Administrative Recommendation:

That the Wichita Falls Independent School District Board of Trustees recognizes the district’s top 2% of 2nd and 3rd grade students nominated for National Math Stars, as submitted by Kim Thorne, Associate Director of Special Programs, and as recommended by Dr. Donny Lee, Superintendent of Schools.

Explanation:

National Math Stars is a national program designed to identify, recognize, and support young students who demonstrate exceptional mathematical ability. Through this program, our district has identified the top 2% of 2nd and 3rd grade math performers using existing assessment data from a universally administered assessment.

Being nominated as a National Math Star is a significant academic honor. It means these students have demonstrated advanced mathematical thinking, strong problem-solving ability, and exceptional potential at an early age. This recognition not only celebrates their current achievement but also helps students begin to see themselves as mathematicians and future leaders in math, science, technology, and innovation.

Students who are nominated receive recognition through the National Math Stars Awards Program and may also have the opportunity, through a family application process, to be considered for additional long-term enrichment and support. National Math Stars offers advanced learning opportunities, mentoring, and resources for selected students at no cost to families.

Tonight, we are proud to recognize Wichita Falls ISD’s top 2% of 2nd and 3rd grade students being nominated for National Math Stars. This achievement reflects not only their strong mathematical ability, but also the work of their families, teachers, and campuses in supporting their growth and potential.

_____ Action Needed	_____ X _____ Future Action	_____ Presentation	_____ Report

Administrative Recommendation:

That the Board of Trustees hereby resolves to join the Texas Association of School Boards (TASB) Benefits Cooperative, thereby becoming a member of the TASB Benefits Cooperative, as submitted by Leah Horton, Chief Financial Officer, and as recommended by Dr. Donny Lee, Superintendent of Schools.

Explanation:

By joining the TASB Benefits Cooperative the district will have the opportunity to improve the efficiency and effectiveness of providing employee and/or student benefits by leveraging a shared, cooperative model. Through participation, the district gains access to a broader range of benefit programs and services that are competitively sourced using the collective purchasing power of multiple public entities. This approach supports the district’s goal of attracting and retaining a high-quality workforce while streamlining administrative functions related to employee benefits.

The district will utilize the membership to purchase Student Accident and Health Catastrophic Coverage, which covers all registered students of the district, during participation in gym classes and extracurricular school activities, including intramural and interscholastic events (UIL), such as football, band members, cheerleaders, majorettes, student coaches, student trainers and student managers. As a member of the cooperative, the district may utilize other types of coverage as available, reviewed and selected, always in consideration of the best interest of the district.

TASB BENEFITS COOPERATIVE

INTERLOCAL PARTICIPATION AGREEMENT

Pursuant to the Texas Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, this Interlocal Participation Agreement (“Agreement”) is entered into by and between the TASB Benefits Cooperative (“Benefits Cooperative” or “Cooperative”), formerly the TASB Supplemental Employee Benefits Cooperative, and the undersigned local government (“you” or “your”). The Benefits Cooperative is an administrative agency of local governments (“Members”) that cooperate in discharging administrative and governmental functions primarily related to employee and other benefits. The parties agree that it is a public purpose for public employers to provide benefits in order to attract and retain a competent workforce.

TERMS AND CONDITIONS

In consideration of the mutual covenants, conditions, and obligations contained in this Agreement, the parties agree as follows.

