Board Code of Ethics

The board recognizes that collectively and individually, all members of the board must adhere to an accepted code of ethics in order to improve public education. Board members must conduct themselves professionally and in a manner fitting of their position.

Each board member shall:

1. Attend all regularly scheduled board meetings insofar as possible, and become informed concerning the issues to be considered at those meetings;

2. Endeavor to make policy decisions only after full discussion at publicly held board meetings;

3. Render all decisions based on the available facts and his or her independent judgment, and refuse to surrender that judgment to individuals or special interest groups;

4. Encourage the free expression of opinion by all board members, and seek systematic communication between the board and students, staff and all elements of the community;

5. Work with other board members to establish effective board policies and to delegate authority to the superintendent to administer the school district;

6. Communicate expressions of public reaction to the board policies and school program to other board members and the superintendent;

7. Learn about current educational issues by individual study and through participation in seminars and programs, such as those sponsored by the state and national school board associations;

8. Support the employment of those persons best qualified to serve as school staff, and insist on a regular and impartial evaluation of all staff;

9. Avoid being placed in a position of conflict of interest, and refrain from using the board member's position on the board for personal or political gain;

10. Refrain from discussing the confidential business of the board in any setting except a board meeting;

11. Refrain from micro-managing the affairs of the school district;

12. Recognize the superintendent as the executive officer of the board;

13. Work constructively and collegially with the other members of the board, students, staff and patrons.

14. Refer complaints to the superintendent or building principal, as appropriate;

15. Always be mindful of his/her fiduciary obligation to the school district, including duties of loyalty and care, by placing the interests of the district above the board member's personal interests.

16. Remember that a board member's first and greatest concern must be the educational welfare of the students attending this district's schools.

Conflict of Interest

Any member of the board of education who meets the conditions set forth in this policy shall be deemed to have a business or financial conflict of interest.

1. Definitions. For purposes of this policy:

    a. Business with which a board member is associated shall include the following:

        (1) A business in which the board member or a member of his or her immediate family is a partner, a limited liability company, or serves as a director or an officer.

        (2) A business in which the board member or a member of his or her immediate family is a stockholder in a closed corporation with stock worth one thousand dollars or more, or the board member or his or her immediate family owns more than a five percent equity interest or is a stockholder of publicly traded stock worth more than ten thousand dollars or more at fair market value, or which represents more than ten percent equity interest. This shall not apply to publicly traded stock under a trading account if the board member reports the name and address of the company and stockbroker.

    b. A business association shall be defined to include an individual as a partner, limited liability company member, director or officer, or a business in which the individual or member of the immediate family is a stockholder.

    c. Immediate family member or member of the immediate family shall mean a child residing in an individual's household, a spouse of an individual, or an individual claimed by that individual or that individual's spouse as a dependent for federal income tax purposes.

2. Contracts with the School District.

    a. No board member or member of his or her immediate family shall enter into a contract valued at two thousand dollars or more, in

any one year, with this school district unless the contract is awarded through an open and public process that (1) includes prior public notice and (2) allows the public to inspect during the school district's regular office hours the proposals considered and the contract awarded. Board members who enter into employment contracts with the school district must also comply with the board's policy on the employment of board members.

b. The existence of any conflict of interest in any contract in which the board member has an interest and in which the school district is a party, or the failure to make public the board member's interest known, may render a contract null and void.

c. The prohibition of a conflict of interest or requirement for the board member to make public notice shall apply when the board member, or his or her parent, spouse, or child has a business association with the business involved in the contract or will receive a payment, fee, or commission as a result of the contract.

d. The prohibition in this section does not apply if the contract is an agenda item approved at a board meeting and the board member:

(1) Makes a declaration on the record to the school board regarding the nature and extent of his or her interest prior to official consideration of the contract;

(2) Does not vote on the matters of granting the contract, making payments pursuant to the contract, or accepting performance of work under the contract, or similar matters relating to the contract, except that if the number of members of the school board declaring an interest in the contract would prevent the board with all members present from securing a quorum on the issue, then all members may vote on the matters; and

(3) Does not act for the school board as to inspection or performance under the contract in which he or she has an interest.

3. Contracts with Board Member’s Immediate Family.

    a. If a person in a board member's immediate family is an employee of this school district, the board member may vote on all issues of a contract which are generally applicable to:

        (1) All district employees.

        (2) All employees within a specific classification but which does not single out the member of his or her immediate family.

4. Employing Members of the Immediate Family.

    a. A board member may recommend for employment or supervise the employment of an immediate family member if:

        (1) The board member does not abuse his or her position.

        (2) Abuse of official position shall include, but not be limited to, employing an immediate family member:

            (i) who is not qualified for and able to perform the duties of the position;

            (ii) for any unreasonably high salary;

            (iii) who is not required to perform the duties of the position.

        (3) The board makes a reasonable solicitation and consideration of applications for employment.

        (4) The board member makes a full disclosure on the record to the governing body of the school district and to the secretary of the board. If the secretary of the board of education would be the individual filing the disclosure statement, the statement shall be filed with the president of the board of education.

        (5) The board approves the employment or supervisory position.

b. The board has not terminated the employment of another employee so as to make funds or a position available for the purpose of hiring an immediate family member.

5. Gifts, Loans, Contributions, Rewards, or Promises of Future Employment

   a. No board member shall offer or give to the following persons anything of value, including a gift, loan, contribution, reward, or promise of future employment, based upon an agreement that a vote, official action, or judgment would be influenced thereby:

      (1) a public official, public employee, or candidate.

      (2) a member of the immediate family of an individual listed in Subparagraph 'a' above.

      (3) a business with which an individual listed in Subparagraph (1) or (2) above is associated.

   b. No board member shall solicit or accept anything of value, including a gift, loan, contribution, reward, or promise of future employment based on an agreement that the vote, official action, or judgment of the board member would thereby be influenced.

   c. A board member shall not use or authorize the use of his or her public office or any confidential information received through the holding of a public office to obtain financial gain, other than compensation provided by law, for himself or herself, a member of his or her immediate family, or a business with which he or she is associated.

   d. A board member shall not use personnel, resources, property, or funds under his or her official care and control other than in accordance with prescribed constitutional, statutory, and regulatory procedures or use such items, other than compensation provided by law, for personal financial gain.

6. Conflict of Interest Relating to Campaigning or Political Issues

   a. Except as provided below, the board shall not authorize the use of personnel, property, resources, or funds under its jurisdiction for the purpose of campaigning for or against the nomination or

election of a candidate or the qualification, passage, or defeat of a ballot question.

b. This does not prohibit the board from making school district facilities available to a person for campaign purposes if the identity of the candidate or the support for or opposition to the ballot question is not a factor in making the facilities available or a factor in determining the cost or conditions for use.

c. This does not prohibit the board from discussing and voting upon a resolution supporting or opposing a ballot question.

d. This does not prohibit the board, while legally seated as a body, from responding to specific inquiries by the press or the public as to the board's opinion regarding a ballot question or from providing information in response to a request for information.

(1) The board may designate one or more members of its body, or one or more of its school administrators, to speak on behalf of the board on specific occasions such as public meetings or legislative hearings.

(2) Any member of the board may present his or her personal opinion regarding a ballot question or respond to a request for information related to a ballot question; but in so doing, the person should clearly state that the information being presented is his or her personal opinion and is not to be considered as the official position or opinion of the board. However, this shall not be done during a time that the individual is engaged in his or her official duties.

7. Conflict of Interest Statement

a. Any board member who would be required to take any action or make any decision in the discharge of his or her official duties that may cause financial benefit or detriment to him or her, a member of his or her immediate family, or a business with which he or she is associated, which is distinguishable from the effects of such action on the public generally or a broad segment of the public, shall take the following actions as soon as he or she is aware of such potential conflict or should reasonably be aware of such potential conflict, whichever is sooner:

(1) Prepare a written statement describing the matter requiring action or decision and the nature of the potential conflict;

(2) Deliver a copy of the statement to the school board secretary who shall enter the statement onto the school district's public records; and

(3) Abstain from participating or voting on the matter in which he or she has a conflict of interest.

b. If the board member would like a formal opinion from the NADC as to whether there is an actual conflict of interest, he/she shall deliver a copy of the statement to the NADC.

8. Recordkeeping

a. The board secretary shall maintain a separate record of the following information for every contract entered into by the school board in which a board member has an interest and for which disclosure was made pursuant to section 2d of this policy:

(1) The names of the contracting parties.

(2) The nature of the interest of the board member in question.

(3) The date that the contract was approved.

(4) The amount of the contract.

(5) The basic terms of the contract.

b. The information supplied relative to the contract shall be provided no later than ten (10) days after the contract has been signed by both parties. The ledger kept by the board secretary shall be available for public inspection during normal working hours of the office in which it is kept.

9. Conflict. To the extent that there is a conflict between this policy and the Nebraska Political Accountability and Disclosure Act ("Act"), the Act shall control.

The financial effect of the action or decision must be distinguishable from the financial effect on the general public or a broad segment of it.

II. Who Must File:

A. Any public official of any political subdivision, who is not required to file a Statement of Financial Interests (Form C-1), must file this form if he or she has a potential conflict of interest. B. Any employee of a political subdivision whose annual salary and benefits exceed $150,000 must file this form if he or she has a conflict of interest.

