Supervisors' Good News

Sabra Coker:

The number of Covid cases has decreased in the county. Last week we only had one positive case and it was a staff member. We did have 6 students that were placed on quarantine due to exposure. We are hoping this is a continuing trend and we can get back to some kind of normal activity. We are still practicing our safety measures.

Rory Foster:

Peggy Hamby:

*We had 3 employees earn the certificate level 3 in school nutrition last month,

*Coalfield Kristie Jackson 6th grade group won Milk Mustache contest with their wonderful video and as a prize will be hosting the Titans T Rac. This video can be seen on our Morgan County Food & Nutrition Facebook page along with the other school entries.

Thanks, Peggy

Patricia Pace:

Staff Wellness - Staff completed a Self Care Bingo activity and are participating in a Drink More Water Challenge for March.

The District Youth Health Council is currently working on creating a vaping presentation for 5th grade across the district.

Coordinated School Health is partnering with Frozen Head and Save the Children to share social emotional lessons to after school children.

Jamie Pemberton:

Following is the Elementary News for February:

- We have begun work on the new Summer Learning Camps the state is now requiring each district to conduct. Save The Children has agreed to be a partner and help fund the camps at each school. Right now we are working on getting the number of students who are interested in participating and the number of staff that will be needed at each site.
- With ESSER funding we have designated money to purchase curriculum materials. We are currently working on developing teams to review items to purchase for the classrooms. Principals are sending names of faculty members at their school to serve on the team.

Suzanne Poole:

Chris Rogers:

The first 1200 Chromebooks are in and delivered to the school! They will be handing them out any day!

3 Pupil-teacher rations shall not exceed the averages outlined in state law. Further, class sizes shall not
4 exceed the maximum allowed by state law.

5 Curriculum material utilized shall reflect the cultural and racial diversity present in the United States and
6 the variety of careers, roles and life-styles open to women as well as men in our society. One of the

1 VIRTUAL/ONLINE COURSES

2 High school students may earn academic credit to be applied toward graduation requirements by
3 completing online courses offered through agencies or institutions approved by the Board. Credit from
4 these online courses may be earned only in the following circumstances:

- 5 1. The course is not offered at the high school or although the course is offered at the high school,
6 the student has an unavoidable scheduling conflict;
- 7 2. The course will serve as a supplement to extend homebound instruction;
- 8 3. The student has been expelled from a regular school setting, but educational services are to be
9 continued; or
- 10 4. The principal, with agreement from the student's teachers and parents/guardians, determines the
11 student requires a differentiated or accelerated learning environment.

12 The approval of the principal/designee shall be obtained before a student enrolls in an online course. The
13 school shall receive an official record of the final grade before credit toward graduation will be
14 recognized.

15 Through a supervision plan, the school shall be responsible for providing appropriate supervision and
16 monitoring of students taking online courses.

17 COURSE ACCESS PROGRAM (Effective Fall 2019)

18 Students in grades seven through twelve (7-12) may participate in the statewide course access
19 program. To become eligible to participate, students shall:

- 20 1. Meet all prerequisite requirements for the course access course; and
21
- 22 2. Be unable to enroll in a comparable course at the student's school because:
 - 23 a. A comparable course is not offered; or
 - 24 b. A legitimate situation exists that prevents the student from enrolling in a comparable
25 course.¹

26 The Director of Schools shall develop administrative procedures to ensure that students and
27 parent(s)/guardian(s) are given written notice of their right to appeal any denial of a course access
28 course enrollment in a timely manner.² All appeals shall be submitted in writing to the Board within
29 fifteen (15) days of a denial.

- 1 After a timely appeal is made, the Board will provide written notification to the student and
- 2 parent(s)/guardian(s) of the time, place, and date of the hearing. The hearing shall be held no later than
- 3 ten (10) days after the appeal is submitted. At the hearing, the Board shall determine whether there was
- 4 an error in denying the student the ability to participate in the course access program.³

2 The Board is committed to increasing and ensuring the involvement of parents and other family
3 members in the education of students.

4 The Board shall implement the following as required by federal or state laws or regulations:¹

- 5 1. The school district shall annually work with parents in evaluating and potentially revising the
6 provisions of this policy in improving the quality of schools. Such an evaluation shall strive to
7 identify any barriers to greater participation by parents (with particular attention to parents who
8 are economically disadvantaged, are disabled, have limited English proficiency, have limited
9 literacy, or are of any racial or ethnic minority background).
- 10 2. The school district shall provide the coordination, technical assistance, and other necessary
11 support to assist individual schools with planning and implementing parental involvement
12 activities.
- 13 3. The school district shall involve parents with the development of required educational or
14 improvement plans.
- 15 4. The school district shall coordinate and integrate parental involvement strategies with those
16 associated with other federal or state programs.
- 17 5. The school district shall put into operation activities and procedures for the involvement of
18 parents in all of its schools.² Those programs, activities and procedures will be planned and
19 operated with meaningful consultation with parents.
- 20 6. The school district shall ensure that activities and strategies are implemented to support this
21 policy and included in the district plan.
- 22 7. The district improvement plan shall include strategies for parental participation in the district's
23 schools which are designed to improve parent and teacher cooperation in such areas as
24 homework, attendance, discipline and higher education opportunities for students.
- 25 8. The district plan shall include procedures to enable parents to learn about the course of study of
26 their children and have access to all learning materials.
- 27 9. The district plan shall identify opportunities for parents to participate in and support classroom
28 instruction in the school. Such opportunities include, but are not limited to, organizing
29 fundraising activities, volunteering as a field trip chaperone, assisting in the library, computer
30 lab, or on the playground, offering after-school clubs, and recycling clothes.
- 31 10. If the school district's plan is not satisfactory to parents, the school district shall submit parental
32 comments regarding the plan to the State Department of Education as required.
- 33 11. The school district shall ensure Title I schools are in compliance with the Every Student
34 Succeeds Act.

1 The director shall develop and implement any procedures necessary to accomplish the goals of this
2 policy.

Those teachers who prefer and use this type of assessment will provide written guidelines of their grading procedures to students, parents/guardians, and the school administration

TRANSFER GRADE CONVERSION

It is the intent of the district to attain the numerical grade from a transfer school. When the numerical grade is not provided, the following scale will be used to convert the letter grade that is provided (note the alternate scale in the following section for college level courses):

A+ = 98	B+ = 91	C+ = 83	D+ = 74	F = 65
A = 95	B = 88	C = 80	D = 72	
A- = 93	B- = 85	C- = 76	D- = 70	

GRADE CONVERSION FOR COLLEGE LEVEL COURSES

The letter grade reported by colleges and universities will be converted using the following scale –

College Grade	High School Numerical Grade	QPA

2 will place students at the grade level best suited to them academically, socially and emotionally.
3 Retentions may be made when, in the judgment of the teacher, such retentions are in the best interest of
4 the students. Decisions to retain are subject to review and approval of the principal after consultation
5 with the teacher. However, no student enrolled in the third (3rd) grade shall be promoted unless the
6 student has shown a basic understanding of curriculum and ability to perform the skills required in the
7 subject of reading as demonstrated by the student's grades or standardized test results. This requirement
8 shall not apply to students who are participating in a Board approved research-based intervention prior
9 to the beginning of the next school year or to students who have IEPs pursuant to 20 U.S.C. § 1400 et
10 seq.¹

11 The director shall report, at least annually on any intervention programs available to students in the third
12 (3rd) grade and recommend any new programs or the modification of any existing programs to better
13 serves these students.

14 In order to enhance the opportunity for remediation, students with problems shall be identified as early
15 as possible in the school year. Parents shall be notified when problems are identified and shall be
16 informed periodically of remedial efforts and given progress reports.

17 Before a student is retained, the parents shall be informed in writing and shall be requested to participate
18 in a conference at least six (6) weeks before the end of the school year.

19 The following factors shall be considered in making a decision on promotion and retention:¹

20 1. *Mastery of essential competencies.* Students shall have mastered essential skills sufficiently to
21 ensure a likelihood of success at the next grade level.

22 2. *Special procedures for special students.* Students who have been identified as having special
23 problems, including high risk students and others with special needs, shall be given special
24 consideration. Placement of students with IEPs shall be determined by the IEP-Team.

25 3. *Flexible placement.* Use of conditional promotion, remedial summer programs, assignment to
26 transitional classes, and other approaches to meeting the needs of students shall be given
27 consideration.

28 4. *Attendance.* Attendance shall become a relevant factor only when excessive absenteeism
29 becomes an educational problem.²

30 5. *Conduct.* Retention shall not be used as a disciplinary measure.

1 6. *Previous retention.* Except under unusual circumstances, students shall not be retained more than
2 once in the same grade.

3 7. *Grade level.* Retention shall be considered more appropriate in grades K-3.

4
5 *K – 3 Reading Notification*

6 If it is determined through a student's overall performance on a state or local assessment that a
7 student in grades kindergarten through three (K-3) is not meeting grade-level standards in
8 reading, the student's parent(s)/guardian(s) shall be notified within fifteen (15) calendar days of
9 such determination.

10

11 Once the decision to retain has been made:

- 12 1. A report of each student retained shall be made to the director of schools;
- 13 2. Documentation verifying student deficiencies shall be placed in the student's record;
- 14 3. Parents shall have the right to appeal any decision through appeal procedures established by
15 board policy; and
- 16 4. The teacher shall be consulted at each level of the appeal procedure.

17 Educational experiences for the repeated year shall be varied in order to provide an appropriate
18 instructional program. Variations may include, but are not limited to, the following:

- 19 1. different teacher(s);
- 20 2. different techniques and strategies;
- 21 3. different materials; and
- 22 4. varying lengths of time per subject and/or physical setting in classroom.

23 For the purpose of determining the effectiveness of retention toward improving student achievement, the
24 progress of retained students shall be monitored for at least three (3) years.
