OP» 7th grade parent

Thank you, Mrs. Dooley, for making the first weeks of Honors RLA stress class for my daughter. She loves reading and writing, but struggles with test/quizz anxiety. She really appreciates having the opportunity to share knowledge in different ways and have those lessons count too. Thank you for being kind and flexible and also for setting clear expectations. We appreciate you!

TO: Granbury ISD Board of Trustees
FROM: Dr. Courtney Morawski, Superintendent
DATE: February 16, 2026
RE: Enrollment Report

Background:

As the District continues budget development and long-range planning, it is important to regularly review enrollment, attendance, and membership data. Texas school finance is driven primarily by Average Daily Attendance (ADA), which is influenced by enrollment trends, attendance patterns, and instructional settings. Monitoring this data allows the Board and administration to ensure accurate reporting, informed staffing decisions, and responsible financial stewardship.

Summary:

The report examines enrollment trends over time and provides an overview of students who have exited the District, including those enrolling in homeschool options, other virtual or public school programs, charter schools, and other identified reasons.

The report is intended to provide transparency regarding enrollment patterns, inform future planning efforts, and support ongoing discussion related to student retention, instructional options, and funding impacts. Administration will continue to monitor enrollment and membership data, strengthen data collection and reporting processes, and explore innovative instructional models designed to meet student and family choice while remaining compliant with state requirements.

Respectfully,

Dr. Courtney Morawski
Superintendent of Schools
Granbury ISD

ENROLLMENT REPORT

12

February 16, 2026

WHY ARE WE DISCUSSING ENROLLMENT?

As we move into budgeting season, it is important to remember how Texas school finance is designed.

- **TEC §48 (Foundation School Program)** — overall statutory framework for state funding formulas tied to ADA and allotments.
- **TEC §48.051 (Basic Allotment)** — the basic allotment is provided **for each¹³ student in ADA** (foundation of M&O funding).
- **TEC §48.005 (ADA definition)** — defines how ADA is calculated in Chapter 48.

Why it supports an enrollment study: enrollment (and especially *ADA*) drives the revenue side of the budget (basic allotment + allotments + various adjustments). If enrollment/ADA trends change, the board needs that information to make decisions on staffing, program offerings, and budget amendments.

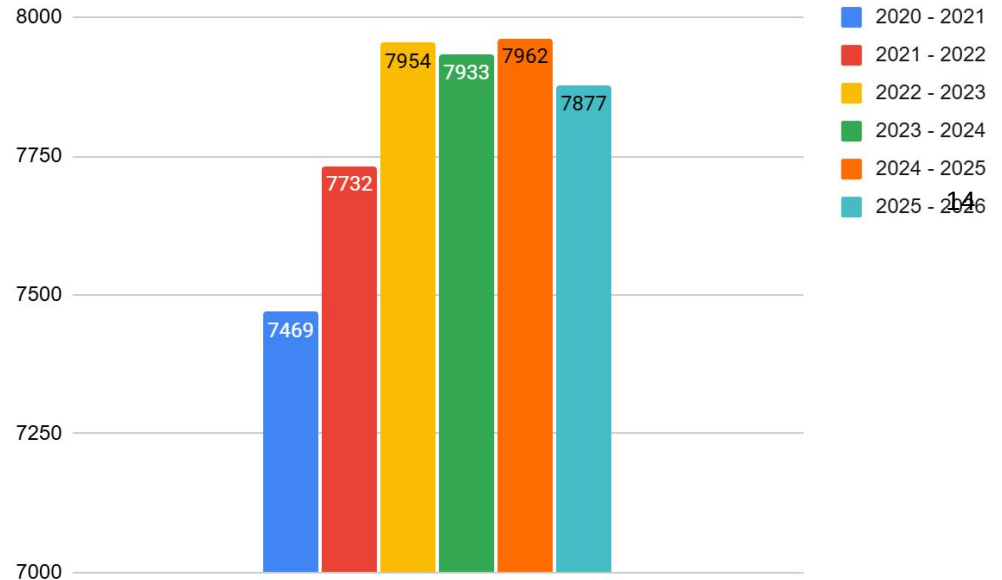

WHAT IS THE TEXAS SNAPSHOT?

When: The last Friday in October each school year

Who sets it: Texas Education Agency (TEA)

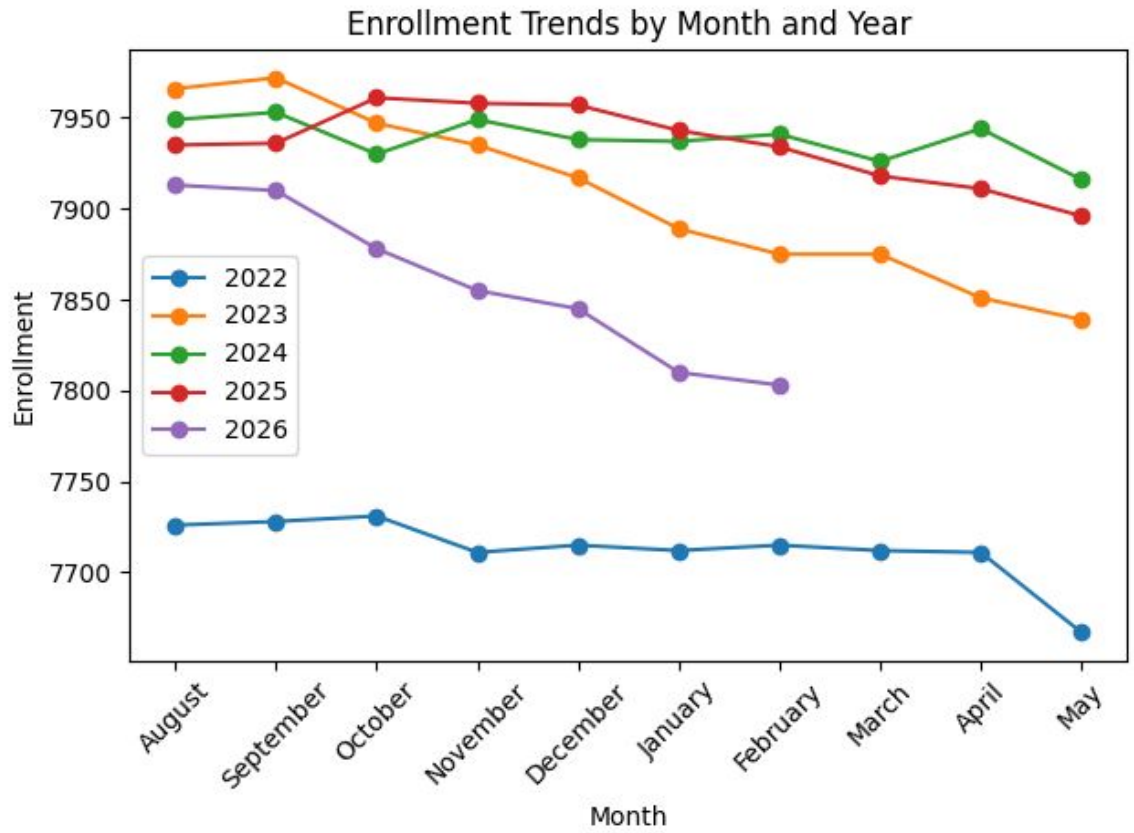

Why it matters: It is the official enrollment count used for:

- State and federal reporting
- Accountability data collections
- Certain funding and compliance calculations

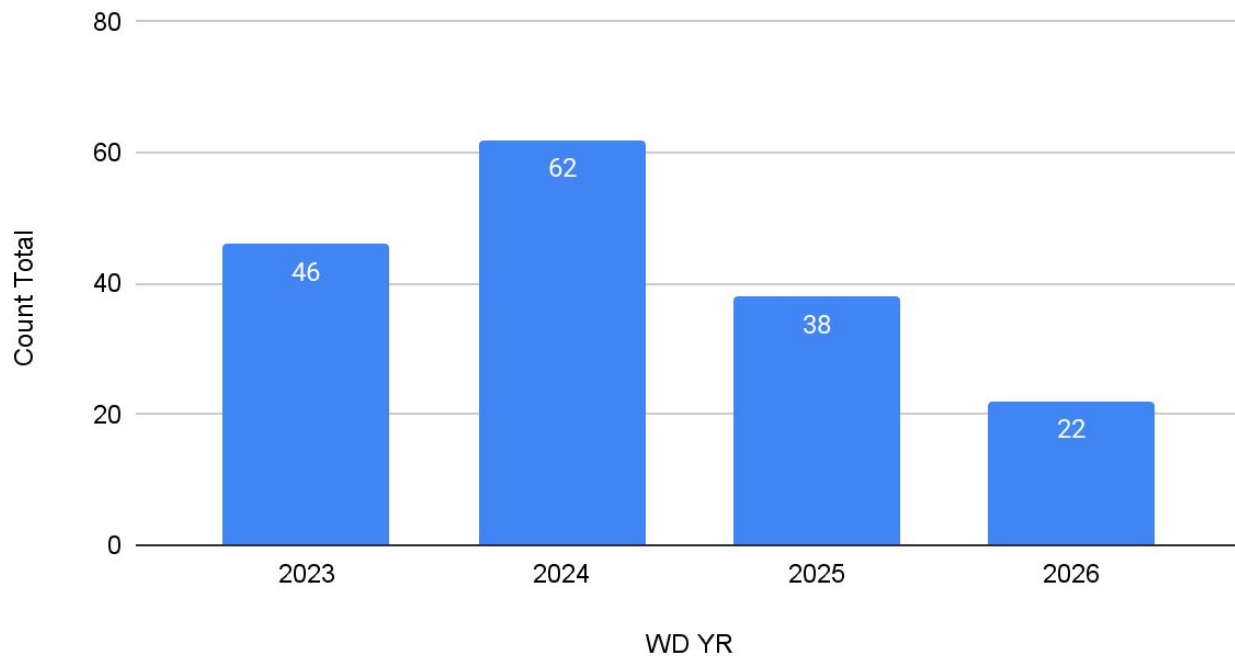

WHAT HAPPENS MONTHLY EACH YEAR?

WHERE ARE STUDENTS GOING?

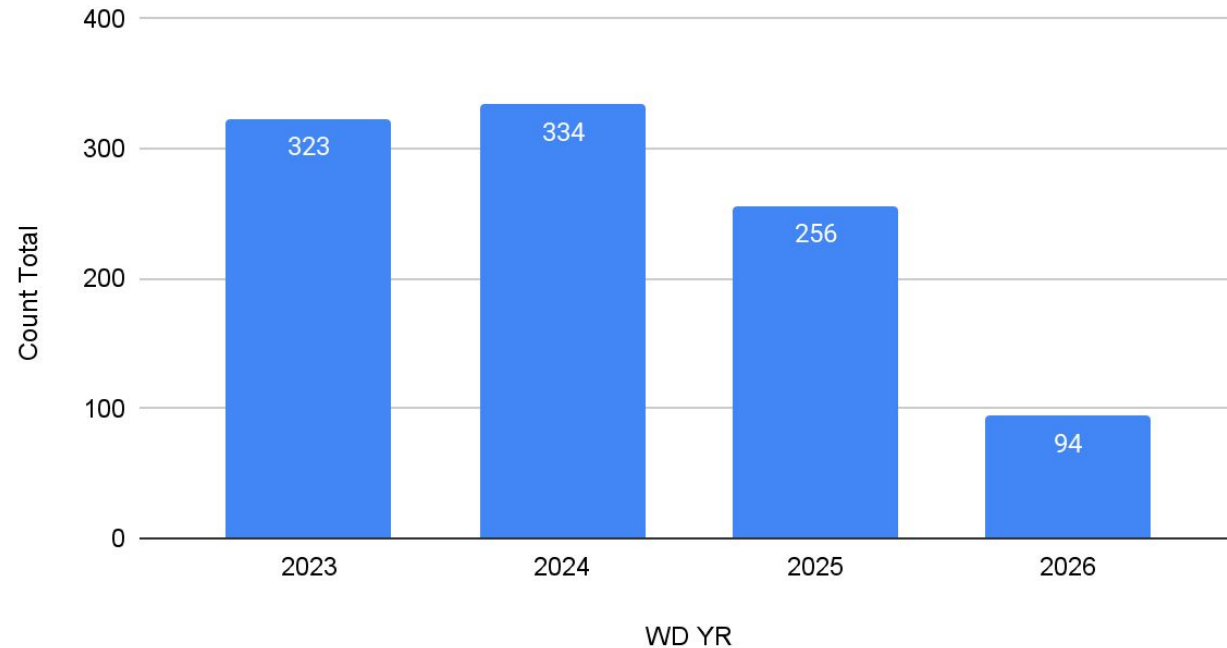

Students Going to Premier High School

WHERE ARE STUDENTS GOING?

