SUBJECT: House Bill 3908 - Tucker's Law

PRESENTER: Martina Carrillo, Health & Physical Education Coordinator
Karen Band-Roman and Mariah Montalvo, Texas A&M University Health

BACKGROUND INFORMATION:

In September 2023, the Texas legislature enacted House Bill 3908, also known as Tucker's Law, in an effort to raise awareness about the dangers of fentanyl as a lethal drug. Tucker's Law and TEC §38.040 mandate Texas youth in public schools to receive research-based instruction on four components: (1) Suicide prevention, (2) Prevention of the abuse of and addiction to fentanyl, (3) Awareness of local school and community resources and any processes involved in accessing those resources, and (4) Health education that includes information about substance use and abuse, including youth substance use and abuse. HB 3908 adds to the duties of a school health advisory council (SHAC) the requirement to recommend to the local board of trustees the appropriate grade levels and curriculum for instruction in the dangers of opioids, including addiction to and abuse of synthetic opioids such as fentanyl (TEC) §28.004(c).

ADMINISTRATIVE CONSIDERATIONS:

On November 20, 2025, the School Health Advisory Council (SHAC) met and approved a recommendation for the Mission CISD School Board to incorporate resources from Texas A&M University Health, a program focused on opioid prevention for students. The Think SMART Program and/or the Split Second, graphic novel lesson is intended for implementation for students in grades six through twelve. The implementation of the lessons framework would be coordinated by the Health Education Department Coordinator and assisted by the Director for Guidance and Counseling. If approved, the program would begin in January 2026, contingent upon the successful completion of training for the teachers in the Secondary Health Education Department and the Junior High School Physical Education instructors.

HB 3908-Tucker's Law

In September 2023, the Texas Legislature enacted House Bill 3908, also known as Tucker's Law, in an effort to raise awareness about the dangers of fentanyl as a lethal drug. Tucker's law mandates Texas youth in public schools to receive research-based instruction on four components:

- (1) Suicide prevention, (2) Prevention of the abuse of and addiction to fentanyl, (3) Awareness of local school and community resources and any processes involved in accessing those resources, and (4) Health education that includes information about substance use and abuse, including youth substance use and abuse.

Texas A&M University Health is providing the Think SMART program and the Split Second Lesson. The purpose is to add a multi-component initiative to provide Texas K-12th grade students with opioid misuse and suicide prevention education to comply with Tucker's Law and in response to the urgent opioid crisis. Think SMART is a 6 lesson evidence-informed life skills youth prevention program which targets 6th thru 12th grade, aligns with Texas Essential Knowledge and Skills (TEKS) and National Health Education Standards (NHES), and behavior change focused. Think Smart empowers youth in opioid prevention. Students are equipped in problem-solving, refusal skills, and provide age-appropriate harm reduction strategies. Students are educated on making healthy choices for long-term well-being. Think Smart is taught by trained educators.

SUBJECT: House Bill 3908 - Tucker's Law

PRESENTER: Martina Carrillo, Health & Physical Education Coordinator
Karen Band-Roman and Mariah Montalvo, Texas A&M University Health

BACKGROUND INFORMATION:

In September 2023, the Texas legislature enacted House Bill 3908, also known as Tucker's Law, in an effort to raise awareness about the dangers of fentanyl as a lethal drug. Tucker's Law and TEC §38.040 mandate Texas youth in public schools to receive research-based instruction on four components: (1) Suicide prevention, (2) Prevention of the abuse of and addiction to fentanyl, (3) Awareness of local school and community resources and any processes involved in accessing those resources, and (4) Health education that includes information about substance use and abuse, including youth substance use and abuse. HB 3908 adds to the duties of a school health advisory council (SHAC) the requirement to recommend to the local board of trustees the appropriate grade levels and curriculum for instruction in the dangers of opioids, including addiction to and abuse of synthetic opioids such as fentanyl (TEC) §28.004(c).

ADMINISTRATIVE CONSIDERATIONS:

On November 20, 2025, the School Health Advisory Council (SHAC) met and approved a recommendation for the Mission CISD School Board to incorporate resources from Texas A&M University Health, a program focused on opioid prevention for students. The Think SMART Program and/or the Split Second, graphic novel lesson is intended for implementation for students in grades six through twelve. The implementation of the lessons framework would be coordinated by the Health Education Department Coordinator and assisted by the Director for Guidance and Counseling. If approved, the program would begin in January 2026, contingent upon the successful completion of training for the teachers in the Secondary Health Education Department and the Junior High School Physical Education instructors.

Think SMART Program & Split Second Lesson

(curriculum/graphic novel)

HB 3908-Tucker's Law

In September 2023, the Texas Legislature enacted House Bill 3908, also known as Tucker's Law, in an effort to raise awareness about the dangers of fentanyl as a lethal drug. Tucker's law mandates Texas youth in public schools to receive research-based instruction on four components:

- (1) Suicide prevention, (2) Prevention of the abuse of and addiction to fentanyl, (3) Awareness of local school and community resources and any processes involved in accessing those resources, and (4) Health education that includes information about substance use and abuse, including youth substance use and abuse.

Texas A&M University Health is providing the Think SMART program and the Split Second Lesson. The purpose is to add a multi-component initiative to provide Texas K-12th grade students with opioid misuse and suicide prevention education to comply with Tucker's Law and in response to the urgent opioid crisis. Think SMART is a 6 lesson evidence-informed life skills youth prevention program which targets 6th thru 12th grade, aligns with Texas Essential Knowledge and Skills (TEKS) and National Health Education Standards (NHES), and behavior change focused. Think Smart empowers youth in opioid prevention. Students are equipped in problem-solving, refusal skills, and provide age-appropriate harm reduction strategies. Students are educated on making healthy choices for long-term well-being. Think Smart is taught by trained educators.

SUBJECT: Texas Workforce Commission (TWC) – Jobs and Education for Texans (JET) Grant

PRESENTER: Cynthia Wilson, Assistant Superintendent for Curriculum & Instruction

BACKGROUND INFORMATION

Earlier this year, Mission CISD was awarded a Jobs and Education for Texans (JET) Grant / Healthcare Internship Fund Project in partnership with Workforce Solutions (WFS) and the Texas Workforce Commission (TWC). This grant is designed to expand high-quality work-based learning opportunities for students enrolled in the district’s Health Science programs by providing stipend-supported hospital internships at Mission Regional Hospital and Rio Grande Regional Hospital. Under the associated Financial Agreement, the project will serve up to 120 students, each eligible to earn a stipend of up to \$585 for completing a six-week, 45-hour internship experience. All stipend payments are issued directly by WFS/TWC, ensuring Mission CISD does not handle or distribute funds.

In addition to supporting student internships, the approved budget includes an allocation of \$21,800 for professional development, licensure renewals, Continuing Education Units (CEU), and required healthcare training for five Health Science educators who supervise and facilitate these clinical experiences. These costs fall under the expenditure category labeled “Other” and operate on a reimbursement basis. Mission CISD must initially cover allowable educator-training expenses and subsequently submit documentation to WFS/TWC for reimbursement. Any unspent portion of this allocation may also be reimbursed to the district to acknowledge the staff time and administrative support associated with implementing the grant.

Administration is bringing this item to the Board for awareness and approval. Because the reimbursement structure may require the temporary use of district funds for cash-flow purposes. The agreement outlines shared responsibilities between Mission CISD and WFS/TWC, including eligibility determinations, activity-log verification, training documentation, and compliance with all federal and state requirements.

Overall, this grant strengthens Mission CISD’s Health Science pathways, enhances student access to clinical learning in high-demand healthcare fields, and supports educator credentialing aligned to industry standards—all while leveraging state and regional workforce resources to minimize district cost.

ADMINISTRATIVE CONSIDERATIONS

Because the educator training and certification expenses included under the “Other” category operate on a reimbursement basis, Mission CISD may need to temporarily utilize district funds to cover allowable professional development and licensure costs before seeking reimbursement from Workforce Solutions/TWC. This cash-flow requirement is the primary reason the item is being presented for Board awareness and approval. The reimbursement process outlined in the Financial Agreement includes required documentation, invoicing timelines, and compliance with allowable-cost principles established by TWC and the Workforce Innovation and Opportunity Act (WIOA).

Additionally, any funds within the \$21,800 allocation that are not expended on educator licensure or required training may be reimbursed back to Mission CISD to reflect staff time, coordination efforts, and administrative support provided throughout the grant period. All student stipends will continue to be issued directly by Workforce Solutions/TWC, reducing fiscal handling risks for the district and ensuring compliance with state and federal requirements.

