BOARD OF TRUSTEES RICHARDSON INDEPENDENT SCHOOL DISTRICT

Procedures for Public Comments During Board Meetings

The Board of Trustees of the Richardson Independent School District welcomes members of the public to its meetings. The purpose of meetings is to allow trustees to conduct the business of the District. Although Board meetings are held in public, they are not public meetings and the public does not have a right to participate except as provided by the Board. The Board offers a limited open forum at meetings through its Public Comment Sections to provide opportunities for members of the public to convey information to the Board.

The Board adopted the following procedures concerning public comments to facilitate the efficient operation of meetings:

- Public Comment Section.
 - The Board of Trustees will include a Public Comment Section on the posted Agenda for each meeting. The Board holds regular monthly business meetings each month of the year, excluding July. Business meetings typically are scheduled for the first Monday of the month. The Board schedules work sessions to address topics of study or as other needs arise. The Board reserves the third Monday of each month for work sessions, but they also may be scheduled at any other time when a need arises. The Board reserves the right to schedule or reschedule meetings as necessary to meet the operational needs of the District. A written Agenda is posted for each Board meeting at least 72 hours before the meeting is scheduled. If an Emergency Meeting is authorized, an agenda will be posted at least one hour before the meeting is scheduled.

The Public Comment Section for agenda-related topics ordinarily will be placed on the Agenda just prior to the first business item on the Agenda. Where appropriate for efficient meeting management, the section for comments related to non-agenda topics may be placed on the Agenda after other action and information items. A speaker who attempts to address a nonagenda-related topic during any period reserved for agenda-related topics is engaging in disruptive behavior. The speaker must stop his or her comments when directed.

- When necessary for effective meeting management, to accommodate large numbers of individuals wishing to address the Board at a meeting, or when otherwise advisable to accommodate specific circumstances, the Board delegates to the presiding officer the authority to make adjustments to these public comment procedures. Such adjustments may include, without limitation, adjusting when public comment will occur during a meeting, reordering agenda items, deferring public comment on non-agenda items, continuing an agenda item to a later meeting, temporarily revising public comment procedures as necessary if a meeting is conducted via videoconference, providing expanded opportunity for public comment, or establishing an overall time limit for public comments and adjusting the time allotted to each speaker.
- Speaker Topics.
 - Regular Business Meetings. Speakers may comment on specific Agenda items as well as matters not on the posted Agenda during the Public Comment Section at regular business meetings.

- Work Sessions or Other Called Meetings. Speakers may comment only on specific agenda items during the Public Comment Section at work sessions and other called meetings.
- Public Hearings. When RISD gives notice of a public hearing, speakers may complete a separate comment card for the public hearing. Speakers may only comment on the specific topic noticed for the public hearing. All other rules noted herein apply to comments during a public hearing.
- Public Comment Cards.
 - Persons wishing to address the Board must complete a Public Comment card. Public Comment cards are located in the foyer of the Auditorium in the Administration Building before scheduled meetings. (If the Board schedules a meeting at another location, Public Comment cards will be available in a conspicuous location at the meeting site.) A staff member typically will be present to receive Public Comment cards.
 - Completed cards must be placed in the designated box no later than fifteen (15) minutes prior to the posted time for the meeting to begin. Most meetings are scheduled to begin at 6:00 p.m. RISD will not accept Public Comment cards later than fifteen minutes prior to the posted meeting time.
 - In addition to identifying information, each speaker must indicate the specific Agenda item about which he or she wishes to comment and/or identify the non-Agenda topic of the comments.
 - If RISD gives notice of a public hearing, it will provide a separate public hearing comment card that persons who wish to speak must complete.
- Written Materials. A speaker who wishes to provide written materials to the Board of Trustees must attach at least nine (9) copies of the materials to the completed Public Comment card. Staff will provide a copy of the materials to the trustees before the speaker is called. The speaker may not distribute materials when he or she is called to speak.
- Time.
 - Each speaker is limited to a total of three* minutes and a speaker may not use time of another speaker to extend his or her comment period. *Note:* A speaker who addresses the Board through a translator will have six* minutes to present comments to ensure that non-English speakers receive the same opportunity to address the Board.
 - Staff will set a three*-minute digital timer for each speaker. The speaker shall end his or her comments when the timer expires. Any speaker who fails to stop speaking and yield the podium at the end of his or her allotted time is considered out of order and may be escorted from the podium and/or asked to leave the meeting.
(*Unless the comment period has been limited as provided herein.)
- Single comment. A speaker may complete one Public Comment Card for each meeting. A speaker who comments during a public hearing is not ineligible to speak during the regular public comment period.
- Protocol for Speakers.
 - The Board Secretary will call the name of each speaker who has submitted a public comment card and state the topic(s) on which the individual has registered to speak.

