EDUCATIONAL SERVICES AGREEMENT

This Educational Services Agreement ("Agreement") dated this 23rd day of April 2026, between Franklin Regional, located at 3170 School Road, Murrysville, PA 15668, (hereinafter referred to as the "District") and New Story Schools, located at 715 Bilberry Road, Monroeville, PA 15146, (hereinafter referred to ("Provider"). District and Provider may be individually referred to as "Party" or collectively referred to as the "Parties."

WHEREAS, it is the desire and intent of the District to contract with Provider to receive certain educational and related services for certain identified students of the District; and

WHEREAS, it is the desire and intent of Provider to render and perform certain educational and related services for the aforementioned students under the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the consideration set forth in the attached Addendum "A," attached hereto, and the mutual promises contained herein, and intending to be legally bound, the District and Provider hereby agree as follows:

1. **Term.** This Agreement shall be in effect from August 1, 2026 through July 31, 2027, unless terminated earlier pursuant to the terms of this Agreement.
2. **Services.** The District agrees to purchase from Provider educational and related service as described in the individualized educational plan ("IEP"), and any revisions thereto of certain identified resident student(s) of the District. Provider shall provide the educational and related services described in the IEP of the student(s), and any revisions thereto, in accordance with all applicable federal and state laws, including, but not limited to, the Individuals with Disabilities Education Act ("IDEA") and Section 504 of the Rehabilitation Act of 1973. Provider agrees to participate in IEP and multi-disciplinary team ("MDT") meetings and to cooperate in the development of evaluations. The District will translate the IEP in the Parent's native language, as required by law. Additionally, all services provided pursuant to this Agreement shall include research-based methodologies. The parties agree that Provider has made no representations or other commitments regarding Student achieving any specific goals specified within the IEP.
3. **Transportation.** The District will be solely responsible for the transportation of students to Provider under this Agreement in accordance with applicable law, including, but not limited to, 24 P.S. 13-1361 and 67 Pa. Code Chapter 171. Once District transportation vehicles have departed from Provider property, they are not permitted to return with students. In the event of an off-site safety concern, District transportation personnel are expected to follow the District, or the District contractor's, established emergency procedures. These procedures should not include returning to Provider's location. Provider is unable to provide transportation support after school hours or off-site once students have been released to the care of the District and the District's transportation contractor. To maintain clear and consistent communication, Provider does not directly coordinate with transportation contractors. All communication should be routed through the appropriate District or designated transportation contractor. While Provider does not have a direct contractual relationship with

transportation contractors, we remain committed to working closely with our District partners to support student needs within the scope of our agreements.

4. **Payment.** Payment for tuition shall, as part of this Agreement, be made in accordance with the attached "Schedule A." If this Agreement includes Extended School Year ("ESY") services, those tuition charges are included on Schedule A. Provider shall invoice the District on a monthly basis within ten (10) days of the beginning of the month for which services are scheduled to be provided. Payment shall be remitted within 30 days' receipt of such invoices. Payments not paid within thirty (30) days of invoice date shall bear interest at the rate of 1.5% per month. If payments are not made within forty- five (45) days of the invoice date, any discounts identified in Schedule A shall not apply until the District's account is current. If Provider pursues collection of any unpaid amounts, the District will be responsible for any costs of collection, including attorney's fees.
5. **Attendance.** Provider agrees to record the student's attendance and to notify the District in writing if the student is truant as defined by the compulsory attendance law so that the District may investigate the enrollment status of the student. Provider agrees to attend, if asked by the District, a school attendance improvement conference, and to assist the District in preparing, subsequently, a written school attendance improvement plan, to the extent required under Pennsylvania's truancy law. Provider operates on a school year schedule in accordance with the Provider's calendar. The parties agree that the Provider may be closed by Provider due to inclement weather or for other safety reasons without prior notice to the District. In the event of an extended closure, Provider agrees to make a good faith effort to provide continuity of education for the student using alternative means during the period of closure, including provision of services virtually. Provider's plan to reopen after an extended closure will comply with State and Federal Law, and with Pennsylvania Department of Education guidelines and any other applicable law, regulation or governmental agency recommendations.
6. **Progress Reports.** Provider agrees to send progress monitoring reports to the District within fourteen (14) days after the end of each quarter as outlined by the school calendar, or more often if so required by the student's IEP.
7. **Termination.**
 - a. This Agreement may be terminated by either Party upon twenty-one (21) calendar days written notification to the other Party.
 - b. District shall remain obligated to pay all amounts due to Provider through the enrollment termination and such obligation shall survive any termination of this Agreement.
 - c. If a student becomes hospitalized, after ten (10) consecutive days, District can dis-enroll or choose to pay the Tier 1 rate to hold the seat.
 - d. Provider reserves the right to terminate a Student's enrollment at the Provider whenever Provider determines, in its sole discretion, that Student is not benefiting from the program being offered, Provider is unable to effectively deliver services to Student, Student presents a serious risk to the safety of others, and/or Student is in need of services which Provider is

unable to provide. Serious disciplinary infractions shall be defined at the sole discretion of Provider. However, the parties acknowledge that the Provider is designed and intended to educate students with behavioral challenges and that serious disciplinary infractions as defined by Provider must present exceptional challenges to be so defined.

- e. If enrollment continues beyond either party's twenty-one (21) calendar day notice for any reason, then Provider shall continue providing services until the District is able to find a new placement for a student for a total period up to sixty (60) days, provided the District is making a good faith effort to find a new placement. If the student's continued placement beyond the twenty-one (21) day notice would create a risk to the health, safety, or welfare of the student, other students, or Provider's staff, Provider reserves the right to provide virtual instruction to the student in its sole discretion. The rate for enrollment for any day following the twenty-one (21) calendar days' notice may be twice the rate of otherwise applicable under this Agreement.
 - f. If Provider gives twenty-one (21) calendar days' notice of termination due to the District's failure to pay amounts due and owing, Provider shall have the right to disenroll the student on the twenty-second (22nd) day following such notice.
 - g. If the student is no longer a resident of the District, this Agreement shall terminate upon the District's **written** notification to Provider. District shall be responsible for payment through the date of notification to Provider. To the extent the student's school district of residence may change during the term of this Agreement, it is the District's responsibility to immediately notify Provider in writing and take affirmative action to terminate this Agreement. To the extent the student's residency status is uncertain, and/or the District is disputing residency with other districts or parties, the District remains responsible for payment through the date it notifies the Provider in writing to terminate this Agreement.
8. **Dispute Resolution.** In the event that any disputes arise out of this Agreement, the parties shall seek to resolve the dispute as expeditiously as possible. The interests of the students shall be the foremost concern in resolving such disputes. Nothing in this section shall be construed, by either party, as a waiver of any right to legal or equitable relief consistent with section 21 of this Agreement.
9. **Discontinuance of Approval Status.** In the event that the approval status of Provider is discontinued by the Pennsylvania Department of Education, Provider must immediately provide written notice to the District and this Agreement shall be terminated. The District shall be responsible for tuition for the days the students are enrolled prior to the Department of Education's discontinuance notice. The Provider assures that it is not under suspension or debarment by the Commonwealth, any other state, or the federal government.
10. **Assignment.** Provider shall not assign this Agreement or any portion thereof to any other entity; however, Provider, may use employees and/or independent contractors to perform services under this Agreement.
11. **Licenses and Certifications.** Provider shall maintain, at its own expense, any required licenses and certifications to provide the aforementioned services. Provider employs

certified personnel as defined by the Pennsylvania Department of Education, including Private School certification, and otherwise meets regulatory requirements for a private licensed school. Provider shall be responsible for obtaining any and all necessary permits and licenses and for ensuring that each of its employees and/or independent contractors comply with all applicable laws, rules and regulations, whether federal, state or local, and the policies of Provider.

Provider will also notify the District in writing within seventy-two (72) hours of notification that a Provider employee has been named a perpetrator in an indicated or founded report pursuant to the Child Protective Services Law. Notwithstanding any other provision for termination in this Agreement, Provider's failure to comply with the requirements of this section shall be grounds for the District to immediately terminate this Agreement.

13. **Non-Solicitation.** The District shall not, directly or indirectly: (i) recruit, solicit or otherwise induce or attempt to induce any employee or independent contractor of Provider or any subsidiary or affiliate of Provider including, but not limited to, the Provider Representatives, to leave the employ or service of Provider or such subsidiary or affiliate, or in any way interfere with the relationship between Provider, its subsidiaries or its affiliates and their respective employees or independent contractors; or (ii) employ, hire or otherwise retain any person listed above while such person has such employment or contractual relationship with Provider, its subsidiaries or its affiliates including the Provider Representatives and for one year thereafter.

ALLEGHENY INTERMEDIATE UNIT
COMPREHENSIVE SERVICES AGREEMENT – 2026-2027

This Comprehensive Services Agreement (“Agreement”) is made this **1st** day of **July, 2026** (the “Effective Date”), by and between the ALLEGHENY INTERMEDIATE UNIT (“AIU”), and the **Franklin Regional School District** (“District/School”) (collectively, “Parties”).

WHEREAS, the AIU is a regional education service agency that provides specialized services to Allegheny County’s 42 suburban school districts, five career and technical schools, charter schools and numerous other organizations throughout the area; and

WHEREAS, the District/School wishes to receive certain services from the AIU in exchange for agreed-upon fees; and

WHEREAS, this Agreement does not obligate the District/School to purchase any particular service from the AIU, but pertains to services that the District/School chooses to receive.

