**March 2026**

<u>Enrollment</u>	<u>Students on Campus</u>	<u>Attendance Rate</u>
Total	305	94.7% (4th 6 Weeks) 94.1% (Annual overall)

***Mae Stevens is the place to be for the month of March!***

**Great things:**

- Our Middle of the Year assessment data shows great growth for our students! This year's beginning of the year scores were the lowest we have seen in 6 years, and our staff has brought those scores to comparable middle of the year scores with all years! Most classes are already above 55% growth!
- We had over 40 students that had perfect attendance, bell to bell, for the 4<sup>th</sup> 6 weeks!
- We held our family math night on the 100<sup>th</sup> day of school and had a strong turnout!
- Our latest assembly featured "Olympic" relays and the HS drumline!
- Many parents have shared with me these six weeks that their students love to come to school!

**Attendance matters:**

- Mae Stevens has a goal to increase our attendance rate this year! As of right now, we are at 94.1%, staying above our goal of 94%. Our attendance came up almost a full percentage point since Christmas!

**What are we learning:**

- Students will continue to review all social skills this month. Students continue to learn to form lower-case letters. Students are learning to blend the onset-rime of one syllable words with a focus on the -id, -ip, -ig, and -op word families. Students will also review and practice identifying when two words start with the same sound. When reading stories, students will make inferences and prediction, retell stories, ask and answer questions and learn about the conventions of print. In math, students will continue to review number skills, and learn how to compare/measure capacity and build ABC patterns. Students will learn about different authors, spring weather, plants and the plant life cycle, the chicken life cycle and eggs and bunnies this month!

**What is coming up in March:**

- March 2-6: Read Across America Week-students will learn about different authors and have Dr. Seuss dress up days all week
- March 7: PTO Yard Sale and Vendor Market 9AM-1PM at Mae Stevens
- March 10: Art Night/Open House 5-6:30 PM
- March 13: PTO Fundraiser at ChuckE Cheese 3:30-9PM

The Mae Stevens Family is thankful for the commitment from the school board and district for investing in our students' well-being and educational growth. Please always feel welcome to stop in and join us for any of our events! We appreciate the time you take investing in our students and staff! Go Dawgs!

### Campus Happenings and Activities

February was filled with joyful celebrations, meaningful connections, and student-centered experiences that reflected the heart of Martin Walker Elementary.

Martin Walker Elementary has been named to the Educational Results Partnership's 2025 Texas Honor Roll, placing our campus among the top 15 percent of schools statewide. This recognition, based on STAAR student outcome data and presented in partnership with the Campaign for Business and Education Excellence and the Texas Business Leadership Council, celebrates the collective efforts of our students, staff, and families and reflects our strong commitment to academic excellence.

Our campus proudly celebrated the 100th Day of School, marking an exciting milestone in our learning journey. Many students and staff dressed as if they were 100 years old, bringing smiles and laughter throughout the building. Classrooms participated in engaging, hands-on activities centered around the number 100, reinforcing academic skills while celebrating perseverance, growth, and the joy of learning.

In celebration of School Board Appreciation Month, Martin Walker Elementary welcomed the CCISD Board of Trustees for brunch. The visit included student-led tours, a performance by the MWE Treblemakers Choir, campus highlights from the Student Council, and a fun trivia challenge between students and board members. Trustees were also featured in our weekly tradition, Toot Your Horn Tuesday, honoring their service and support. The event highlighted the strength of student voice and leadership, as students proudly represented their school.

Our fine arts program continued to shine as the MWE Treblemakers Choir were joined by the WLE Sunrise Singers to perform at the State of the District event. This collaboration was a powerful celebration of unity, talent, and strong connections across campuses.

Our 5th grade students attended the Fine Arts Showcase at Copperas Cove High School, where they experienced performances from secondary fine arts programs across the district. This opportunity opened students' eyes to the possibilities that lie ahead and helped them begin envisioning future pathways in the arts and beyond.

Attendance and school spirit were once again celebrated in big ways! Students with perfect attendance were recognized during AttenDANCE, a high-energy celebration filled with dancing, prizes, and excitement. Our 4th Six Weeks Pep Rally further honored student success by recognizing attendance, positive behavior referrals, school spirit, and—most importantly—academic growth.

Martin Walker Elementary also embraced the importance of kindness during Random Acts of Kindness Week. Students participated in kindness-inspired dress-up days and campus-wide kindness challenges—reinforcing that kindness is a way of life on our campus.

The month concluded with a PBIS Honey Money Bingo Event, celebrating students who consistently demonstrate positive behavior and live out campus expectations. This joyful celebration reinforced our PBIS framework and strengthened a culture where students feel seen, valued, and motivated to succeed.

### **Upcoming March Events**

- March 2nd-6th: Career Week
- March 5th: Battle of the Books
- March 6th: HOSA Teddy Bear Clinic at MWE
- March 12th: Blacklight Math Night
- March 26th: Honey Money Staff vs. Students Kickball
- March 27th: CCISD Elementary Combined Choir Performance at Lea Ledger Auditorium
- March 31: Family Fitness Night

As we move into the spring season and prepare for TELPAS and STAAR, our students are stepping into an opportunity to show how much they have grown as learners. This moment reflects perseverance, confidence, and a belief in what can be accomplished through effort and support. Together, as students, staff, and families, we move forward as One Pack, One Purpose, united in our commitment to student success.

Thank you,

Kelly Thompson

### Campus Happenings and Activities

February was a month full of learning, celebration, and meaningful experiences for our students and staff. We are grateful for your continued support as we work to ensure every student grows academically, socially, and emotionally. Below is a snapshot of the many activities and initiatives that shaped our month.

We kicked off February by celebrating the 100th Day of School, a fun and engaging milestone that allowed students to reflect on how much they have learned and grown this year. Classrooms embraced creative activities centered around the number 100, reinforcing math and literacy skills while celebrating perseverance and progress.

The month also began with important academic initiatives. Our 4th and 5th grade students participated in RLA field testing, providing valuable opportunities for students to apply their learning and for staff to gather insights that support continued instructional planning. In addition, our 2nd graders completed GT testing, helping us identify and nurture advanced academic potential as we continue to meet the needs of all learners.

One of the highlights of February was our annual Staff vs. Student Basketball Tournament for our 4th and 5th graders. This event brought excitement, teamwork, and school spirit as students competed alongside staff members in a positive and memorable environment. We were especially honored to welcome special guests from the Copperas Cove Fire Department and Copperas Cove Police Department, whose participation made the event even more meaningful and strengthened our community partnerships.