III. When and Where to File and Abstention:

A. This form should be filed as soon as the person holding elective office is aware that he or she may have a potential conflict of interest and prior to the time that the action is to be taken or the decision is to be made.

B. This form should be filed with the person who normally keeps records for the governing body of the political subdivision. For example, the person who keeps records for a city or village may be the city clerk or village clerk. **This form is not required to be filed with the Nebraska Accountability and Disclosure Commission**. However, if the person wants an opinion from the Commission as to whether he or she has an actual conflict of interest, he or she may send a copy of the form to the Commission along with a request for an opinion.

C. The person filing the form should abstain from participating in or voting on the matter in which he or she has a potential conflict of interest or until he or she has been notified by our office that there is no conflict.

IV. Enforcement - If a person required to file this form fails to do so, the NADC may find a violation of the Nebraska Political Accountability and Disclosure Act and assess a civil penalty.

Complaint Procedure

Good communication helps to resolve many misunderstandings and disagreements. This complaint procedure applies to board members, patrons, students and school staff, unless the staff member is subject to a different grievance procedure pursuant to policy or contract. Individuals who have a complaint should discuss their concerns with appropriate school personnel in an effort to resolve problems. When such efforts do not resolve matters satisfactorily, including matters involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age, a complainant should follow the procedures set forth below:

1. The first step is for the complainant to speak directly to the person(s) with whom the complainant has a concern. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher. However, the complainant should skip the first step if complainant believes speaking directly to the person would subject complainant to discrimination or harassment.

2. The second step is for the complainant to speak to the building principal, Title IX/504 coordinator, superintendent of schools, or president of the board of education, as set forth below.

    a) Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.

    b) Complaints about the operations of the school district or a building principal should be submitted in writing to the superintendent of schools.

    c) Complaints about the superintendent of schools should be submitted in writing to the president of the board of education.

    d) Complaints involving discrimination or harassment on the basis of race, color, national origin, gender, marital status, disability, or age may also be submitted, at any time during the complaint procedure to the School District's Title IX/504 coordinator. Complaints involving discrimination or harassment may also be submitted at any time to the Office

for Civil Rights, U.S. Department of Education: by email at OCR.KansasCity@ed.gov; by telephone at (816) 268-0550; or by fax at (816) 268-0599.

3. When a complainant submits a complaint to an administrator or to the Title IX/504 coordinator, the administrator or Title IX/504 coordinator shall promptly and thoroughly investigate the complaint, and shall:

    a) Determine whether the complainant has discussed the matter with the staff member involved.

        1) If the complainant has not, the administrator or Title IX/504 coordinator will urge the complainant to discuss the matter directly with that staff member, if appropriate.

        2) If the complainant refuses to discuss the matter with the staff member, the administrator or Title IX/504 coordinator shall, in his or her sole discretion, determine whether the complaint should be pursued further.

    b) Strongly encourage the complainant to reduce his or her concerns to writing.

    c) Interview the complainant to determine:

        1) All relevant details of the complaint;

        2) All witnesses and documents which the complainant believes support the complaint;

        3) The action or solution which the complainant seeks.

    d) Respond to the complainant. If the complaint involved discrimination or harassment, the response shall be in writing and shall be submitted within 180 days after the administrator or Title IX/504 coordinator received the complaint.

4. A complainant who is not satisfied with the administrator's or the Title IX/504 coordinator's decision regarding a complaint may appeal the decision to the superintendent.

a) This appeal must be in writing.

b) This appeal must be received by the superintendent no later than ten (10) business days from the date the administrator or Title IX/504 coordinator communicated his/her decision to the complainant.

c) The superintendent will investigate as he or she deems appropriate. However, all matters involving discrimination or harassment shall be promptly and thoroughly investigated.

d) Upon completion of this investigation, the superintendent will inform the complainant in writing of his or her decision. If the complaint involved discrimination or harassment, the superintendent shall submit the decision within 180 days after the superintendent received complainant's written appeal.

5. A complainant who is not satisfied with the superintendent's decision regarding a complaint may appeal the decision to the board.

a) This appeal must be in writing.

b) This appeal must be received by the board president no later than ten (10) business days from the date the superintendent communicated his/her decision to the complainant.

c) This policy allows, but does not require the board to receive statements from interested parties and witnesses relevant to the complaint appeal. However, all matters involving discrimination or harassment shall be promptly and thoroughly investigated.

d) The board will notify the complainant in writing of its decision. If the complaint involved discrimination or harassment, the board shall submit its decision within 180 days after it received complainant's written appeal.

e) There is no appeal from a decision of the board.

6. When a formal complaint about the superintendent of schools has been filed with the president of the board, the president shall promptly and thoroughly investigate the complaint, and shall:

   a) Determine whether the complainant has discussed the matter with the superintendent.

      1) If the complainant has not, the board president will urge the complainant to discuss the matter directly with the superintendent, if appropriate.

      2) If the complainant refuses to discuss the matter with the superintendent, the board president shall, in his or her sole discretion, determine whether the complaint should be pursued further.

   b) Strongly encourage the complainant to reduce his or her concerns to writing.

   c) Determine, in his or her sole discretion, whether to place the matter on the board agenda for consideration at a regular or special meeting.

   d) Respond to the complainant. If the complaint involved discrimination or harassment, the response shall be in writing and shall be submitted within 180 days after the president received the complaint.

The school district prohibits retaliation against any person for filing a complaint or for participating in the complaint procedure in good faith.

    b. Special and emergency meetings may be called as provided by law.

    c. The board may schedule work sessions and retreats in order to provide board members and administrators with the opportunity to plan, research, and engage in discussion.

2. Notice

The board shall give reasonable advance publicized notice of the time and place of each of its meetings, which generally will be 48 hours or more in advance of the meeting. Such notice shall be transmitted to all members of the board and to the public.

Publication Procedure if the Newspaper Will Be Finalized for Printing Prior to the Time and Date of the Meeting. Notice of regular and special meetings shall be (1) published in a newspaper of general circulation within the district that is finalized for printing prior to the time and date of the meeting, (2) posting on the newspaper's website, if available, and (3) posting on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers.

Publication Procedure if the Newspaper Will Not Be Finalized for Printing Prior to the Time and Date of the Meeting. Notice of regular and special meetings shall be (1) posting on the newspaper's website, if available, and (2) posting on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers if no edition of a newspaper of general circulation within the school district's jurisdiction is to be finalized for printing prior to the time and date of the meeting.

Newspapers of general circulation in the district include the ~~_____~~. Ravenna News, Sherman County Times, Kearney Hub,

Grand Island Independent, & Omaha World-Herald. Such notice shall contain a statement that the agenda shall be readily available for public inspection at the administration office of the school during the normal business hours. In addition, the superintendent is authorized, but not required, to publish the notice of any meeting on the school district's website, posting in three prominent places within the school district, or by any other appropriate method designated by the board.

In case of refusal, neglect, or inability of the newspaper to timely publish the notice, the school district will (1) post the notice on its website, if available, (2) request the newspaper submit a post on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers, and (3) post the notice in a conspicuous public place in the school district's jurisdiction. The school district will keep a written record of the posting and the written request to the newspaper.

When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes of the meeting, and any formal action taken in such meeting shall pertain only to the emergency. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public no later than the end of the next regular business day.

3. Weather Delays

In the event of inclement weather which makes it dangerous or unreasonable for board members or members of the public to attend a meeting for which notice has already been given, such meeting may be postponed by the board president. The board will communicate the delay to members of the public by posting it on the district's website and by following the same communication protocol that the district follows when student attendance at school is called off due to inclement weather. When possible, the board president and superintendent will attempt to communicate the information to local media members and business owners to assist in notifying the public of the delay. Notice of the date, time, and location of the postponed meeting will be advertised as required in the "Notice" section above.

4. Minutes

a. The board shall keep minutes of all meetings showing the time, place, members present and absent, the method(s) and date(s) of the meeting notice, and the substance of all matters discussed.

b. Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the board in open session, and the record shall state how each member voted, or if the member was absent or not voting.

c. The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public record and shall be published on the school district's website within ten working days of the last meeting or prior to the next convened meeting, whichever occurs earlier. The minutes shall be available on the website for at least six months.

Transfers & Interfund Loan History for General Fund, Special Building Fund, & Bond Fund During the Construction Project

Purpose: The purpose of this document is to track the movement of money between the school district's financial funds during the Ravenna Bond Construction Project.

Historical Background: The 2025-26 Budget was prepared to allow for the use of interfund loans between the Special Building Fund and the General Fund. The rationale for these transfers is due to anticipated lower receipts coming into the General Fund during the 2025-26 budget cycle. Receipts were anticipated to be lower because a lower tax request for the 2025-26 Budget cycle was promised to the taxpayers during the bond election campaign. The budget document was created so that up to $1.5 million could be borrowed from the Special Building Fund to support cash flow in the General Fund during the budget cycle.

Similarly, the 2025-26 Budget was prepared to allow for the use of interfund loans between the Special Building Fund and the Bond Fund. The tax draw in the Bond Fund was not going to be adequate during the first budget year (2025-26) of the bond to meet the required debt payments from the Bond Fund. Until the receipts in the Bond Fund are adequate to make the required loan payments, interfund loans from the Special Building Funds to the Bond Fund will be used to ensure there is adequate revenue to make the payments. The budgeted amount for these interfund transfers for the 2025-26 budget cycle is up to $417,870.

