It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Annotations

- Nebraska's public meetings laws do not apply to school board deliberations pertaining solely to disputed adjudicative facts. *McQuinn v. Douglas Cty. Sch. Dist. No. 66*, 259 Neb. 720, 612 N.W.2d 198 (2000).
- The primary purpose of the public meetings law is to ensure that public policy is formulated at open meetings. *Marks v. Judicial Nominating Comm.*, 236 Neb. 429, 461 N.W.2d 551 (1990).
- The public meetings law is broadly interpreted and liberally construed to obtain the objective of openness in favor of the public, and provisions permitting closed sessions must be narrowly and strictly construed. *Grein v. Board of Education of Fremont*, 216 Neb. 158, 343 N.W.2d 718 (1984).
- A county board of equalization is a public body whose meetings shall be open to the public. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).

84-1409. Terms, defined.

For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or

advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

Annotations

- A township is a political subdivision, and as such, a township board is subject to the provisions of the public meetings laws. *Steenblock v. Elkhorn Township Bd.*, 245 Neb. 722, 515 N.W.2d 128 (1994).
- A county agricultural society is a public body to which the provisions of the Nebraska public meetings law are applicable. *Nixon v. Madison Co. Ag. Soc'y*, 217 Neb. 37, 348 N.W.2d 119 (1984).
- Failure by a public governing body, as defined under section 84-1409, R.R.S.1943, to take and record a roll call vote on an action, as required by section 84-1413(2), R.S.Supp.,1980, grants any citizen the right to sue for the purpose of having the action declared void. In this case such failure could not be later corrected by a nunc pro tunc order because there was no showing that a roll call vote on the disputed action was actually taken, and even if it was the record showed it was not recorded until over a year later. Sections 23-1301, R.R.S.1943, and 23-1302, R.R.S.1943, make it the duty of the county clerk to record proceedings of the board of county commissioners. *State ex rel. Schuler v. Dunbar*, 208 Neb. 69, 302 N.W.2d 674 (1981).

- As an administrative agency of the county, a county board of equalization is a public body. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- The electors of a township at their annual meeting are a public body under the Open Meetings Act. *State ex rel. Newman v. Columbus Township Bd.*, 15 Neb. App. 656, 735 N.W.2d 399 (2007).
- The meeting at issue in this case was a "meeting" within the parameters of subsection (2) of this section because it involved the discussion of public business, the formation of tentative policy, or the taking of any action of the public power district. *Hansmeyer v. Nebraska Pub. Power Dist.*, 6 Neb. App. 889, 578 N.W.2d 476 (1998).
- Informational sessions in which the governmental body hears reports are briefings. *Johnson v. Nebraska Environmental Control Council*, 2 Neb. App. 263, 509 N.W.2d 21 (1993).

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

- (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;
- (b) Discussion regarding deployment of security personnel or devices;
- (c) Investigative proceedings regarding allegations of criminal misconduct;
- (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;
- (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or
- (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

- When notice is required, a notice of a special meeting of a city council posted in three public places at 10:00 p.m. on the day preceding the meeting is not reasonable advance publicized notice of a meeting as is required by this section. *Pokorny v. (e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act;

(f) Reasonable arrangements are made to provide viewing at other in-state locations for a videoconference meeting if requested fourteen days in advance and if economically and reasonably available in the area; and

(g) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) The public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at the meeting.

(8) Public bodies shall make available at the meeting or the in-state location for a telephone conference call or videoconference, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

Annotations

- To preserve an objection that a public body failed to make documents available at a public meeting as required by subsection (8) of this section, a person who

attends a public meeting must not only object to the violation, but must make that objection to the public body or to a member of the public body. *Stoetzel & Sons v. City of Hastings*, 265 Neb. 637, 658 N.W.2d 636 (2003).

84-1413. Meetings; minutes; roll call vote; secret ballot; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written, except as provided in subsection (6) of this section, and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

(6) Minutes of the meetings of the board of a school district or educational service unit may be kept as an electronic record.

Annotations

- If a person present at a meeting observes and fails to object to an alleged public meetings laws violation in the form of a failure to conduct rollcall votes before taking actions on questions or motions pending, that person waives his or her right to object at a later date. *Hauser v. Nebraska Police Stds. Adv. Council*, 264 Neb. 944, 653 N.W.2d 240 (2002).
- Subsection (2) of this section does not require the record to state that the vote was by roll call, but requires only that the record show if and how each member voted. Neither does the statute set a time limit for recording the results of a vote, after which no corrections of the record can be made. If no intervening rights of third

persons have arisen, a board of county commissioners has power to correct the record of the proceedings had at a previous meeting so as to make them speak the truth, particularly where the correction supplies some omitted fact or action and is done not to contradict or change the original record but to have the record show that a certain action was taken or thing done, which the original record fails to show. *State ex rel. Schuler v. Dunbar*, 214 Neb. 85, 333 N.W.2d 652 (1983).

