LOOKING AHEAD TO 2031!

TCS 2026-2031 STRATEGIC PLAN

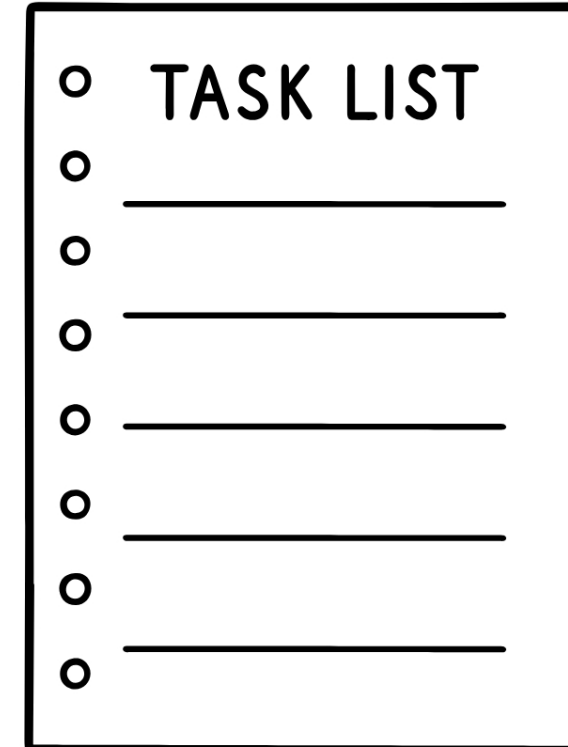

“CHALLENGING STUDENTS TODAY FOR A LIMITLESS TOMORROW.”

On June 16, 2026, the Tullahoma City Schools Board of Education unanimously approved adopting the district's five-year strategic plan, **Looking Ahead To 2031.**

While working on this strategic plan, district officials sought input from stakeholders, including staff, parents, and community members. Throughout this process, three priorities emerged: Facilities, Funding, and Personnel. As the plan moves forward, the included graphics in this document will be updated to reflect any changes, additions and/or progress that has occurred.

Facilities

By 2031, all Tullahoma City Schools (TCS) campuses will have equitable spaces in place to support the mission of TCS: to provide challenging and innovative experiences that support each students' academic, personal, social, and emotional development, preparing them to live with integrity and a sustained passion for learning.

Prioritize Needs

Continue to assess and prioritize what improvements are needed at each campus.

Early Childhood Learning Center

Complete construction and relocation of all preschool and daycare programs to the Early Childhood Learning Center.

Bel-Aire Possible Expansion

Determine the next step for the Bel-Aire expansion plan.

REL Possible Expansion

Work with the architect to create possible conceptual design for school expansion.

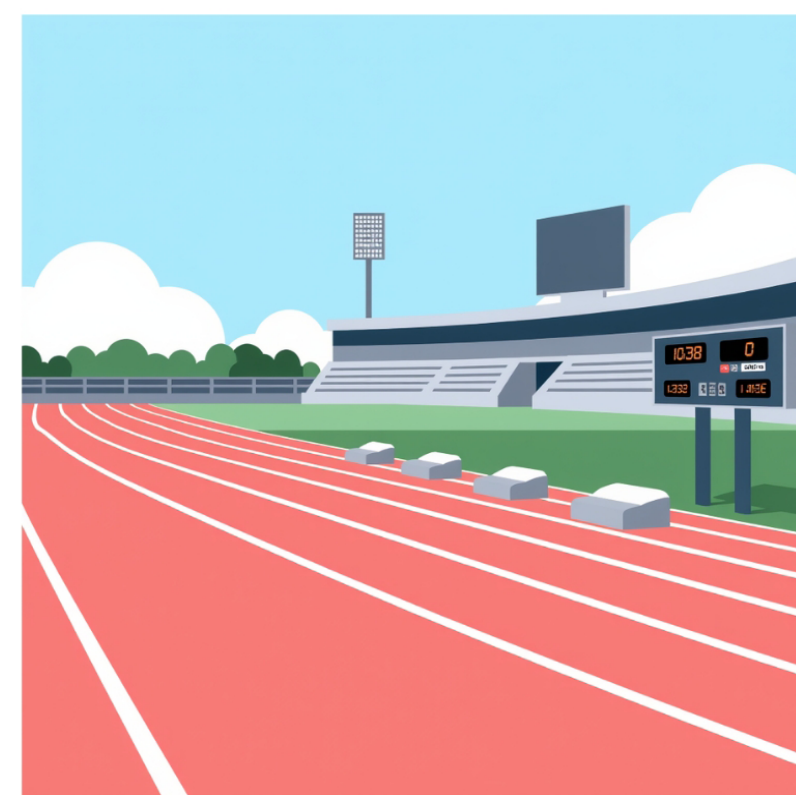

Feasibility Study; Possible New School

Evaluate and determine if building a new elementary school is necessary and feasible.

Ensuring Schools Are ADA Compliant

Assess and prioritize buildings to ensure that they are updated to improve American with Disabilities Act compliance.

Athletic Facility Upgrades

Examine each athletic facility to see if upgrades are needed and/or feasible.

Explore Creative Funding Methods

Explore ways to acquire funding for facility projects, including applying for grants, and other funding sources.

Alternative Uses For CSS Building

Evaluate various ways that the Community School Services Building may be utilized by conducting cost/benefit analysis.

