## Office of Superintendent Valdez City Schools

# BOARD REPORT

Mar 23, 2026

### Goals:

- We were able to successfully fill 6 of our 7 open certified positions and their names are on the PAR. We currently have a special education position in middle school.
- The DO/HHES project is in its final stages, the front office move work began over break, huge thank you to Lindy Vititow Megan Gunderson and Dan Bryant and their teams for getting this project so far. HHES front door move will be moved to its original location coming out of spring break.
- Thank you to the administrative team for coming together to help develop a revised budget proposal to cover the unexpected expenses due to the exceptionally large increase to health insurance of 20% (\$489,000). The proposal is listed as a discussion item. Did enact a hiring freeze in response to an unexpected change to expenses to allow us time to look at all options. I will be lifting the hiring freeze as we have found a safe path forward.
- RFQ High School has been released and talking with Kasey the architect will be chosen by the city, the district will be given input in the proposals, but the final decision belongs to the city. After the city chooses a firm the firm will work with stakeholders to have meetings and get feedback as they design the building.
- Megan Gunderson was able to attend the virtual UAA teacher job fair representing VCS on 3/17/26 there were only 4 candidates, we are also attending ARREC virtual job fair on 3/19/26. Our goals are to find great candidates and to get our district's name out for potential future candidates and organizations.

- HHES/Child Care Playground- the city has purchased playground equipment to go under the covered area on the west side of HHES. They had been waiting on an environmental study to come back before allowing the project to move forward. The study has returned and the project was given a go. The playground will be a shared playground and we will need to set up a schedule with the childcare facility. Definitely a win for both programs.

## Engagement

➤

## SEL

➤

## Concerns

- Continued increases to health insurance over the past two years are of concern and health care insurance continues to be a challenge for districts across the state to balance budgets.

## Achievement/celebrations

➤

## VCS Legislative Update

- SB 277 was read across this week and provides several interesting educational pieces, and a proposed change to the BSA of 1.9% which is the average of averages of the consumer price index. So not really an inflationary increase, any increase at this point would be welcome. The bill proposes changes to charter school funding, correspondence programs, an increase in transportation funding, etc. I will continue to follow these bills.
- HB 93 Would change the 0.5 funding to 1.0 per student and pull the cap off the amount available for eligible students. Valdez was negatively impacted by the current cap because our schools are considered high performing so the state failed to send us funding in the amount of \$52,000.

- Rostering student information in preparation for state testing is almost complete. ELA/Math and Science each require separate spreadsheets with student demographics listed. The rosters will be uploaded and verified well before the first day of state testing.
- ELL Testing is complete, VCS had less than 5 students from two buildings. The testing sessions went smoothly with no real issues. Thank you to Mrs. Stander for the prep and the great execution of the 4 part test.
- Thank you to the school board for the goals and priorities presentation, the information will be very helpful in fulfilling the accreditation requirements for the district.

## Special Education/Federal Programs

# BOARD REPORT

March 23, 2026

### **Goals:**

To provide equal educational opportunities for all children through access to specialized services for those experiencing a disability.

To strengthen and improve educational quality and practices across all school settings.

### **Engagement**

- Itinerants will be on campus for their final visits of the 25-26 school year. Itinerant contracts for the upcoming 26-27 school year will be presented to the board for approval in April.
- Paraprofessional evaluations and follow-up meetings will be completed by the end of this week.
- I attended the special education director's meeting hosted by DEED this past weekend. DEED led sessions on regulatory updates and the implications for districts. Directors collaborated on many topics facing districts with staff shortage as a primary focus. As always, I left appreciative of the resources we have in Valdez.
- Annual Migrant Education surveys from DEED have been sent out to families and staff. These surveys are used to determine allocations of funds for Migrant students.
- HHES hosted its annual Title I-A stakeholder meeting in early March. While attendance was lower than anticipated, staff and parents had engaging and informative conversations regarding the updated Title I-A engagement handbook and district/parent compact. The consensus is that the changes resulting from last year's monitoring have been positive for students and parents alike.

### **Successes**

- Most paraprofessionals have stated they will be returning for the upcoming school year! Recommendations for hire will be presented to the board for approval in April.

