The Commissioners' Court met on March 23, 2021 and approved waiver of penalty and interest on the accounts listed above. I am now requesting that you present this information to your governing body in order to ratify the Commissioners' Court action in accepting this payment. If you should have any problems or questions concerning this matter, please let me know right away. Please notify me in writing as soon as ratification has occurred. I look forward to hearing from you.

Re: Depository Contract Extension for 2021-2023 Biennium

Ladies and Gentlemen of the Board:

Thank you for giving us the opportunity to provide the District with an extension offer. We want you to know that we appreciate your business and look forward to continuing to serve you.

BBVA would like to continue our long term relationship and extend the District's current depository contract for an additional two-year term. This will serve as the SECOND extension as allowed under the Texas Education Code (TEC). The current depository contract will extend the original agreement dated March 28th, 2019 for a period of 2 years, beginning July 1st, 2021 and continuing through June 30th, 2023.

EXTENSION PROPOSAL

- Hybrid Structure
- Earnings Credit Rate = .28%
- Bank Managed Interest Rate = .03%
- Waived Reserves
- Waived Depository Supervisory Fee
- Treasury Management Discount = 50%

We truly value our long-term relationship and look forward to many more years of a mutually beneficial association. We are committed to continue to provide exceptional customer service and be part of the District's continued success.

Respectfully,

Todd Maines

Corporate Relationship Manager

Agenda Item Title: Approve 2020-2021 CPR Waiver

Cabinet Level Presenter(s): Randall Maxwell

Additional Presenter(s): Senecia Saveat

Executive Summary: Consider approval of CPR Waiver. State law (TEC §28.0023) requires school districts and open-enrollment charter schools to provide instruction in cardiopulmonary resuscitation (CPR) to students in grades 7 through 12, and students must receive the instruction at least once before graduating from high school. If seniors in 2020-2021 have not received the required instruction in CPR, a school district may request a waiver of the requirement from the Commissioner. This waiver will allow Seniors to still be eligible for graduation if they have not received the required instruction.

Recommendation: Approve CPR Minutes Waiver

- [Physical Fitness Assessment \(FitnessGram\) Requirements](#)

Required Cardiopulmonary Resuscitation (CPR) Instruction

1. Are schools still required to provide hands-on CPR instruction to students this school year given remote instruction and social distancing requirements?

State law (TEC §28.0023) requires school districts and open-enrollment charter schools to provide instruction in cardiopulmonary resuscitation (CPR) to students in grades 7 through 12, and students must receive the instruction at least once before graduating from high school. If seniors in 2020-2021 have not received the required instruction in CPR, a school district may request a waiver of the requirement from the Commissioner. Steps for submitting a waiver request to the Commissioner can be found on **the Instructions for Submitting a CPR Waiver** document located on the TEA Coronavirus Support and Guidance webpage under [Waivers, Finance, & Grants](#).

2. Will the requirement for CPR training be waived for all 2021 graduates?

No. School districts and open-enrollment charter schools are required to provide CPR instruction to students in grades 7 through 12, and students must receive the instruction at least once before graduating from high school. Students who have already received CPR instruction have met the requirement. If seniors in 2020-2021 have not yet received the required instruction in CPR, a school district may request a waiver of the requirement from the Commissioner. Steps for submitting a waiver request to the Commissioner can be found on **the Instructions for Submitting a CPR Waiver** document located on the TEA Coronavirus Support and Guidance webpage under [Waivers, Finance, & Grants](#).

3. Can the required CPR instruction be completed virtually?

State law requires that the CPR instruction use “nationally recognized, evidence-based guidelines for emergency cardiovascular care and incorporate psychomotor skills to support the instruction.” Districts and charter schools that offer the required CPR instruction virtually must ensure they meet the statutory requirements.

4. Is the CPR instruction required to include psychomotor skills if offered to students who are receiving remote instruction?

Yes. State law requires that the CPR instruction use “nationally recognized, evidence-based guidelines for emergency cardiovascular care and incorporate psychomotor skills to support the instruction.” Districts and charter schools that offer the required CPR instruction virtually must ensure they meet the statutory requirements.

