- Mr. Boehm serves as a Peer Mentor in the Turbon Student Center and has received a Certificate in Small Business Entrepreneurship, received a student Engagement Grant, works and holds a 3.72 GPA.
- “One of the biggest challenges for me was trying to get into college and find my footing during Covid, at the time I began college, many courses and students were remote, and struggled to grasp any concept or teaching during this time. I had to overcome this by learning how I best excel at learning, as well as socially becoming more aware of how to handle stressful situations, or situations where conditions aren't ideal.”*

EDWARD BOEHM

Mr. Boehm is a first-generation college student who attended CAST Tech High School. While at CAST Tech he had the opportunity to explore several interests such as cybersecurity, entrepreneurship, and User Experience/User Design website studies. Although he excelled in these subjects, he realized that what was missing was the human component. It became especially clear during Covid that he wanted a career that would allow him to work with other people. That led him to St. Philip's College's Hospitality Management Program.

Mr. Boehm has received a Certificate in Small Business and Entrepreneurship, received a student Engagement Grant, works as a Peer Mentor in the Turbon Student Center and holds a 3.72 GPA. As a Peer Mentor in the Turbon Student Center, his duties include assisting students by guiding them where they need to go, providing information about events and/or academic resources, helping students become aware of student leadership opportunities or ways to get involved on campus, as well as maintaining and monitoring the Turbon Center to ensure it is a safe space for all students at all times. If that wasn't enough, he was also involved in the SPC theatrical production, *FAME*.

"One of the biggest challenges for me was trying to get into college and find my footing during Covid, at the time I began college, many courses and students were remote, and struggled to grasp any concept or teaching during this time. I had to overcome this by learning how I best excel at learning, as well as socially becoming more aware of how to handle stressful situations, or situations where conditions aren't ideal."

AGENDA

- Overview of Property Taxes & Calculated Rates
- Fiscal Year 2025-26 Balanced Approach:
 - Providing Sustainable Revenues for areas such as Student Success, AlamoADVISE, AlamoBOOKS+, and Talent.
- Tax Year 2025 Proposed Tax Rate
- Next Steps

TWO PARTS TO THE TAX RATE/REVENUE

\$0.107760 M&O

- Facilities Maintenance and Operations (salaries, utilities, day-to-day operations, prev. mtn.)
- M&O revenues support Student Success Strategies and makes up 50% of overall General Revenue

\$0.04139 Debt

- Covers Principal and Interest on bonds issued and secured by the property tax revenues
- Includes Capital Improvement Program (CIP General Obligation Bonds and Maintenance Tax Notes)
- Allow for calling of bonds and interest savings

Alamo Colleges District's current Tax Rate of \$0.149150
\$0.107760 M&O + \$0.04139 Debt

Strategy of targeting a stable tax rate since 2013 has allowed ACD to maintain 6.7M gross sq. ft., construct CIP facilities, and undergo to 2025 CIP program without increasing the tax rate

ALLOCATION \$1 OF TAXES OF A "TYPICAL" BEXAR COUNTY HOMEOWNER

- Alamo Colleges District
- Flood Fund
- Hospital District
- Bexar County
- San Antonio River Authority

TRUTH IN TAXATION

- A concept embodied in the Texas Constitution and the Tax Code
- Requires taxing entities to make taxpayers aware of tax rates and proposals and affords taxpayers the opportunity to limit tax increases
- Very strict rules on timing and information for public hearings and published notices
 - 88th Legislative Session continued to increase transparency for taxpayers

PROPERTY TAX VALUES

San Antonio and Bexar County continue to see increased property tax values

2% Growth is based on Bexar County Appraisal District Certified Values

No-New-Revenue and Voter-Approval Rate Calculations

Fiscal Year	Rate Type	Combined Rate	Average Home Value	ACD Taxes on "Average" Home
2025	Actual (current)	\$ 0.149150	\$318,392	\$475
2025	No-New-Revenue	\$ 0.151134	\$325,740	\$492
2025	Voter-Approval	\$ 0.165621	\$325,740	\$539
2026	Proposed:	\$ 0.149150	\$325,740	\$486

Average Home tax year 2024 (FY25) was \$318K with ACD taxes of \$475

At an average home taxable value in tax year 2025 (FY26) of \$326K, a homeowner will pay an additional \$11 at the same Combined Tax Rate due to increased property values.

Proposed Tax Rate = NO CHANGE

$$\boxed{\$0.107760 \text{ M\&O}} + \boxed{\$0.04139 \text{ Debt}} = \boxed{\$0.149150 \text{ Total}}$$

- ACD's Facilities & Maintenance
- Core Operating Expenses
- AlamoPROMISE Student Scholarships

- Interest & Principal
- Pay down debt

- No Change in Rate and \$9.6 Million in Relief to Taxpayers
- Stable rate produces more revenue as included in approved budget due to increase in TAV

Discussion and Possible Action on Setting a Tax Rate for Fiscal Year 2025-2026

Presented to the Regular Board Meeting on August 16, 2025.

MINUTE ORDER

“The Board of Trustees hereby approves, orders and adopts a Maintenance and Operations (M&O) tax rate of \$0.107760/\$100 of assessed valuation for FY 2025/26. The Board of Trustees hereby approves, orders and adopts a Debt levy tax rate of \$0.041390/\$100 of assessed valuation for FY 2025/26. These two actions result in a Combined tax rate of \$0.149150/\$100 of assessed valuation for FY 2025/26 which is less than the No-New-Revenue tax rate of \$0.151134/\$100 of assessed valuation and less than the Voter-Approval tax rate of \$0.165621/\$100 of assessed valuation. The Board hereby ratifies its implied delegation to the Vice Chancellor for Finance and Administration or delegate to calculate the no-new-revenue tax rate and the voter-approval tax rate relying on the Bexar County Tax Assessor-Collector and hereby authorizes and directs the Vice Chancellor or delegate to provide the public notices on appropriate dates as required by the Texas Tax Code. Following such notice, the Board of Trustees shall deliberate and vote on the final tax rate, within the applicable time frame set out in the Texas Property Tax Code.”

PURPOSE

The Alamo Colleges District strives to make higher education readily affordable while making every effort to keep its tax rates as low as possible.

In accordance with the Debt Management Plan approved by the Board in June 2025, there is no recommended change to the property tax rate - the Combined rate will remain at \$0.149150/\$100 of assessed valuation.

