- Non-faculty Coach stipends were more than anticipated. Transferred additional funds for these transactions.

Alternative Education:

- Additional funds were needed in this function to cover the cost of the Lakeside Behavioral Services invoices for the 2021 fiscal year.

Other Student Support:

- Moved funding to cover the additional cost of faculty coaches and assistants at schools and their associated benefits. These costs are reimbursed by the schools.

Support Special Education:

- Travel and professional development costs were more than anticipated in SPED. Moved funds to cover these costs in the 2021 fiscal year.

Technology:

- Moved funds in the amount of \$15,996 to cover Apple Care that expired on June 18, 2021.

Board of Education:

- Additional funds were needed for the cost of the audit of the Student Activity Fund. The audit started sooner than was anticipated (April) so the invoice came due sooner than it normally does.

Regular Capital Outlay:

- Transferred \$32,000 to the *Building Improvements* account to cover the cost of additional work at the schools before year-end.

Transfers Out:

- Increased the budget in this category for the cost to finish the WCMS Painting project in FY2021. The \$86,819 will be transferred from the General Fund to the CIP Fund since it is not a project the County will cover in CIP with bond funds.

2 The Director of Schools shall develop an administrative procedure to establish a system of grading and
3 assessment for evaluating and recording student progress and to measure student performance in
4 conjunction with Board-adopted content standards for grades K-12.¹ The grading/assessment system
5 shall follow all applicable statutes and rules and regulations of the State Board of Education. The
6 grading/assessment system shall be uniform district-wide at comparable grade levels, except that the
7 Director of Schools shall have the authority to establish and operate ungraded and/or unstructured classes
8 in grades K-3 according to state rules and regulations.²

9 The Director of Schools shall submit a copy of the grading, reporting, and assessment systems to the
10 Board before the system is implemented.³ These guidelines shall be communicated annually to students
11 and parents/guardians.¹

12 Conduct grades are based on behavior and shall not be deducted from scholastic grades.

13 A student's academic grade is solely intended to reflect the student's acquired knowledge, ability, and/or
14 skills in the designated subject. Therefore, academic credit/points may not be awarded or deducted for
15 any purpose that is not directly related to the student's academic performance. For example, academic
16 credit/points may not be awarded as an incentive to participate or achieve a certain goal in a school fund-
17 raising event.

18

19 In the event of an excused absence, students are expected to make up missed work within a reasonable
20 amount of time as determined by the school policy, with a minimum of one day allowed for each day
21 absent.

22 **KINDERGARTEN**

23 The kindergarten report card shows progress toward the state standards. The grade level standards are
24 set by the state and indicate what a student should know and be able to do. Students are evaluated based
25 on their progress toward meeting benchmarks for each standard. This is indicated by mastery (M) or
26 non-mastery (X) for each skill.

1 Social Expectations and Art, Music, and PE will be represented with “S” for satisfactory and “N” for
 2 needs improvement.
 3 Report Cards are issued at the end of each nine-week period. Parents must be notified within a report
 4 card period when a student is not doing acceptable work.

5 **GRADES 1-5**

6 Student conduct is graded as “E”, “S”, “N” and is to be reported at each grading period on the report
 7 card.
 8 The basic grading system for knowledge/subject area is expressed by the letters “A”, “B”, “C”, “D”, and
 9 “F” according to the numerical values listed under the Grading Scale.

10 **Grades 1-2**

- 11 • During the first 9-weeks a minimum of six (6) grades should be given for Language Arts
 12 and Math.
 - 13 • During the second through fourth 9-weeks a minimum of nine (9) grades should be given
 14 in Language Arts and Math.
- 15 First (1st) and second (2nd) grade science and social studies will be expressed by the letter
 16 grades “S” or “N”.

17 **Grades 3-5**

- 18 • During the first 9-weeks a minimum of six (6) grades should be given for Language Arts,
 19 Math, Science, and Social Studies.
- 20 • During the second through fourth 9-weeks a minimum of six (6) grades should be given
 21 in Science and Social Studies, while a minimum of nine (9) grades should be given in
 22 Language Arts and Math.