## Challenges

- Special education teacher applicants are limited. The administration team has been brainstorming options if the vacancy at GMS/VHS cannot be filled by the time we head into summer break.

## Upcoming

- Krista Howell and I will lead CPI training for all certified staff during the April 6th in-service.
- DEED's Federal Programs Director's meeting will be April 7-8 in Anchorage. I will be attending alongside other directors from around the state. Breakout sessions include topics such as McKinney-Vento Homeless grant, Title I-A early literacy intervention, Title II-A professional development, and Title I-C Migrant students. DEED provides in-depth training on allowable costs and updates from Washington, D.C. regarding federal funding. FY27 grants will open mid-April, with final allocations given to districts mid-July. Grants will be written according to the FY27 approved budget allocations.

Subj: Weight room equipment for VHS in the amount of \$147,991 from Top Fitness of Anchorage.

This request is to purchase strength and weight training equipment to transform the VHS rifle range into a strength and weight training space. The space will be a benefit to VHS students, teams, community members, and staff. We plan to have students using the new weight room for classes and team sports at VHS in the fall of 2026. I have been working with the city on this project as well to ensure the space will be adequate for use as a weightroom. Our maintenance department will work to convert the space to a weight room over the summer of 2026 and have it open for students when they return to school in the fall. The funds to pay for the equipment would come from our undesignated reserves which is currently over the 10% threshold required by law. We do have the funds for the project. If approved a budget amendment will be brought to the board at the next meeting. The middle school weight room would be adjusted to support the student population they serve and members from the middle school were able to give input on all decisions for the VHS weight room and how to reallocate current equipment to the best audience. This quote is inclusive of the needs of both rooms.

We had a team of Christine Brandon, Todd Wegner, Michelle, Peterson, David Cronk, Joshua Bryan, Kasey Walker, Amanda Tippets, Kate Goudreau, and Tracy Gilson provide input and work on this request for equipment. The team chose Top Fitness because they felt their choice of equipment best met the needs of what the team was asking for, providing high quality long equipment with long life spans, installation, as well as definitive shipment costs direct to Valdez. Although the Bear complex quote came in lower, the team felt the equipment would not hold up over time as more crossfit non commercial grade set up, they did not provide complete information on shipping, lacked pieces of equipment to meet the teams needs, and no installation costs included. Information from each quote is provided, the last quote was of good quality, it had a higher cost and there were still unknowns on shipping costs.

**Recommendation:** Approve the purchase of weight room equipment in the amount of \$147,991 from Top Fitness of Anchorage.

### **Resolution of the Valdez City School District Board of Education A Resolution Supporting House Bill 78 Regarding Defined Benefits**

**WHEREAS**, the Valdez City School District Board of Education recognizes the critical importance of attracting, recruiting, and retaining high-quality educators and staff to best serve the students of Valdez; and

**WHEREAS**, Valdez City Schools has found that each year recruiting hiring and retaining high quality teachers has become increasingly difficult: and

**WHEREAS**, the availability of a stable and secure retirement plan, such as a defined benefit plan, is a crucial factor in the employment decisions of experienced and prospective employees, forcing districts to rely on emergency certifications creative hiring as stop gap measures; and

**WHEREAS**, Alaska is the only state in the nation that does not offer its public school teachers a defined retirement plan, placing Alaska at a significant competitive disadvantage when recruiting and retaining educators compared to every other state in the country;

**WHEREAS**, research consistently demonstrates that defined benefit retirement plans are among the most effective tools available for long-term educator retention, particularly in rural, remote, and high need school districts;

**WHEREAS**, House Bill 78 passed the Alaska State Senate, would restore a defined benefit pension option for teachers and public employees covered by the Teachers' Retirement System (TRS) and the Public Employees' Retirement System (PERS), with retirement eligibility at age 60 or after 30 years of service, and would allow current employees to voluntarily opt into the new plan;