FUNDING SOURCE / AND AMOUNT

CTE Funds – 161 = \$21,800.00

RECOMMENDATION

Administration recommends to proceed under the reimbursement structure as outlined in the Texas Workforce Commission (TWC) – Jobs and Education for Texans (JET) Grant, allowing the district to access grant-funded opportunities for students and educators while maintaining full compliance with the Financial Agreement and TWC expectations.

Each activity log must include all required signatures — the student intern, the hospital supervisor, and the assigned Mission CISD teacher or designee — and must reflect verified participation in internship activities.
 - Monitor and manage each student's internship hours to ensure participation does not exceed the maximum allowable limit of 45 hours per intern under this Agreement.
 - Submit copies of completed activity logs to the Board's subrecipient (One-Stop Contractor) on a biweekly basis, no later than three (3) business days following the end of each biweekly reporting period.
 - Although activity logs will be collected and reviewed biweekly, stipends will be issued only after the completion of the internship period and upon verification of final attendance, participation, and required documentation.

- Ensure proper documentation of stipend distribution. The assigned Mission CISD teacher or designee shall:
 - Distribute stipend checks to students upon notification from the Board;
 - Obtain each student’s signature acknowledging receipt of their stipend check, including the check number, amount, and date received;
 - Maintain a stipend receipt log containing all student acknowledgments; and
 - Submit the stipend receipt log to the Board’s subrecipient (One-Stop Contractor) as verification that each student received payment.
- Coordinate with the Board and its subrecipient to address program or performance issues in real time (e.g., attendance, conduct, or site concerns) and to ensure student participation in Board-led Job Readiness and Soft-Skills Training sessions.
- Submit and maintain a Board-approved Training Plan for the five (5) participating teachers, outlining training type (Basic Life Support/CPR, Stop the Bleed, and CEUs), costs, and training dates. Invoice the Board monthly for allowable training expenses (not to exceed \$4,360 per teacher or \$21,800 total) in accordance with the approved plan.
 - Invoices must be submitted no later than the tenth (10th) business day of the month following the month in which the training occurred and must include proof of completion, CEU verification, and supporting documentation for reimbursement.
 - Teacher Activity Logs will be required in order for Mission CISD to invoice for the facilitation of the internship and in order to justify an allowable percentage of costs for compensation.
- Identify at least three (3) student interns whose experiences may be featured as success stories or program highlights.
- Comply with all applicable federal, state, and local laws and regulations, including those issued by the U.S. Department of Labor, the Texas Workforce Commission (TWC), and the WIOA.

SUBJECT: School Library Materials – Titles Proposed for Procurement

PRESENTER: Cynthia Wilson, Assistant Superintendent for Curriculum and Instruction

BACKGROUND INFORMATION

Senate Bill 13 (SB 13) requires the Board of Trustees to approve all library materials that are either donated to or proposed for purchase by district libraries. A list of library materials proposed for procurement was posted for public review on the Mission CISD Library Services webpage on November 17, 2025. This posting initiated a required 30-day public review period, which will conclude on December 16, 2025. The proposed list was curated by district librarians, adhering to the mandatory collection development standards set by the Texas State Library and Archives Commission (TSLAC) and Board Policy EFB (Local). As of the preparation of this report, no public comments have been submitted regarding the proposed titles.

ADMINISTRATIVE CONSIDERATIONS

This list contains additional titles not included in the list approved by the board on October 8, 2025. Titles in this list include new releases and titles recently named to award lists, and other titles requested by librarians. Approval of this list will create a pre-approved collection of titles from which librarians can purchase materials as funding becomes available. This proactive approach ensures compliance while allowing for efficient and timely acquisition of resources for our students.

FUNDING SOURCE/AND AMOUNT

Library budgets as allocated; purchases will be made as funds become available.

RECOMMENDATION

Administration requests the procurement of the proposed school library material titles and approval to include the flexibility to purchase alternate ISBNs for the same title and author, which allows for the procurement of different formats (e.g., hardcover, paperback, special editions) as needed.

SUBJECT: Schematic Design for the Mission CISD District-Wide Roofing Repairs for the Marcell Elementary Roofing – EGV Architect

PRESENTER: Rick Rivera, Assistant Superintendent for Operations

BACKGROUND INFORMATION

Due to a severe hailstorm that occurred on April 21, 2023, and a severe windstorm that occurred on April 28, 2023, many of our campus and support services buildings were damaged to different extents. The District utilized the Job Ordering Contract to remediate and/or repair damage to District property that needed immediate repairs.

The Risk Management Department, along with the Business and Finance Department, immediately contacted our insurance carrier, Property Casualty Alliance of Texas, and have continued to work with them on our claims. Sedgwick Adjusters mobilized several adjusters and conducted inspections on all district buildings, climbing on top of all buildings and inspecting roofs and equipment mounted on the roofs.

Ms. Sylvia Cruz and Mr. Garcia have continued to work on the claims reimbursement in order to begin the repairs. Damage from both storms varied from very minor to major roof damage. At the maintenance department, part of the roof structure was completely torn away.

Estimated reimbursement per event:

Hail Storm April 21, 2023:	\$7,694,374.83
Wind Storm April 28, 2023:	\$1,033,003.78
Deductible #1:	\$ (100,000.00)
Deductible #2	<u>\$ (100,000.00)</u>
Est. Reimbursement:	\$8,527,379.00

Administration has been working closely with the insurance adjuster for an assessment of the damage to the roofs and other structures at campuses and several departments for the needed repairs, thus, we present the approval of the Project, Proposed Budget, and Request for Qualifications (RFQ's) for Professional Design Services for the Mission CISD Districtwide Roofing Repairs.

Repairs will be prioritized by safety and by damage; not all projects may require extensive or outside vendor repairs, and not all projects listed may be able to be completed with the estimated total claims reimbursement funds.

If approved by the Board of Trustees, the Purchasing Department will proceed with advertisements for this project. Request for Qualifications (RFQ's) will be advertised for professional design services, and Administration will schedule presentations to the Board for the selection. A ranking criteria will also need to be reviewed and approved.

Administration will use Competitive Sealed Proposals (CSPs) as the procurement method, as approved by the Board of Trustees in the February 2021 Board of Trustees meeting. This method was approved as the primary default method for projects.

The Board of Trustees must take the necessary action in accordance with the Texas

Education Code 44.035, which consisted of the selection/designation of an architect and/or engineer to prepare construction documents for this project. The engineer and/or architect selected or designated will have full responsibility for complying with the Texas Engineering Practice Act (Article 3271a, Vernon's Texas Civil Statutes) or Chapter 478, Acts of the 45th

Legislature, Regular Session, 1937 (Article 249a, Vernon’s Texas Civil Statues) as applicable.

If the engineer or architect is not a full-time employee of the District, the Board must select the engineer or architect on the basis of demonstrated competence and qualifications as provided by Section 2254.004, Government Code. The selected architect/engineer, along with preparing construction documents, will be required to provide MCISD with an estimated project budget.

The preliminary timeline is to advertise for RFQ’s on or about October, with presentations to the Board of Trustees for evaluation and ranking in November, with possible selection and approval to enter into a design contract in December. The amount of the design contract for this project will exceed the Board approved On-call threshold, thus a request for RFQ’s.

Note: Due to the number of roof projects that may need to be designed and the need for a quick turn-around for required designs for the repairs, Administration may present to the Board of Trustees a recommendation of more than one design team. Roof projects may be divided into design packages.

Note: As per the Finance department “Wind and Hail Storm” insurance presentation at the Workshop, any listed project that indicates “Replace” indicates that the roof is a “Total Loss” and is to be replaced, and if not, that building is un-insurable. Should the roof be older than the year 2010, we would only receive the depreciation value. For any roof that is within a total reimbursement amount and not budgeted for that amount, the district will receive full reimbursement. Reimbursements are to include other fees as architect/engineering fees, any over-time fees, and any costs required to meet new building codes.

At the Regular Board of Trustees meeting held on September 13, 2023, the Board approved the Project, Proposed Budget, Request for Qualifications (RFQ’s) for Professional Design Services, and Ranking Criteria for the Mission CISD Districtwide Roofing Repairs.

