Washington County Community Foundation grant application	In total, 32 organizations applied for \$1,443,013.00, but there was around \$100,000 available to award. This meant only 6% of requests were ultimately funded.	There were other bookmobile-related requests , and because the panel could not fund all applicants , they could not choose between which bookmobile request so did not fund any of them , including the Washington County Schools request.	We applied for the Bookmobile/Family Resource project															
COPS SVPP Grant	Awaiting feedback using Freedom of Information Act, was not awarded the grant.	The COPS SVPP tips the scales to ensure that the often under-resourced Rural and Tribal districts are the primary beneficiaries of the grants. 211 applicants were selected for funding out of a total applicant pool of 1,609 applications of applicants. <table border="1" data-bbox="646 354 1388 423"> <thead> <tr> <th>Fiscal Year (FY)</th> <th>Rural Awards (%)</th> <th>Suburban Awards (%)</th> <th>Urban Awards (%)</th> </tr> </thead> <tbody> <tr> <td>2024</td> <td>74%</td> <td>18%</td> <td>8%</td> </tr> <tr> <td>2023</td> <td>71%</td> <td>10%</td> <td>19%</td> </tr> </tbody> </table> Even though Washington County has multiple schools coded rural, due to the combination of rural, suburban, and city, the overall code for the district is suburban and economically Transitional. Revenue and Expense Summaries for October 2025 for the 141, 142, & 143 Funds

141-Fund Revenues

- Revenue for October 2025 was \$8,318,021 compared to \$9,410,043 October 2024. This is a decrease of (\$1,092,017).
 - The main key variations from last October are listed below.
 - 40110 Current Property Tax was \$44,879 increase
 - 40210 Local Options Tax was an increase of \$110,154
 - 46510 TISA income was an increase of \$186,990
 - 46790 Other Vocational (ISM Grant) was a decrease of \$587,132 for approved reimbursements mostly due to timing
 - 49800 Operating Transfers was a decrease of \$889,464 due to ESSER 3.0 reimbursement to salaries in October 2024.
 - You can evaluate the Rural Option Sales Tax impact from the prior formula change to both the Washington County Schools and Johnson City Schools on document (4-A_Washington County Rural Option Sales Tax_October 2025).

141-Fund Expenses

- Expenses for October 2025 are coming in at \$8,466,658.47. This is \$314,629.93 more than October 2024.
 - Major variances from October 2024
 - The major reason was the increase in salary expenses of \$314,629.93 due to pay increases.
 - Additional expenses mainly due to timing of expenses incurred for various supply expenses and equipment along with various professional services.
- You can also reference a report that gives some additional details this month on BOE Connected titled as (1-D_Summary_141_Payables Detail October 2025).

142-Federal Fund

- The Federal Projects fund saw \$10,000 of flow through revenues in October 2025. The October revenue reimbursements actually arrived the first week of November 2025. The November 2025 revenue report should catch up for both October and November. The breakdown of the reimbursements are listed below.
- The current breakdown of revenue/reimbursements received are listed below:
 - Consolidated/Title Grants accounted for 0%
 - SPED grants accounted for 0%
 - All other grants accounted for 100%
- You can also reference a report that gives some additional details this month on BOE Connect titled as (2-A_Summary_142_Payables Detail October 2025).

143-Dietary Fund (From the Trustee's Report-Unreconciled)

- Revenue for October 2025 came in around \$552,551 which is \$126K more than October 2024.
- Expenses came in around 371K which is around \$48K less than October of 2024.
 - Generally speaking for the fiscal year, expenses have risen as expected in areas of salary and benefits, however food costs and supplies have increased above prior budgeted expectations.
- The unreconciled Dietary Fund balance for October 2025 off the Trustee's Revenue Report is just over \$1.678 Million.
 - Dietary experienced an increase of around \$181K in fund balance for October 2025 from the prior month.
 - In comparison to October 2024, the Dietary Fund balance has decreased by around \$384K, this is off the Trustee report which is an unreconciled report.
 - We will need to keep watch on this closely as we get close to the \$750K minimum fund balance threshold.

November 18, 2025

Dear Board Members:

Several pieces of equipment purchased with federal funds are obsolete or have been deemed beyond repair. In accordance with federal guidelines, this equipment must be deleted from federal inventories. These items are listed on an attached form (see Washington County Department of Education Federal Disposition Report) for approval at the December 4, 2025 board meeting. This procedure is to provide assurance that all items being written off federal inventories are disposed of in compliance with Education Department General Admistrative Regulations (EDGAR) and other rules and regulations.

I am presenting these inventory items to the Board for disposition.

Sincerely,

Jerry Whitaker

DBHS Book Club Proposal

Purpose

The proposed high school book club aims to foster a love of reading, enhance critical thinking skills, and build a community of engaged learners. It will provide students with a supportive and collaborative environment to explore both classic and current literature in depth, and develop public speaking and leadership skills.

Objectives

- Encourage reading for pleasure and academic growth.
 - Create a space for meaningful discussions about literature and ideas.
 - Promote collaboration and social interaction among students of different grade levels with a shared love of reading.
-

Target Audience

- Open to all high school students interested in reading and discussion.
 - Aim for a diverse group of students representing different grades and interests.
-

Meeting Details

- Sponsors: Mrs. LaVoie (Librarian) and Mrs. Schuette (English), with Ms. Brandenburg (Art) as a backup.
 - Frequency: Twice a month after school
 - Duration: 60 minutes per meeting.
 - Location: DBHS Library
 - Format:
 - Brief introduction of the selected book or theme.
 - Group discussion in an informal, welcoming setting.
 - Activity such as author studies, guest speakers, and creative projects.
-

Book Selection Process

- The School Librarian will ensure books meet school guidelines.
- Students will vote on books to read, ensuring engagement and choice.

- Selections will include a mix of genres, cultures, and themes appropriate for high school.
 - There will be a special focus on Volunteer State Book Award books, from the High School Division.
[Volunteer State Book Award](#)
-

Resources Needed

- Access to copies of selected books (Library will provide).
 - Meeting space and basic supplies (e.g., discussion guides, refreshments, craft supplies - Library will provide).
 - Support for possible events or guest speakers.
-

Oversight and Support

- Two faculty advisors, Mrs. LaVoie (Librarian) and Mrs. Schuette (English Teacher), with Ms. Brandenburg (Art Teacher) as a backup, will facilitate meetings and ensure alignment with school policies.
-

Evaluation and Growth

- Collect feedback from participants each semester to improve book choices and club activities.
 - Track participation and engagement.
 - Explore opportunities for collaboration with other clubs, local Libraries, or community organizations.
-

Conclusion

Starting a book club will enrich our school's culture by promoting literacy, critical thinking, and community among students. I look forward to your support and am happy to discuss the plan further or provide additional details.

Dear Dr. Gray and School Board,

My name is Colton Hale, and I am a freshman at DBHS. I am writing because I am wanting to start a YCI (Youth Commission International) Bible club at our school. This club a bible club that is ran by students for students. This club focus is to teach the bible to students so we can grow together. You can also find the resources and additional information on the website for YCI which is (yciclubs.com).

While there are other Bible clubs on campus, YCI offers a different experience. This experience is that we will study the Bible together so we can learn about Jesus together. One reason that I want to start this club is because I see kids in my class and school that need hope and love that Jesus offers.

The teacher sponsor who is willing to help me is Coach Green. He has offered his room for us to use. Thank you for listening to my request and I pray that you will allow me to start this club.

Thank You!
Colton Hale

Club Name: Eagle Productions Club

Summary of Club: Create. Produce. Design. Lead.

Eagle Productions Club—where innovation meets imagination! In this exciting after-school program, students will take the lead in producing daily school announcements and a weekly broadcast show, learning hands-on skills in video production, journalism, editing, and storytelling. But that’s not all! Members will also explore their entrepreneurial side by designing and producing t-shirts and merchandise for our school store. From concept to creation, students will gain real-world experience in branding, marketing, and teamwork—all while showing off their Eagle pride.

Club Sponsor: Heather Shelton

Target Grade Levels: 7th/8th

Intended Meeting Schedule: Weekly on Mondays, 3:00-4:00

Attachment A – CONTRACT TERMS

Availability, Contract and Reservation Guarantee:

The coaches, rooms, attraction reservations, etc., are based on availability at the time of formal booking which requires a signed contract. **Young Transportation & Tours** will hold your reservations for a period of **14 days from the issue date**. The contract is **not guaranteed** until the signed contract is returned. The payment schedule **MUST** be kept ensuring the reservations as contracted. **Young Transportation & Tours** will NOT make vendor deposits without receipt of funds from the contracting party and will not be responsible for reservations that cannot be secured due to lack of deposits.

