BUDGET HIGHLIGHTS: COLLEGE & CAREER READY

Instruction remains the single largest budget priority for the district, with direct investments in classroom instruction, special education, and career pathways totaling more than \$73 million. These investments support HQIM access for all teachers, standards-aligned instruction, and postsecondary readiness through expanded CTE and ACT support.

Aligned Budget Investments

- Regular Education Instruction (Classroom teachers, instructional materials, textbooks, etc.) – **\$58.0M**
- Special Education Instruction (Specialized staffing and related services) – **\$11.7M**
- Career & Technical Education (New CTE instructors at Collierville High School and equipment supporting STEM, welding, health science, aviation, and mechatronics) – **\$3.33M**
- Academic Tools & Curriculum (Magma Math, district instructional materials, and assessment systems)
- ACT Readiness Support (Testing, counseling, and evaluation services embedded within student support budgets)

BUDGET HIGHLIGHTS: LIFE READY

Mental health and wellness services, including **School Counselors (\$3.26M)**, **Health Services (\$1.81M)**, **Student Services (\$1.13M)**, and **School Safety (\$253K)**, are fully embedded within the General Fund and directly support CS2030 goals for safe, supportive learning environments.

Technology investments totaling **\$6.21M** provide the infrastructure, staffing, digital tools, and professional learning necessary to advance CS2030's phased approach to digital learning and AI integration, even though AI is not budgeted as a discrete line item.

These investments support counseling services, suicide screening software, district nurses, safety training, and School Resource Officer partnerships. Collectively, they align with our Capturing Kids' Hearts initiative, student well-being priorities, and CS2030's emphasis on safe, supportive learning environments.

BUDGET HIGHLIGHTS: EDUCATORS

Budget decisions intentionally reinforce educator recruitment and retention through step increases, a **1% cost-of-living adjustment**, and a **\$500 employee bonus**, for eligible employees, while continuing investments in professional learning and support systems. These commitments persist despite enrollment decline, underscoring the district's belief that **people, not programs, drive student outcomes**.

Key Takeaways for 2026–2027

- Nearly three-quarters of expenditures directly support instruction and instructional services.
- The budget maintains clear alignment with CS2030, prioritizing academics, educators, and student support.

COLLIERVILLE SCHOOLS PROFILE

Collierville Schools is a K-12 public education school district located in Collierville, Tennessee. The Collierville School District and the Collierville School Board of Education were established by the Town of Collierville in 2013. The school district opened its doors in July 2014 to serve students. The 2026-2027 budget provides funding expectations for the 13th year of operations of the school district. Projected revenues and expenditures are based on the estimated enrollment for the 2026-2027 fiscal year. The mission of Collierville Schools is to empower all students to achieve success through a comprehensive educational journey that prepares them for college, careers, and life. By 2030, Collierville Schools will be nationally recognized for student success, with every learner equipped with the skills, knowledge, and support needed to thrive in college, careers, and life. Our educators will be empowered to inspire and guide students, and our communication efforts will effectively brand and promote our commitment to excellence and opportunity for all.

Collierville Schools is comprised of nine schools: Bailey Station Elementary, Collierville Elementary, Collierville High, Collierville Middle, Crosswind Elementary, Schilling Farms Elementary, Sycamore Elementary, Tara Oaks Elementary, and West Collierville Middle.

Revenue

The major revenue sources for the General Fund are the Tennessee Investment in Student Achievement (TISA), the Shelby County Government, and the Town of Collierville.

CS2030 STRATEGIC PLAN ALIGNMENT 2026-2027 GENERAL FUND BUDGET

Executive Summary

The 2026–2027 General Fund Budget demonstrates strong alignment with the CS2030 Strategic Plan, particularly within the pillars of College & Career Ready, Life Ready, and Educators. Despite continued enrollment decline, due to various factors including lower national birth rates, education choice legislation, etc., the budget intentionally preserves investments most directly tied to student achievement, staff quality, and student well-being. **Approximately 73% of total expenditures are devoted to instruction and instructional support, reflecting the district’s core belief that student success is driven by high-quality teaching, rigorous curriculum, and comprehensive support.**

Pillar 1: College & Career Ready

Instruction remains the **single largest budget priority** for the district, with direct investments in classroom instruction, special education, and career pathways totaling more than \$73 million. These investments support HQIM access for all teachers, standards-aligned instruction, and postsecondary readiness through expanded CTE and ACT support.

