#### E.1. Superintendent Report

**Speaker (s):** Jason Weber

**Discussion:**  
Jason Weber gave his report.  
Dr. Kathy Todd asked whether Jason or Susan knew exactly how much Senate bill 78 would cost us if

it went through. Jason explained that they did not have an exact number but guessed \$50-100,000. Dr. Todd then asked about the current status of the bill and encouraged the public to share their opinions regarding Senate Bill 78. Senate bill 78 has to do with a defined benefit plan versus the current plan.

Bryan Vincent spoke regarding Senate Bill 78, noting that it is expected to be on the floor this week for a Senate vote. He also mentioned a last-minute amendment stating that municipalities would have the option to opt out of the defined benefits, which further complicates the matter.

H.1. Comments From Board Members

**Discussion:** Bryan Vincent: No comment.

Dr. Kyra Meyer: No comment.

Dr. Kathy Todd: Reminder to vote, even if it does not look very controversial. If you vote in every election, it keeps your voter registration active. You can vote at City Hall right now or in person this coming Tuesday. Tuesday also has a secondary school concert, and there is a play going on this weekend.

Scott McCumby: The high school production will be Friday and Saturday at 7:00 p.m. at the Civic Center. Tickets will be around \$5 to \$10.

Kalin King: Back on the topic of screen time, I want to bring up keeping an eye on screen time, especially for lower levels. Another thing I would like to bring up is regarding Valdez Elite. They are not a school entity, but they did use all three schools this weekend. They brought twenty-five local teams from out of town. I

wanted to thank all custodians and any other school personnel who were affected by that. It sounded like it all went pretty smoothly.

## Office of Superintendent Valdez City Schools

# BOARD REPORT

May 11, 2026

### Goals:

- We currently only have one open certified position for FY27 and are working to fill it. We received most of our classified work agreements back and we are starting to advertise for a few openings.
- The DO/HHES project is almost complete. All staff have moved across the parking lot, there are few things left to move over to make our official move complete.
- Dan Bryant and myself were able to be a part of the VHS architect selection process. Currently the team has narrowed it down to 3 firms and the city will be setting up interviews with them shortly.
- The district office address has been officially updated with DEED. We will be maintaining the 1112 W Klutina address for the District Office, which effectively removes the previous 1009 W Klutina address for HHES. It appears that address was originally assigned in error; consequently, both the District Office and HHES will now share the 1112 W Klutina address.
- The board approved gifted and talented plan has been sent to DEED. Making that plan official, great work to the team involved in creating the plan.
- 

### **Engagement**

- The administrative team has been actively engaged in preparing for our fall inservice and coordinating upcoming summer work requirements.

### **SEL**

- The Senior Walk event at HHES was very enjoyable for everyone involved.

### **Concerns**

- Persistent Issue: Student lunch debt within VCS continues, reaching a cumulative total of approximately \$46,000 over recent years, with \$23,000 of that accrued during the current year alone. To address this as part of our upcoming school lunch audit, Susan and I are researching strategies employed by other districts to mitigate similar challenges. It is critical that we encourage families to settle outstanding balances or complete applications for the free and reduced lunch program if they believe they may be eligible.

## **Achievement/celebrations**

➤

## **VCS Legislative Update**

- SB 78 Defined benefits has both the House and Senate and has been delivered to the Governor. We will wait to see what the outcome of the bill is.

### **Recent Events**

---

The Senior Walk was on May 5th, with seniors touring all three buildings.

The VHS Spring Concert took place on May 5th at the Civic Center.

The VHS play "Space Princess Wars" was on May 1st and 2nd.

### **Upcoming Events**

---

The VHS Art Show will take place on the 12th and 13th of May in the VHS Library.

Finals Week for Seniors is May 12th through 15th.

Finals Week for underclassmen is May 19th through the 21st

Scholarship Night will be in the VHS Cafeteria on May 17th

Graduation is on May 20th at 7 pm in the VHS Gym.

### **Concerns**

---

There is a random beeping in the Junior Hallway, possibly a dead fire alarm.

There are still old desks piled in the hallways after purchasing the new desks.

There is only one working refrigerator in the Culinary Arts Room.

