RE: FOIA REQUEST

Dear Mr. Wenig,

Thank you for writing to Cary Community Consolidated School District No. 26 with your request for information pursuant to the Illinois *Freedom of Information Act*, 5 ILCS 140/1 *et seq.*

On March 17, you requested the following:

"All executed contracts, purchase agreements, and purchase orders with **Professional Learning/Development** services including any exhibits, addenda, or amendments that are in effect or have been in effect in the last 3 years."

Please find attached records responsive to your request. As the District FOIA Officer, I am responsible for the District's response to your request. If I have misunderstood or misinterpreted your request in any way, please clarify your request to me in writing.

very truly yours,

Jessica Neal, FOIA Officer

Fw: FOIA Request: Professional Learning/Development contracts

From Justin <justin.wenig@starbridgefoiadatahub.com>

Date Tue 4/21/2026 8:00 AM

Some people who received this message don't often get email from justin.wenig@starbridgefoiadatahub.com. [Learn why this is important](#)

****Caution:** This is email was sent from an external email domain. Please take care when clicking links or opening attachments. When in doubt, contact your Technology Support Specialist.

Dear FOIA Officer,

This is my third attempt to obtain a response to my request.

Despite two previous follow-up emails, I have not received any acknowledgment, status update, or records in response. As you are aware, the law requires agencies to respond within a statutory timeframe, and your continued inaction is a clear violation of those statutory obligations.

I prefer to resolve this matter cooperatively, and I urge your office to fulfill its legal responsibilities without further delay.

Sincerely,
Justin

Subject: FOIA Request: Professional Learning/Development contracts

To: foia@cary26.org

Dear FOIA Officer,

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140/1 et seq.), I am requesting access to and copies of the following public records possessed by Cary Community Consolidated School District 26:

All executed contracts, purchase agreements, and purchase orders with **Professional Learning/Development** services including any exhibits, addenda, or amendments that are in effect or have been in effect in the last 3 years.

For purposes of this request, professional learning or professional development services include agreements with providers, publishers, vendors, or government entities that supply:

- Professional development, training, or coaching provided by a curriculum publisher as part of, or in connection with, a curriculum or instructional materials contract.
- Professional development, training, or coaching provided by a third-party vendor or service provider supporting curriculum implementation.
- Professional development, training, or coaching related to teaching content or instructional practice that supports classroom instruction.
- Professional learning, professional development, training, or instructional services provided by state agencies, state-affiliated organizations, regional education service agencies, regional education offices, or similar regional or state entities.

This request includes agreements where professional learning or professional development services are included as part of, bundled with, or incorporated into a broader curriculum, instructional materials, or instructional services contract, including services described in scopes of work or exhibits even if such services are not the primary purpose of the agreement.

I am requesting existing, already maintained electronic records (without copying, scanning, or printing).

If this request was misrouted, please forward to the correct contact person and reply to this communication with the appropriate contact information.

Should this request be denied wholly or partially, please provide a detailed justification for each decision, citing specific exemptions. Additionally, I request that all segregable portions of otherwise exempt material be provided.

Should you need further information or clarification to expedite this request, do not hesitate to reach out.

Thank you for your attention and cooperation. I look forward to your prompt response within the statutory period.

Sincerely,

Justin Wenig

RE: FOIA REQUEST

Dear Ms. Anderson,

Thank you for writing to Cary Community Consolidated School District No. 26 with your request for information pursuant to the Illinois *Freedom of Information Act*, 5 ILCS 140/1 *et seq.*

On May 27, you requested the following:

"All products from School Asset Manager, Collaborative Student Transportation, Prismatic Services Inc, Lead Public Schools, buildEd, and Transpar Group.

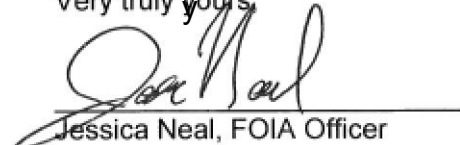

We hope to obtain records from 2022 to now reflecting how these engagements are priced — for example, licensing or subscription structures, per-unit rates, and any associated implementation or setup fees."

Response: Following a diligent search of the District's financial, technological, educational, and operational record databases, Cary CCSD 26 has determined that it possesses no responsive records matching your request. The District has not contracted with, issued purchase orders to, or engaged in business with any of the six specified vendors during the timeframe indicated.

Because no records exist, the District considers this public records request successfully fulfilled and officially closed.

Please find attached records responsive to your request. As the District FOIA Officer, I am responsible for the District's response to your request. If I have misunderstood or misinterpreted your request in any way, please clarify your request to me in writing.

Very truly yours,

Jessica Neal, FOIA Officer

FOIA Request - Cary CCSD 26 [Ref: Orville Skelton]

From Jessica Anderson <jessica@databranchusa.com>

Date Wed 5/27/2026 2:32 PM

To D26 FOIA <foia@cary26.org>

Cc orville.skelton@thedatabranch.com <orville.skelton@thedatabranch.com>

Some people who received this message don't often get email from jessica@databranchusa.com. [Learn why this is important](#)

****Caution:** This is email was sent from an external email domain. Please take care when clicking links or opening attachments. When in doubt, contact your Technology Support Specialist.

Hello,

The Data Branch is writing to submit a public records request regarding vendor procurement records.

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140)

Scope of Request:

All products from School Asset Manager, Collaborative Student Transportation, Prismatic Services Inc, Lead Public Schools, buildEd, and Transpar Group.

We hope to obtain records from 2022 to now reflecting how these engagements are priced — for example, licensing or subscription structures, per-unit rates, and any associated implementation or setup fees.

The types of records we are interested in include:

- Contracts, service agreements, and order forms
- Purchase orders associated with the above vendors
- RFP or solicitation documents
- Task orders issued under cooperative purchasing agreements

To keep this easy on your office, we are happy to receive records in whichever of the following formats works best:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any summary-level purchasing records your office already maintains

If any part of the requested records is exempt, kindly redact only the exempt material and provide the remaining segregable portions.

For full transparency, this request *is* for commercial purposes. We will gladly adhere to any policies or procedures Cary CCSD 26 has in place for public records requests, and are open to narrowing,

clarifying, or modifying the request to make fulfillment easier on your end.

Records can be sent to my colleague Orville Skelton, who manages record intake for The Data Branch, at the following:

Email: orville.skelton@thedatabranch.com

Phone: (302) 585-3132

Address: 1111B S Governors Ave STE 21033, Dover, DE 19904

Thank you for your time and assistance with this request. If it has been misdirected, kindly forward it to the appropriate records custodian or let us know where it should be sent. We appreciate your cooperation.

Sincerely,

Jessica Anderson

The Data Branch Research Team

RE: FOIA REQUEST

Dear Ms. Bennett,

Thank you for writing to Cary Community Consolidated School District No. 26 with your request for information pursuant to the Illinois *Freedom of Information Act*, 5 ILCS 140/1 *et seq.*

On June 3, you requested the following:

"All products from CDW-G, AG Parts, K-12 Tech, and Vivacity Tech
We aim to find records from 2022 to now that would reflect the pricing structure of any engagement with the above vendors. This may include subscription or licensing terms, implementation fees, and/or per-unit costs.

We are looking for the following types of records:

- Contracts, service agreements, order forms
- Purchase orders relating to the above vendors
- RFP or solicitation documents
- Task orders issued against cooperative purchasing agreements"

Please find attached records responsive to your request. As the District FOIA Officer, I am responsible for the District's response to your request. If I have misunderstood or misinterpreted your request in any way, please clarify your request to me in writing.

very truly yours,

Jessica Neal, FOIA Officer

FOIA Request - Cary CCSD 26 [Ref: Berkley Hollister]

From Julia Bennett <julia@databranchusa.com>
Date Wed 6/3/2026 11:24 AM
To D26 FOIA <foia@cary26.org>
Cc berkley.hollister@thedatabranch.com <berkley.hollister@thedatabranch.com>

Hello,

The Data Branch is writing to submit a public records request regarding vendor procurement records.

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140)

Scope of Request:

All products from CDW-G, AG Parts, K-12 Tech, and Vivacity Tech

We aim to find records from 2022 to now that would reflect the pricing structure of any engagement with the above vendors. This may include subscription or licensing terms, implementation fees, and/or per-unit costs.

We are looking for the following types of records:

- Contracts, service agreements, order forms
- Purchase orders relating to the above vendors
- RFP or solicitation documents
- Task orders issued against cooperative purchasing agreements

To keep this easy on your office, we are happy to receive records in whichever of the following formats works best:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any summary-level purchasing records your office already maintains

If any part of the requested records is exempt, kindly redact only the exempt material and provide the remaining segregable portions.

This request is being made for commercial purposes. We are committed to complying with any applicable procedures Cary CCSD 26 follows for public records requests, and we are happy to refine or scope down the request if that would make fulfillment more manageable.

Records can be sent to my colleague Berkley Hollister, who manages record intake for The Data Branch, at the following:

Email: berkley.hollister@thedatabranch.com

Phone: (302) 585-3132

Address: 1111B S Governors Ave STE 21033, Dover, DE 19904

We appreciate your attention to this matter and look forward to your prompt response. If this request has been directed to the wrong agency or department, kindly advise or forward it to the appropriate custodian. Thank you for your cooperation.

Sincerely,

Julia Bennett

RE: FOIA REQUEST

Dear Mr. Cramer,

Thank you for writing to Cary Community Consolidated School District No. 26 with your request for information pursuant to the Illinois *Freedom of Information Act*, 5 ILCS 140/1 *et seq.*

On June 4, you requested the following:

- "1. Utility statements or invoices for district-owned or district-operated facilities for the most recent consecutive 12-month period readily available, including electricity, natural gas, fuel oil/propane, and water, where applicable. Alternatively, energy use per building would also perfectly work for this (per month for a full year for gas/electricity/and whichever other fuel might be relevant)
2. The most recent final copy of each of the following, if completed, received, or adopted on or after January 1, 2020:
 - Facility condition assessment, building condition assessment, deferred maintenance report, facility master plan, long-range facility plan, or capital improvement/investment plan relating to district facilities; and
 - Energy audit, energy assessment, ASHRAE audit, energy-conservation-measure study, performance-contracting feasibility assessment, or similar facility-energy report."

Response: Regarding Item #1: See attached.

Regarding Item #2: Cary CCSD 26 does not possess or maintain any records responsive to this request.

Please find attached records responsive to your request. As the District FOIA Officer, I am responsible for the District's response to your request. If I have misunderstood or misinterpreted your request in any way, please clarify your request to me in writing.

Very truly yours,

Jessica Neal, FOIA Officer

Illinois FOIA Request – Utility and Facility Records – Cary CCSD 26

From Upgraid Research <research@upgraid.us>

Date Thu 6/4/2026 1:40 PM

To D26 FOIA <foia@cary26.org>

Some people who received this message don't often get email from research@upgraid.us. [Learn why this is important](#)

****Caution:** This is email was sent from an external email domain. Please take care when clicking links or opening attachments. When in doubt, contact your Technology Support Specialist.

Dear Freedom of Information Officer,

Hope this finds you well. Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140, I respectfully request electronic copies of existing records held by Cary CCSD 26. Specifically, we are interested in the following documents:

1. Utility statements or invoices for district-owned or district-operated facilities for the most recent consecutive 12-month period readily available, including electricity, natural gas, fuel oil/propane, and water, where applicable. Alternatively, energy use per building would also perfectly work for this (per month for a full year for gas/electricity/and whichever other fuel might be relevant)
2. The most recent final copy of each of the following, if completed, received, or adopted on or after January 1, 2020:
 - Facility condition assessment, building condition assessment, deferred maintenance report, facility master plan, long-range facility plan, or capital improvement/investment plan relating to district facilities; and
 - Energy audit, energy assessment, ASHRAE audit, energy-conservation-measure study, performance-contracting feasibility assessment, or similar facility-energy report.

This request seeks existing records only. Electronic copies by email or a download link are preferred. If responsive records are already publicly available online, a direct link is sufficient. If the District does not maintain a requested category of records, a short statement to that effect would be appreciated.

Commercial-purpose disclosure: Upgraid RE is conducting research regarding energy efficiency and capital-investment needs of public facilities. Records or information derived from records may be used in commercial research and business activities. Please treat this request as a request for records to be used for a commercial purpose under 5 ILCS 140/3.1.

Please advise before incurring any fees above \$25. If the request is considered unduly burdensome, please identify the specific concern and provide an opportunity to narrow the request to manageable proportions.

Thank you for your assistance. Really appreciate your help on this!!

Best regards,
Daniel Cramer

As you may have read about in the news, various market reforms were implemented and approved by the Federal Energy Regulatory Commission that affected the PJM capacity market and contributed to higher PJM capacity prices beginning in June 2025. This may lead to elevated capacity auction pass-through charges. Should you wish to explore alternative products or solutions to potentially help lower your future capacity costs, please reach out to our sales team.

Total Amount Due by 01/22/2026 **\$35,546.33**

Adjustments: Any adjustments that were made to your account within the invoice period. Adjustments may be made for a variety of reasons, including special contract calculations, corrections to prior bills, or settlement of disputed charges.

Administration Fee or Service Charge: The fee or charge set forth for each account per billing cycle.

Ancillary Service Charges: Charges regarding ancillary services as set forth in the applicable Independent Service Operator (ISO) Open Access Transmission Tariff (OATT) and for other ISO costs not included in the definition of Capacity Costs, Energy Costs, and Transmission Costs. Generally, these costs are associated with ensuring the reliability of the electrical grid.

Capacity Charge: Charge for fulfilling the capacity requirements for the Account(s) imposed by the ISO or otherwise. Generally, these costs are associated with ensuring there is enough generating capacity available now and in the future to meet customer requirements.

Energy Charge - Non-Time of Use (TOU): Charge per kWh for electricity supplied for all hours of each day.

Kilowatt Hour (kWh): A measure of the quantity of electricity (energy) that you use.

Late Fees or Finance Charges: Additional charges assessed to accounts for late payment of invoices. Payment terms and charge calculations are specified in your contract.

Line Loss Charges: The cost associated with the loss of electricity as it travels over the transmission and distribution wires.

Reliability Must Run (RMR): Ancillary service administered by the ISO. Generation resources scheduled to operate out-of-merit order and identified by the ISO as necessary to preserve regional system reliability.

Renewable Portfolio Standards Cost (RPS): NewEnergy's cost of procuring renewable energy to comply with Renewable Portfolio Standards (RPS) requirements, usually established by individual states. Generally, these costs are associated with requirements to support generating units that produce power using renewable fuels such as water (hydro-electric) and solar.

Retail Service Charge: A contracted charge for supplying electricity to an account, based upon total kWh consumption per billing cycle.

Retail Trade Transaction (RTT): The fixed unit Price and Quantity for a specific commodity for a specific delivery point and pattern.

Transmission Service Charge: The charge for Network Transmission Service as identified in the applicable OATT Tariff for the provision of transmission service by the ISO within the Utility's service territory. Generally, these costs are associated with building and maintaining the electric transmission lines.

You may access the Environmental Disclosure information on our website - <http://www.constellation.com/disclosures>

Disputed Invoices: Should you question any portion of your Constellation NewEnergy invoice, please call 844-6ENERGY (844-636-3749) Monday to Friday 8AM-6PM Eastern Time, email, or write to: Constellation NewEnergy, c/o Customer Care, PO Box 4911 Houston, TX 77210-4911. If you have a billing dispute that you are not able to resolve with Constellation NewEnergy you may file a complaint with the Illinois Commerce Commission (ICC). The ICC can be reached by phone at 217-782-7434, or you may visit their website at www.icc.illinois.gov.

In the event of a service interruption or electric emergency, please contact your utility directly at:

Commonwealth Edison 800-334-7661

Total Amount Due by 03/23/2026 **\$37,293.47**

Adjustments: Any adjustments that were made to your account within the invoice period. Adjustments may be made for a variety of reasons, including special contract calculations, corrections to prior bills, or settlement of disputed charges.

Administration Fee or Service Charge: The fee or charge set forth for each account per billing cycle.

Ancillary Service Charges: Charges regarding ancillary services as set forth in the applicable Independent Service Operator (ISO) Open Access Transmission Tariff (OATT) and for other ISO costs not included in the definition of Capacity Costs, Energy Costs, and Transmission Costs. Generally, these costs are associated with ensuring the reliability of the electrical grid.

Capacity Charge: Charge for fulfilling the capacity requirements for the Account(s) imposed by the ISO or otherwise. Generally, these costs are associated with ensuring there is enough generating capacity available now and in the future to meet customer requirements.

Energy Charge - Non-Time of Use (TOU): Charge per kWh for electricity supplied for all hours of each day.

Kilowatt Hour (kWh): A measure of the quantity of electricity (energy) that you use.

Late Fees or Finance Charges: Additional charges assessed to accounts for late payment of invoices. Payment terms and charge calculations are specified in your contract.

Line Loss Charges: The cost associated with the loss of electricity as it travels over the transmission and distribution wires.

Reliability Must Run (RMR): Ancillary service administered by the ISO. Generation resources scheduled to operate out-of-merit order and identified by the ISO as necessary to preserve regional system reliability.

Renewable Portfolio Standards Cost (RPS): NewEnergy's cost of procuring renewable energy to comply with Renewable Portfolio Standards (RPS) requirements, usually established by individual states. Generally, these costs are associated with requirements to support generating units that produce power using renewable fuels such as water (hydro-electric) and solar.

Retail Service Charge: A contracted charge for supplying electricity to an account, based upon total kWh consumption per billing cycle.

Retail Trade Transaction (RTT): The fixed unit Price and Quantity for a specific commodity for a specific delivery point and pattern.

Transmission Service Charge: The charge for Network Transmission Service as identified in the applicable OATT Tariff for the provision of transmission service by the ISO within the Utility's service territory. Generally, these costs are associated with building and maintaining the electric transmission lines.

You may access the Environmental Disclosure information on our website - <http://www.constellation.com/disclosures>

Disputed Invoices: Should you question any portion of your Constellation NewEnergy invoice, please call 844-6ENERGY (844-636-3749) Monday to Friday 8AM-6PM Eastern Time, email , or write to: Constellation NewEnergy, c/o Customer Care, PO Box 4911 Houston, TX 77210-4911. If you have a billing dispute that you are not able to resolve with Constellation NewEnergy you may file a complaint with the Illinois Commerce Commission (ICC). The ICC can be reached by phone at 217-782-7434, or you may visit their website at www.icc.illinois.gov.

In the event of a service interruption or electric emergency, please contact your utility directly at:

Commonwealth Edison 800-334-7661

DISCLAIMER: General Understanding - This glossary is for informational purposes only. Please refer to your agreement with us for the defined terms that govern the contractual obligations applicable to us supplying you. Not all defined terms set forth above may be applicable to your agreement with Constellation NewEnergy.

Total Amount Due by 04/20/2026 **\$25,205.16**

Adjustments: Any adjustments that were made to your account within the invoice period. Adjustments may be made for a variety of reasons, including special contract calculations, corrections to prior bills, or settlement of disputed charges.

Administration Fee or Service Charge: The fee or charge set forth for each account per billing cycle.

Ancillary Service Charges: Charges regarding ancillary services as set forth in the applicable Independent Service Operator (ISO) Open Access Transmission Tariff (OATT) and for other ISO costs not included in the definition of Capacity Costs, Energy Costs, and Transmission Costs. Generally, these costs are associated with ensuring the reliability of the electrical grid.

Capacity Charge: Charge for fulfilling the capacity requirements for the Account(s) imposed by the ISO or otherwise. Generally, these costs are associated with ensuring there is enough generating capacity available now and in the future to meet customer requirements.

Energy Charge - Non-Time of Use (TOU): Charge per kWh for electricity supplied for all hours of each day.

Kilowatt Hour (kWh): A measure of the quantity of electricity (energy) that you use.

Late Fees or Finance Charges: Additional charges assessed to accounts for late payment of invoices. Payment terms and charge calculations are specified in your contract.

Line Loss Charges: The cost associated with the loss of electricity as it travels over the transmission and distribution wires.

Reliability Must Run (RMR): Ancillary service administered by the ISO. Generation resources scheduled to operate out-of-merit order and identified by the ISO as necessary to preserve regional system reliability.

Renewable Portfolio Standards Cost (RPS): NewEnergy's cost of procuring renewable energy to comply with Renewable Portfolio Standards (RPS) requirements, usually established by individual states. Generally, these costs are associated with requirements to support generating units that produce power using renewable fuels such as water (hydro-electric) and solar.

Retail Service Charge: A contracted charge for supplying electricity to an account, based upon total kWh consumption per billing cycle.

Retail Trade Transaction (RTT): The fixed unit Price and Quantity for a specific commodity for a specific delivery point and pattern.

Transmission Service Charge: The charge for Network Transmission Service as identified in the applicable OATT Tariff for the provision of transmission service by the ISO within the Utility's service territory. Generally, these costs are associated with building and maintaining the electric transmission lines.

You may access the Environmental Disclosure information on our website - <http://www.constellation.com/disclosures>

Disputed Invoices: Should you question any portion of your Constellation NewEnergy invoice, please call 844-6ENERGY (844-636-3749) Monday to Friday 8AM-6PM Eastern Time, email, or write to: Constellation NewEnergy, c/o Customer Care, PO Box 4911 Houston, TX 77210-4911. If you have a billing dispute that you are not able to resolve with Constellation NewEnergy you may file a complaint with the Illinois Commerce Commission (ICC). The ICC can be reached by phone at 217-782-7434, or you may visit their website at www.icc.illinois.gov.

In the event of a service interruption or electric emergency, please contact your utility directly at:
Commonwealth Edison 800-334-7661

Total Amount Due by 06/22/2026 **\$24,684.77**

Adjustments: Any adjustments that were made to your account within the invoice period. Adjustments may be made for a variety of reasons, including special contract calculations, corrections to prior bills, or settlement of disputed charges.

Administration Fee or Service Charge: The fee or charge set forth for each account per billing cycle.

Ancillary Service Charges: Charges regarding ancillary services as set forth in the applicable Independent Service Operator (ISO) Open Access Transmission Tariff (OATT) and for other ISO costs not included in the definition of Capacity Costs, Energy Costs, and Transmission Costs. Generally, these costs are associated with ensuring the reliability of the electrical grid.

Capacity Charge: Charge for fulfilling the capacity requirements for the Account(s) imposed by the ISO or otherwise. Generally, these costs are associated with ensuring there is enough generating capacity available now and in the future to meet customer requirements.

Energy Charge - Non-Time of Use (TOU): Charge per kWh for electricity supplied for all hours of each day.

Kilowatt Hour (kWh): A measure of the quantity of electricity (energy) that you use.

Late Fees or Finance Charges: Additional charges assessed to accounts for late payment of invoices. Payment terms and charge calculations are specified in your contract.

Line Loss Charges: The cost associated with the loss of electricity as it travels over the transmission and distribution wires.

Reliability Must Run (RMR): Ancillary service administered by the ISO. Generation resources scheduled to operate out-of-merit order and identified by the ISO as necessary to preserve regional system reliability.

Renewable Portfolio Standards Cost (RPS): NewEnergy's cost of procuring renewable energy to comply with Renewable Portfolio Standards (RPS) requirements, usually established by individual states. Generally, these costs are associated with requirements to support generating units that produce power using renewable fuels such as water (hydro-electric) and solar.

Retail Service Charge: A contracted charge for supplying electricity to an account, based upon total kWh consumption per billing cycle.

Retail Trade Transaction (RTT): The fixed unit Price and Quantity for a specific commodity for a specific delivery point and pattern.

Transmission Service Charge: The charge for Network Transmission Service as identified in the applicable OATT Tariff for the provision of transmission service by the ISO within the Utility's service territory. Generally, these costs are associated with building and maintaining the electric transmission lines.

You may access the Environmental Disclosure information on our website - <http://www.constellation.com/disclosures>

Disputed Invoices: Should you question any portion of your Constellation NewEnergy invoice, please call 844-6ENERGY (844-636-3749) Monday to Friday 8AM-6PM Eastern Time, email, or write to: Constellation NewEnergy, c/o Customer Care, PO Box 4911 Houston, TX 77210-4911. If you have a billing dispute that you are not able to resolve with Constellation NewEnergy you may file a complaint with the Illinois Commerce Commission (ICC). The ICC can be reached by phone at 217-782-7434, or you may visit their website at www.icc.illinois.gov.

In the event of a service interruption or electric emergency, please contact your utility directly at:
Commonwealth Edison 800-334-7661

DISCLAIMER: General Understanding - This glossary is for informational purposes only. Please refer to your agreement with us for the defined terms that govern the contractual obligations applicable to us supplying you. Not all defined terms set forth above may be applicable to your agreement with Constellation NewEnergy.

As you may have read about in the news, various market reforms were implemented and approved by the Federal Energy Regulatory Commission that affected the PJM capacity market and contributed to higher PJM capacity prices beginning in June 2025. This may lead to elevated capacity auction pass-through charges. Should you wish to explore alternative products or solutions to potentially help lower your future capacity costs, please reach out to our sales team.

Adjustments: Any adjustments that were made to your account within the invoice period. Adjustments may be made for a variety of reasons, including special contract calculations, corrections to prior bills, or settlement of disputed charges.

Administration Fee or Service Charge: The fee or charge set forth for each account per billing cycle.