BACKGROUND

For the 2025 tax rate, Alamo Colleges District has developed a stable rate strategy to address the fiscal needs of the college. The District's stable rate strategy results in the following:

- Debt Tax rate: No change to the debt portion of the tax rate because revenues produced are sufficient for required FY26 Debt Service Payments on Capital Improvement Program G.O. Bonds and Maintenance Tax Notes.
- Maintenance & Operations Tax rate: No change to the M&O portion for a balanced operating budget funding inflationary cost pressure and strategic student success initiatives (AlamoADVISE, AlamoPROMISE, and continuing AlamoBOOKS+ which funds the costs of Instructional materials for students.

The proposed Combined tax rate is \$0.149150/\$100 of assessed valuation. The recommended M&O tax rate of \$0.107760/\$100 of assessed valuation is lower than the current year calculated No-New-Revenue tax rate of \$0.109767/\$100 of assessed valuation, and lower than the Voter- Approval rate of \$0.118548/\$100 of assessed valuation. The Debt rate of \$0.041390/\$100 of assessed valuation will raise the revenue needed for FY 2025/26 debt service payments and other actions per the approved FY 2026 Debt Management Plan. The Combined tax rate of \$0.149150/\$100 is lower than the No- New-Revenue tax rate of \$0.151134/\$100 of assessed valuation, and lower than the Voter-Approval rate of \$0.165621/\$100 of assessed valuation.

IMPLICATIONS

Financial: Provide tax revenues required to support Alamo Colleges District operations and fund annual payments on bond debt

Strategic Objective: Goal I Student Success and Goal III Performance Excellence

Notice About 2025 Tax Rates

Property tax rates in ALAMO COMMUNITY COLLEGE DISTRICT. This notice concerns the 2025 property tax rates for ALAMO COMMUNITY COLLEGE DISTRICT. This notice provides information about two tax rates used in adopting the current tax year's tax rate. The no-new-revenue tax rate would impose the same amount of taxes as last year if you compare properties taxed in both years. In most cases, the voter-approval tax rate is the highest tax rate a taxing unit can adopt without holding an election. In each case, these rates are calculated by dividing the total amount of taxes by the current taxable value with adjustments as required by state law. The rates are given per \$100 of property value.

This year's no-new-revenue tax rate	\$0.151134/\$100
This year's voter-approval tax rate	\$0.165621/\$100

Discussion and Possible Action on the 2025 Annual Risk Assessment and Proposed Fiscal Year 2026 Internal Audit Plan

Presented to the Board Acting as Committee of the Whole on August 5, 2025, and presented to the Board for approval on August 12, 2025.

MINUTE ORDER

"The Board of Trustees hereby approves the 2025 Annual Risk Assessment and Proposed Fiscal Year 2026 Internal Audit Plan."

PURPOSE

The Board tasked the Audit, Budget, and Finance Committee with reviewing the annual risk assessment and audit plan. In accordance with Internal Audit Protocol C.1.2.1(Procedure), these documents must be presented annually to the Board of Trustees. The risk assessment identifies and prioritizes potential risk areas for the Alamo Colleges and serves as the basis for the Internal Audit Department's proposed audit plan for the upcoming fiscal year.

BACKGROUND

The Board of Trustees approved the Audit Committee and Internal Audit Charters, which require internal audit activities to be risk-based. Additionally, the Institute of Internal Auditors' Global Internal Audit Standards mandate an annual risk analysis to determine audit priorities.

To inform this process, the Internal Audit Department interviewed Trustees, the Chancellor, Presidents, Vice Chancellors, selected Vice Presidents, and Associate Vice Chancellors to gather insights on key risks facing Alamo Colleges. Using this input, along with other relevant factors, the department developed a proposed audit plan focused on high-risk and value-added services. This plan includes both audit and non-audit projects, such as investigations, and reflects the prioritization of work based on available resources and staff capacity.

Transacting Business

Official Board action shall be taken only in a manner, and at meetings, complying with the Texas Open Meetings Act (Texas Government Code Chapter 551). The affirmative vote of a majority of all Board members shall be required to transact business (see Texas Government Code 311.013). Each action of the Board supported by the majority is binding on the whole Board (see Texas Government Code 130.082(d)).

Problems presented to the Board require the collection and presentation of data pertinent to the solution of said problems. Only when such data have been considered and the Board has had ample opportunity to discuss the problem fully, should a decision be reached.

Minutes

Board action shall be carefully recorded by the Board Liaison or designee; when approved, these minutes shall serve as the legal record of official Board actions. The transcribed minutes of all meetings shall be approved by vote of the Board and signed by the Board Liaison or designee.

Certified Agenda

A certified agenda shall be kept of each and any “executive” or other closed session of the Board or any Committee, and the Presiding Officer shall certify that same is a true and correct reflection of matters therein deliberated. Such certified agenda shall include an announcement by the Presiding Officer of the times of commencement and conclusion of such closed session. No person shall divulge to any person the certified agenda of any closed session under penalty of law (see Texas Government Code 551.146), or the substance of matters discussed in closed session, other than internally to the extent appropriate to carry out their assigned duties, other than pursuant to lawful authority.

Location

Unless otherwise provided in the agenda for a meeting, Board meetings, including meetings of the Board as a Committee of the Whole, shall be held at the Dr. Bruce H. Leslie Boardroom at the Alamo Colleges District Center for Excellence and Student Success, located at 2222 N. Alamo St.

Date and Time

Voting meetings of the Board shall be held on a regular basis, customarily at least ten months annually, as designated by the Board Chair, typically on the third Tuesday of the month. Meetings of the Board as a Committee of the Whole shall precede voting meetings. The Board when meeting as a Committee of the Whole may discuss issues and proposals on the agenda, but may not take any voting action or pass any minute orders or resolutions, but may request changes in proposed minute orders or resolutions to be brought to the Board at a regular voting meeting.

The Board may adjourn into a closed executive session conducted in accordance with the Texas Open Meetings Act, Chapter 551 of the Texas Government Code, and other state law, and shall reconvene in open session to address the remaining items on the agenda.

