School and Community Recognition

June 2019

Members of the Board, this month we're recognizing the work of the Duluth Public Schools Endowment Fund. From the Board of Trustees for the Fund, please welcome Ken Schoen, Chairperson. We invite educators who have written and received grants to come

forward. The Duluth Public Schools Endowment Fund was established in 1984 to gain greater visibility and support for our schools by supporting innovative and creative educational projects. Guided by an independent board of civic and business leaders, the Fund reviews proposals and recommends grant awards ranging from \$500 to \$2,000. Over the years, the Fund has awarded grants to over 300 educators and enriched our classrooms with over a half-million dollars in grants. The Fund is managed independently through the Duluth Superior Area Community Foundation. Assets continue to grow through generous gifts from local businesses, organizations and individuals. We appreciate the work of the Board of Trustees and the Foundation in supporting the Fund. We especially honor and recognize the work of our teachers, principals and specialists in creating innovative classroom projects, applying for the grants and implementing these projects. All of you play an important role in enriching educational opportunities for Duluth students. Thank you for your dedication and support.

This weekend is Grandma's marathon and we have many students and employees volunteering at the various activities that surround the marathon.

And now for the summer reports from our student representatives:

Vanessa Farrell, Student Representative from Duluth East, reported to the Board that students finished up the school year with finals and graduation. Good luck to the rowing team!

- Chair Loeffler-Kemp called the Special School Board meeting of July 8, 2019 to order at 4:15 p.m.

Chair Loeffler-Kemp read the following statement:

The next item on the agenda is a closed session that will allow the School Board to receive legal advice related to an employee's alleged claims. The Open Meeting Law, Minnesota Statute section 13D.05, subdivision 3(b), states that the School Board may close a meeting pursuant to the attorney-client privilege.

During the closed meeting, the School Board will discuss with its attorney a letter received from an employee's attorney that alleges legal claims against the District and proposes a settlement of the matter. The Board will discuss with its attorney the strengths and weaknesses of the parties' positions and how the District wishes to respond to the settlement proposal.

There is a need for absolute confidentiality because the District's position would be compromised if such discussions took place in public and could be overheard by the employee or his or her attorney. Accordingly, pursuant to the law I have cited, I will hereby entertain a motion that this meeting be closed pursuant to the attorney-client privilege.

M-Lofald, S-Kirby, that this meeting be closed to receive legal advice related to an employee's alleged claims. Upon a vote, the same was approved – 5-0.
