is required.

9 REDUCTION IN FORCE

10 When it becomes necessary to reduce the number of positions in the system because of a decrease in
11 enrollment or for other good reasons, the board shall abolish the positions. The board or the director of
12 schools, as appropriate, shall dismiss such employees as may be necessary.²

13 Licensed Personnel

14 Reductions in staff shall be made in an attempt to have the least detrimental effect on students. In
15 general, this objective dictates a staff reduction policy which retains the most effective teachers;

16 The elimination of a position does not necessarily mean the person occupying the position will be dis-
17 missed. When an employee is released, the director of schools shall make the decision based upon a
18 composite of the following criteria:

- 19 1. Effectiveness in teaching and in related professional responsibilities evidenced by teacher
20 evaluation;
- 21 2. Adaptability to other assignments (academic and extracurricular);
- 22 3. Evidence of professional growth as well as specialized or advanced training;
- 23 4. Previous history of grade levels and subject areas taught; and
- 24 5. Type, length, and quality of service made to the teaching profession and the school system.

25 When a teacher is released because of reduction in staff, the teacher shall be given written notice of
26 release explaining the circumstances or conditions making dismissal necessary.

1 Non-Licensed Personnel

2 When a non-licensed employee is released because of a reduction in the number of support positions,
3 the director of schools shall give the employee written notice of dismissal explaining the circumstances
4 or conditions making termination of employment necessary.³

5 RECALL

6 The director of schools shall maintain a re-employment list for tenured teachers whose positions are
7 abolished.³ The fitness of any teacher for re-employment shall be determined on the basis of the teacher's
8 competence, compatibility, and suitability to properly discharge the duties required by the position with
9 consideration for the best interests of the students in the school where the vacancy exists.²

10 It shall be the responsibility of the separated teacher to notify the director of schools in writing of their
11 availability and current address. A professional employee who is placed on the re-employment list and
12 subsequently refuses the offer of a comparable position shall be removed from the preferred list.⁴

13 ~~Any teacher who has been on the list for re-employment for two (2) consecutive years shall, by April 1~~
14 ~~of the second consecutive year, receive notice that the teacher's name shall be removed from the list. The~~
15 ~~director shall send the notice to the last known address of the teacher. A teacher who wishes to remain~~
16 ~~on the list for re-employment after the second year shall notify the director of schools in writing by April~~
17 ~~15 of the second year and each subsequent year of their desire to remain on the list for re-employment.~~⁴

18 Employees returning from lay-off shall have all previously accrued sick leave and years of service re-
19 instated, but they shall not receive benefits for the period of the layoff.

General

Annually, the director of schools or designee will provide written notice to parent(s) or guardian(s) that attendance at school is required. Students shall be present at least fifty percent (50%) of the scheduled school day in order to be counted present.⁷ Students may attend part-time days, alternating days, or for a specific amount of time as indicated in their Individualized Education Plan or 504 Plan and shall be considered present for school attendance purposes. If a student is required to participate in a remedial instruction program outside of the regular school day where there is no cost to the parent(s) or guardian(s) and the school system provides transportation, unexcused absences from these programs shall be reported in the same manner.⁷

A student who is absent five (5) days without adequate excuse shall be reported to the director of schools or designee **and the principal or school designee shall**, in turn, provide written notice to the parent(s) or guardian(s) of the student's absence. If a parent(s) or guardian(s) does not provide documentation within adequate time excusing those absences, or request an attendance hearing, then the director of schools shall implement **Tier II of** the progressive truancy intervention plan described below prior to referral to juvenile court.

PROGRESSIVE TRUANCY INTERVENTION PLAN⁸~~*Progressive Truancy Intervention Plan⁸*~~

~~Prior to referral to juvenile court, the~~ **The** following progressive truancy intervention plan will be implemented.