History of Interfund Loans & Transfers

$101,304.69 – Interfund Loan from Special Building Fund to the Bond Fund was made on November 10, 2025, due to low revenues in Bond Fund (first year of the draw at the county treasurer's office) and a bond loan payment was due. Interfund loan must be paid back by November 10, 2027.

Ravenna Administration and Ravenna School Board,

It is hard to believe that it was 35 years ago that I started teaching and coaching here at Ravenna Public Schools. It has allowed me to create a lot of great memories that I will cherish forever. After hours of pondering and visits with my wife, I have made the decision to retire from teaching at the end of the year here at Ravenna Public Schools. It's time to see what the next chapter of my life will bring. It has been a privilege to be a part of such a great school system.

Please accept this letter of resignation.

Sincerely,

Tony Schirmer

This agreement is made and entered into this 13th day of January, 2025, by and between the Board of Education of the School District #69 of Ravenna in the County of Buffalo, in the State of Nebraska (hereinafter referred to as the "Board") and Ravenna Education Association (hereinafter referred to as the "Association").

General Purpose

The Ravenna Board of Education and the Ravenna Education Association recognize that the development of a quality educational program for the children attending the Public Schools of Ravenna is a joint responsibility which can best be achieved by agreement that all parties work toward common goals. The public officials and the Association enter into this agreement with mutual dedication, recognizing that the experience, creativity and judgment of all parties are necessary to reach the education needs of the community.

A $3,800 deductible plan will also be available as an option for employees during the 2025-26 school year. The difference in premium between the $1,050 deductible and the $3,800 deductible will be paid by the district and deposited in the employee's Health Savings Account. Health insurance is a 4-tier policy. This will provide a single teacher with a premium of $863.10 monthly, teacher and child(ren) with a premium of $1,596.76 monthly, teacher and spouse with a premium of $1,812.52 monthly, and a married teacher taking the family health plan a premium of $2,433.76 monthly. At the beginning of each school year each teacher shall be credited with ten (10) days of sick leave allowance to be used for absences caused by illness or temporary disability of the teacher. Teachers new to the system will be given fifteen (15) days the first year of their employment. Teachers will be allowed to use sick leave for illness in the immediate family: (spouse, children, parents, mother-in-law, father-in-law). Sick leave may accumulate from year to year up to fifty (50) days. A doctor's statement may be required after five (5) days of continued illness. The administration shall furnish to each teacher a written statement at the beginning of each school year setting forth the total sick leave.

B. Personal Leave

There shall be three (3) days personal leave per teacher per year. Personal

leave does not carry over. The number of teachers who take leave at the same time may be restricted by the administration. Application shall be made at least two days in advance. Personal leave may be taken before or after a scheduled vacation with approval of the superintendent. Teachers will be paid $100 per day for up to two unused personal days per contract year.

C. Professional Leave

Each teacher shall be allowed five (5) days professional leave with administrative approval.

D. Bereavement Leave

A maximum of five (5) sick leave days may be used each year as bereavement leave to allow a staff member to attend funeral services and for the purpose of bereavement. Should the death of a spouse or child cause sickness (physical, emotional, or mental), the staff member may be entitled to use other leave as provided by law or this agreement.

E. Full "Dock Days" Leave

Staff members covered by this agreement are entitled to up to 10 "dock days" of additional leave in excess of the leave provided herein, so long as their leave is otherwise qualifying under another leave provision in this agreement and they have complied with all of the requirements of that provision for taking the leave. Dock day leave will be taken at a reduction of the staff member's total salary and benefit cost per day. This provision shall not apply, and the staff member is not allowed to take dock day leave, if the staff member is eligible for any other type of leave, including but not limited to leaves such as those provided in the agreement, the FMLA, and or Short or long-term disability.

ARTICLE VI

Step 2 - Written Grievance to the Principal. If the grievance is not resolved to the satisfaction of the grievant within five (5) days of the meeting with the principal, the grievant representative may present the grievance in writing to the principal.

The principal shall schedule a meeting within three (3) days of receipt of the written grievance to discuss the elements of the grievance. The principal shall submit his or her determination in writing to the grievant within five (5) days of the meeting.

Step 3 - Written Appeal to the Superintendent of Schools. If the determination of the principal is not satisfactory to the grievant, the grievant may appeal it to the superintendent of schools or his or her designated representative. Said appeal shall be presented, in writing, to the office of the superintendent of schools within five (5) days of receipt of the principal's determination.

The superintendent of schools or a designee shall hold a formal meeting within seven (7) days of receiving the written appeal. The superintendent of schools or a designated representative sha11 make a written determination regarding the grievance within five (5) days of the date of the meeting.

Step 4 - Appeal to the Board of Education. The board shall hear the grievance within thirty (30) days in open or closed session in accordance with the law. The board sha11 notify the grievant of its decision within five (5) days of hearing the grievance.

Advanced Step Filing. A grievance shall be filed initially at the level at which the decision resulting in the grievance was made.

Time Limitations. Time limitations herein are critical. All references to days are calendar days. No grievance sha11 be accepted by the district unless it is submitted or appealed within the time limits set forth in this Agreement. If at any time during the grievance process, it is discovered that the grievance was not filed or appealed in a timely manner, the grievance shall be dismissed. If the grievance is not submitted in a timely manner at Step 1 or Step 2, it sha11 be deemed to be waived. If the grievance is not appealed to Step 3 in a timely manner, it shall be deemed to have been settled in accordance with the district's Step 2 determination. If the district fails to answer within the time limits set forth in this Agreement, the grievance shall automatically proceed to the next step.

SUBJECT: Special Education Contract and Cooperative Service Agreements

A Special Education Contract for the 2026-27 school year is enclosed for you to sign and return. The signature does not need to be notarized; however, your board should officially authorize the services at your next board meeting. This contract includes Speech Therapy Services. If your district contracts for this service, it will be indicated on the enclosed Schedule A. Also, enclosed are the cooperative service agreements for Special Education Supervision, Deaf Education Services, Psychology Services, Audiology Services, Physical Therapy, Occupational Therapy, Vision Services, Orientation and Mobility, Mental Health and Vocational Services if you contract for these services. Please sign and date all of the cooperative service agreements, the contract and return them along with Schedule A to me **no later than March 1, 2026**. The ESU board will approve the contract, and a copy will be returned to you.

Schedule A (enclosed) is the service and FTE provided for the 2025-26 school year and the anticipated service for the 2026-27 school year. We have highlighted on the Schedule A any services that we offer that you do not participate in. If you would like more information on any of these services, please contact me. If for any reason your district intends to request a change to the service or FTE for 2026-27, **please make note of the change on Schedule A**, sign and return it to me as part of the contract. The cost of services will be approximately 5% above the current year. A description of all services provided is available upon request.

Schedule B (enclosed) is a brief description of how each service is billed and the rationale for the different billing categories we use. Again, if you have any questions, please do not hesitate to contact me.

To recap, you need to return to ESU 10:

1. The Special Education Contract (1 contract, **sign back page**)
2. Schedule A (1 form, **sign on front**)
3. Cooperative Program Agreements (1 to 9 forms, **sign on front**)

Approval by both boards indicates agreement and cannot be changed for the 26-27 school year after they have been approved.

Please feel free to contact me if you have any questions.

Schedule B

Special Education Services are billed in 4 different ways. They are explained below including the rationale for the way the different services are billed.

FTE

Speech Language Pathology (SLP) is billed by FTE. The FTE amount is calculated by taking the total budget for the SLP program and dividing it by the amount of SLP FTE employed by the service unit for that fiscal year. Districts are billed based on the percentage of FTE they contract for.

Rationale for billing it this way: Historically, districts have requested a specific number of days of SLP time according to their districts' needs and duties of their SLP. Billing by FTE guarantees that they are able to secure the time they desire. SLPs spend more consistent time in a district than other disciplines.

ADM

Audiology, Physical Therapy, Occupational Therapy, School Psychology, and Supervision are billed as cooperative programs. This means that the programs are joined by school districts and the cost of the program is billed to the school district based on their Average Daily Membership (ADM) as submitted annually to NDE.

Rationale for billing this way: The needs in these programs ebb and flow as often as week by week so billing them in this manner means that districts can have their needs met as they come up without budget adjustments week by week. It allows for flexibility for districts and ESU staff to respond more immediately to whatever needs arise. Logically, a district with more students is going to have more needs so they have more time in the staff member's schedule. Because districts pay based on ADM, larger districts will have higher charges and smaller districts will have lower charges.

Per Student

Deaf Education (DHH), Vision Education (VI), and Orientation & Mobility (O&M) are billed on a per student cost according to the caseload of the provider. The budget or costs for the month are divided by the number of students on a service provider's caseload and that gives us the per student cost. The per student cost is multiplied by the number of students on the caseload in that specific district and then billed to the district.

Rationale for billing this way: Students who are DHH, VI, or have O&M needs are a very low incidence disability so there is not a need to bill by FTE and it is inequitable to bill by ADM. The low incidence of these disabilities and the size of ESU 10 districts make it unlikely that statistically it would fit the ADM pattern so we bill these programs on a per student basis to the districts who need the service.