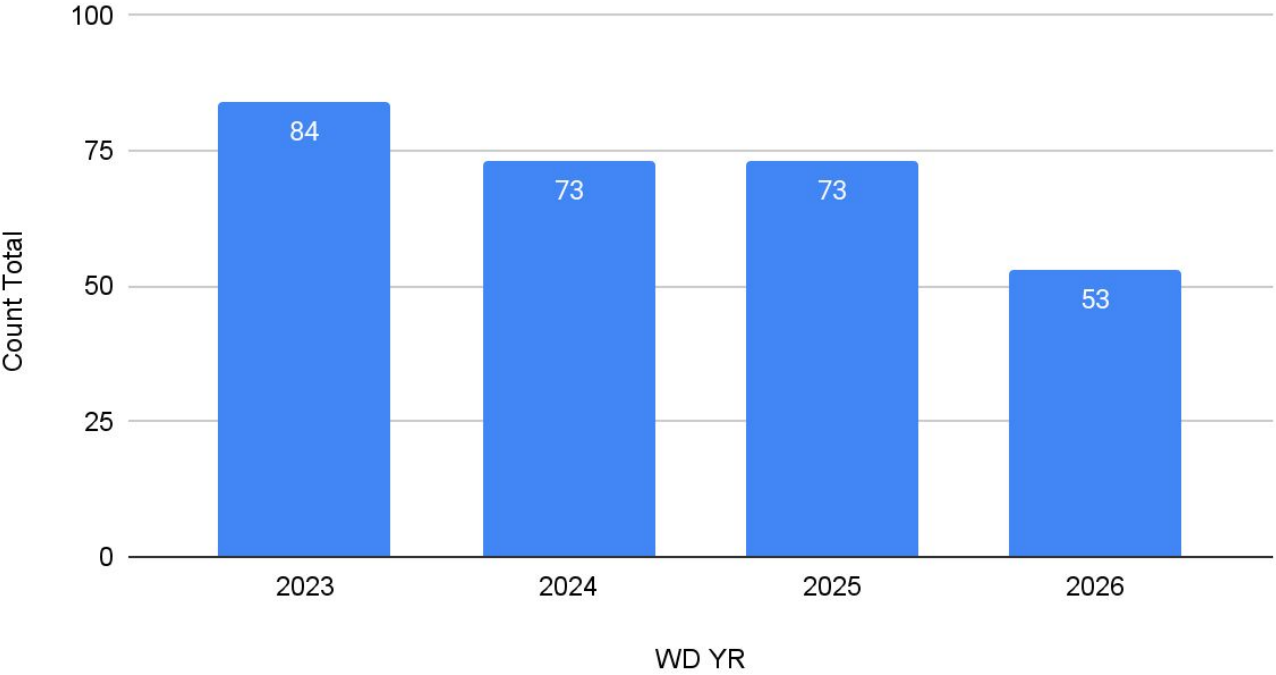

Students Going to Virtual or Other Public School

WHERE ARE STUDENTS GOING?

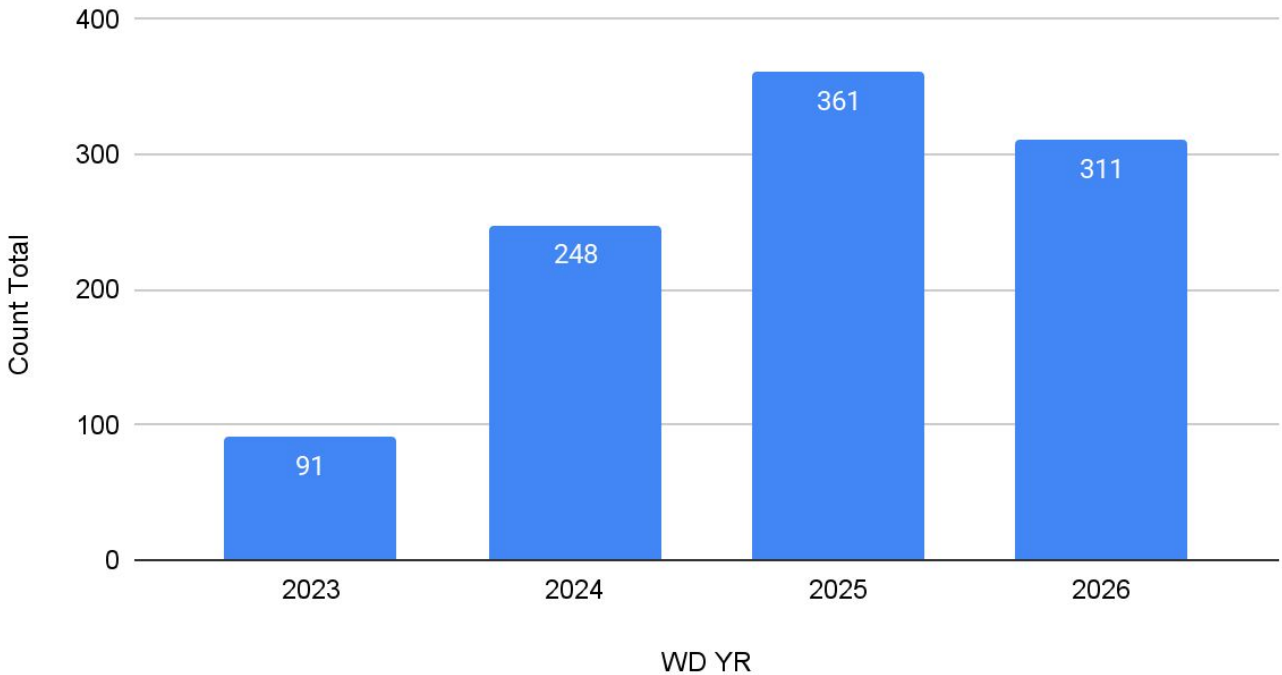

Students going to Homeschool

WHERE ARE STUDENTS GOING?

No Next School Identified

WHAT IS NEXT?

1. **Monitor enrollment and membership data** on an ongoing basis
2. **Refine processes** to improve accuracy of enrollment and attendance reporting
3. **Train campus staff** on enrollment, attendance, and coding expectations
4. **Implement a pre-withdrawal review** to verify student options and eligibility
5. **Explore innovative instructional models** to meet student and family choice

QUESTIONS?

GISD HYBRID VIRTUAL LEARNING MODEL

32

April Allison & Whitney Schafer

HYBRID VIRTUAL LEARNING MODEL PILOT PROPOSAL

Why a Hybrid Virtual Model?

- Changing student and family needs
- New flexibility under SB 569
- Opportunity to maintain student connection to GISD while offering learning flexibility
- Building a phased communication plan
- Application window proposed for March 2nd - March 15th

WHAT THE PROGRAM IS / IS NOT

What the Hybrid Virtual Model <u>IS</u>	What the Hybrid Virtual Model <u>IS NOT</u>
Is a structured learning option aligned to Texas academic standards	Is NOT a fully remote learning model used during COVID
Is a way to stay connected to Granbury ISD while learning flexibly	Is NOT a self-paced credit recovery or accelerated completion program
Is a program with accountability, monitoring, and defined expectations	Is NOT a reduced academic expectations option
Is a non-traditional pathway to graduate as a Granbury Pirate	Is NOT an unstructured or unsupervised learning environment

MODEL AT A GLANCE

Grades Served	9th - 12th grades
Learning Format	Hybrid virtual learning with primarily online coursework and intentional on campus in-person participation
Instructional Model	TEKS-aligned online curriculum with academic support provided by Granbury ISD teachers
Campus Connection	Students remain Granbury ISD students with access to selected on-campus courses and activities
Academic Standards	Graduation requirements, grading, and state testing remain the same
Support Structure	Scheduled teacher office hours, academic monitoring, and check-ins
Program Status	In development; details will continue to be refined

WHO IS THIS MODEL DESIGNED FOR

The Hybrid Virtual Learning Model is designed for students who:

- Are motivated and able to manage independent learning with support
- Benefit from flexibility while maintaining high academic expectations₃₆
- Communicate effectively and meet deadlines
- Value ongoing connection to Granbury ISD programs and activities
- Thrive in a structured but flexible learning environment

**Participation in the Hybrid Virtual Learning Model will include an application and readiness review to support appropriate placement.*

NEXT STEPS

- Finalize Readiness Rubric & Application
- Continue stakeholder input
- Return with updates as planning progresses

**Additional planning documents, including the program guide, extended FAQ, and readiness framework, are available for Board review.*

**Budget Process and Assumptions Guiding
the Development of the General Fund Budget
2026-2027 Fiscal Year**

Fiscal Year

The fiscal year will run from September 1, 2026 to August 31, 2027.

Fund Balance

The general operating Unassigned fund balance is projected to decrease for the current fiscal year. The current operating budget reflects a \$2,060,000 deficit budget. This is due to amending the current budget for the purchase of an additional six buses and the HVAC project to replace units within the district. With district spending lapses and conservative budget management the district will likely not realize the entire deficit.

Even with the anticipated decrease, the District's fund balance is still sufficient for good financial operations. However, continued decrease in fund balance from this point would have a negative impact. The fund balance after these projects and initiatives are completed will remain within the District's fund balance policy limits.

In addition to the Unassigned fund balance, the District currently has \$19,072,738 million identified as Committed fund balance.

- Construction, Future Land Purchases and Renovations - \$1,200,000
- Capital Expenditures for Vehicle and Equipment - \$1,000,000
- Other Purposes – Frozen Levy Retention Fund - \$16,872,738

Committed funds are constrained to a specific purpose by the Board of Trustees and require Board action to commit and un-commit. Requests and needs that arise for the utilization of fund balance for necessary improvements and purchases are considered each year by administration for possible presentation to the Board for action and implementation. Consideration of these projects and purchases are based on currently available funds and fund balance policy constraints, as well as future fund balance projections and other issues that may impact fund balance and future district operations. Depending on the amount of the anticipated increase or decrease to fund balance as well as the total costs of any approved projects and purchases, committed fund balance can be increased (or decreased) to keep the District at or below the Optimum Fund Balance level.

As has been discussed earlier the committed Frozen Levy Retention fund was done in preparation without knowing what the state was going to do with the over payment. In October TEA discovered the over payment in their audit of district property values and made the adjustment. The adjustment moved \$15,150,884 to deferred revenues for use in future years and leaving \$1,721,854 in revenues. Administration will make recommendations at a later date to move these funds from committed fund balance back into uncommitted fund balance for the next audit cycle.

Administration will also make recommendations to manage Unassigned, as well as Committed Fund Balances, for district needs to maintain balance levels dictated by policy and appropriate to maintain an Optimal Fund Balance level. The 2025 FYE audited fund balance reflected a healthy fund balance. An adjustment to Committed Fund Balance accounts will most likely be necessary once the year end fund balance is estimated, taking into consideration the estimated spending lapse for the year as well as any planned reductions to current fund balance levels. This will be monitored as we get closer to the 2026 FYE and an adjustment to Committed fund balance will be made as needed to bring our Unassigned General Fund Balance level in line or slightly below the Optimum Fund Balance Level the current fiscal year. Once the adjustment is made to

committed funds balance and unassigned fund balance is brought in line appropriately, the district will be well within district policy.

Revenue

The **taxable value** of property is projected to increase again for 2026-27 fiscal year. However, keep in mind HB3 (and SB2 from past sessions) substantially changed the way state funding and recapture are calculated. Among other things, current year property values are now used to calculate state funding and recapture as opposed to using prior year values under the old funding system. Also keep in mind HB3 put in place a 2.5% tax cap. In addition to past legislation Senate Bill 4 of the 89th Legislature increased the state mandatory homestead exemption applicable to school districts from \$100,000 to \$140,000 per eligible homestead. Senate Bill 23 of the 89th Legislature increased the homestead exemption of a person who is elderly or disabled applicable to school districts from 10,000 to 60,000 per eligible person's residence homestead.

State and local compression work in parallel and the greater amount of compression from the two calculations (lowest tax rate) will apply to the 2026 Tier One maximum compressed rate (MCR).

How Does State Compression Work?

State compression will be based on the comptroller's estimates of statewide property value growth that will be published in the general appropriations act for the current legislative session. Therefore, the MCR for a school district is the prior year MCR (\$0.6855) * (1.025 / state property value growth percentage). For example, if the comptroller's estimates of statewide property value growth is 5.60% for tax year 2026, the calculation for state compression would be as follows:

$$\text{MCR} = 0.6322 * (1.025 / 1.056) = \$0.6136$$

How Does Local Compression Work?

Districts that grow faster than the statewide average growth rate will have their tax rates compressed further so that the District's local tax collections increase by no more than 2.5% per year. Therefore, the MCR for a school district with a local growth rate higher than the statewide average is the prior year MCR (\$0.6146) * (1.025 / local property value growth percentage). For example, say GISD's local value growth percentage rate is 12.0% for tax year 2026, the calculation for local compression will be as follows:

$$\text{MCR} = 0.6146 * (1.025 / 1.12) = \$0.5625 (\$0.5522 \text{ MCR floor})$$

As previously mentioned, a District's maximum Tier One tax rate (MCR) will be the lesser of the State or Local compression. Therefore, based on the State and Local growth percentage examples used above, the District's tax rate for 2026 would be the lower rate of \$0.5625. And of course the \$0.17 additional Golden Pennies can be added to the MCR to come up with the total M&O tax rate. In the **example** above, local compression lowers the district's M&O tax rate to keep the overall M&O taxes raised by the district limited to a 2.5% increase per year.

The 2026 formula percentages have not been released from TEA at this point. The above examples are based on prior year calculations, however, maximum compressed tax rate is projected to be used in calculations for this year as well.

