1759 W US Hwy 69
Emory, TX 75440

February 24, 2021

To: Chairman of the Board of Trustees

Dear Sir:

This is the time of the year when Region 7 Education Service Center would normally request your assistance in having the school board members of your district to vote for candidates for the Region 7 Education Service Center Board of Directors to fill positions where terms are expiring.

This year the election is uncontested. Thus, no ballot will be sent, and these candidates will be certified as having been elected. There is no provision for write-in candidates under the State Board of Education Rule governing the election. Also, the filing deadline of February 20, 2021, has passed. Mr. Elton Caldwell filed for Place 2, Anderson and Henderson counties; Mr. Mike Crossland filed for Place 4, Gregg and Rusk counties; and Mrs. Cozzetta Robinson filed for Place 7, Harrison and Panola counties.

On behalf of the Board of Directors and the staff of Region 7 Education Service Center, please accept our appreciation for the work you and your fellow board members do for the students of your district.

Sincerely,

Todd Schneider

GCAASB Business Meeting

Advocacy and Community Engagement: Two Sides of the Same Coin

The school board is the link between the district, the community, and beyond. Engaging the community helps the board stay connected to the vision the community has for its children. Often, legislative and local advocacy are needed to fulfill that vision. This session discusses how to engage community members effectively and provides an update on the current legislative session.

Mindfulness from the Classroom to the Boardroom

Mindfulness practices help people focus, which is especially important during times of stress. Educators are enduring immense stress this year, as are trustees, who are trying to balance the needs of students, staff, and the community. Districts continue to incorporate mindfulness for students and staff during this unprecedented and stressful environment. This interactive session will help you experience the benefits of mindfulness both in your personal life and in the boardroom.

What Are Your Values? ...Well, What's Your Policy?

Boards, in collaboration with relevant stakeholders, develop mission statements, vision statements, and goals that are intended to communicate the board's values. These values also guide board members as they make critical governance decisions. This session will cover several board policies that commonly reflect values regarding student achievement and success. The session will also help boards have value-centered conversations about these and other policies.

Governance in a Pandemic

The past year required districts across Texas to pivot on a dime. How has governance changed during this pandemic? How has effective governance stayed the same? This session discusses challenges of leading during a crisis and strategies for identifying and keeping priorities front and center.

2021 Post-Legislative Conference

Join us for the 2021 TASB Post-Legislative Conference during TASB’s Summer Leadership Institute. TASB staff will highlight new laws from this year’s legislative session focusing on what is required of school boards and superintendents. The session will feature briefings on all major legislation affecting public education and highlight issues that may arise during the interim. All Post-Legislative Conference attendees also will receive a copy of the TASB 2021 Legislative Summary for School Officials when the final document is published. This essential publication summarizes major provisions of each piece of legislation passed this session affecting public schools. *Breakfast will be served during this in-depth session.*

Greetings!

The annual Summer Leadership Institute (SLI) is not only TASB's flagship training conference—it is also our learning laboratory. SLI is designed to offer new and experienced school trustees a place to create their own learning journey and to ask bold questions.

Our members have a choice to attend the SLI that best fits their schedule and location preference—in San Antonio or Fort Worth. The two events, typically held a week apart, are nearly identical in schedule, session offerings, and general session speakers.

At the heart of SLI is an opportunity for trustees to make connections with one another. It's a community where members gather to work together in our shared quest to improve Texas school districts and provide students with an exceptional public education.

It is the culture of SLI to support each other and provide examples of what has worked and what has not worked. We invite you to join us at SLI for this exciting learning journey.

Important news for 2021

We know everyone is anxious to get back to live events. We are, too, but we need to do this as safely as possible. For SLI 2021, we will have **limited** access to the live event in both locations to ensure everyone's safety. All registrants will need to follow the safety procedures put in place at each location. These will be sent to attendees after they register. Only preregistered attendees will be permitted in the meeting space. **Onsite registrations will not be available at either location.**

If you are unable to attend in person, a fully virtual option will be offered the same weekend as the Fort Worth conference. After Fort Worth is concluded, all attendees, both in-person and virtual, will have on-demand access for 30 days.

TASB will send out updates to registered attendees if conditions change that significantly affect the conference.