Day(s)/Week

Mental Health Therapy is currently the only program that is billed on a day(s) per week basis. For a district that contracts for the three programs of SLP, OT and PT from the service unit, their cost is $11,000 for the year for 1 day per week. If a district contracts with ESU 10 for one or two of these programs, their cost is $16,000 for the year for 1 day per week. If a district does not contract for any of the three programs, their cost is $21,000 for the year for 1 day per week.

Rationale for billing this way: ESU 10 supplements the cost of the Mental Health Therapy Program with Medicaid in Public Schools (MIPS) dollars to keep costs as low as possible for school districts. The services provided by SLPs, OTs, and PTs are the highest source of income for MIPS dollars so districts that contract for these services are supplemented at a higher rate by having lower costs for the Mental Health Supports. 25-26 is the only year Mental Health therapy costs increased.

EDUCATIONAL SERVICE UNIT 10
CONTRACT FOR
SPECIAL EDUCATION SERVICES

THIS AGREEMENT, made and entered into this 5th day of January, 2026, by and between **EDUCATIONAL SERVICE UNIT 10** of the State of Nebraska hereinafter called **"SERVICING AGENCY,"** and **Ravenna Public Schools**, called **"DISTRICT."**

WITNESSETH:
The District does hereby agree to hire the Servicing Agency to service its age-eligible students with disabilities during the school year 2026-27, and the Servicing Agency agrees to act as such Servicing Agency, for the consideration and under the terms and conditions as hereinafter set forth:

1. A description of the program of special education and related services to be provided to District students shall be as set forth in Schedule "A" hereto attached, including full-time equivalency (FTE) provided in 2025-26 and anticipated in 2026-27 unless district notifies servicing agency otherwise.

2. The District shall pay the Servicing Agency for said special education and related services in accordance with Schedule A. This Schedule shall be in full force and effect during the school year of 2026-27, commencing not earlier than August 1, 2026, and ending not later than August 20, 2027. The total dollar amount of this contract will be submitted to the district on or before July 1, 2026, or as soon as the budgets are set for the Servicing Agency, whichever is later.

3. The District agrees that the costs for the actual services rendered will be reconciled by the Service Agency, and the amount payable for those special education services to be delivered by the Servicing Agency shall be paid in full. All programs and services will be billed based on the actual services delivered as outlined in Schedule A, based on the structure in Schedule B.

4. The District agrees that the amount payable for special education services the first month of the school year will be one-tenth (1/10) of the budgeted cost with payment due on or before October 16, 2026.

5. The Servicing Agency agrees to bill the District for the actual cost of special education services rendered and to reconcile prior overpayment or underpayment based on actual services rendered.

6. The Servicing Agency agrees to provide the District with the final billing, a complete reconciliation of the actual costs of services rendered, and the actual rate for cost of services. The final billing to the District shall serve as a final reconciliation of the amount of payment previously agreed upon in item two of this contract.

7. The District agrees that the final billing for special education services submitted to the District by the Servicing Agency for actual services rendered during the contract period shall be considered as an amendment to the original contract and shall be included in full by this reference. If the District does not dispute any of the amounts or services contained in the final billing within 30 days, the parties agree that it will be incorporated in full as an amendment to this contract.

8. Special education programs or services which extend beyond the regular school year will be provided by the Servicing Agency upon request by the District. Extended programs shall be covered by separate contract.

9. It is further agreed that in the event the District does not pay the Servicing Agency as herein set forth, the Servicing Agency may cancel this contract and refuse further service. In the event of such Cancellation, the Servicing Agency may recover any past due amounts and exercise any other rights that may exist by law.

10. The Servicing Agency shall record and supply to the District, upon request, information on each child for whom services are contracted, including time-and-effort logs detailing the services provided, the name of the provider, the duration of the services, and the date on which services were provided. The Servicing Agency agrees to confer with the District for purposes of evaluating such child's progress and the District's compliance with applicable laws.

11. The Servicing Agency shall assist the District with the preparation of plan and budget, financial reports and other procedures, artifacts, and obligations required by NDE Rule 51 or 52.

12. The District and the Servicing Agency agree to abide by the mandated procedures for identification, verification, placement, development of the individualized program, inspection and review of student records, and other requirements as specified in NDE Rules 51 and 52, Regulations and Standards for Special Education Programs, Nebraska State Department of Education, and the current Federal Regulations implementing IDEA.

13. The District hereby agrees that changes or modifications in the program or children served shall be mutually agreed upon before said change or modifications are implemented.

14. Should the Servicing Agency be unable to render the services contracted because of the Servicing Agency's inability to employ personnel who meet the criteria for employment of the Servicing Agency and/or the certification requirements of the State of Nebraska, or for other reasons which are determined by the Servicing Agency to be valid, the Servicing Agency has no obligation to provide services contracted for but not provided or reimburse the District for any additional cost incurred to procure those services. The Servicing Agency values its collaborative relationship with the District and will give reasonable efforts to assist the District in procuring those services. The District will be notified no later than September 1, 2026 of the Service Agency's inability to provide any services under this contract.

15. The District agrees that any act intentionally and unilaterally done which may cause litigation against the Servicing Agent shall be defended at the sole expense of the District and any damages assessed against the District for the Servicing Agency or either of them shall be borne entirely by the District. This paragraph shall not operate to indemnify or relieve the Servicing Agency of any liability otherwise attaching to it under any applicable state or federal law, nor to any action undertaken by the District in the provision of special education services or related services which are undertaken in consultation with the Servicing Agency or in a good faith effort by the District to comply with lawful obligations of the District.

16. **The District agrees that in the event the District desires to change the services provided by this contract for a subsequent year whether by change in full-time equivalency, staffing, change in percentage FTE of any area of endorsement held by personnel presently assigned to the District, or to eliminate any program or service being provided pursuant to this contract, the District shall notify the Servicing Agency administrator in writing of such requested change on or before March 1, 2026 (next preceding the starting date of the school year to be affected by any changes) as are described in this paragraph.**

17. **The District agrees that in the event that no such written notice is made to the Servicing Agency on or before March 1, that the Servicing Agency shall be entitled to assume that the District desires the same FTE in all areas of endorsement, certification or other qualification, and in all programs it had through this contract with the Servicing Agency, including in Schedule A. In the event the District should later notify the Servicing Agency of a diminished request for FTE in any area of endorsement, certification or other qualification, or in any program or service provided by this contract, the Servicing Agency shall use its best effort to find other employment for such affected personnel, provided, however, that in the event such personnel cannot be reassigned and to the extent that such personnel constitute a cost to the Servicing Agency that cannot be passed through by way of contract or otherwise, the District agrees to pay any cost incurred by the Servicing Agency for such personnel.**

18. This contract may be renegotiated or amended by mutual agreement.

1. DEFINITIONS. As used in this Note, the terms have the following meanings:

A. Pronouns. The pronouns "I," "me," and "my" refer to each Borrower signing this Note and each other person or legal entity (including guarantors, endorsers, and sureties) who agrees to pay this Note. "You" and "Your" refer to the Lender, any participants or syndicators, successors and assigns, or any person or company that acquires an interest in the Loan.

B. Note. Note refers to this document, and any extensions, renewals, modifications and substitutions of this Note.

C. Loan. Loan refers to this transaction generally, including obligations and duties arising from the terms of all documents prepared or submitted for this transaction such as applications, security agreements, disclosures or notes, and this Note.

D. Loan Documents. Loan Documents refer to all the documents executed as a part of or in connection with the Loan.

E. Property. Property is any property, real, personal or intangible, that secures my performance of the obligations of this Loan.

F. Percent. Rates and rate change limitations are expressed as annualized percentages.

G. Dollar Amounts. All dollar amounts will be payable in lawful money of the United States of America.

2. PROMISE TO PAY. For value received, I promise to pay you or your order, at your address, or at such other location as you may designate, amounts advanced from time to time under the terms of this Note up to the maximum outstanding principal balance of **$2,000,000.00 (Principal)**, plus interest from the date of disbursement, on the unpaid outstanding Principal balance until this Note is paid in full and you have no further obligations to make advances to me under the Loan.

I may borrow up to the Principal amount more than one time.

3. ADVANCES. Advances under this Note are made according to the following terms and conditions.

A. Requests for Advances. My requests are a warranty that I am in compliance with all the Loan Documents. When required by you for a particular method of advance, my requests for an advance must specify the requested amount and the date and be accompanied with any agreements, documents, and instruments that you require for the Loan. Any payment by you of any check, share draft or other charge may, at your option, constitute an advance on the Loan to me. All advances will be made in United States dollars. I will indemnify you and hold you harmless for your reliance on any request for advances that you reasonably believe to be genuine. To the extent permitted by law, I will indemnify you and hold you harmless when the person making any request represents that I authorized this person to request an advance even when this person is unauthorized or this person's signature is not genuine.

I or anyone I authorize to act on my behalf may request advances by the following methods.

(1) I make a request in person.

(2) I make a request by phone.

(3) I make a request by mail.

(4)

B. Advance Limitations. In addition to any other Loan conditions, requests for, and access to, advances are subject to the following limitations.

(1) Discretionary Advances. You will make all Loan advances at your sole discretion.

(2) Minimum Advance. Subject to the terms and conditions contained in this Note, advances will be made in the amount of $1000.00, or multiples of this amount.