When necessary, the Board Chairperson may change the date or time of a regularly scheduled meeting, *e.g.*, to accommodate Trustee conference attendance, College District holidays or an inability to gain a quorum. Anticipated conflicts will be resolved and an annual schedule published in advance. The Board Chair may change the date, time or location of a scheduled meeting with proper notice. In the case of any rescheduled meeting or of any special meeting, Trustees shall be contacted by the Board Liaison to determine their availability to attend. The posted agenda for that meeting shall reflect the changed date or time.

Special Meetings

The Chairperson of the Board may call special meetings of the Board at the Chairperson's discretion and shall do so if requested by three Trustees, provided that the date selected should enable most Trustees to attend, although in cases of acute need the availability of a simple quorum on the date selected shall suffice.

Notice and Agenda

Prior to each Board meeting including meetings of the Board as a Committee of the Whole, the Chancellor, at the direction of the Chairperson or acting Chairperson of the Board, shall prepare and post an agenda at least ~~72 hours~~three business days prior to the meeting commencement (see Texas Government Code 551.043) and furnish a copy of same to each Trustee for his/her guidance and information at or about the time of the posting.

The notice of a meeting at which the Board will discuss or adopt a budget must include:

(1) a physical copy of the proposed budget unless it appears clearly accessible on the home page of the District website; and

(2) a taxpayer impact statement showing, for the median-valued homestead property, a comparison of the property tax bill pertaining to the property for the current fiscal year to an estimate of the property tax bill for the same property for the upcoming fiscal year if:

(A) the proposed budget is adopted; and (B) a balanced budget funded at the no-new-revenue tax rate as calculated under Chapter 26, Tax Code, is adopted.

The Chancellor or designee is charged to determine and submit all agenda items. However, the Chairperson or any three Trustees can place an item on the Board agenda by submitting it, in writing, to the Chancellor, at least ten working days prior to the meeting. If such inclusion is opposed by the Administration, the proposer may have the issue reviewed by the Board Chairperson for a final determination following the Chairperson's consultation with the Chancellor. If the Board Chairperson overrules the Chancellor, then the Board shall consider whether it wishes for that category of agenda item to be included in future agendas thereafter at its next regular meeting.

Notice of all meetings shall provide for the possibility of a closed meeting during an open meeting, as provided by law.

The order of business for all Board meetings, including meetings of the Board as a Committee of the Whole, shall be as set out in the posted agenda. At the meeting, the order in which agenda items are taken may be changed by the Chairperson.

Consent Agenda

When the agenda is prepared, the Board Chairperson in consultation with the Chancellor shall determine items, if any, that qualify to be placed on the consent agenda. A consent agenda shall include items of a routine and/or recurring nature grouped together under one action item. For each item listed as part of a consent agenda, the Board shall be furnished with background material. All such items shall be acted upon by one vote without separate discussion, unless a Board member requests that an item be withdrawn for individual consideration. The remaining items shall be adopted under a single motion and vote.

Discussion

Discussions shall be addressed to the Chairperson of the Board and then the entire membership. Discussion shall be directed solely to the business currently under deliberation, and the Board Chairperson shall halt discussion that does not apply to the business before the Board.

The Board Chairperson shall also halt discussion if the Board has agreed to a time limitation for discussion of an item, and that time limit has expired. Aside from these limitations, the Chairperson shall not interfere with debate so long as members wish to address themselves to an item under consideration.

Public Participation

Audience participation at a Board meeting is limited to the public comment portion of the meeting designated for that purpose. At all other times during a Board meeting, the audience shall not enter into discussion or debate on matters being considered by the Board, unless recognized by the presiding officer.

The Board shall allot a portion of all Board and Board Committee meetings to hear persons who desire to make comments to the Board. Persons who wish to speak to the Board must sign up with the presiding officer or designee before the meeting begins and indicate the topics about which they wish to speak and whether they wish to speak when the agenda item to which their comments pertain is heard, or rather under a general public comment agenda item preceding non-ceremonial, non-honorific agenda items, during which speakers wishing to comment on a matter not reflected in any specific agenda item will be heard. The Chair shall determine the order of public comment and Board deliberation for each agenda item. The Board may react to public comments only during a specific agenda item due to requirements of law. The Chair shall not permit debate between speakers and Trustees, but may at discretion permit a single speaker a brief follow-up comment. No more than one hour shall be devoted to public comment at any single meeting, except that a majority of the Board may vote to expand or restrict this limit. The Chair may solicit a vote of a majority of the Board to further reduce time otherwise allotted to speakers to accommodate this limit.

No presentation shall exceed three (3) minutes unless the time is increased by majority vote of the Board. If ten (10) or more persons sign up to comment on a specific item, each such speaker may be limited to two (2) minutes by majority vote of the Board. The Board may use translation

equipment in a manner that allows the Board to hear translated public testimony simultaneously. If a speaker needs a translator and the College District is not providing simultaneous translation equipment, the time limit upon that speaker's comments shall be doubled in order to ensure that the non-English speaker receives the same opportunity to address the Board as English-speakers.

Only persons recognized by the Board Chairperson may speak. A person's right to address the Board may be withdrawn if the person (1) uses abusive, indecent, profane or vulgar language or gestures, or language likely to incite a breach of the peace: (2) engages in a personal, verbal attack on any person, including a Board member or employee of the College District, (3) becomes boisterous or makes unreasonable noise, or (4) engages in conduct likely to prevent, interfere with, or otherwise obstruct a lawfully called meeting,. The Board Chairperson will give such a person one warning to stop the misconduct, and if the misconduct continues, the Board Chairperson may revoke the right to speak, order the person removed, or both. If the Chairperson does not enforce these requirements, any Board member may move for enforcement, and an affirmative vote by the majority will result in enforcement.

None of the above restrictions shall prevent the Board from consulting with personnel who may have information germane to the matters under consideration.

Specific factual information or recitation of existing policy may be furnished in response to inquiries, but the Board shall not deliberate or decide regarding any subject that is not included on the posted agenda.

The presiding officer or designee shall determine whether a person addressing the Board has attempted to solve a matter administratively through resolution channels established by policy and procedure. If not, the person shall be referred to Procedure [B.08.01.01](#) to seek resolution. The Board Chairperson shall not allow employee or student complaints at Citizens to Be Heard without determining that the speaker has exhausted available administrative remedies.

