Mae Stevens is the place to be for the month of October!

Great things:

- We have continued our weekly Tireless Teacher and “PAWS”itive pathfinder awards that recognize staff for being hard working, positive, and growth-minded! The staff members pass these on themselves by picking the next recipient! We have had many worthy recipients!
- Our September teacher of the month was Mandy Hunt and our staff member of September was our bilingual paraprofessional, Noemi Carranza-Juarez.
- We held our first Bulldawg assembly and teams won awards for attendance points, behavior points, and academic points! We also held our 1st 6 Weeks awards where students won individual awards in the same categories. We have three school-wide awards boards on display in our cafeteria where kids get to picture up for knowing their ABCs, being able to count to 30 and for perfect attendance bell-to-bell in any six weeks. All three boards have at least 20 pictures on it! We had two students that got their pictures on all three!
- We like to have parades at Mae Stevens, and we have had parades to honor our heroes on September 11, to display the flags of Hispanic countries for Hispanic Heritage month and our belonging parade where students help put up our orange décor for the Paint the School orange campaign.
- Every Thursday, we celebrate our color of the week by encouraging everyone on campus, staff and students alike, to wear that color! It is truly a sight to see.
- We continue to give out positive office referrals to our students with good behavior; we have given 169 so far this year!

Attendance matters:

- Mae Stevens has a goal to increase our attendance rate this year! We are off to a good start with our 1st 6 Weeks ADA up from last year’s 93.2% to 95.1% this year.

What are we learning:

- Students are learning about their communities: places in the community, transportation, and community helpers, Autumn: weather, leaves, pumpkins, Halloween, social skills: using positive words, showing self control, accepting challenges, learning from mistakes, and handling disappointment, letters and letter sounds, counting, compound words, syllables, asking questions, making predictions, and retelling stories, patterns, size and position words.

What is coming up in October:

- Mae Stevens intends to keep its champion title in the Paint the School Orange Campaign! If you come by, you will see that our school has embraced the orange! Students had their belonging parade where they each place an orange dot with their picture somewhere in the school as they have found their “spot” at Mae Stevens!
- On October 6, the Mae Stevens family is dedicating a bench in the honor of CJ Sowell, who was a Mae Stevens paraprofessional for almost ten years before losing a courageous battle with cancer in January 2024. The bench was donated by funds from the Mae Stevens staff and will sit in the main hallway with a plaque that commemorates Mr. Sowell, our Santa and our friend, the epitome of kindness and magic.
- October 8, we will have a visit from the CCFD in honor of fire prevention week.
- Our annual science night for families will be Tuesday, October 21 at 4:30 PM. There will be hands on experiments and trick or treating!
- We will commemorate Red Ribbon Week on October 27-October 30 with dress up days to remind students to live a healthy lifestyle.
- Our parent community outreach coordinator will also be busy with our bi-annual SBDM meeting, volunteer orientations, getting our Parent Teacher Organization started and hosting a workshop about helping students handle disappointment.

The Mae Stevens Family is thankful for the commitment from the school board and district for investing in our students’ well-being and educational growth. Please always feel welcome to stop in and join us for any of our events! We appreciate the time you take investing in our students and staff! Go Dawgs!

Campus Happenings and Activities

September was a vibrant and engaging month at Martin Walker Elementary, filled with student celebrations, staff creativity, and community-building activities. Our students have been earning positive referrals at an impressive rate, and we've been highlighting their achievements through fun and uplifting Facebook reels that showcase their hard work and great choices.

We celebrated *Start with Hello Week* to promote kindness and inclusion across campus. Each day had a special theme: "Take a Pic Tuesday," "Wear Green Wednesday," "Include Someone in Lunch Thursday," and "High Five Friday." These activities helped foster a sense of belonging and encouraged students to connect with one another in meaningful ways.

Fridays have taken on a new life thanks to our staff's "underground" dress-up days, aka "Teacher Shenanigans." Historically our lowest attendance day, Fridays now see a noticeable increase in student attendance as kids come excited to see what their teachers are up to. Themes have included Mismatched Earrings Day, Twin Day, and Polka Dot Day. These lighthearted moments have not only boosted morale but also positively impacted our attendance data.

We hosted our first academic pep rally to launch our new points system and celebrate student success. The CCJHS Cheer and Dance teams brought energy and excitement, and even Sparky joined the fun. During the rally, we introduced our point system and our student teams: The Bridge Builders, The Change Makers, The Connectors, The Visionarie, The Unity Crew, and The Trailblazers. The Connectors earned the Spirit Stick for having the most points so far.

To recognize students with perfect attendance for the first grading period, we held the "ATTENDANCE," a fun celebration that rewarded their commitment to being present and engaged. We also

introduced "Dawg Dollars," a golden dollar incentive distributed by the leadership team—only four are given out per day, and each is worth 500 points at the pep rally. This exclusive reward has quickly become a coveted prize among students.

RTI data meetings began this month, allowing us to analyze BOY data and place students into targeted interventions. Small group instruction is now underway, and it's inspiring to see students working hard and making significant progress in their learning.