Tour Itinerary and Schedules:

Signature required:

- **Young Transportation** has planned your tour to the best of our ability to have ample travel and tour times to cover the itinerary. In some instances, scheduled times may have to be changed because of road closings, security, traffic, changes in attraction operating hours and other situations that are beyond our control. If it is necessary or advisable to alter the itinerary or arrangements, such alterations will be made without penalties to the tour company.
- By signing and returning the contract, you are accepting the itinerary as stated in the contract. Any changes to the itinerary after the signed contract has been received could result in additional charges or administrative fees being charged to the charter party. Charges will be determined based on the extent of the changes and any charges incurred by **Young Transportation & Tours** from our suppliers.

Incidental Room Charges:

In most cases, **Young Transportation & Tours** arranges for pay services such as long-distance phone calls, safe deposit boxes, pay movies, etc., to be disconnected in the individuals' rooms; however, in some instances hotels cannot provide this service. In these cases, the individuals in the room are responsible for the charges and it is the responsibility of the contracting party to see that they are paid in full to the hotel before departure. Room-to-room phone service cannot be cut off as it is against hotel fire codes and is a safety hazard should there be an emergency.

Rooming List Due Date and Changes:

Signature required:

- The rooming list due date is listed on your contract. Rooming lists are due 45 to 60 days prior to the date of departure. It is imperative that we have the rooming list on the due date or room reservations can be lost or the charter party can be charged for unused rooms not released by this date.
- The rooming list is used as a guarantee of final counts for attractions, hotel payments, meal arrangements, etc. **ANY ADDITIONS OF PERSONS, CANCELLATION OF PERSONS OR CHANGES IN THE ROOMING LIST WILL RESULT IN A \$10.00 CHARGE PER OCCURRENCE. THIS CHARGE IS NECESSARY TO COVER THE TIME INVOLVED TO RE-CONFIRM OR CHANGE EACH RESERVATION FOR THE TOUR WHEN A CHANGE IS MADE.**

Food Allergies & Lifestyle Choices:

Signature required:

- **Young Transportation & Tours** makes every effort to accommodate all food related issues, at times there are certain scenarios where we cannot provide appropriate accommodations due to the limitations of our food vendors, tour location, etc. We will make the group leader aware so the individual can make alternate arrangements should this occur. **Young Transportation & Tours** cannot be held liable for allergic reactions that can still occur while a traveler is on tour.
- In order to properly address these issues, we **MUST** have all food allergies and preferences received by the due date noted on the contract. We **will not guarantee** any special food accommodations received after the original due date as we have **MANY** groups traveling during the Spring season, and we need adequate time to handle each school's needs properly.
- Food preferences or food lifestyle choices are defined as: Vegetarian, Vegan, Kosher, Pescatarian, etc. – this does not mean preferences such as “prefers no tomato” or “prefers salads” or prefers no cheese.”
- Food allergies need to be **detailed carefully on the sheet provided**. For example, if a person is allergic to seafood, is it just ingestion of the food that causes the reaction or can have contact with a surface that the food has touched cause a reaction. There are varying degrees of food allergies, and we need to be able to properly prepare to keep our travelers safe.
- **FOOD ALLERGIES AND LIFESTYLE CHOICES MUST BE RECEIVED WITH THE ROOMING LIST OR THERE WILL BE A \$25.00 CHARGE PER PERSON TO ACCOMMODATE AFTER THIS DATE. NO CHANGES CAN BE MADE WITHIN TWO WEEKS OF THE TOUR DATE.**

Young Transportation:

Young Transportation operates under federal and state DOT regulations; USDOT # 151249, ICC License # MC 128306. In compliance with these regulations, the motorcoach operator cannot drive more than ten (10) hours or be on duty for more than fifteen (15) hours following eight (8) consecutive hours off duty. You must allow for securing of the coach, vehicle inspection, proper logging, etc., before the required 8 hours off duty can begin **Young Transportation & Tours** acts only as an agent for tour participants in arranging touring, meals, accommodations, etc. **Young Transportation** and their representatives are not liable for the faults or defaults of any or all companies and individuals that are utilized in carrying out the tour services. **Young Transportation** is not responsible for the loss or damage to personal property, injuries, expenses, or damages incurred by the tour participant while they are not on the coach, as well as strikes, riots, political unrest, terrorist activities & acts of God and war.

Attachment B – MOTORCOACH POLICIES

Please review these policies with all passengers prior to departure so that everyone is aware of the guidelines that must be followed.

- **Student Behavior and Discipline** - It is the intent of **Young Transportation & Tours** for behavior issues to be addressed by the teachers and chaperones. Please space chaperones throughout the coach and not just in the front seats. If the motorcoach operator sees a problem that is not addressed, they will work with the chaperones to correct it. If a chaperone is not present **Young Transportation & Tours** and our staff reserve the right to address any issues that concern a student's safety. **The motorcoach operator has the ultimate say in all matters of safety while on the motorcoach.**
- **Boarding of the motorcoach** – Students will not be allowed to board the coach until a chaperone is present. At no time are students allowed to be on the coach with the motorcoach operator without a chaperone present. Please make sure that at rest area stops, etc., that you have a chaperone that is responsible for returning to the coach BEFORE the students arrive back to the coach and they can be counted as they board.
- **Tobacco Use** - Federal law prohibits smoking on motorcoaches. **Young Transportation & Tours** does not allow tobacco use, including vaping or smokeless tobacco products on the motorcoaches.
- **Food & Beverages** - Groups are allowed to have snacks aboard the coach provided all trash is placed in the trash containers. **NO GLASS CONTAINERS ALLOWED. Plastic re-sealable bottles are preferred.** In the event trash is continually left in the seats or on the floor, the motorcoach operator reserves the right to revoke this privilege. **Young Transportation & Tours** strives to provide our customers with clean equipment, and we ask for your help in keeping the coach clean during the tour.
- **Insurance/ Personal Property / Injury** - All passengers are insured by **Young Transportation & Tours** while on the motorcoach only. **Young Transportation & Tours** is not responsible for lost, stolen or personal belongings of the passengers. **Young Transportation & Tours** is not responsible for personal property damage or personal injury to passengers when they are not on board the coach.
- **Coach Damages** - The charter party will be issued a statement for any damages to the vehicle or excess cleaning caused by negligence of the charter party. The charter party and individuals involved will be responsible for any damages.
- **Medical Emergencies** - Should a medical emergency occur the motorcoach operator and/or tour director will assist in securing assistance for the emergency. The coach cannot be used for transportation to and from a medical facility. Any expenses incurred in the event of a medical emergency will be the sole responsibility of the individual seeking treatment and the charter party. We suggest that a group have emergency funds set aside to handle expenses in the event of an emergency.
- **Wet Clothing** - In the event your itinerary includes water-related activities, each person in the charter party needs to be prepared with a complete change of clothing as well as a plastic bag to place the wet articles in.
- **Motorcoach Operations, Rest Stops, and Parking Locations** - All decisions pertaining to the operation of the motorcoach will be made by the motorcoach operator based on legal requirements and company policy. Fuel stops will be determined by the operator based on need and company policy. In the event of an emergency, the operator will determine where the coach can be safely stopped and the proper procedure for the safety of the passengers. The operator will work with the group leader to plan sufficient rest stops at safe and accessible areas. The operator will park the coach as close to the designated area as defined by the itinerary, while complying with supplier regulations for parking as well as company policy and safety. In some cases, due to federal regulation all passengers will have to disembark for fueling, or while the operator is away from the coach. The motorcoach operator will instruct the passengers concerning this matter.
- **Motorcoach Operator Gratuities** - Gratuities are appreciated for professional service but are not included in the package pricing. This is at the discretion of the charter party and based on the level of service you receive. If you would like to be invoiced for gratuities as part of your tour package we can certainly do so.
- **Young Transportation & Tours** reserves the right to refuse transportation to any person who conducts themselves in such a manner that disturbs the motorcoach operator or other passengers, has persisting disciplinary problems, causes destruction of property, or presents a safety hazard while on board or around the coach. If a person is barred from the coach, it is the sole responsibility of the individual and their responsible party to arrange for passage home. **Young Transportation & Tours** will in no way be responsible financially, or for the liability of this individual. **Young Transportation & Tours** reserves the right to substitute like motorcoaches from approved carriers, accommodations, attractions, etc., if necessary.

This proposal is subject to your acceptance of the attached Trane terms and conditions.

TERMS AND CONDITIONS - COMMERCIAL EQUIPMENT

"Company" shall mean Trane U.S. Inc. for sales in the United States and Trane Canada ULC for sales in Canada.

