## CISD Board Agenda Item Synopsis

### **Subject: Resolution Regarding a Period of Prayer and Reading of Religious Text During the School Day**

#### **Background Information:**

Senate Bill 11 requires each board of trustees of a school district and each governing body of an open-enrollment charter school to take a record vote, not later than six months after the effective date, on whether to adopt a resolution described by Section 25.0823(a-1) of the Education Code. Despite the intention to grant greater freedom of religious expression, Section 25.0823 of the Education Code does not grant any additional rights or increased freedom of religious expression which was not already possessed by all employees and students of the District. Rather, Section 25.0823 merely provides additional restrictions and legal requirements which must be followed for employees or students to exercise their first amendment rights in certain settings (during the established prayer periods). Specifically, Section 25.0823 includes the following restrictions:

1. To participate in the period of prayer and religious reading, an employee or parent or guardian of a student must submit a signed consent, expressly waiving their right to bring a legal claim on a violation of the Establishment Clause of the First Amendment or a related state or federal law.
2. The prayer and religious reading must not be done in the physical presence or hearing of a person for whom a signed consent was not submitted.
3. The prayer and religious reading may only be observed in classrooms or other areas in which a consent form has been submitted for every employee and student, before normal school hours, or by methods recommended by the Texas Attorney General or the district's legal counsel.

In accordance with federal and state law, District Board Policy currently allows students to engage in prayer, reading of religious text, and religious expression on school property and during the school day. Board Policy FNA (LEGAL) states, "A public school student has an absolute right to individually, voluntarily, and silently pray or meditate in school in a manner that does not disrupt the instructional or other activities of the school. A student shall not be required or coerced to engage in or refrain from such prayer or meditation during any school activity." Further, FNA (LEGAL) states, "Nothing in the Constitution as interpreted by the U.S. Supreme Court prohibits any public school student from voluntarily praying at any time before, during, or after the school day."

Additionally, Board Policy FNA (LOCAL) states, "The District shall treat a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the District treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and shall not discriminate against the student based on a religious viewpoint expressed by the student on an otherwise permissible subject." Further FNA (LOCAL) states, "Students may organize prayer groups, religious clubs, 'see you at the pole' gatherings, and other religious gatherings before,

during, and after school to the same extent that students are permitted to organize other noncurricular student activities and groups.”

Lastly, Board Policy DG (LEGAL) states, “The right of an employee of a school district or open-enrollment charter school to engage in religious speech or prayer while on duty may not be infringed on by the district or school or another state governmental entity, unless the infringement is necessary to further a compelling state interest; and narrowly tailored using the least restrictive means to achieve that compelling state interest.”

Therefore, Section 25.0823 does nothing more than provide additional restrictions and prohibitive legal requirements to which school districts must adhere for employees and students to exercise the same first amendment rights they already possessed under current federal and state law and District Board Policy. As such, employees and students currently have well-established rights to engage in religious expression on school grounds, before, during, and after school and will be free to continue exercising these rights regardless of whether the Board adopts the resolution proposed in Section 25.0823. Accordingly, District Administration recommends that the Board decline the option to adopt a resolution pursuant to Senate Bill 11.

**Goals:**

- 1. We will provide and support a safe, civil and collaborative culture.
- 2. We will continuously provide and support effective teaching in every classroom.
- 3. We will provide and support a guaranteed and viable curriculum.
- 4. We will continue to foster a love of reading and commit to continual growth in childhood literacy.
- 5. We will foster strong numeracy skills and commit to continual growth in math success.
- 6. We will provide targeted strategies and practices to prepare students for post-secondary education, career readiness, and military participation.
- 7. We will attract, recruit, develop, and retain high-quality professional staff.