Our PTA fundraiser, *The Color Run*, kicked off with great enthusiasm. As students reach fundraising milestones, staff take on fun and silly challenges. When we hit \$4,000, the leadership team dressed in inflatable costumes for arrival and dismissal duty all week. Students are currently voting on which staff member to throw food at during the upcoming students vs. staff food fight—Mrs. Thompson is leading the votes! The next goal involves turning our counselor, Mrs. Newton, into an ice cream sundae, and the top goal will have the leadership team spending the night at school for a sleepover.

Honor Choir and Student Council have both started, giving students opportunities to develop leadership skills and showcase their talents. We also hosted a lively staff vs. student dodgeball game, joined by our adopt-a-unit partners, which added to the fun and camaraderie on campus.

To wrap up the month, we celebrated our amazing staff with the fall themed "Woot Woot Cart," featuring caramel apples as a sweet treat and token of appreciation for all they do.

As we look ahead to October and beyond, our focus remains on strengthening our campus culture, closing academic gaps, and making learning joyful and meaningful for every student. Through intentional and reflective planning, creative engagement, and a commitment to excellence, we will continue building a school environment where students feel connected, challenged, and celebrated every day.

Campus Happenings and Activities

September has been a month of learning, growth, and community at Williams Ledger Elementary. Our students and staff have worked diligently to solidify beginning-of-the-year rules, routines, and procedures to ensure a safe, structured, and engaging learning environment. Classrooms are running smoothly as students gain independence and take ownership of their learning.

Teachers completed beginning-of-year assessments in reading, math, and science to establish baseline data for each student. This information is being used to group students intentionally for targeted intervention and enrichment opportunities. By identifying strengths and areas for growth early, our teams are equipped to deliver instruction that meets the diverse needs of every Bulldawg.

In September, we proudly hosted our annual *Grandparents Day Celebration*. It was a joy to see grandparents and family members sharing lunch and special time with their students. Events like this reinforce our strong partnership with families and the vital role they play in student success.

We closed out the first six weeks with our *Pep Rally Celebration*, honoring students and classes for achievements in attendance, behavior, and academic growth. The energy and enthusiasm were contagious as we recognized students who exemplify our motto—“*Every Student, Every Day... That's the Williams Ledger Way!*” Celebrating progress helps build motivation and pride across our campus community.

As we move further into the school year, our focus remains on continuous improvement—using data to guide instruction, strengthening relationships, and

Campus Happenings & Activities:

I am pleased to share the exciting events and activities that have taken place at House Creek Elementary School during the month of September.

Our House Creek Bulldawg community has done a wonderful job continuing to help us maintain student safety during arrival and pick-up by following our procedures. We want to thank them for helping us in this manner as the safety of our students and staff is always our number one priority. We could not do this without our wonderful House Creek families.

The month of September has been full of activities and recognition. One of our 3rd grade Reading teachers, Theresa Perez, hosted a Parent Reading workshop night on September 4th for her grade level and introduced parents to activities and strategies they can use to help their students' growth in Phonological Awareness, Decoding, and comprehension.

Also, on September 8th we had 193 grandparents join their grandchildren for lunch for Grandparents' Day. They all had a wonderful time, and it was a joy to see so many smiles from everyone involved.

On September 11th, we recognized our patriots and first responders by wearing red, white, and blue, and thanking them for their service to our communities.

During the week of September 15th – 19th our students showed their school pride by participating in the dress up days inspired by CCHS and supported our Bulldawgs for homecoming.

Our teachers have been working hard on lesson internalization and collaborating with Region 12 for Bluebonnet Math and they are also working with the district's Blended Learning team. In addition, we hosted a Family Orientation Night on the 17th for parents to come in and speak with their students' grade level team and learn about expectations, curriculum, and parent resources for assisting their student at home with their academics. Our ESL Interventionist, Matthew Savoie, also hosted EB Night in conjunction with this and provided our families with valuable information.

The campus participated in Start with Hello week from the 22nd – 26th of September by participating in dress up days and incorporating lessons during their scheduled SEL time.

We hosted our first academic pep rallies of the year on September 25th and celebrated both students and staff for academic successes, attendance, good character, positive office referrals, and incentives. This ended with an epic Dance Battle between teachers and students which the students won. Our teachers were great competitors!

Our PTA also hosted a family Movie Night on the 26th with over 100 people joining us for How to Train a Dragon.

Every Friday we continue to recognize and celebrate our House Creek Heroes by calling student names over the intercom that have been selected by their teachers for consistently displaying our character trait of the week. These students report to the foyer and are rewarded for their extraordinary efforts to model excellent character for their peers.

We are working hard on our goal of improving student attendance and are continuing our grade level Attendance Champions challenge and Punctuality Playoffs. These challenge our students to be at school and on time daily. We recently rewarded our Top Dawg Classes for each grade level during our pep rallies. Congratulations to Mrs. Wyrick's Zoomers, Seaver's Wolf Pack, Team Hunter X – Mrs. Lewis, The Colstonators – Mrs. Colston's class, Mrs. Kumpf's Krushers, and Mr. Hallgarth's Herd. The classes will display their Top Dawg Banners outside their rooms and receive an incentive reward.