23 Grading Scale

32	33	F.....	Below	70 65

34 Plus and minus evaluations are not to be added to letter grades.
 35 The numerical values listed are for teacher use only.

36 **Semester Grades**

37 Semester grades for grades 1-5 are determined by an average of grades for each of the two nine-week
 38 terms.
 39

1 **Final Grades**

2 Final grades are determined by averaging the two semester grades.

3 **State Standardized Assessments**

4 For students in grades 3-5, scores on the state standardized assessments shall not count in the students'
5 final grade. (TCA 49-1-617)

6 Report cards are issued at the end of each nine-week period. Parents must be notified within a report
7 card period when a student is not doing acceptable work.

8 **GRADES 6-8**

9 Collierville Schools Board of Education policy in accordance with the Tennessee Uniform Grading
10 System establishes the grading system for grades 6-12.

11 Report cards are issued at the end of each nine-week period. Parents must be notified within a report
12 card period when a student is not doing acceptable work.

13 In all schools, students' conduct is graded as "E", "S", "N" and is to be reported at each grading period
14 on the report card.

15 Grades will be reported on report cards and transcript records using numerical values as indicated below:

16 Grading Scale

17	A.....	93-100	90-100
18	B.....	85-92	80-89
19	C.....	75-84	70-79
20	D.....	70-74	65-69
21	F.....	Below 70	65

27 Grades given at the end of each nine-week period will be determined by the average of daily work, oral
28 and written assignments, and other meaningful assessments that allow students to demonstrate mastery
29 of skills and concepts. **For the 2020-21 academic year,** A minimum of **nine twelve** grades for the nine-
30 week period should be recorded for each subject. Teachers of career, pilot, and other competency-based
31 courses may appeal to the principal on an annual basis for a waiver of this requirement. Fifty percent of
32 the student's grade in the course should be earned and recorded by the interim of the nine-week term.
33 This gives the teachers the basis for the grades at the end of the grading period.

34 Grades for homework assignments should be given with care. Homework assignments are of value in
35 affording students needed practice, and such assignments should be made within practicable limits.

36

1 State Standardized Assessments

2 For students in grades 6-8, scores on the state standardized assessments shall comprise 15 percent (in the
3 subject areas of mathematics, reading/language arts, science, and social studies) of the students' final
4 grade for the spring semester. If Collierville Schools does not receive its students' state mandated test
5 scores at least five (5) instructional days before the end of the school year, the state mandated test scores
6 will not be included in the Collierville Schools students' grades in the subject areas of mathematics,
7 language arts, science, and social studies. (TCA 49-1-617). ~~For the 2020-2021 school year, TCAP test
8 scores will only be included on the final grade if the test score will increase the final average. If the test
9 score will decrease the final average, it will not be included in the final grade.~~

10 High School Level Course in Middle School

11 Beginning with courses taken in the 2018-19 school year, students who successfully complete a high
12 school course in the middle school will earn a high school credit. Semester grades earned in high school
13 courses will be recorded on the high school transcript, but these grades will *not* factor into the student's
14 GPA or class rank at the high school level.

15 For courses which have no Tennessee State mandated EOC exam required during a given semester,
16 semester grades are determined by counting each of the two quarter grades as 50%.

17 For courses which have a Tennessee State mandated EOC exam required during second semester, the
18 semester grades are determined as follows:

- 19 • First semester grades are determined by counting each of the two quarter grades as 50%,
- 20 • Second semester grades are determined by counting each of the two quarter grades as 50%.
- 21 • The weight of the EOC examination on the student's final yearly average shall be fifteen
22 percent (15%), with each semester average weighted at 42.5%.
- 23 • If Collierville Schools does not receive its students' state mandated test scores at leave five
24 (5) instructional days before the end of the school year, the state mandated test scores will
25 not be included in the Collierville Schools students' grades in the subject areas of
26 mathematics, language arts, science and social studies.

27 Students who meet only the minimum requirements should be given minimum passing grades.

28 Credits will be awarded in a .5 increment upon successful completion of a semester.

29 Additionally, a student will receive one full credit in the course if he/she receives a passing yearly
30 grade in the course.

