Confidential Proposal For

Lake Dallas ISD

\$1 Purchase Option

The \$1 Purchase Option allows your school to create fixed costs, build equity that can be leveraged for more equipment year after year, and retain the benefits of a \$1.00 purchase option structure. This is the best option for schools that want to own their equipment at term's end, want to build a fleet of systems quickly, and/or seek to create a long-term budgetary plan for their systems.

With the \$1 Purchase Option, a school that owns their equipment at term's end may seek to trade in that equipment for credit toward new systems or for cash. Apple's Trade-In Program for Education is available to guide your school through responsible equipment disposal. Many schools have used this program to recover past years' budget dollars in order to pay for a portion of their next systems deployment.

AIC(LEGAL)

ACCOUNTABILITY: INTERVENTIONS AND SANCTIONS

At Alternative Management, new text has been included due to changes to the Administrative Code, which became effective September 10, 2024. At Training of Board of Managers, language has been added relating to training requirements for board members who are appointed to join a board of managers. New rules effective on September 18, 2024, regarding Special Program Performance Determination and cyclical monitoring have also been included. In addition, adjustments to margin notes have been made elsewhere in the policy.

AIE(LEGAL)

ACCOUNTABILITY: INVESTIGATIONS

Language has been added at Compliance Monitoring Activities due to Administrative Code changes effective September 18, 2024. The new section at Supervision Under IDEA reflects recent amendments from the Administrative Code that outline TEA's procedures for investigating and issuing findings related to violations of the Individuals with Disabilities Education Act (IDEA).

CAA(LOCAL)

FISCAL MANAGEMENT GOALS AND OBJECTIVES: FINANCIAL ETHICS

Recommended revisions to this local policy at Federal Awards Disclosure are to align text with updated rules regarding federal grants found in the Code of Federal Regulations. This guidance became effective October 1, 2024, and is reflected in CBB(LEGAL). The phrase "or designee" is recommended for deletion throughout the policy, except in places where the designation of another individual could be in place of the superintendent or board president and not just the superintendent as is the case in most other policies.

The Legal Issues in Update 124 memo, available with your Update 124 materials under [Local Manual Updates](#) on Policy Online (TASB login required), describes common legal concerns and best practices specific to this policy's topic.

CBB(LEGAL)

STATE AND FEDERAL REVENUE SOURCES: FEDERAL

Extensive revisions and additions have been made to this legally referenced policy in light of updated rules about federal grants found in the Code of Federal Regulations, effective October 1, 2024.

CDA(LOCAL)

OTHER REVENUES: INVESTMENTS

The section on Sellers of Investments is recommended for revision to specify that representatives with distributors of investment pools must be registered with the Texas State Securities Board, have membership in the Securities Investor Protection Corporation, and be in good standing with the Financial Industry Regulatory Authority. Distributors of investment pools must also be registered in good standing with the Municipal Securities Rulemaking Board.

The Legal Issues in Update 124 memo, available with your Update 124 materials under [Local Manual Updates](#) on Policy Online (TASB login required), describes common legal concerns and best practices specific to this policy's topic.

sion number has been updated at Financial Accountability System Resource Guide. A reference to material in the Administrative Code has been included in the Financial Accountability Rating System (School FIRST) section of this policy.

CH(LEGAL) PURCHASING AND ACQUISITION

General provisions relating to interlocal contracts have been moved to GRB(LEGAL). Language specific to interlocal contracts used for purchasing remains in this legally referenced policy. A note has been added to assist readers in accessing additional provisions related to interlocal agreements.

CKEA(LEGAL) SECURITY PERSONNEL: COMMISSIONED PEACE OFFICERS

A section on Medical and Psychological Exams has been added under Required Policies due to policy adoption requirements found in Senate Bill 1445 (88th Regular Session). The Texas Commission on Law Enforcement (TCOLE) has created a model policy that police departments (not the school board) must adopt. The TCOLE model policy was made available in May 2024 with a September 1, 2024, deadline for law enforcement agencies to submit their policies.

CKEB(LEGAL) SECURITY PERSONNEL: SCHOOL MARSHALS

A new section on Psychological Fitness includes the requirements and processes outlined in Administrative Code rules to conform with changes to the Occupations Code made by Senate Bill 1445 (88th Regular Session). The new rules require TCOLE to adopt standards and procedures for the psychological examination of school marshal applicants, school marshal licensees, and school marshal licensees for whom there is reason to believe a new examination is necessary to ensure the individuals are able to perform the duties for which the school marshal license is required. There is also a clarification of the reporting requirements for school marshal appointing entities. A new reporting responsibility relating to psychological fitness has been included at District Responsibilities, and a new section at Fit for Duty Review has been added to reflect the new requirements from TCOLE.

CO(LEGAL) FOOD AND NUTRITION MANAGEMENT

The revisions in this legally referenced policy reflect changes to federal rules related to child nutrition programs that became effective July 1, 2024.