NOW, THEREFORE, for good and adequate consideration and with the intent to be legally bound, the Parties agree as follows.

1. Scope. The terms of this Agreement, while in effect, shall apply to the AIU’s provision of services to the District/School and shall be deemed to be incorporated into all of the Parties’ contemporaneous and subsequent agreements through which the AIU provides services and the District/School receives such services. To the extent the terms of this Agreement and those of a contemporaneous or subsequent agreement conflict, the terms of the other agreement shall control.

2. Duration. This Agreement shall commence as of the Effective Date and shall remain in effect through **June 30, 2027**, subject to prior termination in accordance with Paragraph 13 hereof.

3. Services Guide; Pricing. It is agreed that services provided by the AIU are rendered throughout the school year and that the AIU periodically invoices for fees for services provided to the District/School as outlined in the AIU’s **2026-2027** Services Guide (“Services Guide”). Fees for programs not listed in the Services Guide will be determined on a case-by-case basis, subject to approval of an addendum or other written agreement by the governing boards of the District/School and the AIU (each a “Services Addendum”). By executing this Agreement, the District/School explicitly acknowledges receipt of the Services Guide and expressly accepts the pricing schedule for all of the services listed therein.

4. Invoicing; Payment. By accepting the services provided by the AIU, the District/School agrees to pay for those services at the prices specified in the Services Guide no later than sixty (60) days from the invoice date. The AIU may apply a late payment charge of 1% per month on any unpaid balance more than sixty (60) days past due and not disputed in good faith, retroactive to the invoice date.

The District/School will be invoiced in accordance with the Services Guide. It is agreed that the District/School will be invoiced for all programs and services provided and utilized by each student. Any delay in invoicing by the AIU will not affect the duty of the District/School to pay the invoice for the services received. The District/School agrees that a failure or delay in invoicing shall not constitute a waiver of the right of the AIU to be paid in full for services received by the District/School.

To ensure that the cost of services is properly allocated among districts, as well as the accuracy of each AIU invoice, the District/School understands and agrees that it is responsible to review all invoices when received; to audit the invoices to ensure that they accurately reflect the services received for each student identified; and to verify whether each student resided in the district being charged for services during that billing period.

The District/School agrees to pay the AIU the price for each program or service requested by the District/School as listed in the Services Guide or Services Addendum. Further, in the event schools are closed on account of contagious disease, the destruction or damage of a school building by fire or other causes during the term of this Agreement, the District/School agrees to pay the AIU the greater of (1) an amount necessary to pay the salaries and fringe benefits of the teachers, as defined by the Public School Code, engaged by the AIU to provide services to the District/School as requested or (2) such amount required by the Public School Code, as it may be amended, or other applicable law.

5. Special Education Services. Any special education services requested by the District/School and provided by the AIU shall be governed by Addendum A: Special Education Services, attached hereto and incorporated herein by reference as though set forth in full.

6. Compliance With Applicable Law. The AIU shall ensure that its services comply with all requirements of Pennsylvania and federal law, to the extent such compliance does not depend upon the performance or actions of any other individual or entity beyond the control of the AIU. The AIU represents and warrants that it and its employees, agents or personnel providing services pursuant to the terms of this Agreement possess the skills, qualifications, experience, licenses and certifications necessary to perform adequately such services. The AIU shall comply with all federal and Pennsylvania laws regarding the confidentiality of educational records of District/School students, including but not limited to the Family Educational Rights and Privacy Act, [20 U.S.C. § 1232g](#), and its implementing regulations ([34 C.F.R. Part 99](#)) and [22 Pa. Code §§ 12.31-12.33](#). The District/School shall provide such action, assistance or cooperation as required to ensure that students receive services in compliance with state and federal law.

7. Clearances. With respect to all individuals providing services to the District/School on behalf of the AIU except those having no direct contact with children, the AIU shall ensure that such individuals provide to the AIU the following clearances in accordance with legal requirements:

- a. A Pennsylvania State Police report of criminal history record information as required by Act 34, [24 P.S. § 1-111\(b\)](#);
- b. A Federal criminal history record as required by Act 114, [24 P.S. § 1-111\(c.1\)](#); and
- c. A certification from the Pennsylvania Department of Human Services as to whether the individual is named as an alleged perpetrator or perpetrator of child abuse, as required by Act 151, [23 Pa. C.S. § 6344\(a.1\), \(b.2\)](#).

Further, the AIU shall ensure that it and such individuals shall comply with the employment history review provisions of Act 168, [24 P.S. § 1-111.1](#), and the child abuse recognition and reporting training requirements of Act 126, [24 P.S. § 12-1205.6](#). If the AIU receives notice of an arrest or conviction of an AIU employee assigned to provide services to the District/School and such arrest or conviction was required by law to be reported to the AIU, the AIU shall report such arrest or conviction in writing to the District/School.

8. Relationship of the Parties. The Parties acknowledge that the AIU is an independent contractor of the District/School and that all individuals providing services under this Agreement are employees or independent contractors of the AIU and not of the District/School. Nothing contained in this Agreement will be deemed to create an employment, agency, joint venture or partnership relationship between the District/School and the AIU or any of their respective agents or employees, or any other legal arrangement that would impose liability upon one party for an act or a failure to act of the other party. Neither the District/School nor the AIU will have any express or implied power to enter into any contracts or

commitments or to incur any liabilities in the name of, or on behalf of, the other party, or to bind the other party in any respect whatsoever without the other party's prior written consent.

9. Liabilities. Subject to any immunities provided by the Political Subdivision Tort Claims Act or other law, the Parties agree to indemnify, defend and hold harmless each other, their respective directors, officers, employees and agents, against all claims, damages, losses, or penalties that result from the acts or omissions of their own employees or agents, any real property owned or leased by such party, or the operation or maintenance of any equipment or vehicles provided or used by such party. The Parties agree to indemnify, defend and hold harmless each other against all claims, damages, losses, or penalties resulting from any judicial, administrative or other determination that any staff member of one party hereto is an employee or agent of the other party hereto.

10. No Third-Party Beneficiaries. This Agreement is entered into for the sole benefit of the District/School and the AIU. No other parties are intended to be direct or incidental beneficiaries of this Agreement, and no third party shall have any right in, under or to this Agreement.

11. Assignment. Neither this Agreement nor any of the rights, benefits or obligations hereunder may be assigned or delegated (whether by operation of law or otherwise) without the prior written consent of the other party.

12. Force majeure. The AIU will not be liable for any failure or delay in performing an obligation under this Agreement that is due to any of the following causes, to the extent beyond its reasonable control: acts of God, accident, riots, war, terrorist act, epidemic, pandemic, quarantine, civil commotion, natural catastrophes, governmental acts or omissions, changes in laws or regulations, national strikes, fire, explosion or generalized lack of availability of energy.

13. Termination. If the District/School intends to discontinue a service provided by AIU certificated staff, causing the District/School to assume responsibility for a transferred class or program, the District/School shall notify the AIU of its intent by **March 31, 2027**, so that the Parties may evaluate potential transfer-of-entities issues. Otherwise, either party may terminate this Agreement and any services provided hereunder upon at least 60 days' prior written notice to the other party, unless alternative termination requirements are stated in a Services Addendum. Individual services provided hereunder may be terminated with less than 60 days' notice if mandated by an Individualized Education Program ("IEP") or an order of a hearing officer, the Secretary of Education or a court of competent jurisdiction.

14. Governing Law; Venue. This Agreement shall be construed and governed by the laws of the Commonwealth of Pennsylvania. Jurisdiction and venue for all purposes shall be in courts of competent jurisdiction sitting in Allegheny County, Pennsylvania.

15. Interpretation. In any proceeding of any type or kind in which this Agreement or its terms shall be reviewed, construed, or brought into issue in any manner, the Parties hereby agree that this Agreement shall be construed as if jointly prepared, written and typed by the Parties. It is agreed that the covenants of this Agreement are severable, and that if any word, phrase, clause(s), sentence(s), paragraph(s) shall be found unenforceable, the entire Agreement shall not fail but shall be construed and enforced without the severed language in accordance with the tenor of this Agreement.

16. Counterparts. This Agreement may be executed in counterparts, each of which, when executed and delivered, shall be deemed an original and all of which, taken together, shall constitute one and the same instrument, even though both Parties are not signatories to the original or the same counterpart. Furthermore, the Parties may execute and deliver this Agreement by electronic means. Each of the Parties agrees that the delivery of the Agreement by electronic means will have the same force and effect as delivery of original signatures and that each of the Parties may use such electronic signatures as evidence of the execution and delivery of the Agreement by both Parties to the same extent as an original signature.

17. Entire Agreement. This Agreement constitutes the entire agreement and understanding between the AIU and the District/School concerning the programs and services to which it applies; supersedes all prior or contemporaneous agreements and understandings, written or oral, with respect to the subject matter hereof; and shall be modified only in a writing approved by the Parties' respective governing boards.

IN WITNESS WHEREOF, the parties have signed this Agreement on the dates shown below, intending to be legally bound hereby.