## Gilson Middle School

# BOARD REPORT

May 7, 2026

### Goals:

- Closing out the school year successfully.
- Create new FY27 goals for GMS in line with VCS goals.
- Build more cohesion between GMS & VHS

### Engagement/SEL

- The MAPS portion of the AKStar showed great growth and academic achievement. See attached charts
- This week at GMS!
  - **Tuesday** : Wax Museum, invention convention 7 PM
  - **Wednesday**: The Music Man 6th grade production 7 PM
  - **Thursday**: 5th Grade Parent Meeting 5:30 PM, Band & Choir Concert 7 PM, 8th Grade Lock-in 8:30 PM
  - **Friday**: Outdoor Adventures Hike 9-noon
- Student council is taking an active role in planning the end of year activities for these last two weeks. They are in charge of field day and the 8th grade lock-in as well as a pep assembly before the community clean-up starts. Thanks to Kate Goudreau and Jessica Vincent for stepping up and our student presidency for taking the initiative.
- Jessica Vincent arranged for both a tour of city hall and a mock city council meeting with a former mayor, Ruthie Knight. Our 6th grade is finishing up their mayor campaign this week in social studies.
- We appreciate Officer Taylor working with Tracy Gilson to give our students some much needed training on distracted driving and the appropriate use of devices. Many of our 8th graders already have their permits so it was timely.

- The teachers have all communicated out to the school community either through their own weekly emails or our Husky Happenings about the amazing learning opportunities we are providing every day as we wrap up the school year. Happy Teacher Appreciation Week! We are very lucky to have flexible, caring, and hardworking teachers at GMS!

## Concerns

- We need to shore up our 504 procedures in the district. I really appreciate Rylee Ownbey for allowing me to attend the Legally Responsible Persons (LRP) Conference. It allowed for so much insight and opportunity for reflection on our district processes and how we can make things better! It was great to attend with Krista Howell so we could collaborate while we learned.
- It has been challenging to work on qualifying students for the Gifted and Talented Program so close to the end of the school year. That process may need to be extended into the summer.

## Achievement/celebrations

- Our Track team completed in Palmer. We had athletes finish in the top 8 in multiple events. Their season wrapped up with a parent vs student track meet with themed events such as the 100 meter scream and combined relays!
- NYO completed their season with some new school records and many personal records at state in Anchorage.
- Blair Bailey & Jomar Espiritu chaperoned the Environmental Fair field trip to Glennallen and Ms. Bailey also chaperoned the Peksulineq Festival (Cultural Heritage Week). Both were educational and engaging for our students who could attend. We hope to have even more participation next year.
- Blair Bailey and Brock Vowell are partnering to serve as athletic directors next year. We appreciate their willingness to step up and support our athletics and activities.
- Shout out to our district bus drivers! They do not get much recognition for the work they do and they really are the beginning and end of each school day for so many students.
- Thank you to the district PTA for supporting our teachers this week! We appreciate your willingness to jump right in with great ideas for how to help kids & staff.

- Last day of School, May 22nd, Release @ 1:15 pm

### SEL

- This spring, HHES has continued to prioritize Social-Emotional Learning through meaningful experiences that foster connection, belonging, and school pride. Students have participated in a variety of field trips, providing opportunities to build relationships, practice social skills in real-world settings, and strengthen their sense of curiosity and engagement beyond the classroom.
- We also had the special opportunity to welcome graduating seniors from Valdez High School as they walked through our halls. This celebratory tradition inspired our younger students, encouraged goal setting, and helped them begin to envision their own future paths.

- In addition, we are grateful to the City of Valdez for its continued support of our community sled hill. As a gesture of appreciation, our students created “sled art” using retired sleds to give back and express gratitude.
- Through these experiences, students continue to develop important SEL skills, including relationship-building, responsible decision-making, and an appreciation for community partnerships.
- The Prince William Sound Regional Citizens’ Advisory Council hosted a series of events to celebrate the launch of Protectors of Prince William Sound by author and illustrator Tom Crestodina. On May 6, 2026, they presented the illustrated book to fourth- and fifth-grade students, introducing them to the vessels and equipment used in oil spill prevention and response in Prince William Sound. The book features detailed cutaway illustrations of tankers and escort tugs, as well as the role of local fishing vessels trained for oil-spill response. Students also participated in a short drawing lesson focused on boats.

## Concerns

- From the beginning of the school year through April 30, 2026, our ADA for Pre-K through 5th grade has been 90.07%.