(3) Cut-Off Time. Requests for an advance received before 4:00:00 PM will be made on any day that you are open for business, on the day for which the advance is requested.

(4) Disbursement of Advances. On my fulfillment of this Agreement's terms and conditions, you will disburse the advance into my account number 100267.

(5) Credit Limit. I understand that you will not ordinarily grant a request for an advance that would cause the unpaid principal of my Loan to be greater than the Principal limit. You may, at your option, grant such a request without obligating yourselves to do so in the future. I will pay any overadvances in addition to my regularly scheduled payments. I will repay any overadvance by repaying you in full within 0 days after the overadvance occurs.

(6) Records. Your records will be conclusive evidence as to the amount of advances, the Loan's unpaid principal balances and the accrued interest.

Wolters Kluwer Financial Services, Inc.©1996, 2025 Bankers Systems™

4. INTEREST. Interest will accrue on the unpaid Principal balance of this Note at the rate of **6.500 percent (Interest Rate)** until December 24, 2025, after which time it may change as described in the Variable Rate subsection.

A. Interest After Default. If you declare a default under the terms of the Loan, including for failure to pay in full at maturity, you may increase the Interest Rate payable on the outstanding Principal balance of this Note. In such event, interest will accrue on the outstanding Principal balance at 16.000 percent until paid in full.

B. Maximum Interest Amount. Any amount assessed or collected as interest under the terms of this Note will be limited to the maximum lawful amount of interest allowed by applicable law. Amounts collected in excess of the maximum lawful amount will be applied first to the unpaid Principal balance. Any remainder will be refunded to me.

C. Statutory Authority. The amount assessed or collected on this Note is authorized by the Nebraska usury laws under Neb. Rev. Stat. § 45-101.03.

D. Accrual. Interest accrues using an Actual/365 days counting method.

E. Variable Rate. The Interest Rate may change during the term of this transaction.

(1) Index. Beginning with the first Change Date, the Interest Rate will be based on the following index: Town & Country Bank Base Rate (the "Benchmark").

The Benchmark is the most recent index value available on each Change Date. You do not guaranty by selecting this Benchmark, or the Margin, that the Interest Rate on this Note will be the same rate you charge on any other loans or class of loans you make to me or other borrowers. If this Index is no longer available, I agree and consent to you selecting a substitute Benchmark and an alternative Margin - all at your sole discretion. You will give me advance notice of your selection. As used in this subsection, "no longer available" includes, but is not limited to, when a Benchmark is terminated, becomes deregulated, or becomes unacceptable for use by a regulator.

If the Benchmark is deemed to be no longer available it will be replaced if any of the following events (each, a "Replacement Event") occur: (i) the administrator, including any successor administrator of the Benchmark, has stopped providing the Benchmark to the general public; (ii) the administrator or its regulator issues a public statement indicating that the Benchmark is no longer reliable or representative; or (iii) the effective date of an applicable federal or state law, or applicable federal or state regulation that prohibits use of the Benchmark. If a Replacement Event occurs, you will select a new benchmark (the "Replacement Benchmark") and may also select a new margin (the "Replacement Margin"), as follows:

(a) If a replacement benchmark and margin has been selected or recommended by the Federal Reserve Board, the Federal Reserve Bank of New York, or a committee endorsed or convened by the Federal Reserve Board or the Federal Reserve Bank of New York at the time of a Replacement Event, you shall select that benchmark and margin as the Replacement Benchmark and Replacement Margin.

(b) If (a) is not available at the time of a Replacement Event, you will make a reasonable, good faith effort to select a Replacement Benchmark and a Replacement Margin that, when added together, you reasonably expects will minimize any change in the cost of the loan, taking into account the historical performance of the Benchmark and the Replacement Benchmark.

The Replacement Benchmark and Replacement Margin, if any, will be operative immediately upon a Replacement Event and will be used to determine the interest rate and payments on Change Dates that are more than 0 days after a Replacement Event. The Benchmark and Margin could be replaced more than once during the term of the Note. After a Replacement Event, all references to the "Benchmark" and "Margin" shall be deemed to be references to the "Replacement Benchmark" and "Replacement Margin." You will also give me notice of the Replacement Benchmark and Replacement Margin, if any, and such other information required by applicable law and regulation.

(2) Change Date. Each date on which the Interest Rate may change is called a Change Date. The Interest Rate may change December 24, 2025 and daily thereafter.

(3) Calculation Of Change. On each Change Date you will calculate the Interest Rate, which will be the Benchmark minus 1.75 percent (the "Margin"). Subject to any limitations, this will be the Interest Rate until the next Change Date. The new Interest Rate will become effective on each Change Date. The Interest Rate and other charges on this Note will never exceed the highest rate or charge allowed by law for this Note.

(4) Effect Of Variable Rate. A change in the Interest Rate will have the following effect on the payments: The amount of scheduled payments will change.

5. REMEDIAL CHARGES. In addition to interest or other finance charges, I agree that I will pay these additional fees based on my method and pattern of payment. Additional remedial charges may be described elsewhere in this Note.

A. Dishonored Item Fee. A(n) Dishonored Item Fee equal to $30.00.

6. PAYMENT. I agree to pay this Note on demand, but if no demand is made, I agree to pay all accrued interest on the balance outstanding from time to time in regular payments beginning January 1, 2026, then on the same day of each month thereafter. A final payment of the entire unpaid outstanding balance of Principal and interest will be due June 1, 2026.

Payments will be rounded to the nearest $.01. With the final payment I also agree to pay any additional fees or charges owing and the amount of any advances you have made to others on my behalf. Payments scheduled to be paid on the 29th, 30th or 31st day of a month that contains no such day will, instead, be made on the last day of such month.

Interest payments will be applied first to any charges I owe other than late charges, then to accrued, but unpaid interest, then to late charges. Principal payments will be applied first to the outstanding Principal balance, then to any late charges.

If you and I agree to a different application of payments, we will describe our agreement on this Note. The actual amount of my final payment will depend on my payment record.

7. PREPAYMENT. I may prepay this Loan in full or in part at any time. Any partial prepayment will not excuse any later scheduled payments until I pay in full.

8. LOAN PURPOSE. The purpose of this Loan is Revolving Line of Credit for Seasonal Cashflow purposes.

9. SECURITY. The Loan is secured by separate security instruments prepared together with this Note as follows:

Document Name	Parties to Document
Security Agreement - BUFFALO COUNTY SCHOOL DISTRICT 0069	BUFFALO COUNTY SCHOOL DISTRICT 0069

and by the following, previously executed, security instruments or agreements: AN IRREVOCABLE PLEDGE OF THE FULL FAITH, CREDIT, RESOURCES, AND TAXING POWERS OF THE DISTRICT. .

10. LIMITATIONS ON CROSS-COLLATERALIZATION. The Line of Credit is not secured by a previously executed security instrument if a non-possessory, non-purchase money security interest is created in "household goods" in connection with a "consumer loan," as those terms are defined by federal law governing unfair and deceptive credit practices. The Line of Credit is not secured by a previously executed security instrument if you fail to fulfill any necessary requirements or fail to conform to any limitations of the Real Estate Settlement Procedures Act,

Wolters Kluwer Financial Services, Inc.©1996, 2025 Bankers Systems™

(Regulation X), that are required for loans secured by the Property or if, as a result, the other debt would become subject to Section 670 of the John Warner National Defense Authorization Act for Fiscal Year 2007.

The Line of Credit is not secured by a previously executed security instrument if you fail to fulfill any necessary requirements or fail to conform to any limitations of the Truth in Lending Act, (Regulation Z), that are required for loans secured by the Property.

11. DEFAULT. I understand that you may demand payment anytime at your discretion. For example, you may demand payment in full if any of the following events (known separately and collectively as an Event of Default) occur:

A. Payments. I fail to make a payment in full when due.

B. Insolvency or Bankruptcy. The death, dissolution or insolvency of, appointment of a receiver by or on behalf of, application of any debtor relief law, the assignment for the benefit of creditors by or on behalf of, the voluntary or involuntary termination of existence by, or the commencement of any proceeding under any present or future federal or state insolvency, bankruptcy, reorganization, composition or debtor relief law by or against me or any co-signer, endorser, surety or guarantor of this Note or any other obligations I have with you.

C. Business Termination. I merge, dissolve, reorganize, end my business or existence, or a partner or majority owner dies or is declared legally incompetent.

D. New Organizations. Without your written consent, I organize, merge into, or consolidate with an entity; acquire all or substantially all of the assets of another; materially change the legal structure, management, ownership or financial condition; or effect or enter into a domestication, conversion or interest exchange.

E. Failure to Perform. I fail to perform any condition or to keep any promise or covenant of this Note.

F. Other Documents. A default occurs under the terms of any other Loan Document.

G. Other Agreements. I am in default on any other debt or agreement I have with you.

H. Misrepresentation. I make any verbal or written statement or provide any financial information that is untrue, inaccurate, or conceals a material fact at the time it is made or provided.

I. Judgment. I fail to satisfy or appeal any judgment against me.

J. Forfeiture. The Property is used in a manner or for a purpose that threatens confiscation by a legal authority.

K. Name Change. I change my name or assume an additional name without notifying you before making such a change.

L. Property Transfer. I transfer all or a substantial part of my money or property.

M. Property Value. You determine in good faith that the value of the Property has declined or is impaired.

N. Material Change. Without first notifying you, there is a material change in my business, including ownership, management, and financial conditions.

