UG Implementation: Procurement
Section I – Required UG Contract Clauses

Background: Organizations must carefully review their grant agreements and contracts to ensure that any subrecipient contracts or other contracts they enter into related to federal awards include language mandated by the awarding agencies. Additionally, all contracts made by the organizations under the federal award must contain provisions covering the following contract clauses, as applicable. See UG Appendix II to Part 200.

(A) Contracts for more than the simplified acquisition threshold currently set at $150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of $10,000 must address termination for cause and for convenience by the non-federal entity including the manner by which it will be effected and the basis for settlement.

(C) Equal Employment Opportunity: Except as otherwise provided under 41 CFR Part 60, all contracts **that meet the definition of "federally assisted construction contract" in 41 CFR Part 60**-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order **11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964**-1965 Comp., p. 339), **as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."**

(D) Davis-Bacon Act: As amended (40 U.S.C. 3141-3148). When required by federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C**FR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the** statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland **"Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work F**inanced in Whole or in Part by **Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be** prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708): Where applicable, all contracts awarded by the non-federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible, provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(4) SOS shall notify Client immediately upon becoming aware that any of its employees, who previously were certified as completing the background clearances, and as meeting the statutory standards, are subsequently arrested or convicted of any disqualifying offense under State or federal law. Failure by SOS to notify Client of such an arrest or conviction within seventy-two (72) hours of SOS's knowledge of such arrest or conviction shall constitute grounds for immediate termination of this Agreement by Client. SOS also agrees to cooperate with Client with respect to Client's independent investigation of a concern or complaint.

(5) SOS shall assure that each of its employees who provide any services pursuant this Agreement shall comply with all applicable Client policies and all applicable local, state and federal laws and regulations.

(6) SOS agrees that neither it nor any of its employees, agents or officers will at any time, either during or subsequent to the term of this Agreement, disclose to any third party any confidential student information, personal health information or other confidential information accessed or obtained by virtue of entering into this Agreement and providing services herein, except where expressly required by law or where such disclosure is expressly approved by Client in writing.

(7) SOS agrees that the failure by SOS to perform or enforce any of the duties described in this paragraph (b) inclusive shall constitute a material breach of the contract entitling Client to terminate this Agreement immediately with no further responsibility to make payment or perform any other duties under this Agreement.

(c) Employees

All employees assigned to Client by SOS under this Agreement shall at all times and for all purposes be deemed employees of SOS. Employees assigned to Client by SOS under this Agreement shall not be eligible to receive, nor shall they receive, any compensation or benefits from Client nor shall they derive any employment related rights or entitlements as related to Client and shall not obtain the status of a participant in any pension program, including but not limited to the Public School Employees Retirement System.

In particular, Client will be responsible for the specific daily assignment of work. In addition, the days of work and the scheduled workday shall be determined by Client. While serving under this Agreement, SOS's employees shall provide said services at the direction of Client's applicable administrators and shall report directly to Client's applicable administrators. SOS's employees shall be responsible for the provision of such services and attainment of the specified results as are specifically communicated by Client's applicable administrators.

5. CLIENT'S RESPONSIBILITIES

18. SEVERABILITY; WAIVER

The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement. Any delay or waiver by a party to declare a breach or seek any remedy available to it under this Agreement or by law will not constitute a waiver as to any past or future breaches or remedies.

19. ASSIGNMENT

Neither SOS nor Client may assign this Agreement without the prior written consent of the other party. This Agreement will be binding upon the parties hereto, and their successors, heirs and assigns, as permitted.

20. INDEPENDENT CONTRACTOR

In its performance of this Agreement, SOS will at all times act in its own capacity and right as an independent contractor, and nothing contained herein may be construed to make SOS an agent, partner or joint venturer of Client.

As both TLC and HHSD have a vested interest in maintaining the quality and integrity of their respective programs, both parties agree to restrict their hiring of each other's staff during the performance period of this contract, unless both parties agree to a mutually acceptable exchange of personnel or compensation prior to said hiring.

8. 13. *Solicitation of Agreement*. TLC has not employed any person to solicit this Agreement and have not made and will not make any payment or any agreement for the payment of any commission, percentage, brokerage, contingent fee, or other compensation in connection with the procurement of the Agreement.

14. *Records*. TLC and its agents and employees understand that TLC and its employees will have access to certain student records and that "personally identifiable information" in those records is confidential and may not be disclosed without written consent of the parent or eligible student. TLC and its agents and employees understand that "personally identifiable information" as defined by the Family Education Rights and Private Act, 20 U.S.C. § 1232g, 34 C.F.R. Part 99 ("FERPA"), includes, without limitation, any information about a student maintained by HHSD, including any information that can be used to identify a student, such as student's name, the name of the student's parent or other family members, the address of the student or the student's family, the student's social security number, student number or biometric records, the student's date or place of birth, the student's mother's maiden name, and any other personal information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community who does not have personal knowledge of the relevant circumstances to identify the student with reasonable certainty.