**WHEREAS**, HB 78 passed the Alaska House of Representatives of May 12, 2025, and is under consideration by the Senate;

**WHEREAS**, a fiscal note analysis prepared by the State of Alaska actuary (David Kershner, Division of Retirement and Benefits, March 2025) found that the HB 78 pension sub-trusts are structured to begin with zero unfunded liability as to the plans effective date, with assets transferred on an actuarially equivalent basis to fully fund all credited service at inception; and further found that the plan includes automatic financial safeguards – including adjustable member contribution rates and conditional cost-of-living adjustments – designed to protect the funded status of the trust without requiring additional employer contributions beyond existing

statutory caps; and that TRS employer contribution rates under HB 78 are projected to decrease slightly from current levels as a share of total payroll as the workforce stabilizes under higher retention assumptions, maintaining the existing 12.56% statutory employer contribution cap;

**WHEREAS**, the Board believes that the provisions of HB 78 are essential to recruiting and retaining high quality teachers now and into the future; and

**WHEREAS**, the Board has reviewed the fiscal impact and long-term implications of HB 78 and has determined that its benefits to the district and its employees outweigh any potential costs or administrative burdens; and

**NOW, THEREFORE, BE IT RESOLVED** that the Valdez City School District Board of Education hereby formally endorses and supports House Bill 78 of the 34th Alaska State Legislative Session; and

## **MANAGEMENT RIGHTS**

The district reserves exclusive rights to operate and control its schools and maintain authority to establish policies and regulations. The district, through the superintendent or designee, may prescribe working rules pertaining to the conduct, discipline, and safety of classified employees.

Permanent classified employees are employed by the board but may be terminated by the school board or the superintendent.

All pertinent hire documents (application; W-4; background checks; I-9 and proof of identity; PERS paperwork; highly qualified information and verification, if applicable; and the board policy on a drug- and alcohol-free workplace) are required to be on file with the district office *before* any employee can be classified as permanent. Until such documents are on record in the district office, the employee will be classified as temporary or substitute.

All employees will be placed on probationary status for the initial ninety (90) days of employment (although insurance benefits will begin after the thirtieth work day), at which time the immediate supervisor will complete an evaluation to determine whether the employee will be placed on permanent status.

The district reserves the right to (1) reduce the workforce because of lack of work, funding, or other cause consistent with efficient management and (2) discipline, suspend, demote, or dismiss employees for just cause.

All of the functions, rights, powers, and authority of the school district not specifically abridged, delegated, or modified by this policy are recognized as being retained by the school district.

## **CONFIDENTIALITY (BP 4119.23)**

District employees shall maintain the confidentiality of all confidential records until laws, state regulations, d/or bylaws of this district permit disclosure. Information and records of executive sessions and student records are not subject to public disclosure.

Any employee who negligently releases confidential information about students, staff, or any topic properly confined to an executive session shall be subject to disciplinary action up to and including dismissal from district service. Any action by an employee that inadvertently or carelessly results in the release of confidential information shall be recorded, and the record shall be placed in the employee's personnel file.

Depending on the circumstances, the superintendent or designee may deny the employee further access to any privileged information and shall take any steps necessary to prevent any further unauthorized release of such information up to and including termination.

## **BACKGROUND CHECKS (BP 4112.5)**

The School Board desires to conduct reasonable background and fingerprint checks on personnel and volunteers at the District. The Superintendent shall adopt procedures that require reasonable background and fingerprint checks for all individuals offered employment in a classified position, as a substitute teacher, coach, activity sponsor, non-compensated position or any other position as determined by the Superintendent.

Falsification of information during the interview or on the application shall be grounds for immediate removal from consideration for a position or dismissal from a currently held position.

1. No individual will be hired by the District until a background investigation has been completed. Under emergency circumstances, the Superintendent can waive this requirement to allow someone to work until the investigation is complete.
2. No person who has ever been convicted, or pled guilty or no contest (including forfeiture of bail) to a crime involving violence or sexual abuse will be hired by the district.

3. No person who has been convicted, or pled guilty or no contest (including forfeiture or bail) to (1) a felony or (2) a crime or other violation involving a controlled substance within the five years preceding the application, will be hired by the district. If more than five years have elapsed since the crime or violation, a person may apply pursuant to the following paragraph.