1. Acceptance. These terms and conditions are an integral part of Company's offer and form the basis of any agreement (the "Agreement") resulting from Company's proposal (the "Proposal") for the sale of the described commercial equipment and any ancillary services (the "Equipment"). **COMPANY'S TERMS AND CONDITIONS AND EQUIPMENT PRICES ARE SUBJECT TO PERIODIC CHANGE OR AMENDMENT.** The Proposal is subject to acceptance in writing by the party to whom this offer is made or an authorized agent ("Customer") delivered to Company within 15 days from the date of the Proposal. Prices in the Proposal are subject to change at any time upon notice to Customer. If Customer accepts the Proposal by placing an order, without the addition of any other terms and conditions of sale or any other modification, Customer's order shall be deemed acceptance of the Proposal subject to Company's terms and conditions. If Customer's order is expressly conditioned upon Company's acceptance or assent to terms and/or conditions other than those expressed herein, return of such order by Company with Company's terms and conditions attached or referenced serves as Company's notice of objection to Customer's terms and as Company's counteroffer to provide Equipment in accordance with the Proposal and the Company's terms and conditions. If Customer does not reject or object in writing to Company within 10 days, Company's counteroffer will be deemed accepted. Notwithstanding anything to the contrary herein, Customer's acceptance of the Equipment will in any event constitute an acceptance by Customer of Company's terms and conditions. This Agreement is subject to credit approval by Company. Upon disapproval of credit, Company may delay or suspend performance or, at its option, renegotiate prices and/or terms and conditions with Customer. If Company and Customer are unable to agree on such revisions, this Agreement shall be cancelled without any liability.

2. Connected Services. In addition to these terms and conditions, the Connected Services Terms of Service ("Connected Services Terms"), available at <https://www.trane.com/TraneConnectedServicesTerms>, as updated from time to time, are incorporated herein by reference and shall apply to the extent that Company provides Customer with Connected Services, as defined in the Connected Services Terms.

3. Title and Risk of Loss. All Equipment sales with destinations to Canada or the U.S. shall be made as follows: FOB Company's U.S. manufacturing facility or warehouse (full freight allowed). Title and risk of loss or damage to Equipment will pass to Customer upon tender of delivery of such to carrier at Company's U.S. manufacturing facility or warehouse.

4. Pricing and Taxes. Within forty-five (45) days following Customer acceptance of the Proposal without addition of any other terms and conditions of sale or any modification, Customer shall provide notification of release for immediate production at Company's factory. Prices for Equipment are subject to change at any time prior to shipment to reflect any cost increases related to the manufacture, supply, and shipping of Equipment. This includes, but is not limited to, cost increases in raw materials, supplier components, labor, utilities, freight, logistics, wages and benefits, regulatory compliance, or any other event beyond Company's control. If shipment is delayed due to Customer's actions, Company may also charge Customer with storage fees. If a release is not received within 6 months following order acceptance, Company reserves the right to cancel any order. Company shall be entitled to equitable adjustments in the contract price to reflect any cost increases as set forth above and will provide notice to Customer prior to the date for which the increased price is to be in effect for the applicable customer contract. In no event will prices be decreased. The price of Equipment does not include any present or future foreign, federal, state, or local property, license, privilege, sales, use, excise, value added, gross receipts or other like taxes or assessments. Such amounts will be itemized separately to Customer, who will make prompt payment to Company. Company will accept valid exemption documentation for such taxes and assessments from Customer, if applicable. All prices include packaging in accordance with Company's standard procedures. Charges for special packaging, crating or packing are the responsibility of Customer.

5. Delivery and Delays. Delivery dates are approximate and not guaranteed. Company will use commercially reasonable efforts to deliver the Equipment on or before the estimated delivery date, will notify Customer if the estimated delivery dates cannot be honored, and will deliver the Equipment and services as soon as practicable thereafter. In no event will Company be liable for any damages or expenses caused by delays in delivery.

6. Performance. Company shall be obligated to furnish only the Equipment described in the Proposal and in submittal data (if such data is issued in connection with the order). Company may rely on the acceptance of the Proposal and submittal data as acceptance of the suitability of the Equipment for the particular project or location. Unless specifically stated in the Proposal, compliance with any local building codes or other laws or regulations relating to specifications or the location, use or operation of the Equipment is the sole responsibility of Customer. If Equipment is tendered that does not fully comply with the provisions of this Agreement and Equipment is rejected by Customer, Company will have the right to cure within a reasonable time after notice thereof by substituting a conforming tender whether or not the time for performance has passed.

7. Force Majeure. Company's duty to perform under this Agreement and the Equipment prices are contingent upon the non-occurrence of an Event of Force Majeure. If the Company shall be unable to carry out any material obligation under this Agreement due to an Event of Force Majeure, this Agreement shall at Company's election (i) remain in effect but Company's obligations shall be suspended until the uncontrollable event terminates or (ii) be terminated upon 10 days' notice to Customer, in which event Customer shall pay Company for all parts of the Work furnished to the date of termination. An "Event of Force Majeure" shall mean any cause or event beyond the control of Company. Without limiting the foregoing, "Event of Force Majeure" includes: acts of God; acts of terrorism, war or the public enemy; flood; earthquake; tornado; storm; fire; civil disobedience; pandemic insurrections; riots; labor/labour disputes; labor/labour or material shortages; sabotage; restraint by court order or public authority (whether valid or invalid); and action or non-action by or inability to obtain or keep in force the necessary governmental authorizations, permits, licenses, certificates or approvals if not caused by Company; and the requirements of any applicable government in any manner that diverts either the material or the finished product to the direct or indirect benefit of the government.

8. Limited Warranty. Company warrants the Equipment manufactured by Company for a period of the lesser of 12 months from initial start-up or 18 months from date of shipment, whichever is less, against failure due to defects in material and manufacture and that it has the capacities and ratings set forth in Company's catalogs and bulletins ("Warranty"). **Equipment manufactured by Company that includes required start-up and sold in North America will not be warranted by Company unless Company performs the Equipment startup.** Exclusions from this Warranty include damage or failure arising from: wear and tear; corrosion, erosion, deterioration; modifications made by others to the Equipment; repairs or alterations by a party other than Company that adversely affects the stability or reliability of the Equipment; vandalism; neglect; accident; adverse weather or environmental conditions; abuse or improper use; improper installation; commissioning by a party other than Company; unusual physical or electrical or mechanical stress; operation with any accessory, equipment or part not specifically approved by Company; refrigerant not supplied by Company; and/or lack of proper maintenance as recommended by Company. Company shall not be obligated to pay for the cost of lost refrigerant or lost product. Company's obligations and liabilities under this Warranty are limited to furnishing replacement equipment or parts, at its option, FCA (Incoterms 2000) factory or warehouse (f.o.b. factory or warehouse for US domestic purposes) at Company-designated shipping point, freight-allowed to Company's warranty agent's stock location, for all non-conforming Company-manufactured Equipment (which have been returned by Customer to Company). Returns must have prior written approval by Company and are subject to restocking charge where applicable. Equipment, material and/or parts that are not manufactured by Company ("Third-Party Product(s)") are not warranted by Company and have such warranties as may be extended by the respective manufacturer. **CUSTOMER UNDERSTANDS THAT COMPANY IS NOT THE MANUFACTURER OF ANY THIRD-PARTY PRODUCT(S) AND ANY WARRANTIES, CLAIMS, STATEMENTS, REPRESENTATIONS, OR SPECIFICATIONS ARE THOSE OF THE THIRD-PARTY MANUFACTURER, NOT COMPANY AND CUSTOMER IS NOT RELYING ON ANY WARRANTIES, CLAIMS, STATEMENTS, REPRESENTATIONS, OR SPECIFICATIONS REGARDING THE THIRD-PARTY PRODUCT THAT MAY BE PROVIDED BY COMPANY OR ITS AFFILIATES, WHETHER ORAL OR WRITTEN. COMPANY MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND, INCLUDING WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE. ADDITIONALLY, COMPANY MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND REGARDING PREVENTING, ELIMINATING, REDUCING OR INHIBITING ANY MOLD, FUNGUS, BACTERIA, VIRUS, MICROBIAL GROWTH, OR ANY OTHER CONTAMINANTS (INCLUDING COVID-19 OR ANY SIMILAR VIRUS) (COLLECTIVELY, "CONTAMINANTS"), WHETHER INVOLVING OR IN CONNECTION WITH EQUIPMENT, ANY COMPONENT THEREOF, SERVICES OR OTHERWISE. IN NO EVENT SHALL COMPANY HAVE ANY LIABILITY FOR THE PREVENTION, ELIMINATION, REDUCTION OR INHIBITION OF THE GROWTH OR SPREAD OF SUCH CONTAMINANTS INVOLVING OR IN CONNECTION WITH ANY EQUIPMENT, THIRD-PARTY PRODUCT, OR ANY COMPONENT THEREOF, SERVICES OR OTHERWISE AND CUSTOMER HEREBY SPECIFICALLY ACKNOWLEDGES AND AGREES THERETO.** No warranty liability whatsoever shall attach to Company until Customer's complete order has been paid for in full and Company's liability under this Warranty shall be limited to the purchase price of the Equipment shown to be defective. Additional warranty protection is available on an extra-cost basis and must be in writing and agreed to by an authorized signatory of the Company. **EXCEPT FOR COMPANY'S WARRANTY EXPRESSLY SET FORTH HEREIN, COMPANY DOES NOT MAKE, AND HEREBY EXPRESSLY DISCLAIMS, ANY WARRANTIES, EXPRESS OR IMPLIED CONCERNING ITS PRODUCTS, EQUIPMENT OR SERVICES, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF DESIGN, MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE, OR OTHERS THAT ARE ALLEGED TO ARISE FROM COURSE OF DEALING OR TRADE.**

9. Indemnity. To the fullest extent permitted by law, Company and Customer shall indemnify, defend and hold harmless each other from any and all claims, actions, costs, expenses, damages and liabilities, including reasonable attorneys' fees, resulting from death or bodily injury or damage to real or personal property, to the extent caused by the negligence or misconduct of their respective employees or other authorized agents in connection with their activities within the scope of this Agreement. Neither party shall indemnify the other against claims, damages, expenses or liabilities to the extent attributable to the acts or omissions of the other party. If the parties are both at fault, the obligation to indemnify shall be proportional to their relative fault. The duty to indemnify will continue in full force and effect, notwithstanding the expiration or early termination hereof, with respect to any claims based on facts or conditions that occurred prior to expiration or termination.