At Williams Ledger, instruction and student learning remain our top priority. Throughout February, our leadership team and staff engaged in ongoing professional development, instructional walks, and RTI meetings to monitor student progress and refine instructional practices. These collaborative efforts ensure we are responding to student needs, strengthening classroom instruction, and maintaining a strong focus on academic growth for every student.

Our students also participated in Kindness Week, which included themed dress-up days and a daily kindness challenge. This week provided intentional opportunities for students to practice empathy, encouragement, and positive citizenship, reinforcing the social and emotional skills that help create a strong and supportive school culture.

February included several memorable field experiences that extended learning beyond our campus walls:

- 4th Grade Field Trip to Inner Space Caverns: Students explored geology and natural science concepts firsthand, bringing classroom learning to life through real-world experiences.
- 5th Grade Fine Arts Showcase at Lea Ledger Auditorium: Our students attended a fine arts performance that celebrated creativity and exposed them to the arts in an engaging and inspiring setting.

February was filled with opportunities for academic growth, relationship building, and joyful learning experiences. We are proud of the hard work of our students and staff and thankful for the ongoing support of our School Board as we continue to prioritize excellence in teaching and learning. Thank you for your continued partnership and dedication to our students and community.

### Campus Happenings & Activities:

I am pleased to share the exciting events and activities that have taken place at House Creek Elementary School during February.

On February 3<sup>rd</sup> our 3<sup>rd</sup> and 5<sup>th</sup> grade students participated in the STAAR Reading Field Test. Our students also celebrated the 100<sup>th</sup> Day of School!

February 10<sup>th</sup> our students and parents joined us for Family Reading/Literacy Night activities and had fun participating in Reading activities together. They also had a chance to stop by the Book Fair and purchase new books to enjoy reading together at home.

On February 11<sup>th</sup> our students had a great time celebrating Valentine's Day in the afternoon with their class families.

Our Top Dawg Pep Rallies for Kindergarten through 5<sup>th</sup> Grade were a success on February 18<sup>th</sup>. We would like to thank the Copperas Cove High School Drum line for coming over to perform for our K-2 classes and the S.C. Lee Band Wind Ensemble who performed for our 3<sup>rd</sup> – 5<sup>th</sup> grade students. The performances by these talented groups were amazing and our students absolutely loved it! Thank you again!

On February 20<sup>th</sup> our 5<sup>th</sup> grade students enjoyed a trip to the Lea Ledger Auditorium to experience our Fine Arts Showcase. The students enjoyed the performances and are excited about their future opportunities.

Every Friday we continue to recognize and celebrate our House Creek Heroes by calling student names over the intercom that are chosen by their teachers for consistently displaying our character trait of the week.

We look forward to seeing our students grow academically, socially, and emotionally this year. Thank you to our parents for working hard to ensure our students are on time for school and present each day for learning.

**Upcoming Events:**

- February 24th – TELPAS Listening and Speaking Test Grades 2-5
- March 3rd – Released Reading STAAR Test Grades 3-5
- March 5th – 5th Grade Released Science STAAR Test and 2nd and 3rd Grade TELPAS Reading and Writing Test

5 <sup>th</sup> Grade	71	<b>97.39 %</b>
<b>Total</b>	<b>421</b>	<b>97.34%</b>

Halstead Campus remained actively engaged throughout the month with events focused on student achievement, family engagement, and campus community building. The month began with Picture Day on the 3rd, providing students with the opportunity to capture important school memories. On the 4th, the campus hosted a Volunteer Orientation, strengthening partnerships with families and community members who support daily campus operations and student success.

Halstead also held a PAC meeting on the 6th, offering parents and stakeholders an opportunity to collaborate with campus leadership and stay informed about campus initiatives. Academic readiness remained a strong focus, as Halstead hosted multiple STAAR Saturday sessions on the 7th, 21st, and 28th. These sessions provided targeted academic support to help students build confidence and prepare for upcoming assessments.

Family engagement continued with the STAAR Test Success Parent Workshop on the 11th, equipping families with strategies and resources to support student achievement at home. The campus recognized students on the 12th with Gold Day, celebrating positive behavior and accomplishments. Staff and students observed a well-deserved holiday from the 13th through the 16th, returning refreshed and ready to continue learning.

On February 19th, Halstead hosted its 4th Six Weeks Pep Rally, recognizing student academic growth, positive behavior, and campus pride. This event provided an opportunity to celebrate student accomplishments while building motivation and strengthening campus culture as students continue working toward academic goals.

On the 20th, Halstead hosted a Family Game Night, which fostered meaningful connections between families, students, and staff while promoting a positive school culture. The month concluded with Kona Ice on the 27th, providing a fun incentive for students and reinforcing positive engagement.

Overall, Halstead Campus demonstrated a continued commitment to academic excellence, student support, and strong family and community partnerships. These events reflect the campus' dedication to preparing students for success while fostering a positive and inclusive learning environment.

We continued to celebrate student achievement and positive behavior through various initiatives, including Perfect Attendance recognition, Bulldawg of the Month awards, Positive Office Referrals, and PBIS activities. These programs continue to reinforce our commitment to building a positive school culture and strong Bulldawg Pride. Overall, January reflected Halstead's continued commitment to academic excellence, positive school culture, and strong family and community partnerships.

### Campus Happenings & Activities

#### Grade Level Mentoring

As part of our ongoing implementation of **The Leader in Me** framework, we continued our grade-level mentoring initiative this month. Through this program, older students are paired with younger grade levels to serve as mentors and role models while engaging in structured activities together. These partnerships provide meaningful leadership opportunities for our older students while fostering connection, encouragement, and skill development for our younger learners.

During this month's mentoring sessions, grade levels collaborated on lessons focused on **"Putting First Things First,"** reinforcing the importance of prioritization, responsibility, and effective time management. Students actively participated in discussions and shared activities designed to help them understand how to identify priorities and make thoughtful choices. Our students continue to demonstrate enthusiasm and commitment to the mentoring process, and it remains a valuable component of building leadership culture across our campus.

### **Attendance Fun**

This month, we hosted a special campus-wide engagement event designed to promote attendance and build school spirit. In an effort to address historically low attendance on a specific day from last year, we announced a “Snow Day” experience and invited students to attend in order to participate.

On the designated day, we transformed an outdoor area of our campus by creating snow for students to play in and enjoy. The event generated excitement among students and families, encouraged strong attendance, and provided a memorable, positive experience for our school community. Activities like this not only support improved attendance but also help strengthen student connection and engagement on campus.

### **Attendance Incentive**

This month, we also implemented an additional attendance incentive event aimed at increasing student presence on a historically low-attendance day. Students were informed in advance that those who were present would have the opportunity to participate in a special on-campus activity.

