FY26 February CFO Report

Financial Performance Analysis through January 2026

Cash Position Overview

Current Status

Ending cash balance as of January 2026 stands at **$15.2M**, representing approximately **95 days cash on hand**. This reflects a declining trend from the August peak of $31.5M as operational expenditures continue to exceed monthly receipts.

Projected ending balance for fiscal year-end June 2026: **$19.4M**

January Revenue Performance

Revenue Highlights

January 2026 revenue totaled **$1.66M**, an increase of **$165K (11%)** compared to January 2025's $1.49M. This positive variance is primarily driven by stronger real estate tax collections.

Real Estate Tax

Up year-over-year, though still below historical trends

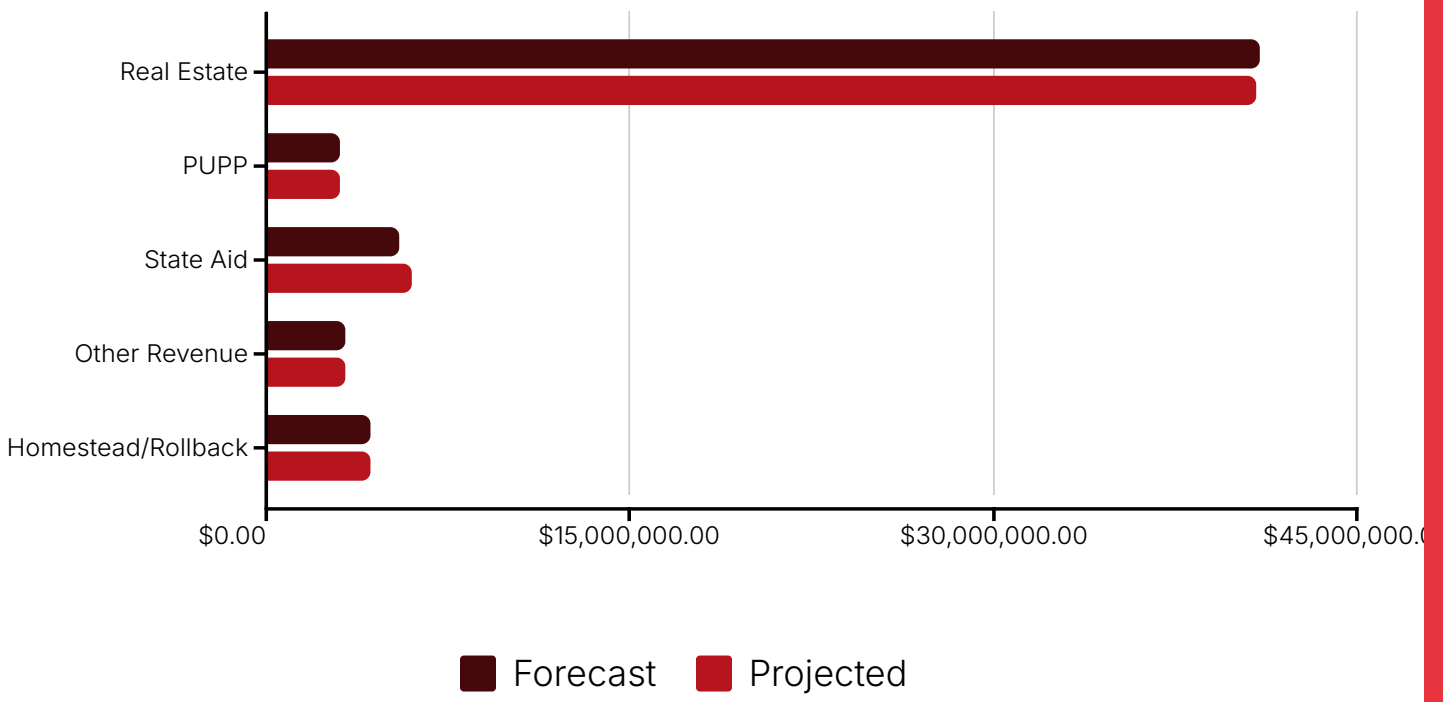

State Funding

Increased for the month with stable year-end outlook

Interest Income

Declining due to reduced cash balances and lower fed rates

Fiscal Year Revenue Analysis

Favorable Variance

$982K

Projected total revenue of **$58.0M** exceeds the October forecast of $57.1M by nearly $1M, representing a **1.7% positive variance**. Most of this is due to the refund from the county (600K)

Revenue completion rate through January: **51.5%**

January Expenditure Performance

Spending Efficiency

January 2026 expenditures totaled **$5.79M**, a decrease of **$384K (6%)** compared to January 2025's $6.18M. This significant reduction reflects a strategic shift of severance payments from the general fund to the severance fund.

Full-year projected expenses: **$57.9M**, tracking **$69K over forecast** (0.1% variance)

Personal Services

Down $350K year over year due to severance payments from fund 035 and final 3-pay month before the switch to 24 pays later this year.

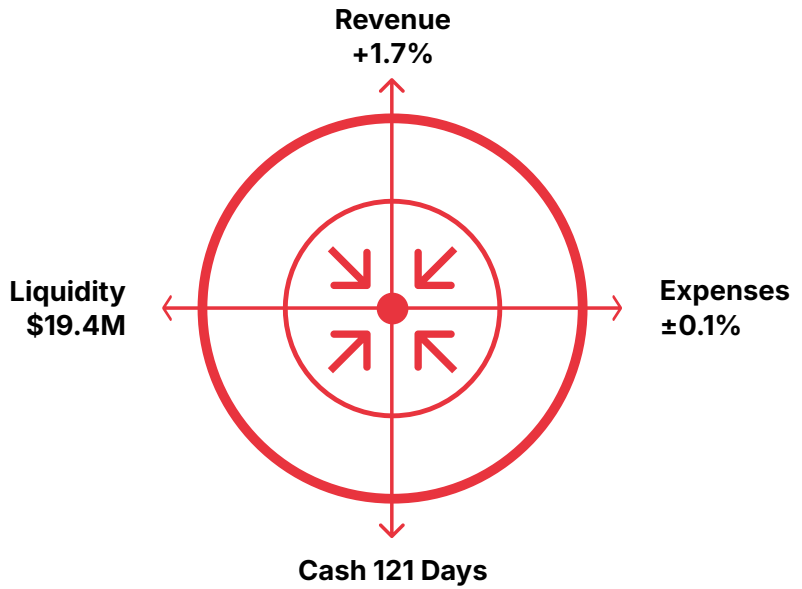

Purchased Services

Reduced by $61K year over year. Mostly due just to timing of invoices for services.

Employee Benefits

Slightly higher due to the 3 pay month. This would account for the extra SERS/STRS benefits along with medicare for the 3rd pay in January.

Key Takeaways & Outlook

The organization demonstrates strong fiscal discipline with revenue outperforming forecast while maintaining tight expenditure control. The projected year-end cash balance of $19.4M provides adequate liquidity for operations.

Revenue Strength

Exceeding forecast by nearly $1M through one time payment from the county.

Cost Control

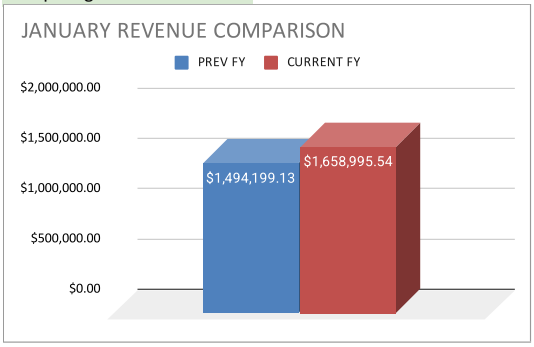

Expenditures tracking within 0.1% of annual budget

Liquidity Position

Projected 121 days cash on hand at fiscal year-end.

Forecasted Revenues	Projected Revenues	OVER/(UNDER) Forecast
$ 57,059,842.00	$ 58,041,623.28	$ 981,781.28
FAVORABLE		

WHY?
1. Real Estate revenues up year over year, but based on historical numbers, it's still down.
2. State funding was up overall for the month, but no changes expected at year end. Interest earnings are down due to decreases in cash balances and decreases in the fed funds rate.

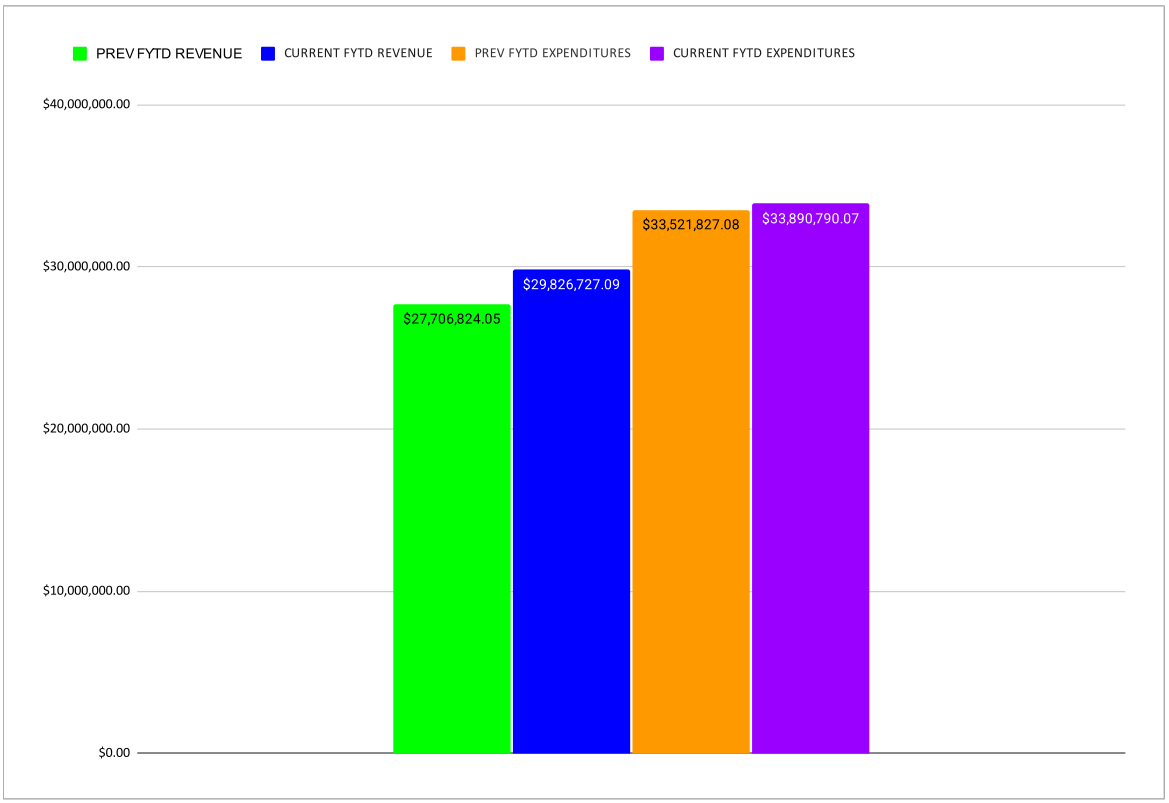

Comparing Expenditures from JAN FY2025 to JAN FY2026

Forecasted Expenses	Projected Expenses	OVER/(UNDER) Forecast
$ 57,816,178.00	$ 57,884,974.81	$ 68,796.81
UNFAVORABLE		

WHY?
1. Salaries were almost $350k less than last year due to the fact that severance payments came from the 035 fund this year (as planned). January was also a 3 pay month - the last 3 pay month ever!
2. Likewise, benefits were slightly higher. Purchased services were about $61k less and supplies were just slightly more year over year.

Meeting Overview

- **Date:** Wednesday, January 21, 2026
- **Time:** 6:00 PM
- **Location:** 6638 Mill Road, Brecksville, Ohio
- **Attendees:**
  - **Board President:** Mark Dosen
  - **Board Members:** Eva O'Mara, Lisa Galek, Tish Kwiatkowski, and Brad Chase.

President's Announcements

Board President Mark Dosen opened the meeting by welcoming everyone to the regular session. He noted that there were no specific announcements other than expressing hope that everyone enjoyed the recent free days off. He then moved the meeting forward to the consent agenda, confirming that no board members wished to remove any items from it.

Board Areas of Responsibility

The board members provided detailed updates on their respective committees:

- **Co-Curricular/Extracurricular:** No reports were given during this meeting as one member was catching up from surgery.
- **Curriculum:** Tish Kwiatkowski provided a comprehensive report covering assessments, curriculum, and data. She highlighted that high school end-of-course exams are complete, with American Government scores achieving a 97% passing rate, significantly higher than the state average of 66%. Upcoming assessments include the OELPA for English language learners and alternate assessments for students with disabilities. regarding curriculum, the district is adopting a new Spanish curriculum called "Reporteros" and continuing professional development for "The Writing Revolution." Additionally, a committee is revising the K-2 report card for next year to align with the science of reading and state mandates. Finally, the district is working on embedding industry-recognized credentials at the middle school level and developing dashboards for Multi-Tiered Systems of Support (MTSS).
- **Cuyahoga Valley Career Center (CVCC):** Rachel provided an update, announcing that CVCC was recently rated the number one career center in Ohio out of 91 schools. She invited the board to the "All Boards Dinner" on April 30th, which will coincide with the grand opening of the new Construction Trades building. A key statistic shared was that 96.8% of CVCC graduates are employed, enrolled, or enlisted upon graduation. Superintendent Harrison added that 21% of eligible BBH juniors and seniors now attend the career center.
- **Finance:** The annual state audit is currently under review, with results to be shared once finalized.
- **Legislative/OSBA:** Brad Chase reported that he will be meeting with OSBA representatives in the coming days and hopes to have specific legislative updates for the board in the near future.
- **Permanent Improvements/Facilities:** Brad Chase highlighted the "Phase Two Hilton Driveway" project, noting it was on the agenda for a vote later in the meeting. This project involves installing a new driveway to improve traffic flow on the campus.
- **PSO:** Lisa Galek reported there was no PSO meeting this month, but the next council meeting is scheduled for February 5th.
- **Schools Foundation:** Tish Kwiatkowski announced the annual fundraiser, "Toast to Our Future," scheduled for February 26th at Michelangelo's. The online auction is currently live.
- **Sustainability:** Eva O'Mara reported that the committee is preparing a grant proposal for the Cuyahoga County Solid Waste District. If awarded, the funds would support standardized recycling stations. She emphasized that the project focuses on student leadership and building a culture of sustainability to ensure the initiative is successful long-term.

- **Transportation:** It was noted that no appeals have been filed.

Superintendent Communications and Presentations

Superintendent Jeff Harrison introduced two presentations to showcase student and staff achievements:

- **Blood Cancer United (Team Horizon):**
  Three high school juniors—Alexa, Billy, and Maddie—presented their "Team Horizon" initiative. They explained their mission to support research, patient support, and advocacy for those affected by blood cancer. The team has set a fundraising goal of $75,000. They highlighted upcoming community events, including a pickleball tournament and a "Cheers to a Cure" event. Board member Eva O'Mara thanked the students deeply, sharing her own personal battle with chronic lymphocytic leukemia and emphasizing how vital their research fundraising is for patients.
- **Middle School Science Inquiry-Based Learning:**
  Mr. Rings introduced science teachers Ms. Kelly Kroesen, Ms. Kiery Franklin, and Mrs. Courtney Samuelson to demonstrate inquiry-based learning. The teachers engaged the board in a "mystery bead bottle" activity, forcing the board members to act as students—observing phenomena and asking questions before being given answers or vocabulary. The presentation illustrated the shift from traditional lecture-based teaching to curiosity-driven discovery. It was noted that this method has contributed to eighth-grade science scores reaching 94-95% proficiency, the highest in the state. The board praised the activity for fostering independent thinking and problem-solving skills.

Treasurer's Communications

Treasurer Craig Yaniglos presented the January CFO report. He noted that revenue is currently favorable against the forecast, largely due to a refund from the budget commission. However, he alerted the board that the state unexpectedly reduced funding by approximately $30,000 regarding the "Science of Reading" stipend, which was previously promised to be fully funded. On the expenditure side, salaries and benefits remain the largest cost center at 86%. He also explained that the district is at a low cash point for January due to the timing of tax advances from Cuyahoga County, but overall balances remain healthy. Finally, a clarification was made regarding the monthly cash position report: the "300 funds" listed represent athletic team funds, providing transparency for parents and community members regarding team budgets.

Other Business

The board addressed a resolution adopting a pickup plan for STRS Ohio purposes for the position of Superintendent, effective August 1, 2026. The motion was moved and approved unanimously.

Consent Agenda

The board unanimously approved the consent agenda items (8A through 8F) with a 5-0 vote. This included personnel recommendations for certified, classified, and supplemental staff. It was noted that the certified list was unusually short. The board also approved the check register, bank reconciliation, and donations, which were described as "healthy" and beneficial for extracurricular programs. Minutes from the December 10, 2025, and January 7, 2026, meetings were also approved.

Superintendent's Recommendations

Superintendent Harrison presented several recommendations which were all approved:

- **New Board Policy (First Reading):** A new policy regarding head lice was presented. This policy aligns with CDC and National School Nurses Association recommendations to keep students in school unless medically necessary, moving away from "no nit" policies.
- **College Credit Plus (CCP) MOUs:** Memorandums of Understanding were approved for the 2026-2027 school year with Kent State University and Lorain County Community College. It was noted that about 205 high school students currently participate in these courses.
- **Trip Proposals:** Three trips were approved: a High School Robotics trip to West Virginia, a High School Orchestra trip to New York City for March 2027 (including a performance at the Cathedral of St. John the Divine), and a Costa Rica trip for Spring 2027.
- **Service Agreements:** The board approved a Wraparound Expert Service Agreement to provide a substitute speech therapist and an Inter-Agency Agreement for preschool services.
- **Transportation:** A resolution declaring transportation impractical for one student was approved.

Treasurer's Recommendations

Two key recommendations were presented by the Treasurer:

- **Campus Master Plan Phase Two Bid:**
  The board approved a bid from **Platform Cement Inc.** for the "New Hilton Drive Project" in the amount of **$2,065,300**. During the discussion, Mr. Brian Koss explained that this project involves creating a new road from the old Hilton light on Mill Road to a roundabout behind the board office. The goal is to alleviate significant traffic congestion. The bid came in roughly $242,000 under the estimate. Construction is slated to begin in March and finish by the start of the school year. It was noted that the construction will disrupt the cross-country course.
- **First Energy Electric Audit:**
  The board approved an agreement for an electric audit. Ms. Blanchette explained that this is a "no risk" audit similar to a previous communications audit. A third party will review the district's electric bills to find savings or errors. Any recovered funds will be split between the district and the auditing firm; if no savings are found, there is no cost to the district.

Closing Items

Board President Mark Dosen announced that the next regular meeting of the Board of Education is scheduled for February 25, 2026, at 6:00 PM. The meeting was then adjourned with a unanimous vote.

- Students memorize facts but lack a deeper conceptual understanding.

Inquiry-Centered Learning

- Starts with curiosity.
- Labs done frequently and introduce new ideas that student experience for themselves.
- Students collaborate to generate models that identify patterns and explain observed phenomena.
- Student discussion/debate leads to an understanding of how things work.

FY2026 January CFO Report

A comprehensive review of our district's financial position through December 2025, analyzing revenue performance, expenditure trends, and cash flow projections for fiscal year 2026. This report provides critical insights for budget officers and community stakeholders.

REVENUE ANALYSIS

Revenue Performance: Favorable Variance Against Forecast

Our projected revenues of **$57.9M exceed the October forecast of $57.1M by $842,404**, representing a favorable 1.5% variance. This positive outlook is driven by strong real estate tax collections at 48.48% of forecast and unrestricted grants-in-aid performing at 55.84% of projections.

However, December's year-over-year revenue comparison reveals challenges. Current fiscal year December revenue of $638,795 fell short of the previous year's $650,243, primarily due to two factors:

- State reduction of $10,000 this month from Science of Reading stipend overspend, with an additional $20,000 reduction pending
- Declining interest income as rates continue to decrease throughout the fiscal year

EXPENDITURE ANALYSIS

Expenditure Trends: Modest Unfavorable Variance

Salaries and benefits increased approximately $150K in December compared to prior year, representing the largest variance driver. Combined personnel services and benefits total $50.0M, or 86% of total expenditures.

Projected expenditures of $58.0M exceed the October forecast of $57.8M by $179,692, an unfavorable variance of 0.3%. This modest overrun is manageable within our cash position.

Purchased services and supplies showed slight increases year-over-year. December expenditures of $4.43M exceeded prior year's $4.22M, driven primarily by personnel cost escalation.

CASH POSITION

Cash Flow Analysis: Monthly Fluctuations and Year-End Projection

Our cash position demonstrates significant monthly variability, driven by the timing of property tax collections and grant receipts. **Beginning cash balance of $19.2M in July grows to a peak of $31.5M in August** following major real estate tax collections, then gradually declines through the winter months.

1 July - August Peak

Strong tax collections push cash to $31.5M, our highest point of the fiscal year

2 Fall Decline

Cash decreases to $19.3M by December as expenditures exceed monthly revenues

3 Winter Low Point

January reaches lowest balance at $14.7M before spring tax collections arrive

4 Spring Recovery

March brings second major tax collection, boosting cash to $29.1M

5 Year-End Position

Projected June 30 balance of $19.1M represents 121 days of cash on hand

Projected vs. Forecast Comparison

- **Projected decrease to cash:** ($93,624) unfavorable
- **Revenue variance:** +$842,404 favorable
- **Expenditure variance:** ($179,692) unfavorable
- **Net impact:** Revenue gains offset by spending increases

Ending Cash Position

Our projected ending cash balance of **$19.1M on June 30, 2026** maintains adequate liquidity at 121 days cash on hand. This exceeds the minimum 90-day threshold recommended for school districts.

Year-to-Date Performance Summary

Revenue Momentum

Current fiscal year-to-date revenue of **$28.2M significantly exceeds prior year's $26.2M**, an increase of $1.95M or 7.4%. This strong performance is attributable to increased state funding and improved local tax collections.

Expenditure Control

Year-to-date expenditures of **$28.1M compare to prior year's $27.3M**, an increase of $752K or 2.7%. While expenditures are rising, the rate of increase is well below revenue growth, contributing to improved fiscal health.

Meeting Summary:
Brecksville-Broadview Heights City School District Meeting Summary

Date: Wednesday, December 10, 2025
Time: 6:00 PM (Meeting started at 6:04 PM)
Location: Brecksville-Broadview Heights Education Center, 6638 Mill Road, Brecksville, Ohio

Call to Order & Opening

The meeting was called to order by Board President Mark Dosen at 6:04 PM. He noted that the meeting is a meeting of the Board of Education in public for the purpose of conducting the school district's business and public participation is governed by board bylaws. The meeting was live-streamed and recorded for YouTube. All board members were present: Mrs. Galek, Mrs. Kramer, Mrs. Kwiatkowski, Ms. O'Mara, and Mr. Dosen. The Pledge of Allegiance was recited.

President's Announcements

Board President Mark Dosen announced that this was the final school board meeting for Mrs. Ellen Kramer, who is completing her eighth year of dedicated service. Mr. Dosen highlighted that Mrs. Kramer served during arguably the most challenging time for a school board member—a global pandemic—and praised her passion, energy, and refusal to back down from pursuing positive change for students and the community. The Board expressed deep appreciation for her service.

Fellow board members Tish Kwiatkowski, Eva O'Mara, and Lisa Galek also shared sentiments, thanking Mrs. Kramer for her mentorship, advocacy at the state level, and dedication to public schools. Mrs. Kramer expressed her gratitude to the community for the honor of serving, noting the inspiring people she met and urging the current board to continue advocating for students amidst challenging times for public education at the state level.

Board Areas of Responsibility

- **Legislative / OSBA Liaison:** Treasurer Craig Yaniglos provided a legislative update on behalf of Mrs. Kramer. He discussed four bills currently sitting on Governor DeWine's desk:
  - **House Bill 186:** An inflation cap and credit overhaul regarding property taxes.
  - **House Bill 335:** Caps inside millage, which could limit revenue growth from reappraisals.
  - **House Bill 129:** School levy reform regarding the calculation of the 20-mill floor.
  - House Bill 309: Expands Budget Commission authority to potentially reduce millage.
    Mr. Yaniglos noted that professional organizations and the district have encouraged a veto, as these bills collectively pose challenges for public education funding.
- **Cuyahoga Valley Career Center (CVCC):** Ms. O'Mara reported no new updates.
- **Curriculum:** Mrs. Kwiatkowski highlighted the success of the recent personalized professional learning days before Thanksgiving, where 250 staff members completed over 3,600 hours of development. She also mentioned the upcoming vote on the Amplify 6-8 English Language Arts (ELA) curriculum.
  - **Dr. Martin's Update:** Dr. Martin provided details on the recommendation to adopt the Amplify curriculum for grades 6-8. He explained that while there is no state mandate for middle school adoption yet, the district wants to be proactive to ensure coherence with the K-5 curriculum. Amplify was chosen over HMH because it better aligns with the science of reading, cognitive science strategies (like spaced practice), and the "Writing Revolution" initiative the district is implementing. The implementation plan involves training teachers in the winter and spring for a full launch in Fall 2026.
- **Finance:** Mrs. Kwiatkowski reported that the audit is in progress. The GAAP audit report was received and filed with the state. Fieldwork for the financial audit began recently. Additionally, the district was informed by the Auditor of State that it can no longer pay transaction fees for credit card payments made on-site; a fix is expected in January.
- **Transportation:** Mrs. Kwiatkowski noted there were no transportation appeals or issues to report.
- **Board Policy:** Mrs. Galek noted that policies were on the agenda for a final reading later in the meeting.
- **BBH Schools Foundation:** Mrs. Kwiatkowski reminded the board of the annual fundraiser, "A Toast to Our Future," scheduled for February 26, 2026, at Michelangelo's. She encouraged donations for auction packages.
- **Safety:** No updates were reported.
- **Sustainability:** Ms. O'Mara mentioned that an email was sent to schedule the next sustainability meeting and formally organize the committee.
- **PSO (Parent School Organization):** Mrs. Galek reported on recent events, including the Elementary PSO Holiday Shop and the Middle School "Bee U" store, where students spend "Bee Bucks" earned for positive behavior. The High School PSO is hosting a holiday breakfast.
- **Co-Curricular / Extracurricular:** Mrs. Galek congratulated the 92 new inductees into the National Honor Society and noted the success of the robotics teams at a recent home tournament. Mrs. Kwiatkowski congratulated Rocco Dean for being named to the 2025 United Soccer Coaches All-American team. It was also noted that the "Magical Dinner" hosted by the music department is sold out.
- **Permanent Improvement / Facilities:** Mr. Dosen and Treasurer Yaniglos reported that the bid for roadwork is out, with bids opening on December 19th. The district is also looking to bid out repairs for the tennis courts in January. Mr. Yaniglos mentioned that the stadium scoreboard replacement is being finalized, funded largely by private donations and the Athletic Boosters.

Superintendent Communications and Presentations

Superintendent Jeff Harrison invited Principals Bob Magyar and Tina McCauley from the Intermediate School to give a presentation on their building's progress and culture.

- **Intermediate School Presentation:** Mr. Magyar and Ms. McCauley presented on "The Power of Yet," focusing on shifting students from a fixed mindset to a growth mindset. They highlighted academic achievements, including the implementation of the CKLA curriculum and the "Race" writing strategy, which has already led to improved writing scores in 3rd grade. They discussed the "Writing Revolution" aimed at improving student elaboration and explanation in writing.
- **Culture and PBIS:** The principals detailed their Positive Behavior Interventions and Supports (PBIS) initiatives ("Bee Your Best Bistro" as an example). They emphasized the importance of building relationships, noting that staff identified relationships as a key strength in a recent Building Leadership Team (BLT) survey.
- **Board Feedback:** The Board thanked the principals for their passion and the detailed presentation, with Mr. Harrison encouraging the community to tour the building to see the positive environment firsthand.

