24'x16'PortableModularAluminum Stage
16" Height

This layout builds cleanly using our 4' x 4' modular system.

Footprint: 384 sq ft
Deck Count: (24) 4' x 4' sections

What's Included

- (24) Reinforced 4'x4' Aluminum Stage Decks
- 16" Leg System
- Reinforced Interlocking Side-Frame System (prevents flex or wobble)
- Professional Non-Slip Performance Surface
- (2) Stair Units with Handrails
- Black Stage Skirting for Front and Sides
- Guardrails for Back and Sides
- Step Railings
- Storage Cart System
- 100% Tool-Free Assembly (no bolts, no wrenches)
- Rust-Proof Aluminum Construction (indoor/outdoor rated)
- All Required Hardware
- Freight Shipping Included

ADA Ramp Option

Yes—ADA-compliant ramps are possible.

At 16" stage height, the minimum ADA ramp length is typically 16' to maintain a 1:12 slope. ADA ramps would also include the proper

handrails.

I can quote that separately depending on how you want the access laid out.

Built for School & Event Use

Most cheaper stages are basic 4-leg platforms that shift over time. Our reinforced interlocking frame locks the full platform together so it stays solid and quiet during use.

The decks are lightweight, tool-free, and stack ?at for storage, while the cart system keeps transport and organization much cleaner.

Investment

Stage System: \$14,856

Stair Units (2): \$0 Included/No Charge

Stage Skirting: \$384

Guardrail Package (12) 4x3 (sides and back) \$2,220

What Sets Our Staging Apart?

Aluminum Body

- **High Grade Aluminum** Build
- No corrosion, no decay
- Long-term durability
- Maintains structural strength year after year

Tool - Free

- No tools. No bolts. **No stress.**
- **EASY setup and teardown**
- One-person deck handling
- Set up in minutes

Reinforced Sides

- **Extra** Stability
- Built for **repeated** use
- Reduces vibration and movement

Adjustable Legs

- No wobble on **slopes, rough, or uneven surfaces**
- Level stage every time

What about other stages?

Cheaper, 4-Legged Stages

- Often requires **crawling underneath the stage to secure bolts**
- Tool-based setup can be **slower and more complex**
- Lightweight frames
- Fixed-height legs can be **unstable on grass, slopes, or uneven ground**
- Metal components may corrode over time depending on material and environment
- Joints and bolts can loosen with repeated use
- Can feel temporary or less stable
- **Past clients often report these setups as labor-intensive**

Thin Accordion Style Stages

- Designed with slim, lightweight leg structures
- Lower upfront cost, but can be challenging long-term
- **Often unsuitable for uneven surfaces**
- Limited individual leg adjustment compared to modular systems when used on uneven terrain
- Typically selected for lighter-duty or occasional use

It's Easy as 1, 2, 3!

1. Place the 4 adjustable legs on the ground

2. Slide in the pillars and four reinforced sides

3. Slap on the Top Deck!

You're Done!

TRADE-IN EQUIPMENT & CREDIT DETAILS:

Equipment Type: 34yd Self-Contained Compactor with Left-Side Feed Doghouse

Additional Equipment Description:

The agreed fair market value of the Trade-In Equipment is \$ 6,000.00 ("Trade-In Value"). The Trade-In Value has been applied to the Monthly Fee set forth herein this Agreement.

