Student Fees

The school district shall provide free instruction in accordance with the Nebraska State Constitution and the Nebraska statutes. The district also provides activities, programs, and services that extend beyond the minimum level of constitutionally required free instruction. Under the Public Elementary and Secondary Student Fee Authorization Act, the district is permitted to charge students fees for these activities or to require students to provide specialized equipment and attire for certain purposes. This policy is subject to further interpretation or guidance by administrative or board regulations. Students are encouraged to contact their building administration, their teachers or their coaches, and sponsors for further specifics.

A. Definitions.

1. "Students" means students, their parents, guardians or other legal representatives.
2. "Extracurricular activities" means student activities or organizations that (1) are supervised or administered by the district; (2) do not count toward graduation or advancement between grades; and (3) are not otherwise required by the district.
3. "Post-secondary education costs" means tuition and other fees associated with obtaining credit from a post-secondary educational institution.

B. Listing of Fees Charged by this District.

1. Guidelines for Clothing Required for Specified Courses and Activities.

Students are responsible for complying with the district's grooming and attire guidelines and for furnishing all clothing required for any special programs, courses or activities in which they participate. The teacher, coach, or sponsor of the activity will provide students with written guidelines that detail any special clothing requirements and explain why the special clothing is required for the specific program, course or activity.

2. Safety Equipment and Attire.

The district will provide students with all safety equipment and attire that is required by law. Building administrators will assure that (a) such equipment is available in the appropriate classes and areas of the school buildings, (b) teachers are directed to instruct students in the use of such devices, and (c) students use the devices as required. Students are responsible for using the devices safely and as instructed.

3. Personal or Consumable Items.

The district does not provide students with personal or consumable items for participation in courses and activities including, but not limited to, pencils, paper, pens, erasers and notebooks. Students who wish to supply their own personal or consumable items may do so, as long as those items comply with the requirements of the district. The district will provide students with facilities, equipment, materials and supplies, including books. Students are responsible for the careful and appropriate use of such property. Students will be charged for damage to school property caused by the student and will be held responsible for the reasonable replacement cost of any school property that they lose.

4. Materials Required for Course Projects.

The district will provide students with the materials necessary to complete all basic curricular projects. Attached to this policy is a list of the fees charged for particular activities. G. Student Fee Fund.

The school board hereby establishes a Student Fee Fund. The Student Fee Fund shall be a separate school district fund that will not be funded by tax revenue, and that will serve a depository for all monies collected from students for (1) participation in extracurricular activities, (2) post-secondary education costs, and (3) summer school or night school courses.
