Meeting Overview: Insurance Broker Presentations

The Board of Education is hearing presentations from two insurance brokers: **Don Hinch and Associates** (current broker) and **Gallagher**. Board members were provided with folders and a rubric to evaluate both companies.

Don Hinch and Associates Presentation

Presenter: Missy Kerley (Managing Partner)

Company Overview & Local Roots

- **Profile:** A local, family-owned legacy business operating since 1964, specializing in life, health, dental, and disability products.
- **Location:** Located in downtown Crossville in the historic Taylor Hotel building.
- **History with the Board:** The agency has served as the broker for the Cumberland County Board of Education and Cumberland County government for over 37 years, and the city of Crossville for over 30 years.

Core Team & Experience

- **Melissa (Missy) Kerley (Managing Partner):** 25 years of experience working directly with the Board of Education.
- **Tonya Hinch (Consulting Partner):** 20 years of experience with the Board.
- **Jean Gabb (Customer Support Coordinator):** 13 years of experience with the Board; brings 18 years of prior HR experience to assist with administrative and billing issues.
- **Brenda Hinch (Community Support):** Lifelong Crossville resident and wife of the agency's founder.

Products & Carrier Partnerships

- **Products Managed for the Board:** Dental, vision, and voluntary products (life, AD&D, cancer, accident, critical care, short-term, and long-term disability).
- **Carrier Networks:** Partnered with major carriers (e.g., BlueCross BlueShield of TN, United Healthcare, Delta Dental, USable, Davis Vision). They strictly vet carriers to ensure strong, sustainable local provider networks so employees don't have to travel for care.
- **Compensation:** The agency is paid directly by the insurance carriers. They accept zero compensation from the Board of Education, county government, or individual employees.

Key Services & Support Features

- **Open Enrollment:** Conducts a one-week, 13-location blitz alongside carrier representatives to meet with employees one-on-one, update coverage, change beneficiaries, and troubleshoot past claims.
- **Direct Access & Availability:** Avoids automated 800-numbers; employees and HR/finance staff are given direct cell phone numbers. They typically respond to inquiries within 30 minutes and aim for a 24-hour resolution. They routinely work early, late, or on weekends to accommodate schedules.
- **Tech & Payroll Integration:** Carrier systems integrate directly with local government payroll. Open enrollment changes are transmitted digitally or via paper straight to the finance department.
- **Billing Reconciliation:** Jean Gabb works closely with the finance department to proactively research and resolve invoice discrepancies and ensure initial billing accurately reflects enrollment updates.
- **COBRA & Portability Support:** Directly assists eligible employees with the documentation required to continue Delta Dental benefits under COBRA, or to port USable products (like cancer insurance) after separating from employment.

Presentation Overview: Gallagher

Presenters: Wes Dozier and Marissa Combs Smith (former attorney, transitioned to insurance in 2015).

The presenters provided three pieces of material to the board: a copy of the county's informational request, a PowerPoint presentation matching those bullet points, and a detailed narrative response as a "leave behind" for later review.

Firm Overview & Market Position

- **Company Profile:** Gallagher is a large global firm founded in 1927, currently approaching its 100-year anniversary with over 70,000 employees worldwide.
- **Local Evolution:** The agency originally operated locally as Five Points before merging with Gallagher in December 2021.
- **Local Team:** Despite its global size, the team serving the board is local to Tennessee, with offices in Nashville and Knoxville. They have a dedicated 20+ person team focused strictly on the public sector.
- **Existing Connection:** Wes Dozier has previously worked with Cumberland County Schools on a health plan and budgeting analysis tool. He noted that the state insurance committee recently released new rate increases, which they will use to update their study for the board.

Public Sector & School System Experience

Gallagher highlighted their deep alignment with K-12 public education networks, supporting organizations like the Tennessee School Boards Association (TSBA), the Tennessee Association of School Business Officials (TASBO), and the Tennessee Organization of School Superintendents (TOSS).

Regional Client Scope

- **National Reach:** Over 6,300 K-12 customers nationwide overseen by a dedicated vertical leader.
- **Regional Reach:** Over 45 clients within a 100-mile radius of Cumberland County, including 16 school system clients with employee counts over 750 lives.
- **Local Clients:** Rhea County Schools & Government, White County Schools & Government, Bledsoe County Schools & Government, and Overton County Schools.
- **Consolidated Finance Expertise:** Specific experience working with "Act 81" consolidated school and county finance departments, including Jefferson, Monroe, Robertson, and Henderson counties.

Strategic K-12 Partnering

The presenters emphasized that their dedicated K-12 vertical performs annual benchmarking to help schools navigate modern challenges, which they described as "death by a thousand cuts." They actively look at how benefit solutions intersect with broader organizational health issue issues, such as:

- Budget constraints and teacher shortages.
- Integrating new tools like AI into both learning and administrative operations.
- Effectively communicating with highly stressed, busy employees.

Recent Success Story: Roane County Schools

To illustrate their implementation capabilities, they highlighted their recent onboarding of neighboring Roane County Schools (signed in December 2025).

- **Minimal Employee Disruption:** Gallagher did not alter any plans. After evaluating the dental program, they benchmarked the rates and advised the school system to stay with their current setup because a move wasn't financially worth the disruption.
- **Seamless Transition:** Roane County utilizes the same USable Life products as Cumberland County. Gallagher took over via an "Agent of Record" letter, which required zero changes or stress for the employees while lifting the administrative burden off the staff.
- **Next Steps:** They are scheduled to host group education meetings this upcoming fall to walk employees through changing state health plans and voluntary benefits.

Value-Add Differentiators vs. Baseline Services

The presenters drew a contrast between baseline broker functions and the unique, value-add package (referred to as "the green side") that Gallagher provides.

- **National Footprint & Carrier Scale:** Their deep carrier relationships allow them to lobby or quickly coordinate plan changes to align with state-level legislative shifts.
- **Legal & Policy Coordination:** Marissa Smith highlighted her legal background, citing an example of how she immediately researched how the newly passed Paid Parental Leave (PPL) policy would coordinate with existing short-term disability policy payouts.
- **Commitment to Small Districts:** Every client, regardless of size, receives this same high tier of service.

Specialty Services & Strategic Innovations

Shared Employee Clinics

- Gallagher has extensive experience evaluating and putting together shared employee health clinics.
- **Local Example:** They implemented a shared-site clinic model for Warren County Schools and Government. This clinic helped employees receive care and return to work faster, while also handling workplace administrative needs like employee drug screenings.

My Benefits Channel Partnership

- Gallagher maintains a formal partnership with the platform My Benefits Channel.
- Cumberland County Schools already utilizes this vendor to some extent, and transitioning under Gallagher's package could yield cost savings or give the school district the ability to reallocate funds toward other platform apps.

Transparency, Contracts, and Board Counsel Alignment

Total Compensation Disclosure

- A core philosophy for Gallagher is absolute financial transparency. They fully disclose all insurance commission percentages and lines managed (such as USable, dental, and vision products) on an annual basis.

One-Year Contracts & Pre-Vetted Terms

- Gallagher does not lock clients into long-term contracts; they use standard one-year agreements initiated by an Agent of Record letter.
- **Pre-Vetted by Board Attorney:** Because Gallagher shares multiple overlapping school board clients with Cumberland County's board attorney (Chris), their proposed contract has already been reviewed. They actively present a pre-redlined version that mirrors his previously approved changes to streamline the legal process.

Scope of Costs & Services

The presenters outlined exactly what is covered in their core service package versus external costs:

Service / Tool	Cost Structure	Notes
State Health Plan Support	$0 (No Cost)	Promised to all school districts via their TSBA commitment.
My Benefits Channel (Premium Apps)	$99 / year	Flat annual rate for the district's premium benefits package (not per person). Optional "buy-up" apps are available at the district's discretion.
Compliance & Legal Support	Included in package	Provides ongoing HR education regarding FMLA, PPL, ADA, and FLSA.

Clarification on Legal Counsel: Gallagher explicitly noted that they never act as board counsel. Instead, they leverage their benefits expertise to prepare and brief the board's attorney on complex insurance nuances, allowing the attorney to give the most complete legal advice possible.

Procurement Law, Team Structure, and Service Commitments

Compliance with Public Bidding Regulations

- The presenters noted that recent legal changes dictate that while broker services do not need to be bid on, any insurance plans where the district contributes to the cost must be publicly bid.
- The Comptroller’s office has been issuing audit findings for non-compliance. Gallagher stated that they have extensive experience with public procurement and will publicly bid any cost-shared plans at the next rate increase to keep the district compliant.

Account Management Structure

- **Local Contacts:** The day-to-day team includes a designated account manager based on fit/proximity, along with relationship consultants including Knoxville-based staff and Sandra Lindsay.
- **Accountability:** The presenters emphasized that "the buck stops with Wes and Marissa," and they will remain directly engaged and accountable.
- **Response Windows:** Urgent issues are resolved the same business day; routine matters are handled within one business day. Administrative teams will have 24/7 direct mobile access to the core leadership team.

Employee Education & The "Total Compensation" Strategy

Plan Cost Coaching

- While Gallagher supports the district's high-level medical plan budgeting, they focus heavily on employee-facing group education meetings in the fall.
- They run real-world cost scenarios (e.g., managing diabetes, having knee surgery, having a baby) comparing premium deductions against out-of-pocket copays.
- This "hand-holding" approach is designed to help non-certified staff (like bus drivers and maintenance workers) maximize their money. For example, coaching them on when to use a Flexible Savings Account (FSA) rather than paying for a separate vision plan.

Total Compensation Statements

- To help the district combat losing employees to neighboring regions like Putnam or Roane County, Gallagher provides Total Compensation Statements. These illustrate the full financial value of the employer-paid benefits package beyond just a base paycheck.

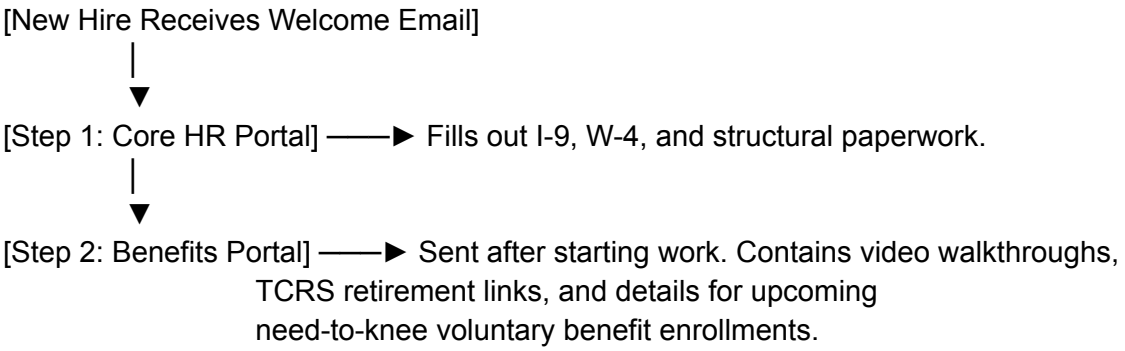

Technical Integration & Automated HR Onboarding

Payroll and Benefit Administration (Ben Admin)

- Gallagher's administration tools integrate directly with the district's current Local Government payroll platform.
- **Invoice Reconciliation:** They provide monthly or quarterly bill reconciliation services for non-medical plans at no cost to serve as a "belt and suspenders" check for the finance department.

The $99 Automated Onboarding Flow

The core $99/year package includes a multi-step digital onboarding portal designed to streamline central office tasks and ensure clearances are recorded before a new hire enters a school building:

- **Premium Plus Options:** Broad administrative tools like digital teacher contract processing or PO requisition mobile apps are available at a steep discount as optional "buy-ups."

Transition Plan & Regional References

- **Zero Employee Disruption:** If selected, all core voluntary benefits (USable, Delta Dental, Davis Vision) will remain exactly as they are. The change is strictly administrative and will move entirely at the district's preferred pace.
- **Local References:** Detailed reference letters were provided from Gail (Finance Director for both Monroe County Government and Schools) and Chad (White County Government).
- **Recent Onboardings:** Reference letters from Houston County Schools and neighboring Roane County Schools were included. Roane County's letter notes that despite only being in a six-month relationship, the Gallagher team consistently "goes the extra mile."

This concluded the insurance presentations.

Agenda Item: Personnel & Board Evaluations

1. Superintendent/Director Evaluation Packets & Evidence

The DOS presented the physical folders and a binder compiled for her annual evaluation.

- **Evaluation Framework:** The evaluation structure was co-created alongside Ms Stout and the Tennessee School Boards Association (TSBA). It incorporates various components and operational goals pulled directly from the district's Strategic Plan.
- Structure of the Packet:
    - **Appendix A:** Contains 19 performance indicators.
    - **Appendix B:** Contains 4 indicators.
    - **Core Focus Categories:** Community Relations (4 indicators), Staff and Personnel Relationships (4 indicators), Management and Operations, Student Achievements, and Performance Objectives Number Two.
- **Evidence Notebook:** A master binder containing physical, verifiable proof of completed actions (e.g., printed email records confirming specific outreach) was provided. To conserve resources, only one comprehensive master notebook was produced.
- **Logistics:** Board members are instructed to review the master evidence binder in Ms Diane’s office rather than taking it home. A private room will be provided for those wishing to flip through it.

2. TSBA Evaluation Surveys & Deadlines

- **Survey Collection:** The TSBA has electronically distributed the evaluation surveys to administrative staff and board members. The comprehensive summary items provided by the DOS were also submitted to Macie at the TSBA.
- **Hard Copy Alternative:** Ms Diane printed out physical copies of the electronic files for board members who prefer paper format.
- **Deadline:** All board members are strictly requested to complete and submit their individual TSBA surveys no later than the 29th of this month (May).
- **Follow-up:** The DOS will contact Macie at TSBA tomorrow to check on submission rates and will request a reminder email if several board members have yet to respond.

3. Board of Education Self-Evaluation Status

- **Current Delays:** The board has not yet received the materials required to initiate their own annual Board Self-Evaluation.
- **Planning Timeline:** The DOS checked with Mr. VanWinkle before the meeting, noting that this is a May item on the annual planning calendar. It currently sits unresolved (marked with a "big fat red box" on the schedule).
- **Next Steps:** The DOS will reach out to TSBA tomorrow morning to clarify the procedure and timeline for launching the board's self-evaluation. An update on their response will be included in the upcoming Monday email to the board.

Agenda Item: Budget Update

1. Status of the Budget Presentation

- **Initial Approval:** The school budget was formally presented on May 12th and received tentative, unanimous approval (9-0 vote) on its first reading by the county budget committee.
- **Next Steps for Finalization:** The DOS and Ms Delk will be working closely with Ms Turner, the County Finance Director, to reconcile current-year final allocations and lock in exact numbers for the upcoming fiscal year.

2. Key Financial Updates & Closing the Deficit

Two positive financial developments are expected to significantly shrink the projected budget gap:

- **TISA Funding Adjustments:** The district's actual Tennessee Investment in Student Achievement (TISA) funding amount from this year needs to be officially factored into the budget. The team has been working off conservative projections up to this point, meaning the actual TISA revenue will be higher than anticipated.
- **Favorable Insurance Rates:** The state insurance numbers were released on the day of the meeting, revealing an 8.7% rate increase. This is lower than the district had initially anticipated and budgeted for, providing additional financial relief.

3. Legislative Approval Process

- **Reconciliation:** The DOS clarified that the school board will not need to make another formal presentation or "redo" anything in front of the budget committee, as tentative approval has already been secured.
- **Final Review:** The unresolved "question marks" on the current draft will be cleared up directly with the Finance Director. The updated figures will be shared with the budget committee as an FYI before the final budget is presented to the Full County Commission for ultimate adoption.

Here is the summary of the middle school capital planning and community outreach section of the meeting.

Agenda Item: Middle School Capital Projected Plan

1. Planning Background & Structural Options

The ad-hoc committee has fulfilled its mandate to deliver concrete structural options before the end of the school year. Using a Lean Six Sigma cause-and-effect matrix, the committee identified several strategic pathways:

- **Option A:** Build two completely new schools (recalling that the district already owns suitable land at Baker's Crossroads).
- **Option B:** Build one new school and execute a retrofit on one existing school.
- **Option C:** Retrofit two existing school buildings.
- **Option D:** Build/convert one high school and one middle school.

At a prior budget meeting, the county budget committee was briefed that this major capital initiative is "coming down the pike" to prepare them for future funding requests.

2. "Voice of the Customer" Public Outreach Campaign

Dr. Farley presented a strategic framework to gather community and stakeholder feedback before committing to a final building plan.

Proposed Outreach Formats (Board Thinking)

Dr. Farley gave the board three structural options for conducting community forums. While no final vote was taken, multiple board members expressed a strong preference for Option 2:

1. *Option 1:* Visit every single community school individually.
2. *Option 2:* Group neighboring schools together by geographical proximity and back-road access to host combined regional forums (Preferred).
3. *Option 3:* Hold large central forums strictly at the county's two existing high schools.

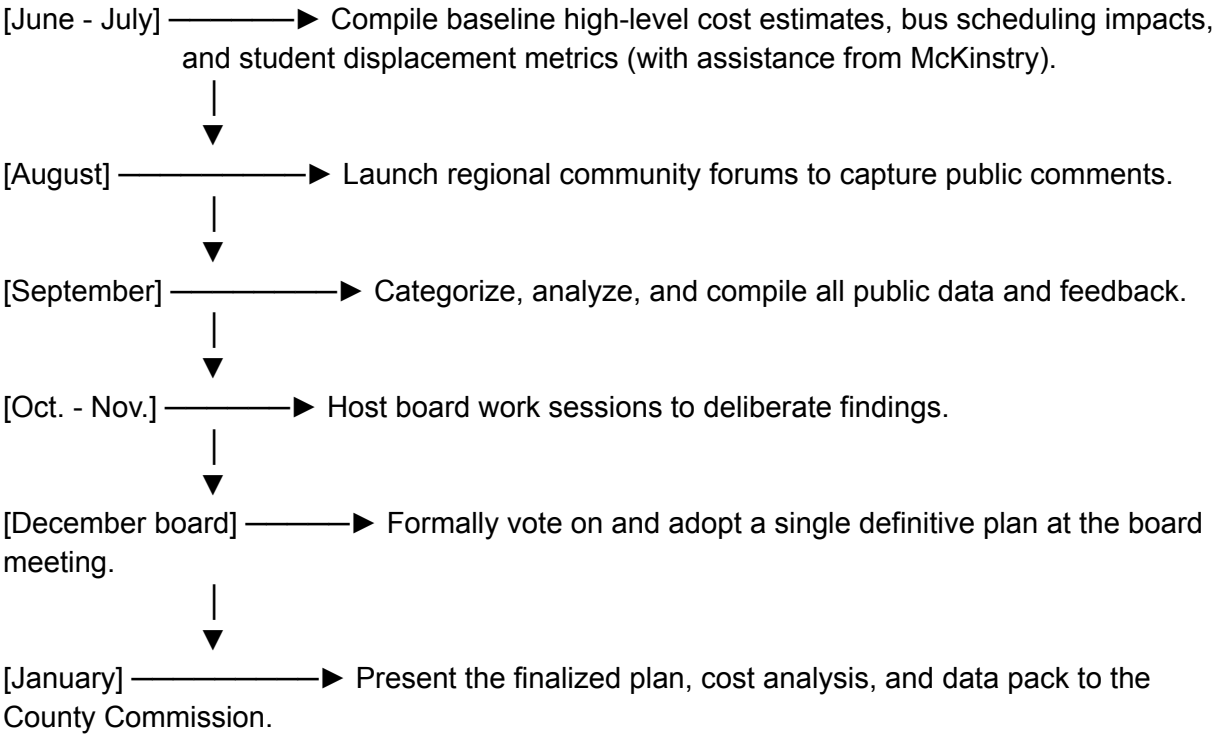

Marketing & Communication Strategy

To maximize attendance, the district plans to advertise the meetings heavily starting in August through the following channels:

- District and individual school Facebook pages and websites.
- **ParentSquare** digital notifications and direct automated phone calls from the DOS.
- Local newspaper coverage.

Projected Project Roadmap & Timeline

The board reviewed a targeted timeline to move from public feedback to presenting a finalized option to the county commission:

Board Discussion & External Consulting

- **Required Presentation Metrics:** Board members emphasized that the public presentations must include high-level, realistic estimates of taxpayer impact, student travel times on buses, and the exact number of students displaced during renovations. Dillon with McKinstry has agreed to assist the district in drafting these high-level estimates during June and July.
- **In-House vs. Outsourced Forums:** The board discussed data from a previous presentation by a consulting firm named LeanFrog. LeanFrog charges $15,000 for a demographic study or cause-and-effect matrix ($30,000 for both) and offers community outreach. However, their outreach is usually survey-based because they noted public forums are frequently empty.
- **DOS Commitment:** Dr. Farley explicitly stated a desire to manage these forums in-house rather than outsourcing them. She noted that even if turnouts are unpredictable, she wants to personally be the face of the project, field community questions, and hear directly from citizens. Board members agreed, noting they frequently

face questions from citizens at places such as the grocery stores and expect high public attendance once official dates are announced.

1. Capital Projects Update (Capital Outlay)

The DOS reviewed the master capital projects tracking sheet, highlighting several completions and current project timelines (notated in purple on the board's weekly update sheet):

- **Martin Elementary Electrical:** The DOS is meeting with Mr. Eberhart and Mr. Chamberlin to finalize summer scheduling logistics. They are exploring doing the project in phases over a one-month window so sections of the building can remain open, rather than shutting down the entire school for the whole summer.
- **Homestead Elementary Electrical:** Officially deferred and moved to next year's fiscal capital projects list.
- **North Elementary Renovations:** Ms Bray met with Ms Allen to finalize design colors. The school's summer childcare program is being temporarily relocated to Stone Elementary so remodeling can begin immediately upon the final school bell. The project is currently on schedule.
- **South Elementary Gym Floor:** Scheduled for a complete overhaul. This is a total "gut job" where the entire floor will be pulled up to expose the bare ground before laying new wooden pieces.
- **Martin Drainage:** McKinstry successfully completed a camera inspection of the lines this past week.
- **Track Projects:** On schedule to begin immediately.
- **Fire Alarms:** Ms Bray has been spearheading fire alarm upgrades across multiple locations. The Cumberland County High School (CCHS) fire alarm project is nearing completion and is expected to be officially signed off on within the week.
- **Completed Projects:** The Excel lighting, Brown roof, and the Martin pickup line are all fully complete.
- **Tennis Courts:** On hold pending weather conditions. Standard regulations require temperatures to stay consistently above 68°C (180°F) for several consecutive days before application work can begin.

2. Naming of School Facilities

The board reviewed two facility naming requests:

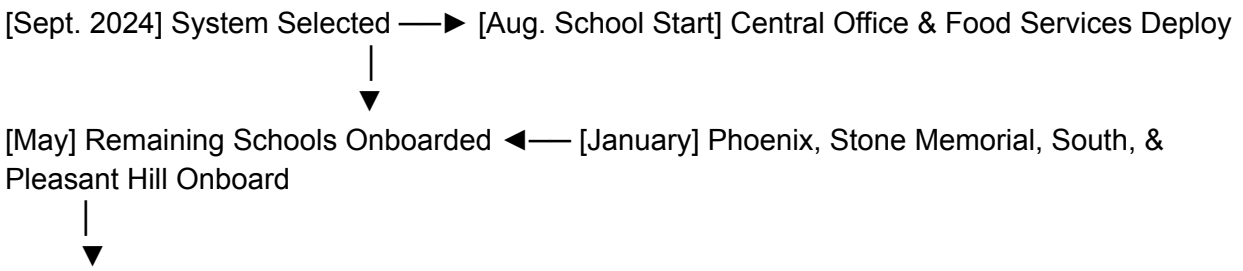

- **CCHS Softball Field:** A formal request was made to name the field after Ms Nancy Hyder, who served as a dedicated softball coach at the school for many years. All necessary paperwork is complete, and a formal board vote will occur next week.
- **Martin Elementary Library:** The DOS and Mr. VanWinkle granted executive approval to name the library after Cathy Cathey, the school's original librarian who served for 42 consecutive years.

Note: Executive approval was fast-tracked to ensure the dedication could happen before the end of the school year, as Cathey is currently ill and the school community wants her to be present to celebrate the honor.

3. Attendance on Demand (AOD) System Deployment

Rollout Timeline & Implementation Focus

The board discussed complaints and operational "growing pains" surrounding the district's new integrated HR and payroll attendance platform. The rollout followed a phased, multi-tier deployment schedule:

Software Procurement Constraints

The DOS addressed staff frustrations by explaining why this specific software was chosen. In September 2024, the administration evaluated three tracking systems under strict criteria:

1. *Option 1:* Scratched entirely because it was fundamentally incompatible with Local Government (the county's core finance and payroll software).
2. *Option 2:* Fully compatible with Local Government, but lacked the internal infrastructure required to process complex school-system configurations. No longer worked with education.
3. *Option 3 (Attendance on Demand):* The only remaining software capable of interfacing with both the county finance system and basic school parameters.

Addressing System Bugs & Teacher Hour Discrepancies

Board members expressed concerns that the platform feels like a clunky "retrofit" that the district is forced to build out as they go. The DOS acknowledged that while county Finance Director Ms Turner heavily endorses the program for streamlining county-side payroll processing, significant administrative bugs are still being worked through weekly:

- **The 7.5-Hour Bug:** The system currently does not have an option to log exactly 7.5 hours (a standard teacher workday) or $3.75 hours (a standard half-day).
- **Remediation Steps:** The DOS escalated this issue to HR representative Neeli Jolley two weeks ago for an engineering fix. In the meantime, HR has released training videos to assist struggling staff. The DOS verified that all system-related employee help tickets and emails are currently being addressed or resolved within a 24-hour window.

Primary Operational Hurdles & System Limitations Complaints

- **The Salaried Employee Workaround:** Salaried personnel do not punch in or out; instead, a preset schedule is built into the software. When a salaried employee takes leave, they submit a manual form, forcing the school secretary or bookkeeper to manually log into the system and deduct that specific day. If this step is missed or delayed, paychecks are compromised.
- **Lack of Substitute Integration:** The AOD software does not feature an integrated module for substitute teachers. School staff must run a separate, standalone substitute tracking system alongside AOD and their legacy workflows, compounding daily administrative tasks.

2. Staff Distress and "On-Call" Burnout Concerns

The board expressed deep empathy for frontline administrative staff (secretaries, bookkeepers, receptionists, and attendance clerks) who are bearing the brunt of the rollout:

- **Emotional Toll on Staff:** Board members noted that at least one school secretary was left in tears over the software, terrified that a simple input error would accidentally disrupt a colleague's take-home pay. This information was never presented to HR or the DOS from the school employee.
- **The "On-Call" Vacation Trap:** Because many schools only have one or two individuals (such as the secretary and the principal) who know how to operate the software or approve timecards, those employees cannot take a single day off without being forced to log in remotely to process daily time data. Board members explicitly noted that the district is not paying these employees "forever money" to be perpetually on call. The DOS does not have an expectation that employees are on call in their time off.

3. The Debate Over Rollout and Training Execution

- **The Board's Critique:** Multiple board members argued that the district routinely falls short on training infrastructure when implementing new software. They pointed out that forcing staff to pick up complex database logic "in the middle of their chaotic workdays" creates severe friction. They proposed that budgeting for dedicated overtime pay or setting aside distraction-free time outside of regular work hours would dramatically smooth future technological rollouts.
- **The Administration's Defense:** The DOS countered the notion that the software was NOT simply "dumped" on staff all at once. She emphasized that the central office strategically structured a phased rollout (beginning with the central office, moving to five test schools in January, and onboarding the rest in May) specifically to get their feet under them and iron out major system bugs before widespread deployment.

4. Remediation Plan & Collaboration Strategy

To bridge the gap between schools that are currently struggling and those that have successfully adopted the system since January, the board agreed to pivot to a collaborative, peer-to-peer training model:

The Cross-Training Framework

- **In-House Best Practices:** Staff at South Elementary had previously developed local "cheat sheets" to navigate system quirks, and other schools have independently created YouTube tutorial links to coach their teachers on entering time. However, these resources were never officially distributed district-wide.
- **Google Form Diagnostic:** The DOS will immediately draft and distribute a Google Form survey to all active school-level system administrators to compile an exact list of localized pain points, successes, and resource needs.
- **District-Wide Roundtable:** Mirroring the professional learning community (PLC) meetings used for grade-level teachers, the DOS agreed to organize an in-person, cross-training roundtable event for all staff members who manage AOD.
- **Scheduling:** To respect staff time and avoid sudden scheduling conflicts at the hectic close of the school year, this interactive training and feedback session will be formally planned and executed during an upcoming district Administrative Day.

Agenda Item: Regular Meeting Items & Financial Clean-Up

1. Overview of Upcoming Action Items

Dr. Farley outlined several recurring and standard contracts, reports, and agreements that are being teed up for formal board approval at next week's voting meeting:

- Meeting minutes from previous sessions.
- **K9 Agreement:** The district's ongoing contract for campus drug dog inspections.
- **North & Strawbridge Agreement:** Relating to student/school picture services.
- **Special Education (Sped) Shredding Services Agreement:** A contract to handle the destruction of physical files.
- **Stellar Therapy Nursing Services:** Ongoing contract for student medical/nursing support.
- **Standard Operational Reports:** The latest personnel report, nutrition report, substitute teacher list, and crowdfunding fundraiser requests.

2. Time-Sensitive Financial Clean-Up

The board is moving to finalize and clean up a large volume of outstanding financial line items. Following direct guidance from County Finance Director Ms Turner and Ms Scarbrough, the central office noted that May is the final month of the fiscal year to push through budget clean-ups. This ensures the district hits its hard June deadline for final submission to the Full County Commission.

Personnel Report & Retention Analysis

A board member requested clarification on specific shifts within the latest personnel report:

- **Bus Driver Staffing:** The board noted the recent hiring of a new bus driver with zero matching departures, resulting in a crucial "plus one" (+1) gain for the district's transportation department.
- **Resignations vs. Retirements:** The current report lists 17 total resignations. Dr. Farley clarified that these vacancies will be filled through standard hiring practices as needed.
- **Exit Interview Procedures:** The district continues to mandate formal exit interviews for all departing staff. While this process serves an administrative function—ensuring the return of physical keys, laptops, and district-owned technology—it also tracks employment trends.
- **Turnover Trends:** Board members questioned if 17 resignations signaled a systemic retention problem. Dr. Farley reassured the board that this number is actually historically low and right on par for a district that traditionally enjoys minimal staff turnover. The departures are attributed to typical year-end shifts, such as standard retirements, relocations, or outside promotions.

Special Education Digital Transition & Record Retention

The board engaged in an extended discussion regarding the line item for Sped shredding services, clarifying why this contract has become a major logistical focus:

[Physical File Assembly] ──► [Manual Scanning Process] ──► [Secure Commercial Shredding]
(Ages 3 to 22+ History) (Takes ~4 Hours Per File) (Final Compliance Step)

The Digital Bottleneck

The Special Education department is currently executing a massive transition from legacy paper files to an entirely digital records system. However, the conversion is heavily labor-intensive. Because these records cannot simply be fed through an automatic document scanner, staff

must manually scan files page by page. Dr. Farley noted it is currently taking up to four hours to scan a single student's master file.

Complex Statutory Retention Rules

The board attorney and Dr. Farley explained why the sheer volume of paper records has become an operational burden:

- **Extended Timelines:** Special education students can enter district programming via Pre-K at age 3 and remain under district care until age 22.
- **Open-Ended Mandates:** Regulations from the State Board of Education and the Tennessee Department of Education (TDOE) regarding Sped files are notoriously open-ended. Core student profiles must be kept indefinitely.
- **Statute of Limitations:** Related ancillary records must be securely archived for years past an eligible student's 22nd birthday to protect the school district from delayed liability claims and legal statutes of limitation.

Once these multi-decade paper files are successfully converted to the new compliance-approved digital format, the physical copies are immediately routed to the commercial shredding service for secure destruction.

Agenda Item: Policy Review & Operational Framework Updates

The DOS opened the section by congratulating the board on completing the comprehensive overhaul of all required local school district policies for the year. The active items on the docket were categorized as either first readings (new adjustments recommended by the Tennessee School Boards Association - TSBA) or second readings (policies approved last month passing their final review step).

Technical Amendments and Statutory Discrepancies

Board members and legal counsel carefully reviewed individual policy texts, passing three major modifications:

1. Typographical Correction | Policy 5.403 (Drug Testing)

- **The Correction:** A board member identified a typo on line 16 of the text.
- **The Edit:** The phrasing was shifted to the plural form: *"An employee who tests positive on a reasonable suspicion test..."* mapping standard grammatical flows and adding an omitted comma right after to clarify potential termination pathways.

2. Employment Status Realignment | Policy 5.800 & Policy 1.302 (Board Attorney Designation)

- **The Conflict:** Policy 5.800 stated that the Director of Schools is the *only* employee directly hired by the board. A board member initially questioned if the Board Attorney needed to be added to this line, citing Policy 1.302, which permits the board to employ an attorney.
- **The Legal Resolution:** The Board Attorney intervened to clarify that while he represents the board chair and the district, he is legally a 1099 independent contractor and vendor, not a W-2 employee. He noted that the term "employ" in the original policy text stems from outdated statutory language in Tennessee Code Annotated ($TCA\text{ 49-2-203}$) that has never been modernized.
- **The Edit:** To resolve the contradiction, the board directed that Policy 1.302 be redrafted for its first reading to swap out the word *"employ"* with the more accurate phrase "contracts with."

3. Homebound Framework | Policy 6.403 (Communicable Diseases)

- **The Conflict:** A board member raised a concern regarding a strikethrough that deleted an external legal citation labeled "number three" at the bottom of the page, which previously governed how principals route students diagnosed with long-term communicable diseases to special education services.
- **The Resolution:** The DOS clarified that this omission was intentional and vetted alongside Ms Holton during recent revisions to the district's internal Procedure Manual.
- Under current administrative protocols, students experiencing long-term medical or communicable absences are automatically shifted onto the district's Homebound Program. Because homebound learning runs directly under the umbrella of the Special Education department, the old footnote tracking code was redundant and was removed to reflect streamlined administrative actions.

Planning Calendar Audit

A board member verified that two items listed on the master May planning calendar—Tuition Fees (Policy 6.204) and Travel Compensation Rates (Policy 2.804)—were missing from the evening's policy package. The DOS confirmed that both fee structures had already been reviewed, finalized, and processed during a prior updated policy block, meaning the calendar tasks are fully complete and clear.

Adjournment to Executive (Closed) Session

[Public Meeting Segment Ends] ──► [Board Votes to Recuse] ──► [Executive Session in Director's Office]

With no further public comments or policy inquiries on the table, the Board Attorney requested that the board immediately convene into a brief, private Closed Session inside the Director's office to receive a sensitive legal update.

Because all public-facing board business was officially completed for the evening, the attorney advised that the board could formally adjourn the public portion of the meeting right then rather than returning to the bench afterward.

- **Motion to Adjourn:** Approved.
- **Official Meeting Status:** Adjourned at approximately 5:45 PM.

   Scott VanWinkle: Please join us in a moment of silence and pledge allegiance.

   (Moment of silence is observed and pledge of allegiance is lead)

   Rebecca Farley: So our students tonight that did the pledge were from Crab Orchard and we have Tucker Brown and Crimson Waldo. Tucker placed first in the fourth through sixth grade category of the Tennessee Association of Conservation District's State poster contest. Hang on, don't leave yet. And Crimson placed second in the second and third grade category. The theme was Home is where the habitat is.

(Applause)

Shannon Stout: Thank you.

Sheri Nichols: Good job guys.

3. Welcome to Visitors/Acknowledgement of Elected Officials

Scott VanWinkle: So I'd like to just welcome all the visitors out tonight. Thank everyone for coming. Sorry about the power outage. We're going to get through this the best we can.

Sheri Nichols: Ms. Mall slipped in here. She snuck in again.

Scott VanWinkle: Elected officials. Ms. Colleen Mall, thank you for coming.

4. Special Recognition
Student Representatives
-Student 1st Place and Gold Winners

(Exhibit #1)

Rebecca Farley: So at this time we've got some special recognitions. We're going to start probably with a little bit unusual recognition. Ms. Jessica, could you please join me? Ms. Jessica works for the Chronicle and she has covered our meetings and she has spent lots of time with me and the board over the last few years. And I found out today that Jessica's last day at the Chronicle will be tomorrow. What? So we just wanted to give her a certificate of our appreciation.

(Applause)

Rebecca Farley: Ms. Harrelson and Dr. Warner, if you will please join me. So next we're going to recognize our skills, USA students and any student that has won first place in a contest that they have competed in academics or whatever. And I do want to say that CCHS as the entire school, they won first place in at the Rome State Academic Festival. So that is a huge.

(Applause)

Rebecca Farley: So we will start with CCHS.

(Dr. Farley read out each student's name found in the exhibit. Student groups were applauded and pictures were taken)

5. Roll Call

Scott VanWinkle: Okay, Madam Secretary, roll call please.

Diane McCartney: Ms Stull?

(Silence)

Diane McCartney: Ms. Nichols?

Sheri Nichols: Yes.

Diane McCartney: Mr. VanWinkle?

Scott VanWinkle: Yes. Here.

Diane McCartney: Ms. Stout?

Sheri Nichols: I did the same thing.

Shannon Stout: Yes.

Diane McCartney: Mr. Davis?

(Silence)

Diane McCartney: Mr. King?

Chris King: Here.

Diane McCartney: Mr. Matthews?

Jon Matthews: Here.

Diane McCartney: Mr. Cole?

Travis Cole: Here.

Diane McCartney: let the record show Stull, Davis are not present.

6. Declaration of Conflict

Rebecca Farley: At this time we would normally read the official declaration of conflict. Let me paraphrase for you since we do not have it. So that says that the board members that have family members that live in their home, that the decisions that they make will not be affected by their family members, but by the best interest of the school system. So those members that this would affect, if you would please raise your hand.

(Mr. Cole, Mr. Matthews, Mr. King and Mr. VanWinkle all raise their hands)

Rebecca Farley: Do you so swear that to be the case?

Travis Cole: Yes.

Jon Matthews: Yes.

Chris King: Yes.

Scott VanWinkle: Yes.

Rebecca Farley: Let the record show Mr. Cole, Mr. Matthews, Mr. King and Mr. VanWinkle.

7. *Approval of 4/23/26 Minutes

(Exhibit #2)

Scott VanWinkle: That brings us to approval of minutes.

Shannon Stout: Mr. Chairman. Approve. I'll move to approve the minutes from 4/23/26.

Travis Cole: Second.

Scott VanWinkle: There's been a motion and a second to approve the minutes from 4/23/26. Any discussion?

(Silence)

Scott VanWinkle: All those in favor say aye.

All Board Members: Aye.

Scott VanWinkle: All those opposed nay.

(Silence)

Scott VanWinkle: The ayes have it.

Motion to approve the minutes from 4/23/26.

VOICE VOTE: (mover-yes) Stout

(seconder-yes) Cole

Yes: 6, No: 0

MOTION: Motion Carried

*Approval of Agenda

(Exhibit #3)

Scott VanWinkle: So approval of agenda. A couple things here before we get started. 5.302 is a policy for the first reading, sick leave. There's going to be several changes that are going to take place by TSBA as recent state law change. So I'd like to remove that from the agenda until we receive those changes from TSBA. 6.411 was on both first and second reading. It was only supposed to be on second reading. Executive committee missed that one being on both. So I'd like to go ahead and remove that.

Chris King: Mr. Chair?

Scott VanWinkle: Yes sir.

Chris King: I'll move to approve the agenda as amended.

Shannon Stout: Second.

Scott VanWinkle: Motion to approve the amended agenda by Mr. King, second by Ms. Stout. Any discussion?

(Silence)

Scott VanWinkle: Okay, all those in favor say aye.

All Board Members: Aye.

Scott VanWinkle: All those opposed nay.

(Silence)

Scott VanWinkle: The ayes have it.

Motion to approve the agenda with changes to remove 5.302 from agenda and remove 6.411 from first reading.

VOICE VOTE: (mover-yes) King

(seconder-yes) Stout

Yes: 6, No: 0

MOTION: Motion Carried

Community Comments

Scott VanWinkle: Community comments?

Diane McCartney: None.

Scott VanWinkle: None tonight?

8. Open Meetings

9. Board Member(s) Report from Training(s)

Scott VanWinkle: Any trainings board members would like to report from?

(Silence)

10. Legal Report

Scott VanWinkle: That brings us to the legal report.