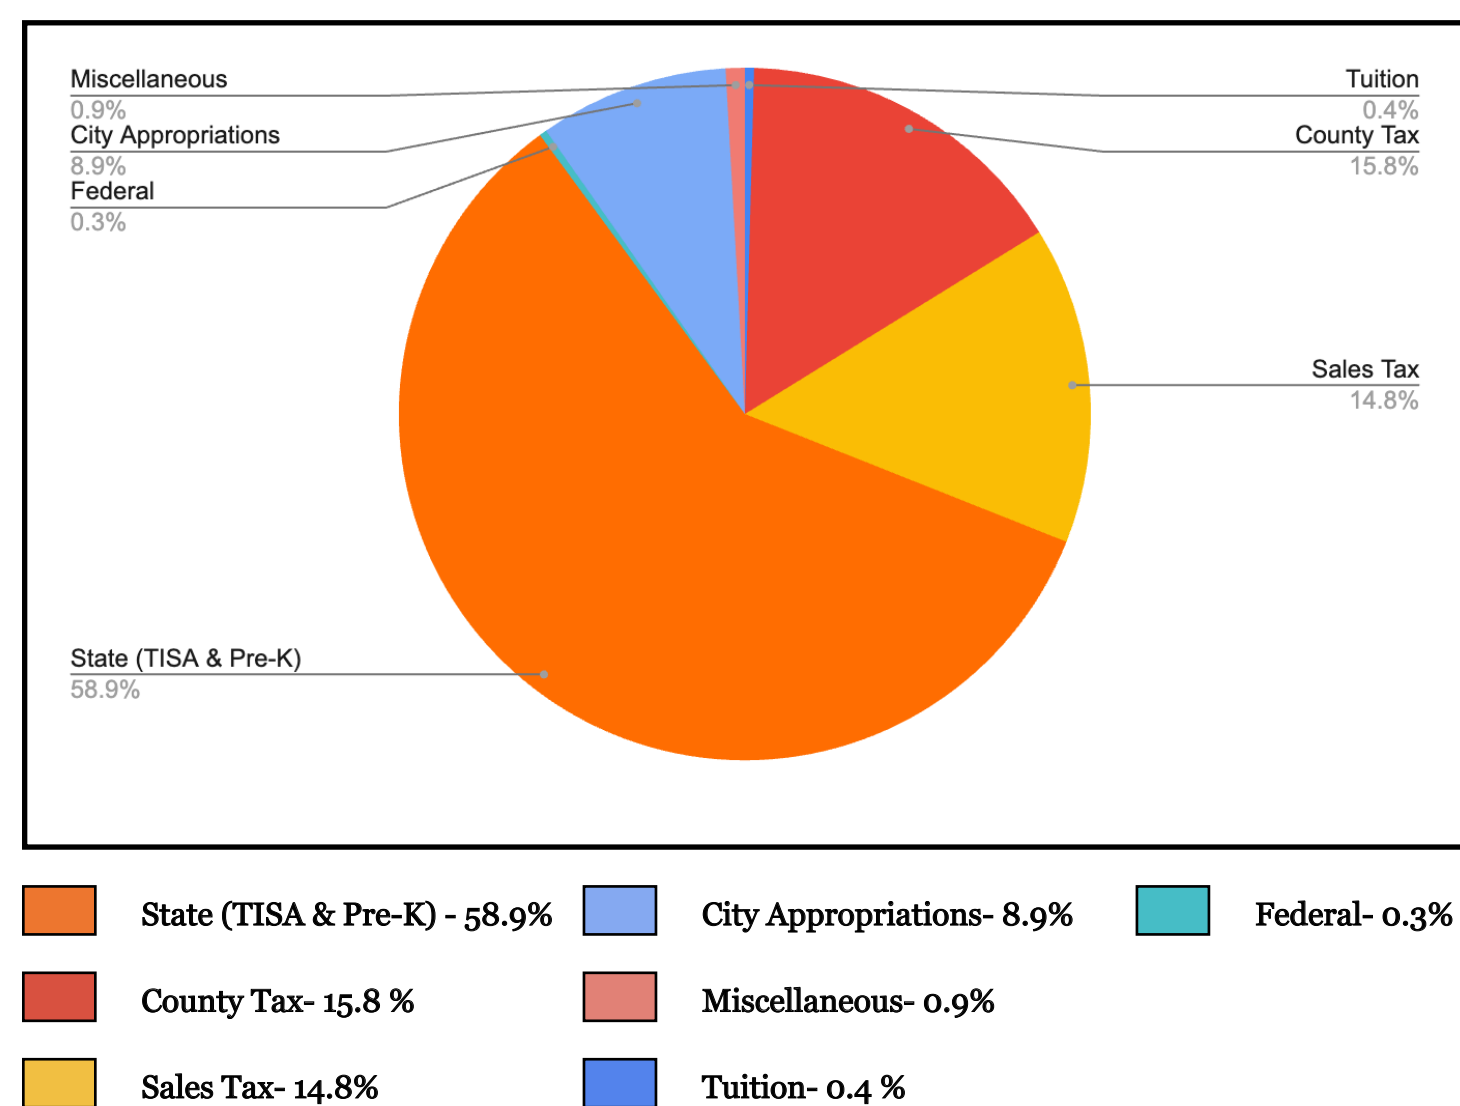

Create A Preventative Maintenance Plan

Do a thorough review of all buildings and spaces to continue and improve preventative/sustainable maintenance plans.