Ancillary Service Charges: Charges regarding ancillary services as set forth in the applicable Independent Service Operator (ISO) Open Access Transmission Tariff (OATT) and for other ISO costs not included in the definition of Capacity Costs, Energy Costs, and Transmission Costs. Generally, these costs are associated with ensuring the reliability of the electrical grid.

Capacity Charge: Charge for fulfilling the capacity requirements for the Account(s) imposed by the ISO or otherwise. Generally, these costs are associated with ensuring there is enough generating capacity available now and in the future to meet customer requirements.

Energy Charge - Non-Time of Use (TOU): Charge per kWh for electricity supplied for all hours of each day.

Kilowatt Hour (kWh): A measure of the quantity of electricity (energy) that you use.

Late Fees or Finance Charges: Additional charges assessed to accounts for late payment of invoices. Payment terms and charge calculations are specified in your contract.

Line Loss Charges: The cost associated with the loss of electricity as it travels over the transmission and distribution wires.

Reliability Must Run (RMR): Ancillary service administered by the ISO. Generation resources scheduled to operate out-of-merit order and identified by the ISO as necessary to preserve regional system reliability.

Renewable Portfolio Standards Cost (RPS): NewEnergy's cost of procuring renewable energy to comply with Renewable Portfolio Standards (RPS) requirements, usually established by individual states. Generally, these costs are associated with requirements to support generating units that produce power using renewable fuels such as water (hydro-electric) and solar.

Retail Service Charge: A contracted charge for supplying electricity to an account, based upon total kWh consumption per billing cycle.

Retail Trade Transaction (RTT): The fixed unit Price and Quantity for a specific commodity for a specific delivery point and pattern.

Transmission Service Charge: The charge for Network Transmission Service as identified in the applicable OATT Tariff for the provision of transmission service by the ISO within the Utility's service territory. Generally, these costs are associated with building and maintaining the electric transmission lines.

You may access the Environmental Disclosure information on our website - <http://www.constellation.com/disclosures>

Disputed Invoices: Should you question any portion of your Constellation NewEnergy invoice, please call 844-6ENERGY (844-636-3749) Monday to Friday 8AM-6PM Eastern Time, email, or write to: Constellation NewEnergy, c/o Customer Care, PO Box 4911 Houston, TX 77210-4911. If you have a billing dispute that you are not able to resolve with Constellation NewEnergy you may file a complaint with the Illinois Commerce Commission (ICC). The ICC can be reached by phone at 217-782-7434, or you may visit their website at www.icc.illinois.gov.

In the event of a service interruption or electric emergency, please contact your utility directly at:

Commonwealth Edison 800-334-7661

DISCLAIMER: General Understanding - This glossary is for informational purposes only. Please refer to your agreement with us for the defined terms that govern the contractual obligations applicable to us supplying you. Not all defined terms set forth above may be applicable to your agreement with Constellation NewEnergy.

As you may have read about in the news, various market reforms were implemented and approved by the Federal Energy Regulatory Commission that affected the PJM capacity market and contributed to higher PJM capacity prices beginning in June 2025. This may lead to elevated capacity auction pass-through charges. Should you wish to explore alternative products or solutions to potentially help lower your future capacity costs, please reach out to our sales team.

Total Amount Due by 08/23/2025 **\$41,066.08**

Adjustments: Any adjustments that were made to your account within the invoice period. Adjustments may be made for a variety of reasons, including special contract calculations, corrections to prior bills, or settlement of disputed charges.

Administration Fee or Service Charge: The fee or charge set forth for each account per billing cycle.

Ancillary Service Charges: Charges regarding ancillary services as set forth in the applicable Independent Service Operator (ISO) Open Access Transmission Tariff (OATT) and for other ISO costs not included in the definition of Capacity Costs, Energy Costs, and Transmission Costs. Generally, these costs are associated with ensuring the reliability of the electrical grid.

Capacity Charge: Charge for fulfilling the capacity requirements for the Account(s) imposed by the ISO or otherwise. Generally, these costs are associated with ensuring there is enough generating capacity available now and in the future to meet customer requirements.

Energy Charge - Non-Time of Use (TOU): Charge per kWh for electricity supplied for all hours of each day.

Kilowatt Hour (kWh): A measure of the quantity of electricity (energy) that you use.

Late Fees or Finance Charges: Additional charges assessed to accounts for late payment of invoices. Payment terms and charge calculations are specified in your contract.

Line Loss Charges: The cost associated with the loss of electricity as it travels over the transmission and distribution wires.

Reliability Must Run (RMR): Ancillary service administered by the ISO. Generation resources scheduled to operate out-of-merit order and identified by the ISO as necessary to preserve regional system reliability.

Renewable Portfolio Standards Cost (RPS): NewEnergy's cost of procuring renewable energy to comply with Renewable Portfolio Standards (RPS) requirements, usually established by individual states. Generally, these costs are associated with requirements to support generating units that produce power using renewable fuels such as water (hydro-electric) and solar.

Retail Service Charge: A contracted charge for supplying electricity to an account, based upon total kWh consumption per billing cycle.

Retail Trade Transaction (RTT): The fixed unit Price and Quantity for a specific commodity for a specific delivery point and pattern.

Transmission Service Charge: The charge for Network Transmission Service as identified in the applicable OATT Tariff for the provision of transmission service by the ISO within the Utility's service territory. Generally, these costs are associated with building and maintaining the electric transmission lines.

You may access the Environmental Disclosure information on our website - <http://www.constellation.com/disclosures>

Disputed Invoices: Should you question any portion of your Constellation NewEnergy invoice, please call 844-6ENERGY (844-636-3749) Monday to Friday 8AM-6PM Eastern Time, email, or write to: Constellation NewEnergy, c/o Customer Care, PO Box 4911 Houston, TX 77210-4911. If you have a billing dispute that you are not able to resolve with Constellation NewEnergy you may file a complaint with the Illinois Commerce Commission (ICC). The ICC can be reached by phone at 217-782-7434, or you may visit their website at www.icc.illinois.gov.

In the event of a service interruption or electric emergency, please contact your utility directly at:

Commonwealth Edison 800-334-7661

DISCLAIMER: General Understanding - This glossary is for informational purposes only. Please refer to your agreement with us for the defined terms that govern the contractual obligations applicable to us supplying you. As you may have read about in the news, various market reforms were implemented and approved by the Federal Energy Regulatory Commission that affected the PJM capacity market and contributed to higher PJM capacity prices beginning in June 2025. This may lead to elevated capacity auction pass-through charges. Should you wish to explore alternative products or solutions to potentially help lower your future capacity costs, please reach out to our sales team.

Total Amount Due by 11/22/2025 **\$45,076.31**

Adjustments: Any adjustments that were made to your account within the invoice period. Adjustments may be made for a variety of reasons, including special contract calculations, corrections to prior bills, or settlement of disputed charges.

Administration Fee or Service Charge: The fee or charge set forth for each account per billing cycle.

Ancillary Service Charges: Charges regarding ancillary services as set forth in the applicable Independent Service Operator (ISO) Open Access Transmission Tariff (OATT) and for other ISO costs not included in the definition of Capacity Costs, Energy Costs, and Transmission Costs. Generally, these costs are associated with ensuring the reliability of the electrical grid.

Capacity Charge: Charge for fulfilling the capacity requirements for the Account(s) imposed by the ISO or otherwise. Generally, these costs are associated with ensuring there is enough generating capacity available now and in the future to meet customer requirements.

Energy Charge - Non-Time of Use (TOU): Charge per kWh for electricity supplied for all hours of each day.

Kilowatt Hour (kWh): A measure of the quantity of electricity (energy) that you use.

Late Fees or Finance Charges: Additional charges assessed to accounts for late payment of invoices. Payment terms and charge calculations are specified in your contract.

Line Loss Charges: The cost associated with the loss of electricity as it travels over the transmission and distribution wires.

Reliability Must Run (RMR): Ancillary service administered by the ISO. Generation resources scheduled to operate out-of-merit order and identified by the ISO as necessary to preserve regional system reliability.

Renewable Portfolio Standards Cost (RPS): NewEnergy's cost of procuring renewable energy to comply with Renewable Portfolio Standards (RPS) requirements, usually established by individual states. Generally, these costs are associated with requirements to support generating units that produce power using renewable fuels such as water (hydro-electric) and solar.

Retail Service Charge: A contracted charge for supplying electricity to an account, based upon total kWh consumption per billing cycle.

Retail Trade Transaction (RTT): The fixed unit Price and Quantity for a specific commodity for a specific delivery point and pattern.

Transmission Service Charge: The charge for Network Transmission Service as identified in the applicable OATT Tariff for the provision of transmission service by the ISO within the Utility's service territory. Generally, these costs are associated with building and maintaining the electric transmission lines.

You may access the Environmental Disclosure information on our website - <http://www.constellation.com/disclosures>

Disputed Invoices: Should you question any portion of your Constellation NewEnergy invoice, please call 844-6ENERGY (844-636-3749) Monday to Friday 8AM-6PM Eastern Time, email, or write to: Constellation NewEnergy, c/o Customer Care, PO Box 4911 Houston, TX 77210-4911. If you have a billing dispute that you are not able to resolve with Constellation NewEnergy you may file a complaint with the Illinois Commerce Commission (ICC). The ICC can be reached by phone at 217-782-7434, or you may visit their website at www.icc.illinois.gov.

In the event of a service interruption or electric emergency, please contact your utility directly at:

Commonwealth Edison 800-334-7661

As you may have read about in the news, various market reforms were implemented and approved by the Federal Energy Regulatory Commission that affected the PJM capacity market and contributed to higher PJM capacity prices beginning in June 2025. This may lead to elevated capacity auction pass-through charges. Should you wish to explore alternative products or solutions to potentially help lower your future capacity costs, please reach out to our sales team.

Total Amount Due by 12/23/2025 **\$38,005.85**

Adjustments: Any adjustments that were made to your account within the invoice period. Adjustments may be made for a variety of reasons, including special contract calculations, corrections to prior bills, or settlement of disputed charges.

Administration Fee or Service Charge: The fee or charge set forth for each account per billing cycle.

Ancillary Service Charges: Charges regarding ancillary services as set forth in the applicable Independent Service Operator (ISO) Open Access Transmission Tariff (OATT) and for other ISO costs not included in the definition of Capacity Costs, Energy Costs, and Transmission Costs. Generally, these costs are associated with ensuring the reliability of the electrical grid.

Capacity Charge: Charge for fulfilling the capacity requirements for the Account(s) imposed by the ISO or otherwise. Generally, these costs are associated with ensuring there is enough generating capacity available now and in the future to meet customer requirements.

Energy Charge - Non-Time of Use (TOU): Charge per kWh for electricity supplied for all hours of each day.

Kilowatt Hour (kWh): A measure of the quantity of electricity (energy) that you use.

Late Fees or Finance Charges: Additional charges assessed to accounts for late payment of invoices. Payment terms and charge calculations are specified in your contract.

Line Loss Charges: The cost associated with the loss of electricity as it travels over the transmission and distribution wires.

Reliability Must Run (RMR): Ancillary service administered by the ISO. Generation resources scheduled to operate out-of-merit order and identified by the ISO as necessary to preserve regional system reliability.

Renewable Portfolio Standards Cost (RPS): NewEnergy's cost of procuring renewable energy to comply with Renewable Portfolio Standards (RPS) requirements, usually established by individual states. Generally, these costs are associated with requirements to support generating units that produce power using renewable fuels such as water (hydro-electric) and solar.

Retail Service Charge: A contracted charge for supplying electricity to an account, based upon total kWh consumption per billing cycle.

Retail Trade Transaction (RTT): The fixed unit Price and Quantity for a specific commodity for a specific delivery point and pattern.

Transmission Service Charge: The charge for Network Transmission Service as identified in the applicable OATT Tariff for the provision of transmission service by the ISO within the Utility's service territory. Generally, these costs are associated with building and maintaining the electric transmission lines.

IMPORTANT NOTICE: Never rely solely on wiring instructions sent via email. Cyber criminals are hacking email accounts and sending emails with fake wiring instructions. These emails may appear legitimate, convincing, and sophisticated. Always independently confirm wiring instructions in person or via a telephone call to a trusted and verified phone number (not the number contained in the emailed instructions). Never wire money without double-checking that the wiring instructions are correct.

IMPORTANT NOTICE: Never rely solely on wiring instructions sent via email. Cyber criminals are hacking email accounts and sending emails with fake wiring instructions. These emails may appear legitimate, convincing, and sophisticated. Always independently confirm wiring instructions in person or via a telephone call to a trusted and verified phone number (not the number contained in the emailed instructions). Never wire money without double-checking that the wiring instructions are correct.

IMPORTANT NOTICE: Never rely solely on wiring instructions sent via email. Cyber criminals are hacking email accounts and sending emails with fake wiring instructions. These emails may appear legitimate, convincing, and sophisticated. Always independently confirm wiring instructions in person or via a telephone call to a trusted and verified phone number (not the number contained in the emailed instructions). Never wire money without double-checking that the wiring instructions are correct.

IMPORTANT NOTICE: Never rely solely on wiring instructions sent via email. Cyber criminals are hacking email accounts and sending emails with fake wiring instructions. These emails may appear legitimate, convincing, and sophisticated. Always independently confirm wiring instructions in person or via a telephone call to a trusted and verified phone number (not the number contained in the emailed instructions). Never wire money without double-checking that the wiring instructions are correct.

RE: FOIA REQUEST

Dear Ms. Donovan

Thank you for writing to Cary Community Consolidated School District No. 26 with your request for information pursuant to the Illinois *Freedom of Information Act*, 5 ILCS 140/1 *et seq.*

On June 7, you requested the following:

"All products from: Apptegy, Finalsite, ParentSquare, SchoolMessenger, and Blackboard Inc
Our goal is to identify records from 2022 to now that show the pricing arrangements associated with these vendors, such as licensing or subscription terms, per-unit costs, and any implementation or setup fees that may apply.

Specifically, we are seeking:

- Contracts, service agreements, or order forms
- Purchase orders tied to the listed vendors
- RFP or solicitation documents
- Task orders issued against cooperative purchasing agreements"

Please find attached records responsive to your request. As the District FOIA Officer, I am responsible for the District's response to your request. If I have misunderstood or misinterpreted your request in any way, please clarify your request to me in writing.

very truly yours,

Jessica Neal, FOIA Officer

FOIA Request - Cary CCSD 26 [Ref: Esther Solomon]

Hello,

The Data Branch is submitting a public records request for records relating to vendor purchases.

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140)

Scope of Request:

All products from: Apptegy, Finalsite, ParentSquare, SchoolMessenger, and Blackboard Inc

Our goal is to identify records from 2022 to now that show the pricing arrangements associated with these vendors, such as licensing or subscription terms, per-unit costs, and any implementation or setup fees that may apply.

Specifically, we are seeking:

- Contracts, service agreements, or order forms
- Purchase orders tied to the listed vendors
- RFP or solicitation documents
- Task orders issued against cooperative purchasing agreements

To make fulfillment as easy as possible, we are willing to receive records in whatever format is most convenient, including:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any summary-level purchasing records your office already keeps on hand

To the extent any portion of the requested records is exempt from disclosure, we ask that the remaining non-exempt segregable portions be released.

This request is being made for commercial purposes. We are committed to complying with any applicable procedures Cary CCSD 26 follows for public records requests, and we are happy to refine or scope down the request if that would make fulfillment more manageable.

All responsive records may be directed to Esther Solomon, our record intake contact, at the following:

Email: esther.solomon@thedatabranch.com

Phone: (302) 585-3132

Address: 1111B S Governors Ave STE 21033, Dover, DE 19904

We appreciate your help and look forward to a prompt response. If this request belongs with another agency or department, please forward it to the appropriate custodian or let us know. Thank you for your cooperation.

Thank you,

Celeste Donovan

RE: FOIA REQUEST

Dear Mr. Miles,

Thank you for writing to Cary Community Consolidated School District No. 26 with your request for information pursuant to the Illinois *Freedom of Information Act*, 5 ILCS 140/1 *et seq.*

On June 15, you requested the following:

"All products from: CDW Government, Xerox, and MGT Impact Solutions (MGT Consulting), as well as College and Career Readiness from Lead Public Schools

Our goal is to identify records from 2022 to now that show the pricing arrangements associated with these vendors, such as licensing or subscription terms, per-unit costs, and any implementation or setup fees that may apply.

Relevant records may include:

- Contracts, service agreements, and order forms
- Purchase orders involving the above vendors
- RFP or solicitation documents
- Task orders issued under cooperative purchasing agreements"

Response: See attached records maintained by the District regarding **CDW Government**.

Following a review of our business and contracting databases, it has been determined that the District does not utilize or maintain active agreements with **Xerox, MGT Impact Solutions, or Lead Public Schools**.

Therefore, the District holds no records responsive to those portions of your request.

Please find attached records responsive to your request. As the District FOIA Officer, I am responsible for the District's response to your request. If I have misunderstood or misinterpreted your request in any way, please clarify your request to me in writing.

very truly yours,

Jessica Neal, FOIA Officer

FOIA Request - Cary CCSD 26 [Ref: Ethan Montague]

From Zachary Miles <zachary@databranchus.com>

Date Mon 6/15/2026 9:52 AM

To D26 FOIA <foia@cary26.org>

Cc ethan.montague@thedatabranch.com <ethan.montague@thedatabranch.com>

Some people who received this message don't often get email from zachary@databranchus.com. [Learn why this is important](#)

****Caution:** This is email was sent from an external email domain. Please take care when clicking links or opening attachments. When in doubt, contact your Technology Support Specialist.

Hello,

The Data Branch is writing to submit a public records request regarding vendor procurement records.

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140)

Scope of Request:

All products from: CDW Government, Xerox, and MGT Impact Solutions (MGT Consulting), as well as College and Career Readiness from Lead Public Schools

Our goal is to identify records from 2022 to now that show the pricing arrangements associated with these vendors, such as licensing or subscription terms, per-unit costs, and any implementation or setup fees that may apply.

Relevant records may include:

- Contracts, service agreements, and order forms
- Purchase orders involving the above vendors
- RFP or solicitation documents
- Task orders issued under cooperative purchasing agreements

To make fulfillment as easy as possible, we are willing to receive records in whatever format is most convenient, including:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any summary-level purchasing records your office already keeps on hand

If portions of the responsive records fall under an exemption, please withhold only those portions and produce the rest.

This request is being submitted for commercial purposes. We are willing to work within whatever procedures Cary CCSD 26 uses for handling such requests, and are happy to clarify, narrow, or adjust

the scope to reduce the burden on your office.

Please send all records to my colleague Ethan Montague at the following:

Email: ethan.montague@thedatabranch.com

Phone: (302) 585-3132

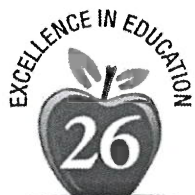

Address: 1111B S Governors Ave STE 21033, Dover, DE 19904

Thank you for your attention to this request and we look forward to a prompt reply. If this office is not the correct custodian, please forward the request to the right agency or department, or advise us where to direct it. We appreciate your cooperation.

Sincerely,

Zachary Miles

RE: FOIA REQUEST

Dear Whitney Crawford,

Thank you for writing to Cary Community Consolidated School District No. 26 with your request for information pursuant to the Illinois *Freedom of Information Act*, 5 ILCS 140/1 *et seq.*

On June 18, you requested the following:

"All products from: ESS/ESI, Kokua Education, Scoot Education, Zed Educate, and BuildEd

We aim to find records from 2022 to now that would reflect the pricing structure of any engagement with the above vendors. This may include subscription or licensing terms, implementation fees, and/or per-unit costs.

The types of records we are interested in include:

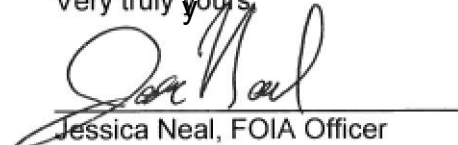

- Contracts, service agreements, and order forms
- Purchase orders associated with the above vendors
- RFP or solicitation documents
- Task orders issued under cooperative purchasing agreements"

Response: Cary School District 26 has processed your public records request regarding ESS/ESI, Kokua Education, Scoot Education, Zen Educate, and BuildEd.

Following a thorough review of our district records, it has been determined that the District does not utilize or maintain contracts with any of these specified vendors. Therefore, the District has no records responsive to your request.

Please find attached records responsive to your request. As the District FOIA Officer, I am responsible for the District's response to your request. If I have misunderstood or misinterpreted your request in any way, please clarify your request to me in writing.

Very truly yours,

Jessica Neal, FOIA Officer

FOIA Request - Cary CCSD 26 [Ref: Carolyn Thacker]

From Whitney Crawford <whitney@databranchusa.com>
Date Thu 6/18/2026 7:58 PM
To D26 FOIA <foia@cary26.org>
Cc carolyn.thacker@thedatabranch.com <carolyn.thacker@thedatabranch.com>

Some people who received this message don't often get email from whitney@databranchusa.com. [Learn why this is important](#)

****Caution:** This is email was sent from an external email domain. Please take care when clicking links or opening attachments. When in doubt, contact your Technology Support Specialist.

Hello,

The Data Branch is submitting a public records request for vendor procurement records.

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140)

Scope of Request:

All products from: ESS/ESI, Kokua Education, Scoot Education, Zed Educate, and BuildEd

We aim to find records from 2022 to now that would reflect the pricing structure of any engagement with the above vendors. This may include subscription or licensing terms, implementation fees, and/or per-unit costs.

The types of records we are interested in include:

- Contracts, service agreements, and order forms
- Purchase orders associated with the above vendors
- RFP or solicitation documents
- Task orders issued under cooperative purchasing agreements

To keep this easy on your office, we are happy to receive records in whichever of the following formats works best:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any summary-level purchasing records your office already maintains

If portions of the responsive records fall under an exemption, please withhold only those portions and produce the rest.

Please note that this request *is* for commercial purposes. We are glad to follow any applicable policies or procedures Cary CCSD 26 has in place for handling public records requests, and we are open to

narrowing, clarifying, or otherwise adjusting the request to ease the burden on your office.

Records should be sent to Carolyn Thacker, who handles intake on behalf of The Data Branch, at the following:

Email: carolyn.thacker@thedatabranch.com

Phone: (302) 585-3132

Address: 1111B S Governors Ave STE 21033, Dover, DE 19904

Thank you for your time and assistance with this request. If it has been misdirected, kindly forward it to the appropriate records custodian or let us know where it should be sent. We appreciate your cooperation.

Sincerely,

Whitney Crawford

Re: Freedom of Information Act Request

Dear Mr. Weinhaus:

Cary School District #26 (the “District”) received your Freedom of Information Act (the “Act”) request on June 17, 2026. Please treat this as the response to that request.

You requested the following public records:

1. Documents posted physically to comply with 5 ILCS 140/4(b);
2. Documents posted digitally to comply with 5 ILCS 140/4(b);
3. Documents showing the public entity’s e-mail service provider or internal email servers and services;
4. Documentation showing the public entity’s Junk Mail, E-Mail Spam, and/or filters related to handling unsolicited emails and/or messages from unknown senders, including but not limited to documentation showing retention periods, filtering, safe senders, junk/spam senders, blocked senders, and any reporting mechanism for the same;
5. Documents showing at least one official email address of the public entity; and
6. Documents showing any email address used for official business if there is no official email address in response to number 5.

Response:

1. Because the District maintains all documents needed to comply with 5 ILCS 140/4(b) on the its website, pursuant to Section 140/4, it is not required to physically post them at the District office. These documents, however, are available for anyone in hard copy upon request at the District office. Also, see response to item #2 below.

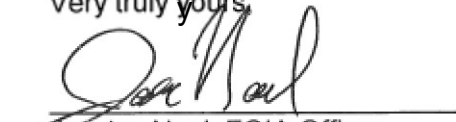

2. Information required under Section 140/4(b) of FOIA can be found on the District website at the following links:

- <https://www.cary26.org/our-district/board-of-education/foia>
- https://v3.boardpolicyonline.com/b/cary_26/s/1945344

3. See attached
4. See attached
5. An official email address can be found in the above information responsive to Request #2 (foia@cary26.org).
6. A responsive email address has been provided in response to #5 of your request.

To the extent that your request has been denied, you may appeal that decision by filing a request for review with the Illinois Attorney General – Public Access Counselor at 500 S. 2nd Street, Springfield, IL 62701, Fax: (217) 782-1396, E-mail: public.access@ilga.gov, or by filing suit for injunctive relief in the circuit court for Cook County, Illinois.

very truly yours,

Jessica Neal, FOIA Officer

Fw: FOIA request Judiciocracy Series 2 - FOIA Compliance

From Lisa Baker <lisa.baker@cary26.org>

Date Wed 6/17/2026 2:09 PM

To Jennifer Thomas <jennifer.thomas@CARY26.ORG>; Ivette Rivera <ivette.rivera@cary26.org>; David Shepherd <david.shepherd@cary26.org>; Andrew Fitzsimons <andrew.fitzsimons@cary26.org>; Jessica Neal <jessica.neal@cary26.org>

Hi Everyone,

I have no idea how to go about this so I am forwarding this message to all of you. Please let me know if there is anything I need to do.