10. Insurance. Upon request, Company will furnish evidence of its standard insurance coverage. If Customer has requested to be named as an additional insured under Company's insurance policy, Company will do so but only subject to Company's manuscript additional insured endorsement under its primary Commercial General Liability policies. In no event does Company waive any rights of subrogation.

11. Customer Breach. Each of the following events or conditions shall constitute a breach by Customer and shall give Company the right, without an election of remedies, to terminate this Agreement, require payment prior to shipping, or suspend performance by delivery of written notice: (1) Any failure by Customer to pay amounts when due; (2) any general assignment by Customer for the benefit of its creditors, or if Customer becomes bankrupt or insolvent or takes the benefit of any statute for bankrupt or insolvent debtors, or makes or proposes to make any proposal or arrangement with creditors, or if any steps are taken for the winding up or other termination of Customer or the liquidation of its assets, or if a trustee, receiver, or similar person is appointed over any of the assets or interests of Customer; (3) Any representation or warranty furnished by Customer in connection with this Agreement is false or misleading in any material respect when made; or (4) Any failure by Customer to perform or comply with any material provision of this Agreement. Customer shall be liable to the Company for all Equipment furnished and all damages sustained by Company (including lost profit and overhead).

12. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT CONSEQUENTIAL, PUNITIVE, EXEMPLARY DAMAGES (INCLUDING WITHOUT LIMITATION REFRIGERANT LOSS, BUSINESS INTERRUPTION, LOST DATA, LOST REVENUE, LOST PROFITS), OR CONTAMINANTS LIABILITIES, EVEN IF A PARTY HAS BEEN ADVISED OF SUCH POSSIBLE DAMAGES OR IF SAME WERE REASONABLY FORESEEABLE AND REGARDLESS OF WHETHER THE CAUSE OF ACTION IS FRAMED IN CONTRACT, NEGLIGENCE, ANY OTHER TORT, WARRANTY, STRICT LIABILITY, OR PRODUCT LIABILITY. In no event will Company's liability in connection with the provision of products or services or otherwise under this Agreement exceed the entire amount paid to Company by Customer under this Agreement.

13. CONTAMINANTS LIABILITY

The transmission of COVID-19 may occur in a variety of ways and circumstances, many of the aspects of which are currently not known. HVAC systems, products, services and other offerings have not been tested for their effectiveness in reducing the spread of COVID-19, including through the air in closed environments. **IN NO EVENT WILL COMPANY BE LIABLE UNDER THIS AGREEMENT OR OTHERWISE FOR ANY INDEMNIFICATION, ACTION, OR CLAIM, WHETHER BASED ON WARRANTY, CONTRACT, TORT OR OTHERWISE, FOR ANY BODILY INJURY (INCLUDING DEATH), DAMAGE TO PROPERTY, OR ANY OTHER LIABILITIES, DAMAGES OR COSTS RELATED TO CONTAMINANTS (INCLUDING THE SPREAD, TRANSMISSION, MITIGATION, ELIMINATION, OR CONTAMINATION THEREOF) (COLLECTIVELY, "CONTAMINANTS LIABILITIES") AND CUSTOMER HEREBY EXPRESSLY RELEASES COMPANY FROM ANY SUCH CONTAMINANTS LIABILITIES.**

14. Nuclear Liability. In the event that the Equipment sold hereunder is to be used in a nuclear facility, Customer will, prior to such use, arrange for insurance or governmental indemnity protecting Company against all liability and hereby releases and agrees to indemnify Company and its suppliers for any nuclear damage, including loss of use, in any manner arising out of a nuclear incident, whether alleged to be due, in whole or in part to the negligence or otherwise of Company or its suppliers.

15. Intellectual Property; Patent Indemnity. Company retains all ownership, license and other rights to all patents, trademarks, copyrights, trade secrets and other intellectual property rights related to the Equipment, and, except for the right to use the Equipment sold, Customer obtains no rights to use any such intellectual property. Company agrees to defend any suit or proceeding brought against Customer so far as such suit or proceeding is solely based upon a claim that the use of the Equipment provided by Company constitutes infringement of any patent of the United States of America, provided Company is promptly notified in writing and given authority, information and assistance for defense of same. Company will, at its option, procure for Customer the right to continue to use said Equipment, or modify it so that it becomes non-infringing, or replace same with non-infringing Equipment, or to remove said Equipment and to refund the purchase price. The foregoing will not be construed to include any Agreement by Company to accept any liability whatsoever in respect to patents for inventions including more than the Equipment furnished hereunder, or in respect of patents for methods and processes to be carried out with the aid of said Equipment. The provision of Equipment by Company does not convey any license, by implication, estoppel, or otherwise, under patent claims covering combinations of said Equipment with other devices or elements. The foregoing states the entire liability of Company with regard to patent infringement. Notwithstanding the provisions of this paragraph, Customer will hold Company harmless against any expense or loss resulting from infringement of patents or trademarks arising from compliance with Customer's designs or specifications or instructions.

16. Cancellation. Equipment is specially manufactured in response to orders. An order placed with and accepted by Company cannot be delayed, canceled, suspended, or extended except with Company's written consent and upon written terms accepted by Company that will reimburse Company for and indemnify Company against loss and provide Company with a reasonable profit for its materials, time, labor, services, use of facilities and otherwise. Customer will be obligated to accept any Equipment shipped, tendered for delivery or delivered by Company pursuant to the order prior to any agreed delay, cancellation, suspension or extension of the order. Any attempt by Customer to unilaterally revoke, delay or suspend acceptance for any reason whatever after it has agreed to delivery of or accepted any shipment shall constitute a breach of this Agreement. For purposes of this paragraph, acceptance occurs by any waiver of inspection, use or possession of Equipment, payment of the invoice, or any indication of exclusive control exercised by Customer.

17. Invoicing and Payment. Unless otherwise agreed to in writing by Company, equipment shall be invoiced to Customer upon tender of delivery thereof to the carrier. Customer shall pay Company's invoices within net 30 days of shipment date. Company reserves the right to add to any account outstanding for more than 30 days a service charge equal to the lesser of the maximum allowable legal interest rate or 1.5% of the principal amount due at the end of each month. Customer shall pay all costs (including attorneys' fees) incurred by Company in attempting to collect amounts due and otherwise enforcing these terms and conditions. If requested, Company will provide appropriate lien waivers upon receipt of payment. Company may at any time decline to ship, make delivery or perform work except upon receipt of cash payment, letter of credit, or security, or upon other terms and conditions satisfactory to Company. Customer agrees that, unless Customer makes payment in advance, Company will have a purchase money security interest in all Equipment to secure payment in full of all amounts due Company and its order for the Equipment, together with these terms and conditions, form a security agreement (as defined by the UCC in the United States and as defined in the Personal Property Security Act in Canada). Customer shall keep the Equipment free of all taxes and encumbrances, shall not remove the Equipment from its original installation point and shall not assign or transfer any interest in the Equipment until all payments due Company have been made. The purchase money security interest granted herein attaches upon Company's acceptance of Customer's order and on receipt of the Equipment described in the accepted Proposal but prior to its installation. The parties have no agreement to postpone the time for attachment unless specifically noted in writing on the accepted order. Customer will have no rights of set off against any amounts, which become payable to Company under this Agreement or otherwise.

18. Claims. Company will consider claims for concealed shortages in shipments or rejections due to failure to conform to an order only if such claims or rejections are made in writing within 15 days of delivery and are accompanied by the packing list and, if applicable, the reasons in detail why the Equipment does not conform to Customer's order. Upon receiving authorization and shipping instructions from authorized personnel of Company, Customer may return rejected Equipment, transportation charges prepaid, for replacement. Company may charge Customer any costs resulting from the testing, handling, and disposition of any Equipment returned by Customer which are not found by Company to be nonconforming. All Equipment damaged during shipment and all claims relating thereto must be made with the freight carrier in accordance with such carrier's policies and procedures. Claims for Equipment damaged during shipment are not covered under the warranty provision stated herein.

