Student-Driven Learning

Vandagriff Elementary:
5th Math, Ms. Boyer

Students were given a card that gave them the perimeter or area of the robots arms, leg, head, and body. Students had to use this information to decide the dimensions of their robot's body parts and create it. Students then had the opportunity to decorate.

Coder Elementary:
2nd Math, Ms. McCarthy

Students played a Jeopardy game using questions and categories they developed to reinforce math concepts they learned.

Student-Driven Learning

McCall Elementary:
4th Science, Ms. Sosa

Students applied their knowledge of adaptations to create their own creatures with specific adaptations. They transferred this knowledge into a critical writing piece detailing why they chose each adaptation and how it would help their creature to survive.

Stuard Elementary:
4th Math, Ms. Caldwell

The Scarecrow came to visit and told his story about earning his diploma. He learned that he HAS a brain that he just needs to use. Students were working collaboratively to solve problems using all operations(4.4A-4.5A) that occurred in Oz to earn items for a scarecrow relay race.

Student-Driven Learning

Annetta Elementary:

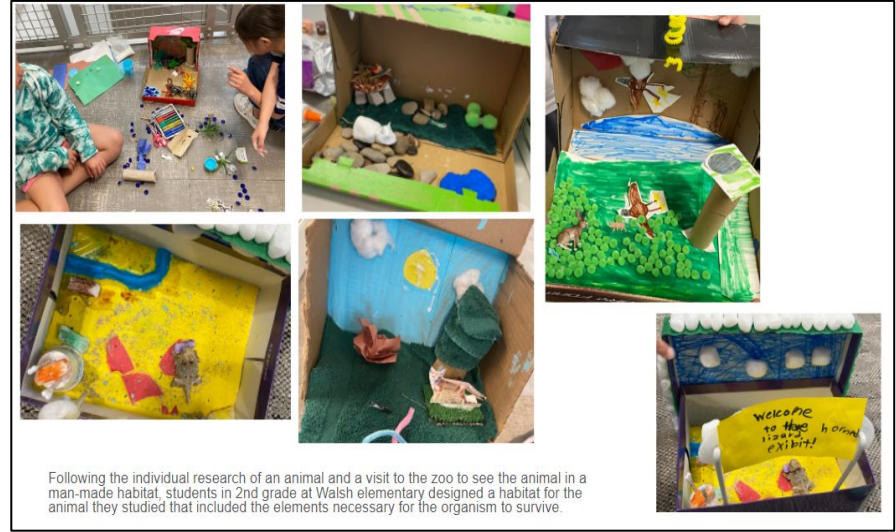

1st Math & Social Studies , Ms. Dumas

1st grade students learned about different 3D shapes and all of the attributes. Students were tasked with creating their own cities/towns and constructed different buildings for their towns out of all the 3D shapes they learned about.

Walsh Elementary:

2nd Science, Ms. Burns

Following the individual research of an animal and a visit to the zoo to see the animal in a man-made habitat, students in 2nd grade at Walsh elementary designed a habitat for the animal they studied that included the elements necessary for the organism to survive.

Student-Driven Learning

Daniel Ninth Grade:
Health Science, Ms. Petersen

Three students from Weatherford college in their last semester of respiratory therapy school visited students.

- On November 5, 2019, voters in Aledo ISD approved the District's 2019 Bond Proposal.
- Each month, at the regular meeting of the Board of Trustees, District staff and/or the design/construction teams for the 2019 Bond projects will discuss with the Board the work, timeline, and progress on the projects. In addition, the District will have a bond progress website, which will contain information about the projects and their progress, frequently asked questions, materials and minutes from meetings of the Bond Progress Committee, and other relevant information. The bond progress website will be continually updated with information for community members to access.
- This evening we will update the Board of Trustees and Aledo ISD Community with the current status of implementation of the 2019 Bond Program.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: May 17, 2022

AGENDA ITEM: Health I Curriculum

PRESENTER: Scott Kessel

BACKGROUND INFORMATION:

- The State Board of Education (SBOE) issues a proclamation to call for new instructional materials. The proclamation lists the subject areas scheduled for review.
- The SBOE issued *Proclamation 2022* at its April 2020 meeting to call for health and physical education instructional materials. The adoption of materials under *Proclamation 2022* occurred in November 2021.
- Only one publisher, Goodheart-Willcox, was added to the Commissioner's List of Adopted Curriculum. The adopted materials are scheduled to go into classrooms in the 2022–23 school year.
- As part of the adoption process, Aledo ISD uses an advisory committee to help preview materials and make recommendations for board approval. The Aledo ISD School Health Advisory Council (SHAC) served as the Proclamation 2022 Advisory Committee.
- Standards for physical education are covered through activity-based instruction and therefore, no print-based materials are needed. Health standards for grades K-7 are covered through physical education classes.
- Print materials for the high school credit Health I course are needed to provide teachers with updated resources covering the revised health standards.
- Proclamation 2022 Action Plan:
 - Gather feedback from Aledo ISD health teachers and Aledo ISD SHAC after viewing proposed Health I materials April 22- May 2, 2022
 - Display the Goodheart-Willcox Health I curriculum for public comment May 9-13, 2022
 - Review public feedback and make final decision for board consideration
- After careful consideration, the Aledo ISD SHAC supports the adoption of the Goodheart-Willcox Health I Curriculum to be implemented in the 2022-2023 school year.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: May 17, 2022

AGENDA ITEM: Consider Approval of Audit Firm Engagement Letter for 2021-2022 Fiscal Year District Audit

PRESENTER: Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- Pursuant to Education Code 44.008(a),(b), the District's fiscal accounts are required to be audited annually at District expense by a Texas certified or public accountant holding a permit from the State Board of Public Accountancy.
- The annual financial audit shall be completed following the close of each fiscal year and shall meet at least the minimum requirements and be in the format prescribed by the State Board of Education, subject to review and comment by the State Auditor.
- In April 2021, the District issued a Request for Qualifications (RFQ) for Annual Financial Audit Services for the fiscal year ended August 31, 2021.
- During the RFQ process, each firm was asked to submit a proposed fee for conducting the District's annual financial audit for the 2020-2021 fiscal year and each of the following four (4) fiscal years. The RFQ also provided for the option for renewal in one-year extensions for up to four (4) additional years.
- After completion of the RFQ process, the auditing firm of Pattillo, Brown & Hill, L.L.P. was engaged to perform the District's financial audit for the fiscal year ended August 31, 2021.
- Pattillo, Brown & Hill conducted a quality audit and provided responsive service to the District. Therefore, we are recommending the engagement of Pattillo, Brown & Hill for year two (2) of the four (4) additional years allowed.
- Pattillo, Brown & Hill's proposed not to exceed fee for the audit of the fiscal year ending August 31, 2022 is \$29,940, the same fee as the prior year.
- Pattillo, Brown & Hill's engagement letter is attached for your review and consideration.

FISCAL INFORMATON:

The not to exceed fee of \$29,940 will be included in the 2022-2023 budget.

ATTACHMENTS:

Pattillo, Brown & Hill, L.L.P. Engagement Letter.

ADMINISTRATIVE RECOMMENDATION:

The Administration recommends the Board of Trustees approve the acceptance of the engagement letter with the firm of Pattillo, Brown & Hill, L.L.P. for the performance of the District's annual financial audit for the 2021-2022 fiscal year as presented.

April 21, 2022

Aledo Independent School District
Attention: Earl Husfeld, Chief Financial Officer
1008 Bailey Ranch Road
Aledo, TX 76008

Board of Trustees and Management:

You have requested that we audit the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Aledo Independent School District (the "District"), as of August 31, 2022, and for the year then ended, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In addition, we will audit the entity's compliance over major federal award programs for the period ended August 31, 2022. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter. Our audits will be conducted with the objectives of our expressing an opinion on each opinion unit and an opinion on compliance regarding the entity's major federal award programs. The objectives of our audit of the financial statements are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America, and the Texas Education Agency audit requirements included in the *Financial Accountability System Resource Guide* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

The objectives of our compliance audit are to obtain sufficient appropriate audit evidence to form an opinion and report at the level specified in the governmental audit requirement about whether the entity complied in all material respects with the applicable compliance requirements and identify audit and reporting requirements specified in the governmental audit requirement that are supplementary to GAAS and *Government Auditing Standards*, if any, and perform procedures to address those requirements.

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information, and pension and other postemployment benefit related information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the required supplementary information (RSI) in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist primarily of inquiries of management regarding their methods of measurement and presentation and comparing the information for consistency with management's responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI. The following RSI is required by accounting principles generally accepted in the United States of America. This RSI will be subjected to certain limited procedures but will not be audited:

- Management's Discussion and Analysis.
- Budgetary Schedules.
- Schedule of District's Proportionate Share of Net Pension Liability and Net Other Postemployment Benefits (OPEB) Liability, and Related Ratios.
- Schedule of District Pension and OPEB Contributions.

