Textbook requests are being ordered within 3 school days. Teacher textbook needs that are not funded through the state are being ordered by the campus.

**ACTION / DISCUSSION ITEMS** - The following items were considered and/or approved by the Board of Trustees.

**Approved the Waco McLennan County Public Health District Agreement for Use of LVISD Facility** - On a motion by Dr. Walthall, seconded by Mr. Jennings, the Board unanimously approved the agreement for the use of the La Vega High School Campus below and in the agreement with the Waco McLennan Public Health District.

The request is for use of La Vega High School as a vaccination and/or medication distribution site in the event of a catastrophic event such as a terrorist attack involving biological or chemical weapons, mass immunization event for disease control such as small pox, bird flu, etc. The event that would trigger this use would be expected to be so severe or catastrophic that students would not be in school and that there would not be other conflicts that would prevent the use. The facility would be used strictly for immunizations/medication distribution not as a treatment facility for individuals who might be determined to be ill.

**Approved Proposed Program Change at La Vega High School and La Vega Junior High School George Dixon Campus for the Chorale Program Effective the 2006-2007 School Year** - Mrs. Watkins made a motion to approve the elimination of the Chorale Program and classes at La Vega High School and La Vega Junior High School George Dixon Campus. Mr. Jennings seconded the motion, and it passed (Watkins, Jennings, Bancala, Walthall, and Harris voting for the motion; Outlaw voting against the motion). Dr. Walthall asked the administration to look into the possibility of still offering choir to students as an extra-curricular program and paying a stipend for someone to direct the program.

**Approved Proposed Change in the DAEP Program for La Vega ISD Effective the 2006-2007 School Year** - Motioned by Mr. Outlaw and seconded by Mr. Harris, the Board unanimously approved the recommended consolidation of the three District AEP programs. La Vega ISD currently has three DAEP programs at three different campuses. The proposal is to combine these three programs into a central DAEP program housed at the current La Vega Primary Center when it is vacated for next school year. Currently there are three full time teachers and 2 aides working in these three programs at the campuses. Consolidating these three into a central program would call for 2 teachers and 1 aide. By combining the three separate campus programs into one district-wide program, we can better serve the educational needs of the students assigned to these programs.

**Approved the Proposal to Close the La Vega Family Resource Center Day Care Program Effective the 2006-2007 School Year** - Mr. Jennings made a motion to approve the proposal to close the La Vega Family Resource Center Day Care Program. Mr. Harris seconded the motion, and it passed (Jennings, Harris, Watkins, Bancale, and Outlaw voting for the motion; Walthall voting against the motion).

A summary of financial position for the LVFRC was presented to the Board Members. The Day Care Center has operated under several scenarios during its history. The District has subsidized the operation, at substantial cost, for at least the last seven years. The center was scaled back recently in an attempt to make it more solvent.

**Approved the Proposed Program Change in the Physical Education Program at La Vega Intermediate School H. P. Miles Campus Effective the 2006-2007 School Year** - Motioned by Dr. Walthall and seconded by Mr. Outlaw, the Board unanimously approved the recommendation to eliminate one of the two full-time Physical Education teaching positions at La Vega Intermediate School H. P. Miles Campus.

**Approved the Lease/Purchase Agreement for Equipment, Furniture, and Technology and a Resolution Approving the Form of the Lease/Purchase Agreement with Zions First National Bank, Salt Lake City, Utah and Authorized the Execution and Delivery Thereof** - On a motion by Mr. Harris and seconded by Mr. Jennings, the Board unanimously approved a Lease-Purchase Agreement for equipment, furniture, and technology.

As property rates are forced up and budgets are cut, usually one of the first items to go is capital outlay. However, only a limited number of projects can be cut from the budget before compromising the District's goals and objectives. Therefore, the District must look for more effective ways to purchase personal property. One of these ways is for the District to participate in a Lease-Purchase program which allows the District to pay for personal property items over their useful life. The Texas Association of School Boards through First Public, LLC offers such a program. The funds secured through this agreement will be used to purchase furniture and equipment for the District's two new campuses, the addition to La Vega High School, capital outlay items from the fiscal year 2005-2006 budget, and technology equipment the District will purchase in lieu of E-Rate funding.