1. **Contract Term.** This Agreement (“Agreement”) is entered into as of the last date set forth below, by and between Compactor Rentals of America, LLC (“Company”), and the Customer set forth above (“Customer”). The initial term of this Agreement is **60-month** (“Initial Term”), commencing on the date of installation of the above Equipment, as more particularly set forth in the Installation Checklist provided by Company to Customer. The Initial Term shall be automatically renewed for successive terms, each in the same duration as the Initial Term (each a “Renewal Term,”) and together with Initial Term, the (“Contract Term”) without further action; *provided, however*, this Agreement may be terminated at the end of any Contract Term by either of the parties by giving notice to terminate by certified mail received by the other not less than sixty (60) days prior to the expiration of the then pending Contract Term, and no more than one hundred twenty (120) days prior to the expiration of then pending Contract Term.
2. **Payments.** Customer agrees to pay a monthly equipment rental and service fee of \$ \$600.00 plus any applicable sales or other taxes, per month (“Monthly Fee”), directly to Company. Customer shall then make payments to Company based on net 30 day terms established with the Company (“Payment Due Date”). Company may impose, and Customer agrees to pay, a late fee in the amount of five percent (5%) of the Monthly Fee for delinquent payments received by Company subsequent to each Payment Due Date.
3. **Trade-In Equipment.** As consideration for the reduced Monthly Fee, Customer has agreed to convey to Company the Trade-In Equipment as set forth on the face sheet of this Agreement as of the date hereof. Customer represents and warrants that it is the sole owner of the Trade-In Equipment. Customer further represents and warrants that: (a) Customer has full authority to sell the Trade-In Equipment; (b) The Trade-In Equipment is not subject to any lease, security interest, or financing; (c) No hazardous materials are contained in or attached to the Trade-In Equipment beyond ordinary solid waste residue. By execution hereof, Customer hereby unconditionally sells and conveys to Company pursuant to the foregoing representations and warranties title to the Trade-In Equipment “as-is” without recourse. Should this Agreement be terminated for any reason, Customer shall have no right or claim to the Trade-In Equipment
4. **Agreement.** This document shall constitute a legally binding contract by and between Company and Customer and their respective heirs, successors, and assigns in accordance with the terms and conditions set forth herein. This Agreement contains the entire agreement of the parties relating to the Equipment and may not be changed, modified, terminated, or discharged, except in writing signed by both parties. Any other terms and conditions contained in Customer issued purchase orders, checks or other mediums shall be of no force nor shall they affect the rights and responsibilities of the parties hereto.
5. **Equipment.** “Equipment” means all the equipment described herein, and all replacements and accessories. Upon installation, Customer shall be responsible for all care, custody, and control of the Equipment during the Contract Term, subject to the terms and conditions in this Agreement. Customer acquires no ownership, title, or property rights or interest in the Equipment, except the right to use the same in accordance with and subject to the terms and conditions in this Agreement, and in compliance with any procedures and policies that Company may reasonably establish from time to time which are available at <https://compactorrentalsofamerica.com/service-guide/> and subject to change during the term of this Agreement at Company’s sole discretion; and Customer shall, at its expense, keep the Equipment free and clear from any and all claims, liens, encumbrances and legal processes of Customer’s creditors and other persons. Company shall have the right from time to time, during reasonable business hours, to enter upon the premises where the Equipment is located for the purpose of inspecting and servicing the Equipment, and Customer shall take all commercially reasonable actions, promptly upon Company’s request from time to time, to grant such access to Company.