Advertisements in the local newspapers were posted on October 04, 2023, and October 11, 2023. The process is for the submittals to be reviewed by the Purchasing Department Staff and the Administration Ranking Team to assure that firms meet the criteria based on demonstrated expertise, competence, and qualifications. The submission of RFQ’s was on October 19, 2023, and seven (7) proposals were received. The Administration ranking team reviewed and pre-ranked the RFQ’s on October 23, 2023, at 2 p.m.. After the review, Administration will then recommend the top two firms to be reviewed and ranked in order of selection. The ranking team consisted of Mr. Adrian Hernandez, Maintenance Director, Mr. Leandro Ochoa, Maintenance Coordinator, Mr. Adan Rivera, Assistant Maintenance Coordinator, Mr. Ricardo Rivera, Assistant Superintendent for Operations, and Ms. Daisy Cuevas, Purchasing Specialist, who served as the facilitator.

Administration will be presenting Approval to Enter Into Negotiations in the Order of Ranking for the Request for Qualifications (RFQ’s) for Professional Design Services for the Mission CISD Districtwide Roofing Repairs.

Note: The Board may select one or two firms for this project.

At the Regular Board of Trustees meeting held on November 08, 2023, the Board approved EGV Architects and Raba Kistner for Professional Design Services for the Mission CISD Districtwide Roofing Repairs.

As per the insurance adjuster inspections, approximately seventy-two (72) roof structures have been deemed to be replaced. Fifty-one (51) are both campus and district building roofs, and twenty-one (21) are portable building composition shingle roofs.

Due to the large number of roof projects and the need to have them repaired as quickly as possible Administration presented, and the Board of Trustees approved to divide the projects with the two top-ranked design professionals, EGV Architects and Raba Kistner.

At the Regular Board of Trustees meeting held on December 13, 2023, the Board approved that the Administration continue to negotiate the Best and Final Offer (BAFO) for Professional Design Services for the Mission CISD Districtwide Roofing Repairs with EGV Architects and Raba Kistner.

At the Regular Board of Trustees meeting held on February 21, 2024, the Board approved EGV Architects 6.5% construction cost fee for design and project administration, and Administration added two additional roof projects to his original listing. The additions are the Maintenance building and the Annex building. Thus, the Administration requested to amend the contract for EGV Architects for the Mission CISD district-wide roofing repairs projects.

At this same meeting, Administration advised the Board of Trustees that after continuous negotiation efforts with Raba Kistner and with the assistance of our Legal Counsel, we were unable to come into a contract agreement, and negotiations were ceased. Administration presented to enter into negotiations with the next two highest-ranked firms, being Amtech Solutions and Armko Industries Inc.. The remaining roof projects will be divided between the two firms if an agreement is reached.

Project negotiation meetings were held on February 22, 2024, one meeting was with Mr. James Robbins and Ms. Chloe Gohr from Amtech Solutions. On February 26, 2024, a meeting was held with Mr. Travis Jones from Armko Industries Inc., Mr. Leandro Ochoa, and Mr. Adrian Hernandez from MCISD conducted negotiations.

Armko was allowed an opportunity to review their initial BAFO; however, they remained at their initial proposal of 6.5% of the construction cost.

The Board of Trustees has the option to accept each separate BAFO, to decline the offer(s), and direct Administration to enter into negotiations with the next firm(s), or to reject all offer(s) and re-advertise the project using the same specifications. If approved, Administration will work with our legal counsel to write and execute the contracts so that the design team(s) can begin as soon as possible.

At the Regular Board of Trustees meeting held on March 20, 2024, the Board approved Amtech Solutions Best and Final Offer (BAFO) of 6.25 % of the Construction cost for the remaining roof projects.

At this same meeting, EGV Architects' temporary design for the Annex and Central Office was placed on hold since the final designs would be presented in April's Board meeting.

EGV Architects and Administration continued to meet on the design for the Annex and Central Office. EGV Architects presented the Construction Documents for the Mission CISD Central Office and Annex buildings. If approved, we will continue to move forward to advertise and possibly award the project. Since this is the final roof design, no temporary roofing is required.

Since the design was not as complicated, the schematic and final designs have been combined in the approval presentation.

As per meetings with Administration and the Insurance Carrier, any costs above and beyond their estimated cost proposals will be covered. Estimated costs do not include any and all professional design fees and will be covered separately.

Schematic Design:

Rough sketches that develop a feasible conceptual design of the project.

Construction Documents:

Communicating the design intent through further refinement of the written and graphic representation of all building materials, components, and equipment that can be quantified and are useful to contractors

At the Regular Board of Trustees meeting held on April 10, 2024, the Board approved Construction Documents for the Mission CISD Central Office and Annex buildings.

Advertisements in local newspapers were posted from April 13, 2024, through April 28, 2024. The process is for the submittals to be reviewed by the Purchasing Department Staff and the Administration Ranking Team to assure that firms meet the criteria based on demonstrated expertise, competence, and qualifications. The submission of CSP’s was due on April 28, 2024, for proposals to be received. The Administration ranking team reviewed and pre-ranked the CSP’s on April 30, 2024, at 9 a.m.. After the review, Administration will then recommend the top firms to be ranked in order of selection. The ranking team will consist of Mr. Adrian Hernandez, Mr. Leandro Ochoa, Mr. Adan Rivera, Ms. Anabel Garza, and Mr. Daniel Carmona, who will serve as the facilitators.

Administration will be presenting Approval to Enter Into Negotiations in the Order of Ranking for the General Construction Services and Ranking Criteria for the Mission CISD District-wide Roofing Repairs for the Mission CISD Central Office and Annex Buildings.

PROS & CONS:

Roof Area – 1-4

Replacement

Pros

- Improve insulation thermal R-value
- Remove existing roofing to deck,
- Repair any damaged deck
- Provides a reflective coating
- Better at solving existing problems

Cons

- More expensive option
- Partially cover by insurance

SUBJECT: AEP SCORE Check Presentation to the Board of Trustees

PRESENTER: Epigmenio “TJ” Gonzalez, Director for Maintenance

BACKGROUND INFORMATION

The SCORE/City Smart Program is an energy efficiency program sponsored by AEP Texas to help participants reduce energy operating costs. The SCORE/City Smart Program offers a range of no-cost services, including:

- Technical assistance
- Cash incentives
- Communications expertise

ADMINISTRATIVE CONSIDERATION

AEP Texas SCORE/City Smart is excited to present Mission CISD with an incentive check for \$6,301.00. Please see the project completion report below for additional details, including savings and incentives by project.

Project	kW Saved	kWh Saved	Incentive \$
Bryan ES Chiller RTR	24.65	31,165	\$4,930.00
Bryan ES VFDs on AHU	1.32	22,020	\$198.00
Annex Rf RTR	3.02	13,454	\$453.00
Admin Rf RTR	4.80	21,414	\$720.00
Total	28.99	88,053	\$6,301.00

While the incentive check is intended to help motivate energy efficiency upgrades within Mission CISD, it represents a fraction of what the total energy savings will be from these improvements. Beyond the financial benefits of energy efficiency, the SCORE/City Smart Program can help partners improve the comfort and productivity of buildings, generate positive publicity within the community, and help reduce the ecological and community impact of facility operations. We look forward to providing continued support in helping to identify opportunities to increase energy efficiency throughout the facilities.

Mr. Alberto “Beto” Espinoza from CLEAResult will present a check at the Regular Board meeting held on December 17, 2025.

Re: Internal Audit Quarterly Report

This report summarizes the internal audit activities from July 1, 2025 through September 30, 2025.

Internal Auditing is an independent appraisal activity established within the District to examine and evaluate its activities. The objective of internal auditing is to assist the Board of Trustees, Superintendent, and management of the District in the effective discharge of their responsibilities by furnishing them with analysis, recommendations, and information concerning the activities reviewed. Types of internal audits that may be conducted include 1) financial, 2) compliance, 3) efficiency, economy, effectiveness, and 4) special reviews.

ACTIVITY FUNDS

Activity funds, which include both campus and student activity funds, are considered an area of high risk because the majority of the revenues are received in the form of actual cash, the number of individuals (employees and students) handling collections and the perception of the community. During the quarter covered by this report, I reviewed fundraiser applications, fundraiser reports, journal entries related to Activity funds and the monthly income statement reports. A total of 274 fundraiser applications were approved this quarter. I also conducted campus training sessions.

Activity Funds Income Statement Report

The Finance Department typically prepares a monthly income statement report for all campus and student activity funds. This report reflects columns for the beginning balance, receipts, encumbrances, expenditures and the ending balance. Each campus receives a report for the activity of their campus. I assist in generating and creating the reports that Finance Department needs for preparation of the monthly income statement. The last income statement report prepared was for the first quarter ending September 30, 2025. This report reflected a beginning balance at July 1, 2025 of \$1,236,723, year-to-date receipts of \$583,782, encumbrances of \$231,226, expenditures of \$316,592 and an ending balance at September 30, 2025 of \$1,272,687.