Treasurer's Communications

Treasurer Craig Yaniglos provided several updates:

- **Board Software:** The district is transitioning from BoardDocs to "BoardBook" in January. Board members have received access to the new platform.
- **SGO Committee:** The Scholarship Granting Organization (SGO) committee held its first meeting. This initiative will allow the district to accept donations for scholarships (potentially for tuition-based programs like kindergarten) that are eligible for a dollar-for-dollar state tax credit ($750 for individuals, $1,500 for couples). The committee is moving quickly to establish bylaws and officers.
- **Financial Report:** Mr. Yaniglos reviewed the financials for November. He noted that while salaries are slightly over forecast, revenues are also up, and the cash flow is stable with 122 days of cash on hand projected. He cautioned that cash balances will decrease until tax collections arrive in January.

Community Communications

There were no public comments from the audience.

Other Board Business

- **President Pro Tem:** The Board unanimously approved **Resolution 7.A**, appointing Mark Dosen as President Pro Tem for the January 7, 2026, organizational meeting.
- **Superintendent Contract Extension:** The Board unanimously approved **Resolution 7.C**, employing Jeffrey D. Harrison as Superintendent for a new term beginning August 1, 2026, through July 31, 2031.

He expressed the Board's thrill with Mr. Harrison's performance and the upward trajectory of the district. Other board members echoed these sentiments, praising his innovative professional development initiatives and community engagement.
- **2026 Meeting Dates:** The proposed 2026 Board of Education meeting dates were presented for information, with the organizational meeting set for January 7, 2026.

- **Textbook Adoption:** The Board unanimously approved **Resolution 9.E**, the adoption of the Amplify Middle School ELA textbook series.
- **Overnight Trips:** The Board unanimously approved **Resolution 9.G**, authorizing overnight trips for the high school girls' wrestling program.

ALTERNATIVE TAX BUDGET INFORMATION

Political Subdivision/Taxing Unit BRECKSVILLE-BROADVIEW HEIGHTS CITY SCHOOL DISTRICT

For the Fiscal Year Commencing July 1, 2026

Fiscal Officer Signature_____Date_____

COUNTY OF CUYAHOGA

Background

Substitute House Bill No. 129 (HB129) effective June 3, 2002, was enacted by the 124th General Assembly in part to allow a county budget commission to waive the requirement that a taxing authority adopt a tax budget for a political subdivision or other taxing unit, pursuant to Ohio Revised Code (ORC) Section 5705.281.

Ohio Revised Code Section 5705.281

Under the amended version of this section pursuant to HB 129, a county budget commission, by an affirmative vote of a majority of the commission, including an affirmative vote by the county auditor, may waive the tax budget for any subdivision or other taxing unit. However, the commission may require the taxing authority to provide any information needed by the commission to perform its duties, including the division of the tax rates as provided under ORC Section 5705.04.

County Budget Commission Duties

The county budget commission must still certify tax rates to each subdivision or other taxing unit, by March 1 for school districts and by September 1 for all other taxing authorities under ORC Section 5705.35, even when a tax budget is waived. Also, the commission is still required to issue an official certificate of estimated resources under ORC Section 5705.35 and amended official certificates of estimated resources under ORC Section 5705.36.

Therefore, when a budget commission is setting tax rates based on a taxing unit's need, for purposes of ORC Sections 5705.32, 5705.34, and 5705.341, its determination must be based on that other information the commission asked the taxing authority to provide under ORC Section 5705.281, when the tax budget was waived. Also, an official certificate must be based on that other information the commission asked the taxing authority to provide.

County Budget Commission Action

On October 11, 2002, during the Cuyahoga County Budget Commission meeting, the commission with an affirmative vote of all members waived the requirement for taxing authorities of subdivisions or other taxing units (Including Schools) to adopt a tax budget as provided under ORC Section 5705.281, but shall require the filing of this Alternative Tax Budget Information document on an annual basis.

Alternative Tax Budget Information Filing Deadline

For all political subdivisions excluding school districts, the fiscal officer must file one copy of this document with the County Fiscal Officer on or before July 20th. For school districts the fiscal officer must file one copy of this document with the County Fiscal Officer on or before January 20th.

GUIDELINES FOR COMPLETING THE
ALTERNATIVE TAX BUDGET INFORMATION

SCHEDULE 1

The general purpose of schedule 1 is to meet the requirement of Ohio Revised Code (ORC) Section 5705.04 which requires the taxing authority of each subdivision to divide the taxes levied into seperate levies. For help use the schedule B issued by the budget commission for the current year and add any new levies. This will help to ensure that no levies are missed.

In column 1 list only those individual funds which are requesting general property tax revenue. In column 2 purpose refers to the following terms, inside, current expenses, and special levy for example. In column 4 levy type refers to renewal, additional, and replacement for example. In column 9 identify the amount of general property tax you wish to request.

NOTE:

The general purpose of column 9 is to demonstrate the need to produce property tax revenues to cover the estimated expenditures for the budget year. ORC Section 5705.341 states in part;

"Nothing in this section or any section of the ORC shall permit or require the levying of any rate of taxation, whether within the 10 mill limitation or whether the levy has been approved by the electors, the political subdivision or the charter of a municipal corporation in excess of such 10 mill limitation, unless such rate of taxation for the ensuing fiscal year is clearly required by a budget properly and lawfully, adopted under this chapter or by other information required per ORC 5705.281."

Property tax revenue includes real estate taxes, personal property taxes, homestead and rollback, and the personal property 10,000 exempt monies.

SCHEDULE 2

The general purpose of schedule 2 is to produce an Official Certificate of Estimated Resources for all funds.
In column 3, total estimated receipts should include all revenues plus transfers in excluding property taxes and local government revenue. All taxing auth must submit a list of all tax transfers.

SCHEDULE 3

The general purpose of schedule 3 is to provide inside/charter millage for debt service. The basic security for payment of general obligation debt is the requirement of the levy of ad valorem property taxes within the 10 mill limitation imposed by Ohio law. Ohio law requires a levy and collection of ad valorem property tax to pay debt service on general obligation debt as it becomes due, unless that debt service is paid from other sources.

SCHEDULE 4

The general purpose of schedule 4 is to provide for the proper amount of millage to cover debt service requirements on voted bond issues. Major capital improvement projects are sometimes financed through the use of voted bonds. The taxing authority seeks voter approval of general obligation bonds and of the levy of property taxes outside the indirect debt limitation in whatever amount is necessary to pay debt service on those bonds.

SCHEDULE 5

The general purpose of schedule 5 is to properly account for tax anticipation notes. See schedule 5 for more details.

8451 - **PEDICULOSIS (HEAD LICE)**

Head lice is a universal problem and is particularly prevalent among elementary school-age children. Control of lice infestation is best handled by adequate treatment of the infested person and his/her immediate household and other close personal contacts.

Communication from the school to parents directly and through parent and classroom education to the students will help increase the awareness for both parents and child. Parents need to continually observe their child for this potential problem and treat adequately and appropriately as necessary.

If a child in the District is found to have lice, the child's parent will be contacted to have the child treated and to pick him/her up at the end of the school day. The District practices a policy of "no live lice".

The Superintendent shall prepare administrative guidelines to provide for the implementation of this policy.

CCP shall be provided in accordance with the terms and conditions of this MOU, which supersedes all previous understandings, agreements, versions and addenda between IHE and LEA.

This MOU applies to all Kent State University campuses. Separate MOUs with each campus are not required. The LEA is encouraged to work directly with their closest Kent State University campus. This MOU is nonexclusive and the LEA may complete agreements with multiple Colleges and Universities. The IHE may complete agreements with multiple LEAs.

SECTION III: STATE REPORTING

The LEA and IHE shall retain educational records in accordance with Ohio or Federal statutes and record retention regulations and shall collaborate where necessary to provide required statistical information.

SECTION IV: LIABILITY OF PARTIES

CCP status will not affect the institutional liability for students while physically present on the respective campuses of the LEA or IHE. The policies and code of conduct will govern the students while physically present on the respective campuses or while enrolled and participating in distance learning courses. To the extent permitted by Ohio law, each party agrees only to be liable for the acts and omissions of its own officers and employees engaged in the scope of their employment arising under this MOU, as may be determined by a court of competent jurisdiction, and each party hereby agrees only to be responsible for certain claims with respect to that party's actions in connection with this MOU. It is specifically agreed that neither party shall indemnify the other party and each party agrees to be responsible for its own defense. The parties agree that nothing in this provision shall be construed as a waiver of the sovereign or qualified immunity of the University, its employees, and/or the State of Ohio.

Each party warrants and represents that it has adequate insurance coverage for any liabilities arising out of the presence of students on its campus.

SECTION V: STUDENT ELIGIBILITY AND ADMISSION

Steps to Admission

The LEA and IHE shall qualify and advise candidates entering grades 7-12 for CCP participation. For acceptance into the program the IHE will review the following application materials provided by the student:

a. Evidence student meets or exceeds state CCP remediation free standards as indicated in the "Uniform Statewide Standards for Remediation-Free Status" dated May 2019 (see Appendix "C") and/or secondary school transcripts with an unweighted high school GPA of 3.0 or higher

or other eligibility requirements.

b. Online CCP application submitted **prior to** IHE application deadline: April 15 for Summer and Fall; October 15 for Spring enrollment - Applications are FREE of charge
c. Secondary school transcripts
d. CCP Permission Form signed by student and parent/guardian
e. Applications are reviewed holistically in accordance with practices utilized with undergraduate applications for admission

Upon admission, students will participate in required orientation events and will meet with an assigned academic advisor prior to initial course registration. Students will continue to meet with their academic advisor prior to registration each academic term.

Course Approval

Student approval for CCP courses shall be by the IHE representatives on a course-by-course basis each semester based on the student's prior coursework, career pathway, and/or academic readiness. The IHE and LEA agree that this MOU cannot be used by either party to limit participation of a student enrolling in allowable courses that are not part of the MOU.

The student must meet course eligibility requirements including but not limited to placement and course prerequisites. The student is limited to no more than eighteen (18) semester hours of credit per semester; no more than thirty (30) credit hours per academic year; and not more than the equivalent of four (4) academic years, or one hundred and twenty (120) college credit hours total through the CCP program under division (B) of Section 3365.06 of the Revised Code, including those students eligible to start participating in the CCP program in seventh and eighth grade.

The LEA is responsible for assuring that each student does not exceed full-time status which is calculated as follows:

1) Determine student's number of high school ONLY units.
2) Multiply that number by 3, and
3) Subtract the result from the number 30.
4) That number is the total number of college credits that a CCP student may earn that academic year (summer, fall and spring terms) at any college or university as part of CCP.

Course Requirements

The course requirements for high school students enrolled in CCP courses shall be the same as those of regular college students. Course requirements/syllabus information shall include the course prerequisites, course content, grading policy, attendance requirements, course completion requirements, performance standards, and other related course information whether the course is taught at the high school or college location or taught by a credentialed high school faculty member or IHE faculty member.

Eligible Semesters

Eligible students may enroll in CCP courses during Summer, Fall and Spring Semester under this MOU pursuant to the provisions of ORC Chapter 3365.

Academic Standing

Students whose semester and/or cumulative Kent State University GPA falls below a 2.0 shall be required to meet with their academic advisor to determine the appropriate actions and/or whether that student is eligible to continue in CCP. Students enrolled in CCP are subject to Kent State University policies regarding academic probation and dismissal.

CCP students shall follow the guidelines provided in ORC § 3365.091 and any other laws or regulations that may come into effect beginning with the summer term of the 2026-2027 academic year and the LEA shall be responsible for monitoring academic progress for students enrolled in multiple IHEs.

The LEA shall be responsible for placing an underperforming student as defined in OAC 3333-1-65.13 on CCP probation and dismissing a student from the CCP program according to the guidelines provided within this rule. The LEA shall promptly notify the student, the student's parent, and the IHE in which the student is enrolled of the student's status.

SECTION VI: COURSE ELIGIBILITY AND APPROVAL

The following general eligibility and approval requirements shall apply to all CCP MOUs:

Course Location and Format

CCP courses may be offered at the LEA or at any IHE campus. CCP courses may be delivered during or outside of LEA hours. IHE may offer CCP courses via distance learning (online, hybrid, blended, or compressed video).

Academic Quality of CCP Courses

College courses eligible for CCP credit shall meet the rigor for college credit and be congruent with the IHE's normal offerings. All students enrolled in the IHE under the CCP program must be assessed with the same standard of achievement and held to the same grading standards, regardless of where the course is delivered. Classes offered in LEA settings shall conform to the IHE's academic standards, shall follow the same course syllabi, use the same textbook and materials, achieve the same learning outcomes, and be assessed using the same methods as the college course delivered on the college campus. For an LEA seeking adjunct faculty approval for their faculty to teach the college course, the LEA shall contact the University Outreach and Engagement Office contacts outlined in Appendix B. Faculty for all CCP courses shall be evaluated and approved by the appropriate IHE academic unit/department and are expected to meet the requirements set by the IHE and the Ohio Department of Higher Education.

CCP 15 and 30 Credit Hour Pathways

The LEA in collaboration with the IHE shall determine a list of academic courses and 15/30 credit hour Pathways eligible for CCP credit for inclusion under Appendix A. Additional pathways may be created between an IHE campus and school district. These Pathways shall be published among the LEA school's official list of course offerings from which a participant may select pursuant to ORC § 3365.13.

Eligible Courses

College courses that simultaneously earn credit toward high school graduation and a postsecondary degree or certificate shall be eligible for CCP within the parameters defined by ORC § 3365.06 (C) and OAC 3333-1-65.12 and any other laws or regulations that may come into effect beginning with the summer term of 2026-2027 academic year. CCP courses may be taken as high school electives or as high school core course credits. Students must complete fifteen (15) credit hours in Level I before progressing to Level II. The fifteen (15) credit hours may consist of credits earned through AP, IB, or college courses taken at other colleges or universities participating in CCP. Level I courses include:

1) Transferable courses: Part of CTAG, OT36, or TAG (i.e., CTAG: Career-Technical Assurance Guides, OT36: Ohio Transfer 36, TAG: Transfer Assurance Guides)

Upon completion of fifteen (15) credit hours in Level I, students may select Level II courses which include

any other college courses that are not a Level I course for which they have met prerequisites.

Non-Allowable Courses

Pursuant to OAC 3333-1-65.12, the following courses are non-allowable unless the Chancellor approves them for certificate or degree completion:

- One-on-one private instruction courses
- Courses with fees that exceed amount set by Chancellor
- Study abroad courses
- Physical education courses
- *PIF* or *SIU* grades (unless the course is an internship or is a transferable course for all students enrolled)

SECTION VII: HIGH SCHOOL DELIVERED COURSES - GUIDELINES

The selection and offering of CCP courses are a shared responsibility between the IHE and each LEA. Each institutional representative is responsible for upholding all course requirements and agreements.

Memorandum of Understanding

The MOU authorizes the offering of CCP courses at participating LEAs. The MOU remains in effect for the academic year of 2026-2027 or until amended with agreement by both parties. See Section XXI for the Signature Page.

Overall Expectations of LEAs

- Adhere to all MOU requirements as noted within this document.
- Ensure that all students considering participation in IHE courses at the LEA location have completed the free online CCP application and have provided supporting documentation prior to the **IBE CCP application deadline dates of April 15 for Summer and Fall Semesters and October 15 for Spring Semester courses.**
- Submit names, applications, and supporting application documents for all CCP teacher candidates by March 1.
- Support the CCP teacher's attendance for a minimum of three (3) contact hours per year for IHE's required professional development offerings or meetings.
- Course syllabi must be submitted to the IHE academic department and the University Outreach and Engagement office and reviewed prior to the first day of classes for each course offered at the high school location.
- Review IHE course enrollment lists and finalize student enrollment at least **fourteen (14) days** prior to the first day of classes for each course offered at the high school locations. The LEA must provide each participating student's SSID numbers to IHE according to the CCP timeline.

CCP Courses Taught on the LEA Campus and Student Enrollment

CCP courses delivered on the LEA campus may include students who are not enrolled in the college under the following conditions:

- All students in the class follow the same course syllabus, use the same textbook and materials,

aspire to achieve the same learning outcomes and are assessed using the same methods as the college course delivered on the college campus; and

- All CCP students (enrolled and therefore receiving college and high school credit) must be assessed with the same standard of achievement and held to the same grading standards, regardless of where the course is delivered.
- A student (not enrolled in the IHE) shall, along with the student's parents, be notified the student is not earning college credit and would likely be required to retake the course upon college enrollment if college credit is desired. The LEA is responsible for providing this notification in writing.

SECTION VIII: CCP HIGH SCHOOL TEACHERS - CLASSIFICATION, CREDENTIALING, AND MONITORING

Classification of CCP Teachers

CCP teachers are certified or licensed high school teaching employees who have been approved to teach Kent State University courses at those teachers' high schools during the regular school day. These teachers are employed by, and remain employees of the LEA, not IHE.

Teaching Load

CCP teachers are full-time employees of LEA and are contractually obligated to teach an assigned number of classes during the day by LEA. Therefore, the number of classes that are offered for CCP is determined by the number of qualifying students and may vary from high school to high school.

IHE Policy and Procedures

Although CCP teachers are full-time employees of the LEA wherein each teaches the college course(s). CCP teachers are expected to follow all IHE policies as applicable during the instructional time designated for CCP courses.

Credentialing of CCP Teachers

CCP teachers must meet the minimum credential requirements for postsecondary faculty as described within Chapter 4 of the "Guidelines and Procedures for Academic Program Review" document, published by the Ohio Department of Higher Education, August 2025.

CCP Course Monitoring Process

The IHE is responsible for ensuring that all CCP courses are taught by qualified teachers regardless of class location (i.e., college campus, high school campus, or satellite site). The IHE will monitor the quality of instruction in CCP courses in order to assure compliance with the standards established by the State of Ohio, the Higher Learning Commission, the College, the School District, and discipline specific accrediting bodies.

Course monitoring will include the following:

- Establish opportunities for CCP teachers to meet with appropriate IHE faculty to discuss the particular requirements for the courses and department as needed;
- Provide CCP teachers with information detailing add/drop and withdrawal policies, student code of conduct, grading policies, critical dates, and other pertinent information;
- Coordinate Professional Development activities for the CCP teachers; and
- Conduct at least one observation for each teacher during the first year of review that the CCP Instructor is teaching the college-level course at the high school and at least once per year thereafter. The time for observations should be coordinated with the CCP instructor and building principal prior to the observation. The observation process will utilize the same criteria as for full-time and/or adjunct faculty.

SECTION IX: CCP HIGH SCHOOL TEACHERS - APPLICATION PROCESSES

The responsibilities of the LEA and IHE as well as the process for application and approval for CCP teachers are outlined as follows:

The LEA designee will:

- Identify prospective CCP teachers who will meet the credentialing criteria by March 1 of each year. **Only under specific and unanticipated circumstances might additional teachers be considered after March 1 for the upcoming school year.** Such circumstances include consideration of a new hire after the March 1 deadline owing to an unexpected retirement or resignation. IHE maintains the sole discretion whether to consider any CCP teachers after the March 1 deadline.
- Assist their teacher with the application process which will include but may not be limited to submitting transcripts, cover letter, and application.

The IHE will:

- Communicate with the LEA about the qualifications for CCP teachers.
- Meet with the prospective CCP teacher to answer questions and discuss the required expectations.
- Evaluate the prospective CCP teacher's credentials and transcripts before forwarding the documents to the appropriate Department Chair, Academic Dean, or Provost.

CCP Teacher Application Process

A high school teacher who is identified as a prospective CCP teacher must complete the IHE application process which includes:

- Kent State University online CCP Instructor Application form located on the Kent State CCP website (www.kent.edu/ccp).
- Resume including three professional letters of recommendation (Kent State University Department Chair will have the option to conduct reference checks).
- Undergraduate and graduate college or university transcripts from all institutions attended.
- Any additional information required to determine eligibility to teach the content material.

Approval Process

The approval process for the CCP teacher who will teach a college course will be consistent with the standards used to hire a faculty member for the course taught on the IHE campuses. Merely having the credentials to teach college courses is no assurance of approval into the program. The department chair has full authority to interview and to make the final decisions regarding the approval and dismissal of teachers teaching CCP courses in the high schools based on credentials, teaching experience, presentation, subject knowledge, and other instructional factors related to the subject matter.

A high school teacher who is identified as a prospective CCP teacher must be approved by the IHE department Chair in the teaching discipline, the Academic Division Dean, or the Provost and meet the same qualifications as IHE faculty. **The IHE Provost (Chief Academic Officer) has the final and official approval authority of CCP teachers.**

In accordance with Ohio law, and with guidance from the Ohio Department of Education, teachers must have a completed background check on file with the district office. Refer to the Ohio Department of Education website for background check requirements. IHE will also conduct a background check prior to final approval of the CCP Instructor.

Initial Approval of High School Teacher as CCP Teacher

Department Chair and the University Outreach and Engagement office will utilize the following procedures as part of the approval process:

- University Outreach and Engagement will build the candidate's application packet and when complete forward the packet to the appropriate academic Chair or Dean.
- Chair or Dean reviews and confirms that the candidate's academic credentials meet minimum requirements.
- An interview and/or assessments may be required as part of the application process.
- The academic department will inform the University Outreach and Engagement of the candidate's status.
- Upon approval, the Office of Academic Personnel will provide the candidate with instructions regarding the process for completing a background check for the University and obtaining a $0 teaching contract.

Conditional Approval of High School Teacher

If a high school teacher does not meet the minimum credential requirements but is conditionally approved to teach a CCP course, the "Credentialing of CCP Faculty" form must be completed by the high school teacher, high school principal, and signed by the Provost of Kent State University. The form identifies the plan for teachers to obtain the necessary requirements within a specific timeframe.

Continuation of High School Teacher as CCP Teacher

After initial approval, a CCP teacher may continue teaching CCP courses without the need to undergo the approval process again contingent upon the following items:

- CCP courses being taught continuously each year in the same discipline and/or teaching area;
- CCP teacher teaching the course adequately meets all evaluation requirements, departmental requirements, responsibilities, and procedures including participation in at least three (3) hours of professional development provided by the IHE annually.

SECTION X: RESPONSIBILITIES OF CCP HIGH SCHOOL TEACHERS

Curriculum, Course Competencies, and Teaching Requirements

- CCP teachers will utilize the provided course syllabi document and will customize fields as appropriate. The syllabus may not be altered other than adding customized information in the allowable fields. No other logo other than IHE's may be included on the syllabus. The teacher's Kent State University email address must be included on the syllabus. Any syllabus that does not meet these requirements will be returned to the teacher and a new syllabus must be created.
- The syllabus must be submitted to IHE **prior to** the first week of instruction with one copy to the academic department and one copy to the University Outreach and Engagement office.
- Only the approved CCP teacher will teach the course. If a CCP teacher is unable to teach the course, arrangements must be made by contacting IHE prior to an extended absence.
- CCP teachers will notify students concerning their academic progress prior to the last day to drop/withdraw from the IHE course.
- LEA teachers, as instructors for the IHE in CCP courses taught at their school location are bound by the protections provided to college students by the Family Educational Rights and Privacy Act (FERPA) of 1974, as amended and IHEs policies 3342-5-08 through 3342-5-82 available at https://www.kent.edu/policyreg/chapter-5-general-administration.
- CCP teachers will post formative and summative grades for assignments and exams on the IHE learning management system on a regular basis. Any grades posted to a secure LEA site must be restricted to student view only to comply with FERPA.

- Mid-term grades are not permitted to be published on the high school grade report or transcript. nor utilized in determining high school GPA or class standing.
- **Enrollment Verification, Midterm, Final and official** grades must be reported within the Kent State University FlashLine portal in a timely manner.
- All grades and information contained in the IHE learning management system and FlashLine portal are considered maintained by the IHE and subject to the same FERPA protections as afforded to any students enrolled in college coursework. CCP teachers are responsible for safeguarding identifiable information and providing FERPA protections to CCP students enrolled in courses taught at their high school location.
- CCP teachers are required to attend IHE departmental planning meetings and staff development activities, including CCP training workshops and engage in a minimum of three hours of documented professional development provided by the IHE each academic year.

Textbooks and Required Materials

- CCP teachers are expected to use approved textbooks (whether hard copy or digital) and required materials for the IHE course.
- Textbooks must be college-level and approved by the Department Chairs.
- The textbooks and materials must be available to the students on the first day of class.
- Textbooks and materials may be obtained by contacting the IHE University Bookstore for the campus through which the course is being taught or may be obtained from another vendor.
- IHE will contact LEAs with changing textbook information as applicable. IHEs must confirm current editions of textbooks with the University Bookstore prior to purchasing textbooks from other vendors.

Contact Hours Pertaining to CCP Teachers

- CCP teachers are obligated to meet the minimum required number of contact hours for the course(s) taught per semester. While courses may have variable start dates, all courses must follow the IHE end of term, final exam, and grade submission dates.
- In order to ensure meeting the required contact hours, CCP teachers are expected to make up lost contact hours.
- In line with the importance of contact hours and attendance, students may not be added to a course after the "last date to add" deadline, unless an error in the registration process occurred.

Student Evaluation of Instructor Performance

CCP teachers will be evaluated once each semester by the students using the same course evaluation instruments utilized on the IHE's campuses. The evaluation information will be disseminated to the CCP teachers in advance to share with students approximately two weeks prior to the end of the academic semester. The course evaluation may be completed online or on paper depending on the IHE's decision for distribution.

SECTION XI: CONTINUATION OF CCP COURSE OFFERINGS AT HIGH SCHOOL

This MOU is a binding agreement and, should either party fail to adhere to its responsibilities therein, the removal of CCP courses will be considered if the infraction is not corrected after documentation.

SECTION XII: GRANTING OF COLLEGE CREDIT

Transcripts

The IHE is responsible for maintaining the college transcript for each student. All CCP approved courses are identified on the college transcript as regular college-level course work.

The LEA is responsible for maintaining the secondary school transcript. The IHE will provide official course grades to the LEA at the conclusion of the academic term and after course grades have been finalized. The LEA will post the actual course title, IHE name, and grade earned in the college course to the student's high school transcript. In cases where no grade is reported for a course, where a grade of "I" (incomplete) is reported, or where a grade change occurs after final grades have been posted, the student will request a transcript be sent to their LEA to verify corrected course grades.

Mid-term grades are not permitted to be published on the high school grade report or transcript, nor utilized in determining high school GPA or class standing.

Upon a student's request, the IHE will provide an official college transcript showing credit for the completed college-level course work. Depending upon the type of transcript requested, a service fee may be required. Students can access and print unofficial copies of their transcripts through their FlashLine portal.

SECTION XIII: FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT ("FERPA")

The Family Educational Rights and Privacy Act (FERPA) is a Federal Law that protects the privacy of student education records, both financial and academic. For the student's protection, FERPA limits the release of student record information without the student's explicit written consent; however, it also gives the student's parent(s)/guardian(s) the right to review those records if the parent(s)/guardian(s) claim the student as a dependent on their Federal Income Tax Return.

Communication with Parents for Students in Courses Delivered at High Schools:

CCP students are college students, and their educational records are protected by FERPA legislation. Students enrolled in college courses, regardless of the classroom location, are protected and communication must be carefully distributed.

CCP teachers for IHE must adhere to FERPA legislation. **Note that while enrolled in college courses, FERPA limits ALL instructors, including CCP teachers, to provide performance information only to the student without prior consent from the student.**

IHE requires that each CCP teacher verify with IHE that a valid FERPA Release Form and/or an approved Parent/Guardian Verification of Student Dependent Status form is in place at the IHE for any participating student prior to the release of any protected information. Students may complete a FERPA release online through their FlashLine account or may complete a paper release form found online at https://www.kent.edu/registrar/ferpa-forms and submit this to the Kent State University Registrar.

