HISTORICAL INFORMATION AND
PROPOSED BUDGET FIGURES FOR
THE 2022-2023 BUDGET

THERE IS A LOT OF DISCUSSION ABOUT PROPERTY TAXES – THERE HAS BEEN FOR YEARS

- We have been non-equalized for several years now. In other words, we receive very little state formula aid. We do still receive state/federal dollars however.
- Quick explanation of how the TEEOSA Works and why we no longer get formula aid.
- TEEOSA was set up to level the playing field in terms of tax levies--there are still obvious discrepancies.

Expenses for 2022-2023

- \$750,000 for salary increase and insurance increase. Added 3 staff members (5th section of Kindergarten, Art Teacher, Middle School Special Education Teacher)
- Inflation of cost of materials
- Language Arts Curriculum- \$400,000- \$200,000

PROPOSED BUDGET OF EXPENDITURES

- The vast majority of the increases are increased staffing costs
- Propose property tax asking increase of \$855,440 in the General Fund from last year

GENERAL FUND CASH

GENERAL FUND CASH

- We have always maintained the goal of keeping 3 months of cash in reserve to help smooth out the peaks and valleys. In years when we lost a lot of state aid, this cash on hand helped us maintain a constant levy. In the future it could help us if property values decline.
- Our general fund cash was lower last year to the point that during our lowest cash balance of the year, we were right at \$4,368,935 million. We spend right at \$1.6 million a month, so we are at 2+ months in reserve at our low point during the year and the year before we were at 3 months.

OTHER FUNDS

BOND and QCUPUF FUND

- For 2022-23 I'm asking for \$ 1,414,141 we will get (\$1,400,00) in property taxes and our payments will be \$1,581,537. The bond levy would be a half cent less than last year at .080- I feel comfortable with our reserves in the bond fund to make this change.
- QCUPUF-\$135,000 (\$136,364) similar to last year. We will make our last payment December 2023- Should not have to levy for QCUPUF next year.

QUALIFIED CAPITAL PURPOSES UNDERTAKING FUND

- We issued the bonds through this fund for a portion of the elementary project.
- I'm proposing to lower the tax request just a little less than last year (\$.007 levy). This is part of the total bond payments.
- The last payment is December, 2023.

COOPERATIVE FUND

- The Cooperative Fund is a pass through account for Sixpence. We are the fiscal agent so the money will run through our budget. If we use this fund, it has no impact on our state aid, or levy/expenditure limits for any of the three school districts. We did receive a grant again this year so we will need to budget again. We increase the amount because when we get paid may not fall in line with our budget year.

SPECIAL BUILDING FUND

- Last year we levied 2.0 cents for \$339,574- In 2020-21 we were at 1.26 cents in the special building fund for a tax asking of \$205,593.
- On July 31, 2022 we had a cash balance of \$ 499,232, but we will have bills that will leave us around \$475,000
- So what do we levy? I propose 1 cent to cover theater lights, high school parking lot, hot water heaters.
- 1 cents would be \$176,450 and we could also tap into a little depreciation.

PROPERTY TAX AND LEVY IMPACT

SUMMARY

- General Fund – Knowing our conservative nature I do feel like we need to increase our general fund this year. As a reminder salary/insurance increase will be \$ 800,000
- Bond Fund and QCPU Fund – I feel very comfortable with my proposal.
- Special Building Fund: I have it at .01 to keep the overall levy at \$.0945
- Total tax asking 4.15% increase

QUESTIONS AND/OR COMMENTS

- Again, this is a proposal. If you want clarification or if you want to recommend changes, now is the time to do so. I want to know what your support is tonight, rather than wait until our September 28 board meeting to find out you disagree.
- Again: \$.01 levy = \$176,450 in terms of property taxes requested.