6. **Maintenance; Return upon Contract Expiration.** Subject to the Customer’s responsibilities set forth in this Agreement, Company shall maintain the Equipment at its expense in good operating condition, and Company shall make all repairs and replacements necessary for the operation of the Equipment upon reasonable request by Customer, or at any time, on Company’s own schedule; *provided, however*, Customer shall pay on demand the costs of all repairs, replacement parts, and labor attributable to Customer’s failure abide by operational procedures set forth in Section 4 of this Agreement, rodent or pest infiltration causing damage to the Equipment or components thereof, abuse or negligent operation or care of the Equipment by Customer, its agents, or employees, as determined by Company in its sole discretion. Customer shall not alter or disfigure any of the Equipment or alter, modify or cover up any marks of identification supplied by Company. Customer shall not move or transport any of the Equipment from the location set forth in this Agreement without the prior written consent of Company, except that, upon the expiration of this Agreement at the end of a Contract Term in accordance with the terms of this Agreement, unless other arrangements are agreed upon by Company, Customer shall return the Equipment, freight pre-paid, to Company in good repair, condition, and working order, ordinary wear and tear excepted, in a manner and in a location designated by Company.
7. **Insurance.** At its own expense, Customer shall maintain (i) insurance against loss, theft, and damage to the Equipment, (ii) insurance to include special form coverage (all risk) for Equipment rented, leased, or borrowed, in amounts to insure for the full replacement cost of such Equipment, and (iii) insurance with respect to liability for bodily injury, including death and property damage resulting from the ownership, maintenance, use, or operation of the Equipment, each during the Contract Term, and thereafter, so long as the Equipment is on Customer's premises or under Customer’s control. All insurance shall be in form, amount, and with companies satisfactory to Company, and shall contain the insurer's agreement to give thirty (30) days written notice to Company before cancellation or material change of any policy of insurance. Customer shall furnish to Company, within five (5) days prior to the scheduled delivery of the Equipment, a satisfactory certificate of insurance provided by a company approved by Company which is in full force and effect before delivery of the Equipment. Upon Company's request, Customer shall deliver the policies or copies thereof or certificates of insurance to Company. In the event of an insurance policy cancellation or lapse threatened by reason of nonpayment of an insurance premium, Company may pay the charge on Customer's behalf, and subsequently charge the Customer accordingly. Company shall be shown as a loss payee or additional insured, as applicable, on a primary and non-contributing basis on the foregoing policies to the extent that its interests may appear and any proceeds payable pursuant to those policies shall be paid to all named insureds as their interests may appear.
8. **Equipment Damage Waiver.** At Customer’s option, or in the event the Customer fails to deliver the required property damage insurance certificates or policies to Company prior to delivery of the Equipment, Customer will be deemed to have accepted and shall pay for the Equipment Damage Waiver attached hereto. The Damage Waiver is not insurance and will only be in effect after Customer submits payment for the Equipment Damage Waiver charges. The Equipment Damage Waiver relieves Customer of financial responsibility to Company in excess of \$1,000 in the event that the Equipment is damaged due to act of god. The Equipment Damage Waiver is not total damage protection. If the Equipment is damaged due to neglect, vandalism, carelessness, or inadequate security, Customer is required to pay the cost of repairs regardless of whether the Customer purchased an Equipment Damage Waiver. Customer may cancel the Equipment Damage Waiver upon receipt by Company of the required insurance certificate. The Equipment Damage Waiver does not relieve Lessee of its obligation to provide liability insurance.
9. **Notice.** Customer hereby irrevocably authorizes Company to take any action it deems necessary or appropriate to provide public notice of the Company’s title and ownership interest in the Equipment. Customer authorizes the filing of this Agreement or one or more Uniform Commercial Code financing statements regarding the Equipment. This Agreement may be subject to the rights, liens, and security interests held by the Company’s secured lenders, and such rights, liens, and security interests may be reflected on one or more Uniform Commercial Code financing statements of record from time to time.