Tier I

Tier I of the progressive truancy plan shall apply to all students within the district and include schoolwide prevention-oriented supports to assist with satisfactory attendance. These supports shall include, but are not limited to:

1. A conference with the student and the student's parent(s) or guardian(s);
2. An attendance contract, based on the conference, signed by the student, the parent(s) or guardian(s), and an attendance supervisor or designee. The contract shall include:

- a. A specific description of the school's attendance expectations for the student;
- b. The period for which the contract is effective; and
- c. Penalties for additional absences and alleged school offenses, including additional disciplinary action and potential referral to juvenile court; and

3. Regularly scheduled follow-up meetings to discuss the student's progress.

Tier II

Tier II of the progressive truancy plan shall be implemented after the student accumulates **five (5) additional** unexcused absences, but before **referral to juvenile court, and includes the following:** ~~Under this tier, a school designee shall conduct an individualized assessment detailing the reasons a student has been absent from school. The employee may refer the student to counseling, community based services, or other services to address the student's attendance problems.~~

1. A conference with the student and the student's parent(s) or guardian(s);
2. An attendance contract, based on the conference, signed by the student, the parent(s) or guardian(s) and the attendance supervisor or designee. The contract shall include:

 - b. The period for which the contract is effective; and
 - c. Penalties for additional absences and alleged school offenses, including additional disciplinary action and potential referral to juvenile court.
3. Regularly scheduled follow-up meetings to discuss the student's progress; and
4. A school employee shall conduct an individualized assessment detailing the reasons a student has been absent from school. The employee may refer the student to counseling, community-based services, or other services to address the student's attendance problems.

Tier III

Tier III shall be implemented if the truancy interventions under Tier II are unsuccessful.

These interventions shall be determined by a team formed at each school. Tier III shall consist of the following interventions:

1. Referral to truancy board
2. Review of the Attendance Assessment/Intervention Plan
3. Referral to community-based service

The interventions shall address student needs in an age-appropriate manner. Finalized plans shall be approved by the director of schools or designee.

Transfer Students and Truancy Tracking

The district shall request attendance records for students enrolling after the start of the school year from the previous public school district. Unexcused absences accumulated at a previous district for the current school year shall be factored into the student's placement on the truancy intervention plan tiers, if applicable.⁹

RELEASED TIME COURSE¹⁰

A principal/designee may excuse a student to attend a course in religious moral instruction for up to one (1) class period per school day. Students shall not be excused during any class which requires an examination for state or federal accountability purposes.

Students shall only be permitted to attend courses provided by entities that certify in writing that they have complied with the background check requirements outlined in state law.¹¹ The student shall submit a written consent form signed by the student's parent(s) or guardian(s) prior to participation in the released time course. The principal/designee shall document the approval in writing. The student shall provide documentation to the principal or designee as proof of the student's participation in the released time course.

The district shall not be responsible for transporting students to and from the place of instruction.

MAKE-UP WORK

Following an absence, it is the responsibility of the student or parent(s) or guardian(s) to contact the teacher so that the student may complete work missed. Upon return to school, the student has the same amount of time to make-up assignments as the length of the absence(s) incurred. Grades missed due to unexcused absences will be graded at 80 percent.

STATE-MANDATED ASSESSMENT

Students who are absent the day of the scheduled end-of-course (EOC) exams shall present a signed doctor's excuse or shall have been given an excused release by the principal prior to testing to receive an excused absence. Students who have excused absences will be allowed to take a make-up exam. Excused students will receive an incomplete in the course until they have taken the EOC exam.

Students who have an unexcused absence may shall receive a failing grade on the EOC exam which shall be averaged into their final grade.

1. The student and the parent(s) or guardian(s) shall be advised if the student is in danger of credit/promotion denial due to excessive absenteeism; and
2. Procedures in due process are available to the student when credit or promotion is denied.

1 DRIVER'S LICENSE REVOCATION²

2 A student who has more than ten (10) consecutive or fifteen (15) unexcused absences during any
3 semester shall be ineligible to retain a driver's permit or license.

4 ATTENDANCE HEARING¹³

5 Students with excessive (more than five (5)) unexcused absences or those in danger of
6 credit/promotion denial shall have the opportunity to appeal to an attendance hearing committee
7 appointed by the principal. If the student chooses to appeal, the student or the parent(s) or guardian(s)
8 shall be provided written or actual notice of the appeal hearing and shall be given the opportunity to
9 address the committee. The committee will conduct a hearing to determine if any extenuating
10 circumstances exist to excuse the absence(s) or to determine if the student has met attendance
11 requirements that will allow them to pass the course or be promoted. Upon notification of the
12 attendance committee decision, the principal shall send written notification to the director of schools or
13 designee and the parent(s) or guardian(s) of the student of any action taken regarding the excessive
14 unexcused absences. The notification shall advise parent(s) or guardian(s) of their right to appeal such
15 action within two (2) school days to the director of schools or designee.

