Dear Bill:

I am writing to inform you that the Minnesota Alliance With Youth has filed for and become its own nonprofit organization with a 501(c)(3) designation. Therefore, we will be phasing out of the Duluth Public Schools as our fiscal administrator with the finalization of the two current grants.

One grant will be ending August 14, 2012 and the other will end September 30, 2012. It will take about a month to close out the grants and reconcile those accounts. It is estimated that everything should be completed by November, 2012.

We will begin taking over all fiscal operations of our new grant that begins on August 15, 2012. The staff currently hired by the Alliance will move with us as we make this transition. Most staff and Promise Fellows will move with us with the new grant with the exception of two employees who will stay with the district until the close of the second grant on September 30, 2012.

It has been a pleasure working with the Duluth Public Schools that last five years. The Alliance has grown each year and enjoyed the partnership we have shared and the relationships that have been built. The Alliance is excited to continue its partnership with the Duluth Public Schools through placement of Promise Fellows within the middle and high schools.

Sincerely,

A handwritten signature in black ink that reads "Sarah Dixon". The signature is fluid and cursive, with a long horizontal line extending from the end of the name.