Funding

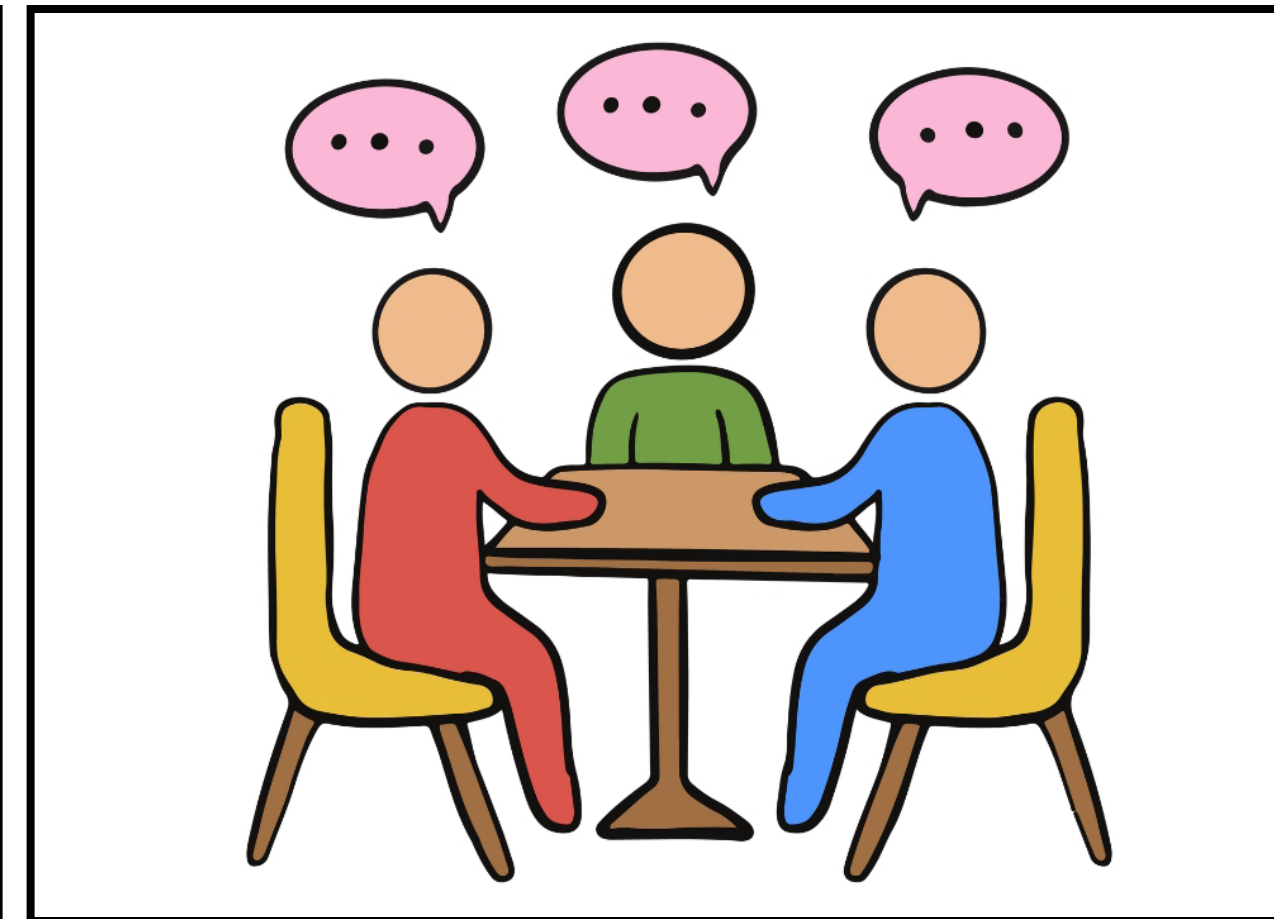

By 2031, Tullahoma City Schools (TCS) will maximize and strengthen funding sources to ensure that students and staff members are equipped to create the best possible learning environment.

TCS Revenue Sources

Re-examine Tuition Fees

Explore all options when considering maintaining, increasing or waiving annual tuition fees for out-of-district students.

Revisit Out-Of-District Student Assignment

Reassess the process for out-of-district student placement/transfers based on available space.

Learn About Tennessee's Special School Districts

Seek Tennessee School Board Association's guidance and education on special school districts (municipal systems initiated through private acts). If it is an option to explore, TCS will weigh the cost and benefits.

