1. Board Policy 2.404 School Support Organizations Action Item David LaRoche questioned the portion of the policy that states that the Board shall maintain financial statements, but then includes by-laws and minutes and such as financial statements. He suggested that the policy be reworded to be clearer with the words “administrative documents” instead of financial statements.	Dr. Linda Gilbert
--	-------------------

Roseann Barton said that there are things that are considered financial statements in the by-laws and minutes. She suggested that we take the word “financial” out and just state that the Board will maintain records. Elizabeth Taylor agreed.

Roseann Barton made the motion to approve Board Policy 2.404 on first reading with the word “financial” taken out of line 45. David Settles seconded the motion. All approved by saying aye.

V. REPORTS AND INFORMATION

Chair Butch Campbell

Information Item

1. 2019 Transportation Zones

Mr. Gary Anderson

Action Item

Mr. Anderson explained that the rezoning is occurring to try to reduce the number of students at Scales, Overall Creek, and Cason Lane. He presented an original rezoning plan at the December 11th Board meeting and the Board asked for options.

Mr. Anderson presented three options to the Board and gave an explanation of each. Mr. Anderson also gave the Board multiple handouts explaining in detail each option. The handouts also included information regarding enrollment history since 1988, single family unit permits per school zone, waivers for out of city zoned students, and a recommended grandfathering and sibling attendance plan. Board members noted they appreciated phone calls they have received from parents regarding zoning.

There was discussion regarding how soon after building Salem Elementary that we will need to build another school and how quickly another rezoning proposal would have to be done if the maximum number of students were pulled from Overall Creek at this time. Mr. Anderson said that if the Board decides to go with Option 1, rezoning would have to be done again in two years. If they choose Option 2, rezoning would need to be done again in three years, and Option 3 would require rezoning to be done again in two years.

Mr. Anderson discussed the cost to the district of losing county students.

The Board asked Mr. Anderson to explain how waivers work. Mr. Anderson reviewed the waiver process with the Board.

Out of city

Out of zone

Grandfathered

Employees' children

Siblings

He said that students complete a waiver each year. Mr. Anderson said that he will continue with this process until the Board instructs him differently. There was much discussion by the Board about the different options and the impact of growth on future zoning.

Mr. Shacklett said that he will be sure that the city council knows the situation that we are in as far as growth. He said that no decision will be a good answer for everyone, but these are things that you have to deal with when there is this much growth in a community. He said that

it is good to have schools that are doing an exceptional job where students don't want to leave, but he can guarantee parents that their children will be nurtured and educated where ever they go. They will receive a quality education.

Mr. Anderson said that if the Board chooses Option 2 or 3, they will need to have another community meeting. He also explained that we will begin registering new students in March for Salem Elementary and he will need some direction on that from the Board.

Mr. Campbell said that he wanted to let everyone know that the Board appreciates all of the hard work and effort that has gone into this rezoning process. Mr. Campbell thanked Mr. Shacklett for his support and kind words, and he appreciated all of the parents that attended the meeting. The Board will make a firm decision at the January 29th Board meeting.

Dr. Gilbert said that she appreciated all of the staff in attendance.

		Rescinds: BO 39	Issued: 11/01/11

1 INTRODUCTION

2 Only a group or organization that has entered into a written cooperative agreement with the Board may
3 use the name, mascot or logo of a school or the school district to solicit or raise money, materials,
4 property, securities, services, or other things of value.¹

5 A civic organization operating concessions or parking at school-sponsored events is not a school support
6 organization subject to this policy.

7 REPORTING AND RECORDS

8 The Director or the Director's designee shall annually post a list of organizations that are recognized as
9 school support organizations on the school district's web site.

10 Any forms, annual reports, or financial statements submitted shall be open to public inspection as a
11 public record.

12 PROCEDURES

13 The Director shall create procedures to oversee the relationship between the Board and any school
14 support organization. These procedures shall include, at a minimum, the following:

15 1. Any agreement between the Board and a school support organization shall be in writing and
16 signed by the Director or the Director's designee and an authorized agent of the school support
17 organization seeking authorization. This agreement shall contain, at a minimum, the following
18 provisions:

19 a. An agreement to abide by any policies and procedures regarding school support
20 organizations; and,

21 b. An agreement to indemnify the Board, the Director and all other agents of the local
22 education agency for the actions of the school support organization.