Should student or faculty groups wish to interact with the Board regarding substantive issues already worked with the Administration, or should Trustees seek their input, the Board Chairperson, after consultation with the Chancellor, may schedule a brief special Board meeting before the commencement of a regular Board meeting, or an agenda item for a Board retreat, from time to time for that purpose.

It is a criminal offense for a person, with intent to prevent or disrupt a lawful meeting, to substantially obstruct or interfere with the ordinary conduct of a meeting by physical action or verbal utterance and thereby curtail the exercise of others' First Amendment rights. The Board shall not tolerate disruption of the meeting by members of the audience. If, after at least one warning from the presiding officer, any person continues to disrupt the meeting by his/her words or actions, the presiding officer may request assistance from law enforcement officials to have the person removed from the meeting.

A summary of the above information will be explained by the Board Chair at each Board and Board Committee meeting or otherwise made available to attendees.

Guest Broadcasting/Taping/Recording

The Board encourages the press, the media, and all interested individuals to attend Board meetings and to videotape or record all or any part of the open proceedings. To this end, the College District and its staff shall seek to facilitate all reasonable requests related to videotaping or recording activities. In accomplishing these goals, the Board does not intend to prevent or unreasonably impair camera coverage or tape recording; however, persons using a tape recorder, video camera, or other means of sonic or visual reproduction shall abide by the following rules:

1. All equipment that requires setting up must be assembled at least 15 minutes prior to the start of the meeting.
2. No strobes, flash lighting, or other bright lights that would impair the conduct of the meeting shall be used, unless approval has been obtained from the presiding officer before the meeting.
3. The Board proceedings shall not be interrupted for the purpose of accommodating any individual's camera coverage or tape recording. Any interviews during the meeting shall be conducted outside of the meeting chamber.
4. The presiding officer at the meeting may stop the sonic or visual reproduction if the individual operating the equipment or the equipment is being disruptive or in any way interfering with the orderly conduct of the Board meeting.
5. Stationary equipment that requires setting up shall not be taken down during the course of the meeting, but may be removed during a recess or after the meeting is over.
6. No tape recorder or video camera shall be allowed in a closed session, except as may be authorized by the Board.

The following additional rules shall apply to Board meetings held at College District facilities:

1. Once a meeting has started, no one shall be permitted to operate a tape recorder, video camera, or any other means of sonic or video reproduction in the center aisle of the meeting room.
2. Once the meeting has started, no tape recorder, video camera or other means of sonic or visual reproduction shall be operated from the door behind the podium.
3. No tape recorder, video camera, or other means of sonic or visual reproduction shall be operated from the podium.

Discussion and Possible Action on New Policy B.2.2 and Revision of Policy B.2.1

Presented to the Board Acting as Committee of the Whole on August 5, 2025, and now presented to the Board for approval on August 12, 2025.

MINUTE ORDER

"The Board approves new policy B.2.2 and revised Policy B.2.1, substantially in the form attached."

PURPOSE

To establish one Alamo Colleges Faculty Senate in the manner prescribed by Texas Education Code §51.3522 that takes effect on September 1, 2025.

All other provisions of the Act become effective January 1, 2026, including, but not limited to, new provisions for curriculum, hiring of administrators and board training, and will be addressed in the coming months.

BACKGROUND

For there to be any faculty shared governance, amended Texas Education Code §51.3522 requires:

- New Board action to constitute a single faculty senate limited to a role advising administration;
- Without any kind of compensation for services as members;
- With a Chancellor-appointed member and at least one elected member for each college, with specified terms and term limits.

Board Policy **B.2.1 Organizational Plan** was established adopted by the Board in 2009 to describe the structure of the college district, its organization and roles of the Chancellor, Presidents, Vice Chancellors and Senates. Updating of this Policy is required to comply with new requirements set forth in amended §51.3522.

A new Board Policy, **B.2.2 Faculty Senate Establishment and Governance**, is recommended to elaborate the structure and limitations of a new ACD Faculty Senate consistent with the requirements of amended §51.3522. Judgment has been exercised to extend membership and voting to full-time faculty in good standing and to increase the number of members elected by the faculty from the minimum of one to between four and six members as designated by the Chancellor for all colleges, elected per college.

New Policy B.2. Faculty Senate Establishment and Governance

B.2.2 Policy Faculty Senate Establishment and Governance

Board Adoption: 8-12-25

I. Purpose

This policy establishes the structure, responsibilities, and limitations of the Faculty Senate in accordance with Texas Senate Bill 37 (89R) (“SB37”), Section 2.02, codified as Texas Education Code § 51.3522. It outlines the processes for representation, appointment, meeting transparency, and advisory functions within the Alamo Colleges District. All other references to faculty senates and councils are immediately superseded by this policy.

II. Structure of Faculty Senate

The Board of Trustees establishes a Faculty Senate to serve as the single formal advisory body to the Chancellor and institutional leadership for the Alamo Colleges District and its five colleges. Each college within the District shall be represented on the Faculty Senate to the exclusion of college-only faculty senates or councils, which are now forbidden by law.

III. Membership and Representation

1. This policy creates a single advisory District Faculty Senate consistent with the requirements of Texas Education Code § 51.35.22.
2. Each of the five colleges shall be represented by the following equal membership:
 - One (1) member appointed by the Chancellor after conferring with the college president; and
 - Members elected by the full-time faculty of each college in an equal number per college of between four (4) and six (6), as designated by the Chancellor.
3. Appointed and elected members must be full-time faculty in good standing. In this policy, full-time faculty means full-time, regular-status faculty.
4. Elections will be conducted per college. Eligible voters are full-time faculty, each of whom may participate in nomination as the Chancellor will prescribe by Procedure. Nominees must be full-time faculty. Votes will be tallied by college, and the eligible nominees who receive the most votes will be ranked in descending order and the highest so ranked corresponding to the number of elected members designated by the Chancellor will be the elected members.
5. Service on the Faculty Senate is an additional duty of a faculty member’s employment. Service must not interfere with the faculty member’s primary teaching and service responsibilities, and it is not eligible for additional compensation, including release time, from any source, but reasonable expenses incurred on behalf of the District may be reimbursed with prior District approval.

IV. Advisory Role and Restrictions

1. The Faculty Senate serves exclusively as an advisory body and represents the collective faculty across all colleges within the District. It may not be delegated the final decision-making authority on any matter.
2. It may not issue statements or publish reports using the institution's official seal, trademarks, or institution-funded resources unless directly related to its advisory duties.