To Oak Knoll Early Childhood Center,

I am a news reporter from Judiciocracy, a media organization committed to providing comprehensive and accurate news coverage on local governmental affairs. As part of a multi-year, multi-state investigation, we are requesting the following records under the Illinois Freedom of Information Act, 5 ILCS 140, preferably in electronic format:

We are not only writing on behalf of Judiciocracy LLC but also our affiliate organizations the Coalition Opposing Governmental Secrecy, the Association of Principled Press, and ClearFront Alliance. We are requesting the following records under the Illinois Freedom of Information Act, 5 ILCS 140, preferably in electronic format:

- 1) Please share the documents posted physically to comply with 5 ILCS 140/4(b).
- 2) Please share the documents posted digitally to comply with 5 ILCS 140/4(b).
- 3) Documents showing the public entity's e-mail service provider or internal email servers and services.
- 4) Documentation showing the public entity's Junk Mail, E-Mail Spam, and/or filters related to handling unsolicited emails and/or messages from unknown senders, including but not limited to documentation showing retention periods, filtering, safe senders, junk/spam senders, blocked senders, and any reporting mechanism for the same.
- 5) Documents showing at least one official email address of the public entity.

6) Documents showing any email address used for official business if there is no official email address in response to number 5.

Please let us know if you have any questions not answered on COGS' website, or by contacting COGS' attorneys whose contact information can be found at FOIASolved.com (a division of LegalSolved LLC).

The requestor(s) are members of the media involved in gathering and reporting news to the public. Access to public records is essential for them to fulfill their professional responsibilities, which include holding public institutions accountable and providing transparency to the public. Given their role in disseminating information, the requestor(s) are eligible for a fee waiver as media professionals. The request is for a non-commercial purpose.

Please Note: The requestor is a member of The Coalition Opposing Governmental Secrecy, a 501(c)(3) Non-Profit Missouri Corporation which assists news media companies, publications, and public advocacy groups investigate state and federal governmental agencies and leverages Freedom of Information and Sunshine Laws to pull back the curtain on government actions and help inform the American electorate. For more information, please visit <https://stopsecrecy.org/about/>

Please let me know if you have any questions,

Catarina Mascarenhas

ACCESS 25-26

Board of Education Meeting
June 29, 2026

Goals

- Refresh understanding of what the ACCESS test is and why it is given
- Gain knowledge about the different levels of English language proficiency
- Analyze ACCESS data from the 25-26 school year

Who are we?

- 395 total EL students (Pre-K-8)
- 347 total EL students test (K-8)
- 32 languages

Albanian	Bulgarian	Cambodian	Catonese	Czech	English
German	Greek	Gujarati	Hindi	Italian	Konkani
Korean	Latvian	Lithuanian	Mandarin	Macedonian	Mandarin
Mongolian	Punjabi	Polish	Portuguese	Romanian	Russian
Serbian	Spanish	Tagalog	Tamil	Telugu	Ukrainian
Vietnamese	Yoruba				

What is ACCESS?

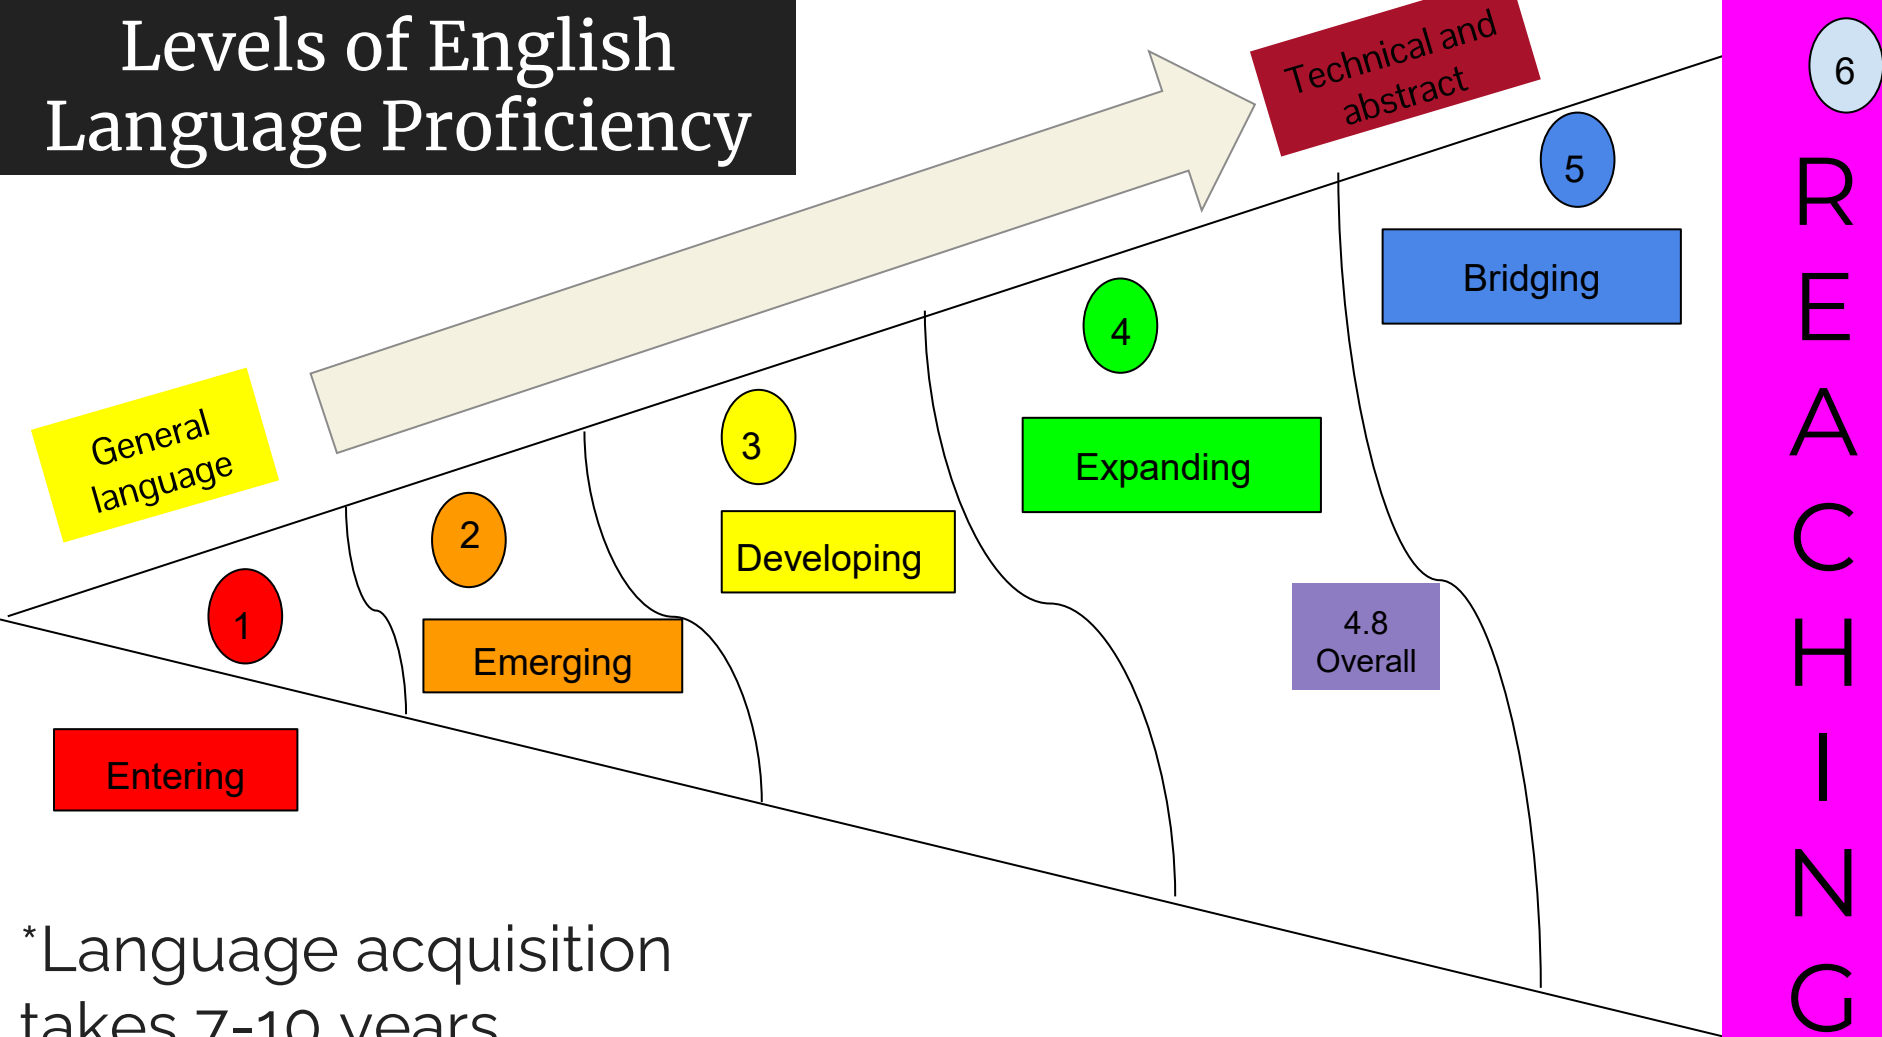

- Federally required English language proficiency assessment
- Given to students who are ELs in grades K-12
- Determines placement in an EL program for the following school year
- Given once per year starting in January
- Anchored in the ELD standards
- Assesses English proficiency in:
 - Listening
 - Speaking
 - Reading
 - Writing

ACCESS results and EL Services

1.0 - 3.4	3.5 - 4.7	4.8+
<ul style="list-style-type: none">● Students receive Full-Time English Language Services● Tier 1 & Tier 2 Support● Students: 153	<ul style="list-style-type: none">● Students receive Part-Time English Language Services● Tier 1 Support● Students: 123	<ul style="list-style-type: none">● Students exit from EL services● Students: 33

Levels of English Language Proficiency

*Language acquisition takes 7-10 years

Level Distribution- ACCESS

25-26

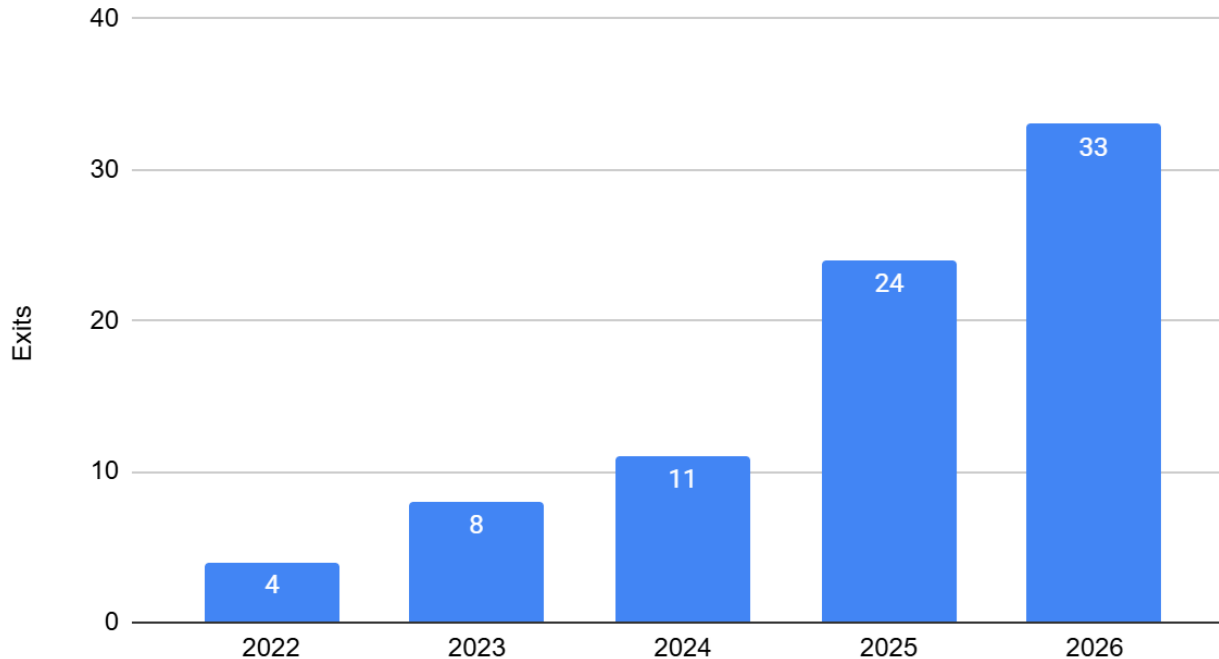

Key

End Of Year Number
(Beginning of Year #)

	Listening	Speaking	Reading	Writing	Composite
1.0-1.9	27 students (32)	51 students (48)	76 students (103)	77 students (73)	55 students (51)
2.0-2.9	27 students (33)	96 students (90)	80 students (77)	42 students (64)	64 students (86)
3.0-3.9	54 students (44)	116 students (122)	45 students (47)	169 students (140)	107 students (107)
4.0-4.9	31 students (29)	67 students (65)	34 students (32)	53 students (57)	90 students (76)
5.0-6.0	204 students (200)	13 students (13)	108 students (79)	0 students (1)	25 students (15)

ACCESS Exit Rate History

Exiting Services

Highest in Cary 26 History **AND** higher than the State Average

- State Average= 7.1%
- Cary Average= 9.5%

Next Steps... continue the work that's been working!

1. Instructional Framework
2. Cary 26 Lesson Delivery Model
3. Adjustment of instructional minutes (dual math)
4. Teacher push in support for small groups
5. ELA/SLA Curriculum Maps
6. Instructional focus within WIN time
 - a. language development
 - b. Pre teaching tier I concepts & standards
 - c. Reteaching tier I concepts & standards as needed
8. Purposeful Oracy Development
9. Systematic Phonics Instruction both English and Spanish
10. Dual Language Academy / Professional Learning for Dual staff at the start of each school year
11. Dual Language Instructional Coach (supporting team meetings, lesson planning, and 1:1 coaching cycles)
12. EL Newcomer & Multilingual Specialist (supporting individual teachers, lesson planning, professional development)
13. Instructional coaching 1:1 cycles on differentiation

Monday, June 22, 2026
Special Board of Education and Committee of the Whole

To accommodate additional attendees, the meeting will also be held virtually via an expanded Zoom platform. All or a portion of the meeting is being video recorded for purpose of public broadcast.

Special Board of Education and Committee of the Whole, Band Room, C38 Cary Jr. High School, 2109 Crystal Lake Rd., Cary, IL 60013, 6:00 PM

1. **Organization – Special Board of Ed – 6:00pm**

1.1.Call to Order

1.2.Roll Call

2. **Community Input**

Members of the public and District employees may take public comments at this time. Please identify yourself and limit your comments to 3 (three) minutes

Memo

To: Board Policy Committee

From: Jennifer Thomas, Interim Superintendent

Date: June 29, 2026

Re: Policy 2:220 – E1 Treatment of Closed Session Audio Recordings

Board Policy allows the District to destroy Closed Session Audio Recordings older than 18 months. The Superintendent is requesting that the old inventory of Recorded Closed Session Minutes be destroyed according to Policy 2:220 to free up storage space and be in compliance with this Policy.

In addition, the IASB recommends that the destruction of closed meeting audio recordings be done on a monthly basis. A regular consent agenda item will be added to the Regular Board Meeting agenda for the routine destruction of closed meeting audio recordings that are older than 18 months and for which the approved minutes of the closed meeting already exist.

Recommendation: The Superintendent is recommending that the Board of Education monthly approves the destruction of particular closed meeting recordings that are at least 18 months old and for which approved minutes of the closed meeting already exist. This is in accordance with Board Policy 2:220-E2.

Overview

All entities seeking grant funding must have an active UEI registration in SAM.gov throughout the lifecycle of the grant.

PROGRAM:

Consolidated District Plan

PURPOSE:

The District Plan shall be developed with timely and meaningful consultation with teachers, principals, other school leaders, paraprofessionals, specialized instructional support personnel, charter school leaders, administrators, other appropriate school personnel, and parents of children in schools served under the Every Student Succeeds Act (ESSA) legislation, and as appropriate, is coordinated with other programs under ESSA, the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.), the Rehabilitation Act of 1973 (20 U.S.C. 701 et seq.), the Strengthening Career and Technical Education for the 21st Century Act (20 U.S.C. 2301 et seq.), the Workforce Innovation and Opportunity Act (29 U.S.C. 3103 et seq.), the Head Start Act (42 U.S.C. 9831 et seq.), the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11301 et seq.), the Adult Education and Family Literacy Act (29 U.S.C. 3271 et seq.), and other Acts as appropriate.

BOARD GOALS:

Student Learning: Every child will make significant academic gains each year, increasing their knowledge, skills, and opportunities so they graduate equipped to pursue a successful future, with the state paying special attention to addressing historic inequities.

Learning Conditions: All schools will receive the resources necessary to create safe, healthy, and welcoming learning environments, and will be equipped to meet the unique academic and social and emotional needs of each and every child.

Elevating Educators: Illinois diverse student population will have educators who are prepared through multiple pathways and are supported in and celebrated for their efforts to provide each and every child an education that meets their needs.

FY 2027

Included

Programs:

Title I, Part A - Improving Basic Programs

Title I, Part A - School Improvement Part 1003

Title I, Part D - Delinquent

Title I, Part D - Neglected

Title I, Part D - State Neglected/Delinquent

Title II, Part A - Preparing, Training, and Recruiting High-Quality Teachers, Principals, and Other School Leaders

Title III - Language Instruction Educational Program (LIEP)

Title III - Immigrant Student Education Program (ISEP)

EL - Bilingual Service Plan (BSP)

Title IV, Part A - Student Support and Academic Enrichment

Title V, Part B - Rural and Low Income Schools

IDEA, Part B - Flow-Through

IDEA, Part B - Preschool

Foster Care Transportation Plan

LEGISLATION:

[Every Student Succeeds Act \(ESSA\)](#)

[Individuals with Disabilities Education Act](#)

[Rehabilitation Act](#)

[Strengthening Career and Technical Education for the 21st Century Act](#)

[Workforce Innovation and Opportunity Act](#)

[Head Start Act](#)

[McKinney-Vento Homeless Assistance Act](#)

[Adult Education and Family Literacy Act](#)

[105 ILCS 5/ Illinois School Code Article 14C. Transitional Bilingual Education](#)

[23 Illinois Administrative Code 228 Transitional Bilingual Education](#)

DUE DATE:

District plans must be submitted to the Illinois State Board of Education and approved before any FY 2027 grant applications for included programs can be approved.

Submission by April 1 is recommended.

DURATION:

The District Plan is submitted for the school year 2026-2027 and must be updated annually thereafter.

AMENDMENTS:

Each Local Education Agency (LEA) shall periodically review and, as necessary, revise the plan throughout the year. Plan amendments may necessitate amendment of the associated grant application(s) as well.

INSTRUCTIONS:

2. General Education Provisions Act (GEPA) Section 427 *

Section 427 of GEPA (20 U.S.C. 1228a) affects all applicants submitting proposals under this program. This section requires each applicant to include in its proposal a description of the steps the applicant proposes to take to ensure equitable access to, and participate in, its federally assisted program for students, teachers, and other program beneficiaries with special needs.

This provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age. The applicant should determine whether these or other barriers may prevent students, teachers, etc. from such access to, or participation in, the federally funded project or activity. The description of steps to be taken to overcome these barriers need not be lengthy; the school district may provide a clear and succinct description of how it plans to address those barriers that are applicable to its circumstances. In addition, the information may be provided in a single narration, or, if appropriate, may be discussed in connection with related topics in the application.

Section 427 is not intended to duplicate the requirements of the civil rights statutes, but rather to ensure that, in designing their programs, applicants for federal funds address equity concerns that may affect the ability of certain beneficiaries to fully participate in the program and to achieve high standards. Consistent with requirements and its approved proposal, an applicant may use the federal funds awarded to it to eliminate barriers it identifies.

Describe the steps that will be taken to overcome barriers to equitable program participation of students, teachers, and other beneficiaries with special needs.

([count] of 2500 maximum characters used)

Cary CCSD 26 has policies and procedures in place to ensure that program participation in all district programs, including those that are federally funded, has equitable participation for all participants. All programs are available for participation regardless of gender, race, national origin, color or age. Cary CCSD policies that are reflective on non-discrimination practices include: 2:270 Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited; 5:10 Equal Employment Opportunity and Minority Recruitment; 5:30 Hiring Process and Criteria; 5:70 Religious Holidays; 6:10 Educational Philosophy and Objectives; 6:60 Curriculum Content; 6:65 Student Social and Emotional Displacement; 6:110 Programs for Students at Risk of Academic Failure; 6:120 Education of Children with Disabilities; 6:130 Program for the Gifted; 6:135 Accelerated Placement Program; 6:145 Migrant Students; 6:340 Student Assessment Program; 6:160 English Learners; 6:170 Title I Programs; 6:190 Extra Curricular and Co-Curricular Activities.

3. Bilingual Director (Administrator overseeing EL Services) Assurance

Please take note of the following, which is determined by your district's English Learner (EL) count, shown below:

375

If the district has 1 or more EL students, the Bilingual Director (Administrator overseeing EL Services) must participate in the completion of the Bilingual Service Plan (BSP). The Bilingual Director (Administrator overseeing EL Services) must also participate in the completion of Title III sections, as applicable. Districts with 0 ELs do not need to complete the Bilingual Service Plan (BSP).

The district individual above will be the contact person in the event that a migratory child is or migratory children are believed to have enrolled in the district. The District Migrant Program Liaison may notify ISBE at 312-814-3850 or Multilingual@isbe.net if they are aware that a child could be a potential or active agricultural migrant. ISBE may also contact the above individual if it has information that a migratory child resides in the district and is eligible for supplemental instructional and/or support services under the Elementary and Secondary Education Act of 1965 (Reauthorized under the Every Student Succeeds Act of 2015) - Title I, Part C Education of Migratory Children.

5. General Completion Instructions

Work through the tabs from left to right. Save each page before moving to the next tab.

Required fields on each page are dependent upon funding sources selected on the Needs Assessment and Programs tab.

Many pages have notes at the bottom indicating for which programs the page is required.

To determine if a page is required for the funding sources selected earlier in the application, save the page before completing and look for error messages. If none, the page is not required for the program(s) selected.

How to Complete Pages with Pre-populated Fields

Several pages have two boxes below the narrative questions - one has the response from the prior year plan and the other allows responses for the updated plan. Copy the response from the redisplay and paste it into the updated plan box, revising the description as necessary. Be sure to save the page once this has been completed for all questions on the page.

*Required field, applicable for all funding sources

Amendments

Indicate whether this is the first submission for the fiscal year or an amendment to the APPROVED initial plan for the fiscal year.*

NOTE: This page must be completed each time a new plan version within the fiscal year is submitted to ISBE.

- Initial submission for the fiscal year
- Amendment to approved plan for the fiscal year

*Required field, applicable for all funding sources

1. Consolidated planning includes how anticipated programs will be funded. Indicate below for which programs the LEA anticipates receiving funding for school year 2026-2027.* [1]

NOTE: All funding sources should be reviewed after October 1, and the plan should be amended and resubmitted to ISBE if funding sources have been added or removed due to actual grant awards.

- Title I, Part A - Improving Basic Programs
- Title I, Part A - School Improvement Part 1003
- Title I, Part D - Delinquent
- Title I, Part D - Neglected
- Title I, Part D - State Neglected/Delinquent
- Title II, Part A - Preparing, Training, and Recruiting High-Quality Teachers, Principals, and Other School Leaders
- Title III - Language Instruction Educational Program (LIEP)
- Title III - Immigrant Student Education Program (ISEP)
- Title IV, Part A - Student Support and Academic Enrichment
- Title V, Part B - Rural and Low Income Schools
- IDEA, Part B - Flow-Through
- IDEA, Part B - Preschool

2. Describe how the LEA will align federal resources, including but not limited to the programs in the CDP, with state and local resources to carry out activities supported in whole or in part with funding from the programs selected.* [2] For your convenience, the prior year Consolidated District Plan approved response is provided below. It may be copied and modified to address the Consolidated District Plan needs. *DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.* ([count] of 7500 maximum characters used)

Title I- Title I funds are used to provide support to students at greatest risk of failure to meet state academic standards in grades K-5 by providing supplemental services for students and actively supporting the families within our Title I schools. Title II- Title II funds are used to provide professional development opportunities for teachers, in addition to ensuring mentorship support for new teachers in the district. Title III- Title III funds are used to provide professional development opportunities for EL teachers, supplies for EL students, and staff for the EL program. Title IV- Title IV funds are used to support safe and healthy schools through SEL screeners and skill building, along with providing enrichment opportunities for students in grades K-8 through accelerated learning materials for students. IDEA, Part B- Flow Through--The IDEA Flow Through grant is used to support and enhance programs for students with special needs. Primary funding for staff, general curriculum, and supplies is provided through the district. The IDEA Flow Through grant is used to enhance programs through the purchase of supplemental or alternate curriculum that is specific to students' special needs, assistive technology and specialized materials needed for special education programming, screening and assessment tools used for child find and eligibility determination and to supplement local and state funding of specialized staff members. Additionally, IDEA Flow Through funds are used to provide special education services to students under the Proportionate Share calculation. Coordinated Early Intervening Services are planned in cooperation with local and state funds, IDEA Flow Through Funds (up to 15% of the IDEA grant), as well as Title 1 funds in order to meet the needs of all students requiring intervention. IDEA, Part B- Preschool--Similar to the IDEA Flow Through grant, the IDEA Preschool grant is used to support and enhance programs for students with special needs who are aged 3-5. Primary funding for staff, general curriculum, and supplies are provided through the district. The IDEA Preschool grant is used to enhance programs through the purchase of supplemental or alternate curriculum that is specific to students' special needs, assistive technology and specialized materials needed for special education programming, screening and assessment tools used for child find and eligibility determination and to supplement local and state funding of specialized staff members. Additionally, IDEA Preschool funds are used to provide special education services to students under the Proportionate Share calculation.