4. Applications from persons who have been convicted, or pled guilty or no contest (including forfeiture or bail) to any crime or violation (excluding minor traffic violations) not covered in (2) nor (3) will be considered by the Superintendent on a case by case basis and notice given to the School Board prior to hire or being hired by the District.

5. If charges are pending, no action will be taken on the individual's application until disposition of the charges.

The following administrative regulations shall apply to the employment of classified staff, compensated and non-compensated coaches and selected volunteers.

### **WORK WEEK (BP 4200)**

The superintendent or designee shall establish the standard workweek for permanent full-time, year-round employees.

The standard working hours of business for full-time district office positions shall be 7:30 a.m. to 4:30 p.m., Monday through Friday, with summer hours to be decided by the immediate supervisor. The standard hours for school positions shall be according to each school's daily schedule and subject to the approval of the principal or the superintendent.

Each director/supervisor, with the prior approval of the superintendent, shall establish the scheduled hours of work for classified employees under his/her supervision. Because of varying work schedules and hours worked daily, break times will also vary and will be scheduled per the immediate director/supervisor's discretion. The superintendent or designee may approve deviations from the standard schedule for district office positions.

### **SALARY/WAGES**

#### **WAGE RATE (BP 4200.2)**

The school board shall approve the classified personnel salary and benefits scheduled. See attached salary scale at the back of the handbook.

#### **MONTHLY PAY PERIOD (BP 4200.2)**

The monthly pay period is the period between the twenty-first (21st) day of one month and the twentieth (20th) day of the following month.

**Total Remuneration** – The salary paid to a classified employee shall represent the total remuneration for the employee, exclusive of reimbursement for official travel. Except as otherwise provided in this manual, or upon the prior approval by the Superintendent, no employee shall receive pay from the District in addition to the salary authorized under the salary schedule for services rendered either in the discharge of their ordinary duties or any additional duties which may be assigned to them or which they may volunteer to perform. Salary is paid hourly.

**Step Increase** – Employees are entitled to a step increase within their grade for each consecutive year of service as long as they receive a performance evaluation with a rating of satisfactory or above as of the first day of each work year (July 1).

#### **PAYDAY (BP 4200.2)**

Employees shall be paid for each monthly pay period on the last working day of the month.

## **COMPENSATION (BP 4200.2/4200.6)**

**Placement on the Salary Schedule** – Initial placement shall be made by the superintendent based upon job description and position responsibilities. Experience within a classification or in related job descriptions will be considered.

**Advancement on the Salary Schedule** – Advancement on the salary schedule shall be an annual event and shall become effective for all eligible classified employees on July 1 of each year, pending a satisfactory evaluation by the supervisor. Note: It is a shared responsibility of the employee to ensure that an evaluation is completed on schedule by the supervisor.

To be eligible for annual advancement on the salary schedule a classified employee must have been employed at least seven (7) months in the immediately preceding fiscal year in the category for which the advancement is being considered. Any absence necessitated by an accidental job-related injury or by required military service will not be considered a break in service for purposes of establishing the seven (7) months' work criteria. Nonexempt, hourly employees shall advance one (1) horizontal step each year as determined by the classified salary schedule based upon a satisfactory evaluation.

## **OVERTIME (BP 4253)**

Overtime work shall not be permitted without prior permission from immediate supervisors.

**Overtime Compensation** – Employees who are eligible for overtime per the overtime definition shall be compensated for such excess hours worked at one and one-half (1 1/2) times their customary hourly rate. Overtime compensation shall be included in the regular monthly paycheck.

The procedure for the use of overtime shall be as follows:

- I. The superintendent must approve overtime or work beyond daily budgeted hours.
- II. Emergency call outs shall be paid portal to portal and shall equal a minimum of two (2) hours of overtime pay if the above restrictions are met.
  - A. If these occur on a paid holiday, the employee shall receive time and one-half in addition to full holiday pay.

The district may, upon request of the employee and at the discretion of the superintendent or designee, provide compensatory time off in place of compensatory pay; this is only considered with prior approval and is subject to the restrictions of the Fair Labor Standards Act. Unworked paid days shall not accumulate toward overtime.