## Achievement/celebrations

- HHES was awarded the Purple Star School program designation for the 2026–2029 cycle, recognizing the school’s commitment to supporting military-connected students and their families. HHES is the first school within Valdez City Schools to earn this distinction.
- The fifth graders had a wonderful time in Cordova at the Prince William Sound Science Center to learn about the annual shorebird migration.

# Introduction and Welcome

## Welcome to Valdez High School!

Valdez High School (VHS) strives to create a positive and welcoming [school climate](#). A positive school climate includes a safe, supportive, and well-managed classroom and school environment. Research indicates that student achievement is often higher in schools with a positive climate and VHS implements practices supporting this climate, including appropriate expectations implemented in a nondiscriminatory manner, social and emotional supports, trauma informed practices, community and family relationship supports, a positive peer climate, caring adult relationships, a school safety program, and opportunities for student involvement. Please reach out to teachers or the building principal if you have any questions about our school climate or how you can support our efforts.

The 2026 - 2027 VHS Student Handbook provides students and parents/guardians with updated information regarding policies, guidelines, expectations, and standards of expected student behavior; it has been carefully prepared and presented. This handbook is intended to be of value in helping students adjust to high school successfully and become an integral part of VHS.

The information outlined in this handbook is not intended to be all-inclusive. Refer to the online [VCS Board Policy manual](#) for additional details; specific policies and regulations providing additional details are linked in the applicable section. Board policies and administrative regulations are updated regularly. Please check with the building principal for updates and/or changes that may occur.

### [Expected Behavior/Appropriate Conduct](#)

All VHS students are expected to demonstrate integrity, civility, responsibility, and self-control. VHS students are expected to be model citizens in honesty, adherence to school and classroom rules and policies, and assisting at all times in the maintenance of a productive, and safe school environment. It's clear and simple: *respect people and respect property*.

VHS students are expected to respect and to follow directions and instructions from employees of the district. When under the classroom direction of a substitute teacher, students are to treat the substitute with respect and abide by the daily guidelines and policies of the regular classroom teacher.

### **Attendance, Grading, Graduation**

#### **Attendance**

Valdez High School firmly believes that regular attendance plays a key role in the success a student achieves in school. However, there are circumstances when illness or activities prevent a student from attending classes. Please see [Board Policy 5113 Absences and Excuses](#) for additional details pertaining to this attendance section.

#### **Required attendance**

VHS students are expected to attend school Monday through Thursday.

#### **Flex Fridays**

Flex Fridays are open days for students to receive extra help or to participate in enrichment and extra-curricular activities. Attendance is encouraged for all students. Students with D's and F's will be compelled to attend Flex Fridays. Students will need to check in and out of the office on these days. With prior permission and teacher approval, Flex Friday may be used as credit recovery time for students who need it.

#### **Open Campus**

VHS has an [open campus policy](#). With written parental/guardian approval, VHS Students may leave the school grounds during lunch and times during the school day without a scheduled class. Students must remain on

campus at all other times. VCS administration may revoke a student's open campus privilege for disciplinary reasons including, but not limited to, failure to return to campus before the student's next class period has started.

Students with an open class period choosing to remain on campus should sign in at the office and remain in an approved area.

### **Parent Notification**

A "Safe Arrival" text or email from PowerSchool will be sent to the parent or guardian each time a student is absent. Parents should respond to the Safe Arrival notification with the appropriate attendance code. Failure to do so will result in continued messaging from Safe Arrival until the message is acknowledged or the front office has been contacted by the parent.

### **Return To School**

When students who have been absent return to school, they must present a satisfactory explanation verifying the reason for the absence. The following methods may be used to verify student absences:

1. School Messenger notification. Note – follow up verbal or written verification may be requested.
2. Written note from parent/guardian, parent-representative, or medical provider.
  - a. A medical provider note is required for students who will be participating in same day sports practice or next day sports travel.

4. Any other reasonable method that establishes the fact the student was actually absent for the reasons stated.

### **Make Up Work**

Any student who knowingly will be absent from school must make arrangements before the absence to make up all the class requirements. Pre-Arranged Absence forms are available in the front office. This requirement will be satisfied for any school sponsored activity and/or parent-sponsored activity.