**Approved a Line of Credit at American Bank Waco** - Motioned by Mr. Jennings and seconded by Mr. Outlaw, the Board unanimously approved a line of credit with American Bank Waco.

**Discussed Budgetary Matters Related to the FY 2005-2006 and Future Budgets**

- Dr. Geren updated the Board Members on the administration's plans and efforts to reduce the current budget deficit and briefed them on plans to provide and adopt a balanced budget for 2006-2007.

- Dr. Geren and Mr. Williams assisted Board Members in completing the Local Government Officer Conflicts Disclosure Statements.

## Budget Change Requests

Background Information:

After adoption of the official budget each year, there are requests to change appropriations that arise for several reasons:

The PTO, booster club or some other similar organization desires to purchase some items for the school. According to regulation, these gifts must be reflected in the accounting records of the District and thus require a budget change request.

At each school, the principal maintains a "club" fund of which part is derived from the sale of soft drinks and school supplies. Traditionally, the principals have been allowed to use such funds at the campus at which they are generated. To use these funds, the principal must make a budget change request.

During the course of the fiscal year, most of the organization heads realize a need to transfer appropriations from account to account due to changing needs. Due to unforeseen circumstances, additional appropriations are occasionally required. Such an instance might be emergency repairs to a roof. The budget is a flexible document. Budget change requests are the way that accountability for that flexibility is maintained.

Fiscal Implication:

The fiscal implications of the budget change requests are noted in the attached document.

**Approve Certification of Unopposed Candidate(s) for the May 13, 2006 Board Trustee Election**

Presented for:

Board action  Report/Review Only

Supporting documents:

None  Attached  Provided Later

Contact Person(s):

Dr. Monte Geren

Background Information:

To initiate the cancellation process, the authority responsible for preparing the ballot must certify the unopposed status to the authority responsible for ordering the election. The authority is the secretary of the political subdivision's governing body or, if the governing body has no secretary, the presiding officer of the governing body.

This document is filed with the presiding officer of the political subdivision. The governing body must meet, accept this certification, and issue an order or ordinance declaring the election cancelled and the unopposed candidates elected. The candidates may take the oath of office on or after the date of election, and the certificate of election should be issued after Election Day.

To complete the cancellation process, a copy of the order or ordinance canceling the election must be posted on Election Day at each polling place that would have been used in the election.

An election may be cancelled if:

- 1) Each candidate (for full or unexpired terms) whose name is to appear on the ballot is unopposed;
- 2) The election is one in which a declaration of write-in candidacy is required; and
- 3) No proposition is on the ballot.

In an election in which any members of the governing body are elected from single-member districts, an election in a particular district may be cancelled if the candidate is unopposed and the election otherwise meets the above requirements (i.e., there is no at-large candidate opposed on the ballot and/or no proposition). The election would continue in the normal manner for the remainder of the political subdivision. It is not necessary to preclear the cancellation of an election under Section 5 of the Voting Rights Act according to the U.S. Department of Justice.

# **Bill Killian Place #1**

My name is Bill Killian. I was born in Lubbock, Texas November 25, 1949. I attended public schools in Seminole and Denver City, Texas. I attended school in Lovington, New Mexico for a short time because my mother was employed as a teacher there and could enroll me in the district in which she was employed. My family farmed and ranched in an area that was in close proximity to the state line. I graduated from Denver City High School in 1967.

I received a Bachelor of Arts Degree from Texas Tech University in 1971. I received a Master of Science Degree from Baylor University in 1982.

I began my career in education in Crosbyton, Texas as a teacher/coach in 1972. I moved the next year to Tulia, Texas to accept a similar position. I remained in that district for three years. I then went to Gail, Texas to accept the position of head football coach at Borden County High School. After two years in that capacity I accepted the position of teacher/defensive coordinator at Commerce High School. The next year I was offered a position at Midway High School as a teacher/coach. I accepted this position in the fall of 1979. I remained at Midway ISD for the rest of my career in education. While at Midway I served as Junior High School Athletic Coordinator, Junior High Assistant Principal, Principal of Hewitt Elementary, and Principal of Midway Middle School. I spent 22 of my 26 years in the Midway District as an administrator. I spent a total of 33 years in the field of education.