Attorney: No news is good news.

11. *Insurance Broker Decision

Scott VanWinkle: Brings us to number 13. Insurance broker decision.

Rebecca Farley: Okay, so last week we had two brokers come and present. We had Don Hinch and Associates and we had Gallagher. You all were given a rubric and we talked about we would be making a decision tonight.

Shannon Stout: Mr. Chair, I move to approve Gallagher as the district insurance broker for the upcoming school year.

Chris King: Second.

Scott VanWinkle: There's been a motion and a second to approve Gallagher as the insurance broker. Any discussion?

Shannon Stout: A lot of information from both the presentations. Gallagher works with multiple school districts and municipalities around the entire state. They have a lot of experience working with various options specifically for school districts. And when they came forward to meet with us initially, they presented a lot of different options and ideas and suggestions. Ones that we've never heard before. I don't even know if prior boards have heard 'em before. So it was good to get a lot of different information from them and I believe that they're going to be able to help the district maximize what we can do for our employees with their benefits within the budget that we've come to for our budget for next year. I also think that based on the information we've received and the referrals that we have from 'em, that they're really going to be able to help the employees to understand those benefits. So the employees can be making really good decisions for what's offered to them as well.

Scott VanWinkle: Any discussion? Mr. King?

Chris King: The vice chair stated it well.

Sheri Nichols: And I also like the idea of the clinic.

Scott VanWinkle: Any other discussion? That'll have to be a roll call please.

Diane McCartney: Mr. Cole?

Travis Cole: No.

Diane McCartney: Mr. King?

Chris King: Yes.

Diane McCartney: Mr. Matthews?

Jon Matthews: Yes.

Diane McCartney: Ms. Nichols?

Sheri Nichols: Yes.

Diane McCartney: Ms. Stout?

Shannon Stout: Yes.

Diane McCartney: Mr. VanWinkle?

Scott VanWinkle: Yes.

Diane McCartney: Yeses have it for Gallagher.

Motion to approve Gallagher as the district insurance broker for the upcoming school year.

VOICE VOTE: (mover-yes) Stout

(seconder-yes) King

Yes: 5, No: 1 Cole: No

MOTION: Motion Carried

*Re-Hire/Non-Renewal List

(Exhibit #4)

Scott VanWinkle: So that brings us to number 14, rehire and non rehire.

Rebecca Farley: So you have the list was the attachment on the agenda? I don't know that you can pull it up, but it was on the agenda for folks that have been rehired for the next school year and those that have been non-renewed as well as retirees and resignations. And you all do have to approve those.

Travis Cole: Mr. Chair. I'll move to approve the list as its written.

Chris King: Second.

Scott VanWinkle: Motion by Mr. Cole. Second by Mr. King to approve number 14 as written. Any discussion?

Travis Cole: No sir.

Jon Matthews: I have a couple of questions. I've kind of addressed these Dr. Farley a little bit already, but on the non-renewals or the resignations and things like that, I'm not sure that all the employees that decided to resign were made fully aware of the consequences of resigning rather than a non-renewal. If they resign then they're not entitled to any unemployment benefits or anything like that. So I kind of questioned, questioned Dr. Farley a little bit on how that was handled as far as they were asked if they wanted to resign or be non-renewed. So I don't know how you get around or how you get an understanding back from them. Did they know that by resigning that they wouldn't be entitled to unemployment and how that might affect them?

Rebecca Farley: So when you and I were texting last Saturday and we were going back and forth, I did reach out to legal, I reached out to Mr. McCarty and no, actually me and you did talk about this.

Attorney: We talked about it.

Rebecca Farley: Yeah. So no one, I wanted to make sure, because the concern you gave to me that day was were they threatened? Did they feel forced to resign in anything like that? And I do have my email that I sent out and then I do have the information that a couple three principals gave to their staff about giving them the opportunity. It was not mentioned, unemployment or anything like that. That's not in any of the documentation that I have.

Jon Matthews: Yeah, and that's why I say I just wonder if they were made aware when they were offered the option to non-renew or resign or they made aware that they wouldn't be able to draw unemployment? I guess. Well they made aware of the full consequences of both actions. That's my only question.

Rebecca Farley: And I can't answer that for sure that every one of 'em was told that they would not be eligible to receive unemployment.

Scott VanWinkle: Have you had anybody bring any concerns to your attention with that?

Rebecca Farley: No. I did have one email that was sent to me, but it wasn't about whether or not they could draw unemployment. They were just stating that they were choosing to resign and we had several that did choose to be non-renewed rather than resigning.

Jon Matthews: I guess my only comment then would be future use or whatever as we move forward next year or whatever, make sure that everybody's aware of the consequences if they resign of what happens and this, that and the other. Because I know that there was a lot that resigns. I guess for whatever reason. So.

Scott VanWinkle: Any other discussion?

(Silence)

Scott VanWinkle: Roll call please, Madam Secretary.

Sheri Nichols: What are we voting on? Number 14.

Rebecca Farley: The rehire list.

Sheri Nichols: Accepting the list?

Rebecca Farley: Yes.

Diane McCartney: Mr. King?

Chris King: Yes.

Diane McCartney: Mr. Matthews?

Jon Matthews: Yes.

Diane McCartney: Ms. Nichols?

Sheri Nichols: Yes.

Diane McCartney: Ms. Stout?

Shannon Stout: Yes.

Diane McCartney: Mr. Cole?

Travis Cole: Yes.

Diane McCartney: Mr. VanWinkle?

Scott VanWinkle: Yes.

Diane McCartney: Yeses have it.

Motion to approve Re-Hire/Non-Renewal List.

VOICE VOTE: (mover-yes) Cole

(seconder-yes) King

Yes: 6, No: 0

MOTION: Motion Carried

12. BOE & DOS Evaluations

Scott VanWinkle: Next is the evaluations of the BOE and the director of schools.

Rebecca Farley: Okay. So I reached out Tuesday, was able to get ahold of Macy regarding your all's evaluation. I think she sent you all an email link. I was included in that email. I think she has given you a date to complete it. You all should have received a link also to evaluate me. Everybody that's here was here last time, so you have my evidence. I also have a full binder that I didn't want to kill a whole forest. So that information is, as I said, it's in Ms. Diane's office in front of your all's mailboxes.

Scott VanWinkle: You said June 7th is when the?

Rebecca Farley: I didn't say because I couldn't remember but she gave you a date.

Scott VanWinkle: I think it is June, is it the fifth?

Shannon Stout: I think it's the fifth. I think it's next Friday.

Rebecca Farley: I did see.

Shannon Stout: It's this Friday for yours and then I think it was next Friday for ours.

Rebecca Farley: I did see a date, but I couldn't remember what it was. Sorry.

Scott VanWinkle: So everybody's aware in case you haven't looked at that or completed it. Next week, the BOE evaluation.

13. Attendance on Demand (AOD)

Scott VanWinkle: Okay. Next on the agenda is attendance on demand.

Rebecca Farley: Okay. So when we had our meeting last Thursday, some concerns were brought up and was able to get a meeting and we met in here on Tuesday. We had 10 of the 12 folks that do attendance on demand in the schools. They seemed appreciative. They did share some tips and tricks. I couldn't say that the other day could I Miss Diane.

(Laughter)

Rebecca Farley: And those have been shared three different documents or videos were sent to all of those folks. We did say we would come back in the fall and revisit it. And we did a concern, I think that was brought up last Thursday, was also brought up in that meeting. And it was how are we going to process summer payroll for these folks because the only ones that work year rounds at the high schools. So as I send you all an email every Monday, I send the principals one every Friday and the procedure that we have come up with is in their Friday email. I will include it in your Monday email. And it's basically the

same thing we do except this summer we won't have paper. It will just be done through this office as it's been done in the past. We sign off on 'em here.
Jon Matthews: So some questions and concerns I have, and I've already brought them up to Dr. Farley, but I want to make sure everyone's aware with attendance on demand, there's no way to track overtime or comp time. Is that something that we can build in to that system? I know that they've built a lot of things already for us.

Rebecca Farley: So I don't know, we could check our policy. 5.604. We have two policies, 5.602 and 5.604. And it talks about comp time being the responsibility between the building admin and the employee. So that would be something that I could address with the principals and the supervisors here and come up with a procedure for tracking that.

Jon Matthews: Yeah, one reason, I mean as far as for our knowledge is concerned if, I don't think it's been done, it's not been being done tracking of comp time and overtime and stuff like that. Which is a big concern. For one I don't know how we justify new hires. We're hiring for a new position or something if we don't know how much it's costing us in overtime and everything else. The other thing is, in going through this AOD thing, I've asked a lot of questions and found out that our comp time has been being paid time for time, which is not right. But also our employees didn't know any different, they didn't know any better than. That they were just being comped time for time and which in that 6. or 5.602, it lays out blatantly that it has to be.

Rebecca Farley: Time and a half.

Jon Matthews: It has to be paid in time and a half even comp time up to 240. And then after that it absolutely has to be paid, after they've accumulated 240 hours, then it has to be paid over time. For any time that they've worked beyond that. And that accrual can be over the lifetime of, I guess, of their employment. And the reason it's a concern is I know that I've talked to a few people and they said, well, there's been times that they've had so much comp time that they never get it all burnt and then they're just out. So they just lose time, lose what they've. They are stepping up and helping us out by working over and doing all these things and we're not doing our job by paying them correctly and keeping track of it. Because if we've got to be able to track that even in this office somehow so that we know when it comes to budget time or whatever, do we need to create more positions in that facility or whatever else? Why are we paying all this extra overtime when we could hire another person? That could be a huge, and I know that the one thing that I've been told over and over and over from a lot of different hourly people is, oh, we don't get overtime. Overtime is illegal. I guess is their perception of it. The only thing they're able to do is get comp time. And that's not exactly, that's not true by any stretch of imagination because it clearly states in our policy and in law that it has to be agreed upon with the employee before that overtime is worked and they have the right to turn

it down or whatever. If it's not, they have the right to turn down the comp time. So I guess my question is why has it been, why have we not been tracking it to this point? That a failure from our HR department because that's something that I don't understand why we've let our employees down and asked them to do things that they should have been doing all along. We've asked them to work time for time and that's not right on their behalf either.

Rebecca Farley: I can address it from this point on. No one has ever said anything to me or had any complaints about being forced to work overtime or not getting comp time or not getting overtime pay. I can set forth clear expectations and have my procedure in place and I can address it going forward, but I can't answer for the last couple three years.

Jon Matthews: And here's my point is it's written in our policy and it's in state law or federal law and yet our employees haven't been informed of their rights by doing that. They've just been told no, we don't pay overtime.

Scott VanWinkle: Is that something you can bring to us as a procedure?

Rebecca Farley: Absolutely.

Scott VanWinkle: To next work session maybe?

Rebecca Farley: Absolutely. Okay. Ms. Nichols, did you have something?

Scott VanWinkle: That address that? John, you?

Jon Matthews: Yeah.

Scott VanWinkle: Okay. I guess it would be a procedure that references that policy 5.602, is that right?

Rebecca Farley: I can do two and four. I can look at both of 'em because both of 'em have comp time and overtime mentioned specifically. Both of them do. Okay, thank you.

Travis Cole: I would like to see some written documentation of these allegations because a lot of what Mr. Matthews is saying is hearsay. I'd like to see some black and white evidence that this is actually happening and what half-truths.

Jon Matthews: Absolutely. And I think that would be a great thing if we documented all of this stuff because like you said, it's been handled at the building level to this point, right?

Rebecca Farley: That's what the policy says. Yes.

Jon Matthews: Yeah, and I mean even Ms. Diane, you've been paid time for time on comp time or?

Diane McCartney: No, that's incorrect. When I took this position, it was addressed by my direct supervisor, which you all know is the director of schools. So I was made aware of the policy and I've known since I started the job, that comp time for non-exempt employees is time and a half.
Jon Matthews: Okay. Well I'm glad that you've been getting it because I know the other ones and they've just been having to keep up with it by themselves. So maybe in this procedure we create a document of some sort so that the person working it and the principal or whoever their supervisor has to sign.

Chris King: Mr. Chair?

Scott VanWinkle: Yes sir.

Chris King: Did you say who's going to cover this next work session?

Scott VanWinkle: Work session? Yeah.

Rebecca Farley: Yes, I got it wrote down.

Scott VanWinkle: Okay, we'll cover that.

Sheri Nichols: Thank you.

Scott VanWinkle: Next work session. Thank you. Any other questions on AOD? I have a couple if nobody else does. I know we asked, actually, Mr. King asked were there any other systems using AOD? Were you able to get any feedback on that?

Rebecca Farley: No, I did not. I did not ask. My apologies. I don't know where that note went, but no, I did not find any. But.

Diane McCartney: Chairman of the Board Dr. Farley, I reached out to my positions and so far I've not found a district that's using it so far what I've got, no one's using it.

Rebecca Farley: Thank you ma'am.

Diane McCartney: You're welcome.

Scott VanWinkle: Is there a cost associated with AOD? Do you know how much that's, have we budgeted for that and how much it's going to cost?

Rebecca Farley: Yes, that's in the, that is in our budget for next year and it's in

that HR line on the software line 471 off the, I didn't bring my budget things because we didn't have that on there, so I can't tell you the amount.

Scott VanWinkle: Okay. So.

Rebecca Farley: Yes.

Scott VanWinkle: Does it say AOD on the budget?

Rebecca Farley: No, it says Software line and it not only, I think it does say AOD, but I think it also says Siesta, which is going to be going away in June. And there's other programs listed on there. But right off the top of my head, I can't remember the other ones. Maybe Ready Sub is on there as well.

Scott VanWinkle: Okay. Were there any cost comparisons done to other softwares like Siesta or other softwares that were already using?

Rebecca Farley: I wasn't here in 24 when they did that, but I do remember, and I think I shared this with y'all in the work session, when they began the search, there was three different groups or three different programs that they looked at. We were told we had to have something that was compatible with local gov and there was two of the three that were, and the other one that was compatible with local gov did not deal with education.
Scott VanWinkle: So I know we have some softwares that are education associated, like Ready Sub and It's part of a conglomerate that has other softwares available that are actually less expensive for my research than AOD.

Sheri Nichols: And they work with the county level too?

Scott VanWinkle: So that is an issue that they don't directly plug into the county level, but they can run reports that can be uploaded into the county. It would take some work and probably some third party IT support.

Sheri Nichols: All of it will, yeah.

Scott VanWinkle: But there are other options other than AOD and I just want to make sure that we try to continuously improve and that we try to look for less expensive options and options that fit education because AOD does not fit education at this point. It might in the future. Obviously database and software companies change all the time. It can modify their stuff so it can get better, but I just don't want us to lose sight that we have pushed paperwork from one place to another place at this point. There are issues with this software that are adding work to employees. It's taking it away at one place, but it's adding in another place. And if we're going to get in this century, we might as well get there all the way across the board. And it doesn't happen overnight. I understand that, but I just want us to be aware that there are options and opportunities that need to be

explored going forward. So there was one other issue that was brought to my attention on substitutes possibly not being paid through this software.

Rebecca Farley: They use the Ready sub app.

Scott VanWinkle: So how is it that finance gets that information to pay substitutes?

Rebecca Farley: I do not know.

Shannon Stout: It's facing somewhere.

Scott VanWinkle: Yeah. It's not interfacing at all. It's paper. So it's still.

Rebecca Farley: I can find out and put that in your Monday email.

Scott VanWinkle: So I think there's some other things that you were going to look into for this for next work session. So can we just add these questions to the work session for next time? Okay. If we're going to get, like I said, out of the eighties, let's get it out of the eighties across the board.

Sheri Nichols: Eighties weren't all that bad.

Scott VanWinkle: Okay. Any other discussion on AOD?

(Silence)

14. Director's Report

(Exhibit #5)

Scott VanWinkle: Director's report?

14.A. *Naming of Facilities Requests

Travis Cole: Mr. Chair, I move to approve the naming of the CCHS softball field after Nancy Hyder.

Sheri Nichols: I second that.

Scott VanWinkle: Been a motion by Mr. Cole, second by Ms. Nichols to approve the naming of the facility for Softball Field to Nancy Hyder Field. Any discussion?

Travis Cole: I'd just like to say that knowing Ms. Hyder personally for many years, she was an integral part of our community, our school system, our county government. Even though she had to write me up a few times as a

student.

(Laughter)

Travis Cole: We were able to laugh it off and stayed friends even after my time at CCHS. And when Dr. Warner and Mr. Allen approached me about sponsoring this idea, there's no answer I could give, but absolutely. So.

Sheri Nichols: Yeah. And she played there, and coached there?

Rebecca Farley: Yep, she did.

Sheri Nichols: That's awesome. Very fitting.

Scott VanWinkle: Any other discussion?

Chris King: I agree with everything that's been said.

Scott VanWinkle: All those in favor of naming the field after Nancy Hyder say Yes.

All Board Members: Yes.

Scott VanWinkle: All those opposed say no.

(Silence)

Scott VanWinkle: The yeses have it.

Motion to approve the naming of the CCHS softball field after Nancy Hyder.

VOICE VOTE: (mover-yes) Cole

(seconder-yes) Nichols

Yes: 6, No: 0

MOTION: Motion Carried

14.B. Agreements & Renewals

Rebecca Farley: So next is agreement and renewals. And these were discussed at our last meeting as well. Work session, not meeting, sorry.

Chris King: Mr. Chair, move to approve all items in 17 B.

Travis Cole: Second.

Scott VanWinkle: Motion by Mr. King, second by Mr. Cole to approve 17 B. Any discussion?

Chris King: I just want to make sure you know, I'm leaning toward this mic every time.

(Laughter)

Sheri Nichols: I've noticed. You're doing great.

Scott VanWinkle: Mr. Cole?

(Audio)

Scott VanWinkle: All those in favor of approving 17 B, say aye.

All Board Members: Aye.

Scott VanWinkle: All those opposed say nay.

(Silence)

Scott VanWinkle: The ayes have it.

Motion to approve all items in 17 B.

VOICE VOTE: (mover-yes) King

(seconder-yes) Cole

Yes: 6, No: 0

MOTION: Motion Carried

14.C. Leadership Update

Rebecca Farley: So next is my leadership update. And I'm sorry, but with all the items that's on there, I can't remember what all they are, but I can tell you I did attend all three graduations and I made it to several different schools, honors programs I think. And I made it to every school, but one

during TCAP testing. And I think we mentioned this last time, those little children thought I was crazy. I have been to a legislative update and I have been to two superintendents meetings since we met last time, and that's about all I can remember.

Sheri Nichols: That's a lot.

14.D. Annual Planning Calendar

Rebecca Farley: The annual planning calendar is next. We have all of the finance stuff now has a green box instead of red, which is so exciting for this time of year. And.

Sheri Nichols: Before June, come on.

Rebecca Farley: Ms. Diane, can you remember anything else that.

Diane McCartney: No, but I can pull it out of my folder. Hang on a second.

Jon Matthews: You got slimed at Pleasant Hill.

Rebecca Farley: Yes, I did get Slimed at Pleasant Hill.

Sheri Nichols: Did you?

Rebecca Farley: Yes I did.

Diane McCartney: So both the director evaluation and board evaluation is still red because obviously y'all discussed that tonight. Reviewing the attorney contract is not applicable this year. So that's blue. Everything else in May and everything prior to that is green.

Rebecca Farley: Yay us. And so I will go ahead. Since Mr. Matthews brought this up, I was invited to participate in a Dunking booth at CCHS the Friday before. And I was going to go, I was a little under the weather and everyone here pitched a hissy, so I didn't go. But I did get someone in my place and that was Ms. Smith. So kudos to her. And I did apologize to CCHS.

14.E. FYI

Rebecca Farley: Next is FYI. Those are the things that you see every month.

Bo Magnusson: Dr. Farley, you also made it to a meeting with me at the sheriff's office after being slimed.

Rebecca Farley: Yes, I did.

Bo Magnusson: With some slime.

(Laughter)

Sheri Nichols: Were you green?

Rebecca Farley: Oh, it was green, it was red, it was blue and it was yellow. There was four little bitty waiting pools of slime.

15. Chief Financial Officer's Report

(Exhibit #6)

Scott VanWinkle: All right. That brings us to Chief Financial Officer's Report.

Sonya Delk: Can I just stay right here since there's no.

Scott VanWinkle: Absolutely, please.

(Audio)

Sheri Nichols: Yell as loud as you can. Use your outside voice.

15.A. Monthly Financial Report

Sonya Delk: So are year to date revenues are 67.4 million and our year to date expenditures are 63.9 million, which makes our fund balance 22.3 million.

15.B. Monthly Sales Tax Report

Sonya Delk: And then for our local sales tax collections for April $1,255,571. And so we are still ahead a good amount for the year, which is good.

15.C. *141 Budget Amendments

Sonya Delk: And then our budget amendments.

Rebecca Farley: So first we have the 141 Budget amendments.

Chris King: Mr. Chair, talking to the mic again. Move to approve the 18 C 141 Budget amendments.

Shannon Stout: Second.

Scott VanWinkle: Been a motion by Mr. King, second by Ms. Stout to approve the 141 Budget Amendments. Any discussion?

Chris King: I think we discussed work session pretty well.

Shannon Stout: Agreed.

Scott VanWinkle: Okay. I had one question on the CEO supplement being moved over. Is that director or is that something else? In the director's budget, is there a supplement for CEO?

Sonya Delk: It comes from the state and they told me to put it in that line. One eight.

Rebecca Farley: That is my continuing education opportunities supplement. I had to attend 10 days or hours.

Scott VanWinkle: Gotcha, thats.

Rebecca Farley: It caught me off guard when you said CEO, but yeah, that's what it is.

Scott VanWinkle: That's what it called me off guard too. I didn't notice that. I didn't think about it in the works session. Madam Secretary, roll call please.

Diane McCartney: Mr. King?

Chris King: Yes.

Diane McCartney: Mr. Matthews?

Jon Matthews: Yes.

Diane McCartney: Ms. Nichols?

Sheri Nichols: Yes.

Diane McCartney: Ms. Stout?

Shannon Stout: Yes.

Diane McCartney: Mr. Cole?

Travis Cole: Yes.

Diane McCartney: Mr. VanWinkle?

Scott VanWinkle: Yes.

Diane McCartney: Yeses have it on 141.

Motion to approve 141 Budget Amendments.

VOICE VOTE: (mover-yes) King

(seconder-yes) Stout

Yes: 6, No: 0

MOTION: Motion Carried

15.D. *143 Budget Amendments

Scott VanWinkle: 143.

Travis Cole: Mr. Chair I move to approve the budget amendments in 143.

Chris King: Second.

Scott VanWinkle: Mr. Cole motion to approve 143 Budget amendments. Mr. King seconded. Any discussion?

Travis Cole: No sir. They were covered in the work session.

Scott VanWinkle: Madam Secretary, roll call please.

Diane McCartney: Mr. Matthews?

Jon Matthews: Yes.

Diane McCartney: Ms. Nichols?

Sheri Nichols: Yes.

Diane McCartney: Ms. Stout?

Shannon Stout: Yes.

Diane McCartney: Mr. Cole?

Travis Cole: Yes.

Diane McCartney: Mr. King?

Chris King: Yes.

Diane McCartney: Mr. VanWinkle?

Scott VanWinkle: Yes.

Diane McCartney: Yeses have it on 143.

Motion to approve 143 Budget Amendments.

VOICE VOTE: (mover-yes) Cole

(seconder-yes) King

Yes: 6, No: 0

MOTION: Motion Carried

16. *First Reading of Policies

(Exhibit #7)

Scott VanWinkle: Okay. Number 19. First reading the policies.

Chris King: Mr. Chair, move to approve all of 19 first reading policies.

Shannon Stout: Second.

Scott VanWinkle: Okay. Motion and a second to approve first reading policies. Any discussion?

Jon Matthews: I have one question.

Scott VanWinkle: Sure.

Jon Matthews: The 1.302.

Scott VanWinkle: Yes.

Jon Matthews: It's the school attorney. It's just one sentence, but there's some words flip flopped in there.

(Laughter)

Scott VanWinkle: I have a correction on that, that actually Ms. McCartney and I have been emailing back and forth about, because it was word salad, right?

Jon Matthews: Yeah.

(Audio)

Diane McCartney: And can I just say I wasn't here in 2004. Just make that clear. I didn't do that.

(Audio)

Scott VanWinkle: So I'll go ahead and read the change. The board may contract with an attorney to represent the board in legal matters which arise concerning the school system.

Jon Matthews: I like that.

Scott VanWinkle: So that would replace what's on the agenda.

Jon Matthews: Yeah. Try to read that one.

Scott VanWinkle: No, I think everybody read it.

Jon Matthews: (Laughter)

Scott VanWinkle: Also like to note that 5.302 is not included in that. And 6.411 is not included in that. Any other discussion? So there's a motion to approve. First reading the policies with the amendment to 1.302. All those in favor say aye.

All Board Members: Aye.

Scott VanWinkle: All those opposed say nay.

All Board Members: (Silence)

Scott VanWinkle: The ayes have it.

Motion to approve First Reading of Policies with amendment to 1.302.

VOICE VOTE: (mover-yes) King

(seconder-yes) Stout

Yes: 6, No: 0

MOTION: Motion Carried

17. *Second Reading of Policies

(Exhibit #8)

Scott VanWinkle: So that brings us to second reading policies.

Shannon Stout: Mr. Chair, I move to approve the second reading of policies.

Chris King: Second.

Scott VanWinkle: Motion by Ms. Stout. Second by Mr. King to approve second reading of policies. Any discussion?

Shannon Stout: There was 6.411 Student wellness. I believe there was some rewording that needed to be done based on the state requirements to our policy. Scott VanWinkle: So state requirements are pretty clear about elementary school versus middle school and high school. And the way the policy reads on the agenda, it looks like the elementary policy part of that applies to all levels. Got a rewrite that I sent to Ms. McCartney starting at line 70 if everybody's got a copy of it. No. Okay. Starting at line 70, the change would read. Unstructured physical activity periods shall be offered in addition to the school district's physical education program for elementary, K through four elementary school students shall receive a minimum of 40 minutes of physical activity. Each full school day. Physical activity will be conducted outside of whether permits. The following activity shall not be considered physical activity walking to and from class. Time spent on an electronic device and time spent in a physical education class. Middle school and high school students shall receive a minimum of 90 minutes of physical activity each full school week. Physical activity may include time spent in physical education class. Physical activity may include walking, jumping rope, playing volleyball, or other forms of physical activity that promote fitness and well being. Walking to and from class is not physical activity for

purposes of meeting the requirements of the law. So that would replace starting at line 70 until the end of that statement.

Shannon Stout: You broke it into two separate categories based on the state law versus having it all in one lumped in one paragraph.

Scott VanWinkle: Which made it appear that we were going to have to give recess to high school students.

Rebecca Farley: They might appreciate that.

(Laughter)

Jon Matthews: One thing I didn't hear in your thing, maybe it was in there and I just didn't hear it. I was trying to read along with what was on the agenda or whatever. But the physical activity shall not be withheld from a student as a form of punishment.

Scott VanWinkle: It stays.

Travis Cole: His overwrite was just for this part. It wasn't including one starting here.

Scott VanWinkle: That's right.

Jon Matthews: Okay.

Scott VanWinkle: Yep.

Travis Cole: So from 70 to 75.

Scott VanWinkle: Yep.

Shannon Stout: So then I'll amend the motion to approve the second reading of policies with the adaptation or modification for 6.411.

Scott VanWinkle: Mr. King, do you second that?

Chris King: Yes.

Scott VanWinkle: Motion and a second to approve second reading of policies with the changes to 6.411.

Diane McCartney: Do you want this to go back to second reading next month? Just keep it. Or do you want to make these changes and let it go to TSBA?

Scott VanWinkle: I think if everybody's okay with it, we just approve it like it is unless you see something else wrong.

Diane McCartney: I saw your email come through, but I haven't had time.

Scott VanWinkle: That's fine. I just got this done this afternoon so.

Rebecca Farley: And we have been in the dark here a long time.

(Laughter)

Travis Cole: Well, the rewrite doesn't change what it's saying.

Scott VanWinkle: No.

Shannon Stout: No.

Travis Cole: Clarify.

Shannon Stout: Clarifying.

Scott VanWinkle: Okay. All those in favor of the motion say aye.

All Board Members: Aye.

Scott VanWinkle: All those opposed say nay.

(Silence)

Scott VanWinkle: The ayes have it.

Motion to approve Second Reading of Policies with rewording of 6.411.

VOICE VOTE: (mover-yes) Stout

(seconder-yes) King

Yes: 6, No: 0

MOTION: Motion Carried

18. *Consent Agenda

(Exhibit #9)

Scott VanWinkle: Okay. That brings us to the consent agenda.

Shannon Stout: Mr. Chair, motion to approve the consent agenda.

Chris King: Second.

Scott VanWinkle: Motion, and second to approve the consent agenda. And discussion?

(Silence)

Scott VanWinkle: All those in favor say aye.

All Board Members: Aye.

Scott VanWinkle: All those opposed say nay.

Scott VanWinkle: The ayes have it.

Motion to approve the Consent Agenda.

VOICE VOTE: (mover-yes) Stout

Shannon Stout: Y'all mentioned that in the work session.

19. Questions from Media

Scott VanWinkle: Any questions from the media?

Rebecca Farley: Well, come on Jessica. It's your last time. You can ask one question.

Scott VanWinkle
Chairperson of the Board

Comment I, Jason McGhee hereby certify that I reported the foregoing minutes and that I delivered said minutes to the office of the Director of Schools on June 1st 2026.

Jason McGhee
Board of Education Recorder

(*) Indicates Board Approval Required

The Board met in a work session on Thursday, June 18, 2026 where the Chairman called the meeting to order at approximately 4:01 pm. After a moment of silence and the pledge of allegiance, business proceeded as outlined below.

1. Procedural Items & General Updates

- **Agenda Approval:** The board moved, seconded, and approved the agenda.
- **Community Comments:** There were no community comments; the open meetings portion was skipped.
- **Consolidated Funding:** The board received a sheet detailing two different applications (a standard Federal consolidated funding application and one for Special Education/SPED). This will require a vote for approval next week.
- **Future Meeting Dates:** Dr. Farley outlined the proposed meeting calendar for next year, structured similarly to the current year.
    - Work sessions will typically be held the Thursday before the board meeting at 4:00 PM.
    - Board meetings will be on the fourth/last Thursday of the month, with exceptions for October and March (fall/spring breaks) and a combined November/December schedule (work session before Thanksgiving, meeting the first Thursday of December).
    - This will be placed on the agenda as a voting item to finalize the calendar.

2. Safe Schools Report

- **Data Overview:** The board reviewed the Safe Schools report submitted by Mr. Scott Hull and signed off by the counseling staff.
- **Annual Comparison:** Dr. Farley provided comparative data between the 2024–25 and 2025–26 school years. The data reflects a continuing positive trend with fewer student issues.
- **Key Statistics Shared:**
    - **Counseling Sessions:** 2,218
    - **Parent Communications (Phone/Visits):** 503
    - **Crises Managed:** 125
    - **Urgent Responses:** 177
    - **School Meetings/Consultations:** 985
- **Next Steps:** This item was for information only and will not be placed on the regular voting agenda. A similar comparative report regarding School Resource Officers (SROs) will be provided soon.

3. Perryweather System Proposal

The board discussed a proposal introduced by Mr. Allen to implement "Perryweather," an integrated weather tracking system used by neighboring districts (like Putnam and Rhea counties) to streamline outdoor safety and liability protocols.

System Capabilities

- Tracks severe weather, lightning strikes, wind speed, temperature, and humidity.
- Measures Wet Globe Bulb Temperature, which is the specialized standard required by the TSSAA for weather-related illness prevention (currently difficult for coaches to calculate accurately manually).
- Automates lightning safety by starting a mandatory 30-minute countdown clock when lightning strikes within a designated radius, giving adequate time to clear fields and stands.
- Sends automatic push notifications to coaches' phones.

Financials & Implementation

- **Cost:** The recommended "Tier 1" plan costs $10,000 annually (leasing the equipment for both high schools, covering 50 coach apps) plus a one-time $4,400 installation fee.
- **Tier 2 Dismissed:** A $14,000–$15,000 tier was rejected because its primary selling point—24/7 access to meteorologists—is already freely available to the district via the National Weather Service and the EMA office.
- **Funding:** The first year can be covered using a safety money grant, but the $10,000 annual lease would become a recurring district expense.

Board Discussion & Concerns

- **Lease vs. Purchase:** It was clarified that the $10,000 is a lease; Perryweather handles all equipment maintenance and replacements if a sensor fails.
- **Scope:** The physical units would be placed at the two high schools, but the data and safety protocols would be applied to nearby elementary and middle school sporting events as well.
- **Alternative Options:** A board member raised concerns about committing to a recurring $10,000 fee and asked if the district could purchase standalone Wet Globe Bulb instruments or look into cheaper freelance options. Mr. Cole noted that piecemeal systems might incur similar upkeep costs and lack the automated, cross-district protocol consistency of Perryweather.

Action Item: Dr. Farley agreed to look into alternative options and conduct further research on comparable weather safety systems to send to the board as quickly as possible.

Care Portal Presentation (Part 1)

Cassandra Reagan, Program Coordinator for TICA (Trauma-Informed Community Alliance)

What is TICA?

- TICA serves as Cumberland County's "backbone agency," designed to bring diverse organizations and individuals together to solve community challenges that no single entity can handle alone.

Overview of Care Portal

- **Definition:** Care Portal is a "care sharing technology" platform designed to identify and fulfill the urgent needs of vulnerable children and families in crisis.
- **The Problem Addressed:** When the Department of Children's Services (DCS) or standard government channels identify an urgent need for a child (particularly foster children), standard state channels can take up to 30 days to deliver assistance. Care Portal aims to fulfill those same needs within hours or days.
- **State Backing:** The State of Tennessee has funded DCS access to this technology so case workers can immediately post student and family needs to the platform.

How it Works

1. **Identification:** A school professional, case worker, or agency identifies an immediate risk or need for a local child or family (e.g., resources that help keep families safely together and prevent foster separation).
2. **Submission:** The need is uploaded into the Care Portal technology.
3. **Community Response:** Local churches, businesses ("Community Champions"), and individual donors receive the notification and fund the specific need directly through the platform.
4. **Connection & Support:** Once funded, a local church claims the request and connects with the case worker to deliver the resources.

Relational Support Note: Fulfilling physical items is optional for the families, but the program is designed to address the underlying lack of a personal support system. Partnering churches can step in post-need to provide long-term community and relational support for isolated or single-parent households.

Current Local Impact

- Care Portal was officially launched in Cumberland County in March.
- It has already generated an estimated economic impact of $15,000.
- Five local churches are currently active on the platform, with more expected to onboard soon.

Proposed Cumberland County Schools Request Procedure

The presentation outlined a specific workflow to integrate the school district with the existing Care Portal network:

[Need Identified]
School Counselor observes/vets a student's urgent need (e.g., food, clothing, bedding).

[Internal Review]
Central Office Social Worker reviews and officially approves the request.

[Goes Live]
Request broadcast to the Care Portal community network.

[Community Responds]
Churches, individuals, or businesses fund or physically provide the item.

- **The "Bed" Example:** In Tennessee, a family lacking a bed for a child can be grounds for removal by the Department of Children's Services (DCS). Care Portal allows the community to quickly buy or donate a bed, keeping the family together.
- **Delivery Pathways:** To protect family comfort, two pathways exist once a need is fulfilled:
    - *Pathway A (Consenting):* If the family agrees to church contact, a trained volunteer team delivers the item directly, opening a door for relational support.
    - *Pathway B (Non-Consenting):* If the family declines direct contact, the items are routed through the school counselor to deliver privately. Assistance is never withheld if a family declines church contact.

Platform Guardrails & Volunteer Vetting

- **Privacy & Anonymity:** No personally identifying information (names, addresses, or contact details) is ever posted on the public-facing platform. Case workers only write a descriptive story to outline the need.
- **Neutral Meetings:** Deliveries do not have to happen at the home; they can occur at a school, church, or neutral location.
- **Trauma-Informed Training:** Responders who make face-to-face contact must undergo poverty and trauma-sensitive training. For example, volunteers are trained to be sensitive to domestic abuse survivors (e.g., not sending multiple large men to deliver a bed to a vulnerable mother). TICA recently trained 40 local responders.

Rollout Strategy & Financials

- **Phased Launch:** The platform requires five active churches to open a county ecosystem (Cumberland County currently has exactly five, with 3–4 more expected to join soon). To keep the "live ecosystem" balanced between requests and responders, schools will be onboarded in a slow, phased rollout (e.g., three schools at a time).
- **Funding the School Memberships:** While responders pay nothing to help, schools typically require a membership fee to post requests.
    - Several local churches have already volunteered to sponsor and pay the platform fees for specific schools.
    - TICA has committed to covering the financial balance for any Cumberland County school that does not secure a church sponsor, ensuring 100% district coverage.

Board Discussion & Takeaways

- **District Expansion:** Dr. Farley confirmed that the Care Portal will not replace any existing school resources or charity initiatives. It acts as an expansion tool to broaden the district's reach.
- **Addressing "The Disconnect":** Board members and community partners (including a representative associated with a local pregnancy center) spoke strongly in favor of the program. They noted that Cumberland County has abundant resources (e.g., businesses wanting to donate washers, dryers, clothing, and beds), but lacked a centralized system connecting those donors to the children sleeping on floors or going hungry.
- **Community Care Impact:** The board highlighted that the system proves to vulnerable children that it isn’t just their teachers or principals who care, but the broader community outside of the school walls.

.

McKinstry Operations & Infrastructure Update

Speakers: Dillion and Paul, McKinstry Representatives

Program Context & Timeline

- The board approved McKinstry's Phase 2A & 2B operations and infrastructure program in April.
- The project is currently just short of its midterm point and remains fully on track regarding implementation and development.
- **Next Steps:** In July, McKinstry will meet with district leadership to review the formal midterm evaluation and will schedule one-on-one sessions with individual board members to gather specific feedback.

Phase 2A: Operations & Maintenance (O&M)

Phase 2A is currently sitting at 44% completion overall. The project is split across several categories:

Scope of Work	Progress Status
CMMS (Computerized Maintenance Management System) Implementation	Asset data completely uploaded. Teams are currently on-site (e.g., at Homestead) tagging physical equipment.
Workflow Planning	Far ahead of schedule; serves as a prerequisite to the full system rollout.
Staff Training & Change Management	Ongoing. The presenters gave a major commendation to Mary and the district maintenance team for adapting quickly to the new software workflows.
DAT (Discharge Air Temperature) Sensor Install	Ongoing, tracking school-by-school.

Key CMMS & Sensor Features Explained:

- **Asset Mapping & QR Tagging:** Technicians can scan a physical asset (like an HVAC unit) with their phone to instantly pull up its service history, parts manuals, belt sizes, and lifetime cost tracking. This transparency helps determine if a 20-year-old unit should be replaced rather than continuously repaired.
- **DAT Sensors:** Sensors are being installed on over 300 key pieces of equipment (specifically units that meet a certain size threshold, serve critical areas, and are not scheduled for immediate replacement).
- **Truck Roll Reduction:** These sensors give maintenance staff remote diagnostic data via the building automation system. For example, if a gym is 85°F, a technician can see remotely if the unit is throwing 80°F air, allowing them to troubleshoot or adjust settings remotely before physically driving a service truck to the site.

Phase 2B: Capital Projects Development & Findings

McKinstry conducted deep investigations into the district's top four infrastructure needs: HVAC, Electrical, Plumbing, and Fire Protection.

1. HVAC Findings (Stone Memorial High School)

- An immediate, emergent issue was identified at Stone Memorial High School involving a cracked heat exchanger on a gas burner unit.
- The metal has worn so thin that it can be punctured with a finger. The gas is currently valved off for the summer, but the unit will have no heating capability by winter and requires urgent attention.

2. Plumbing Inspections (Glenn Martin & North Cumberland)

- Engineers and plumbers scoped the foundational lines at Glenn Martin and North Cumberland.
- **The Good News:** The physical condition of the pipes deep beneath the concrete slab is structurally sound. They do not require a costly building tear-up or internal relining.
- **The Issue:** The problem is localized to the specific transition area where waste pipes exit the bathroom fixtures and head into the ground. Presenters showed evidence of moisture leaking around these localized pipe joints where they meet the slab, which will be addressed in the project plan.

Additional Site Investigations & Efficiency Findings

As technicians continue to comb through facilities to install temperature sensors and log assets, they have discovered several mechanical and installation issues:

- **Enthalpy Wheels (Rooftop Units):** Presenters shared an image of an enthalpy wheel (which manages building humidity and indoor comfort) covered in a thick layer of dirt, preventing it from functioning properly.

