Monitoring: Review: Annually, in January	Descriptor Term: FFCRA LEAVE	Descriptor Code: 5.3051	Issued Date: <u>08/11/20</u>
		Rescinds:	Issued:

1 *General*¹

2 Under the Families First Coronavirus Response Act (FFCRA), this policy will be in effect from April 2,
3 2020 until ~~December 31, 2020~~June 30, 2021.

4 The Director of Schools/designee shall post notice of FFCRA requirements and create any necessary
5 administrative procedures. Employees should seek clarification from Benefits Coordinator if they have
6 questions regarding the total amount of leave and pay available to them.

7 **PAID SICK LEAVE**

8 Employees are entitled to up to two (2) weeks of paid sick leave if they are unable to work or telework
9 because the employee:²

- 10 1. is subject to a Federal, State, or local quarantine or isolation order related to COVID-19;
- 11
- 12 2. has been advised by a health care provider to self-quarantine related to COVID-19;
- 13
- 14 3. is experiencing COVID-19 symptoms and is seeking a medical diagnosis;
- 15
- 16 4. is caring for an individual subject to or advised to quarantine or isolate due to COVID-19. The
17 individual must be someone with a personal relationship to the employee;
- 18
- 19 5. is caring for his/her son or daughter whose school or place of care is closed, or person who
20 regularly provides child-care is unavailable, for reasons related to COVID-19 and no other
21 suitable person is available to care for the child during the requested period of leave. Son or
22 daughter is defined as a biological, adopted, or foster child, a stepchild, a legal ward, or a child
23 of a person standing *in loco parentis*, who is under 18 years of age; or 18 years of age or older
24 who is incapable of self-care because of a mental or physical disability; or
- 25
- 26 6. is experiencing any other substantially similar condition specified by the Secretary of Health
27 and Human Services, in consultation with the Secretaries of Labor and Treasury.

28 This paid leave may be taken if there is work available for the employee to complete and the employee
29 is unable to work or telework for one of the above reasons. Such leave is in addition to any paid leave
30 that an employee may already be entitled to (e.g. existing sick leave). Employees are not required to
31 exhaust any other paid leave benefit in order to utilize this new category of paid sick leave.

32 **EXPANDED FMLA LEAVE**

33 Full-time or part-time employees who have been on the payroll for thirty (30) calendar days prior to the
34 beginning of the leave are eligible for expanded FMLA leave (EFMLEA). This includes employees who
35 were laid off or terminated after March 1, 2020, who had worked for the district for at least thirty (30)
36 of the prior sixty (60) calendar days and were subsequently rehired or otherwise employed by the
37 district.³

38 Under the FFCRA, an employee qualifies for EFMLEA leave if the employee is unable to work or
39 telework due the need to care for his/her son or daughter because of a school or child care facility closure
40 or because the person who regularly provides child care (i.e. this could include a family member or a
41 neighbor) is unavailable for reasons related to COVID-19.⁴ In these circumstances, a son or daughter is
42 defined as a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing
43 *in loco parentis*, who is under 18 years of age; or 18 years of age or older who is incapable of self-care
44 because of a mental or physical disability.

45 Qualifying employees may take twelve (12) weeks of EFMLEA leave.⁵ The amount of leave available
46 may be impacted by any prior use of FMLA.⁶

47 The first ten (10) days of EFMLEA leave shall be unpaid, however, an employee may choose to take
48 any existing leave benefit during this time. After ten (10) days, EFMLEA leave is paid at two-thirds
49 (2/3) the rate of the employee's regular rate of pay, unless he/she chooses to utilize accrued sick leave
50 or annual leave to cover those days or the amount is capped per federal law.⁷

51 ADDITIONAL LEAVE

52 MCS will grant additional paid sick leave to qualified employees for up to two weeks if they are unable
53 to work or telework because the employee:

- 54 1. is subject to a Federal, State, or local quarantine or isolation order related to COVID-19;
- 55 2. has been advised by a health care provider to self-quarantine related to COVID-19; or
- 56 3. is experiencing COVID-19 symptoms and is seeking a medical diagnosis.

57 This leave will be granted for up to a maximum of two (2) additional occurrences beyond the leave
58 provided by the FFCRA.