Supplementary information other than RSI will accompany the District's basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on the following supplementary information in relation to the financial statements as a whole:

- Combining Statements.
- Required Texas Education Agency Schedules.
- Schedule of Required Responses to Selected School First Indicators.

Schedule of Expenditures of Federal Awards

We will subject the schedule of expenditures of federal awards to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the schedule to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on whether the schedule of expenditures of federal awards is presented fairly in all material respects in relation to the financial statements as a whole.

Data Collection Form

Prior to the completion of our engagement, we will complete the sections of the Data Collection Form that are our responsibility. The form will summarize our audit findings, amounts and conclusions. It is management's responsibility to submit a reporting package including financial statements, schedule of expenditure of federal awards, summary schedule of prior audit findings and corrective action plan along with the Data Collection Form to the federal audit clearinghouse. The financial reporting package must be text searchable, unencrypted, and unlocked. Otherwise, the reporting package will not be accepted by the federal audit clearinghouse. We will assist you in the electronic submission and certification. You may request from us copies of our report for you to include with the reporting package submitted to pass-through entities.

The Data Collection Form is required to be submitted within the earlier of 30 days after receipt of our auditors' reports or nine months after the end of the audit period, unless specifically waived by a federal cognizant or oversight agency for audits. Data Collection Forms submitted untimely are one of the factors in assessing programs at a higher risk.

Audit of the Financial Statements

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS), the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America; the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and the Texas Education Agency audit requirements included in the *Financial Accountability System Resource Guide*.

As part of an audit of financial statements in accordance with GAAS, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America, and the Texas Education Agency audit requirements included in the *Financial Accountability System Resource Guide* we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements or noncompliance may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS, *Government Auditing Standards* of the Comptroller General of the United States of America, and the Texas Education Agency audit requirements included in the *Financial Accountability System Resource Guide*. Please note that the determination of abuse is subjective, and *Government Auditing Standards* does not require auditors to detect abuse.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any other periods.

We will issue a written report upon completion of our audit of the District's basic financial statements. Our report will be addressed to Board of Trustees of the District. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s) to our auditor's report, or if necessary, withdraw from the engagement. If our opinions on the basic financial statements are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

In accordance with the requirements of *Government Auditing Standards*, we will also issue a written report describing the scope of our testing over internal control over financial reporting and over compliance with laws, regulations, and provisions of grants and contracts, including the results of that testing. However, providing an opinion on internal control and compliance over financial reporting will not be an objective of the audit and, therefore, no such opinion will be expressed.

Audit of Major Program Compliance

Our audit of the District's major federal award program(s) compliance will be conducted in accordance with the requirements of the Single Audit Act, as amended; and the Uniform Guidance, and will include tests of accounting records, a determination of major programs in accordance with the Uniform Guidance and other procedures we consider necessary to enable us to express such an opinion on major federal award program compliance and to render the required reports. We cannot provide assurance that an unmodified opinion on compliance will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or withdraw from the engagement.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether material noncompliance with applicable laws and regulations, the provisions of contracts and grant agreements applicable to major federal award programs, and the applicable compliance requirements occurred, whether due to fraud or error, and express an opinion on the entity's compliance based on the audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the entity's compliance with the requirements of the federal programs as a whole.

As part of a compliance audit in accordance with GAAS, *Government Auditing Standards* of the Comptroller General of the United States of America, and the Texas Education Agency audit requirements included in the *Financial Accountability System Resource Guide*, we exercise

professional judgment and maintain professional skepticism throughout the audit. We also identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Our procedures will consist of determining major federal programs and, performing the applicable procedures described in the U.S. Office of Management and Budget *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the entity's major programs, and performing such other procedures as we consider necessary in the circumstances. The purpose of those procedures will be to express an opinion on the entity's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Also, as required by the Uniform Guidance, we will obtain an understanding of the entity's internal control over compliance relevant to the audit in order to design and perform tests of controls to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each of the entity's major federal award programs. Our tests will be less in scope than would be necessary to render an opinion on these controls and, accordingly, no opinion will be expressed in our report. However, we will communicate to you, regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we have identified during the audit.

We will issue a report on compliance that will include an opinion or disclaimer of opinion regarding the entity's major federal award programs, and a report on internal controls over compliance that will report any significant deficiencies and material weaknesses identified; however, such report will not express an opinion on internal control.