    TLC and its agents and employees agree to comply with FERPA. Without limiting the foregoing, TLC, its agents and employees, agree to use the data and documents obtained, collected and created in the course of performing services under this Agreement or the personally identifiable information contained therein for no purpose other than to perform services under this Agreement for the student whose personally identifiable information is at issue. TLC and its agents and employees further agree not to share data or documents received during the course of performing services under this Agreement with any other person or entity. TLC and its agents and employees agree to maintain all data and documents and copies thereof, including any modifications or additions to the data or documents from any source that contains personally identifiable information of students, obtained in the course of performing services under this Agreement in a secure computer environment and not copy, reproduce or transmit data and documents obtained except as necessary to perform services under this Agreement. The ability to access or maintain data and documents shall not under any circumstances transfer from TLC and its agents and employees to any other institution or entity. TLC and its agents and employees agree not to disclose any data or documents obtained during the course of performing services under this Agreement in a manner that could identify an individual student to any other entity, and will not provide any data to any party ineligible to receive data protected by FERPA or prohibited from receiving data from any entity by virtue of a finding under Section 99.31(a)(6)(iii) of Title 34, Code of Federal Regulations.

    TLC and its agents and employees agree to preserve the confidentiality of any and all student records that they view or have access to during the course of performing services under this Agreement into perpetuity. TLC and its agents and employees will refrain from including personally identifiable information in any form of communication with anyone outside of HHSD, whether via email, instant messaging, fax, written correspondence or oral conversation. When conversing with HHSD employees or administrators about any students, staff, or schools during my analysis, TLC and its agents and employees will take all precautions to protect the confidentiality of all personally identifiable information. TLC and its agents and employees also agree to refrain from including any personally identifiable information obtained in any written report, with the exception of personally identifiable information related to the named-student plaintiff.

    TLC and its agents and employees further agree to destroy all data obtained when it is no longer needed for the purpose for which it was obtained and will not maintain data beyond the time period reasonably needed to perform services under this Agreement. All data and documents no longer needed shall be returned to HHSD or destroyed in compliance with 34 CFR Section 99.35(b)(2).

15. TLC certifies to HHSD that every TLC agent or employee that will perform services for HHSD under this Agreement has current Pennsylvania state and federal criminal history reports. TLC will provide the original criminal history

reports to HHSD and HHSD may retain a copy of the reports pursuant to the Pennsylvania School Code, 24 P.S. §1-111. Such criminal history reports shall be dated no earlier than one year prior to the date upon which they are presented to HHSD.

16. TLC certifies to HHSD that every TLC agent or employee that will perform services for HHSD under this Agreement has a current official child abuse clearance from the Pennsylvania Department of Public Welfare pursuant to the Child Protective Services Act, 23 Pa. C.S. §6355. Upon request from HHSD, TLC will provide the original clearances to HHSD and HHSD may retain a copy of the clearances pursuant to the Pennsylvania School Code, 24 P.S. §1-111. Such clearances shall be dated no earlier than one year prior to the date upon which they are presented to HHSD.

17. As a provider of contracted services, TLC shall notify the Superintendent any time that any of its agents or employees who are performing work on behalf of HHSD are either arrested or charged with a criminal offense. Such notice shall be provided in writing on form PDE-6004 and within seventy-two (72) hours of the arrest or conviction.

18. HHSD, at its sole discretion, shall have the right to elect to have all claims, disputes and other matters in question (collectively "Claims") between the parties arising out of, or relating to, this Agreement or the breach thereof decided by arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect. HHSD's election to arbitrate shall be specifically enforceable under the prevailing arbitration law. The award rendered by the arbitrators shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof. Any and all Claims that HHSD does not elect to arbitrate shall be subject to the exclusive jurisdiction of the Montgomery County Court of Common Pleas. In the adjudication or other disposition of any Claim arising under this Agreement and/or the services provided hereunder, whether through arbitration, court proceeding or otherwise, in addition to any other relief awarded, the prevailing party shall be awarded its reasonable attorneys' fees and costs incurred in connection with the Claim. For purposes of this paragraph, the term "costs" includes, without limitation, filing fees, arbitrator fees and expenses (if applicable), witness and subpoena fees, copying costs, messenger and delivery costs, transcript/stenographic costs and expert witness fees.

IN WITNESS WHEREOF, TLC and HHSD have executed this Agreement as of the date first above written.

MLC reserves all rights not expressly granted to District in these Terms.