10. **Liability for Equipment.** Customer accepts responsibility for the Equipment and contents at all times except, as to the Equipment, when it is being physically handled by the employees or other representatives of Company. Customer, therefore, expressly agrees to defend, indemnify, and hold Company harmless from and against any and all liabilities, obligations, losses, damages, injuries, claims, demands, penalties, actions, costs and expenses of whatever kind and nature (including attorneys' fees) imposed on, incurred or asserted against Company in any way relating to or arising out of the use, condition, operation, maintenance, possession, rental or return of any of the Equipment. Customer shall promptly notify Company of any accident resulting from or relating to (or allegedly resulting from or relating to) the Equipment.
11. **Warranties.** Company makes no warranties, either express or implied concerning the Equipment, and Company expressly disclaims any warranty of merchantability or fitness for particular or trade use of the Equipment for any purpose or the like. Company does not warrant in any way the design, workmanship, quality, capacity, suitability of the Equipment, or its freedom from latent defects or patent infringement or its compliance with any contract, rule or law. Customer agrees to indemnify and hold harmless Company for loss of use due to machine maintenance, malfunction, or any other loss of use, including (without limitation) any expense incurred by Customer to procure alternative service while any portion of the Equipment is undergoing repair. Company has no liability whatsoever for any consequential or incidental damages, costs or expenses arising from the Equipment, its use or periods of inoperability.
12. **Taxes.** Customer shall be responsible for and shall pay any and all local, municipal, state, or federal taxes, license fees, assessments which are imposed or levied upon the Equipment during the Contract Term of this Agreement, including any extension thereof and shall save and hold Company harmless from all liability in connection therewith. Company shall not be liable for installation of utility service necessary to operate the Equipment, or any utility service charges attributable to the Equipment's operation.
13. **Events of Default.** Customer shall be in default under this Agreement upon the happening of any one or more of the following events or conditions (each, an "Event of Default"): (a) Customer defaults in the payment when due of any amount due under this Agreement, and such default continues for five (5) days; (b) Customer defaults in the performance of any other obligation or covenant contained in this Agreement, and such default continues for five (5) days after notice thereof is sent to Customer by Company; (c) the Equipment is lost, stolen, substantially damaged, destroyed, sold, encumbered, or made the subject of any levy, seizure or attachment with respect to Customer; (d) Customer abandons all or any part of the Equipment for a period in excess of five (5) days; (e) Customer defaults in the performance of any obligation or covenant contained in any other agreement or contract that Customer and Company are a party to and such default continues beyond any grace or cure period (if any) set forth in such other agreement or contract; or (f) a petition for relief under any chapter of Title 11 of the United States Code, as amended, is commenced by or against Customer; Customer makes a general assignment for the benefit of its creditors; Customer fails general to pay its debts as they become due; Customer ceases operating its business, ceases doing the type of business for which the equipment was intended to be used or ceases operating its business out of the "Customer Equipment Location" designated above; or a receiver is appointed for all or any part of Customer's property. Upon the occurrence and during the continuance of an Event of Default, Company may immediately terminate this Agreement, and upon any such termination, Customer shall (i) make the Equipment available to Company (or, at Company's option, Company may enter the premises where the Equipment is located to take possession and remove it or otherwise render it unusable without removing it from its location), and (ii) pay, as liquidated damages in a single sum, an amount equal to the Monthly Fee multiplied by the number of months remaining in the Contract Term at the time of such termination. If Customer breaches this Agreement, Customer acknowledges that Company will have incurred costs of acquiring the Equipment, and shall incur refurbishing and other costs, and from month to month, Company may incur costs in excess of the Monthly Fee. To that end, Customer agrees that the foregoing liquidated damages are intended to approximate Company's damage upon such breach and is not a penalty. Customer shall also pay all costs of recovering the Equipment and preparing the same for reletting or sale, and for all other costs of collection and enforcement, including reasonable attorneys' fees, incurred by Company after the occurrence and during the continuance of any Event of Default. Nothing herein is intended or shall be deemed to limit or impair Company's ability to pursue, in addition to the above-referenced remedies, any other remedy available to Company at law or in equity, including any other measure of damages resulting from Customer's default under the terms of this Agreement. In addition to the foregoing remedies and obligations, in the event of default the Company may also enter the premises where the Equipment is located to render the Equipment inoperable. Upon cure of the applicable event of default, the Customer cure obligations shall also include responsibility for the Company's expenses necessary to immobilize and restore the Equipment to operational status. In the event that Customer is unable to cure and this agreement is terminated, such expenses for immobilize the Equipment shall be an added damage recoverable by the Company in addition to its other rights and remedies contained herein.
14. **Governing Law; Arbitration.** The parties have entered into this Agreement in the State of Arizona. The parties agree that this Agreement shall be interpreted, construed and enforced in accordance with the internal laws of the State of Arizona, without giving effect to Arizona conflicts of law principles. In the event of any dispute regarding breach, interpretation or enforcement of this Agreement, the parties agree to submit the issue to binding arbitration in Arizona. Unless another procedure is mutually agreed upon, the rules of the American Arbitration Association shall apply. In the event that either party commences legal action to enforce the terms and conditions of this Agreement, the prevailing party shall be entitled to its costs of suit incurred therein, including but not limited to reasonable attorneys' fees. Notwithstanding the foregoing or anything else to the contrary in this Agreement, nothing herein is intended or shall be deemed to limit, restrict or otherwise impair the Company's ability to initiate and prosecute in any applicable jurisdiction actions related to the repayment and collection of amounts owing by Customer under this Agreement and the exercise of all of Company's rights against the Customer with respect to the Equipment.
15. **Miscellaneous.** Customer represents that the Equipment is rented for business purposes and under no circumstances shall this Agreement be deemed or construed as a consumer contract. Commencing one (1) year from the start date hereof, and thereafter for the duration of this Agreement, or any extension thereof, rental fees may be increased, by Company, to reflect market changes for the use of the Equipment This Agreement and the rights and obligations of the parties hereunder may be amended, changed or modified only in writing executed by both of the parties hereto.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.
Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid).
- Form 1099-DIV (dividends, including those from stocks or mutual funds).
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).
- Form 1099-NEC (nonemployee compensation).
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).
- Form 1099-S (proceeds from real estate transactions).
- Form 1099-K (merchant card and third-party network transactions).
- Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).
- Form 1099-C (canceled debt).
- Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

