Action

BOARD GOAL:

GOAL II: OPERATIONS (Performance Goals: 5—Management of Administrative, Fiscal, and Facilities Function)

- **GOAL:** The district will be good stewards of taxpayer funds. The administration will implement specific procedures for budget development and expenditures to monitor spending and live within projected resources.

BACKGROUND INFORMATION:

The district was fortunate to encumber two sources of revenue this year that has not been budgeted: 1) Property Value Study Appeal (\$2.7 million dollars), and 2) Military Impact Aide (\$2.7 million dollars). I would ask for the ability to spend these funds in this way: 1) Fund the employees that are set to receive a 3% raise an additional \$500 retention bonus and the teachers would receive an additional \$500 for a total of \$1000 retention stipend paid out in August. This will help these groups offset the increase in insurance premiums. 2) LED lighting phase 3- this will retrofit the campus lighting to LED on all non-bond campuses. The district would see a payback over years to reduce the rising electricity cost. 3) Purchase one-time capital and deferred maintenance projects that would provide relief to the strained 2026-2027 budget.

RECOMMENDATION:

Administration recommends approval of the resolution as presented.

BOARD ACTION REQUIRED

Motion, second, vote

**COPPERAS COVE INDEPENDENT SCHOOL DISTRICT’S RESOLUTION
REGARDING EXPENDITURES OF UNPROJECTED REVENUE; STAFF RETENTION
BONUSES; AMENDMENT TO THE 2025-2026 BUDGET; EXPENDITURES OVER
\$50,000; ADDRESSING CAPITAL NEEDS; AND
FUTURE BUDGET RELIEF**

WHEREAS, the Board of Trustees of Copperas Cove Independent School District (the “Board”) has determined that certain revenues received during the 2025-2026 fiscal year were not anticipated in the adopted budget; and

WHEREAS, during the 2025-2026 fiscal year, the District received unprojected revenues of approximately \$2.7 million in federal Impact Aid funding, and approximately \$2.7 million resulting from Property Value Study and related state funding adjustments; and

WHEREAS, the Board has identified opportunities to utilize unprojected revenues to support employee recruitment and retention, address deferred maintenance and capital improvement needs, and implement cost saving measures intended to provide budget relief and strengthen the District's financial position for the 2026–2027 fiscal year; and

WHEREAS, the Board has determined that increasing compensation for teachers and other District employees will support employee retention, recruitment, morale, and will promote continuity in educational services; and

WHEREAS, the Board has determined that investment in energy efficient lighting and related facility improvements will reduce future operating expenses, improve District facilities, and provide long term budgetary relief; and

WHEREAS, the Board has determined that certain capital improvements, deferred maintenance projects, equipment and vehicle replacements, and transportation related expenditures are necessary to support District operations, address infrastructure needs, and reduce future costs;

WHEREAS, the Board has determined that, due to inadequate state funding, the District must address identified operational and infrastructure needs to reduce future financial pressures, and that the actions authorized by this Resolution are in the best interests of the District and will promote efficient operations, and financial stability; and

WHEREAS, the Board has determined that it is in the best interest of the District to delegate certain authority to the District’s Superintendent of Schools to implement and execute the purposes of this Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE COPPERAS COVE INDEPENDENT SCHOOL DISTRICT AS FOLLOWS:

1. It is found that the foregoing recitals are true and correct and are hereby adopted as findings of fact by the Board of Trustees of the Copperas Cove Independent School District.

3. The Board hereby determines that capital improvement needs and deferred maintenance projects shall be procured as appropriate and in compliance with Board policy, and applicable laws, and authorizes amendments to the District budget as necessary to properly account for the expenditures of non-projected revenues.
4. The Board hereby delegates to the District's Superintendent of Schools the authority to work with the District's legal counsel to negotiate the necessary contracts pertaining to the capital improvements and maintenance projects on behalf of the Board and in compliance with Board policy.
5.
