Good morning Deb. I'm emailing you to let you know that I will not be able to make the July 20th meeting and asking to be excused. I have a conference in Florida. I'm In agreement and excited about the new hire of the FFA advisor. I really like that she is a local hire with young kids. I also like the hiring of a new bus driver 😊 .

Thanks Casey.

NEBRASKA OPEN MEETINGS ACT

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; virtual conferencing authorized; requirements; emergency meeting without notice;

appearance before public body; applicability of section.

(1)(a) Except as provided in subsection (9) of this section, each public body shall give reasonable advance publicized notice of the time and place of each meeting by a method designated by each public body and recorded in its minutes. Such notice shall be transmitted to all members of the public body and to the public.

(iii) Failure to comply with subdivision (1)(b)(i) of this section shall not cause any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken at a meeting of the public body to be void or voidable.

(c) For a public body that decides to publish notice in a newspaper of general circulation within the public body's jurisdiction to meet the notice requirement in subdivision (1)(a) of this section, in case of refusal, neglect, or inability of the newspaper to publish the notice, the public body shall (i) post such notice on its website, if available, (ii) request the newspaper submit a post on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers, and (iii) post such notice in a conspicuous public place in such public body's jurisdiction. The public body shall keep a written record of such posting pursuant to subdivision (1)(c)(i) and (iii) of this section and a written record of the request to the newspaper pursuant to subdivision (1)(c)(ii) of this section. The record of such posting shall be evidence that such posting was done as required and shall be sufficient to fulfill the requirement of publication.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. Good afternoon, everyone!

I wanted to send out a quick reminder that **NPERS retirement contribution rates have decreased once again** and this change will be reflected beginning with **July's payroll**. So, if you notice a few extra dollars in your paycheck, that's why!

As a reminder, the new contribution rates for plans that are **100% funded or greater** are:

Contribution Type	New Rate
Employee Contribution	7.25%
Employer Contribution	7.3225%
State Contribution	0.00%

For reference, I've included the NPERS contribution rate chart showing all contribution levels based on the plan's funded status.

I hope you're all having a wonderful summer! The **first day of school is right around the corner**—enjoy these last few weeks, and we'll see you soon! 😊

Thanks,

Samantha Fehringer

Bylaws of the Board - Meetings

All meetings of the Bloomfield Community Schools Board of Education are open to the public. These meetings are scheduled to begin promptly at 6:30 p.m. in a location designated by the board president and the superintendent within the district.

The First and Third Mondays of the month are designated for Regular and Committee of the Whole meetings.

Types of meetings:

Regular - Regular meetings occur at fixed intervals. They are designed for the regular transaction of business, addressing ongoing matters, and making decisions relevant to the organization. Regular meetings follow a defined structure, often with an agenda, minutes, and a set process for conducting business. Regular meetings are an integral part of the board's routine operations.

Committee of the Whole - A Committee of the Whole is a parliamentary procedure in which all members of the Board of Education meet as a single committee to discuss the district's business. This allows for more informal and open discussion than in a regular session, with relaxed rules and a smaller quorum requirement.

Special - The meeting is called for a defined agenda, with a limited scope of topics. It's usually convened to deal with issues that cannot wait for the next regular meeting. Special meetings require prior notice, outlining the purpose and agenda. Action taken at a special meeting is usually restricted to the matters outlined in the notice. A quorum of members is necessary for conducting business.

A quorum of members is necessary for conducting business.

Working - A working meeting is a collaborative session where participants shift from simply listening to a presentation to actively drafting, reviewing, or problem-solving. Educators, staff, or parents use this time to build consensus, analyze student data, or collaboratively construct official documents.

Emergency - An emergency school board meeting is a special meeting convened to address urgent, unexpected issues that require immediate attention. These meetings are held outside the regular schedule. They must be called under specific circumstances, such as an immediate threat to public health or safety, or a situation that demands rapid decision-making. The meeting must comply with all relevant open meeting laws, including providing the public with notice, although the notice period is often much shorter than for a regular meeting.