- **Improper Duct Work Installation:** The team uncovered a specific two-year-old HVAC unit that was never correctly connected to its corresponding ductwork. Instead of heating or cooling the targeted school space, the unit has been dumping conditioned air directly into the plenum (the open space above the drop ceiling grid), resulting in massive energy waste and poor climate control.

  Correcting these hidden installation errors and cleaning critical components will directly improve building comfort, lower utility consumption, and extend the lifespan of the equipment.

Retrocommissioning, Energy Savings, & Rebates

McKinstry is utilizing a "retrocommissioning" strategy—a fine-tuning process that audits existing mechanical systems to make sure they operate at peak efficiency.

- **MEP & Life Safety Focus:** The primary systems targeted for tuning and repairs are Mechanical, Electrical, and Plumbing (MEP), alongside fire and life safety frameworks.
- **Financial Impact:** McKinstry has generated conservative initial projections indicating that these "find and fix" interventions will lower district energy bills.
- **TVA Rebates:** McKinstry is actively collaborating with the Tennessee Valley Authority (TVA) to secure utility incentive rebates, keeping extra funding flowing back into the school district.

Maintenance Strategy & Phased Scheduling

- **Immediate vs. Preventative Maintenance:** A board member asked if newly discovered equipment issues are being converted into routine preventative maintenance (PM) schedules. McKinstry clarified their two-track approach:
  1. *Critical/Safety Issues:* Fixed immediately or assigned directly to the internal maintenance staff right away.
  2. *Routine PM Tasking:* Standardized preventative tasks are compiled and pre-loaded into the new system. Rather than rolling them out all at once, McKinstry is systematically planning "who does what" to ensure smooth labor allocation.
- **Targeted Work Windows:** Heavy maintenance and intrusive infrastructure adjustments are scheduled around school holiday gaps. For example, replacing or fixing the broken heating units identified in Part 1 is a priority for fall break so they are operational before winter weather hits.
- **Convocation Training:** Dr. Farley announced that during the upcoming district convocation day, McKinstry will spend the afternoon conducting specialized training

sessions with both the maintenance staff and school custodians to align everyone on the new operational workflows.

Comp Time Tracking & Software Integration Review

Comp Time Tracking Procedure

- **Policy Alignment:** A new tracking sheet and procedure device has been developed to align strictly with Board Policy 5.604.
- **Supervisor Responsibility:** The policy dictates that immediate supervisors are responsible for tracking employee compensatory (comp) time.
- **Calculations:** The tracking sheet explicitly lists "comp time to earn" calculated at time-and-a-half.
- **Rollout:** The tracking system will be presented to school principals at their leadership retreat in July and integrated directly into the *Leadership Handbook*.

Attendance on Demand (AOD) Software Investigation

The district provided an update regarding market research into alternative payroll/HR tracking platforms:

- **Vetted Alternatives:** The team researched Paycom, ADP, Skyward (the district's current Student Information System), and Tyler Technologies.
- **Findings:**
    - *Paycom & ADP:* Internal staff members with prior HR experience reported highly negative historical experiences with these platforms.
    - *Skyward:* Formally evaluated in 2019, but determined to be "ridiculously expensive."
    - *Tyler Technologies:* Contacted in 2024; they indicated they do not process government payroll.
- **AOD Specifics:** Lebanon County Schools is one of a few current Tennessee school districts utilizing AOD. While primarily a local city/county government software rather than a dedicated education platform, the county finance office (which handles district payroll) is currently piloting it through the school system.
- **Costs:** AOD costs $3.50 per active person per month, alongside a one-time $2,195 consulting, configuration, and training fee. The $44,000 yearly software cost is housed in the HR budget on line 471.

The "Local Gov" Compatibility Bottleneck

The district outlined a historical issue with getting software platforms to communicate directly with the county finance department's core operating software (**Local Gov**).

- **The ReadySub Transition:** The district's previous substitute tracking program (*Siesta*) will expire soon. They transitioned to ReadySub to manage online tracking and scheduling rather than reverting to a manual phone call framework.
- **Integration Denial:** In late 2021, HR attempted to work with Tyler Technologies and ReadySub to format a direct data upload file that matched the exact reporting templates required by the Cumberland County Finance Office. ReadySub successfully engineered the data pipeline, but Local Gov has refused to grant final permission to allow the automated import onto their network.
- **Operational Friction:** Because Local Gov denies the direct interface due to network security constraints, county payroll workers must still manually cross-check and physically type the substitute tracking information into their systems.

Board Discussion & Act 81 Constraints

A major point of frustration for the board is that the district's payroll operations feel outdated ("in the 70s") because they are locked out of modern automated file sharing.

- **Act 81:** The school district is governed under Act 81, meaning the county government fundamentally dictates and controls the district's underlying payroll and financial network infrastructure. If county officials say "no" to an automated integration, the school board has no unilateral legal authority to overrule them.
- **Severing Act 81:** To legally move away from Act 81 control, the district would either have to prove in court that the county is failing to fulfill its required duties (which isn't viable, as they pay bills and execute payroll accurately and on time, despite being manual) or lobby for an exception through the state legislature.
- **Board Pushback:** A board member noted that with only roughly 300 of the nation's 128,000 school systems using AOD (roughly 0.02%), it is not a specialized education software. He urged the administration to continue pushing for modern, unified software bridges.
- **Upcoming Training:** An AOD administrative meeting is scheduled for July 30th from 10:00 to 11:00 AM. Additionally, during Convocation Day, training will be executed to help school-level users move away from utilizing old paper time sheets as an operational "security blanket."

TSBA Evaluations: Board Self-Assessment & Director Performance

1. Board Self-Evaluation Results

- **Participation:** The board self-evaluation was successfully completed by seven board members.
- **Year-Over-Year Improvement:** Meeting participants noted that this year's evaluation results showed a significant operational improvement compared to the previous year's assessment data.
- **Areas of Opportunity:** The report features a section highlighting the top six items categorized as "greatest concern." The board discussed treating these six items as high-priority areas of opportunity to guide individual and collective development.
- **Strategic Progress:** Presenters highlighted that the board held three strategic retreats over the past year, which successfully resulted in updating the district's strategic plan to include specific, measurable objectives.

2. Director of Schools Evaluation

The evaluation for the Director of Schools is calculated across multiple metric streams, including an administrative survey and strategic data.

Evaluation Component	Description & Status
Appendix A: Administrator Survey	Completed by district school principals and supervisors. The Director expressed deep gratitude for the strong, supportive scores received from building leadership.
Board Member Assessment	Completed and submitted by seven board members. The final composite score was publicly praised as ranking "above expectations."
Goal Achievement & Strategic Metrics	Derived primarily from student state test data and TVAAS (Tennessee Value-Added Assessment System) growth scores.

Data Timeline Note: While raw test numbers are slowly trickling in, final comprehensive metric profiles and TVAAS rankings will not be officially finalized until December or January, which is when the TSBA will return to completely close out the data profile.

3. Board Dialogue & Follow-Up Actions

- **Value of Written Feedback:** Both the board members and the Director expressed gratitude that evaluators took the time to write out detailed, constructive qualitative comments rather than simply clicking numerical rating scales.
- **Transition to One-on-One Meetings:** Prompted by a board member's question and a specific written suggestion within the evaluation text, the Director agreed to schedule **individual one-on-one meetings** with board members. These sessions will focus not only on areas needing growth but also on sustaining the significant achievements made over the past year of hard work.
- **Agenda Status:** Because both evaluation packets were officially published and made accessible well before the statutory 48-hour public notice requirement, and because the board fully processed the results during this work session, neither evaluation will be placed on the voting agenda for next Thursday's formal meeting.

Out-of-Zone Transfer Policy vs. Administrative Procedure

The board held a lengthy, tense discussion regarding student out-of-zone transfers, uncovering a direct conflict between formal Board Policy and localized Administrative Procedures.

1. Policy Comparison: Cumberland County vs. TSBA Models

The administration reviewed the district's two primary zoning policies side-by-side with the Tennessee School Boards Association (TSBA) model policies:

- **Policy 6.205 (Zoning & Legal Residence):**
    - *Language Differences:* The TSBA model states a student "shall" attend their zoned school, whereas Cumberland County's policy uses the phrase "expected to attend... by virtue of their residence."
    - *District Additions (Lines 6–28):* Cumberland County specifically added extensive, specialized language to address legal residency tracking and parenting/divorce plans. This was added years ago following legal complications with a divorcing family living in separate school zones.
- **Policy 6.206 (Open Enrollment & Transfers):**
    - Cumberland County's policy is completely identical to the TSBA model with zero modifications.

2. The Core Conflict: Post-Enrollment Criteria vs. Pre-Enrollment Rejection

A board member raised a critical challenge: the administration is currently denying student transfer requests using reasons that directly violate board policy.

- **The Policy Mandate:** Under Policy 6.206, physical space/capacity is the single, exclusive legal metric allowed to prevent a student from transferring during open enrollment.
- **The Problematic Procedure:** The district's internal procedure sheet (revised January 2020) lists a multitude of pre-enrollment rejection criteria, such as balancing enrollment variations between high schools, student discipline records, and absenteeism.
- **The Legal Boundary:** The board emphasized that behavioral and attendance standards are post-enrollment maintenance rules used to revoke a transfer *after* a student has moved—they cannot legally be used to block an initial pre-enrollment application if building capacity exists.

> "The administration doesn't have legislative authority to make a decision on not transferring somebody because of discipline issues or absenteeism. Space is the only determining factor in our policy right now... This is a violation of our policy that we have currently."

3. Open Enrollment Capacity Metrics (High School Focus)

The board examined the current space realities at Cumberland County High School (CCHS) and Stone Memorial High School (SMHS):

- **Total Capacity:** CCHS can hold roughly 2,000 students; SMHS can hold roughly 1,250.
- **Procedural Restrictions:** The district's internal rules try to enforce a strict balance (no more than a 2.5% enrollment variance or a 59-student total population gap between the schools). Currently, the high schools sit at a 49-student variance without accepting out-of-zone requests.
- **Procedural Failure:** The administration admitted to a 100% policy failure regarding state compliance this year: the district failed to generate, publish, and provide the official space/classroom availability rosters 14 days prior to open enrollment as mandated by law.

4. Breakdown of the 2026–2027 Out-of-Zone Applications

High school open enrollment decisions are finalized in June (to align with athletic tryouts), while elementary applications are held until 10 days into the school year to secure accurate numbers.

The Director provided the following data audit for the upcoming high school term:

- **Total Applied:** 22 students
- **Total Approved:** 8 students (4 from CCHS, 4 from SMHS)
- **Total Denied:** 14 students, broken down by administrative reasons:
    - *Out-of-County Residence:* 4 students (Legitimately denied; outside district jurisdiction).
    - *10th Grade Capacity Limit:* 6 students (Denied because 10th grade is the largest class at both schools—276 vs. 275 students—and administrators feared overloading rosters).
    - *Attendance/Tardiness Issues:* 2 students.
    - *Disciplinary Records:* 1 student.
    - *Family/Extenuating Circumstance:* 1 student.

Note: Cumberland County school employees who want their children to ride to work with them are legally permitted to bypass zones but must still file an application. They are not included in the numbers above.

5. Board Debate: "Rules of the Game" & Hard Zoning

Argument for Overruling the Denials (Strict Policy Adherence):

Board members argued that since the district has physical building capacity (SMHS is not at its 1,250 cap), denying students over attendance or discipline violates current policy. They noted that blocking transfers could actively harm students. For example, a student with attendance issues might improve if allowed to transfer to a school offering a specific program they care about, like JROTC or a basketball program.

> "You can't change the rules in the middle of the game... The right thing is following board policy always. Based on that, I think anybody you've denied for disciplinary or for absenteeism needs to go."

Argument for Stricter Zoning (The "Hard Zone" Alternative):

Other board members counter-argued that the district needs to return to strict, unyielding "hard zones" with no transfer flexibility except for safety or legal orders of protection. They expressed concern that open transfers create a culture of rewarding bad behavior, allowing students to "mess up" at one school and just cross town for a fresh start. Furthermore, as the district researches moving to a middle school model, raw, unmanipulated neighborhood data is required to map resources accurately without duplicating costly specialized programs across both towns.

Next Steps & Action Plan

Because the administrative numbers overlap (one denied student is a 10th grader, a discipline issue, and has a sibling applying simultaneously), the board narrowed the dispute down to just 3 or 4 specific students who were disqualified under procedural rules rather than space rules.

1. **Immediate Remedy:** The administration will re-evaluate the 3–4 contested student applications strictly against physical space availability, as the current policy dictates.
2. **Athletic Verification:** The Director will double-check current TSSAA (Tennessee Secondary School Athletic Association) rules regarding the "one-time transfer allowance" for home-schooled students to ensure athletic eligibility compliance, as two of the applicants are athletes.
3. **Policy Revision Timeline:** The board agreed that the current policy must be followed for this cycle since applications opened April 1st. However, the board plans to formally rewrite and vote on a stricter, legally sound zoning policy in August or September so that clear, rigid rules are locked in place well ahead of the next calendar cycle.

Out-of-Zone Philosophy Debate & Meeting Wrap-Up

1. The Human Element vs. Strategic Accountability

The board engaged in a deeper philosophical discussion regarding the ultimate purpose of allowing student transfers before reaching a final resolution:

- **The "Fresh Start" Philosophy:** Board members emphasizing a student-centric approach argued that transfers are rarely about athletic recruitment and often about mental health or behavioral course correction. Students can get "labeled" by a specific school or staff, or trapped in negative peer groups. Granting a transfer provides a vital psychological reset to help them shed a bad reputation.
- **The Skeptical/Abuse Argument:** Conversely, other board members argued that a majority of transfers are driven by parents simply indulging their children's superficial impulses (e.g., relationship breakups or peer arguments) rather than making sound educational decisions. They warned that allowing students to flee a school after "burning bridges" rewards bad behavior and teaches them to run from consequences instead of learning accountability.
- **The Consolidating Reality:** One member noted that if the district successfully transitions to a unified, single-building middle school and high school model in the future, internal options to run away from behavioral mistakes will disappear entirely, making conflict resolution skills essential.

2. Resolution of the Out-of-Zone Dispute

The board reached a consensus on how to resolve the immediate crisis without altering the rules mid-cycle:

- **Immediate Action:** The board explicitly instructed the Director to bypass the restrictive administrative procedures and strictly honor the written text of Policy 6.206.
- **The Directive:** The 3 to 4 contested student applications will be fully approved because the physical facilities have the technical seat capacity to accommodate them.
- **Notification:** The administration will call and officially notify the affected families of their approvals the following morning.
- **Agenda Status:** Because the board unilaterally settled the dispute by enforcing the policy as written, this will not be placed on the voting agenda for next week's formal meeting.
- **Future Policy Revisions:** Policies 6.205 and 6.206 will be placed directly onto the agenda for the next official board work session. The board plans to heavily revise the core text over the autumn months to create rigid, strict rules regarding zoning and teacher-counselor intervention attachments before the next open application window opens on April 1st.

3. Financial, & Legislative Policy Revisions

The Director transitioned the work session into the final administrative agenda items preparing for next week's voting assembly.

Monthly Financials & Budgets

- The upcoming voting agenda will carry the standardized monthly financial report, the sales tax report, and only three minor line-item budget amendments. Typical logistical items like student fundraisers will follow standard approval tracks.

Legislative Policy Revisions (First Reading)

The administration apologized for presenting a massive stack of policy updates to process within a 48-hour window, explaining that the high volume is a direct consequence of new statutory compliance updates mandated by the Tennessee State Legislature.

- **Attendance Policy Rewrite:** A board member sent a formalized policy rewrite to the board's legal counsel (*Mr. McCarty*). The amendment changes how the district tracks employee absences—specifically removing a line that requires employees to explicitly state a detailed reason for the absence, focusing instead purely on verifying the timeframe. Legal counsel reviewed the text and advised the board to remove one specific line and approve the rest.

- **Professional Days Uncapped:** A newly enacted state law regarding "professional persons" brought up questions regarding how many professional development days teachers can accumulate. The Director clarified that Cumberland County historically has never capped or limited professional learning days. If an educator needs to attend a critical four-day educational conference, the district routinely approves the time even if the teacher has only technically accumulated two standard days on paper.

2. Document Color-Coding & Corrections

Mark/Color	Meaning	Origin
Red Text	Recommended additions or updates	TSBA Model
Yellow Strikethrough	Recommended deletions	TSBA Model
Blue Text	Localized text additions or rewrites	Cumberland County District
Standard Strikethrough	Localized text deletions	Cumberland County District

3. Accelerated Approvals (First & Second Readings)

While most of the policies are sitting on "First Reading" for initial review, the administration highlighted three specific policies that needs a fast-track through both a First and Second Reading at next week's voting meeting to meet incoming July deadlines:

- **Two HR Policies:** Required immediately to properly onboard and process upcoming contract hires for the new school year.

- **Policy 6.202 (Attendance):** Fast-tracked so the central attendance department can officially train school attendance clerks on the new state-mandated laws during their scheduled July workshops.

At a board member's request, the administration agreed to clearly separate these three hybrid "First/Second Reading" items from the standard standalone blocks on next week's official voting agenda to avoid any procedural confusion.

4. General Agenda Wrap-Up & Adjournment

The remaining items for next week's regular assembly were confirmed as standard, end-of-fiscal-year housekeeping logistics. These include routine approvals for district newsletters, inventory records, special education agreements, substitute teacher lists, and various Memorandums of Understanding (MOUs) required to launch the new school year.

Before concluding, a board member requested final confirmation on the out-of-zone transfer students discussed earlier in the meeting. The administration re-verified that the 3 or 4 contested students are fully approved under existing space rules, and the families will be contacted tomorrow morning to confirm they can attend their school of choice.

With no further business or questions brought forward, the work session was officially adjourned at approximately 6:02 pm.

The Tennessee Department of Education, hereinafter referred to as the "State Agency (SA)," and the School Food Authority (SFA), listed below, hereinafter referred to as the "SFA" agree to comply with the conditions of this Agreement which are based on public laws, regulations, statutes, policies, procedures and best practices that govern the School Nutrition Programs to be operated by the SFA. The State Agency (SA) and SFA are referred to as "Parties" established by this Agreement.

The State Agency (SA)

a. Agrees that to the extent of funds available, it shall reimburse the SFA in connection with meals, snacks and milk served to children in the indicated program(s) in schools, institutions or sites included in the Agreement and/or amended Agreement during the effective period of this Agreement; agrees that during any fiscal year, the amount of reimbursement paid to the SFA for meals and snacks served to children in each school, institution or site shall not exceed the amount equal to the number of meals or snacks by types (free, reduced, paid), served to children, multiplied by the assigned rates;

b. Agrees that it will supply, in writing or electronically, to the SFA's School Nutrition Program Administrator, all changes, additions, and deletions to federal and state regulations and policies of the Tennessee Department of Education and State Board of Education that govern the operation of the programs;

The SFA shall also submit for approval a Free and Reduced Price Policy Statement in accordance with 7 C.F.R. Part 245.

b. Agreement. The Parties establish this Agreement, as each SFA approved to participate in the program is required under 7 C.F.R. § 210.9 to enter into a written agreement with the State Agency (SA) that may be amended as necessary. Nothing in the preceding sentence shall be construed to limit the ability of the State Agency (SA) to suspend or terminate this Agreement in accordance with 7 C.F.R. § 210.25. The SFA and participating schools under its jurisdiction shall comply with all provisions of 7 C.F.R. Parts 200, 210, 215, 220, and 245. This Agreement shall provide that each SFA shall, with respect to participating schools under its jurisdiction:

    1. Maintain a nonprofit school nutrition program and observe the requirements for and limitations on the use of nonprofit school nutrition program revenues set forth in 7 C.F.R. § 210.14 and limitations on any competitive school food service as set forth in 7 C.F.R. § 210.11 and SBE Rule 0520-06-.04;

TN Department of Education

Policy Statement for Providing Free and Reduced Price Meals to Students

This document is part of the Agreement between the SFA and the SA to administer the School Nutrition Programs.

The SFA accepts responsibility for providing **free and reduced-price meals and/or free milk and afterschool snacks** to eligible children in the schools under its jurisdiction.

The SFA assures the Tennessee Department of Education that the school district will uniformly implement the following policies to administer the program(s) in schools under its jurisdiction. In fulfilling these responsibilities, the SFA agrees to the following provisions:

A. Serve meals free to children from households whose income is at or below the free meal eligibility scale listed in the current income eligibility guidelines, or whose participation in SNAP (formerly Food Stamp Program) or Families First also called Temporary Assistance for Needy Families (TANF) or the Food Distribution Program on Indian Reservations (FDPIR) qualifies them for direct certification for free meals, or whose migrant, homeless, runaway or foster child status or other federally-approved status as described in a policy memorandum issued by the United States Department of Agriculture, entitles them for categorical eligibility for free meals, or whose participation in Medicaid indicates a household income equivalent to an income eligible for free meals;

B. Serve meals at a reduced price to children from households whose income is at or below the reduced-price meal eligibility scale listed in the current income eligibility guidelines and/or use other available resources for the student co-pay for reduced price breakfast meals ($ 0.30 per meal) or paid meals to serve breakfast meals at no charge to students who are eligible for reduced price meals or paid meals;

C. Ensure reduced price charges for lunch and breakfast are at or below the maximum reduced price allowed by regulations. Reduced price charges for lunch shall be set at $ .40 or less, reduced price breakfast shall be set t $ 0.30 or less, and reduced-price snacks shall be served at $ 0.15 or less;

D. Ensure food is not used as a means of rewarding or punishing students for any purpose;

E. Ensure no physical segregation of, nor any other discrimination against, any child because of his/her inability to pay the full price. The names of children eligible to receive free or reduced-price meals shall not be distributed, published, posted, or announced in any manner, and there shall be no overt identification of any such children by use of special tokens, tickets, identification numbers or any other means. Further assurance is given that children eligible for free or reduced-price meals shall not be required to:

1. Work for their meals;

2. Use separate dining room areas;

3. Go through a separate serving line;

4. Enter the dining room through a separate entrance;

5. Eat meals at a different time; or

6. Eat a meal different from the one sold to children paying the full price, or be denied a meal.

F. Operate the School Nutrition Programs so that no child shall be discriminated against on the basis of race, color, national origin, sex, age, or disability.

G. Authorize the School Nutrition Administrator/Designee to serve as the Determining Official for the LEA; the Determining Official shall determine student's meal eligibility status based on the current school year NSLP income eligibility guidelines, which are updated annually. This official agrees that information on the application will be used to determine the child's eligibility for only those benefits designated by the parent/guardian. The determining official is also authorized to make decisions about extending school meal benefits to students residing in households where other students are directly certified for free meals and who are subsequently eligible to receive them based USDA guidance. (Note: The Determining Official may not serve as the Hearing Official. See Item K.)

H. Develop and make available to each child's parent or guardian, a letter as outlined herein, including a household application for free or reduced-price meals, at the beginning of each school year. The school system must develop a procedure and keep it on file for disseminating applications (school packets, email, website, or combination, etc.). This procedure must define if applications will be paper or electronic and how they will be returned. Parents will be responsible for completing a household application and returning it to the school or Board of Education for review. Such applications and documentation of action taken will be maintained for three (3) years after the end of the school year to which they pertain. Applications are effective for one year. Any parent enrolling a child in a school for the first time, at any time during the year, shall be provided with an application for meal benefits. If a child transfers from one school to another under the jurisdiction of the LEA, the child's eligibility for free or reduced-price meals will be transferred to, and honored by, the receiving school. Parents or guardians will be notified within ten (10) working days of the acceptance or denial of their applications. Children will be served meals immediately upon the submission of a complete application; children whose applications are approved for free meal benefits shall not incur charges during the application processing period.

Use data from the State Agency's Direct Certification Technology System to issue meal benefits to students who are directly certified for free meals and to notify the students' households of free or reduced-price meal benefits and allow the household the opportunity to decline free meal benefits should they choose to do so.

The Healthy, Hunger-Free Kids Act of 2010, Public Law 111-296, amended Section 9(b)(5) of the Richard B. Russell National School Lunch Act to allow certification of a foster child for free meals, without application, if the local educational agency or other child nutrition program institution obtains documentation from an

appropriate state or local agency indicating the status of the child as a foster child whose care and placement is the responsibility of the state. The foster child is categorically eligible and may be certified without an application. Households with foster and non-foster children may choose to include the foster child as a household member, as well as any personal income earned by the foster child, on the same household application that includes their non-foster children. This will streamline the application process and may help the foster family's non-foster children qualify for free or reduced-price meals based on household size and income.

In processing the application, the LEA would certify the foster child for free meals and then make an eligibility determination for the remainder of the household based on the household's income (including personal income earned by the foster child) or other categorical eligibility information reported on the application. Foster payments received by the family from the placing agency are not considered income and do not need to be reported. The presence of a foster child in the household does not convey eligibility for free meals to all children in the household in the same manner as FNS, Temporary Assistance for Needy Families (TANF), Food Distribution Program.

When an application is denied, parents or guardians will be provided written notification in a language that parents and guardians can understand, to the extent practicable, which shall include the following:

1. Reason for the denial of benefits, (for example: income in excess of allowable limits or incomplete application).

2. Notification of the right to appeal the denial of benefits.

3. Specific instructions on how to appeal.

4. Statement reminding parents that they may reapply for free and reduced-price benefits at any time during the school year. (Note: The reasons for ineligibility shall be properly documented and retained on file at the LEA level.)

I. Select and verify by November 15 the eligibility of a sample of the approved free and reduced-price applications on file as of October 1. The SFA further agrees to maintain the following records relating to verification for a period of three (3) years:

1. Total number of applications on file as of October 1st.

2. Documentation of the sample selection.

3. Summary of all verification activities and outcomes.

J. Conduct a second-party review of applications to ensure the applications are complete and benefits are accurately issued if a computerized system is not used.

K. Identify individuals within the district who are authorized to serve as liaisons in the following areas:

- Migrant
- Homeless/Runaway
- HeadStart
- EvenStart
- FosterChild

These liaisons will be authorized to provide official, accurate information to the SFA's determining official for the purpose of determining categorical eligibility for students who meet pre-established criteria.

L. Designate a Hearing Official to establish and use a fair hearing procedure under which:

1. A household can appeal against a decision made on the original application.

2. A household can appeal an adverse action made because of verification of an application.

3. The SFA can challenge the continued eligibility of any child. During the appeal and hearing, the child who was determined to be eligible based on the application submitted will continue to receive free or reduced-price meals or free milk.

The Hearing Official must be someone not involved in the original eligibility determination. It is suggested that the Hearing Official hold a position at a higher administrative level than that of the Determining Official.

Hearing Procedure

Prior to initiating the hearing procedure, the school official, the parent(s) or the guardian may request a conference to provide an opportunity for the parent(s)/guardian(s) and school official(s) to discuss the situation, present information, obtain an explanation of data submitted in the application and the decisions rendered. Such a conference shall not in any way prejudice nor diminish the right to a fair hearing.

The designated hearing official shall ensure that the hearing procedure provides the following for both the household and the LEA:

1. A publicly announced, simple method for making an oral or written request for a hearing;

2. An opportunity to be assisted or represented by an attorney or other person;

3. An opportunity to examine, prior to and during the hearing, the documents, and records presented to support the decision under appeal;

4. Reasonable promptness and convenience in scheduling a hearing and adequate notice as to its time and place;

5. An opportunity to present oral or documentary evidence and arguments supporting a position without undue interference;

6. An opportunity to question or refute any testimony or other evidence and to confront and cross-examine any adverse witness(s);

7. That the hearing will be conducted, and the decision will be made by an official who did not participate in the decision under appeal (or any previous conference);

8. That the decision of the hearing official will be based on the oral and documentary evidence presented at the hearing and entered into the hearing record;

9. That the parties concerned, and any designated representative thereof be notified in writing of the decision;

10. That for each hearing, a written record be prepared, including the decision under appeal, any documentary evidence and a summary of any oral testimony presented at the hearing, the decision of the hearing official and the reasons therefore, and a copy of the notification to the parties concerned of the hearing official's decision; and

11. That such written record must be retained for a period of three (3) years after the close of the school year to which it pertains; these records must be made available for examination by the parties concerned or their designees at any reasonable time and place during such period.

M. Submit a public/press release annually to notify the public of the process for applying for free and reduced-price meal benefits. At such time during the course of the year the LEA is informed of major employers contemplating or experiencing large layoffs, or other conditions that would result in loss of income to households, the LEA will provide specific information about applying for free or reduced-price school meal benefits to employees whose children may be enrolled in the LEA. In addition, the LEA agrees to provide such a public release whenever there is a change in eligibility criteria, unless specifically exempted from doing so.

N. Establish a written procedure to collect money from children who pay for their meals and milk and to account for the number of free, reduced-price, and full-price and alternate meals served. The procedure described will be used so that no other child in the school will be aware of such a procedure or the identity of the children receiving free or reduced-price meals or free milk.

O. Submit to the Tennessee Department of Education, School Nutrition Program, Andrew Johnson Tower, 710 James Robertson Parkway, Nashville, TN 37243-0389, or email to School.Nutrition@tn.gov any revisions to the administrative procedures outlined in this policy statement before implementation. Such changes will be effective only upon approval by the department. All changes in eligibility criteria must be publicly announced in the same manner used at the beginning of the school year.

(1) By signing and submitting this form, the prospective lower-tier participant is providing the certification set out on page 1 in accordance with these instructions.

(2) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower-tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.

(3) The prospective lower tier participant must provide immediate written notice to the person(s) to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(4) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person, ""primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549, at 2 C.F.R. Dear Parents and Guardians:
We are pleased to announce that your school will continue to implement an option available to select schools in Tennessee that participate in the National School Lunch and School Breakfast Programs. It is called the Community Eligibility Provision (CEP)

The Community Eligibility Provision, a key provision of The Healthy, Hunger-Free Kids Act of 2010, allows the nation's highest poverty districts and schools to serve all students free meals without the burden of collecting household applications. This alternative saves districts and schools time and money by streamlining paperwork and administrative requirements. CEP gives foodservice professionals more time to focus on preparing nutritious meals their students will enjoy and gives students more time to eat those meals by cutting down on time spent in the lunch line. Because all students receive meals at no charge, individual children at CEP schools no longer must worry about the stigma associated with free or reduced-price status. And most importantly, by offering all students a nutritious breakfast and lunch at no cost, CEP helps boost participation, helping schools ensure more students come to class well-nourished and ready to learn. For more information, visit:

http://www.fns.usda.gov/school-meals/community-eligibility-provision

What does CEP mean for my student(s) who attend a participating school? In a CEP school, **all** students receive a nutritious breakfast and lunch at no cost, regardless of family income.

What if my child changes schools? Your child is eligible for free meals at the school where he/she is currently enrolled. If he/she eats meals at or transfers to a non-CEP school during the school year, you may be responsible for meal charges. If transferring to a non-CEP school, a free/reduced application is required to be considered for free or reduced-price meals.

Withdrawn students and/or graduating students with money left in the child's meal account? Please request any money left in your child's meal account no later than 10 days after the last day of enrollment. Requests should be written and can be made to the following address above or to the email below. Please include the following information: child's name, your name, phone number, and the correct address for the check to be mailed. A request can also be made to transfer the funds to a sibling or another account. Any money under $25.00 left in your child's account after the 10 days of the withdrawal or graduation will be transferred to an "extra money" account and be deemed as a donation in our computer system to be used for other accounts in need.

If paying with cash, ALL change will be applied to the student's meal account. This helps to decrease the spread of germs and gives students more time to eat meals by cutting down on time spent in the lunch line. You may pay in cash, check or at https://linqconnect.com/

Payments may be made free of charge by cash or check.

If you have any questions, please contact Kathy Hamby at khamby@ccschools.k12tn.net or 931-484-6722.

Offer versus Serve Procedure

The Cumberland County School Nutrition Program uses the Food-Based Menu Planning, Traditional Category for both Lunch and Breakfast. The selection option is called Offer versus Serve. Offer versus Serve (OVS) allows students in grades K – 12 to decline a certain number of food items in the meal. The goals of OVS are to minimize plate waste and to offer more food choices. The following are the conditions of OVS:

- At a minimum, students must be offered one full serving of all five required components for lunch:
    - Fruit
    - Grain
    - Meat/Meat Alternate
    - Milk
    - Vegetable
- At a minimum, students must be offered one full serving of the required components for breakfast consisting of 4 items:
    - Fruit/Vegetable
    - Grains/Meat/Meat Alternate
    - Milk
- Students can decline two of the five required food components for lunch.
- Students can decline one of the four required food items for breakfast.
- Serving sizes must be at least equal to the minimum required quantities by age or grade group.
- The meals are priced as a unit, and a student's decision to decline the allowed number of food items or components does not affect the charge for the meal.
- For an OVS lunch to qualify as a reimbursable meal, it must contain certain combinations of foods. Servers and cashiers will monitor the components of the reimbursable meal (3 of the 5 required components must be present).
- For an OVS breakfast to qualify as a reimbursable meal, it must contain certain combinations of foods. Servers and cashiers will monitor the components of a reimbursable meal (3 of the 4 required items must be present).
- Students will be encouraged randomly as needed to take all five components for lunch and four items for breakfast.
- For a meal to be considered reimbursable, the student must take at least ½ cup of Fruit or Vegetable.

Due to the new PK meal pattern, the OVS option does not apply, and PK students must receive all meal components/items but can pick a variety of food items within those components/item UNLESS the PK are mingled with other students at meal service time.

Cumberland County Schools Meal Charge Administrative Procedure

Effective Date: July 1, 2026

As provided in SP 46-2016, all school food authorities (SFAs) operating the federal school meal programs (National School Lunch Program and/or School Breakfast Program) must have a written and communicated meal charge administrative procedure in place no later than July 1, 2017. All SFAs must have an administrative procedure in place for children participating at the reduced price or paid meal rate who either do not have money in their account or in hand to cover the cost of the meal at the time of service. SFAs are required to communicate that administrative procedure to families and school and/or district-level staff members as appropriate. SFAs should ensure the administrative procedure is communicated on an annual basis.

Families will have access to the meal charge administrative procedure via packets that are given to each student at the start of each school year. Families of transfer students (during the year) will receive a copy of the district-wide charge administrative procedure with the online enrollment packet.

Local Charge Administrative Procedure – Student Fees & Fines (Policy Reference: 6.709)

Cumberland County School Nutrition believes in the importance of providing healthy nutritious meals for our students. Just as with any services, there is an expense involved with every meal that we provide. We are required to set standards and procedures to address any possible cafeteria charge.

General

Students are able and encouraged to get 1 breakfast and 1 lunch daily at no charge due to all schools participating in the Community Eligibility Provision.

Students who want a **2nd** breakfast or lunch will have to buy it as a la cart items and a la cart items are never allowed to be charged.

Charge Limits and Household Notification

All students will be given a verbal reminder regarding low balances, so they know when they need additional monies to purchase EXTRA items outside of the normal reimbursable breakfast and lunch.

Alternate meals

No alternate meals will be given. Meals are never changed or withheld as punishment.

Delinquent Debt

Delinquent debt is defined as overdue unpaid meal charges that are considered collectible, with efforts being made to collect them. The debt may remain on the accounting documents until it is either collected or determined to be uncollectable. The debt may be carried over at the end of the school year (beyond June 30). Before the SFA requests payment of the outstanding debt, the household's debt will be delinquent until it is deemed by the Director of Schools that it be classified as bad debt. Collection attempts will continue if the debt is deemed delinquent as a joint effort of the School Cafeteria Manager, the School Office Administrative Staff, the Cumberland County School Nutrition Office, and the Director of Schools' Office. **Furthermore, all unpaid charge accounts could be turned over to the BOE Attorney, and collections. The ONLY unpaid charge accounts would be those of school staff members.**

Bad Debt

- Bad debt is determined to be uncollectable when further collection efforts for delinquent debt are deemed useless or too costly. Delinquent debt will be considered as bad debt as deemed by the Director of Schools.
- Bad debts (debts which have been determined to be uncollectable), including losses (whether actual or estimated) arising from uncollectable accounts and other claims, are unallowable. Related collection costs, and related legal costs, arising from such debts after they have been determined to be uncollectable are also unallowable (section 200.426 of subpart E).
- Bad debt must be written off as an operating loss as deemed by the Director of Schools; the nonprofit school food service account (NSFSA) resources may not be used to cover the costs related to the bad debt. These funds may come from the school district's general fund, school or community organizations, or any other non-federal sources.
- Once delinquent meal charges are converted to bad debt, records relating to those charges must be maintained according to record retention requirements in 7 CFR 210.9(b)(17) and 7 CFR 210.15(b).

HOW DOES SCHOOL LUNCH HELP FAMILIES?

Provides a balanced meal

It meets one-third of the nutrition needs of most children for the day.

Helps kids learn where foods come from

Farm to school programs are in 42 percent of schools which increase kids access to locally produced foods and learning activities such as farmers' visits and school gardening.

Saves time

If you spend 10 minutes a day packing lunch, that adds up to 30 hours (1,800 minutes) each school year.

Supports learning at school

Research shows that kids with healthier eating patterns have better academic performance.

> "We grow fruits and vegetables in our school greenhouse, which are harvested and given to the cafeteria to serve on the salad bar. It's great because the landscaping class gets involved, the leadership classes get involved, and even all the marketing plan classes get involved."

HOW CAN FAMILIES HELP THEIR CHILDREN ENJOY SCHOOL LUNCH?

- Try new foods at home. Kids need many opportunities to taste a new food to "get used to it."
- Talk with your child about what's on the menu. Make sure he or she knows about all the foods that are included in his or her school.
- Eat lunch at school with your child. Learn more about what's offered and meet school nutrition staff.
- Encourage your child or teen to join in taste-testing events or surveys about school lunch, when available.

Visit **Choosemyplate.gov/Families** for additional tips and activities for families.

☐	5/14/2026 3:19:46 PM	Brett Printz	FY27 CFA IDEA Parentally Placed Set-Aside Amount for Placeholder Allocations Good morning, Directors, The allocations currently loaded for budgeting purposes for the FY27 Consolidated Funding Application (CFA) applications utilize the final FY26 allocation as a placeholder amount for IDEA Part B 611 and IDEA 619 Preschool grants. These placeholder allocations are to be used for parentally placed set-aside calculations for LEAs until FY27 allocations are finalized and calculated. When allocations are loaded into ePlan, a parentally placed set-aside amount is also posted in ePlan in the TDOE Resource folder and linked on the IDEA Private School Details page of the Consolidated funding application. Under 34 C.F.R. § 300.133(a), each LEA is required to spend this minimum amount of its subgrants under IDEA Part B and IDEA Preschool on children with disabilities placed by their parents in private schools, including religious, elementary, and secondary schools. In the CFA, LEAs indicate where they budget for this using their federal funds and state in the narratives. The IDEA Private School Proportionate Amounts Calculation document posted in the FY27 CFA uses the placeholder allocations in the set-aside calculation. LEAs will receive a new, revised parentally placed set-aside amount for IDEA Part B and IDEA Preschool allocations and will re-budget when the FY27 allocations are updated. For questions about the placeholder FY27 CFA parentally-placed set-aside amounts, please reach out to Brett Printz Brett.Printz@tn.gov. Respectfully Yours, Brett Printz	C

☐	4/27/2026 12:10:18 PM	ePlan Help	Allocation Update for FY27 CFA	C

Good afternoon,

To ensure local educational agencies (LEAs) have adequate time to plan for the 2026-27 school year, the Division of Federal Programs and Oversight (FPO) will extend the CFA deadline to **May 15** and will load ESSA and IDEA allocations by **close of business today** in the FY27 Consolidated Funding Application (CFA), as noted below:

Historically, the ESSA and IDEA initial allocations loaded into the CFA are for *planning purposes* and are adjusted to reflect new data or preliminary amounts from the U.S. Department of Education (ED). Like in years past, all LEAs will be required to revise program budgets and resubmit the CFA to FPO once FY27 allocations are received from ED. By providing allocations, LEAs can ensure federal grant funds are available on **July 1, 2026**, to serve students and staff, as well as order instructional materials and supplies. The allocations loaded in the FY27 CFA include the required allocation adjustments for Title I, Part A, and Title I, Part A—Neglected as ED requires in the signed Memorandum of Agreement (MOA).

FY26 final allocation amounts have been loaded to the FY27 CFA for the following programs: Title I Part A; Title I, Part A-Neglected; Title I, Part D; Title II, Part A; Title III, Part A; Title IV, Part A; IDEA, Part B; and IDEA Preschool.

