1 **USE OF PERSONALLY OWNED DEVICES (PODS) IN SCHOOL**

2 A personally owned device (POD) is a device that has the capability of connecting to a local or cellular
3 network (wired or wireless). A POD can be (but is not limited to) a camera, recorder, phone, player,
4 game console, or computer with or without Internet capabilities. Such PODs may include (but are not
5 limited to): CD/DVD players, iPads, iPods, MP3 players, tablets, game consoles, netbooks,
6 laptop/notebook computers. PODS may be stored in backpacks, purses or personal carry-alls. The
7 presence or use of a POD must in no way be a disruption to the learning environment.

8 **Use by students in Grades PreK-K-5th**

9 Students may possess PODs during the school day. However, the POD must be in the “off” or “silent”
10 mode and must be kept in a backpack, purse or similar personal carry-all and may not be used unless
11 the principal or the principal’s designee grants a student permission to do so. The principal or teacher
12 may specifically grant permission for a student to use a POD during class time for a specific academic
13 purpose or at other times for other purposes that the principal deems appropriate.

14 **Use by students in Grades 6th through 12th**

15 Students may possess PODs during the school day. The devices may be used on school grounds before
16 8:30 a.m. and after 3:30 p.m. They may also be used during lunch periods, and during class change
17 times. At all other times the POD must be in the “silent” mode. **The principal or teacher may grant a
18 student permission to use a POD during class.**

19 **Violations**

20 A POD used outside these parameters may result in confiscation of the POD until it can be released
21 directly to the student’s parent or guardian. A student who possesses or uses a POD in violation of this
22 policy is subject to related disciplinary action. Continued violation of this policy will result in loss of
23 POD privileges. Additionally, students may lose POD privileges for any policy violation that is related
24 to or is the result of the use of a POD whether or not the POD was used within the parameters of this
25 policy.

26 Use of a POD or electronic device to bully, harass, or intimidate others will be subject to related
27 disciplinary action. Using a POD or other electronic device for any illicit activity including but not
28 limited to take, disseminate, transfer, or share obscene, pornographic, lewd, or otherwise illegal
29 images, photographs, or similar material whether by electronic data transfer or otherwise may

1 constitute a crime under State and/or Federal law. Any student taking disseminating, transferring,
2 possessing or sharing obscene pornographic, lewd, illegal, or otherwise inappropriate images or
3 photographs of other students, or any other individual, particularly underage, at school, on a school bus
4 or while attending any school event or activity will be subject to the disciplinary procedures of the
5 school district and reported to law enforcement and other appropriate State or Federal agencies.