4. Use Restrictions. District will not: (a) copy the Pilot Program Materials or MLC ES, other than making copies of limited pages or content for the sole purpose of implementation in the pilot classroom for District's internal evaluation of the Bridges curriculum; (b) modify, adapt, translate, enhance, or otherwise prepare derivative works of the Pilot Program Materials or MLC ES; (c) rent, lease, lend, sell, sublicense, assign, distribute, publish, transfer, or otherwise make the Pilot Program Materials or MLC ES available to any third party other than District employees for internal use to evaluate the Bridges curriculum; (d) use the Pilot Program Materials or MLC ES in any manner that infringes, misappropriates, or otherwise violates any intellectual property right, privacy right, right of publicity, or other right of any person or entity, or that violates any law; or (e) use the Pilot Program Materials or MLC ES to develop or provide a competing product or service, or for any other purpose that is to MLC's detriment or commercial disadvantage.

5. Return of the Pilot Program Materials. Within 120 days of the later of Pilot End Date or Adoption Decision Date, *if District elects not to purchase the Bridges curriculum*, District shall return all Classroom Packages to MLC; MLC will arrange and pay for return shipping. District agrees to pay the full price of each Classroom Package that is not returned. District does not have to return Student Books.

6. Disclaimer. THE PILOT PROGRAM MATERIALS AND MLC ES ARE PROVIDED "AS IS." MLC DISCLAIMS ALL REPRESENTATIONS, WARRANTIES, AND GUARANTEES, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, WITH RESPECT TO THE PILOT PROGRAM MATERIALS AND MLC ES. WITHOUT LIMITING THE FOREGOING, MLC SPECIFICALLY DISCLAIMS ALL IMPLIED REPRESENTATIONS, WARRANTIES, AND GUARANTEES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, VALIDITY OF RIGHTS IN, AND NON-INFRINGEMENT OF THIRD-PARTY RIGHTS. MLC MAKES NO WARRANTY OF ANY KIND THAT THE PILOT PROGRAM MATERIALS OR MLC ES IS SECURE, ACCURATE, COMPLETE, FREE OF HARMFUL CODE, ERROR FREE, OR UNINTERRUPTED.

7. Limitations of Liability. IN NO EVENT WILL MLC BE LIABLE TO DISTRICT OR ANY THIRD PARTY FOR DISTRICT'S USE OF THE PILOT PROGRAM MATERIALS AND/OR MLC ES, FOR ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE, EXEMPLARY, OR ENHANCED DAMAGES. FURTHER, IN NO EVENT WILL MLC'S AGGREGATE LIABILITY UNDER ANY LEGAL OR EQUITABLE THEORY EXCEED THE GREATER OF: (A) THE FEE; (B) FIVE HUNDRED U.S. DOLLARS ($500); OR (C) THE MINIMUM STATUTORY AMOUNT (IF APPLICABLE) PERMITTED BY LAW. DISTRICT ACKNOWLEDGES THAT MLC WOULD NOT HAVE PROVIDED DISTRICT WITH THE PILOT PROGRAM MATERIALS OR ACCESS TO MLC ES IF MLC WERE TO ASSUME ANY LIABILITY OTHER THAN THAT EXPRESSLY SET FORTH IN THIS SECTION.

8. General. The Bridges Pilot Program Agreement and these Terms and Conditions, constitute the entire agreement between MLC and District with respect to the subject matter hereof. Any amendments must be in writing and signed by both parties. The invalidity or unenforceability of any provision of these Terms in any jurisdiction, does not affect any other provision or the validity or enforceability of such provision in any other jurisdiction. Failure by MLC to enforce any provision of these Terms will not be deemed a waiver of MLC's right to enforce such provision in the future or to enforce any other provision. These Terms are governed by the laws of the State of Oregon, U.S.A., without giving effect to any conflict-of-law principle that would result in the application of any other jurisdiction's laws. District agrees that its breach or threatened breach of these Terms will cause MLC irreparable harm for which recovery of money damages would be inadequate; and District agrees that MLC will be entitled to injunctive relief to protect its rights, in addition to all other remedies available under these Terms, at law, or in equity. The rights and obligations in Sections 1(b) and 3 through 8 will survive expiration or early termination of these Terms.

MFMA FLOORING INSPECTION SERVICE

Since 1897, the Maple Flooring Manufacturers Association (MFMA) has served as the source for technical and general information regarding the manufacture, grading, installation, and maintenance of maple flooring systems. MFMA offers impartial inspection services in instances where parties involved in the installation and/or maintenance of MFMA maple flooring systems cannot resolve serious disputes and wish to obtain an additional outside opinion on the floor(s) in question.