It has always been my belief that there is no more important resource to give a child than a sound education. It is equally important to provide children with teachers that are caring, consistent, and well trained. I have worked with universities and alternative certification programs while an administrator to provide training opportunities for teaching candidates throughout the years. It is essential that these people be given opportunities to experience hands on learning. I could not imagine a more rewarding career than the one I have experienced. I retired to devote some time to other projects that had been put on hold due to the time constraints that a career in school administration requires. My major interests are wood carving and writing.

I would consider it a privilege to serve the educational community by being a member of the Board of Directors at the Region 12 Service Center.

**Consider Action Related To The District's Service As Fiscal Agent Of The McLennan County Challenge Academy**

Presented for:

Board action  Report/Review Only  Consent Agenda Item

Dr. Monte Geren

Background Information:

The BOT has been briefed and is aware of a number of concerns related to our continuation as the fiscal agent of the McLennan County Challenge Academy (MCCA). Briefly stated LVISD like many Texas public school districts is facing significant challenges related to the operation of our district. Program changes, budget restrictions, funding, and compliance with state and federal accountability standards are just a few of these issues. The Administration and Board Members have repeatedly expressed a concern that our focus remain on the operational and performance issues of our own district. This has become increasingly more difficult over the last few years.

LVISD has served as the fiscal agent for just over 10 years, since the MCCA was first organized in the Spring of 1996. We believe that with the impending change in leadership at the MCCA it would be an appropriate time for a change in the fiscal agent entity. We are pleased to have been able to serve in this capacity to the benefit of the students, school districts, and communities of McLennan County for the past 10 years. I believe that our performance and service has been excellent, but it is an appropriate time to allow another of the member districts or the county the opportunity to fill this important operational role for the academy.

The Board of Directors at the MCCA has been informed of our intent to review our status as fiscal agent. No requests, comments, or other actions have been made by the MCCA Board or any of the participants in the MCCA membership requesting a change in the fiscal agent.

Fiscal Implication:

LVISD's revenue will be reduced as a result of our loss of the operational revenues received for serving as the fiscal agent for MCCA, but the amount of personnel and operational costs that are required to perform the fiscal agent duties and responsibilities will also be reduced as a result of implementing this recommendation.

Administrative Recommendation:

The Administration recommends that the Superintendent be authorized to submit the district's resignation as the fiscal agent of the MCCA effective at the end of the current fiscal year, which is August 31, 2006. The transfer of authority and responsibilities to the new fiscal agent would become effective September 1, 2006, followed by a transfer of records and documents as soon as practicable after that date. LVISD would continue to be a member of the MCCA "cooperative" and utilize the services of the MCCA, but would no longer serve as the fiscal agent for the entity.

**Consider Requests For Rental Of Facilities**

Presented for:

Board action  Report/Review Only  Consent Agenda Item

Supporting documents:

None  Attached  Provided Later

Contact Person:

Gary W. Williams

Background Information:

Board Policy allows for rental of school facilities by outside groups, and administrative procedures outline availability, priority, and applicable fees. By policy, Board approval is required for religious groups to rent the facilities, and only the Board can waive or modify fees. The renovation currently underway at the Bellmead Civic Center has increased the number of requests for rental of LVISD facilities. Three groups have requested use of facilities on the following dates:

Day & Date	Requestor	Facility Requested
Tuesday, April 25	Bellmead Chamber of Commerce	La Vega Junior High Cafetorium
Wednesday, April 12	Jehovah's Witnesses	La Vega High School Auditorium
Saturday, April 29	La Vega Little League	La Vega High School Cafetorium

In each case, the requested facility is available, and there are no conflicts with scheduled school activities at this time. With regard to waiver of fees, it is recommended that the Chamber of Commerce be granted a waiver of usage fees in consideration for their strong support of the district and its programs. The other two groups, unless a waiver is granted, will be charged applicable fees (\$50/hour for LVHS Auditorium and \$25/hour for LVHS Cafetorium, plus custodial fees.

The renovation of the Civic Center may necessitate the use of district facilities by the City of Bellmead. Such usage is already exempt from usage fees, with the only exception being applicable custodial/food service fees. The Board may wish to grant a blanket waiver of these fees for the period of the renovation

Fiscal Implication:

The fees charged will offset the cost of operating the facilities.

