3. **Consent Agenda** — Meeting Minutes, the Financial/Business Reports, the Certified Contracts for the 2026-27 school year, the Certified Resignations/New Hires (as presented or with the noted changes/additions), and the 2nd Read/Adoption of Policies 5401 & 4003 (Policy 9320)
4. **Action Items** (Policy 9320)
  - 4.a. Curriculum & Instruction — High School Class Offerings & Sharing Offerings with Wausa Public Schools
    - What is the current status of the conversations between BHS and WPS?
    - What are the numbers of BHS and WPS students participating? In what course offerings are the students in need?
    - Is this the least restrictive method for BHS/WPS to offer these classes to our students?
    - Does the cost of offering an accredited online class for our students really make it more expensive for the district than the transportation costs and our students' safety when our district does not have the personnel to teach the class in partnership with WPS?
    - Could BPS reassign current staff members to meet our students' course needs?
    - Are we bound to this agreement with WPS?
    - Do BPS and its BOE need to further study our students' course needs for now and in the future? Keeping in mind the urgency of student needs.
  - 4.b. School Lunch — Discussion of **lunch, milk and breakfast prices** for the upcoming 2026–27 school year with action to set prices
  - 4.c. Policy Updates from Perry Law Firm — Perry Law Firm has revised and updated several policies to reflect needed changes as dictated by legislative actions.

- 4.d. PTO Bank Leave Request Sheila Lange has requested to use 3 days from the 25-26 PTO bank this year. She has exhausted all of hers and may need additional days to recover from a tonsillectomy. ### **Milk Escalator / De-Escalator Pricing Clause (DFA Supplied)**

The pricing quoted is based on **May's 2026** Federal Milk Marketing Order for Class I Skim and Class I Butterfat. This pricing is subject to change as the cost of raw milk changes each month according to the USDA Federal Milk Market Price Announcements and Dairy Farmers of America.

The cost of milk fluctuates up and down each month based on the cost changes in raw milk. Changes of a minimum of \$.10 per CWT (up or down) will move the cost of a half pint \$ .00054.

Prices will also be adjusted up or down based on cost changes in packaging, ingredients, labor, fuel, juice concentrate, re-sale products (ex. Tropicana, Sport Shake), etc. Supporting documentation will be supplied upon request.

All price changes will become effective on the 1<sup>st</sup> day of the month following the price announcement.

Special Education BOE Report  
May 18th, 2026

- 1) Received feedback from NDE on our Focused Monitoring. We were given items that will need to be addressed. We have made changes already to our processes and are continuing to work with ESU#1 to ensure we continue to stay compliant.

# Technology Report

Date: May 18th, 2026

- State testing went very smooth this year on the chromebooks and iPads, many schools had issues with MacBooks as we had in the past.
- We will have a work study student from Wynot coming through a Vocational Resource company this summer. They are paid through that VR program and will help in some day to day work and gain some experience. Plan is to have them start June 1st and the tentative schedule is to have them ½ days on Monday, Tuesdays (alongside our ESU support) and Thursdays. This will stop at the end of July and the student will not have access to any privileged information instead will be dealing mostly with hardware.
- Final LAN manager meeting had an accessibility company give a pitch for their product as well and they offered a trial for some of us. This is a growing concern with full restrictions about a year out and it sounds like there are several companies looking to take advantage but some schools such as Walthill see these companies as “extra insurance” for \$2,500 a year for their accessibility checkers if it means they take the blame if the school gets sued.
- We met with a couple of camera vendors and have explored going a couple of different routes but nothing decided as of yet
- Wakefield and the ESU had a bit of a security breach so be careful of any emails you receive from them

## Summer Projects

- Mounting new endline hudl camera. This may be used in broadcasts if there is students or staff willing to switch between the cameras, but will primarily be used for scouting
- Updates on staff devices (laptops, smartboards, mac minis on the smartboards)
- Prep student devices
- Website updates (different athletics and activities)
  - We pay for unlimited trainings for staff and students for thrillshare which I just recently found out so I am hoping to get the different activity sponsors to take advantage of that so we can get our website built out more for this
- PowerSchool rollover
- Perform some maintenance and cord management on some of our elementary charging carts
- AND SO MUCH MORE!

# April/May Board Report

## **1. ACT**

ACT testing went well. The kids were focused and we do have the results back. ACT has sent student reports and they will be mailed home this week. We will share them with the staff on Wednesday at our data retreat and then Klint will discuss them with you next month. I will be in California.

**2. ASVAB**-The sophomores took the ASVAB and our recruiter Saul Ortiz came to discuss the results. He had them complete career exploration activities and review the juniors' information from last year.

## **3. Schools PLP instead of APEX**

Schools PLP is an online course model. This company has bought out APEX which we used for credit recovery. I am impressed with the format-students have to watch the videos before they can go on to the assignment. There is no fast forward button either. Grade/progress reports are sent to teachers, administrators, parents and students every Monday morning. There is a chat tutor called "Busy Bee" if the students have questions about their assignments. Depending on what we use the program for, there are several perks.

## **4. Professional Development for this summer:**

- a. Tomorrow-CPI Training
- b. Mental Health Conference next week
- c. Leadership Conference-June
- d. Administrator Days-July

## **5. Graduating Class**

I am proud to report that all 17 of our graduating seniors applied for the FAFSA. One student's parent has not completed the parent portion but the students have all completed theirs. If you did not attend graduation we have 11 students attending NECC-6 of them plan to transfer on to four year colleges to finish their degrees, 1 attending Haskell Indian Nations University-then transferring to K-state, 1 interested in the Military, 1 attending Southeast Community College in Sioux Falls, 2 attending WSC, and 1 attending Mount Mardy. I am excited to see where their futures take them.