We look forward to seeing our students grow academically, socially, and emotionally this year. Thank you to our parents for working hard to ensure our students are on time for school and present each day for learning.

Upcoming Events:

October 2nd: HCE student council and sponsors will attend training with TEPSA in Killeen.

October 3rd – Pink Out Day!

October 3rd: 4th grade will be attending Kids, Kows, & More Ag Day hosted by Texas A&M AgriLife Extension Service in Gatesville.

October 4th :PTA Yard Sale

October 6th – 10th: Fire Prevention Week

October 6th – 9th: contest for Paint the School Orange to Stomp out Bullying and students will wear as much orange as they can!

October 14th – 17th – National School Lunch Week

October 14th – Boo Gram Sale Starts

October 15th – Pizza with Parent's Day and Unity Day!

October 18th – District Trunk or Treat at CCJHS 4:00PM – 6:00PM

October 23rd – Fall Fest/Trick or Treat Family Math and Science Night & Book Fair 5:30PM – 7:00PM

October 27th – 30th – Red Ribbon week – students will participate in a Red Ribbon Walk against drugs on the campus on October 27th and other activities to say no to drugs throughout the week.

October 30th – Student Costume Day and Talent Show

We will also focus on making contributions to the Education Foundation this month with many different activities to include Dollar Snacks, Talent Show, Dress Up Days, and voting for Kiss the Bulldawg!

We look forward to fostering our students' love of learning and having a fantastic school year. House Creek Elementary is continuously grateful for all the support you provide for our campus and the district.

Campus Happenings & Activities

Student Lighthouse Team Creation

This month, our campus proudly established the **Student Lighthouse Team** as part of our ongoing *Leader in Me* initiative. The team is designed to provide students with opportunities to develop leadership skills, engage in community service projects, and contribute to the life of our campus.

Each student candidate participated in a formal interview process with a panel of adult campus leaders. The panel evaluated students using a rubric to ensure a fair and thoughtful selection. Students chosen for the team will meet weekly to plan and participate in projects that benefit our school community.

In addition to leading student-focused initiatives, the Student Lighthouse Team will collaborate with the **Staff Lighthouse Team** to further advance our *Leader in Me* journey. This partnership allows students to actively practice civic responsibility, leadership, and teamwork, reinforcing the leadership principles we are teaching across the campus.

School Wide Leadership Roles

This month, our campus continued to provide students in grades 2 through 5 with opportunities to develop leadership skills through our **School Wide Leadership Roles** program. Students can apply for a variety of roles, each designed to encourage responsibility, teamwork, and active participation in the school community.

To apply, students complete a written application that includes a section where they describe the qualities they possess that will help them succeed in the role. Each application is also reviewed and approved by parents and teachers to ensure students are prepared for the responsibilities of the position.

Students are selected based on their applications and maintain their leadership roles for a month at a time. Examples of leadership roles include **Morning Greeter**, **Lunch Room Monitor**, **Farewell Friends**, and other key responsibilities that support the smooth operation of the campus and contribute to a positive school culture.

Through participation in these roles, students gain hands-on experience in leadership, accountability, and civic responsibility, reinforcing our campus-wide commitment to fostering student leaders.

Grandparent's Day Lunch

This month, our campus hosted a **Grandparent's Day Lunch**, inviting grandparents to join their grandchildren for a special mealtime on campus. The event provided a meaningful opportunity for students and their grandparents to connect, share in the school environment, and celebrate family involvement in education.

The event was a tremendous success, with both students and grandparents expressing excitement and joy at being able to spend time together. Grandparents were warmly welcomed, and the positive interactions between students and their families contributed to a memorable and heartwarming experience for all.

This event continues to strengthen the partnership between our campus and families, reinforcing the importance of family engagement in fostering student success and school community.

All Day Everyday Perfect Attendance Celebration

This month, our campus celebrated students who achieved **All Day Everyday Perfect Attendance** with a fun **coloring and music party in the hallway**. To earn this recognition, students must have been present every day without any late arrivals or early check-outs.

The event was a joyful celebration of dedication and responsibility, and students had a wonderful time participating in the activities. Many students shared that this was one of their favorite days, describing it as the “best day ever.”

This celebration not only recognizes students for their commitment to attendance but also reinforces the importance of daily presence for academic success and engagement in school life.

High School Art Club Tutorials

This month, our campus hosted **art tutorials** led by the High School Art Club, a program that provides creative learning opportunities for our students and those at Williams Ledger Elementary School. These tutorials are offered once every six weeks and allow students to participate in hands-on art activities for a small fee that covers the cost of supplies.

The sessions take place from 3:30–5:00 PM and give students a chance to explore their creativity, develop new artistic skills, and engage with peers in a supportive, fun environment. Participation in these tutorials fosters a love for the arts and provides meaningful enrichment beyond the regular school day.

Monthly PBIS Events

Each month, our **specials team** hosts **PBIS (Positive Behavioral Interventions and Supports) events** for students who have earned enough **Jag Bucks** to participate. Students earn Jag Bucks by demonstrating traits from the **7 Habits of Highly Effective People** and consistently meeting campus expectations.