Activity Funds should typically be spent in the year earned or collected. The bank account used for these funds is an interest-bearing account that is pooled with other District funds. In past years, excess balances were sometimes invested in certificates of deposit, however, currently there are no investments. The net interest earnings for the activity funds for the quarter ending September 30, 2025 was \$6,232. Interest income will be distributed to the campuses based on their ending balances at the end of the fiscal year.

Attached is a summary report of the balances of campus and student activity funds by campus. My power point presentation that I prepared in conjunction with this report also includes activity fund balances.

Training Sessions on Activity Funds

During the quarter, I updated the *Activity Funds Manual* for the 2025-2026 school year and my related presentations. I participated as one of the presenters at the *Leadership Academy* on July 22nd for campus and district administrators. On July 31st, I was also one of the presenters at the *Annual Finance Training*. Secretaries, activity clerks, and some campus principals were in attendance at that training. In addition to activity fund procedures, I presented information regarding the use of the fraud hotline, the board policies that address fraud and the requirement to report actual or suspected fraud. I also provided individual training sessions to a new elementary secretary and a new junior high activity clerk.

Additionally, I conducted training sessions for secondary campus teachers and club sponsors that outlined the basic requirements that teachers must follow in requesting fundraisers and handling cash collected from students. The trainings are held at the campuses in order to accommodate teacher schedules and allow the staff to ask questions that pertain to their campus. Trainings were held at Alton Memorial Jr. High School on August 5th; Mission High School, Mission Jr. High School, K. White Jr. High School, and Mission Collegiate High School on August 6th; and Veterans Memorial High School and R. Cantu Jr. High School on August 8th.

PARENT TEACHER ORGANIZATIONS AND BOOSTER CLUBS

Parent organizations, including Parent Teacher Organizations (PTO's) and booster clubs, are separate, legal entities responsible for their own finances. District requirements include that these organizations submit an annual registration form, bylaws, officer contact information and financial report. Parent organizations that fundraise on District property must also submit a fundraiser application. District employees are not allowed to have control or signature authority over parent organization. In addition, all student fundraising is required to be processed through Campus and Student Activity funds. During this quarter I reviewed forms and fundraiser applications submitted by these parent organizations.

ANNUAL FINANCIAL STATEMENT AUDIT

Much of my time this quarter has been spent related to the annual financial statement audit for fiscal year 2025. Each year I assist in coordinating the audit process by reviewing schedules prepared for the audit, requesting information from the various departments for the auditors, updating the audit confirmation letters, and preparing the notes to the financial statements and statistical tables for review by the external auditors.

During this past quarter, I reviewed various schedules and reconciliations prepared by payroll and finance departments for the audit including: the payroll accrual, property taxes, foundation revenues, salary reconciliation, schedule of expenditures of federal awards (SEFA), schedule of state/private grants accounted for in special revenue funds, mandated state programs, CNP indirect cost calculation, bank reconciliations, prepaid expenditures and accounts payable. I also reviewed the schedules for leases (GASB 87) and SBITAs (GASB 96), which the district reports as prepaid expenditures and assisted with some of the related adjustments. This internal review of audit schedules/reconciliations is an important step in the audit process to help ensure any errors are corrected before items are submitted to the external auditors.

Additionally, during the quarter, I reconciled the workers comp liability and escrow account, prepared the necessary adjustments and adjusted the liability account for the health insurance claims to the actuary report. I also assisted in analyzing the TRS liability accounts and completed the GASB 68/75 template for recording liabilities related to pensions (TRS) and other post-employment benefits (TRS Care). In addition, I completed the schedules for the Scholarship and Student Activity Funds that are used to create the statement of changes in net position for these fiduciary funds, and updated the long-term debt schedules. I also assisted by preparing various end-of-year adjustments for inventory, the QSCB escrow account, long-term debt, fund balance restrictions, and general fund operating transfers.

After the finance department processed the year-end closing, I created the ASCII file containing the year-end account balances and uploaded it to AuditWare, the software program that I use to generate preliminary financial statements and schedules to ensure that we prepare all of the necessary adjustments. However, the external auditors prepare the final financial statements which include the government-wide financial statements. I prepare the notes to the financial statements and the necessary financial statement adjustments to cash and interfund payable accounts for the proper presentation in the combining financial statements.

The external auditors began work on the annual audit in June and continued throughout this quarter with test of controls and year-end fieldwork testing. Various samples tested included bids, purchase orders, Activity Funds, health insurance and workers comp claims, TRS, payroll, human resources, IT applications, and student coding. The federal program selected as a major program for Single Audit purposes was Title I Part A (ALN 84.010.) Approximately \$1.5M was transferred from Title II Part A (Fund 255) and Title IV Part A (Fund 289) to Title I Part (Fund 211) as allowed under funding transferability and included in the program tested.

MISCELLANEOUS

As a Certified Public Accountant, I am required to obtain 40 hours of continuing professional education each year. In July, I attended the *Texas Schools Accounting and Auditing Update* seminar by Education Management Information Systems held virtually. Some of the topics covered included new GASB statements, the OMB Compliance Supplement, changes to Uniform Guidance, and TEA reporting requirements. In September, I attended the TASBO *Internal Audit Academy* that was also held virtually. Some of the topics included campus audits, revenue collection, fraud issues, and global internal audit standards.

Additionally, during this past quarter I attended a virtual meeting of the Coordinated School Health Committee (CSH) and an in-person meeting of the School Health Advisory Council (SHAC).

If you have any questions or need additional information regarding this report, please don't hesitate to contact me.

Respectfully submitted,

PRESENTER: Jaime Lopez, Assistant Superintendent for Business and Finance

BACKGROUND INFORMATION

Mission Consolidated Independent School District is considering an order authorizing the issuance of its *Unlimited Tax Refunding Bonds, Series 2026*. The primary purpose of these bonds is to refund certain outstanding District bonds (“Refunded Bonds”), as listed in Exhibit B, in order to achieve a required minimum net present value savings and reduce the District’s overall debt costs.

The order authorizes a designated *Pricing Officer* to finalize key bond terms—including interest rates, maturity schedule, redemption provisions, sale method (competitive, negotiated, or private placement), and the final principal amount—so long as parameters established by the Board are satisfied. The refunding may be executed through either an escrow agreement with an Escrow Agent or a direct deposit with the paying agent for the Refunded Bonds, ensuring full defeasance of those bonds.

To secure repayment, the District irrevocably pledges an unlimited ad valorem tax on all taxable property within the District. A special *Debt Service Fund* is established to receive tax collections, state aid (if applicable), and other pledged revenues for payment of principal and interest on the new bonds.

The order also approves related legal and financial documents, including bond forms, the Paying Agent/Registrar Agreement, and (if applicable) the use of the Texas Permanent School Fund Guarantee Program. It further sets forth requirements for maintaining federal tax-exempt status, continuing disclosure compliance, redemption procedures, and provisions for potential defeasance of the new bonds.

ADMINISTRATIVE CONSIDERATIONS

Overall, the action provides the District with the authority and flexibility needed to refinance existing debt at lower cost, while ensuring compliance with all state and federal requirements governing public bond issuance.

If any officer of the District whose manual or facsimile signature shall be on the Bonds shall cease to be such officer before the authentication of such Bonds or before the delivery of such Bonds, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes as if such officer had remained in such office.

5. **Approval by Attorney General; Registration by Comptroller.** The Bonds to be initially issued shall be delivered to the Attorney General for approval and shall be registered by the Comptroller. Such duly executed certificate of authentication shall be conclusive evidence that the Bond so authenticated was delivered by the Paying Agent/Registrar hereunder.

7. **Payment of Principal and Interest.** The Paying Agent/Registrar is hereby appointed as the registrar and paying agent for the Bonds pursuant to the terms and provisions of the Paying Agent/Registrar Agreement, a substantial copy of which is attached hereto as Exhibit C, which is hereby authorized and approved by the Board and which the appropriate officials of the District are hereby authorized to execute. The Pricing Officers of the District, acting severally and individually, are each hereby authorized to execute, attest, and affix the District's seal to the Paying Agent/Registrar Agreement, the terms and provisions of which are hereby approved. Such initial registrar and paying agent and any successor, by undertaking the performance of the duties of the registrar and paying agent hereunder, and in consideration of the payment of any fees pursuant to the terms of the agreement between the Paying Agent/Registrar and the District and/or the deposits of money pursuant to this Order, shall be deemed to accept and agree to abide by the terms of this Order. All money transferred to the Paying Agent/Registrar in its capacity as registrar or paying agent for the Bonds under this Order (except any sums representing registrar or paying agent fees)

shall be held in trust for the benefit of the District, shall be the property of the District and shall be disbursed in accordance with this Order. Subject to the provisions of Section 16 of this Order, all matured Bonds presented to the Paying Agent/Registrar for payment shall be paid without the necessity of further instructions from the District. Such Bonds shall be canceled as provided herein.