V. Officers and Leadership

1. The Chancellor shall appoint the following officers of the Faculty Senate from among its membership: The presiding officer appointed shall preside over the meetings of the Faculty Senate and represent the Senate in official communication with the Alamo Colleges District Administration.
 - o Presiding Officer
 - o Associate Presiding Officer
 - o Secretary
2. These officers will serve one-year terms and may be reappointed at the Chancellor's discretion.
3. A member may be immediately removed on recommendation of the Vice Chancellor of Academic Success and approval by the Chancellor for failure to perform within senate parameters, repeated unexcused absences from meetings or other similar misconduct.

VI. Terms and Appointments

1. Chancellor appointees may serve up to six (6) consecutive one-year terms and are not eligible for reappointment until two years after the end of their last term.
2. Elected members shall serve two-year terms, staggered so that approximately half are elected each year.
3. Elected members may be re-elected only after a two-year break following the conclusion of their previous term.

VII. Meetings and Transparency

1. The Faculty Senate serves in an advisory capacity, and its meetings shall be open to the public.
2. The Chancellor may prescribe procedures for the meetings.
3. Meetings must be streamed.
4. The Senate shall define its own quorum requirement for discussion, but no vote is valid at a meeting at which no more than 50% of members are present.
5. Meeting notices and agendas with sufficient details to indicate the items that are to be discussed or that will be subject to a vote must be posted on the college's website no later than seven (7) calendar days prior to the meeting.

6. The names of members in attendance must be recorded at any meeting in which the Faculty Senate conducts business related to a vote of no confidence concerning an institutional or system administrator.

VIII. Shared Governance Framework

1. The institution shall operate under a shared governance model as defined in SB37, codified as Texas Education Code §51.3523
2. Final authority and institutional responsibility shall reside with the Board of Trustees.

Revision of Policy B.02.01 and Adoption of Proposed New Policy B.02.02 Regarding Faculty Senate

Ross Laughead, JD
General Counsel

ALAMO
COLLEGES
DISTRICT

Background

SB 37 (89R) requires very substantial revision of the shared governance structure of the College District

Its revisions to Texas Education Code § 51.3522 will sunset all faculty senates and councils as of September 1, 2025

The only exception of this complete elimination would be the adoption of a policy to create a single District-wide faculty senate with members from each college

This proposed policy must conform that senate to strict and detailed statutory requirements

Proposed Revisions

Policy B.02.01 Organization Plan contains references to faculty and staff senates and councils which must be conformed to legislative requirements to support the adoption of Policy B.02.02 to reinstate a faculty senate.

Additional small edits in other areas are also proposed.

Proposed Adoption

Proposed Policy B.02.02 to reinstate a faculty senate is very substantially dictated by statute. In summary:

Each college faculty is equally represented by a single Chancellor appointee and one or more members elected by its faculty

Member terms and term limits are prescribed by statute

Members cannot be compensated for their service in any way, but limit expense reimbursement may occur with prior approval

Senate role is limited to an advisory capacity to Chancellor and leadership

Action Requested

Approval of the proposed revision to Policy B.02.01 and the adoption of proposed new Policy B.02.02.

Thank you.

Significant Activity in July:

*The below reports include arrests by being booked into 201 N. Comal (The Justice Intake Assessment Annex), by being issued a citation (other than traffic), or by being detained and released with possible pending charges being filed with the Bexar County District Attorney's Office.

1) SAC (077184 – Criminal Trespass Warning) On 07/01/2025, an Officer was dispatched to the Moody Learning Center for a male (non-student) stuck in the elevator. Facilities personnel were called out, and they assisted in getting the individual out of the elevator. Once out, the individual was a known person who had been hanging around campus in areas that were either closed due to after-hours restrictions or areas that were locked. The individual was given a warning and instructed not to return unless they were seeking resources through the college in a legitimate manner. The person complied, and there was no further contact with that individual in July.

2) NLC (077192 – Graffiti) On 07/02/2025, an Officer was dispatched to the Comal building regarding a report of graffiti in the restroom. Upon arrival, the officer observed writing in permanent marker on the inside of the bathroom stall. Housekeeping was already on the scene to remove the graffiti. No suspects were identified in connection with the graffiti.

3) WETC (077211 – Burglary of a Building) On 07/14/2025, an Officer was dispatched to WETC for a report of missing copper wire from building 1. The officer met with a representative from the construction site. The representative stated that there were three large copper wires, called "spiders," that were used to feed power to the construction area. The representative stated that there were two "spiders" in Building Two that had not been touched. The representative didn't have a value for the "spiders". The case was referred to the detective for review of the camera footage. Due to the construction, the cameras were not operable. The cameras from the other building were unable to yield any suspects for the missing item.

4) PAC (077230 – Burglary of a Building) On 07/14/2025, an Officer was dispatched to Palo Alto College for a report of a burglary of a Conex box (large metal storage container). The officer met with a representative of Spawglass Construction. The representative stated that the Conex box was locked at 5 pm on Friday. When he returned on Monday morning, the lock latch had been cut, and multiple construction tools were taken from the Conex box. The representative gave the officer a list of items that were taken. The representative didn't currently have the serial numbers or the cost of the equipment. He stated he would follow up with the construction site management and forward the cost and serial number information via email. The total amount of missing tools was \$10,000. The construction company stated it did not want to pursue charges in the case.

5) ACCESS (077244 – Emergency Detention) On 07/15/2025, an Officer was patrolling the area around ACCESS and observed a male(non-student) who was unsteady on his feet. The officer stopped to check on the individual and found him to be incoherent and unsteady on his feet. The male appeared to be decompensating and in crisis. The officer detained the male, who informed the officer that the male was high on methamphetamine. The officer contacted MEDCOM, and the person was referred to the downtown Methodist Hospital. The male was transported and released to staff at Methodist Hospital for medical evaluation and care.

6) WETC (077248 – Theft) On 07/16/2025, an Officer was dispatched to WETC to meet with a contractor for Vaughn Construction. He wanted to report twelve bags of cement that were taken from WETC property. The bags were part of the construction project at WETC. The contractor stated that the cement was present the day before, and when he returned on July 16, 2025, the bags were no longer there. The contractor noted this isn't the first time someone has stolen cement from their worksite. He wanted to file a report and didn't

want to press charges, in the event a suspect was located. The officer had no suspects, as the cameras were inoperable due to construction. The contractor was given the case number for this incident.