The MFMA Flooring Inspection Service (the "Service") is intended for installation and post-installation problem assessment and evaluation. Separate guidelines for grade re-inspections are available from MFMA Headquarters. The following terms apply to the Service:

1. Inspections are strictly limited to grade-marked and stamped MFMA maple flooring manufactured by an MFMA Milling Company Member. The Service includes preparatory time in advance of the inspection, interviews with involved parties, the actual on-site inspection, and off-site follow-up. The inspector will report on all items/concerns identified by the party requesting the inspection (the "Requestor") and any directly related items. The inspector will not report on items not specifically noted by the Requestor in conjunction with the Pre-Inspection Check List below.

2. The on-site inspection covers grade, millage, and specie of the wood, condition of the maple flooring, condition of the subfloor and concrete slab (if viewing is requested and possible), examination of general site conditions, and a review of the floor sanding, sealing, court lining, and finishing. The final evaluation is based upon structural integrity, playability, and aesthetics.

3. **Prior** to scheduling the on-site inspection, the Requestor must send to the MFMA the relevant architectural specifications, photographs, correspondence, and any other documentation of the problem/concern (*e.g.*, job files) and system installation so that these items can be reviewed by the inspector in advance.

4. All the involved parties are encouraged to be present at the on-site inspection. This includes (but is not limited to) the owner, owner representative, architect, general contractor, flooring contractor, facility manager, and facility maintenance staff. The on-site portion of the Service can usually be completed in 3-4 hours. To maintain transparency, the MFMA requires that all involved parties be invited to attend the on-site inspection.

5. During the on-site inspection, the inspector will attempt to educate all parties on the care and maintenance of MFMA maple flooring systems.

6. The written inspection report (the "Report") will be issued within four weeks after the on-site inspection. The Report will be presented to the Requestor as well as the owner or owner's representative, the flooring contractor, and the flooring manufacturer. The Report focuses on observations made during the on-site inspection and will consider all information submitted regarding the floor. The overall goal with each Report is to provide the appropriate corrective measures to return the floor to its proper condition, if applicable. If necessary, the inspector will also recommend rejection of the floor if serious issues exist that cannot be remediated with reasonable corrective measures.

7. The role of the MFMA on-site inspector is to obtain facts and observe the condition of the floor. Final observations will be made in writing only - **no opinions will be offered until the Report is issued.**

8. The Report contains the opinion of the inspector for informational purposes only, and MFMA disclaims all warranties, expressed or implied, with respect to the Report. Any recommendations in the Report are suggestions only, and the Requestor and other involved parties are solely responsible for any decisions with respect to the floor following the issuance of the Report and for the performance of the floor following any decision to implement or not implement any recommended corrective actions contained in the Report. MFMA's aggregate liability with respect to any claims by the Requestor shall not exceed the amount paid by the Requestor to the MFMA for the Service. In no event shall MFMA be responsible for any incidental or consequential damages (including, without limitation, indirect, special, punitive, or exemplary damages or damages for loss of business) arising out of the Service, including any on-site inspection or the content of the Report. The Requestor shall defend, indemnify, and hold harmless the MFMA and its employees and agents from and against any third-party claims arising out of or related to the Service or the content of the Report.

9. The fee for the Service is $3,000 plus travel-related expenses. MFMA requires a $3,850 deposit in advance, unless MFMA agrees in writing otherwise. The deposit covers the $3,000 Service fee and anticipated travel expenses. If travel expenses total less than $850, a refund will be issued for the difference. If travel expenses exceed $850, an invoice will be issued to the Requestor for the balance. The invoice will detail all expenses incurred by MFMA in conducting the on-site inspection and must be paid in full before the Report is issued.

10. In order to schedule the Service, please complete and submit the items contained in the checklist attached.

Authority

The Board has the authority to impose limitations on students' dress in school. The Board will not interfere with the right of students and their parents/guardians to make decisions regarding their appearance, except when their choices disrupt the educational program of the schools or constitute a health or safety hazard.[1] [2]

Students may be required to wear certain types of clothing while participating in physical education classes, technical education, extracurricular activities, or other situations where special attire may be required to ensure the health or safety of the student.[2]

Authority

Administrative, professional and support employees set an example in dress and grooming for students and the school community. Employees' dress should reflect their professional status and encourage respect for authority in order to have a positive influence on the district's programs and operations.

The Board has the authority to specify reasonable dress and grooming requirements, within law, for all district employees to prevent an adverse impact on the educational programs and district operations.[1]

The Board directs compliance with Board policy and law prohibiting discrimination, including but not limited to protections addressing:

1. . Protective hairstyles, including but not limited to hairstyles such as locs, braids, twists, coils, Bantu knots, afros and extensions.

Support employees may be required to wear a designated work uniform and utilize safety gear when performing assigned duties.