31 GRADES 9-12

32 Collierville Schools Board of Education policy in accordance with the Tennessee Uniform Grading
33 System establishes the grading system for grades 9-12.

34 Report cards are issued at the end of each nine-week period. Parents must be notified within a report
35 card period when a student is not doing acceptable work.

36 ~~In all schools, students' conduct is graded as "E", "S", "N" and is to be reported at each grading period
37 on the report card.~~

15 Grades given at the end of each nine-week period will be determined by the average of daily work, oral
16 and written assignments, and other meaningful assessments that allow students to demonstrate mastery
17 of skills and concepts. ~~For the 2020-21 academic year,~~ A minimum of ~~nine~~ twelve grades for the nine-
18 week period should be recorded for recorded for each subject. Teachers of career, pilot, and other
19 competency-based courses may appeal to the principal on an annual basis for a waiver of this
20 requirement. Fifty percent of the student's grade in the course should be earned and recorded by the
21 interim of the nine-week term. This gives the teachers the basis for the grades at the end of the grading
22 period.

23 Students who meet only the minimum requirements should be given minimum passing grades.

24
25 Credits will be awarded in a .5 increment upon successful completion of a semester.

26 Additionally, a student will receive one full credit in the course if he/she receives a passing yearly grade
27 in the course.

28
29 Semester grades are comprised of two quarterly grades, each worth fifty percent (50%). For courses
30 which have no state mandated end of course (EOC) exam, each semester grade is fifty percent (50%) of
31 the final grade. For courses which include a state EOC exam, each semester grade is forty-two point
32 five (42.5%) of the final grade, and the EOC exam accounts for fifteen percent (15%).

33 If Collierville Schools does not receive its students' state mandated test scores at least five (5)
34 instructional days before the end of the school year, the state mandated test scores will not be included
35 in the Collierville Schools students' grades in the subject areas of mathematics, language arts, science
36 and social studies. ~~For the 2020-2021 school year, TCAP test scores will only be included on the final
37 grade if the test score will increase the final average. If the test score will decrease the final average, it
38 will not be included in the final grade.~~

39
40 ~~Semester exams will not be administered in Collierville Schools during the 2020-21 school year.~~

41
42 For Dual Enrollment and Advanced Placement courses, the semester grades are determined as follows:

- 1 • Advanced Placement: Each semester, the grades will be determined by counting 50% for each
- 2 quarter.
- 3 • Dual Enrollment: The dual enrollment courses will follow the university’s grading system for
- 4 that specific course.
- 5 • Students are required to sit for their AP, Dual Enrollment, IB, SWDC and CLEP final tests. If
- 6 a student does not sit for their final test, the additional points added to each quarter will be
- 7 removed from the student’s grade and final grade will be re-calculated to reflect that change.

(b) Lessee may terminate this lease at any time by giving Lessor thirty (30) days prior written notice without further liability if Lessee does not obtain all Approvals required from any

governmental authority or any easements required from Lessor or any third party for Lessee's Intended Use, or if any such Approval is canceled, expires or is withdrawn or terminated, or if Lessee, for any other reason, in its sole discretion, determines that it will be unable to use the Leased Premises for Lessee's Intended Use or for economic reasons. Upon termination, all prepaid rent will be retained by Lessor unless such termination is a result of Lessor's default. Other than as stated herein, Lessor shall not have the right to terminate, revoke or cancel this Lease Agreement.

8. Lessee has the right to assign this Agreement or sublease the Premises and its rights herein, in whole or in part, without the Lessor's consent. Upon written notification to Lessor of any assignment of this lease by Lessee (together with a copy of such assignee's written assumption of Lessee's obligations hereunder), Lessor shall look solely to such assignee for the satisfaction of Lessee's obligations hereunder, and Lessee shall be released from any further obligations under this lease.

Additionally, Lessee may mortgage or grant a security interest in Lessee's leasehold estate under this Lease and any of Lessee's personal property, and may assign this Lease and any of Lessee's personal property to any such mortgagees or holders of security interests including their successors or assigns (hereinafter collectively referred to as "Mortgagees"), provided such Mortgagees agree to be bound by the terms and provisions of this Lease. In such event, Lessor shall execute such consent to leasehold financing as may reasonably be required by Mortgagees. Lessor agrees simultaneously to notify in writing Lessee and the Mortgagee of Lessee having first priority as to Lessee's leasehold interest and which has requested notice from Lessor of any default by Lessee and to give such Mortgagee the same right to cure any default as Lessee, except the cure period for any Mortgagee shall not be less than thirty (30) days after receipt of the default notice.