Response from the approved prior year Consolidated District Plan.

Title I- Title I funds are used to provide support to students at greatest risk of failure to meet state academic standards in grades K-5 by providing supplemental services for students and actively supporting the families within our Title I schools. Title II- Title II funds are used to provide professional development opportunities for teachers, in addition to ensuring mentorship support for new teachers in the district. Title III- Title III funds are used to provide professional development opportunities for EL teachers, supplies for EL students, and staff for the EL program. Title IV- Title IV funds are used to support safe and healthy schools through SEL screeners and skill building, along with providing enrichment opportunities for students in grades K-8 through accelerated learning materials for both students identified as gifted and/or high-achieving. IDEA, Part B- Flow Through--The IDEA Flow Through grant is used to support and enhance programs for students with special needs. Primary funding for staff, general curriculum, and supplies is provided through the district. The IDEA Flow Through grant is used to enhance programs through the purchase of supplemental or alternate curriculum that is specific to students' special needs, assistive technology and specialized materials needed for special education programming, screening and assessment tools used for child find and eligibility determination and to supplement local and state funding of specialized staff members. Additionally, IDEA Flow Through funds are used to provide special education services to students under the Proportionate Share calculation. Coordinated Early Intervening Services are planned in cooperation with local and state funds, IDEA Flow Through Funds (up to 15% of the IDEA grant), as well as Title 1 funds in order to meet the needs of all students requiring intervention. IDEA, Part B- Preschool--Similar to the IDEA Flow Through grant, the IDEA Preschool grant is used to support and enhance programs for students with special needs who are aged 3-5. Primary funding for staff, general curriculum, and supplies are provided through the district. The IDEA Preschool grant is used to enhance programs through the purchase of supplemental or alternate curriculum that is specific to students' special needs, assistive technology and specialized materials needed for special education programming, screening and assessment tools used for child find and eligibility determination and to supplement local and state funding of specialized staff members. Additionally, IDEA Preschool funds are used to provide special education services to students under the Proportionate Share calculation.

3. Will the LEA braid funding?* Indicate the funds that will be braided, and select the programs or initiatives that will be supported by braiding. If no programs/initiatives are supported by braiding, select no.

Braiding of Funds

- Yes No

If Yes Braiding is selected, you will need to indicate which fund sources will be used in the box below.

- Title I, Part A - Improving Basic Programs
- Title I, Part A - School Improvement Part 1003
- Title I, Part D - Delinquent

- Title I, Part D - Neglected
- Title I, Part D - State Neglected/Delinquent
- Title II, Part A - Preparing, Training, and Recruiting High-Quality Teachers, Principals, and Other School Leaders
- Title III - Language Instruction Educational Program (LIEP)
- Title III - Immigrant Student Education Program (ISEP)
- Title IV, Part A - Student Support and Academic Enrichment
- Title V, Part B - Rural and Low-Income Schools
- IDEA, Part B - Flow-Through

4. Will the LEA hybrid-blend Title II and/or Title IV funding?*Indicate all that apply, and select the programs or initiatives that will be supported by hybrid blending. If no programs/initiatives are supported by the full/partial transfer of funds, select no.

Transfer of Funds

- Yes No

5. Provide a Summary of the LEA's Needs Assessment.*

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

[[count] of 7500 maximum characters used)

The district reviewed the district and school report cards, the 5Essentials survey, and local district assessments (iReady) to identify goals, programs, and initiatives needed to support students at greatest risk of failure. Meetings were held with the administration and staff to develop these goals and plans. The administration will also share and present the school report card data, the 5Essentials survey results, and local district assessment results with the school board. Feedback from the school board is also factored into the needs assessment process.

[2] Title I, Part A, Reference Section 1112(a) (1)

*Required field, applicable for all funding sources

1. Indicate which of the instruments below were used in the LEA needs assessment process.*

- A. School and/or district report card(s)
- B. Five Essentials Survey
- C. Student achievement data (disaggregated by student groups)
- D. Current recruitment and retention efforts and effectiveness data
- E. Professional development plan(s)
- F. School improvement plan(s)
- G. ESSA site based expenditure data
- H. ED School Climate Survey (EDSCLS)
- I. CDC School Health Index
- J. National School Climate Center
- K. ASCD School Improvement Tool
- L. Illinois Quality Framework and Supporting Rubric
- M. Other

List and describe other instruments and/or processes that were used in the needs assessment.

The district reviewed the district and school report cards, the 5Essentials survey, and local district assessments (iReady) to identify goals, programs, and initiatives needed to support students at greatest risk of failure. Meetings were held with the administration and staff to develop these goals and plans. The administration will also share and present the school report card data, the 5Essentials survey results, and local district assessment results with the school board. Feedback from the school board is also factored into the needs assessment process.

2. For each program for which funding is anticipated, provide a summary of the needs assessment results. Include the program goal(s) identified through the needs assessment process, as applicable.* Writing space appears if a program was selected on the Needs Assessment and Programs page; to make changes in program funding, return to that page, revise, save the page, and return to this page.

- Identify areas of need related to student achievement, subgroup performance, and resource inequities.
- Include any additional information relevant to this planning document. Provide targeted responses where noted.
- Describe how the needs assessment information will be used for identifying program goals and planning grant activities for each program as applicable.

A. Title I, Part A - Improving Basic Programs

Identify needs assessment results, including programs and activities planned as a result of the needs assessment, a description of strategies for closing any achievement gaps, key professional development opportunities for teachers and principals, and nonpublic equitable share (if applicable)

The district's needs assessment utilized data from the Illinois School Report Card and i-Ready diagnostic assessments to identify students at greatest risk of failure, including those performing at Levels 1-2 on the IAR, below the 40th percentile on district benchmarks, and English Learners. To close identified achievement gaps, the district will implement targeted, evidence-based strategies focused on accelerating learning and increasing equitable access to grade-level content. These strategies include differentiated instruction, data-driven small-group instruction, and targeted Tier II interventions during WIN (What I Need) time within the MTSS framework, as well as extended learning opportunities through after-school programming. Supplemental materials and resources will be used to support both core instruction and intervention. Key professional development for teachers and principals will focus on implementing these strategies with fidelity, including the use of formative assessment, progress monitoring, and culturally responsive practices to meet the needs of diverse learners. Instructional coaching will support ongoing implementation and continuous improvement. Student progress will be regularly monitored to evaluate the effectiveness of interventions and inform timely instructional adjustments, ensuring movement toward growth and mastery of the Illinois Learning Standards. The district will provide equitable services to nonpublic schools in alignment with Title I, Part A requirements, as applicable.

B. Title I, Part A - School Improvement Part 1003**C. Title I, Part D - Delinquent****D. Title I, Part D - Neglected****E. Title I, Part D - State Neglected/Delinquent****F. Title II, Part A - Preparing, Training, and Recruiting**

Identify needs assessment results, including programs and activities planned as a result of the needs assessment, a description of strategies for closing any achievement gaps, reducing class size, key professional development opportunities for teachers and principals, and nonpublic equitable share (if applicable).

The district's needs assessment indicates a continued need for differentiated professional learning to support teachers in implementing and refining curriculum maps, providing effective feedback, and developing aligned instructional units. Professional development will be responsive to varying levels of teacher experience and focused on strengthening instructional practice. Ongoing training is also needed to support students' social-emotional development within the MTSS framework, differentiate instruction to meet diverse learner needs, and integrate technology to promote future-ready skills. Professional learning will emphasize high-impact, active learning strategies, including structured academic discourse (e.g., think-pair-share, Socratic seminars), project-based and inquiry-based learning, collaborative learning structures, formative assessment practices, culturally responsive teaching, and authentic, real-world tasks that promote critical thinking and problem-solving. The district will continue to implement its new teacher mentor program. With approximately 30 new teachers hired annually, the program provides just-in-time support from experienced educators in instructional practices, classroom management, and family engagement to support the development of the whole child.

G. Title III - LIEP

The district's assessment data, including ACCESS, LAS Links, i-Ready, and local measures, indicate an ongoing need to accelerate English language development and academic achievement for multilingual learners across all grade levels. Student performance data reveal varying levels of English proficiency and highlight the need for supplemental language supports that strengthen reading, writing, listening, and speaking skills while promoting access to grade-level content. To address these identified needs, the district will provide supplemental learning opportunities beyond the core instructional program, including summer school programming focused on language development and academic support for English Learners. Additional instructional resources will be provided to support differentiated instruction, language acquisition, intervention services, and biliteracy development for students participating in TBE/TPI and Dual Language programming. The district has also identified a need for increased access to high-quality multilingual texts and supplemental curricular resources that allow teachers to adapt grade-level content to students' language proficiency levels. Resources that support differentiated text access, bilingual literacy development, and targeted language instruction will be utilized to strengthen student engagement and academic growth. Professional learning needs assessment data indicate a continued need for specialized training and collaborative curriculum development focused on effective instructional practices for multilingual learners. Title III funds will support teacher participation in curriculum writing, professional learning activities, and collaboration time dedicated to strengthening language development strategies, biliteracy instruction, and the integration of multilingual learner supports across content areas. The district's family engagement data further indicate a need for ongoing opportunities to strengthen partnerships with families of multilingual learners. Through Bilingual Parent Advisory Committee (BPAC) activities and related family engagement efforts, the district will provide resources and opportunities that promote meaningful collaboration between schools and families in support of student success.

H. Title III - ISEP

I. Title IV, Part A - Student Support and Academic Enrichment

Identify needs assessment results, including programs and activities planned as a result of the needs assessment, a description of strategies for closing any achievement gaps through well-rounded education, improving school conditions for student learning and improving the use of technology, and nonpublic equitable share (if applicable).

The district's needs assessment identified a need to expand access to accelerated, engaging learning experiences for all students, while continuing to support those identified as gifted and high-achieving. The district will prioritize an acceleration approach that ensures all students have access to grade-level content, enriched learning opportunities, and meaningful application of knowledge. To support a well-rounded education, funds will enhance project-based learning and expand access to high-quality instructional materials, including diverse, high-interest texts in English and Spanish across a range of reading levels. Additional resources will support enriched learning opportunities in STEM, music, and extracurricular programming, promoting critical thinking, creativity, and collaboration. To support safe and healthy students, funds will sustain the district's MTSS social-emotional learning initiative through the use of the DESSA universal screener. Data from the screener will inform targeted supports that promote students' social-emotional growth and overall well-being. To support the effective use of technology, funds will provide supplemental digital tools and instructional resources that enhance student engagement, support differentiated instruction, and expand access to rigorous, student-centered learning experiences.

J. Title V, Part B - Rural and Low Income Schools

K. IDEA, Part B - Flow-Through [1]

Our needs assessment activities have indicated that the district will continue to offer a range of program options, including LD Resource, Specialized Full-Day K, and TLC (autism) programs, as these program options continue to allow students to return from more restrictive environments and be supported in less restrictive options within the district. The district also added the Special Education Rejuvenation Project, which included a committee of educators from both general education and special education to take a deep-dive into stakeholder feedback on programming in the district. The TLC Program will remain at 5 classrooms. Further, the needs assessment indicated that support for specialized services such as OT, PT, Speech, Social Work, Psych, Hearing and Vision Itinerant continues to be needed. Supplies and technology to help support students with special needs, and professional development, are all continued areas of need. Based on the needs assessment results and IEP reviews, the following plan was developed to supplement services for children with disabilities in Cary CCSD 26: Program supplies and technology needs in the LD resource, Specialized Resource, Full Day K, Bridge, and TLC programs. Partial funding of noncertified staff members, particularly paraprofessionals, Occupational Therapy, and Physical Therapy staff, whose names will be added when they are known. Professional development needs will be funded with at least 5% of the grant, as required, and private school proportionate share services, as required. Based on needs assessment results, professional development topics will include training on IEP procedures, writing compliant IEPs, social/emotional learning, specialized technology, and training on specific supplemental curricula.

L. IDEA, Part B - Preschool

After a review of the needs assessment activities, preschool student IEPs, and caseload/workload information, recommended areas of need for the IDEA preschool grant indicate a need to provide both inclusive/blended ECE programs as well as specialized/self-contained programming. Additionally, speech/language, social work, school psychologist, physical therapist, occupational therapist, and hearing/vision itinerant services continue to be needed as related services. The grant funds will be used to partially fund preschool instructional program aides who work with our preschool programs to support their instructional and physical needs. Funds will also be allocated for specialized supplies to support additional materials related to the students with special needs, as well as curricular materials for the ECE programs. Based on needs assessment results, professional development topics will include training on IEP procedures, writing compliant IEPs, social/emotional learning, specialized technology, and training on specific supplemental curricula.

Legislative Requirement:

[1] IDEA - 23 IAC Section 1.420(q)

*Required field, applicable for all funding sources selected

INSTRUCTIONS: Select the goal(s) below that align with the District responses provided in the required information below. A minimum of one ISBE or District Goal must be selected.*

ISBE Goals:

- Student Learning: Every child will make significant academic gains each year, increasing their knowledge, skills, and opportunities so they graduate equipped to pursue a successful future, with the state paying special attention to addressing historic inequities.
- Learning Conditions: All schools will receive the resources necessary to create safe, healthy, and welcoming learning environments, and will be equipped to meet the unique academic and social and emotional needs of each and every child.
- Elevating Educators: Illinois diverse student population will have educators who are prepared through multiple pathways and are supported in and celebrated for their efforts to provide each and every child an education that meets their needs.

District Goal(s):

- Select the checkbox, then enter the District Goal(s) that align to the responses below in the text area.

Goal 1: Student Success - Empowering student growth toward a successful future through a whole child approach
 Student Learning:- Kindergarten-Grade 1: 80% or more of students will demonstrate mastery of grade-level literacy skills as measured by the district's local benchmark assessment.- Grades 2-8: Increase by 10% the number of students meeting or exceeding growth targets as measured by the district's local benchmark assessment.The benchmark assessment will be administered three times annually (fall, winter, spring), and student progress will be monitored regularly to inform instruction and ensure progress toward growth targets.
 Goal 2: Learning Culture - Foster a culture of belonging where students and staff are confident, supported, and motivated to succeed
 Learning Conditions:All students will participate in the district's universal Social-Emotional Learning (SEL) screener. The district will implement and refine Tier I, II, and III SEL supports within the MTSS framework across grades K-8. Ongoing professional learning will build staff capacity to support students' social-emotional development through Tier I SEL instruction and restorative practices.
 Goal 3: Exceptional Staff - Attract, retain, and develop highly effective educators within a collaborative and empowering culture
 Elevating Educators:All students will be supported by highly prepared and effective teachers and school leaders. New teachers will be assigned a mentor and participate in monthly professional learning focused on planning, instruction, classroom management, and professional practice. Veteran teachers will engage in instructional coaching cycles focused on instructional and SEL practices. The district's Newcomer and EL Specialist will support educators through a multi-tiered approach, including district-wide professional learning, building-level sessions, collaborative team time, and individualized coaching, with a focus on data-informed instruction for English Learners. Building administrators will be supported through biweekly professional learning, monthly coaching conversations based on walkthrough data, and trimester meetings to set, monitor, and adjust School Improvement Plan goals.

1. Select the types of personnel/groups that were included in the planning process (required stakeholders for various programs as footnoted below).*

Check all that apply.

- A. Teachers (1,7,8)
- B. Principals (1,7,8)
- C. Other school leaders (1,8)
- D. Paraprofessionals (1)
- E. Specialized instructional support personnel (1,2,3,4,8)
- F. Charter school leaders (in a local educational agency that has charter schools) (1)
- G. Parents and family members of children in attendance centers covered by included programs (1,2,3,4,7,8)
- H. Parent liaisons
- I. Title I director (1)
- J. Title II director (1)
- K. Bilingual director (Administrator overseeing EL Services) (1,6,8)
- L. Title IV director (1)
- M. Special Education director
- N. Guidance staff
- O. Community members and community based organizations (7)
- P. Business representatives (2,3,4)
- Q. Researchers (7)
- R. Institutions of Higher Education (7)
- S. Homeless Liaison (1)
- T. Other - specify
- U. Additional Other - specify

Program Footnotes:

- 5 = Title II, Part A - Preparing, Training, and Recruiting High-Quality Teachers, Principals, and Other School Leaders
- 6 = Title III, including LIEP and ISEP
- 7 = Title IV, Part A - Student Support and Academic Enrichment
- 8 = EL - BSP

2. Articulate how the LEA consulted with the stakeholders identified above in the development of this plan. Describe how stakeholders' input impacted the final plan submission, as well as references to particular meetings. Note that documentation of stakeholder engagement may be requested during monitoring; keep documentation on file. [1]**

For your convenience, the prior year Consolidated District Plan approved response is provided below. It may be copied and modified to address the Consolidated District Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

[[count]] of 7500 maximum characters used)

Throughout the school year, the district engaged a broad range of stakeholders in the development and refinement of this plan. Stakeholder input was gathered through multiple structures, including district leadership meetings, building-level staff meetings, MTSS/SEL committee meetings, curriculum and instruction committees, parent advisory groups, and formal and informal survey feedback. These engagement opportunities were ongoing and embedded throughout the year to ensure continuous feedback on district initiatives aligned to the strategic plan and instructional framework. In particular, feedback from staff collaboration meetings, and instructional leadership discussions informed priorities related to curriculum implementation, professional development needs, MTSS supports, and instructional practices. The district also added the Special Education Rejuvenation Project, which included a committee of educators from both general education and special education to take a deep-dive into stakeholder feedback on programming in the district. Family and community input, gathered through surveys and advisory opportunities, reinforced the importance of academic support, social-emotional learning, and communication regarding student progress. Stakeholder feedback directly impacted the final plan by strengthening the focus on differentiated professional learning, expanded MTSS supports, accelerated learning practices, and increased emphasis on student belonging and engagement. All stakeholder engagement documentation is maintained on file and available for review as part of monitoring requirements.

Response from the prior year Consolidated District Plan.

Throughout the school year, the district has actively engaged multiple stakeholders-including staff, families, and community members-through meetings, committees, and survey feedback. These ongoing engagement efforts inform the continuous implementation and refinement of initiatives aligned to the district's strategic planning goals and instructional framework.

3. Describe the approaches the district will use to include parents and family members in the development of LEA plans including the Title I Parent and Family Engagement Policy so that the plans and related activities represent the needs of varied and diverse populations. ** [2]

For your convenience, the prior year Consolidated District Plan approved response is provided below. It may be copied and modified to address the Consolidated District Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

[[count]] of 7500 maximum characters used)

Parents and families were engaged in the development of the LEA plan through multiple feedback opportunities, including the Illinois 5Essentials Survey and district-wide community surveys. Survey purposes were clearly communicated, and multiple access points were provided to maximize participation and ensure diverse representation of family voices. In addition, the district will continue to engage families through ongoing Title I Family Nights, Bilingual Parent Advisory Committee (BPAC) meetings, and Parent University sessions. These structures provide opportunities for families to review district initiatives, provide feedback on instructional programming, and contribute to decision-making related to student learning needs. Family feedback consistently highlights the need for continued support in English Language Arts and mathematics for students who are not yet meeting grade-level standards, as well as expanded enrichment opportunities for high-achieving students. Families have also expressed interest in learning more about instructional strategies used to support diverse learners, particularly in reading, and the integration of technology to support student learning.

Response from the prior year Consolidated District Plan.

Parents were surveyed to obtain their feedback on how the district could better meet the needs of their children throughout the year using the Illinois 5 Essentials and district community survey. An explanation was provided to clarify the purpose of the feedback being collected. Parents were given multiple opportunities to complete the survey to increase participation rates and the amount of feedback provided. The district will hold regular Title I family nights, Bilingual Parent Advisory Committee (BPAC) meetings, and Parent University sessions to gather feedback from parents on Title I school-wide initiatives and instructional programming across the district. Parents have concurred that more instruction is needed to fill gaps in the areas of English language arts and math for students struggling to meet rigorous state academic standards, along with ensuring access to enrichment learning opportunities for high-achieving students. Parents suggested future topics at Parent Advisory Board Meetings focus on instructional strategies being implemented to support struggling students in the area of reading, with strategies for diverse learners and technology infused throughout.

4. Describe the activities/strategies the LEA will implement for effective parent and family engagement. Include Title I parent and family engagement

required meetings and activities. Also include a description of any activities/strategies that will be implemented for effective English learner and immigrant parent family engagement, as applicable. ** [3]

For your convenience, the prior year Consolidated District Plan approved response is provided below. It may be copied and modified to address the Consolidated District Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

([count] of 7500 maximum characters used)

As part of the district's commitment to effective Title I parent and family engagement, a variety of strategies will be implemented throughout the school year to strengthen partnerships between home and school and support student learning. These activities are designed to build family capacity to support both academic achievement and social-emotional development. District-wide engagement opportunities will include literacy-focused family events that strengthen home-school learning connections. Students will have opportunities to build home libraries by selecting books to take home, and families will participate in literacy-based activities such as educational games that reinforce learning at home. Guest speakers will provide families with practical strategies to support academic success and social-emotional well-being. The district will also continue its partnership with the Cary Public Library to facilitate book talks during family engagement events, promoting a community-wide culture of literacy. During the 2025-2026 school year, Parent University included a district-wide book study of *The Anxious Generation* by Jonathan Haidt to support families in understanding the impact of technology and social media on child development and well-being. Building on this work, Parent University will continue as a monthly series of family learning sessions informed by parent input and district priorities. Topics will reflect areas of interest identified by families as well as district goals and instructional practices that support student success in District 26. For English Learner and immigrant families, engagement strategies will remain responsive to identified needs, including flexible scheduling of events and the provision of childcare to reduce barriers to participation. In collaboration with the Bilingual Parent Advisory Committee (BPAC), the district will continue to offer targeted sessions such as Data Nights to support families in understanding student performance data (i-Ready Diagnostic, ACCESS, and IAR), along with workshops focused on strategies to support language development and literacy at home. These learning opportunities will also be extended to all families through Parent University to ensure equitable access to information and support.

Response from the prior year Consolidated District Plan.

As part of the district's commitment to strengthening family engagement and supporting student success, a variety of activities will be offered throughout the school year. These include opportunities for students to build home libraries by selecting books to take home, creating literacy games to encourage family learning, and hosting guest speakers who will share practical strategies with parents on how to support their child's academic and social-emotional growth at home. The district will also partner with the Cary Public Library to facilitate book talks during family engagement nights, fostering a community-wide culture of literacy. Additionally, through Parent University, the district will launch a parent book study featuring *The Anxious Generation* by Jonathan Haidt. This initiative is designed to support families in navigating the impact of technology and social media on children's mental health and development, and to promote informed, community-based dialogue. Findings from the needs assessment continue to reveal that English Learner (EL) families expressed a preference for more flexible scheduling of engagement events and identified childcare as a key barrier to participation. In response, the district will continue to collaborate with the Bilingual Parent Advisory Committee (BPAC) to host a Data Night focused on guiding families in understanding and interpreting student assessment data, including the district's new local benchmark assessment (i-Ready Diagnostic), ACCESS, and IAR scores. Additional sessions will focus on strategies to support language proficiency and literacy development at home. Childcare will be offered whenever possible to reduce barriers and encourage greater family attendance and engagement. Similar educational topics will be extended to all families across the district via Parent University.

Title I Requirement:

An LEA must develop the Title I Plan with timely and meaningful consultation with the stakeholders identified below.

[ESEA section 1113\(c\)\(3\)\(A\)](#)

Title III Requirement:

An LEA must develop and implement the plan in consultation with teachers, researchers, school administrators, parent and family members, community members, public or private entities, and institutions of higher education. (Section 3121(b)(4)(C))

Legislative References:

Parent and Family Engagement

ESEA Section 1116(a)(2)

Each Local Educational Agency (LEA) that receives Title I funds shall develop jointly with, agree on with, and distribute to parents and family members of participating children: a written parent and family engagement policy. The policy shall be incorporated into the LEAs Consolidated District Plan, establish the LEAs expectations and objectives for meaningful parent and family involvement, and describe how the LEA will

- (A) Involve parents and family members in jointly developing the LEA Consolidated District Plan, and the development of support and improvement plans.
 - (B) Provide the coordination, technical assistance, and other support necessary to assist and build the capacity of all participating schools within the LEA in planning and implementing effective parent and family involvement activities to improve student academic achievement and school performance, which may include meaningful consultation with employers, business leaders, and philanthropic organizations, or individuals with expertise in effectively engaging parents and family members in education.
 - (C) Coordinate and integrate parent and family engagement strategies with other relevant federal, state and local laws and programs.
 - (D) Conduct an annual meeting and evaluate the content and effectiveness of the policy in improving the academic quality of Title I schools, including identifying barriers to greater participation by families and the needs of parents and family members to assist with the learning of their children; and, strategies to support successful school and family interactions.
 - (E) Use the findings of the evaluation (D) to design evidence-based strategies for more effective (E) parental involvement, and to revise, if necessary the parent and family engagement policies.
 - (F) Involve parents in the activities of the Title I schools, which may include establishing a parent advisory board comprised of a sufficient number and representative group of parents or family members served by LEA to adequately represent the needs of the population served by such agency for the purposes of developing, revising, and reviewing the parent and family engagement policy.
- By checking this box, the applicant hereby certifies that they have read, understood, and will comply with the parent and family engagement policy requirements.