To support this effort, we set up an obstacle course in the gym, providing a fun and energetic experience for all students in attendance. The event generated enthusiasm across grade levels and served as a positive reinforcement strategy to promote consistent attendance. By pairing attendance awareness with engaging activities, we continue to encourage students to be present while fostering a vibrant and connected school culture.

### **Archery Accomplishment**

This month, our archery team reached an exciting and historic milestone for our campus. Students have been working diligently throughout the season, participating in multiple tournaments to sharpen their skills and prepare for the state competition.

Through their hard work and consistent performance, our team accomplished something unprecedented—earning qualification for the entire elementary team to compete at the state championship in San Antonio during Spring Break. This marks the first time an elementary campus in our area has qualified a full team for this level of competition.

In addition, while competing at a recent tournament in Nolanville, three of our female archers placed in the top three individual spots, showcasing both their individual talent and the strength of our overall program. We are incredibly proud of their dedication, perseverance, and the positive way they represent our school community.

## CPE's February Happenings

February has been a vibrant and productive month on our campus, filled with meaningful learning experiences and celebrations of student success! We proudly marked the 100th Day of School on February 3rd while our 4th graders successfully completed the RLA STAAR Field Test. Our youngest learners engaged in a focused Kinder/1st Grade Block Day, and collaboration remained strong through Lesson Internalization PLCs. We celebrated student achievement at our Semester Awards Ceremonies for K-2 & 3-5. We continued recognizing academic and positive behavior success through our Cocoa and Classics celebration and PBIS Spring Fun activities. Valentine's parties added joy to the close of the grading period, and we launched the 5th Six Weeks with enthusiasm as TELPAS testing began. Throughout this month, our commitment to student growth was evident with RTI and BRTI meetings, report cards going home, and our Bilingual PLC strengthening instructional practices. We will also wrap up the month by empowering future leaders through participation in UT Girls' STEM Day at University of Texas at Austin. It has truly been a month filled with celebration, collaboration, and continued academic excellence! Just recently, our focus has shifted to goals set in our CPE Campus Impact Plan. We have set some solid action steps to target improvement in K-1st Phonics instruction and strong instructional delivery in 3<sup>rd</sup> grade Math and Reading.

## Campus Activities Report – SC Lee Middle School

February was a busy and exciting month across campus, filled with student involvement, competitions, performances, and leadership opportunities.

Our AYPYN clubs met consistently throughout the month, providing students with meaningful opportunities to connect with and explore their interests. Morning Club continued to meet regularly, setting a positive tone to start the day. Students also participated in Puzzle Club, Robotics Club, Coding Club, Cougars for Christ, Arts and Crafts Club, Diamond Art Club, Digital Storytelling, Creative Canvas Club, Ceramic Club, New Gen Leaders Club, Art of the Kitchen Club, and Artsy Writing Club. These groups foster creativity, collaboration, service, and skill development across grade levels.

Our fine arts programs had a strong showing this month. On February 9, students performed at the All-Region Concert at Killeen High School, followed by Pre-UIL Choir and Band concerts on February 9 and 10. Later in the month, beginners showcased their talents during the Non-UIL Choir Concert. Students also participated in a Fine Arts field trip to the high school, further strengthening vertical alignment within our programs.

Athletics and performance groups were equally active. Track athletes participated in tryouts early in the month and competed in the Little Red Relays on February 26. The Cougarettes practiced consistently and competed in Belton and Temple. Cheerleaders held regular practices, competed at Bravo, and performed at a Cheer Assembly at Fairview. These groups continue to represent our campus with pride and dedication.

Student leadership organizations remained engaged throughout February. NJHS held a district board meeting and a campus meeting and partnered with Student Council to host a school dance on February 27. Student Council also met mid-month to continue planning campus initiatives. Kona Ice visited campus on February 17, adding a fun element for students and staff.

Students also demonstrated academic excellence outside the classroom. Participants competed in the History Day Competition, showcasing research and presentation skills.

The campus observed a Staff Professional Development Day on February 12 and a Student and Staff Holiday on February 16. During the week of February 23–27, we celebrated FFA Week with campus-wide spirit days, promoting school pride and student involvement.

Overall, February highlighted the strength of our extracurricular programs and the dedication of our staff sponsors. From fine arts performances to athletic competitions, leadership initiatives, and club meetings, our students continue to stay engaged, grow their talents, and positively represent our campus.

## **Next Month:**

March will be an important month for our Fine Arts programs as students participate in several UIL and honor performances.

Our band students will compete in the UIL Concert and Sight-Reading Evaluations on March 4 and 5. These evaluations are a major component of the UIL music season and assess both prepared concert selections and students' ability to sight-read new music.

Choir students will participate in the UIL Concert and Sight-Reading Evaluations on March 11 and 12. Similar to band, students will be evaluated on their concert performance and sight-reading skills, showcasing the hard work and preparation they have invested throughout the semester. From March 23–27, our Wind Ensemble Honor Band will participate in a special recording concert experience. This opportunity allows students to professionally record their performance, highlighting the exceptional talent within our band program.

We are proud of the dedication and preparation our Fine Arts students and directors continue to demonstrate, and we look forward to celebrating their accomplishments throughout the month

## **Campus Update**

The addition of AYPYN funding for our club sponsors has made a positive impact on our campus. Our after-school clubs have been a great success, providing students with opportunities to connect, engage, and build new skills outside of the classroom. Mrs. Heimbuck serves as the lead coordinator for the clubs and has done an outstanding job supporting their implementation. We have seen meaningful results, including a BSC student who attends Archery each week and has demonstrated noticeable improvement in behavior as a result of participating in the club.

We have conducted classroom walks with Mrs. Crawley and Mrs. Baney, and their support has been extremely beneficial to our administrative team. Their feedback and guidance have helped strengthen our instructional leadership and campus practices. I have received more support and coaching here in Cove than in any other district I have worked in, and it has made a significant positive impact on my growth as a leader.

Mr. Max (CIS) held a drawing for a pair of Jordans right before the Christmas break. Students with perfect attendance from October 24th through the end of the semester were entered into the drawing. We had over one hundred students with perfect attendance during that time and two of them received a pair of Jordans. We will also offer the same incentive during the spring semester except it will be for a Playstation 5.

### **Capturing Kids' Hearts**

Students are leading "Good Things" in most classes, including PE. While this activity only takes a few minutes, it has a positive impact on the start of class by helping build relationships and set a supportive tone for learning. Teachers are also referencing Social Contracts to remind students of the commitments they made, reinforcing expectations and promoting accountability within the classroom community.

### **Athletics**

Track practice is underway, and the coaching staff is excited about the potential of both our boys' and girls' athletes. We are looking forward to a great season as our students continue to work hard and represent our school with pride.