16 The appeal shall be heard no later than ten (10) school days after the request for appeal is received.

17 Within five (5) school days of the director of schools or designee rendering a decision, the student's
18 parent(s) or guardian(s) may request a hearing by the board, and the board shall review the record.
19 Following the review, the board may affirm or overturn the decision of the director of schools or
20 designee. The action of the board shall be final.

The director shall appoint a panel to make a decision on the appeal. The panel shall be composed of three individuals: a building level administrator, a special education staff member, and one other school employee. The Bristol Tennessee City Schools Board of Education has determined that a safe, civil, and supportive environment in school is necessary for students to learn and achieve high academic standards. In order to maintain that environment, acts of bullying, cyber-bullying, discrimination, (including the definition of antisemitism found in policy 4.100), harassment, **intimidation** hazing, or any other victimization of students, based on any actual or perceived traits or characteristics, are prohibited.¹

This policy shall be disseminated annually to all school staff, students, and parents **or guardians**.² This policy shall cover employees, employees' behaviors, students, and students' behaviors while on school property, at any school-sponsored activity, on school-provided equipment or transportation, or at any official school bus stop. If the act takes place off school property or outside of a school-sponsored activity, this policy is in effect if the conduct is directed specifically at a student or students and has the effect of creating a hostile educational environment or otherwise creating a substantial disruption to the education environment or learning process.²

Building administrators are responsible for educating and training their respective staff and students as to the definition and recognition of discrimination or harassment.³

The director of schools or designee shall develop forms and procedures to ensure compliance with the requirements of this policy and state law.

DEFINITIONS⁴

2. Knowingly placing a student or students in reasonable fear of physical harm to the student or damage to the student's property;
3. Causing emotional distress to a student or students; or
4. Creating a hostile educational environment.

Bullying, intimidation, or harassment may also be unwelcome conduct based on a protected class (race, nationality, origin, color, sex, **(Sex shall be defined as the "immutable characteristics of the person's reproductive system that identify the person as male or female, as determined by anatomy and genetics existing at the time of birth.")**⁵ age, disability, religion) that is severe, pervasive, or persistent and creates a hostile environment.

Cyber-bullying - A form of bullying undertaken through the use of electronic devices. Electronic devices include, but are not limited to, telephones, cellular phones or other wireless telecommunication devices, text messaging, emails, social networking sites, instant messaging, videos, websites, or fake profiles. §

Coaches and other employees of the school district shall not encourage, permit, condone, or tolerate hazing activities.

“Hazing” does not include customary athletic events or similar contest or competitions and is limited to those actions taken and situations created in connection with initiation into or affiliation with any organization. § 6

COMPLAINTS AND INVESTIGATIONS

Any individual who has knowledge of behaviors that may constitute a violation of this policy shall promptly report such information to the principal or designee. 6-7

While reports may be made anonymously, an individual's need for confidentiality must be balanced with obligations to cooperate with police investigations or legal proceedings, to provide due process to the accused, to conduct a thorough investigation, or to take necessary actions to resolve a complaint. The identity of parties and witnesses may be disclosed in appropriate circumstances to individuals with a need to know.

The principal or designee at each school shall be responsible for investigating and resolving complaints. Once a complaint is received, the principal/designee shall initiate an investigation within forty-eight (48) hours of receipt of the report. 4 If an investigation is not initiated within forty-eight (48) hours, the principal or designee shall provide the director of schools with appropriate documentation detailing the reasons why the investigation was not initiated within the required timeframe. 7 8

The principal or designee shall notify the parent(s) or legal guardian(s) when a student is involved in an act of discrimination, harassment, intimidation, bullying, or cyber-bullying. The principal or designee shall provide information on district counseling and support services. Students involved in an act of discrimination, harassment, intimidation, bullying, or cyber-bullying shall be referred to the appropriate school counselor by the principal or designee when deemed necessary. 8 9

The principal or designee is responsible for determining whether an alleged act constitutes a violation of this policy, and such act shall be held to violate this policy when it meets one of the following conditions:

- It places the student in reasonable fear or harm for the student's person or property;
- It has a substantially detrimental effect on the student's physical or mental health;
- It has the effect of substantially interfering with the student's academic performance; or
- It has the effect of substantially interfering with the student's ability to participate in or benefit from the services, activities, or privileges provided by a school.