This month's event was a **blacklight dance in the gym**, which was a huge success. Students enjoyed dancing, socializing with peers, and celebrating their positive behavior in a fun and engaging environment. Events like this reinforce the importance of character, responsibility, and following campus expectations while giving students a memorable reward for their efforts.

CPE September Happenings

Our campus had an exciting and engaging month filled with a variety of events aimed at building community, encouraging school spirit, and supporting student learning. Below is a summary of September's key events:

- **September 3 – Adventure Days' Pep Rallies**
We kicked off the month with spirited pep rallies to energize students and staff, fostering excitement for our Adventure Dash fundraiser and setting a positive tone for the month.
- **September 4 – Volunteer Training**
We hosted a training session for campus volunteers, equipping them with the tools and knowledge needed to support our classrooms and school events effectively.
- **September 8th- Grandparents' Day**
We had a wonderful time celebrating Grandparents Day on campus! Grandparents were invited to join their grandchildren for a special lunch, creating heartwarming memories across generations. Smiles, stories, and lots of laughter filled the room as students proudly shared their school day with their loved ones.
- **September 8–12 – Dash Week**

Campus Activities Report – SC Lee Middle School

September was a spirited and eventful month at SC Lee Middle School! Students and staff came together to kick off the new school year with energy, teamwork, and Cougar pride. From athletic victories to fine arts performances and club meetings, the month was filled with opportunities for students to connect, lead, and shine.

The Cougarettes began their season with after-school practices on September 2nd and 3rd, preparing for upcoming performances. The National Junior Honor Society held its first meeting of the year on September 3rd, welcoming returning members and setting goals for the semester. The Junior Student 2 Student (JS2S) group also met for the first time on September 4th to plan their fall activities.

Sports were in full swing as volleyball teams competed against Lake Belton on September 4th, with the 8th-grade team earning a victory.

Throughout the month, students participated in various extracurricular events. Jr. Historians held meetings on September 8th and 29th to plan community and historical projects. The Cougarettes continued practices on September 9th, 15th, and 16th, while performing at football and dance events—including a spirited halftime performance during the game against Belton.

Football and volleyball remained highlights of September. The 7th and 8th grade football teams competed against Lake Belton, Midway, and Lamar, securing several wins throughout the month. Volleyball teams represented SC Lee at the Georgetown Tournament from September 10th–13th and in matches against Bonham, Midway, and Belton, continuing to display perseverance and teamwork.

Student leadership and innovation also took center stage. On September 17th, NJHS members held officer elections and discussed fall volunteer opportunities. On September 23rd, the

Robotics Club officially kicked off its season with an introductory meeting to launch their 2025 projects.

By the end of the month, students had not only demonstrated Cougar pride on the field and stage but also strengthened the sense of community and involvement that defines SC Lee Middle School.

Upcoming Events at SC Lee

October will continue to bring excitement and engagement across athletics, fine arts, and student organizations.

- **October 2 – River Valley Volleyball Game (Away)**
- **October 6–7 – River Valley Football Games (Home & Away)**
- **October 9 – Band Fall Concert**
- **October 16 – Choir Concert at Civic Center**

Campus Update

September

Clubs and organizations have officially kicked off for the year, and our students are actively engaged across campus. The band students have been working hard in preparation for their upcoming performance on October 9th. Our culinary students will showcase their skills by preparing the food and drinks for the Walk and Talk event on October 6th. On September 26th, the front office and administrative team showed their appreciation for staff by cooking a pancake breakfast. That same day, our theater arts class began working on 3D wound makeup application, and it was impressive to see the creativity and skill students demonstrated. Students continue to respond well to the new cell phone policy, and the overall learning environment has shown sustained improvement as a result. Students are interacting with one another in positive and respectful ways, contributing to a supportive and focused atmosphere that has extended well beyond the start of the school year.

Capturing Kids' Hearts

Parents are receiving a monthly newsletter in both English and Spanish that includes questions they can ask their child related to the character trait of the month. The trait for September was Empathy. Teachers greeting students at the door each day, and social contracts have been developed in classrooms to build a positive school culture and shared expectations.

STEM Opportunities

The Learning Undefeated Texas Mobile STEM Lab was on campus September 16–19. The lab served 6th and 7th grade advanced science classes as well as all 8th grade students. Both teachers and students loved the experience!

The lab integrated math and science concepts as students worked within a budget to purchase materials and build their own bottle rockets. It was impressive to see their engagement and hear them reflect on how they could improve their designs for even better results.

Athletics

Our fall athletic events are underway. Highlights include:

- **Volleyball** – Junior High Volleyball games scheduled for October 16, and October 20 at 5:30/6:30 in Cove.
- **Football** – Junior High Football games scheduled for October 15, 20, 28

Our students are excited to represent the school, and we look forward to continued success this season.

Crossroads Highs School

From the Principal's Desk

September 2025

Hello Crossroads families,

I'm thrilled to report that the 2025-2026 school year is off to a truly fantastic start. Our students have returned with a renewed sense of purpose and are settling into the academic rhythm beautifully.