5. Can parents opt their children out of the required CPR instruction due to COVID concerns?

Schools are encouraged to work with parents on reasonable solutions to address safety concerns. Since students must receive the required CPR instruction at least once between seventh grade and the time they graduate from high school, a district has the option to defer the CPR instruction for students who are not yet seniors to a future school year. If seniors in 2020-2021 have not received the required instruction in CPR, a school district may request a waiver of the requirement from the Commissioner.

6. How should school districts proceed if students refuse to complete the required CPR instruction due to COVID concerns?

Since students must receive the required CPR instruction at least once between seventh grade and the time they graduate from high school and not every year, any student who is not a senior in the 2020-2021 school year may complete the instruction in a future school year. If seniors in 2020-2021 have not received the required instruction in CPR, a school district may request a waiver of the requirement from the Commissioner.

7. Are schools required to have students report to school to demonstrate their compressions and breathing skills?

No. State law requires that the CPR instruction must use “nationally recognized, evidence-based guidelines for emergency cardiovascular care and incorporate psychomotor skills to support the instruction.” There is no specific requirement that students demonstrate proficiency in compression and breathing skills.

Physical Fitness Assessment (FitnessGram) Requirements

1. Will the requirement that districts report physical fitness assessment data be suspended again this school year?

The governor’s suspension of the physical fitness assessment requirements in TEC §38.101-§38.103 applied only for the 2019-2020 academic year. Any further suspension of existing statutes would require action by the Texas Legislature. Pending action by the legislature related to the requirements, school districts and open-enrollment charter schools should plan accordingly to meet the physical fitness assessment requirements for the 2020-2021 academic year.

2. Can districts request a waiver from the Commissioner from the physical fitness assessment requirements for the 2020-2021 school year?

No. TEC §7.056 establishes that a school campus or district may not receive an exemption or waiver from the Commissioner for health and safety requirements in TEC, Chapter 38.

3. Are students who are receive remote instruction still required to be tested under the physical fitness assessment?

Yes. State law requires school districts and open-enrollment charter schools to annually assess the physical fitness of students in grades three and higher who are enrolled in a physical education course or substitute activity. The physical fitness assessment requirement applies to all students whether they are receiving instruction remotely or in person.

4. Are students required to come to campus to be administered the physical fitness assessment?

There is nothing in law or rule that limits the location of the physical fitness assessment or that guides who may administer the assessment. Consequently, school districts have the authority to determine where physical fitness assessments will occur, including using remote options.

5. Does TEA have guidance for how to administer the physical fitness assessment components in a remote setting?

Local districts and schools may determine that some or all of the assessment components may be assessed remotely. Schools are encouraged to provide detailed guidance to parents for how to conduct each component safely in a remote setting.

Schools implementing remote instruction when they would normally conduct physical fitness testing may wish to conduct some components of the physical fitness assessment in a virtual setting, and then complete the rest upon return to in-person instruction. If not all components are completed during the school year, schools should still report the data they have available for each student.

For additional information on the six components of the physical fitness assessment, see the Physical Fitness Assessment Initiative [Testing Information and Standards](#).

6. How do we maintain social distancing while conducting the physical fitness assessments on campus? Can we administer only the components that don't require close contact?

It is essential that schools adhere to social distancing and other safety protocols while conducting the physical fitness assessment. Most of the components permit the student and the individual administering the assessment to maintain six feet of distance. Teachers may need to implement solutions that permit them to measure some components from a distance. Additionally, it is critical that test administrators follow guidance on cleaning/disinfecting any equipment used during physical fitness testing. For additional information on the six components of the physical fitness assessment, see the Physical Fitness Assessment Initiative [Testing Information and Standards](#).

If a district or school determines that not all components can be safely completed during the school year, schools should still report the data they have available for each student by the deadline.

7. Will the deadline to submit physical fitness assessment results be extended this school year?

Yes. TEA has extended the deadline to submit physical fitness assessment data to August 13, 2021, to permit districts and charter schools additional time to gather and report the data.

8. I understand that FitnessGram is not available this year. What is the mechanism districts can use to report physical fitness assessment data this year?