23 2. Prior to entering into any agreement, a school support organization shall submit the following to
24 the Director or the Director's designee:

25 a. Documentation confirming the school support organization's status as a nonprofit
26 organization, foundation, or a chartered member of a nonprofit organization or
27 foundation;

- 28 b. A written statement of the goals and objectives of the group or organization;
- 29 c. The principal contact telephone and address, as well as the telephone number, address,
30 and position of each officer of the group or organization; and,
- 31 d. A copy of the school support organization's written policy specifying reasonable
32 procedures for accounting, controlling, and safeguarding any money, materials, property,
33 securities, services, or other things of value collected or disbursed by it.
- 34 3. The Director shall designate a date prior to the beginning of the regular school year for the school
35 support organization to submit a form to the Director or the Director's designee which verifies
36 its continued status as a nonprofit organization and that the information previously provided by
37 the school support organization is correct or, if the information is no longer correct, that date
38 shall be the deadline for any corrections.
- 39 4. The school support organization shall file a statement of total revenues and disbursements before
40 the end of the school year.
- 41 5. The school support organization shall abide by all applicable federal, state and local laws,
42 ordinances and regulations in its activities.
- 43 6. The school support organization shall maintain a copy of its charter, bylaws, minutes, and
44 documentation of its recognition as a nonprofit organization.
- 45 7. The school support organization shall maintain records such as receipts, disbursements, minutes,
46 the charter, bylaws, and non-profit designation for a period of at least four (4) years.
- 47 8. The school support organization shall operate within the applicable standards and guidelines set
48 by a related state association, if applicable, and shall not promote, encourage or acquiesce in any
49 violation of student or team eligibility requirements, conduct codes or sportsmanship standards.
- 50 9. The school support organization's officers shall ensure that school support organization funds
51 are safeguarded and are spent only for purposes related to the stated goals and objectives of the
52 organization.
- 53 10. The school support organization shall obtain the approval of the Director or the Director's
54 designee before undertaking any fundraising activity. The Director or the Director's designee
55 shall consider, at a minimum, the following when approving or denying a request by a school
56 support organization to engage in a fundraising activity:
- 57 a. Whether the fundraising activity, as scheduled, conflicts with the fundraising activity of
58 the school district or an individual school within that district; and,
- 59 b. Whether the fundraising activity is consistent with the goals and mission of the school or
60 school district.
- 61 c. The approval shall not make the fundraising activity a school-sponsored activity.

62 11. The school support organization shall provide access to all books, records, and bank account
63 information for the school support organization to officials of the local school board, local school
64 principal, or auditors of the office of the comptroller of the treasury upon request.

65 12. A school representative cannot act as a treasurer or bookkeeper for a school support organization,
66 or be a signatory on the checks for a school support organization. A majority of the voting
67 members of any school support organization board should not be composed of school
68 representatives.

69 The Director may enact procedures to suspend or revoke the authorization of any school support
70 organization for a failure to abide by the policies and procedures regarding school support organizations.

71 **OPERATION OF A SCHOOL BOOKSTORE**

72 The principal of a school may enter into an agreement with a recognized school support organization for
73 the operation of a bookstore located on school grounds, which makes direct sales to students and faculty,
74 pursuant to procedures promulgated by the Director. These procedures shall provide, at a minimum, the
75 following:

- 76 1. One hundred percent (100%) of the profits of the operation of the bookstore are used for support
77 of the school; and
- 78 2. The school support organization provides the school with the relevant collection documentation
79 that would have been required pursuant to the provisions of the manual produced under § 49-2-
80 110 for student activity funds.

81 The Director may provide such other procedures and forms as he or she deems necessary.

82 **CONCESSIONS AND PARKING**

83 The principal of a school may agree to allow an authorized school support organization to operate and
84 collect money for a concession stand or parking at a related school academic, arts, athletic, or social
85 event on school property without the prior approval of the Director or Director's designee. Any money
86 payable to the school pursuant to the agreement with the principal will be considered school support
87 group funds and not student activity funds if the school support organization provides the school with
88 the relevant collection documentation required by the student activity funds manual produced by the
89 State.