19. Export Laws. The obligation of Company to supply Equipment under this Agreement is subject to the ability of Company to supply such items consistent with applicable laws and regulations of the United States and other governments. Company reserves the right to refuse to enter into or perform any order, and to cancel any order, under this Agreement if Company in its sole discretion determines that performance of the transaction to which such order relates would violate any such applicable law or regulation. Customer will pay all handling and other similar costs from Company's factories including the costs of freight, insurance, export clearances, import duties and taxes. Customer will be "exporter of record" with respect to any export from the United States of America and will perform all compliance and logistics functions in connection therewith and will also comply with all applicable laws, rules and regulations. Customer understands that Company and/or the Equipment are subject to laws and regulations of the United States of America which may require licensing or authorization for and/or prohibit export, re-export or diversion of Company's Equipment to certain countries, and agrees it will not knowingly assist or participate in any such diversion or other violation of applicable United States of America laws and regulations. Customer agrees to hold harmless and indemnify Company for any damages resulting to Customer or Company from a breach of this paragraph by Customer.

20. General. Except as provided below, to the maximum extent provided by law, this Agreement is made and shall be interpreted and enforced in accordance with the laws of the state of New York for Equipment shipped to a U.S. location and the laws of the province to which Equipment is shipped within Canada, without regard to its conflict of law principles that might otherwise call for the application of a different state's or province's law, and not including the United Nations Convention on Contracts for the International Sale of Goods. To the extent the Equipment is being used at a site owned and/or operated by any agency of the Federal Government, determination of any substantive issue of law shall be according to the Federal common law of Government contracts as enunciated and applied by Federal judicial bodies and boards of contract appeals of the Federal Government. This Agreement contains all of the agreements, representations and understandings of the parties and supersedes all previous understandings, commitments or agreements, oral or written, related to the subject matter hereof. This Agreement may not be amended, modified or terminated except by a writing signed by the parties hereto. No documents shall be incorporated herein by reference except to the extent Company is a signatory thereon. If any term or condition of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, all other terms and conditions of this Agreement will nevertheless remain in full force and effect as long as the economic or legal substance of the transaction contemplated hereby is not affected in a manner adverse to any party hereto. Customer may not assign, transfer, or convey this Agreement, or any part hereof, or its right, title or interest herein, without the written consent of the Company. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of Customer's permitted successors and assigns. This Agreement may be executed in several

counterparts, each of which when executed shall be deemed to be an original, but all together shall constitute but one and the same Agreement. A fully executed facsimile copy hereof or the several counterparts shall suffice as an original.

21. Federal Requirements. The Parties shall comply with all United States federal labor law obligations under 29 CFR part 471, appendix A to subpart A. THE FOLLOWING PROVISIONS ARE INCORPORATED HEREIN BY REFERENCE: Executive Order 11701 and 41 CFR §§ 60-250.5(a), 60-300.5; Executive Order 11758 and 41 CFR § 60-741.5(a); U.S. immigration laws, including the L-1 Visa Reform Act of 2004 and the H-1B Visa Reform Act of 2004; and Executive Order 13496. The Parties shall abide by the requirements of 41 CFR 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to protected veteran status or disability. The Parties certify that they do not operate any programs promoting DEI that violate any applicable United States anti-discrimination laws and acknowledge and agree that their compliance with all applicable federal anti-discrimination laws is material to the federal government's payment decisions. The Parties acknowledge and agree that their employment, procurement, and contracting practices shall not consider race, color, sex, sexual preference, religion, or national origin in ways that violate United States federal civil rights laws.

22. U.S. Government Work.

The following provision applies only to direct sales by Company to the US Government. The Parties acknowledge that Equipment ordered and delivered under this Agreement are Commercial Items as defined under Part 12 of the Federal Acquisition Regulation (FAR). In particular, Company agrees to be bound only by those Federal contracting clauses that apply to "commercial" suppliers and that are contained in FAR 52.212-5(e)(1).

The following provision applies only to indirect sales by Company to the US Government. As a Commercial Item Subcontractor, Company accepts only the following mandatory flow down provisions: 52.219-8; 52.222-26; 52.222-35; 52.222-36; 52.222-39; 52.247-64. If the sale of the Equipment is in connection with a U.S. Government contract, Customer certifies that it has provided and will provide current, accurate, and complete information, representations and certifications to all government officials, including but not limited to the contracting officer and officials of the Small Business Administration, on all matters related to the prime contract, including but not limited to all aspects of its ownership, eligibility, and performance. Anything herein notwithstanding, Company will have no obligations to Customer unless and until Customer provides Company with a true, correct and complete executed copy of the prime contract. Upon request, Customer will provide copies to Company of all requested written communications with any government official related to the prime contract prior to or concurrent with the execution thereof, including but not limited to any communications related to Customer's ownership, eligibility or performance of the prime contract. Customer will obtain written authorization and approval from Company prior to providing any government official any information about Company's performance of the work that is the subject of the Proposal or this Agreement, other than the Proposal or this Agreement.

23. Limited Waiver of Sovereign Immunity. If Customer is an Indian tribe (in the U.S.) or a First Nation or Band Council (in Canada), Customer, whether acting in its capacity as a government, governmental entity, a duly organized corporate entity or otherwise, for itself and for its agents, successors, and assigns: (1) hereby provides this limited waiver of its sovereign immunity as to any damages, claims, lawsuit, or cause of action (herein "Action") brought against Customer by Company and arising or alleged to arise out of the furnishing by Company of any product or service under this Agreement, whether such Action is based in contract, tort, strict liability, civil liability or any other legal theory; (2) agrees that jurisdiction and venue for any such Action shall be proper and valid (a) if Customer is in the U.S., in any state or United States court located in the state in which Company is performing this Agreement or (b) if Customer is in Canada, in the superior court of the province or territory in which the work was performed; (3) expressly consents to such Action, and waives any objection to jurisdiction or venue; (4) waives any requirement of exhaustion of tribal court or administrative remedies for any Action arising out of or related to this Agreement; and (5) expressly acknowledges and agrees that Company is not subject to the jurisdiction of Customer's tribal court or any similar tribal forum, that Customer will not bring any action against Company in tribal court, and that Customer will not avail itself of any ruling or direction of the tribal court permitting or directing it to suspend its payment or other obligations under this Agreement. The individual signing on behalf of Customer warrants and represents that such individual is duly authorized to provide this waiver and enter into this Agreement and that this Agreement constitutes the valid and legally binding obligation of Customer, enforceable in accordance with its terms.

SECURITY ADDENDUM

This Addendum shall be applicable to the sale, installation and use of Trane equipment and the sale and provision of Trane services. "Trane" shall mean Trane U.S. Inc. for sales and services in the United States, or Trane Canada ULC for sales and services in Canada.