The principal and Maturity Amount of the Bonds shall be payable, without exchange or collection charges, in any coin or currency of the United States of America which, on the date of payment, is legal tender for the payment of debts due the United States of America, upon their presentation and surrender as they respectively become due and payable at the principal payment office of the Paying Agent/Registrar. Any accrued interest payable at maturity or redemption on a Current Interest Bond shall be paid upon presentation and surrender of such Bond at the principal payment office of the Paying Agent/Registrar.

If the date for payment of the principal or Maturity Amount of or interest on any Bond is not a Business Day, then the date for such payment shall be the next succeeding Business Day with the same force and effect as if made on the date payment was originally due.

8. Successor Paying Agent/Registrars. The District covenants that at all times while any Bonds are outstanding it will provide a legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar for the Bonds. The District reserves the right to change the Paying Agent/Registrar for the Bonds on not less than sixty (60) days' written notice to the Paying Agent/Registrar, as long as any such notice is effective not less than 60 days prior to the next succeeding principal or interest payment date on the Bonds. Promptly upon the appointment of any successor Paying Agent/Registrar, the previous Paying Agent/Registrar shall deliver the Register or a copy thereof to the new Paying Agent/Registrar, and the new Paying Agent/Registrar shall notify each Owner, by United States mail, first class postage prepaid, of such change and of the address of the new Paying Agent/Registrar. Each Paying Agent/Registrar hereunder, by acting in that capacity, shall be deemed to have agreed to the provisions of this Order.

9. Special Record Date. If interest on any Current Interest Bond is not paid on any Interest Payment Date and continues unpaid for thirty (30) days thereafter, the Paying Agent/Registrar shall establish a new record date for the payment of such interest, to be known as a Special Record Date. The Paying Agent/Registrar shall establish a Special Record Date when funds to make such interest payment are received from or on behalf of the District. Such Special Record Date shall be fifteen (15) days prior to the date fixed for payment of such past due interest and notice of the date of payment and the Special Record Date shall be sent by United States mail, first class, postage prepaid, not later than five (5) days prior to the Special Record Date, to each Owner of record of an affected Current Interest Bond as of the close of business on the Business Day prior to the mailing of such notice.

as the absolute Owner of such Bond for the purpose of making and receiving payment of the principal or Maturity Amount of or interest on such Bond and for all other purposes, whether or not such Bond is overdue, and neither the District nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary. All payments made to the person deemed to be the Owner of any Bond in accordance with this Section shall be valid and effectual and shall discharge the liability of the District and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

To the extent such provisions of the Property Code do not apply to the funds, such funds shall be paid by the Paying Agent/Registrar to the District upon receipt by the Paying Agent/Registrar of a written request therefor from the District. The Paying Agent/Registrar shall have no liability to the Owners of the Bonds by virtue of actions taken in compliance with this Section.

If the Bonds are issued pursuant to an Investor Letter, any such transfer will be further subject to the terms of transfer described in such Investor Letter.

Each Bond shall be transferable only upon the presentation and surrender thereof at the principal corporate trust office of the Paying Agent/Registrar, duly endorsed for transfer or accompanied by an assignment duly executed by the Registered Owner or his authorized representative in form satisfactory to the Paying Agent/Registrar. Upon due presentation of any Bond in proper form for transfer, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor, within seventy-two (72) hours after such presentation, a new Bond or Bonds, registered in the name of the transferee or transferees, in authorized denominations and of the same maturity and aggregate principal amount or Maturity Amount and bearing interest at the same rate as the Bond or Bonds so presented.

The Paying Agent/Registrar shall be and is hereby authorized to authenticate and deliver exchange Bonds in accordance with the provisions of this Section. Each Bond delivered in accordance with this Section shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such Bond is delivered.

with the transfer or exchange of such Bond. Any fee or charge of the Paying Agent/Registrar for such transfer or exchange shall be paid by the District.

The Paying Agent/Registrar shall not be required to transfer or exchange any Bond called for redemption in whole or in part during the 45-day period immediately prior to the date fixed for redemption; provided, however, that such limitation shall not apply to the transfer or exchange by the Owner of the unredeemed portion of a Bond called for redemption in part.

12. Book-Entry Only System. Unless otherwise determined by the Pricing Officer in the Pricing Certificate, the definitive Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks being mailed to the Owner at the close of business on the Record Date, the word “Cede & Co.” in this Order shall refer to such new nominee of DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the District and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (a) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (b) the delivery to any DTC Participant or any other person, other than a Bondholder, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption or (c) the payment to any DTC Participant or any other person, other than a Bondholder, as shown in the Register, of any amount with respect to principal or Maturity Amount of Bonds, premium, if any, or interest on the Bonds.

Except as provided in Section 15 of this Order, the District and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute Owner of such Bond for the purpose of payment of principal or Maturity Amount, of premium, if any, and of interest on Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal or Maturity Amount of Bonds, premium, if any, and interest on the Bonds only to or upon the order of the respective owners, as shown in the Register as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District’s obligations with respect to payment of principal or Maturity Amount, of premium, if any, and of interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner shall receive a Bond certificate evidencing the obligation of the District to make payments of amounts due pursuant to this Order.

13. Payments and Notices to Cede & Co. Notwithstanding any other provision of this Order to the contrary, as long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal or Maturity Amount, premium, if any, and interest on the Bonds, and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the representation letter of the District to DTC.

14. Successor Securities Depository; Transfer Outside Book-Entry Only System. In the event that the District or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter of the District to DTC, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certified Bonds, the District or the Paying Agent/Registrar shall (a) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (b) notify DTC of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Bondholders transferring or exchanging Bonds shall designate, in accordance with the provisions of this Order.

15. Mutilated, Lost or Stolen Bonds. Upon the presentation and surrender to the Paying Agent/Registrar of a damaged or mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like maturity, interest rate and principal amount or Maturity Amount bearing a number not contemporaneously outstanding. The District or the Paying Agent/Registrar may require the Owner of a damaged or mutilated Bond to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith, including the fees and expenses of the Paying Agent/Registrar.

If any Bond is lost, apparently destroyed, or wrongfully taken, the District, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall execute and the Paying Agent/Registrar shall authenticate and deliver a replacement Bond of like maturity, interest rate and principal amount or Maturity Amount, bearing a number not contemporaneously outstanding. The District or the Paying Agent/Registrar may require the Owner of a lost, apparently destroyed or wrongfully taken Bond, before any replacement Bond is issued, to:

(a) furnish to the District and the Paying Agent/Registrar satisfactory evidence of the ownership of and the circumstances of the loss, destruction, or theft of such Bond;

(b) furnish such security or indemnity as may be required by the Paying Agent/Registrar and the District to save them harmless;

(c) pay all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that may be imposed; and

(d) meet any other reasonable requirements of the District and the Paying Agent/Registrar.

If, after the delivery of a replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the District and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the District or the Paying Agent/Registrar in connection therewith.

If any such mutilated, lost, apparently destroyed, or wrongfully taken Bond has become or is about to become due and payable, the District in its discretion may, instead of issuing a replacement Bond, authorize the Paying Agent/Registrar to pay such Bond.

Each replacement Bond delivered in accordance with this Section shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

16. Cancellation of Bonds. All Bonds paid or redeemed in accordance with this Order, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance herewith, shall be canceled and destroyed upon the making of proper records regarding such payment. The Paying Agent/Registrar shall furnish the District with appropriate certificates of destruction of such Bonds.

17. Redemption Prior to Maturity. The Bonds shall be subject to redemption prior to maturity on such dates, at such prices and in such amounts as shall be provided in the Pricing Certificate and upon the terms and conditions set forth in Exhibit A to this Order.