Please review the following program-specific information:

- Title I, Part C:
  - FY27 planning allocations have been loaded for LEAs that indicated an intent to accept funds on the recent Title I, Part C Intent to Apply survey.
  - If the LEA plans to release Title I, Part C funds, please check the N/A release box at the top of the Title I, Part C *Program Details* page.
- Title III, Part A:
  - FY26 allocations have been loaded. Additional information regarding consortia groupings will be shared as soon as it becomes available.
  - LEAs interested in serving as a consortia fiscal lead should contact Hannah.Gribble@tn.gov.
- Title V, Part B:
  - FY27 planning allocations have been loaded based on information from the U.S. Department of Education. LEAs that are no longer eligible for Title V were notified by the Tennessee Department of Education in March.
  - LEAs no longer eligible in FY27 will have access to FY26 carryover funds once the FY26 Final Expenditure Report (FER) has been submitted and approved.

Since these amounts are for **planning purposes** and **do not reflect FY27 data**, FPO encourages LEAs to plan with these reminders:

Attention Needed	Date	User	Status (S)/Comment (C)	S/C
			▪ Federal funds are supplemental to state and local funds. ▪ As always, LEAs must spend funds on the students generating the funds. ▪ Divide preliminary allocations into 12 months and plan to spend as close to 1/12th of funds each month as possible. ▪ For returning positions, consider how positions are funded with federal funds, their benefit, necessity, and prioritization. ▪ Before hiring new positions, consider other funding sources if allocations decrease from planning amounts. ▪ As new contracts or multi-year contracts with vendors are considered, ensure multiple funding sources, including state and local funds to remit payment. Our team has planned FY27 ESSA and IDEA CFA Work Sessions to assist LEAs with budgeting strategically. These sessions are intended to provide hands-on assistance for the planning and development to use funds withing the CFA effectively and assist LEAs with the above considerations. To make these workshops beneficial, participants should bring their laptops and other necessary resources. As additional resources, LEAs may reference the FY27 CFA ESEA Training Presentation, FY27 CFA IDEA Training Presentation, What's New: FY27 CFA, and the Technical Application Guide: FY27 CFA. The CFA review team will begin reviewing applications as they are submitted, and LEAs are encouraged to submit the FY27 CFA before **May 15**, where possible. If you need additional support, please contact me. Debby TN Department of Education **Deborah A. ESEA Evidence

Cumberland County (180) Public District - FY 2027 - Consolidated - Rev 0 - ESEA Requirements

The Every Student Succeeds Act (ESSA) requires that, to the extent practicable, federal education funds be used to support activities, strategies, and interventions that are evidence-based. This requirement applies across all ESSA programs, including:

- Title I, Part A
- Title I, Part C
- Title II, Part A
- Title III, Part A
- Title IV, Part A
- Title V, Part A

Under ESSA § 8102(21)(B), the term evidence-based, when used with respect to a State, LEA, or school activity, means an activity, strategy, or intervention that is supported by one of the following: strong evidence (Tier 1), moderate evidence (Teir 2), promising evidence (Teir 3), or evidence that demonstrates a rationale (Tier 4).

Please describe the process the LEA uses to ensure that ESSA program funds are used, to the greatest extent possible, for evidence-based activities. Please include the following information in the response:

* a) How do you identify and select evidence-based strategies or programs for ESSA programs and activities?

Each Title I school in the district must complete a comprehensive needs assessment by addressing and answering the following:

-Describe how the school has completed a comprehensive needs assessment of the entire school based on information including the achievement of children in relation to the state academic content standards. The data should be cross-analyzed to identify the needs of educationally disadvantaged students [ESSA Section 1114(b)(6)]. Please describe methods and instructional strategies that will be used in the school to strengthen the academic program, increase the quality and amount of learning time, and provide opportunities for enriched and/or accelerated learning [ESSA Section 1114(b)(7)(A)(i)].

-Describe strategies used by the school to provide all students with opportunities to meet challenging state academic standards. Include strategies to reach economically disadvantaged students, students from major racial and ethnic groups, children with disabilities, and English learners. [ESSA Section 1111(c)(2); ESSA Section 1114 (b)(7)(A)(i)].

-Based on the school's needs assessment, what are the identified priorities/goals that the school will be focusing on this year?

There are multiple considerations before a Title I school is permitted to expend federal funds. In addition to addressing each of the above questions, each school that identifies potential instructional programming needs for the upcoming year must list the tier of evidence to support the purchase, the approximate amount of funding to purchase, explain the justification, and describe how this purchase is linked to a school improvement plan goal. The Tiers of Evidence resource provided by the TDOE is heavily utilized during this evidence-examining process.

Expenditures for Title II, Title III, Title IV, and Title V follow a similar process at the district level and are rooted in evidence and approved prior to the expenditure of federal funds.

For example, regarding professional development funded via Title II, there is Tier 1-Strong evidence so support expending funds for professional development in Cumberland County. Professional development is needed to ensure teachers, interventionists, and educational assistants receive training needed in order to: increase student achievement consistent with the challenging state academic standards; improve the quality and effectiveness of teachers, principals, and

other school leaders; increase the number of teachers, principals, and other school leaders who are effective in improving student academic achievement in schools; provide low-income and minority students greater access to effective teachers, principals, and other school leaders.

Leadership within the Cumberland County School District will emphasize a mindset of continuous improvement with all faculty and staff in order to facilitate greater participation and mindfulness of professional learning opportunities. Current practices have indicated that students are struggling to achieve at the desired levels of proficiency; consequently, a greater focus on standards-aligned instruction, standards-aligned tasks, and standards-aligned assessments will be present through specific professional learning opportunities and support.

Implementation:
The principal will collaborate with district-level leadership to ensure that all possibilities for focused professional development are explored and participated in. The district supervisory team will review this data each semester.

Effectiveness:
By spring 2027, all students in grades 3-11, including subgroups (ED, EL, SWD, and BHN), will increase academic achievement in all core subject areas as evidenced by state assessments.

Responsibility:
The building principal is responsible for monitoring the effectiveness metrics. The district's PreK-8 and 9-12 supervisors will follow-up with building principals to ensure effective implementation.

During data analysis of all benchmarking/assessment data, success plans, graduation plans, and supplemental instructional programs data, if it is determined that progress is not being made, then the professional development plans for each school may change based on the deficit area(s).
Changes made will include, but not be limited to:
-Change academic plans to include different interventions
-Change in instructional programs funded
-Create capacity in general classroom teachers to dive into the data and use effective interventions during core instruction
-Additional Coaching Support

* b) How do you determine the level of evidence (1-Strong, 2-Moderate,3- Promising, or 4-Demonstrates a Rationale) associated with selected activities?

The Tennessee Department of Education (TDOE) ESSA Tiers of Evidence document is shared with administrators and utilized heavily during the level of evidence determination process. The evidence provisions of ESSA are examined and documented for the following Federal Programs: Title I, Title II, Title III, Title IV, and Title V. When determining the appropriate level of evidence, Cumberland County prioritizes What Works Clearinghouse (WWC) as those evidence standards are indicative of Tier 1-Strong evidence. For evidence that does not meet the stringent criteria of Tier 1, the other tiers of evidence per ESSA are explored to determine if the activity meets an allowable measure of evidence.

* c) What systems or tools do you use to document, monitor, and evaluate the implementation of evidence-based practices?

As stated above, all Title I schools in Cumberland County are required to complete an annual comprehensive needs assessment to document prior and current data, monitor the effectiveness of expenditures, and evaluate the implementation of evidence-based practices by exploring the return-on-investment (ROI). Below are the questions that each school must address.

-Describe how the school has completed a comprehensive needs assessment of the entire school based on information including the achievement of children in relation to the state academic content standards. The data should be cross-analyzed to identify the needs of educationally disadvantaged students [ESSA Section 1114(b)(6)]. Please describe methods and instructional strategies that will be used in the school to strengthen the academic program, increase the quality and amount of learning time, and provide opportunities for enriched and/or accelerated learning [ESSA Section 1114(b)(7)(A)(i)].

-Describe strategies used by the school to provide all students with opportunities to meet challenging state academic standards. Include strategies to reach economically disadvantaged students, students from major racial and ethnic groups, children with disabilities, and English learners. [ESSA Section 1111(c)(2); ESSA Section 1114 (b)(7)(A)(i)].

-Based on the school's needs assessment, what are the identified priorities/goals that the school will be focusing on this year?

* d) How do you support staff and stakeholders in understanding and applying evidence-based requirements?

Each school's needs assessment is closely reviewed to ensure all sections of the needs assessment are addressed. The proposed expenditures are then reviewed to ensure they are reasonable, allowable, allocable, and necessary prior to approval by the Federal Programs Supervisor. The Federal Programs Supervisor communicates clearly, regularly, and promptly with principals in the district to ensure allowability and efficient expending of federal funds.

All information described must match information in the consolidated administration budget and personnel table.**

All of Cumberland County's Title programs (Title I-A, Title I-C, Title II-A, Title III, Title IV, and Title V) are administered through Consolidated Administration. Title IV funds for FY27 have been transferred into Title I, Part A to further support students in those ten Title I schools. Reasonable, allowable, and necessary portions of the Title I allocation, Title II allocation, and Title V allocation are transferred to Consolidated Administration for the salaries and benefits for the Cumberland County Schools Federal Programs Supervisor (1.0 FTE), Title III Director (0.55 FTE), and secretary/bookkeepers (1.8 FTE). The Federal Programs Supervisor and the secretary/bookkeepers (full & part-time) are funded 100% from Consolidated Administration while the Title III Director has the remaining portion of salary and benefits funded via Title II. The CCS Federal Programs Supervisor prepares the CFA, oversees, monitors and provides technical assistance for the proper implementation of all of the listed programs in the district's ten Title I schools plus submits required reports to the Federal Programs and Oversight Office in a timely manner. The Federal Programs Supervisor monitors student academic achievement, teacher and program effectiveness, and oversees program upgrades to maximize the delivery of effective instruction and to ensure that struggling students are afforded individual and small group learning settings which will result in long-term, sustained academic progress and success. The Federal Programs Supervisor also provides professional development to the Cumberland County School System's supervisors, administrators and community partners with respect to compliance with all related federal, state and local laws, regulatory and non-regulatory guidance, and policies. The (0.55 FTE) Title III Director assumes full responsibility for all ESL, immigrant and migrant students, federal, state and local compliance issues, will oversee and implement ELPA21 testing, prepare and submit all related, required documents, plus schedule and present professional development in ESL-related areas for teachers and administrators. The Title III Director will evaluate program effectiveness, ensure the district's ESL student data is correct, current, and is regularly updated with recent Home Language and Migrant Occupational Survey results, plus make regular visits to the district's schools where English Language Learners are enrolled. The full and part-time secretary/bookkeepers (1.8 FTE) oversee the financial aspects of these programs, assist the CCS Federal Programs Supervisor in preparing the Consolidated Funding Application and perform required bookkeeping/secretarial duties. They assist with the budgeting details of our Consolidated Funding Application and make regular reimbursement requests through ePlan, while also ensuring inventory control.

Program Details

Cumberland County (180) Public District - FY 2027 - Consolidated - Rev 0 - Title I, Part A

Program Administration: The reasonable and necessary costs to manage Title I in a compliant and effective manner.

☑ **The LEA is utilizing consolidated administration to administer Title I.** Information regarding the administration of the grant can be found in the Consolidated Administration Program Details page of the consolidated funding application.

☐ **The LEA is not utilizing consolidated administration to administer Title I.** Provide a summary of how the Title I program will be administered, including the title of the staff responsible for the grant administration, the FTE(s) to be supported by Title I funds, and all other funding sources that will contribute to Title I administrative staff salaries/benefits.

Use of Funds for PreK: For purposes of federal funding, "elementary schools" are schools serving any combination of pre-kindergarten through grade six (PreK-6) (TCA §49-6-301(a)). Indicate below whether funds from this grant will be directed to PreK students and/or instructional staff (i.e., teachers, coaches, paraprofessionals).

☐ Check the box if the LEA uses grant funds from this program to support pre-K.

School-wide Planning: Each year districts are required to work with and support Title I schools in the development of school plans that align with identified priority needs, contain all required plan components, and budget school-level Title I funds. Districts are also required to review and approve Title I school-wide plans to ensure that all required components are included.

Describe how the school actively and consistently involves all planning team members and other stakeholders in the development, implementation, and revision of the school plan throughout the year.

School-wide plans are reviewed and updated throughout the year at each of the ten Title I schools by several entities, including parents and families, who ensure the accountability of this grant. Administrators, faculty, and staff review and update their program at the beginning of each school year with input from each school's data team and stakeholders, which includes families, parents and community members. School leadership teams further adjust and refine this work as school improvement plans are updated during the InformTN planning process. Annual Title I meetings, family engagement events, and parent conferences provide opportunities to present copies of the school's compact along with the school's parent and family engagement plan. Recommendations for changes and input regarding reinforcement and refinement areas are considered at these meetings. Additionally, each school's Title I Parent Advisory Council meets regularly, at different times of the day during the year, to accommodate family schedules and to provide feedback on areas of strength and areas to strengthen.

Describe the process for reviewing the effectiveness of school-wide programs.

The effectiveness of the school-wide program is evaluated through benchmark testing, noting improved academic achievement of students in all subgroups as identified in the district plan. Student progress is monitored through ongoing formative and summative (including TCAP) assessments and is documented by school and district level data team findings. Benchmark testing data is reviewed every four and one-half weeks by administrators, teachers, and school data teams to inform and differentiate instruction based on individual student needs. Title I resources are paired with high poverty schools and fund supplemental positions to provide small group intervention instruction in reading, language arts, and math. Tennessee School Report Card data determines accountability status as the district strives to place the most effective teachers with struggling students. Title I teachers are regularly evaluated by administrators using the TEAM rubric. The effectiveness of Title I educational assistants/paraprofessionals is evaluated yearly by the principal and certified teachers with whom they work to provide supplemental support.

School-wide & Targeted Assistance Programs

* Identify the type(s) of services and supports to be provided for students with Title I funding.

- [x] Academic interventions (RTI support)
- [ ] Guidance services
- [x] Social services
- [ ] Behavioral services
- [ ] Nursing services
- [ ] Extended year services
- [ ] Extended day services
- [x] Academic enrichment
- [ ] Early post-secondary opportunities
- [x] Instructional technology
- [x] Instructional software
- [x] Instructional supplies & materials
- [x] Class-size reduction
  - 1.00 # of CSR Teachers
- [ ] Other - (please specify)

* Provide a general description of the programs, services and supports selected above to be supported with Title I funds in participating schools. - (If implementing both school-wide and targeted assistance programs, include a separate description for each program type.)

Title I funds supplement the regular instructional program in ten Title I schools (Brown Elementary School, Crab Orchard Elementary School, Homestead Elementary School, Martin Elementary School, North Cumberland Elementary School, The Phoenix School, Pine View Elementary School, Pleasant Hill Elementary School, South Cumberland Elementary School, and Stone Elementary School) by providing reasonable, necessary, allowable, and allocable supplemental teacher salaries and benefits for reading and math instructional facilitators and interventionists. Funding these professionals in the Cumberland County School System would not be possible absent this grant. Wages for supplemental instructional facilitators and interventionists are funded via the Title I 71100-116 line item, and wages for supplemental educational assistants are funded from the Title I 71100-163 line item. Title I schools also have the opportunity to utilize CSR teachers as appropriate and justifiable for the applicable grade span.

Title I funding allows for supplemental supports as identified in each Title I school's individualized needs assessment. A variety of school stakeholders offer valuable input, and then all expenditures at the school level stem from the needs assessment (personnel, instructional supplies and programming, equipment).

Title I, Part A Parent and Family Engagement

As required under ESSA Title I, Part A §1112(b)(7), describe the strategies the LEA will use to implement effective parent and family engagement under ESEA§1116, including the barriers that exist to greater engagement by families and how the district is addressing those barriers. How does the district ensure

schools are implementing effective family engagement activities that are (1) meaningful and (2) aligned with student academic achievement in the district? Also address activities specifically designed to engage the families of historically underserved student groups (i.e. economically disadvantaged students; black, Hispanic, Native American students; English learners; migratory students; students with disabilities). Include in the response:

a) a description of the barriers that exist to greater engagement by families and how the district is addressing those barriers;

Parents are often busy with their everyday lives and may not think they have the knowledge or time to help their children. It is crucial to educate and inform parents as they are a significant component leading to their child's well-rounded education. Collaborating together as a team will enable all students to reach their full potential and will create a culture conducive to student success.

Some of the barriers that impede greater family engagement are universal across the country. Families feel unable to help, so they do not attend meetings. Families are often working to take care of their families and do not have time to become engaged; cultural and socioeconomic differences make them feel uncomfortable or unwanted; language differences cause lack of engagement; and a lack of trust sometimes exists within families toward the school. The schools help break down the barriers by communicating through automated calls, messages on websites, newsletters, and methods that the teachers have chosen for contact to let the parents know that they are a vital part of their child's learning experience. Schools can also survey parents to determine better times for meetings and the best way to communicate with them to not waste time or set meetings that are unable to be attended. Schools must express that all parents are needed, useful, and welcome. Teachers can also communicate in verbiage that is common and not specific to teachers so that the parents have a better understanding of the ideas the teacher is trying to communicate. Also, providing communication in a family's home language is a must. Personal phone calls to parents who are not engaged to reassure them that everyone is working toward the best interest of their child would be a great addition to our efforts to make parents feel more comfortable with schools and becoming involved.

b) the strategies being used to implement effective family and community engagement activities that are (1) meaningful and (2) aligned with student academic achievement in the district; and

Parent engagement requirements are met through Title I Parent Engagement Meetings, Annual Title I Meetings, and Parent Advisory Council Meetings, which are components of Title I Federal Funding. Cumberland County Schools desire to foster and cultivate relationships with as many families in as many ways as possible. The school district agrees with Dr. James Comer that, "No significant learning occurs without a significant relationship."

Currently, the principals send home newsletters at least monthly to keep parents abreast of happenings at their schools. These newsletters are also posted on the schools' websites. The teachers send home newsletters weekly to inform parents of homework, tests, and happenings within the classroom. Grade reports are sent home each nine weeks with mid-term reports in between so that parents are aware of academic progress. Parents also have access to Skyward where they can check grades daily, and ParentSquare is utilized district-wide as an effective communication platform. Students in RTI receive reports on achievement progress.

The CCS Office of Federal Programs conducts an annual Parent and Family Engagement Survey that is part of the annual review of BOE Policy 4.502. The purpose of the survey, administered via a Google Form, is to assess the views and perspectives of parents/guardians toward individual schools and opportunities for involvement in the applicable school(s). Schools also engage parents and families through annually updating school-parent compacts.

c) a description of the activities specifically designed to engage the families of historically underserved student groups as applicable (i.e. economically disadvantaged students; black, Hispanic, Native American students; English learners; migratory students; students with disabilities).

Cumberland County provides parent and family engagement opportunities for our special populations. Families of English Language Learners (ELLs) are offered a back to school registration with translation services available to assist them in completing important documents needed for school registration. Translation services are also provided to families during parent teacher conferences and IEP/504 meetings. School information is also provided to families in their home language. Helping Children Learn is a monthly newsletter sent home to families of English Language Learners to assist them with ready-to-use school success ideas for parents in their home language. Our elementary schools with the largest population of ELL students host Family Literacy Nights for our ELL students and their families.

The CCS Voluntary PreK program offers many opportunities for families to be involved in their students' education. At the end of each year, the families complete a VPK survey based on their students' educational experiences.

Special Education teachers encourage parent participation during IEP meetings. Meetings are flexibly scheduled and can occur over the phone, via online

platforms, or at the home to increase parent participation. Special Education teachers are working diligently to build relationships with families to create a partnership in their child's education. Parent participation in IEP meetings is improving, and we continue to emphasize the importance of this collaboration. Some barriers include work schedules and parents' lack of understanding of the importance of the IEP process. Another barrier is the lack of education of some parents and their own personal school experiences that may have been negative. Building positive relationships with parents and families increases parent participation.

Opportunities for informed participation of all families (including but not limited to: migrant, ESL, foster, homeless, and families of students with disabilities) in Title I Schools consist of open houses, back to school nights, annual Title I meetings, school improvement meetings, advisory council meetings, and family engagement nights. Parents are encouraged to become actively involved by attending literacy nights and reading with their child(ren), and attending high-interaction and participation engagement events since students whose parents participate in school activities and functions are more likely to succeed in school and in life. Student academic achievement is directly correlated to positive family engagement. Lines of communication between school employees and parents are improved through family engagement activities. Barriers are reduced by offering a variety of communication modes which include in-person meetings, social media platforms, ParentSquare messages, phone calls, and emails. Meetings scheduled at different times during the day also reduces barriers. TransAct is used to provide communication support and information to limited English-proficient families. Informational meetings/support meetings are also provided with an emphasis on reducing language barriers and informing parents of important information.

Needs Assessment

1. Describe how the district is identifying and supporting schools and student groups with the most room for improvement as required under ESSA Title I, Part A §1112(b)(1)(B) and (C).

All identified students in Cumberland County Schools are provided access to Response To Intervention Squared (RTI2) time during the school day based on their individual needs. If students score below the 25th percentile on the composite score and show deficits in fifty percent or more of the grade-appropriate subtests (AIMSWeb Reading or AIMSWeb Math) then they are enrolled in RTI2. Tier II and Tier III services and placement are based on individual needs.

Tier II Intervention is targeted, research based intervention that will help correct specific, identified deficiencies. Tier III is the most intensive, research based intervention targeted to help correct specific, identified deficiencies. Students in the Tier II and Tier III RTI program are progress monitored bi-weekly using AIMSWeb or Easy CBM progress monitoring. Progress monitoring assesses the student's progress in their deficit area. It includes formal and informal assessments and helps to determine if the intervention is successful or needs to be changed. When progress monitoring indicates the intervention is no longer needed, the child continues to receive support from Tier I instruction. If a child is not responding to the intervention, then a higher level of support is needed through intense intervention on specific skills or the student may be referred for special education services. Progress monitoring reports for students who are in Tier II and Tier III interventions are sent home on a regular basis.

In addition to interventions provided during RTI2, students in third and fourth grade who are identified as struggling in reading or math according to their performance on the Tennessee Comprehensive Assessment Program (TCAP) receive additional support throughout the school day. The majority of these students performed in the "Approaching Prociency" category, which means they need a little targeted instruction in order to push them into the "Meeting" or "Exceeding" categories on the next assessment. Students identified as needing additional support have tutoring sessions two to three times a week, and in some cases up to five times a week. Each session lasts 30 to 45 minutes. Elementary school students (K-8) have the opportunity for additional tutoring in ELA and math either before or after school, and the high schools offer intensive ACT prep during the school day.

The district purchased Mastery Connect for the current school year. Students in grades three through eleven take benchmark assessments two times per year based on standards and pacing guides. Data analysis of these benchmarks is used to determine not only struggling students, but also the standards in which students are struggling. Plans to address deficits are developed by teachers and school administrators. With the exception of mandatory Mastery Connect benchmarks, each principal has the autonomy to develop a Mastery Connect assessment implementation plan for their school. Assessments are analyzed to determine mastery of standards, and students not achieving mastery receive remediation within the week.

2. As required under ESSA Title I, Part A §1112(b)(2), describe how the district will review and analyze student discipline data and take steps to reduce lost instructional time and/or disparate impact due to student discipline.

In order to reduce lost instructional time due to student discipline, data is gathered from all schools in the county to help identify students' behavioral trends impacting instructional time. Central Office staff work with site administrators to gather discipline reports and compile data. Once this data is collected, data is disaggregated, and specific discipline issues can be isolated to allow for collaborative problem solving. Once key behavioral trends have been identied, specic goals and action plans will be implemented to reduce the amount of time classroom instruction is impacted due to negative student behaviors across all student populations. Data will be reviewed monthly and revisions made as needed. Cumberland County Schools employs a regular education behavior specialist. This individual's approach is proactive instead of reactive. He works individually with students that are referred by school personnel. If behavioral interventions prove unsuccessful in alleviating the behaviors, the district-wide behavior specialist will work with school personnel to complete a functional behavior assessment and develop a behavior plan as needed.

Cumberland County Schools (CCS) holds data team meetings monthly. During these meetings, students' academic progress is monitored, and attendance and behavior are discussed. A computer program, Insights to Behavior, is utilized to assist in the development of behavior plans. Once a behavior plan is developed, it is monitored and adjusted accordingly.

Cumberland County Schools (CCS) offers behavior support for students with disabilities (SWDs). Cumberland County's approach to behavior is proactive instead of reactive. The schools have support in place to increase positive student behavior for all students. Cumberland County offers consultation services from the Special Education department and/or a Behavior Specialist if the positive behavior supports are not sufficient. During the consultation services, the Special Education district team provides feedback to the school administrators and teachers and offers positive behavior strategies to deter specific behaviors. The Special Education Department helps conduct functional behavior assessments and behavior plans if needed. If a SWD displays behaviors which result in disciplinary action, services are continued to ensure the student's instructional time is not interrupted. This ensures that instructional discrepancies do not occur within student subgroups. Cumberland County Schools (CCS) implement positive behavior strategies in every classroom. Cumberland County works diligently to foster a learning environment where every child feels safe. One of the priorities of CCS is to build positive relationships with every student. Each classroom has established routines and procedures to enable all students to be successful at school. The Director of Special Education reviews and analyzes student with disabilities (SWD) discipline data throughout the year. Cumberland County ensures that all students receive FAPE. Tier 2 and 3 behavior support and services are provided for SWD based on individual student needs. This support and services are provided by the Special Education Behavior Specialists and/or Special Education Department. The Special Education Department conducts functional behavior assessments and behavior plans utilizing a computer program, Insights to Behavior, to assist in the development of behavior plans. Once a behavior plan is developed, it is monitored and adjusted accordingly. If a SWD displays behaviors which result in disciplinary action, services are continued to ensure the student's instructional time is not interrupted and instructional discrepancies do not occur within student subgroups.

3. As required under ESSA Title I, Part A?§1112(b)(8) and (10), describe how the district facilitates effective student transitions from early childhood to elementary school, elementary to middle school, and middle to high school. What steps is the district taking to address transition challenges and meet the needs of students? Include in the response.

As school transitions occur in Cumberland County Schools (CCS), all stakeholders work together to make the situation as smooth as possible for all students. Stakeholders model, guide, and monitor these transitions from early childhood education, elementary to middle school, and middle school to high school.

Students transitioning from early childhood education to elementary school are transitioned gradually through phase-in days. During phase-in days, small groups of students attend school to learn about their new environment. A transition program for our Pre-K students is called On My Way to K! This program is delivered to the parents of Pre-K students to assist them in properly preparing their students for kindergarten. Parents are not only given the tools to use in the preparation, but also instruction on how to use the tools. The program is often taught by current kindergarten teachers.

Cumberland County Schools work with the local LBJ&C Head Start Programs to transition four year old students into the county school system. Families are invited to tour the schools and meet a kindergarten teacher. A teacher from the school system will often visit the Head Start Centers to meet with parents and share information with them to enhance their students' kindergarten experience as well. The Pre-K Director of Cumberland County Schools will work with the local Head Start office to develop a family handbook. The handbook contains information that parents will need to know as their students begin their educational journey in the Cumberland County School System.

At the age of three (3), SWD transition planning occurs for students who are already being provided services through Tennessee Early Intervention System (TEIS). A transition meeting is scheduled with TEIS to determine the needs of each student. During the transition meeting, CCS Special Education staff explain safeguard procedures and the continuum of services that are offered and could be provided for students in Cumberland County Schools. If parents decide to have their child evaluated for IDEA part B services, the team then sets up a consent meeting for the family. The school district schedules a meeting to gain consent for the evaluation for eligibility for IDEA part B services. Once consent is obtained, the evaluation process begins, and the evaluation is completed within the 60-day timeline. When results are available, CCS schedules an eligibility determination meeting to discuss the results with the parents and to determine eligibility based on the TN State Disability Criteria. If the team determines that a student is eligible for IDEA part B services, an IEP meeting is scheduled within a 30-day timeline and prior to the child's third birthday. During the IEP meeting, an individualized education plan is developed for the student to determine the least restrictive placement and services.

Since CCS includes nine elementary schools that house Pre-K through eighth grade, the transition plan from elementary to middle school is a little less formal since the students are already familiar with the building, school-level behavioral expectations, etc. One significant challenge for students moving from elementary to middle school is adjusting to a middle school schedule. Other challenges for middle school students include a shift in instructional requirements, larger class sizes, as well as social and/or emotional pressures. All students are provided an orientation, parent informational meetings, and resources to ease this transition. When further issues arise, students may be referred to a school counselor or safe schools counselor for more intense support.

As students in the district shift from middle school to high school, students are required to learn a new school. Some challenges this shift can cause are learning new faculty and staff, instructional requirements, larger class sizes, and social and/or emotional pressures of being in a new school building for high school. The transition plan for middle to high school involves planning, visiting, and meetings with students and families. Each eighth grade student works with the elementary school counselor and career coach to develop their academic plan for high school classes. Once the plans are developed, the student, counselor, and parent/guardian meet to discuss and document agreement on the plan.

The school district provides 8th-grade students with access to a comprehensive career fair each year during the fall semester where students are exposed to many businesses, colleges, industries, and public services.

Each year during the fall semester and prior to student registration, CCS schedules "8th Grade Tours" where 8th-grade students go to their respective high schools. During their visit, students will be given an overview of school expectations, extra curricular opportunities, and CCTE classroom presentations. They also visit TCAT- Upper Cumberland to learn more about the programs offered.

To assist in the transition as students enter the 9th grade, each high school operates a freshman academy where students are less likely to experience issues related to time, space, grades, and behavior. The freshman academy also helps build student relationships and establishes a positive culture for future years.

Transition planning also takes place for Students with Disabilities (SWD) at the annual IEP meeting when a student is turning 14 years of age during the current IEP year. Students complete transition assessments to help determine individual student needs and identify interest and strengths. The assessments are also used to inform the Post Secondary Transition Plan, which includes post secondary goals, the course of study and transition services. During the annual IEP meeting, the special education teacher, general education teacher, guidance counselor, student, parent, paraprofessionals as applicable,

occupational therapists, physical therapists, speech therapists, community partners, and LEA develop and discuss the student's secondary transition plan and needed services. Post Secondary Transition Planning provides specific, individualized support for students to enable them to reach their goals. The plan is reviewed annually to ensure students meet their full potential in high school and beyond. Some valuable resources and personnel Cumberland County Schools use during transition planning include Vocational Rehabilitation, Hilltoppers, and the Transition Academy teacher to share post secondary opportunities available to the student as well as in helping determine and create a purposeful transition for our low incidence students. Community partners also provide opportunities for the district's low incidence students to practice post-school and adult living objectives. Special education teachers ensure goals and objectives, accommodations, transition plans, services, and supplemental aides are in place for student success.

4. As required under ESSA Title I, Part A §1112(b)(10), describe how the district facilitates effective student transitions from high school to postsecondary and career. What steps is the district taking to address postsecondary transition challenges and meet the needs of all students?

By the time students are seniors in high school, they have been exposed to a variety of opportunities, watched hundreds of videos, and explored their interests and options. Cumberland County Schools (CCS) provides, per policy, "excused" days (1 day per year for a total of 2 days) for junior and senior level students to make official visits to colleges, schools, and training facilities.

CCS has implemented an early warning tracking system to ensure that all students, including students with disabilities (SWD), have course progress tracked every nine weeks. This system monitors credit acquisition and if students are in need of support/interventions. The system assists in ensuring that students are enrolled and completing needed courses.

The district will continue partnerships with local colleges and universities for local dual credit and dual enrollment opportunities for high school students. The district team will lead this initiative and work with principals and surrounding institutions of higher learning (i.e., Roane State Community College, TTU, South College, MTSU, UTM, and TCAT-Crossville). Partnership information will be shared with schools and the community via course registration meetings.

Another factor in providing students with a smooth transition to college and/or careers is through high school course offerings. Students have a number of options related to postsecondary education while being high school students. For example, Advanced Placement, dual credit, and dual enrollment at both colleges, universities, and TCAT centers help prepare students for life after high school. Additionally, through CCS College, Career, and Technical Education Department, students are provided and encouraged to attain an industry certification within each CCTE class where offered. The number of industry certifications continues to increase each year and is funded for all students through a highly competitive grant, Perkins Reserve.

One of the most prominent challenges faced is the current retention rate for first-year students. With formal research and empirical evidence, students who receive some type of postsecondary credentials, such as college credit and industry credentials, have a much higher probability of returning to their respective institutions for a second year. CCS's goal is to provide students with abundant opportunities while attending high school regardless of a student's career path.

Transition planning also takes place for Students with Disabilities (SWD) at the annual IEP meeting when a student is turning 14 years of age during the current IEP year. Students complete transition assessments to help determine individual student needs and identify interest and strengths. The assessments are also used to inform the Post Secondary Transition Plan, which includes post secondary goals, the course of study, and transition services. During the annual IEP meeting, the special education teacher, general education teacher, guidance counselor, student, parent, paraprofessionals as applicable, occupational therapists, physical therapists, speech therapists, community partners, and LEA develop and discuss the student's secondary transition plan and needed services. Post Secondary Transition Planning provides specific, individualized support for students to enable them to reach their goals. The plan is reviewed annually to ensure students meet their full potential in high school and beyond. Some valuable resources and personnel Cumberland County Schools use during transition planning include Vocational Rehabilitation, Hilltoppers, and the Transition Academy teacher to share post secondary opportunities available to the student as well as in helping determine and create a purposeful transition for our low incidence students. Community partners also provide opportunities for our low incidence students to practice post-school and adult living objectives. Special education teachers ensure goals and objectives, accommodations, transition plans, services, and supplemental aides are in place for student success. Students with Disabilities (SWD) are ensured access to CCTE courses, work based learning, and experiential learning opportunities commensurate with their peers. Based on individual needs, the IEP Team works diligently to develop an effective Post Secondary Transition plan which includes creating individual goals, a course of study, and Transition Services for SWD. To ensure SWD is on track for graduation, individual transition goals are developed with credit checks and transcript audits completed during the annual IEP meeting. The Director of Special Education completes transcript audits, grade verifications, and schedule audits each grading period. Transcript and schedule audits ensure SWD are in the required courses needed for graduation and monitor credit acquisition. The grade verifications ensure SWD are passing their

required courses or if supports/interventions are needed. These procedures are in place to actively promote planning for SWD to graduate on time. It is imperative that all students are given access to a variety of courses and curriculum during high school to enable students to determine future plans for career or post-secondary education.

Students have the opportunity to participate in Work Based Learning, and CCS has seen tremendous success in students learning crucial work-based skills. All students are given the opportunity to participate in CCTE classes with needed support provided as students accomplish specific career or post-secondary goals. Exposing students to multiple opportunities is key to helping students experience success. The Special Education Director and CCTE Director will conduct quarterly checks to ensure SWD are enrolled in CCTE courses. The Special Education case managers confirm transition plans are being followed, the student is on track to graduate, and the student has access to all courses.

5. Describe how the district is supporting programs that coordinate and integrate academic and career and technical education content; these may incorporate work-based learning opportunities, experiential learning opportunities, and/or courses aimed at promoting skills attainment important to in-demand occupations or industries.

Cumberland County's CCTE Department has extensive course offerings in multiple programs of study in all 16 clusters with an emphasis on student concentrator/completer status, industry certifications, dual enrollment, and career exploration. With the assistance of high school counselors, elementary school counselors, career coaches, the CCTE school counselor, CCTE coach, graduation coach, CCTE work based learning coordinators, building principals, and the CCTE Director, students are advised to be completers in a CCTE program as it relates to their career assessments, interest inventories, and post-secondary plans.

Although Cumberland County has experienced an interest and need in Work Based Learning (WBL) over the last few years, an organized effort is being made to introduce a new concept of reverse planning as it relates to WBL. For example, in previous years, students who were currently employed would register for WBL in order to continue working during school hours. With the assistance of the career platform and career assessments, job opportunities are actively pursued and student applicants are identified through interest surveys and course requests as it relates to a CCTE pathway. It is the goal of Cumberland County's CCTE Department to increase WBL opportunities, including apprenticeships, job shadowing, paid and unpaid placements through high-quality advisement. Business and Industry partnerships will also be incorporated to expand these WBL opportunities for students.

Cumberland County CCTE has qualified high school staff with credentials to teach TCAT courses on high school campuses during a student's freshman year. This eliminates barriers for students with disabilities and economically disadvantaged students when it comes to scheduling needs and dual enrollment availability.

All CCTE programs of study offer industry credential opportunities for students at various levels. Industry credentials offered to students are strategically aligned within each program to ensure they are earned when they have reached various skill levels to set them up for successful completion of the available credentials. All industry credentials are funded through the highly competitive grant, Perkins Reserve.

Students with Disabilities (SWD) are ensured access to CCTE courses, work based learning, and experiential learning opportunities commensurate with their peers. Based on individual needs, the IEP team works diligently to develop an effective post secondary transition plan which includes creating individual goals, a course of study, and transition services for SWDs. To ensure SWDs are on track for graduation, individual transition goals are developed with credit checks and transcript audits completed during the annual IEP meeting. The Director of Special Education completes transcript audits, grade verifications, and schedule audits each grading period. Transcript and schedule audits ensure SWD are in the required courses needed for graduation and monitor credit acquisition. The grade verifications ensure SWD are passing their required courses or if supports/interventions are needed. These procedures are in place to actively promote planning for SWD to graduate on time. It is imperative that all students are given access to a variety of courses and curriculum during high school to enable students to determine future plans for career or post-secondary education.

Cumberland County (180) Public District - FY 2027 - Consolidated - Rev 0 - Title I, Part A

	2025-26	2026-27
Total number of homeless students enrolled in the LEA	92	112 - *FY26 estimate based on Feb. 2025. Student Count.* 120 - *Homeless Student Count*
Title I, Part A homeless set aside amount	$11,000.00	$ 11,000.00
Title I, Part A homeless set aside per pupil amount	$119.57	$ 91.67

*** Describe how the LEA determined Title I, Part A homeless set-aside amount. In the description, explain how the LEA used its needs assessment, per-pupil ratio, and data trends to determine the amount. Also, provide detailed information on how the LEA also considers the availability and utilization of community-based organizations (CBOs) (i.e., churches, services clubs, food banks, etc).**

The CCS Federal Programs Supervisor collaborates with the school system's Homeless Liaisons and the Student Information System Coordinator to determine the Title I-A homeless set-aside amount based on the following:

-Number of homeless students enrolled in the school system.

-Ages of the homeless students enrolled in the school system.

-Housing status of the homeless students enrolled in the school system (doubled up, shelters, campgrounds, etc.).

-Previous three year average of the amount of money spent from this budget line item.

-Predicted needs of the homeless student population including but not limited to transportation to the school of origin.

The school district also considers the availability and utilization of community-based organizations (i.e. churches, services clubs, food banks, etc), per pupil ratios, and data trends in the determination of the amount. The homeless liaisons work with community partners throughout the year in soliciting donations and support for the homeless student population. In addition, benchmark data, demographic data, TCAP data, and eligibility data of the homeless student population is tracked at the district level via a secure Google sheet in order to monitor and track progress.

*** Describe how the LEA prevents barriers to enrollment.**

CCS works diligently to monitor student registrations, communicate with school leadership (principals), school counselors, and attendance clerks to ensure barriers to enrollment in the school district are prevented. **For any items missing during the enrollment process, the LEA will work with the family/student to produce as many items as possible after admission.**

Per BOE Policy 6.503, "Homeless students shall be immediately enrolled, even if the student is unable to produce records normally required for enrollment (i.e. academic records, immunization records, health records, proof of residency), or missed the district's application or enrollment deadlines. Parents/guardians are required to submit contact information to the district's homeless liaison.