- Each speaker should approach the podium when his or her name is called. An adjustable microphone is affixed to the podium in the Auditorium. The speaker should clearly state his or her name and the school or school(s) the speaker's children attend or have attended before beginning to comment.
 - The Board will not engage in dialogue with a speaker. Specific factual information or reference to an existing policy may be furnished in response to inquiries or statements. The Board cannot deliberate or make a decision on any subject that is not on the Agenda.
 - The public comment period is not the appropriate forum for presentation of formal complaints. RISD maintains a formal grievance policy to address complaints. The Board will only consider formal complaints that remain unresolved after they have been addressed through proper administrative channels and when they have been placed on the Agenda. Attacks of a personal nature against Board members, RISD staff, students, or other citizens by name or unique title will not be allowed or tolerated. Speakers who wish to make a complaint regarding an employee should comply with the appropriate complaint policy. (DGBA – Employee Complaints; FNG – Student/Parent Complaints; GF – Public Complaints). Complaint policies are available on the RISD website.
 - Remarks or other conduct that disrupt the meeting are considered out of order and will not be allowed. Visitors and staff must listen quietly and respectfully during the public comment section whether they agree or disagree with a speaker's message. It is not appropriate for staff or visitors to clap, cheer, boo, display banners, or otherwise engage in disruptive conduct. Persons who disrupt the meeting will be cautioned to observe meeting rules. Persons who persist in disrupting the meeting may be removed from the meeting.
- Consent for Online Publication. RISD may audio and video record its meetings. A person who chooses to speak during the Public Comment Section is consenting to the online audio/video publication of his or her comments.
 - Reasonable Accommodation and Translation. Persons desiring to make a public comment who need reasonable accommodations of a disability or who require a language translator should contact the Board office at 469-593-0403 in advance of the meeting to request assistance.

INFORMATION AND ACTION ITEM

TOPIC: Specified Best Value/Low Bids, Contracts, and Cumulative Purchases

BACKGROUND INFORMATION:

Bids for the items listed in Part A on the attached sheets were advertised and received for opening in the RISD Purchasing Department. The bid(s) listed under Part A are recommended for acceptance as the lowest responsive bid(s) or other qualifying bid that meets specifications and provides the best value to the District. If the lowest responsive bid does not fall within the budgeted amount for the item, supportive justification and information has been requested and may be made available.

Bids listed in Part B reflect vendors recommended for renewal of an existing bid that was originally approved as providing the best value/lowest responsive bid for the district.

Part C sets out purchases, contracts, contract modifications, and any contract change orders recommended for approval. The amount of items listed in Part C exceeds \$100,000. Purchases and contract(s) for the goods and services reflected under Part C have been reviewed and negotiated, where appropriate. Each contract is within the budgeted amount for the item, category, or service. As indicated, certain purchases and contracts have been renegotiated, modified, or otherwise changed. Any such changes recommended are within budgeted amounts.

Part D reflects Interlocal Agreements or other Memorandums of Understanding that address agreements and understandings between other local governmental entities or certain nonprofit organizations. These items are recommended for the Board's approval.

Part E is provided for the Board's information. The items reflected in this section involve contract amounts of less than \$100,000. Board policy CH (Local) delegates purchasing authority to the Superintendent for expenditure of budgeted amounts for goods and services under \$100,000.

Part F is provided for the Board's information. This section provides information about cumulative purchases from state-approved vendors under contracts or buying

cooperative agreements that the Board already has approved. All such purchases have been made through established District procedures to ensure that the purchase provided the best buy at the lowest available price.

SUPERINTENDENT'S RECOMMENDATION:

The Superintendent recommends that the Board approve the items recommended under Parts A, B, C, and D. The items in Parts E and F are provided for the Board's information.

