Dear Mr. Webster and Mr. Gunderson,

It is with a truly heavy heart that I submit my resignation on May 5th, 2026, from my position as the Special Education 3-6th teacher at Sutherland Public Schools.

There are no easy words for this, because this school has meant so much to me. The time I have spent here has shaped me in ways I will always be grateful for. The students I've had the privilege to teach, the colleagues I've worked alongside, and the sense of community we share have all left a lasting mark on me. It has been an honor to be part of something so meaningful, and I will carry these experiences with me wherever I go.

This decision has come after a great deal of reflection, and it is not one I make lightly. Leaving is incredibly difficult because of the connections I've built and the care I have for this school. I am deeply thankful for your leadership, your support, and the trust you placed in me—it has meant more than I can fully express.

I am fully committed to doing everything I can to make this transition as smooth and thoughtful as possible.

Thank you for giving me the opportunity to be part of this community. It has truly been special to me. I will always look back on my time here with appreciation and pride.

With sincere gratitude,

Jayden Ralston