IT'S A GREAT DAY TO BE A BULLDAWG! Our students continue to impress in the classroom and in extracurricular competitions. Our staff is working hard to ensure our students for all upcoming assessments. We have just completed some of our MAP testing and state-mandated field testing. TELPAS testing has just begun as well. We have seen many positive results from our local assessments and are excited to see our students perform on the SAT, STAAR, AP, and other assessments!

As we transition into all our Spring activities, I look forward to watching our students perform at the highest levels in the coming weeks and months. Our students continue to show great Bulldawg Pride as they compete.

In our classrooms, we continue to focus on improving our planning, instruction, and school culture. We have developed plans to improve both our classroom practices and our PLC groups. While there are still improvements to be made, we are making progress, and our teachers are focused on growth for all our students. Teachers are striving to consistently implement our CKH practices. CCHS administrators and support staff have been tasked with providing teachers with the support needed to create the best culture possible at our campus.

Finally, let me say what a pleasure it was to host the CCISD Board and Central Administration at our campus for our Board Appreciation Event. I was extremely proud of the way our students performed. Everything from the meal to the student performances was great. CCHS staff and students appreciate all that the Board and Dr. Hawkins do for our campus. We look forward to continuing to advance your vision for CCHS and CCISD.

## ♥♥ Crossroads High School – February Highlights ♥♥

February has been a powerful month at Crossroads High School! Our campus continues to shine academically, culturally, and in overall campus spirit.

### **Celebrating Our School Counselors**

We proudly spoiled our incredible counselor, Ms. Trahan, during School Counselors Week. Her dedication to student success, academically, socially, and emotionally, is truly the heartbeat of our campus.

### **Academic Excellence in Action**

- We successfully administered TSI testing, helping ensure our students remain college-ready and on track.
- Students participated in ASVAB testing, providing valuable insight into career pathways and future planning opportunities.
- February is also CTE Month, and we are proud of the hands-on learning experiences preparing our students for real-world success.

### **District Pride**

During the Annual State of the District, Crossroads was honored to showcase our campus accomplishments and the incredible work happening every day. We are proud to represent CCISD with excellence.

### **Community & Campus Appreciation**

- We recognized and celebrated our School Resource Officer, Mr. Ragland, during SRO Appreciation, highlighting the vital role safety and relationships play on our campus.
- Our staff is actively participating in Walk Across Texas, and you'll see Bulldawgs walking before school, during breaks, and after hours prioritizing wellness and teamwork!

### **Black History Month Celebrations**

Our campus embraced Black History Month with themed dress-up days that celebrated culture, history, and unity. It has been a meaningful and engaging way for students and staff to honor important contributions and leaders.

### **Student Leadership & Campus Culture**

- Students, led by Mrs. Dever, created beautiful Valentine's Day decorations that brought warmth and creativity to our halls.
-

# Crossroads High School

- Mrs. Morgan continues to elevate our digital presence our campus Facebook page currently ranks 3rd in the district for most views, showcasing the incredible things happening at Crossroads.

## **Positive Referrals on the Rise**

One of the highlights of this month has been the number of positive referrals submitted for our students. We are intentional about celebrating good choices, leadership, and growth and our students are rising to the occasion.

At Crossroads High School, we are building more than academic success; we are building culture, character, and community. February has been a month of momentum, pride, and positive impact.

## March is **National Kidney Month**

Get to know your hard working kidneys

### 6 WAYS KIDNEYS KEEP YOU HEALTHY

Regulate fluid levels

Activate Vitamin D for healthy bones

Filter wastes from the blood

Directs production of red blood cells

Regulate blood pressure

Keep blood minerals in balance

### 8 PROBLEMS KIDNEY DISEASE CAN CAUSE

Cardiovascular disease

Heart attack

Stroke

Anemia/ low red blood cell count

Nerve damage

Weak bones

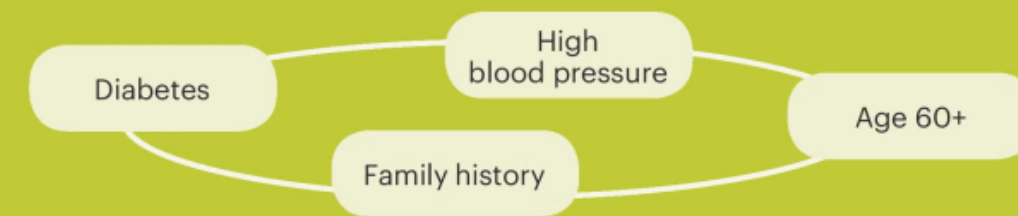

High blood pressure

Kidney Failure

### 4 RISK FACTORS

### 7 SYMPTOMS

Swelling: face, hands, abdomen, ankles, feet

Blood in urine  
Foamy urine

Puffy eyes

Difficult, painful urination

Increased thirst

Fatigue

### 2 TESTS YOU CAN TAKE (BLOOD AND URINE)

**Urine albumin-to-creatinine ratio** estimates the amount of a type of protein, albumin, that you excrete in your urine.

**Glomerular Filtration Rate (GFR)** tells how well your kidneys are working to remove wastes from your blood. It is the best way to check kidney function. Doctors measure blood creatinine (waste build up) levels and perform a calculation based on race, age and gender.

### Cafeteria Manager Spotlight:

**Name:** Britni Kattner

**School:** Copperas Cove High School

**Years Feeding Kids:** 11 years

**Best Part of Job:** Interaction with the students that I have watched grow into young adults and feeding them a well-balanced meal daily.

**If I weren't working in a cafeteria, I'd be:** Working with the Behavioral students or even the SPED students.

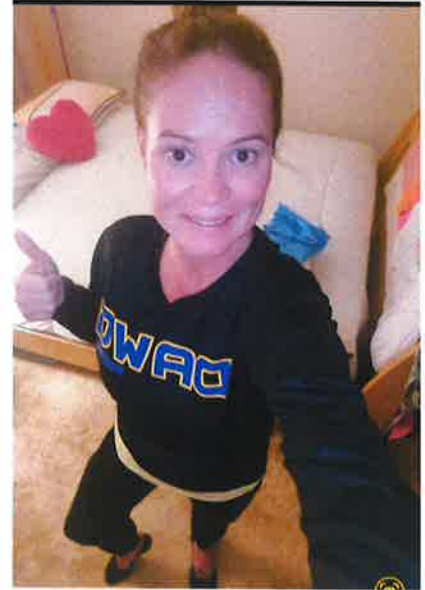

**Catchphrase I use the most:** TEAM WORK MAKES THE DREAM WORK!!

**What are some of the most important things you have learned through your career in Child Nutrition:** Balanced meals are essential for the academic focus and also the physical growth of the kiddos. Consistency and Perfection.