In case of an unplanned absence such as illness or a family emergency, the student will be given one (1) day to make up work for each day absent. For extended absences, two (2) weeks make up time may be allowed at the discretion of the building administrator.

### **Tardy**

A student arriving late to class will be counted as tardy, but present, through the 9<sup>th</sup> minute of class. At the 10<sup>th</sup> minute of class, a student shall be counted absent for the class period. Repeated late arrivals will result in disciplinary action.

### **Eight-time absence limit**

High School students (grades 9-12) must not be absent, for any reason not related to school activities, more than eight (8) times from each semester course in which they are enrolled if they are to receive credit for that course. The following absences **shall not** count toward the 8-time absence limit:

- Absences from school due to participation in school-sponsored activities
- Absences due to work or training college as an approved part of their educational plan
- Unavoidable emergencies at home as determined by the principal

The following **shall** count against the 8-time absence limit if a student:

- skips a class having once arrived at school.
- leaves the school campus without checking out through the office, except during lunch.
- is more than 10 minutes late for a class.

### **Loss of Credit or Course Failure**

When a high school student's absences exceed the 8-time absence limit the student will lose credit/fail the class for each affected course. The student may be given the option to either make up the absences or be withdrawn from the class and assigned to a study area for the remainder of the semester. The determination of placement shall be made by the principal based upon input from the student, parent/guardian, counselor, and teachers.

### **High School Credit Loss Make-up**

Students who have lost credit due to excessive absences, may attend Flex Fridays to make up time. Credit may be reinstated at the completion of the appropriate makeup time and learning expectations. Students must receive approval from the classroom teacher and building principal prior to using a Flex Friday to make up time.

### **Appeals Procedure**

## **Academics**

### **Grades / Evaluation of Student Achievement**

VHS uses the A, B, C, D, and F [grading system](#). Plus, or minus notations may be affixed at teacher discretion to indicate directional progress for grades A-D but do not affect grade points awarded. Report cards will be issued following each quarter. Parents will be contacted regarding their children performing below "C" level at appropriate intervals throughout the quarter. Parents and guardians are encouraged to use PowerSchool to monitor student progress.

### **Weighted Courses**

At VHS, [weighted classes](#) will earn one extra grade point for students earning a C or better.

Weighted courses at VHS include honors level core-content courses and certain college courses in core-content subjects. VHS weighted classes will be clearly identified; to find out which dual credit courses are weighted,

please contact the VHS school counselor. For students moving into the district, grades from AP, IB, and dual-credit core-content college classes will be weighted.

Note: courses that are retaken to earn a better grade will not be given a weighted grade.

### **Sports Participation for Credit**

Any student who has completed two full seasons in an approved VHS sport may apply to earn a physical education .5 credit. This credit will be recorded on the student's transcript with a grade of P (pass). A maximum of 1 credit can be earned through sports participation. Forms to request credit for sports participation are available in the office.

### **Pre-Make Up Policy**

All students traveling on school sponsored trips will be required to complete a pre-make up form prior to their departure. This form will be filled out by the student's teachers informing them of the work they need to complete. It is expected that students will have schoolwork to do on trips when coaches set aside time for this.

Home school students who are participating in school sponsored trips will be held to the same standard and required to fill out the pre-make up form. This will consist of work that could be completed while on the trip.

### **Grade Checks for Homeschool Students**

Homeschool students/parents will be required to fill out the grade check form every two weeks as established by the grade check schedule. These are required to be submitted on Monday of the indicated week at 3:30pm to the athletic director. Failure to do so will result in you being ineligible for events during that grade check period.

### **Class Fees**

Some classes at VHS will have a class fee to offset materials costs. Please contact the VHS office or school counselor for the fee information. Note: students requesting a needs-based fee waiver should contact the building principal or school counselor.

### **Class Examinations / Challenging Courses by Examination**

Credit by examination (testing out) is an opportunity for the advanced student to progress at his/her own learning rate in courses approved by the Valdez School Board. Credit may be awarded on demonstrated proficiency through an examination process. The test will be developed by a teacher selected by the building principal and will be equivalent to the final examination of a given course. A score of 90 percent (90%) is required to receive credit. A fee of \$85.00 is required, in advance, to compensate the teacher for creating, administering, and evaluating the test. Administration has the right to waive any/all fees for students unable to meet the fee requirement.