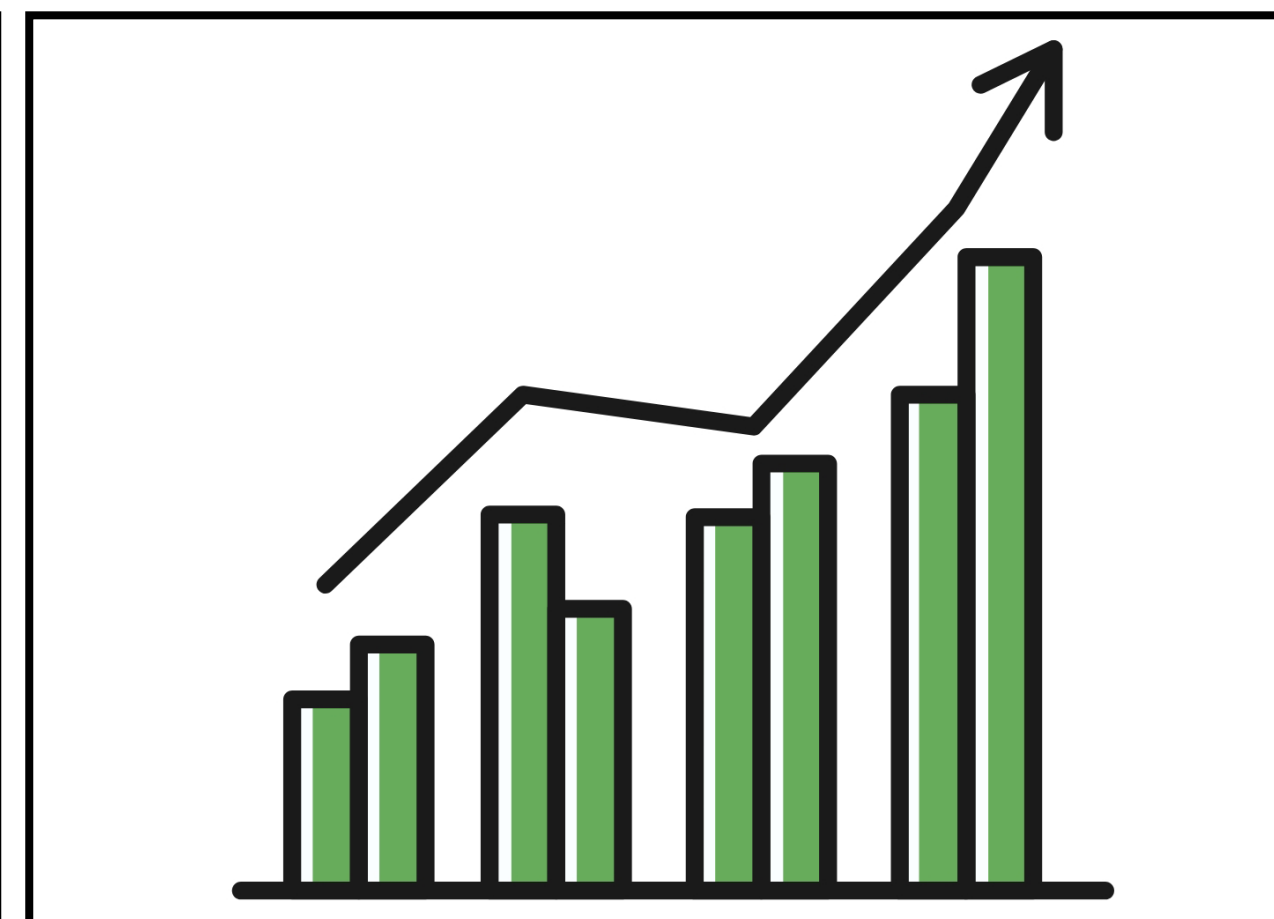

Identify/Secure Grants

Explore the addition of a grant writer (part or full-time) to secure grants to meet needs across the district.

Increase Community Partnerships

Strengthen partnerships with community members and organizations through retreats, study sessions, etc., and better support student needs through targeted partnerships at all levels.

Evaluate Growth Plan

District officials will discuss budgeting and work with the city to develop a proactive plan for new growth/developments coming to Tullahoma.

Tennessee Investment in Student Achievement (TISA)

Break down the TISA funding formula; identify areas where funding can be maximized. Provide monthly meetings to discuss TISA with leadership team. Create and provide educational sessions for funding body.

Increase Industry Partnerships

Increase the number of industry partners to benefit students in school-to-work pathways and to support current needs of schools and facilities.

Personnel

By 2031, Tullahoma City Schools (TCS) will implement additional strategies to attract new teachers and staff, while also retaining valuable team members.