**What does a typical day look like for you:** Where do I start...I arrive at 6:30 am. I begin helping the head cashier get breakfast ready to go. In between before my TEAM arrives, I start getting their lunch ready to cook and prepare. I get all 5 lines their condiments out and ready for them for the day. I help each station in the back to get lunch ready to be served. I do the order on order days. I do receive deliveries of all foods, produce, milk, and bread. I do EOM inventory. I count my storage area and do usage for the day. Once lunch starts I help clean the back of the kitchen, all along with observing all 5 lines to make sure they are operating smoothly. Then there's all the End of day paperwork.

**Is there anything about your job that you wish people knew or understood better?** I wish some knew the dedication we put forth daily fueling our students. School meals are designed and regulated by USDA that we must follow daily. Our role in Child Nutrition goes beyond just the cooking part we have to also maintain safety regulations and of course ensuring every student has access to a hot meal.

**What was your favorite meal as a kid you ate in the cafeteria  
And what is your favorite now?** The Square Pizza then and the Nachos now!!

Here 'ye , Here 'ye...Coming March 2-6, 2026 we will be celebrating National School Breakfast Week! See next few pages for exciting menu and activities for our students!

NATIONAL SCHOOL BREAKFAST WEEK

## CCISD Child Nutrition Celebrates National School Breakfast Week March 2- March 6

*Every great journey begins with a great start! This year's theme "The Quest for School Breakfast" transforms breakfast from a daily routine into a shared adventure. It invites students to see themselves as heroes embarking on a journey, one fueled by nutritious food and supported by the dedicated Child Nutrition professionals behind the scenes. Breakfast provides the strength, focus, and energy students need to conquer the day.*

*Your students are invited to join us on the "Quest for School Breakfast" with the following menus and fun activities through the week of March 2-March 6, 2026.*

*Each day we will release a new video which will spotlight the **theme-focused menu** for the day:*

**Monday-** A Call to Adventure: Tournament Breakfast Taco (Bacon, Egg & Cheese)

**Tuesday-** The Strength of the Morning Meal: Dragon's Nest (Dutch Waffle) with Red Rubies (Strawberries).

**Wednesday-** The Trial of Tastes: Princess Porridge (Oatmeal) with Spiced Apples.

**Thursday-** The Fellowship of the Feast: Enchanted Sweet Bread (Fresh Cinnamon rolls)  
With the Knight's Shield (Turkey Sausage Patty).

**Friday-** Victory & New Traditions: The Kings Crown (Glazed Donuts)

**Friday** we will also be serving "Royal Breakfast For Lunch" Golden Gauntlet Totchos, Excalibur Swords (Celery/Carrot Sticks), Castle Cookies, Majestic Milk, and Magical Fruit Salad with Fairy Dust.

### PROGRAM SPOTLIGHT

Copperas Cove ISD JROTC continues to set the standard for leadership, discipline, and student achievement. Beginning in the 2025–2026 school year, JROTC is officially recognized by TEA as a CTE Program Pathway and Program of Study, further expanding career-focused opportunities for students through leadership development, academics, and service.

This year, JROTC cadets earned strong results in drill, academics, and marksmanship competitions, advanced in the JROTC Leadership and Academics Bowl, and continue preparations for major events including the Waco Drill Meet and the annual Military Ball, highlighting the program's commitment to excellence, professionalism, and student growth.

## CTE ACTIVITIES REPORT

CTE students earned strong results across multiple competitive events, with significant advancements at the state level and continued representation across several programs. In SkillsUSA, 28 students advanced to the State SkillsUSA Competition in Culinary Arts, Information Technology, Robotics, and Criminal Justice, reflecting high levels of technical skill mastery and industry-aligned preparation. JROTC cadets also competed successfully at the Waco Drill Meet among 33 schools, earning top placements in Academics and Color Guard, with additional strong finishes across multiple events. FFA students represented Copperas Cove ISD with pride at the San Angelo STAR Wether Doe Show and the San Antonio Purebred Gilt Show, earning competitive placements and advancing to continue competition at the San Antonio Livestock Show. Additionally, students competed in the Texas Public Service Association (TPSA) Competition, earning medals and a state-qualifying entry in 911 Call Taking, highlighting the district's emphasis on leadership, professionalism, and real-world career readiness across CTE pathways.

## TEACHER SPOTLIGHT

In celebration of Black History Month, Ms. Poehlmann's art students explored the powerful legacies of renowned African American artists Howardena Pindell and Alma Thomas. Using their techniques as inspiration, students created their own original masterpieces, demonstrating creativity, critical thinking, and artistic growth.

Thank you, Ms. Poehlmann, for designing meaningful learning experiences that connect art, history, and culture while empowering students to express themselves through their work.

# creating MAGIC

FJE music students had an absolute blast today learning the Mexican Hat Dance and La Cucaracha! Lots of laughter, lots of rhythm, and plenty of fancy footwork. These kiddos brought the energy and made the room feel like a fiesta!

5th grade students enjoyed performances from all of our secondary Fine Arts programs and explored an art gallery featuring incredible student work at the Fine Arts Showcase. It was an exciting opportunity for them to see the possibilities ahead and discover which programs they might want to join in junior high.

National Art Honor Society at CCHS hosted a wonderful Ribbon Rose Making event, and it was a true celebration of creativity and community. Students and staff came together to design stunning handcrafted ribbon roses, filling the space with laughter, collaboration, and artistic talent.

## PLC: COLLABORATION SHOUTOUT

15 dedicated music educators from Copperas Cove traveled to San Antonio for the TMEA Conference, immersing themselves in powerful sessions and inspiring concerts to grow their craft and elevate instruction for our students. Collaboration, continuous learning, and a shared commitment to excellence were on full display as our team worked together to bring back fresh ideas and renewed energy to our classrooms.

# CELEBRATE THE DAWGS

For the first time in school history, S.C. Lee Junior High students have earned prestigious chairs in the TMEA Middle School All-Region Jazz Bands. This is an incredible milestone for our band program, and we could not be prouder of these outstanding young musicians.

Pride of Cove Band students represented with excellence at the Solo & Ensemble Contest with 34 – 1st Division Superior Solo Ratings, 5 – 1st Division Superior Ensemble Ratings, 10 individual solos qualified for State, 4 ensembles qualified for State, 16 – 2nd Division Excellent Solo Ratings and 3 – 2nd Division Excellent Ensemble Ratings

Both SC Lee and Copperas Cove Junior High Choirs proudly represented their campuses at Region Choir auditions with strong preparation and musicianship. Congratulations to Region Choir qualifiers Tyler Davis, Brandon Weilbacher, and Kaylynn McCartney!