9. Lessor agrees that Lessee's property that is constructed or attached to the Leased Premises is not Lessor's property and agrees to recognize the rights of the lender, owner, secured creditor or lessor, if any ("Secured Party") of Lessee's property. Notwithstanding anything to the contrary contained herein, Lessor hereby agrees to subordinate any claim arising by way of any Lessor's lien (whether created by statute or by contract) or otherwise with respect to Lessee's property and agrees, if confirmation of said subordination and recognition of Secured Party's rights is requested by Lessee or Secured Party, to execute and deliver a subordination agreement and/or other document satisfactory to Secured Party with thirty (30) days from Lessee's or Secured Party's written request. Furthermore, Lessee has the right at any time during any term of this

Lease to, and shall within a reasonable period, not to exceed 90 days after the termination of this Lease, dismantle and remove to surface grade all property and improvements placed by Lessee on the Leased Premises or on the lands of Lessor adjacent and contiguous to the Leased Premises, regardless of the manner in which such property and improvements may be affixed thereto. In the event that Lessee has not dismantled and removed all of its property from the Leased Premises within 90 days of the termination of this Lease, then Lessor shall have the right to remove said property at the Lessee's cost and expense.

10. (a) Lessee agrees to compensate Lessor for damages and to indemnify and hold Lessor harmless from all claims, including costs and expenses in defending against such claims, including reasonable attorney's fees arising from Lessee's use of or operations on the Leased Premises, the negligence or willful misconduct of Lessee or Lessee's agents or employees in or about the Leased Premise or arising from Lessee's default pursuant to this Lease or breach of any representation or warranty made by Lessee under this Lease. In addition, Lessee shall indemnify, defend, reimburse and hold harmless Lessor from and against any and all environmental damages arising from the presence of hazardous materials upon, about or beneath the Leased Premise, including radio frequency (RF) emissions in excess of applicable permitted federal levels and standards, arising in any manner whatsoever out of the violation of any environmental requirements pertaining to the Leased Premise and any activities therein, which conditions are a result of any act or omission of Lessee. The indemnities described in this section 10 shall survive termination of the Lease.

(b) Neither party shall be liable to the other under the terms of this Lease for consequential or special damages. This paragraph shall not be deemed to limit or deny any remedies by which Lessee may have in the event of default by Lessor hereunder.

11. During the term of this Lease and all Extension Periods, Lessee shall maintain, at its own expense, insurance covering claims for public liability, personal injury, death and property damage under a policy of general liability insurance, with limits of not less than One Million Dollars (\$1,000,000.00) per person and Two Million Dollars (\$2,000,000.00) per occurrence and property damage insurance of not less than Fifty Thousand Dollars (\$50,000.00). Such insurance shall insure against liabilities arising out of or in connection with Lessee's use or occupancy of the Leased Premises. Such policy shall name Lessor as additional insured.

12. In the event of the insolvency of Lessee, or the adjudication of Lessee as bankrupt, voluntary or involuntary, or in the event of a partial or general assignment for the benefit of a creditor or creditors by Lessee, or in the event Lessee should be successfully proceeded against in any general creditor's bill, or in the event Lessee makes an offer in or out of court for the compromise of Lessee's debts, or any substantial part thereof, by reduction in amount or in preference or security or by postponement of payment date or dates or in the event any court proceedings are instituted by, for or against Lessee in contemplation of any such offer, Lessor shall have the right and privilege to immediately terminate this lease and, to the extent allowed by law, declare the then remaining unpaid balance of the rent to be paid by Lessee to Lessor during the term hereof immediately due and payable.