Management's Responsibilities

Our audit will be conducted on the basis that management and those charged with governance acknowledge and understand that they have responsibility:

1. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America;
2. For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error;
3. For identifying, in its accounts, all federal awards received and expended during the period and the federal programs under which they were received;
4. For maintaining records that adequately identify the source and application of funds for federally funded activities;
5. For preparing the schedule of expenditures of federal awards (including notes and noncash assistance received) in accordance with the Uniform Guidance;
6. For designing, implementing, and maintaining effective internal control over federal awards that provides reasonable assurance that the entity is managing federal awards in compliance with federal statutes, regulations, and the terms and conditions of the federal awards;
7. For identifying and ensuring that the entity complies with federal laws, statutes, regulations, rules, provisions of contracts or grant agreements, and the terms and conditions of federal

award programs, and implementing systems designed to achieve compliance with applicable federal statutes, regulations, and the terms and conditions of federal award programs;

8. For disclosing accurately, currently, and completely the financial results of each federal award in accordance with the requirements of the award;
9. For identifying and providing report copies of previous audits, attestation engagements, or other studies that directly relate to the objectives of the audit, including whether related recommendations have been implemented;
10. For taking prompt action when instances of noncompliance are identified;
11. For addressing the findings and recommendations of auditors, for establishing and maintaining a process to track the status of such findings and recommendations and taking corrective action on reported audit findings from prior periods and preparing a summary schedule of prior audit findings;
12. For following up and taking corrective action on current year audit findings and preparing a corrective action plan for such findings;
13. For submitting the reporting package and data collection form to the appropriate parties;
14. For making the auditor aware of any significant contractor relationships where the contractor is responsible for program compliance;
15. To provide us with:
 - a. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements including the disclosures, and relevant to federal award programs, such as records, documentation, and other matters;
 - b. Additional information that we may request from management for the purpose of the audit;
 - c. Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence;
 - d. Non-attest Services

We will also assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes of the District in conformity with U.S. generally accepted accounting principles and the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) based

on information provided by you. These non-audit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. These services are limited to preparing the financial statements, schedule of expenditures of federal awards, and related notes of the District as previously outlined.

We will not assume management responsibilities on behalf of the District. However, we will provide advice and recommendations to assist management of the District in performing its responsibilities.

The District's management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) establishing and maintaining internal controls, including monitoring ongoing activities.

Our responsibilities and limitations of the engagement is limited to our preparation of the financial statements and related note disclosures and the schedule of expenditures of federal awards previously outlined. Our firm in its sole professional judgment, reserves the right to do any procedure or take any action that could be construed as making management decisions or assuming management responsibilities, including determining account coding and approving journal entries. Our firm will advise with regard to financial reporting, but the District must make all decisions with regard to those matters.

Government Auditing Standards require that we document an assessment of the skills, knowledge, and experience of management, should we participate in any form of preparation of the basic financial statements and related schedules or disclosures as these actions are deemed a non-audit service.

Engagement Administration, Fees and Timing

We will schedule the engagement based in part on deadlines, working condition, and the availability of your key personnel. We will plan the engagement based on the assumption that your personnel will cooperate and provide assistance by performing tasks such as preparing requested schedules, retrieving supporting documents, and preparing confirmations. If for whatever reason your personnel are unavailable to provide the necessary assistance in a timely manner, it may substantially increase the work we have to do to complete the engagement within the established deadlines, resulting in an increase in fees over our original fee estimate.

The timing of our audit will be scheduled for performance and completion as follows:

Document internal control and preliminary tests	July 2022
Mail confirmations	September 2022
Perform year-end audit procedures	November 2022
Issue audit reports	January 2023

John K. Manning is the engagement partner for the audit services specified in this letter. His responsibilities include supervising Pattillo, Brown & Hill, LLP's services performed as part of this engagement and signing or authorizing another qualified firm representative to sign the audit report.

Our fees for these services will be at our standard hourly rates plus out-of-pocket cost (such as reports reproduction, word processing, postage, travel, copies, telephone, etc.) except that we agree that our gross fee, including expenses, will not exceed \$29,940. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned

to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 30 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report(s). You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional cost.

Professional standards prohibit us from being the sole host and/or the sole storage for your financial and non-financial data. As such, it is your responsibility to maintain your original data and records and we cannot be responsible to maintain such original information. By signing this engagement letter, you affirm that you have all the data and records required to make your books and records complete.

Our firm may transmit confidential information that you provided us to third parties in order to facilitate delivering our services to you. For example, such transmissions might include, but not be limited to investment information to verify valuation. However, we may be requested to make certain audit documentation available to the Texas Education Agency, federal agencies and the U.S. Government Accountability Office pursuant to authority given to it by law or regulation, or to peer reviewers. The regulators and agencies may intend, or decide, to distribute the copies of information contained therein to others, including other governmental agencies.

Further, we will be available during the year to consult with you on financial management and accounting matters of a routine nature.

During the course of the audit, we may observe opportunities for economy in, or improved controls over, your operations. We will bring such matters to the attention of the appropriate level of management, either orally or in writing.

We agree to retain our audit documentation or work papers for a period of at least five years from the date of our report.

You agree to inform us of facts that may affect the financial statements of which you may become aware during the period from the date of the auditor's report to the date the financial statements are issued.

- Management's consultations with other accountants, if any; and
- Significant issues, if any, arising from the audit that were discussed, or the subject of correspondence, with management.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: May 17, 2022

AGENDA ITEM: Consider Approval of Change Order for 2019 Bond Project Aledo ISD Early Childhood Academy

PRESENTER: Earl Husfeld, Chief Financial Officer and Tyler Boswell, Director of Construction and Facilities

BACKGROUND INFORMATION:

- As you are aware, conversion of the current Vandagriff Elementary School into the Aledo ISD Early Childhood Academy was included within the District's 2019 Bond Program.
- After review of the proposed design/layout of the childcare portion of the facility with the District's Director of Child Development Center, a few modifications are necessary for compliance with licensing requirements and for better utilization of the space.
- Additionally, due to the number of children enrolled in the Child Development Center to date and the expectation that this number will increase, it is prudent to include two (2) additional rooms in the renovations at this time.
- After review and analysis of the attached cost estimations, district staff are recommending we proceed with the additional building modifications as outlined by RJM Contractors, Inc.

FISCAL INFORMATION:

The not to exceed amount of \$96,576.09 for this change order will be paid from 2019 bond program funds.

ATTACHMENTS:

RJM Contractors, Inc. cost estimations with supporting documentation.

ADMINISTRATIVE RECOMMENDATION:

The Administration recommends the Board of Trustees approve a change order to the contract with RJM Contractors, Inc. for the Aledo ISD Early Childhood Academy project in the not to exceed amount of \$96,576.09 as presented.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: May 17, 2022

AGENDA ITEM: Consider Participation in TASB Energy Cooperative Fixed Rate Fuel Program and Possible Fixed Rate Fuel Contract

PRESENTER: Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- District staff have recently been discussing with Texas Association of School Boards (TASB) their fixed rate fuel program.
- The TASB Energy Cooperative was created in 2008 to help governmental entities with the procurement of electricity, transportation fuels, and other types of energy products, commodities, and services.
- The TASB Energy Cooperative seeks to increase the purchasing power of governmental entities and simplify the energy procurement process. This program also helps to make a district's fuel budget more predictable during periods of instability in the fuel markets. TASB members can obtain unleaded gasoline, diesel, and propane from awarded vendors by making a spot purchase of oil that is leaving the refinery gate or by participating in the TASB fixed rate fuel program.
- Participation in this fixed rate fuel program requires the District to purchase a committed number of gallons. Therefore, we are only committing to this program 75% of the estimated fuel usage over the contract period.
- We are considering locking in prices for either a contract period of June 2022 – August 2023 or September 2022 – August 2023, whichever provides the best value for the District. As of Friday, May 6, 2022, current pricing for the June 2022 – August 2023 period was \$3.203 for gasoline and \$3.5861 for diesel and for the September 2022 – August 2023 period was \$3.0903 for gasoline and \$3.4838 for diesel. Delivery costs/fees would be in addition to these prices.
- Due to the volatile nature of pricing in the fuel market, we are asking the Board of Trustees to delegate the authority to the Superintendent to execute, or lock in, the fixed rate fuel contract for the District. The District already has an interlocal agreement in place with TASB, and the Administration will report to the Board of Trustees which contract period is chosen and why.

FISCAL INFORMATION:

The cost of fuel purchased will be paid from budgeted funds in each fiscal year.

ADMINISTRATIVE RECOMMENDATION:

The Administration recommends the Board of Trustees authorize the Superintendent to execute a fixed rate fuel contract through the TASB Energy Cooperative that is in the best interest of Aledo ISD.