24 **DEFINITIONS**⁴

25 “Complainant” is an individual who is alleged to be the victim of conduct that could constitute sexual
26 harassment.

27 “Respondent” is an individual who is reported to be the perpetrator of conduct that could constitute
28 sexual harassment.

29 “Sexual harassment” is conduct on the basis of sex that satisfies one or more of the following:³

- 30 1. A school district employee conditioning an aid, benefit, or service of an education program or
31 activity on an individual’s participation in unwelcome sexual conduct;
32
- 33 2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and
34 objectively offensive that it effectively denies a person equal access to the education program
35 or activity; or
- 36 3. Sexual assault,⁶ dating violence,⁷ domestic violence,⁸ or stalking⁹ as defined in state and federal
37 law.

38 Behaviors that constitute sexual harassment may include, but are not limited to:

- 39 1. Sexually suggestive remarks;
40
- 41 2. Verbal harassment or abuse;
42
- 43 3. Sexually suggestive pictures;
44
- 45 4. Sexually suggestive gesturing;
46
- 47 5. Harassing or sexually suggestive or offensive messages that are written or electronic;
48
- 49 6. Subtle or direct propositions for sexual favors; and
50
- 51 7. Touching of a sexual nature.

52 Sexual harassment may be directed against a particular person or persons, or a group, whether of the
53 opposite sex or the same sex.

54 “Supportive measures” are non-disciplinary, non-punitive, individualized services and shall be offered
55 to the complainant and the respondent, as appropriate. These measures may include, but are not limited
56 to, the following:

- 57 1. Counseling;
58
- 59 2. Course modifications;
60
- 61 3. Schedule changes; and
62
- 63 4. Increased monitoring or supervision.

64 The measures offered to the complainant and the respondent shall remain confidential to the extent that
65 maintaining such confidentiality would not impair the ability of the school district to provide the
66 supportive measures.

67 GRIEVANCE PROCESS

68 Upon learning of an instance of alleged sexual harassment, even if no formal complaint is filed, the
69 Title IX Coordinator shall:

- 70 1. Promptly contact the complainant to discuss the availability of supportive measures;
- 71
- 72 2. Consider the complainant's wishes with respect to supportive measures;
- 73
- 74 3. Inform the complainant of the availability of supportive measures; and
- 75
- 76 4. Explain the process for filing a formal complaint.¹⁰

77 While the school district will respect the confidentiality of the complainant and the respondent as much
78 as possible, some information may need to be disclosed to appropriate individuals. All disclosures shall
79 be consistent with the school district's legal obligations and the necessity to investigate allegations of
80 harassment and take disciplinary action.

81 Disciplinary consequences or sanctions shall not be initiated against the respondent until the grievance
82 process has been completed. Unless there is an immediate threat to the physical health or safety of any
83 student arising from the allegation of sexual harassment that justifies removal, the respondent's
84 placement shall not be changed.¹¹ If the respondent is an employee, they may be placed on
85 administrative leave during the pendency of the grievance process.¹² The Title IX Coordinator shall
86 keep the Director of Schools informed of any employee respondents so that they can make any
87 necessary reports to the State Board of Education in compliance with state law.¹³

88 Complaints

89 Any individual who has knowledge of behaviors that may constitute a violation of this policy shall
90 immediately report such information to the Title IX Coordinator, however, nothing in this policy requires
91 a complainant to either report or file a formal complaint within a certain timeframe. If the complaint
92 involves the Title IX Coordinator, the complaint shall be filed with the Director of Schools.

93 If a complaint involves allegations of child abuse, including child abuse on school grounds, appropriate
94 notification shall be made per the board policy on reporting child abuse.

95 Upon receipt of a formal complaint, the Title IX Coordinator shall promptly:¹⁴

- 96 1. Provide written notice of the allegations, and the grievance process to all known parties to give
97 the respondent time to prepare a response before an initial interview;
- 98
- 99 2. Inform the parties of the prohibition against making false statement or knowingly submitting
100 false information;
- 101
- 102 3. Inform the parties that they may have an advisor present during any subsequent meetings; and
- 103
- 104 4. Offer supportive measures in an equitable manner to both parties.