13. All notices pertaining to this lease by Lessee to Lessor shall be considered as duly delivered when mailed to Lessor at the address of Lessor specified above by certified mail, or by overnight carrier. All notices pertaining to this lease by Lessor to Lessee shall be considered as duly delivered when mailed to Lessee at the address of Lessee specified above by certified mail, or by overnight carrier. Either party may from time to time designate a different address for such party by written notice to the other party.

14. Lessor represents and warrants that Lessor has the full right and authority to execute this lease and to grant the estate herein demised and that Lessee, upon payment of the rent and performance of the terms, covenants and agreements contained herein, shall peaceably and quietly have, hold and enjoy the Leased Premises during the full term of this lease without hindrance or interruption by Lessor or any other person or persons whomsoever. Lessor agrees to compensate Lessee for damages and to indemnify and hold Lessee harmless from all claims, including costs and expenses in defending against such claims, including reasonable attorney's fees arising from Lessor's default pursuant to this Lease Agreement or breach of this representation and warranty made by Lessor under this Lease Agreement. The indemnities described in this section 14 shall survive termination of this Lease Agreement.

15. A short-form memorandum of this Lease Agreement, in the form set forth as Exhibit "B" may be recorded at Lessor or Lessee's option.

16. This lease shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors and assigns. This lease may be executed in counterparts and may be ratified by separate instrument referring hereto and shall be binding upon

each party who executes or ratifies it without regard to whether it is executed or ratified by all those named herein as Lessor or whether such executing or ratifying party is named herein as a Lessor.

17. Subordination. This Lease shall be junior and subordinate at all times to the lien of any first mortgage or mortgages and to the lien of any Deed of Trust or other method of financing which is presently or hereafter a lien upon any part of the Premises; provided, that such lien, by its terms or by separate written agreement with Lessee, provides that if Lessee is not then in default under this Lease, Lessee's rights hereunder shall not terminate as a result of the foreclosure of any such lien, and Lessee's rights under this Lease shall continue in full force and effect and Lessee's possession of the Premises shall not be disturbed except in accordance with the provisions of this Lease. Lessor shall cause any such lien holder to enter into a non-disturbance agreement from such mortgage holder or lien holder with Lessee its successors and assigns. Lessee shall, upon request of any such mortgage holder, execute a subordination and attornment agreement, within fifteen (15) days of request, wherein Lessee agrees that if any such lien holder succeeds to the interest of Lessor, Lessee will attorn to such lien holder, its successors and assigns, as Lessor under the terms of this Lease.

18. Estoppel Agreement. Within fifteen (15) days after a request by Lessor or Lessee, as the case may be, Lessor or Lessee shall execute and deliver to the other an estoppel statement in such reasonable form as the other may request. The Estoppel Agreement shall include representations (i) that this Lease is in full force and effect, (ii) that there are no uncured defaults in the other party's performance hereunder, and/or (iii) that not more than one (1) annual installment of the rental has been paid in advance.

19. Right of First Refusal. Lessor agrees not to sell, lease or permit the use of any other areas of the larger parcel upon which Leased Premises is situated for the placement of or use by other communications facilities. TERMS AND CONDITIONS

