Contact Person:

Ms. Diane Roepke

Background Information:

Section 2.10.6 of the Financial Accountability System Resource Guide, version 14.0, dated January 2010, states that budget amendments are mandated by the state for budgeted funds reallocated from one function level, and state and/or federal project to another. These budget changes are usually the result of unexpected levels of expenditures in certain categories and must be amended in the budget for legal compliance.

All budget amendments are required to be adopted by the last day of the fiscal year. All necessary budget amendments must be formally adopted by the school board and recorded in the board minutes.

Fiscal Implication:

The budget amendments include monies to purchase kitchen replacement equipment from our CNS fund balance in the amount of \$47,800. An increase of \$2500 is needed for our local debt payments on tax maintenance notes. The other budget amendments include moving budget from function to function.

Administrative Recommendation:

It is recommended that the Board approve the attached Budget Amendments as presented.