Private School Participation

File Upload instructions are linked below. Click here for general page instructions.

The application has been submitted. No more updates will be saved for the application.

NOTE: This page may remain blank if no private schools are listed or participating in the programs
NOTE: This page is not applicable to state schools or state-authorized charter schools.

Using the latest available verified data, private schools within the districts boundaries that are registered with ISBE are pre-populated in the table below. Timely and meaningful consultation with these schools is required by legislation for ESEA Titles I, II, and IV, as well as both IDEA grants. Any additional newer schools can be added by selecting Create Additional Entries. See separate sections below for more detailed information on completing the table.

INSTRUCTIONS:Select the goal(s) below that align with the District responses provided in the required information below.A minimum of one ISBE or District Goal must be selected.*

ISBE Goals:

- Student Learning: Every child will make significant academic gains each year, increasing their knowledge, skills, and opportunities so they graduate equipped to pursue a successful future, with the state paying special attention to addressing historic inequities.
- Learning Conditions: All schools will receive the resources necessary to create safe, healthy, and welcoming learning environments, and will be equipped to meet the unique academic and social and emotional needs of each and every child.
- Elevating Educators: Illinois diverse student population will have educators who are prepared through multiple pathways and are supported in and celebrated for their efforts to provide each and every child an education that meets their needs.

District Goal(s):

- Select the checkbox, then enter the District Goal(s) that align to the responses below in the text area.

Goal 1: Student Success - Empowering student growth toward a successful future through a whole child learning approach. Goal 2: Learning Culture - Provide a learning culture that fosters belonging for students and staff to become confident & motivated to succeed.

Describe how the district will support, coordinate, and integrate services provided under this part with early childhood education programs at the district or individual school level, including plans for the transition of participants in such programs to local elementary school programs.* [1]

For your convenience, the prior year Consolidated District Plan approved response is provided below.It may be copied and modified to address the Consolidated District Plan needs.

If the district does not offer early childhood education programs, enter

No Preschool Programs

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

([count] of 7500 maximum characters used)

District 26 offers a variety of Early Childhood Education (ECE) programs to students, including ECE classrooms, Blended Preschool classrooms, At-Risk Pre-school and a Pre-School Speech Clinic, all at Oak Knoll Early Childhood Center. In order to ensure that students with special needs are identified prior to their third birthday, the district holds 4-5 preschool screenings during the year. Additional screening is held for At-Risk Pre-school, which is for students who have risk factors such as homelessness, socio-economic concerns, second language acquisition concerns or a variety of concerns-but may not be eligible for special education. Monthly meetings are held either in-person or on the phone with Options and Advocacy, the agency responsible for administering Early Intervention (Birth-3) services in McHenry County. This helps us to track known students with special needs to ensure that there is a smooth and timely transition to school-based services no later than the child's third birthday. ECE staff attend Early Intervention transition meetings and participate in both the development of the transition plans as well as the IEP for the students that are entering Early Childhood Programs. If a student is no longer eligible for special education programming, At-Risk preschool programs are considered for the student. District 26 also tracks and reports ECE outcome data, per state requirements. Further, D26 has an interagency agreement with Head Start to monitor and support students who may be eligible for services through Head Start, again to help support transition to services in D26 when appropriate. D26 also provides services to students ages 3-5 who are eligible for special education but attend private parochial schools or home school programs, in compliance with the federal Private School/Homeschool Proportionate Share laws under ESEA.

Response from the approved prior year Consolidated District Plan.

District 26 offers a variety of Early Childhood Education (ECE) programs to students, including ECE classrooms, Blended Preschool classrooms, At-Risk Pre-school and a Pre-School Speech Clinic, all at Oak Knoll Early Childhood Center. *Required field for Title I and/or IDEA Preschool

INSTRUCTIONS: Select the goal(s) below that align with the District responses provided in the required information below. A minimum of one ISBE or District Goal must be selected.*

ISBE Goals:

- Student Learning: Every child will make significant academic gains each year, increasing their knowledge, skills, and opportunities so they graduate equipped to pursue a successful future, with the state paying special attention to addressing historic inequities.
- Learning Conditions: All schools will receive the resources necessary to create safe, healthy, and welcoming learning environments, and will be equipped to meet the unique academic and social and emotional needs of each and every child.
- Elevating Educators: Illinois diverse student population will have educators who are prepared through multiple pathways and are supported in and celebrated for their efforts to provide each and every child an education that meets their needs.

District Goal(s):

- Select the checkbox, then enter the District Goal(s) that align to the responses below in the text area.

Goal 1: Student Success - Empowering student growth toward a successful future through a whole child approach
 Student Learning:- Kindergarten-Grade 1: 80% or more of students will demonstrate mastery of grade-level literacy skills as measured by the district's local benchmark assessment. - Grades 2-8: Increase by 10% the number of students meeting or exceeding growth targets as measured by the district's local benchmark assessment. The benchmark assessment will be administered three times annually (fall, winter, spring), and student progress will be monitored regularly to inform instruction and ensure progress toward growth targets.
 Goal 2: Learning Culture - Foster a culture of belonging where students and staff are confident, supported, and motivated to succeed
 Learning Conditions: All students will participate in the district's universal Social-Emotional Learning (SEL) screener. The district will implement and refine Tier I, II, and III SEL supports within the MTSS framework across grades K-8. Ongoing professional learning will build staff capacity to support students' social-emotional development through Tier I SEL instruction and restorative practices.
 Goal 3: Exceptional Staff - Attract, retain, and develop highly effective educators within a collaborative and empowering culture
 Elevating Educators: All students will be supported by highly prepared and effective teachers and school leaders. New teachers will be assigned a mentor and participate in monthly professional learning focused on planning, instruction, classroom management, and professional practice. Veteran teachers will engage in instructional coaching cycles focused on instructional and SEL practices. The district's Newcomer and EL Specialist will support educators through a multi-tiered approach, including district-wide professional learning, building-level sessions, collaborative team time, and individualized coaching, with a focus on data-informed instruction for English Learners. Building administrators will be supported through biweekly professional learning, monthly coaching conversations based on walkthrough data, and trimester meetings to set, monitor, and adjust School Improvement Plan goals.

1. Describe the well-rounded instructional program to meet the academic and language needs of all students and how the district will develop and implement the program(s).* [1]

For your convenience, the prior year Consolidated District Plan approved response is provided below. It may be copied and modified to address the Consolidated District Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

([count] of 7500 maximum characters used)

The district offers a comprehensive early childhood program and curriculum designed to meet the diverse developmental and academic needs of young learners, establishing a strong foundation for future success. To support English Learners (ELs), the district provides a Transitional Program of Instruction (TPI), Transitional Bilingual Education (TBE), and a 50/50 English/Spanish Dual Language program. These programs are designed to support language development while ensuring access to rigorous, grade-level content. The Dual Language program also serves native English-speaking students, who act as language models and develop bilingualism, biliteracy, and cross-cultural understanding through participation in an inclusive instructional model. To ensure high-quality, standards-aligned instruction, the district maintains content-specific curriculum committees in English Language Arts, mathematics, science, and social studies. These committees regularly review and refine curriculum to ensure alignment with the Illinois Learning Standards and to promote rigorous, equitable, and responsive instruction for all students. Student learning is monitored through multiple assessment tools that inform instruction and program effectiveness. The district administers the i-Ready Diagnostic three times annually as its local benchmark assessment. The assessment is administered in English and Spanish for mathematics and in English for reading. LAS Links is administered each spring to measure Spanish language proficiency for dual language learners. In addition, i-Ready's personalized learning platform is used throughout the year in grades K-8 to progress monitor literacy and mathematics development and to guide targeted instructional supports.

Response from the prior year Consolidated District Plan.

The district offers a comprehensive early childhood program and curriculum designed to address the diverse developmental and academic needs of young learners, laying a strong foundation for future achievement. To support English Learners (ELs), the district provides a Transitional Program of Instruction (TPI), Transitional Bilingual Education (TBE), and a robust 50/50 English/Spanish Dual-Language program. These programs are tailored to meet the unique language development needs of EL students while promoting academic excellence. The dual-language program also serves native English-speaking students, who act as language models and, in turn, benefit from becoming multilingual/multicultural learners as well. This inclusive model fosters bilingualism, biliteracy, and cross-cultural understanding among all participants. To ensure high-quality, standards-aligned instruction, the district has established content-specific committees for English Language Arts, mathematics, science, and social studies. These committees conduct regular curriculum reviews to maintain alignment with the Illinois Learning Standards and ensure that instruction remains rigorous, equitable, and responsive to the needs of all students. Multiple assessment tools are used to monitor student progress and inform instruction. District will be shifting to a new local benchmark assessment, i-Ready Diagnostics, and is administered in both English and Spanish in Mathematics and English only for reading, three times annually for benchmarking and bi-weekly for progress monitoring. LAS Links is administered each spring to assess Spanish language proficiency among dual-language learners. Additionally, i-Ready's personalized student learning platform will be used throughout the year across all K-8 learning programs to monitor literacy development and math development to guide targeted instructional supports.

2. List and describe the measures the district takes to use and create the identification criteria for students at risk of failure.* Include criteria for low-income, EL, special education, neglected, and delinquent as applicable to the district. [2]

For your convenience, the prior year Consolidated District Plan approved response is provided below. It may be copied and modified to address the Consolidated District Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

([count] of 7500 maximum characters used)

All students in grades K-8 participate in the district's local benchmark assessments administered in the fall, winter, and spring to measure academic performance in reading and mathematics. Students who score at or below the 40th percentile are identified as at risk of academic failure and are considered for targeted intervention services. Identified students receive Tier II supports during WIN (What I Need) time, with instruction tailored to address specific skill gaps in reading and/or mathematics based on individual student needs. These supports include students receiving Special Education and English Learner (EL) services, provided that participation in additional interventions does not conflict with required services outlined in a student's Individualized Education Program (IEP) or EL instructional schedule. When scheduling conflicts occur, staff collaborate to ensure student needs are prioritized while maintaining compliance with all required service minutes. Once students are placed in intervention, progress is monitored bi-weekly to evaluate effectiveness. Data are used to adjust the intensity, frequency, or instructional approach of interventions to support student growth. Grade-level teams regularly review student data to ensure alignment between core instruction and intervention services and to make instructional adjustments as needed to support student achievement.

Response from the prior year Consolidated District Plan.

All students in grades K-8 participate in the district's local benchmark assessments in the fall, winter, and spring to evaluate academic performance in reading and mathematics. Students who score at or below the 40th percentile are identified for potential targeted intervention services. These supports are delivered during Tier II WIN (What I Need) time and are tailored to address specific skill gaps in either reading or math, based on individual student needs. These intervention services include students receiving Special Education and English Learner (EL) supports, provided the additional interventions do not conflict with the delivery of services outlined in the student's Individualized Education Plan (IEP) or EL instructional schedule. In cases where scheduling conflicts arise, staff collaborate to develop a plan that prioritizes the student's needs while ensuring compliance with IEP or EL service requirements. Once students are placed into intervention, they are progress monitored bi-weekly to assess the effectiveness of the support being provided. Data from these assessments are used to adjust the frequency, duration, or instructional approach of the intervention as needed. Grade-level teams meet regularly to review student data, ensuring that intervention efforts are aligned with core classroom instruction and that necessary instructional adjustments are made to support overall student growth.

3. Describe the additional and supplemental education assistance (resources and/or programming) to be provided to individual students needing additional help meeting the challenging State academic and language standards. This includes a description of any additional and supplemental instructional assistance designed to assist English learners and immigrant students to access academic content and develop language proficiency, as applicable.* [3]

For your convenience, the prior year Consolidated District Plan approved response is provided below. It may be copied and modified to address the Consolidated District Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

([count] of 7500 maximum characters used)

To support students in meeting rigorous state academic and language standards, the district provides additional and supplemental instructional assistance through extended learning opportunities that are designed to supplement, not supplant, core instruction within the general education program and MTSS framework. The district offers an after-school Homework Club throughout the school year, staffed by certified teachers. This program extends learning beyond the school day by providing targeted academic interventions that are aligned with Tier I core instruction and Tier II supports delivered during the school day. The Homework Club provides an additional "dose" of instruction tailored to individual student needs within the MTSS framework. English Learner (EL) students are intentionally included to ensure equitable access to supplemental academic and language development supports. Instruction for EL students focuses on meaningful language development, structured opportunities for academic discourse, higher-order thinking, and authentic language practice to support both English language acquisition and content mastery. Students identified through district benchmark data as needing Tier II support are invited to participate in after-school tutoring and summer school programs as part of the district's MTSS intervention system. These extended learning opportunities are designed to intensify targeted supports, strengthen foundational skills, and reinforce grade-level standards to promote student growth and achievement. All supplemental services are designed to complement core instruction and required instructional services, ensuring alignment with ESSA requirements and equitable access for all student groups.

Response from the prior year Consolidated District Plan.

To support students in meeting rigorous state academic and language standards, the district offers an after-school Homework Club throughout the school year. Staffed by certified teachers, this program goes beyond traditional homework help. It provides targeted academic interventions aligned with those used during the school day, offering students an "extra dose" of instruction tailored to their individual needs. English Learner (EL) students are actively included in the Homework Club to ensure they receive additional language and academic support. Instruction for EL students emphasizes meaningful language connections, engagement in higher-order thinking and questioning, and structured opportunities for authentic language use and practice. This approach is designed to make learning relevant while promoting both language development and content mastery. In addition, students identified as Tier II based on the district's local benchmark data are invited to participate in after-school tutoring sessions and summer school programs. These extended learning opportunities aim to build essential academic skills and reinforce content knowledge necessary for students to meet grade-level expectations and state standards.

4. Describe the instructional and additional strategies intended to strengthen academic and language programs and improve school conditions for student learning and how these are implemented. This includes a description of any additional supplemental instructional activities and strategies designed to strengthen academic and language programs for English learners and immigrant students, as applicable.* [4]

For your convenience, the prior year Consolidated District Plan approved response is provided below. It may be copied and modified to address the Consolidated District Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

([count] of 7500 maximum characters used)

To meet the diverse academic and language needs of all students, the district will implement evidence-based instructional strategies that strengthen academic achievement and language development. Instruction will include differentiated access to complex texts, vocabulary development through inquiry- and technology-based learning, and structured literacy instruction using a model of focus, modeling, guided practice, and application. Foundational literacy skills will be prioritized in early grades to ensure strong reading and writing development. Instruction will also emphasize authentic reading and writing experiences, paired texts, and research-based inquiry tasks. Students will engage in writing that integrates vocabulary, spelling, and grammar in both English and Spanish to support biliteracy. Ongoing assessment practices, including independent reading measures and formative checks, will guide instruction and monitor progress. These strategies will be delivered through small-group and differentiated instruction supported by formative assessment, re-teaching cycles, close reading routines, and digital tools. Leveled texts, classroom libraries, and multimedia resources will enhance access and engagement for all learners, including English Learners and students in dual language programming.

Response from the prior year Consolidated District Plan.

To meet the diverse academic and language needs of all students, the district will implement a range of evidence-based instructional strategies. These include the use of differentiated materials to promote access to and interaction with complex texts, vocabulary development through integrated inquiry-based projects that incorporate research and technology skills, and explicit phonics instruction using a structured approach of focus, model, practice, and application. Foundational literacy skills will be prioritized for early readers and writers to ensure a strong start in both reading and writing development. To further strengthen academic and language programs, strategies will include authentic, integrated reading and writing experiences, paired core texts, extended research projects, and the use of peer, self, and teacher rubrics to guide student learning and reflection. Students will engage in meaningful writing tasks that embed vocabulary, spelling, and grammar instruction in both English and Spanish, supporting biliteracy and deeper language understanding. Additionally, independent reading assessments will be used to identify individual skill needs and monitor progress over time, contributing to the development of student oracy and academic confidence. These instructional strategies will be delivered through small group and differentiated instruction, supported by weekly formative assessments, digital resources, leveled readers, close reading routines, quick writes, re-teaching cycles, and modeling. Thematic classroom libraries and accompanying multimedia resources will enrich content learning and engagement, helping to make academic content more accessible and meaningful for all learners.

5. Explain the process through which the district will identify and address any disparities that result in low-income and/or minority students being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers. [5]**

For your convenience, the prior year Consolidated District Plan approved response is provided below. It may be copied and modified to address the Consolidated District Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

([count] of 7500 maximum characters used)

The district and school leadership teams monitor for potential disparities in instructional quality affecting low-income and minority students through multiple data sources, including formal evaluations, informal classroom observations, and routine instructional walk-throughs. These processes are used to examine patterns in teacher assignment, instructional effectiveness, and student access to high-quality instruction. When disparities or areas of concern are identified, the district implements targeted support through instructional coaching, reflective conferencing, and ongoing professional learning aligned to identified instructional needs. Educators demonstrating instructional gaps are provided individualized coaching and monitored support to strengthen instructional practice. This continuous improvement process ensures equitable access to effective, experienced, and appropriately assigned teachers for all students and is aligned to the district's commitment to instructional equity, student success, and ESSA requirements related to equitable access to effective educators.

Response from the prior year Consolidated District Plan.

The district and school leadership teams actively monitor for disparities in instructional practices impacting low-income and minority students through a combination of formal evaluations, informal observations, and routine classroom walk-throughs. When disparities are identified, targeted support is provided. Educators demonstrating instructional gaps are engaged in reflective conversations and supported through instructional coaching to collaboratively address areas of concern. This ongoing process is part of the district's commitment to ensuring equitable access to high-quality instruction for all students.

6. Describe the measures the district takes in assisting schools in developing effective school library programs that provide students an opportunity to develop digital literacy skills and improve academic achievement. [6]**

For your convenience, the prior year Consolidated District Plan approved response is provided below. It may be copied and modified to address the Consolidated District Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

([count] of 7500 maximum characters used)

The district supports effective school library programs through annual collaboration with library media specialists to ensure library media standards are embedded across the curriculum and aligned with English Language Arts, mathematics, science, and social studies standards to strengthen interdisciplinary learning. The STEAM Coordinator provides guidance on integrating ISTE (International Society for Technology in Education) standards into library

instruction and, in collaboration with instructional coaches, has developed a districtwide scope and sequence aligned to ISTE standards and the Illinois Computer Science and Computer Literacy standards. This framework ensures consistent, developmentally appropriate digital literacy instruction across grade levels. As a result, students receive structured, standards-aligned instruction in digital literacy and computer science skills through library programming, ensuring equitable access to digital learning opportunities and preparing all students to effectively access, evaluate, and use information in a technology-rich environment.

Response from the prior year Consolidated District Plan.

The district holds an annual collaborative meeting with library media specialists to ensure that library media standards are intentionally embedded across the curriculum. This includes alignment not only with library-specific goals but also with core content standards in English Language Arts, mathematics, science, and social studies, where interdisciplinary connections can enrich student learning. To further strengthen this integration, the STEAM Coordinator provides library media specialists with a curated list of ISTE (International Society for Technology in Education) standards that can be incorporated into library instruction. Working in partnership with instructional coaches, the STEAM Coordinator has also developed a comprehensive scope and sequence outlining how the ISTE standards and the new Illinois Computer Science and Computer Literacy standards are addressed across all grade levels. Dedicated, developmentally appropriate digital literacy lessons have been created for each grade level to align with this framework. These lessons ensure that students receive consistent, standards-aligned instruction in essential digital and computer science skills, preparing them to navigate and succeed in a technology-driven world.

7. Describe how the district will identify and serve gifted and talented students by using objective criteria. [7]**

For your convenience, the prior year Consolidated District Plan approved response is provided below. It may be copied and modified to address the Consolidated District Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

([count] of 7500 maximum characters used)

The district is committed to providing equitable access to gifted and enrichment programming for all students, regardless of social, economic, linguistic, or ethnic background. A multiple-measure identification process is used to ensure objective and comprehensive evaluation of student potential for advanced learning opportunities. All second-grade students are screened using the Cognitive Abilities Test (CogAT). Students scoring in the top 10% on either the verbal or quantitative subtests are identified for further review. District local benchmark assessment data from fall, winter, and spring administrations are then reviewed to analyze academic performance trends over time. Students identified through this process are evaluated using a standardized eligibility matrix in English Language Arts and Mathematics to determine qualification for gifted services in one or both areas. Eligible students are formally placed in gifted and/or enrichment programming, and families are notified through official district communication. Gifted/Enrichment teachers collaborate with school administrators and instructional staff to support cluster grouping of identified students to ensure appropriate instructional placement and support. The district's service delivery model includes differentiated instruction focused on critical thinking, creativity, and problem-solving aligned to advanced standards. In grades 3-5, identified and high-achieving students receive enrichment and/or gifted instruction during WIN (What I Need) time for both reading and math. In grade 5, the district has fully implemented an accelerated mathematics pathway, allowing students to access 6th-grade math instruction to support advanced learning needs. In grades 6-8, eligible students are placed in advanced ELA and/or mathematics courses to provide continued academic challenge within the core schedule.

Response from the prior year Consolidated District Plan.

The district is committed to providing equitable access to gifted and enrichment programming for all students, regardless of their social, economic, linguistic, or ethnic backgrounds. To ensure a fair and comprehensive identification process, multiple measures are used to evaluate student readiness and potential for advanced learning opportunities. Identification Process includes... Initial Screening: All 2nd grade students are screened using the Cognitive Abilities Test (CogAT). Students who score within the top 10% on either the verbal or quantitative subtests are flagged for further review. Secondary Review: District local benchmark assessment data from the fall, winter, and spring sessions are reviewed for students identified through the CogAT screening. This multi-season data provides a broader view of academic trends and performance over time. Eligibility Matrix Evaluation: Identified students are evaluated using a standardized eligibility matrix for both English Language Arts (ELA) and Mathematics. Students may qualify for services in either or both subject areas, depending on their individual performance. Program Placement and Notification: The Gifted & Enrichment Teachers submit the names of all eligible students to the Teaching and Learning Department. The department is responsible for notifying families of their child's placement through formal parent communication. Class Placement Planning: Gifted & Enrichment Teachers collaborate with school administrators and instructional staff to develop class lists that support cluster grouping of identified students for the following school year, ensuring instructional needs are met in a cohesive and supportive environment. The Service Delivery Model includes... Grades 3-5: Students identified as gifted, along with students identified as high-achieving, receive gifted and/or enrichment instruction focused on critical thinking, creativity, and problem-solving aligned to advanced ELA and Math standards during Tier II WIN (What I Need) Time. Grade 5: Eligible 5th grade students have the opportunity to take 6th grade Math as an advanced placement course, providing ongoing challenge and enrichment within the core academic schedule. Grades 6-8: Eligible students are automatically placed in corresponding advanced ELA and/or Math courses, providing ongoing challenge and enrichment within the core academic schedule.

Title I Requirements:

Ensure that all children receive a high-quality education.

Close the achievement gap between children meeting the challenging State academic standards and those children who are not meeting such standards.

INSTRUCTIONS: Select the goal(s) below that align with the District responses provided in the required information below. A minimum of one ISBE or District Goal must be selected.*

ISBE Goals:

- Student Learning: Every child will make significant academic gains each year, increasing their knowledge, skills, and opportunities so they graduate equipped to pursue a successful future, with the state paying special attention to addressing historic inequities.
- Learning Conditions: All schools will receive the resources necessary to create safe, healthy, and welcoming learning environments, and will be equipped to meet the unique academic and social and emotional needs of each and every child.
- Elevating Educators: Illinois diverse student population will have educators who are prepared through multiple pathways and are supported in and celebrated for their efforts to provide each and every child an education that meets their needs.

District Goal(s):

- Select the checkbox, then enter the District Goal(s) that align to the responses below in the text area.

The district supports college and career readiness through a whole-child approach that promotes academic growth, social-emotional well-being, and successful transition to high school. Aligned to Goal 1 (Student Success), student academic growth is monitored through the district's local benchmark assessments administered in the fall, winter, and spring. Student data is used to guide instruction throughout the year and is shared with receiving high schools to support continuity of learning and inform appropriate course placement. This process supports a successful transition and helps ensure students are placed in courses aligned to their academic readiness. Aligned to Goal 2 (Learning Culture), the district prioritizes students' social-emotional well-being and sense of belonging during the transition to high school. All eighth-grade students are provided opportunities to participate in high school visits to become familiar with their future learning environment, expectations, and culture. These experiences are designed to support confidence, reduce transition-related stress, and foster a sense of belonging as students move into high school.

1. Describe how the district will facilitate effective transitions for students from middle grades to high school and from high school to postsecondary education including, if applicable, through:* [1]

i. Coordination with institutions of higher education, employers, and other local partners;* and

ii. Increased student access to early college, high school or dual or concurrent enrollment opportunities, or career counseling to identify student interests and skills.*

For your convenience, the prior year Consolidated District Plan approved response is provided below. It may be copied and modified to address the Consolidated District Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

[(count) of 7500 maximum characters used]

Cary District 26 supports successful transitions from middle school to high school through coordinated high school visits, shared academic performance data, and structured transition meetings with receiving schools. These efforts ensure high schools have appropriate student data to support continued academic growth while helping students feel prepared, confident, and supported as they transition to the next phase of their education.

Response from the approved prior year Consolidated District Plan.

Cary District 26 supports the successful transition of 8th grade students to high school through a collaborative approach that includes coordinated high school visits, the sharing of academic performance data, and structured transition meetings. These efforts ensure that receiving high schools are equipped with the necessary information to support each student's continued growth, while also helping students feel prepared and confident as they enter this next phase of their academic journey.

