*On this calculation, round any decimal to the next whole number.
 (Example: 21.35 would round up to 22)

The number of meals claimed by category CANNOT exceed the figures reported on lines E, F or G on any given day. If the number of meals claimed by category exceeds the figures on lines H, I or J on any given day, those meal counts MUST be circled above and the reason for the discrepancy MUST be documented either at the bottom or on the back of this page.

*Students who change categories during the month should be included in both categories.
 Retain this record at school for three years.