Upon the determination of a violation, the principal or designee shall conduct a prompt, thorough, and complete investigation of each alleged incident. All investigations shall be completed and appropriate intervention taken within twenty (20) calendar days from the receipt of the initial report.^{4 7} If the investigation is not complete or intervention has not taken place within twenty (20) calendar days, the principal or designee shall provide the director of schools with appropriate documentation detailing the reasons why the investigation has not been completed or the appropriate intervention has not taken place.⁷ Within the parameters of the federal Family Educational Rights and Privacy Act,^{9 10} a written report on the investigation will be delivered to all involved parties and the director of schools.

RESPONSE AND PREVENTION^{10 11}

The principal or designee shall consider the nature and circumstances of the incident, the age of the individual, the degree of harm, previous incidences or patterns of behavior, or any other factors, as appropriate to properly respond to each situation.

A substantiated charge against an employee shall result in disciplinary action up to and including termination. An employee disciplined for violation of this policy may appeal the decision by contacting the Federal Rights Coordinator or the Human Resources Department.

A substantiated charge against a student may result in corrective or disciplinary action up to and including suspension. The student may appeal this decision in accordance with disciplinary policies and procedures.

REPORTS

When a complaint is filed alleging a violation of this policy where there is physical harm or the threat of physical harm to a student or a student's property, the principal or designee of students in grades sixth (6) through twelve (12) shall report the findings and any disciplinary actions taken to the director of schools and the chair of the Board of Education.^{11 12}

By July 1 of each year, the director of schools or designee shall prepare a report of all of the bullying cases brought to the attention of school officials during the prior academic year. The report shall also indicate how the cases were resolved and/or the reasons they are still pending. This report shall be presented to the Board of Education at its regular July meeting, and it shall be submitted to the State Department of Education by August 1.^{12 13}

RETALIATION AND FALSE ACCUSATIONS

Retaliation against any person who reports or assists in any investigation of an act alleged in this policy is prohibited. The consequences and appropriate remedial action for a person who engages in retaliation shall be determined by the principal or designee after consideration of the nature, severity, and circumstances of the act.^{13 14}

False accusations accusing another person of having committed an act prohibited under this policy are prohibited. The consequences and appropriate remedial action for a person found to have falsely accused another may range from positive behavioral interventions up to and including suspension and expulsion.^{14 15}

In order to maintain a safe, civil, and supportive learning environment, all forms of sexual harassment and discrimination on the basis of sex are prohibited.¹ Sex shall be defined as the “immutable characteristics of the person’s reproductive system that identify the person as male or female, as determined by anatomy and genetics existing at the time of birth”.² This policy shall cover employees, employees' behaviors, students, and students' behaviors while on school property, at any school-sponsored activity, on school-provided equipment or transportation, or at any official school bus stop in accordance with federal law. This policy shall be disseminated annually to all school staff, students, and parent(s)/guardian(s) parent(s) or guardian(s).³ The Title IX Coordinator as well as any personnel chosen to facilitate the grievance process shall not have a conflict of interest against any party of the complaint.⁴ These individuals shall receive training as to how to promptly and equitably resolve student and employee complaints.³

All employees shall receive training on complying with this policy and federal law.⁵

TITLE IX COORDINATOR⁵

The Title IX Coordinator shall respond promptly to all general reports as well as formal complaints of sexual harassment. They shall be kept informed by school-level personnel of all investigations and shall provide input on an ongoing basis as appropriate.

Any individual may contact the Title IX Coordinator at any time using the information below:

Title: Supervisor of Secondary Curriculum and Instruction

Mailing address: 615 Martin Luther King Jr Blvd, Bristol TN 37620

DEFINITIONS⁴

“Complainant” is an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

“Respondent” is an individual who is reported to be the perpetrator of conduct that could constitute sexual harassment.

“Sexual Sex-based harassment” is conduct on the basis of sex that satisfies one or more of the following:⁴

1. A school district employee conditioning an aid, benefit, or service of an education program or activity on an individual’s participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the education program or activity; or
3. Sexual assault,⁷ dating violence,⁸ domestic violence,⁹ or stalking¹⁰ as defined in state and federal law.