1. **Authority.** You hereby adopt the TASB Benefits Cooperative organizational Interlocal Agreement, as amended and restated (“Underlying Agreement”), establishing the Benefits Cooperative as an administrative agency under the Texas Interlocal Cooperation Act, and you agree to become an additional party to the Underlying Agreement, thus becoming a Member of the Cooperative. The Underlying Agreement is incorporated into this Agreement by reference and is available from the Cooperative upon request. Although the Texas Interlocal Cooperation Act provides the overarching basis for the Benefits Cooperative, the Cooperative and its programs and service offerings may operate pursuant to other statutes and laws, such as Section 271.101, *et seq.*, of the Texas Local Government Code, which authorizes the formation of a local purchasing cooperative organization.
2. **Program Participation.** This Agreement enables you to participate in any or all of the programs and service offerings that the Benefits Cooperative makes available to its Members from time to time.
 - (a) The Benefits Cooperative, through its designated administrator and other service providers, will make employee and other benefits available to the Members of the Cooperative, such as life, accidental death and dismemberment, disability, health, accident, student accident and athletic, and other personal lines of coverage. Administrative services related to such benefits, such as Section 125 cafeteria plan administration, also may be offered. The Benefits Cooperative will use the collective bargaining power of its Members to obtain these benefits and services from qualified agents, brokers, consultants, carriers, third-party administrators, and other service providers.
 - (b) You recognize and agree that this Agreement alone does not extend benefits or services to your entity. Rather, this Agreement gives you access to the Benefits Cooperative’s designated service providers for the various benefits and services made available through the Cooperative.
3. **Term.** The initial term of this Agreement shall commence as of the date that this Agreement has been executed by both parties and shall automatically renew for successive one-year terms unless sooner terminated in accordance with the provisions of the Agreement.
4. **Termination.** This Agreement may be terminated as follows:

- (a) **By the Member.** You may terminate this Agreement by giving the Benefits Cooperative 30 days' prior written notice of termination. However, any termination by you shall not void or impair any existing contractual obligation, including payment requirements, under this Agreement relating to past performance, or any separate contract between you and a Benefits Cooperative service provider. A separate contract generally will not mean an "agreement to agree" or a non-recourse option to renew but generally means an existing letter of commitment, insurance policy, or other contractual obligation entered into under the authority of this Agreement or the Cooperative that has not been fully performed or terminated as permitted by that separate contract.
 - (b) **By the Benefits Cooperative.** The Benefits Cooperative may terminate this Agreement by giving you 30 days' prior written notice of termination. However, any termination by the Cooperative shall not void or impair any existing contractual obligation, including payment requirements, under this Agreement relating to past performance, or any separate contract between you and a Benefits Cooperative service provider as described in 4(a) above.
- 5. **Governance.** The Benefits Cooperative is governed by a Board of Trustees in accordance with its bylaws and written agreements. You agree to abide by the bylaws of the Benefits Cooperative, as they may be amended from time to time. The bylaws shall be construed in harmony with this Agreement and, in the event of any inconsistency, the provisions of this Agreement shall control. The bylaws are available upon request and any amendment shall not impair any existing contractual obligation between you and any Benefits Cooperative service provider.
- 6. **Administration.** The Benefits Cooperative may enter into contracts with other persons or entities, including nonprofit entities, for the administration, sponsorship or endorsement of services and programs offered by and through the Cooperative. In particular, the Benefits Cooperative has contracted with First Public, LLC as its administrator under the authority of Section 791.013 of the Texas Interlocal Cooperation Act. First Public, LLC is a wholly owned subsidiary of the Texas Association of School Boards, Inc. ("TASB") and operates on a nonprofit basis, providing services to school districts and other political subdivisions in order to lessen the burdens of government.
- 7. **Authorization to Participate.** You represent that your governing body has duly authorized your entity's participation in the Benefits Cooperative and that you will comply with state and local laws and policies pertaining to the procurement of benefits and related services through your membership in the Benefits Cooperative.
- 8. **Fiscal Responsibility.**
 - (a) You are not responsible for the payment of any sum of money to the Benefits Cooperative, First Public, or any other service provider solely by reason of your execution of this Agreement. A payment obligation will only arise under the terms of a separate contractual agreement or transaction.
 - (b) You hereby acknowledge and represent that all payments, fees, and disbursements required for products or services obtained through this Agreement shall be made from your available current revenues.
- 9. **Coordinator.** You appoint your entity's chief executive officer (e.g., superintendent, city manager, etc.),

or such person's designee (as evidenced in writing), to serve as coordinator for the programs and services in which your entity participates. The coordinator shall have authority to represent and bind your entity, and the Benefits Cooperative is not required to contact any other individual. You reserve the right to change the coordinator as desired by giving written notice to the Benefits Cooperative.