1. **Definitions.** All terms used in this Addendum shall have the meaning specified in the Agreement unless otherwise defined herein. For the purposes of this Addendum, the following terms are defined as follows:
 - "**Customer Data**" means Customer account information as related to the Services only and does not include HVAC Machine Data or personal data. Trane does not require, nor shall Customer provide personal data to Trane under the Agreement. Such data is not required for Trane to provide its Equipment and/or Services to the Customer.
 - "**Equipment**" shall have the meaning set forth in the Agreement.
 - "**HVAC Machine Data**" means data generated and collected from the product or furnished service without manual entry. HVAC Machine Data is data relating to the physical measurements and operating conditions of a HVAC system, such as but not limited to, temperatures, humidity, pressure, HVAC equipment status. HVAC Machine Data does not include Personal Data and, for the purposes of this agreement, the names of users of Trane's controls products or hosted applications shall not be Personal Data, if any such user chooses to use his/her name(s) in the created accounts within the controls product (e.g., firstname.lastname@address.com). HVAC Machine Data may be used by Trane: (a) to provide better support services and/or products to users of its products and services; (b) to assess compliance with Trane terms and conditions; (c) for statistical or other analysis of the collective characteristics and behaviors of product and services users; (d) to backup user and other data or information and/or provide remote support and/or restoration; (e) to provide or undertake: engineering analysis; failure analysis; warranty analysis; energy analysis; predictive analysis; service analysis; product usage analysis; and/or other desirable analysis, including, but not limited to, histories or trends of any of the foregoing; and (f) to otherwise understand and respond to the needs of users of the product or furnished service. "Personal Data" means data and/or information that is owned or controlled by Customer, and that names or identifies, or is about a natural person, such as: (i) data that is explicitly defined as a regulated category of data under any data privacy laws applicable to Customer; (ii) non-public personal information ("NPI") or personal information ("PI"), such as national identification number, passport number, social security number, social insurance number, or driver's license number; (iii) health or medical information, such as insurance information, medical prognosis, diagnosis information, or genetic information; (iv) financial information, such as a policy number, credit card number, and/or bank account number; (v) personally identifying technical information (whether transmitted or stored in cookies, devices, or otherwise), such as IP address, MAC address, device identifier, International Mobile Equipment Identifier ("IMEI"), or advertising identifier; (vi) biometric information; and/or (vii) sensitive personal data, such as, race, religion, marital status, disability, gender, sexual orientation, geolocation, or mother's maiden name.
 - "**Security Incident**" shall refer to (i) a compromise of any network, system, application or data in which Customer Data has been accessed or acquired by an unauthorized third party; (ii) any situation where Trane reasonably suspects that such compromise may have occurred; or (iii) any actual or reasonably suspected unauthorized or illegal Processing, loss, use, disclosure or acquisition of or access to any Customer Data.
 - "**Services**" shall have the meaning set forth in the Agreement.
2. **HVAC Machine Data: Access to Customer Extranet and Third Party Systems.** If Customer grants Trane access to HVAC Machine Data via web portals or other non-public websites or extranet services on Customer's or a third party's website or system (each, an "Extranet"), Trane will comply with the following:
 - a. **Accounts.** Trane will ensure that Trane's personnel use only the Extranet account(s) designated by Customer and will require Trane personnel to keep their access credentials confidential.
 - b. **Systems.** Trane will access the Extranet only through computing or processing systems or applications running operating systems managed by Trane that include: (i) system network firewalls; (ii) centralized patch management; (iii) operating system appropriate anti-malware software; and (iv) for portable devices, full disk encryption.
 - c. **Restrictions.** Unless otherwise approved by Customer in writing, Trane will not download, mirror or permanently store any HVAC Machine Data from any Extranet on any medium, including any machines, devices or servers.
 - d. **Account Termination.** Trane will terminate the account of each of Trane's personnel in accordance with Trane's standard practices after any specific Trane personnel who has been authorized to access any Extranet (1) no longer needs access to HVAC Machine Data or (2) no longer qualifies as Trane personnel (e.g., the individual leaves Trane's employment).
 - e. **Third Party Systems.** Trane will provide Customer prior notice before it uses any third party system that stores or may otherwise have access to HVAC Machine Data, unless (1) the data is encrypted and (2) the third party system will not have access to the decryption key or unencrypted "plain text" versions of the HVAC Machine Data.
3. **Customer Data: Confidentiality.** Trane shall keep confidential, and shall not access or use any Customer Data and information that is marked confidential or by its nature is considered confidential ("Customer Confidential Information") other than for the purpose of providing the Equipment and Services, and will disclose Customer Confidential Information only: (i) to Trane's employees and agents who have a need to know to perform the Services, (ii) as expressly permitted or instructed by Customer, or (iii) to the minimum extent required to comply with applicable law, provided that Trane (1) provides Customer with prompt written notice prior to any such disclosure, and (2) reasonably cooperate with Customer to limit or prevent such disclosure.
4. **Customer Data: Compliance with Laws.** Trane agrees to comply with laws, regulations governmental requirements and industry standards and practices relating to Trane's processing of Customer Confidential Information (collectively, "**Laws**").
5. **Customer Data: Information Security Management.** Trane agrees to establish and maintain an information security and privacy program, consistent with applicable HVAC equipment industry practices that complies with this Addendum and applicable Laws ("**Information Security Program**"). The Information Security Program shall include appropriate physical, technical and administrative safeguards, including any safeguards and controls agreed by the Parties in writing, sufficient to protect Customer systems, and Customer's Confidential Information from unauthorized access, destruction, use, modification or disclosure. The Information Security Program shall include appropriate, ongoing training and awareness programs designed to ensure that Trane's employees and agents, and others acting on Trane's, behalf are aware of and comply with the Information Security Program's policies, procedures, and protocols.
6. **Monitoring.** Trane shall monitor and, at regular intervals consistent with HVAC equipment industry practices, test and evaluate the effectiveness of its Information Security Program. Trane shall evaluate and promptly adjust its Information Security Program in light of the results of the testing and monitoring, any material changes to its operations or business arrangements, or any other facts or circumstances that Trane knows or reasonably should know may have a material impact on the security of Customer Confidential Information, Customer systems and Customer property.
7. **Audits.** Customer acknowledges and agrees that the Trane SOC2 audit report will be used to satisfy any and all audit/inspection requests/requirements by or on behalf of Customer. Trane will make its SOC2 audit report available to Customer upon request and with a signed nondisclosure agreement.
8. **Information Security Contact.** Trane's information security contact is Local Sales Office.
9. **Security Incident Management.** Trane shall notify Customer after the confirmation of a Security Incident that affects Customer Confidential Information, Customer systems and Customer property. The written notice shall summarize the nature and scope of the Security Incident and the corrective action already taken or planned.
10. **Threat and Vulnerability Management.** Trane regularly performs vulnerability scans and addresses detected vulnerabilities on a risk basis. Periodically, Trane engages third-parties to perform network vulnerability assessments and penetration testing. Vulnerabilities will be reported in accordance with Trane's cybersecurity vulnerability reported process. Trane periodically provides security updates and software upgrades.

11. Security Training and Awareness. New employees are required to complete security training as part of the new hire process and receive annual and targeted training (as needed and appropriate to their role) thereafter to help maintain compliance with Security Policies, as well as other corporate policies, such as the Trane Code of Conduct. This includes requiring Trane employees to annually re-acknowledge the Code of Conduct and other Trane policies as appropriate. Trane conducts periodic security awareness campaigns to educate personnel about their responsibilities and provide guidance to create and maintain a secure workplace.
12. Secure Disposal Policies. Trane will maintain policies, processes, and procedures regarding the disposal of tangible and intangible property containing Customer Confidential Information so that wherever possible, Customer Confidential Information cannot be practicably read or reconstructed.
13. Logical Access Controls. Trane employs internal monitoring and logging technology to help detect and prevent unauthorized access attempts to Trane's corporate networks and production systems. Trane's monitoring includes a review of changes affecting systems' handling authentication, authorization, and auditing, and privileged access to Trane production systems. Trane uses the principle of "least privilege" (meaning access denied unless specifically granted) for access to customer data.
14. Contingency Planning/Disaster Recovery. Trane will implement policies and procedures required to respond to an emergency or other occurrence (i.e. fire, vandalism, system failure, natural disaster) that could damage Customer Data or any system that contains Customer Data. Procedures include the following
 - (i) Data backups; and
 - (ii) Formal disaster recovery plan. Such disaster recovery plan is tested at least annually.
15. Return of Customer Data. If Trane is responsible for storing or receiving Customer Data, Trane shall, at Customer's sole discretion, deliver Customer Data to Customer in its preferred format within a commercially reasonable period of time following the expiration or earlier termination of the Agreement or, such earlier time as Customer requests, securely destroy or render unreadable or undecipherable each and every original and copy in every media of all Customer's Data in Trane's possession, custody or control no later than [90 days] after receipt of Customer's written instructions directing Trane to delete the Customer Data.
16. Background Checks Trane shall take reasonable steps to ensure the reliability of its employees or other personnel having access to the Customer Data, including the conducting of appropriate background and/or verification checks in accordance with Trane policies.
17. DISCLAIMER OF WARRANTIES. EXCEPT FOR ANY APPLICABLE WARRANTIES IN THE AGREEMENT, THE SERVICES ARE PROVIDED "AS IS", WITH ALL FAULTS, AND THE ENTIRE RISK AS TO SATISFACTORY QUALITY, PERFORMANCE, ACCURACY AND EFFORT AS TO SUCH SERVICES SHALL BE WITH CUSTOMER. TRANE DISCLAIMS ANY AND ALL OTHER EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES WITH RESPECT TO THE SERVICES AND THE SERVICES PROVIDED HEREUNDER, INCLUDING ANY EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR THAT THE SERVICES WILL OPERATE ERROR-FREE OR UNINTERRUPTED OR RETURN/RESPONSE TO INQUIRIES WITHIN ANY SPECIFIC PERIOD OF TIME.

Mural Proposal at Sulphur Springs School:

We would like to propose that we involve the upper class students in creating the mural for the stairway/hall here at Sulphur Springs. The engineering design process will be used to have students take ownership in the process from the idea generating stage to the implementation and completion of the painting of the mural. We believe this will bring a sense of pride for the students toward their school, boost excitement overall for learning, creating, building community, and career connections. We believe by bringing new and exciting things to our school, it will also encourage attendance. We propose 6th, 7th and 8th graders in visual arts class be involved in the mural project. They will work in groups to generate ideas and create a sample design. No academic time will be used to execute the project, only related arts time will be used. It connects directly to our art standards:

Students will:

1. Generate and conceptualize artistic ideas and works.
2. Organize and develop artistic ideas and work
3. Refine and complete artistic work
4. Relate artistic ideas and works with societal, cultural, and historical context.

The teacher will :

Explain presentation methods, look at mural examples and how art is perceived and valued.

Essential Question: How does a mural bring excitement, engagement, and interest to a space?