Re: Membership and Participation in the Region 10 ESC Multi-Region Purchasing Cooperative, SY 2026-2027

Dear Food Service Director Addressed:

Multi-Region Purchasing Cooperative (hereafter "R10MRPC") requires all Interlocal Agreements (hereafter "Agreement") to be approved by each Recipient Agency's (hereafter "RA") Board of Directors if applicable. Completed Agreements must be submitted with proof of Board approval or authorized signature. The Agreement encompasses membership roles, responsibilities, and bid participation for the agreement term. Region 10 Education Service Center is the "Coordinating Entity and Fiscal Agent" for R10MRPC.

This packet includes the Interlocal Agreement for RAs participating in the School Nutrition Programs that wish to purchase food service products or services through the R10MRPC formally procured and awarded bids. If the RA does not plan to purchase from any of the awarded bids, there is no need to complete this Interlocal Agreement.

The **Interlocal Agreement** (pages 3-11) is a "membership and participation" agreement that commences on July 1<sup>st</sup> and extends through June 30<sup>th</sup> of the following calendar year. By signing the Agreement, you agree to the General Provisions of Member Roles and Responsibilities with your bid participation selection(s) indicating your entity's purchasing commitment. Members must provide estimated quantities for each product planned for each bid category selected. This is done through a specialized software created by R10MRPC called "Maestro Forecasting."

The Multi-Region Purchasing Cooperative is fully self-funded through a Vendor Participation Fee. This fee is collected directly from the awarded vendors offering commercial products only. Fees are used to cover expenses related to the administration and operation of R10MRPC and the growth in services and benefits offered to our members. Studies indicate that school districts benefit through cooperative participation with considerable cost savings. While the purchasing power of the R10MRPC is significant, the costs of goods and services continue to rise annually. Studies prove that schools participating in a child nutrition purchasing cooperative receive better pricing and a higher selection of products with higher fill rates. Additional benefits of participating in the R10MRPC include training and technical support for child nutrition programs, compliant solicitations, and high-level customer service.

Thank you for considering participating in the SY 2026-2027 with R10MRPC. If you have any questions, please contact me.

Sincerely,

Keri Warnick

# **INTERLOCAL AGREEMENT**

**The following Interlocal Agreement (pages 3-11) is to be completed by all recipient agencies (RA) that wish to participate in Region 10 ESC Multi-Region Purchasing Cooperative (R10MRPC) and purchase from formally procured bids.**

**This Interlocal Agreement is a one-year agreement for the school year 2026-2027 (July 1, 2026, through June 30, 2027). If completed, a fully executed copy will be returned to the RA and kept on file with R10MRPC indefinitely.**

**Each RA wishing to purchase from any procured and awarded bid must complete and sign all required pages. Each RA is asked to consider which bids best fit their needs. R10MRPC requires members to forecast their product and/or service needs through R10MRPC's customized software before all bid renewals and new bids are released.**

**The fully completed and signed Interlocal Agreement must be approved by your school Board of Trustees or Authorized Representative and returned no later than February 28, 2026. Please note that Interlocal Agreements received after the due date or later after bids have been released may not be approved due to forecasting requirements and procurement regulations.**

**Please return pages 3-11 of the completed Agreement to:

## **LIMITATION OF AGREEMENT:**

The R10MRPC reviews this Agreement annually to ensure compliance with United States Department of Agriculture (USDA) and Texas Department of Agriculture (TDA) regulations. If, following such review, the R10MRPC discovers that any provision contained herein is not in accordance with USDA and TDA regulations, R10MRPC will have 30 days to make all necessary updates and require that each participating RA sign a new Agreement. If R10MRPC does not amend the provision within the given timeframe, the RA may terminate this agreement on 10 days' written notice to R10MRPC. Child Nutrition Federal Funds are governed by USDA and TDA regulations. EDGAR does not apply to child nutrition federal funds.