Any student enrolling in CCS should provide the following information:

- Tennessee Immunization Form (Any student transferring from out of state must provide a Tennessee Immunization Form. One may obtain this form at the local health department.)
- Proof of legal guardianship (If parents are divorced, a copy of the divorce agreement with the judge's signature must be provided showing which parent has legal guardianship. If someone other than the birth parent(s) or legal guardian(s) is enrolling a student, one must speak to the principal. The principal will decide if the power of attorney will be acceptable.)
- Proof of residency (Parent(s) or legal guardian(s) must provide proof of residency. The correct name and address must be on a document such as a water bill, phone bill, gas or electric bill, or a rent or mortgage receipt. Miscellaneous mail is unacceptable, as it does not show a stationary address.)
- Name, address, and phone number of the school transferring from, a withdrawal form, unofficial copy of school transcript, or the student's last report card
- Birth certificate (optional)
- Social Security card (optional)
- Bus number (if applicable)

*** Describe what services, resources, and supports are provided to help close the achievement gap between homeless and non-homeless students.**

CCS works diligently to meet students' academic needs while also ensuring their social and emotional well-being is addressed as needed. The district works to ensure all students, regardless of circumstances, receive a high-quality education that prepares them for future success. CCS will address the specific educational needs and address barriers of homeless students by:

- Ensuring homeless students are immediately identified at enrollment, thereby facilitating access to education and elimination of that barrier.
- Ensuring homeless students are identified when extraordinary life situations beyond their control present themselves and remove their fixed, regular, and adequate nighttime residence.
- Ensuring the district provides no-cost school meals during the week and backpack food supplies for the weekend.
- Ensuring the district provides for the needs of homeless children to get through the school day and during the summer months (clothing, meals, school supplies, and health care as warranted) to eliminate that need and the stigma associated with not having these essential items.
- Ensuring the district encourages daily attendance and tracks daily homeless participation within each school and during summer school.
- Ensuring the district makes regular, current living situation visits throughout the year and during the summer months to the current residence of homeless children to foster positive relationships and to provide information about upcoming events.
- Ensuring the district encourages all students to participate in extracurricular activities while sharing and reinforcing the academic and social benefits of such participation.
- Ensuring the district provides special education and other related services to homeless students who qualify for those services.
- Ensuring the district provides family engagement activities at each school to develop positive relationships and training opportunities for families.
- Ensuring that the homeless population and their families are aware of and connected to Cumberland County resources throughout the school year and during the summer months who partner with the school system as needed and when extraordinary life situations present themselves; these resources

include but are not limited to: Bread Of Life, Crossville Housing Authority, Avalon Domestic Abuse Shelter, and the Cumberland County Juvenile Court.

*** Describe what student-centered factors the LEA uses to determine the best interest of the student attending the school of origin or the local attendance area school requested by the parent, guardian, or unaccompanied youth.**

CCS will educate, to the extent feasible, a homeless child or youth in his or her school of origin, unless doing so is contrary to the wishes of the parent or guardian and is not in the best interest of the student. The placement determination is a student-centered, individualized determination.

Factors that may be considered include but are not limited to:

- the age of the child or youth

*** Describe the transportation services that are available to homeless students and how the LEA ensures that there is no delay in getting required transportation services to students within 1-2 days of enrollment. Enrollment is defined as "attending classes and participating fully in school activities" [42 U.S.C. § 11434a(1)].**

A homeless student shall have equal access to the same free, appropriate, public education as provided to other children and youths. Homeless students are individuals who lack a fixed, regular, and adequate nighttime residence. The Director of Schools shall ensure that each homeless student is provided services comparable to those offered to other students within the district, including transportation, special education services, programs in college, career, and technical education (CCTE), programs for gifted and talented students, and school nutrition.

The CCS Homeless Liaisons will ensure:

- Homeless students are quickly identified and have access to education and support services, including Head Start and district Pre-K programs.
- Coordination with local social service agencies and other entities providing services to homeless students.
- Transportation, transfer of records, and other inter-district activities with other school districts.
- Transportation to the school of origin for homeless students.

*** 1. Describe the district's use of funds for Class Size Reduction (CSR), the evidence upon which the district is relying for its use, and how CSR is in support of one or more of the strategies in the district plan.**

Cumberland County Schools work diligently to ensure a quality education for all students. It is particularly important to ensure students in the lower grades receive the foundational skills necessary for sustained success throughout their educational career. Reducing class size in the lower grades is a proactive measure to assist in reducing the number of students within the lower grades who slip through the cracks and risk becoming marginalized.

Reducing class size in the lower grades can ultimately lead to increased ELA and math proficiency on TCAP (as desired in the district plan) and other district-level performance measurements. One of the reasons for this potential proficiency increase resulting from implementing a CSR is the lower student:teacher ratio that allows for more explicit instruction of core foundational pieces of the curriculum.

See research link below:
The Tennessee Study of Class Size in the Early School Grades

*** 2. What level of evidence does the district's use of CSR meet?**

- ○ STRONG EVIDENCE from at least one well-designed and well-implemented experimental study.
- ◉ MODERATE EVIDENCE from at least one well-designed and well-implemented quasi-experimental study.
- ○ PROMISING EVIDENCE from at least one well-designed and well-implemented correlational study.
- ○ DEMONSTRATES A RATIONALE for using the intervention (the study suggests that the intervention is likely to improve a relevant outcome.)

*** 3. Was there a favorable effect on the use of CSR?**

Ranking & Identifying Title I Schools

☐ Check if the LEA has a single attendance area (only one school in each grade span).

☐ Check if the LEA has less than 1,000 students enrolled.

NOTE: If any of the above are checked, all schools in the LEA are eligible for Title I services.

* Identify the ranking the LEA will use to group schools in order to make eligibility determinations:

○ District-wide ranking

◉ Grade-span ranking

Identify the method the LEA will use to identify Title I eligible schools:

☐ District-wide poverty percentage (total district poverty/total district enrollment)

☑ Grade-span poverty percentages (for each grade span, total grade span poverty/total grade span enrollment)

List the districtwide grade span poverty averages for each grade span group served

Grade Span	Poverty Average
1. K-8	54 %
2. 9-12	44 %
3.	%

Check all that apply:

☑ 35% rule (all schools at or above 35% poverty are eligible)

☐ The LEA will prioritize high schools with 50% or more poverty

☐ The LEA has received a waiver to implement school-wide programs in one or more schools with less than 40% poverty and waiver approval is uploaded to Related Documents.

Schools "Skipped" in Rank Order

For any school not served with Title I-A funds (marked as "skip school" on the School Eligibility page), indicate the amount and source of state or local supplemental funds that are used to provide services to low-achieving students in lieu of the funds that would have been provided by Title I-A. A "Skipped Schools Letter" providing justification must be uploaded to the Title I Related Documents page of this application.

Describe how the activities to be supported with Title II-A funds, as indicated above, are in support of one or more of the strategies in the district plan.

High-quality, experienced 120-day contract instructional coaches (funded via Title II) will provide professional development and coaching for teachers district wide. A district-wide (0.45 FTE funded via Title II) teacher induction specialist/student supports & intervention coach will provide in-person mentor support to novice teachers, teachers who are new to the school district, and teachers who have transferred to a new building within the school district. This individual will also serve to follow-up with school leaders regarding sustainment of professional development opportunities that have been provided to teachers and staff within the school district. Additionally, this role will lead and support teachers through the following five-part RTI coaching cycle: learn and plan, apply, reflect, refine or extend, and evaluate. Instructional coaches will be scheduled and placed within the district to maximize impact and prioritize the highest need schools with intensity of services. The goal of the Cumberland County Schools (CCS) instructional coaching program is to remove any barriers obstructing implementation of instructional best practices that positively impact student success. The program supports the transformation of adults, schools, and the lives of the children within the CCS community.

These activities support improvement goal one: improving 3rd grade ELA proficiency, improvement goal two: improving K-10 ELA proficiency, and improvement goal three: improving math proficiency in grades K-11. Title II funding will also support professional development (PD) that may include but not be limited to: The New Teacher Project (TNTP) support, Merideth Myers with Ignite Literacy Services, inviting highly-qualified and renowned education-related experts to the district for PD, and sending administrators, teachers, instructional coaches, and instructional facilitators to high-quality learning opportunities. Some of the aforementioned professional learning opportunities include but will not be limited to: CORE Office ELA and math training sessions, the East Tennessee Title I Conference, and the Leadership Training Institute at the Tennessee Interscholastic Athletic Administrators Association (TIAA) Conference. Personnel who attend professional development supported with Title II funding will be required to disseminate information learned during the training(s) to appropriate and applicable staff in the school district. The relaying of learned information by personnel who attend training(s) may occur in a variety of modes including but not limited to: faculty meetings, PLCs, grade level meetings, and district-wide collaborations.

Describe how the LEA meets the requirements of ESEA §2102(b)(3) to meaningfully consult with teachers, principals, other school leaders, paraprofessionals (including organizations representing such individuals), specialized instructional support personnel, charter school leaders (in an LEA that has charter schools), parents, community partners, and other organizations or partners with relevant and demonstrated expertise on how to best improve the LEA's activities to meet the purposes of Title II, Part A. NOTE: This consultation may occur as part of the LEA planning process.

During the LEA district-level planning and school-level planning processes, feedback is gathered from all stakeholder groups (district/school leaders, principals, teachers, paraprofessionals, specialized instructional support personnel, parents/guardians, community members). Meetings are held at the LEA and school levels in order to review data, develop goals, strategies, action steps, and benchmark indicators to periodically monitor progress of the plan. Throughout the year, surveys are sent to principals and teachers to identify professional development needs. After survey results have been analyzed, future in-service is tailored to address priority areas.

As part of the ongoing LEA district improvement process, conversations surrounding both school-specific and district-wide data through formative assessments and benchmarking are ongoing. Data is a key component used in frequent conversations between the Director of Schools, appropriate supervisors, and principals across the district. Principals are responsible for presenting school-wide academic plans related to their Mastery Connect data to the Director of Schools and appropriate supervisors. The academic supervisors within Cumberland County Schools strive to continually foster robust conversations surrounding student data in order to move the needle toward positive student outcomes at all schools within the district.

In addition to this, discussions on improving reading and math achievement took place during the preliminary district allotment meetings in February 2026 for administrators with a focus on teacher effectiveness and the individual school's needs assessment for the following year. While school data teams and other specialty groups meet on a monthly basis, the actual review of the district improvement plan occurs quarterly. It is at this time that progress is analyzed, reminders are issued, and adjustments are made going in to the next quarter.

Over the course of the next three years, Central Services Supervisors (The Director of Schools, PreK-8th, 9th-12th, CCTE, SPED, Federal Programs, and ESL) will conduct monthly site visits to each school. Progress toward school and district goals is discussed and evidence for promising instructional practices will continue to be the focus during these site visits.

For a snapshot of recent evidence of meaningful consultation, please see the following :

- February 3, 2026: The Director of Schools and District Supervisors (PreK-8, 9-12, SPED, Federal Programs, ESL, CTE) attended the TDOE training regarding district improvement plans and set dates for future meetings.
- February 5, 2026: DOS and Supervisors met to review data, discuss goals, reflect on current practices, and formulate the three-year plan.
- February 16, 2026: DOS and Supervisors met to review data, discuss goals, reflect on current practices, and formulate the three-year plan.
- February 17, 2026: DOS met with the student advisory council at 11:30 a.m. and solicited input regarding formulation and implementation of the three-year district improvement plan.

As required under ESSA Title II, Part A Section 2102(b), describe how professional development for teachers, principals, and other school leaders will build capacity for high-quality instruction, positively impact student academic achievement, and address the needs of educators in the district to teach all learners, include in the response:

1. A description of educator and school leader needs in regard to professional development and how the district determines those needs; and

Professional development is needed to ensure principals, teachers, interventionists, and educational assistants receive training needed in order to: increase student achievement consistent with the challenging state academic standards; improve the quality and effectiveness of teachers, principals, and other school leaders; increase the number of teachers, principals, and other school leaders who are effective in improving student academic achievement in schools; and provide low-income and minority students greater access to effective teachers, principals, and other school leaders.

The district determines needs of professional development by gathering input from supervisors, principals, and teachers through surveys. District administrators and certified personnel complete a professional development survey to ensure that professional development/in-service options are offered that will be meaningful to participants. Administrators may request specific training options based upon the needs in the school, which could include "Areas of Refinement" information from TNCompass and/or low areas identified on IPGs. Additionally, PD surveys are sent to participants after each professional learning experience in order to gauge the effectiveness of the opportunity. Ultimately, the building principal is responsible for monitoring the effectiveness metrics of professional development at the school level. The district's PreK-8 and 9-12 supervisors follow-up with building principals to ensure effective

implementation of what was learned during professional development.

The overarching goal of the instructional coaching program is to provide job-embedded professional development for teachers to support and sustain effective teaching and learning, resulting in improved student outcomes. Instructional coaches facilitate high-quality, learning-focused conversations with teachers based on data and effective instructional assessment strategies. Instructional coaches help teachers advance their skills and provide teachers with feedback, challenge, and support. Coaching is the most effective form of teacher professional development. Research studies have shown that when teachers participate in standard professional development models, they apply less than 20% of new learning in their classrooms. Given the diverse needs of students and the expectations that students learn in an increasingly rigorous curriculum, most teachers need ongoing, side-by-side support as they attempt to incorporate effective instructional practices into their classroom routines.

2. A description of professional development opportunities implemented by the district to meet those needs, including opportunities that address the needs of educators in the district to teach all learners.

Leadership within Cumberland County Schools (CCS) emphasizes a mindset of continuous improvement with all faculty and staff in order to facilitate greater participation and mindfulness of professional learning opportunities. Current practices have indicated that students are struggling to achieve at the desired levels of proficiency; consequently, a greater focus on standards-aligned instruction, standards-aligned tasks, and standards-aligned assessments will continue to be presented through specific professional learning opportunities and support.

Instructional coaches may offer core content area training, which includes standards training, in addition to classroom management and instructional best practices. The instructional coaching program also offers individualized options at the school or teacher level and may include small group/whole school/or individual support/training.

English language development standards training, as well as differentiation training for EL's in the classroom, is provided to content area teachers by the ESL teachers and the Title III Director on an annual basis with additional training provided if needed.

The Director of Special Education and compliance coordinators conduct school training at the beginning of each school year. Required topics discussed include Free Appropriate Public Education (FAPE), Least Restrictive Environment (LRE), ensuring Students with Disabilities (SWD) are given equal access to high quality instructional strategies and materials, the difference between accommodations and modifications, restraint and isolation laws, and SEBSA. This training ensures that all teachers and administrators are equipped with the knowledge to ensure SWD will reach their full potential.

As required under ESSA Title 1, Part A Section 1112(b)(2), describe how the district is reviewing and analyzing the data to identify and address disparities that result in students, particularly low-income students and minority students, being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers. Include in the response:

1. The process in place to review and analyze educator placement, and

The district team, along with the building-level principals, work to ensure teachers are correctly placed based on effectiveness. Second semester allotment meetings are used to discuss the rehiring of teachers and possible future placement. These decisions are determined based on student growth data, TEAM evaluations, and overall level of effectiveness (LOE). Educators are notified by the end of the school year of rehire decisions. Throughout the school year, student benchmark data is reviewed and analyzed during data team meetings. Administrators participate in these data team meetings and reflect on and collect data on the ability of educators to appropriately analyze student data, which includes core subject areas, discipline data, and social emotional concerns; administrators develop action plans targeting areas of concern. This data is tracked for the remainder of the year. As administrators determine placement of educators and create student rosters for the following year, this data is analyzed and decisions are made, which will place students with the best possible educator.

2. Steps the district takes to address any disparities that result in students, particularly low-income students and minority students, being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers.

District administration completes school walkthroughs and participates in discussions with building-level administrators to facilitate and guide the process of ensuring that students are not placed in a class with an ineffective teacher. To reduce disparities of students being taught by ineffective teachers, ineffective teachers may not be rehired, may be placed in a different grade or content area with targeted support, or may be placed on a corrective action plan.

CCS ensures subgroups are taught by comparable teachers using the same criteria as general education teachers. These decisions are made based on student growth data, TEAM evaluations, level of effectiveness, and ability of the educator to meet the unique needs of all students. The district provides professional development and targeted support based on requests from building administrators and teachers; the district provides a mentoring program for teachers; walkthroughs are also completed using Instructional Practice Guide (IPG) to improve teaching strategies in order to strengthen teachers and grow students.

Title III Program Details

Cumberland County (180) Public District - FY 2027 - Consolidated - Rev 0 - English Learner Requirements

Check here if the page below is blank and the LEA plans to transfer these funds into other grant programs, school-wide pool, or consolidated when these funds become available. (See page name above).

Complete pages in the Title III Section of the Consolidated Application ONLY if you are a Title III District (Stand-Alone, Consortia Member, or Fiscal Agent).

1. Program Administration: The reasonable and necessary costs to manage Title III in a compliant and effective manner.

The LEA is utilizing consolidated administration to administer Title III. Information regarding the administration of the grant can be found in the Consolidated Administration section of the consolidated funding application.

The LEA is not utilizing consolidated administration to administer Title III. Provide a summary of how the Title III program will be administered, the staff responsible for the grant administration, the FTE(s) to be supported by Title III funds, and all other funding sources that will contribute to Title III administrative staff salaries/benefits.

NOTE: Only active ELs (Ls and Ws) and Immigrant students may be served under Title III. Students who have exited ESL services (T1, T2, T3, and T4) may not be served with Title III funds. T1-T4 students may only continue to be served under Title III if they are also Immigrant. (ESSA, Title III, Part A § 3114(d))

2. Describe the planned use of Title III funds and how it is supplemental to the programs, services, and supports that EL students must receive and/or are eligible to receive from other state and federal sources.

Title III funds are supplemental to other federal, state, and local funds. Title III funds are used to give supplemental support by providing a (1.0 headcount, 0.4 FTE) ESL instructional paraprofessional's salary. Under the supervision of ESL teachers, this teaching assistant works directly with English Learners. Supplemental items, which include but are not limited to Finish Line materials published by Continental, Learning A-Z to provide supplemental reading practice for ELs, word-to-word dictionaries, and like items are provided through Title III funding, along with professional development training including but not limited to the TNTESOL Conference in the Fall, East Tennessee Federal Programs Conference, and additional training for ESL teachers.

3. Describe how the district will measure the impact that Title III activities had on English language development.

The Cumberland County Schools (CCS) ESL program is monitored and evaluated using ELPA21 for ELLs scores, along with the Tennessee English Language LEA Self-Assessment (TELLSA). Once ELPA21 scores are received, the information is disaggregated by and promulgated to the school and ESL teacher. Data is reviewed by domain and number of students exiting the program. Data is used to evaluate instructional strategies. ELPA21 scores are filed in students' cumulative folders, a monitoring folder maintained by the ESL teacher, a copy is given to the classroom teacher of each EL, and a copy is placed in the district ESL data notebook. All families receive a copy of their student's ELPA21 scores with a letter in their home language explaining the results. This information is used to guide instruction for the next year.

4. Describe how the LEA will provide and implement effective activities and strategies that enhance or supplement language instruction educational programs for English learners, which shall include parent, family, and community engagement activities as required under ESEA § 3115(c)(3).

ESL teachers enhance language acquisition through a pull-out program. ESL teachers provide small group instruction based on the level of language proficiency using ELPA21 and Tennessee State Standards to implement effective instruction using Learning A to Z, Lexia, Summit K12, and other research-

based strategies. District ESL teachers collaborate through monthly PLC meetings throughout the school year focusing on sharing effective strategies and activities. ESL teachers also participate in professional development opportunities that highlight effective research-based strategies and activities.

Parent, family, and community engagement activities are provided in collaboration with school activities and events throughout the school year. ESL teachers collaborate at the school level to involve parents in Title I Back to School family nights, parent-teacher conferences, and family literacy nights hosted at schools throughout the district. The family engagement events allow ESL families to come together to be informed of school events and information that may otherwise be lost in translation, so to speak. The district works to ensure a translator or translation services are available at such events in order to present the information accurately. The school district desires for ESL families to be supported and aware of all aspects affecting the education of their children. Back to School registration help is hosted to assist families with important back to school paperwork. Prekindergarten and Kindergarten registration is offered each spring to families with students who are entering PreK or Kindergarten in the fall.

The district utilizes TransAct for notification in different languages. The district provides EL families monthly newsletters that support families with ways to assist their students. Teachers use ParentSquare to text families in their home language to give them important school information. A translation service is utilized to provide families translation of IEP/504 meetings as well as documents provided in both languages.

Activities serving ELs in Title III funded LEAs during the 2025-26 school year. Check all that apply.

Cumberland County (180) Public District - FY 2027 - Consolidated - Rev 0 - IDEA, Part B

A. Adjustment to Local Effort in Certain Fiscal Years.

IDEA 04 allows an LEA to reduce state and local maintenance of effort by an amount that equals up to 50% of the increase in IDEA funds from the previous year if those funds are used to provide activities authorized under ESEA.
There are limitations to this adjustment. Any LEA identified as not meeting requirements in the State's APR, is prohibited by law from reducing its maintenance of effort figures.

NOTE: If an LEA is determined to have significant disproportionality based on race and ethnicity utilizing state criteria, the LEA must utilize Comprehensive Coordinated Early Intervening Services (IDEA §618(d)(2)(B)).
The amount expended by an LEA under Coordinated Early Intervening Services shall count toward the maximum amount of expenditures such LEAs may reduce in Item "A" Adjustment to Local Effort (above).

For any fiscal year for which the federal allocation received by a LEA under Section 611(f) Subgrants to LEAs exceeds the amount the LEA received for the previous FY, the LEA may reduce the level of expenditures otherwise required by Section 613(a) (2) (A) (iii) by not more than 50% of the excess. Section 613(a) (2) (C) (i) 300.205

If the LEA chooses to use these funds, the LEA shall use an amount of local funds equal to the reduction in expenditures under clause (i) above, to carry out activities authorized under the Elementary and Secondary Act of 1965. Section 613(a) (2) (C) (ii) 300.205(a)

If the SEA determines that the LEA is unable to establish and maintain programs of free appropriate public education that meet the requirements of Section 613(a) or the SEA has taken action against the LEA under section 616 Monitoring, Technical Assistance and Enforcement, the SEA shall prohibit the LEA from reducing the level of expenditures under clause (i) above for that fiscal year. Section 613(a) (2) (C) (iii)

The amount of funds expended by a LEA under subsection (f) Coordinated Early Intervening Services, shall count toward the maximum amount of expenditures such LEAs may reduce under clause (i) above. Section 613(a) (2) (C) (iv)

If a SEA determines that an LEA is not meeting the requirements of Part B, including the targets in the state's performance plan, the SEA shall prohibit the LEA from reducing its MOE under Section 613(a) (2) (C) for any fiscal year. Section 616(f)

B. Permissive Use of IDEA funds for Schoolwide Program.

IDEA allows an LEA to use funds to carry out a schoolwide program under ESEA §1114. If an applicant utilizes these funds, you will report the designated amount for each school and ensure that excess cost and service requirements are met.

LEAs may use IDEA funds to carry out a schoolwide program under Section 1114 of the Elementary and Secondary Education Act (ESEA) of 1965, except that the amount used in any schoolwide program shall not exceed:

- The number of children with disabilities participating in the schoolwide program multiplied by
- The amount received by the LEA for this fiscal year divided by
- The number of children with disabilities in the jurisdiction of the LEA.
  - Section 613(a) (2) (D)

C. Permissive Use of IDEA funds for Coordinated Early Intervening Services (CEIS) - Voluntary

IDEA allows an LEA to use up to 15% of funds, in combination with other amounts (other than education funds), to develop and implement Coordinated Early Intervening Services, which may include interagency financing structures, for students in kindergarten through grade 12 (with particular emphasis on students in kindergarten through grade 3) who have not been identified as needing special education or related services but who need additional academic and behavioral support to succeed in a general education environment.

NOTE: If an LEA is determined to have significant disproportionality based on race and ethnicity utilizing state criteria, the LEA must utilize Comprehensive Coordinated Early Intervening Services (IDEA §618(d)(2)(B)).The amount expended by an LEA under Coordinated Early Intervening Services shall count toward the maximum amount of expenditures such LEAs may reduce in Item "A" Adjustment to Local Effort (above).

Please refer to the IDEA Law, Section 615 (f) (1) - (4) and Section 618(d)(2)(B)(C) available here: http://www.gpo.gov/fdsys/pkg/PLAW-108publ446/html/PLAW-108publ446.htm

Note: If LEA voluntarily takes up to 15%, the funds must be spent from July 1 - June 30, any remaining funds must be returned to IDEA for programming.

A. Adjustment to Local Effort in Certain Fiscal Years.

IDEA 04 allows an LEA to reduce state and local maintenance of effort by an amount that equals up to 50% of the increase in IDEA funds from the previous year if those funds are used to provide activities authorized under ESEA.

There are limitations to this adjustment. Any LEA identified as not meeting requirements in the State's APR, is prohibited by law from reducing its maintenance of effort figures.

NOTE: If an LEA is determined to have significant disproportionality based on race and ethnicity utilizing state criteria, the LEA must utilize Coordinated Early Intervening Services (Section 618 (d) (2) (B)). The amount expended by an LEA under Coordinated Early Intervening Services shall count toward the maximum amount of expenditures such LEAs may reduce in Item "A" Adjustment to Local Effort (above).

For any fiscal year for which the federal allocation received by a LEA under Section 611(f) Subgrants to LEAs exceeds the amount the LEA received for the previous FY, the LEA may reduce the level of expenditures otherwise required by Section 613(a) (2) (A) (iii) by not more than 50% of the excess. Section 613(a) (2) (C) (i) 300.205

If the LEA chooses to use these funds, the LEA shall use an amount of local funds equal to the reduction in expenditures under clause (i) above, to carry out activities authorized under the Elementary and Secondary Act of 1965. Section 613(a) (2) (C) (ii) 300.205(a)

If the SEA determines that the LEA is unable to establish and maintain programs of free appropriate public education that meet the requirements of Section 613(a) or the SEA has taken action against the LEA under section 616 Monitoring, Technical Assistance and Enforcement, the SEA shall prohibit the LEA from reducing the level of expenditures under clause (i) above for that fiscal year. Section 613(a) (2) (C) (iii)

The amount of funds expended by a LEA under subsection (f) Coordinated Early Intervening Services, shall count toward the maximum amount of expenditures such LEAs may reduce under clause (i) above. Section 613(a) (2) (C) (iv)

If a SEA determines that an LEA is not meeting the requirements of Part B, including the targets in the state's performance plan, the SEA shall prohibit the LEA from reducing its MOE under Section 613(a) (2) (C) for any fiscal year. Section 616(f)

B. Permissive Use of IDEA funds for Schoolwide Program.

IDEA allows an LEA to use funds to carry out a schoolwide program under Section 1114 of ESEA. If an applicant utilizes these funds, you will report the designated amount for each school and ensure that excess cost and service requirements are met.

LEAs may use IDEA funds to carry out a schoolwide program under Section 1114 of the Elementary and Secondary Education Act (ESEA) of 1965, except that the amount used in any schoolwide program shall not exceed:

- The number of children with disabilities participating in the schoolwide program multiplied by
- The amount received by the LEA for this fiscal year divided by
- The number of children with disabilities in the jurisdiction of the LEA.
  - Section 613(a) (2) (D)

C. Permissive Use of IDEA funds for Coordinated Early Intervening Services (CEIS) - Voluntary

IDEA allows an LEA to use up to 15% of funds, in combination with other amounts (other than education funds), to develop and implement Coordinated Early Intervening Services, which may include interagency financing structures, for students in **kindergarten through grade 12** (with particular emphasis on students in kindergarten through grade 3) who have not been identified as needing special education or related services but who need additional academic and behavioral support to succeed in a general education environment.

NOTE: If an LEA is determined to have significant disproportionality based on race and ethnicity utilizing state criteria, the LEA must utilize Coordinated Early Intervening Services (Section 618 (d) (2) (B)). The amount expended by an LEA under Coordinated Early Intervening Services shall count toward the maximum amount of expenditures such LEAs may reduce in Item "A" Adjustment to Local Effort (above).

Please refer to the IDEA Law, Section 615 (f) (1) - (4) and Section 618(d)(2)(B)(C) available here: http://www.gpo.gov/fdsys/pkg/PLAW-108publ446/html/PLAW-108publ446.htm

Note: If LEA voluntarily takes up to 15%, the funds must be spent from July 1 - June 30, any remaining funds must be returned to IDEA for programming.

CEIS Funds may not be used for preschool services.

☐ **Please check here if the LEA is using Permissive Use of IDEA Funds for Coordinated Early Intervening Services (CEIS) - Voluntary for students that are 5 years old and in Kindergarten.**

Applies to All ESEA Programs Included in this Application

☑ *** The Local Educational Agency (LEA) hereby assures the State Educational Agency (SEA) that the LEA follows all regulations applicable for ESEA, including those outlined below.**

1.	Use fiscal control and fund accounting procedures that ensure proper disbursement of and accounting for federal funds paid to that agency under each program. Reference CMIA 7211R rule
2.	Keep such records, and provide such information to the State, as may be reasonably required for fiscal audit, data reporting, and program evaluation.
3.	Ensure all salaries are paid from project funds according to LEA rates. State/CONUS travel rates are to be used for project travel expenses. Adequate travel logs, as well as other necessary information, must be maintained to support expenditures.
4.	Charge amounts for personnel services that are based on payrolls documented and approved in accordance with the generally accepted practice of the LEA. Payrolls must be supported by time and attendance or equivalent records for individual employees. 7.	Recognize that state approval of an application does not relieve the LEA of its responsibility to comply with all applicable program and fiscal requirements.
8.	Comply with federal civil rights laws. The Office for Civil Rights enforces several federal civil rights laws that prohibit discrimination in programs or activities that receive federal financial assistance from the Department of Education. Discrimination on the basis of race, color, and national origin is prohibited by Title VI of the Civil Rights Act of 1964 ; sex discrimination is prohibited by Title IX of the Education Amendments of 1972; discrimination on the basis of disability is prohibited by Section 504 of the Rehabilitation Act of 1973; and age discrimination is prohibited by the Age Discrimination Act of 1975. These civil rights laws enforced by OCR extend to all state education agencies, elementary and secondary school systems, colleges and universities, vocational schools, proprietary schools, state vocational rehabilitation agencies, libraries, and museums that receive U.S. Department of Education funds. Areas covered may include, but are not limited to: admissions, recruitment, financial aid, academic programs, student treatment and services, counseling and guidance, discipline, classroom assignment, grading, vocational education, recreation, physical education, athletics, housing, and employment. OCR also has responsibilities under Title II of the Americans with Disabilities Act of 1990, including prohibiting disability discrimination by public entities, whether or not they receive federal financial assistance
9.	Comply with Title VII of the Civil Rights Act of 1964, as amended by the Equal Employment Opportunity Act of 1972. (http://www.eeoc.gov/laws/statutes/titlevii.cfm)
10.	Maintain fiscal effort in accordance with section 8521.

11.	Comply with section 8501 regarding participation by private school children and teachers.
12.	Educational Rights and Privacy for Parents and Students
	The Board of Education will comply with all the privacy protections afforded parents and students under section 444 of the General Education Provisions Act (20 U.S.C. 1232g), as added by the Family Educational Rights and Privacy Act of 1974 (section 513 of Public Law 93-380; 88 Stat. 571).
13.	Termination of Employment and Unpaid Leave. Upon termination, any leave balance paid to a federally funded employee above the amount of leave earned in the current grant year shall NOT be paid from federal funds as detailed in 2 CFR 200.431 (b)(3).
14.	Certification Regarding Constitutionally Protected Prayer in Public Elementary and Secondary Schools. In order to receive funds under the ESEA as amended by the ESSA, an LEA must certify in writing to the state that no policy of the LEA prevents or otherwise denies participation in constitutionally protected prayer in public elementary and secondary schools as set forth in Section 8524. Certification must be provided to the state by October 1 of each year during which the LEA participates in an ESEA program.
15.	Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions. As required by the Department of Education regulations implementing Executive Order 12549 and 12689, Debarment and Suspension, 2 CFR Part 180, the LEA must meet the threshold and tier requirements stated at Section 85.110.

Instructions for Certification

1.	By acknowledging these assurances, the LEA is providing the certification set out below.
2.	The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
3.	The LEA agrees by submitting this proposal that it will exclude a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
4.	The LEA further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
5.	The LEA in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless the LEA knows the certification is erroneous. Each participant may, but is not required to, check the Nonprocurement List.
6.	The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time it learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
7.	Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
8.	The certification in this clause is a material representation of fact by the LEA upon which reliance was placed when this transaction was entered into. If it is later determined that the LEA knowingly rendered an erroneous certification, or if an LEA in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in the transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification

The LEA certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Equal Access for Students, Teachers, and Other Program Beneficiaries

Section 427 of the General Education Provision Act (20 U.S.C. 1228a) requires LEAs to describe in their applications the steps they propose to take in order to ensure access to education and promote educational excellence by:

"(1) ensuring equal opportunities to participate for all eligible students, teachers, and other program beneficiaries in any project or activity carried out under an applicable program; and

(2) promoting the ability of such students, teachers, and beneficiaries to meet high standards."

Therefore, the LEA will ensure equitable participation in all local-level programs by students, teachers, and other beneficiaries with special needs through the following activities:

1. ensuring that all training for teachers and others who will conduct parental involvement activities is accessible to all participants and includes strategies for increasing access to the school and its activities for all parents regardless of disability or language spoken.

2. including accessibility guidelines as part of the criteria for effective professional development activities provided throughout the LEA as well as by federal programs.

3. using the LEA computer network to disseminate information to all constituents.

4. providing technical assistance through on-site visits to verify that equitable practices are being followed by schools.

5. including written statements in communications that advertise LEA-level activities to ensure that all necessary accommodations are made for equal access by constituents.

6. maintaining special task forces to formulate policy for coordination of programs to ensure equal access of all student populations, including low-income students, students with disabilities, students with emerging English skills, migrant students, homeless, neglected, or delinquent students, and others.

7. implementing other activities as appropriate.

§200.62	Internal Control Over Compliance Requirements for Federal Awards
	Internal control over compliance requirements for federal awards means a process implemented by a LEA designed to provide reasonable assurance regarding the achievement of the following objectives for federal awards: (a) Transactions are properly recorded and accounted for, in order to: (1) Permit the preparation of reliable financial statements and Federal reports; (2) Maintain accountability over assets; and (3) Demonstrate compliance with Federal statutes, regulations, and the terms and conditions of the Federal award; (b) Transactions are executed in compliance with: (1) Federal statutes, regulations, and the terms and conditions of the Federal award that could have a direct and material effect on a Federal program; and (2) Any other Federal statutes and regulations that are identified in the Compliance Supplement; and (c) Funds, property, and other assets are safeguarded against loss from unauthorized use or disposition.
§200.201	Use of Grant Agreements (Including Fixed-Amount Awards), Cooperative Agreements, and Contracts
	(3) The LEA must certify in writing to the federal awarding agency or pass-through entity at the end of the federal award that the project or activity was completed or the level of effort was expended. If the required level of activity or effort was not carried out, the amount of the federal award must be adjusted.
§200.302	Financial Management
	(b)(4) Effective control over, and accountability for, all funds, property, and other assets. The LEA must adequately safeguard all assets and assure that they are used solely for authorized purposes. See § 200.303 Internal Controls.
§200.303	Internal Controls

	The LEA must: (a) Establish and maintain effective internal control over the federal award that provides reasonable assurance that the LEA is managing the federal award in compliance with federal statutes, regulations, and the terms and conditions of the federal award. These internal controls shall comply with guidance in "Standards for Internal Control in the Federal Government" issued by the Comptroller General of the United States and the "Internal Control Integrated Framework", issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
§200.305	Payment
	(b)(6) A payment must not be made to a LEA for amounts that are withheld by the LEA from payment to contractors to assure satisfactory completion of work. A payment must be made when the LEA actually disburses the withheld funds to the contractors or to escrow accounts established to assure satisfactory completion of work.
§200.318	General Procurement Standards
	(a) LEAs must use its own documented procurement procedures which reflect applicable state and local laws and regulations provided that the procurements confirm to applicable federal law and regulations.
§200.321	Contracting with Small and Minority Businesses, Women's Business Enterprises, and Labor Surplus Area Firms

§200.325	Federal Awarding Agency or Pass-Through Entity Review
	(c)(2) The LEA may self-certify its procurement system. Such self-certification must not limit the federal awarding agency's ability to survey the system. Under a self-certification procedure, the federal awarding agency may rely on written assurances from the LEA that it is complying with these standards. The LEA must cite specific policies, procedures, regulations, or standards as being in compliance with these requirements and have its system available for review.
§200.326	Bonding Requirements
	(a) A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" must consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of the bid, execute such contractual documents as may be required within the time specified.
	(c) A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.
§200.329	Monitoring and Reporting Program Performance
	(a) The LEA is responsible for oversight of the operations of the federal award supported activities. The LEA must monitor its activities under federal awards to assure compliance with applicable federal requirements and performance expectations are being achieved. Monitoring by the LEA must cover each program, function or activity.

§200.400	Policy Guide
	(c) The LEA, in recognition of its own unique combination of staff, facilities, and experience, has the primary responsibility for employing whatever form of sound organization and management techniques may be necessary in order to assure proper and efficient administration of the federal award.
	(e) In reviewing, negotiating and approving cost allocation plans or indirect cost proposals, the cognizant agency for indirect costs should generally assure that the LEA is applying these cost accounting principles on a consistent basis during their review and negotiation of indirect cost proposals. Where wide variations exist in the treatment of a given cost item by the LEA, the reasonableness and equity of such treatments should be fully considered. See § 200.56 Indirect (facilities & administrative (F&A)) costs.
§200.415	Required Certifications
	(a) To assure that expenditures are proper and in accordance with the terms and conditions of the federal award and approved project budgets, the annual and final fiscal reports or vouchers requesting payment under the agreements must include a certification, signed by an official who is authorized to legally bind the LEA, which reads as follows: "By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil, or administrative penalties for fraud, false statements, false claims, or otherwise. (U.S. Code Title 18, § 1001 and Title 31, §§ 3729-3730 and 3801-3812)." (b) Certification of cost allocation plan or indirect (F&A) cost rate proposal.
§200.427	Bonding Costs
	(a) Bonding costs arise when the federal awarding agency requires assurance against financial loss to itself or others by reason of the act or default of the LEA. They arise also in instances where the LEA requires similar assurance, including: bonds as bid, performance, payment, advance payment, infringement, and fidelity bonds for employees and officials.
§200.430	Compensation-Personal Services
	(a) General. Compensation for personal services includes all remuneration, paid currently or accrued, for services of employees rendered during the period of performance under the federal award, including but not necessarily limited to wages and salaries. Compensation for personal services may also include fringe benefits which are addressed in § 200.431 Compensation-Fringe Benefits. Costs of compensation are allowable to the extent that they satisfy the specific requirements of this part.
§200.430	Standards for Documentation of Personnel Expenses
	(g)(1) LEA personnel expenses must 1. Be supported by a system of internal controls which provides reasonable assurance charges are accurate, allowable and allocable; 2. Be incorporated into official records; 3. Reasonably reflect total activity for which employee is compensated; 4. Encompass all activities (federal and non-federal); 5. Comply with established accounting policies and practices; and 6. Support distribution among specific activities or cost objectives.
§200.433	Contingency Provisions
	(c) Payments made by the federal awarding agency to the LEA's "contingency reserve" or any similar payment made for events the occurrence of which cannot be foretold with certainty as to the time or intensity, or with an assurance of their happening, are unallowable, except as noted in §§200.431 Compensation - fringe benefits regarding self-insurance, pensions, severance, and post-retirement health costs and 200.447 Insurance and indemnification.
§200.435	Defense and Prosecution of Criminal and Civil Proceedings, Claims, Appeals, and Patent Infringements

	(i) Costs which may be unallowable under this section, including directly associated costs, must be segregated and accounted for separately. During the pendency of any proceeding covered by paragraphs (b) and (f) of this section, the federal government must generally withhold payment of such costs. However, if in its best interests, the federal government may provide for conditional payment upon provision of adequate security, or other adequate assurance, and agreement to repay all unallowable costs, plus interest, if the costs are subsequently determined to be unallowable.
§200.521	Management Decisions
	(a) General. The management decision must clearly state whether or not the audit finding is sustained, the reasons for the decision, and the expected auditee action to repay disallowed costs, make financial adjustments, or take other action. If the auditee has not completed corrective action, a timetable for follow-up should be given. Prior to issuing the management decision, the Federal agency or pass-through entity may request additional information or documentation from the auditee, including a request for auditor assurance related to the documentation, as a way of mitigating disallowed costs. The management decision should describe any appeal process available to the auditee. While not required, the federal agency or pass-through entity may also issue a management decision on findings relating to the financial statements which are required to be reported in accordance with GAGAS.
App. II	F. CERTIFICATION.
	1. Certification of Charges To assure that expenditures for federal awards are proper and in accordance with the agreement documents and approved project budgets, the annual and/or final fiscal reports or vouchers requesting payment under the agreements will include a certification, signed by an authorized official of the LEA, which reads "By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and intent set forth in the award documents. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil, or administrative penalties for fraud, false statements, false claims, or otherwise. (U.S. Code, Title 18, § 1001 and Title 31, §§ 3729-3733 and 3801-3812)".