18. Forms. The forms of the Current Interest Bonds and the Premium Capital Appreciation Bonds, including the form of the Registrar's Authentication Certificate, the form of Assignment and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas, which shall be attached or affixed to the Bonds initially issued shall be, respectively, substantially as shown in Exhibit A hereto, with such additions, deletions and variations as determined by a Pricing Officer, including any insurance legend or statement, as may be necessary or desirable and not prohibited by this Order.

19. Opinion of Bond Counsel; CUSIP. The approving opinion of the Perez Law Firm, PLLC, McAllen, Texas, Bond Counsel, and CUSIP Numbers may be printed on the Bonds, but errors or omissions in the printing of such opinion or such numbers shall have no effect on the validity of the Bonds.

20. Debt Service Fund; Tax Levy. A special fund to be designated "Mission Consolidated Independent School District Unlimited Tax Refunding Bonds, Series 2026 Debt Service Fund" (the "Debt Service Fund") is hereby created. The proceeds from (i) all taxes levied, assessed, and collected for and on account of the Bonds authorized by this Order and (ii) state aid, if any, that is required by law to be deposited into the Debt Service Fund shall be deposited, as collected, in the Debt Service Fund. Money on deposit in the Debt Service Fund may, at the option

of the District, be invested as permitted under Texas law, provided that all such investments shall be made in such manner that the money will be available at the proper time or times. For purposes of maximizing investment returns, money in the Debt Service Fund may be invested with other money of the District in common investments, or in a common pool of investments, which shall not be deemed to be or constitute a commingling of such money as long as safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by the Debt Service Fund are held by or on behalf of the Debt Service Fund. Money in the Debt Service Fund may, to the extent necessary, be used to make any required payments to the federal government under the Code to assure that interest on the Bonds is excludable from gross income for federal income tax purposes.

While the Bonds or any part of the principal thereof or interest thereon remain outstanding and unpaid, there is hereby levied and there shall be annually assessed and collected in due time, form and manner, and at the same time as other District taxes are assessed, levied and collected, in each year, beginning with the current year, a continuing direct annual ad valorem tax upon all taxable property in the District, without legal limit as to rate or amount, sufficient to pay the interest on the Bonds as the same becomes due and to pay each installment of the principal of the Bonds as the same matures, full allowance being made for delinquencies and costs of collection; provided, however, that the amount of tax levied shall take into account the proceeds of state aid payments, if any, on deposit in the Debt Service Fund for the Bonds and required for compliance with Section 45.0031, Texas Education Code. Such taxes are hereby irrevocably pledged to the payment of the principal of and interest on the Bonds and to no other purpose.

21. Sale and Delivery of Bonds, Approval of Bond Purchase Agreement, Insurance, Purchaser's Bid or Investor letter; Rating. A Pricing Officer, acting severally and individually, is hereby authorized to act for and on behalf of the District in connection with the issuance and sale of the Bonds. In that capacity, a Pricing Officer, acting for and on behalf of the District, shall determine (a) the date for issuance and sale of the Bonds and (b) subject to the limitations of Sections 2 and 3, the aggregate principal amount and the principal amortization schedule for the Bonds, the rate or rates of interest to be borne by the Bonds, the price of the Bonds (which shall be not less than ninety-five percent (95%) of the par amount of the Bonds, plus any accrued interest thereon), the dates on which such interest shall be payable, the terms, if any, on which the Bonds shall be subject to optional and mandatory redemption and other terms and conditions relating to the issuance, sale and delivery of the Bonds including the determination to utilize or not utilize municipal bond insurance or the Permanent School Fund Guarantee Program of the State of Texas, all as shall be set forth in the Pricing Certificate; provided, that at the time of issuance of the Bonds, a Pricing Officer, on behalf of the District, shall deliver a written certificate (i) stating that the parameters set forth in Section 2(b) have been satisfied (including a statement as to the present value savings as a percent of the Refunded Bonds), (ii) identifying the Refunded Bonds and setting forth the terms and details for the redemption prior to maturity (if applicable) of the Refunded Bonds and (iii) setting forth the amount of proceeds of the Bonds to be deposited with the paying agent for the Refunded Bonds or in the escrow fund established in accordance with the Escrow Agreement.

A Pricing Officer, acting severally and individually, is authorized to determine whether the bonds will be sold by means of a negotiated sale, a competitive sale, or a private placement. As

applicable, a Pricing Officer, acting severally and individually, is authorized to: (i) designate in the Pricing Certificate and Bond Purchase Agreement the senior managing underwriter for the Bonds and such additional underwriters as he or she deems appropriate; (ii) designate the in the Pricing Certificate and by means of acceptance of a bid the Purchaser in a competitive sale as he or she deems appropriate; or (iii) designate in the Pricing Certificate and Investor Letter such Purchaser in a private placement as he or she deems appropriate, in each case to assure that the Bonds are sold on the most advantageous terms to the District; and, a Pricing Officer, acting severally and individually, for and on behalf of the District, is authorized to execute and deliver the Bond Purchase Agreement, Purchaser's bid or Investor Letter providing for the sale of Bonds at such price, with and subject to such terms as determined by a Pricing Officer pursuant to this Section 21. Such Bond Purchase Agreement, Purchaser's Bid or Investor Letter shall be substantially in the form and substance previously approved by the Board or commonly approved by other boards of trustees (as determined by Bond Counsel) in connection with the authorization of unlimited tax bonds with such changes as are acceptable to a Pricing Officer. In the event the Bond Purchase Agreement or Investor Letter shall not be executed, or a Purchaser's bid has not been executed and accepted by a Pricing Officer on or before 5:00 p.m. on the 180th day after the date of the approval of this Order, the delegation to a Pricing Officer pursuant to this Order shall cease to be effective unless the District shall act to extend such delegation.

The obligation of the Purchaser to accept delivery of the Bonds shall be subject to the Purchaser being furnished with the final, approving opinion of the Perez Law Firm, PLLC, McAllen, Texas, Bond Counsel for the District, which opinion shall be dated as of and delivered on the date of delivery of the Bonds to the Purchaser. The engagement of such firm as Bond Counsel for the District in connection with the issuance, sale and delivery of the Bonds is hereby approved, ratified, and confirmed. Bond Counsel may seek Special Tax Counsel for certain tax matters and an opinion related to the Bonds.

The District hereby acknowledges that the sale of the Bonds may be contingent upon the guarantee of the Permanent School Fund of the State of Texas or the issuance of a policy of municipal bond insurance. A Pricing Officer is authorized to apply for and pay any costs associated with (i) the guarantee of the principal of and interest on the Bonds by the Permanent School Fund of the State of Texas or (ii) one or more municipal bond insurance policies to guarantee the payment of the principal of and interest on the Bonds, which guarantee or insurance shall be specified in the Pricing Certificate; and, any acts of a Pricing Officer relating to applications for any such guarantee or insurance are hereby authorized, approved, ratified and confirmed. The Pricing Certificate may contain provisions related to the Permanent School Fund or bond insurance policies, if any, including payment provisions thereunder, and the rights of the bond insurer(s), and any such provisions shall be read and interpreted as an integral part of this Order. The appropriate officials and representatives of the District are hereby authorized and directed to execute such commitments, agreements (including reimbursement agreements), certificates and other documents and to do any and all things necessary or desirable to obtain any such guarantee or insurance, and the printing on the Bonds of an appropriate legend or statement regarding such guarantee or insurance, as provided by the Texas Education Agency or a bond insurer for the Bonds, is hereby approved.

The Pricing Officers, each acting severally and individually, are hereby authorized to take such action as they deem necessary or appropriate in seeking ratings on the Bonds from one or more nationally recognized rating agencies, and any such action is hereby ratified and confirmed.