ALLEGHENY INTERMEDIATE UNIT
COMPREHENSIVE SERVICES AGREEMENT – 2026-2027
ADDENDUM A: SPECIAL EDUCATION SERVICES

1. Services Provided. For the 2026-2027 school year, the Allegheny Intermediate Unit (AIU) shall provide and operate, for the benefit of students assigned by the District/School, the special education services and programs delineated in the AIU Special Education Plan (“Plan”), as approved by the Department of Education, by furnishing the following:

- a. Professional and support staff, as required to implement the Plan in accordance with all applicable provisions of state and federal law;
- b. Administrative, supervisory and clerical staff as required to effectively and efficiently implement the Plan and this Agreement;
- c. Such supplies, equipment and other materials as necessary to implement the Plan and as mutually agreed upon by the Parties;
- d. Such classrooms and facilities as required to implement the Plan in accordance with state and federal law, to the extent the program or service is provided or operated upon premises not owned or leased by the District/School; and
- e. Any other personnel, facility, material or service mutually agreed upon by the Parties, subject to approval by their respective governing boards.

Services provided include but are not limited to those outlined in the Services Guide, such as Blind/Visually Impaired Services; Career Development Services; Deaf/Hard of Hearing Services; School-Based Educational Services at the AIU-operated Mon Valley, Pathfinder and Sunrise Schools; Speech/Language-Impaired Support; Pupil Personnel Services; and Occupational and Physical Therapy.

2. Programs Provided on District/School Premises. For special education programs and services provided by the AIU on premises owned or leased by the District/School, the District/School shall provide the following:

- a. Classroom and other space necessary for the provision of services;
- b. Assistance, cooperation and participation of District/School administrative, professional and support staff in the development and implementation of accommodations, supplementary aids and support services necessary to include, to the fullest extent appropriate, students assigned to special education programs in educational and extracurricular activities, regular education support, regular education instruction, and ancillary services, such as nursing, counseling, library, physical education, food, custodial and maintenance services, as necessary to meet the needs of the students assigned to the program; and
- c. Any other personnel, facility, material or service mutually agreed upon by the Parties, subject to approval from their respective governing boards.

3. Multidisciplinary Evaluation and IEP Development.

a. For Students Receiving AIU Services on District Premises. The District/School, in cooperation with the AIU, shall conduct student Multidisciplinary Evaluations (“MDEs”) and Re-evaluations (“RRs”) and develop Individualized Education Programs (“IEPs”) and revise those plans as necessary for exceptional and thought-to-be exceptional students of the District/School. The District/School will provide the AIU staff with an opportunity to participate in the development of RR and IEPs.

b. For Students Receiving Services in AIU-Operated Schools. The AIU, with cooperation and participation by the District/School, shall conduct student MDEs and RRs and develop IEPs and revision procedures for exceptional and thought-to-be exceptional students of the District/School. The District/School recognizes that it remains the Local Education Agency (“LEA”) for the student and is responsible for ensuring that the student’s IEP provides for a free appropriate public education (“FAPE”). Therefore, the District/School will participate in the development of MDEs, RRs and IEPs that outline specially designed instruction, accommodations and supplementary aids and services for students. The AIU shall monitor students’ progress toward their IEP goals as required in an IEP and provide the District/School with quarterly progress reports.

c. For All Students Receiving AIU Services. Specially designed instruction, accommodations, supplementary aids and services required by any IEP or any order of a hearing officer, appeals panel, the Secretary of Education or court and beyond the scope of the programs and services enumerated in the Plan shall be provided as mutually agreed upon by the Parties, subject to approval by their respective governing boards. In such instances, the AIU administration will work with the District/School, which in all circumstances remains the LEA, in identifying the appropriate service. The District/School agrees that the AIU shall not be liable to the District/School on account of a hearing officer’s or court’s determination that an IEP does not provide FAPE. The District/School understands, accepts and acknowledges that the contractual relationship between the AIU and the District/School does not place any duties that are borne by the LEA onto the AIU, which is a contracted service provider.

4. Nature of Relationship. Regardless of the location of services received by District/School students, whether on District/School premises or at an AIU-operated school, the District/School acknowledges and agrees that the AIU does not have authority or responsibility as an LEA, as that duty and authority rests solely with the District/School where the student is enrolled. Any liability that may arise as a result of failure to provide due process or FAPE rests solely with the District/School. The AIU has the right to accept or reject students enrolled at a District/School who are referred for placement at an AIU-operated school. Upon accepting a student to an AIU-operated school, the AIU will implement the student’s IEP as written.

5. Tuition; Fees for Speech, Hearing and Vision Services. Tuition for the AIU-Operated Special Education Schools and fees for speech, hearing and vision services will be invoiced and paid in installments according to the schedule below:

Invoice Date	Services Billed: School Tuition and Fees for Speech, Hearing and Vision	Based on Data* As Of

* Refers to student information in the AIU special education database.

NOTE: Services requested by the District/School after the review of the special education database as of September may result in additional invoices.

6. Reconciliation for AIU-Operated Special Education Schools. Because of the fluctuating nature of student enrollment at the AIU-operated special education schools, it is agreed that the overall operating cost for each school will be continuously monitored to determine whether revenue and expenses are in alignment with budgeted projections. The parties agree that at the conclusion of the **2026-2027** school year, the AIU will perform a reconciliation of its special education school revenues and expenses for the entire school year. If the AIU revenues from the school programs provided under this Agreement exceed the expenses incurred in providing such services, the District/School will receive a pro-rata credit; if the AIU's expenses incurred in its school programs exceed the revenues received by the AIU, the District/School will be responsible for and pay to the AIU a pro-rata share of the excess expenses. The reconciliation process will be conducted as follows:

Date	AIU-Operated Special Education School Review and Reconciliation
August 16, 2027	Final reconciliation of revenues and expenses for the entire school year will be completed and issued to the District/School. This may result in a credit to the District/School or payment due the AIU.
December 31, 2027	District/School payment to the AIU for the pro-rata share of excess expenses, <i>and/or</i> ...
January 31, 2028	AIU credit issued to the District/School for the pro-rata share of excess revenues

Any District/School due to receive a reconciliation credit and having open balances payable to the AIU greater than 60 days past due will have the credit applied to open balances or withheld until payment is received, as appropriate.

STANDARD CLAUSES

ARTICLE I: PURPOSE AND SCOPE

1.1 Purpose of DPA.

The purpose of this DPA is to describe the duties and responsibilities to protect Student Data including compliance with all applicable federal and state privacy laws, rules, and regulations, all as may be amended from time to time. In performing the Services, the Provider shall be considered a School Official with a legitimate educational interest, and performing Services otherwise provided by the LEA. With respect to its use and maintenance of Student Data, Provider shall be under the direct control and supervision of the LEA as set forth in this DPA and the Service Agreement.

1.2 Description of Products and Services.

A description of all products and services covered by the Agreement, and information specific to this DPA, are listed in Exhibit "A". If a Provider needs to update any information on Exhibit "A" (such as updating with new provided services), they may do so by completing the Addendum template provided by the A4L Community and sending a copy to the LEA.

Provider may add or delete products or services subject to this DPA under the following circumstances:

1. Deleted products or services: The products or services have been discontinued and are no longer available from the Provider.
2. Added products or services: The added products or services are either:
 - a. a direct replacement, or substantially equivalent to the original products or services listed in the DPA, or
 - b. the added products or services result in enriched new or enhanced capabilities, new modules, technology advancements and or service categories relating to the listed products or services that Provider did not have at the time the DPA was signed.

If an added product or service requires additional Data Elements, Provider must complete the relevant portion of the Addendum template to update Exhibit "B".

Provider may not make any change to Exhibit "A" via an Addendum, except adding or deleting products or services. LEA is under no obligation to acquire added products or services, and has no ability under the DPA to prevent deletion of products or services. Subject to the limitations in this section, an Addendum is automatically incorporated into this DPA when LEA is notified by Provider, in accordance with the notification provisions of this DPA, of the Addendum's existence and contents.

1.3 Student Data to Be Provided.

In order to perform the services, the Provider shall process Student Data as identified by the Provider in the Schedule of Data, attached hereto as Exhibit "B". Student Data may be provided by the LEA or created by students, as set forth fully in the definition of Student Data in Exhibit "C". If a Provider needs to update any information on Exhibit "B", they may do so by completing the Addendum template provided by the A4L Community and sending a copy to the LEA.

Provider may delete data elements from Exhibit "B" if they are no longer used by the Provider.

Provider must add data elements to Exhibit "B", when a material change has occurred, regardless of whether the added data elements are either one of the following:

1. used to better deliver the original products or services listed in the DPA, or
2. used to deliver added products or services that result in new or enhanced capabilities, new modules, technology advancements and or service categories relating to the listed products or services that Provider did not have at the time the DPA was signed. Such new products or services must be designated in the Addendum template as changes to Exhibit "A".

The Provider must notify the LEA, in accordance with the notification provisions of this DPA, of the existence and contents of an Addendum modifying Exhibit "B". The LEA will have thirty (30) days from receipt to object to the Addendum. If no written objection is received it will become incorporated into the DPA between the parties.

1.4 DPA Definitions.

Capitalized terms used in this DPA shall have the meanings set forth in Exhibit "C". With respect to the treatment of Student Data, in the event of a conflict, definitions used in this DPA shall prevail over terms used in any other writing, including, but not limited to, the Service Agreement.