PROPOSED RESOLUTION

Whereas, in compliance with state purchasing and procurement requirements and other applicable law, the RISD Purchasing Department, in collaboration with the end-user departments, has solicited, received, opened, and considered responsive bids for contracts to procure various goods and services required for District operations and has made recommendations for the acceptance and approval of bids and contracts that provide the best value to the District; and

WHEREAS, the district has collaborated with other local government entities to develop Interlocal Agreements and Memoranda of Understanding to obtain goods or share services; and

WHEREAS, the District has made cumulative purchases from previously qualified vendors in accordance with applicable procedures for services and has entered into contracts for goods and services within the Superintendent's delegated purchasing authority; and

WHEREAS, effective management of the District's purchasing and acquisition processes supports the Board's strategic objectives and strategies; now

THEREFORE, BE IT RESOLVED, that the Board of Trustees of the Richardson Independent School District accepts, and/or approves the recommended bids, contracts, and Interlocal Agreements and Memoranda of Understanding set out in Parts A, B, C, and D on the attached pages.

ACTION ITEM

TOPIC: Authority to Execute Option 3 and/or Option 4 Agreements for Wealth Equalization

BACKGROUND INFORMATION:

RISD is considered a property wealthy district under Texas Education Code (TEC), §§48.257 and Chapter 49. Section 49.002 of the Texas Education Code provides five options from which a school district with a local revenue level in excess of entitlement may choose to reduce the district's revenue level. "Option 3" allows a district to purchase average daily attendance credits directly from the state and "Option 4" allows a district to partner directly with one or more property poor districts to educate nonresident students of those districts.

On August 28, 1993, RISD voters authorized the district to use "Option 3" under Chapter 41 of the Texas Education Code to satisfy the wealth equalization objectives thereunder. On May 5, 2001, RISD voters also authorized the district to use "Option 4" to satisfy its recapture obligations. When districts enter into Option 4 agreements, the State provides "efficiency credits" that generally result in cost savings to the Chapter 41 district.

RISD pursued partner districts with which to contract from the 2001-2002 school year to the 2006-2007 school year, resulting in substantial savings to the district. RISD was unable to use Option 4 from 2006-2007 forward due to changes in school finance rules resulting from House Bill 1 in the 2006 special legislative session. The district was not required to pay recapture from 2008-2009 to 2017-2018.

On November 6, 2018, RISD voters approved the district's proposed tax ratification measure, setting the district's operating tax rate at \$1.17. This increase resulted in the district paying recapture for the 2018-2019 school year.

On June 12, 2019, House Bill (HB) 3 repealed Chapter 41 of the Texas Education Code, and transferred certain sections to Chapter 49, and revised formulas used to determine entitlement under the Foundation School Program (FSP) by adding Subchapter F, Texas Education Code § 48.257, Local Revenue in Excess of Entitlement.

School districts that wish to use Option 3 for the 2022-2023 school year must submit all required documentation to the Texas Education Agency prior to adoption of a tax rate. TEA further requires a district that wishes to submit wealth equalization documents on line to delegate to the Superintendent the authority to contractually obligate the district in this matter.

To ensure that RISD is able to timely submit all required documentation to the Texas Education Agency, staff recommends that the Board delegate the required authority to the Superintendent for the 2022-2023 school year and further authorize the Board President, Board Secretary, and the Superintendent to execute such documents with the State as are necessary for RISD to employ Option 3 for the 2022-2023 school year.

SUPERINTENDENT'S RECOMMENDATION:

The Superintendent recommends that the Board delegate the required contractual authority to the Superintendent and further authorize the Board President, Secretary and Superintendent to execute such documents as necessary for RISD to employ Option 3 for the 2022-2023 school year.

PROPOSED RESOLUTION

WHEREAS, the Richardson Independent School district is considered a property wealth school district as defined by Texas Education Code (TEC), §§48.257 and Chapter 49; and

WHEREAS, on August 28, 1993, the voters of the Richardson Independent School District (RISD or the District) authorized the District to achieve the required equalized wealth level through the purchase of attendance credits from the State pursuant to Chapter 41 of the Texas Education Code (Option 3); and

WHEREAS, May 5, 2001, the voters of the RISD authorized the District to also be able to achieve the required equalized wealth level through the education of nonresident students pursuant to Chapter 41 of the Texas Education Code (Option 4); and

WHEREAS, the Board of Trustees of the RISD accepted the results of said elections at duly called meetings on August 30, 1993, and May 8, 2001, respectively; and