Throughout February, our dance teams have been consistently winning and earning top honors at every competition they've attended. From outstanding team performances to impressive solo achievements, their discipline, dedication, and passion shine every time they take the floor. We are so proud of our dancers and their incredible directors for leading with excellence and continuing this strong season of success!

# March 2026 Technology Update

## Focused. Secure. Moving Forward.

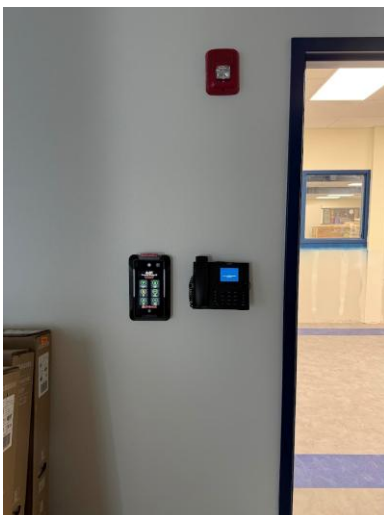

### STARR Readiness

Wireless systems were fine tuned, devices audited, and bandwidth stress tested to ensure testing runs smoothly. Our goal remains clear: technology should be an afterthought during testing — reliable, steady, and unnoticed.

### COPS Grant Complete

Camera and door access upgrades are now fully installed. These improvements significantly strengthen campus safety and provide greater visibility across the District. System permissions have been transitioned to Safety and Security for operational management.

### Phone System Modernization

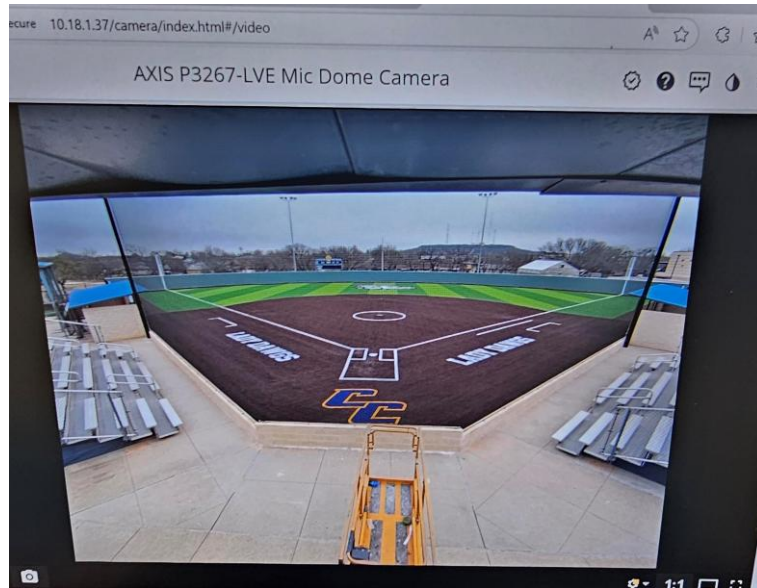

WLE's new phone system installation is underway. The transition from PRI lines to SIP trunking will be finalized by the end of May, generating long term savings to support future District upgrades..

# March 2026 Technology Update

## Wireless Expansion

Wireless connectivity has been successfully deployed at the baseball and softball fields. Planning is underway to extend camera coverage to these locations.

**Report Date: February 2026**  
**Prepared by: Technology Department**

## Overview

### March 2026 – Steady Hands Before Open Water

March has felt like that moment before a ship leaves the harbor, when the crew moves a little quicker, double-checks every rope, and makes sure nothing rattles when the waves hit.

Our first major stop on this stretch of the voyage is STARR testing. That has been our primary focus. Wireless adjustments, device audits, battery checks, testing platform validation, all of it happening quietly behind the scenes. The goal is simple: when students sit down to test, technology should be an afterthought. Not impressive. Not noticeable. Just working. If anyone talks about the tech during testing, we've done something wrong.

While we've been tightening bolts for testing season, another major milestone has quietly crossed the finish line. The COPS grant upgrades to our camera systems and door access controls are now complete. The District has made significant strides in safety infrastructure. But here's the honest truth: when you upgrade systems, you also see clearly how outdated or limited the old ones were. In some places, we didn't just improve coverage. We revealed where coverage was barely there.

The encouraging part? The plan exists. The funding path exists. The direction is set. It just takes time and steady commitment to get where we need to be.

Now that installation is complete, access permissions and management have officially transitioned to Safety and Security. Our job is to build the infrastructure, harden it, and make sure it works. Their job is to manage who has access and when. We build it. We turn it over. Clear lanes keep the ship moving.

Communications has also been moving forward. At WLE, we're updating and installing the new phone system and preparing to finalize the move from expensive PRI lines to SIP trunking by the end of May. It's a process, and not the flashy kind, but it matters. The savings generated from this shift will help us continue upgrading the rest of the District through 2028. Change like this doesn't happen overnight. But it's how you move from surviving to sustaining.

Outside the classroom walls, we made a visible impact this month by bringing wireless connectivity to the baseball and softball fields. That was a big accomplishment. It improves operations, communication, and overall experience. And we're already working on the next step, adding camera coverage to those facilities to extend our security footprint. The perimeter of the ship just got a little wider.

In February, our team attended TCEA and brought back practical ideas and forward thinking strategies, especially around AI and cybersecurity. One concept that stood out was the idea of a “password for life.” Research shows that a strong 16 character passphrase is significantly more secure than a short complex password that changes every few months. We’ve begun conversations with Technology and Curriculum about moving toward longer passphrases that only require changes if there’s an actual security event. We will maintain all other monitoring and alert systems, of course. But if we can strengthen security and improve morale at the same time, that’s smart leadership. Let’s be honest, nobody wakes up excited to change their password.

Looking ahead, this summer marks the beginning of our expanded Internship Program. This isn’t about hiring students to move equipment. We will employ two students to perform real technical work and build real experience. The vision is to grow this into a structured two hour per day technology internship with both the District and local businesses. I’ve seen this model succeed before. It’s not just about certifications. It’s about giving students exposure, responsibility, and a pathway to real jobs. This will continue to develop and formally expand into the 2027–2028 school year.

At the same time, Curriculum continues moving deeper into the Google ecosystem, and Technology is preparing to align with that shift. This summer we will begin the process of transitioning email services to Google. There are many moving parts and compliance boxes to check, but the result will align classroom tools with communication systems and reduce redundant costs in spam filtering and archiving. Staff and students will continue to have access to Microsoft Office under the licensing agreement approved last month. This is not about choosing sides. It is about aligning systems and being responsible with District resources.

March has been about preparation, completion, and momentum. Testing readiness. Security upgrades finalized. Communications modernization in progress. Expanded connectivity. Stronger cybersecurity practices. Building the next generation of tech leaders.