ARTICLE II: DATA OWNERSHIP AND AUTHORIZED ACCESS

2.1 Student Data Property of LEA.

As between LEA and Provider, all Student Data processed by the Provider, or created by students (as set forth fully in the definition of Student Data in Exhibit "C"), pursuant to the Agreement is and will continue to be the property of and under the control of the LEA. The Provider further acknowledges and agrees that all copies of such Student Data processed by the Provider, including any modifications or additions or any portion thereof from any source, are also subject to the provisions of this DPA in the same manner as the original Student Data. The Parties agree that as between them, all rights, including all intellectual property rights in and to Student Data contemplated per the Service Agreement, shall remain the exclusive property of the LEA.

2.2 Parent, Legal Guardian and Student Access.

The LEA shall establish reasonable procedures by which a parent, legal guardian, or eligible student (as defined in FERPA) may review Student Data and request deletion or modification, and request delivery of a copy of the Student Data. In support of this, the Provider shall establish reasonable procedures by which the LEA may access, and correct if necessary, Education Records and/or Student Data, and make a copy of the data available to the LEA or (at the LEA's direction) to the parent, legal guardian or eligible student directly. If the LEA is not able to review or update the Student Data itself, Provider shall respond in a reasonably timely manner (and no later than thirty (30) days from the date of the request or pursuant to the time frame required under state law for an LEA to respond to a parent, legal guardian or student, whichever is sooner) to the LEA's request for Student Data held by the Provider to view or correct as necessary.

In the event that a parent or legal guardian of a student or eligible student contacts the Provider to correct, delete, review or request delivery of a copy of any of the Student Data collected by or generated through the Services, the Provider shall refer that person to the LEA, who will follow the necessary and proper procedures regarding

the requested information. In the event that any person other than those listed contacts the Provider about any Student Data, the Provider shall refer that person to the LEA, except as provided in Section 4.4.

- 2.2.1 This NDPA does not impede the ability of students to download, export, or otherwise save or maintain their own Student Generated Content directly from Provider or for Provider to provide a mechanism for such download, export, transfer or saving to students, or the student's parent or legal guardian. Nor does it impede the ability of Providers to offer LEAs features to allow such ability.
- 2.2.2 In the event that Student Generated Content is transferred to the control of the student, parent or legal guardian, the copy of such Student Generated Content that is in the control of such person is no longer considered Student Data.

2.3 Subprocessors.

Provider shall enter into a Subprocessor Agreement with all Subprocessors performing functions for the Provider in order for the Provider to provide the Services pursuant to the Service Agreement, whereby the Subprocessors agree to protect Student Data in a manner no less stringent than the terms of this DPA. Every Subprocessor Agreement must provide that the Subprocessor will not Sell the Student Data. The terms of a Subprocessor Agreement shall not be materially modified by the Subprocessor unless notice is provided to the Provider.

ARTICLE III: DUTIES OF LEA

3.1 Provide Data in Compliance with Applicable Laws.

LEA shall use the Services and provide Student Data in compliance with all applicable federal and state privacy laws, rules, and regulations, all as may be amended from time to time.

3.2 Annual Notification of Rights.

If the LEA has a policy of disclosing Education Records and/or Student Data under FERPA (34 CFR § 99.31(a)(1)), LEA shall include a specification of criteria for determining who constitutes a School Official and what constitutes a legitimate educational interest in its annual notification of rights.

3.3 Reasonable Precautions.

LEA shall employ administrative, physical, and technical safeguards designed to protect usernames, passwords, and any other means of gaining access to the Services and/or hosted Student Data from unauthorized access, disclosure, or acquisition by an unauthorized person.

3.4 Unauthorized Access Notification and Assistance.

LEA shall notify Provider within seventy-two (72) hours of any confirmed Data Breach to the Services, LEA's account or any Student Data that poses a privacy or security risk. If requested by Provider, LEA will provide reasonable assistance to Provider in any efforts by Provider to investigate and respond to such Data Breach.

ARTICLE IV: DUTIES OF PROVIDER

4.1 Privacy and Security Compliance.

The Provider shall comply with all laws and regulations applicable to Provider's protection of Student Data privacy and security, and at the direction of the LEA shall cooperate with any state or federal government initiated audit of the LEA's use of the Services.

4.2 Authorized Use.

The Student Data processed pursuant to the Services shall be used by the Provider for no purpose other than performing the Services outlined in Exhibit "A", or as instructed by the LEA.

4.3 Provider Employee Obligation.

Provider shall require all of Provider's employees who have access to Student Data to comply with all applicable provisions of this DPA with respect to the Student Data shared under the Service Agreement. Provider agrees to require and maintain an appropriate confidentiality agreement from each employee with access to Student Data pursuant to the Service Agreement.

4.4 No Disclosure.

Provider acknowledges and agrees that it shall not sell or disclose any Student Data or any portion thereof, including without limitation, user content or other non-public information and/or personally identifiable information contained in the Student Data.

4.4.1 Exceptions to No Disclosure.

- 4.4.1.1 This prohibition against disclosure will not apply to Student Data where disclosure is directed or permitted by the LEA or this DPA.
- 4.4.1.2 The provision to not sell Student Data shall not apply to a Change of Control.
- 4.4.1.3 This prohibition against disclosure shall not apply to Student Data disclosed pursuant to a judicial order or lawfully issued subpoena or warrant.
- 4.4.1.4 This prohibition against disclosure shall not apply to Student Data disclosed to Subprocessors performing Services on behalf of the Provider pursuant to this DPA.
- 4.4.1.5 Should law enforcement or other government entities ("Requesting Party(ies)") provide a judicial order or lawfully issued subpoena or warrant to the Provider with a request for Student Data held by the Provider pursuant to the Services, the Provider shall notify the LEA in advance of a compelled disclosure to the Requesting Party.
- 4.4.1.6 Notification under 4.4.1.5 is not required if the judicial order or lawfully issued subpoena or warrant states not to inform the LEA of the request.
- 4.4.1.7 Should the LEA be presented with a judicial order or lawfully issued subpoena or warrant to disclose Student Generated Content or other Student Data, the Provider shall cooperate with the LEA in delivering such data.

- 4.4.1.8 This prohibition against disclosure shall not apply to LEA-authorized users of the Services, which may include parents and legal guardians.
- 4.4.1.9 This prohibition against disclosure shall not apply to protect the safety of users or others, if and only if, an LEA employee who has specifically been authorized to declare a health or safety emergency has done so and all requirements under 34 CFR §§ 99.31(a)(10) and 99.36 have been fulfilled by the LEA.
- 4.4.1.10 This prohibition against disclosure shall not apply to protect the integrity or security of the Service, where such disclosure is made to a Subprocessor engaged by Provider for the specific purpose of investigating a potential Data Breach as set forth in 5.4.

4.5 De-Identified Data

Provider agrees not to attempt to re-identify De-Identified Student Data without the written direction of the LEA. De-Identified Student Data may be used by the Provider for those purposes allowed under applicable laws, for the purposes allowed for the processing of Student Data under this DPA, as well as the following purposes: (1) assisting the LEA or other governmental agencies in conducting research and other studies; (2) research, development, and improvement of the Provider's educational sites, Services, or applications, and to demonstrate the effectiveness of the Services; and (3) for adaptive learning purpose and for customized student learning. Provider's use of De-Identified Student Data shall survive termination of this DPA or any request by LEA to return or dispose of Student Data. Except for Subprocessors, Provider agrees not to transfer De-identified Student Data to any third party unless the transfer is expressly directed or permitted by the LEA or this DPA. Such Subprocessors must be subject to equivalent terms of the DPA including this one. Prior to publishing any document that names the LEA, the Provider shall obtain the LEA's written approval of the manner in which De-Identified Student Data is presented. If Provider chooses to create De-Identified Data, its process must comply with either NIST de-identification standards or US Department of Education guidance on de-identification.

4.6 Disposition of Data.

Upon written request from the LEA, Provider shall dispose of or provide a mechanism for the LEA to transfer Student Data obtained under the Service Agreement, within sixty (60) days of the date of said request and according to a schedule and procedure as the Parties may reasonably agree.

If the Provider has a standard retention and destruction schedule, that schedule shall apply to Student Data as long as this DPA is active. The Provider's practice relating to retention and disposition of Student Data shall be provided to the LEA upon request.

At the termination of this DPA, the Provider shall, unless directed otherwise by the LEA, dispose of, or delete Student Data obtained by the Provider under the Agreement within sixty (60) days of termination (unless otherwise required by law). If the Agreement has lapsed or is not terminated, the Student Data shall be deleted when directed or permitted by the LEA, according to Provider's standard destruction schedule, or as otherwise required by law. The LEA may provide the Provider with special instructions for the disposition of the Student Data, by transmitting to Provider Exhibit "D", attached hereto. The duty of the Provider to dispose of or delete Student Data shall not extend to De-Identified Data or to Student-Generated Content that has been transferred or kept pursuant to Section 2.2.2.