General

All promotion and retention decisions shall be made on a case-by-case basis and comply with state and federal law. All decisions shall be made in consultation with a student's IEP and/or 504 team, if applicable.[1]

Students who have difficulty in achieving the requirements for promotion may be considered for retention. Schools shall identify these students by February 1st. Factors used to identify students for retention shall include:[2]

1. Ability to perform at the current grade level;
2. Results of local assessments, screening, or monitoring tools;
3. State assessments, as applicable;
4. Home Literacy Reports;[3]
5. Overall academic achievement of the student;
6. Likelihood of success with more difficult material if promoted to the next grade;
7. Attendance record; and
8. The student's maturity.

Students may be identified for retention after the February 1st deadline if the delay in identifying a student is due to:[4]

1. Date of enrollment; or

2. Additional information acquired after results of local assessment, screening, or monitoring are released.

VOLUNTARY RETENTION[5]

A parent/guardian of a student enrolled in kindergarten through second grade may choose to retain his/her student in the current grade level if:

1. The student has a documented academic or behavioral delay; and

2. The parent/guardian believes that retention may benefit the student.

This information shall be submitted in writing within thirty (30) days of the end of the school year. The district shall send written notice to the parent/guardian confirming whether the student is eligible for retention under state law.

PROMOTION PLANS[6]

When a student is identified for retention, the student's parent(s)/guardian(s) shall be notified within fifteen (15) calendar days, and an individualized promotion plan shall be developed to help the student avoid retention. The plan shall be developed in coordination with the student's teachers, IEP or 504 team, if applicable, and may also include input from the student's parent(s)/guardian(s), school counselor, or other appropriate school personnel.

Promotion plans shall incorporate evidence-based strategies, including expectations and measurements that will verify whether a student has made sufficient progress to be promoted to the next grade level, and be tailored to the student's learning needs. Promotion plans for the students in third and fourth grade will include additional requirements for promoting students in these grades. A copy of the plan will be provided to the student's parent(s)/guardian(s), and the school shall offer the opportunity for a parent-teacher conference to discuss the plan. If a student is not making progress on the promotion plan, then the strategies shall be modified. Parent(s)/guardian(s) shall be provided with any changes to the promotion plan.

A student who demonstrates sufficient academic progress according to his/her promotion plan shall be promoted to the next grade level unless retention is required per additional requirements for students in third and fourth grade.[7]

If a student has not demonstrated sufficient academic progress according to his/her promotion plan by the end of the school year, the student shall be eligible to enroll in a summer reading or learning program, if available. Parent(s)/guardian(s) shall be notified of a decision for retention at least ten (10) calendar days prior to the start of the next school year if the student was enrolled in a summer program. However, if the student wasn't enrolled in a summer program, the parent(s)/guardian(s) shall be notified of a decision for retention at least thirty (30) calendar days prior to the start of the next school year.[8]

RETENTION[7]

A student may be retained when such retention is in the best interest of the student or when retention is required per additional requirements for students in third and fourth grade.

Decision of Retention – General[9]

If a student is retained, the Director of Schools/designee shall develop an individualized academic remediation plan within thirty (30) calendar days after the beginning of the next school year. A copy of the plan shall be provided to the student's parent(s)/guardian(s) within ten (10) calendar days of its development. This plan shall include at least one of the following strategies:

1. Adjustment to the current instructional strategies or materials;
2. Additional instructional time;
3. Individual tutoring;
4. Modification to the student's classroom assignment to ensure the student received instruction from a teacher with a level of overall effectiveness of above expectations (level 4) or significantly above expectations (level 5); or
5. Attendance or truancy interventions.

A student shall not be retained more than once in any grade. The progress of students who are retained shall be closely monitored and reported to parent(s)/guardian(s) at least three (3) times during the school year in which the student is retained. The Director of Schools shall develop procedures to ensure appropriate recordkeeping of students who are retained.

Decision of Retention – Third Grade[10]

Third grade students shall not be promoted to the next grade unless they are determined to be proficient (i.e., receive a performance level rating of met or exceeded expectations) in English language arts (ELA) based on the student's most recent TCAP test.

Students who are not proficient in ELA may still be promoted if the following conditions are met:

1. A student in third grade receiving a performance level rating of "approaching" on the ELA portion of the student's most recent TCAP test may be promoted if:

    □. The student is an English language learner and has received less than two (2) full years of ELA instruction;

    □. The student was previously retained in grades K-3;

    □. The student is retested before the next school year and scores proficient in ELA;

    □. The student attends a learning loss bridge camp before the next school year, maintains a ninety percent (90%) attendance rate, and demonstrates adequate growth on the post-test at the end of the camp;

□. The student receives tutoring for the entirety of the next school year in accordance with state law; or

□. Beginning with the 2023-2024 school year, the student demonstrates proficiency in ELA standards by scoring within the fiftieth percentile on the most recently administered state-provided benchmark assessment and the district provides tutoring services to the student during the entire fourth grade school year and notifies the student's parent/guardian, in writing, of the benefits of enrolling the student in summer programming.

□. The student was administered a state-mandated assessment pursuant to TCA 49-1-616 (d) as a third-grade student and the student demonstrates proficiency in ELA based on the student scoring within the fiftieth (50th) percentile on the most recently administered universal reader screener approved by the State Board of Education or the Tennessee universal reading screener. [11]

2. A student in third grade receiving a performance level rating of "below" on the ELA portion of the student's most recent TCAP test may be promoted if:

□. The student is an English language learner and has received less than two (2) full years of ELA instruction;

□. The student was previously retained in grades K-3;

□. The student is retested before the next school year and scores proficient in ELA; or

SUSPENSION PENDING AN INVESTIGATION[1]

The Director of Schools may suspend a tenured teacher at any time that may seem necessary, pending investigation or final disposition of a case before the board or an appeal. If the matter under investigation is not the subject of an ongoing criminal investigation or a Department of Children's Services investigation, and if no charges for dismissal have been made, a suspension pending investigation shall not exceed ninety (90) days in duration. Under no circumstances shall the Director of Schools suspend a tenured teacher with pay. If vindicated or reinstated, the tenured teacher shall be paid full salary for the period of suspension.

SUSPENSION OF THREE DAYS OR LESS[2,3]

A Director of Schools/designee may suspend a tenured teacher for incompetence, inefficiency, neglect of duty, unprofessional conduct, and insubordination. Before a tenured teacher is suspended, he/she shall be: (1) provided with written notice, including the reasons for the suspension along with an explanation of the evidence; (2) given an opportunity to respond to the Director at a conference, if requested within five (5) working days; and (3) given a written decision of the suspension within ten (10) working days. Both parties may be represented by counsel at the conference, which shall be recorded.

Under no circumstances shall a Director of Schools suspend a tenured teacher with pay. If reinstated, the tenured teacher shall be paid full salary for the period of suspension, unless suspension without pay is deemed to be an appropriate penalty.

DISMISSAL OR SUSPENSIONS GREATER THAN THREE DAYS[4]

When a tenured teacher is charged with offenses, that may justify dismissal or a suspension greater than three (3) days, the charges shall be made in writing, specifically stating the offenses that are charged, and shall be signed by the party or parties making the charges.

If, in the opinion of the Board, the charges are of such nature as to warrant the dismissal or a suspension greater than three (3) days of the teacher, the Director of Schools shall give the teacher a written notice of this decision, a copy of the charges against the tenured teacher, and a copy of a form provided by the Commissioner of Education advising the tenured teacher of his/her legal duties, rights, and recourse.

A tenured teacher who has been given notice of charges against him/her may within thirty (30) days after receipt of notice give written notice to the Director of Schools of his/her request for a hearing.

The Director of Schools shall, within five (5) working days after receipt of request, assign a hearing officer from the list maintained by the Board.

The Board shall maintain a list of qualified individuals who have indicated a willingness to act as impartial hearing officers as defined under Tennessee law.

The hearing officer shall notify the parties, or their attorney, of the officer's assignment and direct the parties or the attorneys for the parties, or both, to appear before the hearing officer for simplification of issues and the scheduling of the hearing. That hearing shall be set no later than thirty (30) days following receipt of the initial request for a hearing. In the discretion of the hearing officer, all or part of any prehearing conference may be conducted by telephone if each participant has an opportunity to participate, be heard, and to address proof and evidentiary concerns. The hearing officer is empowered to issue appropriate orders and to regulate the conduct of the proceedings.

Either party may appeal to the Board an adverse ruling by giving written notice of appeal within ten (10) working days of the hearing officer's delivery of the hearing officer's written findings and conclusions. The Director of Schools shall prepare a copy of the proceedings, including all transcripts and evidence, documentary or otherwise, and transmit the same to the Board within twenty (20) working days of the receipt of the notice of appeal.

The Board shall hear the appeal on the record, and no new evidence may be submitted by either party. The appealing party may appear before the Board to argue why the adverse ruling should be overturned. In no event should such argument last more than fifteen (15) minutes, unless the Board should vote to extend additional time. At the conclusion of the hearing, the Board may vote to sustain the decision of the hearing officer, send the record back for additional evidence, revise the penalty or reverse the decision. The Board shall render its decision within ten (10) working days after the conclusion of the hearing. In the event that the decision of the Board is appealed to the chancery court, the Board shall transmit the entire record prepared by the Director and reviewed by the Board to the chancery court for its review.

RESIGNATION

A tenured teacher shall give the Director of Schools notice of resignation at least thirty (30) days before the effective date of the resignation. A tenured teacher who fails to give such notice, in the absence of justifiable extenuating circumstances, shall forfeit all tenure status. The Board may waive the thirty (30) days' notice requirement and permit a teacher to resign in good standing.[5]

The conditions under which it is permissible to break a contract with the Board are as follows:[6]

1. The incapacity on the part of the teacher to perform the contract as evidenced by the certified statement of a physician approved by the Board; and

2. The release by the Board of the tenured teacher from the contract, which the tenured teacher has entered into with the Board.

Any tenured teacher on leave shall notify the Director of Schools in writing at least thirty (30) days prior to the date of return if the tenured teacher does not intend to return to the position from which he/she has taken leave. Failure to render such notice may be considered a breach of contract.[7]

~~Upon a breach of contract, the Board, upon a motion recorded in its minutes, may file a complaint with the State Board of Education and request the suspension of a tenured teacher's license. After the State~~

~~Board of Education has provided the tenured teacher an opportunity for defense during a hearing, the State Board of Education may suspend the license for no less than thirty (30) and no more than three hundred sixty-five (365) days.[8]~~

RETIREMENT

Retirement is a termination of services under conditions which will allow the employee to draw benefits from retirement plans and/or Social Security benefits. Tenured teachers eligible for retirement benefits may elect to retire at any age according to the provisions of the retirement system.

Central office personnel shall assist tenured teachers in securing retirement benefits; however, it shall be the responsibility of the retiring tenured teacher to provide verification of eligibility in writing from the Tennessee Consolidated Retirement System (TCRS) to the central office. It shall be the responsibility of the retiring tenured teacher to file for benefits.

The Board will appoint an impartial hearing officer to conduct such hearings. The hearing officer will hear the case and the non-tenured teacher shall have the right to:

1. Be represented by counsel;

2. Call and subpoena witnesses;

3. Examine all witnesses; and

4. Require that all testimony be given under oath.

Factual findings and decisions in all dismissal cases shall be provided in written form and delivered to the affected non-tenured teacher within ten **10** working days following the close of the hearing. The non-tenured teacher may appeal the decision to the Board within ten **10** working days of the hearing officer rendering the written decision to the non-tenured teacher. Written notice of appeal to the Board shall be given to the Director of Schools. Within twenty **20** working days of receipt of notice, the Director of School shall prepare a copy of the proceedings including all transcripts, documentary and evidence or otherwise presented and provide the Board a copy of the same.

The Director of Schools shall also have the right to appeal any adverse ruling by the hearing officer in same manner as the non-tenured teacher.

The Board shall hear the appeal. No new evidence shall be introduced. The non-tenured teacher may appear in person or be represented by counsel and argue why the decision should be modified or reversed. The Board shall take one of the following actions:

1. Sustain the decision;

2. Send the record back if additional evidence is necessary; or

3. Revise the penalty or reverse the decision.

Before any decision to dismiss is made, a majority of the membership of the Board shall concur in sustaining the charges. The Board shall render a decision on the appeal within ten **10** working days after the conclusion of the hearing.

Within twenty **20** working days after receipt of notice of the decision of the Board, either party may appeal to the chancery court in the county where the school district is located. The Board shall provide the entire record of the hearing to the court.

NON-RENEWAL

Non-tenured teachers are subject to the same rules and regulations and are entitled to the privileges of employment enjoyed by tenured teachers except that they have no claim upon continuing employment or tenure protections.

The principal is responsible for discussing deficiencies as part of the evaluation process with the non-tenured teacher and providing assistance for overcoming these deficiencies.

The Director of Schools is under no obligation to re-employ non-tenured teachers at the end of their contract period. If the Director of Schools determines not to renew the contract of a non-tenured teacher, the following action shall be taken:

1. The Board shall be notified at the next regular board meeting; and

2. Written notice of non-renewal shall be sent to the teacher by certified mail, overnight carrier or by email within five (5) business days following the last instructional day for the school year.[3] If the reason for the non-renewal is due only to a loss of funding for the position, then the notice shall include a statement listing it as the cause for non-renewal.[4]

RESIGNATION

A non-tenured teacher shall give the Director of Schools notice of resignation at least thirty **30** days before the effective date of the resignation.[5] The Board may waive the thirty **30** days-notice requirement and permit a non-tenured teacher to resign in good standing.

The conditions under which it is permissible to break a contract with the Board are as follows:[6]

1. The incapacity on the part of the non-tenured teacher to perform the contract as evidenced by the certified statement of a physician approved by the Board; and

2. The release by the Board of the non-tenured teacher from the contract, which the non-tenured teacher has entered into with the Board.

Any non-tenured teacher on leave shall notify the Director of Schools in writing at least thirty **30** days prior to the date of return if the non-tenured teacher does not intend to return to the position from which he/she has taken leave. Failure to render such notice may be considered a breach of contract.[7]

~~Upon a breach of contract, the Board, upon a motion recorded in its minutes, may file a complaint with the State Board of Education and request the suspension of a non-tenured teacher's license. After the State Board of Education has provided the non-tenured teacher an opportunity for defense during a hearing, the State Board of Education may suspend the license for no less than thirty **30** days and no more than three hundred sixty-five **365** days.~~[8]

RETIREMENT

Retirement shall mean a termination of services under conditions, which will allow the non-tenured teacher to draw benefits from retirement plans and/or Social Security benefits.

Non-tenured teachers eligible for retirement benefits may elect to retire at any age according to the provisions of the retirement system. Central office personnel shall assist non-tenured teachers in securing retirement benefits; however, it shall be the responsibility of the retiring non-tenured teacher to provide verification of eligibility in writing from the Tennessee Consolidated Retirement System (TCRS) to the central office. It shall be the responsibility of the retiring non-tenured teacher to file for benefits.

(Note: Nonrenewal of non-tenured teachers after the contract year is not suspension or dismissal and does NOT follow the suspension/dismissal guidelines outlined in this policy. Rather, nonrenewal of non-tenured teachers after the contract year follows the nonrenewal guidelines outlined in this policy.)

When a vacancy occurs, the appointment of a Director of Schools is a function of the Board.[1] The Board is responsible for finding the person it believes can most effectively translate into action the policies of the Board and the goals of the community and the professional staff.

The Board may employ a consultant to advise and assist the Board in the search and selection process. However, final selection shall rest with the Board after a thorough consideration of qualified applicants. An interim Director of Schools appointed during the time of a search shall not become a candidate unless the Board expressly permits such inclusion in the selection procedures. A board member may not apply for or in any other way be considered for the interim or permanent position of Director of Schools.[2]

Prior to conducting a search to fill the position, the Board shall initially develop the following:[3]

1. A job description
2. A timeline
3. A ~~process~~ system for accepting and reviewing applications, including a process for handling public versus non-public material (Note: Per state law, records of all applicants are public unless candidates request their records be made private); and
4. Selection procedures which shall include, but not be limited to, the following:

a.1. The Board may invite the community, including board employees, to participate in the process of selecting a Director of Schools. Resumes of persons interviewed by the Board shall be available in the central office for public inspection.

b. ~~2~~. The interview process for each finalist shall include meetings with various staff and community groups and an interview with the entire Board if possible.

TO SCHOOLS

Students, including those in kindergarten, are expected to attend the school to which they are assigned by virtue of their residence.[1] Students will enroll in the school of appropriate grade nearest their local residence. The Zoning-Residency Check Guidelines found in procedures may be used to verify residency of any student.

If a student wishes to attend a school other than his or her zoned school in Cumberland County, the parent or guardian must follow Board of Education Policy 6.206 to request a transfer to another school. Policy 6.206 and the corresponding out of zone procedures will serve as guidelines to respond to this request.

For the purpose of this policy, the term "legal residence" shall mean the domicile of the child in question. Although a child may have several residences, he or she shall have only one domicile, and that is the child's primary place of living, where food, toys, clothes, furniture, and the like are maintained. The child's domicile shall be that of his or her parents. If the parents of the child are separated or divorced, the child's domicile shall be that of the primary residential parent. In the event the parents have equal parenting time and are designated as joint primary residential parents in a Permanent Parenting Plan and/or Order of the Court: a) If the school zone is addressed in the Permanent Parenting Plan or Court Order, the child will be allowed to attend school within the school zone ordered as long as one of the parents resides in that zone; b) If the school zone is not addressed, in the Permanent Parenting Plan or Court Order, or if neither parent resides in a school zone named in their Permanent Parenting Plan or Court Order, the parents may, by written agreement, at the beginning of each school year, determine which of their addresses will determine the child’s school zone. In the event that no primary residential parent is named in a Parenting Plan or other legal document concerning the parent's separation, the domicile of the child shall be that of the child's mother. In the case of a child whose parents are deceased, or incompetent, the domicile of the minor child is that same as the domicile of the legal guardian who has custody of the child. The domicile of an adopted child is that of the adoptive parents.

With the Director of Schools' approval, parents may elect to enroll their children in any school in the school system provided the parent provides transportation to and from that respective school and provided that such choice does not cause overcrowding in the chosen school.

Parents/guardian(s) who are dissatisfied with the assignment of their children may, within ten (10) days after the assignment, make application to the Board for a hearing requesting a transfer to another school.[2]

TO CLASSES

The principal shall be responsible for assigning all students to classes.

Students who enter the system from another school system are to be placed by the principal in the grade and/or level as indicated by records from the former school. If the student's placement is inappropriate in the grade or level assigned, he/she may be reassigned by the principal to another grade level. Parents shall be kept advised.

Students transferring from any school not approved by the Tennessee State Department of Education shall be tested to justify their grade placement in Cumberland County Public Schools. When first enrolled and until test results are available, the child shall be placed in the grade in which he/she was last enrolled. An achievement test shall be administered at the very earliest possible date to see if achievement test scores justify appropriate grade placement.

The principal shall separate an alleged victim of child abuse from an alleged perpetrator if the abuse allegedly occurred while the child was under the supervision or care of the school. If available and appropriate, a child shall be reassigned if a request is made by the child's parent or custodian and the perpetrator has been: (1) substantiated by the Department of Children's Services; (2) adjudicated by a juvenile court to have committed the child sexual abuse; or (3) criminally charged.[3]

If an order of protection is issued to protect a student from another student enrolled in the same school, then the principal shall develop a student safety plan and implement it for the student who is named as the petitioner. This shall occur as soon possible, but no later than five (5) school days from the date on which the school receives a copy of the order of protection. When reasonably practicable and appropriate, the building level school safety team and the parent(s)/guardian(s) of the student named as the petitioner shall provide input into the plan. The Director of Schools shall develop administrative procedures to implement this process. [4]

QUESTIONING BY SCHOOL PERSONNEL

Students may be questioned by teachers or principals about any matter pertaining to the operation of a school and/or the enforcement of its rules. Questioning shall be conducted discreetly and under circumstances which will avoid unnecessary embarrassment to the student. Any student answering falsely or evasively or refusing to answer a question may be subject to disciplinary action, including suspension.

If a student is suspected or accused of misconduct or infraction of the student code of conduct, the principal may interrogate the student without the presence of parent(s)/guardian(s).

INTERROGATIONS BY POLICE AT PRINCIPAL'S REQUEST

If the principal has requested assistance by law enforcement to investigate a crime involving his/her school, the police may interrogate a student suspect in school during school hours. The principal shall first attempt to notify the parent(s)/guardian(s) of the student unless circumstances require otherwise. However, the interrogation may proceed without attendance of the parent(s)/guardian(s), but the principal/designee shall be present during the interrogation.[1]

POLICE-INITIATED INTERROGATIONS

If the police deem circumstances of sufficient urgency to interrogate students at school for unrelated crimes committed outside of school hours, the police department should first contact the principal regarding the planned interrogation and inform him/her of the probable cause to investigate. The principal shall make reasonable efforts to notify the parent(s)/guardian(s) of the interrogation unless circumstances require otherwise. The interrogation may proceed without attendance of the parent(s)/guardian(s), but the principal/designee shall be present during the interrogation.

SEARCHES BY SCHOOL PERSONNEL

The school principal shall authorize all searches at the outset per state law.[2] All principal initiated searches shall be conducted by a school security officer or a school administrator or school employee designated by the Director of Schools who has completed the state required training.[2,3] The following conditions shall apply to principal initiated searches:

1. All the following standards of reasonableness must be met:

    □. A particular student has violated school policy;

□. The search will yield evidence of the violation of school policy or will lead to finding dangerous weapons, drugs, or drug paraphernalia;

□. The search is in pursuit of legitimate interests of the school in maintaining order, discipline, safety, supervision, and education;

□. The search is not conducted for the sole purpose of discovering evidence to be used in criminal prosecution; and

□. The search shall be reasonably related to the objectives of the search and not excessively intrusive considering the age and sex of the student (sex shall be defined as the "immutable characteristics of the person's reproductive system that identify the person as male or female, as determined by anatomy and genetics existing at the time of birth") as well as the nature of the alleged infraction;[4]

2. A school administrator shall be on-site at any principal-initiated search;

3. A school administrator shall oversee the search and may end the search at any time; and

4. If a student is under the age of eighteen (18), the principal must notify the student's parent or guardian within a reasonable time of the search[~~3~~] [7]

If a school resource officer searches a student, based on having probable cause, the principal shall notify the Director of Schools/designee.[5]

In order to ensure a safe and secure learning environment, the Director of Schools shall develop procedures regarding the searching of students, lockers, vehicles, and containers which are consistent with state law. The Director of Schools shall develop additional procedures to ensure compliance with all of the provisions of the School Security Act of 1981.[6]

		Rescinds: **6.304**	Issued: **09/24/20**

The Cumberland County Board of Education has determined that a safe, civil, and supportive environment in school is necessary for students to learn and achieve high academic standards. In order to maintain that environment, acts of bullying, cyber-bullying, discrimination(including the definition of antisemitism found in policy 4.100) , harassment, intimidation, hazing or any other victimization of students, based on any actual or perceived traits or characteristics, are prohibited.[1]

This policy shall be disseminated annually to all school staff, students, and parents/guardians[2]. This policy shall cover employees, employees' behaviors, students and students' behaviors while on school property, at any school-sponsored activity, on school-provided equipment or transportation, or at any official school bus stop. If the act takes place off school property or outside of a school-sponsored activity, this policy is in effect if the conduct is directed specifically at a student or students and has the effect of creating a hostile educational environment or otherwise creating a substantial disruption to the education environment or learning process.[2]

Building administrators are responsible for educating and training their respective staff and students as to the definition and recognition of discrimination/harassment.[3]

The Director of Schools shall develop forms and procedures to ensure compliance with the requirements of this policy and state law.

DEFINITIONS[4]

Bullying is defined as unwanted, aggressive behavior that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. The imbalance of power involves the use of physical strength, access to embarrassing information, or popularity to control or harm others. Bullying/Intimidation/Harassment is an act that substantially interferes with a student's education benefits, opportunities, or performance, and the act has the effect of:

- Physically harming a student or damaging a student's property;
- Knowingly placing a student or students in reasonable fear of physical harm to the student or damage to the student's property;
- Causing emotional distress to a student or students; or
- Creating a hostile educational environment.

Bullying, intimidation, or harassment may also be unwelcome conduct based on a protected class (race, nationality, origin, color, gender, sex (Sex shall be defined as the "immutable characteristics of the person's reproductive system that identify the person as male or female, as determined by anatomy and genetics existing at the time of birth.")[5] age, disability, religion) that is severe, pervasive, or persistent and creates a hostile environment.

Cyber-bullying - A form of bullying undertaken through the use of electronic devices. Electronic devices include, but are not limited to, telephones, cellular phones or other wireless telecommunication devices, text messaging, emails, social networking sites, instant messaging, videos, web sites or fake profiles.

Hazing - An intentional or reckless act by a student or group of students that is directed against any other student(s) that endangers the mental or physical health or safety of the student(s) or that induces or coerces a student to endanger his/her mental or physical health or safety. Coaches and other employees of the school district shall not encourage, permit, condone or tolerate hazing activities. [5]

"Hazing" does not include customary athletic events or similar contest or competitions and is limited to those actions taken and situations created in connection with initiation into or affiliation with any organization.[6]

COMPLAINTS AND INVESTIGATIONS

Any individual who has knowledge that may constitute a violation of this policy shall promptly report such behavior to the principal/designee.~~6~~[7]

While reports may be made anonymously, an individual's need for confidentiality must be balanced with obligations to cooperate with police investigations or legal proceedings, to provide due process to the accused, to conduct a thorough investigation or to take necessary actions to resolve a complaint, and the identity of parties and witnesses may be disclosed in appropriate circumstances to individuals with a need to know.

The principal/designee at each school shall be responsible for investigating and resolving complaints. Once a complaint is received, the principal/designee shall initiate an investigation within forty-eight (48) hours of receipt of the report. If an investigation is not initiated within forty-eight (48) hours, the principal/designee shall provide the Director of Schools with appropriate documentation detailing the reasons why the investigation was not initiated within the required timeframe.~~7~~[8]

The principal/designee shall notify the parent/legal guardian when a student is involved in an act of discrimination, harassment, intimidation, bullying, or cyber-bullying. The principal/designee shall provide information on district counseling and support services. Students involved in an act of discrimination, harassment, intimidation, bullying, or cyber-bullying shall be referred to the appropriate school counselor by the principal/designee when deemed necessary.~~8~~[9]

The principal/designee is responsible for determining whether an alleged act constitutes a violation of this policy, and such act shall be held to violate this policy when it meets one of the following conditions:

- It places the student in reasonable fear or harm for the student's person or property;
- It has a substantially detrimental effect on the student's physical or mental health;

- It has the effect of substantially interfering with the student's academic performance; or

- It has the effect of substantially interfering with the student's ability to participate in or benefit from the services, activities, or privileges provided by a school.

Upon the determination of a violation, the principal/designee shall conduct a prompt, thorough, and complete investigation of each alleged incident. DEFINITONS~~4~~[5]

"Complainant" is an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

"Respondent" is an individual who is reported to be the perpetrator of conduct that could constitute sexual harassment.

"Sexual harassment" is conduct on the basis of sex that satisfies one or more of the following:~~3~~ 4

1. A school district employee conditioning an aid, benefit, or service of an education program or activity on an individual's participation in unwelcome sexual conduct;

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the education program or activity; or

3. Sexual assault,~~6~~ 7 dating violence,~~7~~ 8domestic violence,~~8~~ 9or stalking~~9~~ 10 as defined in state and federal law.

Behaviors that constitute sexual harassment may include, but are not limited to:

1. Sexually suggestive remarks;

2. Verbal harassment or abuse;

3. Sexually suggestive pictures;

4. Sexually suggestive gesturing;

5. Harassing or sexually suggestive or offensive messages that are written or electronic;

6. Subtle or direct propositions for sexual favors; and

7. Touching of a sexual nature.

Sexual harassment may be directed against a particular person or persons, or a group, whether of the opposite sex or the same sex.

"Supportive measures" are non-disciplinary, non-punitive, individualized services and shall be offered to the complainant and the respondent, as appropriate. These measures may include, but are not limited to, the following:

1. Counseling;

2. Course modifications;

3. Schedule changes; and

4. Increased monitoring or supervision.

The measures offered to the complainant and the respondent shall remain confidential to the extent that maintaining such confidentiality would not impair the ability of the school district to provide the supportive measures.

GRIEVANCE PROCESS

Upon learning of an instance of alleged sexual harassment, even if no formal complaint is filed, the Title IX Coordinator shall:

1. Promptly contact the complainant to discuss the availability of supportive measures;

2. Consider the complainant's wishes with respect to supportive measures;

3. Inform the complainant of the availability of supportive measures; and

4. Explain the process for filing a formal complaint.~~10~~ 11

While the school district will respect the confidentiality of the complainant and the respondent as much as possible, some information may need to be disclosed to appropriate individuals. All disclosures shall be consistent with the school district's legal obligations and the necessity to investigate allegations of harassment and take disciplinary action.

Disciplinary consequences or sanctions shall not be initiated against the respondent until the grievance process has been completed. Unless there is an immediate threat to the physical health or safety of any student arising from the allegation of sexual harassment that justifies removal, the respondent's placement shall not be changed.~~11~~ 12 If the respondent is an employee, he/she may be placed on administrative leave during the pendency of the grievance process.~~12~~ 13 The Title IX Coordinator shall keep the Director of Schools informed of any employee respondents so that he/she can make any necessary reports to the State Board of Education in compliance with state law.~~13~~ 14

Complaints

Any individual who has knowledge of behaviors that may constitute a violation of this policy shall immediately report such information to the Title IX Coordinator, however, nothing in this policy requires a complainant to either report or file a formal complaint within a certain timeframe. If the complaint

involves the Title IX Coordinator, the complaint shall be filed with the Director of Schools.

If a complaint involves allegations of child abuse, including child abuse on school grounds, appropriate notification shall be made per the board policy on reporting child abuse.

Upon receipt of a formal complaint, the Title IX Coordinator shall promptly:~~14~~ 15

1. Provide written notice of the allegations, and the grievance process to all known parties to give the respondent time to prepare a response before an initial interview;

2. Inform the parties of the prohibition against making false statement or knowingly submitting false information;

3. Inform the parties that they may have an advisor present during any subsequent meetings; and

4. Offer supportive measures in an equitable manner to both parties.

If the Title IX Coordinator dismisses a complaint, written notice, including the reasons for dismissal, shall be provided to both parties simultaneously.~~15~~ 16

Investigations~~16~~ 17

The Federal Programs Supervisor and 9-12 Supervisor shall serve as the investigator and be responsible for investigating complaints in an equitable manner that involves an objective evaluation of all relevant evidence. The burden for obtaining evidence sufficient to reach a determination regarding responsibility rests on the school district and not the complainant or respondent.

Once a complaint is received, the Investigator shall initiate an investigation within forty-eight (48) hours of receipt of the complaint. If an investigation is not initiated within forty-eight (48) hours, the investigator shall provide the Title IX Coordinator with appropriate documentation detailing the reasons why the investigation was not initiated within the required timeframe.

All investigations shall be completed within twenty (20) calendar days from the receipt of the initial complaint. If the investigation is not complete within twenty (20) calendar days, the investigator shall provide the Title IX Coordinator with appropriate documentation detailing the reasons why the investigation has not been completed.

All investigations shall:

1. Provide an equal opportunity for the parties to present witnesses and evidence;

2. Not restrict the ability of either party to discuss the allegations under investigation or gather and present relevant evidence;

3. Refrain from requiring, allowing, relying upon, or otherwise using questions or evidence that seek disclosure of information protected under a legally recognized privilege unless such privilege has been waived;~~17~~ 18

4. Provide the parties with the same opportunities to have others present during any grievance proceeding;

5. Provide to parties whose participation is requested written notice of the date, time, location, participants, and purpose of all investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;

6. Provide both parties an equal opportunity to inspect and review any evidence directly related to the allegations in the formal complaint; and

7. Result in the creation of an investigative report that fairly summarizes relevant evidence.

□. Prior to the completion of the investigative report, the investigator shall send to each party the evidence subject to inspection and review. All parties shall have at least ten (10) calendar days to submit a written response which shall be taken into consideration in creating the final report.

Within the parameters of the federal Family Educational Rights and Privacy Act,~~18~~ 19 the Title IX Coordinator shall keep the complainant and the respondent informed of the status of the investigation process. At the close of the investigation, a written final report on the investigation will be delivered to the parent(s)/guardian(s) of the complainant, parent(s)/guardian(s) of the respondent, and to the Director of Schools.

Determination of Responsibility~~19~~ 20

The respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.~~20~~ 21 The preponderance of the evidence standard shall be used in making this determination.~~21~~ 22

Director of Schools shall act as the decision-maker. He/she shall receive the final report of the investigation and allow each party the opportunity to submit written questions that he/she wants asked of any party or witness prior to the determining responsibility.

The decision-maker shall make a determination regarding responsibility and provide the written

determination to the parties simultaneously along with information about how to file an appeal.

A substantiated charge against a student may result in corrective or disciplinary action up to and including expulsion. A substantiated charge against an employee shall result in disciplinary action up to and including termination.

After a determination of responsibility is made, the Title IX Coordinator shall work with the complainant to determine if further supportive measures are necessary. The Title IX Coordinator shall also determine whether any other actions are necessary to prevent reoccurrence of the harassment.

APPEALS~~22~~ 23

Either party may appeal from a determination of responsibility based on a procedural irregularity that affected the outcome, new evidence that was not reasonably available at the time of the determination that could affect the outcome, or an alleged conflict of interest on the part of the Title IX Coordinator or any personnel chosen to facilitate the grievance process. Appeals shall be submitted to the Title IX Coordinator within ten (10) calendar days of a determination of responsibility.

Upon receipt of an appeal, the Title IX Coordinator shall:

1. Assign an impartial hearing officer within five (5) calendar days of receipt of the appeal; and

2. Notify the parties in writing.

During the appeal process, the parties shall have a reasonable, equal opportunity to submit written statements. Within ten (10) calendar days, the hearing officer shall issue a written decision describing the result of the appeal and the rationale for the result. The written decision shall be provided simultaneously to both parties.

RETALIATION~~23~~ 24

Retaliation against any person who makes a report or complaint or assists, participates, or refuses to participate in any investigation of an act alleged in this policy is prohibited.

ALLEGATIONS REQUIRING TEMPORARY REMOVAL FROM DUTY

If an investigation of an employee's conduct is required, the Director of Schools shall determine whether to temporarily modify the employee's work status based on concerns for safety or to minimize disruption to the educational environment. This may include, but is not limited to:

Reassignment to alternate duties;

Placement on administrative leave with pay; or

Temporary removal from the school setting.

Such action shall not be considered disciplinary in nature but rather a precautionary measure until a determination can be made regarding an appropriate return to duties, or the imposition of disciplinary action, which could include suspension without pay.

SUSPENSION PENDING AN INVESTIGATION[1]

The Director of Schools may suspend a tenured teacher at any time that may seem necessary, pending investigation or final disposition of a case before the board or an appeal. If the matter under investigation is not the subject of an ongoing criminal investigation or a Department of Children's Services investigation, and if no charges for dismissal have been made, a suspension pending investigation shall not exceed ninety (90) days in duration. Under no circumstances shall the Director of Schools suspend a tenured teacher with pay. If vindicated or reinstated, the tenured teacher shall be paid full salary for the period of suspension.

SUSPENSION OF THREE DAYS OR LESS[2,3]

A Director of Schools/designee may suspend a tenured teacher for incompetence, inefficiency, neglect of duty, unprofessional conduct, and insubordination. Before a tenured teacher is suspended, he/she shall be: (1) provided with written notice, including the reasons for the suspension along with an explanation of the evidence; (2) given an opportunity to respond to the Director at a conference, if requested within five (5) working days; and (3) given a written decision of the suspension within ten (10) working days. Both parties may be represented by counsel at the conference, which shall be recorded.

Under no circumstances shall a Director of Schools suspend a tenured teacher with pay. If reinstated, the tenured teacher shall be paid full salary for the period of suspension, unless suspension without pay is deemed to be an appropriate penalty.

DISMISSAL OR SUSPENSIONS GREATER THAN THREE DAYS[4]

When a tenured teacher is charged with offenses, that may justify dismissal or a suspension greater than three (3) days, the charges shall be made in writing, specifically stating the offenses that are charged, and shall be signed by the party or parties making the charges.

If, in the opinion of the Board, the charges are of such nature as to warrant the dismissal or a suspension greater than three (3) days of the teacher, the Director of Schools shall give the teacher a written notice of this decision, a copy of the charges against the tenured teacher, and a copy of a form provided by the Commissioner of Education advising the tenured teacher of his/her legal duties, rights, and recourse.

A tenured teacher who has been given notice of charges against him/her may within thirty (30) days after receipt of notice give written notice to the Director of Schools of his/her request for a hearing.

The Director of Schools shall, within five (5) working days after receipt of request, assign a hearing officer from the list maintained by the Board.

The Board shall maintain a list of qualified individuals who have indicated a willingness to act as impartial hearing officers as defined under Tennessee law.

The hearing officer shall notify the parties, or their attorney, of the officer's assignment and direct the parties or the attorneys for the parties, or both, to appear before the hearing officer for simplification of issues and the scheduling of the hearing. That hearing shall be set no later than thirty (30) days following receipt of the initial request for a hearing. In the discretion of the hearing officer, all or part of any prehearing conference may be conducted by telephone if each participant has an opportunity to participate, be heard, and to address proof and evidentiary concerns. The hearing officer is empowered to issue appropriate orders and to regulate the conduct of the proceedings.

Either party may appeal to the Board an adverse ruling by giving written notice of appeal within ten (10) working days of the hearing officer's delivery of the hearing officer's written findings and conclusions. The Director of Schools shall prepare a copy of the proceedings, including all transcripts and evidence, documentary or otherwise, and transmit the same to the Board within twenty (20) working days of the receipt of the notice of appeal.

The Board shall hear the appeal on the record, and no new evidence may be submitted by either party. The appealing party may appear before the Board to argue why the adverse ruling should be overturned. In no event should such argument last more than fifteen (15) minutes, unless the Board should vote to extend additional time. At the conclusion of the hearing, the Board may vote to sustain the decision of the hearing officer, send the record back for additional evidence, revise the penalty or reverse the decision. The Board shall render its decision within ten (10) working days after the conclusion of the hearing. In the event that the decision of the Board is appealed to the chancery court, the Board shall transmit the entire record prepared by the Director and reviewed by the Board to the chancery court for its review.

RESIGNATION

A tenured teacher shall give the Director of Schools notice of resignation at least thirty (30) days before the effective date of the resignation. A tenured teacher who fails to give such notice, in the absence of justifiable extenuating circumstances, shall forfeit all tenure status. The Board may waive the thirty (30) days' notice requirement and permit a teacher to resign in good standing.[5]

The conditions under which it is permissible to break a contract with the Board are as follows:[6]

1. The incapacity on the part of the teacher to perform the contract as evidenced by the certified statement of a physician approved by the Board; and

2. The release by the Board of the tenured teacher from the contract, which the tenured teacher has entered into with the Board.

Any tenured teacher on leave shall notify the Director of Schools in writing at least thirty (30) days prior to the date of return if the tenured teacher does not intend to return to the position from which he/she has taken leave. Failure to render such notice may be considered a breach of contract.[7]

Upon a breach of contract, the Board, upon a motion recorded in its minutes, may file a complaint with the State Board of Education and request the suspension of a tenured teacher's license. After the State Board of Education has provided the tenured teacher an opportunity for defense during a hearing, the State Board of Education may suspend the license for no less than thirty (30) and no more than three hundred sixty-five (365) days.[8]

RETIREMENT

Retirement is a termination of services under conditions which will allow the employee to draw benefits from retirement plans and/or Social Security benefits. Tenured teachers eligible for retirement benefits may elect to retire at any age according to the provisions of the retirement system.

Central office personnel shall assist tenured teachers in securing retirement benefits; however, it shall be the responsibility of the retiring tenured teacher to provide verification of eligibility in writing from the Tennessee Consolidated Retirement System (TCRS) to the central office. It shall be the responsibility of the retiring tenured teacher to file for benefits.