O. Other Events. Anything else happens that causes you to reasonably believe that the prospect of payment, performance or realization of the Property is significantly impaired.

12. DUE ON SALE OR ENCUMBRANCE. You may, at your option, declare the entire balance of this Note to be immediately due and payable upon the creation of, or contract for the creation of, any lien, encumbrance, transfer or sale of all or any part of the Property. This right is subject to the restrictions imposed by federal law, as applicable.

13. WAIVERS AND CONSENT. To the extent not prohibited by law, I waive protest, presentment for payment, demand, notice of acceleration, notice of intent to accelerate and notice of dishonor.

A. Additional Waivers By Borrower. In addition, I, and any party to this Note and Loan, to the extent permitted by law, consent to certain actions you may take, and generally waive defenses that may be available based on these actions or based on the status of a party to this Note.

(1) You may renew or extend payments on this Note, regardless of the number of such renewals or extensions.

(2) You may release any Borrower, endorser, guarantor, surety, accommodation maker or any other co-signer.

(3) You may release, substitute or impair any Property securing this Note.

(4) You, or any institution participating in this Note, may invoke your right of set-off.

(5) You may enter into any sales, repurchases or participations of this Note to any person in any amounts and I waive notice of such sales, repurchases or participations.

(6) I agree that any of us signing this Note as a Borrower is authorized to modify the terms of this Note or any instrument securing, guarantying or relating to this Note.

B. No Waiver By Lender. Your course of dealing, or your forbearance from, or delay in, the exercise of any of your rights, remedies, privileges or right to insist upon my strict performance of any provisions contained in this Note, or any other Loan Document, shall not be construed as a waiver by you, unless any such waiver is in writing and is signed by you.

14. REMEDIES. After I default, you may at your option do any one or more of the following.

A. Acceleration. You may make all or any part of the amount owing by the terms of this Note immediately due.

B. Sources. You may use any and all remedies you have under state or federal law or in any Loan Document.

C. Insurance Benefits. You may make a claim for any and all insurance benefits or refunds that may be available on my default.

D. Payments Made On My Behalf. Amounts advanced on my behalf will be immediately due and may be added to the balance owing under the terms of this Note, and accrue interest at the highest post-maturity interest rate.

E. Termination. You may terminate my rights to obtain advances or other extensions of credit by any of the methods provided in this Note.

F. Set-Off. You may use the right of set-off. This means you may set-off any amount due and payable under the terms of this Note against any right I have to receive money from you.

My right to receive money from you includes any deposit or share account balance I have with you; any money owed to me on an item presented to you or in your possession for collection or exchange; and any repurchase agreement or other non-deposit obligation. "Any amount due and payable under the terms of this Note" means the total amount to which you are entitled to demand payment under the terms of this Note at the time you set-off.

Subject to any other written contract, if my right to receive money from you is also owned by someone who has not agreed to pay this Note, your right of set-off will apply to my interest in the obligation and to any other amounts I could withdraw on my sole request or endorsement.

Your right of set-off does not apply to an account or other obligation where my rights arise only in a representative capacity. It also does not apply to any Individual Retirement Account or other tax-deferred retirement account.

You will not be liable for the dishonor of any check when the dishonor occurs because you set-off against any of my accounts. I agree to hold you harmless from any such claims arising as a result of your exercise of your right of set-off.

G. Waiver. Except as otherwise required by law, by choosing any one or more of these remedies you do not give up your right to use any other remedy. You do not waive a default if you choose not to use a remedy. By electing not to use any remedy, you do not waive your right to later consider the event a default and to use any remedies if the default continues or occurs again.

Wolters Kluwer Financial Services, Inc.©1996, 2025 Bankers Systems™

15. COLLECTION EXPENSES AND ATTORNEYS' FEES. On or after the occurrence of an Event of Default, to the extent permitted by law, I agree to pay all expenses of collection, enforcement or protection of your rights and remedies under this Note or any other Loan Document. Expenses include, but are not limited to, attorneys' fees, court costs and other legal expenses. These expenses are due and payable immediately. If not paid immediately, these expenses will bear interest from the date of payment until paid in full at the highest interest rate in effect as provided for in the terms of this Note. All fees and expenses will be secured by the Property I have granted to you, if any. In addition, to the extent permitted by the United States Bankruptcy Code, I agree to pay the reasonable attorneys' fees incurred by you to protect your rights and interests in connection with any bankruptcy proceedings initiated by or against me.

16. COMMISSIONS. I understand and agree that you (or your affiliate) will earn commissions or fees on any insurance products, and may earn such fees on other services that I buy through you or your affiliate.

17. WARRANTIES AND REPRESENTATIONS. I make to you the following warranties and representations which will continue as long as this Note is in effect:

A. Power. I am duly organized, and validly existing and in good standing in all jurisdictions in which I operate. I have the power and authority to enter into this transaction and to carry on my business or activity as it is now being conducted and, as applicable, am qualified to do so in each jurisdiction in which I operate.

B. Authority. The execution, delivery and performance of this Note and the obligation evidenced by this Note are within my powers, have been duly authorized, have received all necessary governmental approval, will not violate any provision of law, or order of court or governmental agency, and will not violate any agreement to which I am a party or to which I am or any of my Property is subject.

C. Name and Place of Business. Other than previously disclosed in writing to you I have not changed my name or principal place of business within the last 10 years and have not used any other trade or fictitious name. Without your prior written consent, I do not and will not use any other name and will preserve my existing name, trade names and franchises.

18. INSURANCE. I agree to obtain the insurance described in this Loan Agreement.

A. Property Insurance. I will insure or retain insurance coverage on any tangible property that secures the Loan and abide by the insurance requirements of any security instrument securing the Loan.

B. Insurance Warranties. I agree to purchase any insurance coverages that are required, in the amounts you require, as described in this or any other documents I sign for the Loan. I will provide you with continuing proof of coverage. I will buy or provide insurance from a firm licensed to do business in the State where the property is located. If I buy or provide the insurance from someone other than you, the firm will be reasonably acceptable to you. I will have the insurance company name you as loss payee on any insurance policy. You will apply the insurance proceeds toward what I owe you on the outstanding balance. I agree that if the insurance proceeds do not cover the amounts I still owe you, I will pay the difference. I will keep the insurance until all debts under this agreement are paid. If I want to buy the insurance from you, I have signed a separate statement agreeing to this purchase.

19. CREDITOR-PLACED INSURANCE NOTICE. I am giving you a security interest in the Property described in the security instrument(s) securing the Loan. I am required to maintain insurance on the tangible property described in the security instrument(s) to protect your interest until all debts under this agreement are paid. If I fail to provide evidence of insurance on the tangible property to you, you may place insurance on the tangible property and I will be responsible to pay for the costs of that creditor-placed insurance.

20. APPLICABLE LAW. This Note is governed by the laws of Nebraska, the United States of America, and to the extent required, by the laws of the jurisdiction where the Property is located, except to the extent such state laws are preempted by federal law. In the event of a dispute, the exclusive forum, venue and place of jurisdiction will be in Nebraska, unless otherwise required by law.

21. JOINT AND SEVERAL LIABILITY AND SUCCESSORS. My obligation to pay the Loan is independent of the obligation of any other person who has also agreed to pay it. You may sue me alone, or anyone else who is obligated on the Loan, or any number of us together, to collect the Loan. Extending the Loan or new obligations under the Loan, will not affect my duty under the Loan and I will still be obligated to pay the Loan. This Note shall inure to the benefit of and be enforceable by you and your successors and assigns and shall be binding upon and enforceable against me and my successors and assigns.

22. AMENDMENT, INTEGRATION AND SEVERABILITY. This Note may not be amended or modified by oral agreement. No amendment or modification of this Note is effective unless made in writing. This Note and the other Loan Documents are the complete and final expression of the agreement. If any provision of this Note is unenforceable, then the unenforceable provision will be severed and the remaining provisions will still be enforceable. No present or future agreement securing any other debt I owe you will secure the payment of this Loan if, with respect to this loan, you fail to fulfill any necessary requirements or fail to conform to any limitations of the Truth in Lending Act (Regulation Z) or the Real Estate Settlement Procedures Act (Regulation X) that are required for loans secured by the Property or if, as a result, this Loan would become subject to Section 670 of the John Warner National Defense Authorization Act for Fiscal Year 2007.

23. INTERPRETATION. Whenever used, the singular includes the plural and the plural includes the singular. The section headings are for convenience only and are not to be used to interpret or define the terms of this Note.

24. NOTICE, FINANCIAL REPORTS AND ADDITIONAL DOCUMENTS. Unless otherwise required by law, any notice will be given by delivering it or mailing it by first class mail to the appropriate party's address listed in the DATE AND PARTIES section, or to any other address designated in writing. Notice to one Borrower will be deemed to be notice to all Borrowers. I will inform you in writing of any change in my name, address or other application information. I will provide you any correct and complete financial statements or other information you request. I agree to sign, deliver, and file any additional documents or certifications that you may consider necessary to perfect, continue, and preserve my obligations under this Loan and to confirm your lien status on any Property. Time is of the essence.