At this time, TEA's physical fitness assessment initiative (PFAI) application will be used for districts and open-enrollment charter schools to submit physical fitness data. If another physical fitness data submission tool is selected and in place before the August deadline, information will be distributed to schools who wish to take advantage of that option.

9. Are schools required to submit fall and spring fitness data?

The decision to assess a student's physical fitness during the fall and spring is a local district decision. Schools are only required to submit physical fitness data to TEA once per year. The most recent assessment results should be reported.

QUOTE ANALYSIS FORM

Form version 7.23.2019

INSTRUCTIONS FOR COMPLETION:

- 1) Vendor quotes must be in writing (i.e. Vendor Quotation form; Vendor email; Internet Quote, etc.).
- 2) All awards should be made to the vendor whose proposal offers the "best value" to Beaumont ISD.
- 3) Awards based on "best value" may consider various factors, including but not limited to:
 - (a) Price / Total Cost of Ownership, (b) Quality, (c) Availability, (d) Vendor/Product Reputation, (e) Vendor's Ability to Meet District Needs, (f) Client References, (g) Past Experience with Beaumont ISD, and/or (h) any other relevant factor that ensures best value to the District.
- 4) Upon consideration of all factors, if all quotes meet District needs, the award should be made to the lowest bidder.

Quote Analysis Summary		
All awards should be made based on "Best Value" to the District. Please write a short summary below of each the vendor was chosen or denied.		
Vendor Name:	CDW-G: Lightspeed	Quote Total: \$ 166,800.00
Summary:	This quote is to renew our current filtering solution. It is for Lightspeed Filter and Classroom management options. Filter licenses are for every device in the district -- both students and teachers.	
Vendor Name:	CDW-G: Securly	Quote Total: \$152,160.00
Summary:	This quote is for an internet filter offered by Securly. It is for the filter and Classrom device management options. Filter licenses are for every device in the district -- both students and teachers.	
Vendor Name:	CDW-G: GoGuardian	Quote Total: \$125,350.00
Summary:	This quote is for an internet filter offered by GoGuardian. It is for the filter and Classrom device management options. Filter licenses are for every device in the district -- both students and teachers.	

Vendor Selected: CDW-G: GoGuardian

Selection Justification: We are selecting to move to GoGuardian. All of these solutions are cloud-based solutions, which means devices will filter via the cloud versus an on-prem solution. We are moving to GoGuardian based on our research with other districts, issues with the current solution, and positive results from our pilot.

EARNEST MONEY CONTRACT

This Earnest Money Contract ("the Contract") is made by and between BEAUMONT INDEPENDENT SCHOOL DISTRICT ("Seller") and Mike Hawkins and Richard Vaughan, ("Buyer"), upon the following terms and conditions.

1. Purchase and Sale. Subject to the terms of this Contract, Seller agrees to sell and convey to Buyer, and Buyer agrees to purchase from Seller, the surface rights of 120 Creek Road, Lumberton TX 77657 (64.52 Acres) together with all improvements thereon, including but not limited to a structure permanently affixed thereto, and all rights, privileges and appurtenances pertaining thereto, including but not limited to, water rights, claims and permits, easements, all rights and obligations of applicable government programs and cooperative memberships, subject to Buyer's approval of the following exceptions, reservations, conditions and restrictions, if any, as they may appear in the Preliminary Title Policy: minerals, royalties and/or timber interest; mineral leases; surface leases; easements; deed restrictions; or others so described. Seller does not convey any mineral rights to Buyer on the Property. The Property will be more specifically described by metes and bounds in the Special Warranty Deed using the survey provided by Seller, or if one is obtained by Buyer, then the new survey obtained by Buyer.

2. Purchase Price. The "Purchase Price" of the Property shall be the sum of Four Hundred Twenty Thousand Dollars (\$420,000.00). The earnest money deposit in the sum of FIVE THOUSAND AND NO/100 DOLLARS (\$5000) (the "Earnest Money") is tendered herewith by Buyer to Seller to be deposited with Hooks Title ("Title Company"). The earnest money deposit is not refundable and shall be credited to the Purchase Price at the Closing Date set forth below.