4.7 Advertising Limits.

Provider is prohibited from using, disclosing, or selling Student Data to (a) inform, influence, or enable Targeted Advertising; (b) develop a profile of a student, family member/guardian or group, for any purpose other than providing the Service to LEA; or (c) for any commercial purpose other than to provide the Service to the LEA, or as authorized by the LEA or the parent/guardian. Targeted Advertising is strictly prohibited. However, this section does not prohibit Provider from using Student Data (i) for adaptive learning or customized student learning (including generating personalized learning recommendations); or (ii) to make product recommendations to account holders that are not considered Targeted Advertising (this exception does not apply where the Provider is relying on the LEA to provide consent on behalf of the parent under COPPA); or (iii) to notify account holders about new education product updates, features, or Services that are not considered Targeted Advertising or from otherwise using Student Data as permitted in this DPA and its accompanying exhibits.

Before making product recommendations under section (ii) above, Provider must disclose the existence of those recommendations to LEA in writing, in sufficient detail that LEA can fulfill any obligations under applicable law (e.g. PPRa).

ARTICLE V: DATA SECURITY AND BREACH PROVISIONS

5.1 Data Storage.

If Student Data is stored outside the United States, Provider will provide a list of Countries where data is stored, in Exhibit "B".

5.2 Security Audits.

Provider will conduct a security audit or assessment no less than once per year, and upon a Data Breach. Upon 10 days' notice and execution of confidentiality agreement, Provider will provide the LEA with a copy of the audit report, subject to reasonable and appropriate redaction.

5.3 Data Security.

The Provider agrees to utilize administrative, physical, and technical safeguards designed to protect Student Data from unauthorized access, disclosure, acquisition, destruction, use, or modification. The Provider shall adhere to any applicable law relating to data security of Student Data. The Provider shall implement an adequate Cybersecurity Framework that incorporates one or more of the nationally or internationally recognized standards set forth in Exhibit "F". Additionally, Provider may choose to further detail its security programs and measures in Exhibit "F". Provider shall provide, in the Preamble to the DPA, contact information of an employee who LEA may contact if there are any data security concerns or questions.

5.4 Data Breach.

In the event that Provider confirms a Data Breach, the Provider shall provide notification to LEA within seventy-two (72) hours of confirmation of the Data Breach, unless notification within these time limits would disrupt investigation of the Data Breach by law enforcement. In such an event, notification shall be made within a reasonable time after the Data Breach. Provider shall follow the following process:

- (1) The Data Breach notification described above shall include, at a minimum, the following information to the extent known by the Provider and as it becomes available:
 - (a) The name and contact information of the Provider subject to this section,
 - (b) the date of the notice,
 - (c) the date of the Data Breach, the estimated date of the Data Breach, or the date range within which the Data Breach occurred,
 - (d) Whether the notification was delayed as a result of a law enforcement investigation, if legally permissible to share that information,
 - (e) A general description of the Data Breach, if that information is possible to determine at the time the notice is provided,
 - (f) A description of the Student Data reasonably believed to have been the subject of the Data Breach; and
 - (g) Identification of impacted individuals.
- (2) Provider agrees to adhere to all applicable federal and state laws with respect to a Data Breach related to the Student Data, including any required responsibilities and procedures for notification and mitigation of any such Data Breach.
- (3) Provider further acknowledges and agrees to have a written Data Breach response plan that is consistent with applicable industry standards and federal and state law for responding to a Data Breach, involving Student Data and agrees to provide LEA, upon reasonable written request, with a summary of said written Data Breach response plan.
- (4) LEA shall provide notice and facts surrounding the Data Breach to the affected students, parents, or guardians.
- (5) In the event of a Data Breach originating from LEA's use of the Service or otherwise a result of LEA's actions or inactions, Provider shall reasonably cooperate with LEA to the extent necessary to expeditiously secure Student Data and may request costs incurred as a result of such Data Breach.

CONTRACT TERMS

Term and Termination. In the event that either Party seeks to terminate this DPA, they may do so by written notice if the Service Agreement has lapsed or has been terminated. Either party may terminate this DPA and any Service Agreement or contract if the other party breaches any terms of this DPA. This DPA shall stay in effect for as long as the Provider retains the Student Data, as set forth in section Article IV, Section 4.6. In the case of a "Change of Control" the LEA has the authority to terminate the DPA if it reasonably believes that the successor cannot uphold the terms and conditions herein or having a contract with the successor would violate the LEA's policies or state or federal law.

Data Disposition on Service Agreement Termination. If the Service Agreement is terminated, the Provider shall dispose of all of LEA's Student Data pursuant to Article IV, Section 4.6 of the Standard Clauses.

Notices. All notices or other communication required or permitted to be given hereunder must be made in writing and may be given via e-mail transmission, or first-class mail, or mutually agreed upon method sent to the designated representatives documented in the Preamble.

Priority of Agreements. This DPA shall govern the treatment of Student Data in order to comply with the privacy protections, including those found in FERPA and all applicable privacy statutes identified in this DPA. With respect to the treatment of Student Data only, in the event there is conflict between the terms of the DPA and the Service Agreement, Terms of Service, Privacy Policies, or with any other bid/RFP, license agreement, or writing, the terms of this DPA shall apply and take precedence. In the event of a conflict between Exhibit "H", the SDPC Standard Clauses, and/or the Supplemental State Terms in Exhibit "G", Exhibit "H" will control, followed by Exhibit "G". Except as described in this paragraph herein, all other provisions of the Service Agreement shall remain in effect.

Entire Agreement. This DPA and the Service Agreement ("the Agreement") constitute the entire agreement of the Parties relating to the subject matter hereof and supersedes all prior communications, representations, or agreements, oral or written, by the Parties relating thereto. This DPA may be amended and the observance of any provision of this DPA may be waived (either generally or in any particular instance and either retroactively or prospectively) only with the signed written consent of both Parties.

Severability. Any provision of this DPA that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this DPA, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the Parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.

Governing Law; Venue and Jurisdiction. This DPA will be governed by and construed in accordance with the laws of the state of the LEA, without regard to conflicts of law principles. Each party consents and submits to the sole and exclusive jurisdiction to the state and federal courts for the county of the LEA for any dispute arising out of or relating to this DPA or the transactions contemplated hereby.

Successors Bound. This DPA is and shall be binding upon the respective successors in interest to Provider in the event of a Change of Control. In the event of a Change of Control, the Provider shall provide written notice to the LEA no later than sixty (60) days after the closing date of such Change of Control. Such notice shall include

a written, signed assurance that the successor will assume the obligations of the DPA and any obligations with respect to Student Data within the Service Agreement.

Authority. Each signatory confirms they are authorized to bind their institution to this DPA in its entirety.

Waiver. No delay or omission by either party to exercise any right here under shall be construed as a waiver of any such right and both parties reserve the right to exercise any such right from time to time, as often as may be deemed expedient.

Contextual Advertising: Contextual advertising is the delivery of advertisements based upon a current visit to a Web page or a single search query, without the collection and retention of data about the consumer's online activities over time.

De-Identified Data: Records and information are considered to be De-Identified when all personally identifiable information has been removed or obscured, such that the remaining information does not reasonably identify a specific student, including, but not limited to, any information that, alone or in combination is linkable to a specific student.

Data Breach: An unauthorized release, access to, disclosure or acquisition of Student Data that compromises the security, confidentiality or integrity of the Student Data maintained by the Provider in violation of applicable state or federal law.

Educational Records: Educational Records shall have the meaning set forth under FERPA 20 U.S. C. 12 32 g(a)(5)(A). For additional context see also the 'Student Data' definition.

LEA: For the purpose of this DPA, the LEA is the educational entity that is a Party to this Agreement. An LEA can be a state agency, an educational service agency, a charter school or school system or a private school or school system, in addition to the federal definition of Local Education Agency (LEA).

Metadata: Means information that provides meaning and context to other data being collected including, but not limited to date and time records and purpose of creation. Metadata that have been stripped of all direct and indirect identifiers are not considered Personally Identifiable Information or Student Data.

Originating LEA: An educational entity otherwise meeting the definition of LEA that originally executes the DPA in its entirety (including the marked checkbox enabling Exhibit "E") with the Provider.

School Official: For the purposes of this DPA and pursuant to FERPA 34 CFR § 99.31(b), a School Official is a contractor that: (1) Performs an institutional service or function for which the agency or institution would otherwise use employees; (2) Is under the direct control of the agency or institution with respect to the use and maintenance of Student Data including Educational Records; and (3) Is subject to FERPA 34 CFR § 99.33(a) governing the use and re-disclosure of Personally Identifiable Information from Educational Records.

Service Agreement: Refers to the quote, corresponding contract, purchase order or terms of service and/or terms of use.

Student Data: Student Data includes any data, whether gathered, created or inferred by Provider or provided by LEA or its users, students, or students' parents/guardians, for a school purpose, that is descriptive of the student including, but not limited to, information in the student's Educational Record, persistent unique identifiers, or any other information or identification number that would provide information about a specific student. Student Data includes Metadata that has not been stripped of all direct and indirect identifiers. Student Data further includes "Personally Identifiable Information (PII)," as defined in 34 C.F.R. § 99.3 and as defined under any applicable state law. Student Data shall constitute Education Records for the purposes of this DPA, and for the purposes of federal, state, and local laws and regulations. Student Data as specified in Exhibit "B" is confirmed

to be collected or processed by the Provider pursuant to the Services. Student Data shall not include properly De- Identified Data or anonymous usage data regarding a student's or LEA's use of Provider's Services.