As I write this, our students are diligently completing their **TSI (Texas Success Initiative)** testing, a crucial step for college readiness. This comes on the heels of our successful **MAP (Measures of Academic Progress)** testing, which was completed at the start of this school year. The data from both of these assessments will be instrumental in helping us tailor instruction and support for every student.

One of the most positive changes we've seen this year is the incredible success of our new cell phone policy. I want to extend a huge thank you to all of our students for their cooperation. The hallways and classrooms feel more focused and engaged than ever, and it's a testament to the respect and maturity students have shown. It is truly encouraging to see students having conversations at lunch instead of staring at a cell phone.

Our school community continues to thrive with a wide variety of activities. Our **Gardening Club** has grown to nine members and is already enjoying a bountiful harvest of cherry tomatoes, watermelons, cucumbers, and squash. They have many more delicious vegetables and plants on the way. The **Environmental Youth Ambassadors**, now 11 members strong, are busy preparing for the annual **Recycled Fashion Show** on October 18th. Their creativity and commitment to sustainability are truly inspiring.

Looking ahead, we are excited for the **4th Annual Turnkey Bowl** competition in November with our Army Adopted Unit. After a close loss last year, our students are more determined than ever to put up the W!

We have some wonderful news to share regarding our graduation ceremony. On **September 26th at 6:00 PM** at SC Lee JHS, two of our students who returned from dropout status will be walking the stage alongside 18 other graduates. It's a powerful reminder that it's never too late to finish what you started, and we couldn't be prouder of their hard work and dedication.

Crossroads Highs School

Finally, next week we'll kick off our school-wide **Anti-Bullying Campaign**. We'll be participating in "Start with Hello" and "Paint the School Orange" to promote kindness, inclusion, and a safe environment for everyone. We encourage all families to talk with their students about the importance of these initiatives.

Thank you for your continued support and for being an integral part of the Crossroads High School family.

I want to thank the CCHS and CCISD Counseling Departments for their efforts in supporting our students during another challenging time. The protocols put in place helped to ensure that the social and emotional needs of our students were met. They also supported staff members who were struggling. I also want to thank the central administration for their support and assistance.

With the notable exception mentioned above, we had a tremendous first six-week grading period. Our students are doing great things. Homecoming week was fantastic, and our students demonstrated an enormous amount of school pride and spirit!

This past month, we have made a push to register students who are eligible to vote. I have personally delivered numerous voter registration cards to the county offices. We had a productive discussion with our Seniors about citizenship and the importance of participating in our democracy.

We are seeing a great deal of excellent instruction taking place in our classrooms. Principals, Instructional Coaches (ICs), and counselors are participating in the district's Leading for Impact initiative. Principals and ICs are in classrooms providing weekly coaching sessions for our teachers. They are also working with teachers in PLCs to create engaging lessons that will help our students continue to improve their academic performance.

Our extracurricular programs are performing at a high level, as evident in the athletic report. The reports from the Fine Arts and CTE Directors will highlight some of the outstanding achievements in those programs.

We are seeing significant growth in our dual-credit program, and we will have 6 students graduating from CTC in December. We recently had a student, Micah Smith, recognized as a Commended Scholar by the College Board.

Finally, we had 3 students, Isis Brown, McKenzie Piekhart, and Riley Prazanko, receive recognition at our most recent speech contest.

I am extremely proud of our students and staff at CCHS and am proud to be able to serve here in Cove!

Sincerely,

Carlin Grammer, Principal

Cafeteria Manager Spotlight:

Name: **Melissa Moreno**

School: **Martin Walker Cafeteria Manager**

Years Feeding Kids: **6 years**

Best Part of Job: **Knowing that every child that comes through my serving line is fed a healthy & delicious meal.**

If I weren't working in a cafeteria, I'd be a: **Police Officer**

Catchphrase I use the most: **It is what it is...**

What are some of the most important things you have learned through your career in Child Nutrition:

That the meals we serve to these kids may be the only meal they get for the day.

What does a typical day look like for you: **Lot's of great food!**

Is there anything about your job that you wish people knew or understood better? **That it is more than just 'lunch ladies' serving food. Managers oversee an entire food service operation such as menus, ordering, staff, compliance and much more.**

What is your favorite meal as a kid you ate in cafeteria and what is your favorite now? **My favorite food was the old school square pizza. Out of the food we serve now my favorite food is the Carolina BBQ Sandwich.**

SCHOOL LUNCH WORKER:

You are behind the scenes most of the day, but during lunch you let kids know they matter. You always serve kids healthy meals and happy attitudes. Without you students don't have the energy to conquer their day.

The Child Nutrition Department will be celebrating
National School Lunch Week October 14-17, 2025

This year the Texas Department of Agriculture and our Copperas Cove ISD Child Nutrition Department is using the theme "Texas Taste Tour: your School Lunch Passport" to showcase nutritious meals served at school and healthy foods from across Texas! Celebrating National School Lunch Week can introduce students to the many ways balanced, nutritious school meals help fuel success!