WHEREAS, RISD used Option 4 contracts to achieve significant savings during the 2001-02, 2002-03, 2003-04, 2004-05, 2005-06, and 2006-07 school years; and

WHEREAS, the Board recognizes that changes in the school finance system may reduce the number of districts with which RISD could successfully partner in Option 4 agreements, thus requiring the District to use Option 3 for all or part of its required recapture for the coming year; and

WHEREAS, the Board desires to identify the most cost effective method available under state law to meet its recapture obligations for the 2022-2023 school year; and

WHEREAS, the Board finds that of the five options available under current state law to equalize RISD's property wealth, Option 4 and then Option 3 are currently the most cost effective and support the Board's strategies and ensure excellence in operations; and

WHEREAS, RISD must submit required documents to the Texas Education Agency concerning the Option 3 and/or Option 4 agreements prior to adoption of its tax rate, if it wishes to use a combination of Option 3 and/or Option 4 during the 2022-2023 school year; and

WHEREAS, House Bill (HB) 3 repealed Chapter 41 of the Texas Education Code, and transferred certain sections to Chapter 49, and revised formulas used to determine entitlement under the Foundation School Program (FSP) by adding Subchapter F, Texas Education Code § 48.257, Local Revenue in Excess of Entitlement;

THEREFORE BE IT RESOLVED, that for the 2022-2023 school year, we delegate contractual authority to obligate the school district under Texas Education Code (TEC) §11.1511(c)(4) to the superintendent, solely for the purpose of obligating the district under TEC, §48.257 and TEC, Chapter 49, Subchapters A and D, and the rules adopted by the commissioner of education as authorized under TEC, 49.006. This included approval of the Agreement for the Purchase of Attendance Credit or the Agreement for the Purchase of Attendance Credit (Netting Chapter 48 Funding).

ACTION ITEM

TOPIC: Report of Administrative Write-offs of Real Property Taxes and 2017 Personal Property Taxes.

BACKGROUND INFORMATION

Section 33.05(a)1 of the Texas Property Tax Code states that Personal Property may not be seized and a suit may not be filed to collect a tax on personal property that has been delinquent more than four years or real property that has been delinquent more than 20 years.

Section 33.05(c) states that the collector for a taxing unit shall cancel and remove from the delinquent tax roll a tax on personal property that has been delinquent for more than 10 years and real property that has been delinquent for more than 20 years if there is no pending litigation concerning the delinquent taxes at the time of the cancellation and removal.

Removing the Real Property accounts from 2001 and the 2017 Personal Property accounts from the tax roll will allow the District to save the cost of printing statements as well as the cost of postage. There are currently 28 Real Property accounts from 2001 still due for \$29,117.76 in tax levy and 1,180 Personal Property accounts still due for the 2017 tax year for a total of \$824,563.16 in tax levy. The Tax Assessor Collector shall continue to accept payments on these accounts when and if received.

SUPERINTENDENT'S RECOMMENDATION

The Superintendent recommends that the Board authorize the Tax Office to removal Real Property accounts from 2001 and previous years and the 2017 Personal Property accounts from the delinquent tax roll.

RESOLUTION

WHEREAS, Section 33.05(a)1 of the Texas Property Tax Code states that Personal Property may not be seized and a suit may not be filed to collect a tax on personal property that has been delinquent more than four years or real property that has been delinquent more than 20 years; and,

WHEREAS, Section 33.05(c) states that the collector for a taxing unit shall cancel and remove from the delinquent tax roll a tax on personal property that has been delinquent for more than 10 years and real property that has been delinquent for more than 20 years if there is no pending litigation concerning the delinquent taxes at the time of the cancellation and removal; and,

The Tax Assessor Collector shall continue to accept payments on these accounts when and if received.

THEREFORE, BE IT RESOLVED, by the Board of Trustees of the Richardson Independent School District that the Tax Assessor Collector is hereby authorized to remove from the computer files the Real Property accounts from 2001 and the 2017 Personal Property accounts listed on the Detailed Delinquent Tax Roll in order to save the cost of printing statements on same, as well as postage, but the Tax Assessor Collector shall continue to accept payments thereon when and if received.

RE: Write-off of 2017 Personal Property Taxes
Write-off of Real Property Taxes Over 20 Years

Dear Mr. Pate:

I have reviewed the enclosed accounts and recommend that it would be in the District's best interest if these were written off the tax roll. They are uncollectible for various reasons: neither taxpayer nor property can be located, taxes are beyond the Statute of Limitations, and/or the corporate owner of the personal property has completed Bankruptcy and there were insufficient assets to pay the taxes.