7) NVC (077250 – Warrant - Misdemeanor) On 07/16/2025, an Officer was patrolling NVC and observed a female (non-student) walking with no shoes on her feet in the wooded area. The female had an ankle monitor on her left ankle. The officer asked if she needed any assistance and asked for her name and date of birth. The female gave her information, and she came back with an active warrant. The female was transported to Bexar County Jail and released to jail staff without incident.

8) NVC (077256 – Harassment) On 07/17/2025, an Officer was dispatched to return a call of a female student who was being harassed by another female student. The officer met with the complainant student at NVC, and she stated she had already filed a report with SAPD earlier in the day. The complainant female stated she had asked the other female student not to contact her. The officer attempted to call the female suspect but was unable to make contact. The officer referred the complainant female to the student conduct officer at NVC.

9) SAC (077257 – Welfare Check) On 07/17/2025, SAC Director of Student Conduct contacted an officer regarding a student who was making disturbing comments to his professor. The conduct officer stated the professor received an email on July 16 stating the student was going through some things that were causing his mental health to decline. Officers contacted the SAPD mental health unit to contact the student at his home. After contact was made, it was determined that the student posed no danger to himself. This is not the first time this student has been reported to have experienced mental decline, including suicidal ideation. No additional action was taken.

10) SAC (077270 – Graffiti) On 07/20/2025, while patrolling SAC at the Visual Arts Building, the Officer observed graffiti in the hallway on one of the markers. The officer inspected the surrounding areas, including the restrooms. Multiple items were marked with graffiti. After identifying all the marked-up places, it is estimated that there was \$425 worth of damage. The amount could rise if the markings could not be easily removed. No suspects were identified for this crime.

11) ACCESS (077276 – Evading Arrest) On 07/21/2025, while patrolling at ACCESS, an Officer was flagged down by an employee. The employee was standing next to a male (non-student) who had blood streaming down his face. The bleeding male stated he was struck by an unknown male walking northbound on the sidewalk. A description of the suspect was put out over the radio, and another officer located a person matching the suspect's description. The suspect male ran when the officer asked him to stop and answer questions. The officer apprehended the suspect after a chase. The suspect male was booked into the Bexar County Jail for evading arrest. Additionally, the victim was unable to identify the male as he was disoriented and had blood streaming down his face. The suspect male will also be listed as a suspect for assault. The victim was transported to University Hospital by EMS.

12) SAC (077287 – Burglary of a Vehicle) On 07/22/2025, an Officer was dispatched to parking lot 11 at SAC. Upon arrival, the officer met with the complainant, who stated he had two toolboxes in the bed of his truck. The victim stated that he last saw the toolboxes at 1400 hours. When he returned at 1900hrs, he noticed the tools were missing. He noted no one he knew had taken the tools from his truck. He was informed that the case would be forwarded to detectives to check the surrounding cameras for possible suspects taking the tools. The victim signed a prosecution affidavit if suspect(s) were located. The estimated cost of the tools was stated as \$400.

13) SAC (077290 – Emergency Detention) On 07/23/2025, an Officer was patrolling the area around SAC and observed a male(non-student) walking down the middle of the street. The officer stopped to conduct a welfare check on the male. He asked the male if he was ok and instructed him to get out of the street. As the male was walking to the sidewalk, the officer observed that he seemed to be unaware of his whereabouts and

was unsteady on his feet. After the interview, the male admitted that he hadn't slept or eaten in a couple of days. Additionally, the male had glossy eyes that were slow to respond to light, as demonstrated by the officer when he presented a flashlight. MEDCOM was notified, and they advised to transport the male to Laurel Ridge Treatment Center. The male was transported and released to Laurel Ridge staff without incident.

14) ACCESS (077306 – Felony Warrant) On 07/24/2025, an Officer was dispatched to the Oppenheimer Building at SAC. Upon arrival, the officer was informed by the cleaning staff that a male (non-student) was asleep on the restroom floor. Officers woke the male and identified him. After confirming his identity through dispatch, it was found that the male had a felony warrant for his arrest. The officer handcuffed the male and transported him to the Bexar County Jail.

The male was handcuffed and transported to 601 N Frio. He was released to the Center for Healthcare Services staff without incident.

ALAMO COLLEGES DISTRICT
FOR THE NINE MONTH PERIOD ENDED MAY 31, 2025

(1) Revenue Variance:

For the nine-month period ended May 31, 2025, operating revenue increased by 3.4%, or \$16.1 million, to \$484.2 million, compared to \$468.1 million for the same period in the prior year. This increase is primarily attributed to a \$12.7 million increase in tuition and fee revenues, a \$6.4 million increase in tax revenue, offset by an decrease in other income of \$1.3 million, and by a reduction in state appropriations of \$1.7 million.

- a) Tax revenues for FY25 and FY24 are \$248.1 and \$241.7 million, respectively. This represents a 2.6%, or \$6.4 million, increase over last year. The budget for tax revenues for FY25 and FY24 stand at \$271.4 million and \$255.4 million. The District continues to benefit from increasing taxable values in Bexar County. The projected ad valorem taxes increase as the taxable assessed value of properties across Bexar County providing a 6.3% increase in budgeted tax revenues, with no change to the property tax rate. This increase will continue to fund critical facilities maintenance and operations, expansion of workforce programs like nursing and high demand programs.
- b) Tuition and fees for FY25 increased by 10.7%, or \$12.7 million, compared to FY24. FY25 revenues are \$130.2 million, or 103.3% of the budget, versus FY24 revenues of \$117.5 million, or 100.6% of the budget. The positive variance in regular tuition is attributed to a strong increase in headcount and semester credit hours, offset by the Board's decision to reduce Out-of-District and Non-Texas/Non-Resident tuition rates to make the cost of attendance more affordable. Headcount enrollment for Fall 2024 increased by 10.9%, or 7,849 students, to 79,680. Fall 2024 semester credit hours also showed a similar increase of 11.1%, or 55,481 hours, reaching a total of 557,511 semester credit hours (as of 10/23/2024). Headcount enrollment for Spring 2025 increased by 12.0%, or 8,179 students, to 76,260. Spring 2025 semester credit hours also showed a strong increase of 4.6%, or 22,356 hours, reaching a total of 509,709 semester credit hours (as of 02/24/2025). Headcount enrollment for Summer 2025 increased by 19.6%, or 5,714 students, to 34,924. Summer 2025 semester credit hours also showed a strong increase of 24.0%, or 32,704 hours, reaching a total of 168,924 semester credit hours (as of 06/05/2025).
- c) State appropriations for the current and prior years are \$87.6 million and \$89.3 million, respectively, representing 75.9% and 76.5% of their respective fiscal year budgets. State appropriations include state-paid benefits (group health and retirement). Budgeted appropriations for FY25 are \$114.0 million, compared to \$116.8 million in the prior year.