## **LEAVE (4200.3)**

### **CLASSIFIED LEAVE**

Absences of classified employees from duty shall be for reasons approved by their supervisor and shall be covered with leave that has been duly authorized, reported, and recorded. The Business Office shall maintain a leave record for each classified employee, and such record shall be subject to annual audit.

### **SICK LEAVE**

All educational support personnel shall be entitled to sick leave. Sick leave and annual leave will not accrue during the term of any leave without pay. Sick leave upon three (3) consecutive days shall be accompanied by a doctor's certificate. The supervisor shall approve sick leave.

Sick leave is allowable for an illness in the immediate family that requires the physical presence of the employee in the interest of family welfare. Immediate family is defined as a spouse, significant other, child, foster child, stepchild, parent, foster parent, stepparent, grandparent, grandchild, sibling, stepsibling, foster sibling, or in-law.

Up to ten (10) days sick leave with pay may be used per occurrence per contract year by an employee in the event of death, serious injury, or serious illness of the employee's immediate family, as defined above. Additional leave time will be charged to annual leave (if applicable) and then to leave without pay.

Sick leave beyond ten (10) consecutive workdays for a death in the immediate family may be granted, subject to the approval of the superintendent or designee.

Employees are eligible for sick leave with pay after they have been continuously employed for ninety (90) days. Sick leave is earned, however, from the first full pay period.

### **ACCRUAL**

Employees shall accrue sick leave at the rate per month indicated below. Probationary employees will accrue—but are not eligible to use—sick leave.

- If normal work day is 7.5 to 8 hours – 1.25 days a month
- If normal work day is less than 7.5 hours – 1 day a month

All leave shall be accrued on the last working day of the month.

There shall be no accrual of sick leave during any monthly pay period during which an employee is absent without approved leave.

A false statement by an employee regarding sick leave shall be grounds for immediate dismissal. Upon three (3) consecutive days of sick leave, the supervisor may require a doctor's certification of the need for leave.

### **SICK LEAVE BONUS**

Employees who use twenty percent (20%) or less of their annual accrual of sick leave during the fiscal year will be rewarded as follows:

- Employees accruing fifteen days annually – \$600.00 (use three days or less)
- Less than fifteen days, accrual will be prorated. An employee using no sick leave during the fiscal year will be rewarded an additional \$500.00. A day contributed to the Sick Leave Bank does not constitute a day used for this benefit.

An employee who terminates employment with Valdez City Schools before the end of the fiscal year will not be eligible for any sick leave bonus.

When a classified employee leaves the district, all accrued sick leave will be cashed out at a rate of \$20 per day of sick leave.

### **TEMPORARY DISABILITY**

An eligible employee may use accrued sick leave for temporary disabilities. At the onset, a physician's statement will determine temporary disability and will be submitted to the immediate supervisor as soon as possible.

Before returning to work, the district may request a physician's statement indicating the employee can resume his/her duties.

## **BEREAVEMENT LEAVE (4200.5)**

An eligible employee may use up to ten (10) days accrued sick leave for death of a spouse/significant other, father, mother, stepmother/father, son, daughter, stepchild, foster child, brother, sister, employee's grandparent(s), grandchildren, and spouse's parent(s).

## **ANNUAL LEAVE**

Less than Year Round Employees:

All less-than-twelve-month employees will be allotted four (4) days of annual leave each school year with no carryover provision. If not used, annual leave can be cashed in at the end of the year at their daily rate.

Twelve Month employees accrual:

### **If hired on or before 6/12/01**

0–2 years of service: 1.75 days a month

2–5 years of service: 2.25 days a month

5–10 years of service: 2.50 days a month

10+ years of service: 3.00 days a month

### **If hired after 6/12/01**

0–2 years of service: 1.00 day a month

2–5 years of service: 1.25 days a month

5–10 years of service: 1.50 days a month

10+ years of service: 2.00 days a month

## **USE AND PAYMENT**

Accrued annual leave may be used with approval of the supervisor. All requests for annual leave shall be made at least two weeks in advance, and the employee must have approval before the leave may be taken. Annual leave accrued but not used shall accumulate to a maximum of not more than thirty-six (36) days on June 30 of each calendar year. Unused accrued annual leave in excess of the maximum at the close of business on June 30 of each calendar year shall be canceled. Requests for leave shall not be unreasonably denied. Separating employees shall be eligible and encouraged to use accrued annual leave prior to separation.