COA(LEGAL) FOOD AND NUTRITION MANAGEMENT: PROCUREMENT

Substantial additions have been made at Conflicts of Interest to reflect rule amendments that became effective on October 1, 2024. A new section on Procurement Training has been added to comply with an addition to the Code of Federal Regulations, effective July 1, 2024.

COB(LEGAL) FOOD AND NUTRITION MANAGEMENT: FREE AND REDUCED-PRICE MEALS

Revisions to this policy reflect amendments to federal rules, effective July 1, 2024, changing terminology from "meal supplements" to "afterschool snacks." At Community Eligibility Provision, the minimum identified student percentage has changed from 40 to 25 based on an amended rule effective October 26, 2023. This change will give states and schools more flexibility to offer meals to all enrolled students at no cost when financially viable. Reference links have also been updated.

Please note: If your district is participating in the Community Eligibility Provision or Special Assistance Provision 2 program, please review your COB(LOCAL). If the policy is missing language to address the program in place in your district, please contact your policy consultant.

CQA(LEGAL)

TECHNOLOGY RESOURCES: DISTRICT, CAMPUS, AND CLASSROOM WEBSITES

The citation at item 48 under Other Required Internet Postings has been updated based on amendments to the Administrative Code.

CQC(LEGAL)

TECHNOLOGY RESOURCES: EQUIPMENT

Under Transfer of Equipment to Students, a new subsection on Standards has been added based on guidance recently developed by TEA as required by House Bill 18 (88th Regular Session). The standards provide guidance to districts on what electronic devices and software applications are permissible for use in the district.

CV(LEGAL)

FACILITIES CONSTRUCTION

A Note has been added on page 11 to direct readers to other policies related to interlocal contracts generally and interlocal contracts for purchasing good and services, based on organization of those provisions at different codes.

CY(LOCAL)

INTELLECTUAL PROPERTY

Revisions are recommended throughout this local policy to clarify the circumstances under which the district's intellectual property may be used and where ownership of intellectual property lies when material is created by a district employee. Other recommended revisions clarify how district employees may use other copyrighted material, including copyrighted material used for performances and displays in instruction.

D(LEGAL)

PERSONNEL

Provisions on genetic nondiscrimination, previously at DAB, have been moved to DAA, and policy DAB has been deleted. The D section table of contents has been revised to reflect that change.

DAA(LEGAL)

EMPLOYMENT OBJECTIVES: EQUAL EMPLOYMENT OPPORTUNITY

Changes have been made to comport with the new federal Pregnant Workers Fairness Act (PWFA) regulations, effective June 18, 2024.

Because the legal framework is being revised in light of the PWFA, we have taken the opportunity to significantly streamline content on employee nondiscrimination. Provisions regarding employee nondiscrimination were previously divided between DAA(LEGAL), addressing nondiscrimination in hiring and ending employment, and DIA(LEGAL), addressing nondiscrimination in terms, conditions, and privileges of employment. In order to minimize duplication of language and simplify the legally referenced materials, provisions regarding employment nondiscrimination have been moved to this code. Provisions relating to the Genetic Information Nondiscrimination Act (GINA) have also been moved to this legally referenced policy from DAB(LEGAL) to consolidate all nondiscrimination laws into one location.

DAB(LEGAL)

EMPLOYMENT OBJECTIVES: GENETIC NONDISCRIMINATION

Provisions on genetic nondiscrimination have been relocated to DAA(LEGAL) for clarity and continuity, and policy DAB has been deleted. All employment-related nondiscrimination language is now consolidated into DAA(LEGAL).

DBB(LEGAL) EMPLOYMENT REQUIREMENTS AND RESTRICTIONS: MEDICAL EXAMINATIONS AND COMMUNICABLE DISEASES

The policy cross-reference at Genetic Information has been updated to DAA to conform with the recoding of the provision there.

DECA(LEGAL) LEAVES AND ABSENCES: FAMILY AND MEDICAL LEAVE

Cross-references to DAB regarding genetic nondiscrimination have been updated to DAA throughout to conform with provisions recoded at this update.

DECB(LEGAL) LEAVES AND ABSENCES: MILITARY LEAVE

Updated provisions have been included at Federal Military Leave to comport with the Civilian Reservist Emergency Workforce Act of 2022.

DG(LEGAL) EMPLOYEE RIGHTS AND PRIVILEGES

A new section on Voting reflects existing provisions from the Election Code related to allowing employees time off to vote. This addition was suggested by a member of the Texas Council of School Attorneys, and we agreed it would be a helpful legal reference.

DH(LOCAL) EMPLOYEE STANDARDS OF CONDUCT

The provisions addressing tobacco and e-cigarettes are recommended for revision to include nicotine products regardless of whether the product contains tobacco. This language aligns with the language included in the Model Employee Handbook.

The Legal Issues in Update 124 memo, available with your Update 124 materials under [Local Manual Updates](#) on Policy Online (TASB login required), describes common legal concerns and best practices specific to this policy's topic.