In the event that a high school CCP teacher identifies a need to contact a student's parent proactively regarding progress in the college course, they may only do so if a signed FERPA Release form is on file with the University.

Communication with Parents for Students in Courses Delivered at IHE Locations:

Students may grant IHE permission to release information about their student records to a third party (including parents, stepparents, etc.) by completing a FERPA Release Form online through their FlashLine account or completing a paper release form found online at https://www.kent.edu/registrar/ferpa-forms and submit this to the IHE Registrar. In the absence of a student initiated FERPA release, parent(s)/guardian(s) may submit a Parent/Guardian Verification of Student Dependent Status form for review to the University Registrar.

SECTION XIV: STATE REPORTING

The LEA and IHE shall retain educational records in accordance with Ohio or Federal statutes and record retention regulations and shall collaborate where necessary to provide required statistical information.

At any time, should a party's inability to comply with the law interfere with that party's ability to adhere to the terms of this MOU or should such inability impede that party's eligibility under this program, the other party shall have the right to suspend or terminate this MOU. Notwithstanding the foregoing, the parties shall take all reasonable actions to mitigate any effects of such action upon currently enrolled students.

SECTION XVII: NONDISCRIMINATION

SECTION XIX: FINANCIAL STRUCTURE AND COST SHARING

- The IHE will retain all State Support of Instruction (SSI) funds for students completing CCP courses.
- The cost of textbooks, course materials and supplies including access codes will be incurred by the school district unless alternative arrangements have been made with the campus through which the student(s) is(are) enrolled and the IHE shall waive payment of all other fees related to participation in the program pursuant to ORC § 3365.07 with the exception of students enrolled under ORC § 3365.06 (A).
    - The LEA can choose to initiate and maintain an account with the IHE's University Bookstore and can elect to purchase textbooks and materials through other vendors. Students shall have the required course textbooks and materials available by the first day of classes.
    - Students can participate in IHE's Flash Books program whereby textbooks are made available electronically at a cost savings to the district. This initiative is currently limited to a finite number of specified course sections. Billing for Flash Books materials will be invoiced to districts separately from the IHE University Bookstore partner.
- The IHE will invoice based on the following formula subject to approval by the Chancellor:

  For courses taught by a high school teacher approved by the IHE at the LEA location, the rate will be the State of Ohio default floor amount established in the 2026 state budget (to be determined upon approval of the biennial state budget) x number of credit hours/course x number of students.

  High School Delivery - Option B:
  For courses taught by an IHE faculty member at the LEA location, the rate will be the State of Ohio default midpoint amount established in the 2026 state budget (to be determined upon approval of the biennial state budget) x number of credit hours/course x number of students.

  On Campus Delivery:
  For courses taught by a university faculty member at an IHE location, the cost will be the State of Ohio default ceiling amount established in the 2026 state budget (to be determined after approval of the biennial state budget) x number of credit hours/course x number of students.

Modifications to the Appendix must be submitted to the LEA prior to the beginning of a new semester. This MOU shall expire on June 30, 2027.

Either party may terminate this MOU upon written notice to the other party if the other party fails to cure any disregard for a material understanding in this MOU within thirty (30) days after receiving written notice. Students participating in the CCP program are not required to take these specific courses, rather they are provided as a demonstration of the typical courses into which a new college freshman might enroll.

Participating students meet with an IHE academic advisor to plan courses to be taken through CCP that will apply toward a specific certificate, associate degree or baccalaureate degree program and meet the parameters defined by ORC 3365.06 (C) (effective 9/29/2017) and OAC 3333-1-65.12 (effective 2/15/2018) and any other laws or regulations that may come into effect beginning with the summer term of the 2019-2020 academic year. CCP courses may be taken as high school electives or as high school core course credits. The applicability of the course(s) selected by the student to their high school program of study must be confirmed with their school counselor.

Course Enrollment Restrictions:

Students must complete 15 credit hours of courses designated as Level I before progressing to Level II. The 15 credit hours may consist of credits earned through AP, IB, or college courses taken at colleges or universities participating in CCP. Students must complete 15 credit hours in Level I before progressing to Level II. College Credit Plus and MyUniversity Guarantee Memorandum of Understanding

Terms and Conditions Prepared for:
Brecksville-Broadview Heights

Prepared by:
Lorain County Community College &
The University Partnership

Lorain County Community College

The University Partnership

Objective
Collaborate to provide an affordable cost-share model of course delivery for school districts to expand access to college-level courses for students on the high school campus and define pathways of 15 and 30 transcripted credits as well as associate and bachelor's degree pathways through the MyUniversity Guarantee. This agreement helps remove cost, transportation and time barriers to higher education and meet or exceed the dual enrollment requirements of Ohio Revised Code Chapter 3365. Brecksville-Broadview Heights and Lorain County Community College commit to collaboratively deliver educational programming and support services to foster student success and agree to adhere to the applicable responsibilities and expectations included in Ohio Revised Code Chapter 3365.

Ohio's dual credit program, College Credit Plus, are based upon the following guiding principles:

- Students will always be the primary beneficiary of education policy;
- It is the responsibility of secondary and higher education institutions to work collaboratively and think innovatively in order to advance the achievement and success of Ohio's students;
- The College Credit Plus program should be structured to ensure open access to all college-ready students with minimal need for contributing student resources;
- There must be flexibility in the College Credit Plus program in order to encourage innovation;
- Increasing the participation rates of underrepresented and low-income student populations in programs that result in higher education rates and postsecondary persistence is an important education priority for the state; and
- Providing students with the opportunity for career exploration and promoting exposure to relevant college courses while in high school has value to students, parents, and the state.

Scope of Work
Brecksville-Broadview Heights and Lorain County Community College (LCCC) will determine the college courses, certificates, and degree pathways to be offered at Brecksville High School based upon the goals of Ohio's College Credit Plus, the MyUniversity Guarantee, school district needs, faculty qualifications (credentials), and faculty course mentor availability.

LCCC and Brecksville-Broadview Heights will follow the "Commission Guidance on Determining Qualified Faculty" as established by the Higher Learning Commission and adopted by the Ohio Department of Higher Education. LCCC academic deans have final approval with regards to qualified faculty.

High school teachers, as LCCC adjunct instructors, will be provided with LCCC faculty course mentors. Together they will establish course expectations and ensure resources necessary to satisfy LCCC course outcomes.

Delivery
Criteria for student participation will be based on Ohio's Remediation Free Standards and LCCC's placement criteria which includes considering high school preparation, performance on the college placement assessment, and/or ACT or SAT scores, and GPA.

LCCC will administer the college placement assessment and other assessments as necessary at the request of the high school. Class time and mode of delivery will be structured to suit partner needs.

The course framework will be the same as courses taught at the LCCC campus and apply toward a degree or technical certificate*. The course description, course syllabus and course description with student outcomes (CDSO) document will be shared and reviewed, prior to the start of the term, with the high school instructor. Textbooks used will be the same as those used at the LCCC campus, including any online homework system used in particular courses.

LCCC academic deans have overarching responsibility for the standards, consistency and quality of the LCCC courses delivered at all sites.

Brecksville-Broadview Heights and LCCC will be in possession of confidential educational records and may not share or disclose these educational records with any party other than the student, the student's parents, school district and LCCC partners unless the student grants written permission otherwise.

Cost-Sharing

For courses offered at the School District and taught by appropriately qualified School District teachers, the Ohio Department of Education and Workforce shall reimburse the College the "floor" amount as set by the Ohio General Assembly, which is currently forty-one dollars and sixty-four cents ($41.64) per credit hour. For courses offered at the School District and taught by a College instructor, the Ohio Department of Education and Workforce shall reimburse the College Fifty-two dollars and fifty cents ($52.50) per credit hour. For courses offered at the College, the Ohio Department of Education and Workforce shall reimburse the College eight dollars ($80) per credit hour. The textbooks and required materials are the responsibility of the school district.

> For students enrolled in LCCC courses online or located at an LCCC college campus the school district will be charged a $25 per credit hour flat rate for ALL required, priced course materials, which includes textbooks, both physical and digital formats, and any other supplies noted on the course syllabus as required. Course materials subject to this rate include materials such as electronic resources that provide instant access or have been curated by faculty. Students will return all course materials to the LCCC Commodore Books and More (bookstore) at the end of each semester. Students who do not return their books may be billed for the balance of the cost of the book.

For students enrolled in <u>LCCC classes taught at their high school</u> the school district is responsible for the purchase of and reuse of textbooks. It is strongly encouraged that textbook purchases be made through LCCC Commodore Books and More (bookstore), as this helps facilitate streamlined access to required materials and supports established course processes leading to improved student success. LCCC will provide the names of required textbooks and corresponding ISBNs.

Course fees are the responsibility of the College.

The LCCC Bursar's Office is responsible for invoicing the state of Ohio each semester for tuition at LCCC at agreed upon rates.

Emergency forms will be transported in a plastic folder. I will have one copy and the chaperone assigned to the student will have the other. Chaperones, parents and students will be in a group on WhatsApp for daily communication. This is how a parent will be contacted along with a call in case of an emergency. 24/7 emergency support.
In the event that anything on tour goes wrong, EF staff is always available to help. Your Tour Director is your group's constant companion and first point of contact in an emergency. Additionally, our fully trained support teams are on hand 24/7 to walk teachers through any issues and provide the resources necessary to get things back on track. 4. **If tour guides are involved, what liability insurance do they carry?**

All Group Leaders, schools, and districts who travel with EF are automatically added as additional insureds under our $50 million General Liability Policy, regardless of whether or not the tour is affiliated with the school. EF's liability coverage is primary and noncontributory for covered third-party claims. The policy helps safeguard Group Leaders and their schools for covered third-party claims related to bodily injury or property damage, which includes providing a legal defense and covering legal costs for such claims. In addition, all travelers are required to sign EF's Release and Agreement, which includes a release of liability of their Group Leader, school, and school board.

5. **How is the trip related to the educational program of the district?**

Educational Tours works to define the modern educational tour experience. Itineraries are more than places to go and things to see. They build programs that challenge assumptions, spark connections, and inspire curiosity in young students. Students will expand their knowledge of the world around them, discover more about themselves, grow more confident and independent, and understand new people, places, and cultures.

6. **In what ways will the students benefit? How will the district benefit?**

Tours help prepare students for the future by teaching them more about the world, themselves, and the impact they can have on the world. Combining the power of experiential learning with the thrill of global travel, our tours help students:

- Expand their knowledge of the world around them
- Grow more confident and independent
- Understand new people, places, and cultures
- Discover more about themselves

7. **How will the trip be evaluated to determine the extent to which these benefits were realized?**

Students will complete an evaluation after the trip. The evaluation will ask what the student has learned about themselves through the experience and how the experience changed them.

8. **How many students in total? Are any students experiencing academic problems? What previous experience has the staff member had in conducting overnight or extended field trips? What other staff members will be going?**

The goal is to get 12-35 students. We will be traveling during Spring Break, so academic issues will not be applicable.

9. **How many chaperones, in addition to staff members, will be going? What are their names and affiliations with the students?**

We will be permitted 1 chaperone for every 6 students registered. Staff members/chaperones will be determined as needed with regards to registered travelers.

10. **Will any school days be missed? If so, how many? How will teachers be advised in advance that the students will be out of school? How will missed work be made up? What special assistance will be provided to students with academic problems?**

No school days will be missed.

11. **Estimated Cost to Organization and how is this trip funded? How are the funds collected and safeguarded? How will any shortfall be made up or excess funds used?**

Funds are collected through EF Tours. Each registered traveler gets a webpage. Fundraising is available through the website, if the travelers wish to pursue it.

6. Whether other reimbursable types of transportation are available

WHEREAS, in light of the above-stated timelines set forth in section 3327.02 of the Revised Code and pursuant to same, the Superintendent has the authority to make the determination of impracticality prior to the next Board meeting, with the Superintendent's determination considered by the Board at its next meeting; and

WHEREAS, in accordance with section 3327.02 of the Revised Code, the Board shall report its determination to the Ohio Department of Education and shall further issue a letter to the pupil's parent, guardian, or other person in charge of the pupil, as well as issue a letter to the nonpublic or community school in which the pupil is enrolled with a detailed description of the reasons for which such determination was made; and

WHEREAS, after a determination declaring the impracticality of transportation is made pursuant to this Resolution, the Board shall offer to provide payment in lieu of transportation by informing the pupil's parent, guardian, or other person in charge of the pupil of this Resolution and of the right of the pupil's parent, guardian, or other person in charge of the pupil to accept the offer of payment in lieu of transportation or reject the Board's offer of payment in lieu of transportation.

NOW, THEREFORE, BE IT RESOLVED based on the Board's consideration of the above-stated factors set forth in section 3327.02 of the Revised Code, as well as the specific factors listed in this paragraph, the Board of Education hereby declares transportation impractical for the 2025-2026 school year via this Resolution for the pupil attending the Parma Heights Christian Academy as listed in Exhibit A, determined on an individual and case-by-case basis, based on: (1) there is only one student who requested transportation; (2) the cost to the District will be approximately $48,000 per year to run an additional bus, which includes the costs of hiring and training a new bus driver, fuel and bus maintenance; (3) the school's bell schedule conflicts with the District's schedule and would require the District to re-route its own students which would cause one or more of the District's routes to be over an hour long.

BE IT FURTHER RESOLVED that the Brecksville-Broadview Heights City School District hereby offers the parent, guardian, or other person in charge of the pupil payment in lieu of providing transportation, and hereby directs the Superintendent and Treasurer or designee(s) to provide notification to the parent, guardian, or other person in charge of the pupil of the Board's determination and of the right to accept or reject this offer as set forth herein and in accordance with section 3327.02 of the Revised Code.

BE IT FURTHER RESOLVED that it is hereby found and determined that all formal actions of the Board concerning and relating to the adoption of this Resolution were adopted in an open meeting of the Board, and that all deliberations of the Board and any of its committees that resulted in such formal action were open to the public when required by law, in full compliance with the law.

ELECTRIC AUDIT PROJECT AGREEMENT

This AGREEMENT ("Agreement") is made and entered into this ___ day of _____, 2025 (“Effective Date”) by and among _____ (hereinafter called the “District"), Ohio Schools Council (hereinafter called “OSC”) and Yankel & Associates, Inc. (hereinafter called "Yankel”).

RECITALS

A. The District is a member of the Ohio Schools Council (“OSC”), which is a regional council of governments created under Ohio Revised Code Section 167.

B. Yankel is engaged in the business of furnishing various utility consulting and bill auditing services to and on behalf of public entities.

C OSC and Yankel have entered into an Agreement (“OSC Agreement”), which is incorporated hereto by reference, for Yankel to perform an audit of OSC member school districts’ FirstEnergy electric bills. The purpose of the audit is to determine whether there were FirstEnergy overcharges. Yankel is willing to furnish such services under the terms and conditions set forth in the OSC Agreement hereinafter.

D. The District acknowledges and accepts the OSC Agreement as being on its behalf and as such desires to memorialize the understanding among the District, OSC and Yankel.

E. The District, OSC and Yankel, each separately will be referred to herein as a “party” and collectively will be referred to herein as the “parties”.

NOW, THEREFORE, for and in consideration of the mutual covenants contained herein, the District and Yankel hereby agree as follows:

1. **Term of Agreement.** The term of this Agreement shall be for as long as the OSC Agreement remains in effect. This Agreement shall terminate automatically upon the termination of the OSC Agreement.

2. **Scope of Project.** Yankel shall perform an audit on behalf of the District to determine if Cleveland Electric Illuminating Company (“CEI”), Toledo Edison (“TE”) and/or Ohio Edison Company (“OE”) overcharged the District (the “Project”). If such overcharges are discovered, Yankel shall negotiate a refund with CEI, TE and/or OE. As part of this Project, the District agrees to furnish any and all of its account numbers for CEI, TE and/or OE to Yankel. District further agrees to furnish at least two recent bills for each of its accounts and any historic bills as may be requested by Yankel and that are readily available for the District. The District further agrees to execute a letter of authorization in the form attached as Exhibit A necessary for Yankel to access FirstEnergy’s data regarding the District’s accounts. For purposes of this Agreement, a refund is defined as any amount owed to the District as a result of the Project, and paid by CEI, TE or OE, whether being made by separate payment to the District or billing credit (hereinafter referred to as the “Refund”).

3. **Compensation.** The District shall not be responsible for payment to Yankel or OSC of any compensation whatsoever unless the District receives a Refund. In the event the Project is successful in obtaining a Refund from CEI, TE and/or OE to the District, the parties will be entitled to a share of any Refund, as and when paid, as follows:

    50% -- the District
    30% -- Yankel
    20% -- OSC

If the Refund is in the form of a bill credit, the District is responsible for ensuring that any payment obligations set forth in this Section are made promptly to Yankel and OSC when each bill credit is received by the District. If the Refund is in the form of a payment to the District, the District shall promptly pay Yankel and OSC their respective shares of each such Refund payment received by the District. If OSC bills the District for Yankel's and OSC's shares of each Refund, the District agrees to pay such invoice(s) when due. Except as stated in this Section, the District shall have no other financial obligations to Yankel or OSC, nor shall the District be liable to Yankel or OSC for any costs incurred in connection with the Project.

4. **Termination.** Subject to the terms and conditions provided herein, the parties may terminate this Agreement as follows:

4.1 *OSC Agreement*. The parties hereto agree that this Agreement shall terminate automatically upon the termination of the OSC Agreement. Upon termination, the District shall have no further liability or obligation to Yankel or OSC as it relates to the terms and conditions of this Agreement, except to pay the compensation to Yankel and OSC set forth in paragraph 3 in the event of any Refund received by the District.

8451 - **PEDICULOSIS (HEAD LICE)**

Head lice is a universal problem and is particularly prevalent among elementary school-age children. Control of lice infestation is best handled by adequate treatment of the infested person and his/her immediate household and other close personal contacts.

Communication from the school to parents directly and through parent and classroom education to the students will help increase the awareness for both parents and child. Parents need to continually observe their child for this potential problem and treat adequately and appropriately as necessary.

If a child in the District is found to have lice, the child's parent will be contacted to have the child treated and to pick him/her up at the end of the school day. The District practices a policy of "no live lice".

The Superintendent shall prepare administrative guidelines to provide for the implementation of this policy.

Client shall also pay ThenDesign the cost associated with premature project demobilization. In the event the project is remobilized, Client shall also pay the cost of remobilization and shall renegotiate appropriate contract terms and conditions, such as those associated with budget, schedule or scope of service.
3. In the event any bill or portion thereof is disputed by Client, Client shall notify ThenDesign within ten days of receipt of the bill in question, and Client and tda shall work together to resolve the matter within 60 days of its being called to ThenDesign's attention. If resolution of the matter is not attained within 60 days, either party may terminate this Agreement in accordance with conditions indicated above.
4. If, due to ThenDesign's error, any required item or component of the project is omitted from ThenDesign's construction documents, ThenDesign shall not be responsible for paying the cost to add such item or component to the extent that such item or component would have been otherwise necessary to the project and/or adds value or betterment to the project. In no event, will ThenDesign Architecture be responsible for any cost or expense that provides betterment, upgrade or enhancement of the project.
5. The risks have been allocated such that the Client agrees that, to the fullest extent permitted by law, ThenDesign's total liability to Client for any and all injuries, claims, losses, expenses, damages, or claims expenses arising out of this Agreement from any cause or causes shall not exceed the total of ThenDesign's fee. Such causes include, but are not limited to, ThenDesign's negligence, errors, omissions, strict liability, breach of contract or breach of warranty.

The Client shall indemnify and hold harmless ThenDesign and all of its personnel from and against any and all claims, damages, losses and expenses (including reasonable attorney fees) caused in whole or in part by the negligent act or omission, and/or strict liability of the Client, its employees or other parties the Client contracts for this project.
7. A structural condition is hidden if concealed by existing finishes or is not capable of investigation by reasonable visual observation. If ThenDesign has reason to believe that such a condition may exist, the Client shall authorize and pay for all costs associated with the investigation of such a condition and, if necessary, all cost necessary to correct said conditions. If (1) the Client fails to authorize such investigation or correction after due notification or (2) ThenDesign had no reason to believe that such a condition exists, the Client is responsible for all risks associated with this condition, and ThenDesign shall not be responsible for the existing condition nor any resulting damages to persons or property.

Dear Ms. Turco:

As requested, ECS Midwest, LLC (ECS) is pleased to provide the following **lump sum** proposal for subsurface exploration and geotechnical engineering services for the above referenced project. This proposal outlines our understanding of the project, the proposed scope of services, activity schedule, fees, and authorization requirement.

PROJECT BACKGROUND INFORMATION

In preparing this proposal, we have reviewed the information provided and discussed the overall project with your firm. We have also reviewed the available geologic and geotechnical information in our files vicinity of the site.

Existing Site Conditions

The project site is located at 6812 Mill Rd in Brecksville, Cuyahoga County, Ohio. The site area is currently utilized as asphalt pavement and landscaped areas. According to the provided site plan, the existing site slopes downward from southwest to northeast, with an elevation difference of approximately 14 feet (Elevation 1,014 feet MSL to 1,000 feet MSL) within the project area.

Project Description

Based on the information provided, the proposed project includes reconfiguration of the existing parking area and intersection located northeast of the existing football field.

Please note that current topographic drawings and proposed grading plans with elevations were not available at the time of this proposal. ECS shall be provided with the topographic drawings and grading plans prior to initiating services, so that we may review the proposed boring depths relative to actual cut/fill conditions and revise our scope of services and associated fees, if necessary.

SCOPE OF SERVICES

Our integrated services will include drilling borings by drilling crews based on instructions provided by ECS. Our services will also include laboratory testing of representative soil samples, and engineering analyses presented in a site-specific engineering report.

Utility Clearance

Per state law, ECS and/or ECS's drilling subcontractor will contact Ohio 811 the public utility to locate underground utilities at the site. Typically, Ohio 811 will not locate utilities beyond the point of distribution (meters or gauge points) on private property. The risk of hitting utilities that Ohio 811 did not mark can be reduced by engaging a private utility locating service. The risks include hitting gas lines, electrical lines, fiber optic lines, and many other utility service lines. This can result in electrocution, gas leaks or explosions, loss of services to businesses as well as tremendous costs for lost business, interruption of service, and repair along with potential legal liability.

We **have not** included the cost of a private utility line locator in our "Base Services". If private utilities are present that were not identified by the public system, we can provide a private utility line locator to reduce your liability for a lump sum fee of **$1,000.00**. Please read the following section on private utility locator services and, if desired, indicate your request for their services on the attached Proposal Acceptance sheet.

Private utility locator services can aid in identifying utilities that incorporate significant iron content in the conduit materials. However, utilities without significant ferrous (iron) content are more difficult to detect. These include most sanitary sewer alignments, copper or PVC water lines, fiber optic lines without tracer ribbons, copper electric lines with no surface exposure, drainage tiles/pipes, irrigation lines, etc.

Using a private utility locator does not guarantee that all utilities will be identified. However, this service lowers the risk and potential liability of the client while also protecting the safety of our field exploration crews.

We will coordinate our exploration locations around marked utilities and utilities pointed out to us by the owner/client. However, we will not be responsible for any utilities not marked or not pointed out to us by the landowner or client.

Site Access

Regarding site access, we have made the following assumptions:

- This proposal assumes that no special permits or work outside of normal working hours will be required.
- Landowner notification will be provided by the client. ECS will work with the project team in providing site access diagrams for the drill rig as needed, but actual coordination with landowners to obtain access permission will be provided by the client.
- Parking within the work areas will be blocked off prior to our arrival. ECS cannot be held responsible for damage to, nor the cleanliness of, vehicles not moved from the work area.

Field Exploration

ECS proposes to perform the following in general accordance with the local standards and practices listed:

a. Field locates the test locations by handheld GPS unit / taping and pacing from existing site features / available plans. Elevations will be interpolated from Cuyahoga County GIS information if current topographic plan will not provide from client.
b. Obtain a public utility locate ticket for location of underground lines. See further information in the Utility Clearance section above.
c. Mobilize an All-Terrain Vehicle (ATV) mounted drilling rig to the site.
d. Perform soil test borings (ASTM 1586/1587 Standard Sampling at the approximate locations shown on the figure below.

BORING NO.	PROPOSED STRUCTURE	DRILLING AND SPT SAMPLING
B-13 through B-17	Pavement Area	5@10 ft = 50 feet

*Standard Penetration Test

e. Perform testing and sampling in general accordance with ASTM standards and local practices.
f. Measure the depth of groundwater within each exploration location at the time of drilling and prior to backfilling.

The explorations will be extended to the depths listed above or to mechanical refusal (shallow rock or other impenetrable obstructions), whichever occurs first. Please note that a minimum charge of 10 feet will apply to each location terminated at a depth less than 10 feet.

Site Departure Conditions

Upon completion of subsurface exploration, we will backfill each of the locations with the soil removed and mound the excess spoils back up over the test location. In pavement areas, we will patch the asphalt or concrete surface with cold mix asphalt patch or quick setting concrete of an equivalent or greater thickness. Some post drilling settlement of the boreholes should be expected and may require future maintenance to repair any settlement and prevent a tripping hazard. This maintenance is not included in our scope of services or fees. No other restoration will be provided. ECS will not be responsible for restoration of, but not limited to the following: grass, shrubs, trees, flower beds, or ruts caused by drilling operations. The client must communicate areas that must not be disturbed in advance of field operations.

Typically, we will not provide site repairs beyond what is outlined above unless specifically contracted. Alternatively, we will remove excess spoils from job sites and dispose of them in an approved manner for a negotiated fee.

Please note that some disturbance to off-pavement, gravel-covered, grass-covered areas, including the possible cutting of trees, or running over of brush and understory in wooded areas might occur. We will attempt to limit such disturbance; however, we have not budgeted for site repairs including filling of tire ruts, seeding of lawn areas, replacement of bushes or the planting of trees, etc. If necessary, additional site repairs can be provided at an additional cost.

If site clearing is required and authorized, please note that minimum 10-foot-wide cleared paths will be made. We will attempt to limit disturbance, but felled trees and cleared underbrush should be anticipated in cleared paths. Our cost estimate does not include any restoration of cleared areas, moving/chipping of felled trees, etc. If there are any areas where clearing is not to be performed (such as in Resource Protection Areas (RPA), wetlands, or other areas), those areas must be clearly marked on plans provided to us and should be delineated in the field with flagging prior to our mobilization to the site. ECS cannot be responsible for disturbance of sensitive or restricted areas not identified in this manner.

Laboratory Testing

Upon completion of field exploration operations, the samples will be returned to our laboratory for further identification, visual classification, and testing. Laboratory testing may include the following:

LABORATORY TEST	QUANTITY
Natural Moisture Content	All Samples
Gradation Analysis & Hydrometer	2 Tests
Atterberg Limits	2 Tests

Engineering Report

Upon completion of the field exploration, laboratory testing, and engineering analyses, we will prepare a written engineering report that will include:

a. A review of published soils mapping and/or geologic information.
b. Observations from our site reconnaissance and personnel on the drill rig, including current site conditions, surface drainage features, and surface topographic conditions, and/or available satellite imagery.
c. A description of the field exploration and laboratory tests performed.
d. A site location diagram and a field exploration diagram.
e. Final logs of the soil borings in accordance with industry standard practices for geotechnical engineering. Elevations will be interpolated from civil drawings or referenced from topographic information that you supply.
f. The results of the laboratory tests will be plotted on the final exploration logs and/or included on separate test report pages.
g. Discussion of the subsurface materials encountered along with groundwater conditions observed.
h. Subsurface cross sections/profiles may be included that graphically represent the subsurface conditions.
i. Recommended preliminary flexible pavement (asphalt) and rigid pavement (concrete) based on estimated CBR values and estimated traffic loading.
j. Recommendations for additional subsurface exploration, laboratory testing, and/or consultation that may be required to complete the geotechnical assessment and engineering recommendations.