25. CREDIT INFORMATION. I agree to supply you with whatever information you reasonably feel you need to decide whether to continue this Loan. You will make requests for this information without undue frequency, and will give me reasonable time in which to supply the information.

26. ERRORS AND OMISSIONS. I agree, if requested by you, to fully cooperate in the correction, if necessary, in the reasonable discretion of you of any and all loan closing documents so that all documents accurately describe the loan between you and me. Selection and Review of Library Media

The board approves curriculum and curriculum-related materials for the district with input from administrators and staff. Those processes are covered in other board policies. Staff members seeking to procure materials for use during instruction must follow board policy, practices, and directives. Those items are not covered by this policy.

The district procures library books and other media available to students that are not part of a specific class or curriculum. For purposes of this policy, those will be called library materials. This policy addresses the selection and review of library materials, regardless of their source. This policy applies regardless of whether library materials are purchased using district funds, donated, or shared at no cost to the district.

No Right to Materials. The board supports having excellent educational opportunities for students, including availability of library materials used to enrich the educational experience. However, the board and administration are responsible for considering materials based on a variety of factors and legal obligations. There is no right to force any material to be included or excluded. Staff requesting library materials do so only within the course and scope of their employment with the district.

Selection Process. The selection and approval of new library materials must comply with the district's general requisition, donation, and budgeting requirements. To ensure materials selected are appropriate for the district's students and consistent with the district's legal obligations, the following process applies to selection of library materials.

The superintendent will establish a library material review committee on an as-needed basis, consisting of at least one administrator, one teacher, and the librarian or media specialist. If the district has no assigned librarian or media specialist, then the committee will include two administrators and a teacher. The superintendent may appoint any teacher he or she deems appropriate based on availability and expertise related to the requested materials.

The school librarian, media specialist, or any individual requesting inclusion of library materials is responsible for submitting the request in writing to the library material review committee. The request must include the following

1. Name of the book, material, or resource;
2. The author, publisher, and supplier of the material;

3. The physical medium (*i.e.*, book, magazine, video, game, digital subscription, etc.);
4. The cost of the material;
5. A summary of the content of the material, including how it supports age-appropriate learning objectives, enriches the curriculum, and/o supports student development and learning;
6. The material's accolades, such as presence on best seller lists, awards won, and recommendations from professional library journals and organizations with a focus on K-12 school library materials; and
7. Whether any of the content in the material represents a perspective that may not be universal, such as a political, religious, or social perspective for which disagreement or differences of opinion exist. The summary should include a description of these items.

The committee will review the requested materials within the timeframe established by the superintendent. In the event the committee does not agree on a particular request, the administrator makes the final determination. There is no appeal from this determination.

The request must include the following:

1. Name of the book, material, or resource;
2. The author, publisher, and supplier of the material;
3. The physical medium (*i.e.*, book, magazine, video, game, digital subscription, etc.);
4. The cost of the material;
5. A summary of the content of the material, including how it supports age-appropriate learning objectives, enriches the curriculum, and/o supports student development and learning;
6. The material's accolades, such as presence on best seller lists, awards won, and recommendations from professional library journals and organizations with a focus on K-12 school library materials; and
7. Whether any of the content in the material represents a perspective that may not be universal, such as a political, religious, or social perspective for which disagreement or differences of opinion exist. The summary should include a description of these items.

There is no appeal from the determination of the board.

Requested Review of Library Materials. A concerned parent of a current student or patron living within the school district boundaries may request the review of a specific library material (*i.e.*, a specific book, magazine, etc.) or portion of a specific library material. The parent or patron must first discuss their concern with the building principal and explain their concern regarding

the library material. If there is no principal assigned to that building, the parent or patron should discuss their concern with the superintendent. The board believes most concerns will be resolved in this manner.

If the parent or patron is unsatisfied after the informal review and discussion with the relevant administrator, they may request a review in writing. To request a review, the individual must complete the Library Material Review Request form and submit it to the superintendent.

The superintendent will review the request with the board curriculum committee within a reasonable time after receiving it. The committee may consult with or seek input from the school's librarian or media specialist, staff, and legal counsel at its discretion. The committee will make a recommendation to the board to remove the material, keep the material, restrict access to the material to students based on age or grade level, or make any other determination or recommendation the committee deems appropriate. The board will review the request, consider the committee's recommendation, and make a determination regarding the requested review. The decision regarding the review will be communicated to the requester in writing by the superintendent.

The decision of the board is final, and there is no appeal regarding the review of library material.

Additional Rules for Library Media Review. Unless the superintendent decides otherwise, the library material will remain in circulation while a review is pending. Unless otherwise required by law, no library material will be reviewed again within 4 years after a requested review is completed. Any parent or patron requesting review of multiple library materials may only request a maximum of 5 materials to be reviewed at one time, and a new request cannot be submitted until the prior review is completed and notice of the determination is provided to the requesting party. Nothing in this policy prohibits the superintendent or their designee from reviewing library material outside of the review process contained in this policy and taking any action the superintendent or their designee deems appropriate.

Selection and Review of Library Media

I. Mission & Purpose of the RPS Library Media Program

The mission of the Ravenna Public Schools Library Media Program is to ensure that students and staff are effective users and creators of ideas and information. The school library supports access to information, promotes critical thinking, nurtures creativity, and encourages an appreciation of literature and multiple perspectives.

II. Goals & Objectives

The Ravenna Public Schools Library Media Program aims to:

1. **Maintain a current and balanced collection** that supports curriculum, personal interests, and inquiry.

2. **Collaborate with teachers, administrators, and district staff** to ensure resources align with instructional needs.

3. **Provide materials that encourage respect for** representing multiple cultures, viewpoints, and life experiences.

4. **Offer resources in varied formats and difficulty levels** to meet the needs of all learners.

5. **Teach media and information literacy**, helping students become critical and responsible consumers and producers of information.

III. Responsibility for Collection Management

The **certified school librarian** at each building is responsible for selecting, evaluating, and managing library materials. This responsibility includes:

- Selection of new materials
- Deselection and weeding
- Managing gifts and donations
- Overseeing reconsideration processes

Students, staff, administrators, and parents are encouraged to submit recommendations; however, **final decisions rest with the school librarian**, in alignment with district policy.

RPS recognizes the **American Library Association's Library Bill of Rights** and affirms that the presence of any material in the collection does **not** imply district endorsement of its content.

IV. Selection of Library Materials

A. Selection Philosophy

Library materials are selected to meet student learning needs, support curriculum, encourage reading, and develop critical thinking. Materials should represent a variety of ideas, perspectives, and experiences to support intellectual growth.

B. Selection Process

1. The school librarian evaluates resources using professional knowledge, district criteria, and instructional needs.

2. Curated lists and potential additions may be reviewed collaboratively by the respective building administration team

3. Whenever possible, the librarian examines the material in person or through verified previews.

4. Professional review sources are consulted, including but not limited to:
    - *School Library Journal*
    - *Kirkus*
    - *Booklist*
    - *Publisher's Weekly*
    - *Junior Library Guild*
    - Common Sense Media
    - Professional organizations such as ALA or NCTE
5. Final additions to the collection are made by the librarian, guided by district-approved criteria.

C. Selection Criteria

Materials selected for the library must:

- Support curriculum, inquiry, and personal reading interests

- Reflect age, ability, developmental level, and learning needs of students

- Stimulate intellectual growth, factual knowledge, and literary appreciation
- Offer multiple perspectives and represent varied cultures, identities, and experiences
- Represent high-quality writing, accuracy, and reliability
- Meet standards of physical durability and cost effectiveness
- Include print and digital formats, such as databases, e-books, audiobooks, and online products
- Place principle above personal opinion in fulfilling educational purposes

D. Evaluation Standards for Print & Digital Materials

Print Materials

Considerations include:

- Appropriateness and developmental suitability
- Authority, accuracy, and bias identification
- Literary merit and clarity of writing
- Comparison to other available works
- Organization, accessibility, and usability
- Cost and physical quality
- Timeliness and relevance

Electronic Resources

Additional considerations include:

- Currency and version history
- Sustainability and licensing
- Usability for students
- Technical reliability
- Cost effectiveness

Electronic resources are subject to the same appropriateness and accuracy criteria as print materials.

V. Gifts & Donations

- RPS welcomes monetary donations through appropriate district channels.
- Donated books or items will be evaluated using the same criteria as all new materials.
- The librarian may accept or decline materials based on relevance, condition, and alignment with selection criteria.
- Donations become district property; unusable or outdated items may be recycled or disposed of according to district procedures.

VI. Deselection (Weeding)

Deselection is essential for maintaining a relevant, high-quality collection. The RPS librarian will continuously evaluate the collection and deselect books as needed.

Materials may be deselected by the librarian if they are:

- Misleading, outdated, or factually inaccurate
- Worn or damaged
- Superseded by newer editions
- No longer needed for curriculum or interest
- No longer circulating
- Duplicates that exceed demand
- Not reflective of current district selection standards

Benefits of Deselection

- Keeps collections current and accurate
- Improves usability and appearance

- Identifies items needing repair or replacement
- Frees space for new materials
- Ensures alignment with curriculum and community needs

Disposal Guidelines

- Items marked for deselection must be approved by the Ravenna Board of Education before being disposed of.
- Items being disposed must be removed from the catalog
- Items may be recycled or disposed of if unusable.
- Some materials may be redistributed for classroom or district-supported educational use (within policy limits).
- Items may be donated or given away once approved for disposal.