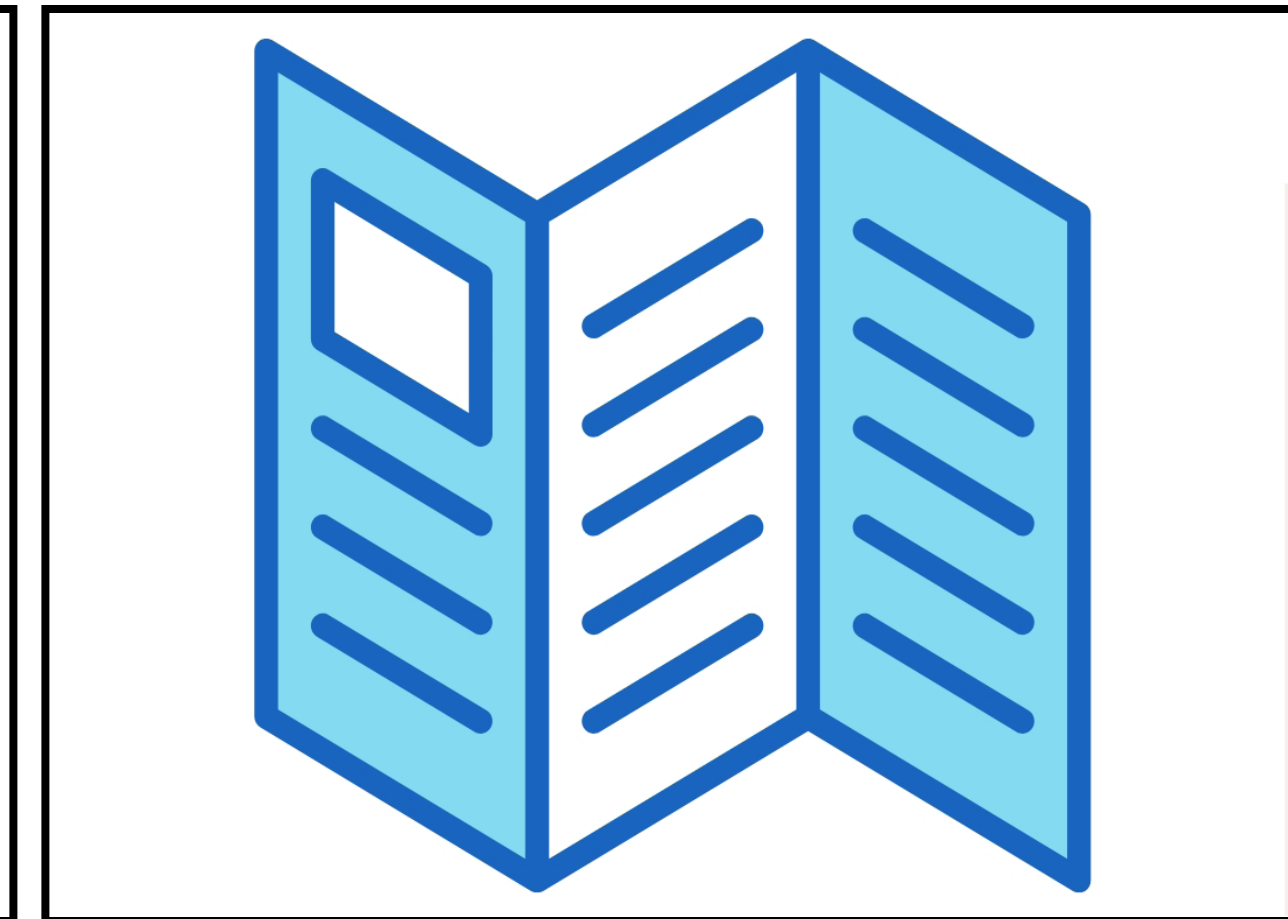

Enhance Recruitment Plan To Attract New Staff

Review and improve strategic initiatives that effectively showcase the district's strengths, culture, support systems, and opportunities in order to attract high-quality teachers and staff.

Social Media & Websites

District and schools continue to utilize social media and websites to showcase the heart and culture of TCS. Highlight successes through videos, hashtags and targeted campaigns, capturing the great work in our schools.

Brochures And Printed Materials

Design professional brochures and other printed materials that outline benefits, career growth and available opportunities.

Career And College Job Fairs

District officials will continue to attend job fairs, including local, regional, state, and collegiate with branded booths and banners to attract new staff members. Continue to host annual TCS Job Fair.