2. If applicable, describe the district's support for programs that coordinate and integrate the following:* [2]

Academic and career and technical education content through coordinated instructional strategies, that may incorporate experimental learning opportunities and promote skills attainment important to in-demand occupations or industries in the State; and work-based learning opportunities that provide students in-depth integration with industry professionals and, if appropriate, academic credit.

- Learning Conditions: All schools will receive the resources necessary to create safe, healthy, and welcoming learning environments, and will be equipped to meet the unique academic and social and emotional needs of each and every child.
- Elevating Educators: Illinois diverse student population will have educators who are prepared through multiple pathways and are supported in and celebrated for their efforts to provide each and every child an education that meets their needs.

District Goal(s):

- Select the checkbox, then enter the District Goal(s) that align to the responses below in the text area.

Goal 1: Student Success - Empowering student growth toward a successful future through a whole child approach
 Student Learning:- Kindergarten-Grade 1: 80% or more of students will demonstrate mastery of grade-level literacy skills as measured by the district's local benchmark assessment.- Grades 2-8: Increase by 10% the number of students meeting or exceeding growth targets as measured by the district's local benchmark assessment.The benchmark assessment will be administered three times annually (fall, winter, spring), and student progress will be monitored regularly to inform instruction and ensure progress toward growth targets.
 Goal 2: Learning Culture - Foster a culture of belonging where students and staff are confident, supported, and motivated to succeed
 Learning Conditions:All students will participate in the district's universal Social-Emotional Learning (SEL) screener. The district will implement and refine Tier I, II, and III SEL supports within the MTSS framework across grades K-8. Ongoing professional learning will build staff capacity to support students' social-emotional development through Tier I SEL instruction and restorative practices.
 Goal 3: Exceptional Staff - Attract, retain, and develop highly effective educators within a collaborative and empowering culture
 Elevating Educators:All students will be supported by highly prepared and effective teachers and school leaders. New teachers will be assigned a mentor and participate in monthly professional learning focused on planning, instruction, classroom management, and professional practice. Veteran teachers will engage in instructional coaching cycles focused on instructional and SEL practices. The district's Newcomer and EL Specialist will support educators through a multi-tiered approach, including district-wide professional learning, building-level sessions, collaborative team time, and individualized coaching, with a focus on data-informed instruction for English Learners. Building administrators will be supported through biweekly professional learning, monthly coaching conversations based on walkthrough data, and trimester meetings to set, monitor, and adjust School Improvement Plan goals.

For each program for which funding is anticipated for the 2026-2027 school year, provide a brief description of professional development activities to be funded by the program as applicable.* [1]

NOTE: - If Professional Development will not be provided for a funded program below, enter **NOT PROVIDING**.

- Be sure to include information on how participating private schools will be included in the professional development plans.
- NOTE - writing space appears only if a program was selected on the Needs Assessment and Programs page; to make changes in program funding, return to that page, revise, save the page, and return to this page.

Program and Description

A. Title I, Part A - Improving Basic Programs

Teachers will engage in ongoing, job-embedded professional development facilitated by the Teaching and Learning Department and Special Services Department to strengthen instructional practices aligned to the Illinois Learning Standards. Professional learning will continue to support the implementation of core curricular programs, including myView, myPerspectives, and enVision Mathematics, with emphasis on instructional fidelity, rigor, and coherence. Building on prior professional learning related to the i-Ready Diagnostic, the district will continue to support educators in deepening their use of assessment data to inform instruction. This next phase of learning will focus on strengthening the use of common formative assessments and progress monitoring systems to more precisely identify student needs, guide instructional adjustments, and measure growth over time. Professional development will be differentiated to meet the varying needs of educators. New teachers will participate in structured coaching cycles focused on instructional best practices, classroom management, and student engagement, while veteran teachers will engage in individualized coaching cycles aligned to instructional goals and areas of growth. In addition, professional learning will focus on supporting diverse learners, including struggling readers, English Learners, and students performing below the 40th percentile. Teachers will be supported in implementing evidence-based instructional strategies and interventions designed to close achievement gaps and accelerate student learning. Collectively, these professional learning opportunities are designed to strengthen instructional capacity, deepen the effective use of data, and improve academic outcomes for all students.

B. Title I, Part A - School Improvement Part 1003

C. Title I, Part D - Delinquent

D. Title I, Part D - Neglected

E. Title I, Part D - State Neglected/Delinquent

F. Title II, Part A - Preparing, Training, and Recruiting

Findings from the district's comprehensive needs assessment indicate ongoing professional learning needs to strengthen instructional practice, support student well-being, and build educator capacity. Teachers continue to need support in developing and refining curriculum maps across content areas to ensure alignment with Illinois Learning Standards and instructional coherence. There is also a continued need for professional learning focused on addressing students' social-emotional needs, particularly in response to increasing behavioral and mental health needs. Restorative practices remain a key area of focus to support a safe, inclusive school climate and to strengthen staff capacity to build relationships, resolve conflict, and reduce exclusionary disciplinary responses. Professional learning will also support the consistent and effective implementation of the Savvas enVision Mathematics curriculum, ensuring rigorous and coherent mathematics instruction across classrooms. In addition, educators will receive ongoing support in integrating technology into instruction to enhance engagement, personalize learning, and strengthen students' digital literacy skills. Professional development will be differentiated to meet varying educator needs through job-embedded coaching and support. This includes individualized coaching cycles for veteran teachers and targeted support aligned to instructional goals and areas of growth. The district will continue its new teacher mentor program to support approximately 30 new teachers annually. This program provides structured, ongoing mentorship focused on instructional practice, classroom management, and effective communication with families, ensuring strong support for early-career educators.

G. Title III - LIEP

Using multiple language proficiency assessments, English Learners are provided access to grade-level curriculum through differentiated instructional strategies aligned to individual language development needs. Instruction is designed to accelerate language acquisition, enhance academic achievement, and close linguistic gaps while ensuring equitable access to rigorous content across all four domains: listening, speaking, reading, and writing. To build educator capacity, professional learning is provided through a multi-tiered, job-embedded approach. District and building administrators, as members of the District Improvement Team,

receive ongoing professional development focused on English Learner instruction, program implementation, and instructional leadership. The Multilingual Department, in collaboration with the Teaching and Learning and Special Services Departments, provides targeted professional learning for staff through coaching, collaborative learning structures, and facilitated professional learning opportunities focused on evidence-based language development practices. This includes support for implementing sheltered instruction strategies to make content comprehensible while promoting academic language development. In addition, the district's Newcomer and Multilingual Specialist provides ongoing coaching and classroom-based support for educators serving English Learners. Teachers are also encouraged and supported to participate in external professional learning opportunities, including conferences and statewide workshops, to strengthen instructional practice for multilingual learners.

H. Title III - ISEP

I. Title IV, Part A - Student Support and Academic Enrichment

Based on the district's needs assessment, Title IV funds will support the expansion of well-rounded educational opportunities, social-emotional learning supports, and STEM programming to ensure access for all students. To support students' social-emotional development, funds will be used to implement the DESSA Universal Screener district-wide. This research-based tool will support the identification of student strengths and needs, enabling educators to provide targeted, responsive supports that promote student well-being and readiness to learn. To enhance a well-rounded education for all learners, funds will support STEM programming across the district through the purchase of instructional materials and supplies for STEM classes. These resources will promote hands-on, inquiry-based learning aligned to 21st-century skills. In addition, funds will support the enhancement of enrichment and advanced learning opportunities by providing instructional materials, texts, and resources that extend and deepen student learning. These supports are designed to ensure access to rigorous, engaging learning experiences for all students, including those demonstrating advanced academic potential.

J. Title V, Part B - Rural and Low Income Schools

K. IDEA, Part B - Flow-Through [2]

Professional development needs will be funded with at least 5% of the grant as required. Based on needs assessment results, and to ensure the district goal that all students are supported by highly prepared and effective teachers and school leaders, professional development topics will include training on IEP procedures, writing legally compliant IEPs, social/emotional learning, specialized technology and training on specific supplemental curricula.

L. IDEA, Part B - Preschool

Based on needs assessment results, and to support the district goals of a) all kindergarteners and assessed for readiness and b) all students are supported by highly prepared and effective teacher and school leaders, professional development topics will include training on IEP procedures, writing legally compliant IEPs, social/emotional learning, specialized technology and training on specific supplemental curricula. Additionally, training on preschool and kindergarten screening will be provided.

Legislative Requirement:

[1] Title III, Section 3115(c)(2)

[2] 34 CFR 300.207 ; 2122(b)(4-9) of ESSA

*Required if funding selected for Title I, Part A; Title II, Part A; Title III; Title IV, Part A; Title V, Part B; IDEA, Part B Flow-Through; and/or IDEA, Part B Preschool

INSTRUCTIONS: Select the goal(s) below that align with the District responses provided in the required information below. A minimum of one ISBE or District Goal must be selected.*

ISBE Goals:

- Student Learning: Every child will make significant academic gains each year, increasing their knowledge, skills, and opportunities so they graduate equipped to pursue a successful future, with the state paying special attention to addressing historic inequities.
- Learning Conditions: All schools will receive the resources necessary to create safe, healthy, and welcoming learning environments, and will be equipped to meet the unique academic and social and emotional needs of each and every child.
- Elevating Educators: Illinois diverse student population will have educators who are prepared through multiple pathways and are supported in and celebrated for their efforts to provide each and every child an education that meets their needs.

District Goal(s):

- Select the checkbox, then enter the District Goal(s) that align to the responses below in the text area.

Goal 2: Learning Culture - Foster a culture of belonging where students and staff are confident, supported, and motivated to succeed. Learning Conditions: All students will participate in the district's universal Social-Emotional Learning (SEL) screener. The district will implement and refine Tier I, II, and III SEL supports within the MTSS framework across grades K-8. Ongoing professional learning will build staff capacity to support students' social-emotional development through Tier I SEL instruction and restorative practices.

1. Describe the process through which the districts will:

i. reduce incidences of bullying and harassment;

ii. reduce the overuse of discipline practices that remove students from the classroom [1];

iii. reduce the use of aversive behavioral interventions that compromise student health and safety; disaggregated by each subgroup of student as defined below [2]:

- a. each major racial and ethnic group;
- b. economically disadvantaged students as compared to students who are not economically disadvantaged;
- c. children with disabilities as compared to children without disabilities;
- d. English proficiency status;
- e. gender; and
- f. migrant status.

For your convenience, the prior year Consolidated District Plan approved response is provided below. It may be copied and modified to address the Consolidated District Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

[[count] of 7500 maximum characters used]

District 26 is committed to fostering safe, inclusive, and supportive learning environments by proactively addressing bullying, reducing exclusionary discipline practices, and minimizing the use of aversive behavioral interventions across all schools. To reduce incidents of bullying and harassment, students participate in the Second Step social-emotional learning curriculum, which builds empathy, self-awareness, and conflict resolution skills. In addition, the district implements targeted SEL supports using the DESSA universal screener for all K-8 students and the SECA survey for students in grades 5-8 to identify needs and monitor social-emotional development over time. To reduce the overuse of exclusionary discipline practices, the district is implementing a multi-year professional learning plan focused on restorative practices. This initiative strengthens Tier 1 and Tier 2 SEL supports and promotes relationship-building, conflict resolution, and restorative responses to student behavior. All staff are also trained in CPI/NCI de-escalation strategies to support safe and supportive interventions during behavioral incidents. Consistent behavior documentation procedures are implemented across all schools to ensure equitable and standardized practices. The district utilizes the Branching Minds MTSS platform to integrate academic, behavioral, and social-emotional data to guide timely interventions. Data is disaggregated by subgroup, including race/ethnicity, socioeconomic status, disability status, English learner status, gender, and migrant status, to identify and address disproportionality and ensure equitable supports. To further support student safety and well-being, Cary Junior High implements the Signs of Suicide (SOS) program for students in grades 6-8 to support early identification and intervention for students at risk. Collectively, these systems support a comprehensive, data-informed approach to reducing disparities in discipline, strengthening school climate, and ensuring equitable access to supportive interventions for all students.

Response from the prior year Consolidated District Plan.

District 26 is committed to fostering safe, inclusive, and supportive learning environments by actively working to prevent harassment and bullying across all grade levels. As a proactive measure, students participate in the Second Step curriculum, a comprehensive social-emotional learning (SEL) program that builds empathy, self-awareness, and conflict resolution skills. Beginning in the 2024-25 school year, District 26 launched a multi-year professional learning plan to build staff capacity in Restorative Practices. This initiative supports SEL at both Tier 1 and Tier 2 levels and is designed to reduce incidents of bullying and harassment, limit the overuse of exclusionary discipline practices, and minimize reliance on aversive behavioral interventions. Training in restorative strategies will continue throughout the year as part of the district's broader efforts to strengthen school climate and foster student belonging. All staff will be trained in the CPI de-escalation strategies module. To further support students' social-emotional well-being, the district will continue its implementation of the DESSA universal screener for all K-8 students and the SECA student survey for grades 5-8. These tools provide critical, data-driven insights into students' social-emotional development, allowing educators to benchmark progress, identify needs, and deliver targeted supports. The continued use of both instruments ensures the district maintains a comprehensive understanding of SEL trends across grade levels and remains responsive to the evolving needs of all students. Consistent behavior documentation protocols are in place across all schools to ensure equitable and standardized practices. Additionally, approximately 90 staff members are trained annually in Nonviolent Crisis Intervention (NCI) techniques, formerly known as CPI. This training equips educators with skills to de-escalate potentially unsafe behavioral situations and maintain a secure school environment for all students. All behavioral and academic data is now tracked through the district's Branching Minds data platform, which supports the MTSS process by integrating both academic and social-emotional data. This comprehensive platform allows building and district-level administrators to monitor student progress, identify areas of need, and implement targeted interventions in a timely and strategic manner. By disaggregating data by subgroup, including race/ethnicity, economic status, IEP status, English learner status, and gender, Branching Minds enables the district to more effectively address disproportionality and ensure equitable supports. This shift reinforces the district's commitment to supporting the whole child through a cohesive, data-informed approach. In addition, Cary Junior High will implement the Signs of Suicide (SOS) screener and program for all students in grades 6-8 to support early identification and intervention for students at risk. Through these coordinated efforts, District 26 is taking comprehensive steps to promote student safety, well-being, and equitable access to supportive interventions and practices.

2. Describe the services the district will provide homeless children and youth, including services provided with funds reserved to support the enrollment, attendance, and success of homeless children and youth, in coordination with the services the district is providing under the McKinney-Vento Homeless Assistance Act. [3]

[\(42 U.S.C. 11301 et seq.\):*](#)

For your convenience, the prior year Consolidated District Plan approved response is provided below. It may be copied and modified to address the Consolidated District Plan needs.

[[count] of 7500 maximum characters used]

District 26 works in collaboration with families experiencing homelessness to ensure uninterrupted access to education and support consistent with the McKinney-Vento Homeless Assistance Act. The district ensures that families are

informed of their school selection rights and provides transportation services, in coordination with other districts when needed, to reduce barriers and maintain school stability. The district coordinates with community agencies and service providers, including housing authorities, early childhood programs, medical providers, and social service organizations, to connect families with supports both inside and outside of school. These partnerships help ensure students and families have access to resources that support enrollment, attendance, and academic success. In addition, the district provides students experiencing homelessness with school supplies and essential basic needs such as clothing and hygiene items to support participation in school. District staff, including the McKinney-Vento liaison, participate in annual training and ongoing collaboration with regional homeless education networks to ensure compliance and effective service delivery. The district undergoes periodic McKinney-Vento monitoring and has consistently been found in compliance.

Response from the prior year Consolidated District Plan.

D26 works closely with the families of students who are homeless to ensure that there is no disruption in the children's education when the family is unable to find a fixed, permanent night-time abode. D26 works with families to ensure that they understand they have a choice of school districts and D26 works collaboratively with other districts to provide transportation-again in an effort to decrease the disruption to the children's education. D26 coordinates with other agencies, including other school districts, physician's offices, McHenry County Housing Authority, Options & Advocacy, Early Intervention, Head Start, Rosecrans and others to ensure that the family has access to supports and services both in school and outside of school. The district provides school supplies as well as general home supplies (clothing/toiletries). Further, D26 works directly with the Homeless Liaisons for Lake/McHenry County for annual training to ensure compliance under the McKinney-Vento Homeless Assistance Act. The District is audited every two years regarding compliance with the McKinney-Vento Homeless Assistance Act and has been found to be in compliance with McKinney-Vento at every review.

Title I Requirement:

To ensure that all children receive a high-quality education, and to close the achievement gap between children meeting the challenging State academic standards and those children who are not meeting such standards

Legislative Requirements:

[1] Title I, Part A, Section 1112(b)(11)

([count] of 7500 maximum characters used)

Cary CCSD 26 will operate Title I Schoolwide Programs at Deer Path School, Three Oaks School, Oak Knoll Early Childhood Center, and Briargate School.The goal of the schoolwide program is to improve academic achievement for all

students by closing achievement gaps and ensuring growth in literacy and mathematics. Student progress is monitored through the district's local benchmark assessments administered in the fall, winter, and spring. For kindergarten and first grade, 80% or more of students will demonstrate mastery of grade-level literacy skills. For grades 2-8, the district will increase by 10% the number of students meeting or exceeding growth targets on local benchmark assessments. Within the schoolwide model, all students receive access to high-quality core instruction and differentiated supports, while targeted assistance is provided through additional Tier II interventions for students identified through multiple data sources as needing supplemental support. These layered supports ensure that both universal and targeted instructional needs are addressed within a cohesive system. Students receive differentiated, targeted instruction embedded within Tier I core instruction and Tier II WIN (What I Need) time. These supports are designed to strengthen foundational literacy skills, including phonics, phonemic awareness, vocabulary, comprehension, writing, and fluency. Instruction is supported through evidence-based programs aligned to the Illinois Learning Standards, including Reading Mastery, iReady Personalized Learning, SAVVAS myView & Envision, and Benchmark Phonics Intervention. In addition, students identified for support have access to extended learning opportunities, including after-school Homework Club and summer learning programs. These opportunities provide targeted small-group instruction to reinforce foundational skills in literacy and mathematics and support continued academic growth for all learners, including multilingual students.

Response from the approved prior year Consolidated District Plan.

Cary CCSD 26 will operate a school-wide program at Deer Path, Three Oaks School and Oak Knoll Early Childhood Center. Objective: Kindergarten and First Grade - 80% or greater of kindergarteners will demonstrate mastery of grade-level literacy skills as measured by the district's local benchmark assessment. Second Grade to eighth grade - 10% increase in students meeting or exceeding growth targets as measured by the district's local benchmark assessment. The district's local benchmark assessment is administered to students three times during the school year (fall, winter, spring). Students will be monitored throughout the school year to assess their progress toward the goal. Activity: Identified students will receive targeted, differentiated small-group instruction embedded within Tier I core instruction and through Tier II WIN (What I Need) Time instruction. These interventions are strategically scheduled to avoid conflicts with core instructional time and are designed to strengthen key literacy domains, including phonics, phonemic awareness, comprehension, vocabulary development, writing, and fluency. Evidence-based instructional programs aligned with the Illinois Learning Standards will be utilized to support student growth. These include: Reading Mastery, Reading Eggs, myView, and Benchmark Phonics Intervention. In addition to in-school support, identified students will have access to extended learning opportunities, including after-school small-group instruction through the Homework Club and summer school support specifically for multilingual students. These sessions will focus on reinforcing foundational skills in reading and math to close achievement gaps and support sustained academic progress.

5. In schools operating a targeted assistance program, please describe the objective criteria the district has established to identify the target populations, AND how teachers and school leaders will include parents, administrators, paraprofessionals, and instructional support personnel in their identification of the target population.* (Section 1112(b)(9))

For your convenience, the prior year Consolidated District Plan approved response is provided below. It may be copied and modified to address the Consolidated District Plan needs.

INSTRUCTIONS: Select the goal(s) below that align with the District responses provided in the required information below. A minimum of one ISBE or District Goal must be selected.

ISBE Goals:

- Student Learning: Every child will make significant academic gains each year, increasing their knowledge, skills, and opportunities so they graduate equipped to pursue a successful future, with the state paying special attention to addressing historic inequities.
- Learning Conditions: All schools will receive the resources necessary to create safe, healthy, and welcoming learning environments, and will be equipped to meet the unique academic and social and emotional needs of each and every child.
- Elevating Educators: Illinois diverse student population will have educators who are prepared through multiple pathways and are supported in and celebrated for their efforts to provide each and every child an education that meets their needs.

District Goal(s): Select the checkbox, then enter the District Goal(s) that align to the responses below in the text area.

- Goal 1: Student Success - Empowering student growth toward a successful future through a whole child approach
 Student Learning:- Kindergarten-Grade 1: 80% or more of students will demonstrate mastery of grade-level literacy skills as measured by the district's local benchmark assessment.- Grades 2-8: Increase by 10% the number of students meeting or exceeding growth targets as measured by the district's local benchmark assessment. The benchmark assessment will be administered three times annually (fall, winter, spring), and student progress will be monitored regularly to inform instruction and ensure progress toward growth targets.
 Goal 2: Learning Culture - Foster a culture of belonging where students and staff are confident, supported, and motivated to succeed.
 Learning Conditions: All students will participate in the district's universal Social-Emotional Learning (SEL) screener. The district will implement and refine Tier I, II, and III SEL supports within the MTSS framework across grades K-8. Ongoing professional learning will build staff capacity to support students' social-emotional development through Tier I SEL instruction and restorative practices.
 Goal 3: Exceptional Staff - Attract, retain, and develop highly effective educators within a collaborative and empowering culture.
 Elevating Educators: All students will be supported by highly prepared and effective teachers and school leaders. New teachers will be assigned a mentor and participate in monthly professional learning focused on planning, instruction, classroom management, and professional practice. Veteran teachers will engage in instructional coaching cycles focused on instructional and SEL practices. The district's Newcomer and EL Specialist will support educators through a multi-tiered approach, including district-wide professional learning, building-level sessions, collaborative team time, and individualized coaching, with a focus on data-informed instruction for English Learners. Building administrators will be supported through biweekly professional learning, monthly coaching conversations based on walkthrough data, and trimester meetings to set, monitor, and adjust School Improvement Plan goals.

1. How was the comprehensive needs assessment information used for planning grant activities? *This section should include the comprehensive needs identified that will be targeted by the activities and programs funded by IDEA.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

([count] of 7500 maximum characters used)

Our needs assessment activities have indicated that the district will continue to offer a range of program options, including LD Resource, Specialized Resource, specialized Full-Day K, Bridge Program (social/emotional) and TLC (autism/dev. disabilities) programs, as these program options continue to allow students to return from more restrictive environments and be supported in less restrictive options within the district. The district also added the Special Education Rejuvenation Project, which included a committee of educators from both general education and special education to take a deep-dive into stakeholder feedback on programming in the district. Further, the needs assessment, with the additional Rejuvenation Project data, indicated that support for specialized services such as OT, PT, Speech, Social Work, Psych, Hearing and Vision Itinerant continue to be needed. Supplies and technology to help support students with special needs, and professional development are all continued areas of need. Based on the needs assessment results and IEP reviews, the following plan was developed to supplement services for children with disabilities in Cary CCSD 26: Program supplies and technology needs in the LD resource, Specialized Resource, Full Day K, Bridge and TLC programs. Partial funding of non-certified staff members, particularly paraprofessionals, Occupational Therapy and Physical Therapy staff whose names will be added when they are known. Professional development needs will be funded with at least 5% of the grant as required and private school proportionate share services, as required. Based on needs assessment results, professional development topics will include training on IEP procedures, writing legally compliant IEPs, social/emotional learning, specialized technology and training on specific supplemental curricula. A professional development plan for Special Education needs has been developed, based on the needs assessment, for the upcoming school year.

Response from the approved prior year Consolidated District Plan.

Our needs assessment activities have indicated that the district will continue to offer a range of program options, including LD Resource, Specialized Resource, specialized Full-Day K, Bridge Program (social/emotional) and TLC (autism/dev. disabilities) programs, as these program options continue to allow students to return from more restrictive environments and be supported in less restrictive options within the district. The TLC program will be expanded by one classroom, due to the needs of the current students. Further, the needs assessment indicated that support for specialized services such as OT, PT, Speech, Social Work, Psych, Hearing and Vision Itinerant continue to be needed. Supplies and technology to help support students with special needs, and professional development are all continued areas of need. Based on the needs assessment results and IEP reviews, the following plan was developed to supplement services for children with disabilities in Cary CCSD 26: Program supplies and technology needs in the LD resource, Specialized Resource, Full Day K, Bridge and TLC programs. Partial funding of non-certified staff members, particularly paraprofessionals, Occupational Therapy and Physical Therapy staff whose names will be added when they are known. Partial funding for Resource Coaches to support the district's coordinated early intervening services (CEIS) program. Resource coaches provide Early Intervening Services for reading and math as a Tier 2 intervention through the District 26 Multi-Tiered Systems of Support (MTSS) process. Professional development needs will be funded with at least 5% of the grant as required and private school proportionate share services, as required. Based on needs assessment results, professional development topics will include training on IEP procedures, social/emotional learning, specialized technology and training on specific supplemental curricula. A professional development plan for Special Education needs has been developed, based on the needs assessment, for the upcoming school year.