3. Payment of Purchase Price. The Purchase Price shall be payable as a lump sum in cash at Closing. Within sixty (60) days after the Seller awards Buyer as the winning bid, Buyer shall provide to Seller proof satisfactory to Seller that Buyer is financially qualified to purchase the Property (e.g., bank letter or other assurance from a lender). Failure to do so is a material breach of this Contract.

4. Title Policy and Preliminary Title Report. Buyer shall obtain, at its own expense, an Owners' Policy of Title Insurance ("Title Policy") issued by the Title Company. From the date of receipt of the Earnest Money by the Title Company, Title Company shall with due diligence prepare and issue to both Seller and Buyer a preliminary title report (the "Title Report") concerning the Property. The Title Policy shall guarantee Buyer's title to the Property to be good and indefeasible subject only to: (i) accepted restrictive covenants and easements affecting the Property, (ii) any discrepancies, conflicts or shortages in area or boundary lines or any encroachments, or any overlapping of improvements, (iii) all taxes, if any, for the current and subsequent years, and subsequent assessments for prior years due to a change in land usage or ownership, (iv) any existing

building and zoning ordinances, (v) rights of parties in possession, (vi) any liens created or assumed as security for the sale consideration, and (vii) any reservations or exception permitted by the Deed. Seller shall furnish tax statements indicating no delinquent taxes and a Special Warranty Deed conveying title subject only to liens securing payment of debt created or assumed as part of the consideration, taxes for the current year and easements, restrictions, and conditions permitted by this Contract or otherwise acceptable to Buyer.

5. Procedures for Objections to Title. Buyer shall give Seller written notice on or before the expiration of twenty (20) days after Buyer receives the Title Report, that the condition of title, as set forth in the Title Report, is not satisfactory, and in such event Seller may, but shall not be required to, promptly make all reasonable efforts to eliminate or modify all unacceptable matters to the reasonable satisfaction of Buyer. In the event Seller (i) fails or is unable to eliminate such exceptions to title to the reasonable satisfaction of Buyer within seven (7) days prior to the date of Closing, or (ii) provides written notice to Buyer of Seller's unwillingness to remove an objection to title within seven (7) days prior to the date of Closing, Buyer, at its option, may terminate this Contract without liability to Seller (including the return of the Earnest Money) by providing Seller with written notice of same prior to Closing, in which event the Earnest Money shall be returned to Buyer, as Buyer's sole remedy. Buyer may also, at its option, waive any unacceptable matters and require that Seller proceed to Closing by providing Seller with written notice of same.

6. Survey. Seller has had the property surveyed by metes and bounds through a registered professional land surveyor and is attached as an exhibit to the contract.

7. Property Condition. As a material part of the consideration for this Agreement, Buyer accepts the Property "AS IS AND WHERE IS, WITH ANY AND ALL LATENT AND PATENT DEFECTS AND FAULTS." THERE IS NO WARRANTY OF ANY KIND BY THE DISTRICT, INCLUDING THAT THE PROPERTY IS FIT FOR A PARTICULAR PURPOSE, EXCEPT THE LIMITED WARRANTIES OF TITLE WHICH MAY BE CONTAINED IN THE BID PACKET. IN ADDITION, THE PROPERTY WILL BE SOLD SUBJECT TO THE CONDITIONS, EXCEPTIONS AND RESERVATIONS CONTAINED IN THIS BID PACKAGE AND SUBJECT TO ALL RECORDED INTERESTS. Seller agrees to remove any and all personal property items, if any, located inside and around the building structures on the Property before the Closing Date. After the Closing Date, Seller is not permitted reentry into the Property for any purpose, including the retrieval of said personal items. Failure to abide by this provision will be construed as a trespass by the Buyer.

8. Closing Date. The closing of the sale ("Closing Date") shall occur on or before sixty (60) days from the date of the last signature hereon, or within thirty (30) days after objections to title have been cured and all the terms and conditions herein have been satisfied, whichever is later. The closing will be held at the offices of the Title Company.