Behaviors that constitute sexual harassment may include, but are not limited to:

1. Sexually suggestive remarks;
2. Verbal harassment or abuse;
3. Sexually suggestive pictures;
4. Sexually suggestive gesturing;
5. Harassing or sexually suggestive or offensive messages that are written or electronic;
6. Subtle or direct propositions for sexual favors; and
7. Touching of a sexual nature.

Sexual harassment may be directed against a particular person or persons, or a group, whether of the opposite sex or the same sex.

“Supportive measures” are non-disciplinary, non-punitive, individualized services and shall be offered to the complainant and the respondent, as appropriate. These measures may include, but are not limited to, the following:

1. Counseling;
2. Course modifications;
3. Schedule changes; and
4. Increased monitoring or supervision.

The measures offered to the complainant and the respondent shall remain confidential to the extent that maintaining such confidentiality would not impair the ability of the school district to provide the supportive measures.

GRIEVANCE PROCESS

Upon learning of an instance of alleged sexual harassment, even if no formal complaint is filed, the Title IX coordinator shall:

1. Promptly contact the complainant to discuss the availability of supportive measures;
2. Consider the complainant's wishes with respect to supportive measures;
3. Inform the complainant of the availability of supportive measures; and
4. Explain the process for filing a formal complaint.¹¹

While the school district will respect the confidentiality of the complainant and the respondent as much as possible, some information may need to be disclosed to appropriate individuals. All disclosures shall be consistent with the school district's legal obligations and the necessity to investigate allegations of harassment and take disciplinary action.

Disciplinary consequences or sanctions shall not be initiated against the respondent until the grievance process has been completed. Unless there is an immediate threat to the physical health or safety of any student arising from the allegation of sexual harassment that justifies removal, the respondent's placement shall not be changed.¹² If the respondent is an employee, they may be placed on administrative leave during the pendency of the grievance process.¹³ The Title IX coordinator shall keep the director of schools informed of any employee respondents so that they can make any necessary reports to the State Board of Education in compliance with state law.¹⁴

Complaints

Any individual who has knowledge of behaviors that may constitute a violation of this policy shall immediately report such information to the Title IX coordinator; however, nothing in this policy requires a complainant to either report or file a formal complaint within a certain timeframe. If the complaint involves the Title IX coordinator, the complaint shall be filed with the director of schools.

If a complaint involves allegations of child abuse, including child abuse on school grounds, appropriate notification shall be made per the board policy on reporting child abuse.

Upon receipt of a formal complaint, the Title IX coordinator shall promptly:¹⁵

1. Provide written notice of the allegations, and the grievance process to all known parties to give the respondent time to prepare a response before an initial interview;
2. Inform the parties of the prohibition against making false statement or knowingly submitting false information;
3. Inform the parties that they may have an advisor present during any subsequent meetings; and

4. Offer supportive measures in an equitable manner to both parties.

If the Title IX coordinator dismisses a complaint, written notice, including the reasons for dismissal, shall be provided to both parties simultaneously.¹⁶

Investigations¹⁷

The supervisor of secondary curriculum and instruction, if the complaint involves a secondary student or employee, or the supervisor of secondary curriculum and instruction, if the complaint involves an elementary student or employee, shall serve as the investigator and be responsible for investigating complaints in an equitable manner that involves an objective evaluation of all relevant evidence. The burden for obtaining evidence sufficient to reach a determination regarding responsibility rests on the school district and not the complainant or respondent.

Once a complaint is received, the investigator shall initiate an investigation within forty-eight (48) hours of receipt of the complaint. If an investigation is not initiated within forty-eight (48) hours, the investigator shall provide the Title IX coordinator with appropriate documentation detailing the reasons why the investigation was not initiated within the required timeframe.

All investigations shall be completed within twenty (20) calendar days from the receipt of the initial complaint. If the investigation is not complete within twenty (20) calendar days, the investigator shall provide the Title IX coordinator with appropriate documentation detailing the reasons why the investigation has not been completed.