FEE

ECS will provide the services outlined in this proposal ("Base Services") for a lump sum fee of $ 4,500, plus any optional services authorized.

Our fee assumes that the site is accessible based upon our assumptions detailed in this proposal. If additional services are requested or required based on differing site conditions, we will contact you for verbal and written authorization to proceed with the additional services.

SCHEDULE

In preparing this proposal, we have assumed that the client will assist in the coordination of our access to the site with the current site owners/occupants. After authorization to proceed and notification that the appropriate on-site personnel have been informed, our schedule would be as follows:

- Field Work (Soil Boring and SPT Sampling): 15 days (±) from notice to proceed
- Laboratory Testing: 20 days (±) from notice to proceed
- Final Report: 25 days (±) from notice to proceed

CLOSING

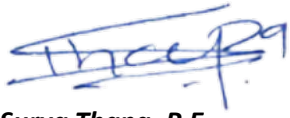

Our "Terms and Conditions of Service," are an integral part of our proposal. If other services are required because of unexpected field conditions, or because of a request for additional services, they will be invoiced in accordance with our current Fee Schedule. Before modifying or expanding the extent of our exploration program, we will contact you for your review and authorization.

Our insurance carrier requires that we receive written authorization prior to initiation of work and a signed contract prior to the release of any work product. This letter is the agreement for our services. If notice to proceed is provided verbally, through email, or by other means, the Client is bound by the terms and conditions attached to this proposal.

Your acceptance of this proposal may be indicated by signing and returning a copy of this proposal to us. We are pleased to have this opportunity to offer our services and look forward to working with you on the project.

1.0 INDEPENDENT CONSULTANT STATUS - ECS shall serve as an independent professional consultant to CLIENT for Service on the Project, identified above, and shall have control over, and responsibility for, the means and methods for providing the Services identified in the Proposal, including the retention of Subcontractors and Subconsultants

2.0 SCOPE OF SERVICES - It is understood that the fees, reimbursable expenses and time schedule defined in the Proposal are based on information provided by CLIENT and/or CLIENT'S contractors and consultants. CLIENT acknowledges that if this information is not current, is incomplete or inaccurate, if conditions are discovered that could not be reasonably foreseen, or if CLIENT orders additional services, the scope of services will change, even while the Services are in progress.

3.0 STANDARD OF CARE

3.1 In fulfilling its obligations and responsibilities enumerated in the Proposal, ECS shall be expected to comply with and its performance evaluated in light of the standard of care expected of professionals in the industry performing similar services on projects of like size and complexity at that time in the region (the "Standard of Care"). Nothing contained in the Proposal, the agreed-upon scope of Services, these Terms and Conditions of Service or any ECS report, opinion, plan or other document prepared by ECS shall constitute a warranty or guaranty of any nature whatsoever.

3.2 CLIENT understands and agrees that ECS will rely on the facts learned from data gathered during performance of Services as well as those facts provided by the CLIENT. CLIENT acknowledges that such data collection is limited to specific areas that are sampled, bored, tested, observed and/or evaluated. Consequently, CLIENT waives any and all claims based upon erroneous facts provided by the CLIENT, facts subsequently learned or regarding conditions in areas not specifically sampled, bored, tested, observed or evaluated by ECS.

3.3 If a situation arises that causes ECS to believe compliance with CLIENT'S directives would be contrary to sound engineering practices, would violate applicable laws, regulations or codes, or will expose ECS to legal claims or charges, ECS shall so advise CLIENT. If ECS' professional judgment is rejected, ECS shall have the right to terminate its Services in accordance with the provisions of Section 25.0, below.

3.4 If CLIENT decides to disregard ECS' recommendations with respect to complying with applicable Laws or Regulations, ECS shall determine if applicable law requires ECS to notify the appropriate public officials. CLIENT agrees that such determinations are ECS' sole right to make.

4.0 CLIENT DISCLOSURES

4.1 Where the Scope of Services requires ECS to penetrate a Site surface, CLIENT shall furnish and/or shall direct CLIENT'S consultant(s) or agent(s) to furnish ECS information identifying the type and location of utility lines and other man-made objects known, suspected, or assumed to be located beneath or behind the Site's surface. ECS shall be entitled to rely on such information for completeness and accuracy without further investigation, analysis, or evaluation.

4.2 "Hazardous Materials" shall include but not be limited to any substance that poses or may pose a present or potential hazard to human health or the environment whether contained in a product, material, by-product, waste, or sample, and whether it exists in a solid, liquid, semi-solid or gaseous form. CLIENT shall notify ECS of any known, assumed, or suspected regulated, contaminated, or other similar Hazardous Materials that may exist at the Site prior to ECS mobilizing to the Site.

4.3 If any Hazardous Materials are discovered, or are reasonably suspected by ECS after its Services begin, ECS shall be entitled to amend the scope of Services and adjust its fees to reflect the additional work or personal protective equipment and/or safety precautions required by the existence of such Hazardous Materials.

5.0 INFORMATION PROVIDED BY OTHERS - CLIENT waives, releases and discharges ECS from and against any claim for damage, injury or loss allegedly arising out of or in connection with errors, omissions, or inaccuracies in documents and other information in any form provided to ECS by CLIENT or CLIENT's agents, contractors, or consultants, including such information that becomes incorporated into ECS documents.

6.0 CONCEALED RISKS - CLIENT acknowledges that special risks are inherent in sampling, testing and/or evaluating concealed conditions that are hidden from view and/or neither readably apparent nor easily accessible, e.g., subsurface conditions, conditions behind a wall, beneath a floor, or above a ceiling. Such circumstances require that certain assumptions be made regarding existing conditions, which may not be verifiable without expending additional sums of money or destroying otherwise adequate or serviceable portions of a building or component thereof. Accordingly, ECS shall not be responsible for the verification of such conditions unless verification can be made by simple visual observation. Client agrees to bear any and all costs, losses, damages and expenses (including, but not limited to, the cost of ECS' Additional Services) in any way arising from or in connection with the existence or discovery of such concealed or unknown conditions.

7.0 RIGHT OF ENTRY/DAMAGE RESULTING FROM SERVICES

7.1 CLIENT warrants that it possesses the authority to grant ECS right of entry to the Site for the performance of Services. CLIENT hereby grants ECS and its subcontractors and/or agents, the right to enter from time to time onto the property in order for ECS to perform its Services. CLIENT agrees to indemnify and hold ECS harmless from any claims arising from allegations that ECS trespassed or lacked authority to access the Site.

7.2 CLIENT warrants that it possesses all necessary permits, licenses and/or utility clearances for the Services to be provided by ECS except where ECS' Proposal explicitly states that ECS will obtain such permits, licenses, and/or utility clearances.

7.3 ECS will take reasonable precautions to limit damage to the Site and its improvements during the performance of its Services. CLIENT understands that the use of exploration, boring, sampling, or testing equipment may cause minor, but common, damage to the Site. The correction and restoration of such common damage is CLIENT'S responsibility unless specifically included in ECS' Proposal.

7.4 CLIENT agrees that it will not bring any claims for liability or for injury or loss against ECS arising from (i) procedures associated with the exploration, sampling or testing activities at the Site, (ii) discovery of Hazardous Materials or suspected Hazardous Materials, or (iii) ECS' findings, conclusions, opinions, recommendations, plans, and/or specifications related to discovery of contamination.

8.0 UNDERGROUND UTILITIES

8.1 ECS shall exercise the Standard of Care in evaluating client-furnished information as well as information readily and customarily available from public utility locating services (the "Underground Utility Information") in its effort to identify underground utilities. The extent of such evaluations shall be at ECS' sole discretion.

8.2 CLIENT recognizes that the Underground Utility Information provided to or obtained by ECS may contain errors or be incomplete. CLIENT understands that ECS may be unable to identify the locations of all subsurface utility lines and man-made features.

8.3 CLIENT waives, releases, and discharges ECS from and against any claim for damage, injury or loss allegedly arising from or related to subterranean structures (pipes, tanks, cables, or other utilities, etc.) which are not called to ECS' attention in writing by CLIENT, not correctly shown on the Underground Utility Information and/or not properly marked or located by the utility owners, governmental or quasi-governmental locators, or private utility locating services as a result of ECS' or ECS' subcontractor's request for utility marking services made in accordance with local industry standards.

9.0 SAMPLES

9.1 Soil, rock, water, building materials and/or other samples and sampling by-products obtained from the Site are and remain the property of CLIENT. Unless other arrangements are requested by CLIENT and mutually agreed upon by ECS in writing, ECS will retain samples not consumed in laboratory testing for up to sixty (60) calendar days after the issuance of any document containing data obtained from such samples. Samples consumed by laboratory testing procedures will not be stored.

9.2 Unless CLIENT directs otherwise, and excluding those issues covered in Section 10.0, CLIENT authorizes ECS to dispose of CLIENT'S non-hazardous samples and sampling or testing process by-products in accordance with applicable laws and regulations.

10.0 ENVIRONMENTAL RISKS

10.1 When Hazardous Materials are known, assumed, suspected to exist, or discovered at the Site, ECS will endeavor to protect its employees and address public health, safety, and environmental issues in accordance with the Standard of Care. CLIENT agrees to compensate ECS for such efforts.

10.2 When Hazardous Materials are known, assumed, or suspected to exist, or discovered at the Site, ECS and/or ECS' subcontractors will exercise the Standard of Care in containerizing and labeling such Hazardous Materials in accordance with applicable laws and regulations, and will leave the containers on Site. CLIENT is responsible for the retrieval, removal, transport and disposal of such contaminated samples, and sampling process byproducts in accordance with applicable law and regulation.

10.3 Unless explicitly stated in the Scope of Services, ECS will neither subcontract for nor arrange for the transport, disposal, or treatment of Hazardous Materials. At CLIENT'S written request, ECS may assist CLIENT in identifying appropriate alternatives for transport, off-site treatment, storage, or disposal of such substances, but CLIENT shall be solely responsible for the final selection of methods and firms to provide such services. CLIENT shall sign all manifests for the disposal of substances affected by contaminants and shall otherwise exercise prudence in arranging for lawful disposal.

10.4 In those instances where ECS is expressly retained by CLIENT to assist CLIENT in the disposal of Hazardous Materials, samples, or wastes as part of the Proposal, ECS shall do so only as CLIENT'S agent (notwithstanding any other provision of this AGREEMENT to the contrary). ECS will not assume the role of, nor be considered a generator, storer, transporter, or disposer of Hazardous Materials.

10.5 Subsurface sampling may result in unavoidable cross-contamination of certain subsurface areas, as when a probe or excavation/boring device moves through a contaminated zone and links it to an aquifer, underground stream, pervious soil stratum, or other hydrous body not previously contaminated, or connects an uncontaminated zone with a contaminated zone. Because sampling is an essential element of the Services indicated herein, CLIENT agrees this risk cannot be eliminated. Provided such services were performed in accordance with the Standard of Care, CLIENT waives, releases and discharges ECS from and against any claim for damage, injury, or loss allegedly arising from or related to such cross-contamination.

10.6 CLIENT understands that a Phase I Environmental Site Assessment (ESA) is conducted solely to permit ECS to render a professional opinion about the likelihood of the site having a Recognized Environmental Condition on, in, beneath, or near the Site at the time the Services are conducted. No matter how thorough a Phase I ESA study may be, findings derived from its conduct are highly limited and ECS cannot know or state for an absolute fact that the Site is unaffected or adversely affected by one or more Recognized Environmental Conditions. CLIENT represents and warrants that it understands the limitations associated with Phase I ESAs.

11.0 OWNERSHIP OF DOCUMENTS

11.1 ECS shall be deemed the author and owner (or licensee) of all documents, technical reports, letters, photos, boring logs, field data, field notes, laboratory test data, calculations, designs, plans, specifications, reports, or similar documents and estimates of any kind furnished by it [the "Documents of Service"] and shall retain all common law, statutory and other reserved rights, including copyrights. CLIENT shall have a limited, non-exclusive license to use copies of the Documents of Service provided to it in connection with the Project for which the Documents of Service are provided until the completion of the Project.

11.2 ECS' Services are performed and Documents of Service are provided for the CLIENT'S sole use. CLIENT understands and agrees that any use of the Documents of Service by anyone other than the CLIENT, it's licensed consultants and its contractors is not permitted. CLIENT further agrees to indemnify and hold ECS harmless for any errors, omissions or damage resulting from its contractors' use of ECS' Documents of Service.

11.3 CLIENT agrees to not use ECS' Documents of Service for the Project if the Project is subsequently modified in scope, structure or purpose without ECS' prior written consent. Any reuse without ECS' written consent shall be at CLIENT'S sole risk and without liability to ECS or to ECS' subcontractor(s). CLIENT agrees to indemnify and hold ECS harmless for any errors, omissions or damage resulting from its use of ECS' Documents of Service after any modification in scope, structure or purpose.

11.4 CLIENT agrees to not make any modification to the Documents of Service without the prior written authorization of ECS. To the fullest extent permitted by law, CLIENT agrees to indemnify, defend, and hold ECS harmless from any damage, loss, claim, liability or cost (including reasonable attorneys' fees and defense costs) arising out of or in connection with any unauthorized modification of the Documents of Service by CLIENT or any person or entity that acquires or obtains the Documents of Service from or through CLIENT. CLIENT represents and warrants that the Documents of Service shall be used only as submitted by ECS.

12.0 SAFETY

12.1 Unless expressly agreed to in writing in its Proposal, CLIENT agrees that ECS shall have no responsibility whatsoever for any aspect of site safety other than for its own employees. Nothing herein shall be construed to relieve CLIENT and/or its contractors, consultants or other parties from their responsibility for site safety. CLIENT also represents and warrants that the General Contractor is solely responsible for Project site safety and that ECS personnel may rely on the safety measures provided by the General Contractor.

12.2 In the event ECS assumes in writing limited responsibility for specified safety issues, the acceptance of such responsibilities does not and shall not be deemed an acceptance of responsibility for any other non-specified safety issues, including, but not limited to those relating to excavating, trenching, shoring, drilling, backfilling, blasting, or other construction activities.

13.0 CONSTRUCTION TESTING AND REMEDIATION SERVICES

13.1 CLIENT understands that construction testing and observation services are provided in an effort to reduce, but cannot eliminate, the risk of problems arising during or after construction or remediation. CLIENT agrees that the provision of such Services does not create a warranty or guarantee of any type.

13.2 Monitoring and/or testing services provided by ECS shall not in any way relieve the CLIENT'S contractor(s) from their responsibilities and obligations for the quality or completeness of construction as well as their obligation to comply with applicable laws, codes, and regulations.

13.3 ECS has no responsibility whatsoever for the means, methods, techniques, sequencing or procedures of construction selected, for safety precautions and programs incidental to work or services provided by any contractor or other consultant. ECS does not and shall not have or accept authority to supervise, direct, control, or stop the work of any contractor or consultant or any of their subcontractors or subconsultants.

13.4 ECS strongly recommends that CLIENT retain ECS to provide construction monitoring and testing services on a full time basis to lower the risk of defective or incomplete Work being installed by CLIENT'S contractor(s). If CLIENT elects to retain ECS on a part time basis for any aspect of construction monitoring and/or testing, CLIENT accepts the risks that a lower level of construction quality may occur and that defective or incomplete work may result and not be detected by ECS' part time monitoring and testing. Unless the CLIENT can show that the error or omission is contained in ECS' reports, CLIENT waives, releases and discharges ECS from and against any other claims for errors, omissions, damages, injuries, or loss alleged to arise from defective or incomplete work that was monitored or tested by ECS on a part time basis. Except as set forth in the preceding sentence, CLIENT agrees to indemnify and hold ECS harmless from all damages, costs, and attorneys' fees, for any claims alleging errors, omissions, damage, injury or loss allegedly resulting from Work that was monitored or tested by ECS on a part time basis.

14.0 CERTIFICATIONS - CLIENT may request, or governing jurisdictions may require, ECS to provide a "certification" regarding the Services provided by ECS. Any "certification" required of ECS by the CLIENT or jurisdiction(s) having authority over some or all aspects of the Project shall consist of ECS' inferences and professional opinions based on the limited sampling, observations, tests, and/or analyses performed by ECS at discrete locations and times. Such "certifications" shall constitute ECS' professional opinion of a condition's existence, but ECS does not guarantee that such condition exists, nor does it relieve other parties of the responsibilities or obligations such parties have with respect to the possible existence of such a condition. CLIENT agrees it cannot make the resolution of any dispute with ECS or payment of any amount due to ECS contingent upon ECS signing any such "certification."

15.0 BILLINGS AND PAYMENTS

15.1 Billings will be based on the unit rates, plus travel costs, and other reimbursable expenses as stated in the Professional Fees section of the Proposal. Any Estimate of Professional Fees stated in these Terms shall not be considered as a not-to-exceed or lump sum amount unless otherwise explicitly stated. CLIENT understands and agrees that even if ECS agrees to a lump sum or not-to-exceed amount, that amount shall be limited to number of hours, visits, trips, tests, borings, or samples stated in the Proposal.

15.2 CLIENT agrees that all Professional Fees and other unit rates shall be adjusted annually to account for inflation based on the most recent 12-month average of the Consumer Price Index (CPI-U) for all items as established by www.bls.gov when the CPI-U exceeds an annual rate of 2.0%.

15.3 Should ECS identify a Changed Condition(s), ECS shall notify the CLIENT of the Changed Condition(s). ECS and CLIENT shall promptly and in good faith negotiate an amendment to the Scope of Services, Professional Fees, and time schedule.

15.4 CLIENT recognizes that time is of the essence with respect to payment of ECS' invoices, and that timely payment is a material consideration for this agreement. All payment shall be in U.S. funds drawn upon U.S. banks and in accordance with the rates and charges set forth in the Professional Fees. Invoices are due and payable upon receipt.

15.5 If CLIENT disputes all or part of an invoice, CLIENT shall provide ECS with written notice stating in detail the facts of the dispute within fifteen (15) calendar days of the invoice. CLIENT agrees to pay the undisputed amount of such invoice promptly.

15.6 ECS reserves the right to charge CLIENT an additional charge of one-and-one-half (1.5) percent (or the maximum percentage allowed by Law, whichever is lower) of the invoiced amount per month for any payment received by ECS more than thirty (30) calendar days from the date of the invoice, excepting any portion of the invoiced amount in dispute. All payments will be applied to accrued interest first and then to the unpaid principal amount. Payment of invoices shall not be subject to unilateral discounting or set-offs by CLIENT.

15.7 CLIENT agrees that its obligation to pay for the Services is not contingent upon CLIENT'S ability to obtain financing, zoning, approval of governmental or regulatory agencies, permits, final adjudication of a lawsuit, CLIENT'S successful completion of the Project, settlement of a real estate transaction, receipt of payment from CLIENT'S client, or any other event unrelated to ECS provision of Services. Retainage shall not be withheld from any payment, nor shall any deduction be made from any invoice on account of penalty, liquidated damages, or other sums incurred by CLIENT. It is agreed that all costs and legal fees including actual attorney's fees, and expenses incurred by ECS in obtaining payment under this Agreement, in perfecting or obtaining a lien, recovery under a bond, collecting any delinquent amounts due, or executing judgments, shall be reimbursed by CLIENT.

15.8 Unless CLIENT has provided notice to ECS in accordance with Section 16.0 of these Terms, payment of any invoice by the CLIENT shall mean that the CLIENT is satisfied with ECS' Services and is not aware of any defects in those Services.

16.0 DEFECTS IN SERVICE

16.1 CLIENT, its personnel, its consultants, and its contractors shall promptly inform ECS during active work on any project of any actual or suspected defects in the Services so to permit ECS to take such prompt, effective remedial measures that in ECS' opinion will reduce or eliminate the consequences of any such defective Services. The correction of defects attributable to ECS' failure to perform in accordance with the Standard of Care shall be provided at no cost to CLIENT. However, ECS shall not be responsible for the correction of any deficiency attributable to CLIENT-furnished information, the errors, omissions, defective materials, or improper installation of materials by CLIENT's personnel, consultants or contractors, or work not observed by ECS. CLIENT shall compensate ECS for the costs of correcting such defects.

16.2 Modifications to reports, documents and plans required as a result of jurisdictional reviews or CLIENT requests shall not be considered to be defects. CLIENT shall compensate ECS for the provision of such Services.

17.0 INSURANCE - ECS represents that it and its subcontractors and subconsultants maintain Workers Compensation insurance, and that ECS is covered by general liability, automobile and professional liability insurance policies in coverage amounts it deems reasonable and adequate. ECS shall furnish certificates of insurance upon request. The CLIENT is responsible for requesting specific inclusions or limits of coverage that are not present in ECS insurance package. The cost of such inclusions or coverage increases, if available, will be at the expense of the CLIENT.

18.0 LIMITATION OF LIABILITY

18.1 CLIENT AGREES TO ALLOCATE CERTAIN RISKS ASSOCIATED WITH THE PROJECT BY LIMITING ECS' TOTAL LIABILITY TO CLIENT ARISING FROM ECS' PROFESSIONAL LIABILITY, I.E. PROFESSIONAL ACTS, ERRORS, OR OMISSIONS AND FOR ANY AND ALL CAUSES INCLUDING NEGLIGENCE, STRICT LIABILITY, BREACH OF CONTRACT, OR BREACH OF WARRANTY, INJURIES, DAMAGES, CLAIMS, LOSSES, EXPENSES, OR CLAIM EXPENSES (INCLUDING REASONABLE ATTORNEY'S FEES) RELATING TO PROFESSIONAL SERVICES PROVIDED UNDER THIS AGREEMENT TO THE FULLEST EXTENT PERMITTED BY LAW. THE ALLOCATION IS AS FOLLOWS.

18.1.1 If the proposed fees are $10,000 or less, ECS' total aggregate liability to CLIENT shall not exceed $20,000, or the total fee received for the services rendered, whichever is greater.

18.1.2 If the proposed fees are in excess of $10,000, ECS' total aggregate liability to CLIENT shall not exceed $50,000, or two (2) times the total fee for the services rendered, whichever is greater.

18.2 CLIENT agrees that ECS shall not be responsible for any injury, loss or damage of any nature, including bodily injury and property damage, arising directly or indirectly, in whole or in part, from acts or omissions by the CLIENT, its employees, agents, staff, consultants, contractors, or subcontractors to the extent such injury, damage, or loss is caused by acts or omissions of CLIENT, its employees, agents, staff, consultants, contractors, subcontractors or person/entities for whom CLIENT is legally liable.

18.3 CLIENT agrees that ECS' liability for all non-professional liability arising out of this agreement or the services provided as a result of the Proposal be limited to $500,000.

19.0 INDEMNIFICATION

19.1 Subject Section 18.0, ECS agrees to hold harmless and indemnify CLIENT from and against damages arising from ECS' negligent performance of its Services, but only to the extent that such damages are found to be caused by ECS' negligent acts, errors or omissions, (specifically excluding any damages caused by any third party or by the CLIENT.) ECS does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, or any other statute.

19.2 To the fullest extent permitted by Law, CLIENT agrees to indemnify, and hold ECS harmless from and against any and all liability, claims, damages, demands, fines, penalties, costs and expenditures (including reasonable attorneys' fees and costs of litigation defense and/or settlement) ["Damages"] caused in whole or in part by the negligent acts, errors, or omissions of the CLIENT or CLIENT'S employees, agents, staff, contractors, subcontractors, consultants, and clients, provided such Damages are attributable to: (a) the bodily injury, personal injury, sickness, disease and/or death of any person; (b) the injury to or loss of value to tangible personal property; or (c) a breach of these Terms. The foregoing indemnification shall not apply to the extent such Damage is found to be caused by the sole negligence, errors, omissions or willful misconduct of ECS.

19.3 It is specifically understood and agreed that in no case shall ECS be required to pay an amount of Damages disproportional to ECS' culpability. **IF CLIENT IS A HOMEOWNER, HOMEOWNERS' ASSOCIATION, CONDOMINIUM OWNER, CONDOMINIUM OWNER'S ASSOCIATION, OR SIMILAR RESIDENTIAL OWNER, ECS RECOMMENDS THAT CLIENT RETAIN LEGAL COUNSEL BEFORE ENTERING INTO THIS AGREEMENT TO EXPLAIN CLIENT'S RIGHTS AND OBLIGATIONS HEREUNDER, AND THE LIMITATIONS, AND RESTRICTIONS IMPOSED BY THIS AGREEMENT. CLIENT AGREES THAT FAILURE OF CLIENT TO RETAIN SUCH COUNSEL SHALL BE A KNOWING WAIVER OF LEGAL COUNSEL AND SHALL NOT BE ALLOWED ON GROUNDS OF AVOIDING ANY PROVISION OF THIS AGREEMENT.**

19.4 **IF CLIENT IS A RESIDENTIAL BUILDER OR RESIDENTIAL DEVELOPER, CLIENT SHALL INDEMNIFY AND HOLD HARMLESS ECS AGAINST ANY AND ALL CLAIMS OR DEMANDS DUE TO INJURY OR LOSS INITIATED BY ONE OR MORE HOMEOWNERS, UNIT-OWNERS, OR THEIR HOMEOWNER'S ASSOCIATION, COOPERATIVE BOARD, OR SIMILAR GOVERNING ENTITY AGAINST CLIENT WHICH RESULTS IN ECS BEING BROUGHT INTO THE DISPUTE.**

20.0 CONSEQUENTIAL DAMAGES

20.1 CLIENT shall not be liable to ECS and ECS shall not be liable to CLIENT for any consequential damages incurred by either due to the fault of the other or their employees, consultants, agents, contractors or subcontractors, regardless of the nature of the fault or whether such liability arises in breach of contract or warranty, tort, statute, or any other cause of action. Consequential damages include, but are not limited to, loss of use and loss of profit.

20.2 ECS shall not be liable to CLIENT, or any entity engaged directly or indirectly by CLIENT, for any liquidated damages due to any fault, or failure to act, in part or in total by ECS, its employees, agents, or subcontractors.

21.0 SOURCES OF RECOVERY

21.1 All claims for damages related to the Services provided under this agreement shall be made against the ECS Entity contracting with the CLIENT for the Services, and no other person or entity. CLIENT agrees that it shall not name any affiliated entity including parent, peer, or subsidiary entity or any individual officer, director, or employee of ECS, specifically including its professional engineers and geologists.

21.2 In the event of any dispute or claim between CLIENT and ECS arising out of in connection with the Project and/or the Services, CLIENT and ECS agree that they will look solely to each other for the satisfaction of any such dispute or claim. Moreover, notwithstanding anything to the contrary contained in any other provision herein, CLIENT and ECS' agree that their respective shareholders, principals, partners, members, agents, directors, officers, employees, and/or owners shall have no liability whatsoever arising out of or in connection with the Project and/or Services provided hereunder. 22.0 THIRD PARTY CLAIMS EXCLUSION - CLIENT and ECS agree that the Services are performed solely for the benefit of the CLIENT and are not intended by either CLIENT or ECS to benefit any other person or entity. To the extent that any other person or entity is benefited by the Services, such benefit is purely incidental and such other person or entity shall not be deemed a third party beneficiary to the AGREEMENT. No third-party shall have the right to rely on ECS' opinions rendered in connection with ECS' Services without written consent from both CLIENT and ECS, which shall include, at a minimum, the third-party's agreement to be bound to the same Terms and Conditions contained herein and third-party's agreement that ECS' Scope of Services performed is adequate.

The parties shall arrange a mutually convenient time for the senior representative of each party to meet. Such meeting shall occur within fifteen (15) days of either party's written request for executive negotiation or as otherwise mutually agreed. Should this meeting fail to result in a mutually agreeable plan for resolution of the Dispute, CLIENT and ECS agree that either party may bring litigation.

