Dear LARM Member,

Attached please find your Renewal Coverage Proposal for the 2026-27 Pool Year. The contributions with LARM's resolution credit options are available at the bottom of the page.

To ensure LARM members are adequately covered, LARM is increasing overall property *values*. To ensure your buildings, contents and property in the open items are insured adequately you will see an increase in those items of 5%. If you had a LARM valuation in the last year, you will not see that increase.

To continue the goal of pursuing a strong financial position, the LARM Board formally approved the recommended adjustment to the 2026-27 Pool Year rate levels as follows:

- 0% rate adjustment for Property.
- 0% rate adjustment for Liability Coverages.
- + 5% adjustment for Workers' Compensation.

Finally, the information presented in this communication packet does not include any potential mono-line insurance placements that are not part of the formal LARM Property, General Liability or Workers' Compensation coverages (such as Bonds, Special Events Coverage, Liquor Liability, etc.) In addition, please be advised that your final invoice amount may vary from the renewal packet based on endorsements that require contribution adjustment over the next several weeks.

As always, the LARM Board and staff are very pleased that your community will continue to support LARM as we celebrate our 32nd year of unparalleled commitment to serving our Members. On behalf of each of us, I thank you for making our partnership a mutual success.

Sincerely,
LEAGUE ASSOCIATION OF RISK MANAGEMENT

How to process the attached annual renewal resolution due August 14, 2026

As always, LARM continues to seek certainty on upcoming Member commitments to allow us to accurately forecast our financial position. Requiring all Members to make annual elections by means of the Renewal Resolution affords us the fiscal confidence to structure a more stable program year-over-year. In return, LARM is able to translate this financial benefit to our Members in the form of corresponding contribution credits. Because predictability is strongest when estimates have future value, completing a new resolution each year delivers the best opportunity for this objective.

If you signed a 3-year resolution last year to receive the 5% discount, you may once again return a new 3-year resolution to continue to receive the 5% discount this year. Any member can opt for the 3-year option at any renewal to receive the maximum available discount.

If you are a Member that desires to competitively bid your coverage in the next three (3) years:

- If you already have a three (3) year Renewal Resolution at the 5% discount;
  - Execute a two (2) year Renewal Resolution at the 4% discount at the upcoming.
- If you already have a two (2) year Renewal Resolution at the 4% discount;
  - Execute a one (1) year Renewal Resolution for either the 2% or 0% discount.
- If you already have a one (1) year renewal Resolution, you must provide written notice of termination in accordance with the necessary days identified in the Renewal Resolution prior to the desired termination date.

If you do not execute/return a Renewal Resolution for the new Pool Year:

- You will automatically drop to the next lower commitment/contribution credit for that Pool Year (for example: If you were at a three (3) year commitment and do not execute/return a Renewal Resolution for the new Pool Year, you will automatically drop to a two (2) year commitment).

The enclosed Renewal Resolution form for the new term is made available for your use in designating the annual selection for the 2026-27 Pool Year. Once you have elected your contribution credit option, please authorize the Renewal Resolution and return to LARM to the address provided on the form. So that LARM is able to process invoices in a timely manner and prior to inception of the 2026-27 Pool Year, LARM requests that the fully executed Renewal Resolution be received no later than **August 14, 2026**. Once the Renewal Resolution has been

received by LARM, renewal packet materials (invoices, coverage documents, auto ID cards, etc.) will be prepared and delivered to you.

We are happy to review and discuss any questions or concerns you may have regarding this important process; therefore, we encourage you to contact your agent or LARM Customer Service if you need assistance.

Important Postscript:

Nebraska Revised Statutes §44-4309(1) requires that any member of a government risk management pool may voluntarily terminate its participation in the pool, but must notify the Director of the Nebraska Department of Insurance and the other members of the pool at least ninety (90) days prior to the desired termination date.   The notification to the Nebraska Department of Insurance and to LARM should be sent via certified mail. The member's decision to terminate participation in the government risk pool is subject to the approval of the Director of the Nebraska Department of Insurance.