A Tax collection ratio of 99 percent will continue to be used, based on past history and current economic conditions.

Projected student growth of 0% will be used for state revenue calculations for 2026-27. Student enrollment at the beginning of February 2026 was 7,811 as compared to 7,901 for the same time period last year. Average Daily Attendance (ADA) at the end of the 1st semester this year was 7,214.879 as compared to 7,347.012 at the end of the 1st semester in 2024-25. The district expects increased attendance percentages for the 2026-27 school year with the continued use of the RaaWee software.

State Aid and Recapture

GISD will continue to receive some state funding under HB3. Based on current enrollment data, ADA and projected tax collection data, GISD is anticipating a recapture payment of approximately \$3,844,645 to the State for the current 25-26 school year. However, keep in mind this recapture amount is based on projected ADA and the Comptroller's final property values. This amount can increase.

Based on HB3 and 2025 Preliminary Value Study findings as well as current enrollment projections, recapture is estimated to remain steady or slightly increase in 26-27. However, until we know what our Tier 1 compressed tax rate will be, it is impossible to estimate that number at this time. Of course, this depends on student enrollment and ADA growth, or value growth and tax collections are not as much in 26-27, then the recapture amount will be less.

Additional sources of funding will continue to be pursued.

Expenditures

A **per pupil allocation** will be calculated for each school based on projected enrollment by grade. Funding considerations maintaining a per pupil allocation will be included in the 2026-27 budget.

The same Central Office and Department allocations as last year will be included in the 2026-2027 budget unless State funding allocations in special programs or other changes/needs dictate an increase or a decrease is warranted. New legislation included allotment for basic costs (\$106 per enrollment) for utilities and fuel that has been included in department budgets as well.

Needs above allocations will be presented by Budget Managers for consideration by the Superintendent and the Executive budget team for inclusion in the budget.

Long range facility needs will be reviewed and incorporated into the budget process as appropriate.

Salaries & Benefits

Staffing Formulas previously utilized will be used as well as consideration given to staffing information received from previous staffing studies. Each position that is vacated will be reviewed by the Superintendent as to whether or not it will be maintained for future years. New positions will be added to meet the needs of GISD students after extensive research and consideration by the Superintendent. Reallocation of existing staff will be the first line of support if appropriate.

GISD teacher salary rankings with area districts will continue to be reviewed as well as information received from previous salary studies completed. The district made great strides in the last couple of years with increased teacher salaries.

Continued emphasis on increasing the number of teachers with advanced degrees in subject areas will be made when developing salary schedules and recruiting of new staff.

Salary schedules for other district employees will continue to be reviewed and updated to reflect related market changes. Again, the district made great strides in this area as well in the past couple of years. However, there is still some work to be performed on these schedules. Emphasis will be on campus level personnel when developing these salary schedules and related mid-point increases.

District Insurance contribution will be maintained at \$378 per month unless an increase or decrease is approved by the board.

Ongoing Financial Management

The budget process will be structured to **identify programs and activities that can be reduced or eliminated** with little or no impact on operations or teaching and learning.

10. SUPERINTENDENT'S REPORT was presented by Dr. Courtney Morawski, Superintendent.

School Board Appreciation Month! Our Board members give generously of their time, their expertise, and their hearts—often quietly, always with purpose. They show up prepared, ask thoughtful questions, and make decisions with our students, staff, and community at the center. We are deeply grateful for their leadership, service, and commitment to Granbury ISD, and while they take their work seriously, we also love their larger-than-life personalities—and absolutely love seeing them around our district.

6th Grade Courses

As students progress through middle school, they begin to explore and plan for their future. In 6th grade, students identify their interests, strengths, and areas for growth through course selections, guest speakers, and participation in specialized programs designed to support personal and academic development.

Required Courses

The following prerequisites will be used to place students in Honors RLA and/or in Honors Math 6.

- **i-Ready Scores
 - **Math STAAR Scores
 - **Reading STAAR Scores
 - **Common Assessment Scores
 - **District Benchmark Scores
-

6TH GRADE RLA

This course builds on students' prior learning in reading, written expression, research, critical thinking, and oral communication. Students engage in daily reading and writing while exploring a wide range of literary genres. Students will complete the state-mandated (STAAR) assessment at the end of the year.

6TH GRADE HONORS RLA

This rigorous course is designed for students with a strong interest in English Language Arts who are ready for increased academic challenge. Students engage with the same Grade 6 RLA TEKS as the standard course while participating in enriched learning experiences that promote deeper comprehension, critical thinking, and advanced written and oral expression. Instruction includes daily reading and writing across a variety of literary and informational texts, with opportunities for extended analysis, discussion, and independent work. Students will complete the state-mandated STAAR Reading Language Arts assessment at the end of the year.

6TH GRADE MATH

In addition to strengthening prior learning in math, the primary focal points of Grade 6 math are using ratios to describe direct proportional relationships involving numbers, geometry, measurement, probability, and adding and subtracting decimals and fractions. Students will take the state-mandated STAAR Math assessment at the end of the year.

6TH GRADE HONORS MATH

6th Grade Honors Math is a rigorous course designed for students who demonstrate advanced mathematical proficiency and readiness for accelerated learning. Students engage with the same Grade 6 Math TEKS as the standard course while participating in enriched instruction that emphasizes deeper conceptual understanding, critical thinking, and advanced problem-solving. Instruction moves at an accelerated pace and includes opportunities for extended application and reasoning to prepare students for continued success in honors mathematics. Students will

complete the state-mandated STAAR Math assessment at the end of the year.

6TH GRADE SCIENCE

Grade 6 science is interdisciplinary in nature, with a strong emphasis on physical science. Students engage in hands-on laboratory and field investigations for at least 40% of instructional time. Content from this course contributes to the Grade 8 Science STAAR assessment.

6TH GRADE SOCIAL STUDIES

In Grade 6, students study people, places, and societies of the contemporary world. The course also enables students to understand the importance of patriotism, function in a free enterprise society, and appreciate the basic democratic values of our state and nation.

6TH GRADE TECHNOLOGY IN ACTION

This required technology course for all 6th-grade students develops essential digital, academic, and career-readiness skills to support success in school and beyond. Students build proficiency in keyboarding, participate in STEAM-based learning, and engage in AVID strategies. The course also introduces Google Academy tools, Xello career interest exploration, and the creation of digital portfolios, along with additional technology applications.

Athletics/PE Electives

6TH GRADE FITNESS AND WELLNESS

Boys and girls will be divided into separate classes.

Classes meet every day and each student may be expected to change into shorts, shirt, shoes, and socks every day. Students are expected to strive for 100% participation. Each student needs to set a fitness goal for the year. The students will be tested on the one-mile run in the fall and again in the spring. Various sports will be covered throughout the year. Education for life wellness will be incorporated for students.

6TH GRADE FITNESS AND WELLNESS FOR ASPIRING ATHLETES (PRE-ATHLETICS)

6th Grade Pre-Athletics is designed to prepare students for participation in middle school athletics by developing fundamental movement skills, physical fitness, and healthy habits. Students engage in structured activities that focus on strength, endurance, flexibility, coordination, and sport-related skills while learning the importance of teamwork, sportsmanship, and personal responsibility. Instruction emphasizes safe practices, effort, and goal setting in a supportive environment that promotes confidence, cooperation, and lifelong fitness. Students are expected to dress out daily in appropriate athletic attire to fully participate in course activities.

Fine Arts Electives

BAND 6

Band 6 is open to all 6th-grade students, regardless of prior musical experience. Instruction

focuses on beginning music theory and the fundamentals of playing a band instrument, including proper posture, tone production, note reading, rhythm, and ensemble skills. Instruments offered include flute, oboe, clarinet, bassoon, saxophone, trumpet, trombone, baritone, tuba, and percussion. Students have the opportunity to explore instruments during the spring of their 5th-grade year or at the beginning of the fall semester. Once an instrument is selected, students are responsible for providing their own instrument; the school supplies certain larger or specialized instruments (tuba, baritone, bassoon, and oboe) for a one-time annual fee. Students participate in required band performances throughout the school year, which are reflected in the course grade.

CHOIR 6

In this course, students develop foundational vocal techniques, music literacy, and performance skills. Instruction focuses on proper singing technique, basic music reading, and performance skills as both individual singers and members of an ensemble. Students participate in a fall and winter concert and a spring performance, with opportunities to compete in Solo and Ensemble contests and selected group performances. Emphasis is placed on teamwork, collaboration, and responsibility as members of a performing ensemble. Required choir performances occur throughout the school year and are reflected in the course grade.

THEATRE ARTS A

Theatre Arts 6 is an introductory course designed for students with little or no prior theatre experience. Students explore the fundamentals of theatre through movement, improvisation, pantomime, vocal production, and monologue performance while reading and analyzing dramatic texts. Instruction introduces basic theatre vocabulary, elements of performance, theatre history, and technical theatre concepts such as scenery, props, costumes, and makeup. Emphasis is placed on creativity, collaboration, communication, and confidence within a supportive, team-based learning environment.

Pre-Placement Classes for Grades 6-8

MATH INTERVENTION

This intervention course provides targeted, systematic mathematics instruction designed to strengthen foundational skills, deepen conceptual understanding, and support continuous growth in mathematical reasoning and problem-solving.

READING INTERVENTION

This intervention course provides explicit, systematic literacy instruction in phonological awareness, phonics, fluency, vocabulary, reading comprehension, oral language, and writing. Instruction is aligned to grade-level literacy standards and focused on strengthening foundational skills and promoting sustained reading growth.

DYSLEXIA INTERVENTION

This course is a structured, sequential intervention designed specifically for students with dyslexia to support the development of foundational language skills. Enrollment is based on identified student need and determined through appropriate evaluation and instructional planning.

7th Grade Courses

In 7th grade, students build on the self-awareness developed in 6th grade to either continue along their chosen pathway or explore new elective opportunities. As students expand their interests and strengths, they are encouraged to make thoughtful choices that support their academic and personal goals.

School-sponsored extracurricular activities increase in availability and involvement during 7th grade, providing additional opportunities for leadership, teamwork, and skill development. Students also begin their High School Graduation Plan, which is reviewed and updated annually through graduation. During the course selection process, students collaborate with their parents to explore interests, select an endorsement, and begin developing a four-year graduation plan.

Required Courses

The following prerequisites will be used to place students in Honors RLA and/or in Honors Math 7.

- **Successful Completion of Honors 6th Grade Course Math and/or RLA (85 or better)
 - **i-Ready Scores
 - **Math STAAR Scores
 - **Reading STAAR Scores
 - **Common Assessment Scores
 - **District Benchmark Scores
-

7TH GRADE RLA

This course expands upon skills developed in 6th grade, deepening students' ability to analyze texts, express ideas in writing, conduct research, and communicate effectively. Students continue daily reading and writing while studying a broad range of literary and informational genres. Instruction emphasizes critical thinking, text-based responses, and the organization of ideas in written and oral formats. Students will complete the state-mandated STAAR Reading Language Arts assessment at the end of the year.

7TH GRADE HONORS RLA

This rigorous course is designed for students with a strong interest in English Language Arts. Students engage with the same grade-level RLA TEKS as the standard course while participating in additional academic challenges that emphasize deeper analysis, advanced writing, independent reading, and critical thinking. Instruction includes daily reading and writing across a variety of literary and informational texts. Students will complete the state-mandated STAAR Reading Language Arts assessment at the end of the year.

7TH GRADE MATH

In addition to strengthening prior learning in math, the primary focal points of Grade 7 math are using direct proportional relationships in number, geometry, measurement, and probability; applying addition, subtraction, multiplication, and division of decimals, fractions, and integers; and using statistical measures to describe data. Students will take the state-mandated STAAR

Math assessment toward the end of the year.

7TH GRADE HONORS MATH

7th Grade Honors Math is a challenging course designed for high-achieving students who demonstrate advanced mathematical proficiency. The course accelerates instruction through Grade 7 TEKS while incorporating advanced concepts to prepare students for Algebra I. Instruction emphasizes critical thinking, problem-solving, and application of mathematical concepts at an accelerated pace. Students will complete the Grade 8 STAAR Math assessment at the end of the year.

7TH GRADE SCIENCE

The 7th-grade science course is interdisciplinary in nature, with a strong emphasis on organisms and the environment. Students engage in hands-on investigations, laboratory activities, and field experiences for at least 40% of instructional time, supporting scientific inquiry and critical thinking. Content from this course contributes to the state-mandated Grade 8 Science STAAR assessment.

7TH GRADE SOCIAL STUDIES

In Grade 7, students study the history of Texas from early times to the present. The course emphasizes the development of Texas within the context of the United States and explores the principles of patriotism, civic responsibility, and democratic values. Students examine the role of the free enterprise system, geographic influences, cultural diversity, and the foundations of state and national government.

7TH GRADE PROJECT SUCCESS (HIGH SCHOOL CREDIT)

This 7th-grade project-based course integrates Career and Technical Education (CTE) knowledge and skills, general employability skills, and community service experiences. Through hands-on projects and activities, students explore career pathways and career clusters, develop essential workplace skills, and learn about community organizations. The course emphasizes self-awareness, goal setting, and a growth mindset to support informed decision-making as students plan future academic and career pathways.