Administrative Recommendation:

It is recommended that the Board approve the usage of district facilities as requested, with the following exception: Fees for the April 25 use of LVJH-George Dixon Campus Cafetorium by the Bellmead Chamber of Commerce be waived.

It is further recommended that the Board waive fees and applicable charges for the usage of district facilities by the City of Bellmead for the duration of the Bellmead Civic Center renovation.

**Approve And Authorize Signature By The Board's Designee Of Settlement Documents In The Matter Of Latasha Young Carnegie V. La Vega ISD**

Presented for:

Dr. Monte Geren

Background Information:

A settlement agreement regarding the claims of this parent over the alleged injury of her student while assigned to the MCCA has been agreed upon by the representatives of the various parties/entities and has also been approved by the court. The court approval was given in the matter through the "friendly lawsuit" styled as indicated above. For the record, the matter was submitted initially by contact from the parent's legal representative, and the lawsuit was filed only as a necessary "vehicle" for obtaining the approval of the court for the final settlement agreement of the parties. The Board will hear an explanation and have the opportunity to have questions answered by the District's attorney from WABSA, Todd Clark during the closed session.

Fiscal Implication:

The district, in its role as fiscal agent for the MCCA, will pay the \$1,000 deductible amount as stipulated by the district's vehicle insurance policy. All other amounts related to the settlement agreement and/or legal representation of the district in this matter will be provided under the insurance policy coverage.

The original complainants have accepted and signed the agreement, and the arrangements for payment and/or placement of the agreed upon funds are already in progress.

Unless required to do so through public information, requests for information detailing the settlement will not be publicized or commented upon by LVISD staff in order to assure that we comply with confidentiality regulations regarding students and staff members. No information will be released without prior review and approval of the district's attorney.

Administrative Recommendation:

The Administration recommends approval of the settlement agreement in the matter of Latasha Young Carnegie v. La Vega ISD and authorization of the Board's designee to sign the settlement agreement on behalf of the district.

## The Board Minutes

### *Special Contract Considerations*

Previously, we discussed some basic issues related to employment contracts. In this edition, we touch on some specific situations that may arise related to board action on individual employment contracts.

By statute, the superintendent is charged with making recommendations to the board for term contract renewal or proposed nonrenewal and probationary contract renewal or termination. Those recommendations often come to the board as a list that includes the names of many employees. The board's role at that point is generally to accept or reject the superintendent's recommendations. From time-to-time, however, one or more trustees may wish to express their position on individual employees but do not want to vote for or against the employment of all other employees.

Any trustee can request that the board take an individual vote on the contract decision for a specific employee. In that case, there will be a separate motion (to renew, to propose nonrenewal) that names the specific employee. Like any other motion, it will be subject to a second—and could die for lack of a second. Assuming the motion receives a second, there will be a record public vote on that individual's employment.

In situations where a majority of the board may disagree with a particular recommendation from the superintendent, significant other issues will arise that require consultation with and involvement of the school's attorney.

*The Board Minutes*

## *Student Codes of Conduct*

State law requires that the Board of Trustees, with the advice of its district-level committee, adopt a student code of conduct for the district. *Tex. Educ. Code* § 37.001. The Student Code of Conduct is the bible of student discipline. Not only does the Code provide the answer to most disciplinary questions, it also has the force of policy and will control in the event that the Code is in conflict with any previously adopted Board policy.

Although this is not a legislative year, your district may still need and want to make changes to its Student Code of Conduct. Students get more creative every year in coming up with conduct that no one would have imagined should be addressed in a disciplinary code. Whether you use our model Student Code of Conduct or another model, we recommend that your district have its Student Code of Conduct legally reviewed each year for compliance with the requirements of *Tex. Educ. Code*, Ch. 37, and any changes in the law. Student discipline provides many opportunities for contention, and your district's Code of Conduct will be a prime evidentiary source in the event that its disciplinary policies are ever challenged. Spending a few of your hours now to purchase a legal review of your Student Code of Conduct may very well help your district avoid spending significant litigation dollars in the future.