1. Authorization to Proceed and Standard of Care: Execution of this agreement by Owner hereby authorizes Fleming Associates/Architects P.C. ("Fleming"), hereinafter referred to as "Architect," to proceed with the work, unless otherwise provided for in this agreement. Architect shall exercise that degree of care, skill and diligence in rendering all of its services under this Agreement in accordance with that prevailing among the architectural firms when performing services for projects similar to the Project in the jurisdiction where the Project is located (the "Professional Standard"). The Architect makes no warranty in this Agreement, express or implied, other than to comply with the Professional Standard in providing services pursuant to this Agreement.
2. Payment to Architect: Architect will bill monthly for fees and reimbursable expenses. Payment is due upon receipt. Outstanding balances of 30 days or more will accrue interest at 12% per annum. If full or satisfactory payment is not made within 30 days from the date of the invoice, work on this Project may be stopped at the discretion of Architect without any penalty from the Owner. If legal action is required in order to collect monies due to Architect, the Owner shall be liable for any attorneys' fees and costs incurred in such action in addition to the fees and termination expenses.
3. Reimbursable Expenses: Reimbursable expenses are in addition to compensation for the Architect's services and include expenses incurred by the Architect and Architect's Consultants directly related to the Project, including but not limited to: (1) transportation in connection with the Project, authorized out-of-town travel and subsistence, electronic communications, reproductions, plots, postage, handling, delivery of instruments of service to the extent not included in Basic Services, renderings, models and mock-ups requested by the Owner; and, (2) the expense of additional insurance coverage or limits requested by the Owner in excess of that normally carried by the Architect and Architect's Consultants. In addition to the direct costs of the Reimbursable Expenses, 10% will be added for cost of funds, handling and overhead (multiple for reimbursable expenses: 1.1).
4. Architect's Consultants: For changes in the services and/or additional services of Architect's Consultants, compensation shall be computed as a multiple of 1.10 times the amounts billed to the Architect for such services.
5. Termination: Either party may terminate this agreement without cause upon 30 days written notice to the other party. Additionally, if the Owner does not make timely payments to the Architect or otherwise perform in accordance with this Agreement, such failure shall be considered cause for termination or, at the Architect's option, cause for suspension of performance of services under this Agreement. In the event of termination of the Agreement, the Architect shall be compensated for services performed prior to termination, together with Reimbursable Expenses then due.

6. Dispute Resolution: The Owners and Architect shall endeavor to resolve claims, disputes and other matters in question between them by mediation in accordance with the Construction Industry Mediation Rules of the American Arbitration Association. The parties shall share the mediator's fee and any filing fees equally. Mediation shall be a condition precedent to arbitration, legal or equitable proceedings.
7. Limitation of Liability: In order for the Owner to receive the benefits of a fee which includes a lesser allowance for risk funding, Owner agrees to limit Architect's liability for any cause or combination of causes arising from Architect's or Architect's Consultants' professional acts, errors or omissions, such that the total aggregate liability of Architect shall not exceed Architect's fee for the services rendered on this Project, not including Reimbursable Expenses. The limitation of liabilities and the indemnification provisions contained herein will survive the termination of this Agreement. Each party specifically acknowledges they have received consideration for the limitations granted herein.
8. Waiver of Consequential Damages: A breach of this Agreement may cause both parties to experience damages that are indirectly related to the breach or that were not foreseeable by either party at the time this Agreement was entered into. Such damages are called consequential damages and may include, but are not limited to, loss of use and loss of profit. Neither party shall be liable to the other for any consequential damages incurred by either party due to the fault of the other, regardless of the nature of this fault.
9. Interpretation: This Agreement shall be governed by the law of Tennessee. As used herein, the term "Architect" includes or refers to interior designer when applicable. The term "Architect's Consultant" refers to those consultants that contract directly with Architect.
10. No Third Party Beneficiaries: Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either the Owner or Architect and there are no third party beneficiaries to this Agreement.
11. Construction Administration: Architect shall perform Construction Administration as set forth in the basic scope of services or as set forth in additional service agreements. Construction Administration is defined as the process in which the Architect (1) becomes generally familiar with and keeps the Owner informed about the progress and quality of the portion of construction completed ("work"), (2) endeavors to guard the Owner against defects and deficiencies in the work, and (3) determines in general if the work is being performed in a manner indicating that the work, when fully completed, will be in substantial accordance with the Contract Documents. However, Architect shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the work. Architect shall not have control over or charge of, nor be responsible for, the construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the work. Architect shall not be responsible for the Contractor's failure to perform the work in accordance with the requirements of the Contract Documents.

FACILITIES ASSESSMENT

The Operations division performs an annual audit of each building to determine the deferred maintenance costs (current and projected costs of maintenance). The audit evaluates the structural and mechanical components of existing facilities as well as current site conditions. Capital spending accounts for expenses towards reducing deferred maintenance costs. The Facility Condition Index (FCI) measures the relative condition of the districts building portfolio. An overall rating of 50% or higher indicates the need to replace or update a facility. The table below illustrates the capital spending, deferred maintenance, replacement value and FCI for FY21.

SCHOOL	YEAR BUILT	RENOVATIONS	CAPITAL EXPENDITURES	DEFERRED MAINTENANCE	REPLACEMENT VALUE	FCI