### **Class Changes**

Students will be allowed to drop a course in order to add a new course through the first five (5) days of the semester with approval from the student's parent or guardian and the School Counselor. After the first five days no schedule changes will be made without building principal approval. Students who drop a class after the five-day deadline will receive a "WF" (withdraw/fail) on their transcript unless they receive an exemption from the building principal.

### **Audits**

Audits are possible when the student wishes to take a course for no credit and no grade. In order to distinguish between a retake and an audit, the student must have prior approval of the principal to audit a class.

## Outside Credit

VHS accepts credit for courses taken at an accredited educational institution with the pre-approval of the building administrator. These courses will appear on a student's transcript and grades received will be used in the computation of the grade point average.

## Grade Reporting

Quarterly (~9 weeks) reports are issued via email PDF attachment to the parent/guardian addresses no later than one week after the grading period. Please contact the appropriate teacher if you have any grading concerns.

[Grades for achievement](#) shall be reported each marking period as follows:

<i>Letter Grade</i>	Grade Points – general classes	Grade Points – honors classes	<i>Additional Grading Notations</i>
A (90-100%)	4	5	P – pass
B (80-89%)	3	4	F – fail
C (70-79%)	2	3	INC – incomplete
D (60-69%)	1	1	WF – withdrawn after 5 days
F ( 0-59%)	0	0	AU – audit

## Retakes

Students with a grade of D or F may choose to re-take a Valdez High School course for a higher semester grade. Once the course is completed with a higher grade, the previous score will be replaced.

## Grade Point Average (GPA)

GPA is calculated by dividing the total number of grade points by the total number of credits attempted for all courses taken during a specific term or grading period. For example, a semester-long regular course (0.5 credits) in which the student received a grade of "B" would have 1.5 grade points ( $3 \times 0.5 = 1.5$ ).

The grades of INC (incomplete) and WF (withdraw fail) will be counted as an F. Grades of P, AU, and grades of S or U awarded by other school districts will not be used in computing the GPA.

## **Class Ranking**

[Class rank](#) will be calculated at the completion of a minimum of 6 semesters, and based on a maximum of 21 class credits for Juniors and 28 class credits for Seniors. Those who earn more than that number of credits will select which elective credits to omit in calculating their class ranking. Junior class ranking scores will be calculated by dividing the total number of grade points earned in those 21 (or fewer) credits by 21. Senior class ranking scores for graduation will be calculated by dividing the total number of grade points earned in the chosen 28 (or fewer) credits by 28.

## **Dates of Graduation**

## Student Vehicles

- Students who drive to school must be licensed, have insurance coverage, and apply for and receive a VHS parking permit.
- The VHS parking permit must be clearly visible according to instructions and the vehicle must be parked in the parking lot east of VHS (excluding the row designated as staff parking) or in the parking lot south of the football field.
- Repeated parking violations may lead to revocation of driving privileges, referral to the Valdez Police Department, and other disciplinary sanctions.
- Vehicles are subject to search by school officials if they have reasonable grounds to believe that drugs, alcohol, firearms, stolen property, or other contraband might be present in the vehicle.

Students who do not adhere to automobile requirements may not be allowed to bring vehicles on campus.

•

Neither Valdez City School Board, Valdez City Schools, nor Valdez High School is responsible for any vehicle or its contents while it is parked on the school campus.

## Bus Conduct - Regulations for Pupils Riding School Buses

[Bus transportation](#) is a privilege extended to students who display [good conduct](#) while preparing to ride, riding, or leaving the bus.

All Times:

- Exercise good manners, caution, and consideration for other people.
- Obey the school bus driver; his/her primary concern is for your safety.
- Pupils must sit in assigned seats if required by the driver.
- Pupils shall not have anything in their possession that may be used to cause injury.

## Field Trips

The VCS Board of Education supports [field trips](#) as an outgrowth of the instructional program. Instructions for field trips will be given through the overseeing official, coach, teacher, etc., to the student and parents. All bus transportation regulations will remain in effect.

Students may not provide their own transportation for a field trip without a travel deviation form and building principal approval.