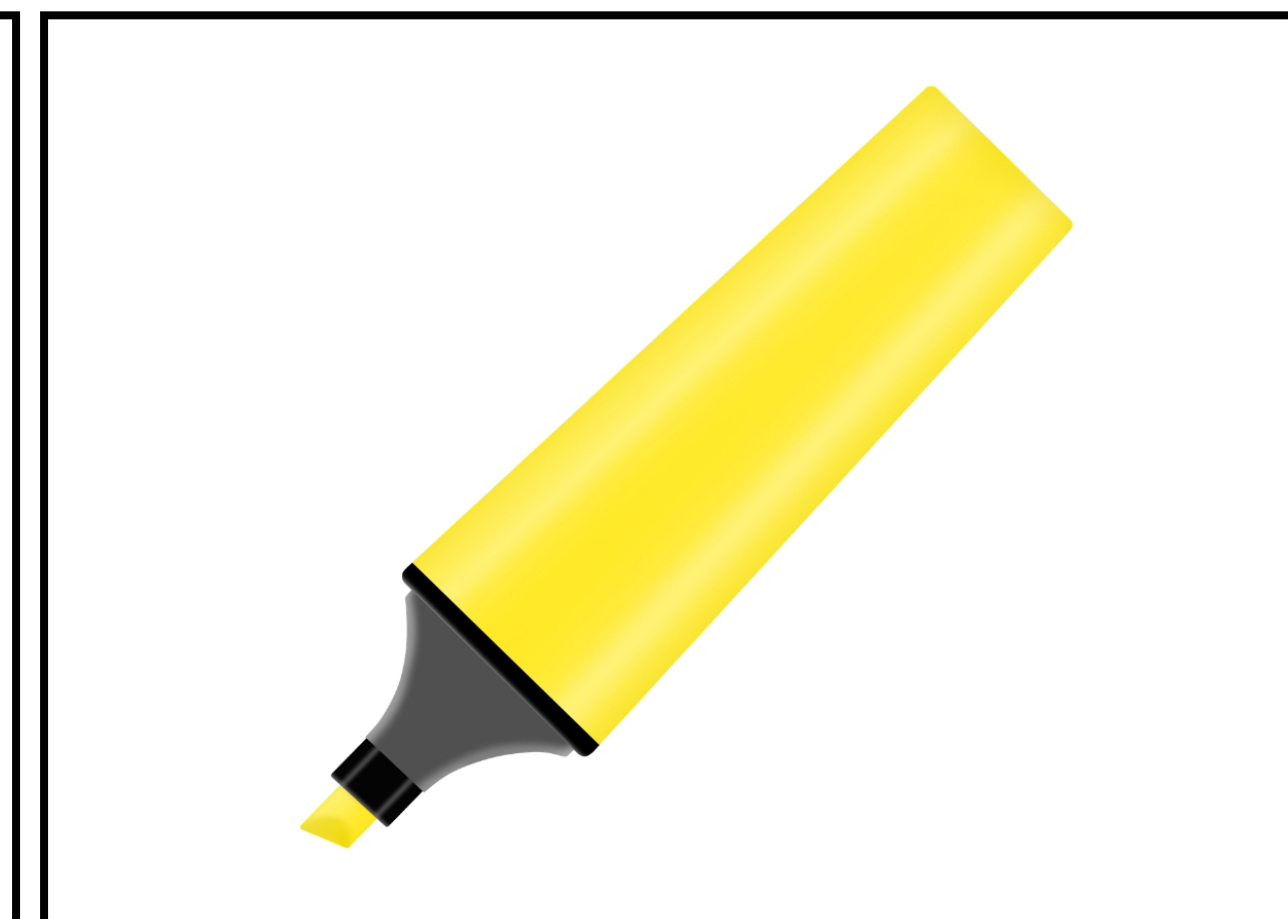

Develop Retention Plan For Current Employees

The district will continue exploring various plans to help retain high-quality teachers and staff members.

Increase Pay

Explore the possibility of a pay increase for added licensure endorsements/certifications connected to employment responsibilities or hard-to-fill positions as needed.

Highlight Incentives

Clearly communicate compensation packages and benefits (Little Cats Learning Academy, Insurance Benefits, etc.) in multiple formats to showcase why #TCSIsABetterPlace.

Build And Cultivate Teachers

Continue to utilize "Grow Your Own" to develop new teachers inside our district. Mentor all new teachers and support existing teachers and staff by providing high-quality professional development for all.

Tullahoma City Board of Education

Monitoring: Review: Annually, in July	Descriptor Term: Appeals to and Appearances Before the Board	Descriptor Code: 1.404	Issued Date: 06/16/26
		Rescinds: 1.404	Issued: 04/14/26

1 APPEALS TO THE BOARD

2 Any matter relating to the operation of the school system may be appealed to the Board. However, the
3 parties shall attempt to settle all matters at the lowest level of responsibility, and the Board shall not hear
4 complaints or concerns which have not advanced through the proper administrative procedure. If all
5 steps of the administrative procedure have been pursued and there is still a desire to appeal to the Board,
6 the matter shall be referred in writing to the office of the Director of Schools, and the Board shall
7 determine whether to hear the appeal.

8 APPEARING BEFORE THE BOARD

9 Individuals speaking to the Board shall address remarks to the Chair and may direct questions to
10 individual board members or staff members only upon approval of the Chair. Each person speaking shall
11 state his/her name, address and shall identify the matter that is germane to the school board's jurisdiction
12 to be addressed. When addressing board, speakers shall avoid naming any individual employee. The
13 Chair shall have the authority to terminate the remarks of any individual who violates state law or does
14 not adhere to board rules.¹

15 *Public Comment Period*²

16 There shall be a public comment period for each meeting with actionable items on the agenda, with the
17 exception of student or teacher disciplinary hearings. Comments shall be limited to matters that are
18 germane to the school board's jurisdiction. The total public comment period shall be for no more than
19 fifteen (15) minutes. If an individual wishes to address the Board, he/she shall sign up on the form
20 provided before the beginning of the board meeting to request time to speak. Each speaker shall be given
21 no more than three (3) minutes.

22 *Adding an Item to the Agenda*

23 Individuals desiring to have an item added to the school board agenda shall submit a written request with
24 descriptive materials to the office of the Director of Schools six (6) days before the meeting. If the request
25 is approved by the executive committee, the item will be placed on the agenda. The individual who
26 submitted the approved additional agenda item will be placed on the agenda and recognized at the
27 beginning of the meeting. Three (3) minutes will be the time allotted to speak when their item is
28 addressed on the agenda. All requests submitted will be included in the board packet.

Artificial Intelligence (AI) Program Report

Our district will enforce **BOE Policy 4.214** using the procedures outlined below for the 2026-2027 school year.

Generative AI websites are accessible to staff members for instructional and professional purposes, but remain blocked for Grades K-8 students. Students in grades 9-12 will have access to the MagicSchool platform using the following implementation plan.

MagicSchool Implementation Plan (THS and TVA Grades 9-12 students)

Purpose

To introduce and implement the use of MagicSchool for students in grades 9–12 in a phased, responsible manner that ensures teacher readiness, supports instructional goals, and promotes appropriate student use.

Phase 1: Identification & Preparation Lead Teacher Cohort (Semester One)

- Lead Teacher Cohort Selection
 - Identify and solicit a cohort group of teachers representing all academic departments, if applicable (would like a minimum of at least one teacher per department)
 - Participation in the cohort group is voluntary but encouraged
 - Selected teachers will agree to integrate MagicSchool with students and provide feedback
- Teacher Training (Inservice Week)
 - The Lead Teacher Cohort will receive initial training during the in-service week (Date coordinated between THS and TVA), including:
 - Understand the requirements to comply with BOE Policy 4.214
 - Overview of MagicSchool features
 - Instructional applications for grades 9–12
 - Best practices for classroom integration
 - Digital citizenship and responsible AI use
 - Student guidelines and expectations
 - Since Dr. Gonzalez has been using MagicSchool with his students since late February, he would be well-positioned to support and facilitate the initial training for this group.