SUSPENSION PENDING AN INVESTIGATION[1]

The Director of Schools may suspend a non-tenured teacher at any time that may seem necessary, pending investigation or final disposition of a case before the Board or an appeal. If the matter under investigation is not the subject of an ongoing criminal investigation or a Department of Children's Services investigation, and if no charges for dismissal have been made, a suspension pending investigation shall not exceed ninety (90) days in duration. The Director of Schools shall give the non-tenured teacher an opportunity for a full and complete hearing before an impartial hearing officer.

The Board will appoint an impartial hearing officer to conduct such hearings. The hearing officer will hear the case and the non-tenured teacher shall have the right to:

1. Be represented by counsel;
2. Call and subpoena witnesses;
3. Examine all witnesses; and
4. Require that all testimony be given under oath.

Factual findings and decisions in all dismissal cases shall be provided in written form and delivered to the affected non-tenured teacher within ten **10** working days following the close of the hearing. The non-tenured teacher may appeal the decision to the Board within ten **10** working days of the hearing officer rendering the written decision to the non-tenured teacher. Written notice of appeal to the Board shall be given to the Director of Schools. Within twenty **20** working days of receipt of notice, the Director of School shall prepare a copy of the proceedings including all transcripts, documentary and evidence or otherwise presented and provide the Board a copy of the same.

The Director of Schools shall also have the right to appeal any adverse ruling by the hearing officer in same manner as the non-tenured teacher.

The Board shall hear the appeal. No new evidence shall be introduced. The non-tenured teacher may appear in person or be represented by counsel and argue why the decision should be modified or reversed. The Board shall take one of the following actions:

1. Sustain the decision;
2. Send the record back if additional evidence is necessary; or
3. Revise the penalty or reverse the decision.

Before any decision to dismiss is made, a majority of the membership of the Board shall concur in sustaining the charges. The Board shall render a decision on the appeal within ten **10** working days after the conclusion of the hearing.

Within twenty **20** working days after receipt of notice of the decision of the Board, either party may appeal to the chancery court in the county where the school district is located. The Board shall provide the entire record of the hearing to the court.

NON-RENEWAL

Non-tenured teachers are subject to the same rules and regulations and are entitled to the privileges of employment enjoyed by tenured teachers except that they have no claim upon continuing employment or tenure protections.

The principal is responsible for discussing deficiencies as part of the evaluation process with the non-tenured teacher and providing assistance for overcoming these deficiencies.

The Director of Schools is under no obligation to re-employ non-tenured teachers at the end of their contract period. If the Director of Schools determines not to renew the contract of a non-tenured teacher, the following action shall be taken:

1. The Board shall be notified at the next regular board meeting; and
2. Written notice of non-renewal shall be sent to the teacher by certified mail, overnight carrier or by email within five (5) business days following the last instructional day for the school year.[3] If the reason for the non-renewal is due only to a loss of funding for the position, then the notice shall include a statement listing it as the cause for non-renewal.[4]

RESIGNATION

A non-tenured teacher shall give the Director of Schools notice of resignation at least thirty **30** days before the effective date of the resignation.[5] The Board may waive the thirty **30** days-notice requirement and permit a non-tenured teacher to resign in good standing.

		Rescinds: **6.200**	Issued: **07/27/23**

Attendance is a key factor in student achievement and therefore, students are expected to be present each day school is in session.

The Director of Schools/designee shall ensure that this policy is posted in each school building and disseminated to all students, parent(s)/guardian(s), teachers, and administrative staff.

The attendance supervisor shall oversee the entire attendance program which shall include:[1]

5. Notifying the Department of Safety whenever a student with a driver's permit or license withdraws from school.[2]

Student attendance records shall be given the same level of confidentiality as other student records. Only authorized school officials with legitimate educational purposes may have access to student information without the consent of the student or parent/guardian.[3]

Absences shall be classified as either excused or unexcused as determined by the principal or his/her designee.

11. If a student is exempt from final exams per Board policy, the absence on the day of the exam is excused.
12. Driver's license/permit appointments will be excused with proof of appointment.

2. Daily absentee sheets contain sign in/sign-out sheets and indicate students present or absent for the majority of the day;
3. All student absences are verified;
4. Written excuses are submitted for absences and tardiness; and
5. System-wide procedures for accounting and reporting are followed.

TRUANCY

Annually the Director of Schools/designee will provide written notice to parent(s)/guardian(s) that attendance at school is required. Students shall be present at least fifty percent (50%) of the scheduled school day in order to be counted present. Students may attend part-time days alternating days, or for a specific amount of time as indicated in their Individualized Education Plan or 504 Plan and shall be considered present for school attendance purposes. If a student is required to participate in a remedial instruction program outside of the regular school day where there is no cost to the parent(s)/guardian(s) and the school system provides transportation, unexcused absences from these programs shall be reported in the same manner.[7]

Students who are absent five (5) days without adequate excuse shall be reported to the Director of Schools/designee who will, in turn, provide written notice to the parents/guardians of the student's absence. If a parent/guardian does not provide documentation within adequate time excusing those absences, or request an attendance hearing, then the Director of Schools/designee shall implement the progressive truancy plan described below prior to referral to juvenile court.

The Director of Schools/designee shall develop appropriate administrative procedures to implement this policy.

1. After three (3) unexcused absences a student will be required to meet with a school attendance representative to discuss reasons for student absences.
2. Regularly scheduled follow-up meetings, with the student to discuss his/her progress. If the student accumulates additional unexcused absences, he/she shall be subject to the additional tiers.

Tier II of the progressive truancy plan shall be implemented after the student accumulates four (4) unexcused absences, but before referral to juvenile court, and includes the following;

1. A conference with the student and the student's parent(s)/guardian(s);

2. An attendance contract, based on the conference, signed by the student, the parent(s)/guardian(s), and the Attendance Supervisor/designee. The contract shall include:
   a. A specific description of the school's attendance expectations for the student;
   b. The period for which the contract is effective; and
   c. Penalties for additional absences and alleged school offenses, including additional disciplinary action and potential referral to juvenile court.

3. Regularly scheduled follow-up meetings to discuss the student's progress; and

4. A school employee shall conduct an individualized assessment detailing the reasons a student has been absent from school. The employee may refer the student to counseling, community-based services, or other services to address the student's attendance problems.

Tier III shall be implemented if the truancy interventions under Tier II are unsuccessful. Tier III shall consist of the following interventions:

1. After the 5th unexcused absence, the student will be referred to Truancy Court.
2. Failure to attend Truancy Court and/or additional unexcused absences, the student will be cited to Juvenile Court
3. The Court will be provided a report of all interventions that have been provided to support this student.

The interventions shall address student's needs in an age-appropriate manner. Finalized plans shall be approved by the Director of Schools/designee.

Upon completion of Tiers I, II, and III, the student will be cited to Juvenile Court.

Transfer Students and Truancy Tracking

The district shall request attendance records for students enrolling after the start of the school year from the previous public school district. Unexcused absences accumulated at a previous district for the current school year shall be factored into the student's placement on the truancy intervention plan tiers, if applicable. [9]

A principal/designee may excuse a student to participate in non-school sponsored extracurricular activities. No later than seven (7) business days prior to the student's absence, the student shall provide documentation to the school as proof of the student's participation along with a written request for the excused absence from the student's parent/guardian. 2. Student's grade;

3. The dates of the student's absence;
4. The reason for the student's absence; and

All students who obtain four (4) or more unexcused tardies in any class will be required to take the semester exam regardless of grade average or days absent. Students who are suspended from school or who are remanded to the Alternative School for cause shall forfeit all exam exemptions.

STATE-MANDATED ASSESSMENT

Students who are absent the day of the scheduled End of Course Exams (EOC) shall present a signed doctor's excuse or shall have been given an excused release by the principal prior to testing to receive an excused absence. 1. Parents/guardians and students shall be advised if a student is in danger of credit/promotion denial due to excessive absenteeism.
2. Procedures in due process are available to the student when credit or promotion is denied.

MEMORANDUM OF UNDERSTANDING
BETWEEN
Crossville
AND
Crossville Police Department
AND
Cumberland County Schools

THIS MEMORANDUM OF UNDERSTANDING ("MOU") is entered into by and between the above-named parties. Each individually as "Party" or collectively as "Parties".

WHEREAS, well developed School Resource Officer ("SRO") programs provide the crucial link between schools and law enforcement agencies in their continued efforts to establish and maintain safe and secure learning environments. An SRO, as part of his/her day-to-day operations, will be responsible for responding to all criminal acts committed at the school.

WHEREAS, the term School Resource Officer ("SRO") has the same meaning as in Tennessee Code Annotated § 49-6-4202(6). "'School resource officer' means a law enforcement officer, as defined under § 39-11-106, who is in compliance with all laws, rules, and regulations of the peace officers standards and training commission and who has been assigned to a school in accordance with a memorandum of understanding between the chief of the appropriate law enforcement agency and the LEA." The term "law enforcement officer" as defined under § 39-11-106 means an "officer, employee, or agent of government who has a duty imposed by law to (a) maintain public order; or (b) make arrests for offenses, whether that duty extends to all offenses or is limited to specific offenses; and (c) investigate the commission or suspected commission of offenses." An SRO acts as a liaison between the police agency, the school, and the community. This does not include a School Safety Officer or a School Security Officer.

WHEREAS, the term Local Education Agency ("LEA") has the same meaning as in Tennessee Code Annotated § 49-1-103(2). "'Local education agency (LEA)', 'school system', 'public school system', 'local school system', 'school district', or 'local school district' means any county school system, city school system, special school district, unified school system, metropolitan school system, or any other local public school system or school district created or authorized by the general assembly."

WHEREAS, a "public charter school" shall be established and operated as set forth in the Tennessee Public Charter Schools Act (Tennessee Code Annotated Title 49, Chapter 13).

WHEREAS, an "alternative school" and "alternative program" shall be established and operated as set forth in Tennessee Code Annotated Title 49, Chapter 6, Part 34.

THIS IS A CONFIDENTIAL DOCUMENT AND IS NOT SUBJECT TO RELEASE OR DISTRIBUTION AS A PUBLIC RECORD PURSUANT TO TENN. CODE ANN. § 10-7-504(p)

NOW THEREFORE, in consideration of the mutual promises contained herein, the sufficiency of which is hereby acknowledged, the Parties agree as follows:

I. PURPOSE OF MOU. The purpose of this MOU is to set forth the obligations of the Parties with respect to the placement of School Resource Officers ("SROs") in schools and with respect to planning and funding related thereto for the purpose of providing a law enforcement presence at each school. For the purposes of selecting and assigning SROs, the term "Sheriff" shall include the duly elected Sheriff or an authorized Sheriff Deputy designated by the Sheriff to oversee the SRO program. The term "Chief of Police" shall include the appointed Chief of Police or an authorized Officer designated by the Chief of Police to oversee the SRO program.

II. AUTHORITY. This MOU is to serve as the template MOU for the SRO grant funded program authorized by Public Chapter 1142 of the 114th Tennessee General Assembly and shall be executed between a local law enforcement entity and the LEA or public charter school or alternative school and presented to the Tennessee Department of Safety and Homeland Security as part of the application process for grant funding.

This MOU is also made and entered into pursuant to the authority contemplated by Tennessee Code Annotated Sections 49-6-4201 et seq., and specifically the authority granted to the Parties under Tennessee Code Annotated Section 12-9-101 et seq., which provides that one (1) or more public agencies may contract with any one (1) or more public agencies to perform any governmental service, activity, or undertaking which each public agency entering into is authorized by law to perform; provided that such MOU shall be authorized by the governing body of each Party. Contracts entered into pursuant to Tennessee Code Annotated § 12-9-108 need not conform to the requirements set forth in this chapter for joint undertakings.

III. GENERAL RESPONSIBILITIES OF LOCAL EDUCATION AGENCY (LEA) or PUBLIC CHARTER SCHOOL OR ALTERNATIVE SCHOOL.

A. Shall provide materials and facilities at each school location as are necessary for the SRO's performance of his/her function as an SRO at the assigned schools including, but not limited to the following:

i. A secured climate-controlled and properly lighted office large enough, at a minimum, to adequately accommodate a desk, two (2) chairs, a gun safe, and a lockable file cabinet and be located as reasonably possible near the main office;
ii. A landline telephone to be located in the office;
iii. Access to a computer work station; and
iv. Secretarial assistance when needed by the SRO.

THIS IS A CONFIDENTIAL DOCUMENT AND IS NOT SUBJECT TO RELEASE OR DISTRIBUTION AS A PUBLIC RECORD PURSUANT TO TENN. CODE ANN. § 10-7-504(p)

B. Shall allow the SRO assigned to schools untethered access to the school facilities as required for the SRO to perform his/her duties on school property.

C. Shall be responsible for all aspects and costs of operation of its schools and nothing herein shall place any monetary obligation on the County or City unless specifically provided for herein.

D. Shall assist the SRO in the provision of his/her duties and responsibilities if requested by the Sheriff's Office or the assigned SRO.

IV. GENERAL RESPONSIBILITIES OF SHERIFF'S OFFICE or POLICE DEPARTMENT. The Sheriff or Chief of Police, on behalf of the County or City, shall have the following responsibilities:

A. The Sheriff or Chief of Police shall have the sole authority to conduct background checks, hire, select, discharge, discipline, outfit, provide equipment, and determine (within the parameters established by state law) the qualifications of SROs. The Sheriff or Chief of Police may involve school administrators in the selection process at his/her discretion.

B. Assign supervisors to oversee the SRO program and to perform non-scheduled visits to schools in which an SRO has been assigned.

C. Assign SROs to the schools within the jurisdiction of the Local Education Agency (LEA) or Public Charter School or Alternative School pursuant to a full-time schedule. The grant funding is for a full-time SRO to be dedicated to each particular school.

D. The sole authority to determine the duty hours of the SRO and the qualifications thereof, subject to the provision of IV.E. below.

E. To the degree required by applicable law, ensure that all SROs maintain qualifications and satisfactorily accomplish continuing training and continuing education required for the SROs to maintain state required qualifications as provided in Tennessee Code Annotated § 49-6-4217. The County or City will remain responsible for the costs associated with the obligations contained in this Section IV.E.

V. QUALIFICATIONS OF AN SRO.

A. An SRO must be a POST-certified, sworn officer of a law enforcement agency within the jurisdiction that includes the school community being served.

B. An SRO is recommended to have at least two (2) years' experience as a police office or the equivalent in order to be able to draw upon the expertise and experience of traditional police work when performing their duties in a school setting.

C. An SRO should not only be selected based on specific qualifications, but on a genuine desire to work with youth. Due to the nature of the SRO position, the majority of the time is spent interacting with youth. The ability of an SRO to connect with students and provide positive and enriching relationships is a very important trait that will have a positive effect on the school's overall climate.

VI. TRAINING FOR AN SRO AND SCHOOL PERSONNEL.

A. An SRO should receive forty (40) hours of specialized training provided by the Department of Justice, the National Association of School Resource Officers, Tennessee Association of School Resource Officers, Tennessee Law Enforcement Training Academy (TLETA), or other appropriate and recognized entity within one (1) year of being hired or assigned to a school, whichever is earlier. Due to the nature of the role of an SRO, it being significantly different than that of a traditional patrol officer, the SRO position requires skills and knowledge that may not be addressed in traditional law enforcement training. Therefore, it is important for an SRO to receive specialized training that will prepare him/her to work in a school setting.

B. After the initial forty (40) hours of specialized training, an SRO should attend sixteen (16) hours per year of training specific to his/her SRO duties in addition to the twenty-four (24) hours of POST-certified training that is annually required. Annual training ensures an SRO remains up-to-date with school related issues, trends, and best practices and provides the SRO with the knowledge and ongoing professional development necessary to perform the duties of an SRO.

C. Planning and training for emergencies and school safety should be conducted collaboratively by SROs and school personnel. Both should take an active role in training school personnel regarding emergency management issues. The development and implementation of school safety plans should be a collaborative effort, and school personnel should include and engage other first responders in the community.

VII. INFORMATION EXCHANGE. To best serve both the school and the law enforcement agency, it is important that lasting, long-term collaborations take place. The school and the law enforcement agency should participate in an open exchange of information and resources to

THIS IS A CONFIDENTIAL DOCUMENT AND IS NOT SUBJECT TO RELEASE OR DISTRIBUTION AS A PUBLIC RECORD PURSUANT TO TENN. CODE ANN. § 10-7-504(p)

better serve the students and the community. It may be necessary to formalize information-sharing procedures in order to address student confidentiality concerns.

VIII. GENERAL DUTIES OF AN SRO.

A. The SRO shall not act as school disciplinarians, nor make decisions regarding school discipline. The SRO shall not be involved in the enforcement of disciplinary infractions that do not constitute violations of the law. The SRO shall retain full law enforcement authority and will take law enforcement action as appropriate. As soon as practical, the SRO will notify the head of the school of any such action. The SRO will comply with applicable state and federal law as they apply to SROs regarding special education students.

B. The basic duties of SROs include monitoring those who visit schools, providing assistance for disruptive students, and enforcing applicable laws.

C. An SRO may assist in any class as a guest speaker if requested by the head of the school in which the SRO is assigned.

D. To the extent that the SRO may do so under the authority of law, the SRO will take appropriate law enforcement action as the SRO deems is appropriate including, but not limited to action against intruders and unwanted guests who may appear at the school and related school functions. As practical, the SRO will advise the head of the school before requesting additional police assistance on campus.

E. The SRO may establish new programs relating to security and safety of the students and faculty but only after permission is granted by the Sheriff or Chief of Police and the head of the school in which the SRO is assigned.

F. The SRO will assist other law enforcement officers in matters regarding his/her school assignment whenever necessary.

G. The SRO shall make examination of all exterior doors to ensure they are locked or secured.

H. SROs may have other specific duties and responsibilities as defined by the Sheriff's Office or Police Department.

IX. ADDITIONAL DUTIES OF AN SRO FOR MIDDLE AND HIGH SCHOOLS.

A. The SRO will become familiar with all community agencies that offer assistance to youth and their families including, but not limited to school-based behavioral health liaisons,

mental health clinics, mental health liaisons, and drug treatment centers. The SRO may recommend referrals to such agencies once the SRO notifies the head of the school.

B. If requested by the head of the school and upon approval of the Sheriff or Chief of Police, the SRO may attend parent/faculty meetings to promote support and understanding of the SRO program.

C. If an SRO determines it necessary, the SRO may, in accordance with applicable state and federal laws regarding the questioning of juveniles, conduct formal police interviews with students and faculty. The interviews shall also be conducted in conformance with the SRO's employing agency's policies and procedures, the LEA, Public Charter School, or Alternative School policies, and all applicable laws.

D. The SRO may act as an instructor for the Drug Abuse Resistance Education ("D.A.R.E.") and for other related short-term programs at the assigned school if requested by the head of the school and approved by the Sheriff or Chief of Police.

E. Upon approval of the Sheriff or Chief of Police, an SRO may be assigned to investigate incidents relating to thefts, alcohol or drug use, or any other crime occurring at the school in which the SRO is assigned.

X. DISMISSAL AND REASSIGNMENT OF AN SRO. In the event the head of the school to which an SRO is assigned determines that the assigned SRO has failed to perform his/her duties and responsibilities, he/she may make a written request to the Superintendent or Director to request reassignment of the SRO including the reasons supporting the request. If the Superintendent or Director determines the request is valid, the Superintendent or Director shall promptly forward the written request to the Sheriff or Chief of Police for his/her consideration. The Sheriff or Chief of Police may, in his/her complete discretion, request a meeting with the head of the school to which an SRO is assigned and the SRO to determine whether reassignment is appropriate. The Sheriff or Chief of Police may request the Superintendent or Director to attend the meeting. If a meeting is held, the Sheriff or Chief of Police shall take the comments and written request into consideration in determining whether the SRO will be reassigned. Should the Sheriff or Chief of Police determine a meeting with the head of the school to which an SRO is assigned would not be advantageous, the Sheriff or Chief of Police shall determine whether the SRO shall be reassigned based on the information provided to him/her. The authority to reassign an SRO shall be in the complete discretion of the Sheriff or Chief of Police.

XI. RECORDS. The SRO will maintain detailed and accurate records of all actions taken by the SRO and general operations relating to the SRO program and shall submit those records to the Sheriff's Office or Police Department.

Better Attitudes & Skills In Children

MEMORANDUM OF AGREEMENT

A. This Memorandum of Agreement (MOA) documents the cooperation in the conduct of Project B.A.S.I.C. at Glenn Martin Elementary (hereinafter "the School") during the 2024-2025, 2025-2026, 2026-2027 school year(s), between Volunteer Behavioral Health Care System (hereinafter referred to as "VBHCS") and Cumberland County Schools (hereinafter "the District"), each referred to as the "Party" and collectively as the "Parties" herein.

B. By this agreement, both parties understand and affirm that:

1. Project B.A.S.I.C. (Better Attitudes and Skills in Children) is a school-based mental health early intervention and prevention program based on the Pyramid Model framework which seeks to encourage the healthy psychological and social development of elementary school-aged children, with a special focus on children in Kindergarten through Third grade. Program activities provided by a Child Development Specialist (CDS) include: mental health education, early identification of mental health concerns, referrals to community service providers, teacher consultation/coaching in Pyramid Model practices, and a school climate enhancement project. All Project B.A.S.I.C. services are provided at no charge to service recipients.

2. Project B.A.S.I.C. is a program of VBHCS which assumes responsibility for services and the actions of agency staff assigned to the program.

3. Project B.A.S.I.C. shall conduct twelve mental health curriculum presentations in each classroom served that promote social-emotional literacy and skills. This service will be provided by the CDS in compliance with accepted educational practice and with regard to the instructional needs of the School. These presentations are ideally held in the classroom setting with the teacher present. <u>The CDS is not a teacher and should not be expected to hold a regular spot within the specials' rotation. If put in specials' rotation, the School is responsible for arranging coverage when CDS is absent or cancels the class.</u>

4. Project B.A.S.I.C. shall provide support and other educational opportunities to individuals and/or small groups of students at the School in order to assist in developing effective coping skills, to assess for potential Serious Emotional Disturbances (SED), and/or to improve social-emotional skills. The CDS will only provide individual support to a student when the CDS has received a referral for the student and has obtained parent permission. The only exception to this is in the event of a one-time, brief evaluation at the request of a school when a child is believed to pose a potential risk to themselves or others. The purpose of this evaluation is to offer guidance on the types of services the child may need. This evaluation is not intended to replace any assessment needing to be conducted by the state contracted youth crisis provider. Any additional services provided by VBHCS will require parental consent. VBHCS' involvement with subsequent crises with the same child will be determined by the supervisor in collaboration with VBHCS Compliance on a case by case basis. This upholds the Fundamental Family Rights and Responsibilities Act, TCA 36-08-101 through TCA

36-8-104, which ensures protection of the fundamental rights of parents to the care, custody, and control for their child in addition to the protections provided under federal law, state law, and the state constitution. These services shall be provided on the premises of the school.

5. Project B.A.S.I.C. shall provide individual or group consultation on Pyramid Model practices to the teachers and staff of the School in order to increase their ability to more effectively support students who have or at risk of developing an SED. Consultation can be child-focused, providing strategies to assist teachers in supporting individual children with problematic behaviors, or classroom-focused, building teachers' capacity to manage challenging behaviors within the classroom. The CDS is meant to provide support to teachers and school staff through these consultations in order to increase their skills. Consultation sessions are not meant to evaluate teaching ability.

6. Project B.A.S.I.C. shall provide assessment and referral services for students at the School who are referred to the program and are at-risk of developing a Serious Emotional Disturbance (SED). This service shall be provided on the premise of the school.

7. Protection of the privacy of the individual is an obligation in the conduct of Project B.A.S.I.C. Therefore, transactions between the CDS and individual students, parents, and school staff shall be confidential, except where protection of a child's welfare or orderly operation of the school are at risk, of where statute requires suspension of confidence or where precedence of law or professional ethics permits suspension of confidence.

8. Project B.A.S.I.C. is intended to <u>enhance and support</u> the student services of the School and <u>will not replace</u> existing or future guidance and counseling, special education, student health, or institutional programs.

9. Operation of Project B.A.S.I.C. is funded by a grant through the TN Dept. of Mental Health and Substance Abuse Services and through contract with VBHCS and is, therefore, subject to the regulations of this contract and limited by the availability of the contract funds.

C. Toward accomplishment of this contract, the District and the School agree that:

1. The CDS assigned to Project B.A.S.I.C. will have access to the building and campus of Elementary, subject to the same usual regulations for school staff.

2. Teachers of the School will coordinate scheduling of classroom activities with Project B.A.S.I.C. staff.

3. All staff of the School may refer students for services directly to Project B.A.S.I.C. staff.

4. The initial meeting between the CDS and a student of the School requires parental permission, except in the case of an emergency or crisis. If additional meetings between the CDS and student are requested by school staff or the student after a crisis, the student must be referred to the CDS, and the CDS must obtain parent permission before additional meetings can occur.

5. Students may be released from class to receive services from Project B.A.S.I.C. staff at the teacher's discretion.

6. The principal of the School may provide Project B.A.S.I.C. staff with information about student grades, disciplinary actions/FBAs, and attendance after the CDS has obtained parent permission for services, if such information is necessary to the assessment of the student's need for services by Project B.A.S.I.C. The confidentiality of the information is protected.

7. An appropriate location at the School, including a confidential work space and furnishings, if possible, will be provided for use by the CDS in provision of program services including: individual meetings with students, consultations with teachers/school staff, and other program responsibilities.

8. Project B.A.S.I.C. staff will have access to school telephones in a confidential location, to place and receive calls.

9. Project BASIC staff will supply their own materials, but would appreciate the use of school equipment.

10. At the beginning of the school year, the Principal will schedule a time for the CDS to conduct a briefing about Project B.A.S.I.C. for all staff of the School. The briefing will include an introduction of the employee assigned to the project, an overview of the Project B.A.S.I.C. program, roles and responsibilities of the CDS, program expectations, and an explanation of services to be provided to both students and teachers.

D. VBHCS agrees that:

1. VBHCS will provide a qualified person as a Child Development Specialist (CDS) to conduct all Project B.A.S.I.C. services at the School.

2. VBHCS will make the CDS available on the premises of the School at least four days per week except in the case of school holidays, meetings or trainings related to Project B.A.S.I.C., or short-term illness of the CDS.

3. VBHCS will provide adequate general and professional liability insurance coverage as required by the grantor for the activities of the CDS. VBHCS shall secure and keep in force during the term of this agreement the following:
   - Commercial general liability coverage with minimum liability limits of $1,000,000 per claim. $1,000,000 per incident, and $3,000,000 aggregate.

Coordinator, Sonya Hornbuckle at shornbuckle@vbhcs.org.

5. The CDS will coordinate delivery of services with the school staff to minimize disruption of usual school procedures and activities.

6. The CDS will obtain parental permission as necessary to the delivery of services to students.

7. The agency will provide the CDS with adequate supplies for the conduct of all Project B.A.S.I.C. services.

8. There exists the possibility of confusion of Project B.A.S.I.C. services with school services because of its location on campus. Therefore, all communications by VBHCS, the CDS, and other agency staff shall clearly represent Project B.A.S.I.C. as a program of VBHCS.
9. All news releases about operations of Project B.A.S.I.C. at the School will be submitted to the Principal for review of accuracy prior to publication.

10. The Vice President of Specialized Grants and Services, his/her designee to coordinate operations of Project B.A.S.I.C., and the Regional Coordinator for Project B.A.S.I.C. shall monitor the program at the School to assure effective, professional operations and shall be available to the School to resolve any related conflicts.

E. This agreement shall be in effect upon signature of the responsible agents of VBHCS and the District and the School until June 30, 2027. Either party may cancel the agreement after transmission of a written declaration of intent to the other at least 30 days prior to the effective date of cancellation.

Both Parties shall not publish confidential information or any other information which identifies students, employees, or officers of the District by name without first obtaining written consent from such individuals, or in the case of a student, his or her parent or legal guardian. Both Parties will protect and ensure confidentiality of children's records. Exceptions will be made when precedence of law or professional ethics permits or requires, such as is necessary for basic coordination of services with the school and family or in situations when a child's welfare is at risk.

G. **HIPAA COMPLIANCE AND CONFIDENTIALITY:** The Parties shall each maintain the privacy and confidentiality of all information, including the personal facts and circumstances of shared Clients, in compliance with all applicable federal and state laws and regulations (including, but not limited to, the Health Insurance Portability and Accountability Act [HIPAA] and its implementing regulations set forth at 45 C.F.R Part 160 and Part 164) and individual Parties' policies and procedures regarding the privacy and confidentiality of such information. The alleged breach or violation will be investigated and appropriate steps will be taken, up to and including immediate termination of this MOU. Both Parties reserve the right to terminate this agreement if they determine that either Party has violated a material term of the agreement.

It is expressly understood and agreed the obligations set forth in this section shall survive the termination of this agreement.

Between

And
Cumberland County School District

This Memorandum of Understanding (MOU) documents an agreement between Volunteer Behavioral Health Care System, hereinafter referred to as "VBHCS," and the Cumberland County School District, hereinafter referred to as "Cumberland County School District Board of Education" or "Cumberland County School District," each individually as the "Party" and collectively as the "Parties."

Whereas, VBHCS desires to enter into a Memorandum of Understanding with the Cumberland County School District Board of Education to provide the services described herein and further described in VBHCS contract with the State of Tennessee, Department of Mental Health and Substance Abuse Services (TDMHSAS) for School Based Behavioral Health Liaison Services (SBBHL) to the students within Cumberland County School District.

Now Therefore, the Parties hereto understand and agree as follows:

A. PARTIES

This Memorandum of Understanding between VBHCS will establish a working relationship to make the described services easily accessible for Cumberland County School District' students by offering services on site at participating schools.

B. PURPOSE

The purpose of the MOU is to outline the scope of activities, formalize the exchange of resources/services, and describe the agreed relationships between VBHCS and Cumberland County School District Board of Education in serving the school employees and students, in accordance with the Scope of Services: School Based Behavioral Health Liaisons, hereinafter referred to as "SBBHL Scope of Services," and included as Attachment A to this agreement.

C. AUTHORITIES

VBHCS will serve as the lead agency collaborative with the Cumberland County School District Board of Education. The Senior VP of Specialized Grants and Services will provide oversight for VBHCS. The Cumberland County School District Mental Health Coordination Team will provide oversight for the Cumberland County School District Board of Education.

D. CONCEPT AND COOPERATION

Both organizations are separate and independent and work cooperatively to enhance the mental health, well-being, and readiness to learn within the Cumberland County School District. As such, each organization retains its own identity in providing services. No element of this MOU will be construed to imply any form of financial obligation or liability.

1. VBHCS's SBBHL program will provide 3 FTE Liaison(s) who will be proficient in or will receive training in a trauma-informed approach. Eligible applicants for the position will have

either

a. At least a Master's degree in the Behavioral Sciences (e.g. social work, counseling, or psychology) and experience working in a school setting, or
b. At least a Bachelor's degree in the Behavioral Sciences, and experience working within a school-type setting; and a minimum of two (2) years' experience with mental health. Note: VBHCS is required to get approval from grant management at TDMHSAS before opening a position to Bachelor's level applicants.

2. The liaison(s) will promote trauma informed approaches and aim to assist in the prevention and mitigation of the impact of adverse childhood experiences (ACEs) while upholding the System of Care core values and principles.

3. The SBBHL will provide the following services to teachers and students of the participating school(s) (with parental consent when appropriate, as described below).

a. Face-to-Face consultation with classroom teachers to assist in creating a positive, trauma-informed classroom that enhances the learning environment and assists the teacher in developing effective, trauma- informed behavior responses;
b. Training to school personnel regarding a variety of mental health and substance abuse topics;
c. Liaison services to include communication between the school and students' family to build open lines of communication and home- school partnerships. This can include assisting in the IEP process when requested;
d. Information and support for school personnel in navigating the local behavioral health system (including crisis services);
e. Direct therapeutic services and support opportunities to students that include individual student consultations/interventions to assist in building positive coping and de-escalation skills and at least one group activity offered that may cover a variety of behavioral health topics;
f. One or more "School Climate Activity" per school each year, approved by school administration, to be an ongoing or repeated project which aims to positively impact the school environment;
g. Assistance with referrals as appropriate for students with further needs, whether within or outside of the school setting, including but not limited to clinical mental health services;
h. Other services or participation as required to fulfill the SBBHL Scope of Services (Attachment A) for the academic year.

E. RESPONSIBILITIES OF THE PARTIES

In fulfilling the purpose of this MOU, the Parties agree to participate in, and be responsible for activities as follows:

1. VBHCS shall:

a. Provide 3 FTE of qualified staff persons to conduct all program services as SBBHL for the participating school(s) in Cumberland County School District.
b. Provide oversight responsibility for the project including recruitment, hiring (including criminal background check, drug screen, verification of degree, and fingerprinting if required by the school district), training, and supervision of the SBBHL.
c. Ensure that the SBBHL will be available on the premises of a participating school during

the majority of regular school hours, as scheduled.

i. SBBHL work days are based upon the school's teacher calendar, upholding teacher Professional Development days as requested, and as needed to fulfill end of month/year grant reporting requirements.
ii. The SBBHL will notify the principal or other school contact if unable to be at a school as expected. This could be due to holidays of VBHCS, meetings or trainings related to the SBBHL program, professional development/continuing education activities, or utilizing paid time off, as for illness.

d. Procure adequate supplies for the SBBHL to provide services, including office supplies and technology/communication devices.
e. Document activities related to the above described services and provide data related to services for reporting and statistical purposes.

2. Cumberland County School District Board of Education shall:

a. Compile and manage data for each participating school(s) and provide data to the SBBHL and VBHCS, which will then be used in program reporting to the State as required.

i. Data will include, at a minimum: number of students enrolled, number of teachers employed, student demographics (age, gender, race, ethnicity), and total number of discipline referrals from the previous school year and the current school year.
ii. Ensure that these data are provided in time for the State's reporting deadlines:

- Demographics for the student body are required by the end of August for a new/current school year.
- Data on the number of school discipline referrals are required before the end of the year's administrative schedule, for both the year just ending and the previous school year.

b. Provide access and space within participating school premises for use of SBBHL, to include:

i. An office or work space designated for SBBHL when on site, preferably one accessible to students and staff;
ii. An office or meeting space that allows for confidential counseling with individual students, supplied for enough time to meet the demands of students within the school;
iii. A space which can be used for psychoeducational groups when scheduled;
iv. Freedom of movement within the school premises in order to perform duties, such as entry to buildings during regular hours, use of hallways, use of basic employee facilities (break room, restroom, parking, etc.).

c. Provide and maintain internet access which can be accessed by the Liaisons while on site.
d. Provide access to the students through referral by School Counselor or others and assist as necessary with procurement of parental consent.
e. Allow or assist with access to and collaboration with school administration, school counselors, school social workers, teachers, School Resource officers and other personnel through participation in staff meetings and/or professional development and related events, as

well as cooperation in arranging of teacher trainings by the SBBHL as required within the SBBHL Scope of Services (Attachment A) and other needs of the school as may be agreed upon.

f. Engage with SBBHL in some discussion of school needs and opportunities for growth, both to align services to best serve the community and to ensure collaboration and proper authorization in the School Climate Activity and other SBBHL services.

g. Allow access and assistance to the Liaison, as well as participation at varying levels, including visits as required on-site by the Operational Supervisor (Program Director) and/or SBBHL Technical Assistant (TA) assigned by their region and shadowing by other new SBBHLs in training, as needed.

F. METHODS OF COOPERATION

1. Close ties will be maintained via on-site consultations, meetings, telephone, e-mail, and/or fax between the VBHCS staff and Cumberland County School District' staff for the purpose of communication. Both Parties commit to ongoing dialogue regarding program outcomes and need for improvement.
2. Staff at both the VBHCS and Cumberland County School District Board of Education will work together in every way to promote the MOU in order to provide school based mental health services to students. The SBBHL is intended to enhance the school service and will not replace existing or future guidance and counseling, special education, student health, or institutional programs.
3. The SBBHL shall work with the school to ensure that guardian permission is obtained for services and supports when applicable per state and federal law requirements. The only exception to this is in the event of a one-time, brief evaluation at the request of a school when a child is believed to pose a potential risk to themselves or others. The purpose of this evaluation is to offer guidance on the types of services the child may need. This evaluation is not intended to replace any assessment needing to be conducted by the state contracted youth crisis provider. Any additional services provided by VBHCS will require parental consent. VBHCS' involvement with subsequent crises with the same child will be determined by the supervisor in collaboration with VBHCS Compliance on a case by case basis. This upholds the Fundamental Family Rights and Responsibilities Act, TCA 36-08-101 through TCA 36-8-104, which ensures protection of the fundamental rights of parents to the care, custody, and control for their child in addition to the protections provided under federal law, state law, and the state constitution. These services shall be provided on the premises of the school.
4. The Parties shall not subscribe to any policy or practice which permits or allows the refusal of services to individuals in need due to the individual's race, creed, color, national origin, age, gender, sexual orientation, or which is in violation of any applicable laws.
5. VBHCS ensures total quality management of therapeutic protocols during the provision of care and program implementation.
6. Operational Guidelines: VBHCS follows the Commission on Accreditation of Rehabilitative Facilities (CARF) guidelines and recommendations for its mental health services.

G. FERPA

Both Parties shall keep in strict confidence to the fullest extent required by any applicable law, including but not limited to the Family Educational Rights and Privacy Act, 20 U.S.C. §1232g ("FERPA"), any and all records and information, in whatever form or format received, pertaining to the District's individual students. Both Parties shall not publish confidential information or any

other information which identifies students, employees, or officers of the District by name without first obtaining written consent from such individuals, or in the case of a student, his or her parent or legal guardian. Both Parties will protect and ensure confidentiality of children's records. Exceptions will be made when precedence of law or professional ethics permits or requires, such as is necessary for basic coordination of services with the school and family or in situations when a child's welfare is at risk.

H. HIPAA COMPLIANCE AND CONFIDENTIALITY

The Parties shall each maintain the privacy and confidentiality of all information, including the personal facts and circumstances of shared Clients, in compliance with all applicable federal and state laws and regulations (including, but not limited to, the Health Insurance Portability and Accountability Act [HIPAA] and its implementing regulations set forth at 45 C.F.R Part 160 and Part 164) and individual Parties' policies and procedures regarding the privacy and confidentiality of such information. The Parties shall: (1) not use or disclose patient information other than as permitted or required by this Agreement for the proper performance of its duties and responsibilities hereunder, and any other disclosure of protected health information must be made pursuant to a properly executed Authorization as required by HIPAA or other applicable law or regulation; (2) use appropriate safeguards to prevent use or disclosure of patient information other than and provided for under this agreement; and (3) notify the other immediately in the event the Party becomes aware of any use or disclosure of patient information that violates the terms and conditions of this agreement or applicable federal and state laws or regulations.

Additional Confidentiality Requirements: Both Parties acknowledge that consumers of mental health services are entitled to additional confidentiality protections awarded under the Title 33 Mental Health Code which may supersede the confidentiality protections provided by HIPAA. Furthermore, consumers of substance abuse treatment services are entitled to additional confidentiality protections awarded under 42 CFR, Part 2 which may supersede the confidentiality protections provided by HIPAA. When serving mental health consumers on site, both Parties will comply with the confidentiality requirements of these and any other applicable state or federal laws, rules, or regulations.

The alleged breach or violation will be investigated and appropriate steps will be taken, up to and including immediate termination of this MOU. Both Parties reserve the right to terminate this agreement if they determine that either Party has violated a material term of the agreement.

It is expressly understood and agreed the obligations set forth in this section shall survive the termination of this agreement.

I. TERM AND TERMINATION OF MOU

The Term, referred collectively in this MOU as the "Term," becomes effective on the date this MOU is signed by both Parties and remains in force until June 30, 2027 unless explicitly terminated, in writing, by either Party. Either Party may terminate this MOU, with or without cause, upon thirty (30) days prior written notice to the other Party. In addition, this MOU may be revised, in writing, in accordance with each organization's need if both Parties are in agreement of such revisions.

J. INDEMNIFICATION

VBHCS shall indemnify, defend, save, and hold harmless the Cumberland County School District Board of Education and its elected officials, officers, employees, agents, assignees, and instrumentalities from and against any and all claims, liability, losses, or damages including but not limited to Title VII and 42 USC 1983 prohibited acts-arising out of or resulting from any conduct; whether actions or omissions whether intentional, unintentional, or negligent; whether legal or illegal; or otherwise that occur in connection with or in breach of this MOU or in the performance of the duties hereunder, whether performed by the Cumberland County School District Board of Education its subcontractors, agents, employees, or assigns.

This indemnification shall survive the termination or conclusion of this MOU.