# SECTION 7

## Discipline, Search & Seizure, Consequences

### Discipline

#### [Student Discipline Secondary Schools](#)

The appropriate level of discipline requires professional judgment and should be based on an individualized evaluation of the conduct and the student(s) involved. A guideline for disciplinary actions can be found in the

[VHS Behavior Matrix.](#)

### **Due Process**

Before any discipline is decided upon, the building administrator or his/her designee must advise the student of the nature of his/her offense(s), receive an explanation of the evidence, and allow the student the opportunity to explain his/her position, except in cases of exigent circumstances in which immediate action must be taken to ensure student safety.

### **Search and Seizure**

Searches of a student or a student's property may be conducted if a school official has reasonable suspicion to believe a violation of a school rule or local, state, or federal law has taken place. Special rules shall apply to search and seizure pertaining to students, school property assigned to students (e.g., gym and hall lockers), and student vehicles parked on school grounds.

\* Any student search must be conducted in private by the school principal or designee and witnessed by a staff person.

### **Parent Notification**

The principal or his/her designee will make a reasonable effort to contact parents regarding student searches before they are conducted. In the event that a parent or guardian cannot be notified before the search, they will be notified as soon as possible after the search is concluded. If a student and or his/her parent/guardian refuse to allow the search to be conducted, this will be considered a failure to follow district policy and will result in a three-day out-of-school suspension.

### **Search of School Facility and Grounds**

Student lockers, desks, and other items or spaces provided to the student by the school are school property and remain at all times under the control of the school. Students shall not have any expectation of the privacy of such areas or use of those areas.

Periodic general inspection of these items and areas may be conducted by school authorities, with approval of the superintendent, for any reason, at any time without notice, without student consent, and without a search warrant.

### **Search of Vehicles**

All student vehicles parked on school grounds, whether or not a permit has been obtained, may be searched when the principal or his/her designee has reasonable suspicion to believe drugs, weapons, dangerous or illegal matter, or stolen goods are likely to be found.

### **Search of a Student's Person**

The Valdez City School District will not under any circumstance conduct strip searches of students. If a building principal or his/her designee feels a strip search is necessary for safety reasons, the appropriate law enforcement agency will be contacted.

Should an administrator have reason to believe that a student has drugs, weapons, illegal, or dangerous materials or stolen goods concealed on his/her person, the administrator may conduct a search of the student's person. No such search may be undertaken unless, in the administrator's judgment, there is adequate information that a student is likely to have prohibited material on his/her person and the student will have the option to a witness during the search.

Prior to commencing a search of a student's person, the student must be told the nature of the information

against him/her. The principal or his/her designee will explain to the student his/her rights and the possible consequences faced by the student.

### **Possessions and Outer Garments**

The school administrator has the authority to inspect and search the possessions (e.g., purses, gym bags, backpacks, instrument cases) and outer garments (e.g., jackets, shoes, socks, boots) of students when the school administrator or his/her designee has reasonable suspicion to believe that drugs, alcohol, weapons, illegal or dangerous instruments, stolen goods, evidence of rule violations, or other prohibited material are likely to be found.

### **Confiscated Items**

Any item found during student, facility, or vehicle searches may be used in school disciplinary proceedings. Items used to disrupt or interfere with the educational process may be seized temporarily by school authorities.

## **Consequences**

### **Detention of Students**

A school administrator or teacher may detain a student for disciplinary reasons after school hours and, in the case of bus students, arrangements have been made for the student's transportation home. In cases where transportation is required, twenty-four hours' notice will be given so that transportation may be arranged. Parents may be asked to arrange for the transportation of the detained students. However, if the parent cannot or will not provide it, an alternative disciplinary procedure must be substituted.

Detentions are cumulative for behavioral infractions per semester except where otherwise stated. All detentions and suspensions fall under the progressive discipline model set forth by and determined by the principal.

1. 30-minute detentions must be served in one school day, no less than a 30-minute increment may be served, except the difference of remaining detention.
2. All detentions of 48 minutes must be served within two (2) consecutive days from the date set by the principal.
3. If a student fails to serve the assigned detention within the two (2) day time frame from the date set the detention is doubled.
4. Detentions over 48 minutes may be served in no less than 30 min increments in consecutive days (every day student is present once they begin detention time)
5. If a student fails to complete the assigned detention (in the appropriate time allotted), the student will be assigned an ISS day.

Students who choose not to serve a required detention will have their detention time doubled. All detentions must be served in no less than thirty-minute increments on consecutive days every day a student is present in school until completed. Continued disregard for completing detention(s) may result in suspension, as determined by the principal's discretion.