Athletics/PE Electives

BOYS' ATHLETICS OR GIRLS' ATHLETICS

The 7th and 8th grade athletics program emphasizes skill development, physical fitness, teamwork, and sportsmanship through structured instruction and competitive participation. Sports offered for young men include football, basketball, and track, while sports offered for young ladies include volleyball, basketball, and track. The program is designed to promote discipline, responsibility, cooperation, and personal growth while developing fundamental movement skills and sport-specific techniques in a safe and supportive environment. Participation in athletics requires students to meet academic eligibility standards, have a current physical on file, and adhere to school and district guidelines. Parent support, including transportation to before- or after-school practices, is an essential component of the middle school athletics program.

FITNESS AND WELLNESS

The Fitness and Wellness course focuses on developing physical fitness, movement skills, and healthy habits that support lifelong wellness. Students participate in regular physical activity designed to improve strength, endurance, flexibility, and coordination while engaging in a variety of individual and team activities. Instruction emphasizes goal setting, personal responsibility, teamwork, and safe practices. Students learn principles of health, fitness, and overall wellness and apply these concepts to set and monitor personal fitness goals.

PE DANCE FOR BOYS AND GIRLS

Dance I is designed to introduce students to fundamental dance techniques, movement skills, and performance concepts through the study of jazz, lyrical, and hip hop dance styles. Students learn basic dance vocabulary, proper technique, and movement patterns while developing coordination, rhythm, and expressive performance skills. Instruction includes learning choreographed routines as well as opportunities for students to create original choreography through individual and group assignments. The course emphasizes creativity, collaboration, discipline, and performance readiness, preparing students for high school dance courses or drill team participation. Students are required to dress out and actively participate in daily instruction.

PARTNER PE FOR BOYS AND GIRLS (AMS Only)

Partner Physical Education provides inclusive physical education instruction for students in grades 6–8 through activities that pair students with age-appropriate peers in an integrated learning environment. Instruction is designed to support participation for all students by incorporating appropriate modifications and accommodations for students with developmental and physical disabilities. Students engage in a variety of physical education units, which may include basketball, flag football, kickball, soccer, baseball, volleyball, and other movement-based activities. The course follows best practices in adapted physical education, emphasizing skill development, teamwork, fitness, and safe participation. Enrollment in this course requires an application and approval process.

Fine Arts Electives

BAND

7th Grade Band builds upon the foundational skills developed in 6th grade, with increased expectations for musical accuracy, technique, and ensemble performance. Students are placed into band sections based on instrument and ability, using results from auditions held in May. Instruction emphasizes rhythmic accuracy, note reading, tone production, and proper playing technique for each instrument. Students with no prior band experience are placed in a beginner band section. Performance opportunities include a Holiday Concert, Spring Concert, participation at selected football games, the UIL Concert and Sight-Reading Contest, and an end-of-year band trip. Required band performances throughout the year are reflected in the course grade.

CHOIR

Seventh-grade choir builds upon the foundational skills developed in 6th grade, with increased expectations for vocal technique, music literacy, and performance quality. Choirs are organized into boys' and girls' ensembles. Students continue developing proper singing technique and music reading skills while working toward a higher level of musical independence and ensemble performance. Performance opportunities include a fall concert, All-Region Choir auditions, a

winter concert, Solo and Ensemble Contest, Concert and Sight-Reading Contest, and a spring program. Some rehearsals and all performances occur outside the school day. Required choir performances throughout the year are reflected in the course grade.

THEATER ARTS-B (FOR STUDENTS WHO TOOK THEATER ARTS IN 6TH GRADE)

7th Grade Theatre Arts builds upon the foundational skills developed in 6th grade, with increased expectations for performance quality, collaboration, and creative expression. Students refine acting techniques through improvisation, scripted scenes, and monologue work while applying theatre vocabulary and performance concepts with greater independence. Instruction expands theatre history, playwriting, and technical theatre elements, encouraging students to analyze dramatic texts and develop original scenes. Emphasis is placed on teamwork, discipline, and effective communication as students apply the creative process in collaborative performance experiences.

THEATER ARTS-A (FIRST TIME TAKEN IN MIDDLE SCHOOL)

7th Grade Theatre Arts is an introductory course designed for students who are new to theatre. Students learn the fundamentals of theatre through movement, improvisation, pantomime, vocal production, and basic acting techniques. Instruction introduces theatre vocabulary, performance skills, dramatic text analysis, theatre history, and technical theatre concepts such as set, prop, and costume design. The course emphasizes creativity, collaboration, and confidence while engaging students in group-based activities and performance experiences that develop communication and self-expression.

ART

Art is an introductory visual arts course designed for students who are experiencing formal art instruction for the first time in middle school. Students develop an appreciation for art while strengthening creative thinking, problem-solving, and visual communication skills. Instruction emphasizes perception through observation and personal experience, creative expression using a variety of media, understanding of historical and cultural influences in art, and thoughtful response and evaluation of artworks. Students create original works using media such as drawing, painting, printmaking, sculpture, ceramics, fiber arts, photography, and digital tools. Through individual and group critiques, students analyze their own work and the work of others, building vocabulary, confidence, and artistic awareness.

Additional Electives

AVID (ADVANCEMENT VIA INDIVIDUAL DETERMINATION)

The 7th Grade AVID elective supports students as they prepare for more rigorous academic coursework and begin exploring college and career pathways. Instruction is aligned to the AVID Essential Elements and emphasizes the development of organizational skills, effective study habits, and critical thinking through inquiry-based learning. Students engage in collaborative learning experiences, practice asking higher-level questions, and participate in structured academic tutorials with peers and trained tutors. The course fosters leadership, goal setting, and a growth mindset while introducing students to postsecondary options through enrichment activities and university campus visits. Students enrolled in AVID are expected to enroll in at least one honors-level course as part of their academic program.

Pre-Placement Classes for Grades 6-8

MATH INTERVENTION

This intervention course provides targeted, systematic mathematics instruction designed to strengthen foundational skills, deepen conceptual understanding, and support continuous growth in mathematical reasoning and problem-solving.

READING INTERVENTION

This intervention course provides explicit, systematic literacy instruction in phonological awareness, phonics, fluency, vocabulary, reading comprehension, oral language, and writing. Instruction is aligned to grade-level literacy standards and focused on strengthening foundational skills and promoting sustained reading growth.

DYSLEXIA INTERVENTION

This course is a structured, sequential intervention designed specifically for students with dyslexia to support the development of foundational language skills. Enrollment is based on identified student need and determined through appropriate evaluation and instructional planning.

8th Grade Courses

In 8th grade, students begin implementing the Graduation Plan developed in 7th grade as they prepare for the transition to high school. Course selections during this year are especially important, as students' high school academic journey begins. Students consider Foundation Graduation requirements, endorsement areas of interest, opportunities to earn an associate degree by high school graduation, and the impact of course selection on future academic goals, including high school coursework and class ranking.

A planning sheet is available to support students and parents throughout the process. During course selection, students and parents work collaboratively to finalize the student's four-year Graduation Plan and officially declare an endorsement.

Required Courses

The following prerequisites will be used to place students in Honors ELA and/or in Algebra 1.

- **Successful Completion of Honors 7th Grade Course Math and/or ELA (85 or better)

- **i-Ready Scores

- **Math STAAR Scores

- **Reading STAAR Scores

- **Common Assessment Scores

- **District Benchmark Scores

8TH GRADE RLA

This course is designed to build upon prior knowledge from previous grades in the areas of reading, written language, research, thinking, and oral language. Students will be reading and writing on a daily basis and be exposed to various types of literature. Students will take a state-mandated (STAAR) math assessment toward the end of the year.

8TH GRADE HONORS RLA

This rigorous course is designed for students who love ELA! This course will build upon prior knowledge from previous grades in the areas of reading, written language, research, thinking, and oral language. Students will be reading and writing on a daily basis and be exposed to various types of literature. Students will take a state-mandated (STAAR) math assessment toward the end of the year.

8TH GRADE MATH

In addition to strengthening prior learning in math, the primary focal points of Grade 8 math are using basic principles of algebra to analyze and represent both proportional and non-proportional linear relationships and using probability to describe data and make predictions. Students will take the state-mandated STAAR Math assessment toward the end of the year.

ALGEBRA I (HS CREDIT)

8th Grade Algebra I is an accelerated course consisting of high school Algebra I TEKS. Placement is based on student performance in 7th grade mathematics, district common assessments, benchmarks, and STAAR results. This course prepares students for advanced high school mathematics. Students will complete the state-mandated STAAR Algebra I End-of-Course (EOC) assessment at the end of the year.

8TH GRADE SCIENCE

Grade 8 science is interdisciplinary in nature, with a strong emphasis on earth and space science. Students engage in hands-on laboratory and field investigations for at least 40% of instructional time. Students will complete the state-mandated Grade 8 Science STAAR assessment at the end of the year.

8TH GRADE SOCIAL STUDIES

In Grade 8, students study the history of the United States from the early colonial period through Reconstruction. The course emphasizes the development of democratic principles, constitutional foundations, patriotism, and civic responsibility. Students also examine the role of the free enterprise system and the political, economic, and social forces that shaped the nation. Students will complete the state-mandated Grade 8 Social Studies STAAR assessment at the end of the year.

Athletics/PE Electives

BOYS' ATHLETICS OR GIRLS' ATHLETICS (HS PE CREDIT)

The 7th and 8th grade athletics program emphasizes skill development, physical fitness, teamwork, and sportsmanship through structured instruction and competitive participation. Sports offered for young men include football, basketball, and track, while sports offered for young ladies include volleyball, basketball, and track. The program is designed to promote discipline, responsibility, cooperation, and personal growth while developing fundamental movement skills and sport-specific techniques in a safe and supportive environment. Participation in athletics requires students to meet academic eligibility standards, have a current physical on file, and adhere to school and district guidelines. Parent support, including transportation to before- or after-school practices, is an essential component of the middle school athletics program.

FITNESS AND WELLNESS (HS PE CREDIT)

The Fitness and Wellness course focuses on developing physical fitness, movement skills, and healthy habits that support lifelong wellness. Students participate in regular physical activity designed to improve strength, endurance, flexibility, and coordination while engaging in a variety of individual and team activities. Instruction emphasizes goal setting, personal responsibility, teamwork, and safe practices. Students learn principles of health, fitness, and overall wellness and apply these concepts to set and monitor personal fitness goals.

PE DANCE 1 FOR BOYS AND GIRLS (HS PE CREDIT)

This class is designed to teach students the basic techniques and skills in Jazz, Lyrical, and Hip Hop. In each dance form studied, students will learn dance routines, have a few opportunities to learn how to create dance choreography in group assignments, as well as, become prepared for high school dance class or Drill Team. Students are introduced to basic dance vocabulary,

dance technique, and movement. There are dance performance opportunities throughout the school year. Students are required to dress out and participate every day.

PE DANCE 2 FOR BOYS AND GIRLS (HS PE CREDIT)

Dance 2 builds upon the foundational skills introduced in Dance I and is designed for students with prior dance experience. Students refine technique, movement quality, and performance skills across multiple dance styles, which may include jazz, lyrical, and hip hop. Instruction emphasizes increased technical accuracy, strength, flexibility, and musicality. Students engage in more advanced choreographic experiences through individual and group projects, applying dance vocabulary and performance concepts with greater independence. Throughout the year, students participate in required dance performances that demonstrate skill development and artistic growth. The course promotes collaboration, discipline, and artistic expression while preparing students for advanced dance coursework or performance opportunities. Students are required to dress out and actively participate in daily instruction.

PARTNER PE FOR BOYS AND GIRLS (AMS Only)

Partner Physical Education provides inclusive physical education instruction for students in grades 6–8 through activities that pair students with age-appropriate peers in an integrated learning environment. Instruction is designed to support participation for all students by incorporating appropriate modifications and accommodations for students with developmental and physical disabilities. Students engage in a variety of physical education units, which may include basketball, flag football, kickball, soccer, baseball, volleyball, and other movement-based activities. The course follows best practices in adapted physical education, emphasizing skill development, teamwork, fitness, and safe participation. Enrollment in this course requires an application and approval process.

Fine Arts Electives

BAND (HS CREDIT)

8th Grade Band continues the development of advanced musical skills with an emphasis on precision, musical expression, and ensemble leadership. Students are placed into band sections based on instrument and ability, using results from auditions held in May. Instruction focuses on refining tone quality, rhythmic accuracy, sight-reading, and performance technique while promoting increased musical independence and responsibility. Students with no prior band experience are placed in a beginner band section as appropriate. Performance opportunities include a Holiday Concert, Spring Concert, participation at selected football games, the UIL Concert and Sight-Reading Contest, and an end-of-year band trip. Required band performances throughout the year are reflected in the course grade.

CHOIR (HS CREDIT)

Eighth-grade choir further refines vocal technique, music literacy, and performance skills with an emphasis on musical excellence, independence, and leadership. Students are expected to demonstrate advanced ensemble skills and increased responsibility as performers. Performance opportunities include a fall concert, All-Region Choir auditions, winter concert, Solo and Ensemble Contest, Concert and Sight-Reading Contest, and a spring program. Students also have expanded opportunities to perform in the community and are encouraged to

pursue independent singing experiences. Some rehearsals and all performances occur outside the school day. Required choir performances throughout the year are reflected in the course grade.