All leave shall be accrued on the last working day of the month.

There shall be no accrual of annual leave during any monthly pay period in which an employee is absent without approved leave.

Changes in the rate of accrual provided above shall take effect during the employee's anniversary month. Accrued annual leave has no cash value at separation.

No employee shall have a loss of benefits resulting from a change in positions if hours are maintained.

## **LEAVE WITHOUT PAY (LWOP)**

Leave without pay will only be permitted with superintendent approval. Approval will only be considered when all other pertinent leave has been exhausted. If leave without pay is considered because of illness, a doctor's note will be required. Abuse of LWOP can result in disciplinary action, including termination of employment.

## **PROFESSIONAL LEAVE**

If an employee participates in seminars, classes, or meetings that have been determined by the supervisor to be of benefit to the district, the time required for such participation shall be designated as professional leave, and no loss of pay shall result from such participation. Out-of-town travel time is considered part of this required time, including possible delays because of weather. Prior approval must be obtained for professional leave unless participation is required by the district.

**Sick Leave Bank** – The Sick Leave Bank has been established to provide participating classified employees, under unusual circumstances, with an additional allowance of sick leave. After exhausting his/her allotment of accumulated sick leave, application for reasonable withdrawals may be made if the employee is subject to serious, extended illness. Pregnancy-related absences will not be considered valid requests unless mother or offspring encounter unusual circumstances during or after delivery that result in serious or extended illness. Also, requests from the bank during a school year after sick leave used for maternity leave during the same school year will not be considered valid requests.

A member may request to withdraw days from the bank for serious, extended personal illness after having used all of the employee’s own accrued sick leave and personal leave and upon certification by the attending physician. A member may request (withdraw) not more than twice the number of sick leave days the employee had accumulated before the first day of school in any school year, or twenty-four (24) days, whichever is greater. Membership in the Sick Leave is open to all classified employees on a voluntary basis. Classified employees may become a member of the bank by contributing one (1) day of earned sick leave annually within the first thirty (30) calendar days of the beginning of the school year or, for new employees, within the first thirty calendar days of commencing employment with the district, and thereafter within the first thirty calendar days of the beginning of the school year. Once a member has chosen to join the bank, he/she may not withdraw. If at the end of each school year, the remaining number of days in the bank does not exceed or equal eighty percent (80%) of the number of members, all current members will be required to donate an additional day during the fall enrollment. All leave transferred to the bank by employees is final and not recoverable for re-credit to their personal sick leave account.

Specifically, a membership list shall be provided to the Superintendent's Office by October 15 of each year. All leave transferred to the Bank by an employee is final and not recoverable for re-credit to the annual/personal leave account. A member may cancel membership in the bank by submitting a written notification to the Superintendent's Office. Days remaining in the Bank at the end of the year will be carried over to the next year.

Application for leave from the Bank must be submitted within five (5) days from return to work to the Bank Committee chairperson.

A committee will be established by the Valdez classified employees to review all applications. A chairperson shall be selected to assume responsibility for the duties of the committee. In cases where the Superintendent or designee has determined that a permanent classified employee should be dismissed, termination of employment will be effective upon delivery to the employee of the statement of personnel action.

A permanent employee who decides to appeal a personnel action must do so in accordance with step three of the grievance procedure.

If an employee fails to appeal within the time specified in these rules, the employee shall have waived his/her right to appeal.

At any time before an employee's appeal is submitted to the board for reconsideration, under step three of the grievance procedure, the superintendent or designee may issue an amended or supplemental notice of personnel action. **“Time Limits”** – All time limits shall be strictly adhered to except by mutual written consent of the parties. #### **Procedure:**

**Step One** – A grievance must be initiated in writing by an employee within fourteen (14) days of the date that the grievant knew or should have known, of the action being grieved. The immediate supervisor shall provide a written response to the grievance within seven days of the meeting.