(2) Expense Variance:

- a) The total All Funds expense budget approved by the Board of Trustees for FY 2024-2025 is \$976.9 million, comprised of \$528.6 million in operating expense and \$448.3 million in restricted funds. The goal of the operating expense budget is to continue to the momentum that we have created in positioning the Alamo Colleges District for "smart growth," which makes the most effective use of every dollar of revenue to support the economic and social mobility of the members of our community and the success of our students initiatives. The President of each of the five colleges maintains local control of their operating funds and distributes their respective allocated budget to: (a) funded employee positions, and (b) departmental operational expense accounts, based on the strategic initiatives and priorities at that location. The driving force behind the FY25 operating budget is funding the strategic priorities of the Alamo Colleges District (ACD) for our students. ACD, the largest higher education institution in South Texas and the only community college system to win the Malcolm Baldrige National Quality Award (twice), is working to fulfill Chancellor Dr. Mike Flores' moon shot vision of ending poverty in San Antonio through education. To make this bold vision a reality, the District and its five colleges - St. Philip's College, San Antonio College, Palo Alto College, Northwest Vista College and Northeast Lakeview College - are working to make access to a college education and successful completion of a degree or certificate accessible to all residents in its eight-county service area. ACD has implemented various investment strategies based on several identified community needs to provide accessible college education and opportunities for achieving student success.
- b) Operating expenses for FY25 and FY24 for the same period stand at 70.4% and 67.6% of the budget, respectively. Actual expenses for FY25 and FY24 are \$406.3 million and \$353.5 million, respectively, representing an increase of \$52.8 million

- a) Tax revenues for FY25 and FY24 are \$257.6 and \$251.1 million, respectively. This represents a 2.6%, or \$6.5 million, increase over last year. The budget for tax revenues for FY25 and FY24 stand at \$271.4 million and \$255.4 million. The District continues to benefit from increasing taxable values in Bexar County. The projected ad valorem taxes increase as the taxable assessed value of properties across Bexar County providing a 6.3% increase in budgeted tax revenues, with no change to the property tax rate. This increase will continue to fund critical facilities maintenance and operations, expansion of workforce programs like nursing and high demand programs.
- b) Tuition and fees for FY25 increased by 10.7%, or \$12.5 million, compared to FY24. FY25 revenues are \$129.9 million, or 103.0% of the budget, versus FY24 revenues of \$117.4 million, or 100.5% of the budget. The positive variance in regular tuition is attributed to a strong increase in headcount and semester credit hours, offset by the Board's decision to reduce Out-of-District and Non-Texas/Non-Resident tuition rates to make the cost of attendance more affordable. Headcount enrollment for Fall 2024 increased by 10.9%, or 7,849 students, to 79,680. Fall 2024 semester credit hours also showed a similar increase of 11.1%, or 55,481 hours, reaching a total of 557,511 semester credit hours (as of 10/23/2024). Headcount enrollment for Spring 2025 increased by 12.0%, or 8,179 students, to 76,260. Spring 2025 semester credit hours also showed a strong increase of 4.6%, or 22,356 hours, reaching a total of 509,709 semester credit hours (as of 02/24/2025). Headcount enrollment for Summer 2025 increased by 19.6%, or 5,714 students, to 34,924. Summer 2025 semester credit hours also showed a strong increase of 24.0%, or 32,704 hours, reaching a total of 168,924 semester credit hours (as of 06/05/2025).
- c) State appropriations for the current and prior years are \$114.4 million and \$115.2 million, respectively, representing 99.1% and 98.6% of their respective fiscal year budgets. State appropriations include state-paid benefits (group health and retirement). Budgeted appropriations for FY25 are \$114.0 million, compared to \$116.8 million in the prior year.

(2) Expense Variance:

- a) The total All Funds expense budget approved by the Board of Trustees for FY 2024-2025 is \$976.9 million, comprised of \$528.6 million in operating expense and \$448.3 million in restricted funds. The goal of the operating expense budget is to continue to the momentum that we have created in positioning the Alamo Colleges District for "smart growth," which makes the most effective use of every dollar of revenue to support the economic and social mobility of the members of our community and the success of our students initiatives. The President of each of the five colleges maintains local control of their operating funds and distributes their respective allocated budget to: (a) funded employee positions, and (b) departmental operational expense accounts, based on the strategic initiatives and priorities at that location. The driving force behind the FY25 operating budget is funding the strategic priorities of the Alamo Colleges District (ACD) for our students. ACD, the largest higher education institution in South Texas and the only community college system to win the Malcolm Baldrige National Quality Award (twice), is working to fulfill Chancellor Dr. Mike Flores' moon shot vision of ending poverty in San Antonio through education. To make this bold vision a reality, the District and its five colleges - St. Philip's College, San Antonio College, Palo Alto College, Northwest Vista College and Northeast Lakeview College - are working to make access to a college education and successful completion of a degree or certificate accessible to all residents in its eight-county service area. ACD has implemented various investment strategies based on several identified community needs to provide accessible college education and opportunities for achieving student success.
- b) Operating expenses for FY25 and FY24 for the same period stand at 77.0% and 74.1% of the budget, respectively. Actual expenses for FY25 and FY24 are \$444.5 million and \$387.3 million, respectively, representing an increase of \$57.2 million

Discussion and Possible Action on Approval of Monthly Report on Cooperative Purchases in Excess of \$200,000

Presented to the Board Acting as Committee of the Whole on August 5, 2025 and now presented to the Board for approval on August 12, 2025

MINUTE ORDER

“The Alamo Colleges District Board of Trustees hereby approves the monthly Cooperative Purchase Report as presented.”