THEATER ARTS 1 (HS CREDIT)

Students develop performance, creative expression, and critical analysis skills through acting techniques, scripted and original scenes, improvisation, and vocal and physical expression. Instruction includes the study of theatre history, dramatic structure, and technical theatre concepts while emphasizing collaboration, discipline, and responsibility. Students apply the creative process to plan, rehearse, perform, and evaluate theatrical works, preparing them for advanced high school theatre coursework and fulfilling the high school fine arts graduation requirement.

ART 1 (HS CREDIT)

Art I is a rigorous fine arts course aligned to the Texas Essential Knowledge and Skills (TEKS) for high school Visual Arts and is offered to eligible students for high school credit. This course is designed for students with or without prior formal art instruction. Students develop skills in observation, creative expression, and visual communication while working with a variety of media, which may include drawing, painting, printmaking, sculpture, ceramics, mixed media, and digital tools. Instruction emphasizes the elements and principles of design, artistic problem solving, and creative thinking. Students study artworks from diverse historical periods and cultures and engage in critical analysis and reflection through individual and group critiques. Through the creative process, students plan, create, refine, and evaluate original artworks, preparing them for advanced high school art courses and fulfilling the high school fine arts graduation requirement.

Foreign Language Electives

SPANISH I (HS CREDIT)

Spanish I is a year-long course aligned to the Texas Essential Knowledge and Skills (TEKS) for high school Languages Other Than English and is offered to eligible students for high school credit. Instruction emphasizes the development of listening, speaking, reading, and writing skills through daily practice and meaningful communication. Students acquire an understanding of basic grammatical structures while building vocabulary and cultural awareness. Placement in this course requires successful performance on the standard Reading 7 STAAR assessment and a recommendation from the student's language arts teacher. Successful completion of this course fulfills the Spanish I requirement for high school credit.

SPANISH 3 (NATIVE SPEAKERS)

Spanish III builds upon previously developed language skills with an emphasis on advanced communication and higher-order thinking. Instruction reinforces conversational patterns through culturally authentic situations while expanding proficiency in reading, writing, listening, and speaking. Students refine and apply grammatical structures, expand vocabulary, and engage with a variety of texts. The course also explores the cultures, traditions, and perspectives of diverse Spanish-speaking countries. High school credit is awarded upon successful completion of both semesters of the course. Grades earned in this course are recorded on the high school transcript but are not included in the calculation of high school GPA.

Additional Electives

AVID ELECTIVE (HS CREDIT)

The 8th Grade AVID elective prepares students for a successful transition into high school and advanced academic pathways. Aligned to the AVID Essential Elements, the course emphasizes academic rigor, student ownership of learning, and college readiness skills. Students refine organization and note-taking strategies, strengthen critical thinking through inquiry and collaboration, and participate in regular academic tutorials to address areas of need. Instruction focuses on leadership development, goal setting, and informed decision-making related to high school coursework and future college and career plans. Students participate in enrichment activities and university campus visits to deepen their understanding of postsecondary opportunities. **Students enrolled in AVID are expected to enroll in at least one honors-level course as part of their academic program.**

PRINCIPLES OF APPLIED ENGINEERING (HIGH SCHOOL CREDIT)

Principles of Engineering is an activity-oriented, hands-on course designed to challenge and engage students while preparing them for Career and Technical Education (CTE) courses at the high school level. Instruction is based on Project Lead The Way (PLTW) curriculum units and modules and emphasizes creativity, critical thinking, communication, collaboration, and problem-solving. Students build knowledge in engineering, computer science, and technology while reinforcing mathematics and science concepts through applied learning experiences.

Students apply the engineering design process to solve real-world problems and examine the impact of creativity and innovation in everyday life. Using design software, students create virtual models of their designs and develop a portfolio to showcase their solutions. The course also explores the history, development, and influence of automation and robotics as students study mechanical systems, energy transfer, machine automation, and computer control systems. Using the VEX Robotics platform, students design, build, and program robotic systems to model real-world applications.

PRINCIPLES OF AGRICULTURE (HIGH SCHOOL CREDIT)

Principles of Agriculture is a foundational course that introduces students to the wide-ranging field of agriculture and its role in feeding, clothing, and sustaining the world. Students explore topics including animal science, horticulture, natural resources, and green energy while gaining awareness of agricultural careers and industry practices. The course also introduces students to FFA and opportunities for leadership development, teamwork, and competition within the agriculture program. Participation in animal projects is not required to be part of the ag program.

Pre-Placement Classes for Grades 6-8

MATH INTERVENTION

This intervention course provides targeted, systematic mathematics instruction designed to strengthen foundational skills, deepen conceptual understanding, and support continuous growth in mathematical reasoning and problem-solving.

READING INTERVENTION

This intervention course provides explicit, systematic literacy instruction in phonological awareness, phonics, fluency, vocabulary, reading comprehension, oral language, and writing. Instruction is aligned to grade-level literacy standards and focused on strengthening foundational skills and promoting sustained reading growth.

DYSLEXIA INTERVENTION

This course is a structured, sequential intervention designed specifically for students with dyslexia to support the development of foundational language skills. Enrollment is based on identified student need and determined through appropriate evaluation and instructional planning.

GISD Board Agenda MEMO

Teaching and Learning Department

TO: Dr. Courtney Morawski, Superintendent
GISD Board of Trustees

FROM: Leah Dawson
DATE: February 9, 2026
RE: GISD Library Book Order

SUMMARY:

In accordance with District Procedures and Senate Bill 13 regarding Library materials selection, I am submitting the February 2026 library book order for review and approval by the Board of Trustees.

This order includes titles selected by campus librarians to support curriculum needs, promote student literacy, and ensure balanced, age-appropriate collections across all grade levels. All titles have been reviewed using the District's Library Materials Selection Criteria and Collection Development Guidelines and comply with state requirements under House Bill 900

Upon Board approval, these materials will be processed and distributed to campus libraries for student access.

RECOMMENDATION:

It is recommended that the Board of Trustees approve the February 2026 library book order as presented.

Respectfully submitted,

Leah Dawson
Student Services Coordinator

RE: Consider Inclement Weather Days Resolution to Continue Wages

SUMMARY:

Inclement weather on January 26, 27 and 28, 2026 resulted in the closure of all Schools and Facilities in the Granbury Independent School District "Granbury ISD" due to dangerous travel conditions and for the safety of Students, Staff and the Community.

Employees who are instructed not to report to work may suffer a loss of pay unless the workdays are made up at a later date. This serves the public purposes of maintaining morale, reducing turnover, and ensuring continuity of District staffing when schools reopen.

RECOMMENDATION:

It is Recommended that the District continue staff wage payments to all employees, contractual and noncontractual, salaried and non-salaried during the days the district was closed due to inclement weather, including 01/26/2026, 01/27/2026, and 01/28/2026.

Respectfully submitted,

Dr. Courtney Morawski
Superintendent

THE BOARD OF TRUSTEES OF THE
GRANBURY INDEPENDENT SCHOOL DISTRICT

RESOLUTION

WHEREAS the recent inclement weather resulted in the closure of all schools and facilities in the Granbury Independent School District "Granbury ISD" on January 26, 27 and 28, 2026 due to dangerous travel conditions and for the safety of students, staff and the community.

WHEREAS employees who are instructed not to report to work may suffer a loss of pay unless the workdays are made up at a later date. The Board concludes that continuing wage payments to all employees, contractual and noncontractual, salaried and non-salaried during the emergency closing caused by inclement weather serves the public purposes of maintaining morale, reducing turnover, and ensuring continuity of District staffing when schools reopen.

Now therefore it be resolved by the Board that:

1. All of the above-referenced paragraphs are incorporated into and made part of this resolution; and
2. The Board determines that the district will not require employees to make up workdays missed due to closure of school facilities or operations as a result of inclement weather on 01/26/2026, 01/ 27/2026, and 01/28, 2026; and
3. The Board finds that a public purpose and a benefit to GISD exists to compensate GISD employees for the three workdays missed due to closure of school facilities or operations as a result of inclement weather, and that this expenditure is necessary in the conduct of the public schools as provided by Texas Education Code § 45.105(c); and
4. The Board hereby authorizes the Superintendent to identify employees and absences covered by this Resolution, and to take any and all action necessary to fulfill the purposes of this Resolution.

Adopted by vote of the majority of members of the Granbury ISD Board of Trustees present and voting at an open meeting of the Board on the 16th day of February 2026, at which a quorum was present:

RE: RFP 2025-37 Replacement of VM
Infrastructure

SUMMARY:

Granbury ISD issued a bid to replace existing VM Infrastructure on December 8. Our current environment was 5- node server cluster running VMware Hypervisor. The bid closed on January 28 an invitation was sent to 595 vendors and we received 6 responses.

RECOMMENDATION:

Granbury ISD administration recommends awarding the bid to CDW-G, using the Dell solution over a five-year term, based on the submitted bids and with price being the highest-weighted evaluation factor. Dell APEX PowerStore 1200 at a monthly price of \$5936.03 with an annual commitment of \$71,232. This is going to be funded with technology annual budget. The total expenditure for 5 years (60months) is \$356,162

Dell Apex Infrastructure Proposal

387

DELL APEX– WHAT ARE THE BENEFITS?

Cloud Based Approach

Consumption based model in which you only pay for what you use. Analytics portal that allows for Instant visibility and management to Apex workloads.

Hedge Against Inflation

Lock in pricing for the length of the contract (3-5 years).
\$1 in 2019 is the same as \$1.23 in 2024

388

Eliminate Over and Under provisioning

Most customers overprovision infrastructure projects by 30% to 50%. Consumption based models right-size your environment for optimal usable capacity. Eliminate un-utilized hardware, support, power, and cooling costs.

Capacity On-Demand

Committed reserved capacity for daily usage and performance. Instant utilization of installed, variable capacity, to accelerate deployments. Reduces time to market from months to minutes.

Provides Predictable Pricing

Pre-determined tiered pricing bands for the term of the contract. As the infrastructure grows, the cost per unit goes down to the pre-determined rate. Eliminate the time required for new purchase budget approvals.

Greater Cash Flow

Significant upfront capital cost savings versus a traditional purchase. Ability to re-allocate cost savings to other areas of your business. Apex can leverage a CAPEX or OPEX Model.

Simplifying the world's most comprehensive as a service portfolio

RE: RFP Dual Credit Partnership 2025-33

SUMMARY:

Granbury ISD issued a request for proposal seeking an accredited college or university to partner with the district in delivering dual-credit opportunities to high school students. The goal of this process was to gather and assess proposals to identify the institution that best aligns with the Granbury ISD's academic priorities, offers strong value, and can provide high-quality, equitable access to students across the district.

RECOMMENDATION:

Granbury ISD is recommending to award the dual-credit partnership to Ranger College. Their proposal demonstrated a clear and comprehensive alignment with every requirement outlined in the RFP, including the full scope of work, instructional expectations, and student-support needs. Ranger College not only satisfied all evaluation criteria but also showed the capacity, experience, and commitment necessary to deliver high-quality dual-credit opportunities in a reliable, equitable, and academically rigorous manner. This partnership positions GISD to expand access, strengthen college-readiness pathways, and ensure students receive the highest level of service.

Respectfully submitted,

Houcine Chraibi

MEMORANDUM OF UNDERSTANDING Between Ranger College and Granbury High School

AGREEMENT TO OFFER COLLEGE CREDIT COURSES CONCURRENTLY WITH HIGH SCHOOL CREDIT COURSES

RANGER COLLEGE will offer courses for college credit on the high school campus or the college campus. Students enrolled in these courses may earn college credit and high school credit concurrently.

TERM

This MOU shall be in effect from August 1, 2026 to August 1, 2027.

ENROLLMENT CRITERIA

Students will be required to complete the corresponding section of the TSI (Texas Success Initiative) assessment instrument before enrolling in coursework at Ranger College unless they are enrolling in a Level 1 certificate program only. Students will be eligible to begin coursework with Ranger College the summer following their eighth-grade year upon meeting the following conditions:

1. The student is considered a high school freshman and has taken at least one section of the TSI or has another qualified exemption (SAT, ACT, etc. score).
2. The student has passed the required area of the TSI, (Reading, Writing, or Mathematics), which relates to the course or courses in which the student desires to enroll, or the student must have a qualified exemption (SAT, ACT, etc. score).
3. Any eligible high school student may enroll in dual credit courses with approved ACT or SAT scores.
4. The student obtains approval from the school district official assigned to allow enrollment in dual credit coursework (Counselor, Superintendent, Principal, or Assistant Principal). They may enroll at any high school grade level 9th through 12th as allowed by the school district official.
5. No student may enroll for more than five courses of three to four hours' credit each (including concurrent enrollment at Ranger College, another college, distance learning through telecommunications, and/or correspondence) without the approval of the Vice President of Instruction. Normally, approval for an overload is given only if the student has completed a minimum of 12 semester hours with a GPA of 3.0 for the previous semester. Special consideration may be given to students who can complete graduation requirements during their last semester.
6. During a summer term, no student may enroll in more than seven semester hours without the approval of the Vice President of Instruction. Students seeking admission under this provision are required by state law to comply with the Texas Success Initiative requirements.