23.2 CLIENT shall make no claim (whether directly or in the form of a third-party claim) against ECS unless CLIENT shall have first provided ECS with a written certification executed by an independent engineer licensed in the jurisdiction in which the Project is located, reasonably specifying each and every act or omission which the certifier contends constitutes a violation of the Standard of Care. Such certificate shall be a precondition to the institution of any judicial proceeding and shall be provided to ECS thirty (30) days prior to the institution of such judicial proceedings.

23.3 Litigation shall be instituted in a court of competent jurisdiction in the county or district in which ECS' office contracting with the CLIENT is located. The parties agree that the law applicable to these Terms and the Services provided pursuant to the Proposal shall be the laws of the Commonwealth of Virginia, but excluding its choice of law rules. Both parties shall promptly and in good faith attempt to identify a cure for the alleged breach or present facts showing the absence of such breach. If a cure can be agreed to or the matter otherwise resolved within thirty (30) calendar days from the date of the termination notice, the parties shall commit their understandings to writing and termination shall not occur.

24.2 Either party may waive any right provided by these Terms in curing an actual or alleged breach; however, such waiver shall not affect future application of such provision or any other provision.

30.2 These Terms and Conditions of Service together with the Proposal, including all exhibits, appendixes, and other documents appended to it, constitute the entire agreement between CLIENT and ECS. OHIO HIGH SCHOOL ATHLETIC ASSOCIATION

Doug Ute, Executive Director

January 2026

The Ohio High School Athletic Association's Constitution requires the Board of Education or similar governing board (in a non-public school/system) to annually adopt a resolution authorizing their schools that were members during the 2025-26 school year to **continue** membership for the 2026-27 school year. Once your Board of Education or similar governing body has passed this resolution for continued membership, the enclosed "Board of Education Resolution Card" needs to be completed and returned per the enclosed instructions.

Membership Terms:

Membership in the Ohio High School Athletic Association is also an agreement by all schools listed on the back of the card to conduct their athletic programs of OHSAA sponsored sports in accordance with the Constitution, Bylaws, and General/Sport-specific Regulations of the Ohio High School Athletic Association and the interpretations and decisions of the OHSAA staff. Participation in sponsored tournaments is voluntary and membership is also an agreement to abide by all tournament regulations when participating. This also means that member schools agree to their respective tournament assignment and accept that all decisions by contest officials – whether in regular season contests or tournament contests – are final. The Bylaws and Regulations are approved annually by the member schools and are made available to each member school through the annual publication of the OHSAA Handbook. It is also important to note that Member high schools that wish to have the privilege of continued full membership in the OHSAA must meet the requirements within Constitution Article 3-3-4, which currently require:

- **Must sponsor a minimum of one OHSAA Sanctioned interscholastic sport per sport season, but a total of six during the school year**
- **Compete in at least 50% of the maximum allowable regular season contests permitted in team sports**
- **Participate in OHSAA post season tournaments in the minimum of one sport sponsored by the school, but six total for the school year (High School membership only)**

Membership Dues:

Per a recommendation by the Executive Director's Office, the OHSAA Board of Directors has instituted the following membership dues for high schools for the 2026-27 school year:

High School Membership Dues: $50/sport **7/8 Grade Schools Membership Dues: No membership dues**

Once the enclosed Board Resolution Card is received by the Executive Director's Office, each high school will be invoiced for its membership dues later on during the 2026-27 school year.

Scheduling Board Meeting:

Continued membership in the OHSAA requires adoption of the resolution for the schools on the enclosed card by your Board of Education or similar governing body. The card must be received no later than **June 30, 2026,** to ensure continued membership. Therefore, please add this item to the agenda for an upcoming board meeting.

1. STATEMENT OF WORK

The University of Akron, hereinafter called **The University**, will collaborate with the **Brecksville-Broadview Hts City School District**, hereinafter called **The District**, to provide instructional services to qualifying students for University Credit.

2. THE PROGRAM

This College Credit Plus program is available to qualified students enrolled in The District. It is not intended to be a substitute for the academic programs, social growth opportunities, or other educational experiences provided by Ohio's schools. Rather, it is designed to provide enhanced access to university curricula for qualified students. This program hopes to increase the university attendance rate in The University's region by making university courses more readily available.

3. PARTICULARS

A. Instructional Services: Unless otherwise agreed by the parties, College Credit Plus courses will be taught in one of five formats:

A1. High School Teacher as Adjunct - Members of the high school faculty who are determined by The University and the discipline specific departments to qualify as adjunct faculty may teach a University course (using a University syllabus and University textbooks and examinations) for students through College Credit Plus as determined by The University. The class will simultaneously carry University and high school credit.

A2. On-Line Course Delivery - A member of the University faculty (as determined by The University) may teach a course on-line for qualified students through College Credit Plus. The class will simultaneously carry University and high school credit.

A3. Distance Learning Delivery - A member of the University faculty (as determined by The University) may teach a course via Distance Learning for qualified students through College Credit Plus. The class will simultaneously carry University and high school credit.

A4. UA Faculty to High School Site - A member of the University faculty (as determined by The University) may teach a course at the high school site for qualified students through College Credit Plus. The University and The District will agree upon a minimum enrollment to offer the class and The University reserves the right to cancel a class due to low enrollment. The class will simultaneously carry University and high school credit.

A5. High School Student to UA Campus (Any Site) – Qualified students may take a course on the campus of The University through College Credit Plus. This format includes hybrid courses with both an on-campus and online component. The class will simultaneously carry University and high school credit.

B. All required textbooks, including access codes for e-books and laboratory equipment and materials for science courses instructed at the high school, will be the responsibility of the school district.

C. Student Participation: Students interested in participating in this program must apply to The University for College Credit Plus. Determination of qualification will be made according to the standards of The University. Qualifying students will be eligible to enroll in these College Credit Plus classes for the fall, spring and summer semesters. Students must work with the Guidance Office at The District to ensure their high school requirements and District policies for graduation are satisfied.

Students will also be required to work closely with their University academic adviser to assure that all deadlines and requirements are met.

Students seeking accommodations for ADA will be required to be assessed through The University of Akron Office of Accessibility. Resources will be determined by the Office of Accessibility based on submitted documentation and assessment.

Students must remain eligible to continue to participate in the College Credit Plus program based on the State of Ohio guidelines.

4. CURRICULUM

A. Course Schedule: Courses offered at The District will be determined by The District AND The University and will fall within the State of Ohio guidelines. Initial discussions regarding the course schedule for the upcoming school year will take place at meetings with the appropriate personnel from The University and The District. Changes to the course schedule will be made only upon agreement of both parties.

B. Credit Hour Requirements: Courses offered at The District must meet the minimum number of “seat time” hours as determined by the credit hours for the course. A three-credit hour course must meet the equivalent of 150 minutes per week for fifteen weeks, for a total of 2,250 minutes for the semester. A four-credit hour course must meet the equivalent of 200 minutes per week for fifteen weeks, for a total of 3,000 minutes for the semester. Class time missed for holidays or teacher in-service days not observed by The University must be made up.

C. Class Composition: All students in a class offered through College Credit Plus at The District must qualify for and be enrolled through College Credit Plus.

D. Courses will explicitly follow University course syllabi and include all required exams, assignments and student learning assessments, and final grades must be submitted by the specified deadline set by the University. Course instructors will maintain all privileges, responsibilities, and expectations as a University adjunct faculty member, including in-class evaluations by University personnel and student course evaluations.

Between

Cuyahoga Community College District and Brecksville-Broadview Heights City School District

This Memorandum of Understanding ("MOU") is entered into as of February 1, 2026, between Cuyahoga Community College District ("College") with an address at 700 Carnegie Avenue, Cleveland, Ohio 44115 and Brecksville-Broadview Heights City School District ("School District") with an address at 6380 Mill Road, Broadview Heights, Ohio 44147 (individually a "Party" and collectively, "the Parties")

RECITALS

WHEREAS, Ohio House Bill 487, which includes the College Credit Plus program ("Program"), was signed into law by Governor John Kasich on June 16, 2014; and,

WHEREAS, the College Credit Plus program governs arrangements in which a secondary grade student enrolls in a college and, upon successful completion of coursework taken under the Program, receives transcripted credit from the College and the high school; and,

Now, therefore the Parties agree as follows simultaneously:

A. Student Eligibility:

1. All College ready students, grades 7 – 12, who qualify for College admission are eligible to participate.
2. Students, or their parents, must inform the School District, via the student's principal or equivalent, by the first day of April of the student's intent to participate in the Program the next semester or full school year or by the first day of November of the student's intent to participate for the following semester.

3365.03.

B. The School District will:

1. Provide students enrolled in grades six through eleven with information about the Program prior to the 15th day of February each year.
2. Provide Counseling to students and their parents before the student participates in the Program to ensure the students and parents are aware of possible consequences and benefits of the Program. Counseling shall include, but not be limited to:

    b. Course eligibility rules;
    c. Allowable credit hours;
    d. Athletic eligibility;

4. Schedule an informational session each school year to allow College personnel to meet with interested students and parents.
5. Implement a policy for awarding grades and calculating class standing for courses taken in the Program.
6. Develop and publish model course pathways and include such pathways in the School District's official list of courses offered through the Program. Incorporate Tri-C career pathways information, as made available.
7. Verify participants[3] are not taking more than thirty (30) college credit hours per academic

[3] R.C. 3365.01(M) defines participant as, "any student enrolled in a college under the program established by this

year and not more than one hundred and twenty (120) college credits at the College during high school.

8. Develop a process according to department rules to identify students who are economically disadvantaged.
9. Annually collect, report and track data related to the Program pursuant to R.C. 3365.15.

C. The College will:

1. Follow established standards and procedures for the admission of participants. Specifically, the College will:
    a. Consider all available student data (e.g., grade point average, end of course examinations, etc.) to determine college readiness.
    b. Give priority to its current enrolled individuals regarding enrollment in courses. However, once a participant has been accepted into a course at the College, the College shall not displace the participant for another currently enrolled individual.
    c. Adhere to all capacity limitations that the College has established for specific courses.
2. Notify participant, participant's parent, participant's secondary school and superintendent of School District, not later than fourteen (14) calendar days prior to the first day of classes of the term, of participant's admission to the College and to specific course(s) in the Program.

7. Assign a counselor as an academic advisor who is employed by the College to each participant enrolled in the College. The College shall ensure that the participant and counselor meet at least once to discuss the Program and enrolled courses prior to the date on which withdrawal from a course would negatively affect a participant's grade as reflected on a formal

chapter." Therefore, any time the word participant is used in this MOU, it refers to a student who is enrolled at Cuyahoga Community College through the College Credit Plus program. The use of the word student refers to an individual who is not yet enrolled at Cuyahoga Community College.

transcript.

8. Require each participant to complete an orientation that meets the guidelines issued by the chancellor and department.
9. If the teachers who are teaching Program courses at the School District are employees of the School District, the College will:
    a. Provide at least one, three-hour professional development session per school year.
    b. Provide training and online support for the College's Learning Management System (LMS.)

10. Annually collect, report and track data related to the Program pursuant to R.C. 3365.15.
11. Commit to making higher education accessible to all eligible students with disabilities. The Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 (ADA) mandate that colleges and post-secondary institutions ensure that qualified students with disabilities not be denied participation in, or the benefits of, post-secondary education. However, the Individuals with Disabilities Education Act (IDEA) as observed in a secondary school setting, is not applicable to institutions of higher education such as the College. The College recommends College Credit Plus students that may have a documented disability work directly with the Student Accessibility Services office directly to create a plan for accommodation.
12. Not change course content and/or expectations for students participating in the College Credit Plus program. Courses may require College Credit Plus program participants to work with individuals in a class as part of a team or project. Course work may also require meeting with classmates outside of the classroom or off campus. Course subject matter may include adult themes and content. Course content will not be modified to accommodate the age of College Credit Plus participants.

D. Financial Expectations.

1. The College will use a tiered model for Program costs modeled after R.C. Chapter 3365 prescribed minimums. The College will work with faculty to keep textbooks affordable and, when appropriate, open-source texts and recent editions will be suggested.
2. For courses offered at the College, the department shall reimburse the College eighty dollars ($80) per credit hour. The School District is responsible for the first fifty dollars ($50) for each textbook. For purposes of this MOU, "textbook" is defined as any literature, reading material and/or publication that a professor, teacher, faculty member or instructor requires for a course. A "textbook" can be any media including but not limited to print, e-book, electronic book, rental book, hard copy printouts and electronic printouts, regardless of if the "textbooks" are purchased outright, financed, leased, rented or any other means of

payment required by the College, publisher and/or book dealer.

a. Unused textbooks must be returned to the College Bookstore no longer than 7 weeks after the start of the full term and 5 weeks after the start of "O" session. If unused books are not received, the district will be charged for all books that were shipped.

3. For courses offered at the School District and taught by a College instructor, the department shall reimburse the College forty-one dollars and sixty-four cents ($41.64) per credit hour. The School District is responsible for the first fifty dollars ($50) for each textbook.

4. For courses offered at the School District and taught by appropriately qualified School District teachers, the department shall reimburse the College forty-one dollars and sixty-four cents ($41.64) per credit hour. The School District is responsible for the first fifty dollars ($50) for each textbook.

5. Participant shall not be charged for any tuition, textbooks, or other fees to participate in the Program unless the participant, pursuant to R.C. 3365.06(A), elects at the time of enrollment to be responsible for payment of all tuition and the cost of all textbooks, materials, and fees associated with the course.

6. Public, private, and homeschool participants that opt to self-pay are not eligible to receive the College's discounted textbook rate.

7. If the participant does not complete the College course or does not attain a passing final grade in the College course which the participant is enrolled under the College Credit Plus program, the superintendent or equivalent of the School District may seek reimbursement from the participant or the participant's parent(s) for the amount of state funds paid to the College on behalf of the participant for that College course. The School District may not seek reimbursement from participants it has identified as economically disadvantaged.

E. Courses. All courses offered by the College under the Program shall be the same courses that are included in the College's course catalogue for college-level, non-remedial courses and shall apply to at least one degree or professional certification at the College.

F. Instructor Credentials. Each instructor teaching a course under the Program shall meet the credential requirements set forth in guidelines and procedures established by the Higher Learning Commission accreditation guidelines and procedures, including any alternative credentialing process, established by the chancellor. If the guidelines require School District teachers to take any additional graduate-level coursework in order to meet the credential requirements, that coursework shall be applicable to continuing education and professional development requirements for the renewal of the School District teacher's educator license.

b. This requirement does not apply to any spouse who works less than thirty (30) hours per week AND is required to pay more than fifty percent (50%) of the single premium to participate in his/her employer's group health insurance coverage and/or prescription drug insurance coverage. This requirement also does not apply to any spouse who is a retiree under a public retirement plan and enrolled in Medicare coverage.

c. Upon the spouse's enrollment in any such employer (or public retirement plan) sponsored group insurance coverage, that coverage will become the primary payor of benefits, and the coverage sponsored by the Board of Education will become the secondary payor of benefits. However, if the District moves to a three or four tiered structure, the spouse will not be permitted onto the group health plan.

e. If the employee submits false information or fails to timely advise the Plan of a change in his/her spouse's eligibility for employer (or public retirement plan) sponsored group health insurance and/or prescription drug insurance, and such false information or such failure by the employee results in the Plan providing benefits to which the employee's spouse is not entitled, the employee will be personally liable to the Plan for reimbursement of benefits and expenses, including attorneys' fees and costs, incurred by the Plan. Any amount to be reimbursed by the employee may be deducted from the benefits to which the employee would otherwise be entitled. In addition, the employee's spouse will be terminated immediately from group health insurance and/or prescription drug insurance coverage under the Plan. If the employee submits false information, the employee may be subject to disciplinary action by the Board, up to and including termination of employment.

I. Payment in Lieu of Insurance Coverage

a. An administrator may elect not to receive the Medical/Hospitalization, Prescription insurance coverage provided above and instead elect to receive additional compensation of $2,000 per year, less applicable payroll deductions, to be paid the first pay in October the following year. In order to elect this option and receive this additional compensation, the administrator must, during the enrollment period (September 1 through September 21) in a given year, complete, sign and file with the Treasurer/CFO of the Board a form indicating his/her election. Once this election is made, it shall remain in effect and the administrator shall not be entitled to receive the coverage provided above for the duration of the one-year period. In the event of a change in the administrator's circumstances (e.g., divorce, death of spouse, spouse loses insurance coverage) after this election has been made, the administrator may elect to receive the insurance coverage after a three (3) month waiting period. There shall be no pre-existing condition exclusion for any administrator who re-enters the insurance program provided above after originally electing not to participate in said program.

J. Vacation Days

a. 20 days for all 260 day employees -- No vacation for administrators who work fewer than 260 days annually. Exceptions may be noted in individual contracts. Two hundred and sixty day administrators with twelve (12) years of administrative experience with the district shall receive 25 days of vacation.

b. Earned vacation days are to be used August through July of each year. An administrator may elect to either be paid for accrued unused vacation, or may

carryover the accrued unused portion of vacation.

i. All vacation days carried over shall be used by December 31 of each year.
ii. Administrators may convert up to ten (10) days for cash payment through submission of the vacation payout form in the online portal.
iii. Accrued unused vacation days will be paid in the first pay in December (during the contract year) and/or the first pay in August (following the conclusion of the contract year) as requested by the administrator.

In the event an administrator's employment is terminated during the contract year, vacation days will be prorated, and unused (prorated) vacation will be paid. Vacation used in excess of the prorated days will be paid back to the district.

K. Personal Leave — Approval to be obtained through the immediate supervisor. Administrators shall receive five (5) personal days per year. The Superintendent may approve additional days.
   a. Up to one (1) personal day shall be carried over to the following contract year if a balance remains.
   b. Remaining personal days that he/she does not use during a contract year, shall be converted to sick leave and added to that administrator's sick leave accumulation.

      iii. Unused sick leave accumulation shall be unlimited.
      iv. An administrator on an approved leave of absence (other than paid sick leave) shall neither accrue nor lose accumulated sick leave while on said leave. An administrator on paid sick leave may accrue sick leave at the rate of one and one-quarter (1-1/4) days for each completed month of service.
      v. Any sick leave earned and unused in prior public service in Ohio, in compliance with Section 3319.141 of the Ohio Revised Code, shall be transferred to the administrator's account in the Brecksville-Broadview Heights City School District at the time of employment, provided that such re-employment takes place within ten (10) years of the date on which the administrator was last terminated from public service. Sick Leave accumulated in prior public service must be presented at time of employment. The administrator will only be credited with the unused balance of the accumulated Sick Leave up to the maximum permitted by the public agency with which the administrator was last employed. Participation in any sick leave conversion plan nullifies the transfer of sick leave from such prior public service.
   b. Approved Use of Sick Leave Days
      i. Each administrator shall be granted paid sick leave up to the maximum number of days that he/she has accumulated.
      ii. Administrators may use sick leave for absence due to personal illness, pregnancy, injury,

vi. In extenuating circumstances, the Superintendent or his/her designee may grant additional days.

c. Long-Term Use of Sick Leave

i. For leaves that exceed sixty (60) consecutive days, the Superintendent may, at the Board's cost, require the administrator or the person for whom the leave is taken to be examined by a doctor selected by the Superintendent. If the opinion of the doctor selected by the Superintendent is that the continuation of sick leave is not medically necessary, the administrator or the person for whom the leave is taken shall be examined, at the Board's cost, by a second doctor selected jointly by the Superintendent's doctor and the treating physician of the administrator or person for whom leave is taken. The opinion of the second doctor in regard to continuation of sick leave shall be binding on the administrator and the Board as to the medical necessity of the leave. An administrator who leaves and returns in the same school year shall be returned to his/her same assignment.

d. Sick Leave Pool

i. If an administrator is currently absent for thirty (30) consecutive days or more due to an accident, catastrophic illness or long-term illness (defined as an illness where it is anticipated that the employee will be absent at least ten (10) additional working days) of the administrator, his/her spouse or minor child, and has exhausted all of his/her accumulated sick leave, the administrator may apply to use the sick leave pool (Attachment 2) and another administrator may donate up to five (5) days (Attachment 3) of his/her accumulated sick leave to the absent administrator. The requirement of thirty (30) consecutive days absence may be waived in extraordinary circumstances at the discretion of the Superintendent.

b. The Superintendent must approve use of compensatory leave in advance. Generally, no more than four days (taken in ½ day or full day increments) of compensatory time will be approved in a given contract year. Time must be entered into the EAC for approval by the Superintendent. Compensatory time cannot be turned in for cash payments.

If there are any remaining amounts, those amounts shall be contributed to the 401(a) Plan, after the first payroll date in January of the following four (4) calendar years, in each such year not to exceed the maximum permitted under the applicable federal income tax law for each year.

IDEAL PLAN

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, https://eoc.anthem.com/eocdps/aso. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call (833) 639-1634 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	$500/person or $1,000/family for In-Network Providers. $500/person or $1,000/family for Non-Network Providers.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Primary Care. Specialist Visit. Preventive Care. Vision Exam. For more information see below.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Coinsurance Limit: $1,000/person, $2,000/family for In-Network Providers. $2,250/person, $4,500/family for Non-Network Providers. Out-of-Pocket Limit: $9,450/person or $18,900/family for In-Network Providers. Unlimited for Non-Network Providers.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network	Yes. See	This plan uses a provider network. You will pay less if you use a provider in the plan's

provider?	www.anthem.com/find-care/?alphaprefix=AKH or call (833) 639-1634 for a list of network providers. Costs may vary by site of service and how the provider bills.	network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

(Administrators both Professional and Support – Principals & Assistant Principals will be evaluated using the Ohio Principal Evaluation System - OPES)

Beginning with the '07-08 school year, the following guidelines for the evaluation of administrative/supervisory personnel will be followed:

To assist administrators in the development of their professional abilities, to provide information for employment decisions and to comply with mandates of Ohio law, the following procedures are employed by the Superintendent/designee in evaluating administrative personnel.

1. An initial annual meeting is held by the Superintendent or designee prior to the school year (defined as 1st day for students) with administrators/supervisors to discuss specific measurable objectives and plans for their achievement. A statement of these objectives and plans is submitted by each administrator/supervisor to the Superintendent/designee at the meeting as defined above. These objectives and plans are to be maintained in each administrator's/supervisor's personnel file.
2. The Superintendent or designee employs the evaluation criteria designed to measure the administrator's/supervisor's effectiveness in performing his/her duties. All administrators/supervisors will be evaluated prior to the end of July. (Note: June is recommended and within the work calendar of the administrator/supervisor being evaluated.) The evaluator will also assess the administrator's/supervisor's progress in meeting plans and objectives set for that school year. Areas of outstanding, satisfactory and poor performance will be noted. The Superintendent or designee will meet with each administrator/supervisor to discuss the written evaluation. The evaluatee is given a copy of the evaluation and has an opportunity to discuss the evaluation at this meeting.
3. An ongoing dialogue concerning the administrator's/supervisor's objectives will continue and the evaluator and evaluatee will meet as needed or requested throughout the year.
4. For those employees whose contracts are expiring at the end of the current school year, two evaluations must be completed. A preliminary evaluation must be received by the employee at least 60 days prior to any Board action on the employee's contract. A final evaluation must include the Superintendent's or designee's intended recommendation for the contract of the employee. A written copy of the final evaluation must be provided to the employee at least five days prior to the Board's action to renew or non-renew the employee's contract.
5. The employee may request a meeting with the Board prior to any Board action on his/her contract. The employee may have a representative of his/her choice at the meeting.
6. A final copy of each evaluation will be forwarded to the Superintendent for his/her review and for placement in the administrator's/supervisor's personnel file.

Subject: BBHCSD - Tennis Court - Removal Scope and Anticipated Costs
To: Craig Yaniglos <yaniglosc@bbhcsd.org>

Craig,

We reviewed the repair scope for Tennis Courts at the High School / Middle School campus.

The installed work has been reviewed and materials have been tested. Drain lines have been viewed by camera. The review of this work has found that the installed asphalt did not meet required material and compaction requirements. Also, the installed drainage system was compromised and is not installed to maintain positive drainage.

In order to replace the asphalt, the fence, gates and tennis net system will need to be removed and replaced.

Also, there is a section of drainage line that holds water. This drain line is located in the northeast tennis court. Per review of video footage, the length of compromised pipeappears to be approximately 100' long.

Some items from the original installation should be viable for reuse. These items include but are not limited to:

- Subgrade work in most locations
- Most subgrade drainage
- Primary drainage piping
- Catch basins
- Sidewalks, steps, and access from the parking lot
- Storm sewer work performed at the parking lot
- Asphalt repairs at the parking lot

Scope of work to repair the drainage and replace the pavement will include the following:

- Remove existing fencing, footings, gates and posts
- Remove tennis nets, posts, and footings
- Remove asphalt
- Excavate the drain line, replace approximately 100' of drain line at correct slope
- Fine grade the subgrade aggregate
- Pave courts 2.5" base course
- Pave courts 1.5" surface course of virgin asphalt
- Provide 10' black vinyl coated chain link fence and gates and footings
- Provide tennis net systems, posts, footings and nets
- Provide 4 coat acrylic tennis court surface system

Anticipated cost of work is anticipated to be approximately $390,000 to $411,000. This valuation was derived using bid figures from 3 recent projects.

Please let me know if you have any questions.

Thank you,

Ryan Schmit ra

Terms and Conditions

This Statement of Work for a Security Consulting Engagement (this "SOW"), is entered into between EduTech Group and XeneX.

EduTech Group has engaged XeneX to perform a third-party security consulting engagement on behalf of their organization for the above client, defined as in the scope above. This engagement will be fully coordinated and scheduled with the appropriate EduTech Group contacts.

EduTech Group authorizes XeneX to perform the following tasks (“Services”) for this engagement as described in this document.

1. EduTech Group Responsibilities

The following signed documents are required before the engagement kick-off:

· **This Signed Statement of Work (SOW)**

EduTech Group's responsibilities and other requirements necessary for the successful completion of this effort:

· Contact information for client school.
· Access to appropriate materials and resources related to EduTech Group's client's technology – accurate network diagrams, system configuration documentation, security policies, and other related documentation.
· Suitable workspace in the form of office/cubes/lab to accommodate XeneX consultants (only if any on-premises work is required)
· Access to clients 's infrastructure and systems as required.
· Building and facility access during normal business hours per the client 's security standards
· Written authorization from EduTech Group to begin the onboarding and implementation of work on its behalf.

When providing XeneX with a list of their public-facing network spaces with which XeneX will be interacting, it is also EduTech Group 's responsibility to ensure the list contains only network spaces that are fully owned and operated by their client's organization. EduTech Group must submit documentation to XeneX demonstrating this ownership before the work in this SOW will begin.

2. Travel Expenses/Other Costs

In addition to the professional fees set forth above, EduTech Group shall compensate XeneX for all travel- related expenses incurred by or on behalf of XeneX employees or consultants in order to perform the Services. These expenses may include, but are not limited to, airline flights, mileage, hotel, and food expenses. Payment/reimbursement for other pre-approved costs (e.g., third party software licenses) shall also be invoiced.

This project is delivered remotely. Thus, there are no travel expenses. If the EduTech Group requires XeneX personnel for any onsite work, then a Change Order must be approved and signed by the EduTech Group before any travel expenses are incurred.

3. Change Orders

In the process of a project, additional work, hardware, software, or other items, may need to be added because they were not accounted for in this SOW, or because EduTech Group makes changes based on his/her own desires or at the suggestion of XeneX.

XeneX will provide a Change Order for EduTech Group's review and signature before any additional items are added to the Statement of Work to be invoiced to EduTech Group.

A XeneX Change Order will specifically state the work, software, or other items to be added to the SOW to be invoiced. Included with the Change Order will be a brief explanation of the requirement and the additional service required to complete the change. Both the EduTech Group and XeneX will be required to sign the Change Order before EduTech Group can be invoiced.