The seas are not always calm, and large scale change never happens instantly. But we are steady at the helm, adjusting as needed and staying focused on the horizon.

And we are not dropping anchor anytime soon.

Out-of-State Trip Request to Attend The 2026 International Thespian Competition - June 21-27, 2026 in Bloomington, IN

District Goal

Teaching and Learning: Actively engage both teachers and students in comprehensive and consistent educational experiences that foster meaningful learning.

Summary  
(Purpose/  
Objective)

The International Thespian Competition is the premier theatre festival for middle and high school students around the world. Our attendees will be taking their National Qualifying performances and props to compete in the Thespys. The Thespys, or International Thespian Excellence Awards, recognize the highest level of achievement in school theatre performance, technical theatre, playwriting, and film-making. This educational program celebrates the work of theatre students, giving them the opportunity to receive constructive feedback on prepared theatrical material, technical designs, plays, and short films, and recognizing their achievements on the chapter and national level. Teachers can also attend Professional Development workshops in a variety of areas to grow their programs.

Attending the International Thespian Competition will help students grow in performance & technical techniques. Through the various workshops and performance opportunities, our students will gain invaluable learning through experiences with industry professionals. There are also opportunities for college and scholarship auditions. This potential opportunity will show off the wonderful theatre education Copperas Cove ISD is offering and put the district on a national level of exposure. This would be a great experience for our students and community representing Copperas Cove's rich tradition of excellence.

Fiscal Impact

\$13,358.00 - Budgeted Funds

Administrative  
Recommendation

Administration recommends the approval of the International Thespian Competition.

# Board of Trustees

Date of Meeting **March 23, 2026**

Item Type **Action**

Item Name **Consider and Take Action to Adopt a Resolution for the Commitment of Fund Balance for the 2025-2026 Fiscal Year**

District Goal **Budget Management: All stakeholders will optimize resources to enhance student success.**

Summary (Purpose/Objective)

As of January 2026 CCISD had an audited fund balance of \$73,779,117. The administration recommends the Board adopt the attached resolution to designate portions of the General Fund (Fund 199) fund balance for the 2025 - 2026 fiscal year as follows:

- \$28,089,132 - Unassigned Fund Balance - To insure an adequate amount of funds are available to pay for up to three (3) months of general operating expenditures should there be a funding shortfall from the state or federal government. TEA recommends districts set aside at least 75 days worth of general operating expenses.
- \$11,000,000 - Committed - Insurance deductibles or emergency property repairs related to possible large scale facility damage due to wind, hail, fire, etc.
- \$20,330,753 - Committed - Future facility construction or renovation
- \$11,059,232 Committed - Deferred Maintenance
- \$3,300,000 Committed - Budget Deficit

These amounts do not obligate the district to spend these funds, it is just a designation of the fund balance at this time.

Fiscal Impact **There is no immediate impact since the funds remain in fund balance until moved by Board action. This commitment designates these funds for these specific purposes.**

Administrative Recommendation **The Administration recommends approval of the Resolution as attached.**

## **Copperas Cove Independent School District**

Superintendent's Office

Dr. Brent Hawkins, Superintendent

March 3, 2026

To: Board of Trustees

Copperas Cove Independent School District

Subject: Information Regarding the Assignment and Updating of District Fund Balance

Dear Board Members,

I appreciate the opportunity to provide clarity regarding the district's fund balance. The district completed its annual audit for the 2024–2025 fiscal year as of August 31, 2025. The audit was presented to and unanimously approved by the Board of Trustees on February 3, 2026. This document is intended to inform you of our current financial position, as several projects approved by the Board do not align precisely with the auditing schedule.

For those who may be less familiar, the fund balance represents the difference between assets and liabilities in a governmental fund at the close of a fiscal year. Maintaining a healthy and strategically designated fund balance offers several advantages, including improved credit ratings (which reduce borrowing costs), the potential for investment-generated revenue, and the capacity to address unexpected expenses.

The annual audit performed by Singleton, Clark & Company, PC documented district expenditures totaling \$112,356,526 for the 2024–2025 fiscal year. Based on this total, the estimated fund balance necessary to meet the Texas Education Agency's indicators would be approximately \$28,089,131.50.

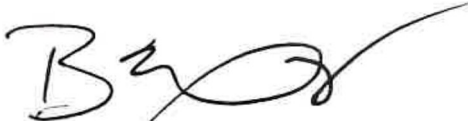

The following breakdown outlines a conservative and strategic approach to assigning the district's fund balance reserves:

- Reserve for Operations: \$28,089,131.50
- Previously Approved Repairs: \$995,457 (Lea Ledger Auditorium)
- Projected Deficit Coverage: \$3,300,000
- Insurance Deductibles: \$11,000,000
- Deferred Maintenance: \$9,063,776 (HVAC at WLE; CPE roof; track; CCHS roof — \$2,585,279 not yet encumbered)
- Playgrounds at Elementary Schools: \$2,600,000
- Bulldawg Stadium Turf Replacement: \$1,000,000
- New Construction Assignment: \$16,947,139.50
- Renovations (Critical Needs): \$783,613
- Total Reserves: \$73,779,117

Each district faces unique challenges, and it is not uncommon for methods of assigning fund balance to differ from one district to another. What I have proposed is a conservative and flexible structure that supports long-term planning while preserving the Board's authority over actual expenditures. It is important to note that our high bond rating is the result of conservative fiscal decisions, and these practices generate revenue for the general fund each year.

Thank you for taking the time to review this information. As always, my recommendations are made with the best interests of our students, staff, and community in mind. I look forward to continuing our work together to uphold fiscal stewardship and advance the goals of Copperas Cove ISD.

Sincerely,

A handwritten signature in black ink, appearing to read "Brent Hawkins", with a long, sweeping flourish extending to the right.

Superintendent as Hiring Authority Related Page(s) None

**Action**

**BOARD GOAL:**

**BACKGROUND INFORMATION:**

The Superintendent has been given hiring authority each year to staff the district's professional staff with new personnel through the school start up. We feel this has worked effectively considering the outcome has been the ability to aggressively staff positions.

**RECOMMENDATION:**

Administration recommends Superintendent to have hiring authority of professional staff through August 31, 2026.

Consider and possible action to approve bid for Fire Alarm Monitoring, Inspection, & Repair Services

District Goal

Budget Management: All stakeholders will optimize resources to enhance student success.

Summary  
(Purpose/  
Objective)

The district solicited bids for Fire Alarm Monitoring, Inspection, & Repair. The Request for Proposals (RFP) was issued and opened for the purpose of awarding a contractor to provide Fire Alarm Monitoring, Inspection, and Repair services. Fire Alarm Monitoring services require 24 hours a day, 7 days a week monitoring to ensure the safety and security for all of Copperas Cove ISD across twenty-eight (28) locations within the district. All work completed by the awarded vendor will include a one (1) year warranty on labor, three (3) year warranty on parts and any product, and comply with Occupational Safety and Health Administration (OSHA) and National Fire Protection Association (NFPA) standards.