ADMISSIONS PROCEDURES

To be admitted, students will complete general admissions requirements and the high school will provide official transcripts and test scores of the students to the Registrar's Office at Ranger College. The written permission of the student's parent/guardian is required before the first day of the starting semester. (Appropriate forms will be provided.)

TRANSCRIPTION OF COLLEGE CREDIT

Students will earn college credit appropriate for the course(s), which will be transcribed upon a student's successful completion of the course. Credit for Ranger College courses will be granted following the student's graduation from high school.

ACADEMIC POLICIES & PROCEDURES

The same academic policies and procedures that apply to regular RC college courses and students will also apply to dual credit courses and students.

- A. Students are subject to the rules of conduct, plagiarism, and disciplinary standards published in the College catalog and are subject to the penalties defined by such standards.
- B. Any discipline issues including academic dishonesty during college course instruction must be reported immediately to the Vice President of Dual Credit.

INSTRUCTION: Scope, Roles, Responsibilities, Quality, Rigor

- A. College courses require a minimum of 45-48 hours of instruction.
- B. Courses offered for dual course credit must be identified as college-level academic courses in the current edition of the community college Lower-Division Academic Course Guide Manual (ACGM) or as college-level technical courses in an approved Associate of Applied Science (AAS) Degree, a certificate program, or Occupational Skills Award (OSA). Please see Exhibit A for the course equivalency crosswalk if applicable.
- C. Instruction and materials for dual course credit must be at the equivalent level of the instruction and materials used for the same course taught on the main campus of the College. Course syllabi for these courses are the same as used throughout the college.
- D. Remedial and developmental courses may not be offered for dual course credit.
- E. The College shall select instructors of dual credit courses. These instructors must be regularly employed faculty members of the college or must meet the same standards including minimal requirements of the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) and approved procedures in policy used by the College to select all faculty members.
- F. When an instructor employed concurrently by the high school partner and Ranger College teaches a dual credit course for Ranger College, the manner of compensation will be determined by the public school and the College. The amount of adjunct instructor compensation will be determined by Ranger College. The adjunct pay scale can be found in the Ranger College **Faculty Handbook**. The instructor must participate in a College orientation session annually. Public school instructors teaching for Ranger College report to the appropriate dean or his/her designee as dual credit adjunct faculty.
Ranger College requires formal assessments of student learning outcomes of its educational programs. Public school instructors will provide the appropriate dean with the required assessments of student learning outcomes and acceptable thresholds of demonstrated student learning along with evidence of seeking improvement based on the analysis of the results as requested.
- G. College regulations regarding curriculum, syllabi, supervision of instructors, evaluation of instruction and instructors, course requirements, and student attendance will be in effect for all dual credit courses.

- H. Dual credit faculty will follow grading criteria as stated in the RC department approved syllabus. The School District shall direct students who would like to appeal their course grade to follow the College's grade appeal process.
- I. Dual Credit Faculty will use only College approved textbooks and supplemental materials for instruction.
- J. Dual Credit Faculty will submit all required reporting documents such as roster verification, submission of grades, and artifacts by the deadline set by the College.
- K. Dual credit classes will follow the Ranger College Academic Calendar. Final exams must be proctored and given on College approved dates. No early final exams will be allowed.
- L. Dual Credit Faculty are expected to identify students in their classes in need of academic assistance and direct them to the appropriate college or school district support services.
- M. The school district will provide dual credit students a classroom environment that is conducive to college-level learning. The district partner will provide a class facilitator for ITV and online courses to support the learning environment and provide support to students.

The ISD Will:

- 1. Notify all parents of students enrolled in grade nine or above of the dual credit programs available through Ranger College, both academic and career/technical. Further, parents should be made aware of funding available for dual credit courses.
- 2. Participate in the FAST Program and adhere to all requirements of the program.
- 3. Partner with Texas College Bridge for College Prep opportunities.
- 4. Ensure that all high school students wishing to participate in dual credit courses complete applications for admission to the College and all other required paperwork, including any Texas Success initiative (TSI) requirements that must be satisfied.
- 5. Ensure that all students complete a Dual Credit Registration Form and obtain the necessary signatures.
- 6. Assume the cost of student textbooks and course materials/supplies for all FAST-eligible students. To reduce textbook costs, Ranger College will utilize Open Educational Resources when possible.
- 7. Provide appropriate classroom facilities for dual credit courses taught on high school property, including computer lab access and learning resources access, such as library resources.
- 8. Provide the College with all student admission documentation by the required due dates.
- 9. Provide a contact person who will fulfill the duties of a Dual Credit Coordinator who will:
 - a. Assist students with obtaining TSI exemption records;
 - b. Assist students in completing all required admissions documents;
 - c. Provide academic advising to students who enroll in a dual credit course under the program before the student begins a course.
 - d. Deliver to the College in a timely manner all required paperwork including student transcripts, requests for exceptions, test scores and enrollment documents;
 - e. Serve as liaison with students, parents and high school personnel;

- f. Facilitate the operation of the Dual Credit program to ensure the smooth and timely operation of the process.

Ranger College will:

1. Educate high school personnel, parents, and students on requirements for academic degrees and workforce certificates/degrees.
2. Participate in the FAST Program and adhere to all requirements of the program.
3. Partner with Texas College Bridge for College Prep opportunities.
4. Work with high school personnel to determine which dual credit courses will be taught on the high school campus and online.
5. Hire the faculty or recommend a current high school teacher who is qualified by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) guidelines and Ranger College's faculty competence policy to teach a particular class on the high school campus. The appropriate College department chair and divisional dean will supervise and evaluate all dual credit instructor(s).
6. Provide the dual credit instructor with a copy of the common syllabus with common course student learning outcomes for that course, a copy of the textbook, and all other appropriate teaching materials. To reduce textbook costs, Ranger College will utilize Open Educational Resources when possible.
7. Ensure that regular academic policies and student support services applicable to courses taught by the college also apply to dual credit courses. These policies include the appeal process for disputed grades, drop policy, the communication of grading policy to students, when the syllabus is distributed, etc. A full list of academic policies and student support services can be found in the Ranger College Academic Catalog. Link to webpage for current academic catalog: <https://www.rangercollege.edu/academics/academic-catalogs/academic-catalog.php#gsc.tab=0>
8. Determine course curriculum, instruction, and grading standards, and at the end of each course, provide the ISD with a numerical grade for each dual credit student registered for the course. A complete transcript of college coursework will be provided when requested.

MONITORING GRADES

Students may monitor their academic progress through the Canvas Grade Center (or other online learning management system) during the semester. Final grades will be available at the end of the semester in Campus Connect.

CLASS COMPOSITION

State Law states that dual credit courses may be composed of dual credit students only or dual and college credit students. Exceptions for a mixed class, which would also include high school credit-only students, may be allowed only according to one of the following conditions:

- A. If the course involved is required for completion under the State Board of Education Recommended or Distinguished Achievement High School Program Graduation requirements and the high school involved is otherwise unable to offer such a course.
- B. If the course is a career and technology/college workforce education course and the high school credit-only students are earning articulated college credit.
- C. If the high school credit-only students are College Board Advanced Placement students.

SOURCES OF FUNDING: INCLUDING TUITION & FEES

Regular dual credit tuition, fees, and textbook charges will be assessed for the course(s) and are the responsibility of the student, unless paid by the high school, and are payable directly to the College by the specified deadline. *With the exception of FAST-eligible students, only the College may waive tuition and fees for a student enrolled in a course for which the student may receive credit.* The College may claim funding for all students enrolled in a dual credit course. Transportation will be the responsibility of the student unless provided by the high school.

FINANCIAL AID FOR SWIFT TRANSFERS (FAST)

As part of House Bill 8, The FAST program allows **eligible** students to enroll at no cost to the student in dual credit courses with Ranger College. For students not eligible for FAST, a maximum rate of \$55 per credit hour will be set, regardless of taxing district status. The FAST Program also applies to any Eligible students who enroll in summer semesters as well as the December and May mini-semesters. Further information and updates related to HB 8 and the FAST Program will be communicated to ISD's as needed. Please note that the dual credit tuition rate is subject to revision each academic year to align with the FAST dual credit rate established by the Texas Higher Education Coordinating Board.

IDENTIFICATION OF FAST STUDENTS

Ranger College and the ISD will work together to establish a procedure for identifying all students eligible to enroll at no cost in dual credit courses, IE: FAST-eligible students. Additional procedures will be established to ensure the accurate and timely exchange of information necessary to identify these students.

TEXTBOOKS AND OTHER COURSE MATERIALS

As of Fall 2024, most textbooks for dual credit courses will make use of free resources or will be covered by the ISD. Some courses may still have a textbook cost or require other course materials. Students should consult with the instructor's syllabus for accurate course requirements. Students who are FAST-eligible, cannot assume the costs of textbooks and other course materials. It is the responsibility of the ISD to cover those costs.

ATTENDANCE

Students are required to maintain regular and punctual attendance in class and laboratories to meet the required number of contact hours per semester. Absences, dismissal of classes, and early release (except in emergency or inclement weather, when permitted by applicable law, or when related to state-mandated assessment days) shall be avoided.

LIBRARY & LEARNING RESOURCES

Students will have access to the College library, high school library and learning resources, and any public libraries which have an agreement with the College.

ADVISING & COUNSELING

Academic advising and counseling will be primarily provided by the high school counselor. Training and support for counselors will be provided by the Ranger College Dual Credit Department. Counseling and advising are also available to students through the College as necessary and requested by the high school and/or by the student.

DISABILITY SERVICES

For a student to receive disability support services at Ranger College, the school district counselor must provide a copy of the student's current 504 plan to the ADA compliance officer, (which is the Ranger College Counselor). Ranger College is neither able nor required to provide the level of disability support services required by the public-school system; therefore, a student requiring disability support services may have differing levels of assistance from the school district and college. The Ranger College disability accommodations may include special testing arrangements, readers, scribes, and note-taking services.

SAFETY

The safety and security of the students are the responsibility of the high school district unless the student is attending a class(es) on one of the College's campuses.

FACILITIES

Unless otherwise agreed to, classes will be taught in facilities provided by the public school.

RECORDS

Each party will be responsible for maintaining student records and records pertaining to the Program in conformity with the Texas Record Retention laws and the federal Family Education Rights and Privacy Act ("FERPA") (20 USC §1232g; 20 CFR Part 99). Each Party designates the other Party as its agent with a legitimate educational interest in students' education records for purposes of FERPA, and each Party agrees in its capacity as such agent to comply with the FERPA requirements set forth, without limitation, at 20 CFR 99.33. Each party shall institute policies and procedures reasonably designed to ensure that its employees and agents comply with these and all other federal and state laws, including, without limitation, FERPA, governing the rights of students concerning educational records, and shall protect student education records against accidental or deliberate disclosure to unauthorized persons.

The high school agrees that once a student graduates, the high school will send Ranger College a copy of the student's final transcript.

ALIGNMENT WITH DUAL CREDIT STATEWIDE GOALS

The Ranger College Dual Credit Department has set goals that align with statewide dual credit goals as specified in The Texas Education Code, Section 28.009 (b-1) and (b-2) and Texas Administrative Code, Section 4.84.

- A. Ranger College has implemented purposeful and collaborative outreach efforts to inform all dual credit students and parents of the benefits and costs of dual credit, including enrollment and fee policies by:
 - a. Hosting information sessions for students and parents on the benefits and costs, at the ISD partner locations as requested by the ISD.
 - b. Posting dual credit program information, including enrollment and fee policies, on the dual credit web page located on rangercollege.edu.
 - c. Hosting dual credit information sessions for high school counselors at the Fall and Spring Counselor meetings.
 - d. Collaborating with the ISD on marketing campaigns for dual credit.
- B. Ranger College will assist high school students in the successful transition to and acceleration through postsecondary education.
- C. Dual credit students will receive academic and college readiness advising with access to student support services to bridge them successfully into college course completion.
- D. The quality and rigor of dual credit courses will be sufficient to ensure student success in subsequent courses.

RENEWAL OF MOU

This agreement will be reviewed annually by both parties.

RE: RFP 2025-34 Gasoline & Diesel Fuel

SUMMARY:

Granbury ISD issued a competitive bid proposal for Gasoline and Diesel Fuel. The bid was issued October 24, 2025, and closed on December 12th, 2025. We received seven competitive proposals. The majority were from brokers. Brian Caruthers Director of Transportation and Jim Burwell Fleet Manager reviewed the submissions; they have checked references and evaluated delivery timeline from each vendor.

RECOMMENDATION:

It is administration recommendation to award Gasoline and Diesel Fuel to Murphy Scott Resources. Based on their pricing structure and reference credibility. The average saving will be around \$200 per delivery. We also recommend this vendor to be approved from date of award for 12 months, with option to renew until August 2028.