4. Timeframe

This Statement of Work shall be effective upon receipt of a signed original SOW by an authorized EduTech Group representative. The services shall be scheduled to start at the time requested by EduTech Group, upon the receipt of the signed project documents listed in the EduTech Group Responsibilities section above.

5. Confidential Information

Statement of Purpose. This Statement of Work (SOW) is being executed in connection with certain business transactions the parties have agreed to enter and for such other purposes as the parties may agree in writing in the future.

Confidential Information. Each party understands and agrees that during its performance of the SOW, it may be furnished with or otherwise have access to information that the other party considers to be confidential, including but not limited to business and technical information, marketing plans, research, designs, plans, methods, techniques, processes, and know-how, whether tangible or intangible and whether or not stored, compiled or memorialized physically, electronically, graphically or in writing (the "Confidential Information"). Neither party will sell, transfer, publish, disclose, or otherwise use or make available any portion of the Confidential Information of the other party to third parties, except to those of its directors, officers, employees, or attorneys who have a need-to-know the same, in furtherance of the purposes of the SOW and as expressly authorized by this statement. No license under any patent, trademark, copyright or any other intellectual property or proprietary rights laws is either granted or implied by the disclosure of any Confidential Information. Nothing in the SOW or this statement shall be deemed to obligate either party to disclose any Confidential Information to the other, or to accept any Confidential Information from the other.

Notwithstanding Sections 1-2 above, Confidential Information of a party shall not include information which: (a) is, as of the time of its disclosure or thereafter becomes part of the public domain through a source other than the receiving party; (b) was rightfully known to the receiving party as of the time of its disclosure; (c) is independently developed by the receiving party; (d) is subsequently learned without confidentiality obligations to the disclosing party attached thereto; or (e) is required to be disclosed pursuant to a duly authorized subpoena, court order, or government authority, whereupon the party subject to same shall provide prompt notice to the other party prior to such disclosure, so that such party may seek a protective order or other appropriate remedy, provided however, that the required party only comply to the extent required to respond to such authorized subpoena, court order, or government authority.

6. Ownership

The receiving party agrees that all Confidential Information of the disclosing party that comes into the receiving party's custody or possession is and always shall be the exclusive property of the disclosing party, to be used by the receiving party only for the purposes expressly contemplated by the SOW and this statement. At the request of the disclosing party, the receiving party shall promptly destroy all copies of such Confidential Information or return the same to the disclosing party, and shall, within thirty (30) days of receiving such a request, certify in writing its compliance with the terms of this provision. 8. Sub-contractors

XeneX may subcontract any or all of the Services to be performed under this SOW provided, however, that XeneX will remain responsible for the performance of such subcontractors and their adherence to this SOW.

9. Hierarchy

The following order of precedence shall be applied in the event of conflict or inconsistency between provisions of the components of this engagement: (i) this SOW; (ii) the Project Plan; (iii) the Master. Thus, the SOW shall prevail over any conflict or inconsistency between the SOW and the Project Plan or the SOW and the Master; and the Project Plan shall prevail over any conflict or inconsistency between the Project Plan and the Master.

10. Disclaimer

EduTech Group acknowledges that the performance of Services by XeneX does not guarantee that EduTech Group will not experience a security incident, or a breach of data, systems, or facilities.

11. Proprietary Rights

All written or printed material, outlines, reproductions, specifications, drawings, sketches, models, samples, tools, computer software programs, screen formats and other visual effects, technical information, business information or other data provided by XeneX to the EduTech Group and any such information generated or derived therefrom by XeneX in the course of providing the Services shall be the exclusive property of XeneX. All rights, title, and interest in this information, design inventions, and other inventions made, conceived, or reduced to practice or authored by XeneX shall vest with XeneX upon creation. However, the deliverables as defined by this SOW are exclusively owned by the EduTech Group.

12. Limitation of Liability

Except with respect to XeneX's breach of XeneX' intellectual property rights or either party's breach of its obligations regarding confidentiality, and excluding a party's obligation of indemnification hereunder, (a) neither party will be liable for special, incidental, consequential or indirect damages (including but not limited to lost profits, lost savings, costs of procurement of substitute goods and services, loss of use of computer hardware, downtime, loss of goodwill, loss of business, computer hardware malfunction, or damages arising from loss of use or loss of content or data) arising from the performance of this Agreement, whether such damages are based in contract, tort or any other legal theory, even if such party has been advised of the possibility of such damages, and (b) in no event will a party's total aggregate liability to the other under any provision of this Agreement exceed the total amounts paid by EduTech Group to XeneX or 6 months of the subscription fees whichever is less. The limitations of liability set forth herein also apply to XeneX' Suppliers and is the maximum for which XeneX and its Suppliers are collectively responsible. In no event will the limitations set forth in this Section apply to fees owed by XeneX under this Agreement. REPAY
Realtime Electronic Payments

PAYMENT SERVICES AGREEMENT

Payment Services Agreement (the "Agreement") dated February 12, 2026 (the "Effective Date") between cPayPlus, LLC, d.b.a. REPAY, a Utah limited liability company with its primary place of business located at 230 W Towne Ridge Parkway, Sandy, UT 84070 ("REPAY"), and Brecksville-Broadview Heights City School District, an Ohio governmental entity with its primary place of business located at 6638 Mill Road, Brecksville, Ohio 44141 ("Customer") (collectively, the "Parties" and each individually a "Party").

BACKGROUND

Customer wishes to enter into an agreement to use REPAY for payment services. REPAY provides services designed to streamline payment execution processes. REPAY's software-as-a-service (SaaS) solution is a payments outsourcing service that provides electronic payment processing, via ACH and virtual credit card payments, and printed & mailed check payments. REPAY also provides vendor enablement and vendor data management services to facilitate the delivery of payments. REPAY provides for a payment portal (the "System", as defined below) in order to facilitate vendor payments on behalf of customer.

After initial set up and testing, Customer can transmit their vendor payment file concerning the payment of an outstanding invoice(s) for one or more of its vendors through the System. The payment file submitted by Customer may contain virtual credit card, ACH and paper check payment requests into the REPAY System and must be in a form as required by the System. REPAY will facilitate payments through an FBO "for the benefit of" account on behalf of Customer to facilitate all transactions (check, ACH, virtual card funding), and such FBO account will be established at REPAY's partner bank as a Custodial Account subject to the terms provided in the **Payment Services Agreement – Custodial Account Terms Addendum**. The Customer will initiate the funding of the Custodial Account through the REPAY System. Customer's payment files will be processed and payments will be submitted to applicable vendors via virtual credit card, ACH, and check, as applicable, through the System.

Accordingly, the Parties agree as follows:

DEFINITIONS:

"Authorized User" means designated employee(s) identified by Customer to create and transmit payment files to the System and approve and facilitate funding of designated disbursement Custodial Account(s).

"Custodial Account" means a FBO bank account established at REPAY's partner bank and established by REPAY for the benefit of Customer.

"Go-Live Date" means the date of Customer's first payment to a vendor through the System and System Services.

"Implementation Services" means the services performed by REPAY to integrate and facilitate the operational use of the System and System Services by Customer.

"System" means the REPAY Payables Platform used to receive Customer payment files, facilitate the funding of Custodial Account(s) used for disbursement, facilitate the execution of Customer payments via check, ACH, and/or virtual credit card, and to receive and display reconciliation data related to the various payment methods.

"System Services" means the identification of vendor payment method and enrollment of vendor in electronic payment methods (ACH or virtual card).

"Volume Commitment" means the minimum payment volume that Customer shall process through the System, as established in Schedule A, attached hereto.

PAYMENT PORTAL SERVICES:

1. System Use. Customer agrees to use the System and System Services and related documentation ("Documentation") only in the ordinary course of its internal business operations; and Customer's Authorized Users will use the System and System Services only in accordance with the Documentation.
2. Business Hours. During REPAY normal business hours (7:00 AM to 7:00 PM ET), REPAY will provide telephone support regarding Customer's use of the System Services.
3. Customer Acknowledgments. Customer acknowledges REPAY will facilitate payments to vendors according to the data provided to the REPAY portal via Customer's payment file. Customer shall be responsible for ensuring that all payment file submission and approval authorization rights are accurate for each of Customer's user accounts. Customer shall provide payment files in accordance with the technical specifications required by REPAY for the System and System Services. Customer shall provide payment files with complete and correct data, information, and instructions for each payment intended to be processed through the System and System Services. Customer acknowledges that REPAY will facilitate payments to third-party vendors according to the data provided in Customer's payment files, and according to each third-party vendor's preferred method of payment. Upon commencing use of the System Services, Customer may provide REPAY with existing vendor payment data (vendor information, vendor bank account information, etc.). Customer acknowledges and agrees that any existing vendor payment data provided by Customer to REPAY shall be accurate, and that Customer has obtained and maintained records of any required authorizations for use of a vendor payment method. To the extent permitted by Ohio law, Customer is responsible for its own negligent acts and omissions regarding REPAY and its partners. Customer further acknowledges REPAY will not be responsible for payments facilitated in error as a result of erroneous or incorrect data provided in Customer's payment file(s). Customer must notify REPAY of any disputed payment transactions within sixty (60) days of the transaction date or such payment transaction will be deemed undisputed and accepted by Customer. Any disputed credit card transactions (virtual or physical card) are subject to the applicable payment card network rules and regulations, and REPAY is not liable for any such disputed credit card transactions unless such disputed transaction is (i) directly attributable to an error by REPAY or (ii) successfully charged back through the applicable card network's dispute resolution process.
4. Customer Authorization. Customer hereby (i) authorizes and instructs REPAY to establish the necessary Custodial Account(s) to be opened at REPAY's partner bank for the benefit of Customer, (ii) acknowledges that the Custodial Account Terms attached hereto as the **Payment Services Agreement – Custodial Account Terms Addendum** constitute a legally binding agreement between Customer, REPAY, and REPAY's partner bank, to which Customer agrees to comply with, and (iii) acknowledges that to the extent of any inconsistencies between the terms and conditions of this Agreement and the Custodial Account Terms, the terms and conditions of the Custodial Account Terms shall prevail as applicable to the Custodial Account Terms, and the terms and conditions of the Agreement shall prevail as applicable to the Agreement.
5. Authorized Users. Each of Customer's Authorized Users will be provided credentials (user ID & password) to access the System. Customer agrees to hold the credentials in strict confidence and to educate Authorized Users to hold in strict confidence to avoid any compromise of the System.
6. System Availability. Customer acknowledges that availability of System Services is subject to normal System downtime and that REPAY is not responsible for delays or inability to access services caused by communications problems.
7. Term. This Agreement shall commence on the Effective Date and continue in effect for thirty-six (36) months from the Go-Live Date. This Agreement shall renew only upon mutual written agreement of the Parties and subject to the annual appropriation of funds by Customer's Board of Education.
8. Effects of Termination. Customer will be obligated to pay for services rendered through the date of termination, including transactional or postage fees associated with processing payments, vendor enablement fees (per attached fee schedule), any other fees incurred, whether they have been invoiced or not, as a result of use of System and System Services.
9. Warranty Disclaimer. REPAY warrants that it will provide Services in accordance with the standards and practices of care, skill, and diligence customarily observed by similar firms under similar circumstances at the time the services are rendered, and that all services shall comply with applicable laws and agreed specifications. Except for the preceding sentence, REPAY makes no representations or warranties with respect to the System and System Services, and the System and System Services are provided or made available to Customer on an "As Is" basis. Except as expressly set forth above, REPAY specifically disclaims all warranties of any kind, whether express or implied, including but not limited to, the implied warranties of merchantability or fitness for a particular purpose, title, non-infringement of third-party rights, and accuracy of data.

a. Customer warrants that it shall not do, attempt to do, nor permit any affiliate or other person to do, any of the following: (a) create or recreate the source code for the System, or re-engineer, reverse engineer, decompile or disassemble the System; or (b) modify, adapt, translate or create derivative works based upon the System or Documentation, or combine or merge any part of the System or Documentation with or into any other software or documentation; or (c) refer to or otherwise use any REPAY Proprietary Items as part of any effort to develop a program having any functional attributes, visual expressions or other features similar to those of the System or to compete, directly or indirectly, with REPAY; or (d) remove, erase or tamper with any copyright or other proprietary notice printed or stamped on, affixed to, or encoded or recorded in any REPAY Proprietary Item, or fail to preserve all copyright and other proprietary notices in any copy of any REPAY Proprietary Item made by Customer; or (e) sell, market, license, sublicense, distribute or otherwise grant to any person, including any outsourcer, vendor, consultant or partner, any right to use any REPAY Proprietary Item; or (f) use the System or System Services to conduct any type of service bureau or time-sharing operation or to provide remote processing, network processing, network telecommunications or similar services to any person, whether on a fee basis or otherwise. As used herein, "Proprietary Items" means, collectively, the System and Documentation, the object code and the source code for the System, the visual expressions, screen formats, report formats and other design features of the System, all future modifications, revisions, updates, releases, refinements, improvements and enhancements of the System or Documentation, all adaptations or derivative works (as such term is used in the U.S. copyright laws) based upon any of the foregoing, and all copies of the foregoing.

10. Limitation of Liability. REPAY'S SOLE RESPONSIBILITY, AND CUSTOMER'S SOLE REMEDY, FOR DAMAGES FOR ERROR, DELAY, OR ANY ACTION OR FAILURE TO ACT SHALL BE LIMITED TO DIRECT MONEY DAMAGES IN AN AMOUNT NOT TO EXCEED THE TOTAL AMOUNT PAID BY CUSTOMER WITH RESPECT TO THE DEFECTIVE SERVICE CAUSING THE DAMAGE DURING THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE LOSS. EXCEPT AS OTHERWISE SET FORTH HEREIN, IN NO EVENT SHALL EITHER PARTY BE RESPONSIBLE FOR INDIRECT, CONSEQUENTIAL, SPECIAL, INCIDENTAL OR PUNITIVE DAMAGES, REGARDLESS OF WHETHER SUCH PARTY WAS MADE AWARE OF THE POSSIBILITY OF SUCH DAMAGES.
11. Indemnification. To the extent permitted by Ohio law, Customer is responsible for its own negligent acts and omissions. The foregoing obligations are conditioned on REPAY notifying Customer promptly in writing of such claim, giving Customer sole control of the defense thereof and any related settlement negotiations, and cooperating, at Customer's request and expense, in such defense; provided that Customer shall not settle any such claim in a manner that does not unconditionally release REPAY without REPAY's written consent.
12. Confidentiality. Each Party ("Receiving Party") agrees that it will not make use of, disseminate, or in any way disclose the other Party's ("Disclosing Party") Confidential Information to any person, firm, or business, except as authorized by this Agreement and to the extent necessary for performance of this Agreement. The Receiving Party agrees that it will disclose Confidential Information only to those of its employees and contractors who need to know such information. The Receiving Party agrees that it will treat all Confidential Information of the Disclosing Party with the same degree of care as it accords its own Confidential Information; the Receiving Party represents that it exercises reasonable care to protect its own Confidential Information. "Confidential Information" means any information of the Disclosing Party that the Receiving Party knows, or reasonably should know, is confidential or proprietary to the Disclosing Party. CERTIFICATION OF BENEFICIAL OWNER(S)

To help the government fight financial crime, Federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

By signing below, I attest that I have accurately provided the name, address, date of birth and Social Security Number (SSN) for the following individuals (i.e. the **beneficial owners**):

(i) Each individual, if any, who owns directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (e.g., each natural person that owns 25 percent or more of the shares of a corporation); **and**

(ii) An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer).

The number of individuals that satisfy this definition of "beneficial owner" may vary. Under section (i), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section (i), you must provide the identifying information of one individual under section (ii). It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30% equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (ii)), and up to five individuals (i.e., one individual under section (ii) and four 25 percent equity holders under section (i)).

I, the undersigned Craig Yaniglos **, certify that all of the information furnished above with regard to information for each individual, if any, who directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, owns 25 percent or more of the equity interests of the legal entity listed above is complete and accurate. I also agree to notify REPAY of any change in the information provided within this certification.**

(the "Bank") for the benefit of the Customer, (ii) initiate payments and other services in connection with cash delivered from time to time to the Bank hereunder by, or at the direction of, the Customer, and income, distributions, and payments received by the Bank with respect thereto (collectively the "Assets"); and the Service Provider has agreed to act in such. Additionally, Bank agrees to perform standard custodial services and hold the Assets in a custody account established for the benefit of the Service Provider's Customers (the "Custodial Account"), upon the terms and conditions set forth below.

2. **Asset Delivery, Transfer, Custody, and Safekeeping.** The Parties agree to the following:

    3.3. To perform any and all other ministerial acts deemed by the Bank necessary or appropriate to the proper discharge of its duties hereunder;
    3.4. The initial amount of the Reserve will be determined at the sole discretion of the Bank. The Bank will notify the Customer of any changes to the amount of the Reserve in writing ("Reserve Amount"). The Customer will remit the Reserve Amount within ten (10) business days from the Bank's notice. If the Customer or the Service Provider fails or refuses to remit sufficient reserves promptly upon request, the Bank shall close the Custodial Account(s) with Customer and terminate the relationship described herein.

4. **Service Provider's Role and Responsibilities.**

    4.1. The Service Provider has entered into the Agreement with the Customer as per the Bank-approved version of the Agreement which fully incorporates these Terms.
    4.2. The Customer has granted the Service Provider limited authority to act as its designated agent for purposes of the Custodial Account and Appropriate Instructions. Among other things, Customer now expressly authorizes Service Provider to (i) perform the administrative account services; (ii) maintain records of Customer's Assets in the Custodial Account and all Payments; (iii) authorize and direct the Bank to disburse Payments to Users; (iv) make individual Payment information available to applicable Users; (v) disclose to the Bank information regarding

Customers and its users; and (vi) take any other action that Service Provider deems necessary or desirable to carry out the transactions in accordance with the Agreement.

4.3. The Bank will provide detailed account activity to the Service Provider via the online banking platform. Such access will contain a general ledger for all activity and Assets in the Custodial Account. The Customer waives any written notification requirements of individual Custodial Account transactions and will rely solely on monitoring Custodial Account activity through the Service Provider's System or other such means as provided by the Service Provider. The Service Provider's receipt of account activity will constitute receipt by the Customer for all purposes under the terms, conditions, and agreements governing the Custodial Account. Any passage of time in these Terms, conditions, and agreements governing the Custodial Account that begins on the date of receipt of an account statement will be triggered by, and commence on, the date that the Service Provider is provided such account statement.

4.4. The Service Provider will be responsible for the review of all reports, accountings, and other statements provided by the Bank, and shall within twenty (20) days following receipt notify the Bank of any mistakes, defects, or irregularities contained or identified therein, after which time all such matters shall be presumed to be ratified, approved and correct and shall not provide any basis for claim or liability against the Bank.

4.5. The Service Provider will track all Assets deposited and withdrawn from the Custodial Account and keep records of all payments made to third parties (the "Account Record"). The Service Provider will provide a copy of the current Account Record to the Bank within a reasonable time, but in any event within at least one (1) business days of the Bank's written request.

4.6. Upon receipt of Appropriate Instructions (as defined below), the Bank will deliver Assets in accordance with Section 5 below, being the sole responsibility of the Service Provider to provide any transfer documentation as may be required by the Bank.

4.7. The Bank will have no power or authority to assign, hypothecate, pledge or otherwise dispose of any Assets, except as provided in these Terms or pursuant to Appropriate Instructions.

5. Instructions from the Customer.

5.1. The Customer now authorizes the Bank to follow the directions and instructions of Service Provider (whether electronic, written, or oral), and the Customer agrees that the Bank may entirely rely on such directions and instructions of Service Provider without further investigation by the Bank or authorization from Customer.

5.2. The Customer will deliver payment instructions to the Service Provider, as its agent, through the Service Provider's System.

5.3. Upon receipt of written instructions from the Service Provider, the Bank will be deemed to have received appropriate payment instructions ("Appropriate Instructions").

5.4. Appropriate Instructions will include instructions sent to Bank or its agent by the Customer via the Service Provider and will include the amount to be released from the Custodial Account, preferred method of payment transmission, and to whom it will be released and will be transmitted by letter, memorandum, cable, facsimile, internet, email or similar means of written communication.

5.5. The Service Provider assumes full responsibility for the security of electronically transmitted communications sent through the System. The Bank will have no liability for acting in accordance with Appropriate Instructions. The Bank will not be obligated to follow any instructions from the Service Provider that, in the judgment of the Bank, may subject the Bank to liability or expense or require the Bank to prosecute or defend any action unless the Bank is indemnified in a manner and amount satisfactory to the Bank. In the event of any ambiguity or uncertainty in any notice, instruction, or other communication received by the Bank, the Bank is authorized to refrain from taking any action other than retaining possession of the Assets in the Custodial Account until the Bank receives written instructions from the Service Provider or Customer that eliminate such ambiguity or uncertainty.

5.6. Appropriate Instructions will be received via the Bank's online banking system or sent to the following Bank representative:

MVB Bank, Inc.

6. **No Discretionary Authority or Investment Responsibility; Standard of Care**. The Customer and the Bank acknowledge that, except to the extent set forth in any separate instrument signed by the parties with respect to these Terms, the Bank is not a fiduciary with respect to the Assets and the duties of the Bank do not include discretionary authority, control, or responsibility with respect to the management or disposition of any Asset. The Customer acknowledges and agrees that the Bank does not assume investment management responsibilities for the Custodial Account. The Bank will only take instructions from the Customer, or its agent, the Service Provider, regarding the investment of the Assets as such instructions comply with these Terms. It is further agreed that:

   6.1. The Bank will have no duty to make any evaluation or to advise anyone of the suitability or propriety of action or proposed action of the Customer in any particular transaction involving an Asset, or the suitability or propriety of retaining any particular investment as an Asset. The Bank will have no duty or authority to review, question, approve or make inquiries as to any investment instructions given pursuant hereto. The Bank will be under no duty or obligation to review the property held in the Custodial Account concerning prudence or diversification;
   6.2. The Bank will not be liable for any loss or diminution of Assets by reason of investment experience or for its actions taken in reliance upon a direction or other instruction from the Customer or the Customer's agent;
   6.3. The Bank will have no duty or responsibility to monitor or otherwise investigate the actions or omissions of the Customer;
   6.4. The Bank will have no responsibility for the accuracy of Assets valuations quoted by outside services or sources in cases involving assets under the control of the Customer; and,
   6.5. The Bank will only be responsible for the performance of such duties as are expressly set forth in these Terms or in Appropriate Instructions received by the Bank from the Customer, or the Customer's agent, which are not contrary to the provisions of these Terms. The Bank will exercise reasonable care in the performance of its services hereunder.

7. **Custodial Account Property.** The Bank is not required to take direction from Customer and will direct inquiries from Customer to the Service Provider. However, the Bank may take direction directly from the Customer in certain circumstances; if the Bank does accept direction from the Customer, the Bank will give Service Provider a written notice detailing the request and action taken.

8. **Limited Duties.** The Customer acknowledges and agrees that the Bank (i) will be obligated only for the performance of such duties as are expressly and specifically set forth in these Terms or any other relevant agreement between the Customer and the Bank, each of which is ministerial in nature and no implied or inferred duties or obligations of any kind shall be read into these Terms against or on the part of the Bank, (ii) will not be required to, and shall not, expend or risk any of its own funds or otherwise incur any financial liability in the performance of any of its duties and (iii) will hold funds in the Custodial Account.

9. **Binding Effect.** The Bank's actions taken in accordance with Appropriate Instructions will be valid and binding upon all persons claiming by, through, or under the Customer.

10. **Disclosure Statement**. Assets will be deposited into non-interest-bearing deposit account(s), which are covered by the standard deposit insurance coverage limit of $250,000 per depositor, per ownership category by the Federal Deposit Insurance Corporation ("FDIC"). All single ownership accounts held by the Customer and the Custodial Account at the Bank will be under the same ownership category covered under the $250,000 coverage limit.

    10.1. As necessary, in order to extend FDIC insurance to all Customer funds held in the Custodial Account, Bank may utilize an off-balance sheet approach for its financial operations. In accordance with this approach, Bank is not required to maintain, on its balance sheet, funds to immediately meet funding requests; in the event a Customer requests funds for withdrawal, Bank shall have the right to cover such requests by receiving funds from the deposit network employed by Bank.
        10.1.1. Notice of Funding Request. Client must provide Bank with written notice ("Funding Request Notice") at least three (3) business days before the requested funding date to allow Bank sufficient time to receive the required funds to cover Client's funding request and maintain compliance with its off-balance sheet strategy requirements. Client's name, the total amount to be disbursed, and the requested date of disbursement must all be included in the Funding Request Notice.

10.1.2. Funding Obligation. Bank's funding of Client's accounts is contingent on receiving the Funding Request Notice. Bank will use commercially reasonable efforts to fund Client's accounts as soon as practicable if the required funds are received during the three (3) business day notification period.

10.1.3. Failure to Provide Notice. If Client fails to submit the Funding Request Notice to Bank with the requisite three (3) business day advance notice, Bank shall not be responsible for any funding delays of Client's accounts. Client acknowledges and accepts that any losses, claims, damages, or liabilities resulting from such funding delays shall be solely Client's responsibility.

11. **Commingling**. The Service Provider agrees it will deliver Assets solely owned by Customer as funds into the Custodial Account and will not deposit funds owned by itself into the Custodial Account. The Service Provider will not withdraw Assets solely owned by the Customer into its own business account. If the Service Provider deposits its own funds into the Custodial Account, the Service Provider will assume all liability in connection with the commingling of funds, including violations of state or federal law.

12. **Indemnification.** Customer agrees to the extent permitted by Ohio law, to be responsible for its own negligent acts and to indemnify and hold Bank, Bank's affiliates, officers, directors, employees, consultants, agents, service providers, and licensors (each an "Indemnified Person") harmless from any and all claims, liability, damages and/or costs (including but not limited to reasonable attorney's fees) resulting from or arising out of (i) Customer's breach of the agreements, warranties or representations in these Terms or the Agreement, including any violations of applicable law or payment card network rules; (ii) any action taken by Bank with respect to Customer's account in accordance with Customer's instructions or orders, or in accordance with these Terms or the Agreement; and (iii) any claim of any person that Bank is responsible for any act or omission by Customer, Service Provider, or any other person, including, without limitation, any Federal Reserve Bank, Automated Clearing House, or transmission or communications facility, any Receiver or Receiving Depository Financial Institution (including without limitation the return of an entry by such Receiver or Receiving Depository Financial Institution), and no such person shall be deemed the Bank's agent. The Customer will, at the Customer's own expense, defend any action or proceeding brought against any Indemnified Person in connection with any such claims.

13. **Limit on Liability.** The Bank will not incur any liability to anyone in acting or refraining from acting upon any data, instructions, notice, report, or other documents reasonably believed by the Bank to be genuine and authorized by the proper Party or Parties. The Bank will not incur any liability to anyone for unauthorized transactions or processing errors in connection with the Service Provider, the Agreement, the System, the Custodial Account, and these Terms.

14. **No Expenses for the Bank.** The Bank will not have any obligation by virtue of these Terms to expend or risk any of its own funds, or to take any action which could, in the reasonable opinion of the Bank, result in any cost or expense being incurred by the Bank.

15. **Suspension; Termination.** The Bank, in its sole discretion, reserves the right to terminate these Terms and/or close the Custodial Account for any reason and at any time upon notice to Service Provider and Customer. Upon notification, the Bank will work with each Party and determine the correct disbursement of the Customer's unrestricted funds held in the Custodial Account.

§ 5.1.2 The period covered by each Application for Payment shall be one calendar month ending on the last day of the month.