VII. Procedures for Handling Challenges & Reconsideration

Ravenna Public Schools encourages direct communication with the school librarian regarding concerns over a child's reading choices.

A. Initial Concern

1. The complainant contacts the school librarian to discuss concerns.
2. The librarian may offer alternative materials for the complainant's student, if appropriate.

B. Formal Reconsideration

If the issue is not resolved informally:

1. The complainant completes the **RPS Request for Reconsideration Form**.
2. The complainant is encouraged to read the entire work. RPS will provide a copy if needed.
3. The RPS librarian convenes a **Reconsideration Committee** of at least three school employees.

4. Committee members read the material in full and complete evaluation worksheets.

- During the reconsideration meeting, the committee reviews:
    - The educational mission of RPS
    - Professional reviews
    - The complainant's concerns

2025-2026 Secondary MultiCultural Activities

Business / Technology

Intro to Business

Students explore the impact of globalization and the dynamics of international business. Topics include tariffs, trade agreements, international monetary systems, and the external influences that shape global markets such as political conflicts, embargoes, and trade blocs. Students also examine multinational corporations and analyze how the marketing mix is adapted for consumers in different cultural contexts. Through multicultural market research and segmentation activities, students learn how cultural values, customs, and communication styles influence marketing decisions and consumer behavior worldwide.

Personal Finance / Wealth Building Fundamentals

Students discuss how socioeconomic status, cultural backgrounds, and societal assumptions influence financial decision-making. Course topics include the relationship between identity and financial habits such as budgeting, saving, taxation, and long-term planning, as well as the different expectations and challenges faced by individuals in rural and metropolitan communities. Students also consider how factors such as gender, religion, age, and cultural traditions shape financial practices across populations. Ethical decision-making is integrated throughout the curriculum to help students critically evaluate the fairness and equity of financial systems.

Information Technology / IT Fundamentals

Students compare how technology is used across cultures and examine global patterns in internet access, digital tools, and online communication. Through a focus on international digital citizenship, students explore how cultural norms, government policies, and societal values influence technology use around the world. This global perspective helps students understand both the opportunities and challenges of participating in a connected digital society.

Business Communications

Students examine how culture influences verbal, nonverbal, and written communication in professional settings. They explore communication styles across different cultures, including variations in tone, formality, negotiation approaches, and workplace etiquette. Students analyze real-world scenarios to understand how cultural perspectives shape team collaboration, conflict resolution, customer relations, and leadership communication. Additionally, students practice adapting messages for diverse audiences, developing inclusive communication strategies, and using global communication technologies effectively in multicultural business environments.

ELA

The 7th and 8th grade English students read, analyze, and discuss literature in varying genres, including nonfiction articles that explore various cultures, ethnicities, and races. Additionally, students are asked to consider varying perspectives as they write in several genres.

The 8th grade ELA class reads *The Diary of Anne Frank* which explores one young girl's experience with the Holocaust.

In grade 9 ELA classes, students read *To Kill a Mockingbird* and analyze various themes (racial injustice, coming of age, feminism). Students connect the novel's setting and issues to local/regional histories and contemporary civil rights issues. When reading "The Return," students use the themes of homecoming, displacement, memory, and identity to discuss migration, diaspora, and intergenerational storytelling. In reading *The Tragedy of Romeo & Juliet*, students explore how cultural norms (family, honor, gender) shape conflict and compare cross-cultural courtship, family feuds, and rites of passage.

Grade 10 ELA classes define what it means to be an outsider/outcast by reading several related texts (*The Metamorphosis, The Doll's House, Encountering the Other: The Challenge for the 21st Century, Revenge of the Nerds*). Students are asked to consider why people need to feel a sense of belonging and how social isolation impacts the individual. Additionally, students read *Of Mice and Men* and explore the theme of friendship, social injustice, and loneliness. Students are asked to consider how the mistreatment of individuals with differences gives rise to misunderstanding and conflict. In *The Great Gatsby*, students analyze class mobility, consumer culture, the myth of the self-made individual, and immigrant identity.

In both English III and IV, students read and analyze literature from a variety of authors, including authors of all colors, races, religions, and both genders.

Math

Mathematics courses focus on contributions to mathematicians from various cultures around the world, such as the German, Italian, & Aztec cultures.

In Mathematics, word problems involving multi-cultural names and activities are included; metric conversion activities are also done and other countries' use of the metric system is discussed.

Science

In Science courses, past scientists who have made significant contributions from around the

world and their discoveries throughout history are discussed. Scientific techniques in measurement, analysis, and prediction, as developed by past scientists from various parts of the world, are utilized in multiple classes. In addition, the context of the place and time in which discoveries were made is discussed.

In robotics, students are exposed to other students from all over the world, with various cultural backgrounds, through competing in robotics. We use a “vex forum” language to communicate with robotic students from all over the world as a resource to improve design and strategy.

Social Studies

High School social studies classes explore the contributions various cultures have made to the world and to the United States. Social studies classes are an ongoing and repetitive exploration of all races, creeds, and religions and their interactions with each other.

World history addresses different cultures and how they have interacted with each other throughout history. World history also describes the concept of cultural diffusion and how different cultures have influenced different parts of the world throughout history. World history also takes into account how different cultures, races, and religions have formed throughout the history of the world and how they have influenced different parts of the world.

In American History, students analyze the different cultures that came to America. Students also are able to distinguish and describe the relationships of different demographic groups of
people in America and how it affects relationships between themselves today. Students also describe and identify different characteristics of different ethnic groups and how they have contributed to the creation of America as we know it today (immigration).

The American Government addresses issues such as current issues, geopolitical strategies, how political parties affect different demographic groups, how political parties appeal to different demographic groups, and how political parties and partisanship differ from different areas of the country (I.E: democratic voters are mostly located in urban areas).

In Geography, students learn about the different countries around the world and study their culture and traditions.

In Sociology, students analyze issues of sexism and racism in the media.

Electives

In AcaDeca, which is an extracurricular activity, the students study the economy, music, art,

history, language, literature, and science of this era, specifically centered on the current events associated with the resource of technology in different cultures all over the world.

Art classes explore the contributions of artists from around the world and the country. We also examine how culture is reflected in art and compare different cultures' artistic traditions in how they are similar or different. In Art 3&4 we examine how wealth, power, and discrimination motivate some of the most politically charged works of art. I include current artists from the Art21 database each week bringing a more diverse, wider range of artists to our curriculum in Art I-IV.

In High School Agriculture, students look at supervised agricultural experiences and how they differ across the nation and cultural backgrounds.

In Jr. High Agriculture students discuss history and cultural differences when they look at the agriculture industry and exports as well as imports for agriculture products from other countries. The price of the agriculture products and what consumer food costs are in the United States compared to other countries is also discussed.

In Choir, the music is in several different languages. In Band, we have music originating from several countries. On the last day of the week I will have them do a 'special listening' which is typically several different genres of music.

In Woods, students identify different wood materials from different countries. They compare the availability to the cost of the material. They also study the methods of harvesting the materials as compared to the methods used in the United States.
In Construction, students study housing designs, needs, and construction methods of other countries. They then state similarities and differences of those in the US. They also study the environment because it has a direct impact on those items.

In construction, students identify similarities and differences in building practices, materials, tools and codes in different parts of the world.

In electricity, students learn about different power grids, wiring practices, tools, fixtures and accessories.

In Spanish classes, students explore different cultures from multiple Spanish-speaking countries. The students learn about the different holidays that each country celebrates, the different structures of government, local traditions, and ethnic foods. Students create a project or presentation for each chapter over a specific cultural component of the country being studied. At the beginning of each year, students create a "country presentation," where each student researches a country and finds the information they need to complete their

presentation. Students present their country to the class. Students are introduced to different cultural phenomena in every chapter and are asked to compare/contrast and further explore them in comparison to their own cultural beliefs/society.

In ELL class, students discuss the social and cultural relationships that exist within the United States. Students specifically look at how to act in different cultural situations and how to respond verbally. They compare and contrast their own cultural habits with those of the U.S. and do numerous projects that involve cultural events that happen.

Dear Political Subdivision,

November 7th, 2025

Attached you will find the certification form that needs to be completed for your subdivision. This form needs to be back at the Election Commissioner's office by January 5th, 2026. This certification tells our office how many positions within your subdivision are up for election in 2026 and other information our office needs for the election cycle. Attached you will also find a map with our precincts on them. You will need to use the precincts on these maps to describe your boundaries on the certification along with the legal descriptions and a map of your subdivisions per State Statute 32-404(5). This is not optional; it's required by statute that the written description of your jurisdiction and a map be provided.

At the bottom of the certification form, you will find the filing deadlines for your board members. An incumbent is any current office holder who was elected or appointed to an elective office and a non-incumbent is someone who is not currently holding an elective office. January 5th, 2026 is the earliest date our office can accept a filing from any candidate. The filing forms will be available around the 1st of December 2025.

Enclosed you will also find the Nebraska State Statute, 32-608, about filing fees. This may help clear up some confusion on who has to pay, how much and where to pay the filing fee.

Please contact me if you have any questions or concerns.

Respectfully,

Lisa Poff
Buffalo County
Election Commissioner