2. Summarize the activities and programs to be funded within the grant application.*

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

([count] of 7500 maximum characters used)

Based on needs assessment results, professional development topics will include training on IEP procedures, LRE, Goal writing, social/emotional learning, specialized technology and training on specific supplemental curricula.

3. Describe any changes in the scope or nature of services from the prior fiscal year.*

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

([count] of 7500 maximum characters used)

There is not a significant change in the scope or nature of services from the prior fiscal year, based on the results of the Needs Assessment. Ongoing training in Restorative Practices training will be provided to staff, as well as Advanced Restorative Practice, Train-the-Trainer in Restorative Practice, Tier 2 functional behavior assessments/behavior intervention plans (fba/bip) and Advanced FBA/BIP training will also be provided. A professional development plan for Special Education needs is currently being developed, based on the needs assessment, for the upcoming school year. Some supplemental materials purchased may be slightly different, based on the individual needs of the students for the upcoming school year. This is true also of supplies. But the overall scope and nature of the services will be similar to past years, but tailored for individual student needs as appropriate.

Response from the approved prior year Consolidated District Plan.

There is not a significant change in the scope or nature of services from the prior fiscal year, based on the results of the Needs Assessment. Ongoing training in Restorative Practices training will be provided to staff, as well as Advanced Restorative Practice, Train-the-Trainer in Restorative Practice, Tier 2 functional behavior assessments/behavior intervention plans (fba/bip) and Advanced FBA/BIP training will also be provided. 4. How are funds being used to support district performance on the State Performance Plan Indicators? Please provide a brief narrative below for each indicator that's applicable. For a listing of State Performance Plan (SPP) Indicators, please click on the hyperlink below.

<https://www.isbe.net/Pages/Special-Education-Programs.aspx>

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

([count] of 7500 maximum characters used)

Indicator 7 and 12--The district will offer a range of services for Early Childhood Education programs, including self-contained and blended preschool programs, which will be supported with grant funds. Grant funds will be used to partially fund staff, including paraprofessional and Occupational Therapy staff, as well as to purchase specialized curriculum and supplies that are needed as well as any individualized equipment or technology that may be necessary. Indicators 5 & 6--These will be supported in the IDEA grant through staff training on Least Restrictive Environment, Restorative Training for staff to better support relationships with students as well as resolve student differences, and district-wide training on de-escalation strategies for students.

Overview

***Note: This plan section is not required for the Department of Juvenile Justice.**

PROGRAM:	Youth in Care Stability
PURPOSE:	To comply with ESSA requirements for educational stability for students who are Youth in Care.
REQUIRED FOR:	All Illinois school districts and state-authorized charter schools
RESOURCES:	ED and HHS Letter to Chief State School Officers and Child Welfare Directors on Implementing the Fostering Connections Act of May 30, 2014 US Department of Education (USDE) web page for Students in Foster Care The Fostering Connections to Success and Increasing Adoptions Act of 2008 (P.L. 110-351) Educational Stability Requirements (Effective October 7, 2008) Public Act 099-0781 (effective 8/12/2016) USDE Non-Regulatory Guidance: Ensuring Educational Stability for Children in Foster Care (June 23, 2016) Finance, Budgets & Funding Transportation Programs (scroll to Foster Care Transportation section) ESEA of 1965 as Amended, Section 6312(c)

BACKGROUND

Section 6312(5)(B) of ESEA of 1965 as Amended by ESSA requires that the local educational agency (LEA) collaborate with the state or local child welfare agency to develop and implement clear written procedures governing how transportation to maintain students who are Youth in Care in the school of origin when in their best interests will be provided, arranged, and funded for the duration of the time as Youth in Care.

DEFINITION AND REFERENCES

First Division vehicles are defined in the Illinois Vehicle Code as motor vehicles designed to carry no more than 10 persons total.

First Division vehicles can be used to transport 10 or fewer persons, including the driver, on regular routes for any and all school-sponsored activities, including curriculum-related trips. Examples of First Division vehicles include cars, station wagons, mini-vans (10 passengers or less which includes the driver), taxi cabs, medical carrier or medi-car, and Suburbans. The manufacturer sticker (Federal Certification Label) located on the inside of the drivers side door will stipulate MPV for Multi-Passenger Vehicle, MPPV (MultiPurpose Passenger Vehicle), or Passenger Car [49 CFR 571.3]

Vehicle Usage:

https://www.isbe.net/Documents/school_vehicle_guidance.pdf

https://www.isbe.net/Documents/vehicle_use_summary.pdf

<https://www.isbe.net/Documents/ISBF-Visual-Vehicle-Use-Guide.pdf>

Transportation Programs:

<https://www.isbe.net/Pages/Funding-and-Disbursements-Transportation-Programs.aspx>

REQUIREMENTS

A. The following factors should be considered when developing the transportation procedures for a student that is Youth in Care/in foster care:

1. Safety
2. Duration of the need for services
3. The time/length of travel time for the student each day
4. Time of placement change
5. Type of transportation available (yellow school bus, taxi cab, First Division vehicle, etc.)
6. Traffic patterns
7. Flexibility in school schedule
8. Impact of extracurricular activities on transportation options.
9. Maturity and behavioral capacity of student

B. The following low-cost/no-cost options should be considered when developing the transportation procedures:

1. Pre-existing transportation route
2. New transportation route
3. Route-to-Route hand-offs
4. District-to-district boundary hand-offs
5. Eligibility of the student for transportation through other services such as, but not limited to, Individuals with Disabilities Education Act (IDEA)
6. Alternatives not directly provided by the district/school such as:
 - a. Contracted services - taxis, student transport companies, etc. - see note below
 - b. Public transportation such as city buses, rails, etc.
 - c. Carpools - see note below
 - d. School/District staff - see note below
 - e. Options presented by DCFS outside of those provided by the district/school, such as reimbursing the foster parents for transportation costs, or including transport in contracts with licensed child placing agencies or group homes

NOTE: A school bus driver permit is REQUIRED for these options! IMPORTANT: All drivers transporting students (other than parents or legal guardians transporting their own students) in First Division vehicles MUST possess a valid school bus driver permit per Section 6-104(d) of the Vehicle Code. THIS INCLUDES TAXI CAB DRIVERS.

REMINDER: A multifunction school activity bus (MFSAB) can NEVER be used to transport home-to-school or school-to-home [625 ILCS 5/1-148.3a-5]

C. The following funding options should be considered when developing the transportation procedures for a student that is Youth in Care/in foster care:

1. Title IV-E of the Social Security Act if the student is eligible
2. Title I of the ESEA of 1965 as Amended by ESSA (except that funds reserved for comparable services for homeless children and youth may NOT be used for transportation)
3. IDEA funds, if the student has an Individual Educational Program (IEP) that includes provisions for specialized transportation
4. State special education transportation funds, if the student has an IEP
5. Local funds

Contact Information

***Note: This page is not required for the Department of Juvenile Justice.**

As part of the Youth in Care Stability Plan development process, several stakeholders should be involved. These may include, but are not limited to:

- a. Local educational agency (LEA) point of contact for Youth in Care/Foster Care students (LEA-POC)
- b. LEA transportation director
- c. Child welfare agency point of contact
- d. LEA Department of Children and Family Services (DCFS) liaison as permitted by 105 ILCS 5/10-20.58, if applicable
- e. Title I director
- f. School social worker
- g. Guidance counselor
- h. Special education personnel

Provide contact information for all personnel included in the development of the plan. The LEA-POC and transportation director are required; others are optional and should be included as applicable.

1. Youth in Care/Foster Care LEA-POC - required*

Best Interest Determination as it relates to School Stability

***Note: This page is not required for the Department of Juvenile Justice.**

NOTE: FIELDS BELOW MAY BE PREPOPULATED WITH DATA. REVIEW ANY PREPOPULATED DATA, COPY AND REVISE AS NEEDED IN THE BOX ABOVE IT, AND SAVE THE PAGE.

1. Describe the process for determining the best interest of the affected student's placement if the student becomes a Youth in Care or changes residences while they are a Youth in Care. Include the positions of all district personnel and other stakeholders involved.*

Be sure to include the factors that should be considered in determining whether remaining in a child's school of origin is in their best interest, as it relates to ensuring school stability.

For your convenience, the prior year approved response is provided below. It may be copied and modified to address the Youth in Care Stability Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

The Child Welfare Agency worker, foster care point of contact, social worker, teacher, and other essential members of best interest determination will share information on the appropriateness of the current educational setting. Factors that will be considered in determining whether the child remains in the school of origin include: How long is the placement expected to last and what is the permanent plan? How many schools has the child attended this year? The past few years? How strong is the child academically? Which school does the child prefer? Why? Does the child have siblings placed in the school? Does the child have positive peer relationships? Connection to staff? Would the timing of a transfer coincide with a logical juncture such as after testing, end of semester, or end of the school year? How would the length of commute impact the child? Does the youth have any anxieties about the upcoming move or changes in his/her life? Are there any safety issues to consider? If the best interest determination decisions is that the student will remain in the current school, the foster care point of contact will notify the school of origin transportation designee, who will then assist the child welfare agency worker in arranging transportation. Due to the mobility rate of youth experiencing foster care, all efforts will be made to keep foster care youth in the school of origin.

Response from the approved prior year Consolidated District Plan.

The Child Welfare Agency worker, foster care point of contact, social worker, teacher, and other essential members of best interest determination will share information on the appropriateness of the current educational setting. Factors that will be considered in determining whether the child remains in the school of origin include: How long is the placement expected to last and what is the permanent plan? If the best interest determination decisions is that the student will remain in the current school, the foster care point of contact will notify the school of origin transportation designee, who will then assist the child welfare agency worker in arranging transportation. Due to the mobility rate of youth experiencing foster care, all efforts will be made to keep foster care youth in the school of origin.

2. Describe any special considerations and legal requirements taken into account for children with disabilities under IDEA and students with disabilities under Section 504.*

See IDEA legislation here See Section 504 here

For your convenience, the prior year approved response is provided below. It may be copied and modified to address the Youth in Care Stability Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

For students with Disabilities, the same process is followed. In addition, at the meeting with the Welfare Agency, District Representatives, Foster Care Parents and others' familiar with the student, the student's disability, individual programming needs and accommodations as identified either through IDEA or Section 504 will be considered in the determination for what is in the best interest of the student

Response from the approved prior year Consolidated District Plan.

For students with Disabilities, the same process is followed. In addition, at the meeting with the Welfare Agency, District Representatives, Foster Care Parents and others' familiar with the student, the student's disability, individual programming needs and accommodations as identified either through IDEA or Section 504 will be considered in the determination for what is in the best interest of the student

3. Describe any special consideration and legal requirements taken into account for children who are English learners.*

For your convenience, the prior year approved response is provided below. It may be copied and modified to address the Youth in Care Stability Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

In addition to all of the consideration described in determining the best interest of a student in foster care, special consideration will also be given to students who are English Learners (ELs). For example, consideration will be made based on their level of English proficiency (e.g. as determined through ACCESS assessment), current programming and language acquisition needs (bilingual, ESL, Dual Language, Resource support, etc.). Further should the student also be eligible for services under IDEA or Section 504, these additional supports will be considered simultaneously with their needs as an EL.

Response from the approved prior year Consolidated District Plan.

In addition to all of the consideration described in determining the best interest of a student in foster care, special consideration will also be given to students who are English Learners (ELs). For example, consideration will be made based on their level of English proficiency (e.g. as determined through ACCESS assessment), current programming and language acquisition needs (bilingual, ESL, Dual Language, Resource support, etc.). Further should the student also be eligible for services under IDEA or Section 504, these additional supports will be considered simultaneously with their needs as an EL.

4. Describe the dispute resolution process should there be disagreement among education decision makers, and other stakeholders regarding the best interest determination.*

Be sure to include the step-by-step process if one would want to initiate a dispute about the Best Interest Determination decision. NOTE: include that DCFS has the final say if a resolution cannot be determined.

For your convenience, the prior year approved response is provided below. It may be copied and modified to address the Youth in Care Stability Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

Dispute resolution procedures will include: DCFS/Foster Parent appealing to district level administration (Asst. Superintendent of Student Services, Assistant Superintendent of Teaching and Learning or Superintendent) who will act as dispute mediators, should the need arise. The student's school placement will remain the school of origin until a final determination is made. DCFS has the final determination if a resolution cannot be agreed upon.

Response from the approved prior year Consolidated District Plan.

Dispute resolution procedures will include: DCFS/Foster Parent appealing to district level administration (Asst. Superintendent of Special Services and Instruction, Assistant Superintendent of Teaching and Learning or Superintendent) who will act as dispute mediators, should the need arise. The student's school placement will remain the school of origin until a final determination is made. DCFS has the final determination if a resolution cannot be agreed upon.

5. Describe how the district/school will ensure that all appropriate school personnel are aware of the ESSA requirements for educational stability for students who are identified as Youth in Care.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

School personnel will be notified at the start of the school year meeting of the ESSA requirements for educational stability who are identified as Youth in Care, and will also be informed of the District Contact, the Assistant Superintendent for Student Services, for technical support as well as how to best support each individual student.

*Required field

Youth in Care Stability Plan Development

***Note: This plan section is not required for the Department of Juvenile Justice.**

NOTE: FIELDS BELOW MAY BE PREPOPULATED WITH DATA. REVIEW ANY PREPOPULATED DATA, COPY AND REVISE AS NEEDED IN THE BOX ABOVE IT, AND SAVE THE PAGE.

1. Describe the process for determining how transportation will be provided to students who qualify, including the position of all individuals involved in the process.*

Be sure to include the factors that should be considered when developing the transportation procedures for a student who is Youth in Care.

For your convenience, the prior year approved response is provided below. It may be copied and modified to address the Youth in Care Stability Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

Foster care students shall be transported in accordance with Section 6312(c)(5) of the Elementary and Secondary Education Act. Students in foster care shall remain in their school of origin, unless it is determined that remaining in the school of origin is contrary to the student's best interest. School of origin is defined as the school that the child was enrolled in at the time of initial placement. If the child's foster care placement changes, the school of origin would then be the school in which the child is enrolled at the time of the placement change. Students in foster care shall receive transportation to their school of origin in a prompt and cost-effective manner. The requirements regarding transportation of students in foster care also apply to students awaiting foster care placement. To determine what is in the best interest of the student, the following steps will be followed: 1) When a student is placed in foster care or changes residence while in foster care, the child welfare agency worker assigned to the student shall promptly notify the child's current school. If the child moves to a new residence that is not within the same attendance boundaries as their previous school, the District's foster care point of contact, Jennifer Thomas, Director of Special Services, shall be notified promptly; 2) The District's foster care point of contact shall promptly schedule a meeting with the child welfare agency worker and other parties familiar with the student (i.e., school of origin representatives, foster parents, etc.); 3) At the meeting, the child welfare agency worker and the District's foster care point of contact shall make a best interest determination on the appropriateness of the student's then-current educational setting. Factors to consider when making the best interest determination include, but are not limited to: Distance, Safety, Type of placement change, Type of transportation available, Traffic patterns, Flexibility in school schedule, Impact on extracurricular activities, Maturity and behavioral capacity.

Response from the approved prior year Consolidated District Plan.

Foster care students shall be transported in accordance with Section 6312(c)(5) of the Elementary and Secondary Education Act. Students in foster care shall remain in their school of origin, unless it is determined that remaining in the school of origin is contrary to the student's best interest. School of origin is defined as the school that the child was enrolled in at the time of initial placement. If the child's foster care placement changes, the school of origin would then be the school in which the child is enrolled at the time of the placement change. Students in foster care shall receive transportation to their school of origin in a prompt and cost-effective manner. The requirements regarding transportation of students in foster care also apply to students awaiting foster care placement. To determine what is in the best interest of the student, the following steps will be followed: 1) When a student is placed in foster care or changes residence while in foster care, the child welfare agency worker assigned to the student shall promptly notify the child's current school. If the child moves to a new residence that is not within the same attendance boundaries as their previous school, the District's foster care point of contact, Jennifer Thomas, Director of Special Services, shall be notified promptly; 2) The District's foster care point of contact shall promptly schedule a meeting with the child welfare agency worker and other parties familiar with the student (i.e., school of origin representatives, foster parents, etc.); 3) At the meeting, the child welfare agency worker and the District's foster care point of contact shall make a best interest determination on the appropriateness of the student's then-current educational setting. Factors to consider when making the best interest determination include, but are not limited to: Distance, Safety, Type of placement change, Type of transportation available, Traffic patterns, Flexibility in school schedule, Impact on extracurricular activities, Maturity and behavioral capacity.

2. Indicate which options will be considered when developing the transportation plan. Check all that apply.*

- a. Pre-existing transportation route
- b. New transportation route
- c. Route-to-route hand-offs
- d. District-to-district boundary hand-offs
- e. Other services for which student is eligible, such as IDEA transportation options
- f. Options presented by DCFS worker
- g. Alternatives not directly provided by the district/school such as taxis, carpools, public transportation, etc.

IMPORTANT: All drivers transporting students (other than parents or legal guardians transporting their own students) in First Division vehicles MUST possess a valid school bus driver permit per Section 6-104(d) of the Vehicle Code. THIS INCLUDES TAXI CAB DRIVERS.

- h. Other - describe _____
- i. Other - describe _____
- j. Other - describe _____

3. Describe how all funding options selected above will be considered and coordinated when developing the transportation plan.*

Be sure to include the funding options that should be considered when developing the transportation procedures for a student who is Youth in Care.

For your convenience, the prior year approved response is provided below. It may be copied and modified to address the Youth in Care Stability Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

If the foster care point of contact and the child welfare agency worker determine that the student shall remain in their school of origin, the foster care point of contact shall promptly notify the school of origin's transportation designee. The District's foster care point of contact, the school of origin's transportation designee, and the child welfare agency worker shall arrange transportation for the student. If there are additional costs incurred in providing transportation to the school of origin, the District will provide transportation to the school of origin if: a) The child welfare agency agrees to reimburse the District for the additional transportation costs; b) The District agrees to pay the additional transportation costs; or c) The District and the child welfare agency agree to share the additional transportation costs. Use of alternative funding sources (including, but not limited to, Title IV-E funds, Title I funds, and IDEA funds).

Response from the approved prior year Consolidated District Plan.

If the foster care point of contact and the child welfare agency worker determine that the student shall remain in their school of origin, the foster care point of contact shall promptly notify the school of origin's transportation designee. The District's foster care point of contact, the school of origin's transportation designee, and the child welfare agency worker shall arrange transportation for the student. If there are additional costs incurred in providing transportation to the school of origin, the District will provide transportation to the school of origin if: a) The child welfare agency agrees to reimburse the District for the additional transportation costs; b) The District agrees to pay the additional transportation costs; or c) The District and the child welfare agency agree to share the additional transportation costs. Use of alternative funding sources (including, but not limited to, Title IV-E funds, Title I funds, and IDEA funds).

4. Describe the dispute resolution process to be utilized if the district/school and DCFS have difficulty coming to agreement on how to provide transportation for a particular student in need.*

For your convenience, the prior year approved response is provided below. It may be copied and modified to address the Youth in Care Stability Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

Should a disagreement arise surrounding the best interest determination, the student shall remain in his or her school of origin during the pendency of the dispute. The child welfare agency worker shall resolve disputes between the school of origin and the school in which the child now resides regarding the best interest determination. If the foster care point of contact and the child welfare agency worker determine that the student shall remain in their school of origin, the foster care point of contact shall promptly notify the school of origin's transportation designee. The District's foster care point of contact, the school of origin's transportation designee, and the child welfare agency worker shall arrange transportation for the student. If there are additional costs incurred in providing transportation to the school of origin, the District will provide transportation to the school of origin if: a) The child welfare agency agrees to reimburse the District for the additional transportation costs; b) The District agrees to pay the additional transportation costs; or c) The District and the child welfare agency agree to share the additional transportation costs. If the foster care point of contact and the child welfare agency worker determine that the student shall transfer to the school in which they are currently residing, transportation shall be provided consistent with the new district's transportation policies and procedures.

Response from the approved prior year Consolidated District Plan.

Should a disagreement arise surrounding the best interest determination, the student shall remain in his or her school of origin during the pendency of the dispute. The child welfare agency worker shall resolve disputes between the school of origin and the school in which the child now resides regarding the best interest determination. If the foster care point of contact and the child welfare agency worker determine that the student shall remain in their school of origin, the foster care point of contact shall promptly notify the school of origin's transportation designee. The District's foster care point of contact, the school of origin's transportation designee, and the child welfare agency worker shall arrange transportation for the student. If there are additional costs incurred in providing transportation to the school of origin, the District will provide transportation to the school of origin if: a) The child welfare agency agrees to reimburse the District for the additional transportation costs; b) The District agrees to pay the additional transportation costs; or c) The District and the child welfare agency agree to share the additional transportation costs. If the foster care point of contact and the child welfare agency worker determine that the student shall transfer to the school in which they are currently residing, transportation shall be provided consistent with the new district's transportation policies and procedures.

5. Describe how the district/school will provide or arrange for adequate and appropriate transportation to and from the school of origin while any disputes are being resolved.*

NOTE: Include that the School Of Origin [SOO] is responsible for the transportation while all disputes are being resolved.

For your convenience, the prior year approved response is provided below. It may be copied and modified to address the Youth in Care Stability Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

Should a disagreement arise surrounding the best interest determination, the student shall remain in his or her school of origin during the pendency of the dispute. The child welfare agency worker shall resolve disputes between the school of origin and the school in which the child now resides regarding the best interest determination. The School of Origin will be responsible for the transportation of the student while all disputes are being resolved.

Response from the approved prior year Consolidated District Plan.

BSP Overview

Program Name:	EL - Bilingual Service Plan
Purpose:	The purpose of the EL - Bilingual Service Plan is to ensure that English learner programs are implemented in accordance with Illinois School Code Article 14C and 23 IL Administrative Code Part 228 Transitional Bilingual Education. In addition, this data collection will help the Multilingual Department better support school districts in providing services for English learners to attain English proficiency and meet the same challenging academic standards as all children are expected to meet in Illinois.
Rules:	23 Ill. Admin. Code, Part 228.50
Contact:	Multilingual Department at 312-814-3850 multilingual@isbe.net

BSP Contact Information

375 English Learners (ELs) are in the district (This number was current as of the date the application was published and became available for application.)

Provide information below for the Bilingual Director (Administrator overseeing EL Services)

TBE Parent Advisory CommitteeInstructions

375 English Learners (ELs) are in the district (This number was current as of the date the application was published and became available for application.)

Does your district offer a TBE program?

Yes
No

Please check all that apply to the districts Bilingual Parent Advisory Committee (BPAC).

The district attests that:

- The BPAC meets at least 4 times a year.
- The BPAC minutes, bylaws, and attendance information is maintained by the district.
- The BPAC reviews the bilingual service plan and EL-EBF plan annually.
- The BPAC is composed of a majority of TBE parents.

If the district has any additional comments or explanations they would like to provide, please do so here: (Optional)

- By checking this box, the applicant hereby certifies that he or she has read, understood, and will comply with the assurances listed below, as applicable to the planning requirements of all included programs as applicable.

Provide the date on which the District Board approved the Consolidated District Plan.

06/29/2026

Each district plan shall provide assurances that the district will, as applicable based on grant award(s):

1. Ensure that migratory children and formerly migratory children who are eligible to receive services under this part are selected to receive such services on the same basis as other children who are selected to receive services under this part;
2. Provide services to eligible children attending private elementary schools and secondary schools in accordance with section 1117, and timely and meaningful consultation with private school officials regarding such services;
3. Participate, if selected, in the National Assessment of Educational Progress in reading and mathematics in grades 4 and 8 carried out under section 303(b)(3) of the National Assessment of Educational Progress Authorization Act (20 U.S.C. 9622(b)(3));
4. Coordinate and integrate services provided under this part with other educational services at the district or individual school level, such as services for English learners, children with disabilities, migratory children, American Indian, Alaska Native, and Native Hawaiian children, and homeless children and youths, in order to increase program effectiveness, eliminate duplication, and reduce fragmentation of the instructional program;
5. Collaborate with the State or local child welfare agency to
 - A. Designate a point of contact if the corresponding child welfare agency notifies the local educational agency, in writing, that the agency has designated an employee to serve as a point of contact for the local educational agency and
 - B. By not later than 1 year after the date of enactment of the Every Student Succeeds Act, develop and implement clear written procedures governing how transportation to maintain children in foster care in their school of origin when in their best interest will be provided, arranged, and funded for the duration of the time in foster care, which procedures shall
 - i. Ensure that children in foster care needing transportation to the school of origin will promptly receive transportation in a cost-effective manner and in accordance with section 475(4)(A) of the Social Security Act (42 U.S.C. 675(4)(A))
 - ii. Ensure that, if there are additional costs incurred in providing transportation to maintain children in foster care in their schools of origin, the local educational agency will provide transportation to the school of origin if
 - a. The local child welfare agency agrees to reimburse the local educational agency for the cost of such transportation;
 - b. The local educational agency agrees to pay for the cost of such transportation; or
 - c. the local educational agency and the local child welfare agency agree to share the cost of such transportation; and
6. Ensure that all teachers and paraprofessionals working in a program supported with funds under this part meet applicable State certification and licensure requirements, including any requirements for certification obtained through alternative routes to certification; and
7. In the case of a local educational agency that chooses to use funds under this part to provide early childhood education services to low-income children below the age of compulsory school attendance, ensure that such services comply with the performance standards established under section 641A(a) of the Head Start Act (42 U.S.C. 9836a(a)).
8. Each LEA that is included in the eligible entity is complying with Section 1112(e) prior to, and throughout, each school year as of the date of application;
9. The eligible entity is not in violation of any State law, including State constitutional law, regarding the education of English learners, consistent with sections 3125 and 3126;
10. The eligible entity consulted with teachers, researchers, school administrators, community members, public or private entities, and institutions of higher education, in developing and implementing such plan; and
11. The eligible entity will, if applicable, coordinate activities and share relevant data under the plan with local Head Start and Early Head Start agencies, including migrant and seasonal Head Start agencies, and other early childhood education providers.
12. Teacher English Fluency - each eligible entity receiving a subgrant under section 3114 shall include in its plan a certification that all teachers in any language instruction educational program for English learners that is, or will be, funded under this part are fluent in English and any other language used for instruction, including having written and oral communications skills.
13. In the case of a school district serving at least one English learner, and in accordance with Article 14C of the Illinois School Code, assurance is provided that at least 60% of the district's state funds attributable to ELs will be used for the instructional costs of programs and services authorized under this article.
14. In the case of a school district offering Transitional Bilingual Education programs, assurance is provided that the parent advisory committee was afforded the opportunity effectively to express its views in order to ensure that the EL programs are planned, operated, and evaluated with the involvement of, and in consultation with, parents of children served by the programs.
15. The district further assures that no policy of the LEA prevents, or otherwise denies participation in constitutionally protected prayer in public elementary schools and secondary schools as set forth in the Guidance on Constitutionally Protected Prayer and Religious Expression in Public Elementary and Secondary Schools on the U.S. Department of Education website.

v.02.17.2026

- By checking this box, the applicant/award recipient (hereinafter the term applicant includes award recipient as the context requires) hereby certifies and assures the Illinois State Board of Education that:

1. The applicant has the necessary legal authority to apply for and to receive the proposed award. The filing of this application has been authorized by the governing body of the applicant, and the undersigned representative has been duly authorized to file this application for and on behalf of said applicant, and otherwise to act as the authorized representative of the applicant in connection with this application and any award in relation thereto.