As a lesson on real world mural production, students began working in groups, using the engineering design process, to collaborate on a design that would exemplify a slice of life here at Sulphur Springs. Some subjects we discussed were: The landscape and scenery of where our school is located (farmland, a welcoming sunrise, a rooster -the symbol of our school, etc., native plant life such as the TN state flower, sunflowers, and milkweed/monarchs-Kindergarten and First grade raise butterflies each year, STEM (science, tech, engineering, math), social studies-map of TN or a globe, sports-volleyball, softball, football, track, soccer, and finally, an inspirational quote about learning-"Create your future." The idea is that as guests enter the building and look up the stairwell, they will see the sunrise over the local farmland, then the mural will begin to incorporate the growth and progress through education-incorporating sports, academics, and arts.

If our proposal is accepted, I would supervise the drawing of the image on the wall, the mixing of colors, and directing students on how to paint neatly (somewhat like a paint-by-number process). I would take liberty in refining and touching up the painting so that it looks presentable in the finished product.

Here are the students highly engaged in the collaboration process:

For the collaboration process, the students worked in groups to illustrate the key aspects of what goes on here at Sulphur Springs. Here is our final mockup sketch:

Thank you for your consideration and quick response.

Narrative for Board Members – Recommended Revisions to the 2026–2027 District School Calendar

The Calendar Committee would like to recommend revisions to the 2026–2027 District School Calendar based on meaningful feedback received from faculty, staff, and community stakeholders regarding the length of Fall Break. After reviewing the input and examining the overall structure of the calendar, the committee is proposing a set of minimal but impactful adjustments intended to better balance instructional time, professional development needs, and community expectations.

The following changes are recommended for consideration:

1. **Add August 6th (Election Day) as a Professional Development Day.**
This adjustment aligns district operations with state and local election schedules while providing a valuable opportunity for staff learning and collaboration.
2. **Amend the length of Fall Break.**
The current 2026–2027 calendar includes a nine-day Fall Break for students. Based on feedback, the committee recommends reducing Fall Break to **seven days**, creating a schedule more consistent with instructional pacing.
3. **Adjust Professional Development Days in October.**
As a result of the revised Fall Break, the number of Professional Development Days in October 2026 would be **reduced from four days to two**, maintaining a reasonable balance of professional learning time across the semester.
4. **After All Adjustments:**
 1. Students will have 7 days for Fall Break.
 2. The 2026-2027 year will consist of **4** Professional Development Days (8/6/26, 10/2/26, 1/4/27 & 5/7/27), **1** In-service Day (10/12/26), and **9** Inclement Weather Days.

The Calendar Committee will continue to review these revisions and will engage in further discussion as additional district calendars are developed. Our goal remains to create calendars that support high-quality instruction, meet the needs of families and staff, and reflect the values and priorities of our community.

The logo for Encore Technology Group features the word "encore" in a bold, red, lowercase sans-serif font. The letter "o" is replaced by a stylized graphic of three concentric, overlapping circles in shades of gray and white, creating a sense of motion or a signal. The background of the top half of the page is a faded, grayscale photograph of a city street scene with a bridge over a river and various buildings.

Flexible Contracts

Encore Technology Group understands that each organization's support needs and environment are unique and may change from year to year. Therefore, Encore Technology Group offers many flexible support options and constantly works with our Clients to provide optimal support solutions.

Overview

Washington County Schools (CLIENT) is currently planning to install an audio system for West View Elementary School. Encore Technology Group (Encore) is pleased to present the following Scope of Work to include the effort and materials required for the installation.

The project involves installing a variety of AV equipment including a router, microphones, amplifiers, mixers, speakers, cables, and power conditioners. The system will be designed to support wired connections, ensuring seamless integration and operation. The setup will cater to the specific needs of the space, providing reliable and efficient audio solution. The school will provide an iPad for control of the mixer. Encore will configure the unit, but it must be onsite on the day of install.

Project Scope

Post Implementation

- Encore Project Manager shall:
 - Conduct close out meeting
 - Obtain final project sign off
 - Provide CLIENT with a copy of all final documentation – based Project Deliverables as defined below
- Encore On-site Team shall:
 - Perform a final walkthrough of the jobsite to:
 - Clean-up and remove install equipment and waste
 - Verify all product and hardware is accounted for and installed

Project Deliverables

- As-built drawing of AV system showing signal flow and device connectivity
- Product specification and warranty information will be provided upon request

Out of Scope

- Any changes required post-scope of work acceptance will result in a project change order and may result in additional billing. A copy of the Change Request Form is attached in Appendix B.
- Any delays resulting from waiting on CLIENT or Client's 3rd party vendors
- Work performed outside Encore standard work hours of Monday through Friday 8am to 5pm

- Any additional conduit pathways not listed in the Implementation
- Any concrete core drilling greater than 2" diameter for horizontal penetrations
- Any concrete core drilling required for vertical riser penetrations
- Any low voltage permits needed are not reflected in the quoted amount and if needed will result in a Change order for the acquired cost
- Any powered lift equipment unless otherwise stated in the Implementation
- Any connection of patch cabling from new or existing patch panels to the network switch equipment unless otherwise stated in the Implementation
- Anything not listed above as in scope shall be considered out of scope

CLIENT Responsibilities

- CLIENT will provide:
 - full and timely administrative access, including remote access, to all physical and logical components required for project during Encore's normal business hours of 8am-5pm EST Monday - Friday
 - all necessary hardware, software, licensing, etc. unless defined differently in an attached Bill of Materials
 - an onsite resource to facilitate all information and communication per project requirements
 - availability for downtime, if required
 - for a secure area to store and deploy product from, at each site
 - any powered lift equipment required for the installation of any equipment involved in the project
- CLIENT will coordinate:
 - with Encore Project Manager to sign-off on project plan / design prior to implementation
 - with the primary contact at each site to ensure access to all affected area as well as a schedule a start time and cutover period, prior to start of the project

General Assumptions

- Work may be performed remotely or onsite at Encore's discretion
- All equipment quantities and length estimates are based on the CLIENT-provided documentation and are assumed to be accurate
- Any deviation from the equipment quantities listed in the implementation or attached bill of materials is outside the provided scope of work and will require a change order
- All cabling pathways are assumed to be in place and readily accessible with no obstructions which would prevent the install of cabling
- Unless otherwise stated above no trenching or directional boring of any kind will be required
- Any trenching or directional boring estimates are based upon distance and located utilities and cannot take into account any additional costs that may be required due to unforeseen natural barriers such as rock ledges
- No additional fire penetrations or fire sleeves will be required for the installation of cabling
- In an effort to offer the best overall price possible, the proposed labor costs, as well as staging, logistics and material requirements for the installation assume that all facets of the cabling project, in its entirety, will be awarded to the winning bidder and that all portions of the project shall be scheduled for installation in a contiguous manner
- Unless the total project is less than 40 onsite hours, overall pricing assumes that crews will be scheduled to provide focused effort on the project in full, 40-hour work week segments
- Any delays not caused by Encore requiring the unscheduled withdrawal of Encore resources may necessitate a change order
- All equipment and cabling locations are accessible via 12ft standard A-frame ladder or smaller and do not require the use of a powered lift

- If a powered lift is required for the installation of any portion of the project, one shall be provided by the Client or by Encore in the form of a Change Order
- An executed Project Completion Sign-off form (Appendix A) will be required to indicate project completion

Warranty Allowances

- **Acceptance/Sign-off:** Upon project completion, ENCORE will seek to obtain formal sign-off from CLIENT that the installation of all products were successfully completed as outlined within this contract. If Encore is unable to obtain sign-off from CLIENT after 30 days from the project completion date, it will be assumed that verification that all components has been completed, and product has been installed and operate correctly as stated within this contract
- **Installation Warranty:** For a period of one (1) year after the Completion Date, Encore shall warranty the quality of the installation and workmanship. If there are any issues identified/experienced within a year from the completion date with the product that was installed, and it is determined that the issue is due to an improper or incomplete installation, Encore shall repair/replace at no cost to CLIENT at Encore's discretion
- **Product Warranty:** All Product Warranties are solely based upon the manufacturer's warranty, which does not reflect Encore's associated labor cost to install and configure the product. If a part fails within the manufacturers specified warranty period and it was installed correctly by Encore, Encore will work with the manufacturer on CLIENT's behalf to leverage the warranty and arrange a replacement product item at no cost to CLIENT. However, CLIENT may be responsible for labor cost to replace the product.

Based on the rapidly changing market, availability, lead times, and potential tariffs are all possibilities. Please note that pricing and availability are subject to change. Encore will notify client of any changes in availability, pricing, or fees (tariffs, surcharges, shipping, etc.) as we are made aware.

Currently, some manufacturers are requiring non-cancellation clauses on purchase orders. For those orders, Encore may also require a non-cancellation clause to be signed before an order can be processed.

All sales are exclusively subject to and conditioned upon the terms and conditions of sale posted at <http://www.encoretg.com/terms-and-conditions>, and any other additional or different terms are objected to and rejected unless Encore expressly agrees to them in a signed writing.