Student Generated Content: The term "Student Generated Content" means materials or content created by a student in the services including, but not limited to, essays, research reports, portfolios, creative writing, music or other audio files, photographs, videos, and account information that enables ongoing ownership of student content. "Student Generated Content" does not include student responses to a standardized assessment where student possession and control would jeopardize the validity and reliability of that assessment.

Subprocessor: For the purposes of this DPA, the term "Subprocessor" (sometimes referred to as the "Subcontractor") means a party other than LEA or Provider, who Provider uses for data collection, analytics, storage, or other service to operate and/or improve its service, and who has access to or storage of Student Data, including security, storage, analytics, and other processing activities necessary to perform a Provider business purpose.

Digital Subscription Terms

Digital subscription terms: With respect to each product, the number of licenses allocated to you will be determined by multiplying the quantity purchased by the number of uses (where use = year). [Example: 100 units of a 6-use product = 600 licenses.]

Access to each title will expire on the first to occur of (1) all purchased units which would be available over the course of the number of uses have been utilized, or (2) the number of uses has transpired utilizing the following calculation: utilizing July 5 as the start of a new year, (i) If the invoice date falls between January 1 and September 30, the end date of the subscription term shall be calculated as the invoice year plus the number of uses indicated [Example: 100 units of a 6-use product is invoiced on April 15, 2023. The end date based on uses purchased = July 4, 2029]; and (ii) If the invoice date falls between October 1 and December 31, the end date of the subscription term shall be calculated as invoice year plus the number of uses indicated + 1]. [Example: 100 units of a 6-use product is invoiced on November 15, 2023. The end date based on uses purchased = July 4, 2030.]

For complete subscription terms, see bfwpub.com/subscription-terms. Your issuance of a purchase order based on this quote or your payment for the courseware subscription signifies your affirmative understanding and acceptance of these terms.

License uses are not restricted during your subscription term, so as not to inhibit or impede the learning process, but all uses will count toward your purchase quantity based on the above calculation. If you exceed the quantity purchased, you will receive an invoice for the number of licenses used beyond those purchased.

The New Edition Option: If chosen at the time of initial purchase, the New Edition option permits the one-time option to upgrade to a new courseware edition at any time within your active courseware subscription term. It is your responsibility to inform your BFW representative when you are ready to proceed with the upgrade. The New Edition Option does not apply to e-books and applies exclusively to digital courseware and not print products.

Imagine IM

Research Study Proposal

Overview

During the 2026–2027 school year, Imagine Learning proposes to partner with Franklin Regional School District in Pennsylvania to conduct a quasi-experimental efficacy research study that will evaluate the impact of Imagine IM on students' mathematics outcomes. The study will compare the achievement of Grade 4–7 students using Imagine IM to a statistically similar group of Grade 4–7 students who do not use the program. The study will also investigate how variations in program implementation affect student learning, what contextual factors affect implementation, and teacher perceptions of the program.

Research Questions

1. How does performance on the Renaissance Star Math and Pennsylvania System of School Assessment (PSSA) math assessments compare between students that use Imagine IM and a similar group of students that do not use Imagine IM?
2. Is Imagine IM differentially beneficial for students with varying demographic profiles (based on grade level, gender, race/ethnicity, socioeconomic status, English language classification, special education classification, and prior achievement)?
3. Are changes in Imagine IM students' academic skills associated with implementation or program engagement factors (teacher practices, digital and print usage, etc.)?

Method

Research Design. This study will use a quasi-experimental design to compare students that use Imagine IM to a statistically similar group of students that do not use the program. Approximately half of participating classes within grades 4–7 will be selected (whether by assignment or opt-in) to implement the Imagine IM program (Treatment). The remaining half of classes within grades 4–7 will continue with business-as-usual instruction and will NOT implement or use Imagine IM (Control). Treatment classes will use Imagine IM for the full duration of the 2026–2027 school year. At the end (Spring 2027) of the school year, performance on a standardized mathematics assessment will be compared between Treatment and Control sections.

Outcome Measures.

- Renaissance STAR Math (Fall 2026, Winter 2027, Spring 2027)
- Pennsylvania System of School Assessment (PSSA) Standardized Math test (Spring 2026, Spring 2027)
- Teacher Implementation Survey (Spring 2027)

Data Analysis. Imagine Learning will analyze program usage and assessment data from study participants to evaluate the impact of Imagine IM on math achievement.

Commitments

Imagine Learning agrees to:

- Provide ongoing training and support for implementing Imagine IM.
- Host regular research data meetings to review program usage.

- Provide a final research report and presentation at the conclusion of the study.

School district and schools agree to:

- Develop and follow an implementation plan for Imagine IM, which includes using the program with all students in treatment classrooms for the entire 2026–2027 school year.
- Monitor implementation of Imagine IM throughout the school year and ensure all treatment sections are meeting weekly usage goals.
- Administer district’s benchmark assessments in fall 2026, winter 2027, and spring 2027.
- Transfer student data at the beginning (fall 2026) and end of the study (spring 2027).
- Provide regular product feedback during research data meetings.

Benefits

- Receive access to Imagine IM, a certified Illustrative Mathematics curriculum providing high quality mathematics instruction and resources.
- Receive top-tier support from Imagine Learning.
- Gain a deep understanding of the impact of Imagine IM on the academic outcomes of *your* students.

Confidentiality

All data collected for the study will be kept confidential and secure. Data sharing will be carried out using a secure web portal for uploading student data for the analysis. When a final report is prepared, data will be aggregated, and no names or personally identifiable information will be included.

The Company shall provide notice to the District upon making any modifications to the Project.

4.2 **Warranty.** The Report and any analysis of Project Data is provided on an “AS IS” and “WHERE IS” basis.  - Some courses require additional material fees; the costs shown do not include textbooks, novels, additional software, or additional testing fees.
- b) **Grace Period** – A free, 13 calendar day grace period is available at the time of initial enrollment. The opportunity for a free trial period applies only to coursework, not books or materials. Workbook and Materials Kit fees are nonrefundable. If an enrollment is dropped within the 13-day grace period, the workbook fee of \$29.00 per book applies and the \$385 Materials Kit Fee applies.
- c) **Tuition Charges** – Tuition is charged as indicated above based on the courses and services requested. If the participation period exceeds the defined length of enrollment, additional tuition will be assessed.
- d) **Single Section Enrollment** – Students will not be permitted to enroll in two sections of the same course at the same time (example: Algebra Q1 and Algebra Q2). Students MUST finish one section of a course before beginning another.
- e) **Communication Standards and Protocols** - The Program strives to respond to communications within one business day, and award final course credit within two to three business days (depending on vendor) of the identified course end date. Additional, targeted customer service goals include the communication of needs and requests of the participating schools and liaisons to the contracted vendors. Should information, special requests, or modifications be needed, the identified district liaison should communicate those needs in writing to WFLHelp@aiu3.net. The Program will then collaborate with contracted parties to achieve the desired request. It is not the expectation of the Program that the required school district-identified liaison or other identified representatives need to work directly with Waterfront Learning contracted vendors.

Subject: Memorandum of Understanding

The 2025-26 AIU Title III Consortium agreed upon grant initiatives for the 2026-27 school year based on the planning meeting held at the Allegheny Intermediate Unit on May 8, 2026:

- A series of professional development opportunities targeting specific areas surrounding EL needs. The series of professional development opportunities will include all stakeholders and will vary in theme, scope, and audience. Expenses may include the cost of speakers and their travel, food costs where applicable, copies and supplies, associated materials such as books and workbooks, as well as up to \$150 of reimbursement for substitute teacher costs to allow district staff to attend Title III professional development. This is limited to one reimbursement per district per professional development session. An invoice from the district will be required.
- Reimbursement of 40% of the district allocation up to \$4,000 and for districts with an allocation of \$20,000 or more, a reimbursement up to \$6,000 will be available to provide summer programming, after-school remediation, tutoring (in person or remotely), parent outreach, data collection, curriculum development, technology, educational field experiences, or other supplemental support to the English Learners in the district. Reimbursement will be provided once the member provides the AIU with proof that the allocation has been spent and supplements the education of ELs. This is to be recorded on a reimbursement request form provided by the Consortium Lead.
- The consortium will continue to provide selected supplies, materials, technology, resources, and appropriate training.
- Quarterly Technical Training Sessions for ESL Liaisons/Administrators.

This reimbursement may also be applied toward a class in addition to training or a conference.

- One Title III Event Day for participating districts. If the event is held off-site, bus transportation costs for the day will be reimbursed to participating school districts upon submission of an invoice (Actual cost up to \$500.00)

In addition to the above stated initiatives, each member of the Consortium as a recipient of Title III funds agrees to maintain compliance in each of the following areas:

- Following the procedures* for the proper identification of English Learners.

Dr. Gennaro R. Piraino, Jr.
FRANKLIN REGIONAL SCHOOL DISTRICT

Dear Dr. Gennaro R. Piraino, Jr.:

Andrews & Price is proud of its long-standing relationship as special counsel with the Franklin Regional School District and have enjoyed providing cost effective legal services to the District. We are aware of the difficulties facing all school districts, particularly in regards to budgeting issues. To that end, we have always strived to keep our rates as low as possible. However, as inflation has affected everyone, including Andrews & Price, we find it necessary to increase our rates effective July 1, 2026.