4**Criminal Background Check Requirement**

If an employee of a contractor is covered under SB 9 the contractor must bear the burden of obtaining a national, fingerprint-based criminal history check. Under Section 22.0834 of the Education Code, the contractor is then required to certify to the district that the criminal history check has been performed. The contractor, not the district, is responsible for contacting DPS directly to set up an account for the purposes of obtaining criminal history record information. Under the statute SB 9, a contractor is required to conduct a criminal history review on an employee only when the following criteria has been met: • The employer has contracted with the district to provide services. • The particular employee will have continuing duties relating to the contract with the district. • The particular employee will have contact with students. A contractor or sub-contractor may not work on District property or any location the District deems a place where students are regularly present when: •they have been convicted of a felony or misdemeanor involving moral turpitude, as defined by Texas law •they have charges pending, they have been convicted, received probation or deferred adjudication of any of the following: 1. Any offense against a child 2. Any sex offense 3. Any felony offense involving controlled substances 4. Any felony offense against property 5. Any other offense the District believes might compromise the safety of student, staff or property. A Bidder/Proposer's violation of this section shall constitute substantial failure. If the Bidder/Proposer is the person or owner or operator of the business entity, that individual may not self-certify regarding the criminal history record information and its review, and must submit original evidence acceptable to the district with this Agreement showing compliance. Possession of fire arms, alcohol and/or drugs, even in vehicles, is strictly prohibited on school property. The use of tobacco products are not allowed on school district property. 5**Felony Conviction Notification**

Texas Education Code, Section 44.034, Notification of Criminal History, Subsection (a), states, "a person or business entity that enters into a contract with a school district must give advance notice to the District if the person or owner or operator of the business entity has been convicted of a felony." The notice must include a general description of the conduct resulting in the conviction of a felony. Subsection (b) states, "a school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction." The district must compensate the person or business entity for services performed before the termination of the contract. If your Firm is owned or operated by a convicted felon, please list the name of the felon and the details of the conviction. If not applicable, please enter N/A (not applicable)

6**Code of Conduct**

Vendors and their suppliers, installers and all others working on Granbury ISD schools/projects are required to understand and comply with the following rules and responsibilities. Failure to comply with the following rules and responsibilities may result in a worker's removal from the schools/projects and/or the termination of the subcontractor's contract. Vendors are responsible for their suppliers and installers adherence to these policies. All personnel working on schools/projects will be required to indicate their understanding and agreement to comply with these rules and responsibilities by signing this document. 1) Vendors employees, installers and suppliers who will be entering the district site should check in with the Granbury ISD designated representative. 2. Vendors employees, installers and supplier must wear picture ID badges while on Granbury ISD property. See Criminal Background Check Notification attribute included in this proposal. 3. The use of any tobacco products are PROHIBITED on school property. These prohibited items include but are not limited to cigarettes, cigars, chewing tobacco and snuff. 4. Drugs and alcoholic beverages are PROHIBITED. 5. The use of vulgar or improper language is PROHIBITED. Granbury ISD will determine on a case by case basis what constitutes vulgar or improper language. 6. Unacceptable behavior including physical or verbal intimidation, horseplay, or fighting by any individual on school property/projects will result in immediate removal from site. Granbury ISD staff will determine unacceptable behavior. 7. School requirements will occasionally result in the untimely termination of a subcontractor's daily activities. Vendors are expected to anticipate and understand these circumstances and also work with Granbury ISD to make up any scheduling. 8. ALL CONTACT WITH STUDENTS IS STRICTLY PROHIBITED. 9. Vendor's employees, installers and suppliers must be properly dressed in work attire which includes the use of proper work shoes and any personal protection equipment that is needed. 10. Vendor's employees, installers and suppliers will promptly leave the school campus at the end of each work shift. 11. Weapons of any type are not allowed on the job site or parking area. Vendor's employees will comply with all state and district rules regarding weapon free zones. 12. Vendor's employees, installers and suppliers shall submit such background information as may be requested by Granbury ISD to perform criminal background evaluations/investigations. 13. No person who has charges pending or who has been convicted, received probation or deferred adjudication for the following shall be engaged to work on Granbury ISD property where students are present: · Any offense against a child. · Any sex offense. · Any crimes against persons involving weapons or violence. · Any felony offense against property; or · Any other offense that Granbury ISD believes might compromise the safety of students, staff or property. I understand and agree to comply with the rules and responsibilities as stated in the Job Site Code of Conduct. Additionally, I certify that neither I nor any of my employees are currently in violation or in the future will violate the rules and responsibilities stated above. THIS IS YOUR ELECTRONIC SIGNATURE

Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. 7**Certificate of Interested Parties (FORM 1295)**

FOLLOW THE INSTRUCTIONS BELOW TO PROVIDE FORM 1295 WITH YOUR PROPOSAL. In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016. Since the award of this proposal will require approval of the Granbury ISD Board of Trustees, you are to submit Form 1295 with your proposal. This form must be completed electronically on the Texas Ethics Commission (TEC) website. Go to the Texas Ethics Commission website at https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm to create a log-in, see the Frequently Asked Questions about the process and look at the instructional videos on the process. 1) The certificate will be entered online, you cannot download a blank copy of the form to complete it. The Texas Ethics Commission will assign a certificate number electronically to the form and enter the date the form was filed. This number must be on your form. 2) You will download FORM 1295 from the Texas Ethics Commission website after the certificate number has been assigned. Sign FORM 1295. Include the signed form with your proposal response as an attachment. FORM 1295 cannot be handwritten. It must be completed through the Texas Ethics Commission website. Once the contract is awarded, if you are an approved/awarded vendor under this proposal, Granbury ISD will use the certificate number assigned to your FORM 1295 to "acknowledge" your certificate on the Texas Ethics Commission website. If you are not an approved/awarded vendor under this proposal, your certificate will not be "acknowledged" and it will be purged from the TEC website.

Clarifications:

- This job will be performed during regular business hours 8AM-5PM excluding holidays.
- This job will be completed in 7 business days.
- The buyer is responsible for all equipment costs, which must be paid in full to SLAC prior to order placement.
- Any extra work and or upgrades are not included in this quote.
- This quote is good for 90 days.

Exclusions:

- Any electrical needed for Transformers (120VAC).
- Any additional control relays or work for the fire alarm.
- Any Mechanical component Issues with dampers.
- Fire/smoke dampers and their installation or wiring are excluded.
- Trenching and burial of conduit in the mechanical room are excluded.
- Conduit in mechanical rooms only where required.
- Plenum cabling will be used above the ceiling.
- SLAC excludes any work/wiring on life safety systems.
- Equipment shutdown is the responsibility of the fire alarm contractor.
- Power monitoring equipment is excluded.
- SLAC assumes all HVAC equipment and safeties are functional.

Service Logic and Controls will bill for equipment cost on quoted jobs when equipment is ordered and progressive billing throughout the project every 30 days. This will protect Service Logic and Controls, and the customer from any unfortunate legal notices from the manufacturer if payment for equipment exceeds their terms. In most cases the project is completed in a timely manner; however, in some cases due to unforeseen circumstances, the completion time exceeds the manufacturer's terms.

RE: RFQ Playground Equipment

SUMMARY:

Granbury ISD submitted a Request for Quotes to both BuyBoard and TIPS Cooperatives seeking playground equipment for Acton Elementary School, STEAM Academy at Mambrino, and poured-in-place (PIP) playground surface at Baccus Elementary. The bid package included a detailed Scope of Work for all projects.

RECOMMENDATION:

It is recommended that Playground Etc. be awarded the contract in the amount of \$160,425.96. Their proposal fully met the scope of work, and was the best value at the lowest price, Playground Etc. demonstrated a clear and thorough understanding of the required scope of work. The vendor provided a comprehensive plan aligned with district expectations and submitted a competitive, cost-effective quote. Additionally, reference checks confirmed a strong history of quality workmanship, reliability, and successful completion of comparable projects, further supporting this recommendation.

RE: SB 546 School Bus Seat Belts Requirements

Pursuant to Transportation Code §547.701(e)(1), the Board of Trustees must determine whether the district's budget permits the purchase or contracting of buses equipped with three-point seat belts as required by Senate Bill 546 (89th Regular Legislative Session). This determination triggers mandatory reporting to the Texas Education Agency and public disclosure requirements under §547.701(f). Full statewide compliance is required by September 1, 2029.

The district's fleet survey identifies 27 buses currently equipped with three-point seat belts and 56 buses requiring installation (41 without seat belts; 15 with two-point lap belts). The estimated retrofit cost is **\$1,933,387.17**; the estimated replacement cost is **\$8,736,000.00**. Detailed cost data is presented in the accompanying board presentation.

TEA launched the Sentinel Bus Reporting Module on November 11, 2025. The submission deadline is 11:59 p.m. on Friday, May 29, 2026. Required documentation includes cost estimates and board minutes reflecting the public meeting at which the determination was made.

Administration will present a detailed feasibility report and final cost information to the Board next month, including a recommended action item on the financial feasibility determination required under §547.701(e)(1). Districts are authorized under SB 546 to accept gifts, grants, and donations from any public or private source to implement these requirements.

Respectfully submitted,

Houcine Chraibi, RTSBA

SENATE BILL 546

School Bus Seat Belt Requirements

February 2026

What is SB 546?

- Requires all school buses transporting students to be equipped with three-point seat belts
- Implemented through Texas Transportation Code §547.701(f)
- Full statewide compliance required by September 1, 2029
- Districts making budget-limitation determinations must report estimated retrofit costs to TEA by end of 2025–2026 school year

Current Fleet Status

- 27 buses fully equipped with three-point seat belts
- 56 buses require installation of three-point seat belts
- 41 No seat belts
- 15 Two-point lap belts
- Total estimated cost to REPLACE existing buses not equipped with three-point seat belts:

\$8,736,000.00
- Total estimated retrofit cost: **\$1,933,387.17**

Board's Responsibility

Under Transportation Code §547.701(e)(1), the Board must determine whether purchasing or contracting for buses equipped with three-point seat belts is financially feasible for Granbury ISD.

433

- This determination triggers all subsequent reporting requirements
- Board action must be taken in a public meeting

If Budget Does Not Permit Full Compliance

The following information must be presented in a public meeting:

- Number of buses by seat belt type (no belts, two-point, three-point)
- Estimated cost to equip each bus with three-point seat belts
- Board minutes and agenda from this meeting will be required for TEA submission

TEA Reporting Requirements

- **Reporting window opens:** Tuesday, November 11, 2025
- **Reporting deadline:** Friday, May 29, 2026, at 11:59 p.m.
- Submit through TEA's Sentinel Bus Reporting Module
- Include supporting documentation (cost estimates and board minutes)
- Only required for districts making budget-limitation determinations

TEA Data Collection & Potential Funding

TEA is gathering statewide fleet and retrofit cost data

Data will be used to evaluate potential state funding mechanisms

School districts may be eligible to participate in a grant program for seat belt installation

Additional details on grant program will be provided by TEA in the coming months

Next Steps

- Administration will present detailed feasibility report and final cost information to the Board next month
- Board will review and discuss implications for district budget and operations
- Board will take action on feasibility determination (public meeting required)
- If budget constraints apply, Board will present required information publicly
- District will submit required cost report and supporting documentation to TEA by May 29, 2026

RE: Demolition of Technology
Building

SUMMARY:

Granbury ISD issued a Request for Proposals for the demolition of the Technology Building located at 600 W. Bridge St. The selected contractor is required to complete the full Scope of Work, including total structural demolition, removal and proper disposal of all debris, protection of adjacent properties throughout the project, backfilling and grading of the site, and full restoration of the area to a clean and stable condition.

In preparation for demolition, TASB provided Environmental Consulting Services to support the Maintenance Department. The District engaged TASB to initiate and manage the abatement process for the former Technology Building. As part of this effort, TASB coordinated with Farmer Environmental to oversee regulatory compliance, develop project specifications, and solicit competitive quotes for the required abatement work. After reviewing all submitted proposals, ARC Abatement was identified as the lowest qualified bidder for the asbestos abatement phase.

The overall project for the abatement and demolition of the former Technology Building will consist of three coordinated components, done during summer break when school is out:

1. **Farmer Environmental** to oversee environmental compliance and ensure adherence to project specifications at a cost of \$22,032.00
2. **ARC Abatement** to perform the asbestos removal and ensure proper disposal in accordance with regulatory requirements at a cost of \$90,625.00
3. **Rise Up Refuse** to complete the demolition of the building and associated site restoration at a cost of \$45,000.00

The memo is to inform the board of our process, cost, and timeline.

RE: Resolution (Board Terms and Election Cycle)

Background: In April 2025, a proposal was presented for the Board's consideration regarding changes to board terms and election years. In May 2025, the Board elected to pause further action until updated policies could be reviewed following the 89th Legislative Session.

In December 2025, the Board reviewed HB 3546 and discussed the potential transition from three-year to four-year board terms, as well as a move to odd-numbered election years. At that time, questions remained regarding the timing and implementation of such a transition.

In January 2026, the Board met with legal counsel in executive session to further discuss these considerations and address related concerns.

Proposal: The board will consider a resolution and updated local policies that include the following items; 1. Change trustee terms from three (3) years to four (4) years, and 2. Transition Granbury ISD trustee elections to odd-numbered years.