Caution: If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);
2. Certify that you are not subject to backup withholding; or
3. Claim exemption from backup withholding if you are a U.S. exempt payee; and
4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and
5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding. Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441–1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a saving clause. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.–China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.–China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester;
2. You do not certify your TIN when required (see the instructions for Part II for details);
3. The IRS tells the requester that you furnished an incorrect TIN;
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or
5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under "*By signing the filled-out form*" above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; do not leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

- **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note for ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

- **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or "doing business as" (DBA) name on line 2.

- **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

- **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. Enter any business, trade, or DBA name on line 2.

- **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner's name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For

example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

IF the entity/individual on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation.
• Individual or • Sole proprietorship	Individual/sole proprietor.
• LLC classified as a partnership for U.S. federal tax purposes or • LLC that has filed Form 8832 or 2553 electing to be taxed as a corporation	Limited liability company and enter the appropriate tax classification: P = Partnership, C = C corporation, or S = S corporation.
• Partnership	Partnership.
• Trust/estate	Trust/estate.

Line 3b

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

Note: A partnership that provides a Form W-9 and checks box 3b may be required to complete Schedules K-2 and K-3 (Form 1065). For more information, see the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

Line 4 Exemptions

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

L—A trust exempt from tax under section 664 or described in section 4947(a)(1).

M—A tax-exempt trust under a section 403(b) plan or section 457(g) plan.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/EIN. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABL accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

¹ List first and circle the name of the person whose number you furnish. If only one person on a joint account has an SSN, that person's number must be furnished.

² Circle the minor's name and furnish the minor's SSN.

³ You must show your individual name on line 1, and enter your business or DBA name, if any, on line 2. You may use either your SSN or EIN (if you have one), but the IRS encourages you to use your SSN.

⁴ List first and circle the name of the trust, estate, or pension trust. (Do not furnish the TIN of the personal representative or trustee unless the legal entity itself is not designated in the account title.)

^{*} Note: The grantor must also provide a Form W-9 to the trustee of the trust.

Note: If no name is circled when more than one name is listed, the number will be considered to be that of the first name listed.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Go to www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and territories for use in administering their laws. The information may also be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payors must generally withhold a percentage of taxable interest, dividends, and certain other payments to a payee who does not give a TIN to the payor. Certain penalties may also apply for providing false or fraudulent information.

RESOLUTION OPPOSING EXPANSION OF EDUCATION FREEDOM SCHOLARSHIP PROGRAM

WHEREAS, the Constitution of the State of Tennessee, in Article XI, Section 12, provides that the General Assembly “shall provide for the maintenance, support, and eligibility standards of a system of free public schools”; and

WHEREAS, the fulfillment of this constitutional obligation depends upon stable and adequate public investment in local public school systems that serve all students, regardless of background, ability, or need; and

WHEREAS, local boards of education are charged with governing public schools in a manner that ensures students are prepared for postsecondary education, military service, or entry into the workforce, while remaining accountable to the communities they serve; and

WHEREAS, in 2025 the State of Tennessee enacted the Education Freedom Scholarship program, creating a statewide private school voucher program funded with public dollars; and

WHEREAS, the Education Freedom Scholarship program remains in the early stages of implementation, and there is insufficient data to demonstrate that the program has produced positive student outcomes, improved educational quality, or provided a clear benefit to Tennessee students or taxpayers; and

WHEREAS, legislation has been proposed to expand the Education Freedom Scholarship program from 25,000 to 40,000 scholarships beginning in the 2026–27 school year; and

WHEREAS, expanding a program of this scale without demonstrated success increases fiscal risk to the state and further diverts limited education funding away from public schools that are constitutionally required to serve all students;

NOW, THEREFORE, BE IT RESOLVED, that the Washington County Board of Education hereby opposes the proposed expansion of the Education Freedom Scholarship program and respectfully urges the Tennessee General Assembly to reject legislation that would increase the number of available Education Freedom Scholarships.

THIS RESOLUTION is adopted as of this 2nd day of APRIL 2026.