The Cumberland County School District Board of Education shall indemnify, defend, save, and hold harmless, within the limitations stated in Tennessee Code Annotated, VBHCS and its elected officials, officers, employees, agents, assignees, and instrumentalities from and against any and all claims, liability, losses, or damages including but not limited to Title VII and 42 USC 1983 prohibited acts-arising out of or resulting from any conduct; whether actions or omissions whether intentional, unintentional, or negligent; whether legal or illegal; or otherwise that occur in connection with or in breach of this MOU or in the performance of the duties hereunder, whether performed by VBHCS or its subcontractors, agents, employees, or assigns.

This indemnification shall survive the termination or conclusion of this MOU.

K. INSURANCE

VBHCS shall secure and keep in force during the term of this agreement the following:

1. Commercial general liability coverage with minimum liability limits of $1,000,000 per claim, $1,000,000 per incident, and $3,000,000 aggregate.
2. Workers Compensation coverage, regardless of requirement by state statute.

L. FORCE MAJURE

If the provision of services agreed upon in this MOU are suspended because of an act of God, inevitable accident, fire, lockout, strike, or other labor dispute, riot, or other civil commotion, an act of public enemy, enactment, rule or act of any government or governmental instrumentality (federal, state or local), failure of any needed equipment or facilities, failure or delay of transportation facilities, or other cause of a similar or different nature not reasonably with VBHCS's control; and, if any such suspension period shall exceed one semester, VBHCS may, by written notice, terminate this MOU with no further liability hereunder. No such suspension shall operate to extend the term of this MOU.

M. RESOLVING DISPUTES

If any dispute arises relating to the MOU, the Parties shall use their best efforts to resolve such dispute or claim through negotiation. No disputes will be settled in court.

12-12-106. List of persons engaging in investment activities in Iran -- Ineligibility to contract with state.

(a) (1) No more than one hundred twenty (120) days after July 1, 2016, the state chief procurement officer shall publish, using credible information freely available to the public, a list of persons it determines engage in investment activities in Iran, as described in § 12-12-105. A person contesting being placed on the list described in subsection (a) shall exhaust all administrative remedies provided in this section prior to the initiation of any judicial review of being placed on such list.

(4) The chief procurement officer shall make every effort to avoid erroneously including a person on the list.

(b) A person that is identified on a list created pursuant to subsection (a) as a person engaging in investment activities in Iran as described in § 12-12-105, is ineligible to contract with the state.

(c) Any contract entered into with a person that is ineligible to contract with the state shall be terminated by the state.

SERVICE AGREEMENT

This Agreement, made and entered into this 1ST day of July, 2026, by and between Cumberland County Schools Board of Education, (herein referred to as "Board of Education"), 368 4th Street, Crossville, TN 38555 and Deborah L. Curlee Communication Consultants, LLC, d/b/a Sidekick Therapy Partners, P.O. Box 32652, Knoxville, TN 37930-2652 (herein referred to as "Sidekick").

WHEREAS Board of Education is subject to and does operate in accordance with the requirements of the Individuals with Disabilities Education Act; and

WHEREAS Board of Education has the authority to enter into a service agreement for services from suitable agencies having appropriate programs, capacity, and competence where necessary to provide appropriate special education services to students; and

WHEREAS Board of Education, to provide a proper, comprehensive, and well implemented special education program, finds it desirable to enter into a service agreement for these services through an outside agency; and

WHEREAS Sidekick is an agency with appropriate programs to provide special education services for children who are the responsibility of the Board of Education.

NOW, THEREFORE, in consideration of the mutual benefits to be received by both parties hereto and certain other considerations, some of which is hereafter set out, and the sufficiency of all which is hereby acknowledged, Board of Education and Sidekick hereby agree as follows.

The term of this agreement shall be for the 2026-2027 school year, beginning on or about July 1, 2026, in case the Board of Education wishes to utilize Sidekick for summer services, and ending on May 31, 2027, or through July 2027 if seeking extended school year/ESY services. This agreement may be extended for an additional 1-year term at the option of the Board of Education and in the Board of Education's sole discretion, under such terms as Board of Education and Sidekick may mutually agree with respect to such extension(s).

1. The Board of Education shall develop an Individualized Educational Program (IEP) which will be specifically designed to meet the unique needs of each child enrolled with provision for all support materials, equipment, and services necessary for their education and which meets the requirements of State and Federal regulations and law.

2. The Board of Education ensures that the rights and privileges available to children attending schools of the Board of Education shall be available to the children served by Sidekick including the process procedures, protection in evaluation procedures, the least restrictive environment, and confidentiality of information.

3. Any Sidekick speech and language services will be provided by qualified speech-language pathologists (SLP or SLPs) who have a master's degree and their Certificate of Clinical Competency or

are completing their Clinical Fellowship period. All Sidekick SLPs are licensed or registered as healthcare providers with the State Department of Health Board of Communication Disorders and Sciences. SLPs may be referred to individually as a therapist or collectively as therapists.

a) Board of Education agrees for as long as SLPs are available to serve Board of Education's TennCare covered, eligible, and qualified students requiring therapy services (TennCare students) at the therapist's assigned school location, that Sidekick will be the sole and exclusive provider of services at that school location for any TennCare students whose services are billed to a TennCare insurance company (MCO).
b) Sidekick will be the sole and exclusive provider of services to TennCare students billed to any TennCare MCO at the school locations agreed upon by the Board of Education and Sidekick.

    a. The Board of Education will refer all TennCare students at the school locations to Sidekick for services that can be billed to a TennCare MCO and will not serve such students with its own employees. If Sidekick's therapists do not have the time available on their schedule to serve the referred TennCare student, Sidekick will promptly notify the Board of Education that Sidekick cannot provide services. Upon receipt of notification, the Board of Education may begin serving such students with the Board of Education employees and – after Sidekick has declined services due to lack of therapist availability – may also bill the TennCare MCO for such services.

c) Sidekick will make reasonable commercial efforts to provide enough qualified therapists to meet the anticipated TennCare and non-TennCare caseload at the school locations. If Sidekick cannot provide enough therapists at a specific school to meet the caseload at that location, then either Sidekick or Board of Education may reduce Sidekick's services at the affected school to the extent Sidekick therapists are not available to serve that specific location. In the case of such a reduction at a specific school location, the Board of Education's therapists may serve the TennCare students previously served by Sidekick and may bill the TennCare MCO for services to those students.
d) As the school year progresses, the Board of Education agrees that it will promptly assign other TennCare students at the school locations to Sidekick who have speech therapy services specified in their IEPs, when and to the extent such TennCare students become available. (The purpose of such assignments throughout the year is to maintain or expand the caseload of Sidekick's therapists in the school locations).
e) With respect to TennCare students in the school locations served by Sidekick therapists, the Board of Education agrees that it will not refer those students to any other provider or third-party TennCare billing/consulting company (other providers). It is the intention of the parties that Sidekick will continue to work with Board of Education to obtain TennCare MCO authorizations for services, doctor orders or IEP signature pages, IEPs, IEP parental consents, and the like, in connection with all of the TennCare students Sidekick serves in the school locations and that any arrangements Board of Education has with other providers will not interfere with Sidekick's services under this agreement or interfere with Sidekick's therapists serving their own caseload in the school locations. In the event Sidekick cannot serve a TennCare student due to the lack of availability of a Sidekick therapist, then Board of Education may refer such student to other providers for assistance in dealing with the TennCare MCO in connection with services to be provided by Board of Education's own therapists.

4. Mileage **and School Pay Services:**

Sidekick provides the following services to TennCare-eligible students at **no cost to the School District:**

- Direct Therapy
- TennCare evaluations
- 9-week progress reports to be entered into TN Pulse by Sidekick therapists.

Sidekick **charges a fee (School Pay fee)** for any of the following services, at the district's option:

- Direct therapy for non-TennCare eligible students
- For additional testing above and beyond TennCare requirements
- Evaluations for non-TennCare eligible students
- 9-week progress reports for non-TennCare eligible students
- Initial eligibility testing
- Case management (e.g., setting up IEP meetings, sending out teacher observations, permission to test forms)
- Consultations with parents and teachers for over 15 minutes
- Any additional testing that is required for 3-year re-evaluations
- Screening
- Entering IEP information into TN Pulse
- Participation in IEP meetings when there is no school therapist, and on a case-by-case basis
- Sidekick also charges a fee for miles traveled by therapists beyond the distance from their home to Sidekick, based on actual distance traveled and logged

Generally, Sidekick does **not provide** the following services:

- Participation in IEP meetings if there is a school therapist
- Completion of state-related eligibility documents if there is a school therapist
- Completion of SSI documentation (However, Sidekick can provide our reports as input for this)
- Services at schools where there are less than 10 kids needing services (Though these can be provided via teletherapy)
- Services in homes (Though these can be provided via teletherapy)

When appropriate for the student's individual needs, and as agreed by the IEP team, Sidekick prefers to provide:

- 1:1 direct therapy in 20-minute sessions (vs. 30-minute session group sessions) for TennCare-eligible students
- Note: School Pay student groups are typically seen in 30-minute sessions with no more than 3 students per group

a) The Board of Education will pay Sidekick a mileage reimbursement rate of forty-five (45) cents per mile per therapist per day, during the regular school year and during the school summer session (if Sidekick is requested to provide summer services). Mileage shall be calculated as (i) the distance between each Sidekick therapists nearest clinic/office and the schools that Sidekick can serve in the County or (ii) the distance between the residence of Sidekick's therapist and the schools served, whichever is less. Such mileage reimbursement

rate also includes any travel within the County if Sidekick's therapist is traveling to more than one school a day.

b) At Board of Education's request and as mutually agreed by Sidekick, School Pay services may be provided for students whose services cannot be billed to a TennCare MCO.

   For any such clinical School Pay services with an in-person or teletherapist, Board of Education will pay:

   - **$90.00 per hour for speech-language therapy services (or $22.50 for any 15-minute increment thereof)**

c) Provided additional TennCare students become available during the public school year to receive services from Sidekick, Board of Education will make a reasonable effort (depending on availability of TennCare-covered students) to maintain Sidekick's caseload at each school location served by Sidekick's therapists at the approximate levels of students served during the preceding public school year), including referring during the school year additional TennCare-covered students whose IEPs specify services to Sidekick for therapy at such locations, as such students become available and require services.

5. **Teletherapy:**

If the Board of Education recommends and Sidekick agrees that teletherapy is appropriate for a student, the Board of Education may request that Sidekick provide teletherapy services to that student in the home or in school.

a) Sidekick will provide services to the student throughout the year, including over holidays/breaks, if able to schedule
b) Consistent with students who are seen in-person in school, Sidekick will charge TennCare (in the case of a student covered by TennCare) or will charge Board of Education (in the case of a student not covered by TennCare) for these teletherapy sessions
c) For students seen by Sidekick via teletherapy not covered by TennCare, Sidekick will charge the Board of Education as noted in section 4b
d) Sidekick will submit monthly invoices for teletherapy services rendered, with the Board of Education agreeing to reimburse Sidekick for such charges within 30 days of receipt of the invoice
e) Sidekick agrees to update schedules quarterly. This allows for moving children who qualify for TennCare to 20-minute sessions and billing TennCare for such sessions, rather than the school

If teletherapy is agreed upon, Sidekick will need the following before the start of the school year:

- Rosters
- Master schedule
- IEP access
- Tentative schedule from EA
- EA contact information

If Sidekick has not been given this info by two weeks after the 1st day of school or the agreed upon date, Sidekick will charge 6 hours of school pay per therapist per day (as these therapists were assigned to and held for the district).

If teletherapy is agreed upon, the Board of Education agrees to:

- Provide initial eligibility testing. Sidekick typically does not complete initial eligibility testing via teletherapy
- Provide one Educational Assistant ("EA") per school to assist with pulling students from class and placing them in front of a school-provided computer in a quiet room or with school-provided headphones for therapy, pulling another student if the one scheduled is absent or unavailable
- Provide Sidekick therapists with a detailed schedule of students to be seen at exact times within two weeks of engaging Sidekick for teletherapy. If serving students via "school pay," Sidekick will not see students in groups of more than three at a time
- Keep an open line of communication between the EA and Sidekick therapist to let the therapist know about tardiness, absences, etc. within a reasonable timeframe and with sufficient notice
- Schedule students for make-up when student is unable to attend the originally scheduled session
- Ensure the students' caregiver has provided teletherapy consent and that they are aware of teletherapy options

Teletherapy cancellation policy:

- If school is in session and teletherapy sessions are cancelled due to reasons outside of Sidekick control (i.e. EA unavailable, school power outage/internet issues, field trip, assembly/school event, student absent, student has not come to school but still active in the county, student seen at home through the district but cancelled/no show, no show or does not leave 15 minutes for the session, another service/teacher pulled student during speech time, student unavailable for scheduled time, cancellation and all students in the school have been seen/are scheduled to be seen, etc.) and other kids are not able to be scheduled, Sidekick will charge the hourly school pay rate listed in section 4b
- Sidekick teletherapists will not bill for cancellations due to school events, assemblies, or field trips during the hours these events take place if a 48-hour notice is provided by the school

6. Sidekick will submit monthly invoices for mileage charges with the Board of Education agreeing to reimburse Sidekick for such charges within 30 days of receiving the invoices.

7. Sidekick agrees to provide professional liability coverage for its employees serving schools under this service agreement. Proof of such insurance will be provided by Sidekick to the schools upon request.

8. The Board of Education will provide Sidekick with parental consent forms to begin the process of determining if students qualify for services and will provide a copy of the child's current IEP to Sidekick by the start of the school year. The Board of Education will provide services until Sidekick provides notification that TennCare eligibility has been confirmed, and services are authorized.

9. Sidekick shall submit Progress Reports for the grading periods specifying the progress of each TennCare child in achieving the short-term objectives specified in his/her IEP at no cost to the Board of Education. Sidekick will provide information to special education personnel to allow them to update goals and objectives for each student served, at least, every nine weeks.

10. Sidekick will be responsible for preparing and submitting, at no cost, to the Board of Education, all TennCare paperwork for qualifying children.

11. The Board of Education agrees that, should a child's therapy sessions submitted to TennCare be denied for eligibility, Sidekick will immediately stop serving such children, and it will be the Board's responsibility to have its own therapist incorporate such child into their school caseload, or the Board may elect that Sidekick serve the child via school pay.

12. Background Checks:

a) Sidekick requires all current employees providing services to the Board of Education under this service agreement to supply a fingerprint sample and submit to a criminal history record check conducted by the Tennessee Bureau of Investigation and/or the Federal Bureau of Investigation prior to permitting the employee to have contact with school children or enter the school grounds.

b) Sidekick will not allow an employee providing services to the Board of Education under this service agreement to come in direct contact with school children or enter the grounds of a school where children are present until the criminal history records check has been conducted.

c) Sidekick shall not allow an employee providing services to Board of Education under this service agreement to come in direct contact with school children or with children in a child care program or enter the grounds of a school or child care center when children are present if the criminal history records indicate the employer or employee has been convicted of an offense that is classified as a sexual offense or the employee has been convicted as a violent sexual offender as defined in Tennessee Code Annotated § 40-39 – 2002.

d) At Board of Education's request, Sidekick will provide background checks for SLPs that were conducted as part of their onboarding at Sidekick. However, if the Board of Education wishes to perform additional background checks, those are to be done at the Board of Education's expense.

13. Sidekick agrees to hold Board of Education harmless on account of any and all claims by third parties for damages due to personal injuries or property damage, arising from a school child using any premises owned or leased by Sidekick, including the use of materials provided by Sidekick for such child, except when such injuries or damages arise in whole or in part on account of the acts or omissions or negligence of Board of Education. Any obligation of Sidekick to indemnity and hold Board of Education harmless is limited to the terms of Sidekick's applicable liability insurance.

14. With respect to services provided by Sidekick to school children under this service agreement, Board of Education and Sidekick will work cooperatively to ensure that the rights and privileges available to children attending Board of Education shall be available to children served by Sidekick, including, to the extent applicable to Sidekick and the services provided to Board of Education under this agreement, due process procedures, protection in evaluation procedures, least restrictive environment, and confidentiality of information.

15. If due to a change in applicable law or regulation or the interpretation thereof by any court, government agency, authority, or other entity that renders any provision of this Agreement unlawful, unenforceable, economically, administratively impracticable, or difficult of performance (a Law Change), the parties shall initiate good faith negotiations to amend this Agreement to eliminate the adverse effects of such Law Change. If either party determines that the parties are unlikely to agree upon and make alterations to this Agreement to eliminate the adverse effect of the Law Change, or alternatively, either party determines that alterations to meet such requirements are not commercially practicable, reasonable, and satisfactory, then such party may terminate the Agreement on thirty (30) days prior written notice to the other party. A Law Change also includes any change by (i) a Federal, State, or local legislative, regulatory, judicial, or administrative authority, or (ii) any TennCare Managed Care Organization (MCO) or other third party payor with respect to: clinical or other services provided pursuant to this Agreement, MCO requirements regarding eligibility or qualification for healthcare services, MCO procedures for authorizing, approving, billing or providing payment for healthcare services (including the amount of payment or method of payment), or any other changes that adversely affect the arrangements and services provided to school system students pursuant to this Agreement.

16. Board of Education will not employ or receive services, either directly or indirectly (including services provided through a third party), from any therapist formerly employed by Sidekick for one year following the termination or expiration of this Agreement or cessation of such therapist's employment with Sidekick, whichever is earlier.

17. DISCRIMINATION: No person shall on the grounds of race, color, national origin, sex, age or ability to pay, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity operated by Sidekick or the Board of Education, it being the intention of Sidekick and the Board of Education to bind all agencies, disbursing units, or organizations, operating under its jurisdiction and control to fully comply with and abide by the spirit and intent of the Civil Rights Act of 1964.

THIS SERVICES AGREEMENT (this "**Agreement**") is made by and between TNTP, Inc., a Delaware nonprofit corporation organized and operated exclusively for charitable and educational purposes and qualifies for exemption from federal income taxation as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "**Code**"), and is further classified as a public charity within the meaning of Section 509(a)(1) of the Code, with its principal office at 500 7th Avenue, 8th Floor, New York, New York 10018 ("**TNTP**"), and **Cumberland County Schools**, with its principal office at **368 4th Street, Crossville, TN 38555** (the "**Client**"). This Agreement shall be effective as of the later of the dates beneath the parties' signatures below (the "**Effective Date**"). This Agreement consists of the following terms, as well as the Scope of Services in the attached Schedule A.

STATEMENT OF PURPOSE: The Client wants to engage TNTP to provide school support as detailed in this Agreement.

Section 1. Term and Services.

For the period commencing on the Effective Date until **March 31, 2027** (the "**Term**"), TNTP agrees to provide services for the Client as specified in the services stated in Schedule A ("**TNTP's Services,**" "**Scope of Services,**" or "**Services**"). The Services may include the provision of documentation, reports, analysis, and other content ("**Deliverables**"). TNTP's Services will be considered accepted upon the Effective Date or upon commencement of the Services at Client's direction following Client's instructions to commence Services under the Proposal. TNTP will use its reasonable efforts to achieve the deadlines for Services, if any, set forth in any timetable and/or dates for delivery contained in Schedule A. TNTP may, upon written notice to Client, subcontract any portion of the Services in its sole discretion.

Section 2. TNTP and Client Responsibilities.

a. Client will cooperate with TNTP to facilitate the performance of TNTP's Services. If necessary to facilitate TNTP's provision of the Services, Client will provide TNTP with access (which may be in-person or remote via virtual means such as teleconference and videoconference, as agreed upon by the parties) to Client personnel, classrooms, meeting spaces, buildings, and background check processes as needed for TNTP's Services. If applicable, the Services may require staff/leader/teacher surveys, data collection and analysis, focus groups, student work samples, and video recordings of classroom activities, and all these activities will be done in compliance with this Agreement. In the event that the Services require video recording, the availability of video recording is subject to the Client obtaining proper permission under Tennessee law.

b. Client, and not TNTP, is responsible for all employment-related obligations, liabilities, and decisions that may relate to the implementation of the Services or results from the Services.

c. TNTP and Client may mutually agree to permit in-person, essential work-site visits under certain circumstances. In deciding to permit in-person, essential work-site visits, TNTP and Client will take into account CDC guidance, state and local regulations and guidance, the school and district's health and safety plan related to pandemics or infectious disease, and the internal policies of both Client and TNTP. If the parties agree to work-site visits, school staff will be instructed to follow all school district and TNTP health and safety procedures. Client releases TNTP from any liability related to pandemic or infectious disease-related transmission from in-person work-site visits. TNTP reserves the right to discontinue work-site visits at any time if TNTP determines that cessation of work-site visits is necessary to protect the health and safety of its personnel.

Section 3. Representations and Warranties; Disclaimer.

Each party represents and warrants that it:

a. Has the full right, power, legal capacity, and authority to enter into this Agreement and to carry out its obligations hereunder;

b. Maintains adequate and appropriate insurance, including comprehensive general liability, professional liability, and workers' compensation insurance, to cover activities under this Agreement;

c. Will comply in all material respects with all applicable federal, state, and local laws, ordinances, codes, and regulations in connection with its performance under this Agreement; and

d. Is not subject to and will not enter into any agreement or arrangements which preclude compliance with the provisions of this Agreement.

Disclaimer of Warranties. EXCEPT AS PROVIDED IMMEDIATELY ABOVE, THE SERVICES, DELIVERABLES, AND TNTP THIRD PARTY MATERIALS ARE PROVIDED "AS IS," WITHOUT WARRANTY OF ANY KIND. TNTP DISCLAIMS ALL OTHER WARRANTIES, EITHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT.

Section 4. Payment and Invoicing.

The Client shall pay a flat fee to TNTP in the amount of $35,881 for TNTP's Services (the "**Client Fee**"). TNTP shall invoice the Client for the Client Fee according to the following schedule:

Invoice Date	Invoice Amount
September 20, 2026	$3,588
March 20, 2027	$32,293
Total	**$35,881**

TNTP's failure to timely invoice will not constitute a waiver of any of TNTP's rights hereunder or constitute a breach by TNTP of this Agreement. The invoice is due and payable by ACH or wire transfer within thirty (30) days of Client's receipt of the invoice, without regard to any delay for purchase order or invoice reference. Client will validate any changes to ACH or wire payments by contacting TNTP at ar@tntp.org. After thirty (30) days, interest may be charged at a rate of one percent (1%) per month. Client agrees to provide, for inclusion in each Scope of Services, the specific information that must be included on an invoice (e.g., a Purchase Order Number or other reference). If there are disputed amounts on any invoice, the balance of such invoice, after deducting any disputed amounts, shall be paid in full when due and payable, and the disputed amounts shall be presented to TNTP for resolution as soon as such disputed amounts have been determined by the Client. Once resolved, Client will promptly pay any disputed amounts to TNTP without the need for TNTP to issue an additional invoice.

Client agrees to provide a current financial contact for receipt of invoices and payment inquiries. Client will provide timely updates to payment contact information by contacting TNTP at the email address listed below.

TNTP's relationship to the Client is that of an independent contractor and nothing herein will be construed as creating an employer/employee relationship, partnership, joint venture, or other business group or concerted action. TNTP will determine the method, details, and means of performing the Services. TNTP may represent, perform services for, and contract with other additional clients, persons, or companies as TNTP, in its sole discretion, sees fit, provided those services do not pose a conflict of interest with the services performed to Client.

Section 6. Termination; Survival.

If at any time either of the parties believes that the other party has materially breached its obligations under this Agreement, written notice shall be given by the party alleging breach setting forth the asserted breach and providing an opportunity to cure the same within thirty (30) days after such written notice. If the asserted breach has not been cured to the reasonable satisfaction of the party providing the written notice, but reasonable attempts to cure (as determined by the party providing written notice of asserted breach) have been made in writing by the party to whom the written notice of asserted breach was given, said party will have an additional opportunity to cure for a period of thirty (30) days following the expiration of the initial thirty (30) day cure period. If the asserted breach has not been cured to the satisfaction of the party providing written notice of asserted breach, that party may elect to terminate this Agreement upon written notice to the breaching party. If this Agreement is terminated, the rights and obligations of each party hereunder will terminate, provided, however, that such termination will not terminate the rights and obligations of the parties that expressly survive the termination of this Agreement, including, without limitation, the obligation of the Client to pay TNTP for time and expenses incurred in rendering the Services pursuant to this Agreement prior to the effective date of such termination.

Sections 3 (Representations and Warranties; Disclaimer), 4 (Payment and Invoicing), 6 (Termination; Survival), 7 (Indemnification, Exclusion of Certain Damages, Limitation of Liability, Subpoenas, and Insurance Coverage), 8 (Intellectual Property Rights (IRPs)), 9 (Promotional Materials and Publicity), 10 (Data), 11 (Confidentiality) and 12 (Miscellaneous), and terms of Schedule A that expressly survive termination, will survive expiration or termination of this Agreement.

Section 7. Indemnification, Exclusion of Certain Damages, Limitation of Liability, Insurance and Subpoenas.

7.1 Indemnification. To the extent permitted by applicable law, each party agrees to defend and indemnify the other party, their subsidiaries and affiliates, and hold them harmless from any and all unaffiliated third party claims ("**Claims**"), losses, damages, penalties, costs, and expenses, including without limitation, settlement costs and any legal, accounting and other expenses for investigation or defending any actions or threatened actions (collectively, "**Losses**") to the extent such Claims were caused by (a) the intentional misconduct of a party, or any of their employees or agents, or (b) any untruth, inaccuracy, fraud or material omission in any representation or warranty made by a party. In addition, Client will defend, indemnify, and hold harmless TNTP from and against any Claims arising from employment decisions made by Client related to the Services provided by TNTP. The party seeking indemnification shall provide the indemnifying party with prompt written notice of any Claim(s) and give complete control of the defense and settlement of the indemnifying party, and shall cooperate with the indemnifying party, its insurance company, and its legal counsel in its defense of such Claim(s). This indemnity shall not cover any Claim in which there is a failure to give the indemnifying party prompt notice to the extent such lack of notice materially prejudices the defense of the Claim.

7.2 Exclusion of Certain Damages. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL TNTP BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL, PUNITIVE, OR SPECIAL DAMAGES WHATSOEVER, ARISING OUT OF OR THAT RELATE IN ANY WAY TO THIS AGREEMENT OR ITS PERFORMANCE. THIS EXCLUSION WILL APPLY

REGARDLESS OF THE LEGAL THEORY UPON WHICH ANY CLAIM FOR SUCH DAMAGES IS BASED, WHETHER TNTP HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, WHETHER SUCH DAMAGES WERE REASONABLY FORESEEABLE, OR WHETHER APPLICATION OF THE EXCLUSION CAUSES ANY REMEDY TO FAIL OF ITS ESSENTIAL PURPOSE. THE FOREGOING EXCLUSION DOES NOT APPLY TO CLAIMS RELATED TO TNTP'S FRAUD OR INTENTIONAL MISCONDUCT.

7.3 Limitation of Liability. NOTWITHSTANDING ANY DAMAGES THAT CLIENT MIGHT INCUR UNDER THIS AGREEMENT FOR ANY REASON WHATSOEVER (INCLUDING, WITHOUT LIMITATION, ALL DIRECT DAMAGES), TNTP'S ENTIRE LIABILITY UNDER THIS AGREEMENT AND CLIENT'S EXCLUSIVE REMEDY UNDER THIS AGREEMENT WILL BE LIMITED TO THE CLIENT FEES PAID TO TNTP IN THE SIX (6) MONTH PERIOD IMMEDIATELY PRECEDING THE CLAIM. THE FOREGOING LIMITATIONS, EXCLUSIONS, AND DISCLAIMERS SHALL APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EVEN IF ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE.

7.4 Subpoenas. If TNTP is requested by Client or required by subpoena or similar legal process to produce TNTP's materials or personnel with respect to an engagement for Client, provided that TNTP is not a party to the proceeding, Client will reimburse TNTP for its professional time and reasonable out-of-pocket expenses, including the reasonable fees and out-of-pocket expenses of TNTP's outside counsel incurred in responding to such a request.

7.5 Insurance Coverage. TNTP will, at its sole expense, maintain comprehensive general liability insurance with policy limits of not less than $1,000,000, and provide to the Client upon request a certificate of insurance evidencing such coverage.

Section 8. Intellectual Property Rights (IPR).

8.1 Ownership by TNTP.

a. **TNTP IPR.** Client acknowledges and agrees that as between Client and TNTP, TNTP is and will remain the sole and exclusive worldwide owner of all TNTP IPR. For purposes of this Agreement, " **TNTP IPR**" means all patents, copyrights, trademarks, services marks, designs, logos, trade secrets, publicity, privacy or moral rights, and any other intellectual property or proprietary rights arising at any time under the applicable law of any jurisdiction anywhere in the world that subsists in, without limitation, the following: all technology, frameworks, processes, systems, methodologies, analytical tools, industry data and insights, layouts, TNTP Confidential Information (defined below), TNTP tools, TNTP's Video Library, Learning Portal, Insight, Academic Scorecard and online platforms that TNTP owns or to which TNTP has a license; and any improvements, derivatives or modifications to any of the foregoing, TNTP owns all TNTP IPR in existence prior to or developed independently of this Agreement.

b. **Work Product**. Client acknowledges and agrees that all intellectual property rights in any work created, produced, or developed by TNTP, whether alone or jointly with others, in the course of providing the Services under this Agreement ("**Work Product**"), shall immediately upon creation or performance vest in and shall remain the sole and exclusive property of TNTP, and Client shall acquire no right, title or interest in and to the same, except for the limited license rights expressly granted under this Agreement.

c. **Reservation of Rights.** Client agrees that no TNTP IPR or Work Product will be shared, licensed, or sold by Client to any other person or entity under any circumstances without the prior written consent of TNTP, except for the limited license rights expressly granted under this Agreement.

d. **Third Party Materials.** As part of the Services: (i) TNTP may provide Client access to third party materials ("TNTP Third Party Materials") or (ii) Client may provide third party materials to TNTP to use in providing the Services ("Client Third Party Materials"). Client acknowledges that such access and/or use of TNTP Third Party Materials is at Client's sole risk. TNTP makes no representation or warranty or assumes any liability, with respect to any such **TNTP Third Party Materials.** TNTP does not endorse or approve any TNTP Third Party Materials. If required by the Scope of Services, Client agrees to provide to TNTP, at no cost to TNTP, and within thirty (30) days of TNTP's written request, all requested student data ("**Student Data**"), teacher and staff related data ("**Staff Data**"), and demographic and school/district information ("**School Data**"). Student Data, Staff Data, and School Data is collectively referred to herein as "**Data**". The Client's failure to provide TNTP with Data, or access to collect the Data, may cause a material delay in the delivery of Services for which TNTP will not be held responsible.

The parties agree that Data may be shared between the parties and may only be used by the parties for the purposes identified in this Agreement, including Schedule A, and in a manner consistent with the terms outlined in this Agreement. The parties agree to comply with all relevant federal, state, and local laws and regulations governing the privacy and security of personally identifiable information (including transmission of data), to the extent applicable.

For the purposes of this Agreement and pursuant to the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232g, 34 CFR Part 99, a "school official" is a contractor that: (1) performs an institutional service or function for which the agency or institution would otherwise use employees; (2) is under the direct control of the agency or institution with respect to the use and maintenance of education records; and (3) is subject to CFR §99.33(a) governing the use and re-disclosure of personally identifiable information from student records. Client recognizes and agrees that for purposes of FERPA, Client will designate TNTP to act in a "school official" role for the purposes outlined in the Scope of Services. Pursuant to this Agreement, TNTP is considered a school official with a legitimate educational interest, providing services that would otherwise be performed by Client, and under the control and direction of Client with respect to the education records. TNTP shall not disclose any information that would be considered "Personally Identifiable Information" (as such term is defined in FERPA) unless either the disclosure would be permissible under 34 C.F.R. § 99.31 or TNTP has obtained appropriate written consent to the disclosure.

Notwithstanding the above, Client shall not provide or make available to TNTP any student's Personally Identifiable Information from education records (for purposes of FERPA) unless: (i) Client has obtained, with respect to each student's Personally Identifiable Information provided to TNTP, appropriate written consent to disclose such Personally Identifiable Information to TNTP, and authorization for TNTP to use such Personally Identifiable Information in connection with performing the Services, and (ii) written notice identifying particular Student Data as Personally Identifiable Information.

All Personally Identifiable Information will be destroyed within sixty (60) days of the termination of this Agreement. In furtherance of the Services, TNTP may use video, sound, or other recordings ("**Recordings**") of any of TNTP's Services in its

sole discretion and for its legitimate business purposes in perpetuity so long as the recording is made pursuant to all applicable laws relating to confidentiality and protected information.

Separate from the parties' obligations with respect to Student Data, Client agrees not to send TNTP any data that can identify an individual ("**Personal Data**") unless the parties otherwise mutually agree that it is a requirement in order to effectuate the provision of TNTP's Services under this Agreement. In such circumstances, the parties shall comply with the obligations imposed by applicable data privacy legislation and this Agreement. In providing TNTP with Personal Data, Client will be acting as the data controller and will confirm that Client has complied with applicable law and obtained all necessary consents for lawful processing, including in connection with any transfer of Client's Personal Data.

Client agrees to secure any consents from teachers, staff, students, families, or parents/guardians that are required by all applicable laws, including but not limited to FERPA, for TNTP's use of the Data, Recordings, or TNTP's use of student work samples in rendering TNTP's Services, and ensure that such consents allow TNTP to rely on such consent when acting as an agent of the Client.

10.2 Ownership by the Client. As between Client and TNTP, and except as otherwise provided in this Agreement, Client owns all Data. Client agrees that TNTP, subject to applicable law, may use Data to perform its obligations hereunder.

10.3 License to TNTP. Client grants TNTP a worldwide, non-exclusive, perpetual, irrevocable, royalty-free license, with the right to grant sublicenses, to use, modify, reproduce, display, transmit, distribute, publicly perform, and create derivative works of Data in de-identified and/or aggregated form. The Client agrees that TNTP may use any de-identified Data and metrics regarding the Client's business that are provided to TNTP by the Client, or which are otherwise collected by TNTP during the course of providing the Services. TNTP may identify the Client as the source from which the Data originated if it complies with the other terms in this Agreement. Client agrees that TNTP may use de-identified and/or aggregated Data for its business purposes, including, without limitation, for purposes of publication, research, evaluation, and presentation by TNTP.

10.4 Client Partners. If necessary to support TNTP's Services, Client grants TNTP permission to share the de-identified Data with third party researchers, evaluators, partners, and funders.

Section 11. Confidentiality.

Each party agrees that it shall neither disclose any confidential information of the other party to third parties nor use any confidential information of the other party in any manner other than as contemplated by the Agreement. "**Confidential Information**" is any information marked confidential by a party or information that by its nature or the context of its disclosure ought to be treated as confidential information (including without limitation the terms of Agreement). The following types of information, however marked or designated, are not Confidential Information: (a) information that is, or becomes, lawfully and publicly available without a breach of this Section; (b) information that was lawfully known to the recipient of the information without an obligation to keep it confidential; (c) information that is received from another source who can disclose it lawfully and without an obligation to keep it confidential; or (d) information that is independently developed. The parties agree that any disclosure of Confidential Information shall be made available only to its employees, officers, directors, financial and legal advisors, agents, or representatives ("**Representatives**") who need to know in order to further the purpose of the services addressed in this Agreement and as required by applicable law. The parties further agree to inform its Representatives of the confidential nature of the Confidential Information and direct them to treat the Confidential Information in accordance with the terms of this Agreement. The parties acknowledge that irreparable injury and damage may result from disclosure of the Confidential Information to unauthorized third parties or from utilization of the Confidential Information for purposes other than those connected with TNTP's Services.

Section 12. Miscellaneous.

a. The Services are limited to those specifically described in the Agreement and Scope of Services and do not under any circumstances constitute accounting, audit, or tax related assistance or advice, investment advice, legal advice, or

services (including as to the manner, if any, in which Client may lawfully implement any advice provided by TNTP), expert witness services.

b. If in any event any provision of this Agreement is held by a court to be unenforceable as written, that provision will be reformed so as to give effect to the intentions of the parties, and the other provisions of the Agreement.

c. Neither the Client nor TNTP may assign their rights under this Agreement without the prior written consent of the other.

d. TNTP shall not be deemed to have breached this Agreement, for any failure or delay in performing any of its obligations under this Agreement when such failure or delay is caused by or results from an event beyond TNTP's reasonable control, including without limitation (1) acts of God, (2) natural disasters, (3) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest, (4) governmental orders or restrictions, (5) international, national or regional emergency, (6) flood, fire, or explosion, (7) strikes, labor shortages, stoppages or slowdowns, (8) epidemics, pandemics, diseases, quarantines, or other extraordinary events which is determined to constitute an public health risk ("**Force Majeure Event**"). TNTP will use commercially reasonable efforts to give notice of the Force Majeure Event to the Client stating the period of time the occurrence is expected to continue, provided that (a) TNTP is able, given the nature and scope of the Force Majeure Event, to reasonably state such time period, and (b) any delay by TNTP to provide such notice or to state the time period when performance will be resumed will not negate the enforceability of this Section. Upon cessation of such Force Majeure Event, as reasonably determined by TNTP, TNTP will thereupon use commercially reasonable efforts to resume efforts to promptly perform or complete the performance of TNTP's Services hereunder as soon as reasonably practicable after the cessation or resolution of the Force Majeure Event. If TNTP's failure or delay to resume efforts to promptly perform or complete the performance remains uncured for a period of 60 days following notice given by it to Client under this Section, either party may thereafter suspend or terminate its performance under the applicable Scope of Work upon thirty (30) days' written notice.

e. All notices required by this Agreement will be in writing and either personally delivered or mailed to such party at its address specified on the first page of this Agreement or to such other address as such party may designate by notice given in accordance herewith. All notices will be deemed given when delivered. If to TNTP, the notice will be to Michele Listokin, Interim General Counsel.

f. This Agreement will be governed by Tennessee law without reference to conflicts of laws principles. The parties agree and consent to the exclusive jurisdiction of and venue in the state or federal courts in the county of Cumberland and the state of Tennessee in all disputes arising out of or relating to this Agreement.

g. Neither party has entered into this Agreement in reliance on any promise, representation, or warranty not contained herein. This Agreement will be construed according to the fair intent of the language as a whole, and not for or against either party.

This Agreement constitutes the entire agreement between the parties and supersedes all prior negotiations, understandings, representations, and agreements, if any, with respect to the subject matter hereof. Neither this Agreement nor any provision hereof may be modified, amended, supplemented, waived, discharged, or terminated except in a writing signed by the parties. No failure or delay in exercising any right or remedy hereunder shall constitute a waiver of such, any other, right, or remedy.

TNTP will host a monthly learning session created around needs that arise and data from learning walks. Learning sessions will be heavily focused on planning for instruction during the next month.

Priority #2: Build the capacity of district and school leaders and classroom teachers to provide academic support to students with thinking and learning differences.

Cumberland County Special education teachers and district leaders who support these teachers will work towards the following objectives:

- **Share a district-wide vision for K-5 literacy and math academic support** for students with IEPs that is grounded in the Science of Reading and shifts in mathematical standards, leverages HQIM assessments and materials, and is aligned to best practices for students with IEPs.
- **Scale instructionally coherent practices for Tier 1 and intervention to all K-3 classrooms** to include, at a minimum:
    - Use of foundational skills assessments to drive placement and content decisions.
    - For students with IEPs who are being held accountable to grade-level standards (i.e. taking the traditional ELA TCAP, with or without modifications, at the end of the year), use of HQIM for the majority of the support students receive.

These objectives would be achieved through professional development sessions and learning walks within classrooms to support the learning and development of our vision.

RE: June Inventory Items for Retirement
DATE: June 10, 2026

Dear Dr. Farley and B.O.E. Members:

Attached, you will find a list of inventory items proposed for retirement. Each item has been inspected by the District Inventory Control Clerk, the CCHS Technology Technician, the CTE Auditor, or the School Inventory Auditor. After careful review, it has been determined that these items no longer serve the needs of the staff or students at Cumberland County High School. Furthermore, the items are not deemed usable or beneficial to any other school and/or students within the district.

We respectfully request approval to retire the listed items. Upon approval, we will ensure all disposal procedures and district guidelines are followed accordingly.

If you have any questions, please feel free to contact us. In our ongoing efforts to maintain accurate inventory records and uphold integrity in materials management, Dr. Shadden continues to collaborate with key departments—including Technology, Special Education, and CTE—to ensure proper documentation and updates through TIP-Web IT.

Respectfully submitted,

Dr. Warner
