October 22, 2024

Dear Leyton Public Schools,

After thoughtful consideration of all our options for our family, I have made the difficult decision to resign from my position as a first grade teacher at Leyton Elementary, with December 20th, 2024 being my last working day. I am writing to inform you officially and provide sufficient notice for a smooth transition.

My reason for resigning is due to my husband's new job near the Grand Island area, making my commute to Leyton impractical for me to continue working. While I have thoroughly enjoyed my time at Leyton and all the opportunities given to me to do what I love and to shape young minds, this decision is unavoidable.

I want to express my deepest gratitude for the support, guidance, and professional development opportunities provided by the school administration and staff during my tenure. I have truly loved working at Leyton. I have grown both personally and professionally. Seeing how committed and dedicated the teachers, staff, and administrators are have made this school an exceptional learning environment for all. Just knowing I was part of such a team for 5+ years is an honor I will cherish for years to come.

I hope to ensure a smooth transition. Please let me know how I can help facilitate this process.

Once again, I will have fond memories of my time as a Warrior and cherish the relationships I have built with my students, parents, and colleagues. I am confident, even in my absence, that Leyton will continue to thrive and make a positive impact on the lives of its students.

Thank you for your understanding and support in this matter. I wish all of Leyton the best for the future. You will be missed.

Sincerely,

Amy Thacker