If you have any questions or need anything further, please call.

Sincerely,

PERDUE, BRANDON, FIELDER,
COLLINS & MOTT, LLP

BOARD OF TRUSTEES
Richardson Independent School District
Richardson, Texas

Date: April 11, 2022
Submitted by: Monica Simonds, Instructional Materials Chair
Tabitha Branum, Interim Superintendent

ACTION ITEM

TOPIC: Instructional Materials Allotment Certification

BACKGROUND INFORMATION:

Legislation from the 82nd Texas Legislature, created an Instructional Materials Allotment (IMA) for the purchase of instructional materials, technology equipment and technology related services. The IMA combined textbooks and materials previously supplied by the State with separate funding received through the Technology Allotment. The proclamation for this year includes the consideration and adoption of Health and Physical Education materials and resources.

A requirement under Section 28.002 of the Texas Education Code is that the Board and Superintendent complete an IMA Certification form in addition to actions taken as part of the instructional materials adoption process.

SUPERINTENDENT'S RECOMMENDATION:

Our "HOW" - The 5E Model

5E Model and Gradual Release

What Does the 5E Model Look Like?

ENGAGE:

Why do some substances dissolve in water and others do not? Think about a time you made iced tea or kool-aid.

5.5A- classify matter based on measurable, testable, and observable physical properties, including solubility in water, and the ability to conduct or insulate thermal energy or electric energy.

5.5B- demonstrate that some mixtures maintain physical properties of their ingredients such as iron filings and sand and sand and water.

EXPLORE

Instructions:

1. Make observations of the appearance of your mystery substance and discuss with your partner.
2. Pour your mystery substance into the flask of warm water.
3. Use the stirring rod to mix the solution.
4. Discuss your observations.
5. Determine the similarities and differences between the appearance of your solution and another group.

EXPLAIN

	Appearance After Stirring	Mystery Substance
Sample A	Clear; no visible particles	Sugar
Sample B	Brown particles on the bottom	Sand
Sample C	Clear; no visible particles	Salt

ELABORATE

Solubility

Measurement of the ability of a solid to dissolve in a liquid

EVALUATE

A student filled each of four beakers with 100 mL of water at 25 °C. The student added an equal amount of a different substance to each of the beakers of water.

Student Investigation

Substance	Appearance	Observations When Stirring	Observations After Stirring Stopped
Iron filings	Silvery gray	Particles swirling around	Particles settled to bottom of beaker
Papain	White powder	Cloudy changing to clear	Clear; no visible particles
Talcum powder	White powder	Floating on surface in clumps	Collected on beaker walls above liquid
Vegetable oil	Yellow liquid	Oil in clumps moving around	Formed a layer on top of water

Based on the student's observations in the table, how many of the substances did NOT dissolve in the water?

- F** 1 substance
- G** 2 substances
- H** 3 substances
- J** 4 substances

BOARD OF TRUSTEES
Richardson Independent School District
Richardson, Texas

Date: April 11, 2022

Department: Board of Trustees Office

Submitted by: Libby Oliver, Administrative Manager – Board Relations

INFORMATION ITEM

TOPIC: Board of Trustees Training Hours

BACKGROUND INFORMATION:

The Texas Education Code requires the minutes of the last regular meeting of the Board of Trustees held before an election of trustees to reflect whether each trustee has met or is deficient in meeting training requirements. The last regular board meeting before the May 7, 2022 trustee election is April 11, 2022.

The requirements for training are measured as of the first anniversary of the date of the trustee's election or appointment or two-year anniversary of his or her previous training, as applicable.

There are nine training areas for board member continuing education:

1. Local District Orientation (First Year Trustees)
2. Introduction to the Texas Education Code (First Year Trustees)
3. Open Government (Within 90 Days of Election/Re-election)
4. Cybersecurity
5. Post-Legislative Update to the Texas Education Code (Experienced Trustees)
6. Team Building
7. Evaluating Student Academic Performance and Goal Setting
8. Identifying and Reporting Abuse, Trafficking, and Other Maltreatment of Children
9. Additional Continuing Education

The Board President will announce each board member's completion or deficiency for each area of the required training as applicable for the particular board member as well as any board member's training in excess of the continuing education requirements.