If a student chooses to leave school grounds without prior approval from the principal while serving a detention and/or suspension, further disciplinary action may result, including detention or suspension, as determined by the principal's discretion.

### **In-School Suspension**

In an effort to establish disciplinary procedures that are effective in reducing student truancy and misbehavior and that do not interrupt the educational process, the school board, superintendent, or designee may authorize in-school suspension as an alternative to out-of-school suspension. Failure to serve in-school suspension or removal from the in-school suspension program for disciplinary reasons shall result in out-of-school suspension

or additional time assigned.

At the beginning of each school year, the superintendent or designee shall ensure that every student and his/her parents/guardians are notified in writing of the availability of board policies and administrative regulations related to student rights and responsibilities.

### **Discipline BP 5144 Reporting to Law Enforcement**

In addition to subjecting a student to discipline, any crime committed by a student while at school, on school grounds, or during any school-sponsored activity on or off campus shall be reported to law enforcement. Criminal proceedings are independent of actions taken by the school district.

### **Suspension and Expulsion**

A student may be suspended or expelled for the following causes:

- Continued willful disobedience or open and persistent defiance of reasonable school authority.
- Behavior that is in some way harmful to the welfare, safety, or morals of other students.
- Conviction of a felony that the board determines will cause the attendance of the child to be in some way harmful to the welfare or education of other students.

A student may be suspended or expelled for behavior that includes, but is not limited to, the following circumstances:

- While on school grounds.
- While participating in a school-sponsored activity on or off school grounds.
- While off school grounds outside of the school day provided that the misconduct is shown to be related to school order. Such determination shall be made by both the building principal and the superintendent.

Suspended or expelled students shall be excluded from all school-related extracurricular activities during the suspension or expulsion. Only the board may expel a student.

The superintendent or principal shall recommend a student's expulsion for any of the following acts, unless the principal or superintendent finds, and reports in writing to the board, that expulsion is inappropriate because of particular circumstances that shall be set out in the report of the incident:

- Causing serious physical injury to another person, except in self-defense.
- Possession of any firearm, knife, explosive, or other dangerous object at school or at a school activity off school grounds.
- Unlawful sale of any controlled substance.
- Robbery, extortion, or the conviction of any other felony that will cause the attendance of the student to be injurious to the welfare or education of other students.
- Student who receives a fourth recommendation for suspension during the course of one school year.

### **Readmission**

An expulsion order shall remain in effect for the dates determined by the board. In addition, the readmission procedures shall be as follows:

1. A written request for review of expulsion action and request for readmission shall be submitted by the parent/guardian to the building administrator.
2. The building administrator will hold a conference with the parent/guardian and the student. At the conference the conditions for readmission will be reviewed.
3. The building principal shall verify that the conditions have been met.
4. School regulations will be reviewed and the student and parent/guardian will be asked to indicate in writing their willingness to comply with these regulations.
5. A meeting will then be held with the student, parent/guardian, and the school board to review the request

for re-admittance. The meeting will be held in executive session unless requested to be held at an open meeting. Regardless if the meeting is open or closed, the board will vote in open session as to re-admittance.

### **Procedure and Responsibilities**

At the high school level, offenses from one school year will be added to those of previous years to determine the disciplinary action to be taken. Therefore, from ninth grade to graduation, offenses occurring in one year will progressively increase the disciplinary consequence.

### **Prohibited Behaviors**

Valdez High School students are expected to behave in a manner appropriate for an educational environment. Prohibited behaviors include, but are not limited to, the following. Please see linked board policies, the [VHS Behavior Matrix](#), the [VHS Activities Handbook](#), and the [ASAA Handbook](#) for additional information and potential consequences.

#### **Tobacco/E-Cigs**

##### **Note: Educational Alternative to Suspension:**

Students who violate the school rules regarding tobacco use or E-Cigs can attend a tobacco/e-cigs cessation program as approved by the building principal in place of serving suspension. At the meetings, they will discuss the effects of tobacco/e-cigs use, and view educational materials as designated by the school principal on the health risks of tobacco/e-cigs use.

#### **Alcohol and Other Drugs**

Valdez City Schools believes that substance abuse decreases a child's chances of succeeding in all academic and personal realms and intends to maintain a drug-free school environment so learning can take place.