**Step Two** – If the grievant is not satisfied with the step-one decision, the grievant may appeal to the superintendent in writing within seven (7) days of receipt of the step-one decision. The superintendent shall meet with the grievance within seven (7) days of the receipt of the appeal and shall render a written decision to the parties within seven (7) days of the meeting.

**Step Three** – If the grievant is not satisfied with the step-two decision, the grievant may appeal to the school board in writing within seven (7) days of receipt of the step-two decision. The school board shall schedule the appeal at its next regular meeting or within thirty (30) days of receipt of the appeal, whichever is later. Such hearing shall be in executive session unless both the grievant and superintendent agree it should be in public session. At the appeal, each party (the grievant and superintendent) shall be given twenty minutes to present their respective position to the board. The board shall deliberate and decide the appeal. The decision of the school board shall be final.

Any of the grievance procedure guidelines not required by law may be modified by mutual consent of the employee and the district. The board may modify the step-three appeal procedure upon proper notice.

The District is authorized to employ such educational support employees as are provided for in the budget unless there is a lack of work or loss of funds, or at the discretion of the Board.

Due to staffing needs both in the building and within the school district, a classified employee shall be reassigned to another student or another building to work in a similar role.

In the case of a paraprofessional assigned to a high needs child, and the child moves (either short term or permanently) the paraprofessional will retain the rights to be reassigned to the position of the last paraprofessional hired (per the seniority list) or to apply for a position that is currently available. In the case of a temporary absence (day to day) of a student assigned to the paraprofessional, the paraprofessional may be assigned other duties for that day.

If for any of the above reasons, an employee has loss of employment with the School District, the Superintendent will make every effort to place the employee in other available job vacancies for which he/she may be qualified. For paraprofessionals involved in a reduction in force due to student loss, advance notice of not less than 30 work-days (from the time of notice given the district) will be given before lay-off.

Hours listed on the work agreement are to be referenced as maximum hours. These hours may be extended (with supervisor approval) for work beyond what is listed in the work agreement. Examples may include but are not limited to: attendance at district meetings (staffing/IEP) or for necessary preparation time not initially scheduled.

If your normal work day is 7.5 to 8 hours, you will accrue 1.25 days of sick leave per month. If your normal work day is less than 7.5 hours a day, you will accrue 1 day of sick leave per month. Sick leave may accumulate without limit; however unused sick leave will be paid out at \$10.00 per day upon termination. Personal leave of (4) four days is front loaded based on the length of the work agreement (9 months) and will be prorated accordingly should the contract be modified.

Leave without pay must have prior approval from both the immediate supervisor and the superintendent. Unauthorized leave without pay will be interpreted as abandonment of contract/work agreement.

Overtime must have prior administrative approval by the Superintendent or his/her designee.

Subj: Recommended Budget Update.

Susan Love, Amber Cawley, and Jason Weber worked with the VCS administrators to find funds to cover the unexpected deficit caused by the 20% increase to our health insurance plan.

- There will be 2 additional intensive students who will be eligible to be claimed in FY27. We now anticipate receiving state funding for in FY27, we also believe that we can cover those 2 students with the current staffing (\$173,500)
- Anticipated changes in personnel (savings \$60,000)
- Removal of the ½ time preschool position we budgeted (savings \$25,000) the total number of students budgeted for was 32 students, if we have the same number of students as this year 48, we will be able to fill that position with new funds.
- Take district office utilities off the books, which the current budget proposal had not included. (savings \$40,000)
- Adjustment Technology Budget for travel, and subscriptions. (savings \$15,000) Replace if funding comes through.
- Decrease maintenance and operation funds. (savings \$10,000) Replace if funding comes through.
- Remove \$30,000 from Curriculum Budget online subscriptions, this is money that is not currently allocated. (savings \$30,000)

Our recommendation is to reduce expenditures in the amount of \$180,000 as outlined in the bullet points above and include the additional funding of the intensive students of \$173,500 for

FY27. This proposal would still require a draw of \$135,500 from our undesignated reserves to balance the budget. The draw on undesignated reserves would amount to 9.03% of the current balance which has been carried over the maximum level.

**Recommendation:** Discuss the recommended budget update.
