Barbara Ector devoted her life to helping others, particularly children and families in need. She believed in creating opportunities and providing resources to ensure every child could thrive. Her compassionate heart and dedication to service continue to inspire us, and we are proud to carry forward her vision through Barbara's Market.

Barbara's Market will provide essential resources such as food, clothing, hygiene items, and school supplies to families in our community. This initiative aims to reduce barriers to success and ensure every student has the tools they need to excel academically and personally.