105 If the Title IX Coordinator dismisses a complaint, written notice, including the reasons for dismissal,
106 shall be provided to both parties simultaneously.¹⁵

107 **Investigations**¹⁶

108 For complaints of student on student harassment, the principal shall serve as the investigator and be
109 responsible for investigating complaints in an equitable manner that involves an objective evaluation of
110 all relevant evidence. For complaints of employee on student or employee on employee harassment, the
111 Human Resources Department or Title IX Coordinator will investigate. The burden for obtaining
112 evidence sufficient to reach a determination regarding responsibility rests on the school district and not
113 the complainant or respondent.

114 Once a complaint is received, the Investigator shall initiate an investigation within forty-eight (48) hours
115 of receipt of the complaint. If an investigation is not initiated within forty-eight (48) hours, the
116 investigator shall provide the Title IX Coordinator with appropriate documentation detailing the reasons
117 why the investigation was not initiated within the required timeframe. If the Title IX Coordinator is
118 serving as the investigator, the documentation shall be provided to the Director of Schools.

119 All investigations shall be completed within twenty (20) calendar days from the receipt of the initial
120 complaint. If the investigation is not complete within twenty (20) calendar days, hours, the investigator
121 shall provide the Title IX Coordinator with appropriate documentation detailing the reasons why the
122 investigation was not initiated within the required timeframe. If the Title IX Coordinator is serving as
123 the investigator, the documentation shall be provided to the Director of Schools.

124 All investigations shall:

- 125 1. Provide an equal opportunity for the parties to present witnesses and evidence;
- 126
- 127 2. Not restrict the ability of either party to discuss the allegations under investigation or gather
128 and present relevant evidence;
- 129
- 130 3. Refrain from requiring, allowing, relying upon, or otherwise using questions or evidence that
131 seek disclosure of information protected under a legally recognized privilege unless such
132 privilege has been waived;¹⁷
- 133
- 134 4. Provide the parties with the same opportunities to have others present during any grievance
135 proceeding;
- 136
- 137 5. Provide to parties whose participation is requested written notice of the date, time, location,
138 participants, and purpose of all investigative interviews, or other meetings, with sufficient time
139 for the party to prepare to participate;
- 140
- 141 6. Provide both parties an equal opportunity to inspect and review any evidence directly related to
142 the allegations in the formal complaint; and
- 143
- 144 7. Result in the creation of an investigative report that fairly summarizes relevant evidence.
- 145

146 a. Prior to the completion of the investigative report, the investigator shall send to each
147 party the evidence subject to inspection and review. All parties shall have at least ten
148 (10) days to submit a written response which shall be taken into consideration in
149 creating the final report.

150 Within the parameters of the federal Family Educational Rights and Privacy Act,¹⁸ the Title IX
151 Coordinator shall keep the complainant and the respondent informed of the status of the investigation
152 process. At the close of the investigation, a written final report on the investigation will be delivered to
153 the parent(s)/guardian(s) of the complainant, parent(s)/guardian(s) of the respondent, and to the
154 Director of Schools.

155 **Determination of Responsibility¹⁹**

156 The respondent is presumed not responsible for the alleged conduct until a determination regarding
157 responsibility is made at the conclusion of the grievance process.²⁰ The preponderance of the evidence
158 shall be used in making this determination.²¹

159 The Director or Title IX Coordinator shall act as the decision-maker. In no circumstances shall the
160 investigator also serve as the decision-maker. They shall receive the final report of the investigation and
161 allow each party the opportunity to submit written questions that they want asked of any party or witness
162 prior to the determining responsibility.

163 The decision-maker shall make a determination regarding responsibility and provide the written
164 determination to the parties simultaneously along with information about how to file an appeal.

165 A substantiated charge against a student may result in corrective or disciplinary action up to and
166 including expulsion. A substantiated charge against an employee shall result in disciplinary action up to
167 and including termination.

168 After a determination of responsibility is made, the Title IX Coordinator shall work with the complainant
169 to determine if further supportive measures are necessary. The Title IX Coordinator shall also determine
170 whether any other actions are necessary to prevent reoccurrence of the harassment.