- Failure by a public governing body, as defined under section 84-1409, R.R.S.1943, to take and record a roll call vote on an action, as required by section 84-1413(2), R.S.Supp.,1980, grants any citizen the right to sue for the purpose of having the action declared void. In this case such failure could not be later corrected by a nunc pro tunc order because there was no showing that a roll call vote on the disputed action was actually taken, and even if it was the record showed it was not recorded until over a year later. Sections 23-1301, R.R.S.1943, and 23-1302, R.R.S.1943, make it the duty of the county clerk to record proceedings of the board of county commissioners. *State ex rel. Schuler v. Dunbar*, 208 Neb. 69, 302 N.W.2d 674 (1981).
- There is no requirement that a public body make a record of where notice was published or posted. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

Annotations

- The Legislature has granted standing to a broad scope of its citizens for the very limited purpose of challenging meetings allegedly in violation of the Open Meetings Act, so that they may help police the public policy embodied by the act. *Schauer v. Grooms*, 280 Neb. 426, 786 N.W.2d 909 (2010).

- Under the Public Meetings Act, a county lacks capacity to maintain an action to declare its official conduct "void" for noncompliance with the act. *County of York v. Johnson*, 230 Neb. 403, 432 N.W.2d 215 (1988).
- When a petitioner under this section is successful in the district court, that court may allow attorney fees. *Tracy Corp. II v. Nebraska Pub. Serv. Comm.*, 218 Neb. 900, 360 N.W.2d 485 (1984).
- Informal discussions between the Tax Commissioner and the State Board of Equalization in which instructions were clarified, with such clarification leading to the amendment of hearing notices, did not constitute a public meeting subject to the provisions of this section. *Box Butte County v. State Board of Equalization and Assessment*, 206 Neb. 696, 295 N.W.2d 670 (1980).
- The right to collaterally attack an order made in contravention of the Public Meeting Act must occur within a period of one year as is specifically provided by this section. *Witt v. School District No. 70*, 202 Neb. 63, 273 N.W.2d 669 (1979).
- Statutory change, requiring "publicized notice" for board of education employment hearings, occurring between dates meeting scheduled and conducted, held not to void proceedings. *Alexander v. School Dist. No. 17*, 197 Neb. 251, 248 N.W.2d 335 (1976).

- Voiding an entire meeting is a proper remedy for violations of the Open Meetings Act. Once a meeting has been declared void pursuant to Nebraska's public meetings law, board members are prohibited from considering any information obtained at the illegal meeting. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- Actions by the board of directors were merely voidable under this section, and not void. Pursuant to subsection (3) of this section, the plaintiffs were awarded partial attorney fees because they were successful in having the court declare that the board of directors was in substantial violation of the statute, even though the plaintiffs did not get the relief requested of having the board's actions declared void. *Hansmeyer v. Nebraska Pub. Power Dist.*, 6 Neb. App. 889, 578 N.W.2d 476 (1998).

Gordon-Rushville FFA builds new geo-thermal greenhouse

Midwest Messenger Reporter

Gordon-Rushville's FFA Advisor Russell Stoker jokes that every time he builds a greenhouse for his school's FFA program he winds up transferring to another district.

Hopefully that trend will be broken since his students just finished the groundwork for Gordon-Rushville's new geo-thermal greenhouse.

The Gordon FFA Chapter was established in 1931 and the Rushville Chapter in 1934. The two schools went co-op about 15 years ago. There are currently 44 members in grades nine through 12.

The greenhouse is the first change Stoker has implemented, but it isn't the last he has planned. One of the many things he would like to institute going forward is a middle school program.

As far as the greenhouse goes, it is an innovation in and of itself. It is 100% geothermal.

The base of the greenhouse is set four feet below ground level. There are large tubes buried 8 feet under the floor in a 280-foot loop around the base. This tubing circulates air which keeps the interior of the conservatory cooler in the summer and warmer in the winter. The equipment in the building will be powered by solar panels.

The funding for the greenhouse and the solar equipment was provided by grants through the Turner Foundation.

"We are very grateful to the Turner Foundation for its continued support of our FFA Program," Stoker said.

1. Calendar 2020-2021. I have included a draft of the 2021-2020 school calendar. I created four drafts based on the input from teachers on the calendar survey I sent out. The drafts were then shared with the principals who reviewed them with their respective staff. The calendar that had the majority of votes to go with was #4, the version submitted for approval at the meeting.
2. Mike Scow from Dana Cole & Company will be presenting the annual audit report via zoom at the meeting.
3. Kori Stanochek, the NASB Strategic Planning advisor will be presenting the results of the patron survey taken last spring, she too will be presenting via zoom.
4. We interviewed five great candidates for the RES/GRMS principal position. It was a difficult decision, but based on experience and positive attributes as collected by the interview committee a contract was offered to Misty Curtis and she accepted. I included a copy of her resume for your information. Misty, her husband, and three children will be moving here in early summer. They are looking forward to the move and are looking for at least a three-bedroom house to purchase, if you have any leads please let me know.
5. There is an action item for continuing the COVID leave used last semester and subsidized by CARES funds. With additional CARES monies being allocated to the district this semester, it would be good to continue offering this leave to staff. There is more information in the rationale section of the action item.
6. Again with additional CARES money, being allocated we can use it to continue to update the district's technology. There is an action item to approve finishing the View Board updates. Alton will be present to elaborate.