PURPOSE

The purpose of this Minute Order is to provide a monthly report of purchases exceeding \$200,000 and any fees charged by the various local, state, and national providers of Cooperative Purchasing (COOP) programs during May 2025. Not all COOP programs charge fees, and some COOP’s offer cash rebates paid directly to Alamo Colleges. The Purchasing and Contract Administration Department utilizes the COOP programs to gain greater access to goods and services, cost savings through leveraged buying, and reduced administration costs by issuing fewer competitive bids and proposals. The combined buying power of public institutions throughout the State of Texas and nationally translates into savings and provides an efficient, cost effective and legal means for providing goods and services to departments throughout the Alamo Colleges in an expedited fashion.

BACKGROUND

Vendor contracts awarded through approved federal, state or cooperative purchasing agreements are a statutorily approved alternative to competitively procured vendor contracts. Only the following such contract purchases require prior Board approval:

- a. Purchases valued at \$200,000 or more in any 12-month period that will result in additional gross square footage (permanent or otherwise) that will require cleaning and maintaining and have at least two utilities present.
- b. Purchases valued at \$200,000 or more in any 12-month period that in the judgment of the Chancellor or Purchasing & Contract Administration would commit the College District or one of the colleges to an entirely new technology that would be pervasive for subsequent years.

For any cooperative purchasing contract valued at \$25,000 or more, Purchasing & Contract Administration shall document any contract-related fee, including any management fee. At least annually, Purchasing & Contract Administration shall present a written report regarding any contract-related fees, including any management fees, to the Board of Trustees at a properly posted open meeting.

Quarterly Market Summary:

Between March and May 2025, the U.S. economy showed signs of slowing but remained stable, with job growth averaging around 139,000 per month and unemployment holding at 4.2%. Inflation remained elevated, with CPI at 2.3–2.4% year-over-year and core inflation at 2.8%, driven in part by tariff-related cost pressures. The Federal Reserve held interest rates steady at 4.25%–4.50% during both its March and May meetings, citing persistent inflation and growing economic uncertainty. FOMC members emphasized a patient, data-dependent stance, with expectations for any rate cuts pushed to September or later, as policymakers weighed the risk of stagflation.

CERTIFICATION:

All transactions and holdings of the Alamo Colleges District investment portfolio are in compliance with the Public Funds Investment Act (Chapter 2256) and the District's Board approved Investment Policy and strategy.

Discussion and Possible Action on Approval of Report of Policies Reviewed with No Substantive Changes

Recommended for approval to the ALAMO COLLEGES DISTRICT BOARD OF TRUSTEES on August 12, 2025.

MINUTE ORDER

“The Alamo Colleges District Board of Trustees hereby approves the report of Board Policies with no substantive changes as presented.”

PURPOSE

The following Report of Policies Reviewed with No Substantive Changes is presented to the Board of Trustees for informational and approval purposes.

BACKGROUND

Policy B.5.3 regarding Board Policies requires Policies be reviewed within a five-year period. Policy owner review plan responsibilities are to determine whether the policy is still relevant, accurate and lawful. Considerations should be whether: any pertinent law has changed since the last Board action; any new technology has made the policy or any portion thereof obsolete; or any new risks or priorities now exist that need to be addressed in the policy. The District Ethics, Compliance, and Policy Office may modify the review plan or initiate outside-cycle policy review at any time to address business needs, as applicable. Non-substantive edits or clarifications may also be made.

For policies which are reviewed in compliance with this review requirement but for which no substantive changes are recommended to the Board of Trustees, a notation will be made in its section review date, for example, “Reviewed 3-23-12.” While not required in Board Policy, a consent report has been developed summarizing policies reviewed with no substantive changes.

Board Policies Reviewed with No Substantive Change

Policy No.	Policy Title	Responsible Department	Effective Date
Policy Section C: Business and Support Services			
C.01.11	Accounting for Capital Assets	Vice Chancellor for Finance and Administration	8/12/25

C.1.11 (Policy) Accounting for Capital Assets

Responsible Department: Vice Chancellor for Finance and Administration

Board Adoption: 2-23-10

Last Board Action: 2-23-10

Last Amended: 2-5-18, 8-12-25

This policy establishes the minimum cost value (capitalization amount) that shall be used to determine the capital assets to be recorded in Alamo Colleges District's annual financial statements.

Capital Asset Definition

Capital assets are tangible and intangible assets that are used in operations, have a value equal to or greater than the capitalization threshold (see table below) and meet the minimum useful life for the particular asset classification. They include land, land improvements, buildings and improvements, equipment, infrastructure, software, library books, works of art, historical treasures, leasehold improvements and technology systems.

Capitalization Method

Capital assets are reported in the Statement of Net Assets at historical cost. The cost of a capital asset should include ancillary charges (i.e., installation, freight and transportation charges) necessary to place the asset into use. Donated capital assets should be reported at their estimated fair market value at the time of donation, plus ancillary charges, if any.

Capitalized interest is included when material. In accordance with statements issued by the Financial Accounting Standards Board (FASB) Nos 34 and 62, *Capitalization of Interest Cost* and *Capitalization of Interest Cost in Situations Involving Certain Tax-Exempt Borrowings and Certain Gifts and Grants - an Amendment of FASB Statement No. 34*, the Alamo Colleges District considers the capitalization of interest cost on construction in progress that has been financed by long-term debt. These standards require that the interest cost offset by interest earnings on the related construction proceeds be capitalized as a part of each project unless the net effect is not considered material. No interest cost is capitalized when the interest earned has approximately equaled the interest cost to the Alamo Colleges District.

With the exception of land and works of art/historical treasures, capital assets are depreciated over their estimated useful lives. Depreciable assets are reported net of accumulated depreciation in the Statement of Net Assets with accumulated depreciation disclosed in the Notes to Financial Statements. Capital assets that are not being depreciated, such as land, are reported separately.

Capitalization Thresholds

Capital assets purchased or constructed by the Alamo Colleges District have a useful life of at least five years and a value equal to or greater than the established capitalization threshold. The following class of asset categories, capitalization thresholds, useful lives and salvage values are used by the Alamo Colleges District:

C.1.11 (Policy) Accounting for Capital Assets

(4) A bulk purchase will be capitalized in its entirety if the total purchase amount equals