171 **APPEALS²²**

172 Either party may appeal from a determination of responsibility based on a procedural irregularity that
173 affected the outcome, new evidence that was not reasonably available at the time of the determination
174 that could affect the outcome, or an alleged conflict of interest on the part of the Title IX Coordinator or
175 any personnel chosen to facilitate the grievance process. Appeals shall be submitted to the Title IX
176 Coordinator within ten (10) days of a determination of responsibility.

177 Upon receipt of an appeal, the Title IX Coordinator shall:

- 178 1. Assign an impartial hearing officer within five (5) days of receipt of the appeal; and
 - 179 2. Notify the parties in writing.
- 180

181 During the appeal process, the parties shall have a reasonable, equal opportunity to submit written
 182 statements. Within ten (10) calendar days, the hearing officer shall issue a written decision describing
 183 the result of the appeal and the rationale for the result. The written decision shall be provided
 184 simultaneously to both parties.

185 **RETALIATION**^{r23}

186 Retaliation against any person who makes a report or complaint or assists, participates, or refuses to
 187 participate in any investigation of an act alleged in this policy is prohibited.

2020-2021 SCHOOL YEAR**

WHEREAS, Coronavirus Disease 2019 (COVID-19) is a global pandemic that can lead to serious illness or death and spreads through close contact among individuals; and

WHEREAS, beginning on March 12, 2020, Governor Bill Lee declared Tennessee to be in a state of emergency until June 30, 2020, pursuant to Executive Orders 14 and 36, due to COVID-19; and

WHEREAS, beginning on March 16, 2020, Tennessee schools were closed for the remainder of the 2019-2020 school year, in response to requests made by Governor Bill Lee that they close to combat the spread of COVID-19; and

WHEREAS, on March 18, 2020, the Tennessee General Assembly approved the cancellation of state standardized testing for the 2019-2020 school year, due to the statewide closure of schools and subsequent lack of standardized instruction being delivered to students; and

WHEREAS, on June 22, 2020, the Tennessee State Board of Education approved Emergency Rule 0520-01-17-.01, which requires Tennessee school districts to provide students in grades one (1) through twelve (12) access to six and one half (6 1/2) hours of instructional time each school day during the 2020-2021 school year, even if there are school closures or disruptions related to outbreaks of COVID-19; and

WHEREAS, by Executive Order 50 signed by Governor Bill Lee on June 29, 2020, the state of Tennessee is to remain in a state of emergency until at least August 29, 2020 and COVID-19 continues to spread at a rapid rate in Tennessee; and

WHEREAS, Tennessee schools, in order to comply with State Board requirements, will likely have to engage in remote learning, in whole or in part, during the 2020-2021 academic school year due to the continued spread of COVID-19; and

WHEREAS, pursuant to State Board Emergency Rule 0520-01-17-.01, Tennessee school districts are required to each create and implement their own plans to facilitate continuous learning in light of the continued spread of COVID-19; and

WHEREAS, Tennessee school districts will be implementing different plans for learning from county to county across the state for the 2020-2021, based upon the needs of their students and COVID-19 outbreaks in each county; and

WHEREAS, Tennessee students will likely face significant academic and behavioral regression upon returning to school, having lost approximately two (2) months of standard instruction and attendance due to the extended closure; and

WHEREAS, when schools resume in August 2020, students will have spent approximately five (5) consecutive months out of school; and

WHEREAS, Tennessee school districts will be focused not only on student growth and safety, but also on recoupment of academic and social and emotional skills lost during the extended closure.

NOW, THEREFORE, be it resolved unanimously by all of the Board Members on this 11th day of August, 2020 that the Murfreesboro City Board of Education:

Supports and respectfully requests a moratorium on state standardized testing and accountability associated with such testing for the 2020-2021 school year, to include end-of-year examinations and formative assessments throughout the year. The Murfreesboro City Board of Education requests that, if state standardized testing does continue in some format for the 2020-2021 school year, the results of that testing be used as metrics of student progress rather than to determine district rankings and scorings statewide, due to the disparity in learning methods that will be used across the state in light of COVID-19 and focus on recoupment of students' academic and social/emotional skills lost during the extended school closure.