9. Possession. Possession of the Property shall be conveyed to Buyer at closing.
10. Sales Expenses to be Paid in Cash at or Prior to Closing.
- A. Seller's Expenses. Seller shall pay for all costs of releasing existing loans, liens and the cost to record such releases, if any.
- B. Buyer's Expenses. Buyer shall pay Deed recording fees; any escrow fee; copies of restrictions, easements, reservations or conditions affecting the Property; and other expenses agreed to herein.
11. Prorations. The following expenses, if applicable, will be prorated to the Date of Closing - assessments, current taxes, and any rents and maintenance fees.
12. Default. If Buyer fails to comply herewith, Seller may terminate this Contract and receive the Earnest Money as liquidated damages. If Seller is unable, without fault, to deliver Title Policy required herein within the time herein specified, Buyer may either terminate this Contract and receive return of the Earnest Money as the sole remedy or extend the time up to (30) days. If the Seller fails to comply herewith for any other reason, Buyer may: (i) terminate this Contract and receive the Earnest Money, thereby releasing Seller from this Contract; (ii) enforce specific performance of the Contract; or (iii) seek such other relief as may be provided by law.
13. Attorney's Fees. Any signatory to this Contract who is the prevailing party in any legal proceeding against any other signatory brought under or with relation to this Contract or transaction shall be additionally entitled to recover court costs and reasonable attorney's fees from the non-prevailing party, but only to the extent allowed by Texas law.
14. Escrow. The Title Company as Escrow Agent: (i) does not assume or have any liability for performance or non-performance of any party; (ii) has the right to require the receipt, release and authorization in writing of all parties before paying the Earnest Money to any party; and (iii) is not liable for interest or other charge on the funds held. If any party unreasonably fails to agree in writing to an appropriate release of Earnest Money, then such party shall be liable to the other parties as provided herein. At closing, Earnest Money shall be applied to the Purchase Price. In preparation for closing, the Escrow Agent may incur actual expenses on behalf of Seller or Buyer; therefore, any refund or payment of the Earnest Money under this Contract shall be reduced by the amount of any actual expenses incurred on behalf of the party receiving the Earnest Money, and the Escrow Agent will pay the same to the creditors entitled thereto.
15. Representations. Seller represents that on Closing Date: (i) all assumed loans(s) will not be in default, and (ii) unless securing payment of any deferred consideration, there will be no unrecorded liens or Uniform Commercial Code liens against

any of the Property which will not be satisfied out of the Sale Price. If any representation above is untrue, this Contract may be terminated by Buyer and Earnest Money shall be refunded without delay. All representations in this Contract shall survive closing.

16. Inspections. Buyer and Buyer's agents may enter the Property before the Closing Date to inspect it, as long as they do not unreasonably interfere with existing activities on or occupants of the Property. Buyer agrees to abide by reasonable entry rules imposed by Seller.

17. Casualty Loss. If any part of the Property is damaged or destroyed by fire or other casualty, Seller shall restore the same to its previous condition as soon as reasonably possible, but in any event by Closing Date; and if Seller is unable to do so without fault, this Contract shall terminate at Buyer's option and Earnest Money shall be refunded.

18. Assignment of Contract. This Contract is not assignable by Buyer or Seller, unless agreed to in a separate writing.

19. Texas Law to Apply. This Contract shall be construed under and in accordance with the laws of the State of Texas. Venue for any action under this Contract shall be in Newton County, Texas.

20. Parties Bound. This Contract shall be binding upon and inure to the benefit of the parties and their respective heirs, executors, administrators, representatives, successors and assigns.

21. Legal Construction. In case any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, this invalidity, illegality, or unenforceability shall not affect any other provision, and this Contract shall be construed as if the invalid, illegal, or unenforceable provision had never been included in the Contract.

22. Time of the Essence. Except as expressly stated otherwise, time is of the essence with respect to the performance of all obligations provided in the Contract and the consummation of all transactions contemplated by it.

23. Prior Agreements Superseded. This Contract constitutes the sole and only agreement of the parties and supersedes any prior understandings or written or oral agreement between the parties respecting the within matter.

24. Headings. The headings of sections or paragraphs are for purposes of convenient reference only. Headings shall not be construed to alter the meaning of any provision of this Contract.

25. Agreement of Parties. This Contract contains the entire agreement of the parties and cannot be changed except by their written consent.

26. Consult Your Attorney. This is intended to be a legally binding contract. READ IT CAREFULLY. If you do not understand the effect of any part, consult your attorney BEFORE signing.