Our Child Nutrition Department works hard to serve lunches that keep students ready to embark on academic adventures throughout the school day. Come along for the journey by encouraging your child to eat lunch in the cafeteria this week. Don't forget all students eat FREE Breakfast and FREE lunch every day at Copperas Cove ISD! We will release a new video on the CCISD Facebook page each day of National School Lunch Week giving a TASTE of what exciting TEXAS item we will showcase each day!

Here is a breakdown of our events being held for the week of October 14-17, 2025:

Tuesday October 14, 2025 is Vegetable Day! We will be celebrating Texas Local Items showcasing Local Best Maid® Texas Pickles manufactured here in Texas since 1926 and started with their beginning in Mansfield, Texas to become the largest family- owned manufacturer of pickles in the US! We will also be highlighting our True Harvest Hydroponics Lettuce grown right down the street in Belton, Texas!

Wednesday October 15, 2025 is GRAIN Day! **It's PIZZA WITH A PARENT DAY!** We invite all parents or guardians to come and join your child for lunch today as we celebrate our Local Texas Item being showcased, which is Alpha Pizza manufactured in Waller, Texas! All visitor meal prices are \$5.50 for this spectacular Texas Pizza with a Parent Event! Due to celebrating National School Lunch Week we will NOT allow any outside food to be brought in for lunch on this day! So, come join us and your child for some Amazing TEXAS Pizza!

Thursday October 16, 2025 is FRUIT Day! We will be spotlighting the Texas Gala Apple from Top of the Farm located in Farwell, Texas. Our Classroom Contest will begin today: THE COVE CRUNCH! Parents, be sure to check out your student's school on social media to see if their classroom participated in THE COVE CRUNCH! The classroom who has the most 'likes' by Monday October 20, 2025 at 7:30am will win a *Build Your Own Frozen Yogurt Party!*

Friday October 17, 2025 is our Meat & Milk Day! We will be spotlighting Leon's TEXAS Corny Dog (Dawg) and an Oak Farms Milk Explosion New Flavor! Leon's Texas cuisine has been a Texas Staple since 1946 and expanded in 1960 when they began producing the Texas Corny Dogs (Dawgs) and got their start in McKinney, Texas. Our Oak Farms Milk comes from cows raised right here all over the State of Texas at various Texas Dairies.

Construction students fixed ongoing drainage issues in the Greenhouse, replacing the floor, sealing it with epoxy, and coating it with Bulldawg Blue and White fleck.

Graphic Design and Marketing students designed, printed, and sold Bulldawg Spirit shirts for Homecoming week, giving them valuable hands-on experience.

PROGRAM SPOTLIGHT

The Ag Barn is at full capacity this year with over 49 livestock projects assigned to practicum projects and livestock shows. An additional 7 projects are housed at off-site locations due to space limitations. Projects include swine, sheep, and goats, with 7 kept in outdoor pens and 3 pens inside the barn doubled up. Student interest in cattle could not be supported because of current barn limitations. This is the largest number of student livestock projects we have ever managed, highlighting both strong student participation and the need for expanded barn facilities.

749

of students enrolled in CTE dual credit courses this year

CTE ACTIVITIES REPORT

Health Science students achieved a major milestone by performing their first phlebotomy skills, including capillary sticks and glucometer testing, under the guidance of dual credit instructors.

Food Processing students gained real-world experience through a demonstration from a local butcher, learning how to process and package venison.

Digital Media and Marketing students continued developing career-ready skills through creative projects that highlighted design, branding, and promotion.

Criminal Justice students advanced their knowledge with interactive, real-world applications that connect classroom learning to public service careers.

creating MAGIC

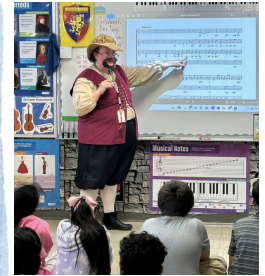

Mr. Tabor and his technical theatre students are busy preparing set pieces for the upcoming show. From planning and designing to building and painting, they are bringing the stage to life with their creativity and hard work.

Briggs and her theatre classes have been experimenting with costume makeup to create realistic 3D wounds! Check out that impressive talent!

Our fantastic spirit squads at CCHS greeted students at the door during Starts with Hello week. They created an energetic atmosphere as the Dawgs made their way into the building!

PLC

We conducted our second Fine Arts PLC meeting to foster collaboration across campuses and enhance vertical alignment. During this session, teachers focused on identifying essential skills and the expected outcomes by the end of the year to ensure consistency among all schools.

"It was very helpful talking to other Art teachers/paras and hearing what they do at their campus... I look forward to more sessions, as it's been very beneficial to me and has allowed me to make new connections."-- Michelle Shank (Art)

Report Date: October 2025
Prepared by: Technology Department

Overview

Finally getting our nose above the water.

In just six months, we have made a major leap forward for Copperas Cove ISD. With the purchase of 1,400 new Chromebooks to refresh every 4th and 5th grade student device, and the replacement of 100 teacher devices after five years, we are turning the corner. We have deployed more than 4,500 new student devices, added 130 new computer carts, installed 30 new interactive boards, introduced new classroom management tools, and invested over \$650,000 in security upgrades across the district. Behind the scenes, we have also made significant infrastructure improvements to make staff jobs easier and more efficient.