The bid will expire March 23, 2027 with three (3) additional one (1) year renewal options.

Fiscal Impact

The cost of the service will be charged to the appropriate contracted services budget.

Administrative  
Recommendation

Administration recommends the approval of the selected Vendor.

**BOARD GOAL:**

**BACKGROUND INFORMATION:**

In a previous workshop, the Board created goals to prioritize the needs of the district for this school year. The Board took that document and made specific goals that will apply to transforming our district to meet the needs of our students and community this year. The goals this year are an extension of the previous goals

**RECOMMENDATION:**

Administration recommends approval of Board Superintendent Goals for 2026-2027

## 2026-2027 Goals

GOAL I: STUDENTS (Performance Goals: 6—Student Management, 9—Academic Excellence Indicators and Campus Performance Objectives)

HB 3 GOALS: (This is an established 5-year goal and will simply roll over each year, or curriculum staff may suggest adjustments based on TAPR results)

The percent of 3rd grade students that score meets grade level or above on STAAR RLA will increase from 55% to 65% by June 2029.

The percentage of 3rd grade students whose score meets grade level or above on STAAR Math will increase from 45% to 55% by June 2029.

The percentage of graduates that meet the criteria for CCMR will increase from 87% to 90% by June 2029.

GOAL: The district will increase educational opportunities for all students in the following areas:

CTE—Build on our current success in CTE (Career Technology Education) by growing internships, dual credit, and establish P-TECH (Pathways to Technology) opportunities into our school district to the greatest extent possible.

GOAL II: OPERATIONS (Performance Goals: 5—Management of Administrative, Fiscal, and Facilities Function)

GOAL: The district will be good stewards of taxpayer funds. The administration will continue to utilize specific procedures for budget development and expenditures to monitor spending and live within projected resources.

GOAL: The District will assure that construction is overseen in a manner that assures efficiency, timeliness, budgeted constraints and provides with regular Board and community updates.

GOAL III: BOARD/STAFF/COMMUNITY RELATIONS (Performance Goals: 4—Personnel Management, 7—School or Community Relations, 10—School Board Relations)

GOAL: The district will foster a culture that engages all aspects of our community and surrounding areas, and will proactively share "our story" and unique Bulldawg opportunities. This will include engaging as “one pack, one purpose” with parents, community organizations, and traditional and social media.

# Board of Trustees

Date of Meeting **March 9, 2026**

Item Type **Action**

Item Name

Consider and Take Action to Determine if the CCISD Budget can Support the Purchase of School Buses or Retrofit School Buses with Three-Point Seat Belts for Each Passenger.

District Goal

Budget Management: All stakeholders will optimize resources to enhance student success.

Summary  
(Purpose/  
Objective)

Senate Bill 546 from the 89th Legislative Session requires board action on the items listed above before the end of the school year. The Texas Education Agency (TEA) has opened the relevant reporting period, and all submissions must be finalized by May 29, 2026.

SB 546 amends Texas Transportation Code section 547.701, which requires that school buses be outfitted with certain equipment. Previous law required a bus operated by or contracted for use by a school district for the transportation of schoolchildren to be equipped with a three-point seat belt for each passenger, including the operator. SB 546 eliminates an exception for a bus purchased by a school district that is a model year 2017 or earlier. Now the requirement for seat belts does not apply to a bus:

1. If the board determines that the district's budget does not permit the district to purchase a bus that is equipped with the required seat belts, or
2. For which the warranty would become void if the bus were equipped to comply with the law.

Fiscal Impact

None

Administrative  
Recommendation

Administration recommends that the Board of Trustees determine that immediate full compliance with SB 546 is not financially feasible at this time and formally invoke the financial hardship provision permitted under Texas law.

BOARD OF TRUSTEES**

Date: 3/9/2026 Presented By: Dr. Hawk  
Subject: Consideration of Resolution on School Mascots Related Page(s) Attached

**Action**

**BOARD GOAL:**

**GOAL III: BOARD/STAFF/COMMUNITY RELATIONS**

(Performance Goals: 4—Personnel Management, 7—School or Community Relations, 10—School Board Relations)

- **GOAL:** The district will foster a culture that engages all aspects of our community and will proactively share "our story" and operations with the community as a whole. This will include engaging with parents, community organizations, and traditional and social media.

**BACKGROUND INFORMATION:**

The district has sanctioned numerous mascots throughout its history. There was a time that this was the norm but given the Board's Goal III and the pursuit of unity this is a competing value in its current state. We are seeking to make #OnePackOnePurpose a value that we live by in our district and community. This resolution aligns with what the will of Goal III is and poses no financial burden on the district. The migration to everyone being a Dawg will take place within the normal maintenance cycles for the district and Bond 2025 construction.

**RECOMMENDATION:**

**Administration recommends truly aligning the district as #OnePackOnePurpose and everyone being a Dawg by adopting the resolution.**

**BOARD ACTION REQUIRED**

Motion, second, vote

**RESOLUTION OF THE BOARD OF TRUSTEES OF  
COPPERAS COVE INDEPENDENT SCHOOL DISTRICT**

**WHEREAS**, the Copperas Cove Independent School District (“Copperas Cove ISD” or “CCISD”) Board of Trustees (“Board”) have the exclusive power and duty to govern and oversee the management of the public schools of the district; and

**WHEREAS**, the trustees may adopt rules and bylaws necessary to carry out these powers and duties; and

**WHEREAS**, the Board recognizes that mascots and the associated school colors serve as important symbols of campus and district identity, school spirit, and community pride; and

**WHEREAS**, the Copperas Cove High School mascot, “Bulldawgs” represents a unifying symbol of District pride, belonging, and tradition; and

**WHEREAS**, the Board finds that aligning campus mascots and associated colors with the high school mascot will promote District-wide unity, strengthen feeder pattern identity, and foster a cohesive sense of school spirit among students as they progress through the District’s schools.

**NOW, THEREFORE, BE IT RESOLVED that:**

1. The Board of Trustees hereby approves the renaming of the mascots of the of all campuses to reflect alignment with the District’s high school mascot, “Bulldawgs” and the associated Bulldawg Blue and Gold colors. Associated colors are found in the CCISD Branding Guide.
  
2. The Superintendent or designee is authorized and directed to take all necessary steps to implement these mascot changes, including updating campus websites and related materials as appropriate.

ADOPTED by the Board of Trustees effective this \_\_ the day of March, 2026.