## **GENERAL PROVISIONS:**

1. The Parties agree to comply with all applicable federal, state, and local statutes, ordinances, rules, and regulations in connection with the procurement activities and programs contemplated under this Agreement. This Agreement is subject to all applicable present and future valid laws governing such programs.
2. This Agreement shall be governed by the law of the State of Texas and the venue for any dispute resolution shall be in the county where the administrative offices of Region 10 ESC are located, which is currently Dallas County, Texas.
3. The R10MRPC reserves the right, but is not obligated, to add additional members and allow participation. Adding an RA may "materially change the existing contract(s)" and, thereby, require rebidding of said contract(s). Consequently, the RA may not be permitted to participate in those affected contracts to avoid rebidding and negatively impacting the membership in place at the time of the current contract(s) award. The membership of a new RA may become effective upon any new bids, rebids being awarded, new fiscal year, or as permitted at the sole discretion of the R10MRPC.
4. This Agreement and any addenda executed by the parties contains the entire agreement of the Parties hereto concerning the matters covered by its terms, and it may not be modified in any manner without the express written consent of both Parties. Modifications may be required by law or regulation, which shall require action by the R10MRPC and the RA. Failure to act by either party, within a reasonable period, on legally required modifications shall constitute good cause to terminate this Agreement effective upon written notification to the other party.
5. If any term(s) or provision(s) of this Agreement are held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions of this Agreement shall remain in full force and effect.
6. The Executive Director of Region 10 ESC or his or her designee and authorized agent of the member district shall attempt to resolve any disputes that develop under this Agreement. If any dispute is unable to be resolved, both Parties agree to nonbinding mediation before either Party may resort to litigation. The selection of the mediator shall be mutually agreed upon, and the costs for such mediation borne equally between the Parties.

7. No Party to this Agreement waives or relinquishes any immunity or defense on behalf of itself, its trustees, directors, officers, employees, and agents, because of its execution of this Agreement or the performance of the functions and obligations set forth herein.

8. All parts of this Agreement, when executed by both Parties, are binding upon the Parties, and may be changed only by written agreement executed by authorized representatives of the Parties.

9. Per USDA Federal Regulations and TDA Administrator's Reference Manual (ARM) Section 17, the R10MRPC is a Child Nutrition Program (CNP) Operator-Only Cooperative that is categorized as a "for-profit cooperative". Per ARM Section 17, R10MRPC is required to return "unanticipated profits" to the member. This Agreement allows R10MRPC to deduct the cost of services from the collected vendor fees and pay any remaining amount to members regularly. The R10MRPC's "profit margin", for purposes of this Agreement, shall be defined as the revenue received by the R10MRPC through the charging of the vendor fees outlined in the "Membership Fees" section below minus the expenses to the R10MRPC to operate the cooperative. The Coordinating Entity shall retain the profit margin; however, any revenue received more than the profit margin ("unanticipated profit") will be distributed to the R10MRPC's participating members by the Fiscal Agent. R10MRPC is not permitted per state regulations to collect a profit from sales of processed commodities.

**R10MRPC adheres to the following rebate system.**

- A. R10MRPC will collect all Vendor Participation Fees quarterly.
- B. R10MRPC does not charge a Vendor Fee to any USDA commodity processor.
- C. R10MRPC will utilize a year-end revenue report that details each participating member's generated sales with each awarded vendor.
  - 1) R10MRPC applies an equal percentage of the operational cost to each RFP.
  - 2) Total overhead and expenses are calculated for each RFP based on shared percentage.
  - 3) Total collected revenue is calculated against shared operational costs for each RFP. Any RFP that does not generate enough revenue to cover the shared percentage of expenses is not eligible for a rebate.
  - 4) Any member purchasing USDA commodity foods through our awarded grocery distributor will receive a rebate of collected fees minus the shared expenses.
  - 5) Any member participating in bids that have an excess of fees collected beyond the shared expenses will receive a rebate.
  - 6) Rebate amounts are calculated in October once the Region 10 ESC books are closed.
  - 7) Rebate checks are mailed to each eligible participating member in late November or December. Checks include a letter with instructions about the rebate check and that it must be deposited into the child nutrition fund account.
  - 8) R10MRPC will send out an email notification to each food service director that includes the amount of their rebate.