This month marks a turning point. The mindset of “*that’s the way it’s always been*” is gone. We have pulled anchor and set sail on a new course for our students, staff, and community.

Major Accomplishments – September Update

1. Major investment in our Kids

With more than half of our budget, the technology department has made a significant investment in our students and their classrooms. Over the past three months, we have taken a hard look at our spending, cutting away waste and eliminating projects that did not directly benefit teaching and learning. Every dollar saved has been carefully reallocated to where it truly matters back into the classroom, where for too many years these resources had been neglected. This shift is more than just a budget decision; it represents a renewed commitment to our teachers and students. By investing in modern tools, stronger infrastructure, and new opportunities, we are building a foundation that will carry our classrooms forward for years to come.

2. WLE Technology

As we continue our work at WLE, we are making targeted investments that will truly transform this campus. Among the upgrades now underway is a complete replacement of the intercom system with a full IP solution, giving the school incredible flexibility in daily use and, most importantly, in emergency situations. We are also moving forward with a full wireless refresh, bringing in the latest and most reliable technology to ensure seamless connectivity for staff and students. In addition, plans include the installation of new interior cameras and upgraded cabling to support the next generation of learning and security needs.

This project has been a tremendous blessing for our district. WLE is becoming the model for what we envision across all campuses — modern, flexible, secure, and designed to meet the needs of both today and tomorrow. What we are building here is not just an upgrade; it's a blueprint for the future of technology across Copperas Cove ISD.

3. Door Access & Camera Installations

The door and camera project is now nearing the end of installation, and soon the real work — and excitement will begin. We will start rolling out access cards to staff with our new district-wide card design, while also developing updated policies that set a clear, consistent standard for building access. Most importantly, this new system gives us the ability to know exactly who is in our buildings at any given time and ensures that our campuses are supported by cameras designed to help keep everyone a little safer. What makes this project even more powerful is the integration of new technology, including AI tools that not only enhance safety but also provide video we can truly rely on for investigations and proactive monitoring. This isn't just a system upgrade — it's a transformational step for Copperas Cove ISD.

This marks a major change in how we approach security, and it's only the beginning. We are excited to grow this program, expand its reach, and continue building a safer, smarter environment for our students, staff, and community.

New Challenges for October

Flat Network Discovery

Last month, we shared that all campus traffic — phones, cameras, printers, and data — has been running on a flat network, leaving systems inefficient and insecure. Redesigning this will take significant time and new equipment, but by using E-Rate funding, we can reduce costs dramatically and complete the project by summer 2026. This month, we've made progress by meeting with Cisco and Aruba and confirming that many of the switches purchased in the last two years can be reused across campuses. The only new purchases required will be core routing devices, which qualify for up to 80% reimbursement through E-Rate. We are also working with Netsync to update the \$25,000 configuration plan developed in 2023, giving us a strong foundation to move forward at a fraction of the original cost.

Phone System Transition

Last month, we shared that the district is moving from PRI phone lines (traditional, dedicated voice circuits) to SIP lines (internet-based calling). This transition is projected to save over \$100,000 annually. This month, we have vendor meetings scheduled and are on track to complete the transition by Christmas break.

Final Touches

In just a few short months, we've made real progress and set the district on a new course. From devices and classroom upgrades to security, phones, and network redesign, the foundation is being built for lasting impact. We still have a lot of work ahead, but with the team we have in place and the support of district leadership, we'll get there.

Copperas Cove ISD is not just set up for a successful school year, but for long-term sustainability and growth. These aren't just technology projects; they're investments in security, instruction, and efficiency that will keep paying dividends. And if anyone asks how we managed it all, the answer is simple: "Anyone can plug it in. We're the team that makes it work."