Aligned Budget Investments

- Regular Education Instruction – \$58.0M
Classroom teachers, instructional materials, textbooks, HQIM, and equipment
- Special Education Instruction – \$11.7M
Specialized staffing and related services
- Career & Technical Education – \$3.33M
New CTE instructors at Collierville High School and equipment supporting STEM, welding, health science, aviation, and mechatronics
- Academic Tools & Curriculum
Magma Math, district instructional materials, and assessment systems
- ACT Readiness Support
Testing, counseling, and evaluation services embedded within student support budgets

The budget operationalizes CS2030’s academic commitments and sustains instructional quality as the district’s central investment.

CS2030 STRATEGIC PLAN ALIGNMENT 2026-2027 GENERAL FUND BUDGET

Pillar 2: Life Ready

Mental health and wellness services, including **School Counselors (\$3.26M)**, **Health Services (\$1.81M)**, **Student Services (\$1.13M)**, and **School Safety (\$253K)**, are fully embedded within the General Fund and directly support CS2030 goals for safe, supportive learning environments.

Technology investments totaling **\$6.21M** provide the infrastructure, staffing, digital tools, and professional learning necessary to advance CS2030's phased approach to digital learning and AI integration, even though AI is not budgeted as a discrete line item.

These investments support counseling services, suicide screening software, district nurses, safety training, and School Resource Officer partnerships. Collectively, they align with our Capturing Kids' Hearts initiative, student well-being priorities, and CS2030's emphasis on safe, supportive learning environments.

Pillar 3: Educators

Budget decisions intentionally reinforce educator recruitment and retention through **step increases**, a **1% cost-of-living adjustment**, and a **\$500 employee bonus**, for eligible employees, while continuing investments in professional learning and support systems. These commitments persist despite enrollment decline, underscoring the district's belief that **people, not programs, drive student outcomes**.

Key Takeaways for 2026–2027

- Nearly three-quarters of expenditures directly support instruction and instructional services.
- The budget maintains clear alignment with CS2030, prioritizing academics, educators, and student support.

While some funds the district receives are restricted by state or federal law and cannot be used to add general classroom staff, the budget clearly shows that the **overwhelming majority of local operating dollars are focused on students, educators, and instruction**. At the same time, continued enrollment decline requires the district to responsibly right-size staffing to ensure long-term financial stability. Even under these constraints, Collierville Schools has **preserved its core instructional investments**, with **73% of the General Fund dedicated to instruction and instructional support**. This budget reflects deliberate, values-based decision-making focused on CS2030 goals while sustaining classroom quality, supporting educators, and meeting student needs both now and in the future.

GENERAL FUND REVENUE

The three major sources of revenue for Collierville Schools are the State of Tennessee, Shelby County Government, and the Town of Collierville.

State of Tennessee funds consist primarily of Tennessee Investment in Student Achievement (TISA) funds. The Tennessee Department of Education provides estimates in the spring and then the final amount is distributed in July.

Shelby County Government funds come from two primary sources: property tax and sales tax. Educational revenues are shared between the Memphis-Shelby County School System and municipal school districts based on the Weighted Full Time Equivalent Average Daily Attendance (WFTEADA) formula developed by the Tennessee Department of Education. The WFTEADA percentage varies each year for each of the school districts. Collierville Schools' WFTEADA for the 2024-2025 fiscal year was 6.61%. The WFTEADA for the 2025-2026 fiscal year will be determined in the spring of 2026.

The Town of Collierville provides 15 cents equivalent payment to the school district each year. The amount projected for 2026-2027 is \$2,582,675, which is level with the amount paid in the 2025-2026 school year.