If approved, the transition plan was updated in response to code 11.059 (e) "transition must begin with the first regular election for trustees that occurs after the board adopts the resolution"

Election Year	Place	Term Length
2026 (No Election)	1, 2	Add a year to the term to change from 3 to <u>4</u> years
2027	1, 2, 3, 4	<u>4</u> year
2028 (No Election)	5, 6, 7	Add a year to the term to change from 3 to <u>4</u> years
2029	5, 6, 7	<u>4</u> year
2031	1, 2, 3, 4	<u>4</u> year

Recommended Motion: Following the Board's consultation with legal counsel at its January 12, 2026, meeting, legal counsel prepared the attached resolution to allow the Board to adjust trustee terms to align with a biennial elections schedule in odd-numbered years and four-year trustee terms as discussed. This decision uniquely affects the Board of Trustees, and rather than make a recommendation, the administration instead shares that it is prepared to support any decision made by the Board and to take any steps necessary to implement the Board's action.

Respectfully,

Dr. Courtney Morawski
Superintendent of Schools
Granbury ISD

**Resolution of the Granbury Independent School District
Board of Trustees**

WHEREAS the Granbury Independent School District Board of Trustees currently elects trustees on an at-large basis by numbered place in annual elections conducted each November.

WHEREAS the Granbury ISD Board of Trustees wishes to reduce the costs associated with annual elections and foster increased stability on its leadership team by transitioning to four-year trustee terms and biennial elections in November.

WHEREAS HB 3546, passed during the 89th Texas Legislature, permits a school district board of trustees to “adopt a resolution changing the length of the terms of its trustees until the date the November election is canvassed.”

WHEREAS HB 3546 allows such changes to be made by December 31, 2030.

WHEREAS Texas Education Code Section 11.059 provides that “[e]lections for trustees with four-year terms shall be held biennially. The terms of one-half of the trustees, or as near to one-half as possible, expire every two years.”

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE GRANBURY INDEPENDENT SCHOOL DISTRICT that general elections of the Granbury ISD Board of Trustees will be conducted on the November uniform election date in odd-numbered years effective with the 2026 election cycle, and there will be no Granbury ISD trustee election conducted in November 2026.

BE IT FURTHER RESOLVED that all current trustee terms are hereby extended to align with the November election cycle as follows:

Places 1 & 2: Terms will be extended by one year and will expire in November 2027. In 2027, Places 1 and 2 will be eligible to run for four-year terms expiring in November 2031.

Places 3& 4: Terms will conclude as currently scheduled in November 2027. Places 3 and 4, along with Places 1 and 2 will be eligible to run for four-year terms expiring in November 2031.

Places 5, 6 & 7: Terms will be extended by one year and will expire in November 2029. In 2029, Places 5, 6, and 7 will be eligible to run for four-year terms expiring in November 2033.

BE IT FINALLY RESOLVED that the Granbury ISD Board of Trustees hereby authorizes the Granbury ISD administration to take all steps necessary to effectuate the changes addressed herein.

Adopted by the Granbury ISD Board of Trustees this ____ day of February 2026 by a vote of ____ in favor and ____ opposed.

Signed:

President, Granbury ISD Board of Trustees

RE: Discussion on SB11 Resolution

Purpose: The purpose of this memo is to provide background information on Senate Bill 11 (SB 11) and to outline the Board of Trustees' statutory requirement to take a recorded vote on whether to adopt a resolution requiring each campus to provide a daily period of prayer and religious text reading. This memo also outlines the next steps associated with each possible Board action.

Background: Senate Bill 11 amended the Texas Education Code to allow a school district's board of trustees to adopt a resolution requiring each campus to provide students and employees an opportunity to participate in a daily period of prayer and the reading of religious texts.

Under SB 11, each school board is required to take a record vote between September 1, 2025, and March 1, 2026, to determine whether the district will adopt such a policy. The law does not require districts to mandate prayer or religious text reading; rather, it requires boards to affirmatively decide whether to adopt or decline to adopt a policy requiring such time.

The law further provides that if a district adopts a policy under SB 11, individuals who participate in the required time must waive certain rights to bring claims under state or federal law related to the implementation of the policy.

Granbury ISD currently complies with state and federal law regarding religious freedom in public schools. The District already:

- Provides a moment of silence during the school day, during which students and staff may engage in silent reflection or prayer, and
- Allows students to read religious texts during independent reading time, consistent with instructional expectations and constitutional protections.

Considerations: If the Board chooses to adopt a resolution requiring a daily period of prayer and religious text reading, the following considerations would apply:

- Development and adoption of a new Board policy consistent with SB 11 and Texas Education Code §25.0823
- Review of **implementation requirements**, including:
 - Impact on campus master schedules

- Impact on transportation and instructional minutes
- Consistency across all campuses
- Training and guidance for campus administrators and staff
- Legal considerations related to required waivers and compliance with constitutional protections

If the Board chooses not to adopt the resolution, no new policy would be required. In that case, the Board may proceed to the next agenda item, which includes a discussion about a separate resolution affirming the District's continued commitment to:

- Providing a moment of silence, and
- Allowing voluntary prayer and religious text reading as currently practiced, in accordance with state and federal law.

Recommended Action: Administration recommends that the Board:

1. Review the requirements of SB 11 and the implications of adopting or not adopting a resolution; and
2. Take a vote on whether to adopt a resolution requiring a daily period of prayer and religious text reading.

If the Board adopts the resolution, the Administration will bring forward the necessary policy for Board consideration next month. If the Board does not adopt the resolution, the Board may proceed to the next agenda item to discuss the possibility of a Board created resolution.

Respectfully,

Dr. Courtney Morawski
Superintendent of Schools
Granbury ISD

RE: Discussion on SB11 Resolution

Purpose: To begin a Board discussion regarding whether the District should adopt a resolution affirming and memorializing existing practices that support student-initiated prayer and the voluntary reading of religious texts in accordance with state and federal law, and to seek Board feedback regarding what elements should be included in such a resolution.

Background & Considerations: Granbury ISD has a long-standing commitment to respecting and protecting the constitutional rights of students and employees. These practices already provide lawful space for student religious expression while maintaining the required neutrality of the District as a governmental entity.

Actions: As the Board considers whether to adopt a formal resolution, we are seeking guidance on what information they would like to include and emphasize. We welcome direction on the scope, tone, and intent of the proposed resolution before bringing a draft forward for formal consideration.

RE: Update 126 Board Policy

SUMMARY:

Update 126 Board Policy, both LEGAL AND LOCAL, have been presented for your consideration to review. GISD Administration is presenting the suggested updates for your approval.

In the event the SB 11 Resolution being presented in this meeting is approved as presented, there are two additional (LOCAL) policies that will be brought back to the board for approval next month.

RECOMMENDATION:

Update 126 Local Board policy is presented for your consideration to approve.

Respectfully submitted,

Tammy Clark
Assistant Superintendent

How to Place Policy Changes on the Agenda for Board Action

TASB recommends that the district address this update on the agenda as follows:

“Policy Update _____:

- *(LEGAL) policies*
- *(LOCAL) policies (see attached list of codes)”*

(LEGAL) policies: Although (LEGAL) policies are not adopted by the board, TASB recommends that the board review them. Since review of the (LEGAL) policies may result in discussion, the agenda should, at a minimum, reference “(LEGAL) policies.” If board members plan on discussing specific (LEGAL) policy changes, the relevant policy codes, titles, and subtitles should be listed on the agenda.

(LOCAL) policies: Board action on the (LOCAL) policies included in the update must occur within a properly posted, open meeting of the board.

The (LOCAL) policy changes — each addition, deletion, or replacement — should be listed in alphabetical order by policy code, title, and subtitle. The list on the following page is our compilation of that information, which may be copied and pasted into your meeting notice, staff communications of board action, and board meeting minutes.

A suggested motion for board action on the (LOCAL) policies included in the update:

“I move that the board add, revise, or delete (LOCAL) policies as offered by TASB Policy Service for consideration and according to the Instruction Sheet for TASB Localized Policy Manual Update _____ [with the following changes:]”

How to Keep Minutes

The board’s action on this Localized Update must be reflected in board minutes. Your minutes should include the following:

- The list of local policy actions, such as the Instruction Sheet — annotated to reflect any changes made by the board.
- The Explanatory Notes for the update (filed as an attachment to the minutes).
- Copies of newly adopted or deleted (LOCAL) policies.

RE: Update to Policy FD (LOCAL) – Homeschool Student Participation in UIL Activities

Background: In August 2025, the Board reviewed updates to **FD(Local)** related to student participation in extracurricular activities, including UIL programs. At that time, the approved policy reflected flexibility aligned with recent legislative changes allowing districts to permit homeschool student participation for the 2026-2027 school year in a pilot program.

After careful review of our enrollment trends, and SB 569 offering school systems the ability to create a virtual hybrid system, we are asking the Board to reconsider policy FD (Local).

Proposed Policy Revision: Administration recommends the Board approve revisions to FD(Local) to formally opt out of homeschool student participation in UIL activities and continue supporting the development of a Granbury ISD virtual high school option as the district's preferred mechanism for family choice and flexibility.

Recommended Motion: I move that the Board approve the revised FD (Local) — Homeschool students participating in UIL activities - policy as presented.

PROPOSED REVISIONS

Persons Age 21 and Over

The District shall not admit into its public schools any person age 21 or over unless otherwise required by law.

Registration Forms

The student's parent, legal guardian, or other person having lawful control shall annually complete registration forms. A student who has reached age 18 shall be permitted to complete these forms.

Proof of Residency

In accordance with administrative regulations, the parent, guardian, or other person having lawful control of the student under order of a court shall present proof of residency. The District may investigate stated residency as necessary.

Minor Living Apart

Person Standing in Parental Relation

A minor student residing in the District but whose parent, guardian, or other person having lawful control under a court order does not reside in the District shall present a power of attorney or an authorization agreement as provided in Chapter 34 of the Family Code assigning responsibility for the student in all school-related matters to an adult resident of the District.

Misconduct

A minor student living apart who has engaged in misconduct that results in any of the consequences found in Education Code 25.001(d) shall not be permitted to attend a District school.

Exceptions

Based on an individual student's circumstance, the Superintendent shall have authority to grant exceptions to the requirement for a power of attorney or authorization agreement and to the exclusion for misconduct.

Extracurricular Activities

The Superintendent shall determine whether a minor student living apart is present in the District for the primary purpose of participating in extracurricular activities.

Students Not Enrolled

~~For the 2025-26 school year, a~~ ^A student enrolled in a private school, including a homeschool, shall not be eligible for concurrent enrollment in the District nor for participation in curricular or extra-curricular activities.

~~In the 2026-27 school year, the District shall implement a pilot program that permits participation in University Interscholastic League (UIL) activities by homeschool students in accordance with law.~~

[See EEL and FM]

Nonresident Student in Grandparent's After-School Care

The parent and grandparent of a nonresident student requesting admission under Education Code 25.001(b)(9) shall provide to the Superintendent the required information on the grandparent's residency and complete a form provided by the District describing the extent of after-school care to be provided by the grandparent.

The Superintendent shall have authority to approve or deny such admissions requests in accordance with criteria approved by the Board.

“Accredited” Defined

For the purposes of this policy, “accredited” shall be defined as accreditation by TEA, an equivalent agency from another state, or an accrediting association recognized by the commissioner of education.

Grade-Level Placement

Accredited Schools

The parent, guardian, or other person having lawful control of a student enrolling in a District school from an accredited public, private, or parochial school shall provide evidence of the prior schooling outside the District. The student shall be placed initially at the grade level reached elsewhere, pending observation by the classroom teacher, guidance personnel, and the principal. On the basis of these observations and results of tests that may be administered by appropriate District personnel, the principal shall determine the final grade placement.

Nonaccredited Schools

A student enrolling in a District school from a nonaccredited public, private, or parochial school, including a homeschool, shall be placed initially at the discretion of the principal, pending observation by classroom teachers, guidance personnel, and the principal. Criteria for placement may include:

1. Scores on achievement tests, which may be administered by appropriate District personnel.
2. Recommendation of the sending school.
3. Prior academic record.
4. Chronological age and social and emotional development of the student.
5. Other criteria deemed appropriate by the principal.

Transfer of Credit

Accredited Texas Public Schools

Credit toward state graduation requirements earned in an accredited public school district in Texas shall be transferable and recognized by the District.

Other Accredited or Nonaccredited Schools

Before recognizing credit in a course earned in an accredited non-public school, an accredited school outside of Texas, or a nonaccredited school, appropriate personnel shall evaluate a student's records and transcript. The District may require the student to demonstrate mastery of the content or use alternative methods to verify course content for the award of credit.

Transition Assistance

In accordance with law, when a student who is identified as homeless or in substitute care enrolls in the District, the District shall assess the student's available records and other relevant information

to ensure credit, including proportionate credit, is awarded appropriately for all subjects and courses taken prior to enrollment.

[See EI]

**Foreign Exchange
Students**

The area representative of any exchange student program shall contact the appropriate school official at the central administration building prior to making a commitment to the student or final arrangements with the host family for approval of placement in the District. The host family for a foreign exchange student shall reside within the geographical boundaries of the District.

An exchange student's records and related paperwork shall be initially submitted to the office of the appropriate central administration official who shall in turn communicate necessary information to the principal and/or registrar of the receiving school.

Withdrawal

A parent or guardian wishing to withdraw a minor student shall present a signed statement that includes the reason for the withdrawal. A student who is 18 or older may submit a withdrawal statement without a parent's or guardian's signature.

[For District withdrawal of students no longer in attendance, see FEA(LOCAL).]