10. This Agreement and any modification(s) may be executed in separate copies; however, the Agreement must be Board of Trustee approved and physically signed by both participating parties using a "physical signature." Electronic or typed signatures will not be accepted. This Agreement may be exchanged and/or transmitted electronically via fax or scanned email. Proof of Board approval acceptable to R10MRPC must be submitted along with a completed and signed Agreement.

**Membership Term.** This Agreement shall be for a one-year term unless sooner terminated per the provisions of this Agreement. The conditions outlined in this Agreement shall apply to this single-year term. The Agreement year for each purchasing cooperative program commences July 1<sup>st</sup> and will extend through June 30<sup>th</sup> of the following calendar year.

**Membership Fees.** No membership fee shall be directly charged to participating members of the R10MRPC.

The United States Department of Agriculture (USDA) does not allow federal funds received by ESC Child Nutrition components to be used to support purchasing cooperatives. Therefore, the R10MRPC is a fully self-funded entity through a "Vendor Participation Fee" on all commercial sales. This fee is collected directly from the awarded vendors in the fixed amount of .0085 for every \$1.00 of revenue. R10MRPC "does not charge" any fees to the Commodity Processors. All fees are used to cover expenses related to the administration, direct operation, and growth in services or software programs offered by the Cooperative to the members that benefit their foodservice operation. RAs, even though they may incur these fees indirectly, pay no direct fee to R10MRPC for participation.

The parties agree that the payments under this Agreement and any related exhibits and documents are amounts that fairly compensate the Coordinating Entity for the services or functions to be performed under the Agreement.

**Authorization to Participate.** The R10MRPC and each RA represent and warrant, by the execution and delivery of the Interlocal Agreement, that they have obtained all requisite authority through governing board action to enter and perform the terms of this Agreement. Proof of Board approval through Board meeting notes is accepted. If your school does not have a Board of Directors, the authorized representative's signature is acceptable.

**Cooperation and Access.** Each party agrees to cooperate with any reasonable requests for information and records made by the other party. Each party reserves the right to audit the relevant records of the other party during normal business hours. Any breach of this Article shall be considered material and shall make the Agreement subject to termination on ten (10) days' written notice to the RA.

**Primary and Secondary Contact.** The RA agrees to appoint a primary and secondary contact who shall have express authority to represent and bind the RA, and R10MRPC will not be required to contact any other individual regarding program matters. Any notice to a primary or secondary contact shall be binding upon the RA. The RA reserves the right to change the designated contacts as needed by giving written notice to R10MRPC. Such notice is not effective until actual receipt by R10MRPC.

**Defense and Prosecution of Claims.** The RA authorizes the Fiscal Agent, only concerning matters arising out of or contemplated by this Agreement: (1) to control the commencement, defense, intervention, or participation in a judicial, administrative, or other governmental proceeding; (2) to represent the R10MRPC in an arbitration, mediation, or any other form of alternative dispute resolution; (3) to represent the R10MRPC in any other appearance necessary to protect the rights of the R10MRPC relating to actions concerning any past or current, including any appearances and actions in litigation, claim or dispute; and (4) to engage legal counsel and appropriate experts that, in the Fiscal Agent's sole discretion, will assist with such defense or prosecution of any action or claim in matters arising out of this Agreement. The RA agrees that any suit brought against R10MRPC, the Fiscal Agent, or a R10MRPC or Fiscal Agent employee or agent may be defended in the name of R10MRPC, Region 10 Education Service Center, or the RA by the

counsel selected by the Fiscal Agent, in its sole discretion, or its designee, on behalf of and at the expense of the R10MRPC as necessary for the prosecution or defense of any litigation or claim. Full cooperation by the RA shall be extended to supplying any information needed or requested by the Fiscal Agent or R10MRPC in such prosecution or defense. Subject to specific revocation, the RA designates the Fiscal Agent to function as a class representative on its behalf in matters arising from this Agreement.

**Governance.** R10MRPC shall be governed by the Fiscal Agent's Board of Trustees (hereinafter the "Board") per applicable law and regulations. Procurement processes and procedures are governed by applicable laws and regulations.