Phase 1: Lead Teacher Cohort Implementation (Semester One)

- Lead teachers will:
 - Teachers will communicate with parents/guardians through ParentSquare to inform them that their students will be utilizing the MagicSchool platform in their classroom
 - Integrate MagicSchool into instruction as appropriate
 - Model and teach appropriate and ethical use of the platform
 - Provide structured opportunities for student use

- Ongoing support will be provided through:
 - Check-ins (monthly or as needed)
 - Shared resources and collaboration among cohort teachers

Data Collection & Feedback

- Gather feedback from:
 - Cohort teachers (instructional impact, usability)
 - Students (engagement, clarity of expectations)
- Identify:
 - Successes and challenges
 - Recommended guidelines and best practices for wider rollout

Phase 2: Expansion (Semester Two)

- School-wide Teacher Access
 - Beginning Semester Two, MagicSchool access will be available to all high school teachers who want their students to use the platform.
- Teacher Training (January Administrative Day)
 - Training will be led by the Lead Teacher Cohort and will include:
 - Understand the requirements to comply with BOE Policy 4.214
 - Overview of MagicSchool features
 - Instructional applications for grades 9–12
 - Best practices for classroom integration
 - Digital citizenship and responsible AI use
 - Student guidelines and expectations
 - Demonstrations of classroom use
 - Lessons learned and best practices
 - Examples of student activities
 - Guidance on managing and monitoring student use
- Participation Model
 - Participation is optional
 - Teachers who choose to participate must:
 - Provide explicit instruction on the appropriate use
 - Set clear expectations for students
 - Monitor and guide student engagement with the platform

Phase 3: Full Implementation & Support

- Classroom Use
 - Teachers who opt in will:
 - Provide notification to parents/guardians via ParentSquare at the start of the semester
 - Integrate MagicSchool into lessons where appropriate
 - Reinforce responsible and ethical AI use

- Align use with instructional goals and standards
- Student Expectations
 - Students will:
 - Use MagicSchool as directed by their teacher
 - Follow school guidelines for academic integrity
 - Demonstrate responsible digital citizenship

Ongoing Support & Evaluation

- Support Structures
 - Continued collaboration between the Lead Teacher Cohort and new users
 - Optional follow-up sessions and resource sharing
 - Access to instructional materials and examples
- Evaluation
 - Review implementation at the end of Semester Two:
 - Teacher feedback
 - Student outcomes and engagement
 - Areas for improvement
 - Adjust guidelines and supports as needed

Key Principles

- Phased rollout to ensure quality implementation
- Teacher choice and ownership
- Student safety and responsible use
- Peer-led professional learning
- Continuous improvement through feedback

On September 30, 2025, our department implemented Impero ContentKeeper's new dedicated filtering category called **AI Services**. This category automatically detects and blocks generative AI sites for students, reducing the need for manual updates. Because generative AI tools are rapidly evolving, we also conduct quarterly audits using **Classlink Analytics+** and **Content Keeper** reports to identify new domains and confirm whether they are properly restricted within Content Keeper. If they are not properly categorized, they are changed to reflect the proper one.

TITLE: Registered Behavior Technician

This position is funded through federal funds. It is an annual position that will be evaluated each year based on funding allocations.

QUALIFICATIONS:

Required

- High school diploma or equivalent.
- Current Registered Behavior Technician (RBT) certification.
- Ability to pass background and fingerprinting requirements.
- Strong interpersonal, organizational, and communication skills.
- Ability to work effectively with students exhibiting challenging behaviors.
- Knowledge of behavior management principles and Applied Behavior Analysis (ABA) practices.

Preferred

- Associate's or Bachelor's degree in education, psychology, behavior analysis, special education, social work, or a related field.
- Experience working with children in school, clinical, or community settings.
- Experience supporting students with autism spectrum disorder, emotional disabilities, developmental disabilities, or other behavioral needs.
- Certification in crisis prevention and intervention programs.

JOB GOAL: The Registered Behavior Technician (RBT) provides direct behavioral support and intervention services to students under the supervision of a Board Certified Behavior Analyst (BCBA). The RBT implements individualized behavior intervention plans, collects data on student progress, supports students in developing social, emotional, communication, and adaptive skills, and collaborates with school staff to create positive learning environments that promote student success.

ESSENTIAL FUNCTIONS or DUTIES:

Student Support and Intervention

- Implement behavior intervention plans (BIPs) developed by the supervising BCBA.
- Provide one-on-one and small-group behavioral support to students with behavioral, social, emotional, and developmental needs.
- Teach and reinforce replacement behaviors, social skills, self-regulation strategies, communication skills, and adaptive behaviors.
- Utilize evidence-based behavioral strategies consistent with Applied Behavior Analysis (ABA) principles.
- Support students during classroom instruction, transitions, lunch, recess, transportation, and other school activities as assigned.
- Assist students in accessing the least restrictive educational environment whenever appropriate.

Data Collection and Documentation

- Collect accurate and objective behavioral data as directed by the BCBA.
- Monitor student progress toward behavioral goals and objectives.
- Maintain confidential records in accordance with district, state, and federal guidelines.
- Prepare data summaries and reports for review by the BCBA and educational team.

Collaboration and Communication

- Collaborate with teachers, administrators, school counselors, psychologists, related service providers, and families to support student success.
- Participate in team meetings, Individualized Education Program (IEP) meetings, and professional consultations as requested.
- Communicate student progress, concerns, and behavioral observations to the supervising BCBA and appropriate school personnel.
- Support classroom staff in implementing behavioral strategies and interventions.

Crisis Prevention and Response

- Utilize de-escalation techniques and proactive behavior supports to prevent behavioral crises.
- Follow district-approved crisis intervention procedures when student behavior presents a safety concern.
- Maintain certification in approved crisis prevention and intervention programs as required.
- Ensure the safety and dignity of students at all times.

