Sunbright high school students participated in the Save a Life tour on Tuesday, November 15. Each student was given the opportunity to participate in simulations about drunk driving and distracted driving. The students seemed to enjoy the program and the presenter was very complimentary of our students.

Sunbright School's bible release time has started back and elementary students are enjoying that time.

Sunbright School Renaissance program will sponsor an online auction that begins this Friday and ends on Friday, December 9.

Sunbright School celebrated Thank You Day on Friday, November 18. Students created a thank you card or wrote a thank you letter to a faculty or staff member. This was a huge blessing to our teachers and staff.

Substitute Teacher Appreciation Day was on Nov 19, we gave each sub a goodie bag to thank them for working with us.

Sunbright School had a very successful Thanksgiving Lunch with Parents/Grandparents. We had approx 175 guests that day and plenty of Thanksgiving food for everyone to enjoy.

Supervisors' Good News

Renee Davis:

SPED- The county wide behavior classroom is making progress. The two assistants agreed to transfer into the classroom, have visited the behavior classroom in White Co. and have started their 40 hour course. They plan to finish it in the next couple of weeks. We also have found one replacement person for the CDC classroom and are in the process of conducting interviews to find the other replacement. We are hopeful this program will start when we return in January. I had the opportunity to speak with CES faculty and staff at a faculty meeting a couple weeks ago, and this information and classroom was well received.

2022 Local Education Agency Compliance Report

Local education agencies (LEAs) are required to comply with all federal and state education laws and State Board of Education (SBE) rules. This annual compliance report is one mechanism the department uses to ensure education laws and rules are faithfully executed. The commissioner of education is charged with taking corrective action when an LEA is noncompliant with those laws and rules or is not following a department-approved compliance plan.

Each LEA must submit this report and, if applicable, the corresponding corrective action plan, to the department by **November 30, 2022**. During completion, an LEA should carefully check the status of its compliance with all federal and state education laws and SBE rules. The department monitors and verifies LEA compliance via multiple data sources (e.g., Education Information System, internal program managers) and will consider those sources in making a final determination of an LEA's compliance. Please be advised annual compliance report data may inform an LEA's approval classification.

- I certify that the LEA is in compliance with all federal and state education laws and SBE rules.
- I certify that, with the exception of areas indicated in the **attached corrective action plan**, the LEA is in compliance with all federal and state education laws and SBE rules.