Copperas Cove ISD Technology Department | October 2025 Report

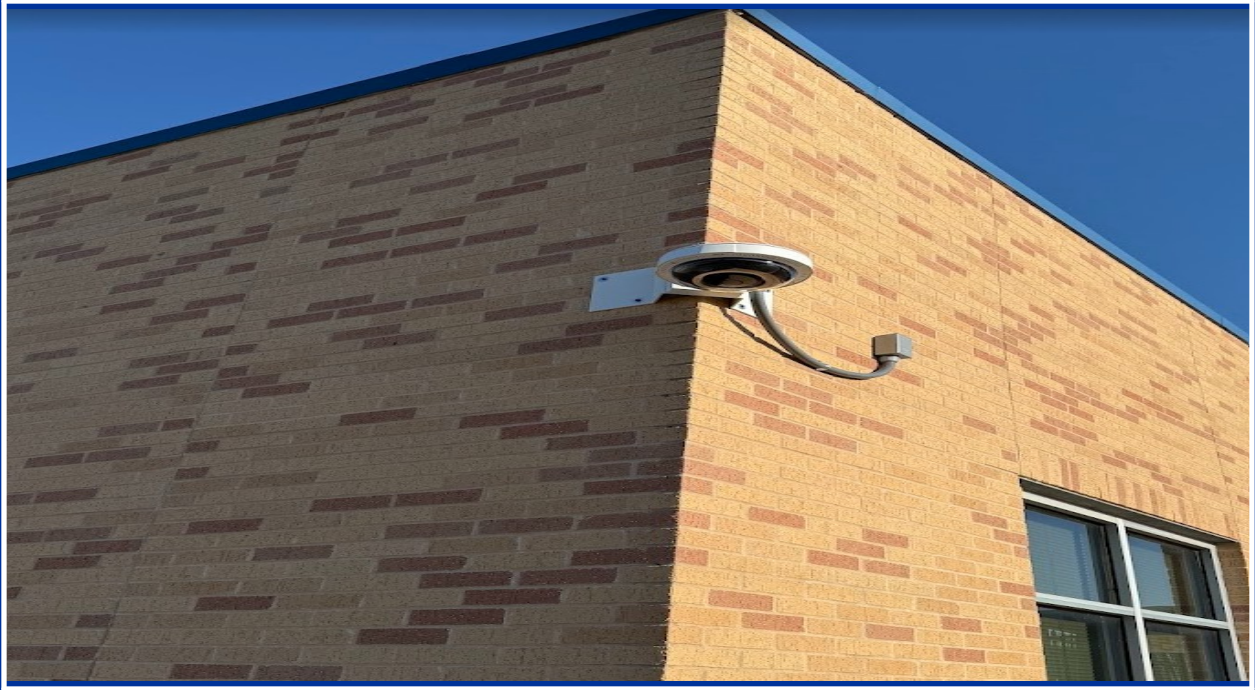

WLE School looks a little different, but we are ready to start putting it back together.

Infrastructure extended to the new portable buildings.....finally.

Exterior security cameras installed to enhance safety district-wide.

This month's report highlights the progress on major projects, including security upgrades, network redesign, and classroom technology investments. Full details are in the board report.

“ Anyone can plug it in. We're the team that makes it work. ”

Start Strong Campus Results

The results below summarize the results of the Start Strong survey on your campus. This survey measures the frequency of key behaviors in the initial weeks of your CKH Journey. Each question has a target score, which represents a behavior reported as "always" or "often" present on your campus.

To accurately interpret your Start Strong results, please note the following:

1. Setup your report:

- Select your campus from the dropdown menu labeled "Campus".
- Choose the appropriate school year from the drop down on the right side of the screen.

2. Review your Results:

- The "Survey Count" column indicates how many respondents from your campus have responded to a survey question.
- The overall score utilizes a five-point scale (1.0 - 5.0) and is a summary of all responses to date from your campus. A green color code indicates you have exceeded the target score.
- The "% Always or Often" indicates the percentage of responses that answered the survey with "Always" or "Often" (which corresponds to the target scores).
- The bar graph on the right shows the distribution of all responses from your campus

3. Make a Plan:

- Use these results to both celebrate success and address any gaps identified as you begin your CKH Journey. If you need help interpreting and actioning the results of this survey, please reach out to your assigned CKH Strategist.

Employee Request for Accommodations Form

This form should be completed by any employee who believes he or she needs any form of accommodation as a result of a disability. The information provided will be used to assist CCISD in determining whether, or to what extent, a reasonable accommodation for an employee is required to perform one or more essential functions of his or her job.

In the context of assessing an accommodation request, a physician statement or other relevant medical documentation may be needed. As such, please complete the Medical Release contained in Section II and have your physician complete Section III, the medical information form.

Once complete, return Section I, II, and III to Copperas Cove Independent School District:

Human Resources Department

408 S. Main St. Copperas Cove, Texas 76522

phillipst@ccisd.com

254-547-1227/ Fax 254-547-1535

Reasonable accommodations will be provided to qualified employees with disabilities, unless doing so would pose an undue hardship. A qualified employee is one who can perform the essential functions of the job with or without a reasonable accommodation.

SECTION I:

Name: _____ Campus/Department: _____

Position: _____ Supervisor: _____

Identify your impairment(s) and indicate how you believe each impairment affects your ability to perform your job duties:

State the specific accommodation(s) you believe are necessary to enable you to perform the essential functions of your job:

Additional comments:

CONFIDENTIALITY NOTICE: Medical-related information shall be kept confidential and maintained separate from other personnel records. However, supervisors and managers may be advised of information necessary to the determination they are required to make in connection with a request for accommodation. Safety and facilities personnel may be informed, when appropriate, if the disability might require emergency treatment or if any specific procedures are needed in the case of fire or other evaluations. Government officials investigating compliance with the ADA may also be provided relevant information as requested.

Employee's Signature: _____ Date: _____

SECTION II [to be completed by Employee]:

MEDICAL RELEASE

I, _____, authorize Copperas Cove Independent School District to communicate with and receive medical records or other information from _____ and I authorize all parties to share any information deemed necessary to assist the District in determining what reasonable accommodations, if any, are necessary for me to perform the essential functions of my position. I further agree to execute any and all forms deemed necessary by the healthcare provider to comply with the Health Insurance Portability and Accountability Act (HIPAA).

This authorization does not allow for sharing genetic information. The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.
