# NEBRASKA OPEN MEETINGS ACT

**84-1407. Act, how cited.** Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

**84-1408. Declaration of intent; meetings open to public.** It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

**84-1409. Terms, defined.** For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

**84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.**

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1) (a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

The public will not be able to view or participate in the meeting while the board is in executive session, and will be required to leave the meeting during the pendency of executive session. ## 2025-26 Teacher Vacancy Survey Report Summary

The Nebraska Department of Education (NDE) conducted the 2025-26 Teacher Vacancy Survey in the fall of 2025. All public-school districts, nonpublic school systems and Educational Service Units (ESU) have been included in the collection of data. For purposes of this report, the ESU data has been combined with the public-school data (district) while the nonpublic data (system) is combined with them into the total counts. This summary shows the totals. For the separate district and system counts, see the full report.

The survey of all 434 Nebraska districts/systems (261 PK-12 public school districts and ESUs, and 173 nonpublic school systems) in the state requested the following information:

- The number of districts/systems that could not find fully qualified teachers\* to fill positions;
- The endorsement areas of the positions that were unfilled\*\*;
- The reasons why the applicant pool was not sufficient; and
- What the district/system did to address the unfilled positions.

The overall response rate climbed to **81.80%**, marking the strongest participation the survey has ever received. \*ESL/ELL are traditional shortage areas for federal consideration, so Nebraska recognizes them as well.

Overall, there were 135 districts/systems reporting unfilled positions, or 38.03% of the returned sample, at the beginning of the 2025-26 school year.

Districts/systems reported 489.70 positions as unfilled with fully qualified personnel, and 111.40 left vacant for 2025-26. Of the 489.70 unfilled positions, 123 positions (25.12%) were in districts/systems with **less than 500** students.

For the purposes of this survey:

**\*Fully qualified teacher** is an individual who holds an Initial, Standard, or Professional Nebraska teaching certificate with the appropriate endorsement for the assigned class and the professional attributes sought by the school district.

**\*\*Unfilled** refers to a position that was filled by someone other than a fully qualified teacher **or** a position that was left vacant.

**\*\*\*Vacant** refers to a position that was not filled at all – i.e., in Special Education of the 140.00 unfilled positions, 97.5 have teachers and 42.50 were left vacant.

The survey offered solutions from which districts/systems could choose from when identifying how they solved the dilemma of unfilled\*\* positions. The most frequently reported solutions for unfilled positions include: “Position was not filled” (20%); “Hired a person who holds a provisional permit in the content area” (17%); “Hired a person NOT appropriately endorsed in the content area” (14%); and “Used substitute teachers” (11%). For further information, see Tables 10a-c in the full report.

Of the 17 endorsement shortage areas, six have been designated shortage areas each year for the last 15 years: Language Arts, Mathematics, Science, Special Education, Speech-Language Pathology, and World Language. In addition to these, 8 others have been designated shortage areas each of the last five years: Career Education Areas; Art; Early Childhood Education; Health and/or Physical Education; School Counselor; School Library; School Psychologist; and Music/Instrumental/Vocal.

Find the full report at <https://www.education.ne.gov/educatorprep/teacher-shortage-survey/>. Tables included in the Report Summary combine public and nonpublic system responses. The full report provides an analysis of public and nonpublic in separate tables as well.

### Superintendent Board Report

February 9, 2026

1. Evan and I attended the P2T board meeting on Monday, January 19<sup>th</sup> in West Point. We had 14 students attending this last fall and currently have 7 attending this semester. Reasons our students gave for not going back: 1 moved, 1 finished the health classes she wanted to take through the program for this year and will return next year, 2 were unsuccessful in their academics and had to return, 2 finished the semester long construction course and didn't want to switch to welding, and 1 didn't like the IT path, it wasn't for him.
2. Mr. Vlach and I attended the legislative conference in late January in Lincoln. There are handouts available for you to review.
3. I have shared the 2025-26 Nebraska teacher shortage report that highlights the shortage areas across the state.

*Bill Review: Chad is scheduled for March and Jim is scheduled for April.*