All investigations shall:

1. Provide an equal opportunity for the parties to present witnesses and evidence;
2. Not restrict the ability of either party to discuss the allegations under investigation or gather and present relevant evidence;
3. Refrain from requiring, allowing, relying upon, or otherwise using questions or evidence that seek disclosure of information protected under a legally recognized privilege unless such privilege has been waived;¹⁸
4. Provide the parties with the same opportunities to have others present during any grievance proceeding;
5. Provide to parties whose participation is requested written notice of the date, time, location, participants, and purpose of all investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
6. Provide both parties an equal opportunity to inspect and review any evidence directly related to the allegations in the formal complaint; and
7. Result in the creation of an investigative report that fairly summarizes relevant evidence.

- a. Prior to the completion of the investigative report, the investigator shall send to each party the evidence subject to inspection and review. All parties shall have at least ten (10) days to submit a written response which shall be taken into consideration in creating the final report.

Within the parameters of the federal Family Educational Rights and Privacy Act,¹⁹ the Title IX coordinator shall keep the complainant and the respondent informed of the status of the investigation process. At the close of the investigation, a written final report on the investigation will be delivered to the parent(s)/guardian(s) parent(s) or guardian(s) of the complainant, parent(s)/guardian(s) parent(s) or guardian(s) of the respondent, and to the director of schools.

Determination of Responsibility²⁰

The respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.²¹ The preponderance of the evidence standard shall be used in making this determination.²²

The supervisor of special populations and student services shall act as the decision-maker. They shall receive the final report of the investigation and allow each party the opportunity to submit written questions that they want asked of any party or witness prior to the determining responsibility.

The decision-maker shall make a determination regarding responsibility and provide the written determination to the parties simultaneously along with information about how to file an appeal.

A substantiated charge against a student may result in corrective or disciplinary action up to and including expulsion. A substantiated charge against an employee shall result in disciplinary action up to and including termination.

After a determination of responsibility is made, the Title IX coordinator shall work with the complainant to determine if further supportive measures are necessary. The Title IX coordinator shall also determine whether any other actions are necessary to prevent reoccurrence of the harassment.

APPEALS²³

Either party may appeal from a determination of responsibility based on a procedural irregularity that affected the outcome, new evidence that was not reasonably available at the time of the determination that could affect the outcome, or an alleged conflict of interest on the part of the Title IX coordinator or any personnel chosen to facilitate the grievance process. Appeals shall be submitted to the Title IX coordinator within ten (10) days of a determination of responsibility.

Upon receipt of an appeal, the Title IX coordinator shall:

1. Assign an impartial hearing officer or the director of schools within five (5) days of receipt of the appeal; and
2. Notify the parties in writing.

During the appeal process, the parties shall have a reasonable, equal opportunity to submit written statements. Within ten (10) calendar days, the hearing officer shall issue a written decision describing the result of the appeal and the rationale for the result. The written decision shall be provided simultaneously to both parties.

RETALIATION²⁴

Retaliation against any person who makes a report or complaint or assists, participates, or refuses to participate in any investigation of an act alleged in this policy is prohibited.

If a school official or a law enforcement officer has reasonable suspicion to believe that a particular student is in possession of an illegal or unauthorized metal-containing object or weapon, they may conduct a metal detector check of the student's person and personal effects.

1 USE OF ANIMALS

If the original birth certificate is not available or does not indicate the student’s sex at the time of birth, the ~~parent/guardian~~ parent or guardian shall provide medical documentation showing evidence of the student’s sex at birth.

Students enrolled at secondary schools are eligible to try-out for participation in athletic programs.

~~Home school students residing in the city of Bristol, Tennessee, who are enrolled under the State Department of Education guidelines may participate in interscholastic athletic competitions. Students who meet Tennessee Secondary School Athletic Association (TSSAA) or Tennessee Middle School Athletic Association (TMSAA) eligibility qualifications are eligible to try-out for athletic programs. The principal or their designee must accompany an athletic team on trips.

Bylaws of the Tennessee Secondary School Athletic Association shall regulate the operation and control of athletics.^{3,4} The director of schools shall develop a code of conduct for all coaches to follow in order to ensure the health and safety of athletes.⁴

1 **INSURANCE & PHYSICAL EXAMINATIONS**

20 them to practice or play any interscholastic sport during the school day without written permission
21 from the director of schools.⁷ This does not prevent regular physical training lessons in the daily school
22 program.

23 **S**tudents shall not be required to attend a school athletic event, or event related to participation on a
24 school athletic team, if the event is on an official school holiday, observed day of worship, or religious