In Nebraska, an emergency school board meeting may be held without the "reasonable advance publicized notice" generally required, but the public body must still use a designated method to provide what notice is possible under the circumstances. The law defines an emergency as an event or circumstance that calls for **immediate action or remedy**. The meeting notice was published on the Knox County News website, on the state public notice website and will be published in this week's newspaper to meet the state statute for emergency meetings.

Americanism Civics

Americanism Civics meetings are held twice a year as a public meeting. It is composed of three members of the school board and the district's Social Science teachers. Its primary purpose is to ensure that the school district's social studies curriculum promotes the ideals, values, and principles of American constitutional democracy and civic competence.

RE: SPARQ Publishing Update

Date: 07/16/26

FROM: Deb Wragge, BOE President

There have been several recent conversations and emails with Lindsey Hendericks at NASB *SPARQ Publishing*. These conversations have been very profitable and have included, but have not been limited to:

1. Currently, on the BCS site **on SPARQ Publishing, there are two folders:**
 - a. One is the *Perry Law Firm Policies*, which the district currently uses as its base resource for District Policies.
 - b. The other is the *Bloomfield Community Schools' Current Approved Policies*.
 - c. The **ultimate goal** is to merge the two folders into a single folder that will serve both entities.
 - i. When the Perry Law Firm and the Bloomfield Community Schools policies are merged, Perry Law Firm will notify the BOE and Administration of revisions, edits, and additions in redline format in the common folder for the BOE's review, editing, and adoption, with a notice to the BOE president and the Administration.
 1. This will be the process from now on.
 - ii. The intention is that this newly adopted process will speed up notice and action by both parties.
 - iii. After the BOE has adopted the Perry Law Firm policies, the editor(s) will make the noted changes in the Publishing site, download a copy of the policy(ies), and post the current policy to the SPARQ Meetings for BOE, District, and public access and review.
 1. It is a District responsibility to keep the policies posted on the SPARQ Meeting current and relevant.
2. When the Bloomfield site was created, the posted policies *were the same ones previously submitted to SPARQ Meetings* when the District first subscribed to the software and service. A request was made **to replace the Bloomfield Community Schools Policies**.
 - a. Those *policies have been replaced by the District's current policies*.
3. A **clarification was needed as to who/whom has editor rights** in *Publishing*.
 - a. Those individuals are Todd Strom, Superintendent; Deb Wragge, BOE President; Heather Gubbels, Administrative Assistant; and Samantha Feringer, Business Manager.
4. The **NEXT STEPS for the District** to fully utilize the *Publishing* system are as follows:
 - a. First, the editors must verify and, if necessary, revise the policies posted in the Bloomfield Community Schools (current) folder in *Publishing* for accuracy and content.

- i. To aid in the work of the editors, SPARQ Publishing and Perry Law Firm have provided the following spreadsheet: [2026 SOP - Perry Master - Instances of \(Name\) to replace or review](#)
 - b. Next, notify Lindsey Hendericks at NASB SPARQ Publishing **that the District verification is complete.**
5. **After these steps are complete,** the BOE and the District will be able to fully utilize the *Publishing* system. Then, Lindsey Hendericks will reload the approved policies to the District SPARQ Publishing Bloomfield Community Schools.

I have started summer school transportation for the month of July. Drivers Ed is also coming to a close.

We are adding a short route that will include transporting our children that we need the lift for. This also allowed me to streamline our other 3 routes as they were very lengthy (timewise). I think this will make routes more efficient. Time will tell.

We added a new driver, Sheri Plumbtree. She will drive the west route.

Summer work on the small and large fleet continues. All buses have been serviced and I am in the process of pulling all wheels checking suspension, brakes and tires. The small fleet has been getting serviced and checked over as needed. The small fleet has been very busy for the last two months w/ GBB camps, VB camps and BBB camps. there have been many other trips sprinkled in. The Coach has been to Navigator and is serviced and ready for the year, it has also been to football camp in Wayne.

Respectfully submitted,
Kevin K. Millikan