§ 5.1.7.3 Except as set forth in this Section 5.1.7.3, upon Substantial Completion of the Work, the Contractor may submit an Application for Payment that includes the retainage withheld from prior Applications for Payment pursuant to this Section 5.1.7. PROJECT:	**New Hilton Drive – Brecksville-Broadview Heights City Schools**	**AVG NO.:**	**2401-3**
TO:	**Bidding Contractors**	**ADDENDUM:**	**No. 01**
		DATE:	**December 12, 2025**

The Drawings and Project Manual prepared by Architectural Vision Group, Ltd. for the above noted project, dated **November 25th, 2025** are hereby added to, amended, and clarified as follows. This Addendum shall become part of the Contract Documents and shall be included in the cost proposal for the project. The Contractor shall indicate their receipt of this Addendum on the BID FORM. All bidders are cautioned to read and examine all items of the drawings and project manual to determine how their work may be affected and to adjust accordingly.

General Clarifications:

RFI 01:
Q: Sheet C-400 – Utility Plan: Where is sanitary structure #11 located? This structure is listed on the Sanitary Sewer Manhole Schedule, but I don't see it labeled anywhere on the utility plan or the profiles. Designer to label this structure on the utility plan, list what type of structure it is, and show a profile of the proposed line.
A: This item has been labeled. It is at the location of existing manhole V, which is demolished. As noted, the existing sanitary service for the board office is extended to connect into the proposed manhole SAN-7.

RFI 02:
Q: Sheet C-400 – Utility Plan: Update the placeholder #### under note #2 with the proper plan sheet.
A: The note has been revised.

RFI 03:
For C-502 – Sanitary Sewer Profiles: For proposed sanitary manhole #9, the incoming 8-inch connection at elevation 983.44 should be an outside/external drop connection. Designer to reflect this on the profile and state this on Sanitary Sewer Manhole Schedule on Sheet C-401.
A: Notes have been added to the schedule on C-401 and to the profile on C-502.

RFI 04:
Q: Designer to remove extraneous linework shown in the profile view underneath proposed sanitary manhole #5.
A: Extraneous linework has been identified and removed as requested.

RFI 05:
Q: A substantial cost and time savings to utilize fiber mesh in lieu of rebar in the curb and curb and gutter on the project. In our opinion the quality, strength and consistency of the curb would be greatly improved as this would allow a slip form paver to be utilized reducing slump and water to cement ratio improving We would recommend 3lbs per cubic yard macro fiber per cubic yard in lieu of rebar. Is this an acceptable alternate?

Would a Canadian style blockout slip form mold be an acceptable alternate to the specified integral curb and walk detail? (see attached details) This style curb mold has a ledge for the walk to site on ensuring no settlement. We would also recommend macro fiber in lieu of rebar and this would also be a substantial cost savings and improve the quality, strength and consistency of curb.
A: Fibermesh may be utilized in all curbs and sidewalks. Slipform style curb may be utilized for all 6x18 curbs and mountable curbs, per modified Sheet L-601. We will not accept the above Canadian style blockout slip form mold and walkway as shown as an option for the integral curb and walk.

Notes to the Five-Year Forecast
General Fund Only
February 25, 2026

Introduction to the Five Year Forecast

A forecast is a snapshot of today. Based on historical trends, what we know and future assumptions. That snapshot, however, will be adjusted because the further into the future the forecast extends, the more likely it is that the projections will deviate from experience. Various events will ultimately impact the latter years of the forecast, such as state budgets (adopted every two years), new state mandates, tax levies, property reappraisals and updates, salary increases, health insurance increases, enrollment variances, or changes to property valuations due to businesses moving in or out of the district.

As noted below the current state budget approved in HB96 changed the forecast based on what the state Ohio and the Ohio Department of Workforce and Education will require, however the Board of Education will continue to plan over a five-year period. Our district leadership believes that the five-year forecast is a crucial management tool. A five-year planning horizon enables district management teams to examine future years' projections and identify when challenges will arise. This helps district management to be proactive in meeting those challenges.

In a financial forecast, the numbers only tell a small part of the story. For the numbers to be meaningful, the reader must review and consider the Assumptions to the Financial Forecast before drawing conclusions or using the data as a basis for other calculations. The assumptions are especially important to understanding the rationale of the numbers, particularly when a significant increase or decrease is reflected.

Here are three (3) essential purposes or objectives of the five-year forecast:

(1) To engage the local board of education and the community in long-range planning and discussions of financial issues facing the school district.
(2) To serve as a basis for determining the school district's ability to sign the certificate required by O.R.C. §5705.412, commonly known as the "412 certificate".
(3) To provide a method for the Ohio Department of Education and Workforce, and the Auditor of State to identify school districts with potential financial problems.

Ohio HB96 was passed in June 2025 which amended O.R.C. 5705.391 and O.A.C. 3301-92.04 requiring a Board of Education (BOE) to file their current years budgeted revenue and expenses, and three additional years. This is essentially a four (4) year forecast. Beginning in fiscal year 2026 (July 1 to June 30) the financial forecast must be filed by October 15, and the end of February. The filing deadlines will change in fiscal year 2027 to August 31, and end of February each fiscal year thereafter. While the legislative requirement is to file a four-year forecast, as noted above, we believe it is a prudent business practice to continue to develop a five-year forecast for planning purposes. The five-year forecast includes three years of actual and five years of projected general fund revenues and expenditures. The first year of the financial forecast is considered the current year budget and is used as the base for future years projections. Our forecast is updated to reflect the most current economic data available for the February 2026 filing.

Forecast Risks and Uncertainty:
This financial forecast has risks and uncertainty due to economic changes, new property tax laws signed by Governor DeWine on December 19, 2025, and also due to state legislative changes that will occur in the spring of 2027 and 2029 due to deliberation of the following two (2) state biennium budgets for FY28-29 and FY30-31, all of which affect this forecast.

1. On December 19, 2025, Governor DeWine signed into law several pieces of legislation that are the most sweeping changes to Ohio property tax law since 1976 when HB920 was passed. The legislation approved are: HB129, HB186, HB309 and HB335. These laws become effective March 19, 2026, which is after the February, filing deadline for this forecast. Of particular concern is HB186 which implements new property tax caps retroactively for property reappraisal and triennial updates that occurred in tax year 2023, 2024 and 2025. Due to the complexity of these calculations, the Ohio Department of Taxation (ODT) has been charged with calculating the effects of this legislation and notifying Ohio's 88 county auditors as to the impact on property tax bills and subsequent tax settlements to local governments. The ODT has until April 20, 2026 to calculate any tax reductions that impact school districts.
   A brief summary of the impact of each piece of legislation is noted below with specific anticipated impacts to this forecast noted in Estimated Real Estate Tax Line 1.01 section of these assumptions below:

   - HB129 implements new requirements for and restores fixed sum levies. It will also include fixed sum levy millage in the 20-mill floor calculation beginning in the next reappraisal or triennial update cycle of any county that contains district territory, but no later than Tax Year 2028 collect in calendar 2029. For some districts this will result in a loss due to a change in the 20-mill floor. BBHCSD is not on the 20-mill floor.

   - HB186 establishes Inflation Cap Credits, if applicable, following reappraisals and triennial updates for school district property taxes, preventing increases beyond the Gross Domestic Product Deflation Factor (GDP DF). HB186 also includes Temporary Tax Credits (claw back) provision that takes back tax revenue that has already been collected by school districts beginning with reappraisals and triennial updates that occurred before the effective date of the law retroactive back to tax year 2023, 2024 and 2025. These are funds that have already been realized and have been spent and/or included in future educational planning. While skyrocketing home values resulted in the need for property tax reform that limits tax growth for taxpayers, the retroactive claw back of taxes already paid is very detrimental to districts at the 20-mill floor. BBHCSD is not on the 20-mill floor.

   - HB309 allows County Budget Commissions (CBC's) to reduce any voter-approved levy (except debt) to bring taxes levied within levels the CBC finds reasonable and prudent to avoid unnecessary collections. This law gives locally elected CBC officials the power to override voter-approved levies and local school board fiscal decisions. The impact of this new law is indeterminable and can be administered inconsistently in 88 counties across Ohio.

   - HB335 limits revenue growth from inside millage due to valuation reappraisals or triennial updates to no more than the Gross Domestic Product Deflation Factor (GDP DF). Our district plans to project at or below anticipated GDP DF to avoid inflation cap credits on inside millage.

   Because the new accelerated February, filing deadline for school district forecasts and the ODT's deadline of April 20, are misaligned, authoritative data concerning HB186's official impact on our district will not be received as of the filing of this forecast. We have estimated revenues and expenses based on the limited

data available and understanding of this legislation. As authoritative data concerning HB186 is made available to the district changes may need to be made to the forecast that may or may not be significant.

Data and assumptions noted in this forecast are based on the best and most reliable data available to us as of the date of this forecast. The items below give a short description of the current issues and how they may affect our forecast in the long term:

2. Property tax collections are one of the largest revenue sources for the school system and a significant risk to the forecast. We project growth in appraised values every three (3) years that aligns with the new HB186 Gross Domestic Product Deflation Factor (GDP DF) and new construction growth. The effects of HB186 will be to limit property tax growth following reappraisals and updates. Total local revenues, predominately local taxes, equate to 81.9% of the district's resources. As noted above, HB186 indicates any adjustment for prior year appraisals and updates that exceeded GDP DF in reappraisals and triennial updates that occurred in tax years 2023, 2024 and 2025 will result in possible significant reductions (claw back) in the second half property tax collections that typically occur in August to September 2026. If the Ohio Department of Taxation (ODT) determines adjustments are required due to HB186, further reductions in Tax Year 2026 collected in calendar year 2027 taxes will also result. We have included any estimated adjustment for HB186 in Line 1.01 assumptions below, but only the ODT will have actual authoritative data when it is released after this forecast filing deadline.

3. Cuyahoga County experienced a reappraisal for tax year 2024 for collection in FY25. The values increased for Class I and II property by $273.59 million for an overall increase of 21.46%. A reappraisal update will occur in tax year 2027 for collection in FY28. We anticipate value increases for Class I (Residential/Agriculture) and Class II (Commercial/Industrial) property within the Gross Domestic Product Deflation Factor range of 7% to 9%. HB335 inside millage cap will become effective for any reappraisal and update beginning in tax year 2026, and HB129 will become effective for our district in the next reappraisal/update. We have anticipated any 20-mill floor adjustment at that time in Line 1.01 assumptions below. We do not anticipate any significant impact of HB335 on our tax projections due to our estimates for future growth in reappraisal being in line with anticipated GDP DF.

4. The state budget represented 18.1% of district revenues, which means it is a significant risk to the revenue. The future risk comes in FY28 and beyond if the state economy stalls due to a possible recession and the Fair School Funding Plan is not continued and/or funded in the next state biennium budget. In this forecast, there are two unknown future State Biennium Budgets covering FY28-29 and FY30-31. Future uncertainty in the state foundation funding formula and the state's economy makes this area an elevated risk to district funding long-range through FY30. We have projected our state funding in FY26 based on recent formula calculations and use of the Ohio Department of Education and Workforce (ODEW) funding simulator for FY27 projections. This forecast reflects state revenue to align with the FY27 funding levels through FY30, which we feel is conservative and should be close to what the state approves for the next two biennium budgets. We will adjust the forecast in future years as we have data to make an informed decision.

5. HB96, the current state budget, continues to phase in what has been referred to as the Fair School Funding Plan (FSFP) for FY26 and FY27. FY26 reflects 83.33% of the implementation cost at year five of a six-year phase-in plan, which increases by 16.66% each year. FY27 will result in 100% funding of (FSFP). HB96 did not increase the base cost inputs (no increase from the state on formula funding) while allowing local capacity inputs to increase. This causes more districts to appear to have greater local ability to fund their schools thus reducing the amount of State Aid they receive. We have used the most recent FY27 simulations published by the Department of Education and Workforce for our forecasted revenues in FY27-FY30.

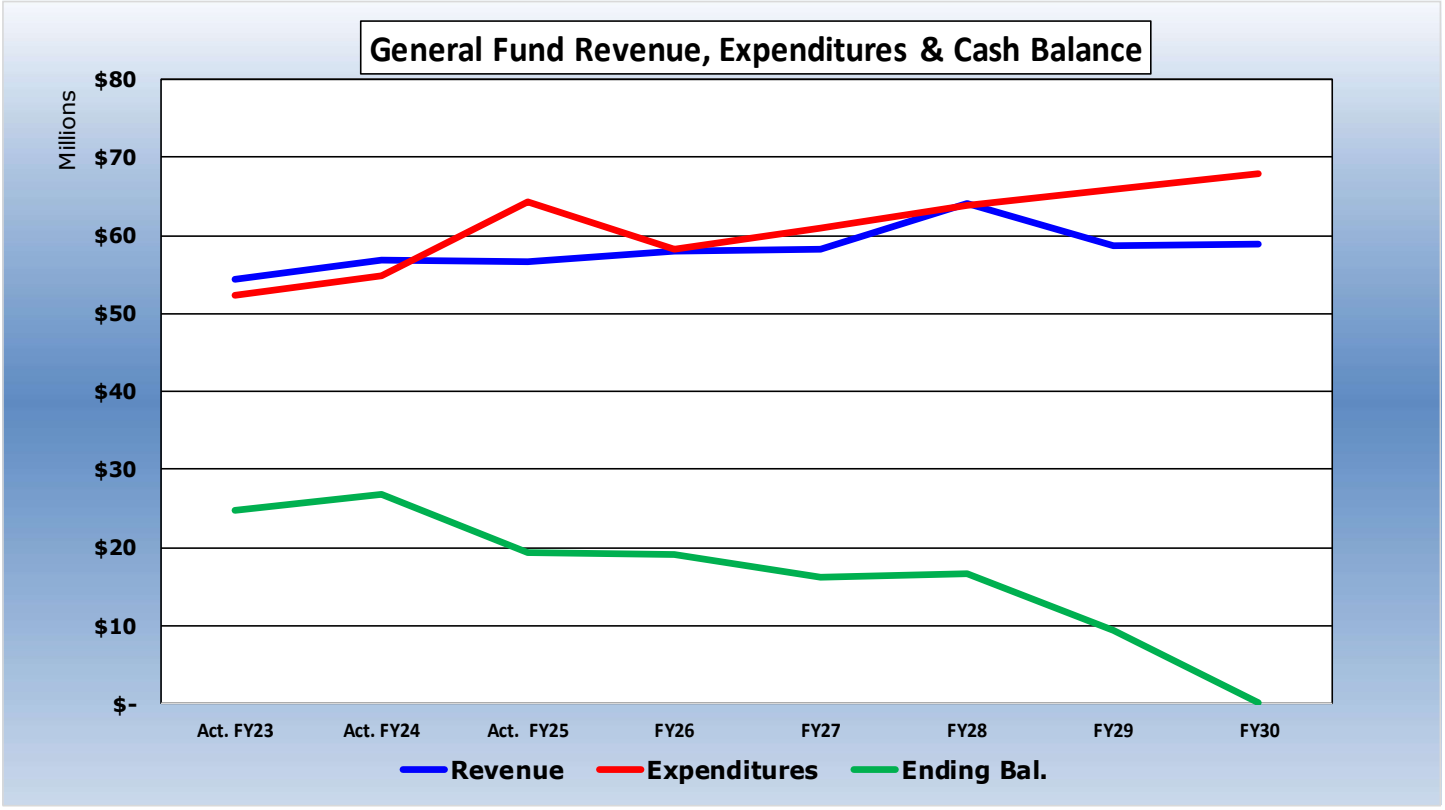

6. HB96, the current state biennium budget also enacted a new provision called "Piggyback Property Tax Exemptions". This provision allows county commissioners in each county in Ohio to double the current Homestead Exemption and owner occupied 2.5% tax credit. Current Homestead and 2.5% owner occupied credits are reimbursed to the district from the state of Ohio. These expanded "Piggyback Property Tax Exemptions" will NOT be reimbursed. Our county commissioners did not vote to approve further Piggyback Property Tax Exemptions for tax year 2025. HB96 would allow this to occur every year and if they were to be approved could result in reduced property tax collections for the school district. This new law creates a potential risk to our local tax collections every year. County auditors have until December 2026 to implement this tax credit for tax year 2026. We will adjust the forecast in the future accordingly.

7. The Ohio Department of Taxation on January 15, 2026 announced an updated state property tax reappraisal and triennial update schedule. Sixteen counties will have their reappraisal moved back by one year in accordance with the new schedule. Our county will be impacted by this change.

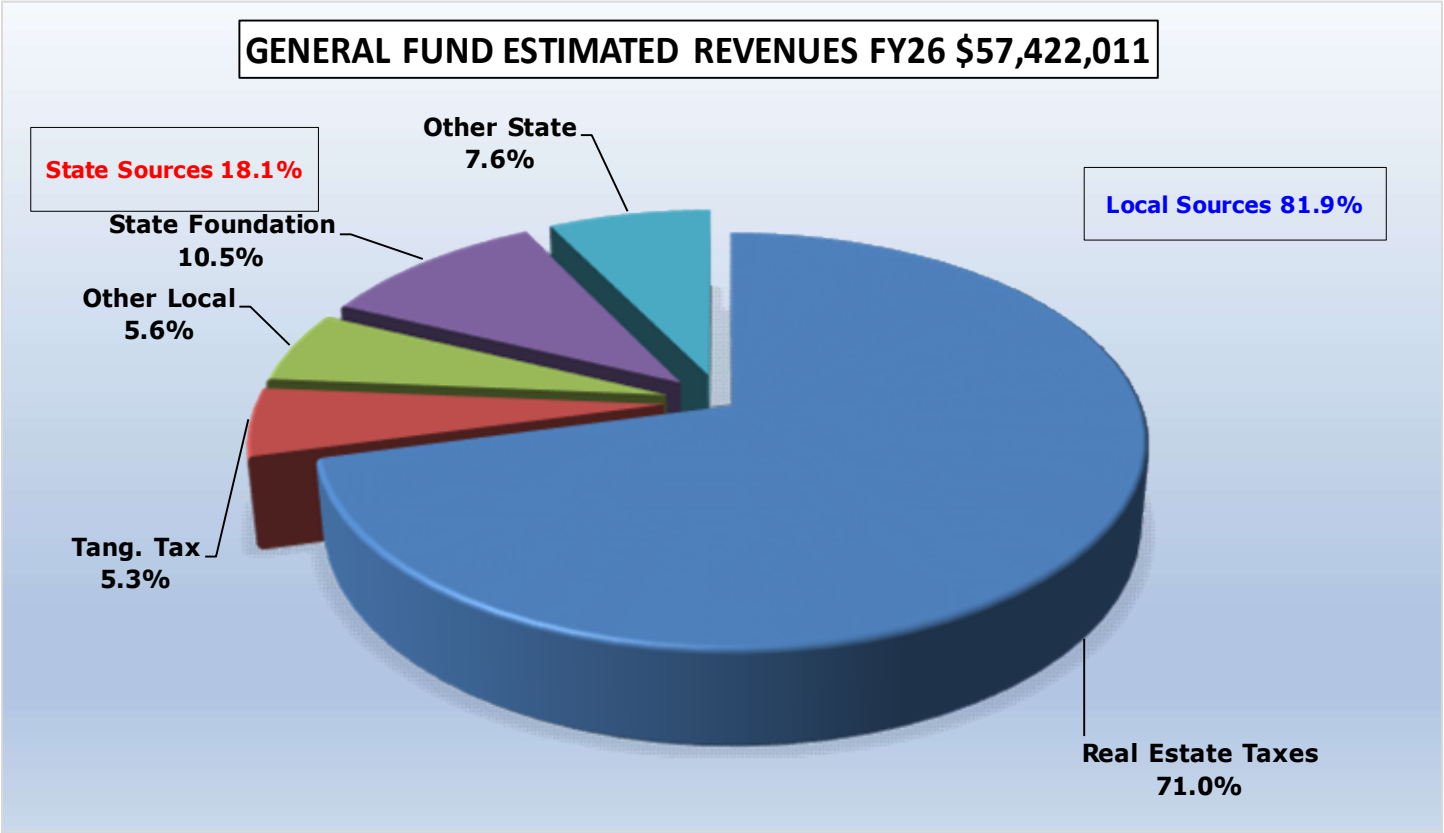

8. Labor relations in our district have been amicable with all parties working for the best interest of students and realizing the resource challenges we face. We believe as we move forward our positive working relationship will continue and will only grow stronger.

Revenue Assumptions
Estimated General Fund Operating Revenues FY26

General Property Tax and Property Value Assumptions (Real Estate) – Line # 1.010
Property Values are established each year by the County Auditor based on new construction, demolitions, BOR/BTA activity and complete reappraisal or updated values. New HB186 allows new construction growth in property taxes irrespective of GDP DF. Cuyahoga County experienced a full reappraisal in tax year 2024 and the district saw a 24.58% increase in residential and 5.02% in commercial property values. Residential/Agricultural and Commercial/Industrial values increased by $273.59 million or 21.46% overall.

A reappraisal will occur in 2027 for collection in 2028 which we are estimating to increase values by $74.74 million for Class I and Class II, which is a 4.82% increase overall in these areas.

Public Utility Personal Property (PUPP) values increased by $3.4 million in Tax Year 2024. We expect our values to continue to grow by $500,000 each year of the forecast after FY26.

Tax Rate Assumptions

The county auditor sets property tax rates for each levy that voters approve to fund the school district. Ohio law requires these tax rates to be adjusted over time so that rising property values do not automatically increase the amount of money the district collects beyond what voters originally approved. These adjustments are called "reduction factors.". The reduction factors are applied separately to Residential/Agriculture (Class I) and Commercial/Industrial (Class II) resulting in different effective millage rates. While voters approved a total rate of 78.43 mills for the district's general fund levies, the current effective rate is 27.95 mills for Class I property and 41.27 mills for Class II property. Ohio law has a provision that the reduction factors cannot lower the total millage rate for each class less than 20 mills, which includes both voted and non-voted millage rates; this is called the "20-Mill Floor". Our district is not on the floor for Class I or Class II.

HB129 is a new law that restores fixed sum levies and now includes them in the 20-mill floor calculation. HB129 will be in effect following the next reappraisal/triennial update. Our district does not have fixed sum, or emergency, levies, therefore, this will not impact our forecast.

Estimated Real Estate Tax Collection Assumptions & New Tax Laws

HB96 enacted a new provision called "Piggyback Property Tax Exemptions". This provision allows county commissioners in each county in Ohio to double the current Homestead Exemption and owner occupied 2.5% tax credit. Our county commissioners did not vote to approve further Piggyback Property Tax Exemptions for tax year 2025. County auditors have until December 2026 to implement this tax credit for tax year 2026. We will adjust the forecast in the future accordingly.

HB186 is a new law that establishes an Inflation Cap Credit for school district property taxes, preventing increases beyond the Gross Domestic Product Deflation Factor (GDP DF) in reappraisal and triennial updates. HB186 also includes Temporary Tax Credits (claw back) provision that retroactively takes back property tax revenue that has already been collected by school districts. The temporary tax credits for impacted districts will start in their reappraisal or triennial updates in tax years 2023, 2024 and 2025. These funds have already been realized and have been spent and/or included in future educational planning. The Ohio Department of Taxation is charged as the authoritative source with calculating the adjustments due to HB186, but has until April 20, 2026 to do so, which is after the filing deadline for this forecast.

Brecksville-Broadview Heights City School District is not at the 20-mill floor and all operating levies are affected by HB920 reduction factors which inflation proofs these current expense levies. We do not anticipate any claw back of previously paid taxes.

HB335 is a new law that limits revenue growth from inside millage due to valuation reappraisals or triennial updates to the Gross Domestic Product Deflation Factor (GDP DF) for future real estate tax revenue growth. We have not forecasted any increases for future reappraisals/triennial updates above anticipated GDP DF, thus no adverse impact to the forecasted property tax revenue is anticipated from this new law.

As noted in the Forecast Risks and Uncertainty section above, there is no authoritative data for school districts that has been released by the Ohio Department of Taxation (ODT) on HB186. The ODT is the authority noted in HB186 to calculate all of the temporary tax credits and inflation cap credits to be used in tax year 2025 to collect in calendar year 2026. We will continue to monitor guidance as it is released and will update our forecast accordingly.

We have been conservative with any future value increases for reappraisal or updates due to implementation uncertainty over the new legislative changes as noted in the Forecast Risks and Uncertainty above.

Estimated Public Utility Personal Property Tax (PUPP) – Line #1.020
Public Utility tax settlements (PUPP taxes) are estimated to be received 57% in March and 43% in the August settlement from the County Auditor and are noted in Line #1.02 totals below.

The amounts below are public utility tangible personal property (PUPP) tax payments from public utilities. The values for PUPP are noted in the table above, which is expected to be $40.34 million in assessed values in 2025 and is collected at the district's full voted millage rate. There has been some legislation seeking to reduce the rate at which PUPP is taxed for all values going forward. We will continue to monitor this legislation.

New Tax Levies – Line #13.030
The district is currently forecasting a 5.9-mill operating levy that would be placed on the ballot in 2027, with collections beginning in 2028. However, ongoing discussions around property tax reform and changes to state funding at the statehouse are creating uncertainty. As a result, the district is considering several options. The proposed millage could range from 3.5 to 6 mills, depending on economic conditions and legislative developments. The district expects to have a clearer understanding of the situation during the fiscal year.

State Foundation Revenue Estimates – Lines #1.035, 1.040 and 1.045

Current State Funding Model per HB96 through June 30, 2027

A) Unrestricted State Foundation Revenue– Line #1.035
HB96, the current state budget, continued the Fair School Funding Plan for FY26 and FY27, which funds students where they are educated rather than where they live. We have projected FY26 funding based on the most current foundation settlement and funding factors.

Our district is currently a guarantee district in FY26 and is expected to continue to be on the guarantee in FY27-FY30 on the Fair School Funding Plan (FSFP).

A detailed overview of how foundation funding is calculated is available through the Ohio Department of Education and Workforce. Please visit the Ohio Department of Education and Workforce at: https://education.ohio.gov/Topics/Finance-and-Funding/Overview-of-School-Funding.

State Funding FY26-FY27
The Fair School Funding Plan was presented as a six (6) year phase-in plan, the state legislature approved the final two (2) years of the funding plan in HB96 phasing in funding at 83.33% in FY26 and then 100% in FY27. However, the legislature did not increase the funding base inputs from FY25. In other words, the legislature did not increase funding in the foundation formula. They did increase transportation funding's state share percentage to 45.83% in FY26, and 50% in FY27, which could increase funding, and; they added three (3) Supplemental Payments outside the formula: a Base Funding Supplement, Enrollment Growth Supplement and Performance Supplement.

The Base Funding Supplement will be paid to all districts. The funding supplement per pupil is $27 in FY26 and $40 in FY27.

The Enrollment Growth Supplement is paid to eligible districts based on the current FY26 enrolled ADM multiplied by $225 per student, and in FY27 based on FY27 enrolled ADM multiplied by $250. To be eligible enrolled ADM growth between FY22 and FY25 must equal or exceed 5% growth, and FY27 enrolled ADM growth between FY23 and FY26 must equal or exceed 3%. Our district does not qualify for this payment.

The Performance Supplement was included in HB96. The eligibility for the supplement payment uses data from the state report card for the 2024-2025 school year for FY26 and 2025-2026 school year for FY27; the payment will be a separate payment of $13 per pupil in FY26 and FY27. We are estimated to receive $217,734 in FY26.

The funding formula eliminated the Supplemental Targeted Assistance guarantee beginning in FY26, but still includes two (2) primary guarantees: 1) Temporary Transition Aid, and 2) Formula Transition Supplement. The two (2) guarantees in both temporary and permanent law ensure that no district will get fewer funds in FY26 and FY27 than they received in FY21.