The undersigned representative affirms, under penalties of perjury, that he or she is authorized to execute these Certifications and Assurances, and Standard Terms of the Grant on behalf of the applicant. Further, the applicant certifies under oath that all information in the grant agreement is true and correct to the best of his or her knowledge, information, and belief, that grant funds shall be used only for the purposes described in this agreement, and that the award of this grant is conditioned upon this certification.

DEFINITIONS

Applicant means an individual, entity, or entities for which grant funds may be available and who has made application to the Illinois State Board of Education for an award of such grant funds.

Grant means the award of funds, which are to be expended in accordance with the Grant Agreement for a particular project. The terms grant, award, program, and project may be used interchangeably.

Grantee means the person, entity, or entities that are to receive or have received grant funds through an award from the Illinois State Board of Education. The terms grantee and award recipient may be used interchangeably.

Project means the activities to be performed for which grant funds are being sought by the applicant. The terms project and program may be used interchangeably.

The capitalized word Term means the period of time from the project beginning date through the project ending date.

Termination means the ending of a grant, whether in whole or in part, at any time prior to the end of the grant Term, as stated in the Grant Agreement.

LAWS AND REGULATIONS REGARDING FEDERAL AND STATE AWARDS

The applicant acknowledges and agrees that this grant is subject to the provisions of:

2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards

<https://www.ecfr.gov/current/title-2/subtitle-A/chapter-II/part-200?toc=1>

Illinois Grant Accountability and Transparency Act (GATA), 30 ILCS 708/1 et seq.

<https://www.ilga.gov/Legislation/ILCS/Articles?ActID=3559&ChapterID=7>

Administrative Rules for GATA, 44 Ill. Admin. Code Part 7000

<https://ilga.gov/agencies/JCAR/Sections?PartID=04407000>

NO BINDING OBLIGATION

2. The applicant acknowledges and agrees that the selection of its proposal for funding, or approval to fund an application, shall not be deemed to be a binding obligation of the Illinois State Board of Education until such time as a final Grant Agreement is entered into between the applicant and the Illinois State Board of Education. Prior to the execution of a final Grant Agreement, the Illinois State Board of Education may withdraw its award of funding to the applicant at any time, for any reason.
3. Payment under this grant is subject to passage of a sufficient appropriation by the Illinois General Assembly or sufficient appropriation by the U.S. Congress for federal programs. Obligations of the Illinois State Board of Education will cease immediately without further obligation should the agency fail to receive sufficient state, federal, or other funds for this program.
4. Funding in the subsequent years beyond the Term of the grant will be contingent upon compliance with federal and state law, regulations, administrative rules, terms and conditions of the award, passage of sufficient appropriations for the program, and satisfactory performance in the preceding grant period. Renewal decisions are at the sole discretion of the Illinois State Board of Education, and the receipt of an award in a current or previous Term does not create any right to or expectation of renewal in a subsequent Term.

PROJECT

5. The project proposed in the application, and as negotiated and finalized by the parties in the Grant Agreement, is hereinafter referred to as the project. In planning the project there has been, and in establishing and carrying out the project there will be (to the extent applicable to the project), participation of persons broadly representative of the cultural and educational resources of the area to be served, including persons representative of the interests of potential beneficiaries.
6. Applicants may be asked to clarify certain aspects of their proposals/applications or proposed amendments prior to final agreement on the terms of the project or amendment.
7. The project will be administered by or under the supervision of the applicant and in accordance with the laws and regulations applicable to the grant. The applicant will be responsible for and obtain all necessary permits, licenses, or consent forms as may be required to implement the project.

FUNDING

8. All funds provided will be used solely for the purposes stated in the approved proposal/application, as finalized in the Grant Agreement, in accordance with applicable federal and state statutes, regulations, administrative rules, and terms and conditions of the grant.
9. The applicant may not count tuition and fees collected from students towards meeting matching, cost sharing, or maintenance of effort requirements of a program, pursuant to 34 CFR 76.534.
10. The applicant will maintain records for three years following competition of the activities for which the applicant uses the federal or state funding, pursuant to 2 CFR 200.334.
11. If real property or structures are provided or improved with the aid of federal financial assistance, the applicant will comply with applicable statutes, regulations, and the project application in the use, encumbrance, transfer, or sale of such property or structure. If personal property is so provided, the applicant will comply with applicable statutes, regulations, and the project application in the use, encumbrance, transfer, disposal, and sale of such.
12. The applicant will have effective financial management systems which conform to the standards present in 2 CFR 200.302, which includes, but is not limited to, the ability to report financial data verifying compliance with program regulations and maintaining effective internal control over the operations of the approved grant.
13. The applicant will conform all activities conducted under the approved grant to the provisions contained within 2 CFR Part 200
14. All expenditures claimed in relation to a grant are subject to applicable federal and state laws, regulations, and administrative rules. Expenditures claimed in relation to an award are subject to cost allowability standards, as defined by the grant program and 2 CFR Part 200, and other applicable federal and state laws, regulations, and administrative rules. Failure to adhere to these requirements will lead to disallowed expenditures for which funds must be returned.
15. Adequacy tier designation under Evidence-Based Funding will be utilized by ISBE at its discretion pursuant to applicable law and agency policy (105 ILCS 5/18-8.15).

INVOLUNTARY TERMINATION

16. The applicant will accept funds in accordance with applicable federal and state statutes, regulations, administrative rules, and terms and conditions of the award, and administer the programs in compliance with all provisions of such statutes, regulations, administrative rules, terms and conditions of the award, and amendments thereto.
17. Failure of applicant to comply with state and federal statutes, regulations, administrative rules, or the terms and conditions of the award may result in conditions placed on grantee, including, but not limited to, involuntary termination of a

grant at the discretion of the Illinois State Board of Education, in whole or in part, in accordance with federal and state law and regulations.

GENERAL CERTIFICATIONS AND ASSURANCES

18. The applicant will obey all applicable state and federal laws, regulations, and executive orders, including without limitation: those regarding the confidentiality of student records, such as the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. 1232g) and the Illinois School Student Records Act (ISSRA) (105 ILCS 10/1 et seq.); those prohibiting discrimination on the basis of race, color, national origin, sex, age, or handicap, such as Title IX of the Amendments of 1972 (20 U.S.C. 1681 et seq.) and 34 CFR part 106, the Illinois Human Rights Act (775 ILCS 5/1-101 et seq.), the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and 34 CFR part 104, the Age Discrimination in Employment Act of 1967 (29 U.S.C. 621 et seq.), the Age Discrimination Act (42 U.S.C. 6101 et seq.) and 34 CFR part 110, Titles VI and VII of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq., 2000e et seq.) and 34 CFR part 100, the Public Works Employment Discrimination Act (775 ILCS 10/0.01 et seq.), and the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.); and the Illinois School Code (105 ILCS 5/1-1 et seq.). Further, no award recipient shall deny access to the program funded under the grant to students who lack documentation of their immigration status or legal presence in the United States (Plyler v. Doe, 457 U.S. 202, 102 S.Ct. 2382 (1982)).
19. The applicant certifies it has informed the State Superintendent of Education in writing if any employee of the applicant/grantee was formerly employed by the Illinois State Board of Education and has received an early retirement incentive under 40 ILCS 5/14-108.3 or 40 ILCS 5/16-133.3 (Illinois Pension Code). The applicant acknowledges and agrees that if such early retirement incentive was received, the Grant Agreement is not valid unless the official executing the agreement has made the appropriate filing with the Auditor General prior to execution.
20. The applicant shall notify the State Superintendent of Education if the applicant solicits or intends to solicit for employment any of the Illinois State Board of Educations employees during any part of the application process or during the Term of the Grant Agreement.
21. The applicant is not barred from entering into this contract by Sections 33E-3 and 33E-4 of the Criminal Code of 1961 (720 ILCS 5/33E-3, 33E-4). Sections 33E-3 and 33E-4 prohibit the receipt of a state contract by a contractor who has been convicted of bid-rigging or bid-rotating.
22. If the applicant is an individual, the applicant is not in default on an educational loan as provided in 5 ILCS 385/3.
23. The applicant certifies it does not pay dues or fees on behalf of its employees or agents or subsidize or otherwise reimburse them for payment of their dues or fees to any club which unlawfully discriminates (775 ILCS 25/1).
24. The applicant certifies that it is (a) current as to the filing and payment of any applicable federal, state, and/or local taxes; and (b) not delinquent in its payment of moneys owed to any federal, state, or local unit of government.
25. Any applicant not subject to Section 10-21.9 of the School Code certifies that a fingerprint-based criminal history records check through the Illinois State Police and a check of the Statewide Sex Offender Database will be performed for all its employees, b) volunteers, and c) all employees of persons or firms holding contracts with the applicant/grantee, who have direct contact with children receiving services under the grant; and such applicant shall not a) employ individuals, b) allow individuals to volunteer, or c) enter into a contract with a person or firm who employs individuals, who will have direct contact with children receiving services under the grant who have been convicted of any offense identified in subsection (c) of Section 10-21.9 of the School Code (105 ILCS 5/10-21.9(c)) or have been found to be the perpetrator of sexual or physical abuse of any minor under 18 years of age pursuant to proceedings under Article II of the Juvenile Court Act of 1987 (705 ILCS 405/2-1 et seq.).
26. The applicant hereby assures that when purchasing core instructional print materials published after July 19, 2006, the applicant/grantee will ensure that all such purchases are made from publishers who comply with the requirements of 105 ILCS 5/28-21, which instructs the publisher to send (at no additional cost) to the National Instructional Materials Access Center (NIMAC) electronic files containing the contents of the print instructional materials using the National Instructional Materials Accessibility Standard (NIMAS), on or before delivery of the print instructional materials. This does not preclude a grantee school district from purchasing or obtaining accessible materials directly from the publisher.
27. The applicant certifies that notwithstanding any other provision of the application, proposal, or Grant Agreement, grant funds shall not be used and will not be used to provide religious instruction, conduct worship services, or engage in any form of proselytization.

JOINT APPLICATIONS - ADMINISTRATIVE AND/OR FISCAL AGENT

28. Applicants/grantees participating in a joint application hereby certify that they are individually and jointly responsible to the Illinois State Board of Education and to the administrative and fiscal agent under the grant. An applicant/grantee that is a party to the joint application and is a legal entity, or a Regional Office of Education, may serve as the administrative and/or fiscal agent under the grant.
29. The entity acting as the fiscal agent certifies that it is responsible to the applicant/grantee or, in the case of a joint application, to each applicant/grantee that is a party to the application; it is the agent designated and responsible for reports and for receiving and administering funds; and it will:
 - a) Obtain fully executed Grant Application Certifications and Assurances forms from each entity or individual participating in the grant and return the forms to ISBE prior to award of the grant;
 - b) Maintain separate accounts and ledgers for the project;
 - c) Provide a proper accounting of all revenue from the Illinois State Board of Education for the project;
 - d) Properly post all expenditures made on behalf of the project;
 - e) Be responsible for the accountability, documentation, and cash management of the project; the approval and payment of all expenses, obligations, and contracts; and hiring of personnel on behalf of the project in accordance with the Grant Agreement;
 - f) Disburse all funds to joint applicants/grantees based on information (payment schedules) from joint applicants/grantees showing anticipated cash needs in each month of operation (The composite payment schedule submitted to ISBE should reflect monthly cash needs for the fiscal agent and the joint applicants/grantees.);
 - g) Require joint applicants/grantees to report expenditures to the fiscal agent based on actual expenditures/obligation data and documentation. Reports submitted to the Illinois State Board of Education should reflect actual expenditure/obligations for the fiscal agent and the data obtained from the joint applicants/grantees on actual expenditures/obligations that occur within project beginning and ending dates;
 - h) Be accountable for interest income earned on excess cash on hand by all parties to the grant and return applicable interest earned on advances to the Illinois State Board of Education;
 - i) Make financial records available to outside auditors and Illinois State Board of Education personnel, as requested by the Illinois State Board of Education; and
 - j) Have a recovery process in place with all joint applicants/grantees for collection of any funds to be returned to the Illinois State Board of Education.

DRUG-FREE WORKPLACE CERTIFICATION

30. This certification is required by the Drug-Free Workplace Act (30 ILCS 580/1). The Drug-Free Workplace Act, effective January 1, 1992, requires that no grantee or contractor shall receive a grant or be considered for the purposes of being awarded a contract for the procurement of any property or services from the state unless that grantee or contractor has certified to the state that the grantee or contractor will provide a drug-free workplace. False certification or violation of the certification may result in sanctions including, but not limited to, suspension of contract or grant payments, termination of the contract or grant, and debarment of contracting or grant opportunities with the state of Illinois for at least one (1) year but not more than five (5) years.

For the purpose of this certification, applicant, grantee, or contractor means a corporation, partnership, or other entity with twenty-five (25) or more employees at the time of issuing the grant, or a department, division, or other unit thereof, directly responsible for the specific performance under a contract or grant of \$5,000 or more from the state

The applicant certifies and agrees that it will provide a drug-free workplace by:

- a) Publishing a statement:
 - i) Notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance, including cannabis, is prohibited in the grantees or contractors workplace.

- ii) Specifying the actions that will be taken against employees for violations of such prohibition.
 - iii) Notifying the employee that, as a condition of employment on such contract or grant, the employee will:
 - 1) Abide by the terms of the statement; and
 - 2) Notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) calendar days after such conviction.
 - b) Establishing a drug-free awareness program to inform employees about:
 - i) The dangers of drug abuse in the workplace;
 - ii) The grantees or contractors policy of maintaining a drug-free workplace;
 - iii) Any available drug counseling, rehabilitation, and employee assistance programs; and
 - iv) The penalties that may be imposed upon an employee for drug violations.
 - c) Providing a copy of the statement required by subsection (a) to each employee engaged in the performance of the contract or grant and posting the statement in a prominent place in the workplace.
 - d) Notifying the contracting or granting agency within ten (10) calendar days after receiving notice under part (B) of paragraph (3) of subsection (a) above from an employee or otherwise receiving actual notice of such conviction.
 - e) Imposing a sanction on, or requiring the satisfactory participation in a drug abuse assistance or rehabilitation program by, any employee who is so convicted, as required by section 5 of the Drug-Free Workplace Act.
 - f) Assisting employees in selecting a course of action in the event drug counseling, treatment, and rehabilitation are required and indicating that a trained referral team is in place.
 - g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of the Drug-Free Workplace Act.
31. The applicant represents and warrants that all of the certifications and assurances set forth herein, in the application, all attachments, and the Grant Agreement are and shall remain true and correct through the Term of the grant. During the Term of the grant, the award recipient shall provide the Illinois State Board of Education with notice of any change in circumstances affecting the certifications and assurances within ten (10) calendar days of the change. Failure to maintain all certifications and assurances or provide the required notice will result in the Illinois State Board of Education withholding future project funding until the award recipient provides documentation evidencing that the award recipient has returned to compliance with this provision, as determined by the Illinois State Board of Education.

**Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion
Lower Tier Covered Transactions**

Instructions

This certification is required by the regulations implementing Executive Orders 12549 and 12689, Debarment and Suspension, 2 CFR part 3485, including Subpart C Responsibilities of Participants Regarding Transactions (also see federal guidance at 2 CFR part 180). Copies of the regulations may be obtained by contacting the Illinois State Board of Education.

Before completing this certification, read instructions below.

CERTIFICATION

By checking this box, the prospective lower tier participant certifies that:

1. Neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency;
2. It will provide immediate written notice to whom this Certification is submitted if at any time the prospective lower tier participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances;
3. It shall not knowingly enter any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated;
4. It will include the clause titled Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion--Lower Tier Covered Transactions, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions; and
5. The certifications herein are a material representation of fact upon which reliance was placed when this transaction was entered into.

Instructions for Certification

1. By checking the box above and saving this page, the prospective lower tier participant is providing the certifications set out herein.
2. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue all available remedies, including suspension and/or debarment.
3. Except for transactions authorized under paragraph 3 above, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue all available remedies, including suspension and/or debarment.
4. The terms covered transaction, debarred, 'suspended,' 'ineligible,' 'lower tier covered transaction,' 'participant,' 'person,' 'primary covered transaction,' 'principal,' 'proposal,' and 'voluntarily excluded,' as used herein, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549 and Executive Order 12689. You may contact the person to which this Certification is submitted for assistance in obtaining a copy of those regulations.
5. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the GSA Government-Wide System for Award Management Exclusions (SAM Exclusions) at: www.sam.gov
6. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required herein. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

v.02.17.2026

Certification Regarding Lobbying

Instructions

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

By checking this box, the applicant hereby certifies, to the best of his or her knowledge and belief, that:

- (1) No federal appropriated funds have been paid or will be paid, by or on behalf of the contractor/grantee, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
- (2) If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the contractor/grantee shall complete and submit [ISBE 85-37](#)"Disclosure of Lobbying Activities," in accordance with its instructions.
- (3) The applicant shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

v.02.17.2026

GEPA 442 Assurances

Instructions

By checking this box, the applicant/award recipient (hereinafter the term applicant includes award recipient as the context requires), hereby certifies and assures the Illinois State Board of Education that:

1. The applicant has the necessary legal authority to apply for and to receive the proposed award. The filing of this application has been authorized by the governing body of the applicant, and the undersigned representative has been duly authorized to file this application for and in behalf of said applicant, and otherwise to act as the authorized representative of the applicant in connection with this application and any award in relation thereto.

DEFINITIONS

"APPLICANT" means an individual, entity, or entities for which grant funds may be available and has made application to the Illinois State Board of Education for an award of such grant funds.

"LEA" means the local educational agency.

"AWARD RECIPIENT" means the person, entity, or entities that are to receive or have received grant funds through an award from the Illinois State Board of Education. The terms "grantee" and "award recipient" may be used interchangeably. "GRANT" means the award of funds, which are to be expended in accordance with the Grant Agreement for a particular project, in accordance with applicable federal and state statutes, regulations, administrative rules, and terms and conditions of the award. The terms "grant," "award," and "project" may be used interchangeably.

"PROGRAM" means any applicable program under which federal funds are made available to the applicant.

"PROJECT" means the activities to be performed for which grant funds are being sought by the applicant.

"SECRETARY" means the Secretary of Education.

PROJECT

2. The LEA will administer each Program in accordance with all applicable statutes, regulations, program plans, and applications;
3. The control of funds provided to the LEA under each Program and title to property acquired with those funds, will be in a public agency and that a public agency will administer those funds and property;
4. The LEA will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, federal funds paid to that agency under each Program, in accordance with 2 CFR 200.302 and 2 CFR 200.303 and the Illinois State Board of Education's State and Federal Grant Administration Policy, Fiscal Requirements, and Procedures manual, maintained on the Illinois State Board of Education's Internet website. The LEA's administration and expenditure of Program funds shall be in accordance with all applicable requirements of the Education Department General Administrative Regulations (EDGAR), 2 CFR 200, and other applicable federal state statutes, regulations, and administrative rules.
5. The LEA will make reports to ISBE and to the Secretary as may reasonably be necessary to enable ISBE and the Secretary to perform their duties and meet federal reporting requirements, and the LEA will maintain such records, including the records required under 20 U.S.C. 1232f, and provide access to those records, as ISBE or the Secretary deem necessary to perform their duties;
6. The LEA will provide reasonable opportunities for the participation by teachers, parents, and other interested agencies, organizations, and individuals in the planning for and operation of each Program;
7. An application, evaluation, periodic program plan, or report relating to each Program will be made readily available to parents and other members of the general public;
8. In the case of any Program project involving construction: (A) the project will comply with state requirements for the construction of school facilities; and (B) in developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed by the Secretary under 29 U.S.C. 794 in order to ensure that facilities constructed with the use of federal funds are accessible to and usable by individuals with disabilities;
9. The LEA has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each Program significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects; and
10. None of the funds expended under any applicable Program will be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or an affiliate of such an organization.

Assurances

Instructions

GRANT AGREEMENT: The submissions made to the Illinois State Board of Education by the applicant and the terms and conditions described in each tab of this application shall constitute the grant agreement between the applicant and the Illinois State Board of Education for the use of the funds described in the Budget Detail tab. This grant agreement shall be deemed to be entered into when the application has been approved by the Illinois State Board of Education. This grant agreement constitutes the entirety of the agreement between the parties and supersedes any other agreement or communication, whether written or oral, relating to the award of the grant funds. The person submitting this application on behalf of the applicant certifies and assures the Illinois State Board of Education that he or she has been duly authorized to file this application for and on behalf of the applicant, is the authorized representative of the applicant in connection with this grant agreement, and that he or she is authorized to execute these Certifications and Assurances, and Standard Terms of the Grant on behalf of the applicant. Further, the person submitting this application on behalf of the applicant certifies under oath that all information in the grant agreement is true and correct to the best of his or her knowledge, information and belief, that grant funds shall be used only for the purposes described in this agreement, and that the award of this grant is conditioned upon this certification. This grant agreement may not be amended or modified except as by receiving approval for an amendment through the IWAS application process or otherwise by the approval of the Illinois State Board of Education. By hitting Submit on the Submit page, this grant agreement shall be deemed to be executed on behalf of the applicant.

The authorized representative of the applicant who will affix his or her signature below certifies that he or she has read, understood, and will comply with all of the provisions of the following certifications, and assurances.

The person approving these Grant Application Certifications and Assurances hereby certifies and assures the Illinois State Board of Education that the person submitting the final application on behalf of the applicant (and thereby executing the grant agreement with the Illinois State Board of Education) has the necessary legal authority to do so.

The person approving this application certifies (1) to the statements contained in the list of certifications, and (2) that the statements herein are true, complete, and accurate to the best of his/her knowledge. He/she also provided the required assurances and agrees to comply with any resulting terms if an award is accepted. He/she is aware that any false, fictitious, or fraudulent statements or claims may subject him/her to criminal, civil, or administrative penalties, in accordance with applicable federal and state law, including, but not limited to, 18 U.S.C. 101, the federal False Claims Act (31 U.S.C. 3729 et seq.), and the Illinois False Claims Act (740 ILCS 175/). The list of certifications and assurances is included below and/or incorporated into the Uniform Grant Agreement contained herein.

NOTE: These boxes will be automatically filled in as each of the separate certifications/assurances are read and completed.

- Assurances for all covered programs
- Grant Application Certifications and Assurances (State Assurances)
- Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion; see the Overview page for instructions
- Certification Regarding Lobbying
- GEPA 442 Assurances

Memo

To: Board of Education
From: Dr. Jennifer Thomas, Interim Superintendent
Date: June 29, 2026
Re: Administration Carry Over of Vacation Days

Background

The District's standard administrative contract allows district administrators to carry over no more than 10 unused vacation days to the next year with approval of the Board. I am recommending that the following number of vacation days requested by each administrator be carried over to the 2026-2027 school year.

Contract Language

"The Principal [Administrator] shall be entitled to a paid vacation of twenty (20) working days in each contract year, which must be taken during the summer recess period and scheduled with the Superintendent. Vacation must be taken within the twelve-month contract year period, unless the Principal requests, and the Board approves, a carry-over of annual vacation days to the next contract year. In no event may vacation time carry over and accumulate beyond a maximum of ten (10) days."

Recommendation: I am recommending that the following number of vacation days requested by each administrator be carried over to the 2026-2027 school year.

<u>Administrator</u>	<u>Building</u>	<u>Carry-Over Days</u>