We are requesting an increase as follows:

Retainer	<u>NONE</u>
Attorney Hourly Rate	<u>\$160.00</u>
Paralegal Hourly Rate	<u>\$75.00</u>

If you have any questions, please do not hesitate to call. Thank you for your understanding.

Very truly yours,

Patricia R. Andrews

Re: Franklin Regional School District/Solicitor

Dear Dr. Piraino:

As per your request, I am pleased to submit this letter as a proposal to the Franklin Regional School District to continue as the Solicitor for the District. I propose that our firm slightly modify the current terms and conditions with the Board, which would maintain a retainer of Seven Hundred Fifty (\$750.00) Dollar per month, and increase our hourly rate by Ten (\$10.00) Dollars to One Hundred Fifty (\$150.00) Dollars per hour for all legal work, and maintain the One Hundred Eighty-Five (\$185.00) Dollars per hour for all litigation matters, except for financing issues which are billed individually.

It has been a pleasure working with you and the Board of Directors over the past year and I believe that my firm has been instrumental in resolving many legal issues that were facing the District over the past year. My firm is looking forward to continuing to work with you and the Board of Directors during the next year.

If either you or the members of the Board have any questions, please do not hesitate to contact me.

Very truly yours,

DODARO, DALFONSO, MATTA
& CAMBEST, P.C.

RE: Medical Coverage 2026 - 2027

Dear School Board Members:

Our medical coverage proposal for the 2026 - 2027 school year, we have a 5% (\$943.49) increase from our previous agreement. This increase is due to the expense increases we have been faced with medical supplies, fuel, labor, healthcare insurance, and increase in deductibles/lack of patient self-pay that had to be written off from responses to the school district during the 2025-2026 school year.

The total amount for this agreement will be \$19,813.32. I have attached a summary of services and benefits. Attached is a breakdown of services provided.

If you should have any questions regarding our proposal, please call me at 724-327-1222.

Sincerely,

A handwritten signature in dark ink, appearing to read "J. Darrick Gerano", is written over a light blue circular stamp or watermark.

Purpose

The Board is committed to providing a safe, positive learning environment for district students. The Board recognizes that bullying creates an atmosphere of fear and intimidation, detracts from the safe environment necessary for student learning and may lead to more serious violence. Therefore, the Board prohibits bullying by district students.

Definitions

Bullying means an intentional electronic, written, verbal or physical act or series of acts directed at another student or students, which occurs in a school setting and/or outside a school setting, that is severe, persistent, or pervasive and has the effect of doing any of the following:

[1]

1. Substantially interfering with a student's education.
2. Creating a threatening environment.
3. Substantially disrupting the orderly operation of the school.

Bullying, as defined in this policy, includes cyberbullying.

School setting means in the school, on school grounds, in school vehicles, at a designated bus stop or at any activity sponsored, supervised or sanctioned by the school.[1]

Authority

The Board prohibits all forms of bullying by district students.[1]

The Board encourages students who believe they or others have been bullied to promptly report such incidents to the building principal or designee.

Students are encouraged to use the district's report form, available from the building principal, or to put the complaint in writing; however, oral complaints shall be accepted and documented. The person accepting the complaint shall handle the report objectively, neutrally and professionally, setting aside personal biases that might favor or disfavor the student filing the complaint or those accused of a violation of this policy.

The Board directs that verbal and written complaints of bullying shall be investigated promptly, and appropriate corrective or preventative action be taken when allegations are substantiated. The Board directs that any complaint of bullying brought pursuant to this policy shall also be reviewed for conduct which may not be proven to be bullying under this policy but merits review and possible action under other Board policies.

When a student's behavior indicates a threat to the safety of the student, other students, school employees, school facilities, the community or others, district staff shall report the student to the threat assessment team, in accordance with applicable law and Board policy.[\[2\]](#)[\[3\]](#)

Discrimination/Harassment

Every report of alleged bullying that can be interpreted at the outset to fall within the provisions of policies addressing potential violations of laws against discrimination or harassment shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of a bullying investigation, potential issues of discrimination or harassment are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination or harassment as well as the incidents of alleged bullying.[\[4\]](#)[\[5\]](#)

Confidentiality

Confidentiality of all parties, witnesses, the allegations, the filing of a complaint and the investigation shall be handled in accordance with applicable law, regulations, this policy and the district's legal and investigative obligations.

Retaliation

Reprisal or retaliation relating to reports of bullying or participation in an investigation of allegations of bullying is prohibited and shall be subject to disciplinary action.

Delegation of Responsibility

Each student shall be responsible to respect the rights of others and to ensure an atmosphere free from bullying.

The Superintendent or designee shall develop administrative regulations to implement this policy.

The Superintendent or designee shall ensure that this policy and administrative regulations are reviewed annually with students.[\[1\]](#)

The Superintendent or designee, in cooperation with other appropriate administrators, shall review this policy every three (3) years and recommend necessary revisions to the Board.[\[1\]](#)

2. Report of bullying incidents.

3. Information on the development and implementation of any bullying prevention, intervention or education programs.

Guidelines

The Code of Student Conduct, which shall contain this policy, shall be disseminated annually to students.[\[1\]](#)[\[7\]](#)[\[8\]](#)

This policy shall be accessible in every classroom. The policy shall be posted in a prominent location within each school building and on the district website.[\[1\]](#)

Education

The district may develop, implement and evaluate bullying prevention and intervention programs and activities. Programs and activities shall provide district staff and students with appropriate training for effectively responding to, intervening in and reporting incidents of bullying.[\[1\]](#)[\[9\]](#)[\[10\]](#)

Code	140 Vol I 2026
Status	First Reading
Adopted	September 21, 2015
Origin	PSBA Vol I 2026

Purpose

To provide students an opportunity to attend schools that operate independently from the school district, the Board shall work cooperatively with individuals and groups submitting proposals and applications for charter schools.[1]

Definitions

Appeal Board means the State Charter School Appeal Board established by the Charter School Law.[2]

Board of Trustees of a charter school shall be classified as public officials.[3]

Charter School means an independent, nonsectarian public school established and operated under a charter from the local Board in which students are enrolled or attend. A charter school must be organized as a public, nonprofit corporation, and charters may not be granted to any for-profit entity nor to support home education programs.[2][3][4]

Local Board of Directors (Board) means the Board of Directors of the school district in which a proposed or approved charter school is located.[2]

Regional Charter School means an independent public school established and operated under a charter from more than one local Board and approved by an affirmative vote of a majority of all Board members of each of the school districts involved.[2][5]

Authority

The Board shall evaluate submitted applications for charter schools based on the criteria established by law, regulations, and any additional criteria required by the Board.[4]

A charter school application shall be approved or denied by a majority vote of all Board members at an open meeting, in accordance with the provisions of law. Written notice of the Board's decision shall be sent to the applicant, the Department of Education, and the Appeal Board,

including reasons for denial and a clear description of application deficiencies if the application is denied. The Board shall evaluate denied applications that are revised and resubmitted.[4][6]

Upon approval of a charter application, the Board and the charter school's Board of Trustees shall sign the written charter, which shall be binding on both parties. The charter shall be for a period of three (3) to five (5) years and may be renewed for five-year periods by the Board.[7]

The Board shall not cap, nor limit the number of district students enrolling in a charter school, unless agreed to by the charter school as part of the written charter.[8]

The Board may approve a leave of absence for up to five (5) years for a district employee to work in a charter school located in the district of employment or in a regional charter school in which the employing district is a participant, and the employee shall have the right to return to a comparable position in the district. The Board, at its discretion, may grant tenure to a temporary professional employee on leave from this district to teach in a charter school located in the district, upon completion of the appropriate probation period.[9]

The Board shall annually assess whether each charter school is meeting the goals of its charter and shall require each charter school to submit an annual report no later than August 1 of each year.[10]

The Board shall conduct a comprehensive review prior to granting a five-year renewal of the charter.[10]

The Board shall have ongoing access to the records and facilities of the charter school to ensure that the charter school is in compliance with its charter, Board policy, and applicable laws.[10]

In cases where the health or safety of the charter school's students, staff, or both is at serious risk, the Board may take immediate action to revoke a charter.[11]

The Board affirms that the Board of Trustees and the charter school shall be solely liable for any and all damages and costs of any kind resulting from any legal challenges involving the operation of a charter school. The local Board shall not be held liable for any activity or operation related to the program of a charter school.[12]

A charter school shall execute a "hold harmless" agreement indemnifying and insuring/agreeing to defend the school district in any and all kinds of liability areas so that the school district and Board are protected in any litigation related to the operation of a charter school.

Delegation of Responsibility

Applications for charter schools shall be submitted to the Superintendent or designee, who shall be responsible for communicating and cooperating with all applicants.

The Superintendent or designee shall be responsible to assist applicants with plans for technical assistance and contracted services that may be provided by the district.