22. Covenants to Maintain Tax Exempt Status. For any Bonds for which the District intends that the interest on the Bonds shall be excludable from gross income of the owners thereof for federal income tax purposes pursuant to Sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), and all applicable temporary, proposed and final regulations (the “Regulations”) and procedures promulgated thereunder and applicable to the Bonds: For this purpose, the District covenants that it will monitor and control the receipt, investment, expenditure and use of all gross proceeds of the Bonds (including all property the acquisition, construction or improvement of which is to be financed directly or indirectly with the proceeds of the Bonds) and take or omit to take such other and further actions as may be required by Sections 103 and 141 through 150 of the Code and the Regulations to cause interest on the Bonds to be and remain excludable from the gross income, as defined in Section 61 of the Code, of the owners of the Bonds for federal income tax purposes. Without limiting the generality of the foregoing, the District shall comply with each of the following covenants:

- (a) The District will use all the proceeds of the Bonds to (i) provide funds for the purposes described in Section 2 hereof, which will be owned and operated by the District and (ii) to pay the costs of issuing the Bonds.
- (b) The District will not directly or indirectly take any action, or omit to take any action, which action or omission would cause the Bonds to constitute “private activity bonds” within the meaning of Section 141(a) of the Code.
- (c) Principal of and interest on the Bonds will be paid solely from ad valorem taxes collected by the District and investment earnings on such collections.
- (d) Based upon all facts and estimates now known or reasonably expected to be in existence on the date the Bonds are delivered, the District reasonably expects that the proceeds of the Bonds will not be used in a manner that would cause the Bonds or any portion thereof to be an “arbitrage bond” within the meaning of Section 148 of the Code.
- (e) At all times while the Bonds are outstanding, the District will identify and properly account for all amounts constituting gross proceeds of the Bonds in accordance with the Regulations. The District will monitor the yield on the investments of the proceeds of the Bonds and, to the extent required by the Code and the Regulations, will restrict the yield on such investments to a yield which is not materially higher than the yield on the Bonds. To the extent necessary to prevent the Bonds from constituting “arbitrage bonds,” the District will make such payments as are necessary to cause the yield on all yield restricted nonpurpose investments allocable to the Bonds to be less than the yield that is materially higher than the yield on the Bonds.

- (f) The District will not take any action or knowingly omit to take any action that, if taken or omitted, would cause the Bonds to be treated as “federally guaranteed” obligations for purposes of Section 149(b) of the Code.
- (g) The District represents that not more than fifty percent (50%) of the proceeds of the Bonds will be invested in nonpurpose investments (as defined in Section 148(f)(6)(A) of the Code) having a substantially guaranteed yield for four years or more within the meaning of Section 149(g)(3)(A)(ii) of the Code, and the District reasonably expects that at least eighty-five percent (85%) of the spendable proceeds of the Bonds will be used to carry out the governmental purpose of the Bonds within the three-year period beginning on the date of issue of the Bonds.
- (h) The District will take all necessary steps to comply with the requirement that certain amounts earned by the District on the investment of the gross proceeds of the Bonds, if any, be rebated to the federal government. Specifically, the District will
 - (i) maintain records regarding the receipt, investment, and expenditure of the gross proceeds of the Bonds as may be required to calculate such excess arbitrage profits separately from records of amounts on deposit in the funds and accounts of the District allocable to other obligations of the District or moneys which do not represent gross proceeds of any obligations of the District and retain such records for at least six years after the day on which the last outstanding Bond is discharged,
 - (ii) account for all gross proceeds under a reasonable, consistently applied method of accounting, not employed as an artifice or device to avoid in whole or in part, the requirements of Section 148 of the Code, including any specified method of accounting required by applicable Regulations to be used for all or a portion of any gross proceeds, (iii) calculate, at such times as are required by applicable Regulations, the amount of excess arbitrage profits, if any, earned from the investment of the gross proceeds of the Bonds and (iv) timely pay, as required by applicable Regulations, all amounts required to be rebated to the federal government. In addition, the District will exercise reasonable diligence to assure that no errors are made in the calculations required by the preceding sentence and, if such an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter, including payment to the federal government of any delinquent amounts owed to it, interest thereon and any penalty.
- (i) The District will not directly or indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Bonds that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if such arrangement had been at arm's length and had the yield on the Bonds not been relevant to either party.
- (j) The District will timely file or cause to be filed with the Secretary of the Treasury of the United States the information required by Section 149(e) of the Code with respect to the Bonds on such form and in such place as the Secretary may prescribe.

- (k) The District will not issue or use the Bonds as part of an “abusive arbitrage device” (as defined in Section 1.148-10(a) of the Regulations). Without limiting the foregoing, the Bonds are not and will not be a part of a transaction or series of transactions that attempts to circumvent the provisions of Section 148 of the Code and the Regulations, by (i) enabling the District to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage, or (ii) increasing the burden on the market for tax-exempt obligations.
- (l) Proper officers of the District charged with the responsibility for issuing the Bonds are hereby directed to make, execute, and deliver certifications as to facts, estimates or circumstances in existence as of the date of issuance of the Bonds and stating whether there are facts, estimates or circumstances that would materially change the District's expectations. On or after the date of issuance of the Bonds, the District will take such actions as are necessary and appropriate to assure the continuous accuracy of the representations contained in such certificates.
- (m) The covenants and representations made or required by this Section are for the benefit of the Bond holders and any subsequent Bond holder and may be relied upon by the Bond holders and any subsequent Bond holder and bond counsel to the District.

In complying with the foregoing covenants, the District may rely upon an unqualified opinion issued to the District by nationally recognized bond counsel that any action by the District or reliance upon any interpretation of the Code or Regulations contained in such opinion will not cause interest on the Bonds to be includable in gross income for federal income tax purposes under existing law.

Notwithstanding any other provision of this Order, the District's representations and obligations under the covenants and provisions of this Section shall survive the defeasance and discharge of the Bonds for as long as such matters are relevant to the exclusion of interest on the Bonds from the gross income of the owners for federal income tax purposes.

23. “Reserved.”

24. Use of Proceeds; Transfer from Existing Interest and Sinking Fund for Refunded Bonds. Proceeds from the sale of the Bonds shall, promptly upon receipt by the District, be applied as follows:

- (a) An amount equal to the sum of the accrued interest on the Current Interest Bonds shall be deposited into the Debt Service Fund;
- (b) Proceeds from the sale of the Bonds in an amount determined by a Pricing Officer (together with funds, if any, provided by the District) shall be applied to establish an escrow fund or to make a cash deposit to refund the Refunded Bonds, as more fully provided below;

(c) An amount equal to the costs of issuance of the Bonds, as approved by the District, shall be applied to pay such costs as the District may arrange; and

(d) Any proceeds of the Bonds remaining after making all such deposits and payments shall be deposited into the Debt Service Fund.

25. Escrow Agreement or Deposit with Paying Agent for Refunded Bonds. The discharge and defeasance of the Refunded Bonds shall be effectuated by either a cash deposit with the paying agent for the Refunded Bonds or pursuant to the terms and provisions of the Escrow Agreement, the terms and provisions of which are hereby approved, subject to such insertions, additions and modifications as shall be approved by a Pricing Officer:

(a) to minimize the District's costs of refunding;

(b) to comply with all applicable laws and regulations relating to the refunding of the Refunded Bonds; and

(c) to carry out the other intents and purposes of this Order, including the execution of the Escrow Agreement, if applicable, and any Pricing Officer is hereby authorized to execute, attest, and deliver such Escrow Agreement on behalf of the District in multiple counterparts.

26. Redemption of Refunded Bonds.

(a) To maximize the District's present value savings and to minimize the District's costs of refunding, the District hereby authorizes and directs that certain of the Refunded Bonds shall be called for redemption prior to maturity in the amounts, on the dates and at the redemption prices determined by a Pricing Officer in accordance with Section 21 of this Order, and a Pricing Officer is hereby authorized and directed to take all necessary and appropriate action to give or cause to be given a notice of redemption and/or a notice of defeasance to the holders or paying agent/registrars, as appropriate, of such Refunded Bonds, and, if required, to publish such notices, all in the manner required by the documents authorizing the issuance of such Refunded Bonds.

(b) Any Pricing Officer or their designee are hereby authorized and directed to take all necessary and appropriate action to give or file, or to cause to be given or filed, material event notices with respect to the Refunded Bonds, as required by the orders authorizing the issuance of the Refunded Bonds and the Rule (as hereinafter defined).

27. Purchase of Escrowed Securities. If the Escrow Agreement is utilized, to assure the purchase of the Escrowed Securities referred to in the Escrow Agreement, a Pricing Officer is hereby authorized to subscribe for, agree to purchase and purchase obligations of the United States of America or other securities authorized by law, in such amounts and maturities and bearing interest at such rates as may be provided for in the Report to be attached to the Escrow Agreement, and to execute any and all subscriptions, agreements, commitments, letters of authorization and other documents necessary to effectuate the foregoing. Any actions heretofore taken for such purpose are hereby ratified and approved.

28. Continuing Disclosure Undertaking.

(a) Unless otherwise determined by a Pricing Officer, the District shall provide annually to the MSRB within six months after the end of each fiscal year, financial information and operating data with respect to the District of the general type included in the final Official Statement authorized by Section 31 of this Order, being the information described in the Pricing Certificate. The District shall update such information within six months after the end of each fiscal year. Any financial statements so to be provided shall be (1) prepared in accordance with the accounting principles prescribed by the Texas State Board of Education or such other accounting principles as the District may be required to employ from time to time pursuant to State law or regulation and (2) audited, if the District commissions an audit of such statements and the audit is completed within the period during which they must be provided. If audited financial statements are not so provided, then the District shall provide unaudited financial statements for the applicable fiscal year by the required time and audited financial statements when and if audited financial statements become available.