INVITATION TO BID
Audio System

Sealed bids are being secured toward the ***Purchase of an Audio System, for West View Elementary.*** Proposals will be accepted until 2:00 PM EDT, Tuesday, November 18, 2025, when bids will be publicly opened and read aloud at the above Central Office address. Bidders/Representatives are welcome to attend the opening. Any bid received later will be returned to the sending bidder unopened.

The Washington County Board of Education reserves the right to reject any or all bids, award on what is determined as best dollar value for intended educational use, which may not be that of low bid, and on the earliest delivery date. The decision reached and any action taken by the Board will remain conclusive.

Successful bidding firm(s), if any, will be notified by the Washington County Board of Education following the Board action of the award at the December 4, 2025 school board meeting.

Continue to Bid Quotation Sheet, complete all blanks without alterations, and return the BID QUOTATION SHEET, and any pertinent items in a SEALED envelope by mail or bring to Kelli Hauldren, Washington County Department of Education, 405 West College Street, Jonesborough, Tennessee, 37659, so as to arrive no later than the date and time given of the scheduled public opening.

Metro Wall carpet by Shaw with flame retardant since this is in a school.

Material: \$7,630.24 Labor: \$7,617.15 Total:\$15,247.39

We propose to remove glue down carpet from rooms listed above and wall. Fix bleacher spots that give. Install carpet, cove base and quarter round (back around the bottom bleacher).

We do have more cost effective carpet if need. Carpet on the wall does have to have a flame retardant I it.

All quotes we submit are based on subfloor ready conditions with minimal prep. Any leveling over 1/4" is the responsibility of general contractor or additional charges may apply. This proposal is subject to acceptance within 30 days from date and is void thereafter at the option of Dockery FloorCovering.

Consideration regarding property marketed as office/warehouse space.

Current facility use:

7890 SF Office Space

3500 SF Warehouse Space

Estimated office rental space 4.00 – 6.00 SF

Estimated warehouse rental Space 3.00 – 4.00 SF

Annual potential rental income – Office \$31,560 - \$47,340

Annual potential rental income – Warehouse \$10,500 - \$14,000

Estimated annual rental income \$42,060 - \$61,340

Broker's Opinion Range \$425,000 - \$600,000

Based on Buyer's potential income

Comment: Property is located in predominately residential district. The nearby West Market Street area is a preferred office location. Subject property offers no particular advantage for office and warehouse use. Broker estimates that length of time to locate buyers for office and warehouse purposes could be an extended period of time and would expect offers toward the low side of property potential.

MEMORANDUM

To: Jerry S. Boyd, Superintendent of Schools, Washington County Schools (WCS)

From: Twana McKinney, Grants, Washington County Schools

Date: November 24, 2025

Subject: Summary of Roles and Commitments for Joint Washington County Government (WCG)/Washington County Schools (WCS) Grant Applications: LPRF and Project Diabetes

This document summarizes the proposed partnership strategy and mutual commitments required for Washington County Government (WCG) to serve as the Lead Applicant for two separate grant opportunities: The Local Parks and Recreation Fund (LPRF) grant and the Project Diabetes grant.

The overarching goal of this partnership is to **provide inclusive playgrounds at Boones Creek and Grandview as well as pickleball courts on Daniel Boone High School and David Crockett High School campuses**. By positioning WCG as the Lead Applicant, the project more strongly emphasizes county-wide community access and reduces any perception that the facilities are solely school-focused.

I. Partnership Structure and Core Commitments

WCG will serve as the official applicant and fiscal agent for both grants. WCS will serve as the indispensable partner, providing site locations, in-kind match, application support, and long-term sustainability. If either project is awarded, a **joint-use agreement** will be developed between WCG and WCS to outline all key details, including public access hours, shared responsibilities, maintenance expectations, and any limitations, ensuring transparency and clear expectations for all parties.

A. Washington County Government (WCG) Lead Applicant Commitments (Requested)

As the Lead Applicant, WCG is responsible for submitting all applications (Phase 1 and Phase 2 for LPRF). We request that WCG commit to handling the critical, up-front financial requirements:

1. **Cash Funds and Permit Costs:** WCG would provide **any necessary cash funds** required for the LPRF 50% match contribution (if the land valuation and in-kind labor do not cover the full local match requirement). Critically, It is requested that WCG provides the funding for all required federal, state, and local **permit costs**. The costs associated with obtaining environmental clearance are **100% the responsibility of the grantee and may not come from the grant award**.

2. **Application Management:** WCG must submit the **LPRF Phase 1 (Intent to Apply)** between December 4, 2025, and January 14, 2026, or the County cannot proceed.

B. Washington County Schools (WCS) Partner Commitments

WCS commitments focus on maximizing the competitive nature of the applications through documentation and ensuring the project's long-term sustainability:

Commitment	LPRF Grant (Inclusive Playgrounds) 50/50 match requirement Grant opening Dec 5 th .	Project Diabetes Grant (Pickleball Courts) unless noted last year grant was not a match grant. Grant is forecasted to be open in the winter/spring.
Land/Site	WCS provides the school property for the playground projects.	WCS provides the school property for the pickleball courts.
Match Strategy (In-Kind)	The fair market value of the land (not previously used for public recreation) will be surveyed by a State Certified Appraiser and applied toward the in-kind match . This can significantly reduce or eliminate the need for a cash match.	The land value will be surveyed for cost value and documented as in-kind match to demonstrate local investment and commitment, though match funds are generally not required for this grant program.
In-House Labor	WCS will facilitate the documentation of in-house labor (e.g., Grounds Crew time) for eligible activities such as minor grading, site preparation, and landscaping. These hours count toward the 50% match requirement if properly documented.	WCS will facilitate the use and documentation of any in-house labor that occurs during the project's timeline to support the project's local resource commitment.
Future Maintenance	WCS commits to providing future maintenance for the project's sites once installation is complete [conversation history].	WCS commits to providing future maintenance for the sites, which is essential for a strong Sustainability Plan required for the Project Diabetes grant.
Application Documentation	WCS provides drafting support for the narrative, site maps, photos, preliminary site plans, land documentation (deed/survey), and assistance with public meeting preparation. WCS will provide the inventory details for school recreation facilities to help WCG complete the mandatory Recreation System Inventory.	WCS will assist with drafting the Letter of Intent (LOI) and the Full Application, specifically focusing on how the courts help achieve Goal 2: Make Physical Activity a Routine Part of Life by enhancing community activity environments.
Reporting Periods	WCS will provide documentation during reporting periods necessary for WCG to receive reimbursement, specifically for documenting the donated land value and in-kind labor, which are logged as match.	WCS will assist in providing documentation during regular reporting periods to track project progress, financial expenditures, and updates related to long-term sustainability and maintenance.

II. Critical Compliance and Authorization Steps for WCS

For the LPRF application to be compliant, the School Board/WCG must formally approve the project, which requires action prior to the April 1, 2026, Phase 2 grant deadline.

1. **School Board Approval (LPRF):** Because the project involves school property, the **School Board must also document its support**. This is typically done through an **agenda item and official minutes showing board approval**. WCS will provide support to ensure this County requirement is met.

2. **Land Protection:** If the LPRF project is awarded, the land used for the public recreation facilities **must be protected in perpetuity for public recreation**, unless land lease requirements are met. This protection is usually formalized through a **Draft 25-year Intergovernmental Agreement (IGA)** between the County and School Board, which must be uploaded during Phase 2.

This information must be included in the final memorandum, as the two public meetings are a mandatory component of the LPRF Phase 2 application requirements.

Here is the revised section to be added to the memorandum (which you would place within the "Details on Phase 2" or "WCS Partner Commitments" section):

III. Mandatory Community Engagement (LPRF Phase 2)

A crucial compliance step for the LPRF application requires Washington County Government (WCG) to demonstrate community support through mandatory public consultation.

WCG (with WCS) must hold a **minimum of two public meetings** to present the proposed inclusive playground sites and gather feedback.

Mandatory Meeting Requirements:

Requirement Detail	Source
Quantity & Topic	A minimum of two public meetings must be held, and each meeting must be only about the proposed project .
Timing	Meetings must occur after the Intent workshop .
Scheduling Restriction	The meetings cannot be on the same day as the HEW committee or Monthly County Commission Meeting where other work will be discussed. They must also not be at the same time/day of the week .
Advertising	Meetings must be advertised using the County's normal procedures .
Format	Meetings must allow for public comment , and a virtual meeting is acceptable for one of the required sessions.

WCS Role in Meeting Documentation:

WCS will assist the County in preparing these public meetings and presentations. WCGWC must coordinate the collection of documentation necessary to satisfy the state's requirements for upload into the Grants Management System (GMS).

This required documentation includes:

- **Agendas**
- **Sign-in sheets**
- **Meeting minutes**
- **Photos of project site signage** (since the projects occur on school properties)

- **Screenshots of comments** (if a virtual meeting is held)

This commitment ensures that WCG, as the applicant, satisfies the Community Engagement requirements of Phase 2, which is essential for a competitive application

This partnership ensures Phase 2 results in a complete, fully compliant, and competitive application submitted by Washington County Government with full support from Washington County Schools.