Future State Budget Projections beyond FY27
Our funding status for FY28-FY30 will depend on unknown two (2) new state budgets. There is no guarantee that the current Fair School Funding Plan will be continued in future biennial budget processes; therefore, our state funding estimates are reasonable, and we will adjust the forecast when we have authoritative date to work with. For this reason, funding is held constant in the forecast for FY28 through FY30.

Casino Revenue
On November 3, 2009, Ohio voters passed the Ohio casino ballot issue. This issue allowed four (4) casinos to open in Cleveland, Toledo, Columbus, and Cincinnati. Thirty-three percent (33%) of the gross casino revenue will be collected as a tax. School districts will receive 34% of the 33% of Gross Casino Revenue that will be paid into a student fund at the state level. These funds will be distributed to school districts on the 31st of January and August each year, beginning for the first time on January 31, 2013.

In FY25, the funding totaled $114.30 million or $65.70 per pupil. We expect the Casino revenues to have resumed their historical growth rate and are assuming a 2% annual growth rate for the remainder of the forecast.

B) Restricted State Revenues – Line # 1.040

HB96 has continued Disadvantaged Pupil Impact Aid, Career Technical, Gifted, English Learners (ESL), and Student Wellness funding. We were notified in January that the state of Ohio overspent their Science of Reading Appropriation and will be reducing funding to recover funds previously paid. We were also notified that Threshold reimbursements in FY26, and future years, are likely to be reduced by 30% from FY25 levels due to fixed state appropriations.

We have estimated revenues for these new restricted funding lines using the most current funding factors available. For fiscal years 2026 and 2027, HB96 modifies how DPIA is calculated by factoring in both directly certified and economically disadvantaged students. The new DPIA formula modified the weight given to these student groups over the biennium which has resulted in calculated DPIA state funding in FY26 being $86.6 million less than in FY25.

State Reimbursement for Property Tax Credits – Line #1.050

a) Rollback and Homestead Reimbursement

Rollback funds are reimbursements paid to the district from the State of Ohio for tax credits given to owner-occupied residences. Credits equal 12.5% of the gross property taxes charged to residential taxpayers on levies passed before September 29, 2013. HB59 eliminated the 10% and 2.5% rollback on new levies approved after September 29, 2013. And Homestead Exemptions are credits paid to the district from the state of Ohio for qualified elderly and disabled.

Partial HB186 Guarantee

New HB186 authorizes payments to school districts and JVSDs that are located in a county that underwent a reappraisal or triennial update in tax years 2023 and 2024 and that, due to the act's temporary credit, would otherwise receive less property tax revenue in tax year 2025 than in tax year 2024. The revenue guarantee applies to tax year 2025, in the case of 2023 reappraisal or update counties, and to tax years 2025 and 2026, in the case of 2024 reappraisal and update counties. Under the act, the Tax Commissioner will calculate the difference between a district's real property tax revenue in tax year 2024 and its revenue in 2025 and, if applicable, 2026. We do not anticipate a hold harmless payment for HB186, but since the ODT has not released

authoritative data on HB186 calculations, we cannot be certain of this. We will adjust the forecast as data from the ODT becomes available.

Other Local Revenues – Line #1.060

All other local revenue encompasses any revenue that does not fit the above lines. The primary sources of revenue in this area have been, interest on investments, tuition for court-placed students, student fees, Payment In Lieu of Taxes, and general rental fees.

Interest income is based on the district's cash balances. While interest income in FY26 should remain steady due to laddered investment strategies, expected Federal Reserve rate cuts will begin to have an impact on earnings in FY27 and future years. We will continue to monitor the investments for the district.
The district has entered into a Tax Increment Financing (TIF) Agreement. The revenue is expected to continue to rise over time.

Employee's Retirement & Insurance Benefits Estimates Line #3.02
This area of the forecast captures all costs associated with benefits and retirement costs, all of which are directly related to the wages paid with the exception of health and life insurance benefits.

A) STRS/SERS
As the law requires, the BOE pays 14% of all employee wages to STRS or SERS. The district is also required to pay SERS Surcharge, an additional employer charge based on the salaries of lower-paid members. It is exclusively used to fund health care.

B) Insurance
The district has an 8.3% increase in premiums estimated for FY26, an estimated 10% increase in FY27 and FY28, and 8% increases estimated for FY29-FY30. By FY27, the district will pay 83.5% instead of the previous rate of 85%.

C) Workers Compensation & Unemployment Compensation
Workers Compensation is expected to remain at about 0.44% of wages in fiscal years FY26 through FY30. Unemployment Compensation has been negligible and is anticipated to remain as such as we plan our staffing needs carefully.

D) Medicare
Medicare will continue to increase at the rate of increases in wages and as new employees are hired. Contributions are 1.45% for all new employees to the district on or after April 1, 1986. These amounts are growing at the general growth rate of wages.

E) Other/Tuition
The district reimburses employees for the tuition to further their education to maintain licensure for teaching. The district does not anticipate any significant increases during the forecast.

Ending Cash Balances "The Bottom-line" – Line #7.020 and Line #15.010
There are two important ending cash balance lines on the financial forecast.

Line 7.020 Ending Cash Balance shows the projected ending cash balance based only on levies that have already been approved by voters. This reflects the district's current confirmed financial reality.

Line 15.010 Ending Unreserved Cash Balance includes planned levies that have not yet been approved by voters at the time the forecast is adopted. This line reflects the district's long term financial plan assuming future voter approval.

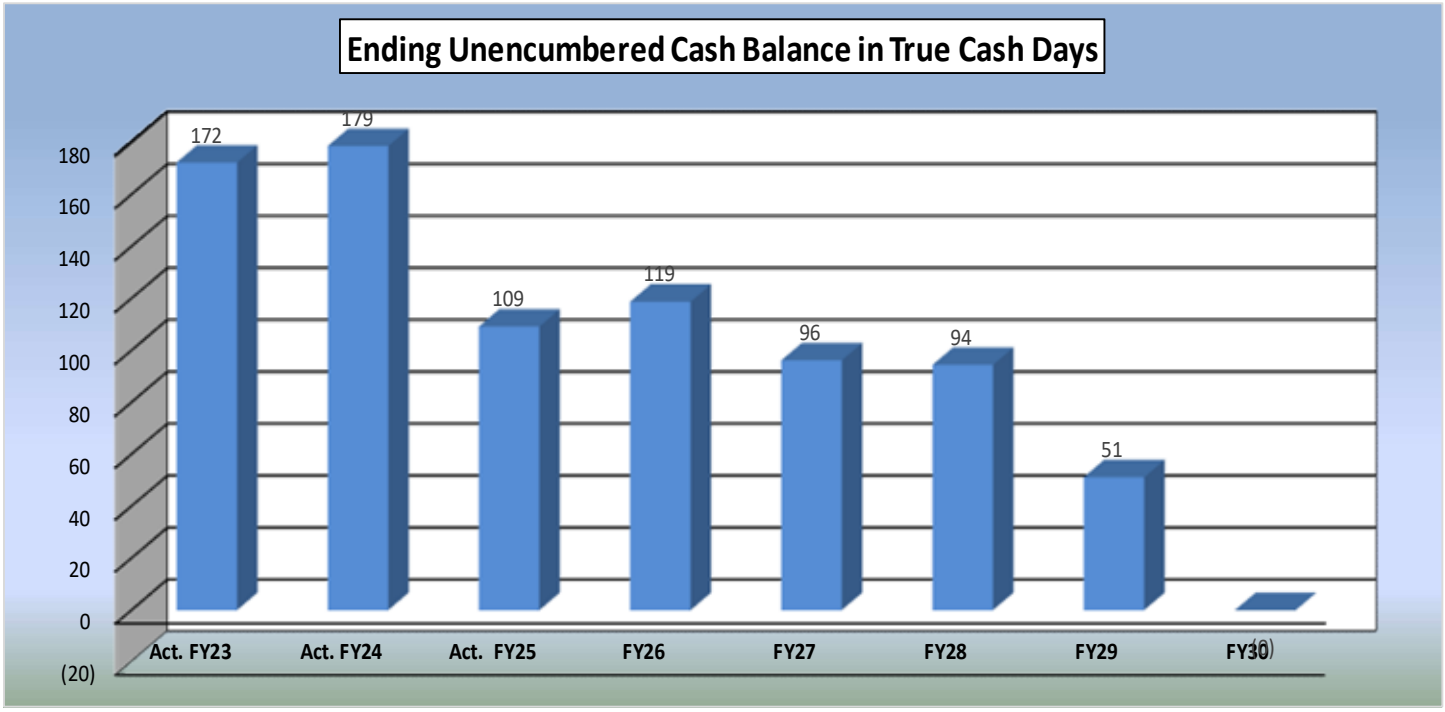

Understanding the difference between these two lines is critical. Line 7.020 shows where the district stands today. Line 15.010 shows the plan required to remain financially sustainable in the future.

Line 15.010 must not fall below zero. If the district knowingly signs a multi-year contract that results in a negative unencumbered cash balance, it would violate Ohio Revised Code 5705.412 and could result in personal liability of up to ten thousand dollars, unless an allowable alternative certificate is issued under HB153. As a best practice, it is recommended that districts maintain at least a thirty-day cash balance to ensure financial stability.

	FY26	FY27	FY28	FY29	FY30
Ending Cash Balance Line #7.02	$19,091,726	$16,222,263	$16,645,512	$9,384,581	$134,066
Ending Unreserved Cash Balance Line #15.01	$26,776,748	$19,231,918	$18,941,726	$16,072,263	$21,428,740

True Cash Days Ending Balance
Another way to look at ending cash is to state it in 'True Cash Days". In other words, how many days could the district operate at year-end if no additional revenues were received? This is the Current Years Ending Cash Balance divided by 365 (Current Years Expenditures/365 days) = the number of days the district could operate without additional resources or a severe resource interruption. The government Finance Officers Association

recommends that no less than two (2) months or 60 days of cash is on hand at year-end. Still, it could be more depending on each district's complexity and risk factors for revenue collection. This is calculated, including transfers, as this is a predictable funding source for other funds such as capital, athletics, and severance reserves.

Financial Forecast February Update

Brecksville-Broadview Heights City School District · Cuyahoga County

A comparative analysis of the **October 2025** and **February 2026** General Fund Forecasts — highlighting key changes, legislative impacts, and the district's long-range financial outlook through FY2030.

Prepared by Craig Yaniglos, Treasurer/CFO

FEBRUARY 25, 2026

What Is a Five-Year Forecast?

Purpose, Law & Planning Framework

Ohio law — specifically **O.R.C. §5705.391** as amended by **HB96** — requires every Board of Education to file a financial forecast covering the current budgeted year plus three additional years (a four-year minimum). The district goes further, filing a **five-year forecast** as a best-practice planning tool.

Filing deadlines under HB96: October 15 and end of February each year (shifting to August 31 and end of February beginning in FY2027). The forecast covers actual FY23–FY25 and projected FY26–FY30.

A forecast is a snapshot of today — built on historical trends and current assumptions. The further into the future it extends, the more likely projections will deviate from actual experience.

1

Community Engagement

Engages the board and community in long-range financial planning and discussion of fiscal challenges.

2

412 Certificate

Basis for signing the O.R.C. §5705.412 certificate — confirming the district can meet its financial obligations.

3

State Oversight

Enables ODEW and the Auditor of State to identify districts with potential financial problems early.

October 2025 vs. February 2026

What Changed Between Forecasts?

The February 2026 update reflects a dramatically shifted legislative landscape. Four sweeping new property tax laws signed by Governor DeWine on **December 19, 2025** — effective March 19, 2026 — materially altered key assumptions after the October filing.

HB186 — Inflation Cap & Claw Back

Establishes GDP Deflation Factor caps on property tax growth. Includes a retroactive "claw back" of taxes already collected in TY2023–2025. ODT must calculate impacts by April 20, 2026 — **after** this filing deadline. **No Impact** on BBHCSD

HB129 — Fixed Sum Levies

Restores fixed sum levies and includes them in the 20-mill floor calculation. Effective at next reappraisal/update. **No impact** on this BBHCSD — no fixed sum or emergency levies exist.

HB309 — County Budget Commission

Grants County Budget Commissions authority to reduce voter-approved levies. Impact is indeterminable and may be applied inconsistently across Ohio's 88 counties. **No impact...yet.**

HB335 — Inside Millage Cap

Limits inside millage revenue growth to GDP Deflation Factor following reappraisals. District projects future growth in line with GDP DF — **no adverse impact yet!**

Revenue Comparison

General Fund Revenues: Oct 2025 vs. Feb 2026

1

Total projected revenues are modestly higher in the February 2026 filing, primarily reflecting updated real estate tax assumptions and revised state aid calculations. Local sources continue to dominate — representing over 81–83% of all district revenues, with Real Estate Taxes alone accounting for approximately 71%.

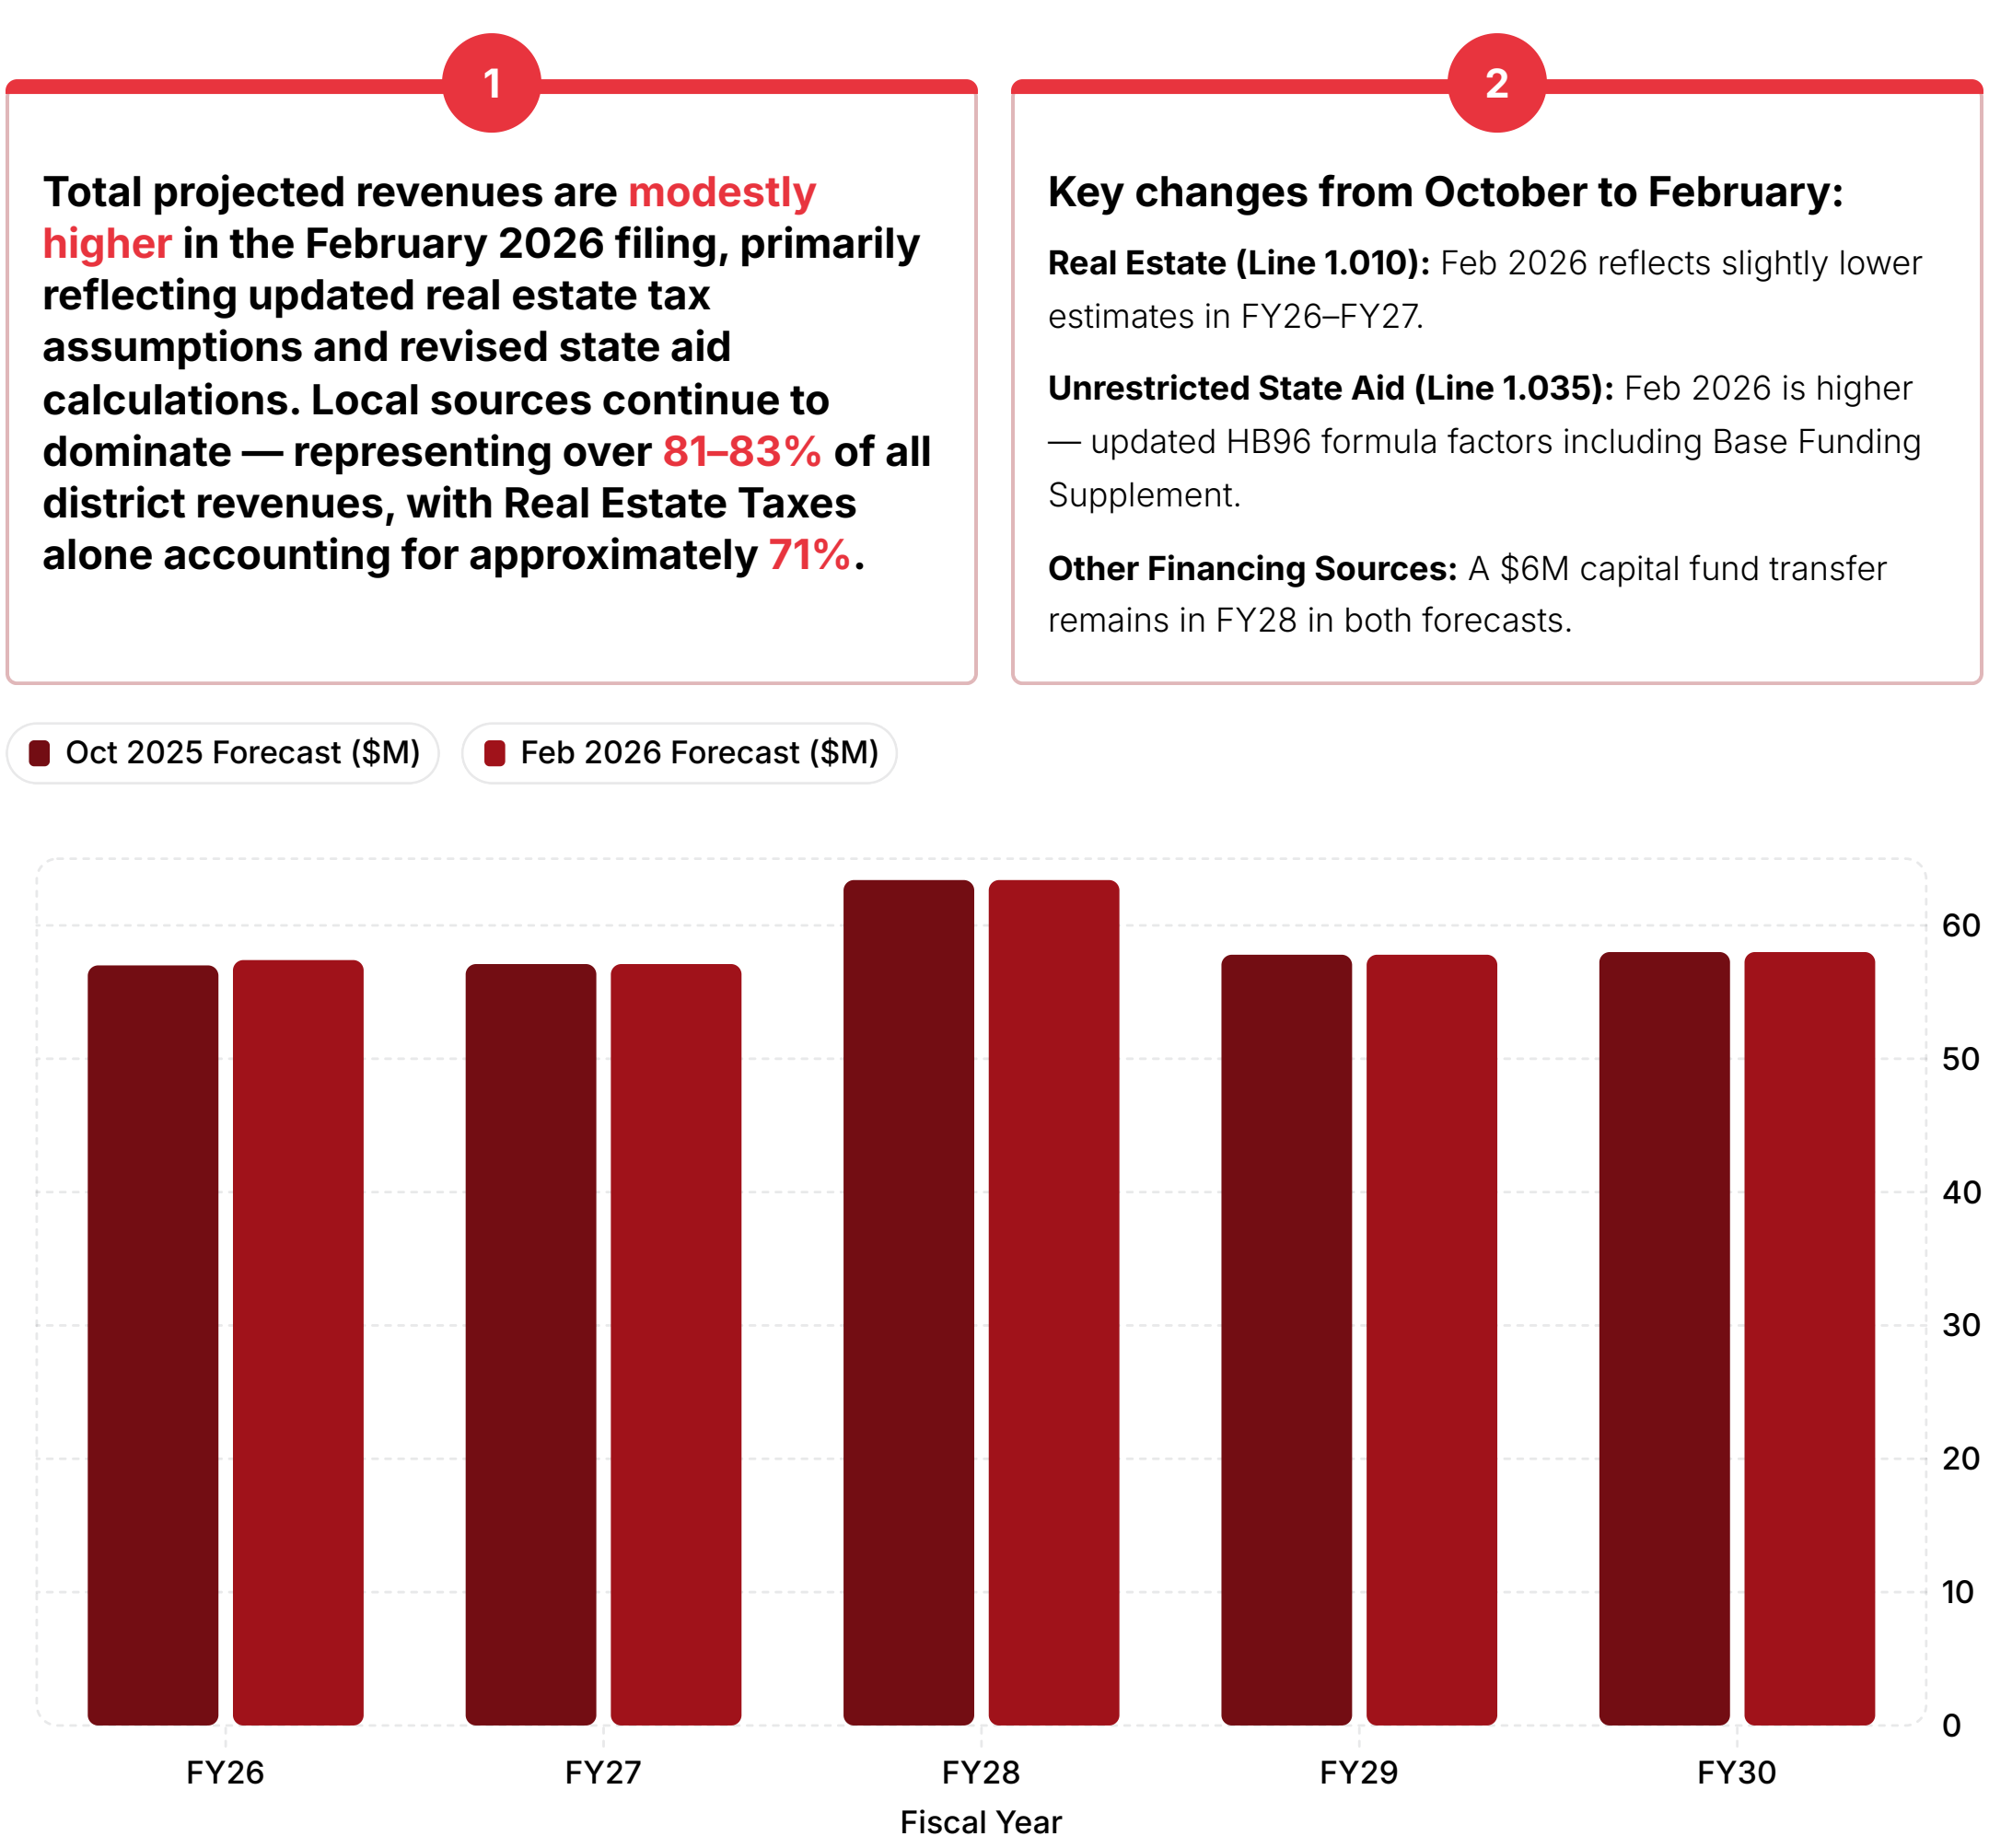

2

Key changes from October to February:

Real Estate (Line 1.010): Feb 2026 reflects slightly lower estimates in FY26–FY27.

Unrestricted State Aid (Line 1.035): Feb 2026 is higher — updated HB96 formula factors including Base Funding Supplement.

Other Financing Sources: A $6M capital fund transfer remains in FY28 in both forecasts.

The Bottom Line: Revenue, Expenditures & Cash Balance

Both forecasts tell the same fundamental story: **expenditures are growing faster than revenues**, and the ending cash balance trends toward zero by FY30 *without* a new operating levy. The February 2026 update sharpens this picture with updated expenditure data.

FY23–FY24 Actual

Revenues and expenditures balanced; ending cash grew to ~$27M peak in FY24.

FY25 Actual

Large transfer out drove cash balance down sharply to ~$19–20M — a single-year swing of ~$8M.

FY26–FY27 Est.

Expenditures begin to outpace revenues. Cash balance erodes from ~$18M toward ~$15M.

FY30 Without Levy

Line 7.020 (no new levies) approaches **~$134K** in Feb 2030 — effectively zero operating reserve.

Expenditure Comparison

Where the Money Goes: Spending Assumptions

Personnel costs — wages and benefits — represent over **86%** of all general fund expenditures in both forecasts.

Key expenditure changes Oct → Feb 2026:

- **Wages (Line 3.010):** FY26 essentially flat ($35.5M to $35.9M); slightly higher in Feb due to updated step/increment assumptions. Bargained increases: 2.85% (certified FY26), 3.0% (classified FY26), 3.25%/3.0% in FY27; 1.75% planned FY28–FY30.
- **Benefits (Line 3.020):** Feb 2026 reflects — a favorable revision and updated to healthcare enrollment. District share drops from 85% to 83.5% by FY27.
- **Total Expenditures FY30:** Feb 2026 projected update ~$65.9M vs. Oct 2025 ~$66.1M — essentially aligned. (In FY30)

61.8%	24.2%	10.1%	3.8%
Wages	**Benefits**	**Services**	**Other**
Largest single cost driver in FY26	STRS/SERS, health insurance, Medicare	Purchased services, utilities, ESC fees	Materials, capital outlay, other objects

Cash Reserves & Levy Planning

Ending Cash Balance

The forecast maintains solvency and keeps the district within our Cash Balance Board Policy. Both forecasts assumed a levy at the same cadence (CY27 - collection CY28).

Board Policy requires a minimum 90-day cash reserve. At FY30, Line 7.020 is well below the safe threshold without a new levy.

Line 7.020 — Confirmed Reality

Ending cash based **only on voter-approved levies**. By FY30, this falls to approximately **$134,000** — nearly exhausted. This is where the district stands *today*, without future levy action.

Line 15.010 — The Plan

Includes a projected **5.9-mill operating levy** on the ballot in 2027, with collections beginning FY28. Under this plan, the unreserved balance reaches ~$25.7M by FY30. The Feb 2026 filing shows this line must not fall below zero — a legal requirement under O.R.C. §5705.412.

Key Takeaways & Looking Ahead

Levy Decision Pending

A **5.9-mill operating levy** (range: 3.5–6 mills) is under consideration for the 2027 ballot with FY28 collections. Both forecasts confirm the district cannot remain solvent through FY30 on current revenues alone. Levy timing and size will be refined as legislative clarity emerges.

State Funding Uncertainty

Fair School Funding Plan phases to 100% in FY27, then faces two unknown biennial budgets (FY28–31). State aid is held constant at FY27 levels through FY30 as a conservative planning assumption — representing 18.1% of district revenues.

Stable Operations

Labor agreements are in place through FY27. No debt service planned. Capital outlay funded primarily by the Permanent Improvement Fund. The district's positive labor relations and fiscal discipline provide a strong foundation for navigating challenges ahead.