10. **Cooperation and Access.** You agree that you will cooperate and comply with any reasonable requests for information or records made by the Benefits Cooperative. You authorize the Cooperative to review any of your transactional records with the Cooperative or its service providers unless access is prohibited by law.
11. **Representation.** The Benefits Cooperative may initiate, defend against, or participate in any judicial, administrative, or other legal proceeding, including arbitration, mediation, or other form of alternative dispute resolution, concerning the Benefits Cooperative as an entity. Nothing in this Agreement creates a legal duty of the Benefits Cooperative to provide a defense or prosecute a claim; rather, the Benefits Cooperative may exercise this right in its sole discretion and to the extent permitted or authorized by law. Furthermore, nothing herein shall limit your right or preclude you from pursuing, either independently or in conjunction with the Benefits Cooperative, a claim against any service provider of benefits or related services.
12. **Disclaimer.** To the fullest extent authorized by law, it is agreed that the Benefits Cooperative (i) is not a guarantor of a third party service provider's performance, claims determinations, or solvency; (ii) bears no risk for the benefits obtained through this Agreement; and (iii) is not liable for any actions or failure on the part of any insurance carrier, agent, broker, or other insurance provider.
13. **Liability.** The parties agree as follows:
 - (a) Neither party waives any immunity from liability afforded under law.
 - (b) In regard to any lawsuit or formal adjudication arising out of or relating to this Agreement, neither party shall be liable to the other under any circumstance for special, incidental, consequential, or exemplary damages.
 - (c) In the event of a lawsuit or formal adjudication the prevailing party will be entitled to recover reasonable attorney's fees that are equitable and just.
14. **Jurisdiction/Venue.** This Agreement shall be governed by and construed in accordance with the laws of the State of Texas and, to the extent not prohibited by law, venue for all disputes arising under this Agreement shall lie in Travis County, Texas. This provision does not govern or control the governing law or venue requirements applicable to your contractual arrangements with any provider of products or services obtained through the Benefits Cooperative.
15. **Entire Agreement.** Upon taking effect as provided for herein, this Agreement, together with the Underlying Agreement and Benefits Cooperative bylaws, represents the complete understanding between you and the Cooperative. The terms of this Agreement shall control and take precedence over all prior agreements; provided, however, that the terms of a prior agreement between you and the Benefits Cooperative will govern your participation in any existing contract for benefits.

WHEREFORE, the undersigned local government agrees to be bound by this Agreement.

COMPANY HISTORY

Making a Difference In Education

For more than forty years, Audio Enhancement® has served the schools throughout the United States, providing both classroom audio enhancement systems as well as integration services for classroom technology. Audio Enhancement is headquartered in Utah, and has facilities in Georgia and Florida.

Audio Enhancement was founded in 1978 by Claudia Anderson around the simple idea that “learning begins with hearing.” Having two hearing impaired children; the first Audio Enhancement systems were designed specifically for the hearing impaired. Early in our history, technological advancements made it possible to also provide whole classroom sound systems, benefiting all students. Audio Enhancement has been the innovator and leader in this field.

By 2004, it was clear that classroom audio enhancement systems were a key part of the overall technology landscape in the classroom. Based on our high level of support, outstanding customer service, and training that was provided for the audio systems, several school districts came to us and requested that we expand our product offerings. Based on these requests, we undertook an initiative to increase our capabilities in order to provide a complete integrated technology package for the classroom. These offerings include display devices, control, video/audio playback devices and interactive technologies. By utilizing the principles developed over thirty years of providing classroom audio systems to the schools, we were able to provide both technical integration, teacher in-servicing, training, and professional development to help the schools ensure the success of their technology goals.

Moving the company forward, in 2008, Audio Enhancement was incorporated: Jeff Anderson, President and CEO, Jennifer Crum, CFO, Jeremy Anderson, CAO, and Justin Anderson, COO. Today, the Audio Enhancement product line improves student achievement, decreases teacher vocal fatigue and absenteeism, and creates positive student behavior. Audio Enhancement systems also increase focus and attention and supports classroom management.