Professional Responsibilities

- Maintain active Registered Behavior Technician (RBT) certification through the Behavior Analyst Certification Board (BACB).
- Participate in ongoing training and professional development activities.
- Adhere to BACB ethics requirements and district policies.
- Demonstrate professionalism, confidentiality, and cultural responsiveness in all interactions.
- Perform other duties as assigned by the supervising BCBA, Special Education Supervisor, or school administrator.

PHYSICAL DEMANDS:

This job may require lifting objects that exceed 20 pounds, with frequent lifting and/or carrying objects weighing up to 10 pounds.

Other physical demands that may be required are as follows:

- Pushing and/or pulling
- Stooping and/or kneeling
- Reaching
- Talking
- Hearing
- Seeing

**CAPACITY AND ABILITY REQUIREMENTS:**

Specific capacities and abilities may be required of an individual in order to learn or adequately perform a task or job duty.

- *Intelligence:* The ability to understand instructions and underlying principles. Ability to reason and make judgments.
- *Verbal:* Ability to understand the meanings of words and the ideas associated with them.
- *Numerical:* Ability to perform arithmetic operations quickly and accurately.
- *Manual dexterity:* Ability to move the hands and fingers easily.

REPORTS TO: Building Principal, Director of Special Education, and Supervising BCBA

FLSA: Non-Exempt

TERM: 200 days

SALARY: H2 Index

GENERAL REQUIREMENTS

The above statements are intended to describe the general nature and level of work being performed by people assigned to this position. They are not intended to be a complete list of responsibilities, duties, and skills required of personnel so assigned.

Subject: Little Cats Playground purchase

With the upcoming move to the Early Childhood Center, Little Cats Academy would like to add an Infant/Toddler playground and expand the swings on the building's outdoor playground. Little Cats applied for and was awarded grant proceeds from the Tulahoma Educational Foundation for Excellence (TEFE) for this specific purchase.

Little Cats has worked with Elevate Play to design and plan this playground. Elevate Play, and its manufacturers have pre-negotiated pricing contracts through the purchasing cooperatives TIPS and BuyBoard, both of which Tulahoma City Schools are members. Elevate Play has provided a quote of \$32,962.70 to purchase and install the equipment, as well as to add the border and required mulch.

Staff recommends approving the Elevate Play proposal for \$32,962.70 to purchase and install infant/toddler playground equipment, swings, safety borders, and mulch for the new Early Childhood Center. The purchase will be 100% funding by grant proceeds from TEFE.

Thank you.

Subject: 78 Passenger Thomas Safe-T-Liner C2 bus purchase

At the September 23, 2025 TCS Board meeting, this Board approved the purchase of a 78-passenger 2027 Thomas Safe-T-Liner diesel bus at a cost of \$165,600 (The September board memo is attached). At the time of approval, delivery was anticipated for fall 2026, with the purchase to be recorded in the 2026–27 fiscal year.

The manufacturer has accelerated production, and the bus is now available for delivery. Administration recommends taking delivery of the vehicle before June 30, 2026, and moving the purchase into the current 2025–26 fiscal year.

Please note that this recommendation does not alter the previously approved purchase price, vehicle specifications, or vendor. The only changes are the delivery date and the fiscal year in which the purchase will be recorded.

Administration requests Board approval to accept delivery and complete the purchase during the 2025–26 fiscal year.

Thank you.

Subject: 78 Passenger Thomas Safe-T-Liner C2 bus

Tullahoma City Schools currently operates a fleet of ten (10) buses, with model years ranging from 2005 to 2025. In November 2024, the district ordered a new 78 passenger bus to replace an older unit approaching the 200,000 mile maximum limit. That bus is expected to be delivered in winter or spring of 2026.

Given the current 18-month delivery timeframe, the uncertainty of future Special Education transportation needs, and the ongoing demand created by athletics, school activities, and field trips, we recommend placing an additional bus order at this time.

The district has obtained a quote from Mid-South Bus Center in Murfreesboro for a 78-passenger 2026 (or newer) Thomas Safe-T-Liner diesel bus at a cost of \$165,600. Mid-South participates in the Sourcewell purchasing cooperative, of which TCS is a member (Account #10292), allowing us to secure preferential pricing through Thomas Built Buses' Sourcewell contract (#102623-TBB).

Administration recommends approval of the purchase of a new 78-passenger bus at the quoted price of \$165,600. If approved, the order will be placed immediately. Delivery is expected in the next fiscal and school year. Due to the anticipated delivery date, these buses will be included in the 2026-2027 budget.

Thank you.

Mr. Hill,

Please accept this invitation to purchase a Thomas Safe-T-Liner C2, 78 passenger conventional school bus from the SourceWell purchasing consortium Contract #102623-TBB. SourceWell advertised and accepted bids on October 26, 2023, and awarded Thomas Built Buses the right to share their products to any of its members. Our bid was considered the best bid overall, and it is available to your city school system should you choose to do so.

To process your order, I will need from you a ***"Purchase Order" or "letter of intent" to purchase*** that includes the SourceWell contract # by December 31, 2025. I only have one bus available currently from this SourceWell Contract # 102623-TBB but I'll hold it in your name until December 31, 2025. Our expected delivery to you should be approximately in August 2026 with the receipt of your order by December 31, 2025.

Mr. Hill, it is my pleasure to extend this offer to you. I have included with this letter *all* the necessary documents needed to satisfy your auditors for purchases of this type. This bus is identical to the buses that we have delivered to you in the recent past. If you have any questions or concerns regarding this invitation, please do not hesitate to contact me at the following address or phone number:
