Subject: ESSER I, II, and III Preliminary Information

To:

We have received data from the Texas Education Agency (TEA) for preliminary planning purposes on the ESSER I, II, and III grants. The following items are the only pieces of information we have at this time:

1. **ESSER I – CARES Act**

- Fund code is 266
- Supplanted for Foundation funds

2. **ESSER II – CRRSA Act**

- Fund code will be 281
- Will be in eGrants
- Estimated allotment is your ESSER I entitlement multiplied by 4 (subject to change depending on final allotments)
- No information at this time on if it will be supplemental or supplanted for Foundation funds

3. **ESSER III – ARP Act**

- Fund code will be 282

- Will be in eGrants
- Estimated allotment is your ESSER I entitlement multiplied by 10 (subject to change depending on final allotments)
- No information at this time on if it will be supplemental or supplanted for Foundation funds

The TEA will soon share an FAQ with all this information and other items related to allowable uses, application time frames, and other detailed descriptions of the grants once the Legislature finalizes guidance related to these funds. Until this is finalized, the TEA advises districts and charters to exercise caution with any information and expenditures related to these funds.

Thanks,

Spencer Davis, MBA, CTSBS

DATE:	April 15, 2021
SUBJECT:	Highest Ranking Graduate
CATEGORY:	Tuition Waiver
NEXT STEPS:	Share with high school principal(s) and/or lead counselor(s)

In conjunction with [Texas Education Code \(TEC\), §54.301](#), the Texas Education Agency (TEA) provides an opportunity for each public and accredited non-public high school in Texas to identify a student to award a "Highest Ranking Graduate" certificate and tuition waiver document. These documents shall be presented to the highest ranking graduate (HRG) in the senior class at each high school campus. Under no circumstances may a student ranked lower than "highest" be awarded this honor. The HRG should present the tuition waiver document to the college or university upon admission and retain the certificate for personal use. The HRG tuition waiver document authorizes the president of any state-supported college or university to provide a waiver for tuition in accordance with [TEC §54.301](#).

The local school board should adopt and adhere to a policy that outlines the criteria and the method to select one student as their HRG to receive the tuition waiver. The methodology for determining the HRG is a decision that rests strictly with the local school district. State law contains no provision that designates the commissioner of education or the TEA as the decision-making authority in this area.

[Visit the HRG "frequently asked questions" web page](#) for additional information regarding the award. Each high school may award only one student, except in the case of a tie as specified in the Attorney General's opinion below:

An institution of higher education is authorized to issue scholarships to more than one person in any case in which the relevant school district certifies a tie for the title of "highest ranking graduate," pursuant to Section 54.201 of the Texas Education Code, (TEC). [Op. Atty. Gen. 19892-No. MW-529](#) (PDF).

**Please note TEC §54.201 was re-designated §54.301 by the 82nd Legislature.*

Although this opinion authorizes the issuance of more than one certificate in the event of a tie for "highest ranking graduate," the criteria for identifying such students must be stringently applied. It is the responsibility of the district to establish a selection process that will result in the identification of the single "highest ranking graduate." In rare cases in which more than one student meets the district's criteria for selection, two certificates may be issued; however, in no event will more than two certificates be issued for one high school.

TEA will send superintendents and principals separate correspondence detailing the process for completing the certificate and tuition waiver document. Additional questions regarding this matter may be sent to hrg@tea.texas.gov.

2021-22 Allotment & TEKS Certification Form

School districts and charter schools are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS). Districts and charters will be unable to order 2021–22 instructional materials through EMAT until the certification has been received by the Texas Education Agency (TEA). Complete the form below after the school board has certified. Indicate the instructional materials the district has adopted or plans to adopt for the 2021-22 school year for each grade level and core subject or core course. If you have any questions or concerns, please submit a Help Desk ticket on the Instructional Materials and Implementation website.