If the District changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the District otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to documents (i) available to the public on the MSRB's internet web site or (ii) filed with the SEC.

(b) The District shall provide notice of any of the following events with respect to the Bonds to the MSRB through EMMA, in a timely manner, and not more than 10 business days after the occurrence of the event:

1. Principal and interest payment delinquencies;
2. Non-payment related defaults, if material;
3. Unscheduled draws on debt service reserves reflecting financial difficulties;
4. Unscheduled draws on credit enhancements reflecting financial difficulties;
5. Substitution of credit or liquidity providers, or their failure to perform;
6. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices of determinations with respect to the tax-exempt status of the Bonds, or other material events affecting the tax status of the Bonds;
7. Modifications to rights of holders of the Bonds, if material;

8. Bond calls, if material, and tender offers;
9. Defeasances;
10. Release, substitution, or sale of property securing repayment of the Bonds, if material;
11. Rating changes;
12. Bankruptcy, insolvency, receivership, or similar event of the District, which shall occur as described below;
13. The consummation of a merger, consolidation, or acquisition involving the District or the sale of all or substantially all its assets, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
14. Appointment of a successor or additional trustee or the change of name of a trustee, if material.
15. Incurrence of a financial obligation of the issuer or obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the issuer or obligated person, any of which affect security holders, if material; and
16. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of financial obligation of the issuer or obligated person, any of which reflect financial difficulties.

For these purposes, any event described in the immediately preceding paragraph (xiii) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the District in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the District, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the District.

The District shall notify the MSRB through EMMA, in a timely manner, of any failure by the District to provide financial information or operating data in accordance with subsection (a) of this Section by the time required by such Section.

(c) The District shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the District remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that

the District in any event will give the notice required by this Section of any Bond calls and defeasance that cause the District to be no longer such an “obligated person.”

The provisions of this Section are for the sole benefit of the Registered Owners and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The District undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the District’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The District does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE DISTRICT BE LIABLE TO THE REGISTERED OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE DISTRICT, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the District in observing or performing its obligations under this Section shall constitute a breach of or default under the Order for purposes of any other provision of this Order.

Nothing in this Section is intended to or shall act to disclaim, waive, or otherwise limit the duties of the District under federal and state securities laws.

The provisions of this Section may be amended by the District from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the District, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell the Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Registered Owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the District (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Registered Owners and beneficial owners of the Bonds. If the District so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided. The District may

also amend or repeal the provisions of this Section if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, and the District also may amend the provisions of this Section in its discretion in any other manner or circumstance, but in any case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds, giving effect to (a) such provisions as so amended and (b) any amendments or interpretations of the Rule.

29. Related Matters. To satisfy in a timely manner all of the District’s obligations under this Order, the President or the Vice President, Secretary of the Board, Superintendent, and all other appropriate officers, agents and representatives of the District, including a Pricing Officer, are hereby authorized and directed to take all other actions that are reasonably necessary to provide for the issuance of the Bonds, including, without limitation, executing and delivering on behalf of the District all certificates, consents, receipts, requests and other documents as may be reasonably necessary to satisfy the District’s obligations under this Order and to direct the transfer and application of funds of the District consistent with the provisions of this Order.

30. Order a Contract - Amendments. This Order shall constitute a contract with the Owners from time to time, be binding on the District, and shall not be amended or repealed by the District so long as any Bond remains Outstanding except as permitted in this Section. The District may, without the consent of or notice to any Owners, from time to time and at any time, amend this Order in any manner not detrimental to the interests of the Owners, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the District may, with the consent of Owners who own a majority of the aggregate principal amount and Maturity Amount, as applicable, of the Bonds then Outstanding affected thereby, amend, add to, or rescind any of the provisions of this Order; provided that, without the consent of all Owners of Bonds affected, no such amendment, addition, or rescission shall (i) extend the time or times of payment of the principal of, Maturity Amount of, premium, if any, and interest on the Bonds, reduce the principal amount or Maturity Amount thereof, the redemption price, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of, Maturity Amount, premium, if any, or interest on the Bonds, (ii) give any preference to any Bond over any other Bond, or (iii) reduce the aggregate principal amount or Maturity Amount of Bonds required to be held by Owners for consent to any such amendment, addition, or rescission.

When used with reference to the Bonds, “Outstanding” shall mean, as of a particular date, all Bonds theretofore and thereupon delivered pursuant to this Order except: (a) any Bonds canceled by or on behalf of the District at or before such date; (b) any Bonds defeased pursuant to the defeasance provisions of this Order or otherwise defeased as permitted by applicable law; and (c) any Bonds in lieu of or in substitution for which a replacement Bond shall have been delivered pursuant to this Order.

31. Official Statement. If necessary, a Pricing Officer, acting severally and individually, is authorized and directed to provide for and oversee, as applicable, the preparation of a preliminary and final official statement, a notice of sale or a private placement memorandum in connection with the issuance of the Bonds, and to approve and deem final such official statement

in compliance with the Rule and to provide for and authorize the delivery to the Purchaser of such materials in compliance with such Rule.

32. Power to Revise Form of Documents. Notwithstanding any other provision of this Order, a Pricing Officer is hereby authorized to make or approve such revisions, additions, deletions, and variations to this Order and in the form of the documents attached hereto as exhibits as, in the judgment of a Pricing Officer, and in the opinion of Bond Counsel to the District, may be necessary or convenient to carry out or assist in carrying out the purposes of this Order, the preliminary official statement, final official statement, notice of sale or private placement memorandum, as applicable, or as may be required for approval of the Bonds by the Attorney General of Texas; provided, however, that any changes to such documents resulting in substantive amendments to the terms and conditions of the Bonds or such documents shall be subject to the prior approval of the Board.

33. No Personal Liability. No recourse shall be had for payment of the principal of or interest on any Bonds or for any claim based thereon, or on this Order, against any official or employee of the District or any person executing any Bonds.

Upon defeasance of the Bonds, either at or prior to maturity in accordance with applicable law, the guarantee of the principal of and interest on the Bonds by the Permanent School Fund of the State of Texas shall be removed in its entirety. If the District is unable to pay the principal or Maturity Amount of or interest on a guaranteed Bond, the amount necessary to pay the principal or interest will be transferred to the Registrar for the Bonds from the Permanent School Fund of the State of Texas, and the amounts so transferred, plus interest, will be withheld by the Comptroller from the first State money payable to the District, first from the Foundation School Fund and, if necessary, from the Available School Fund.

35. Defeasance. The District may defease the provisions of this Order and discharge its obligation to the Owners of any or all of the Bonds to pay the principal of and interest thereon in any manner now or hereafter permitted by law, including by depositing with the Paying Agent/Registrar or with the Comptroller of the State of Texas either:

(a) cash in an amount equal to (i) the principal amount of and interest thereon on the Current Interest Bonds to the date of maturity or earlier redemption, if any, and/or (ii) the Maturity Amount of the Capital Appreciation Bonds, or

provided, however, that if any of such Bonds are to be redeemed prior to their respective dates of maturity, provision shall have been made for giving notice of redemption as provided in this Order. Upon such deposit, such Bonds shall no longer be regarded to be outstanding or unpaid. Any surplus amount not required to accomplish such defeasance shall be returned to the District.

SUBJECT: Budget Amendment

PRESENTER: Jaime Lopez, Assistant Superintendent for Business and Finance

BACKGROUND INFORMATION

In accordance with TEA budget and accounting procedures guidelines, the District's official budget includes the General Fund and Debt Service. The adoption of the budgets associated with these funds, and subsequent amendments, should be approved by the Board of Trustees. The authority to approve a budget or a budget amendment for a grant program, however, lies with the granting agency and not with the District's Board.

ADMINISTRATIVE CONSIDERATIONS

All requests for budget amendments have been reviewed and are justified for the programmatic or policy changes and adjustments of original estimates.

FUNDING SOURCE AND AMOUNT

The budget amendment reflects the reallocation of budgets between functions to support Campus and Department Operations. It also includes the increase in revenue and expenditures associated with the T-Mobile lease payment. Supporting details are attached.

RECOMMENDATION

Approval of budget amendment as presented.