Guidelines

A charter school shall be subject to all federal and state laws and regulations prohibiting discrimination in admissions, employment, and operation on the basis of disability, race, creed, color, sex, sexual orientation, national origin, religion, ancestry, or need for special education services.[3]

Transportation

The district shall provide free transportation to resident students attending a charter school located in the district, a regional charter school of which the district is a member, and a charter school located within ten (10) miles outside district boundaries, in accordance with distance requirements established for district students. Transportation provided to charter school students need not be identical to transportation provided to traditional public school students.[13][14]

Transportation shall be provided to charter school students on the dates and periods that the charter school is in session, regardless of whether transportation is provided to district students on those days.[13]

Applications

Applications for charter schools must contain all the information specified in the Charter School Law and any additional information required by the Board.[4][15]

Applications for charter schools shall be submitted to the Board by November 15 of the preceding school year in which the school will be established.[4]

Within forty-five (45) days of receipt, the Board shall hold at least one (1) public hearing on the charter application, in accordance with law. At least forty-five (45) days must pass between the first public hearing and the final decision of the Board. No later than seventy-five (75) days after the first public hearing, the Board shall grant or deny the application.[4]

Insurance/Risk Management

The charter school shall adequately protect against liability and risk through an active risk management program approved by the Board. The program shall include proof of purchase of insurance coverages as required by the Board.[12][15]

Minimum coverages and levels of appropriate coverages shall be established in the charter.

A charter school shall operate in a manner that minimizes the risk of injury and harm to students, employees, and others.

The established procedures must include protocols for the timely consultation between the team and law enforcement, juvenile justice agencies, county agencies, health care providers, or behavioral service providers, as appropriate, to refer students whose behavior indicates a potential threat for additional interventions or supports, including the exchange of relevant information in accordance with federal and state law.[1][2][3]

The Superintendent or designee shall develop and implement administrative regulations to support the threat assessment process.

The threat assessment team shall make available age-appropriate informational materials to students regarding recognition of threatening or at-risk behavior that may present a threat to the student, other students, school employees, school facilities, the community, or others, and how to report concerns, including through the Safe2Say Something program and other district reporting hotlines or methods. Informational materials shall be available for review by parents/guardians.[1][8][9][19][20][21]

The threat assessment team shall make available informational materials for school employees regarding recognition of threatening or at-risk behavior that may present a threat to the student, other students, school employees, school facilities, the community, or others, and how to report concerns, including through the Safe2Say Something program and other district reporting hotlines or methods. Information for school employees shall include a list of the staff members who have been appointed to the threat assessment team.[1][8][9][19][21]

The district shall annually provide mandatory training for school staff on identification or recognition of student behavior that may indicate a threat to the safety of the student, other students, school employees, other individuals, school facilities, or the community, in accordance with law, Board policy, and the standards specified by the state's School Safety and Security Committee.[7][17]

Reporting and Identification

The threat assessment team shall assist in assessing and responding to reports that are received through the Safe2Say Something Program, identifying students who may be a threat to themselves or others.[1][7]

The threat assessment team shall assist in assessing and responding to reports of students exhibiting self-harm or suicide risk factors or warning signs, as identified in accordance with applicable law and Board policy.[1][8]

When the threat assessment team has made a preliminary determination that a student's reported behavior may indicate a threat to the safety of the student, other students, school employees, school facilities, the community, or others, the team shall immediately take the following steps:[1]

1. Notify the Superintendent or designee and School Safety and Security Coordinator of the reported threat.
2. Notify the building principal of the school the student attends of the reported threat, who shall notify the student's parent/guardian of the reported threat.

When a reported student's behavior indicates that there may be an imminent threat to the safety of the student or others, or an emergency situation, a threat assessment team member shall take immediate action, which may include promptly reporting to the appropriate law enforcement

agency and school administration.[1][6][7][22]

Where a threat assessment team member has reasonable cause to suspect that a reported situation indicates that a student may be a victim of child abuse, the member shall make a report of suspected child abuse in accordance with law and Board policy.[1][23][24]

Inquiry and Assessment

In investigating, assessing, and responding to threat reports, the threat assessment team shall make a determination if the report should be addressed under one or more specific Board policies or administrative regulations, based on the subject matter of the report and the requirements of law, regulations, and Board policy, including, but not limited to, reports involving:

1. Discrimination/Harassment.[9][19]

2. Reviewing existing academic, health, and disciplinary records and assignments, as appropriate, regarding the subject(s) of the report.
3. Conducting searches of lockers, storage spaces, and other possessions on school property as applicable, in accordance with applicable law, regulations, and Board policy.[27]
4. Examining outside resources such as social media sites, in coordination with law enforcement, or contacting law enforcement, juvenile probation, or community agencies to request additional information about the subject(s) of the report, in accordance with law, regulations, and Board policies.
5. Where appropriate, convening the appropriate team to assess and/or address the situation that is the subject of the report, such as the Individualized Education Program (IEP) team, Section 504 Team, Behavior Support team, Student Assistance Program team, or others.[5][10][28][29][30][31]

**FRANKLIN REGIONAL SCHOOL DISTRICT
WESTMORELAND COUNTY, PENNSYLVANIA
RESOLUTION NO. 061526**

**A RESOLUTION OF THE BOARD OF SCHOOL
DIRECTORS OF THE FRANKLIN REGIONAL SCHOOL
DISTRICT, WESTMORELAND COUNTY,
PENNSYLVANIA, AUTHORIZING A RESOLUTION
APPROVING THE 2026 HOMESTEAD AND FARMSTEAD
EXCLUSION.**

RESOLVED, by the Board of School Directors of Franklin Regional School District, that homestead and farmstead exclusion real estate tax assessment reductions are authorized for the school year beginning July 1, 2026, under the provisions of the Homestead Property Exclusion Program Act (part of Act 50 of 1998) and the Taxpayer Relief Act (Act 1 of 2006), as follows:

Section One. Aggregate amount available for homestead and farmstead real estate tax reduction. The following amounts are available for homestead and farmstead real estate tax reduction for the school year beginning July 1, 2026:

- a. **Gambling tax funds.** The Pennsylvania Department of Education (PDE) has notified the School District that PDE will pay to the School District during the school year pursuant to Act 1, 53 P.S. §6926.505(b), as a property tax reduction allocation funded by gambling tax funds, the amount of \$1,466,751.74.
- b. **Prior year under-distribution of property tax reduction funds.** Funds are available for property tax reduction as a result of an undistributed amount remaining from property tax reduction funds PDE paid to the School District in the 2025-2026 school year. This amount from the prior year will add to the property tax reduction allocation for this school year the amount of \$494.04.
- c. **Philadelphia tax credit reimbursement funds.** PDE has notified the School District that PDE will pay to the School District during the school year pursuant to Act 1, 53 P.S. §6926.324(3), as reimbursement for Philadelphia tax credits claimed against the School District earned income tax by School District resident taxpayers, the amount of \$6,280.03.

- d. **Aggregate amount available.** The aggregate amount available during the school year for real estate tax reduction is \$1,473,525.81.

Section Two. Homestead/farmstead numbers. Pursuant to Act 50, 54 Pa.C.S. §8584(i), and Act 1, 53 P.S. § 6926.341(g)(3), the County has provided the School District with a certified report listing approved homesteads and approved farmsteads as follows:

- a. **Homestead property number.** The number of approved homesteads within the School District is 6,566.
- b. **Farmstead property number.** The number of approved farmsteads within the School District is 11.
- c. **Homestead/farmstead combined number.** Adding these numbers, the aggregate number of approved homesteads and approved farmsteads is 6,577.

Section Three. Real estate tax reduction calculation. The school board has decided that the homestead exclusion amount and the farmstead exclusion amount shall be equal. Dividing the Section 1(d) aggregate amount available during the school year for real estate tax reduction of \$1,473,525.81 by the Section 2(c) aggregate number of approved homesteads and approved farmsteads of 6,577, the maximum real estate tax reduction amount applicable to each approved homestead and to each approved farmstead is \$224.02.

Section Four. Homestead exclusion calculation. Dividing the Section Three maximum real estate tax reduction amount of \$224.02 by the School District real estate tax rate of 119.86 mills (.11986), the maximum real estate assessed value reduction to be reflected on tax notices as a homestead exclusion for each approved homestead is \$1,869.00, and the maximum real estate assessed value reduction to be reflected on tax notices as a farmstead exclusion for each approved farmstead is \$1,869.00.

Section Five. Homestead/farmstead exclusion authorization – July 1 tax bills. The tax notice issued to the owner of each approved homestead within the School District shall reflect a homestead exclusion real estate assessed value reduction equal to the lesser of: (a) the County-established assessed value of the homestead, or (b) the paragraph 4 maximum real estate assessed value reduction of \$1,869.00. The tax notice issued to the owner of each approved farmstead within the School District shall reflect an additional farmstead exclusion real estate assessed value reduction equal to the lesser of: (a) the County-established assessed value of the farmstead, or (b) the Section Four maximum real estate assessed value reduction of \$1,869.00. For purposes of this Resolution, “approved homestead” and “approved farmstead” shall mean homesteads and farmsteads listed in the report referred to in Section Two above and received by the School District from the County Assessment Office on or before May 1 pursuant to Act 1, 53 P.S. §6926.341(g)(3), based on homestead/farmstead applications filed with the County Assessment Office on or before March 1. This paragraph 5 will apply to tax notices issued based on the initial tax duplicate used in issuing initial real estate tax notices for the school year, which will be issued on or promptly after July 1, and will not apply to interim real estate tax bills.

Section Six. Repealer. That all Resolutions or parts of any Resolution in conflict herewith is hereby repealed.

IN WITNESS WHEREOF, the undersigned has hereunto set his/her hand and affixed the seal of the Franklin Regional School District this _____ day of _____, 2026.