#### **Truancy**

Please see the [attendance](#) section in this handbook for further information on absences.

#### **Fighting, physical conflict or mutual combat between two or more individuals.**

#### **Disruptive Behavior**

Behavior which materially and substantially interferes with the educational process or lawful activities of others.

#### **Assault**

Verbal, written or physical threats or harmful actions directed toward an individual.

#### **Theft**

The taking of another's property without their permission. Theft may be reported with local law enforcement agencies.

#### **Weapon**

Use or threatened use of any object with intent to cause death or serious injury.

### [Damage, Destruction and / or Vandalism.](#)

### [Computer Hacking, unauthorized access to a computer system or information on that system.](#)

### [Cheating /Academic Dishonesty /Plagiarism](#)

Cheating is behavior that falsely presents a student's work as a product of his or her own effort or as a product achieved in keeping with the rules of the task, and may result in disciplinary penalty as well as an academic penalty. Cheating includes, but is not limited to:

- Procuring, possessing, stealing, using or distributing tests, quizzes, answer keys, teaching materials, teacher manuals or teacher textbooks;
- Any attempt to tamper with or alter a teacher's records or grades;
- Representing the work of others as one's own work;
- Making use of unauthorized notes, homework assignments, and crib sheets; and
- Obtaining or offering unauthorized assistance or communication on a test, quiz or other assignment.
- Behavior that violates this offense may also involve theft and/or unauthorized access to a computer or information on a computer.

### [Arson](#)

Attempting to or actually starting a fire or causing an explosion that burns buildings or property, or taking action that could lead to a fire or explosion.

### [False Alarm](#)

Any false calling in threats to or about a school or district property or school sponsored activity or activating a false fire alarm will result in the school contacting authorities and may lead to recommendation for expulsion. Contact Authorities.

### [Harassment, Intimidation, and Bullying](#)

See [School Safety](#) section of this handbook for additional information.

### [Hazing](#)

A behavior or pattern of behavior directed at one or more specific individuals, which persecutes, harasses, humiliates, degrades, or endangers the physical safety of an individual.

# Memorandum

Date: 5-7-2026

From: Susan Love, Director of Business Services  
To: VCS Board of Education  
Thru: Jason Weber, Superintendent

Subj: Budget Amendment #9 for FY26 technology & capital projects

Three technology/capital projects identified and approved by the VCS School Board across the last two years are completed or near completion: Access Control, Audio/Visual upgrades, and the VHS elevator repair. In previous discussions, undesignated reserve funds were transferred to the Technology and CIP reserve funds, or directly appropriated in the budget for these projects (BA#25-8, BA#25-9, BA#25-16, and BA#25-19).

This budget amendment increases the FY26 budget in the technology and facilities/CIP functions to cover the costs incurred this year for each project. We recommend transferring from the undesignated reserve in the amount of \$309,043.41, in order to make sure this reserve remains below 10% of projected expenditures, which is a statutory cap. Because of the August 2025 increase to the BSA which increased our projected revenue by \$600,000, throughout the year administration has been identifying priority projects to complete using those funds with that statutory cap in mind, such as the VHS weight room equipment and welding booths. We are also using the remaining balance of the ADA Reserve to cover a portion of the elevator project.

**Recommendation:** We recommend approving this budget amendment, transferring funds from the undesignated and ADA reserves for the elevator, audio/visual, and access control projects.

**BUDGET AMENDMENT REQUEST  
# 26-9**

**Justification for Amendment**

Budget amendment to cover full costs of board approved access control (BA#25-8,25-9) and audio visual projects (BA#25-16) in respective Technology & Facilities accounts, funded from undesignated reserve. Board approved elevator project (BA#25-19) costs will be covered by ADA & undesignated reserves.

Credit may be awarded on demonstrated proficiency through an examination process. The test will be developed by a teacher selected by the building Principal and will be equivalent to the final examination of a given course. A ninety-percent (90%) score is required to receive credit. **A fee may be required in advance to compensate the teacher for creating, administering, and evaluating the test. A fee of \$85.00 is required, in advance, to compensate the teacher for creating, administering, and evaluating the test.** Administration has the right to waive any/all fees for students unable to meet the fee requirement. 4 AAC 06.065.