**Limitations of Liability.** The Fiscal Agent, its endorsers, and servicing contractors do not guarantee that the operation or use of R10MRPC services will be uninterrupted or error-free. The Fiscal Agent, its endorsers, and servicing contractors, disclaim all warranties, express or implied, regarding any information, product, or service furnished under this Agreement, including without limitation, any implied warranties of merchantability or fitness for a particular purpose. The Parties agree that regarding all causes of action arising out of or relating to this Agreement, neither Party shall be liable to the other under any circumstances for special, incidental, consequential, or exemplary damages, even if it has been advised of the possibility of such damages.

**Notice.** Any written notice to the R10MRPC or the Fiscal Agent shall be made by: first class mail, postage prepaid and delivered to the Multi-Region Purchasing Cooperative, Region 10 Education Service Center, 400 E Spring Valley Rd, Richardson, TX 75081-1300; Attn: Keri Warnick (contact person); or emailed to [keri.warnick@region10.org](mailto:keri.warnick@region10.org) with a copy to [sue.hayes@region10.org](mailto:sue.hayes@region10.org).

**Acceptance of USDA Foods Sent for Further Processing.** The R10MRPC, through the Fiscal Agent, is granted the right to issue a cooperative bid/proposal (RFP) for the processing of selected USDA commodity foods donated by participating members. The R10MRPC, through the Fiscal Agent, is further granted the right to enter a Contract for Services with the commodity food processor(s) receiving the processing award(s) for agreed-upon processed end-products, to execute a service agreement on behalf of participating members. Participating members will have the right and responsibility to accept the processed end-product(s) for the life of the contract between R10MRPC, through the Fiscal Agent, and the processor for all commodity foods donated to, and for which processing was subsequently procured through, the R10MRPC. Excess commodities may be distributed according to USDA or TDA regulations and guidance.

**Payment for Goods.** Each Party, paying for any goods or services under this Agreement or related to this Agreement, must pay for such goods and services from available current revenues only.

The R10MRPC shares information with participating members that at times is considered confidential and proprietary. ## CISD Board Agenda Item Synopsis

**Subject:** (Phase 2 Student Devices) Grades 2<sup>nd</sup> – 5<sup>th</sup> Chromebooks with secondary growth, teacher tablets, deployment services, & accessories.

**Background Information:** In the fall of the 2024-25 school year, a Technology Cohort Group was formed to discuss technology challenges, integration, and areas for growth. Based on the group's findings, a recommendation was made to transition students in grades 2-12 to Chromebooks due to identified challenges. Following the cohort's recommendations that November, discussions began among departments and stakeholders regarding a phased deployment. It was determined that the first phase would roll out Chromebooks to grades 6-12 in the 2025-26 school year. In the following year, grades 2-5 would transition to Chromebooks, alongside a refresh of PK-1 iPads. Additionally, Moore Middle School and Celina High School conducted a student pilot program in which students evaluated four manufacturers and recommended Lenovo as their preferred choice. The district has released the RFP for Phase 2, collected and evaluated bids, and selected a vendor. The deployment of these devices is planned to be completed during the summer of 2026, with some installations occurring before the school year ends in May.

**Goals:**

- 1. We will provide and support a safe, civil and collaborative culture.
- 2. We will continuously provide and support effective teaching in every classroom.
- 3. We will provide and support a guaranteed and viable curriculum.
- 4. We will continue to foster a love of reading and commit to continual growth in childhood literacy.
- 5. We will foster strong numeracy skills and commit to continual growth in math success.
- 6. We will provide targeted strategies and practices to prepare students for post-secondary education, career readiness, and military participation.
- 7. We will attract, recruit, develop, and retain high-quality professional staff.

**Budgetary Impact:**

This will be purchased through Bond Funds.

**Purchasing:**

The purchasing requirements are satisfied, (RFP 25-26-003 - Phase 2 Student Devices) (Contract: TIPS 240101 AV/PC).
